The tank with the Big "I," the Sub with its glowing Vandal,

Neale Stadium with its banners of silver and
gold—these are some of the landmarks which we at

Idaho will remember long after we have left this campus. We will
recollect the score of the big game, the sleepy attitude of
an eight o'clock class, coffee in the Bucket,
dancing in the Dipper, the fervor of rallies,
drives, and campaigns. We on the GEM OF THE

MOUNTAINS staff have strived through our book
to record the experiences of the past year. We have tried to
capture some of the traditions and landmarks of our
university in the hope that because of this
book these memories will be more real
to you in the years that he alread.

"Bonfire and banners combined with peppy cheer leaders and noisy students-Go Big I."

THROUGH YOUR Ollege YEARS

"Oh you Vandals keep that spirit
Oh you Vandals let them know
That our school is sure the finest
Our own dear Idaho."

Long after the echo of our footsteps has disappeared from the corridors of these halls of ivy, we will recall and relive the memories we treasure of our college years. The Vandal with his ensign of silver and gold will always symbolize the tradition and spirit which abide at our alma mater.

Here we find the administration—those people who formulate the policies and schedule academic events which occur throughout the year. Through their efforts, our scope of wisdom and learning can be greatly enlarged. Pictured here, also, are the sophomores, juniors, and the departing seniors.

Our Promising President

Our President, D. R. Theophilus is presiding for a second successful year. Theophilus presided as President after President Buchanan's resignation in the fall of 1954, and was appointed by the Board of Regents in the spring of 1955 as President of the University.

Before his appointment last spring, Theophilus spent several years as Dean of the College of Agriculture on the Idaho Campus. We could not ask for a more successful President.

Professor Warren K. Pope, Dean Charles O. Decker.

Our Guiding Governor

Governor Smylie, inaugurated in January, 1955, has successfully attended his duties for our University of Idaho. One of his many duties is appointing the members of the Board of Regents.

As a part of the tradition of the University of Idaho, our governor will again attend the commencement exercises held in the spring. We, the students of the University appreciate the help of our Governor of the State of Idaho.

COLLEGE OF AGRICULTURE

JAMES E. KRAUS
Dean, College of Agriculture; Director, Agricultural Experiment Station and Agricultural
Extension Service.

Agriculture has been universally in existence for many centuries. In fact, our earliest records of man find the agricultural science in practice. It is basically necessary for the existence and well-being of man.

Today agriculture has grown into an exacting science, and the University of Idaho can claim the title of being one of the top agricultural schools in our nation. Students come from all parts of the world to learn the skills connected with agriculture that are taught here.

Practicing a three-fold program of teaching, research, and service, the University has a farm of 800 acres with purebred animals and equipment for extensive scientific study. The scientific findings each year are converted into practical improvements and new ways for better utilization of the land and its products.

"The spirit of Idaho runs deep-nowhere is the spirit of loyalty and earnest effort stronger than in those students who attend the College of Agriculture and who seek to draw their future livelihood from Idaho soil."

One of the greatest honors that can be bestowed on an "Aggie," is that of being elected to membership in the Fraternity of Alpha Zeta. To become eligible for membership, any male student in the College of Agriculture must maintain grades which place him in the upper two-fifths of his class, and possess high standards of character, leadership, and fellowship. When these qualifications are met, the prospective member is voted upon by the active membership of the chapter. If he receives the required 85 per cent vote, he is subjected to an informal and a formal initiation. Then, if he passes all these rigid tests, he takes his place of honor among the active members of the Idaho chapter of Alpha Zeta.

LEE ANDERSON

Lee started his freshman year by being initiated into Phi Eta Sigma and continued his fine scholastic record to become a Phi Beta Kappa. He majored in Political Science and during his junior year was admitted to the University of Vienna for a semester of study. Besides making a name for himself scholastically. Lee found time to serve on the ASUI Executive Board and to participate actively in interschool and intramural debate. He is a member of Phi Gamma Mu, Delta Sigma Rho, and Blue Key. Lee has also been active in Westminister Forum serving in the capacity of program advisor during his senior year. Hats off to a fine all around worker for the U. of I.

CLARA ARMSTRONG

Outstanding Senior Award

This year, for the first time, ten students were chosen for the outstanding senior award. The selection of these seniors was made by a committee composed of the ASUI General Manager, the Dean of Men, the Dean of Women, the Alumni Secretary, and the junior members and faculty representative of the executive board. The committee first chose twenty-five outstanding seniors from a list of students' names submitted to them by the Deans of the various colleges. From this list the final ten were chosen. These ten people were presented at the May Fete by Dr. Theophilus, president of the University.

Excellence in leadership, service, and scholarship—these characteristics represent the Big Ten. These seniors were evaluated on participation in activities, living group participation, grade point, and attitude toward the University.

Here's proof that the old adage "beautiful but dumb" is not the case. Clara has held the gavel of the Associated Women Students during the past year. She has served on many ASUI committees including Dad's Day, R-E Week, and has been very active in the University's Student Recruitment program. Clara was an active member of Mortar Board during her senior year. A home economics major she is also a member of Phi Upsilon Omicron. Besides all of these activities, Clara has reigned as Idaho's Homecoming Queen, as queen of her freshman class, as SAE queen of violets, and most recently, she was crowned May Queen.

Bob, a graduating senior in the college of law, was rated as the top student in the senior law class. Bob attended his first two years of college at BJC where he was active in many things and outstanding in Varsity baseball. At Idaho he was president of the LDS house, appointed to Exec Board in 1954 and re-elected to the board the following year. He has been a member of the Men's Disciplinarian Committee. Student Services Board, and served as Co-Chairman of R-E Week. This member of Phi Beta Kappa was also a candidate for ASUI prexy. His list of honorary memberships include Phi Alpha Delta, Blue Key, and Silver Lance.

COLLEGE OF EDUCATION

J. FREDERICK WELTZIN
Dean, College of Education
Professor of Education
Director of Summer School

The College of Education prepares workers for all levels of the educational system—kindergarten teachers to superintendents of schools. Its teacher-preparatory program, undergraduate and graduate, is designed to qualify students for standard teachers' credentials, not only in Idaho, but in other states as well. Its graduates go out to teach, supervise, and administer everywhere in Idaho, in other states and in foreign countries.

Three major departments constitute the College: Education, Psychology and Physical Education, with further special programs in Music Education, Business Education, Industrial Arts Education and Guidance and Counseling. This work is carried on by a faculty of thirty members.

Enrollments in the College reached an all-time high of 717 this year, and it is well that this is so, for the demand for graduates is insistent and constantly growing stronger. The enviable records being made by Idahotrained teachers increase this demand.

COLLEGE OF ENGINEERING

ALLEN S. JANSSEN
Dean, College of Engineering
Director, Engineering Experiment Station

Engineers are the men who build—the pioneers of all generations and places. The University's College of Engineering trains men for five different phases of the profession—Chemical Engineering, Agricultural Engineering, Civil Engineering, Electrical Engineering, and Mechanical Engineering. Recognized as one of the finest Engineering Colleges in the United States, it attracts students from all over the country and from foreign countries and, although only medium in size, it has proven itself outstanding in competition with other Engineering Schools.

The College fall enrollment reached an all-time high with just under 700 enrolled, of which 103 are expected to graduate this June. To train these men new equipment is constantly being added to the different departments of the College, including this year a new 1956 Chrysler engine. A new analog computer for student use is also expected. With new equipment and the new buildings which have been constructed in the past few years, the College is better prepared than in previous years to train engineers for the future—a profession for which there is an ever-increasing demand.

Sigma Tau, the honorary for the College of Engineering and the College of Mines, selects its members on the basis of scholarship, practicality, and sociability. The Idaho chapter was established in May, 1922, and since that time it has become one of the most respected honoraries on the campus. Its purpose is to encourage students in engineering to attain high standards of moral ethics and professional pride, which are the qualities necessary to a successful engineering career. Each year an award is presented to that sophomore who has, during his freshman year, proven himself to be the outstanding engineer in his class.

This year Sigma Tau was guided through a most successful year by President V. Keith Smith and faculty advisor Prof. Dwight Hoffman. These two were ably assisted by Vice-president Theodore Frostenson, Recording secretary Allen Stubberud, Corresponding secretary Larry Klappenbach, Treasurer Edward Pottenger, Historian Robert McBirney, and Reporter Donald Dimick.

Top Ten

HANS GOTSCH—Hans has been outstanding in his major field of agriculture. He is a member of the Ag fraternity, Alpha Zeta, and has also served as president of the Ag Club. He has helped to organize the Little International show during the past three years. He started his work with Little International during his footbook was champion. freshman year when he was champion Hereford showman. In following years he was champion beef showman and champion swine showman. A member of the Air Force, he was given the American Legion award for outstanding service. He is a member of Scabbard and Blade and the Arnold Air Society. Hans was also elected senior class vice-president.

More Seniors

BILL BAUSCHER-Bill's outstanding athletic

participation will long be remembered at the U. of I. He has participated in track and basketball and served this year as co-captain of the basketball team. He was voted the most valuable player for 1956 by the other members of the team. However, sports is not Bill's only leave to fame. He has been an active members of the team.

of the team. However, sports is not Bill's only claim to fame. He has been an active member of Delta Tau Delta fraternity serving for two years as chapter president. During his senior year, he was the recipient of the Army ROTC award for the distinguished Military Student. Bill has served as president of IFC, vice-president of the I-Club. He is a member of Alpha Epsilon Delta, Scabbard and Blade, and Blue Key.

and Blue Key.

KAREN HURDSTROM—This energetic Kappa has warbled her way to the hearts of Idaho students. She has been a mem-ber and soloist for the Vandaleers during her four years at Idaho. She has also sung as a member of the Madrigals, in the campus opera production, and was a Blue Key talent show winner. Besides her music activities, Karen found time to be a SPUR, a pom pom girl, a mem-ber of the Curtain Club, and a member of the debate team. Her scholastic attainments brought her a membership in Phi Beta Kappa. She was a member of Sig-ma Alpha Iota and Mortar Board. Frosh Orientation, Campus Chest, and the Blood Drive are some of the ASUI ac-tivities in which she has participated. In her house she has held the positions of song-leader and pledge trainer.

COLLEGE OF FORESTRY

One of the nation-wide attractions of the University of Idaho is its renowned College of Forestry. Because of its top national rating for excellent training in the field of forestry, Idaho usually has at least one representative from nearly every state in the Union and from several foreign countries. Students are kept busy with studies of forests, fish, ranges, wildlife, plants, game birds, and wood utilization in laboratories and classrooms.

One of the highlights of earning a degree in forestry at Idaho is the eight-week summer camp held in the intriguing woodlands surrounding the Payette Lakes near McCall.

As well as being surrounded by dense treelife, the foresters have a 7000-acre experimental forest within fourteen miles of the campus, a tree nursery which produces stock for planting throughout Idaho, and a large arboretum which shows off its 150 varieties of trees which are especially spectacular in the fall of the year.

Xi Sigma Pi, national forestry honor fraternity, was founded at the University of Washington November 24, 1908. Epsilon Chapter at the University of Idaho was established in 1920. The objects of Xi Sigma Pi are to secure and maintain a high standard of scholarship in forest education, to work for the upbuilding of the profession of forestry, and to promote fraternal relations among earnest workers engaged in forest activities. The fraternity is interested in honoring the student in forestry who is doing good work and who has a personality that would tend to make him successful in the forestry profession. Also, it encourages forestry activities at the colleges and universities with which it is connected.

Graduate School

The Graduate School meets the needs of the increasing number of college graduates who are finding that a four-year course is not sufficient preparation for many occupations. Graduate study provides qualified students an opportunity to work closely with distinguished scholars and to develop a maturity of thought and attitude which will enhance their profession and cultural lives.

Graduate training has been carried on at the University since 1909 with fifty different majors leading to masters' degrees offered by the various colleges comprising the University of Idaho. Over five hundred graduate students register each year in the summer session, during regular semesters, or in the two off-campus programs carried on at Atomic Energy Commission installations at Idaho Falls, Idaho, and Richland, Washington.

COLLEGE OF LAW

EDWARD S. STIMSON Dean and Professor of Law

The special objectives of the profession of law include a pursuit of the career of a lawyer, a judge, or a law instructor.

The College of Law at the University is affiliated with the Association of American Law Schools which endeavors to improve the legal education in our country. The curriculum offered prepares Idaho law students for general practice in any state in the Union.

The well-trained legal scholars that instruct and conduct research for Idaho students supervise courses of study in commercial law, property relationship, public law and administration, and procedure and judicial administration.

Row one: Edward S. Stimson, Marlys Chadsey, Shirley Barret, Carolyn Folz. Row two: Thomas R. Walenta, W. J. Brockelbank, George Bell, Phillip Peterson, Herbert Berman.

The law library is the scene of much work and research. Here many hours are spent by Idaho's future lawyers.

Row two: Bill Parsons, Tom Miller, William Nicholas, Jay Webb, Gary Bell, John Reese, Winston Churchill, Howard Manweiler, Row three: Eugene Lozier, Wallis Friel, Lamont Jones, Eugene Smith, John Coleman, Robert Newhouse, Richard Smith, William Taylor, Not pictured: Ben Ashley, Ralph Haley, Gerry Hess, Jim Lynch, Charles McDevitt, Don Worden, Bud Hagen.

Phi Alpha Delta

Phi Alpha Delta is the National Law Honor Fraternity. Each year Kent chapter of the University of Idaho sponsors a symposium with outstanding men of the legal profession forming the panel discussing some current legal problem. Other activities include the law school spring picnic and monthly meetings with outside speakers.

COLLEGE OF LETTERS AND SCIENCE

BOYD A. MARTIN
Dean, College of Letters and Science
Professor of Political Science

This College, the oldest and largest division of the University, both in enrollment and in number of courses offered, has eight academic divisions: Art and Architecture, Biological Sciences, Home Economics, Humanities, Mathematics, Music, Physical Sciences, and Social Sciences. Here one can obtain a general education, explore various fields of interest, and obtain professional or preprofessional training for any of a long list of occupations. As he pursues one of these objectives, he will study under a competent faculty and will work with facilities that are kept modern by a policy of constant improvement.

A special feature of Letters and Science is the general type of curriculum which the entering freshmen may follow. This permits him to postpone the selection of his major until his junior year. Consequently, the beginning student has an opportunity to discover and to explore the various fields of knowledge before choosing his major. This not only enables him to make a wiser choice, but it also enables him to obtain a more liberal type of training before beginning his professional specialization.

Phi Beta Kappa

The oldest and perhaps one of the best known of college fraternities, Phi Beta Kappa gives recognition to high scholastic attainment in the field of liberal arts and sciences. The new members are chosen from the junior and senior classes each spring.

Row one: Sherie Fox, Ann Popma, Karen Hurdstrom, Jane Reinsberg, Sue Mc-Mahon, Karen Lee Krauss, Margaret Costello, Kristine Anderson. Row two: Lon Davis, Dwaine Griffith, Charles Crow, Dwayne Savage, Nan Soden, Siv Bergstrom, Lee Anderson, Stanley Nealey.

Alpha Epsilon Delta

A great honor for pre-meds, predents, and bacteriology students is to be chosen to become a member of this national scholastic honorary. Officers for the year were: Dwayne Savage, president; John Payne, vice-president; Margaret Post, secretary; Boyd Terry, treasurer; Owen Davies, historian; and Jim Seeley, scalpel reporter.

Row one: Jim Seeley, John Payne, Dwayne Savage, Boyd Terry, R. Owen Davies. Row two: Patsy Nance, JoAnn Wallace, Sue Allison, Gwen Scribner, Margaret Post, Carol Reichert. COLLEGE OF MINES

The College of Mines was established many years ago in the University because of the early pronounced importance of mineral substances in the cultural and economic life of Idaho. With the comparatively recent spurt of interest in the occurrences of industrial minerals in the state, such as those forming the great phosphate, cobalt, fluorite, tungsten and thorium deposits and other non-metallic masses, as well as those supporting the sustained, companion production of lead, zinc, silver, gold, antimony and mercury, the mineral-future of Idaho continues to be very bright. Indeed, the picture is even more attractive today than it has been and, thus, unparalleled opportunities are offered for successful professional work.

Since its beginning, the College of Mines has become recognized as being of leading stature among American universities as a training ground of men who wish to pursue professions in the different special areas of the Minerals Industry. In the College of Mines, training can be gained as desired in Mining Engineering, Metallurgical Engineering, Geological Engineering, Geology and Geography in both graduate and undergraduate work.

The last of the TOP TEN SENIORS

CHUCK McDEVITT—Here he is, our ASUI president, Chuck McDevitt. If there is ever any talking to be done, he's the man for the job. He has been the winner of the Idaho Debate Championship and was named one of top 25 speakers at West Point National Debate Tournament. Chuck was a member of the Executive Board in 1951-52. He has served on the election board, the publications council, and the student faculty council. He was a member of Pi Kappa Delta, Blue Key, and Silver Lance. Chuck was one of the main organizers of the Student Government party and also helped to reorganize the Town Men's Association. A member of Sigma Chi fraternity, he was president of his pledge class and undergraduate advisor.

JAMES STEELE—Editor of the Gem his senior year, Jamie worked his way to this position serving as a section editor and Associate Editor prior to the top position. A member of Sigma Alpha Epsilon fraternity, he has served as house prexy during his senior year. Jamie was also vice-president and scholarship chairman of his living group. He has served as a member of publications, as advisor for the student calendar, and as a member of the homecoming committee. Jamie is a member of Sigma Delta Chi and was a representative to their convention in Chicago this year. Other honorary memberships include Arnold Air Society and Blue Key, He was recipient of the ROTC Distinguished Military Student Award. He was also a member of the University golf team.

MIKE O'CALLAGHAN—An active member of the Student Government party, Mike was one of the wheels which made this party run. He was active in the reorganization of the Town Men's Association of which he was also a member. Mike was a diligent worker as a member of the Executive Board during his senior year. Mike attended Gonzaga, St. Martins and Boise Junior College during his first two years of college. While at BJC he was active in boxing and represented the state in the AAU Senior Boxing Division in 1950. At Idaho, he served on the Athletic Board of Control. An education major, Mike is a member of Phi Delta Kappa. He served as vice-president of the young democrats.

MARCIA THORNTON—Marcia wound up an active four years at Idaho by serving as president of Mortar Board during her senior year. In her last year she was also elected secretary of the Senior Class. A member of Delta Gamma sorority, she has served her living group in the capacity of social chairman and scholarship chairman. This History major was a member of Alpha Lambda Delta her freshman year and was later tapped for membership into Phi Beta Kappa. Her work on ASUI committees include co-chairman of Dad's Day and a member of the Publicity Committee. She is a member of Pi Gamma Mu, social science honorary. She was also a delegate to the Mortar Board National Convention.

Dick Weeks, president; Lou Ann Olson, treasurer; Barbara Warner, secretary; Gary McEwen, vice-president.

Class of 1957

Rush, registration, the smell of autumn in the air and the social whirl of another year at Idaho is under way. Football games, rallies, dances, and picnics are only a small part of these our most cherished moments. Sometimes there is dancing in the Dipper or coffee in the Bucket—or maybe just a walk in the rain. This is all a part of the never to be forgotten life at our University.

FALL WINTER SPRING

The Idaho Spurs performed their first function, moving the rushees into their quarters. Jean Boyd and Jackie Lavens give a typical Spur smile for Kay Conrad and her teddy bear.

nto Copious quantities of handshaking and back slapping were the order of the opening day of rush. Here SAE's greet some of the male rushees.

Gamma Phis go formal to conclude their rush week

Mmm! Delicious! Guests of the Delta Chis enjoy a watermelon feed

Rush . . . And Then

Fraternity and sorority members came back early armed with paint brushes, buckets, and mops to prepare for another big rush week. Girls' rush commenced with the usual amount of parties, undigestible goodies, and disparaging comments from the fellows. At last the long awaited "Squeal Day" arrived and the tired, but happy girls moved in. The fellows' rush followed and the usual disorganization prevailed. However, it too ended happily and the campus settled down to another school year.

Hashers get into the act at the Kappa's South Pacific party. As a part of the orientation activities a study panel was conducted by Dr. Greever, John Chapman, Judy Archibald, Mr. Barrus and Mr. Banks.

The frosh mixer is used as an ice breaker to get the year off to a good start.

Under the chairmanship of Dennis Thomason, came the Orientation for the new students. The kick-off was the President's Convocation, followed by assemblies to acquaint the frosh with their campus, their university and their friends, classes and activities for their first year at college.

Orientation & Registration

Kay, did your ASUI card turn out this well . . . and stop grinning, Janet Daigh, yours wasn't so sharp either!

A new feature of the 1955 registration procedure was the chest X-ray.

School Begins

Following rush and registration, ardent Vandal Boosters journeyed to Boise to witness the football game between the Vandals and the University of Utah and to renew auld acquaintance in Southern Idaho. Monday morning found students armed with pencils, notebooks, and new textbooks dashing madly around trying to make that first eight o'clock. Bewildered frosh were checking schedule cards against room numbers only to find they were in the wrong place.

Sue Dolphin and Ron Ehlers find entertainment right away among the platters.

The Theta's scream with joy as they greet their returning sisters . . .

... and the campus wakens for another busy year.

The pride and joy of the campus this fall are the two new (and we might add, much needed) men's dormitories . . . Gault and Upham Halls.

Blood Drive

"Part with a pint" became the password on campus as the annual blood drive got under way. The Red Cross took the number of pints necessary to fill their quota long before the willing arms were all tapped. Organizing this year's drive were Dale "Hemoglobin" Carlisle and Dick "Plasma" Roberge who drained the U of I of more than 800 pints of the red stuff.

Dale gives Dick a much needed dose after a hard day's work at the drive.

Doesn't hurt a bit, does it Diane? Besides you have a big handsome IK to hold your hand!

We Danced

The autumn Fridays and Saturdays were filled with dances of all sizes and shapes . . . little pledge dances and big campus mixers, hobo parties and dreamy formals. What a wonderful way to spend the first few weekends of the school year.

At Hays Hall the gang, hussied up in real Western Barn Dance apparel, jumped into the carriage for an oldfashioned pose. They are Duane Gowland, Jeanne Bishop, Pat Jones, Stan Rupert, Glen Handy and Juana Del Butler.

Maybe names should be withheld but Wayne Walker, Lorraine Langdon, Suc Dolphin and Bill Bonnett do want it known that they attended the Phi Delt pajama dance. Jim Rees, Nancy Buchanan, Carol and Duane Hodgson, Jerry Jackel and Mary Ann Schultz file through the archway at the Alpha Phi pledge dance.

Since faces and figures don't match we can't tell you who the "charming" couple at the Campus Club dance is.

Janice Henry and Jerry Lynch say the Sig Chi pledge dance was casual but great!

. . And Danced

Go, you crazy Alpha Chis!

Can't promise that it's Mike and Marian, Peg and Jack, but, anyway they were there . . . at the DG hobo dance, that is.

Who could this be?

I-D-A-H-O. GO BIG "I."

Pom. pom girls, cheer-leaders, a band—yes, a pep rally. The traditional Homecoming pep rally held at McLean Field is always followed by a beautiful display of fireworks.

1956 Homecoming carried the theme "The Birth of Idaho." It was a joint celebration with Lewiston commemorating the susquicentennial of the coming of Lewis and Clark to Idaho. The parade carried out this theme as is shown in the Delta Gamm float, the winning women's entry. The theme of this float was "Landed A Gem." "Stamp 'Em," entered by Delta Tau won these men first place with their beautiful stamp depicting Lewis and Clark and Sacajawea.

Delta Gamma as the Women's division winner.

A huge postage stamp depicting the Lewis and Clark expedition copped the Delta Tau's top honor in the men's division.

Queen Sally gets a big one from lucky Gov. Smylie at half-time while attendants Susie Oberg, Jan Campbell, and Jan Avery and ASUI prexy Chuck look on Shirley Blick, also an attendant, to the queen was not present when the picture was taken.

A rain soaked crowd of some 9,500 fans saw the Idaho Vandals go down to defeat at the hands of COP.

Here they are, the people who made Homecoming tick. Row one: Harriett Hanna, Louise Tatko, Kenny Wright, Chairman, Carolyn Cannon, Marcene Jeffries. Row two: Roger Theime, Art Misener, Roger Tovey, Fred Burrows.

Queen Sally receives a trophy and a crown from Chairman Ken Wright, at intermission of the Homecoming dance. Alums and students packed three Student Union ballrooms at the dance which followed the daytime festivities.

Dorne

Chicken wire, crepe paper, and busy fingers are the ingredients that go into night before preparation for winning floats.

Led by the Spurs and cheerleaders freshmen women skipped through the fellows' living groups to kick off the Homecoming rally.

Always a highlight of half-time activities is the show presented by the U of I marching band. Here, lead on the field by drum major, Deane Jolstead and a bevy of pretty twirlers, the Vandals do a colorful maneuver.

Hugh Hamilton presents a smiling Sigma Alpha Epsilon Violet Queen, Shirley Henriksson, Pi Phi, with her trophy, relinquished by Karen Warner, Theta, outgoing queen.

Five happy beauties, Queen Shirley and her attendants, Joan Ramstedt, Diane Kail, Jeanne Cowles, and Cecelia Sullivan.

S. A. E. Violet Queen

Stan Palmer accepts from President Theophilus the men's scholarship trophy, won this year by Phi Gamma Delta.

Awards Assembly

Outstanding scholarship held the limelight at the annual awards assembly. Kappa Kappa Gamma received the cup for the women's living group with the highest scholarship for the third consecutive year and now retains permanent possession of this cup. Announcements of individual scholastic attainment, scholarships, and living group awards were made at this time.

Marie Van Orman, Theressa Matthiesen and Myrtle Williamson receive the plaque for out-standing individual scholarship during their freshman year.

Was a big day for the Aggies at Idaho-opening with the big Bar-B-Q held at the field house and continuing through a good old fashioned western evening of "Ag Bawling."

Chef Jim Bryan passes out a sample of barbecued chicken to President Theophilus and Philip E. Peterson.

Autumn

Small talk, romance, politics, study-all this and a cup of coffee, too.

Returning Idaho students noted with pleasure the rejuvenated Bucket. Lowered ceilings and new lights contributed to a warm, cozy atmosphere. Rows of booths in the far end of the Bucket were an addition received by all with joy. Potted plants lend more atmosphere to the room. Modern coffee makers helped to speed up the coffee line which forms after each class. Additional employees added to the staff also helped to take care of the mob. Varied menus and specials were easier on the pocketbooks. The remodeled Bucket is the place to go.

Dr. Ralph E. Lapp, director of the Nuclear Science Service discussed the basic fundamentals of the nuclear theories and peace time use of atomic energy in a public events presentation.

Dr. Lapp is a noted atomic energy scientist and he geared his talk to the limited background of the layman, drawing out a number of controversial points regarding the international questions on atomic power and the U.S. government's dealing with it.

Activities

DR. RALPH E. LAPP

The scene below from "My Sister Eileen" shows six Portuguese sailors trying to make time with Eileen. Those playing the part of sailors are John Wood, Richard Day, Fred O'Brien, Dale Carlisle, Willis Smith and David Cole.

The first ASUI drama production of the year was the rollicking comedy, "My Sister Eileen." Shirley Turner in the title role, Nancy Benfer as her sister Ruth, and Joe Jesseph as their conniving landlord led the audience through a riotous evening. Also carrying roles in the show were Tony Park, Richard Kaeser, Carl Gotsch, James Kruger, James Snarr, Jan Willms, David Anderson, Judy Hackler, Lucilie Palmer, Tim Kime, Jolene Williams, Katherine Driessen, Don Rafferty, Mary Ellen Bennett, Marty Duran and James Bennett.

Here Ruth demands the return of her rent money (unsuccessfully) from Mr. Appopolous.

Taking top honors for men's house decorations were the Betas-"It's Snow Mirage"-appropriate, we might add.

Boys put away their razors in preparation for the beard growing contests which are a part of the Dad's Day weekend. Snow and cold failed to dampen the spirits of the faithful Idaho dads. Thetas copped the prize for having the most dads present. Former University of Idaho president J. E. Buchanan was the dad who travelled the farthest for the event and so helped the Alpha Phis walk off with a trophy. Idaho Vandals defeated Montana State on a gridiron covered with slush. Gay house decorations helped to extend a warm and cordial welcome to the visiting parents. The fathers were entertained at the Pop's Hop in the SUB Ballroom to conclude the eventful day.

Dad's Day

The Theta's soap box theme took first for women's decorations. Also among the outstanding ones was Forney Hall's friendly octopus. The big rally complete with posters and ambitious cheerleaders set off the weekend.

Your guess is as good as ours—but anyway it's a part of intermission entertainment at the Pop's Hop.

Twas a beautiful day for the game.

Ralph Lindberg, Frank Nosek, Chairman, Tom Warner, Dick Clausen, Janice Archibald, Ann Reading, Ann Popura, Jackie Lavens, and Claudette Kerns were the wheels that made the Dad's Day a success.

Tom Olson, the guy with the healthiest beard, inspects Ray Morgan's novel beard that spelled out "Pop."

R. J. Newman was the proud possessor of the longest beard.

Sigma Alpha Iota, women's music honorary, and Phi Mu Alpha Sinfonia, men's music honorary were the co-sponsors of the annual all campus moonlight sing which was held this year in the Arboretum. Led by Norman Logan, the group sang favorite old melodies and traditional Idaho songs.

Fall Fun

Gamma Phi pledges pay the penalty for trophy stealing at the hands of the Delta Chis.

Campus Club fellows enjoy an evening of dancing at an exchange with the Kappa pledges.

Jan Willms and Sharroll Bartlett watch as another customer puts a nickel in the kitty. Gamma Phis won the honor of collecting the most money at this function sponsored by the Spurs.

Entertainment

"The Long and the Short of It" was brought to Idaho by well-known entertainer, Meredith Wilson and his musical wife, Rini. The show, composed of tales of Wilson's experiences in the music world, ably illustrated by instrumental and vocal selections was the first of the season's public events assemblies,

We Walk Again

Idaho walkers are welcomed with appropriate ceremonies at WSC.

WSC cheerleaders soothe Chuck McDevitt's aching feet.

Idaho walked the long nine miles to WSG this year following a 9 to 0 defeat at the hands of the Cougars. Arg Editor Gary Pietsch, ASUI prexy, Chuck McDevitt, and Arg Sports Editor, Don Neville Smith led the fans who made the trek across the border. Students at Cougarville had prepared a welcoming party and after the preliminary foot baths the Idaho people were guests of WSG at a chili feed.

At left Jan Willms, as the elder Poncia, advises Alba's beautiful lovelorn daughter, Adela, portrayed by Jolene Williams against the measure of desperation she plans. Above, director Edmund Chavez conducts rehearsal.

The second show of the ASUI drama season, as a contrast to the opening comedy, was a deep, moody play by Lorca of nineteenth century Spain, "The House of Bernarda Alba." This story evolves around a mother's enforced suppression of her five daughters and the final tragic result of an attempt to break away. The cold blue setting and black costumes lent themselves well to the drama, presented by an all-girl cast.

Here the tension heightens as the show moves into the third act in Alba's living room. Sue McMahon, Kay Driesson, Jolene Williams, Rosic Perrin, and Marigay Nelson as the five daughters, Mary Ellen Bennett as Bernarda. Jan Willims as Poncia, and Elizabeth Oud as Prudencia sit in strained silence. Also included in the cast were Mary Duran, Janie Remsbert, LaRene Newberry, Jo Carol Bicket, and Lois Wilson.

In the fall of the year the Air Force chooses a Guardian Angel. The candidates included Sharon Shuldberg, Hays Hall; Diane Olmsted, Gamma Phi; Sylvia Stoddard, and Joan Ramstedt, Theta; Karen Taylor and Lou Ann Olsen, Kappa; and Elsie Putnam, Alpha Chi. The lucky girl was Sylvia Stoddard, Theta.

And the exchanges . . . best known were the twice monthly frosh exchanges, this year held at the women's living groups, then, occasionally, the whole bunch gets in for a meal and an evening of dancing. Strictly for the gals are the "get acquainted" dinner exchanges.

Here the Gamma Phi girls and their Forney Hall guests go to the dining room. Also popular are the Sunday night suppers at Canterbury House.

KUOI Anniversary

Jerry "Windy" Chandler, KUOI Station Manager, stoops to do the honors of rendering the campus radio station's 10th anniversary cake flameless. Looking on is ASUI President Chuck McDevitt and Executive Board members Carol Pietsch, Mike O'Callaghan, Clara Armstrong and Karen Lee Kraus. The birthday cake was presented to Chandler during their two-hour campus talent show as a special program in connection with the event.

Campaigns

United Party Candidates filled lots of noon hours—Here are Dave Cummins, Art Misner, Jane Remsberg, Lou Ann Olson, Tom Nicholson, Jerry Lynch, Liz Cleveland, and Carolyn Edwards.

Class elections were held again this year with the traditional fanfare of posters and house visitations. This year there seemed to be an increase in the excitement of campus elections. There were more posters, more campaigning in the class elections this year than ever before. The three parties United, Independent, and Student Government visited all the living groups on campus and so much spirit was generated that there was a record turnout at the polls.

Independent candidates shown here are Shirley Lovegren, Janet Novak, Chris Chishohm, Glen Allen, Monte Strickling, Judy Flomer, Hans Gotsch, and Jim Russell.

And the excitement . . . Fire! at the Delta Gamma House. It was a cold night—but the alarm brought quite a response. It was nothing serious, but worth some attention and certainly it was an experience for the DG girls.

There was a little fun on campus and a lot of excitement. Hanging left, which happened to be in the intersection at the Campus Christian center was a dummied replica of an old friend. He came down quickly but not before news of the event got around.

Some familiar faces around campus take shape in the form of well-known entertainers. We've seen them often and hope there's more in store for us from Ann Holden, Sandy and Judy and our dancer Gertie Carder.

Alum Hall Macklin congratulates Carol Kurdy, Pi Phi, whom he has just crowned Sweetheart of Sigma Chi.

Queen Carol and her attendants Elna Magnusson, Gamma Phi; Karen Taylor, Kappa; Carol Watchal, Theta; and Marilyn Harden, DG.

As we watch the Alpha Chis decorate for their pledge dance, we are reminded of the fall and rush parties. Not too long after the SAE's held their Violet Queen Contest. Homecoming Queen, Sally Ghiglieri, reigned over the traditional parade and game. Class elections began the rivalry between the parties. Sigma Chis held their Sweetheart contest with a dance at the end of the week honoring Carol Kurdy, Pi Phi. All in all our fall had a fine kick off and now we are ready for winter.

Then came the . . .

WINTER

Holly

Then came the highly anticipated season of snow and sparkle. The serenades, the dances, parties around the tree and refreshments in front of the fire plus a week of festivities sponsored by the Sophomores filled the Christmas season. But, despite all the fun, it was with a sigh of relief that books were shelved and bags packed for the big vacation.

While the Holly Queen Candidates passed in review at David's, Marcene Jeffery perched contentedly on Santa's knee.

The fellows spent a lot of long cold evenings singing Christmas cheer under the balconies of the coed's living quarters.

As the climax of Holly Week, the queen of the season was crowned. Reigning over this year's Holly Ball was pretty Karen Warner, Theta.

Karen's lovely court poses before the tree, attendants Karen Hastings, Pi Phi; Nancy Burns, Gamma Phi; LaRae Harrop, Tri Delta; and Georgia Carrico, French House.

Frolics

Besides the campus Christmas functions the living groups made festive the season. Everywhere bright trees went up and the firs on the Adlawn blossomed bright colored lights.

Gault Hall chose a winter theme for its "Snow Ball," gay and full of Christmas, and below, the Sig Chis go formal.

Dewey Newman and Dale Evans smile from beneath the big horseshoe.

Gone oriental for the evening are Marcia Gill and Mitzi Switzer and their honorable escorts, Jim McFarland and Ron Thurber.

Big chief and squaw gone whopee for heap big injun evening.

It is Dale Carlisle and one of his egyptian women from the green Nile.

Moulin Rouge. Ann Beardmore, Morris Mc-Cool, Gordon Leslie, Ginger Symms, Connie Spaulding, Bud Van Stone pose with a Parisian beauty.

The gambling was feverish and "money" exchanged hands quickly at the Muckers Ball.

Fred Schiebe and Shirley Turner do an interpretation for the Delta Chi Pirate Dance.

Patsy Casey, David Johnson, Joan Ferris, and Tim Kime don icky sea green for the Navy dance.

The Foresters put their famous greens all over the ballroom, complete with smoke jumpers.

Familiar isn't it? Imagine this twice a year when the gym, center of the most educational lectures and most rousing basketball duels, becomes a compulsory battlefield. But lines, groans and bankrolls all come to an end eventually—so cheer up!

Frosh

Second semester got off to a bang with a record registration of 3,251. It took a while to recover from finals but a big weekend seemed to do the job. The lines were long, as usual, but they wiped the slate clean for a new term.

A new event highlighting Frosh Week this year was the Soph-Frosh Tug-of-War at the climax of which, cold and ill-smelling Paradise creek claimed 22 Frosh victims. The week also featured casual after class mixers, Here we see Queen Joan Ramsted, King Tim Kime and date.

Week

For the annual half-time entertainment at the WSC game the Spurs presented their lights out waddle. A big evening was filled by the girls in white as they entertained their cougar sisters from across the line at supper and formed with them a combined cheering section.

And then there was the day the Aggies dragged the Foresters through the pile.

Countrified coeds spent a frolicking evening tripping and turning for honors in the WRA folkdance festival. The Delta Gamma's came through South Sea Island style complete with sarongs, to take top honors. Here the dancers combine talents for a mass rendition.

The billiards fans were fortunate this winter in witnessing the skill of a top man in the field. Charles Peterson. For the benefit of the interested, the hot shot exhibited world championship form.

Rev. Johns and Rev. Seaman entertain at the R-E Kick-off Banquet.

R. E. Week

Karen Lee Krauss and John Thornock co-chairmaned a successful religious emphasis week. Assemblies, seminars, and fireside discussions were the events of the week. Opening the week was a kick-off banquet and the events were concluded with a round-table discussion.

Borah Conference

The William Edgar Borah Outlawry of War Foundation was established at the University of Idaho in 1929. Since World War II the main activity of the foundation has been to conduct a series of conferences on The Causes of War and the Conditions of Peace. The 1956 conference was based on the theme, "Cultural Diversity and World Peace."

Melville L. Herskouits was the opening speaker at the conference.

Harold Fisher, Melville Herskouits, George H. T. Kimble, and ASUI Pres. Chuck Mc-Devitt participate in the Borah conference.

Blue Key **Talent Show**

Judges were faced with a difficult task in selecting the winners at the Blue Key Talent show presented before 3000 persons. Kenny Wright and Chuck McDevitt, ably assisted by John Payne guided the show skillfully and with slight riot as masters of cere-monies. The Blue Key co-chairmen of the event were Roger McPike and George Yost. The Phi Delt Dixie Land band took honors as did Laried Montgomery, 4 Kappa Kappa Gamma pian-ists, the Gamma Phi Siamese dancers, and Dick Newell and Kent Ahlschlager's "Dear John" interpretation.

The happy winners (we wouldn't attempt to distinguish them) step forward to accept their hard earned trophies.

Chuck and Kenny connive to rock the audience with one of their cleverly contrived bits of entertainment.

The Gamma Phis go Siamese in green and gold glitter to take group honors.

Laried awes the audience with his vocal rendition of "I'll Walk with God."

Another Campus Chest hit the campus with a bang, complete with house solicitations, taxi dance, booths, and auctions—all under the expert guidance of the Junior Class officers.

Among the cagerly awaited public events speakers was the controversial educator, Dr. R. M. Hutchins, left, who presented his ideas on the ideal education system. Dr. Mark Schorer, below, well-known novelist and critic, chose "A Novelist in the Modern World" for his topic at the final public event address.

Then came the . . .

S P R I N G

"In the spring a young man's fancy lightly turns to what the girl has been thinking all year. Oh, spring, the time of picnics, pretty spring cottons, boys in short sleeved shirts—evening walks in the moonlight. Moments that leave forever the lingering magic of spring."

Chosen this year to fill the pages of the U. of I.'s own calendar were the 12 lovelies pictured here: Gail Doxtater. Diane Kail. Ann Copithorne. Shirley Henriksson, Patty Parsons, Elna Magnusson, Clara Armstrong, Barbara Warner, Joan Ramstedt, Carol Wachal, Lois Wilson and Karen Warner.

Spring means formals and they came, thick and fast, from living group functions to all campus balls. Among the big dances, the three here stand out.

The Junior and Senior classes combined forces to sponsor the annual Prom and at right the Sigma Nu's and their gals pose before the white star at the Interfraternity Council formal.

At left the happy new Lambda Chi Alpha Crescent Girl, Nancy Burns and her four lovely attendants smile for the camera. Flanking the new queen are Lorraine Beymer, Sondra Klamper, Pat Berry and Elaine Zlatnik.

Above, Queen Nancy poses with her reward for capturing the Crescent.

And it's ASUI election time again as the polls are erected in the Ad hall. Four voters ponder their decisions for the new Prexy and his board.

The election board is kept busy as the student body files by to set up its government for 1956.57.

The Aggies hosted another big Little International Week complete with Queen Arlene Book.

The 30th annual show was bigger than ever this year commencing with a banquet, running through a week of judging and point competition for the High Man Trophy, captured by Ken Jenkins and ending in a big dance. Also finalists for this year's queen were Charlene Roth and Elsie Putnam.

Queen Arlene poses with another important contestant in the Aggic's big week,

Then a little early the signs of spring began to appear . . . cheery cotton clothes blossomed, romance moved out-doors as did "Perching." It was short-lived, but a sign of what was to happen, when spring really came.

ASUI Dramatics

Probably one of the biggest and most complicated undertakings of any University group about which the least is known by the layman is the drama production. In the 1955-56 season the comparatively small Idaho drama department accomplished four major stage undertakings—two comedies, a drama, and a musical. Under the apt direction and stage management of Jean Collette and Edmund Chavez, the department can mark off another successful year. Here is a four-page pictorial journey into the fascination and fun of backstage, ASUI dramatics.

Laried Montgomery, Graham Knox and Dale Carlisle take five between acts.

But school must go on-even at rehearsals and Neal Powell does a lesson while waiting for call.

In Finian's Rainbow, a musical, Harry Morrison's student orchestra played a big role.

The full cast of "Finian's" assembles in "Sears and Robust" fashion for a truly fairyland wedding.

But the show isn't all on stage, below, in the pit, the costume crew stands ready with aid and repairs.

The most involved production of the season was the winter show, "Finian's Rainbow," a light, happy musical, complete with leprechauns. A huge cast, good music and imaginative costuming combined to make a more than successful production.

The bridesmaids grab a breath before the big wedding scene.

Miss Collette, drama director, meets with her group for the post-rehearsal hash session better known as "notes."

Directors, musical and dramatic, gather their east for a tip or two.

It takes a lot of hard work and many hours between those first tryouts and opening night . . . then it's all over in such a short while, everything coming down with the flats at "strike."

The season's final production was a breezy comedy of French style, "Gigi." The laughs were many and period set and costumes made up a lively show. The play, from a Loos adaptation, was a smash hit on Broadway a few years ago and did well for itself at Idaho.

Aunt Alicia, played by Sue McMahon, gives "madame"ly advice to her niece, Gigi, portrayed by Jolene Williams.

Aunt and Grandmother plot Gigi's future with dashing young admirer, Gaston, played by Stan Palmer.

A portrayal shot at an earlier rehearsal shows Jane Remsberg reading through a role early in the rehearsal schedule.

A new addition to ASUI this season was the 50-member Idaho Vandalettes marching drill team which gave its first performance during the basketball season. The team is directed by Miss Jan Hale.

The big moment arrives as out-going queen, Betty Jo Roberts, places the crown of the new Dream Girl while finalists Pat Iverson, Patty Rees, Joan Farris and Lorraine Langdon look on.

Again the Delta Sigs chose their annual Dream Girl and crowned her at the springtime Carnation Ball. Above the happy new queen, Mary Jane Milbrathe smiles from her throne.

At the annual Spur-IK banquet the honors were passed out for the year's work. Here the IK's present the award to their choice for "Spur of the Moment," little Martha Sue Dempsey. In return the Spurs announced their choice for "Knight of Knights," Don Ingle.

The Helldivers are caught in an interesting pose as they begin rehearsals for the annual water show. A lot of time is spent in gyrations similar to this, presenting an unusual shot to the agile photographer who hangs from the diving board by his toes to catch just the right angle of heads and toes.

This year the Rodeo Club selected from a wide held five finalists for queen of the rodeo held at Pomeroy. Shown are the lovelies chosen for this honor, Diane Olmsted. June Sleeman, Queen Kay LaBarge, Betty Jo Roberts and Gail Stellman.

Marilyn Ziglar and Ken Gaun go Hawaiian at the Campus Club.

The Fijis felt that a silent ole rabbit was best qualified to depict a spring function.

At a Forney Hall spring dance the attire was cool and casual, the evening fun.

The Delta Gammas got their fellows to sit down for a group shot, too.

It's the Alpha Chi's theatre attended here by Marilyn Stewart, John Blanton, Mr. and Mrs. Mike O'Callaghan, Gail Doxtater, Harry Moening, Barbara Simons, and Wally Brown.

So seldom getting recognized and yet such an integral part of all the dances are the orchestras . . . here Gary Pietsch's group poses at a Kappa formal.

Mike Day, Joanie Wickland, Dick Roberge and Rowena Hasbrouck danced beneath the Kappa Sig pine boughs.

The whole Delta Tau group poses, decked out in native dress, at the annual Russian Ball in Moscow, U.S.A.

Seems that spring finally made it for certain. Here's an idea for a nice way to spend those warm afternoons.

The Thetas invited their fellows over to chat and play cards on the front lawn . . .

. . . and others rolled down the top of the big black convertible to take the girls for a spin.

The Alpha Phi's threw every muscle—and every facial expression, too, to the big rope . . , and it payed off with a trophy!

The messy time comes when the crowd gathers round to witness the little ladies dig face first into big, juicy chocolate-lemon pies.

Nothing stops the Sig Alphs, not even a two hour downpour when they decide to call out the women to show their athletic prowess. With three legs and raw eggs, the fair sex gave its best to total points, but couldn't seem to pull ahead of the three time champions, Alpha Phi. Despite the sopping sweatshirts and dripping hair, participants and spectators alike enjoyed the games.

Whoa, there, Patsy, you'll catch it—and even if you don't, it's only a little old harmless raw egg!

Sig Alph Olympics

Alpha Phi prexy, Betty Potter registers well deserved delight as she accepts for her girls a hard earned treasure.

The outgoing Spurs opened the May fete with the traditional and symbolic winding of the Maypole in all the grace and color of springtime.

Perhaps the most outstanding and anticipated tradition at Idaho, Mother's Weekend, scored another hit in '56. The big two days, complete with water show, dance program, old fashioned May Fete, song fest and lots of visiting moms was only slightly hampered by early May's unpredictable weather. Nearly everyone got into the act making plans and carrying them out to show the honored guests the best possible time.

Mother's

And then the long anticipated moment arrived when tapping of some of the university honoraries was begun. Mortar Board, Silver Lance and Spurs chose their members for the forthcoming year and the announcement was made of the ten top seniors.

Eighteen happy junior girls pose with the red rose, the symbol of their acceptance into Mortar Board.

Ann Popma and Shirley Byrne, outgoing members, escort AWS prexy, Sue McMahon, one of their newly tapped to stage front.

ASUI president crowns the reigning Queen of the May to officially open the festivities.

ASUI prexy Dick Weeks served as mc for the activities while Queen Clara and her court surveyed the proceedings from their place of honor atop the platform.

Week-End

Silver Lance also tapped its choice of the seven most outstanding Junior

The Helldiver show was another of the highlights presented in honor of the visiting mothers.

The Orchesis did it's part in making the weekend a success . . . besides putting on nightly shows, it added to the May Fete.

Sunday afternoon the finale of Mother's weekend was presented in the form of a competitive Song Fest. Copping top honors were the Chrisman Hall fellows, Kappa Kappa Gamma girls and the mixed chorus comprised of Delta Sigma Phi and Kappa Alpha Theta.

Below are a couple of scenes taken from the Helldiver's three night showing of Bon Voyage during which the spectator was taken on a one-hour tour of colorful costumes and music.

As the final ending of another school season and the big climax of the Senior's four years at Idaho, the faculty in academic robes, distinguished men and women of the state and the proud parents gathered for the commencement ceremony. A capacity crowd filled Memorial Gym to witness the function and hear the guest speakers, Dr. Carl W. McIntosh of ISC and Governor Smylie.

A candid view of the graduating class of 1956.

Graduation

Governor Smylie and Dr. McIntosh deliver their talks at the commencement-baccalaureate exercises.

It's a solemn time and the photographer's quick eye caught the spirit of the occasion as the academic procession began its march from the Ad building to the gym.

James Herrick Gipson, Sr., Caldwell, pioneer Idaho publisher who has been an outstanding promoter of the region and of those who write about it, was given an honorary Doctor of Literature degree at commencement. For nearly 50 years Gipson has been noted for his contributions to the cultural development of the Northwest and now serves as president and managing director of Caxton Printers, Ltd.

Whether as soloist with the great symphonies or in recital, Spivakovsky's commanding artistry enriches the contemporary American music scene. He has been acclaimed by critics as a superb violinist.

TOSSY SPIVAKOVSKY

The dance theater under the direction of Tatjana Gsovsky presented inspiring and original choreography to the students at the University of Idaho in another of the Community Concert series presented in Moscow.

The year started with a fall formal "Autumn Leaves"... "Cloak and Dagger" in the fashion... Broken ribs, fractured skulls, and bruises brought in the intra-mural football trophy... Bowling trophy also won... Over our steps pass well known wheels: Athletes Gary, Sullivan, Willis; Blue Key Anderson, MacPhee, Bahr: Politico Tovey; Phi Beta Kappa Anderson; Phi Eta Sigma Eacker, Davison, Orme; As well as being winners on Song Fest... Our country is safe in the hands of R. N. and R. A.... Mortality rate high... Senior Banquet honors 35... Tom and Mary also graduating... The Fightin' Illini Angus... Noise, firecrackers, and water rule... Tanner gains his usual 40 pounds, but how?... T.V. wore out and Homer moved... Picnic, buy your own.

Upham Hall

One of the two new Halls on campus, Upham began the year by electing Jerry Walsh the first President . . . In intramural athletics the volley-ball team won five and lost two; Joe Brogdon placed runner up in the table tennis singles tournament, and in softball, Giss Gaskarth, the Canadian speed-baller was one of the outstanding pitchers of the season . . . Porter Holson was elected president second semester . . . Social highlight of the year was the big spring dance, with the theme "The Royal Garden" . . . Our Proctor and Hostess, Mr. and Mrs. Edmund Chavez, will always be remembered as thoughtful and understanding people. . . . A year to remember for Upham.

Delta Chi

The Delta Chis again prove their masculinity with 100 per cent beards two years straight... Lee Foltz is at the helm as fall prexy and Lauren Hicks takes over the reins for the spring semester... Pirates Dance with pre-dance activities proves to be interesting... pledges seem to have gotten mixed up, tubbing Subia and Wright at dawn and dusk respectively... T.V. (Theta Vision) ruining the boys' eyes because of prolonged viewing and poor light... the triumph gets lots of attention... Honoraries and politics enter the scene... Picnics, dances, fire-sides all contributed to a successful year... Wilke prexy of Phi Delta Kappa... Hicks president of Phi Mu Alpha... Oh yes we can sing at times, girls....

Phi Gamma Delta

Phi Gam activities were not thwarted by the long winter . . . "Swede" Gagnum broke no skis but knocked his noggin . . Intramural eleven won Greek pigskin title . . . Kime chosen Frosh King . . . Snarr and Carlisle both real frantic yell kings . . . Received all three men's scholarship trophies . . . Carlisle runs for ASUI prexy, is tapped for Blue Key and Silver Lance. Enjoyed exchanges—especially with sister sorority Thetas on Valentine's Day . . . Pi Phi breakfast in bed and Kappa carly-morning serenade snowed visiting Fijis (so did Rita) . . . Men in athletics were: Payne, Branom, Sather, Jergenson, Carlisle, Anderson, Dingel, Hanson, and Heaton . . . It's no secret, it's been a busy year.

Phi Kappa Tau

A notable year at "Old Phi Tau" . . . The little brown house on the corner kept up its tradition of lawn fences—a sturdy, white one this time, constructed by the pledges . . . A prosperous year under prexies Cox and "Lieutenant" Gage . . . A dozen red carnations to every lucky co-ed receiving a Phi Tau pin . . . Football from Cox and Fries and frosh baseball and swimming from Nelsen . . . A private telephone line to the Pi Phi house . . . Lost the "Little Brown Jug" to WSC chapter in football, but tromped them easily in basketball encounter . . . Campus Chest booth with Gamma Phis and Willis Sweet was tops . . . House dances included a pledge dance—a Forty-Niner Fling and the annual Spring Formal . . . All in all an eventful year. . . .

With pledges outnumbering members, things got off to an active year in the old Sig house . . . the pledges learned to tub with amazing speed . . . Football had its share of Sigs, Gerphiede, Hepler, Bergthold . . . Twenty-four girls vied for Sweetheart, with Carol Kurdy winning the coveted title . . . Social functions included the Pledge dance, Mexican Dance, Shipwreck dance and crab feed, and the spring swim . . . Two Sig Chis were campus prexies—Chuck McDevitt and Paul Schultz of ASUI and IFC . . . Learned a new song about Mickey Mouse . . . Blue Key MC's McDevitt and Wright entertained with same jokes all year . . . Few more of the boys join TGIF . . . T'was a good year in all, even with the chickenpox.

Town Men's Association

While the Town Men's Association has just recently organized we have had good interest . . . over 100 off campus students belong to it . . . Starting with a float for the Homecoming events to a much looked forward to spring picnic . . . Many men turned out for intramural sports this year and we had a winner in our "A" basketball team who went undefeated in regular league play . . . With the calls of Hats! Balloons! Only 15c . . . Confetti, only 10c . . . we participated in the Campus Chest Carnival, getting hoarse, but having a wonderful time for a worthy cause . . . After Christmas vacation we co-sponsored a dance with the Dames Club which was enjoyed by all . . . Besides the regular dance exchanges here, we had several at W.S.C., namely with the Alpha Phi and the Delta Zeta's . . . a wonderful year

Jay Eacker, Ted Leach, Lowell Martin, Jim Rock, Wayne Thomas, Don Nielson, Chris Chisholm, Ed Schmith, Bob Schrieber.

The Independent Caucus is the representative body for all independent students on campus. Its major function is to nominate candidates to run on the independent ticket in all campus elections each year. President for the caucus this year was Jim Russell. The Greek Caucus is composed of two members of each fraternity and sorority on campus. The groups' main function is to select candidates to run in the campus political campaigns and manage the campaign for the Greeks chosen to run. The highlight of the year was the big split which failed to pay off. Presiding over the caucus this year was Frank Nosek.

The Associated Women Students, guided by competent officers, started off a busy year by putting many projects underway. Newly instigated this year by the organization was the Big-Little Sister program which was established to advise and inform new girls coming to the University of Idaho. AWS also sponsored the successful Thanksgiving Turkey Trot for those who were unable to leave campus over the shortened holiday. The chief function of the group is to co-ordinate the activities and interests of all the women on campus.

Clara Armstrong of Forney Hall presided over the AWS Council as president. The council, which is composed of one member from each of the women's living groups, served effectively under the officers as a representative group. It was through the efforts of the officers and council of AWS that the affairs of the "Woman's World" here at Idaho were conducted efficiently.

Row one: Jane Remsberg, Carolyn Sanderson, Clara Armstrong, Janis Archibald, Row two: Lois Judd, Mickey Hammer, Lorraine Langdon, Audrey Montgomery, Jan Avery, Beverly Bolingbroke. Row three: Jean Teutsch. Peg Nelson, Martha Sharp, Wilma Packard, Sharrol Bartlett, Beth Sims, Rose Marie Perrin.

Jo Ella Hamilton was elected president of AWS in the spring of 1955, but gave up the position during the summer to become Mrs. Phillip Kleffner.

CHUCK McDevitt, President

ASUI Student Government

The still young Student Government party, which last year bowled over seasoned political organizations with its bold drive to power, came up with many innovations during 1955-56.

Chuck McDevitt, an avid supporter of the SG party, headed the student body this year as ASUI president. Several new plans were put through under the McDevitt government; included were the inauguration of the house president's meeting to keep all students informed of current campus affairs, the interviewing system of selecting committees, the setting up of a new system of activity cards, and the introduction of the policy of placing at least one freshman on each committee.

The ASUI Executive Board is made up of nine members elected by the student body from the incoming junior and senior classes. They meet weekly with the president, three ex-officio members and two advisors. They are the governing body of the ASUI.

Dean Judd, Gary Vanderwood, Don Nevile-Smith, and Tom Harvey make up the Argonaut Sports staff.

One of the busiest offices on the campus, the *Idaho Argonout* serves the University of Idaho as the official voice of the ASUI. The Arg has been edited this year by Gary Pietsch, a senior journalism student from the Lake Pend Oreille area in the Panhandle.

With a typewriter and camera under each arm and a pencil tucked behind one ear, Pietsch with the able assistance of John B. Hughes, Managing Editor, covered all campus problems and "scoops" and gave them full treatment in the Arg pages and Golden Fleece. Not everyone may agree with the Arg's position during the past year, but all must agree that the paper was widely read and furnished the students a good coverage of the campus situation.

The paper began the year with a safe driving campaign where O'Callaghan, Steele, Pietsch, and McDevitt got theirs north of Moscow in a staged smashup. The pep band was a big issue and the Music department drew fire. The Arg covered the Dr. Robert Mavnard Hutchins' controversy to the hilt while encouraging students to vote, advocating pay hikes for educators, and plugging student recruitment. It developed the parking situation, carried both sides of the Autherine Lucy story from Alabama, thanks to Karen Taylor's letters, advocated an athletic department cut in personnel to gain more needed funds, and shook up the hill over the housing problem.

The highlight of the year was the 32 page "I Tower" literary magazine edition which took the place of an April Fool issue.

Crew chiefs for the year were Don Ingle, John Werner, and Don Nevile-Smith. An Irishman named O'Callaghan also got into the act with his fiery pen.

The reporters, copy readers, ad salesmen, and the proof readers did much to make the Arg successful. Although a young staff they always seemed to meet those eternal deadlines to make it one of the "best" years.

The Friday circulation staff is comprised of Carol Wachel, Mary Wyatt, and Donna Gale. Below: The staffers are shown here putting the next morning's Argonaut to "bed." On publication night, the Idahonian shop is the scene of reading proof, lost copy, inky type, and page proofs as Editor Pietsch directs the operations.

Gem of the Mountains

This is your yearbook. It's the culmination of many months of work, sweat, aggravation and frustration. These are the people who have worked the year through for the recording of the history of 1956.

The biggest thing of this year's Gem is the great job that all of the staff editors have done. Through the muddle of the photo-orders, and missing photo orders, unwilling instructors, frantic searching, and questions of, "Who's that?" "Where is it?" has come our book.

Deadlines created the greatest pressures. As the time for publication grew near, the days seemed to grow shorter, the spring more beautiful, and the language more profound. Nevertheless, the staff was saved from the fate of the psychiatrist, and the 1956 GEM OF THE MOUNTAINS became a reality.

A Year's Work

"Where are those Cotton Pickin' pictures?" "The Vandaleers again?" "Deadline, Already?" "Let's let Pietsch do it!"

Familiar sounds from the third floor sanitorium at the end of the long dark hall, just around the KUOI corner. Many hours have been spent, and by some slow and painful evolution from dummy to finished product we have an annual.

Here on these 336 pages we have recorded to the best of our ability, the actions of you the students, and the beauty of the campus around us (excluding weather, of course).

On the right and left of this column are the people responsible for this publication, the brains, and the worry. It's been work, but the hours of 3 to 5 on each day of the week have come to mean something to most all of us. The good times of the pictures that weren't printed, and the sweat behind the ones that were, have left their mark.

Many are the battles that have been fought on the third floor. Many persons besides those that are pictured are responsible. Through it all though, the green cover remained high on the shelf, not filled, but getting that way by leaps and setbacks. At any rate, it's filled now, and we who are facing you on this page hope you like it.

KUOI, "The Voice of the Vandal," had another outstanding year. The staff celebrated the 10th anniversary of the radio station in December with a birthday party given by the Exec. Board. New radio programs helping to make the year successful were: Lucky Strike News, Jill Corey Time, KUOI KUIZ, KUOI KANDIDS, and KUOI KAPERS. The studio, located on the third flood of the Student Union Building, with new controls and record files to facilitate broadcasting KUOI, under the direction of Station Manager, Jerry Chandler, has endeavored to cover all campus events by remote control and will continue to do so in the future.

Idaho's Vandaleers

People throughout the state thrill to the music of Idaho's Vandaleers, under the direction of Glen Lockery. The traditional candlelight Christmas concert was presented in December. Following a tour of the northern part of the state, the chorus presented their Spring Concert in April. The Vandaleers are one of Idaho's best recruitment groups, and their fine music is appreciated throughout the entire Northwest.

University Band

The University Concert Band, known for its fine concerts and the marching stunts of the Football season, is ably directed by Bandmaster Warren Bellis. The Band this year gave several outstanding concerts for the students and faculty.

Idaho's Pep Band was reorganized this year under the student direction of Neal Powell. Mr. Bellis served as faculty advisor to the group and Bob Whipple was assistant student director. The group supplied entertainment and enthusiasm to basketball spectators throughout the season.

University Singers, which is the largest musical group on the campus, is directed by Norman Logan. The Singers, which is open to all University Students, presented Handel's "Messiah" at Christmas and Brahms "Requiem" before the Easter season. The University Orchestra presented two concerts this year, including many of the well known, and well loved classics of the ages. In February they presented a few numbers for the Idaho Music Educators' conference. Here Warren Bellis presented a clarinet solo. May 24, the Orchestra presented their annual concert in the Auditorium.

Scenes from the annual orchesis show depict some of the fine work that was done by the organization this year.

Mortar Board

MARCIA THORNTON President

The senior women's service honorary, Mortar Board, is the organization of organizations for women students here on campus. Its members are easily recognized on campus by their distinctive white coats, and by their long list of outstanding activities. This organization chooses its members from outstanding Junior women who have shown themselves to be leaders in all campus affairs.

The mum sale of the homecoming days is one of the many varied activities of this group. All on campus also well remem-ber the suspense of the may fete as the names of the honored girls are read.

Row three: Rose-Marie Perrin, Mollie Godbold, Wilma Packard, Martha Sharp, Elinor Johnson, Marilyn Zigler, Dorothy Drayton, Jean Boyd, Gail Gruys.

JANE BONHAM President

The Spurs are a sophomore women's honorary organized to promote school spirit in various capacities. The distinctively-clad group is always "on the job," ushering at assemblies, ASUI-sponsored movies and plays, and all athletic events. They also attend conventions, hold exchanges with the IK's and the WSC Spurs, and perform at the May Fete where they wind the Maypole and tap new Spurs.

Spurs present their traditional Waddle at the last basketball game of the season.

IK'S

DICK WEEKS President

The contest – the competition – the long road to victory. Struggle, success, despair, defeat—all mark the Vandal season and the guy and the girl in athletics. The slide rule and horn-rimmed glasses are shed as varsity, frosh, and men's and women's intramural sports capture the Vandal interest.

VANDAL MACHINE

The University of Idaho Vandals in 1955 followed almost the same procedure as they did in 1954. After dropping the first seven games, the Vandals came to life and ripped the Brigham Young Cougars apart for their first win of the season. The Vandals then, fighting both the elements of nature and manpower, rolled over Montana to the tune of 31-0. The season wasn't as disappointing however as it may seem. Howard Willis and Wayne Walker were given honorable mention for All Pacific Coast honors. Statistics showed Roger Randolph, Pete Gerpheide, and Larry Aldrich as top-notch ends in the Coast conference. With a majority of the Vandals returning next year, their conference should improve tremendously.

Taking advantage of crucial miscues by the Vandals, the Utes of the University of Utah outplayed the Vandals in their twentieth annual football clash. The Utes showed superiority both in the air and on the ground. They completed six of nine pass attempts stacked against eight completions in twenty-one tries by the Vandals. Rushing yardage totaled 223 yards gained by the Utes versus 149 by the Vandals.

A rain soaked crowd of some 9,500 fans sat through a dull penalty laden game and were given little to cheer about by the Vandals as the team faced a powerful COP team. Only once were the Vandals able to put together any resemblance to a scoring drive and that fizzled as COP intercepted an Idaho pass deep in their own territory. Even though the Vandals lost they showed noted improvement as they hit hard on both offense and defense. The already thin ranks of the Vandals took another beating as they lost Ed Hilder for the remainder of the season.

A fumble in the end zone cost Idaho a first minute touch-down and Eivind Resa, star Vandal guard, was injured to the extent he will never play football again as the Vandals were defeated by a strong Oregon Duck team. The Vandals put together two second quarter drives, but failed to get past the Oregon ten on either occasion.

IDAHO Washington

The University of Idaho Vandals opened their 1955 football season by dropping a close, hard fought 14-7 game to the University of Washington Huskies. Coach Skip Stahley was extremely impressed by the fighting Idaho line which made three terrific goal line stands. Sophomore Howard Willis kept the Huskies on their toes all afternoon, as he showed his passing ability to its full extent. But this game seemed to take everything out of the Vandals until late in the season.

Seven defeats later the Vandals made everything click to stun the Brigham Young University Cougars at Provo, Utah. The Vandal line ripped savage holes in the Cougar line to lead Idaho backs to a total of 450 yards. The Vandal offense worked like a charm all the way, with only a pair of attempted passes failing to gain good yardage. Every signal called appeared to go for yardage. The Vandals were again on the march.

Although the Vandals did their first scoring in four games, they dropped a 33 to 14 decision to Oregon State College at Eugene. The Vandals held the edge in most statistical departments and trailed by only seven points early in the final quarter. But two quick OSC touchdowns in the last period put the game out of the Vandal reach. Even though the Vandals lost they were beginning to show some of that old fire.

Idaho's Vandals, playing potent football for nearly three quarters of their annual football clash, lost their defensive power in the last period, and bowed to their archrivals, the WSC Cougars. The Cougars' scoring came on a 28-yard field goal in the second period and a sixpointer in the third quarter. The loss was a complete reversal of the 10-0 Vandal victory last year.

IDAHO Montana

Led by the running of Ron Braden and Wilbur Gary the Vandals closed out their 1955 football season by smashing the University of Montana 31-0. A dreary rainstorm and a furry snowstorm failed to stop the Vandals as they charged through the Grizzly line for 321 yards net gain. Several seniors played their last game for the Vandals. One highlight of the game was when Coach Stahley slipped and fell flat on his face in the mud. The University of Idaho Vandals came home after taking a discouraging 47 to 14 defeat at the hands of the Arizona Sun Devils. A crowd of some 20,000 saw the Sun Devils rip through the Idaho line mercilessly for 338 yards net gain. The Vandals were hampered by a 90 degree heat and several of the main eleven had to sit most of the game out.

Frosh Season

The University of Idaho freshmen Babes started their season off on the right foot by rolling over the Montana State frosh 28-6. Kenny Hall, a Newark, Delaware product was the big gun by scoring two touchdowns and kicking four extra points. In the next game the Babes traveled to Seattle only to lose a 40-13 battle. The final game for the season, the big one for the Babes, was against the WSC Cowbabes. The ballgame was played in a blizzarding snowstorm on the Babes' home field. Going into the game as an underdog didn't seem to bother the Babes as they came out fighting with a 12-6 win. In this game Babes turned loose speedy John Miselick, who in 19 carries made 95 yards. The Cowbabes couldn't manage to move against the Idaho line, but were able to gain 71 yards through the air despite the snowstorm. Overall Coach Parberry did a commendable job with the material and talent, and is handing over badly needed support to Coach Stahley for the 1956 football season.

COACH HODGES

Vandal hoopsters, with mentor Harlan Hodges in his second year in Vandalville, had but a mediocre season, with a 4-12 won-lost record in PCC competition. After dropping two games to Montana State, and picking up one from Utah State, Vandal cagers traveled through the middlewest where they met some of the top teams in the nation, including Dayton University and the U of Kentucky, the U of Missouri, and Washington University in St. Louis. Idaho began its PCC play early in January with a double loss to the UCLA Bruins, and then moved to Palo Alto where they dropped two more to Stanford. They then moved to their home court at Moscow where they split with the Oregon Ducks for their first conference win.

After dropping two more to the USC Trojans, Vandals were forced to practice in WSC's Bohler gym during Idaho's second semester registration. Idaho's next series, against the California Bears placed the Vandals deeper in the PCC cellar with two more losses added to their record. Still jinxed by a lack of depth, the Vandals then dropped two more tilts to the University of Washington, but then came partially out of their slump the next weekend against a tough OSC five, winning one game and losing one. In the last series of the season, against the WSC Cougars, the Vandals seemed to come completely out of their slump, winning two games to end the season in eighth place, with the Cougars in the cellar spot.

Frosh mainstays

Frosh Season

Vandal frosh turned in a very outstanding season record this year. The frosh hoopsters chalked up a 12-3 won, lost record. The frosh proved to be very popular with the fans, and people turned out in number to watch this year's frosh court wizards. A two way tie for number one scoring spot in the intra-squad scoring race was seen with Harold Damiano and Jim Prestel both racking up 200 points for the season. Close behind the leaders was Lou Vesely with 190 points. The freshmen's three losses were spread out over the season with Fairchild taking the first game of the season 67-62. The second loss for the freshmen came at the hands of the BJC Brones to the tune of 60-50. The third and final loss for the freshmen was at the hands of the WSC Cowbabes. A last second shot from the key gave the Cowbabes a 60-59 advantage. Avenging the first defeat, the frosh came back to shoot down the flyboys from Fairchild. In the four game BJC series the neophytes took three and they handed the Cow College frosh four defeats in a five game series. The Gonzaga Bullpups fell before the Frosh twice and EWCE once.

Baseball 1956

Vandal diamondmen, with a 4 win, 10 loss, conference record, finished up the season in fifth spot in the five school ND league. The Idaho squad split their four game series against the Washington Huskies, picked up a win from Oregon, and handed the Cougars, this season's conference champions, one of their three losses for this year. Idaho started its conference season with ten games in but eight days, of which they were able to play only eight, winning five of these. Vandals started a six game road trip through Oregon and Washington which is commonly called a trip through Death Valley for the Idaho squad. After surprising sports fans with a 5 to 4 win over the Washington Huskies, the Huskies won the second game. In the southern tour, Vandals lost to OSC, and won from the University of Oregon, and one from the U of Washington. Sophomore hurler Doug Randall won the U of O game, and combined Idaho hitting served to beat the Huskies. Vandals dropped two more to the Oregon Ducks and then sharply rapped an alert Gonzaga squad in exhibition play. Their only other game was a loss at the hands of the WSC Gougars.

Members of the frosh team were: Row one: Ken Middle mist, Bob Handy, Don Smith, Jerry Schierman, Bill Evans. Row two: Walt Houck, Jack Acree, Denny Shoemaker, Frank Hausladen, Fred Wally, coach. Row three: B. J. Schaffer, Elwood Kintner, Val Johnson, Steve Kinkley.

Vandal Cowboys

The Vandal Riders had a big year, sponsoring a very successful rodeo and gaining recognition by the University as a school team. They were all out in competition this year, although they failed to take team honors in any of the rodeos in which they were entered. Loss of two members at the beginning of the season hampered the squad considerably for the rest of the year. In the ASC rodeo the Riders couldn't seem to get going as they placed way down the ladder in the fifth position. At the Vandal Riders sponsored Pomeroy Intercollegiate Rodeo, the Riders had a big fire going only to be extinguished in the few following days. 190 points were enough to give Vandal Gerald Bishop the all-around champion cowboy title and the engraved western saddle. California Polytechnic team was leading the Vandals by only ten points the first day. The second day they lengthened their lead considerably to beat Idaho 591 to 420. Vandal team captain Mic McCarty was two-day top prize winner in the bareback bronc riding event. Bishop was two-day winner in bull riding. Going home from the rodeo believing they had copped second place the Riders were very jubilant until they found that they had been knocked from second place into third.

GOLF

Idaho's divot diggers were faced this season with the lack of depth, with sophomore ace Dick Sheppard leading the team to their only dual meet victory, over the Washington State Cougars.

TENNIS

Idaho tennis squad dropped five straight ND matches this season and failed to win a single match at the ND meet but still managed to finish one point out of the cellar of the division.

Swimming

The Vandal finmen closed out the 1955-56 season with a 5 won-5 lost record. In overwhelming victories over EWCE, Montana, UBC and Utah the Vandals showed outstanding ability. With this record behind them the Vandals are looking toward the future with optimism. Standouts on this year's team were Fritz Holz, Byron Richards and Jerry Jones.

Frosh Team

With two victories over WSC: 61-20 and 57-20, the Vandal frosh swimmers ended the most successful season in the history of this sport at the University of Idaho. New frosh records were established in the 150-yard medley relay, 220-yard freestyle, 440-yard freestyle, 100-yard backstroke and 200-yard relay. It was indeed a successful year for the frosh tankmen.

Skiing

Vandal slatmen were the bright spot in the Idaho sports picture this year as they swept all competition before them, retaining their Regional championship, and ending fifth in the Nationals at Steamboat Springs, Colorado. Vandal Eirik Berggren took the National Nordic title for the second time in a row to take individual honors for the year. Several bad breaks hurt the Vandal skiers in the NCAA championships, dropping them to a lower than expected fifth place finish. But the men on the slats, despite their hard luck in the NCAA championships, are to be congratulated on a job well done. To add to the Vandal Skiers honors, was the All-American distinctions placed on Eirik Berggren and Reidar Ullevaalseter.

Intramural Champs

The Phi Delts refused to give up this year as they took third in touch football, moved into second in swimming, and into first place to stay there by copping first in "A" and "B" basketball.

Swimming

The Phi Delts proved to be the team to beat as the swimming intramurals came onto the sports scene. With 147 men entered into intramural swimming the Phi Delts easily copped the trophy to move them into second place in the standings.

Cross Country

The gruelling cross country race this year, which found men lying in an exhausted string between the golf course and the Ad lawn, was won by Beta Theta Pi.

Football

Chrisman Hall, looking like a miniature UCLA Bruin squad, overran all opposition to cop the intramural football cup to ease the pain of all their bruises and broken bones.

Basketball

The Phi Delts exhibited their basketball ability again, as they added the basketball trophy to their trophy case, by winning in their league and playoffs.

Winter Intramurals

Volleyball

Lindley Hall was declared the undisputed volleyball champs as they rolled over all opposition with a well rounded team of both tall and small men with lots of hustle and agility.

Table Tennis

The boys from Sigma Alpha Epsilon captured the intramural table tennis championship as Jack Adams took the singles championship and Bill Anderson and Bill Currie took second spot in the doubles.

Basketball

Behind the basketball ability of Wayne Walker and Jim Howard, the Phi Delts added the "A" basketball championship to their intramural championship drive.

Softball

After playing two games with Delta Tau Delta, because of a protest, the Fijis came from behind in the final innings of the last ball game to steal the softball championship from under the noses of the Delts.

Golf

Aiding the Sig Alphs in their long drive from sixteenth to fifth place in the final intramural standings, was a one-point victory over the Betas to give them the cup.

The World Has Ended

"The World Has Ended," a title, a passage, a truth for some 600 seniors, for our college years are over, and as one world ends, a new begins, with the good times of school left behind, and the memories carried, still to cherish.

This has been our task this year, we 100 members of the 1956 Gem of the Mountains staff. We have all

worked toward the perpetuation of these good times, the dates, the exams, the dances, the living group fun, the activities, and all that goes with them. We hope that ten years from now, when you turn through the pages of your Gem, you will have the moments and high lights of the year pass through your mind. If each picture can bring back some high light of the world that has ended, then our task this year will be well worth all the work that has gone into it to make it possible.

It is really quite a sensation to be handed \$20,000 and to be ordered to publish a book, that will record the happenings of the year. It should be one that will suit each of the 3,400 students, the faculty, and the alumni. It should also be one that will be looked upon in the high schools as a drawing card for the University, and most of all, one that will include to the sat-

isfaction of all, in each of their mind's eye, the memories of the year.

In order to go about such a task one must select a staff, or in instances recruit. This is where the 1956 Gem was unique, for each of the staff could be said to be top notch. If the book meets with your approval, it is because of these people, and their efforts.

First on the list, is next year's editor, Louise Tatko. A stable hand in time of need, always ready to take on the most difficult task, and always there with a well done job. Many thanks go to Bob Lindborg, of Artcraft Engraving Co., and to Jim Gipson of Caxton Printers, Ltd. These men make the book, and they leaned over backwards so far to make this book a top grade production that at times I thought their backs would break. Paul Evans, Jim's artist helper, whose art work adorns the opening section and the division pages, deserves a pat on the back too.

Gary Pietsch, friend, fellow corporation man, and fraternity brother, was a strong arm when trouble hit the art photography assignments. His pictures, along with the sparkling photos of Bob Hatch and of Bob Stolley, make up our division pages, and opening section. Ross Hall of Sandpoint added the professional touch with the brilliant shots seen in the opening section. Tom Stroschine, gung ho with a capital G, was inspirational. Also, to Paul Muhonen, and Barker Weston, the men in the dark room who are responsible for the picture quality, goes a vote of appreciation.

Outstanding jobs were done by Jan Willms, Dave

Hogge, Myrt Williamson, Pat Friend, Rowena Hasbrouck, Joanie Wicklund, Bill Harward, Max Burke, Jackie Lavens, Nancy Norton, and all the staff heads. Karen Warner, secretary for the first semester, kept the books straight and gave us a boost when we needed it in the beginning. Violets to all. My only comment is that I will be sorry, if when you read the sections of their work, you don't make it a point to say thanks to them. This book represents about four hours' work for each and every picture in it.

I hope that we have scratched the surface of something new in University of Idaho's Gem this year. You will notice many changes. We all hope you like them. Each section has a new innovation, or idea. All of them are aimed at better coverage of the things that we hope you will want to remember in the years to come.

Yes, the world has ended.

and the pages of time are recorded here in this book, and remain here as you slip through the sands of life. For some, the world begins as it ends, as we take advantage of the opportunities that we have all afforded ourselves through the University. As the doors between the two majestic towers shut, there are other doors just ahead which are open. As we look back, we regret that the stay could have not been longer, but as time passes, the world of college becomes a glowing memory, filled with good times, and of quests for knowledge. This is our heritage, to make the University a place known for our achievements, because we owe it much, and although we can never return to the carefree days as a student, we will remember them and look back on them with fondness, as days well spent.

We of the Gem hope that this book will be an adequate guide in your trips back to these years. We hope that we have recorded *your* memories here, and caught some of your ramblings. Good luck, and good health.
