Governor's Message . . .

It is with a great deal of pleasure that I extend to the students and faculty of the University my congratulations upon completion of another successful year in the history of your school. To those of you who will be adding experience to your knowledge in the coming year, may I say that you have reason to be proud of your University. It is my earnest desire that as many of you as possible remain with us to do your part to further the economic and educational development of Idaho. We are a great state that still suffers "growing pains" and there is much to be done by the youth of today. We welcome you as zealous workers for the good of the Great State of Idaho.

Sincerely,

LEN JORDAN, Governor State of Idaho

GOVERNOR LEN B. JORDAN

Board of Regents

Determining the general policy of the University of Idaho administration is the responsibility held by the Board of Regents. The board members come from all parts of the state and hold meetings periodically to discuss various educational problems and policies. J. L. McCarthy is 1952 chairman of the group. Emory A. Owen, long-time member of the Regents, died last fall while still a member. The newlyappointed regent is A. R. McCabe, St. Maries.

Board of regents members from left to right are: Alton B. Jones, Boise; John D. Remsberg, Jr., Rupert; J. L. McCarthy, Orofino; Marguerite Campbell, New Meadows; Emory A. Owen, Idaho Falls (deceased while in membership); Paul B. Jessup, Wallace. Not pictured is the new member, A. R. McCabe, St. Maries,

President's Message . . .

Whenever I leaf through a copy of the GEM OF THE MOUNTAINS I am intrigued by the variety of study and wholesome recreational activities in which the students at the University participated. It is a busy campus world in which we live. But, it is this activity, this adapting to environment, this absorbing of knowledge that make for the better student, who becomes the better citizen in whatever community may beckon him. To grow mentally, morally and physically, the human being must be continually alive and alert to the world about him. Education itself is a process of growth, and those of you who have learned during the past year to sift knowledge and apply it have grown much. The University has grown with the years, but most satisfying is the growth of those who have attended it.

Sincerely,

J. E. BUCHANAN, *President* University of Idaho

PRESIDENT J. E. BUCHANAN

Governing day-to-day campuswide policies is the Academic Council. Included in membership of the group are all academic division deans, student affairs deans, field services representative, registrar, and two faculty members chosen at large.

The group meets weekly, with Wednesday as the designated day. President Buchanan serves as chairman of the Council with Dean T. S. Kerr, Letters and Science, as vicechairman, and D. D. DuSault, registrar, secretary.

UNIVERSITY ADMINISTRATORS

The men behind the academic scene, without whom the University would perhaps be at a standstill, are constituted in the administrative officials. Their duties range from engineering matters to that of handling money, and again to that of student counseling. As a whole, the administration officers guide and maintain the smooth operation of University of Idaho administrative machinery.

RAFE GIBBS Director of Information D. D. DUSAULT Registrar Students are not all aware of the vast amount of work which passes through these respective offices. University heating, money, housing, publicity, and even the library books are all a part of the various duties of these administrative heads. Without their assistance and planning, the University of Idaho would find it hard to function satisfactorily.

Dean of Women

Dean Louise Carter this year completed her ninth year as Idaho's dean of women. In her job, she has a sincere desire to make each coed feel at home on the Idaho campus and is a friend and advisor to all.

Dean Carter is advisor to all Panhellenic groups as well as to the Independent women on campus. Complete impartiality in all matters has won her acclaim during the past year and is only one of the attributes which have made her outstanding in her field.

It's a hard job to keep all people happy all the time, but Dean H. E. Lattig, Idaho's dean of men, in his capacity, is effective in handling various problems of Idaho males.

Dean Lattig is a graduate of the University of Idaho and is therefore close to the policies which he must set and carry out. He is well known to all students as a friendly and helpful person.

ASUI ARROWPOINTERS ...

PRESIDENT RAY Cox, Associated Students, University of Idaho

Energy and enthusiasm are two good adjectives for Ray Cox, 1952-53 ASUI president. Not content with a dull moment, Ray had many a good, novel, and at times breathtaking idea for materialization by the student body. He organized panty raids, football appreciation ceremonies, and a Student Union band.

Ray is married and the father of two small children. Plus this to keep him occupied, he is a law major, which, with his ASUI activities, keeps Ray Cox hopping with plenty of gusto. Betty Ruth Westerberg serves as secretary of the board, while Bob Holder is ASUI "veep." Other members who also serve as members of various other ASUI committees include Bonese Collins, Bill Nixon, Bob Allison, Bill Ringert, Verl King, Bruce McIntosh, John Bengston, Westerberg, Cox, and Holder. Ex-officio members are Erlene Clyde, AWS president; Graham McMullin, ARGONAUT editor; Gene Hamblin, KUOI station director; Charles Decker, student counselor; and Gale Mix, ASUI general manager.

ASUI General Manager

The man with the cigar and the friendly word on the Idaho campus is always identified as Gale Mix, ASUI general manager. He has his finger in a million pies and knows a little bit about most anything. As manager of all ASUI functions from a minor dance to a football game, Gale is known throughout the state as a swell guy and all Idaho students will heartily agree.

As general manager Gale is business head of the ASUI and is subject to the general control of the student Executive Board. He has under his jurisdiction all ASUI funds and property.

ASUI Office Staffers

Between cups of coffee in the SUB cafeteria, ASUI staff members are kept hopping. From ticket selling to mailing GEMS, the quartet of workers is called upon to do most any kind of job, in or out of the ASUI office.

Athletic News Pair

Athletic news director Ken Hunter and his assistant Karl Klages are responsible for the distribution of all Idaho athletic publicity. Press releases and radio tapes are sent to various newspapers and radio stations in this region.

ERLENE CLYDE President, Associated Women Students

Associated Women Students is the group of coeds who discuss problems of University women and make plans for various social functions. The group is composed of representatives from each women's living group on the campus, who take the discussions of the weekly meetings back to their respective living groups for opinion or further discussion.

Erlene Clyde served as president of the council during the school year following her election last spring by the campus coeds. Serving with her as officers were Mary Hansen, Linda Archibald, and Ann Tremaine, plus house representatives.

Council members are pictured, left to right, front row: Dorothy Carter, Mary Cornelison, Joan Welsh, Mary Joyce Briggs, Frances Brion, and Erlene Clyde; second row, Marie Beals, Ann Tremaine, Betty Fix, Linda Archibald, and Mary Hansen.

New Faces on Campus ...

First Rush . . .

Freshmen coeds were viewed like so many monkeys in a zoo as five days of rushing came and went. The usual round of parties, refreshments, entertainment, and sitting on the floor were again climaxed by the squeals of new pledges on the final day as they rushed up to the house of their choice.

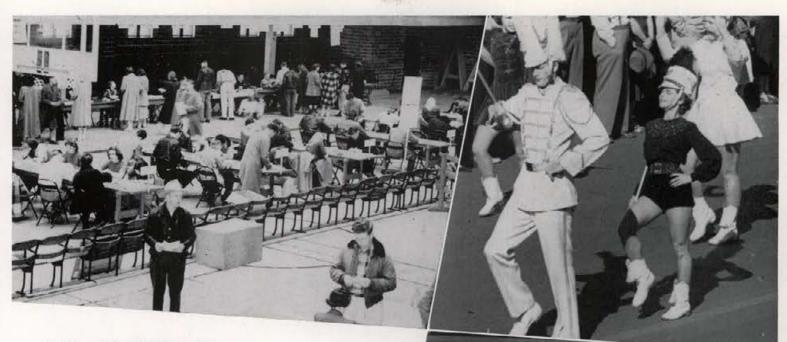

Alpha Phi rushers and rushees.

Thetas greet new pledges with ribbons and squeals.

Then Orientation . . .

Orientation measures this year ranged from movies and dances to activity and study meetings for all new students. Led by Liz Winegar, the orientation committee organized all meetings which helped freshmen "get into the swing of things." Other members pictured at the left were Bill Miller, Dick Rogers, Larry Hyer, Joe Tom, Rosemary Bergdorf, Liz Winegar, and Pat Woodmore.

20

Followed by Registration . . .

Registration, as usual, climaxed rushing and orientation with its reduced lines and schedule changing as the proverbial frosh and sophomore aggregations made their beelines for the auditorium for measly numbers. In the above picture, someone looks confused.

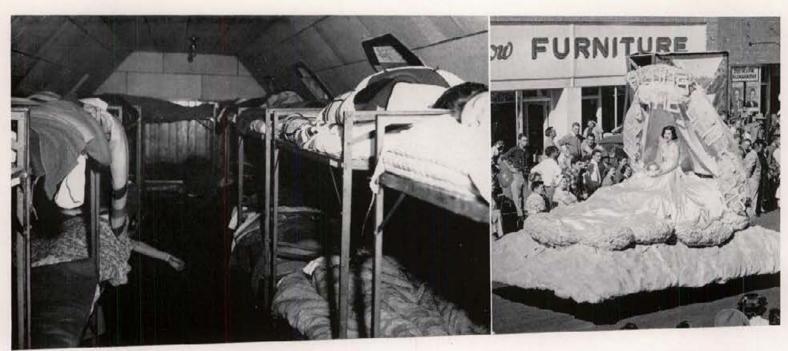

And "Get-Acquainted" Measures . . .

The fall was, as usual, this year cram-packed with activities from parades led by drum major and majorette Stan Blackwell and Bonese Collins to mixers in the SUB, football games, Homecoming, and tubbings. In the meantime, some students managed to shatter the dream world by studying.

Rounding the stadium curve at half time is the winning women's float presented by Delta Gamma, which featured actual beating arms by the Indian. Phi Gamma Delta copped first place honors in the men's division with their balance wheel in a beautifully constructed float.

The Alums Return

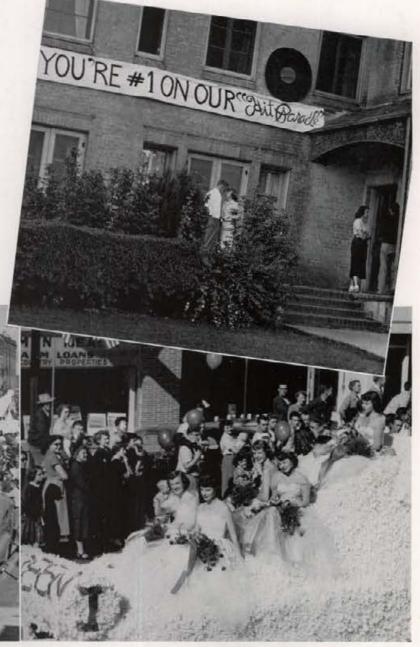

The week end of the return of the old grad was a huge success this year due to several factors for once the weather cooperated and it didn't rain. The day started with a bang, with the alums pouring into town and the students frantically finishing floats. The parade was bigger and better than ever with the Delta Gammas and the Fijis taking honors for the best floats.

Lovely Shirlie Vorous reigned over the day's festivities and was crowned by William Guernsey. The high point of the day came in the early afternoon when the Vandal gridders took to the field. The day was somewhat darkened when the fates took hand with the enemy, and the Vandals, though valiant, were vanquished. The evening was completed with the usual dance, which was a large success and was attended by large numbers of students and alums.

Sunday was comparatively quiet, with the students visiting with parents and friends and recuperating from the strenuous activities of the day before. Among the remains of the floats that were scattered around the campus were seen grumbling groups of alums, who agreed that "we were taken" at the game. Students, faculty and alums all agreed that it was a fine celebration, and that next year, without doubt, the Vandals would roll to victory.

Homecoming committee members, headed by Chairman Dave Lau, are pictured, left to right: Bob Huntley, Norma Stralovich, Dolores Uria, Mary Hansen, Dorothy Carter, Dave Lau, JoAnn Ennis, Ruth Dimond, Keith Stevens, Bill Parsons, and Bob Speros.

One of the most impressive floats in the annual Homecoming parade was filled with campus pulchritude, with Homecoming Queen Shirlie Vorous and finalists Margery Nobles, Betty Ruth Westerberg, Madeline Meltvedt, and Emily Christie.

The 26-member chorus ensemble of the original musical comedy is pictured in one of four specialty numbers. The comedy was written by Ted Sherman and Geoffrey Coope, with music by Hall Macklin.

Special dance acts were woven into the plot, as were eleven original songs. A special 15-piece pit orchestra added color to the music, while setting for the play was on an Idaho ranch and concerned the struggles of Senator Singleton in his campaign for re-election.

"SING SENATOR SING"

Blair Allen, Tom Glass, and Paul Matthews enacted a trio of lobbyists, while Chuck LaFollette portrayed Senator Singleton in the musical, which was presented for three nights in October. Also playing major roles were Bonese Collins and Tom Wright as Gladys and Phil. Others in the cast were Leah Jensen, Ann Tremaine, Bob Nixon, and Phyllis Ralstin. Director was Jean Collette of the drama department.

Dr. E. S. Sestero, center, Boise bloodmobile chief, and two assistants prepare the blood for shipment to the armed services. The blood was flown to San Francisco. Students relax after giving blood in the fifth all-campus blood drive at Idaho, held this year in Octoher. Donors gave 1600 pints in the three-day drive.

Rows of beds were seen in the SUB center ballroom. The total pints drawn in the three days lacked only 58 pints of equalling the number taken in the four-day drive last spring.

A Drop of Blood ...

Red cross nurses and aides worked long hours extracting blood from students. Chairman of this year's drive was Don Mitchell. He organized the pre-drive rally, as well as entertainment during the extraction process.

All students were checked by nurses before giving blood. Final total on this fifth drive was 1600 pints collected, with 57 per cent of the student body donating. This made 5538 pints grand total during the five drives.

AG BAWL

Bales of hay and that barnyard smell greeted couples at the Ag Bawl, held this year in November. The Ag Club and Alpha Zeta were sponsoring groups for the all-campus dance, as levi-clad couples "grabbed their podnurs" for an evening of cavortin'.

MUCKERS' BALL

Harold's Other Club made gambling legal at the Miners' all-campus dance. No bona fide money was allowed, for Mucker's Bucks were issued as the medium of exchange, as the SUB ballrooms turned into Las Vegas for the night. The ball was held in January.

HOLLY WEEK

With caroling, dancing, rallying, and partying, the sophomores conducted their annual Holly Week with glad hearts and good cheer. Madcap Stan Tate, soph class prexy, crowned Holly Queen Jean Sorenson during intermission of the annual dance, held December 12.

"Twas the night before Christmas" was the theme of the week, which also included a pre-Christmas serenade of all campus living groups, as well as a rally, dance, and a sophomore mixer beforehand.

For the Holly dance the SUB ballrooms were portrayed in Christmas nature, indoor and outdoor scenes, with evergreen and mistletoe. The queen's throne was a glistening sleigh.

Holly Queen Jean Sorenson is pictured with several couples at the Holly dance. The center picture shows sophomore enthusiasts at the pre-dance rally and mixer. In the lower picture, S. Keith Forney leads the sophomore serenade of campus habitats.

Pictured center are freshman queen and king, Clara Armstrong and John Bahr. Other couples attended the dance, held in the SUB ballrooms.

FRESHMAN WEEK

Freshmen got that old spirit with a bang this year with their annual Frosh Week, held in March. Their dance was dubbed "Suddenly It's Spring" and everything was in their favor except the weather, which was anything but spring in nature.

Class members again voted for their royalty with king and queen honors going to John Bahr, Chrisman Hall, and Clara Armstrong, Hays Hall. In charge of all dance and week problems was John Mix, class prexy, and his officers and committee members.

Don McCabe and Jim Richardson from Willis Sweet Hall came out on top with a humorous piano duet in men's humor category.

Fraternity men donned tuxes and white dinner jackets for the Inter-Fraternity ball held in February. Individual fraternity badges and crests served as decoration for the formal event in the SUB ballrooms. In charge was Del Naser, IFC president.

Campus Chest Benefit Dance

Campus living groups combined talents for the Campus Chest drive in the form of a benefit dance in February. Various booths were set up and money received from those and from taxi dancing was given to the Campus Chest fund. In this way, all benefit drives were combined into one.

Stars of the day were Miss Coleen Gray and Mr. Touch Connors. These two stars appeared at various places over the campus and acted as master and mistress of ceremonies at the festivities on the Administration Building lawn.

Also here were Miss Spokane and Colonel and Mrs. Reginald Myers, who is Idaho's only winner of the Congressional Medal of Honor. There was a huge parade put on mostly by the students, that was even larger than the Homecoming parade. At the close of the day there were dances in several places in town and on campus. Selected acts from the talent show were presented with Karen Hurdstrom winning again.

MISS DOLORES URIA, 1953 May Queen

The Mothers' Day Celebration

Held each year on the Mother's Day week end, the May Fete is one of the highlights of the spring at Idaho. Among the many things to do are to attend the Helldivers' Water Show, visit the various open houses, and, of course, attend the May Fete itself. Queen Dolores Uria was crowned by Bill Parsons, new ASUI president, and the members of Mortar Board, the senior women's honorary, tapped the coeds who are next year's members. Silver Lance, the senior men's honorary, selected their new members. The Spurs presented their pledges, tapped that morning, and put on the traditional winding of the May Pole. The weather cooperated in a half-hearted manner; it was sunny but cold. Most of the mothers were too interested in watching their children and friends' children to be aware of the cold. Ann Royer, Mortar Board member, was in charge of the Fete and did a fine job. Ann was assisted in putting on the show by the members of Mortar Board.

Taking top honors in the women's division was Alpha Phi, under Dolores Forsman. Second place winner was Kappa Kappa Gamma. Professor Glen Lockery led all entering groups in a mass group of Idaho songs during the Song Fest, an added feature of this year's singing.

Receiving the red rose of Mortar Board, senior women's honorary, were 17 new members at the May Fete ceremonies.

Silver Lance, senior men's honorary, also tapped new members at the May Fete.

Outside Memorial gymnasium, following commencement exercises, everyone is looking for someone.

All In One Day

Seniors of 1953 helped inaugurate a new commencement practice at the University of Idaho. This year both baccalaureate and commencement exercises were held on the same day, Sunday, June 7. In spite of pouring rain, which necessitated lining up for the processional in the armory, no one seemed to be the worse for wear. With morning services beginning at 9:45 o'clock, there was plenty of time to make the 2:00 P.M. commencement.

Morning speaker was Dr. Frank Warren, president of Whitworth college in Spokane. Baccalaureate services also included numbers by the University Orchestra and the Vandaleers.

At commencement exercises a total of 692 students received degrees at the University's 58th commencement. Of the total, 600 received bachelor's degrees, and 92 master's degrees.

Four honorary degrees were presented to out standing University of Idaho graduates and the Idaho president, J. E. Buchanan, was himself presented with an honorary degree from the University by Governor Len B. Jordan.

The inside story, Seated are 692 graduates of the University as they listen to the Vandaleers at baccalaureate.

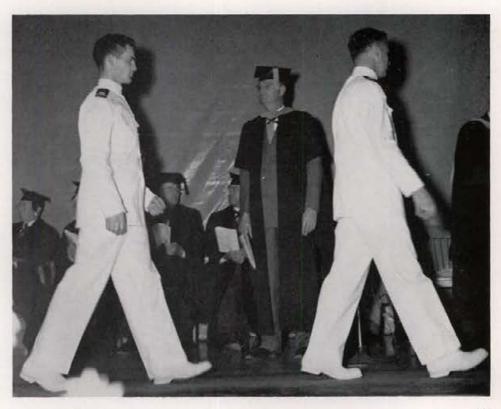

Senior awards were given to the seven graduates at commencement rehearsal. President Buchanan gave the awards to Frank Burford, recipient of two engineerings awards; Calvin Burns, Idaho Society of Public Accountants award; Sheila Janssen, two journalism awards; John Thomas and Erlene Clyde, winners of the Chris Hagan awards for outstanding agriculture and home economics graduates; Graham McMullin, journalism award; and Richard Johnston, WALL SREET JOURNAL award.

Handling women's rushing is the main job of the Panhellenic council. Led first semester by Greta Beck, Delta Gamma, the council will be headed this year by Jean Trowbridge, Kappa Kappa Gamma.

Panhellenic Council

Row one: Jan Morgan, Suzann Moore, Elaine Dunn, Margery Nobles, Jean Trowbridge, Mary Patano. Row two: Ann Royer, Greta Beck, Ann Leudke, Shirlie Vorous, Mary Hansen, Peggy Densow, Madeline Meltvedt, Gen Devlin, Hazel Tomlinson.

Alpha Chi... the "friendliest girls on campus"... where a girl must have ten good reasons for accepting a pin ... and the pledge with the highest grade point average wins a diamond ... Halloween dinner exchange with the Sigma Nu's ... good neighbors ... usually ... Jo Alexander led cheers and skied ... Mary Harding unsuccessfully "Just trying to be helpful" ... "Moose" Steffens ... Sally Landers, Spur prexy with 15 activities ... Elaine Dunn, Vandaleer ... popcorn parties in the living room ... spring tubbing of graduating seniors ... A certain zest that makes everyone want to say "Hi" to an Alpha Chi.

PINE HALL

Following the close of the first semester, Pine Hall was no longer inhabited by University students. Set up on the campus at the end of World War II, Pine Hall provided emergency housing for a large number of former G.I.'s during the critical housing period.

At this time there is not a need for the space on Line Street and its roomers were moved to other campus dormitories. Before leaving, the residents of the hall had some \$267.78 in the treasury. Tad Kuga, president of the now extinct group, said the boys decided to make it part of a Pine Hall loan fund, which will now become a memorial to the hall's service.

Farewell to Pine Hall.

A NEW DORMITORY ...

Mrs. Steel presents her gift to the new cooperative's president, Betty Ruth Westerberg, for use in the dorm. The silver service was given during dedication ceremonics.

President J. E. Buchanan formally dedicates the new coed cooperative before guests and members of Ridenbaugh hall.

Ethel Steel House

Idaho coeds previously housed in Ridenbaugh Hall were handed the "new look" with Ethel Steel House, newlyconstructed women's cooperative dormitory. Located between Forney Hall and Gamma Phi Beta sorority, the new dorm was named after Mrs. Ethel Steel, former University regent from Parma.

Dedication ceremonies were held May 10 and also marked the 20th anniversary of the University coop movement. Mrs. Steel was a leader in the movement to provide dorms on campus where students could share the work and cut costs.

The Ethel Steel house will provide living quarters for 58 women students. It is a four-story structure and it includes many modern devices.

Putting out an annual is a job for the mighty and those who have 24 hours daily to be on the job. We have all lost our eyesight due to poor lighting, but at last the army surplus came through with two bedlamps. Thus, if some pictures are dim, we couldn't see what we were doing. In the book there are the club shots, the candids, the panels, Soderberg's terrific cartoons and all the rest, and we hope your picture appears at least once in one form or another. The members of the crew have tried to bring an accurate and complete picture of a year at Idaho. There have been the inevitable foul-ups with photographers that didn't show and the people that want to know

Mountains

where the picture is of their special club or organization, but by and large things are covered.

Coffee with the ARGONAUT staff and many long sessions on "where shall we put this" have been "standard operating procedure," not to mention hours of photo-mounting, copy-writing, and picture scheduling. Even now the mutilation of panels by Stivers and Bollman is forgiven. Staff cuts have put a lot of work on a few, but the end result is a fairly uniform book. For anything you want to find the index is in the back, the table of contents in the front, and clearly marked section pages in between.

Jason's Jabber . . .

Flaming red hair, a lambasting New Jersey accent, and a sentence, "We're going to cast our vote for Parsons," are three good ways to signify the ARGONAUT. Editor Graham McMullin, Managing Editor Al Dieffenbach, and the Jason column fairly well characterized the student publication this year as well as Jason's part in student politics and the "Little Man on Campus" cartoons.

Published bi-weekly by an entire student staff on the literary side, the Arg covered student activities and had the student slant and coverage. Students may not agree with the editor, they may agree thoroughly but in the long run most of the student population will agree that it is read by all. The members of the staff take with them memories of rushing for deadlines, beating the brush for news one issue and leaving out columns of fine stories the next (case in point, the ROTC).

McMullin and his staff helped put the ARGONAUT back on its feet and produced a paper which added more and more student interest with each issue. A well-coordinated and working advertising and circulation staff kept things hopping for the editorial staff, and all in all the sister publication to the GEM OF THE MOUNTAINS was well worth its newsprint.

Ruth Brede and Fred Williams rewrote stories and compiled news stories, as well as working on the copy desk.

Barbara Taylor helped with society news, while Marilyn Marvel and Harvey Scott (standing) worked on the copy side of the news.

The Idaho Engineer

The Associated Engineers publish their magazine quarterly with articles contributed by students in the various departments. The magazine is largely a technical journal, containing articles of interest to engineers and others of related fields. News of activities of engineering clubs is featured, as well as the dean's column, "From the Dean's Scratch Pad."

The Idaho Forester

This publication, put out at the end of each college year, is a technical journal, senior yearbook and School of Forestry newspaper all wrapped up in one. It circulates not only about the campus, but also throughout the entire state, to keep alumni and other associates up on the activities of the School of Forestry, its faculty and its students.

Debate

With forensic followers numbering 25 strong this year, Idaho debating was at an all-time high. According to debate coach Dr. A. E. Whitehead, this is the largest number ever to compete in intercollegiate debate for Idaho. The group competed in a total of 182 matches and won 60 percent of those debates decisioned. Of these matches, eight were intercollegiate tournaments held here in the Northwest.

In the All-Idaho Speech tournament held in Pocatello in March, Idaho sent two teams. Lee Anderson and Jim Kruger placed second in debate here and Anderson also won the impromptu speaking contest.

Idaho debaters also competed in the Pacific Forensic League at the University of Southern California, at which time Fred Williams placed third in the after-dinner speaking division.

As a group, debaters competed also at Linfield College in Oregon, in the triangular series between Idaho, WSC, and Montana, and in the Inland Empire tournament which was held here in Moscow in January. In the latter, Idaho debaters placed second.

"All the World's a Stage"

Miss Collette and Ed Chavez worked and joked along with the students as the Thespians busily worked on their various productions. Highlights of the season were the student-produced one-act plays, the musical "Sing Senator, Sing," "Blithe Spirit" and "Death of a Salesman." The students earned points for the Curtain Club by high degree workmanship, both in acting and technical work. At the end of a full year, the drama enthusiasts can ring the curtain down on a reservoir of great memories.

Student-Produced One-Act Plays

This year's student-produced one-act productions included the works of two of the world's best known playwrights: Shakespeare and Eugene O'Neill. These plays, which were actually excerpts from the original longer productions, were entirely under the direction of the students of the drama department. In these performances the actors and actresses ran the gamut of emotions. Love, jealousy, hate, and the farcical humor of "A Midsummer Night's Dream," gave the audience an evening's entertainment to suit all tastes.

In "The Rope" June Adams portrayed Annie; Sandy Falls, Mary; and Dick Parsel, Bentley.

A high point of "Ile" was the mutiny scene in which the Captain subdues his men.

Political Stuff

For the second year in a row, the campus politicos were split into three groups: The Greek United Party, Independent Party, and the United and Integrity Party. These three groups vied to place party members on the Executive Board and to win the coveted ASUI presidential chair. Election interest ran high, and a large percentage of students voted. Joan DeShazer was the secretary of the United Party with Fred Kopke as president. The Independents were headed by Chuck Pierce, with Joanne Gnatovich as secretary. The helm of the third party was held by Keith Stevens, who was assisted by Jody Ennis as secretary. This year all of the parties campaigned at all living groups on campus.

GENE HAMBLIN Station Director

ROGER GROTH Record Librarian Joнn Mix Program Director

Campus radio KUOI really came into its own during the school year, as many outstanding technical and programming developments took shape. For the first time in the station's eight-year history, a UP teletype was installed, bringing the world's top news stories to the campus and was used daily by the station.

Combined with the news features, KUOI resumed broadcasting campus activities, such as basketball and baseball games, the boxing matches, Blue Key Talent Show, and Song Fest, along with week-end dances from the SUB. A utilization of block music and news programming with record shows as "KUOI Keynotes," "Bucket Bandstand," "Melody Inn," and "Penthouse Serenade" highlighted daily programming.

KUOI this year installed a new five-watt transmitter in February. With the new transmitter, KUOI's campus acceptance raised to new and greater heights.

Another KUOI addition at the entrance to the SUB has been the news bulletin board, with the latest world news changed three times daily. However, part of KUOI's success this year can be summed up in 25 staff members who helped again put KUOI on campus listening.

Idaho's Widely Known VANDALEERS

The University of Idaho's most prominent singing group, the Vandaleers, under the direction of Glen R. Lockery, had their usual busy season. On December 14 they held their annual Christmas Candlelight Service. April was a full month for the Vandaleers. The group toured the northern and central parts of the state, giving concerts in the major cities. Their spring concert on April 17 rounded out a full year's activities for the Vandaleers.

Pep Band

Giving a big assist to cheerleader and student spirit this year was Idaho's Pep Band. The group held forth at all the rallies and basketball games and added to the excitement of all functions. A few extra pints of blood can be credited to the band for their part in the blood drives. The Pep Band was ably led by Louis Remsberg, student director. Warren Bellis was faculty advisor of this organization.

University Orchestra

University Singers Professor Norman Logan again directed the 1953 University Singers aggregation—the largest musical group on the campus. This year the University Singers combined talents with the orchestra for their spring concert, as well as performing at commencement and at the May Fete. Soloists from the entire campus and the faculty are featured at the University Singers concerts.

The Infantry

Military training has been part of the University of Idaho's curriculum for men students since the adoption of the Morrill Land Grant Act, which required such training in all land grant colleges. A new ROTC program, Branch General, was introduced to freshman students this year. This program is designed to commission graduating students into the field in which they obtained their degree.

The training objective of the Army ROTC is three-fold: (1) to inform the student about general American military methods and policies; (2) to provide selected students with a basic military knowledge that will enable them to serve as junior officers in the event of war; and (3) to build up a reserve of partly trained young officers for the Organized Reserve Corps. In addition to this the Army has a secondary aim, which is to select certain outstanding ROTC students for possible integration into the regular Army as career officers.

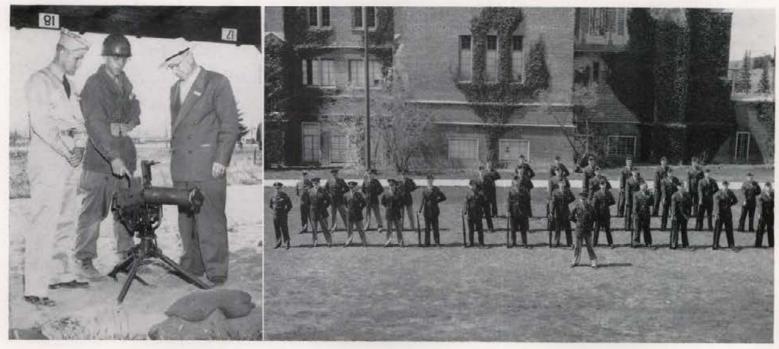

Activities during the year have kept Colonel Blewett, Professor of Military Science and Tactics, and his efficient staff busy. Outstanding events of the year have included the Military ball, held in conjunction with the other military organizations, and the annual spring review honoring outstanding members.

The Midshipmen

The swabbies of Latah County. These are the boys of the Navy Reserve Officer Training Program. They study the fine arts of seacraft during the year and then apply them during the summer. There are two types of NROTC students, the regular and the boys on the contract. The contract students take the program under much the same set-up as do the advanced students in the other ROTC programs, but the regular boys are verging on actually being in the Navy. They have tuition and books paid for them by the Navy and in return they take a cruise each summer, rather than a single one, corresponding to the other services' summer camps.

The Navy is noted for its snappy drill team and its smart marching on campus, the flags, drum and boys in black are a familiar sight to the students of Idaho, especially during the spring, when early morning drill reigns. The Navy building is located on lower campus and can be spotted by the navigation lights, spanking white superstructure, and friendly "welcome on board."

Air Force ROTC

The Airmen

The local Air Force ROTC unit is one of 288 college detachments. The Idaho unit trains cadets for administration-logistics service or flight operations. Next year, however, will witness a new program in the air department, for the course will be generalized. Upon graduation, cadets will be guided along lines of specialization.

Enrollment is voluntary, and the course is divided into basic and advanced. During the summer session between the junior and senior years, the student is required to attend a four-week summer camp at an active air base in the vicinity of Idaho.

Colonel Cosgrove, inspecting officer, commends Cadet Col. William Shaw on the fine appearance of the wing.

The Air Force ROTC unit has completed a very successful year. Class work was stimulated by interesting lectures and motion pictures pertaining to military tactics.

The Air Force drill team, an outstanding marching group in this area, won honors at the annual drill team competition. Precision marching and co-ordinated execution of arms was an attribute to their success.

All advanced students in the local unit are required to go to a summer military camp. Last year camps were held at McCord Air Force Base in Tacoma, Wash., Hill Air Force Base in Ogden, Utah, and Great Falls Air Force Base in Great Falls, Montana. Here the cadets were given essential instruction for graduation as officers.

After a long day at summer camp, the fellows enjoy a few minutes of resting and bull sessions. Cheer up boys, military life isn't that bad!

WAYNE ANDERSON

President of the senior class, Wayne is well known for his football prowess. Baseball has also taken up time for Wayne, who is a Spokanite living at the Delta Chi house.

MARY HANSON

This lass is a Tri-Delta from Idaho Falls and is treasurer of the senior class. Being vice-president of the Associated Women Students has kept her busy as have many ASUI committees. MARGERY NOBLES

Secretary of the senior class, a Homecoming princess, and the Kappa house coupled with Bruce McIntosh have been Margie's claim to fame. Margie comes to Idaho from Spokane.

BILL RINGERT

Veep of the senior class was the Phi Kappa Tau wonder boy, Bill Ringert. Bill was head of the Military ball, an Ag major, IK wheel, as well as a 1962-53 member of the Executive Board. Bill hails from Castleford, down in the other end of Idaho.

SENIOR

RAY COX

Ray is perhaps the best known guy on the campus this year. As ASUI prexy, his panty raid organization started his term off with a bang. Blood drives, Executive Board meetings, and the multi other things that keep an ASUI president on the jump, as well as the study of law, have demanded his time. BONESE COLLINS

Proof that the best things come in small packages. Barely five feet in stature, Bonese will never be forgotten for her baton acts during football games, for her parts in ASUI dramatics, besides being many queen finalists. Bonese is a member of Mortar Board and a Delta Gamma.

NANCY WEITZ

This gal is from Caldwell and is a member of Delta Gamma. A near four-point student, Nancy was a Mortar Board and its vice-president, a member of Phi Upsilon Omicron and secretary of her junior class. Always in a rush to class, Nancy majored in Home Economics, especially to use on Otto Leuschel.

SHEILA JANSSEN

The original fire and ice gal herself. Sheila was editor of the 1953 GEM, active on the ARGONAUT for three years, a Mortar Board member and president of the Kappa house. Through it all she managed to keep up grades for Phi Beta Kappa membership. Sheila is a journalism major from Moscow. GRAHAM McMULLIN

Mac, the editor of the ARGONAUT, the famous (or infamous) Jason himself. Many are the cups of coffee consumed by the "old Red Head" and his shadow, Dieffenbach. Mac is well known for his friendly greeting and smooth management of the ARGONAUT. A Sigma Chi and its veep, Mac is from across the border, from Nelson, B.C. Majoring in journalism, Mac has been active in this type of work for the last two years.

HOT SHOTS

LOIS BUSH

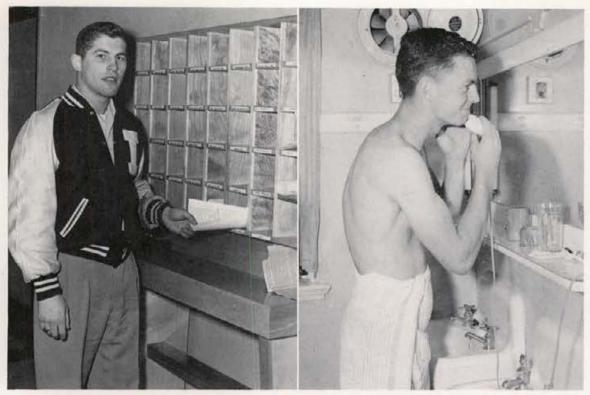

"Bush" is from 'way down in south Idaho in Malad, and on campus lives at Hays Hall. Lois is a journalism major and has worked on the ARGONAUT from copy boy to news editor for four years. Lois is a member of Mortar Board and was the hardheaded treasurer of that group. A hard worker and a good gal to know was Lois Bush.

ERLENE CLYDE

President of the Associated Women Students this year was soft-spoken Erlene Clyde. Erlene calls the Delta Gamma house her home, as well as a farm outside of Moscow. A Home Ec major—and the outstanding one—Erlene served as chairman of Dad's Day and has been on a million committees. This year Erlene was more than kept busy with AWS activities.

BOB HOLDER

Captain of the football team, Silver Lance, Blue Key, and presiding over the Tau Kappa Epsilon house are a few of the many activities that have filled the days and nights of Bob's college career. He is from Waterloo, Iowa, and proof that all Iowa grows is not corn. Bob is also smart—a new Navy ensign and member of Phi Beta Kappa, as well as being last year's ASUI veep.

BRUCE MeINTOSH

This is Bruce as seldom seen outside the Fiji house, as this well dressed, smiling boy is often seen with bat or basketball in hand. A four-year letterman in baseball and basketball, Bruce is now playing professional baseball. Bruce was president of his junior class, a member of the Executive Board, Silver Lance, and Bluc Key. Bruce is from neighboring Lewiston and found an education major. He even looks good shaving!

MORE MOLDY

DAVE LAU

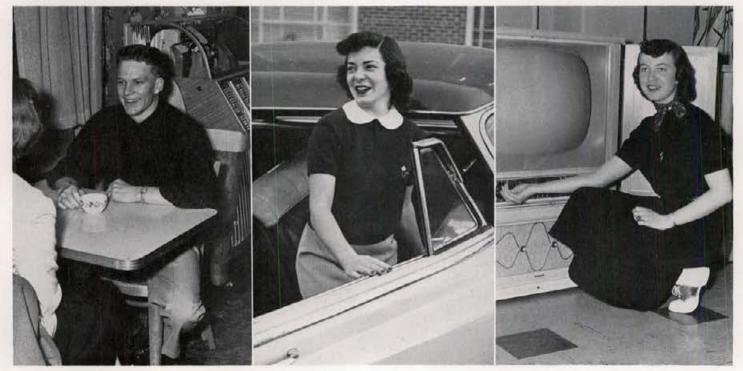

Now in Uncle Sam's army is Dave Lau, Delt prexy and this year's Homecoming chairman. He has served on many an ASUI committee and hails from Soda Springs.

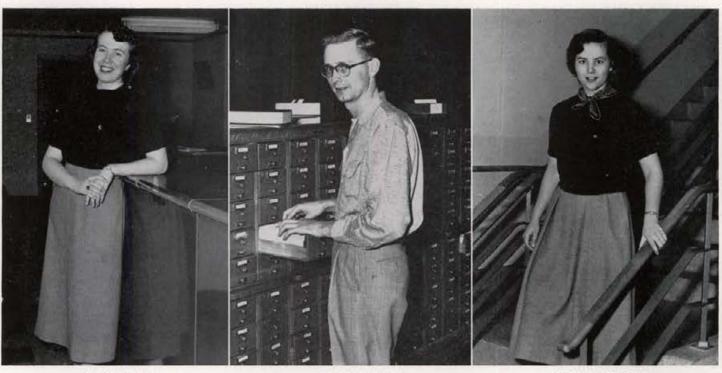

SHIRLIE VOROUS

Being queen of her senior Homecoming was one of the big events of the year for Shirlie. She was also a finalist for a national contest for the armed services' ideal Homecoming queen. Shirlie served as president of the Alpha Phi house this year and is well known in the musical world for her singing of jazz numbers. Shirlie is a physical education major from Clarkston.

ANN ROYER

One of a matched set, this lovely twin has been as active as a bee in a clover field in her three years at Idaho. Mortar Board, Theta president, and a host of other activities managed to keep life from becoming dull. Ann was also chairman of the Student Union committee and is a business major from Boise.

JEAN ROYER

The other twin of the pair. Jean has been busy here with Mortar Board and Theta vice-president. She is a business major, also from Boise, and future plans include Pat Duffy and marriage.

TOM MITCHELL

Tom is one of the powers behind the Third Party and has been very, very busy with the "inner smoke-filled rooms" stuff of Idaho politics. He is studying law, but started out in journalism and has been active on the ARGONAUT. He is also a member of Sigma Delta Chi, journalism fraternity, and Bench and Bar, law honorary. Tom is an ATO and former prexy and he calls Idaho Falls home.

NANCY SHELTON

A music major from Moscow, this gal has been president of Sigma Alpha Iota, music honorary, head of Mortar Board, Spur, Vandaleer, and has kept grades of high honors. She has been busy with many and varied duties and is seen on campus with a cheerful look and a pleasant hello.

OLD SENIORS

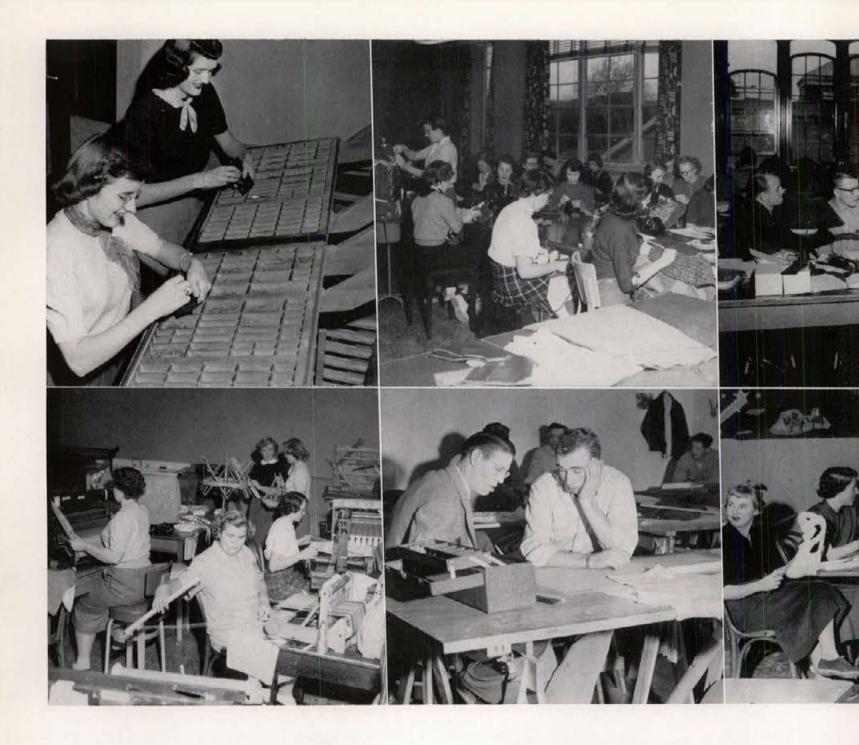

PAT HARRIS

Pat is the sunny gal from sunny California. Known by all as the president of WRA, a Hell Diver, and Mortar Board as well as "girl athletc." She lives at the Theta house and is seen walking to the Perch or across town to the Russell school for her education duties, not to mention the many cups of coffee drunk and letters written with and for the GEM staff.

PAT DUFFY

Pat started his college days with a bang and has been going ever since. He was president of his class for two years running during the freshman and sophomore days. Pat was also a member of the Executive Board. He has also let engineering studies and track participation seep into his college existence. Pat is a Delt from Nampa.

About The College ...

Shakespeare and the novel, freshman mathematics five days a week, art compositions and designs, Professor Banks in his third floor office, tape recordings and dramatic cuttings, Science hall with fetal pigs and sulfur smells, cooking, sewing and child development in the Home Economics building, along with Dr. Tenney's Humanities classes are all a part of the University's oldest division, the College of Letters and Science.

With its eight departments, Art and Architecture, Biological Sciences, Humanities, Physical Sciences, Mathematics, Music, Home Economics and Social Sciences, the college graduates students with fine general cultural education as well as vocational training.

Special advancements were made in the division this year, with the completion of the modern brick building of laboratories and classrooms for the Home Economics department. The Music department marveled over its convenient centralization in its new building. New heights were reached in radio, with the inclusion of a four-year curriculum and increasing activity in the TC-3 called the Radio Center.

Dean T. S. Kerr supervises the work of the division.

COLLEGE OF EL

About The School ...

"Readin', Writin' and 'Rithmetic" taught by Idaho graduates will be the case when the 119 School of Education graduates assume their first jobs in September. Forty-two B. S. degrees were awarded in elementary education and 77 in secondary.

About 30 major subject fields are available for prospective teachers, including specialized fields as business, industrial arts, music, and physical education. One or two teaching minors must be completed. Psychology is under this division.

The education student learns well the words, "term paper," which he develops on class methods, discipline, slow and fast learners, grading systems or individual differences. These subjects are further explored through class discussions led by the would-be teachers. He gets his first practical experience with Ed. 131—practice teaching—in an Idaho school for four to nine weeks or a semester. There he plans and leads class activities, prepares and corrects examinations and assigns grades.

Drs. John and Hervon Snyder, that second-grade lesson plan (when he had to find all those pictures of trains), heated arguments about progressive education, what to do about the boy who throws spit-balls, his struggle to play a tonette, Ed. 168—the final education course before the cruel, hard world, and typing 5 application folders to file with the Placement Office are memories of the education graduate.

College

Engineering

About The College ...

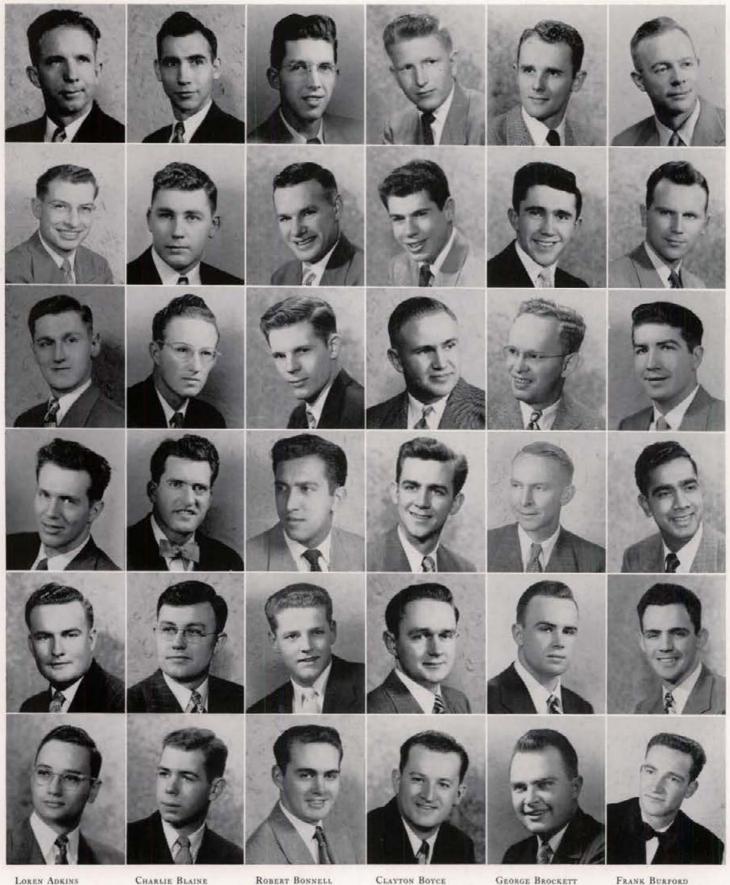

The College of Engineering, spread out in Kirtley No. 1 and 2, has headquarters in the Engineering building. With an enrollment of 483 students this year, the college tries hard to meet the crying needs of industry for engineers in its five departments, Civil, Chemical, Mechanical, Electrical and Agricultural.

Atomic energy installations are strong competitors for engineering graduates, along with private industry and federal and state government services.

Known as a man's field, Bess Vance, sophomore chemical engineering student, and only girl enrolled in the college, proves that women can take the rigorous life of an engineering student as well as the opposite sex.

With comparatively few elective courses, engineering students find their schedules crammed with math, chemistry, machine, irrigation, and electronic labs, in addition to surveying, physics, unit operations, and thermodynamics. These studies keep the slide rules busy far into the night, but there's plenty of worthwhile compensation in the high salaries and professional standings after graduation.

About The College ...

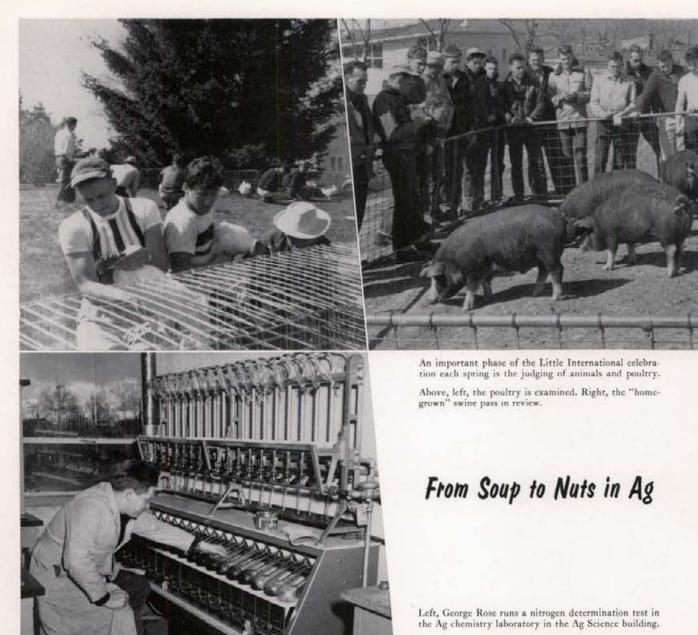

The Aggies have quite a trek to their classes in the Ag Science building at the far west of the campus, but the spacious building compensates for the distance. They divide their time between their building and the University farm.

Curricula in the College of Agriculture are animal husbandry, dairy husbandry, poultry husbandry, agronomy, entomology, pathology, horticulture, veterinary science, bacteriology, agricultural economics, chemistry, and education.

Equipment for instruction in the College consists of parts of 12 buildings (including greenhouses and animal barns), in addition to 75 acres devoted to experimental work in plant breeding and crop rotation, 55 acres of orchard and garden, 300 acres of pasture and green forage for beef cattle, dairy cattle, sheep and swine, 100 acres of corn, peas and oats and other silage crops, and 210 acres of meadow.

The 27th Little International show, chairmanned by Don Mitchell, was exhibition time for the Ag students. This year's motto was "Students Today—Farmers Tomorrow," and was designed to supplement classroom instruction with especial emphasis on teaching and county agent work.

> Dean D. R. Theophilus keeps the College activities running smoothly.

PLACEMENT

About The School ...

In the beginning there's the first taste of the business field, with accounting 31 and 32 where the initial experience with a calculating machine results in more errors than adding mentally.

Majors in seven fields are offered, which are general business, accounting, economics, extractive industries, foreign trade, merchandising and advertising, and secretarial studies. A combination curriculum in business and law is also offered. Each major stems from a basic two-year business course.

Remembered long after graduation are Dr. Graue's economics classes, those statistics problems with figures dancing for hours, trying to be original in designing ads, and of course, that long, long Business School line on the second floor of the Ad building during registration. Then there was that marketing survey which revealed how many tubes of toothpaste college students use and how much money they spend for dry cleaning.

The Forestry building was home to co-eds in secretarial studies, where they filled notebook after notebook with shorthand characters and typed "mailable" letters.

Dean Donald Hart advises students in his Ad building office.

Dean A. W. Fahrenwald advises all mining students in this division.

SIGMA GAMMA EPSILOS—Row one: Don Deardorff, Howard Urband, Vance Bacon, Robert Croy. Row two: Howard Braden, Richard Howard, Tom Bullock, Clayton Harmsworth, Joseph Newton. Row three: Dennis Troth, Robert Johnson, William Graue, Elven Matson, Robert Lothrop, Ernest Oberbillig.

The faculty of the School of Mines plans the program. Back row: James McDivitt, geology-geography; Ernest Oberbillig, mining; Agatin Abbott, geology. Front row: Harry Caldwell, geology-geography; Prof. Joseph Newton, metallurgy; Dean Fahrenwald: Earl Cook, geology-geography.

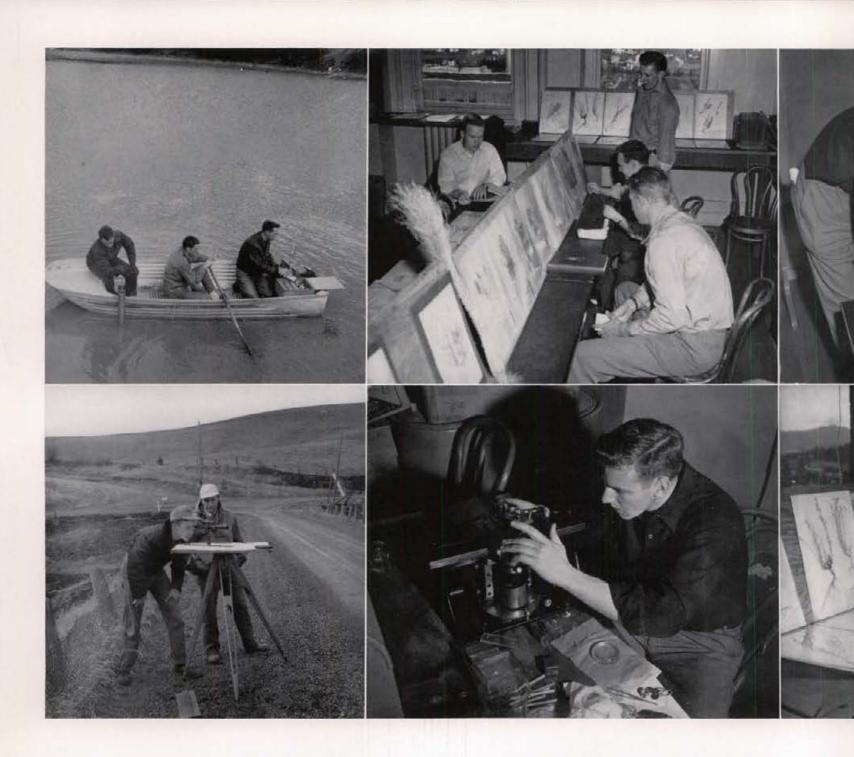

About The School ...

Graduating 12 students in addition to awarding three M.S. degrees is the School of Mines. This division of the University, headed by Dean A. W. Fahrenwald, was created in 1917 because of the importance of minerals in the state.

Included in the school are mining, geological, and metallurgical engineering. In addition to the laboratory equipment in each field, the geology laboratory, consisting of general mineralogy and optical mineralogy facilities, has more than 3,000 mineral specimens, 2,000 rock specimens, and 1,000 specimens illustrating ore deposits. A representative collection of fossils and casts along with microscopes, thin-sectioning apparatus, topographic and geologic maps are found in the school.

During the school year a number of field trips are planned to nearby areas of mining and metallurgical plants for laboratory study. Many students obtain summer employment in the field and get valuable practice and instruction during vacation.

School of Forestry

Timber-r-r and the foresters are off again! When they aren't at Moscow mountain at the University forest or taking fish samples and running water analyses, the forestry students are in class at the Forestry building. They spend quite a bit of time relaxing on the front lawn between classes, too.

The School has five departments, forest, range, wildlife, and fishery management, in addition to wood utilization. It also maintains the forest, wildlife, and range experiment station. The School of Forestry has a nation-wide reputation, which is obvious when 30 of its 42 graduates are seniors from other states. They come from as far away as Georgia, Oklahoma, Pennsylvania, California, and Vermont.

With the wide-open spaces at their command, the foresters whoop it up at their annual steak fry where they have cross-cut saw, log-chopping, and birling contests. (Should the tobacco spitting contest be mentioned?)

Attending summer camp at McCall is a requirement of every forester—but there's plenty of play. Memories of Dean Jeffers sleeping in class, the log birling at Halleck and Howard mill, sack lunches, the Girl Scout camp, the beach parties, a day of fire control in the rain, and walking back to camp, come from summer, 1952.

Row one: Joe Helle, Min Hironaka, Howard Chadwick, Royal Holl, William Ferrell, Virgil Pratt, Frederic Johnson, Alan Curtis, David Parsons. Row two: Vernon Burlison, James Edlefsen, Roger Bay, Art Andraitis, Charles Whitt, D. S. Olson, Saard Boonkird, James Keating, Harry Brizee. Row three: Robert VanKleeck, Peter Stickney, Mitchell Steffensen, Lee Sharp, Herbert Schroeder, Everett Ellis, Merrill Deters, Alfred Walker. Row four: Joseph Basile, William Nagle, Ernest Hubert, Dean Jeffers, Robert Seale, Paul Dalke, Ernest Wohletz, William Gleaves.

Foresters at Work

Top, they aren't playing follow the leader. The group of foresters is investigating plant communities at summer camp. Bottom, camp is promptly set up upon arrival at the site near McCall. They may even get the pine cones picked up today.

The Forestry faculty holds its weekly meeting in the Dean's office on Monday. They are, standing, Prof. Ernest Wohletz, forest wildlife, and Lee Sharp, range management. Seated, Everett Ellis, forest management; Prof. Ernest Hubert, pathologist; Prof. Merrill Deters, forest management; Prof. Paul Dalke, wildlife management; Robert Seale, wood utilization; Virgil Pratt, fishery management; Edwin Tisdale, range management; Kenneth Hungerford, wildlife management.

Graduate School

Dean Walter Steffens has charge of all graduate studies.

Geology students John Melear and Samuel Treves are roughing it while working on a research project last summer in the Seaform Mining district in Custer county.

Professor Hindle advises Fred Owen on a research project in mechanical engineering.

About The School . . .

Working on research projects and theses at the University this year were 83 students who received their master's degrees in June. A majority of students who are awarded their advanced degrees continue work on PH.D.

Talking things over and mapping Vandal football strategy are members of Idaho's grid coaching staff: Mack Flenniken, end coach; Raymond (Babe) Curfman, head coach; Chuck Gottfried, line and defensive coach; John Nikcevich, guard coach.

Posing prettily is Idaho's 1952 football squad. Front row: Ray Lewis, Tom Falash, Neil Caudill, Bob Holder, Varnell Neese, Ray Faraca, George Lefferts, Bill Stellmon, and Dave Murphy. Row two: Bob Zeimer, Dick Zyzak, Lewis Mendiola, Jack Hooks, Larry Morrison, Ken Emerson, Roger Randolph, Ed Barton, and Darrell Waller. Row three: Larry Moyer, Don Ringe, Burdette Hess, Jay Lynch, Jay Buhler, Gerry Leigh, Bob Lee, Bruce West, and Jack Ewason. Row four: Ray Grunst, John Armitage, Burch Roark, Larry Thomas, Jim Petruzzi, Pete Hester, Mel Bertrand, and Jerry Ogle. Row five: Flip Kleffner, George McCarty, George Eidam, Bill Lawr, Ted Frostenson, Gerry Reid, Larry Hart, Dick Pickett, and Wayne Anderson. Back row: Managers Bill Scotford and Bob Kleffner.

Idaho– Washington 14-39

All-American Don Heinrich, the wizard passer of Washington, completed 23 of 36 tosses, two for touchdowns, as he quarterbacked the Huskies to a 39-14 victory over the Vandals at Seattle. Tough luck dogged Idaho much of the way. Penalties bogged them down several times in the first half and the toughest blow came early in the second quarter when quarterback Wayne Anderson was thumbed out on a rule infraction.

Held scoreless for two quarters, the Vandals, paced by Flip Kleffner, Dick Pickett, and Dave Murphy, came back to tally twice and hold Howie Odell's club almost even. Murphy dived over from the two-yard stripe for one score while Pickett led a charge in the fourth stanza that produced the other. Kleffner was workhorse for the afternoon, as he gained 80 yards. Jay Buhler converted twice as Idaho scored a record 14 points against a Husky grid team.

Don Heinrich's pass to Washington's George Black (9) is broken up by Vandal Jim Pettruzzi (5) early in the second quarter.

Husky Jack Nugent sweeps around right end for six yards in the fourth quarter before being tackled by an unidentified Idaho player and Don Ringe (46).

Halfback Jay Buhler rambles 71 yards on a kickoff return in the third quarter as Larry Morrison (12) sets to throw a key block.

Idaho – Utah 21 - 21

The clock showed 16 seconds of play remaining in the game when halfback Jay Buhler calmly booted his fifth straight conversion of the season to give Idaho a 21-21 tie with the Utah Redskins at Boise. Moments before, quarterback Wayne Anderson had flipped a pass to Dave Murphy in the end zone to climax an 80-yard march down the field.

Idaho held a 7-0 lead at halftime and raised it to a comfortable 14-0 margin early in the third quarter. They were forced to come from behind though, after the Redskins exploded for seven points in the third stanza and for a pair of touchdowns in the fourth.

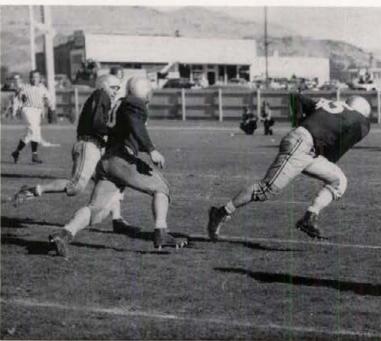

Bob Lee, Jay Buhler, and Dave Murphy scored for Idaho. Standouts on defense were Lewis, Ringe, Holder, Bertrand, and Hester. The Ute's Don Rydalch completed 16 of 22 passes.

Big George Lefferts (45) has just gathered in a Utah blocked kick and is apparently headed for pay dirt. Actually he took only a few steps before stumbling on the Utah nine-yard stripe.

Sophomore fullback Flip Kleffner has just bulled his way for a sizable gain in the third quarter before being hauled down from behind.

Muscles straining, Flip Kleffner takes a pitch-out from quarterback Wayne Anderson (17) and starts on his way for an 11-yard gain.

Idaho – Oregon 14 - 20

A ball game which Idaho figured to win from the second quarter on blew up before a Homecoming crowd of 11,542 as the Webfeet turned a blocked punt and an onside kickoff into two fourth-quarter touchdowns, within a minute of each other, to take the decision, 20-14. The Vandals played far the better game and it was a bitter blow for the thousands of partisan fans who turned out on a beautiful autumn afternoon to watch the game at Neale stadium.

Senior halfback Dave Murphy gained 101 yards from scrimmage, but left scoring honors to Bob Lee and Jim Pettruzzi, who counted in the first and second quarters respectively. Jay Buhler ran his successful conversion string to four without a miss.

Idaho – Utah State 6 - 3

Idaho footballers finally found their first win of the 1952 season at Logan, Utah. The Vandals defeated Utah State 6-3 at 10 minutes 20 seconds of the fourth quarter. An Aggie freshman, a substitute signal caller, chose to toss a lateral deep in his own territory on the first play he called in the game. Ray Lewis, a valuable defensive man for Idaho all afternoon, dropped on the bobbing ball on the State three-yard line. Jay Buhler cracked over his right side for the score and then missed his first extra point try of the year.

Coach Babe Curfman's boys sputtered and stalled four times inside the Utah State 10-yard line during the game as the Aggies threw up a rock-wall defense. State took the lead in the third frame when Jack Hill booted a 22-yard field goal that just skimmed the uprights. In the statistics department, the Vandals were way out front.

Vandal halfback Jay Buhler sprints seven yards behind perfect blocking for a second quarter touchdown.

Idaho – N. Dakota State 54 - 9

Idaho's Vandals enjoyed the scoring spree they had been waiting for since the start of the season as they scored four touchdowns in the first half, then packed the same number into the final quarter, and romped, rambled and rolled over and around the North Dakota State Bisons 54-9. It was the Vandals' most one-sided triumph since Willamette was snowed by a score of 79-0 three years ago.

Surprisingly enough, it was State which scored first on the deft ball handling of little Frank Esposito, the Bisons' workhorse quarterback. They tallied on an 80-yard march. But after that it was Idaho all the way, as Pettruzzi, Lefferts, Kleffner, Mendiola, and Buhler scored once each. Larry Hart scored twice for Idaho also. Statistics in nowise told the story of this football game. The Bisons actually made more first downs, yet were never in the game after their first scoring procession.

Fleet Larry Hart shows the style he used to score two touchdowns against NDS. Larry averaged 5.5 yards per carry for the afternoon.

Idaho – Santa Clara 7 - 9

Idaho lost a rough and tumble night football contest to Santa Clara's Broncos, 7-9, at Kezar stadium in San Francisco on the strength of a third quarter field goal by the Broncos. The Vandals led at the half, 7-6, but the winning three points came after Frank Hare, Santa Clara defensive halfback, intercepted an Idaho pass and returned 26 yards to the Vandals' 42-yard stripe. After a series of downs John Daly split the goal posts from the 11-yard line on the fourth down.

Idaho scored first as Dick Pickett hit between left end and tackle for ten yards and six points. Buhler hit for the extra point. The officials had a field day as they tooted at will. Each team drew seven penalties for a total of 85 yards each. Wayne Anderson hit 10 of 20 aerials, but had four intercepted. Jerry Ogle caught five of the tosses and Flip Kleffner four.

In the top photo, an unidentified Idaho ball-carrier bites the dust in evening action against the Broncos. Below, Santa Clara's Joe McCarger (32) skirts right end while Gene Pisenti (77) and Don Vaughn (68) lead interference.

Big Cougar end Bill Holmes (88) is caught on film as he tackles the ball instead of Idaho ballcarrier Larry Hart (4). Seconds later Holmes pulled Hart's hand away from the pigskin and he fumbled.

WSC ace Ed Barker (89) nabs a touchdown pass in the third quarter over the fingers of Vandal defenseman Dick Pickett (31). Jim Petruzzi (5) watches in consternation.

Idaho - Washington State 6 - 36

A victory bubble that Idaho rooters had been buoying all season burst at Pullman as the Crimson and Grey Cougars of Washington State humbled the Vandals 36-6. WSC quarterback Bob Burkhart completed 12 of 19 passes for 301 air yards and a trio of touchdowns. Idaho lost five fumbles to help the opposition's cause.

The pre-season ballyhoo of Rose Bowl hopes for the State eleven had disappeared as the Cougars had won only one of five starts. Idaho was thus supposedly given a chance for its first win from WSC in 26 years of football competition.

Sunshine bedecked the field at Pullman, but maybe it should have rained. The Vandal rushing offense, which was supposed to click best on dry turf, folded badly until the last quarter. The passing attack only realized 13 yards on four completions in 17 tosses. Bob Lee was the only Idaho man to score and this came in the fourth quarter.

Idaho – Montana 27 - 0

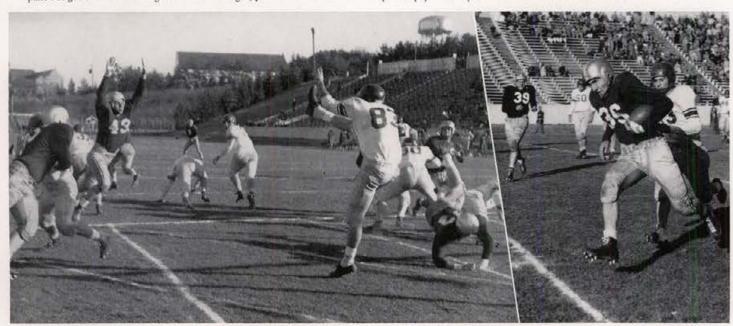

Seniors stole the show in their last home game, as Idaho blasted the Montana Silvertips 27-0 after scoring three times in the first half and then coasting. The Grizzlies got past the midfield stripe only three times. Their scoring effort sputtered to a halt on the Vandal IIyard line after fourth down in the final period.

On offense, it was senior Wayne Anderson's signal calling, passing, and running that stood out. Ray Lewis was the hero of the crowd on defense. His rock-'em, sock-'em brand of ball produced two blocked punts for Idaho. The play of the day came when a Montana man faked the ball to a teammate and Bob Holder tackled them both to be sure he got the ball carrier. Larry Hart, Bob Lee, Dave Murphy, and Ted Frostenson all scored for the winning side. Jay Buhler hit three of four extra placements.

Right, Junior fullback Bob Lee scampers to pay dirt early in the second stanza for the Vandals.

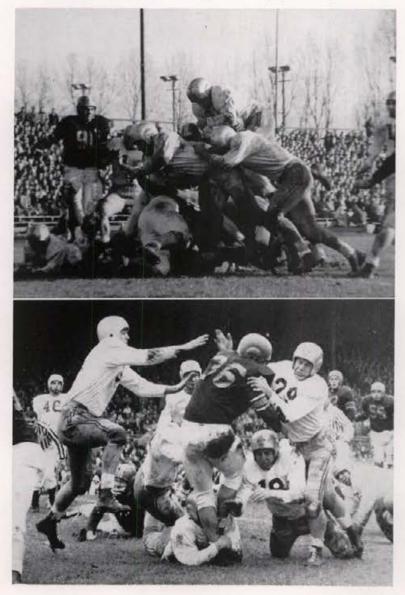

Idaho – Oregon State 27 - 6

Exploding for two touchdowns in each of the last two quarters, after trailing at the half, 6-0, Idaho dumped Oregon State at Corvallis 27-6 for the Vandals' only Coast Conference victory of the year. The win gave Coach Babe Curfman's men four wins, four reverses, and a tie for the 1952 season.

The game was tied up early in the second half, as guard Bob Holder intercepted an Oregon State pass on the Beaver 25. Larry Hart then broke through the center of the line to score on the next play. Roger Randolph, Flip Kleffner, and Wayne Anderson all scored for the Silver and Gold as the ball game turned into an Idaho rout in the final quarter.

Jay Buhler converted three of four times to run his season's extra point record to 20 out of 24. Idaho became national co-holder of the record for blocked punts in a season with a total of nine. Ray Lewis scored six for another national mark.

Fullback Flip Kleffner churns over the top of the line behind Idaho blocking in top photo. Below, Sam Baker, Oregon State, is pulled down by a quartet of eager Vandals.

Hoop History

Idaho's 1952-53 hoopsters were an off-and-on band of basketball players that won 15 out of 27 games. Deep in reserves and paced by veteran lettermen, the Vandals flashed brilliant form on more than several occasions. After their top showing in the Oklahoma tournament, the squad was rated 18th in the nation.

Capturing just half of their Northern Division games, Idaho's basketmen ended in a second-place tie with Oregon behind recordbreaking Washington. Highlight of league play was the Vandal's sparkling 64-61 victory at home over the Huskies, national thirdplace winners.

Hartly Kruger, tall senior from Spokane, canned 291 points in 16 games during the ND season to become the all-time high league scorer for Idaho and the third highest in division history. His 416 counters over the entire campaign is believed to be the most scored by any Idaho hoop star.

Master of the close-mouthed quip and one of the best basketball strategists in the nation, Charles L. (Cheerful Chuck) Finley completed his sixth year as head basketball coach at Idaho when he once again mentored Idaho into the upper brackets of Northern Division standings.

Vandal squads coached by Finley have won 123 games and lost 114. His all-time record is 868 victories against 221 reverses.

Starting fast, Idaho's maplewood artists won their first four games against area opposition before losing a hard-fought, nip-and-tuck tilt with the Olympic champion Peoria Caterpillars before a packed Memorial gymnasium crowd.

Coach Chuck Finley's quintet barnstormed into the Midwest during Christmas vacation, dropped two games and then competed in the Oklahoma City tournament for the second straight year. The Vandals went into the tourney unheralded and proceeded to smack down seeded Western Kentucky and rugged Wyoming.

In the finals the "cinderella" squad from Idaho battled down to the fourth quarter with defense-minded Oklahoma A & M before losing 51-49 in the final seconds. The visiting Vandals were a terrific hit with fans and have been asked back again next year.

A clean sweep of all four games with arch-rival Washington State was a bright light of the season for Idaho. The first tilt at Pullman was won by C. W. Totten's free throw in the last 12 seconds. A poor host . . . was red-headed Fred Bowen as he stops San Jose's Norm Carter at 34 seconds of the second round in the first dual meet of the year. Fred was the surprise of the evening, as he boxed southpaw rather than his accustomed righthanded style. The Vandals captured an upset 4-4 tie with the visiting Spartans.

Captain Lynn Nichols, junior boxer for Idaho, hit the high point of his career in March as he won the PCI 147-pound mitt crown in a foot-stomping final match at Sacramento. Sam beat San Jose's Dick Bender before 500 excited fans in what Coach Frank Young calls "the best college bout I've ever seen."

Mittmen Develop Rapidly

At the start of the season, Idaho's boxing squad was one of the most inexperienced and untried in history. Only three men had won varsity bouts. The crop of candidates showed a willingness and hustle, however, that ringmaster Frank Young put to good advantage. Fundamentals and conditioning paid off and the Vandal mittmen won one dual meet, tied a pair and lost two for the year.

Scrappy team captain Lynn (Sam) Nichols battled his way through two bouts to the Pacific Coast 147-pound championship, while 165-pounder Don Anderson won his way into the finals before losing.

Senior Ray Johnsen had won five consecutive bouts before losing out in the finals. The Vandal six-man team scored 11 points to tie for fourth spot behind surprise winner Cal Poly.

A three-man squad composed of Nichols, Anderson and Fred Bowen traveled to the nationals at Pocatello. Anderson emerged the only Idaho winner and accounted for the Vandal's lone point in the standings. Host Idaho State won the team title.

One of the Best . . .

Although the won-lost column won't possibly show it, Frank Young's fifth season as head coach of boxing was as successful as any in the past. The spiritual and physical training this congenial Irishman gives his boxers is always apparent in and out of the ring.

Young guided Idaho to three straight PCI team titles from 1949-51. In 1950 his squad shared the national title. Under him mittmen have won ten individual coast titles and four national crowns.

Wearing silver and gold colors for the Idaho Vandals in 1953 were Harold Solinsky, Don Anderson, Ray Johnsen, Fred Bowen, Bob McBride, Don Houseley, Jack Webster, Ralph Snook, Herb Jeo, Lynn Nichols, and Tom Howard.

Clubbing Cougars . . . Ray Johnsen sets to dig a left-handed bolo punch into the mid-section of WSC's Ernie Pelto. Johnsen, a senior from Oak Park, Illinois, showed classy footwork and solid blows as he took his second straight win while in varsity togs.

It's not over there... Idaho boxers narrowly scraped out a 4-4 draw with Washington State in Memorial gym early in March. The deciding point was the third round of the light-heavyweight bout. Trailing on points in his match, Vandal Fred Bowen came out swinging. He bloodied the nose of undefeated Dan McGreevy and sufficiently lambasted the Cougar to take a split decision. It was Idaho's fourth win of the evening.

Shy Spartan . . . Idaho captain Lynn Nichols swings from his tip-toes with an uppercut right to Terry Ulrich's head as the visiting San Jose State mittman covers up with both gloves. Lynn won handily and the Vandals tied the Spartans at four bouts each.

No Southern hospitality . . . Lynn (Sam) Nichols met South Carolina's undefeated Emmett Gurney in the preliminaries of the national meet at Pocatello. Sam could never seem to score consistently against the quicker boxer. The crowd booed the decision, but the judges voted unanimously for Gurney. The man from below the Mason-Dixon line lost in the finals, however, to become an NCAA runner-up for the second straight year.

SWIMMING

Rich Bradbury-Captain, 1953

Winning three of eight dual meets and showing well in the others, Idaho's tank team guided by eager, friendly Eric Kirkland had one of its best campaigns in recent years. Don Medley, breaststroke; Bob Crawford, sprints; and Dick Warren, individual medley; were among the top point-getters for a team that was largely green and inexperienced at the first of the year, but which developed rapidly. Medley smashed the old Vandal varsity breaststroke record when he was timed in 2:41.7.

The hustling swimmers closed out the season with an excellent showing at the Northern Division meet at Pullman when they scored 26 points, or five more than any Vandal fin squad had done before.

The closest Idaho got to a first place was when Bob Crawford thrashed to second in the 50-yard freestyle. Medley placed fourth in his 200-yard specialty and sixth in the 100yard breaststroke. Jerry Light, a junior college All-American while at Stockton, nabbed fifth in the latter race. Captain Rich Bradbury was sixth in the 100-yard backstroke and George Larsen, another junior college All-American from Fullerton of California, swam to sixth in the 220-yard freestyle. Idaho's 300-yard relay team took third.

Prospects for the 1954 season are the brightest in years, with only one man graduated. That man, Dick Warren, was awarded the Vajda trophy as the most inspirational swimmer on the varsity for the year.

Varsity pool paddlers for 1953 . . . Row one: Jerry Light, Dick Warren, Rich Bradbury, Bob Crawford, Byron Richards, Jim Stanton. Row two: Coach Eric Kirkland, Don Medley, Wayne Johnson, Al Lewis, Ted Bell, Ron Robertson.

Gymnastics squad . . . Row one: Laurel Pope, Gerald Ames, George Larsen, Bill Shaw, Loren Mercier, Al Greichus and Skipp Knapp. Row two: Coach Dick Smith, Fred Scheibe, Tom Butera, Dave Shepherd, Phil Shafer, Larry Warner, Arlo Price, Row three: Chuck Manning, Leo Ames, Jay Long, Gerry Frien, Jim Trowbridge.

All-around ace Bill Shaw demonstrates his perfect form on the parallel bars. Gerald Ames indulges a little "tiger leaping" off a springboard and over the backs of four of his teammates.

RODEO

Cowboys and cowgirls from Idaho proved that the wild and woolly West is not a thing of the past, as they put the Vandals on the collegiate rodeo map for the second straight year.

Entering such events as bareback bronc riding, calf roping, saddle bronc riding, bulldogging, wild cow milking, bull riding and others, members of the Vandal Riders squad established themselves as the class of college competition on the Pacific Coast along with WSC.

As a team the college cow club won its own Northwest Rodeo at Coeur d'Alene and was runner-up at Kennewick, Spokane and Montana State. Howard Harris, Stan Potts and Vern Gasser each won the all-around cowboy title in a rodeo and Harris placed second in the other.

Lois Bush, Bobbie Roberts and the Fox sisters, Virginia and Frieda, spared and spiced Idaho in the girls' competition.

GYMNASTICS

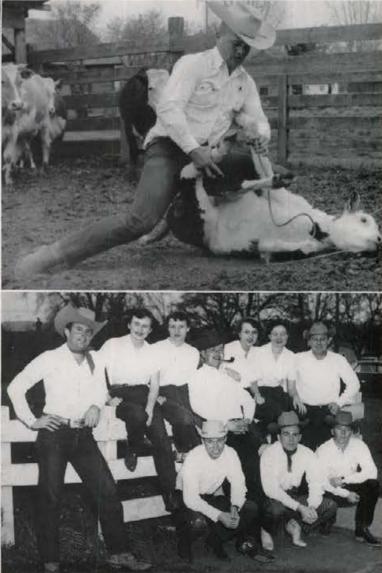

The long hours spent in developing, training and conditioning members of his gymnastics club paid off for Coach Dick Smith mid-way in the season when the organization became a full-fledged athletic team qualified to represent Idaho.

In three dual meets the Vandals tied British Columbia 48-48 and lost to perennial Northwest champion Washington State, 34-62 and 40-56. During this last contest four-year veteran Bill Shaw entered five events and totaled 22 points for high point honors. Shaw was voted the most valuable member of the squad for the second straight year. Another senior, Gerald Ames, who captained the team during the season, was chosen as the most improved gym man on the roster.

Coach Smith's crew in addition to regular competition gave demonstrations at high schools and service clubs in this area.

Well dog-goned . . . Howard Harris, sparkplug of the Vanda! Riders rodeo team, is caught putting those all-important "three wraps and a hooey" around the kicking legs of an indignant calf in a practice session.

White collar rodeo team . . . Row one: Ken Connell, Les Matthews, Bill Mink. Row two: Stan Potts, Lois Bush, Frieda Fox, Arizona Vandervort, Bobbie Roberts, Virginia Fox, Darrell Schnitker. Absent is Vern Gasser.

Varsity track squad . . . short on depth but long on quality. Row one: Lou Gourley, Emerson Clark, Bruce Sweeney, Bill Erwin, Bill Crookham, Bob Thornton. Row two: Coach Stan Hiserman, Pat Duffy, Walt Meukow, Francis Schulz, Bob May, Vaughn Jasper, Gary Dixon, Bruce West.

Bruce Sweeney, 5-foot 8-inch bundle of senior athletic ironman, was the big gun for Idaho's cinder and sod squad. For the third straight season he was top point-getter, this year making over one-third of all the varsity points. Bruce set new Idaho records in the broad jump and low hurdles and was first in 15 out of 16 events entered in dual meets. The spring-heeled speedster won both hurdle races and the broad jump in the Northern Division and placed in two events in the PCC.

Miler Emerson Clark won four consecutive dual meet miles, placed third in the Northern Division and fourth in the PCC with a 4:14.2.

Lou Gourley sparkled in the coast two-mile event getting second with a 9:19 timing for a new Idaho record. Lou had previously taken third in the division championships. Both Gourley and Sweeney went to the national, AAU and PCC-Big Ten track and field meets.

Idaho's best for 1953 . . . chop-striding Lou Gourley continued his record running as a sophomore and gives promise of becoming one of the all-time great Vandal distance runners. With two years to go he already has shattered the Vandal varsity record for the two-mile.

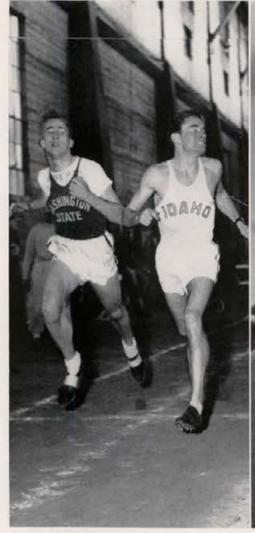

Broad jumping was just one of four events Bruce Sweeney entered in every dual meet. Against Oregon State on the local cinder paths he set a new Idaho record of 23 feet ς inches. He took the Northern Division title and tied for fourth in the PCC using a hitch-kick style.

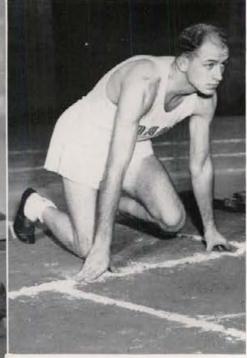

Down goes the tape as miler Emerson Clark churns across the finish line far in front of Washington's Bob Fornia. Clark won all his dual meet mile runs, but Fornia went on to score victories in both the Northern Division and PCC mile races in front of Emerson.

IDAHO 33

Senior dash man Pat Duffy pulled a thigh muscle in an intra-squad meet early in the year. It was the third straight season that an injury had sidelined the veteran Nampa sprinter. He came back to run both the dashes and a leg of the relay in later meets.

On field and track . . . crack runner Emerson Clark barely nips Washington State's Bill Link at the finish of the 1000-yard run at the WSC invitational indoor meet that opened the season. Clark was timed at 2:16.2, or less than a second off the record.

Handicapped by football injuries, junior javelin tosser Bruce West didn't reach his top form until the last dual meet of the year. Against the Huskies he got off the best throw of his collegiate career to win with a distance of 189 feet, 136 inches.

Better not miss but miss Bruce Sweeney did, as he attempted to hook over the high jump standard at 6 feet 2 inches, Bruce's kick was late and he knocked off the bar in the Washington dual meet at Moscow. Husky ace George Widenfelt cleared the height in fine style to hand Sweeney his first loss in outdoor competition for the year.

It's easier to go over them . . . Washington's high hurdler Guenther found out as Vandal timber-topper Bruce Sweeney skimmed over the barriers with ease to win going away in the dual meet won by the Huskies at Moscow.

Reliable racers . . . quarter-miler Gary Dixon doubled in the 440-yard dash and ran a leg on the mile relay. The Cocur d'Alene sophomore has a best time of 50 seconds flat.

Walt Meukow recovered nicely this season from a broken foot bone to run a 1:57.9 half-mile against WSC for a personal best. Walt also regularly turned in a lap on the relay squad.

Ironman Sweeney breezes home yards ahead of his nearest Husky competitor for victory in the low hurdles and his third blue ribbon of the afternoon in the Moscow meet. Bruce tallied 18 counters for high point honors.

GOLF

On the links Idaho golfers fared well but performance was down a bit from last season's top year. Paced by sophomore southpaw Bob Campbell and Phil Weitz, the Vandal golf team won three of six dual meets and wrapped up third spot in the Northern Division championships for new coach Dicky Snyder. All-Idaho campus titlist Campbell shot the low score in both WSC dual meets and tied with Weitz for medal honors against Whitworth and Montana. Weitz, a junior, was medalist against OSC. Other golfers who played extensively were Tom Miller, Jack Perry, Harlan (Lefty) Melton, Bob Rawlings, Gary Farmer and Dave Powell.

Idaho's third-place golf squad . . . Row one: Bob Campbell, Phil Weitz, Harlan Melton. Row two: Coach Dick Snyder, Dave Powell, Jack Perry, Tom Miller.

Idaho baseball squad 1953 . . . Row one: Dave Paulson, Tom Flynn, Ken Hallett. Row two: Mike Cygler, Flip Kleffner, Bub Nelson, Dick Dodel, Mel Reynolds, Wayne Patrick. Row three: Manager Bob Hanson, Bruce McIntosh, Jay Buhler, Ed McComas, Bill Stellmon, Jim Howard. Missing are Jerry Ogle, Bob Falash and Earl Huffman.

Out of the Basement . . .

Winning the last three games of the season, Idaho's baseball nine climbed out of the Northern Division cellar for the first time since 1934 and ended in a third place tie with Washington State, winning and losing seven. Sparked by the capable trio of Bruce McIntosh, Jerry Ogle and Flip Kleffner, the Vandals diamondmen won at least one game from each club in the circuit. Both Kleffner and Ogle were selected for the division all-star team, while McIntosh was picked for the NCAA eight district squad. On the mound, righthander Wayne Patrick won three ND games for Idaho while losing a single. Southpaw Ken Hallett captured a pair while dropping one.

Rain cancelled many games on the schedules of all teams and Oregon backed into the title by one-half game when three tilts with runner-up Oregon State were rained out.

1953 freshman baseball team . . . Good material for varsity coming up.

One of the best yearling swimming teams in Vandal history ..., Row one: Ray Skillings, Kay Berry, Jerry Jones, Frank Moore. Row two: Bill Buckley, Fred Holz, Bill Bonnett, Parker McCreary.

Frosh track and field squad . . . graduation won't hurt quite so much with these men coming back.

FRESHMAN

Lack of good pitching and occasional lapses in fielding hurt Coach Don Harrison's freshman diamond team no end in a six-game series with WSC's yearling nine as Idaho won just one tilt. His starting lineup sifted from 63 original prospects was Osborne, left field; Allison, third. Simmons, shortstop; Haines, first; Bittner, second; Pingree, right field; Willows, center field and Quane, catcher. Bob Haines led in the hit department with a sizzling .471, including four home runs. John Simmons tacked up a spanking .342 average.

"It was the best bunch I've had since coming here," said Coach Eric Kirkland about his freshman paddlers. In their first outing the Cougar Babes beat them 45-26. Next time the WSC yearlings won by only four points, 38-34. Two weeks later the Vandal tankers dumped the WSC mermen 43-39. In the same meet, Jerry Jones swam second in the 100-yard freestyle to Cougar Mindheim but still clocked a great 55.8 seconds. It smashed the old freshman record of 57.7 and at the same time broke the Vandal varsity mark of 56.1. Add these crack swimmers to the present varsity and it looks like the best pool potential in years coming up for Idaho.

Better than ever was the comment by Coach Stan Hiserman after watching his freshman track and field men in an abbreviated season. In the initial start with Washington State at Pullman, the Idaho cindermen were nudged $69\frac{1}{2}-51\frac{1}{2}$. Ace hurdler Larry Church took both hurdles; Bill Bauscher the 220-yard dash and Byron Holmes the broad jump. Several weeks later the Vandals turned the tables at the home track by the decisive margin of 81-48. Bauscher was a triple winner in the 100- and 220-yard dashes and the broad jump. Larry Gorrell won blue ribbons in the high jump and discus and Larry Church was again top man in the hurdles. Tom Cook placed first in the half-mile for the Vandals.

SPORTS

Coaches Mack Flenniken and Art Smith had an initial turnout of 57 yearling gridders and 49 listed Idaho for a home state. The Vandal Babes lost the first game of the season to the WSC freshmen 33-20 at Pullman. Boise's Bob Haines tossed two touchdown passes and set up a third to star for Idaho. After this players were dogged by hurts and sore spots and as many as two dozen men were on the injured list at one time.

In a return game at Neale stadium the Cou-Babes made it a more impressive win 33-7 over their rivals. A Haines to Larry Gorrell pass good for 81-yards was the only score for the locals. A powerful Boise Junior College team thumped the Idaho freshmen in the last game at Boise 34-7. Once again it was Haines' passing, this time to Paul Hansen, that tacked up the points. Among other standouts during the year were Ray Bittner, Del Lewis, Roger Wilson and Eddie Allison.

Idaho's first year hoop quintet was one of the shortest in history with only one man above six feet. There wasn't much backboard height but Coach Art Smith had plenty of speed and enthusiasm with which to work. A starting lineup of Jay Webb, Bill Bauscher, Elmer Filler, Aubrey Stephens and Keith Hall notched a season's record of eight wins and five losses. High scorer for the year was Filler with 134 points. Webb had 105 and Hall 97 counters. The frosh played the following teams during the year: Moscow Merchants, Gonzaga junior varsity, North Idaho Junior College two games; Washington State frosh three games, Inland Motor, Asotin Lions Club, Larsen Air Force Base, Kooskia Valley All Stars and the Nez Perce Lions.

Idaho's cross-country star for the second straight year was sophomore Lou Gourley. Leather-lunged Lou opened the season when he led four of his teammates, Bob May, Bob Thornton, Bob Rackham and Luther Fitch to a 15-40 (low score wins) sweep over Northwest Nazarene College of Nampa over the local three-mile course.

Al Fisher, WSC's Pacific Coast two-mile champion, beat Lou by less than a yard at Pullman in the next meet, won by the Cougars 19-44. It was the only loss of Gourley's career as a harrier. He gained ample revenge at Idaho a week later, however, when he beat Fisher by 50 yards to win. WSC won that one, 20-43.

Touch football.... Willis Sweet Hall beat the Phi Delts in the campus championship game by the narrow margin of one penetration after the score was tied 6-6 at the end of regular playing time. Row one: Denny Goddard, Ray Kranches, Bob Sell, Dick Johnston, Ken Bliesner. Row two: Mel Dyer, Ken Kornher, Ralph Hill, John Bloom, Keith Stevens. Row three: Jim Harding, Roy Parker.

Horseshoes . . . Chrisman Hall copped the horseshoe crown behind the steady pitching of Walt Root and Gordon Cook.

Cross country ... Willis Sweet Hall placed four men in the first eleven to cross the finish line to win team honors, while Tom Cook, Phi Delt freshman captured first place. Eighty-six runners bucked cold weather trying for first prize of a dressed turkey. Row one: Monte Edwards, Bryce Johnson, Lowell Wise, Dick Johnston, Ken Kornher.

The Kappa Sigs beat Willis Sweet Hall 15-12 and 15-10 in the campus title tilt. The victors won all but one game during the season. Row one: Bob Hall, Rich Collins, Bill Hopkins. Row two: Roy Mosman, Bill Lawr and Jim Lynn.

Softball... the Phi Delts, behind the two-hit pitching of Bill Bonnett, subdued Campus Club 8-1 for the blue ribbon. The fraternity squad won nine games and lost only to the Betas. Row one: Jim Everly, Jim Trowbridge, Jim DeChambeau, Bill Bonnett, Jerry Casey, Norm Geertsen, Row two: Phil Weitz, Reggie Frazier, Dwight Morrison, Vanoy Hymas, Bob Crawford.

Track ... the Phi Delts added the track and field intramural cup to their growing collection of 1953 trophies. Bill Crookham was big star of the meet for the winners, as he won the 100- and 220-yard dashes and the broad jump. Willis Sweet Hall and the Betas placed second and third. Row one: John Faulkner, Bill Baxter. Row two: Bob Payne, Jim Everly. Row three: Dave Christensen, Phil Soulen, Dick Pickett, Leroy Clemons, Bill Crookham. Row four: Bob Crawford, Jim Faulkner, Dwight Morrison, Jerry Scheideman, Harvey Hoff.

"A" basketball... the campus honors went to Delta Chi, when they beat Chrisman Hall 46-32 in the final game of the season. Jay Buhler led the winners with 14 points. Row one: Mike Collier, Darrell Waller. Row two: Jay Buhler, Wayne Anderson, John Foskett, Bob Coleman.

Golf... the Phi Delts finished strong, taking the last intramural sport on the list from runner-up Alpha Tau Omega by 10 strokes. Row one: Jim Everly, Bob Walker, Phil Weitz, non-playing coach. Row two: Tom Pierson, Dwight Morrison, Otto Leuschel. Everly was intramural manager.

Tennis... Delta Tau Delta took the championship. Barry Rust of Eagle and Anchor beat Francis Schulz of the Delts in the finals for individual honors. Champs were Ray Skillings, Francis Schulz, Doug Rushfeldt.

"B" basketball... Tau Kappa Epsilon's number one team carted away "B" hoop honors when they defeated the Sigma Nu number two entry 20-18 in the finals. The TKE's won six straight games. A total of fifty-six squads entered competition. Row one: John Echevarria, Dick Fray, Jim Mansfield, Tom Waddoups, Ralph Benedict, Jerry Markuson and Bob Riggers. Not pictured are Glen Christian, Junior Dahlberg and Bob Holder.

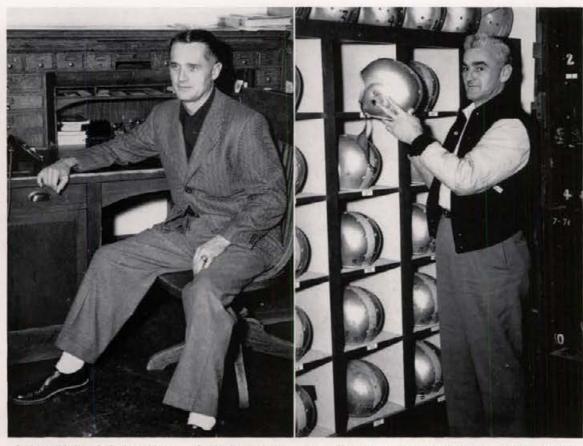

Bowling . . . top keglers on campus in the intramural program were the Phi Delts. Row one: Dwight Morrison, Jim Everly, Ken Wiegele. Row two: Reggie Frazier, Phil Weitz, Brad Gauss, Neil Caudill.

Ping pong . . Dick Johnston, Orofino senior living at Willis Sweet Hall, took individual honors and led two teammates to the team crown. Johnston beat Phi Delt Walt Meukow 21-15 and 21-13. Champs were Jim Richardson, Dick Johnston and Gene Lofdahl.

Working vigorously for the advancement of intercollegiate sports, cooperating with the Alumni Association and holding Vandal Booster Day are only a part of the activities of this organization of lettermen. Trainer and Equipment Manager

Indispensible Man In Idaho Athletics . . . Joe H. Glander, who was a trainer for the United States Olympic squad at Helsinki, Finland, was appointed trainer at Idaho early in the scason. Glander replaced popular Norman "Doc" Jacobson, who died in October after a lingering illness.

Marv Glasscock, varsity equipment manager who holds a master's degree from Idaho, is the man responsible for Idaho's \$80,000 worth of sports equipment. Well-liked Marv has fixed his equipment room into one of the most modern of its size in the Northwest.

Cheerleaders

Leading Idaho yells at basketball and football games and rallies were five cheerleaders under leader Bob Speros. In formation at the Idaho-Utah game in Boise are cheerleaders Joan Alexander, Janice Foedish, Bob Speros, and Pat Dyson.

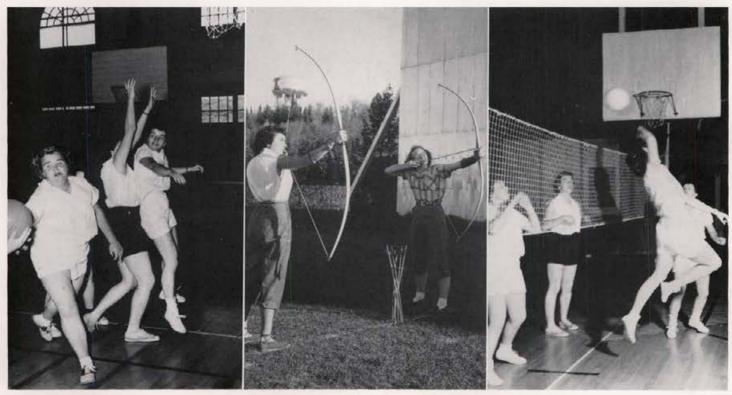

Women's physical education instructors are Miss Edith Betts, Miss Mabel Locke, Miss Margaret Coffey, and Miss Patricia Rowe. Members of Orchesis, modern dance honorary, are shown in action in the right picture.

Coed Athletics

Women's athletics on the Idaho campus ranged as usual from soccer to field hockey and back again to softball. With most activities beginning at 4 p.m. several days a week, the physical education department and a Women's Recreational Association was in charge of the extra-curricular program.

Sports covered included soccer, field hockey, basketball, softball, volleyball, tennis, badminton, bowling, and archery. Interliving group competition was held in all sports categories. Pat Harris served as president of the WRA board this year.

Also held in connection with women's sports this year was the inter-living group folk dance festival with all houses participating for a successful event.

The Final Burst ...

Well, yes sir, here it is—Idaho's answer to the "Family Circle." When you first look at the cover I can just hear you say, "Shades of Washington State College." However, if you'll look closer you'll see shades of silver and gold. For my own sake, ignore the maroon cover with respect to the nine-mile-away cow college. I thought about using yellow, green, and black again for the cover but my inner conscience said nay.

We of the staff (both of us) hope you like it: outstanding are Soderberg's cartoons and Gloria Badraun's classes section. However, all orchids (the usual) go to Bob Stivers without whom I surely would have had ulcers and you would have had no GEM. He was always there (sometimes I must admit this was annoying) and did any number of little things as well as the big which must be done in the production of the book. My hat is off (and my wig) to Bob Stivers and here's wishing him all the luck with his book next year. Thanks galore to a swell helper.

Also in the hat-taking-off department (with all this practice my next plans include burlesque), here come Bill Hassler and Bob Hatch with the organizations, Bob Mudge, Jack Marineau, and Ricky Jones for taking all the pictures, and Virginia Jones for copy work. Gloria Badraun did a hang-up job on the headache of all sections, classes. Mary Carroll was right in there with photomounting as were all the other photomounters. Dorothy Wahl was also there with all the social activity (we drank coffee in the Bucket only). Marge Honstead is responsible for the living group cartoons while John Thomas was marvelous in getting in all the copy and pix for the houses and halls. Ken Kornher also did write-ups.

The exclusive passion flower hallowing the two closet-space rooms on the SUB third floor is none other than Bob Bollman—bless his little purple heart. He did a swell job on activities but almost strangled himself in his own red tape. Stan Soderberg did the section pages—something new in cartooning and we thank him for outstanding work as usual. Don Theophilus was late as the dickens with the sports section but it looks good, with all his records. With that, here's my thanks to all the staff. . . .

In the ASUI office, Marv Washburn was a boon to GEM production and without him we'd never gotten a single invoice or contract. Thanks, Marv. Also he got us two of the best lamps ever seen since the covered wagon days. Of course they're from a covered wagon, but they claim we haven't got any money. We were slowly going blind with the terrible lighting in the GEM office, so we asked the ASUI to get us some desk lights.

Six months and a million requests later Marv came sneaking up the back hall with two of the most unearthly white objects we had ever seen. At first I thought him to be the Black Dahlia killer, but realized he had our "desk lamps." We still can't see, they cost 50 cents apiece (after you've seen the lamps, that's highway robbery), and they make us look like we're operating a boudoir.

They claim we don't have any money.

Also if you've ever been in the GEM office you'll see brand new, and some old, exchange annuals all over the floor: last September we asked for a shelf, but we still don't have it.

They claim we don't have any money.

Also if you'll compare the number of pages this year with years past you'll see that we're now getting down to the high school level, having been cut close to 100 pages in the last four years.

They claim we don't have any money.

My advice to the ASUI is: take some interest in your annual. Some decent office equipment and another room would help (we did have the old BLOT office, but that was confiscated for the ASUI sign shop which was used about three times). Finally, my good friend the janitor got us two chairs, while I myself stole one from the third floor lounge. Thus, we can now sit down without getting the Potlatch forest in our back sides.

A small added amount of money would help for an outstanding cover and a chance for the staff to use more color and layout variations, plus better pictures. The annual has been stuffed up on the SUB third floor for too long, and yet everyone expects a professional job and is up in the air if things aren't done on time and if they aren't done right. The ASUI Executive Board had better quit worrying about NSA, WSC exchanges, dinners and get on the ball with the annual. Syms-York and Western Engraving have given us a good deal for too long. They have to make money too. . . .

All in all the University had a good year: we still didn't beat WSC in football, but we've all had fun. We've drunk coffee in the Bucket and read Graham's dissertations on campus politics. Speaking of Graham, the old red-head has again made the Argonaut a paper to compete with the GEM. Whether a living group tubbing, or your own picture, it's all in the book.

Last-minute thanks to Wayne Young in journalism and Ruth Boas for excellent technical and journalism instruction and advice; to Bob Freeman at Syms-York, who is tops; and to Ken Miller at Western Engraving, who likes my sample cigarettes.

Well, so long for now-see you at Homecoming. The best of luck to the nation's best student body.

In Memoriam . . .

Mr. Ralph W. York

For years, Syms-York Company of Boise has published the University of Idaho GEM OF THE MOUNTAINS. For all those years, Ralph York was an integral part of that publishing company and thus in his indirect capacity, an integral part of the GEM OF THE MOUNTAINS. He has seen many an editor through late deadlines, mixed up pictures and copy, and final proofs. His face was always a welcome one in the GEM office.

Last spring Mr. York passed away, and the University of Idaho as well as the entire state lost a loyal supporter and friend.
