1889 . . . no beautiful, snow-covered walk leading to the architectural landmark the Ad building . . . No spired tower Memorial Gym for Vandal athletes

# FOREWORD

Another year . . . the last for many of us . . . has passed. It's hard to realize that tomorrow our places will be filled . . . another everlasting stream of classes has become just a memory.

Fifty years ago spritely youths haunted the then-new Ad building. Today, we overrun the school. Tomorrow, we, too, will be gone . . . probably forgotten.

Take this GEM . . . a meager cross-section of one year at Idaho. We hope it brings back old times . . . those football games . . . dances . . . the Mortar Board "dream man" contest . . . all recorded for your future remembrance. Treasure this GEM . . . a constant reminder of those glorious days at Idaho.

TOWHEAD.

Casual groups on Idaho's beautiful campus . . . everywhere "hello" . . . and perhaps a moment's gossip whether on Science Hall's steps or on Idaho's "Fraternity lane."

... Carefree as a youth on  
Saturday's leave from school  
... yet energetic enough to  
reach a far greater goal than  
was ever expected 50 years  
ago ... that's Idaho.

# DEDICATION

In February, 1894, only eighteen months after the University opened, a dynamic individual joined the staff of instruction at Idaho. He struggled, as did other professors, with poor equipment and poor quarters in an earnest desire to build a greater Idaho.

Nearly a half century of his work and effort gained Idaho a well equipped military plant, and for him the title of Professor Emeritus for life of Military Science and Tactics at the University of Idaho.

As editor, I dedicate this Gem of the Mountains to the memory of Brigadier-General Edward R. Chrisman, and to his enthusiastic interest which made possible such a great institution as we have at Idaho today.

"Okeh, thanks for the compliment" . . . with that, Mr. Barclay, internationally known artist, took over the job of selecting the queens for the 1939 Gem of the Mountains.

Again the Gem selects an Idaho queen! As in the past, nominations of the beauties have been made by the twelve women's groups on the campus. Each woman was photographed specially for the Gem by Hutchison. From these pictures as well as personal portraits, Mr. McClelland Barclay selected the Queen of the Idaho campus.

# JUNIOR CLASS

## JUNIOR OFFICERS

Activity-laden juniors took over upperclassmen duties last fall with an air of proprietorship. Junior women and men were elected to leading offices in honoraries, clubs, and associations on the campus. Last year's junior leaders became the young hopefuls of this year's senior class.

First semester officers included John O'Neill, president; Merle Stoddard ably fulfilled the office of vice president; Rachel Braxtan was secretary; and Ruth Mather carried out the duties of treasurer. Politics definitely whirled on the Idaho campus during the second semester elections. The Independents stepped forth and conquered all but one office, due to a poorly cooperating United Students' group and Hitleristic methods employed by the Independents.

John O'Neill, Rachel Braxtan, Ruth Mather, Merle Stoddard

Charles Atkinson, Willeen Shaver, Ray Clark, Fae Harris

## JUNIOR OFFICERS

Ray Clark was elected on the Independent ballot for president. Charles Atkinson received the office of vice president; Fae Harris, Delta Gamma, was elected secretary, and Willeen Shaver, treasurer.

Junior class officers selected Howard Young, Campus Club, as the general chairman of Junior week "whoopie." A contest, similar to that instigated by the class of '39 juniors, was held again this year to decide on the theme of Junior week. Parades, composed of floats from each house and hall, assemblies, an all-school mixer, the serenade, the Junior Cabaret, and the formal Junior Prom were the main activities during the week from April 17 to 22.

SOPHOMORE CLASS

Frank Evans, Mary Low Fahrenwald, Earl Acuff, Gus Rosenheim

With Earl Acuff as the head of the sophomore class, Frank Evans vice president, Mary Low Fahrenwald secretary, and Gus Rosenheim, treasurer, the Sophomores started the year off with edicts, dropped from airplanes, to the Freshmen. Finding theirs a rather in-between class, they worked for recognition in hopes of some day becoming the reigning factors of the campus.

The climax of their activities was a Sophomore Holly Day assembly, which included the introduction of six new Cardinal

Key members: Margaret King, Evelyn Williams, Elena Sliepce-  
vich, Jean Cunningham, Fae Harris, and Rachel Braxtan. The  
Sophomore Holly Day dance followed the assembly prior to  
departure of the student "special" bound for various Christmas  
vacations.

Hugh Hoopes was elected on the whirlwind second semester  
ballot to reign as president of the sophomore class; Neyva  
Erickson was selected vice president; Fred Harris secretary,  
and Graham Daven treasurer.

# FRESHMAN

Shortly after registration the Frosh held election for the first semester officers. Open and shut was the election, with most of the officers selected before the meeting was called. Jack Unbewust was designated to lead the greenies, with Milton Eberhard as vice president, Howard Langland treasurer, and Barbara Beach as secretary. Second semester elections were even better organized.

Howard Langland, Dalton Smith, Elizabeth Sloat, Nelson Park

# OFFICERS

Howard Langland was moved up to the presidency. Dalton Smith went in as vice president, Elizabeth Sloat secretary, and Nelson Park treasurer. It was decided to have a Frosh Glee Week without a great name band. The venture last year turned out to be such a financial turnip the class would not undertake it again. At our press time, President Langland had work going for a Razzle-Dazzle Glee Week.

# PRESIDENT HARRISON C. DALE

"Hal" was born a mere fifty yards from the ocean . . . Lynn, Massachusetts, to be exact. As a result he's a good swimmer. Camping, the lure of the forests, and streams, plus his pet aversion . . . working in the home garden . . . are things that make President Dale's life complete.

Brigham, Dale, and St. Clair make their contributions to the centennial container to be opened January 30, 1989

## PRESIDENT'S MESSAGE

In universities, every year is an important year, especially to those who are just embarking on the great experience we call "going to college," as well as to the seniors who see their college days drawing all too rapidly to an end.

But this year is an important year not only to the freshmen, not only to the seniors, not only to the entire student body, but to all Idaho students and former students everywhere, and to all alumni from the oldest to the youngest. For this year the University of Idaho is half a hundred years old!

In this semi-centennial year, we like to think back to those hardy pioneers in this frontier territory . . . for Idaho was not yet a state . . . who had the courage and the vision to create a university in the wilderness, and to think ahead half a century in an effort to imagine even the outlines of the greater University that has already been fifty years in the making. The University of Idaho today is part of the University of the past; all of us, in turn, are helping to make it the University of the future.

PRESIDENT HARRISON C. DALE

## EX-GOVERNOR

From engineer to governor has been the political-studded career of Barzilla W. Clark, who left the state's high seat January 1. Hydro-electric power, municipally owned, has been his hobby for years. He served several terms as Mayor of Idaho Falls, and developed three city-owned plants during that period. Although he's from "the" foremost potato raising center, "B.W." lost to the Governor of Maine in a potato-picking contest to which he was challenged.

## THE GOVERNOR

Economic and social betterment of his community and state has been the work of newly-elected Governor Governor C. A. Bottolfsen since he came to Idaho in 1910. His initial investment in Idaho was the Arco Advertiser, a small paper in Butte county. He also managed the Daily Bulletin at Blackfoot.

For nine months during the World War he served at Camp Lewis, Washington. In 1921, 1923, 1929, and 1931 he was elected to the state legislature from Butte county.

J. F. Jenny, Jerome J. Day, John Condie, Clency St. Clair, Mrs. A. A. Steel, Arthur L. Swim

## BOARD OF REGENTS

The State Board of Education and the Board of Regents . . . go-betweens for the people and the students . . . render decisions upon which the future of the University policies and plans are determined.

This group is headed by Clency St. Clair of Idaho Falls, assisted by Arthur L. Swim of Twin Falls, J. W. Condie, Boise; J. F. Jenny, Cottonwood; Mrs. A. A. Steel, Parma, and Jerome J. Day, Wallace.

## ADMINISTRATIVE OFFICIALS

Supervising the university grounds keeps Mr. R. W. Lind, building superintendent, exceptionally busy throughout the year.

To establish a University museum is a "pet ambition" and project sponsored by Miss M. Belle Sweet, librarian, for the past several years.

Amateur photography takes up many spare moments of Miss Ella Olesen's time away from the office. She's registrar.

Relaxing in front of the fireplace and contentedly browsing through his best-loved books, is the favorite sport of Frank Stanton, bursar.

Designing kitchen equipment for campus halls and being timekeeper at basketball games are the pastimes of Bob Greene, proctor of men.

The lure of the field and stream takes Oren A. Fitzgerald, university editor, when he's relaxing from writing magazine articles.

## DEAN T. S. KERR

COLLEGE OF LETTERS AND SCIENCE

"T.S.," tagged the same upon coming to Idaho 15 years ago, has watched the University expand to be one of the finest in the country; has seen his daughter graduate, and has written a textbook on law. Rotarian Kerr is very active as a member of the Chamber of Commerce and in other civic affairs of Moscow.

## DEAN E. J. IDDINGS

COLLEGE OF AGRICULTURE

Cattle boats hold a deep fascination for Dean Iddings: his first trip to Europe was taken on one. Later he journeyed around the world . . . visited the Gulf of Mexico . . . and spent a good deal of time in South America. Hunting and fishing, and watching baseball and football are also enjoyed by the traveler.

## DEAN J. E. BUCHANAN

COLLEGE OF ENGINEERING

"Buck" is a successful Idahoan who has returned to serve his alma mater after graduating from Idaho in 1927. Flood control and airport development are his pet branches of engineering. He has been connected with the State Highway Department. Hunting and fishing are necessities in every man's life, says "Buck."

# DEANS

## DEAN HOWARD

SCHOOL OF LAW

Globe-trotter, author, former assistant district attorney of New York county, "Penny" is still a staunch supporter of "See America First." The witty dean prefers to chauffeur himself, as motor-ing is his favorite sport. He is a patron of all fine arts, the theater and music as first and second choice.

## DEAN FAHRENWALD

SCHOOL OF MINES

At golf, he is quite expert; table tennis, ice skating, and camping are his favorite active sports. He reads extensively of sports and can name any champion. In college he played football, basketball, and tennis for three years. Designing and building machines is another avocation of his. He likes air travel.

## DEAN DWIGHT S. JEFFERS

SCHOOL OF FORESTRY

"Jeff," preferring to be alone, selects the woods as a place of solitude and peace for thinking things out. Dean Jeffers prefers home life to that of a traveler, and cares more for gardening than university athletics or student activities. Being an outdoor man himself, he believes in the benefit of field trips and camps.

## DEAN R. H. FARMER

SCHOOL OF BUSINESS ADMINISTRATION

Kiwanian Ralph Farmer recently completed a term as president of this civic-minded club. He is also a Boy Scout district chairman. His failing . . . hot biscuits; his family—wife, boy and girl, with whom he spends much time; his hobby . . . wood working; his pastime . . . loafing on the shores of Hayden Lake.

## DEAN JOHN R. NICHOLS

SOUTHERN BRANCH EXECUTIVE

"John R." has always had harmony among the groups because of his liberal attitude towards students running their own affairs. The lowest frosh is a "pal" with this big brother on the faculty. He's been at the Southern Branch since 1934. He has executive control of the junior college and the four-year pharmacy school.

## BEATRICE OLSON

DEAN OF WOMEN

As other true women, Miss Olson delights in spending leisure hours cooking, knitting, and "bridging." As a firm believer that studying is not the only means of an education, she has spent a good deal of time traveling on both coasts of America as well as in Canada, England, and Europe.

## DEAN MESSENGER

SCHOOL OF EDUCATION

"The Art of Going to College," written by "Mercury," has helped many students. He has also written "The History of Education." While not attending duties as Dean, writing or supervising summer school sessions, he spends much time with his hobbies . . . horses, gardening, and woodworking.

## DEAN CHARLES HUNGERFORD

GRADUATE SCHOOL

Iris culture nears perfection when "Charlie" applies knowledge of plant cultivation and plant diseases to his hobby. He organized the department of plant pathology. Although having been at Idaho since 1907, he believes the Idaho campus is one of the most beautiful in the United States.

## BERNICE McCOY

EXTENSION SERVICE

"Young people" is the subject that holds the interest of Miss McCoy. Horseback riding, as well as art, keeps its place in the activities of the "job getter" for students. She's a former State Superintendent of Schools. Among her duties is the task of securing jobs for Idaho graduates.

## DEAN J. G. ELDRIDGE

FACULTY

As an amateur poet and hymn writer, "Dean" has won national fame. His four children, graduated from Idaho, are his pride and joy. He finds that there is unlimited romance and science connected with tracing a word to its origin. Flower gardening is his favorite pastime.

## HERBERT WUNDERLICH

DEAN OF MEN

Following graduation "Herb" took to announcing for the N.B.C. Many of his relaxation periods are spent in woodworking, fishing, and participating in numerous outdoor sports. He's a top supporter of Idaho's student activities. Washington once claimed him on their faculty list.

# STUDENT BOSSES

## MAX KENWORTHY

STUDENT PRESIDENT

"My outstanding achievement is breaking the A. S. U. I. presidential precedent of getting married while in school," asserts Max.

Hunting and fishing take up a good deal of Maxy's time in the wild country around his home town, Wallace. He especially likes to take three- or four-day camping trips into the mountains. He's a Lambda Chi.

## SAM RICH

VICE-PRESIDENT A. S. U. I.

# STUDENT EXECUTIVES

Arrington, Givens, Durant, Kenworthy, Raphael, Horton, Rich, Franson, Smith, McKinney, Dean Jeffers, Olson

Along with a little coke-sipping, a few funny jokes, trivial gossip, and bull sessions, the A.S.U.I. executive board finds it necessary to perform duties of controlling all A.S.U.I. funds and property.

A.S.U.I. budget, class finance committees, A.S.U.I. publications editorial and managerial staffs, reorganization of editorial staff of *The Gem* and managerial staff of *The Argonaut*, are some of the problems confronting the crew this year. Executive members are: Max Kenworthy, president; Sam Rich, vice president; Doris Franson, secretary; Ray Givens, Lyle Smith, Mike Sullivan, Maria Raphael, Leonard Arrington, Walter Olson, and Clifton Windl. Ex-officio members are Jack McKinney, *Argonaut* editor; Verla Durant, A.W.S. president; and George Horton, Graduate Manager.

Margaret King (second from right) seeks advice from Mrs. Bair while Max Kenworthy, Aiden Hull, and Fae Harris look on

# GRADUATE MANAGER'S

## ROLLIN HUNTER

ASSISTANT GRADUATE MANAGER

Carrying the load of administration of numerous phases of student activity has been the job of Rollin Hunter for the past three years.

Intercollegiate Knight, Blue Key, and Silver Lance claim his membership. "Rolly" graduated with the class of '34.

## MRS. T. E. BAIR

SECRETARY TO GRADUATE MANAGER

For seven years Mrs. T. E. Bair has taken an active and sympathetic interest in student affairs. Occasionally she takes time out to fish and golf. She enjoys boxing matches . . . an ardent fan, by the way . . . football, and basketball games. She is an ex-news solicitor.

GEORGE E.  
«CAP» HORTON  
GRADUATE MANAGER

Fishing on Priest Lake takes up the leisure time of "Cap" when he is away from acting as business head of the A.S.U.I. Signing vouchers, collecting money, making budgets, paying bills, and other financial duties for the students has been successfully carried out by "Cap" since 1923.

Having been an outstanding athlete for three years on University of Idaho basketball, football, and track teams, he still finds sports exceptionally interesting. "Cap" graduated in 1906.

## CREW

PERRY CULP  
PUBLICITY DIRECTOR

Golf in the spring, fishing in the summer, and photography are the leisure time activities of the A.S.U.I. news director, Perry Culp.

It's his duty to see that all Idaho's activities and athletic events are well publicized. "Idaho is definitely on the up-grade in athletic competition," says Perry.

Soft lights, smooth dance rhythms, and multicolored gowns characterized the upperclasswomen's formal dinner dance. Seventeen of the members claimed "steadies" in March. A clever Homecoming sign won the cup for Alpha Chi this year. The local chapter, Alpha Rho, was founded May 9, 1924.

# BETA THETA PI

The Beta Hotel becomes a place of softly-lighted, flower-covered walls of cedar boughs when the decorations for the Beta spring dance go up. The Miami-Triad dance and the spring dance comprise the most important social functions of the "hotel" boys. The local chapter, Gamma Gamma, was established in 1914.

The sun rises on sleepy-eyed coeds and their dates, who soon forget their lethargy as a campus band swings out at the Tri Delt sunrise dance, outstanding spring informal dance of their social whirl. The Founders' Day banquet and dance held jointly with the Pullman Chapter each year is also a significant event in each Tri Deltas' life. Theta Tau was established at Idaho in 1929.

"Sixteen Men on a Dead Man's Chest" might well be the theme song of the annual Delta Chi Pirate brawl as Captain Kidd and Long John Silver come to life for a frivolous evening. In striking contrast is the Delta Chi Easter Formal, where dignified tuxes and formals reign supreme. The Idaho chapter was established in 1924.

The Fijis won the Dad's Day award for having the majority of dads among the men's group houses, after they were convinced that revealing the number of dads present would not be a violation of their secrecy policy. Mu Iota Chapter was established at Idaho in 1921.

## SIGMA ALPHA EPSILON

Sigma Alpha Epsilon's Idaho Chapter was installed in 1919. The highlight of the social season was the Bowery Dance, at which the "East Side, West Side" days of the Bowery are relived, with derbies, striped trousers, and siren costumes. "East Side" definitely meets "West Side."

# ASSOCIATED

As each woman registers, she automatically becomes a member of the Associated Women Student organization, and is represented by a selected group . . . two from each group house . . . who gather now and then to gossip in a subtle manner of university happenings. They "chum" and attempt to sponsor a friendly fellowship in order to cooperate in all university activities.

women to abide by. It is a simple and smooth-working process by which the Dean is well pleased with all legislation. With direct cooperation the women feel sure that the decisions and rules made between idle chatter will be sanctioned by house mothers and faculty.

## MAY DAY AND PROM

The annual May Day festival fits nicely in the campus calendar during the Mother's Day weekend. Royalty hit the Idaho campus last year on May 8 when Mary McKinley was crowned May Day queen. Ardis Simpson was her attendant, and Vida Fowler, page in the procession. Spurs tripped the light fantastic in the May Pole dance, but slowed from a trip to a more definite walk so as to demonstrate the well-known "Spur Waddle."

Campus "big shots" added the last touch of prestige to their names when they were tapped Mortar Board and Silver Lance. Those attaining the "shot" position were Helen Abbott, Beth Bothwell, Verla Durant, Doris Franson,

# MAY DAY AND PROM

Maria Raphael, Ardis Simpson, Helen Sullivan, Charles Crowther, Earl Gregory, Max Kenworthy, Jack McKinney, Sam Rich, Glen Whitesel, and Jim Yoder. Cardinal Key pledges took another step up the activity ladder. New Spurs, tapped that same day, got a good footing for their future climb.

The annual costume dance, sponsored by the Home Economics Club, was held in the Women's Gym, November 3. As in former years the prom was a no-date affair. Lulu Mae Hauck and Bernice McCoy received the grand prizes for most amusing and original costumes. Music was furnished by skirted Glen Whitesel and his girls. Faculty members of the Home Economics department acted as patronesses for the Prom.

Mortar Board pledges, the Queen's court smiles, and Kellogg gets Whitesel's frown for that bad note

# CO-ED ATHLETICS

# WOMEN'S ATHLETIC ASSOCIATION

Ruth Rhodes, President

With an aim of developing skill and interest in sports as the basis of their organization, the W.A.A. has developed into one of the strongest women's groups on the campus. It is necessary for a woman to win one hundred points to gain membership. After the woman has gained membership the 'I' Club is the next step in her progress. To the woman who wins 2000 points goes the 'I' blanket. This year's winner was Ruth Rhodes.

Officers of the club: President, Ruth Rhodes; vice president, Maria Raphael; secretary, Virginia Galloway; treasurer, Beth Bothwell; corresponding secretary, Evelyn Williams.

# WOMEN'S "I" CLUB

To the women on the campus who really take their sports seriously, goes the high honor of the "I" Club. To become a member, a woman must participate in enough activities in sports to gain for her at least 1250 points. No small job is this. To garner the necessary points the women must take part in almost every sport offered to the women on the campus.

Only six Amazons on the campus have put forth enough effort to secure the honor. Lorita York, Julia Moore, Lucille Harrison, Ruth Rhodes, Margaret Brown, and Beth Bothwell can well be proud of the "I" sweaters they have won.

## INSTRUCTORS

Four years of teaching experience on the Idaho campus helped qualify Miss Margaret Mylne as acting head of the women's physical education department during the sabbatical leave of Miss Janette Wirt. The Women's Athletic Association selected Miss Virginia Gardner, newcomer to Idaho this year, as its advisor. Badminton and dancing are devoted to the spare time of Mrs. Ruth Manca, who comes to the Idaho campus this year as a new assistant in the physical education department.

## GOLF

Although Idaho possesses a very good golf course, women do not as yet compete in teams. Individually, some of the women shoot good scores. Plans for a golf tournament for this spring or next fall were being formed by the Women's "I" Club. Miss Margaret Mylne of the P.E. department gives instruction in golf.

## PING PONG

With ever-increasing interest in table tennis, enthusiasm ran high in the intramural contest, under the direction of Margaret Brown, sponsored by the Women's "I" Club. Lucille Harrison of Ridenbaugh Hall exhibited skillful playing when she won the match over Kay Schneider, Delta Delta Delta.

## BASEBALL

With excellent facilities for playing, plus the extra inducement of warm spring days, baseball allures many into its ranks. Competition was hot last spring when the smooth-working sophomores won over their opponents in other classes and emerged the winners. The team included Mary Alice Spofford, Idel Keyes, Bernice Bacharach, Dorothy Fairbrother, Mary Harvey, Helen Jean Way, Elizabeth DeKay, Jean Cunningham, Lucille Harrison, and Frances Zachow.

## HORSESHOES

In leisure time sports, Miss Margaret Mylne gives instruction in horseshoes. Both W.A.A. and the Women's "I" Club sponsored an intramural contest.

## TAPS AND TERPSICHORE

On May 7 of last spring, 130 women students, under the direction of Miss Janette Wirt, presented the annual "Taps and Terps." This included tumbling, stunts, folk dances, tap dancing, and modern dances.

## VOLLEY BALL

Under the able leadership of Mary Gauss, the volleyball season was crammed full with exciting contests and enjoyed the largest turnout of any W.A.A. sport. The juniors dropped the championship match, 46 to 24, to the seniors in a play-off after both teams tied in the qualifying matches. Boasting membership on the winning team are Ruth Woodward, Ruth Rhodes, Alice Rondeau, Mary Anderson, Maria Raphael, Vera Lee Biggart, Floris Block, and Delma Sorenson.

## RIFLE TEAM

The freshmen showed the veterans a thing or two when they walked off with top honors in interclass competition. Their entire team placed on the varsity rifle squad. Tiny Jane Barrett made the highest individual score. Helen Lindsay captained the varsity team. Women who shot in intercollege matches were Helen Abbott, Mary Anderson, Marjorie Lester, Rita York, Mary Alice Grant, Helen Lindsay, Mildred Ryan, Doris Thompson, Grace Dusenberry, Ruth Kenney, Marcile McCoy, Beuletta Nordby, Evelyn Quinn, Virginia Allyn, Jane Barrett, Wanda Kimes, Lois Ladow, Elizabeth Sloat, Frances McConnell, and Marion Hoegle.

## SWIMMING

After a year's absence from the field of active competition, swimming again regained a place in interclass tournaments. The W.A.A. required preliminary practice. Instructed swimming classes emphasized form of stroke, endurance, and individual and group stunts.

## BADMINTON

For athletically-minded women, the first of March meant the badminton tournament, another sport introduced by the Women's "I" Club. Comparatively new to the Idaho campus, this sport is under the guidance of Ruth Rhodes.

## BASKETBALL

Basketball gained new favor this year when the speedier two-court game replaced the three-court in the Women's Gym. Classes of instruction were held prior to the tourney. Managing the class teams was Lovina Marsh. Class teams included: seniors, Rita York, Ada Marcia Hoebel, Mary Anderson, Lela Coffin, Alice Rondeau, and Ruth Woodward; juniors: Lucile Harrison, Dorothy Dyer, Mary Harvey, Virginia Galloway, Mary Alice Grant, and Dorothy Grant; sophomores, Virginia Erdman, Mary Gauss, Edith Weisgerber, Elsie Mae Stokesberry, Grace Dusenberry, and Mary Low Fahrenwald; freshmen, Merl Delp, Helen Campbell, Marion Swartz, Lois Ladow, Joyce Kenworthy, and Margaret McAuley.

# THE IDAHO BLUE BUCKET

Dick Darnell, Editor

Editor Dick Darnell told his staff to "Make them fry," and with that in mind set out to give the campus six editions of satire, cynicism, and sarcasm. The corrupt groups and organizations withered under his scorching articles. The wit, humor, and pictures were entertaining to the last page, though they played with libel every issue.

Dick Darnell, as editor, with Art Swan as his associate, put the magazine back in the interest of the student body once again. The business responsibilities were handled by John Young, business manager, and associate, Fred Zamboni.

Darnell assigns copy to staff members, some of whom he has never seen

# THE FROSH HANDBOOK

To aid the wearers of the green in their wanderings about the campus, the Associated Students issued the "Frosh Bible" . . . sometimes spoken of more technically as "The Handbook." If the freshman reads carefully all it contains he will have knowledge of all the campus activities and organizations and other such trivialities as he might be interested in.

Jean Spooner and Beth Bothwell shared as editors of this annual publication. They were assisted by John Finley, Rene McDermott, Peggy McDonald, and Doreen Cleveland. The 1939 Handbook will be edited by Rachel Braxtan. She will be assisted by Helen Berg and Rene McDermott.

## THE IDAHO MINER

Hicks, Vervaeke, and Reineking talk over "Miner" plans

In its seventh annual publication, The Idaho Miner, under the editorship of Robert Vervaeke, has aimed to include technical mining articles of interest to the students and alumni. Included in it are candid camera shots of "miners" on the campus, their activities, and special reference to graduates.

Assisting in organizing the copy were James Hicks and Alumni Editor Edgar McAlister. Willard Reineking handled the business end of the staff, and has as his assistant Roy Jevons.

# IDAHO FORESTER

Nelson Jeffers, Editor  
Otto Baltuth, Business Manager

Spicing the twenty-first publication of The Idaho Forester was a hard job for Nelson Jeffers, who presented a newly organized book this year. Dividing the school's curriculum into four parts gave the magazine an entirely different appearance.

Prominent foresters' articles, snapshots of students and school activities, and resume's were included in the publication under the capable assistance of Paul Spence as news editor, Austin Helmers as art editor, and Robert Blum, alumni editor. Otto Baltuth acted as business manager.

The staff included Jack Buffet, Max Fee, Joe Harle, Phil Habib, Ruben Hart, Robert Harris, John Peterson, Ben Spencer, Tom Craney, Bill Boone, Floyd Curtis, Bill Read, and Chet Southam.

Staff members get together for assignments for the Foresters' publication.

# IDAHO ENGINEER

All high school seniors who signify an interest in engineering receive copies of the semi-annual "Idaho Engineer," as do graduates of the School of Engineering. Paul Taylor, editor, has featured students and graduates in both editions.

Staff heads included: Paul Taylor, editor; John Elder, assistant editor; Charles Harris, business manager; Jim Nixon and Robert Abby, solicitation managers; and Harold Davis, circulation manager.

Members of the editorial staff were Jack Tracy, Bob Dole, Kee Hammond, Jack Nelson, Llewelyn Stearns, Raymond Crowther, Elwood Cone, Herman Renfrew, Nolan Weeks, Wilbur Larkin, Donald Roberts, Ted Wadsley, Bill Eskeldson, Gordon Ford, Ray Fitting, and Lewis Skiles.

Students working on the business staff included Fred Tileston, Paul Morken, John Marchi, Irene Crane, Jim Moore, John Moore, John Hansberry, Everett Arndt, Jim Jewel, Bud Doane, Harry Wilson, and Norris Schwinn.

EXPRESSION

## JEAN COLLETTE

During the last year Miss Jean Collette, dramatic director, broke away from the usual stuffy plays. On the New York stage, on the Hollywood lots, and on the Idaho auditorium stage, were produced the best and latest . . . "Idiot's Delight." By such wide-awake directing, Miss Collette keeps the students interested in Idaho dramatics.

# EXCUR

To the cry of "On stage" the entire crew of players from "Excursion" wiped the grease paint from their fingers and hit the deck for the finale. Ned Bowler, with the skipper's cap; Ray Hyke, thumbs in vest, and Bonnie Jean Jennings, directly in front of them, carried the weighty characterizations.

# SION

## JOHN SOLLERS

Daubing paint on wood-framed muslin and making it look like a penthouse, a dungeon, or a peaceful pastoral scene, is the job of Technician John Solers. He picked up his training at Carnegie Tech and Yale as well as a bit of theatre work for practical experience. He directed "Excursion."

To find nautical equipment in this high and dry locality was no small job for the technicians in the production of "Excursion." The finished product . . . "S.S. Happiness" . . . was surprisingly salty. John Sollers directed the social comedy by Victor Wolfson, November 4 and 5.

Ned Bowler, Ray Hyke, Jack Bryan, Bonnie Jean Jennings, and Melvin Westerdahl were outstanding in characterizations and performances, as were many others, in this huge cast of thirty-two students.

Scenes from "Tartuffe" production

## « TARTUFFE »

Stylized sets, costumes of velvet, lace, and satin, and French accents combined to make "Tartuffe," satirical comedy by Moliere, a success when presented on December 9 and 10. The plot of conceited Tartuffe, played by Hubert Miller, who dupes the delightfully dumb Orgon, cleverly enacted by Bill Hoover, to control his property and money, proved much to the students' liking.

Christine Nuckols, Lucille Short, and Keith Warner were seen in outstanding supporting roles. The play was directed by Miss Jean Collette.

# IDIOT'S DELIGHT

With the scene in the modernistic cocktail lounge of an Italian Alpine inn, "Idiot's Delight," Pulitzer prize-winning play by Robert F. Sherwood, was presented March 10 and 11 under the direction of Miss Jean Collette. Dean Green, the happy-go-lucky vaudeville trouper, and Margaret Frazee, as a fake Russian countess, took the leads in the story of the outbreak of an international war, "The game of Idiot's delight."

Ray Hyke was outstanding as a French socialist who died bravely upholding his cause. Richard Reynolds portrayed a treacherous munitions magnate given to double-cross. A chorus of six blondes added gaiety to the production with their singing and dancing routine. Prominent in minor characters were William Herrington, Ralph Woodward, Ned Bowler, Charles Donaldson, and Armour Henderson.

"To 'fudge' with you sissies," cries Ray Hyke

# VARSITY

Leslie McCarthy, Manager

"Resolved, That the United States should cease to use public funds for the purpose of stimulating business." With a full schedule of five tournaments, two exhibition debates, and the Western Teachers of Speech tournament, the Idaho varsity forensics made an excellent showing this year. Selective debates were used by A. E. Whitehead, debate coach, to choose the 1938-39 squad. Leslie McCarthy was varsity debate manager.

For the first time in nine years the team won a triangular debate meet with Whitman College and W.S.C. on December 10. The Vandals won five of the twelve debates. High point men were Leonard Arrington and McCarthy. In February Arrington, McCarthy, Bob Mason, and Everett Van Slyke met the Northwest Nazarene College forensics team here. Later varsity debaters reached the quarter-final at Linfield College in McMinnville, Oregon. Participating were McCarthy, Melvin Butterfield, Mason, and Van Slyke.

Skiles, Johnston, Roper, McCarthy, A. E. Whitehead, coach; Levering, Hilliard, Alsager, Wolfe, Mason, Brown

# DEBATERS

Three Idaho teams were entered in the Western Association of Speech Teachers tournament in Tacoma November 21. Arrington and Bill Tomlinson won four matches; Jack Roper and Vic Skiles, four; and Hubert Miller and Norman Rhodes, one.

Women varsity debaters, Georgia Wolfe, Vera Biggart, Billie Hilliard, and Marjorie Johnston, debated in a triangular meet at Walla Walla with Whitman College and W.S.C. Their topic was, "Resolved, The United States should follow the policy of isolation on all European disputes and civil conflicts."

On January 15, Idaho was host to the Inland Empire Junior College debate tournament, directed by Idaho Coach A. E. Whitehead. Forty freshmen-sophomore debate teams representing eight schools participated in eighty debates. Idaho teams participating were Melvin Alsager and Robert Baker; Winifred Kunz and Arlene Grendahl; Merle Nelson and Marjorie Johnston; Marc Boles and Richard Moore; Elizabeth Bracken and Anne Stoddard. Varsity debaters served as judges.

# THE VANDALEERS

The Vandaleers, whose members are chosen from a group of capable choral and solo singers, is under the direction of Professor Archie Jones. An under-study group . . . "Vandalettes" . . . was organized in February.

Highlights of the past school year were the annual Christmas candlelight service, music for the semi-centennial celebration, concert tours, and several radio broadcasts.

Karl Wilson, Helen Clough, Alice Roberts, Helen Abbott, and Jack Turner were president, vice president, secretary-treasurer, publicity chairman and business manager, respectively.

The "University Singers" was organized three years ago by Professor Archie N. Jones as an extra-curricular activity "to give opportunity to all students who desire to sing, and to furnish a medium for the presentation of the great oratorios and operas in music literature." This year there was an enrollment of two hundred. A credit hour and an activity credit are awarded.

Mendelssohn's oratorio "Elijah" was sung by the group in December. In the spring the singers presented excerpts from two operas, "Faust" and "Carmen," with orchestral collaboration.

# UNIVERSITY SINGERS

Professor Archie Jones, Director

The University of Idaho symphony orchestra has increased membership from fifty-five to sixty-three under the direction of Professor Carl Claus. Professor Claus' splendid musical background, fine interpretation, and choice of programs gives instrumentalists opportunity for valuable music development.

Besides its two formal concerts this year, the orchestra has been called upon for accompaniment of choral presentations and participation in student assemblies. Professor Bernard Fitzgerald and Miss Miriam Little assisted at sectional rehearsals. Karl Wilson and Richard Gardner shared responsibilities of concert master.

# SYMPHONY ORCHESTRA

# MILITARY BAND

This season's students were treated to a military band well coached and trained in music and drill formations suitable for the half-time entertainment of the football games. Professor Bernard Fitzgerald instituted changes which consisted of appointment of fifteen outstanding members to offices and the performances of new difficult word formations and drills during exhibit parading.

Rain or snow the eighty-eight men took the field to toot and drill for the amusement of the football fans. The two formal concerts and a series of outdoor twilight concerts in the late spring were presented.

# PEP

Always present at rallies or whenever there was a team to meet, Bill Chase's pep band gave a new lilt to things with unique arrangements and the introduction of standard marches into the repertoire. Every football game, every rally, and every basketball game was faithfully attended by the lads.

The band followed the team to Seattle and played everywhere in that city. A trip was made to Lewiston for a Vandal Booster program. A southern Idaho trip was nipped at the bud by administrative officers. However, a trip to contact high schools from Boise to Idaho Falls was being planned for the late spring.

The annual show, March 23-24, featured an enlarged band of thirty-two pieces and an informal group, for which Leader Bill Chase and Member Earl Thomas composed virtually all the music. The show, featuring chorus, novelty numbers, dancing specialties, and outstanding solos, was well received by appreciative students.

Members of the band included: Brad Baker, Howard Baker, Richard Cordell, Clyde Culp, George Davis, Harold Davis, Alfred Dobbs, Dean Elder, Jack Fitzpatrick, Jack Greif, Gene Long, Harold Martindale, Pierce Nelson, Hudson Nieman, Gerald Ridgeway, Robert Shewnack, Robert Sower, Earl Thomas, Chuck Tiller, Richard Turner, and Richard Vottero.

For the second consecutive year, the L.D.S. Institute received the Burton L. French scholarship trophy for achieving 4.638, the highest scholastic average of men's groups for the school year 1937-38. A new Interfraternity Council Cup was awarded to Chi Alpha Pi as the men's Greek house maintaining the highest scholastic average, 5.23. The cup replaces the one given to Phi Gamma Delta last year.

Kappa Alpha Theta, with a 4.914, topped Delta Delta Delta's high average of last year to receive the cup given by Mrs. Harrison C. Dale to the women's group house which attains the highest scholastic average. This is the first time a cup has been given to a women's high honor group.

The Alpha Kappa Psi medallion was awarded to Eugene Herron, who made the highest scholastic average during his sophomore and junior years in the school of business administration.

The leading junior woman in the school of business administration was Audrey Oberg Hunter, who received the Phi Chi Theta key. Sigma Tau, national engineering honorary, presented Howard Morrison with a medal for the highest grades among freshmen in the College of Engineering and the School of Mines.

An "A" average won for Kenneth Kofmehl, chemistry major, the Phi Eta Sigma award for freshmen. Louis Davidson, who made the highest grades in agriculture last year, merited the Alpha Zeta cup, which is donated by the national honorary agricultural fraternity.

The names of J. Franklin Meneely, senior; Carl Clifford Wilson, junior; Jessie Austin Beard, sophomore; and John Wesley Barcus, freshman, were engraved on the Xi Sigma Pi plaque. This plaque has been placed in the Administration building since 1922 to honor those students receiving the highest scholastic averages in their respective classes in forestry.

## COMMANDER

Lieutenant-Colonel Floyd Hatfield, serving his second year in command of the cadet corps, is just as sold on the unit as he was last year . . . "Idaho rates very favorably with any R.O.T.C. unit in the country." He went to college at Arkansas (Law School) and was graduated from two service schools, that of the Infantry and Command and General Staff. His last stop before coming to Idaho was the Presidio, San Francisco.

## PERSONNEL

Major Charles F. Sutherland, instructor of basic students, possesses both a Mississippi State degree and Mississippi brogue. Previous to his coming to Idaho, he was an instructor at Oklahoma.

Major Edwin Waters, served overseas in the World War, at several posts in this country, instructed R.O.T.C.'s at Western Maryland, transferred to the Philippines, returned to Plattsburg, New York, then to Idaho, Major Waters coached the men's rifle team.

## MILITARY PERSONNEL

Major Albert D. Foster, replacing Captain Charles Hart, hails from Oregon State. He has served time in the artillery; in Tientsin, China; at Fort Lewis; infantry school at Fort Benning, Georgia; University of Nebraska; Fort Missoula; Philippines; Sacramento; and now at Idaho.

In his division, Captain Lewis S. Norman instructs the first year advanced students. His classes have almost doubled their size since two years ago.

Sergeants Johnson and J. D. Morgan instruct frosh

and sophomores throughout the year. Sergeant Morgan spends much time with the university rifle team, along with drill-mastering in fall and spring.

Sergeant Meador is again in charge of supplies, while Sergeant Schmall, as company clerk, keeps records up to date.

Bernard Fitzgerald, in command of military band activities, brought the band to a new peak of precision and snap in 1938-39.

Four regular army officers, assisted by five top-flight enlisted men, direct Idaho's crack military machine. Under them 51 senior cadet officers with 54 juniors understudies barked commands to 775 freshmen and sophomore basic cadets until outdoor drill for 1938 ended with the annual Armistice Day parade. Adverse weather prevented the customary parade; how-

ever, cadets assembled ready to march and smiled happily when Lieutenant Colonel Hatfield announced weather was too nippy for marching.

As Cadet Colonel, Max Kenworthy was placed in top position first semester because of his outstanding work and leadership in military.

Tireless work as head of the Pershing Rifles rewarded Sam Rich with the promotion to Cadet Colonel, most coveted position of the senior class

officers. As Colonel of the cadets for the second semester, Rich will be commanding officer of the three battalions of cadets in all spring drills and parades. Staff officers under Rich are: Lieutenant Colonel Robert Abbey, Majors John Elder, Ben Humphrey, Earl Gregory, Charles Gripton, and Carroll McElroy.

# JUDGING

The outstanding activity in the agricultural school is "judging." Team members are chosen to represent the University at the Pacific International Livestock Exhibition at Portland each year.

Team members Earl Kent, Anders Passey, Reo Westover, and Vance Smith took second place in agronomy judging. They were coached by Dr. Carl H. Klages of the agricultural experimental station. Carl Sierk, Richard Brown, Bill Watt, Max Hosoda, Claude Johnson, and Hubert Lake, coached by Dr. W. M. Beeson, won third in the animal husbandry.

Credit must be given to the material furnished by the University for these men to work with. The pure blooded dairy herd of the University was judged by the National Dairy Herd Association to be one of the three top herds in the United States. The Dairy Association bases its judging on the number of pounds of butter fat produced each year by each cow, the general herd condition, and the ancestry of the cattle.

## TEAMS

Dairy cattle judging netted Idaho another third place. Two Idaho men, Dean Broadhead and Vearl Smith, placed second in their respective divisions. Other members of the team were Dwight Macy and Clyde Waddell. Professor D. L. Fourt coached the team.

First in the milk judging division and fourth in the total standing were the records of the dairy products team. George Olmstead was high point man with three firsts and one second. Vearl Smith, Melvin Hollinger, and Neal Bue were the other members of the team. D. R. Theophilus coached this crew of judges.

## COACH BANK

He's short and stinky, but a bull dog when it comes to developing football teams for the University of Idaho. Ted Bank came to the University just four years ago. Each year the Vandal team has bettered its previous record. For the first time in the history of the school, the football team won six scheduled games.

Graduation from the University of Michigan in '23, coaching for six years at prep school, and assistant football coach at Tulane University has been the record of this mentor.

## OREGON STATE DEFEATED

CORVALLIS, September 24.—Idaho's Vandals made a definite bid to regain their former standing in the Pacific Coast Conference when they won their season opener against Oregon State College 13 to 0. Idaho completely swept the Beavers off their feet with razzle-dazzle plays and smashing power through the line.

After a shaky first quarter, Idaho made two scoring bids that went for nothing. "Truck" Trzuskowski fell on a fumble on the OSC 27, but again the attack bogged down for no score. Eddie Wilson made the first touchdown on the hidden ball play, after a concerted downfield drive by Chrape, Roise, Wilson, and a pass to Emory Howard.

"Bull" Durham put on a one-man drive to land the oval on the Beaver 6, from where Howard made the touchdown on Idaho's end-around touchdown play.

# HUSKIES SQUELCHED

SEATTLE, October 1.—Utilizing their famed end-around play to the full extent, the Idaho Vandals held the Washington Huskies to a 12-12 tie, marking the first time in 37 years that the Huskies have been unable to defeat the Vandals.

Tony Knap, on an end-around from the 16-yard line following a 55-yard sustained drive, scored the first Idaho touchdown in the final minutes of the first half to even the score at 6-6. Joe Dubsky, Washington halfback, had previously scored at the beginning of the second quarter.

Opening the final period, Jimmy Johnston, Huskie halfback, plunged over the goal from the 4-yard line, terminating a 60-yard goalward march. In the final minutes of the game, Ray Smith scored the second Vandal touchdown from the 17-yard line on an end-around play. The touchdown came after a passing attack by Harold Roise that carried the ball 52 yards.

# BISONS BITE DUST

MOSCOW, October 8.—Stampeded Bisons of North Dakota State lost the first home game to the Vandals 27-0. The four touchdowns were chalked up in the second and fourth periods.

After a long march down the field, at the start of the second period, Harold Roise went over into pay dirt through guard. A long pass to Tony Knap from Reynolds made another counter in the last sixty seconds of the second quarter.

In the fourth quarter Reynolds tossed an 18-yard pass to Howard, putting the ball within scoring distance, from where two tries by Earl Acuff and LaVern Bell put it over. A Bison fumbled on their own 17-yard line and gave Idaho a chance for a final thrust. A pass from Atkinson to Heien boosted the score to 27-0.

## VANDALS RUN WILD

MOSCOW, October 15.—When McGuire, of Gonzaga, took Roise's kick, following Idaho's first touchdown, and ran 101 yards to tie the score, the crowd wondered if Idaho could continue their winning spree. A fumble was recovered by Gonzaga on their own 38, from where a series of plays put them over for a second score.

Following Idaho's recovery of a Bulldog fumble, Wilson scored on the sixth play for a Vandal tally. A few minutes later Roise took Canadeo's punt on his own 31-yard stripe and raced 69 yards to add another touchdown. A pass intended for Ray Hare was intercepted by Vandal center Lyle Smith, who carried it to the 11-yard line. Roise scored on the next play. The second half was uneventful. The score, 26-12.

LOS ANGELES, October 22.—The bomb shell that shattered Idaho's hope of coast supremacy came in the form of a 33-0 defeat at the hands of the U.C.L.A. Bruins. Not in six years have the Vandals suffered such a decisive defeat as the Bruins administered. The only time the Vandals penetrated into U.C.L.A. territory occurred when Whitey Price, receiving a pass from Frank Reynolds, ran to the Bruin 40-yard marker.

Outstanding performer for the Vandals was Harold Roise, whose punting was excellent throughout the game. Sensational field work for the U.C.L.A. team was made by the dusky halfback, Kenny Washington.

# GRIZZLIES FIGHT HARD

MISSOULA, October 29.—Bounding back after their defeat at the hands of U.C.L.A., Coach Ted Bank's gridders pounded out a bruising 19-6 victory over a scrappy, but clearly outclassed Montana Grizzly football team before the largest crowd ever to witness a game on Dornblaser field in Missoula.

Taking advantage of a poor punt, Idaho carried it over in successive thrusts. From the 12-yard line Hal Roise lugged the pigskin over the goal-line behind interference led by Dick Trzuskowski and Walt Musial. Soon after the first Idaho score, Montana connected with a long pass to score their only points. The third quarter of Montana's Homecoming game was a kicking duel. However, in the final period, the Vandals shredded the Grizzly forward wall, and tallied once again through the air to finish the scoring.

# OREGON HOMECOMING

EUGENE, November 5.—After gaining a 6-0 lead in the second quarter, the Vandals faltered to drop the game 19-6 to the Oregon Ducks at their annual homecoming.

Early in the second quarter, Hal Roise tossed a 23-yard pass to Emory Howard for the only Vandal score. Oregon retaliated a few minutes later when Bob Smith, Webfoot halfback, ran 92 yards for a touchdown from his own 8-yard line.

Soon after Oregon scored their second touchdown, Idaho made a desperate rally to tie the score, but three incomplete passes by Roise on the 7-yard line ended the last Vandal threat.

# SNOWY HOMECOMING

MOSCOW, November 12.—Neale Stadium saw its first Vandal defeat at Homecoming when Washington State, with the priceless aid of a seemingly unbeatable "jinx" and snowy field, outlucked the Vandals 12 to 0. Statistics showed Vandal superiority. Idaho outgained their opponents 90 yards to —1 yard.

After battling fairly even most of the first half, Giguire of W.S.C. intercepted a pass intended for Gregory, and raced 26 yards to pay dirt. The second half found the Vandals battering the Cougars all over the field time and again. With about six minutes gone in the fourth quarter, the Hollingberry men scored when they surged through to recover a blocked kick on the Idaho 13-yard line.

## AGGIES VS. IDAHO VS. UTAH

LOGAN, November 19.—Winning a 14-0 victory from the Utah Aggies put Idaho Vandals well on their way to the most successful season in their history.

In the third quarter LaVern Bell packed the ball through center 60 yards for a touchdown. Alternated drives put the ball on the 2-yard line, from where Ray Smith, on the familiar end-around, scampered over for the second touchdown.

SALT LAKE CITY, November 24.—Holding the previously undefeated Utah Redskins to 29 yards from scrimmage, the Vandals crushed the Utes 16-0 in the season's final game.

A field goal in the second period put the Vandals ahead 3-0. Price scored the first touchdown shortly before the end of the third quarter after a sustained drive of 52 yards. Roise counted the final touchdown immediately after the beginning of the final period.

"Everybody on the Vandal Yell" . . . Yes, it's Bill Moats, Sigma Chi yell leader, stirring up pep in the students to help the Vandals on to victory. All year this has been the work for the engineer-major Boiseite. Freshmen assistants to Moats, from whom his successor will be picked next year, were Mitchell Hunt, Sigma Chi, and Eddie Benoit, Beta Theta Pi.

The yell leaders, with the help of Alpha Phi Chi, intramural managers, honorary, Intercollegiate Knights, and the Pep band, have climaxed a successful year of promoting rallies, coordinated yelling at games, card stunts, and dances for the University.

## SUMMARY

Although the prospects looked good early in the year, the '39 basketball season turned out to be one of the most disastrous in the history of the University. In conference standing the Vandals placed last with 1 victory and 15 defeats. Their lone success was the first game with Washington State. Oregon was lucky to win both games from Idaho in the Memorial Gymnasium. Oregon State also found the going tough to cage two victories. Washington, however, won easily, with their fast break and freak-shot artists.

In non-conference play, the Vandals chalked up 11 wins against four defeats, three of the defeats being to strong California squads.

## NON-CONFERENCE

The Vandals opened the season with two victories over Lewiston Normal, 44-22 and 35-25. Following this they took Whitman 40-28 and Cheney Normal 47-25 in two games.

Taking to the road on a barnstorming trip to California, which lasted through the Christmas holidays, the Vandals dropped U.C.L.A. 36 to 29 in the first game played at the Berkeley invitational exhibitions. There followed three defeats, U.S.C. winning 48 to 30, California 44 to 29, and Stanford 33 to 28. Idaho downed San Francisco University 36 to 22.

Homeward bound the team administered two defeats to the Utah University Redskins in Twin Falls. The scores were 35 to 27 and 44 to 38. Both games with Montana, midway through the conference season, were Vandal victories. In the first, Idaho nosed out the Grizzlies 49 to 44. In the second, Idaho again spanked them 46 to 40. In the last non-conference games of the season, Gonzaga walloped the Idaho reserves 25 to 15 at Spokane and then later the Vandals avenged themselves 29 to 27 on their home floor.

## O. S. C.

The University of Idaho five was unable to penetrate a puzzling zone defense of the Oregon State Beavers and dropped four close games to the Beaver squad. In the first game, played at Corvallis, the Vandals were unable to stop the powerful Beaver attack and were defeated 42 to 29. Otis Hilton, tall sophomore center for Idaho, led in scoring with 10 points. After leading at half time by a 17 to 15 score the Vandals slowed down and were beaten 35 to 30. Sophomore Ronnie Harris, Vandal forward, led in scoring with 11 points.

Idaho wound up its season by dropping two close games to Oregon State on the home court. In the third game of the series the Beavers outscored the Vandals 41 to 48 in a scoring duel. Brendan Barrett and Harris starred for Idaho. The Beavers came from behind to outscore the Vandals 30 to 32 in one of the most thrilling games of the year. Steve Belko, Idaho's co-captain, wound up his college career in grand fashion by scoring 18 points, while Lyle Smith, senior bespectacled guard and co-captain starred on defense.

Another goal for the Huskies on Idaho's home floor

## WASHINGTON

Although scoring as many field goals as their opponents, the Vandals dropped their first two games to Washington. At Seattle the Vandals started a spirited rally. Barrett went out on fouls. As a result the game ended 34-28 in favor of the Huskies. With 13 points, in the second game Voelker was again high man in a Husky combination that defeated Idaho 51-33.

On the home court, Idaho was handicapped by illness among its squad. In the early moments of the game, the score was tied often. With four minutes of the first half left to play, Williamson of the Huskies went on a scoring spree and boosted the score from 11-all to 22-12. With a 10-point lead to overcome, Idaho started a determined drive in the last four minutes, when Barrett, Belko, Harris, and Lund scored nine points to bring the count up to 43-35 in favor of Washington.

Sparked by Roy Ramey and Lyle Smith, the Vandals grabbed an early lead in their last game with Washington, ending the first half 12-10. Much of the early drive is accredited to Chick Atkinson, who left a sick bed that morning. With four minutes left to play in the last half, the Vandals collected two foul shots and Smith pushed through a shot as the gun went off, making the score 31-24 in favor of Washington.

BRENDEN BARRETT, center, a junior from Gary, Indiana, was the best ball-handler on Twogood's 1939 squad. Hustler Bren is one of the best workmen in the northern division. (Deceased April 9.)

CHARLES ATKINSON, sophomore guard from Pocatello, transferred from the Southern Branch this year. He's one of the main standbys on the Vandal squad.

OTIS HILTON, 6 foot 8 inch center from Mena, Arkansas, is only a sophomore. This tall boy will be heard from in the next two years, when he has had more competition.

CARTEE WOOD, with Smith, amazed the crowds in his performance of rough ball with glasses on. He's a sophomore from Long Beach and plays guard.

SHIRLEY LUND, Montana lad, long, lean, angular, with shambling gait, covers lots of floor in a hurry. His "hot" spells brought the name "surprise packet" from scribes.

ROY RAMEY, forward, a junior, is from Kendrick. Roy is a wicked shot, he maneuvers smoothly, and is fast.

STEVE BELKO, forward and co-captain, Gary, Indiana, has finished three years of basketball for the Vandals. He was the sparkplug of Idaho's attack.

LYLE SMITH, senior guard and co-captain, is a Moscow boy. Smiling Lyle was a ball hawker, a dependable guard and key man of the Vandal team.

BILL ENGLISH saw some action last year, more this year. His shooting ability is spasmodic; when "on" he can't be stopped.

IRVIN HOPKINS, sophomore guard from Pocatello, fast but a little too high strung. More varsity play should smooth him out next year.

GORDON PRICE, junior forward, is from Pocatello. Although "Whitey" is small, he is full of fire and is a fine pinch hitter.

RONALD HARRIS, sophomore forward, from Idaho Falls. This high scoring soph is doped as a real comer. Harris led the Idaho scoring for the year.

## OREGON

A brilliant Oregon team, which finally captured the northern division title, turned back a scrapping Idaho team in the first two games of their four-game series at Moscow by scores of 38-30 and 35-31.

Although the Duck cagers took an early lead and held it throughout the game, the Vandal courtmen consistently threatened the visitors, and at one time came within three points of overtaking them. Ronnie Harris, sophomore forward, captured high point honors with 13 markers.

Idaho took an early lead in the second contest, and held it until the final minute when Gale of Oregon sank a free throw to put the Ducks on top for the first time by a score of 32-31. A moment later Pavalunas parted the net for two points, the final score of the evening.

In their Oregon invasion, Coach Forrest Twogood's men lost two more ragged games to the fast-traveling Ducks. Oregon rolled up a 7-0 score in the first game before the Vandals slipped in a foul shot. Except for a brief moment early in the second half when they whittled the Duck lead down to fourteen points, Idaho was unable to cope with the taller Oregon squad.

Marking the first time in three years that the Oregon team had blanked them in their four-game series, Idaho lost the final game by a score of 53-36. The Ducks grabbed an early lead, and continued their blistering pace to win as they pleased. Steve Belko led Idaho with 12 points.

# IDAHO LOSES TO W. S. C.

After winning the first of the four-game series with W.S.C., 27-18, the Vandals dropped the next three games in a fashion that eases our conscience. The whistle-tooting referees strengthened the W.S.C. team to an almost unbeatable combination. We give the Cougars credit for a good team, but to the referees go the honors of winning the games on the W.S.C. floor. The men in prison garb seemed to be the backbone of the team.

In a hair-raising thriller, the Vandals upset the Staters 27-18 when they scored 6 points in the final 40 seconds of play to widen the margin of victory in an otherwise close game. W.S.C. led at the half 12-10. The Cougars came back and won the first game on their home court 44-27 after the game was nip-and-tuck for the first 30 minutes. Washington State led 17-15 at halftime.

In an overtime game before a capacity crowd in Memorial Gym, the Cougars edged the Vandals 39-35 in their third meeting. With 30 seconds remaining in the game Brendan Barrett, Idaho center, was fouled with the score standing 31-30 for Washington State. The Idaho center sunk the first gift shot but the second rolled around the rim and out. The overtime period found the Vandals scoring first, but baskets by Hooper and Chase brought the Cougars victory.

Marred by 43 personal fouls, the final game was played in Pullman with the State winning 44-34. Halftime score favored the Cougars 22-17.

## SUMMARY

Although handicapped by not being able to get in top shape until mid-season because of disagreeable weather, Idaho ended its conference schedule with seven victories and nine defeats. The Vandal sluggers took three of four games from Washington State, split even with Washington, and won one of four from Oregon and Oregon State.

Bill Kramer, captain of the team, was given the honor of All-Northwest first baseman for the third time at the close of the season.

## WHITMAN

In an early season series of games with Whitman, the Vandals lost the first eight games to the Missionaries at Walla Walla. However, in the return series, the Vandals met them halfway.

Idaho won the first game of the series by the score of 5-2. The Missionaries won the second game with a wide margin, 7-1. In these two games the batting of Price, Kramer, and West was exceptionally good. Whitman met a very exciting defeat of 9-7 in the third game and won by 6 to 3 in the fourth game.

## HUSKIES SPLIT SERIES

The Vandals opened their conference baseball season with a 16-11 slugfest victory over the Washington Huskies in a game that saw Coach Forrest Twogood ousted because of protesting an umpire's decision. It was the second time in 16 years that Idaho had beaten the Huskies. Stoddard and Gregory pitched for the winners.

In the second game, the Vandals were held to one scratch hit by Bill Kramer. A five-run outburst in the fourth inning gave the Huskies their second victory over the Vandals 7-5 at McLean field. Stoddard and Ranta pitched for the Vandals.

In the Vandals' last home game of the season, they pounded out an 11-7 victory over Washington. Gregory pitched good ball, allowing only seven hits, but five errors led to all the Huskie scoring. Bill Kramer, Don Metke, and Gordon Price knocked homers for the Vandals.

## OREGON STATE

The journeying Vandals, matched against a strong Oregon State nine, suffered a 7-4 defeat in the first of a two-game series. The fifth frame saw Spicuzza's triple bring in West and Kramer, who had singled, and then Hallberg brought in Spicuzza. Although they loaded the bases in the seventh and eighth, Idaho couldn't push over the needed runs.

In their second meeting with the Beavers the Vandals took the lead in the fourth by scoring six runs. The game ended 11-9 in favor of Oregon State.

On the home grounds the Idaho nine was defeated in the third game of its series with O.S.C. 12-3. In the fourth game, the Vandals gave the Beavers their first defeat in nine straight games by winning 5-2.

## W.S.C. DEFEATED

The Vandals slapped out 15 hits and 8 runs in the first game with the Cougars, while Merle Stoddard limited the Washington Staters to 6 hits and 2 runs. Kramer, Atkins, Ramey, and Spicuzza, each with three hits, starred for the Vandals. Idaho suffered an 8-3 defeat at the hands of the Cougars at home. Earl Gregory pitched good ball for the Vandals, but seven errors led to the defeat.

Featuring the longest home run of the year on MacLean field, by "Whitey" Price, the Vandals walloped the rival Cougars 13-3 in their third meeting. Stoddard, Price and Hallberg led the Idahoans in their 19-hit attack.

Idaho knocked the Cougars out of undisputed championship to a first-place tie with O.S.C. in the final game of the season with a 2-0 victory.

# OREGON

Behind Earl Gregory's 4-hit pitching, the invading Vandal nine batted out a 2-1 victory in the first game with the Oregon Webfeet. Both Vandal tallies were chalked up in the fourth on a single by Spicuzza and a triple by Price.

Bob Hardy, Webfoot southpaw, limited the Idaho men to 5 hits as Oregon slugged out an 8-0 victory in the second game.

In the initial game on the MacLean diamond against Oregon, the Vandal crew suffered a 17-3 defeat.

With Earl Gregory on the mound, the Webfeet squeezed out an 8-7 victory over the Vandals in the last of the series. In an exciting ninth, with the score 8-3 against them, Idaho showed a burst of pep. The scoreboard read 7-8 when the side retired.

## COACH RYAN

Enthusiastic Mike Ryan, head track coach, has made the Idaho track and field teams a power in west coast meets. Mike's cross-country teams have never been beaten.

Coach Ryan, who is well known among track coaches, came to Idaho from Colby College in Maine. Before that, he gained experience from coaching several United States Olympic teams. Mike has brought Idaho track into the highlight with his brilliant coaching. For the first time W.S.C. has bowed before Idaho tracksters.

## ACE TRACKSTER

DON JOHNSON . . . Phi Delta Theta . . . iron man of the track team in the shot, javelin (specialty), discus, high jump, and broad jump . . . captain of 1938 basketball squad . . . holds three Northwest Conference track records: discus, javelin, and shot.

## WHITMAN TOUGH

WALLA WALLA, April '38.—At the Whitman dual track meet, Idaho defeated a stubborn squad of Whitman College tracksters by a score of 87 to 48. Idaho took first places in the 220-yard dash, 880-yard run, mile run, two-mile run, low hurdles, high jump, broad jump, shot put, and discus.

The varsity squad was accompanied by a squad of 15 freshmen scanty-clads, and inaugurated a dual meet between the Whitman and Idaho frosh, which is to be an annual affair.

## W.S.C. TRACKSTERS UPSET

MOSCOW, April '38.—Winning eight out of fifteen firsts, the Idaho tracksters upset the Washington State track men  $70\frac{2}{3}$  to  $60\frac{1}{3}$ , to end W.S.C.'s five-year domination of the northwest in track and field. The Vandals were led by Don Johnson, who scored 19 points.

Three new all-time Idaho records were set during the meet. Jules Peacock set a new broad jump record with a leap of 23 feet  $1\frac{1}{2}$  inches, while Johnson tossed the shot 47 feet  $11\frac{5}{8}$  inches, and the discus 145 feet  $\frac{1}{2}$  inch for new marks.

Idaho first places were: 600-yard run, Berdt;  $\frac{3}{4}$ -mile run, Liebowitz; 400-yard dash, Millette; high jump, Johnson and Flechner; shot, Johnson; javelin, Johnson; 880-yard run, Lathen; two-mile run, Snyder; discus, Johnson; and broad jump, Peacock.

## PACIFIC RELAYS

BERKELEY, May 27-28.—Five Vandal field men competed in the Pacific Coast Conference championships against nine Pacific Coast universities.

Johnson was able to garner only fifth place in the discus throw, while Flechtner ended up in a five-way tie for fourth place in the high jump.

The two Idaho entries scored 1½ points to wind up in eighth place among the ten Coast Conference schools.

## JOHNSON STARS

SEATTLE, May '38.—Don Johnson, Idaho's outstanding weight man, was one of the main reasons for Idaho drawing a fourth place in the Northern Division meet. He broke three existing weight records in the shot-put, discus, and javelin to tie with Lee Orr of W.S.C. for high individual honors, each tallying 15 points.

The Vandal team scored a total of 21 points, three teams in first, second, and third places, respectively, were W.S.C., University of Washington, and University of Oregon.

# FRESNO RELAYS

FRESNO, May 14.—The Idaho relay team, the first team outside of California to compete in the meet "where the world's records are broken," scored six points by virtue of a second place in the two-mile relay, to finish in fifth place.

Idaho's speedy quartet of half milers, Pat Probst, Wesley Lathen, Walt Kantola, and Edward Mounday were entered as well as Don Johnson, Idaho super-weightman.

MISSOULA, October 29.—Idaho duplicated their opening performance of last year by registering a perfect 15 score win over the Montana Grizzlies. Phil Leibowitz and Dick Slade finished in a dead heat in 21 minutes and 34 seconds. Rex Fluharty, Wes Lathen, and Bob Neal closely followed the leaders.

Against the Whitman Missionaries, a freshman star, George Sheppard, finished far out in front of all varsity runners in the varsity cross-country race. Coach Ryan expressed himself as very well pleased with the time of 20 minutes, 44 seconds.

## CROSS-

MOSCOW, November 11.—Idaho handed the Washington State Cougars their fourth setback in four consecutive years at Moscow, November 11. As underdogs, Idaho placed ten men of the first twelve to win from W.S.C. in the most one-sided victory in four years. The score . . . 22 to 49. Slade finished 10 yards behind Garner, W.S.C., to capture second place.

Not to be outdone by their larger brothers, the Vandal Babes, led by Graham Sheppard, trimmed the Cougar Kittens 23 to 37.

## COUNTRY TEAM

PORTLAND, November 23.—Scoring 38 points, the Idaho Vandals clearly outclassed all opposition . . . the cream of the far western distance runners at the West Coast relays. The well-rounded Vandal squad nosed out the Washington Huskies, dark horses, for first place.

Idaho's entrants in the annual distance classic included Wes Lathen, Rex Fluharty, Clair Cunningham, Dick Slade, Francis McGuire, Bob Neal, and Phil Leibowitz.

# YEARLINGS

Fresh Footballers—1939

## FROSH

Coach Walt Price led the freshman grid team through one of the most successful seasons in years. The Vandal Babes won four out of five games. They started the season with a 14-7 win over Boise Junior College. Lewiston Normal met defeat, 12 to 6. W.S.C. freshmen handed the yearlings their only setback during the season . . . a 14-to-6 defeat in a game played in a sea of mud. Two weeks later the Idaho freshmen avenged the defeat with a 6-to-0 triumph over the Cougar Kittens in their own back yard. The Vandal yearlings closed the season with a 13-to-7 Armistice day triumph over a stubborn University of Portland freshman eleven.

Outstanding on the frosh squad were Tony Aschenbrener, Dick Childes, Rudy Franklin, Don Kjosness, Woodrow Peterson, Tom Sneddon, Tom Solinsky, Ken Spencer, James Throckmorton, Savino Uberuagua, George Whitlock, Virgil Winnett, Leonard Zenkevitch, and Jess Graham.

## SPORTS

The frosh basketball team went through a semi-successful season of seven wins and eight losses. Ragged work, poor cooperation within the team, and a wonderful ability to miss shots, put them on edge. The Cougar Kittens beat the frosh four games out of five. The Kittens were, however, beaten only once during the season. Outstanding men were Don "Stilts" Nelson, Dick Snyder, Kenny Link, Karl Pepper, Mike Trbovich, Jimmy Foster, and Pete Hecomovich.

In the cross-country events George Sheppard, frosh star, was outstanding. Sheppard led the varsity against Whitman . . . time 20 minutes 44 seconds. The Vandal Babes trimmed the Cougar Babes 37-23. The freshman squad will compete annually with Whitman College as well as their regular scheduled competitions.

## BOXING SQUADS

The Idaho pugilists again made a bid for national honors by closing a very successful season with a final win over the strong Vancouver, B.C., boxing team. Coach Louis August sent a full team to the Pacific coast boxing tournament with great hopes of copping a majority of the division crowns.

Starting the season with only a nucleus of three lettermen, Killian, Fallini, and Passic, August rounded out a winning boxing team. Ted Kara, sensation of last year's freshman squad, and Sam Zingale, transfer from Wisconsin, proved reliable boxers.

The mitt swingers started the season by turning in an overwhelming victory over North Dakota University. The feature match was between Ted Kara and Cully Eckstrom, national champion in his weight for two seasons. Kara pounded out a wide decision over his opponent.

W.S.C. was the next opponent to feel the deadly blows of the Vandal team. Idaho blasted a 6-2 decision to win easily. In the return bout with W.S.C. our boxers were upset. Idaho won three out of five bouts.

# BOXING SQUADS

The last match of the year saw the "pugs" travel to Vancouver, B.C., and again win a decisive victory of 4-1. The men who fought the majority of the fights this year were: Ted Kara, Sam Zingale, Carl Killian, Alex Passic, and Joe Fallini. Bud Benoit, Frank Kara, Otho Holmes, and Ross Rowe comprised the rest of the squad.

March 25. Ted Kara wins Pacific coast crown in 127-pound weight division. Alex Passic and Sam Zingale were runners-up in their respective divisions. All three men will go to the national tournament at Madison, Wisconsin.

April 1. Ted Kara finished in the finals to win the national intercollegiate boxing championship in his weight. Zingale and Passic both showed at the national meet.

## GOLF AND TENNIS

With four lettermen as a nucleus for his squad, Coach E. R. Martell started the season by trimming W.S.C. in the doubles and 3 out of 5 singles matches, and later W.S.C. won 4 to 3.

A journey to Oregon and Oregon State resulted in losses. The racquetmen took Whitman in 3 out of 5 singles and split the doubles. The team lost to Washington 7-0. Montana went down under a 6 to 1 barrage on their home courts, and later dropped a match 8 to 1.

Although handicapped by a late start, the varsity golfers under Coach Boyer's instructions placed fifth in the Northern Division golf meet held on the University of Idaho course. Idaho lost to W.S.C. by decisive scores. Games were lost to Oregon State and Oregon on successive days on the home course. Idaho made her best showing against Washington at Seattle. Idaho was fifth with 647 compared with Washington's 604, winner of the conference meet.

## FENCING

Swordsmen for the Vandals won two matches of five against W.S.C. and Washington. Few preliminary matches, plus mid-winter flu, were blamed for teams making poor showings against their opponents. Art Peterson and Charles Poulton, ace fencers, successfully defended "their honor" throughout the season. Bob Frazier was injured early in the season, and as a result was unable to compete with the squad.

The following men were on the '39 fencing team: Captain Bob Frazier, Art Peterson, Charles Poulton, David Lewis, and Norman Gray. Next year's team will probably be built around Frazier, Gray, and two less experienced men, Chet Carricart and Jim Dick.

## WRESTLING

Led by a student coach and captain, Mike Nelson, the Vandal matmen gave their opponents a fair showing this year. In meets with W.S.C. and Washington they tied, lost, and won one. The triangular meet gave the team a second place and won for Italo Caccia a Pacific coast championship in his weight.

The grapplers this year were James Clack, Herman Koppes, John Miller, Buhl Sutton, Vern Kidwell, Marvin Chouinard, Dwight Macy, Dennis Hess, Paul Epperson, Italo Caccia, LaVern Bell, Dale Sanner, and Captain Mike Nelson. Nelson expects the team to end near the top under the direction of Dennis Hess, who will be student instructor.

# RIFLE TEAM

"We lacked that umph" . . . as a result the rifle team took the skids this year and dropped four of the first eight postal competition matches with the other 28 R.O.T.C. units in the ninth corps area. This is the first time in four years the team has not held top ranking position in national competition.

The 36-man squad, of which 19 were freshmen, couldn't assimilate the coaching tactics laid out by Major Waters and Sergeant Morgan, resulting in poor scores. John Elder was the captain and high point man this year.

Standing: Selmer, Wright, Shoemaker, Westburg, Abbey, Bassett, Medford, Wharton, Sgt. Morgan. Seated: Elder, Bonomi, Dailey, Higham, Hogaboam, Gipton, Goslen, Baer.

# SWIMMING

Dick Slade

Building the team around Dick Slade, varsity ace stroke man, Coach Bob Tessier's tank men ended the season with a tie for fourth place in the Pacific coast conference meet.

The season's records show two wins over W.S.C., one over Montana, defeats at the hands of Oregon, O.S.C., and Washington, with a third place in a triangular meet with Washington, W.S.C., and Idaho.

Material seemed to be lacking in many of the positions, but the relay teams, both medley and the 200-yard, proved strong. Dick Slade turned in a good year and was chosen for the Washington "All-Opponent" team.

Idaho splash men made good showing in the conference, considering the competition they had to face. Coast schools make swimming a major activity and can therefore put a much stronger and better coached team in the water.

Members of the team who made up the regular traveling squad were: Dick Slade, Albert Dodds, Jay Nungester, Jim Johnston, Walter Ulness, Doug Edwards, Norman Skjersaa, Max Jensen, Bud Hunter, and Irving Rauw.

INTRAMURAL

## ALPHA PHI CHI

Going into the second year of their life on the Idaho campus, the Alpha Phi Chi, intramural promotion fraternity, conducted a worthwhile program for rallies and intramural sports. Fine organization of the sports schedules can be attributed to them.

Intramural managers and assistants make up the memberships. Each year two underclassmen are pledged from each house. Glen Jacoby acted as faculty advisor, and the officers for the year were: Keith Thompson, president; Paul Price, vice president; Gib Gale, treasurer; and Max Jensen, secretary.

## SPRING 1938

Willis Sweet Hall accumulated a total of 1955 points, sufficient to take first in the intramural race of 1937-1938. Kappa Sigma copped second place with 1684 points, and Phi Delta Theta garnered 1524 points to secure third honors.

Sweet Hall took firsts in the following events: touch football, fall tennis, A and B league basketball, and spring tennis.

Lambda Chi Alpha swatted its way to victory in softball competition and Willis Sweet came second with Phi Delta Theta third. Speedsters of Phi Delta Theta galloped ahead of all others in track. Delta Tau Delta ran second and Kappa Sigma wound up in third place.

## 1939 SEASON

Willis Sweet took advantage of the large supply of men and ran away with touch football honors. They defeated, in the finals, Chi Alpha Pi. Phi Delta Theta came in third and Delta Tau Delta fourth.

In the wrestling tournament, Campus Club grapplers came away with 100 points and first place. Willis Sweet copped second while L.D.S. Institute and Tau Kappa Epsilon tied for third.

The Delta Chi ping pong team defeated A.T.O. in the finals to win the table tennis championship. Lindley Hall beat Willis Sweet Hall for third place.

Idaho Club's fast and brainy volleyball team annexed the volleyball title by handing Lindley a defeat in the championship playoffs. Kappa Sigma defeated Chi Alpha Pi to come in third.

First in intramural horseshoes competition was the Campus Club, barely nosing out the Idaho Club. Third and fourth were L.D.A. Institute and Phi Delta Theta.

Lindley Hall's speedy casabamen won in "A" league basketball over Sigma Nu. A.T.O. emerged the victor over Phi Gamma Delta to win third place. In "B" league competition, the Fijis took first place. Second in "B" league was Lindley Hall, with the Campus Club and L.D.S. third and fourth.

At Gem press time, Lindley Hall was 65 points ahead of its nearest competitor, Willis Sweet Hall, for the intramural trophy. Lindley had 957 points, Willis Sweet 892 points, and Idaho Club 728 points to lead all others with spring tennis, horseshoes, swimming, track, and baseball yet to be completed. Leading the fraternities were Kappa Sigma, Phi Gamma Delta, and Phi Delta Theta. The Kappa Sigs garnered 671 points to the Fijis 664 and Phi Delta with 594.

WHEN DAVID'S STORE was founded, there was written into its policies an inflexible rule concerning the reliability of merchandise. It is not too much to say that our present growth is due entirely to the policy of never selling anything—however small—that we can not fully guarantee. And the most impressive phase of the success that has come to us lies not in its magnitude but in the ever-growing satisfaction, so freely voiced by thousands of our customers, in the reliability of their purchases.

# *The Greatest Force In The World!*

Airmen claim the new aerial bombs are the greatest destructive force ever devised by man. Each bomb is eight feet long, contains 1,000 pounds of TNT, and will completely demolish a medium-sized town.

The first public address of Pope Pius XII brought his voice by radio into millions of homes. The world's great statesmen, noted singers, musicians and entertainers by the magic of radio are daily guests in the homes of the most humble citizens.

Bombs and radios are physical forces. There is a different type of force, more powerful in its beneficial influence . . . or more insidious, more widespread in its devastating effects and practically impossible to aid or combat with conventional weapons. It is the force of an IDEA.

The foundations of the world are being violently shaken today, not particularly by physical forces, but by the impact of outmoded, discredited, sixteenth century ideas. In one country these ideas are known as Communism, in another as Naziism, in a third Fascism. That the welfare of the state comes first, the

interests of the individual second, is the common philosophic bond. And to the propagation of these ideas within those countries every agency, instrument and facility devised by man is being employed.

What are some of these ideas and with what fundamental principles of the American system of self-expression and free enterprise do they conflict?

In Germany radios are equipped to receive broadcasts over but one wave length . . . the one controlled by the government propaganda agency: Freedom of the press and radio denied: Ministers handed prepared sermons as they step into the pulpit, with the alternative of the concentration camp: Freedom of religion abrogated: Stenographers and women executives being shipped into the country to work in the fields with no right of being heard: Private property confiscated at will of officials . . . All of the rights of protection of his person and protection in possession of his property we find subordinated to the new idea of the over-all importance of the State.

What does this have to do with educa-

tion in our Universities and Colleges? Simply this: the most significant equipment which a student acquires is not the actual skills, techniques and understanding of surgery, teaching, dairying, law, business administration, or home economics. Not the aerial bombs, radios, or other physical things his inventive mind will later devise. But the philosophies, ethical principles, creeds, enthusiasms, and ideas which he will acquire in the quiet of the library, as he listens to the lectures or from discussions on the campus. These he will carry away and fashion into social and political programs.

And what is the solemn responsibility of organized education? For what prime purpose is all the property, equipment, and yearly contributions of taxpayers dedicated? To the proposition that the youth of the land shall develop those habits of thought that will generate constructive ideas and constructive programs that will satisfactorily solve the practical problems of life after the American way.

"What Helps Business—Helps You!"

On October 1, 1938, the 1939 Gem of the Mountains was begun. The editor and staff, very enthusiastic about the job, even though at a disadvantage with such a late start, worked hard in an effort to make this Gem as good as those of past years. However, for the first time in several years, a 376-page Gem, the largest yet, was presented to the students long before the first of June. For this we can thank the staff and the "builders of the book" for their fine cooperation.

To the first associate editor who has worked during his associate year, Jim Boyd, we give our heartiest thanks and best wishes in the 1940 version of the Gem. Thanks kid, to J. Alden Hull for his fine "dirty work" cooperation.

Another year has seen Tridelts lead the group in staff members. However, Pi Phi helped a great deal. To both of these groups, thanks very much for your fine help. To individuals . . . thanks oodles to you, E. G. Williams and Ila Ingersoll, for the fine work you have done on this edition. Orchids to you, June Viel, for your fine handling of the most difficult section of the book. You did a fine job. Thanks, Fae Harris, for helping with the copy and other odd jobs.

Ray Hyke, you did a good job on the administration section. We appreciated your work very much. Thanks also to Margaret King, Jean Corniel, Pat Churchill, Julie Darrow, Dave Morken, John Rupp, Gene Long, Garnetta Barnhill, and Elinor Mortimer for all the fine work you did.

To the business staff . . . thanks every one of you for making the finances for this book come out. Thanks to you, Andrea Vaughn, for handling Rich's secretarial work. To you, Dal Jordan, and assistant Don Hagedorn, thanks for your fine work in getting the amount of advertising that was presented in the 1939 Gem. Thanks, Bill Abrahamson, for your fine circulation job. To you, Dick Phinney, thanks for the help and best of luck

with the next year's production. To Pete Lane, thanks for making the organization section a financial success.

Thanks to Sammy Rich, business manager, for the fine help in putting out this Gem. It was hard to understand each other during those trying times, however, the book has been published very successfully. Thanks, Carl Burt, for being a "Gem saver" in the advertising and book selling.

Thanks to Sterner's studio and Hutchison's for cooperating to the full extent that they did with putting out the pictures sooner than any previous Gem publication has had studio pictures. To McClelland Barclay, thanks for judging the queens in such fine shape.

As for you, Charlie Dimond, we can't express our thanks for your fine cooperation at "any time" and taking so many fine pictures for this edition of the Gem. We surely appreciate everything you have done to make this annual a success.

To Ralph "Beta" York (and personnel of Syms-York Company) and Walter "SAE" Irvine (Western Engraving Company personnel, too), it has been wonderful to work with two fellows who have cooperated so much, who have the "Gem spirit" and have done everything in their power to make this the best Gem ever, and who have shown so much consideration for this incapable staff. Orchids to the both of you.

To the other members of the entire Gem staff, thanks to each and everyone of you for making this Gem possible.

It's goodbye now . . . another Gem has been published and another editor expresses his thanks to the entire student body for the opportunity to record "your" school events in "your" Gem. In hopes "Our Idaho . . . marches onward."

Yours . . .

TOWHEAD CHARLESWORTH.
