THE UNIVERSITY OF IDAHO MOSCOW, IDAHO

HOREWORD

College—a colorful, spectacular panorama where students and professors share the limelight—where biology vies with boyology—a home away from home. Here we find professors, using their wisdom and knowledge to guide and direct—students—bored, eager, interested, tired—And classes, some stimulating, other tiresome; all designed to further the learning process—The gay social whirl of afternoon coke dates, football games in the fall, stiff formal functions, gay costume dances—And the quiet times—chatting with a roommate or friend a walk through secluded spots with a chosen partner, a solitary moment to reflect on world affairs or a moment of meditation with an unseen, greater power—All of this culminated by the wistful nostalgia of graduation day.

We of the 1957 GEM OF THE MOUNTAINS staff have tried to record a part of these times in hopes that in the years to come these memories will be more real to you.

EDICATION

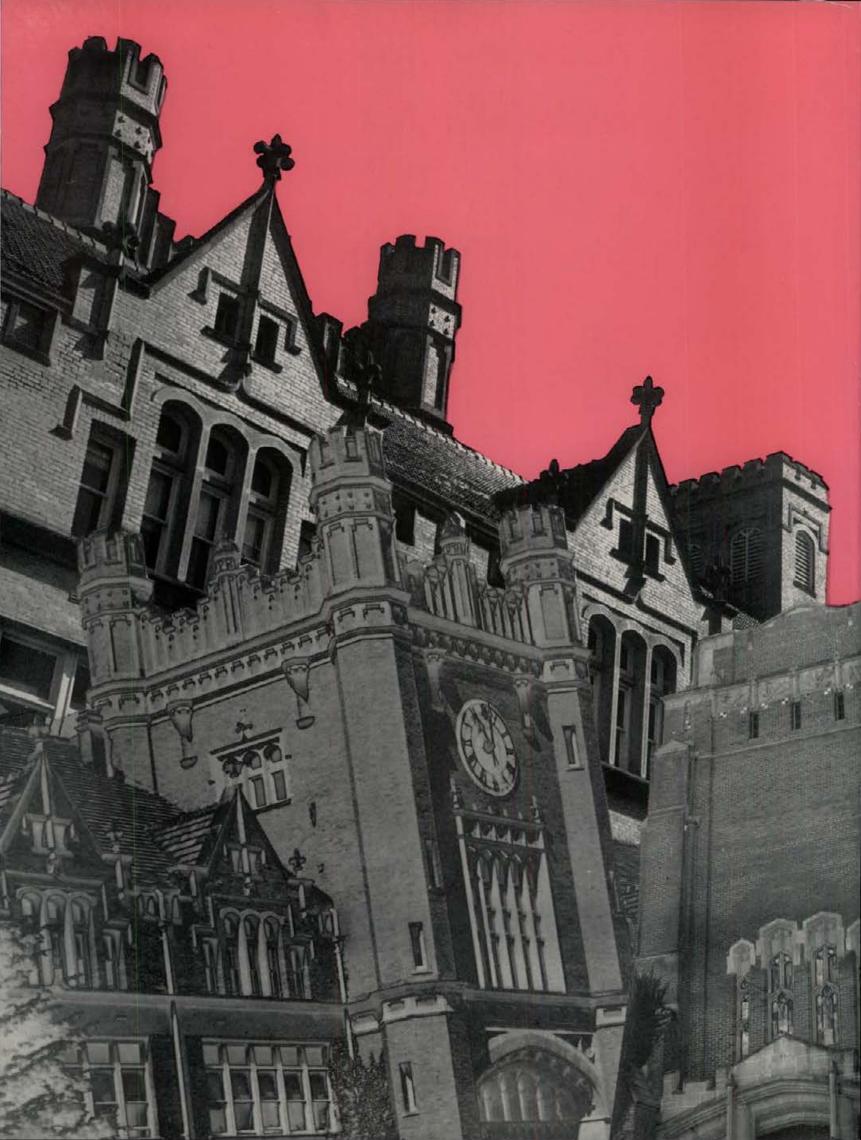

A friendly counsellor—a sympathetic listener—an understanding companion—a helpful advisor—a lady who has devoted much time and energy to the service of our university.

A native of Lewiston, Idaho, she received a B.A. from the University of Washington and her M.A. at Columbia University. Working as assistant Dean of Women for five years, she accepted the position of Dean of Women in 1943 and has served in this capacity for the past fourteen years. In appreciation for the service, ideals, and standards which she has contributed to our school, we humbly dedicate the 1957 GEM OF THE MOUNTAINS to DEAN LOUISE CARTER.

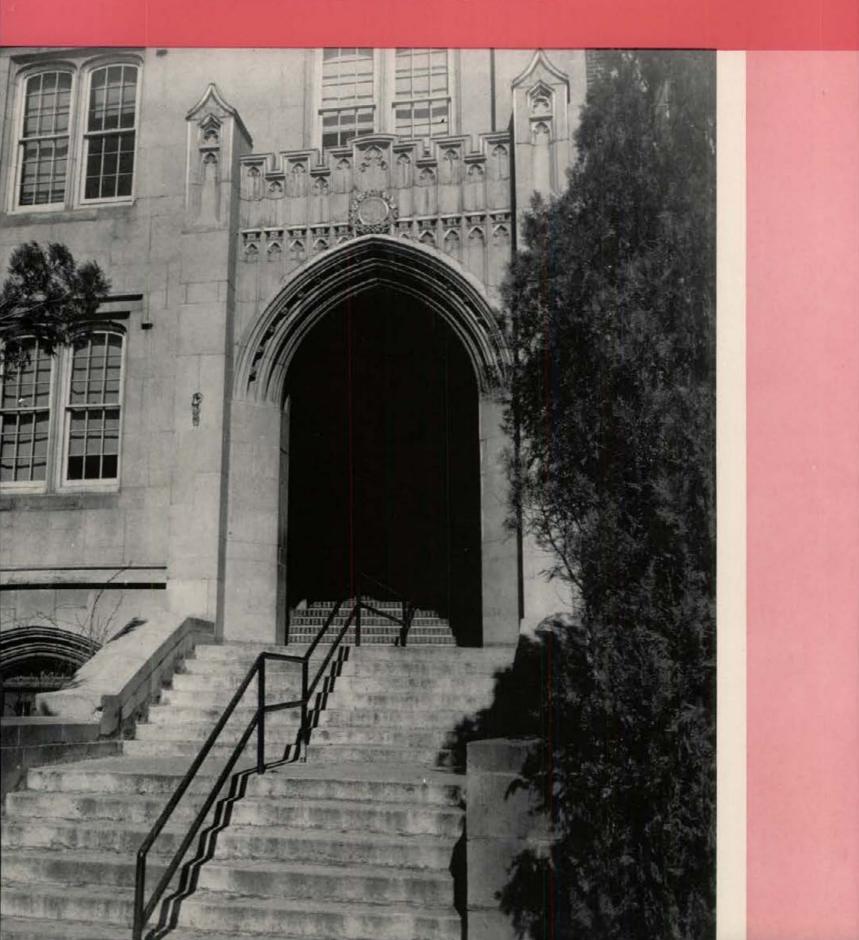

"Hear the story of our school

pattant

days, of fraternity. It's about the place we love so,.... It's our University".....

The towers of our campus—telling a story in themselves—the Ad building with its time of day—the Memorial Gym with its high Gothic tower—the old buildings and the new found on all parts of our campus —teaching a lesson—serving as a watchword—excelsior! A strange thing about the familiar is that it is often taken for granted. This is true of familiar campus landmarks. Pause for a moment and consider the beauty of these our campus buildings.

Opposite page-

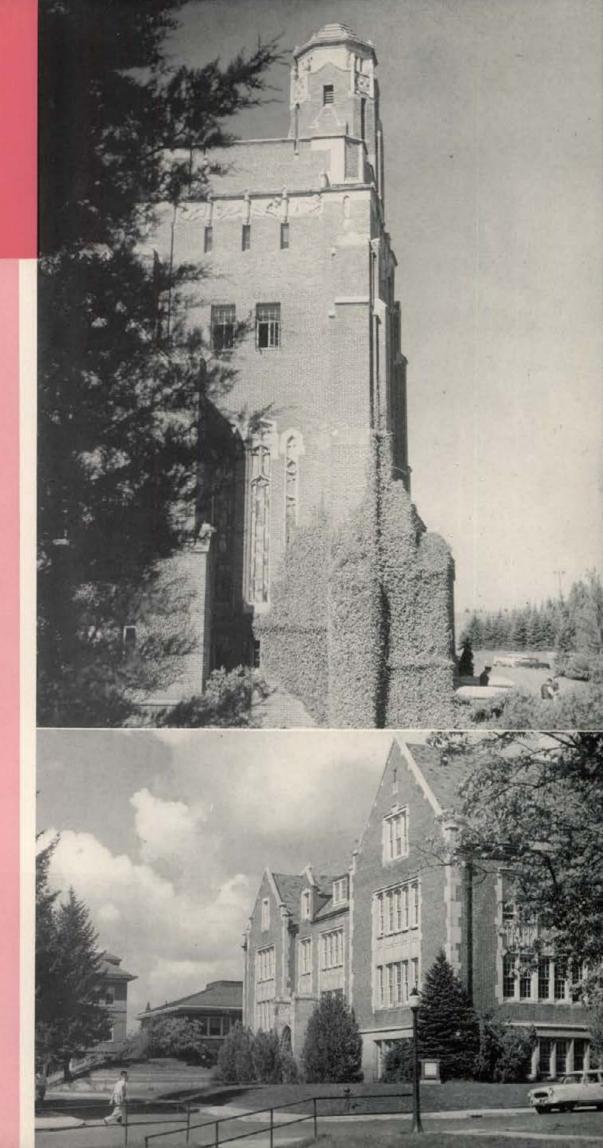

As students pass through the entrance of the Science Building they see the words "Prove all things." Many hours are spent within the walls of this building striving to live by the motto above the door.

Above-

This building is perhaps most familiar to the male Idaho student, for it is here that he encounters the military department and the physical education department at our school. But who can look at this picture without remembering the time you came here to help cheer the team on to victory, or to hear a community concert, or perhaps to spend an hour listening to an address concerning a national event of our times.

Below-

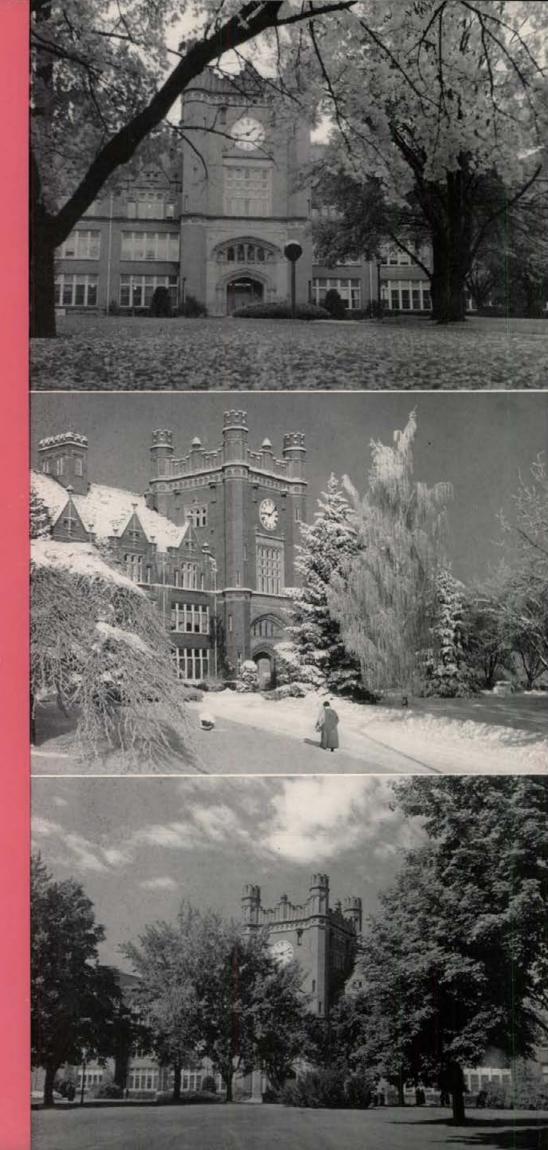

And here is another view of the Science Building, exemplifying the Collegiate-Gothic architecture which dominates the campus. All buildings on the main campus square conform to this style of architecture which lends a scholarly atmosphere.

The leaves of red and gold, half on the trees and half on the ground with the smell of autumn in the air and talk of football on everyone's lips typifies the campus as the student finds it in the fall. The Administration building is the familiar landmark which greets the returning Idaho student and the new frosh.

Campus life goes on and fall turns into winter. The trees and ground are blanketed in a beautiful white as students wade the snow to class, basketball games, and hot coffee in the Bucket. And now the building with the clock is resplendent with its sparkling white cover.

And suddenly—almost overnight the snow is gone and the trees are budded as the campus arrays itself in a springtime dress of beautiful green. It is now time for picnics, beautiful formals, and graduation. As the seniors say farewell to the University they see the Administration building nestled in its green surrounding—symbolizing Idaho.

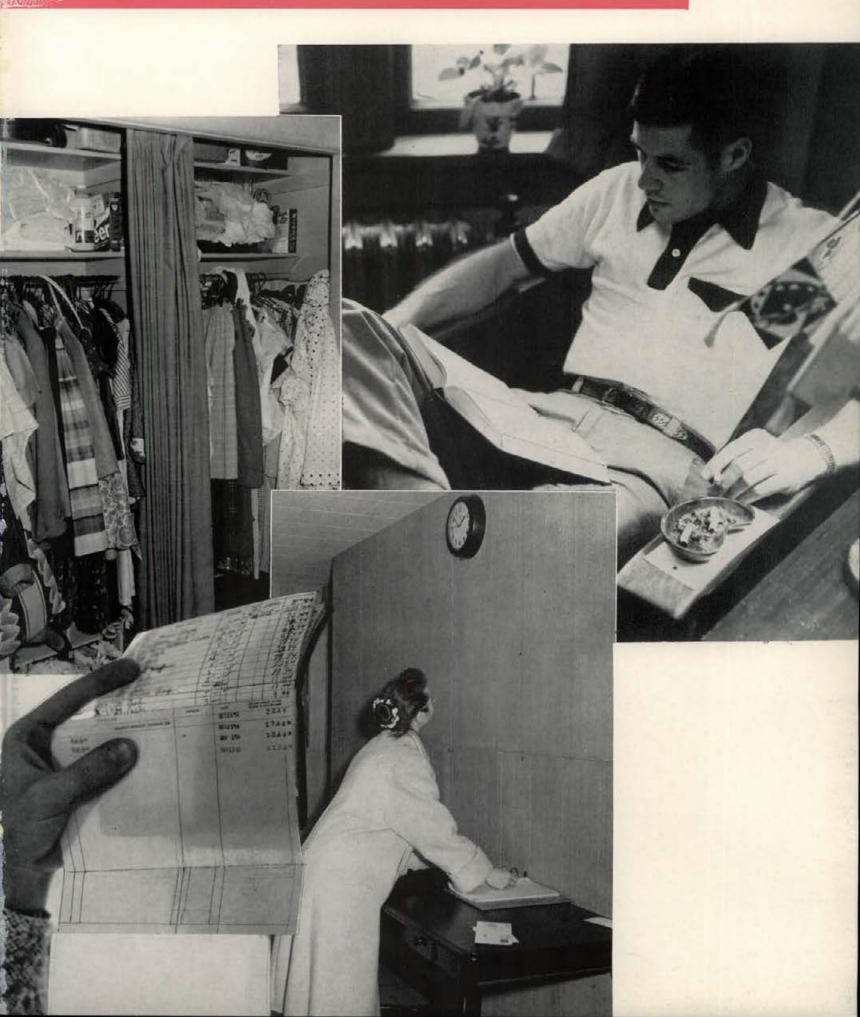

"All our pleasures...

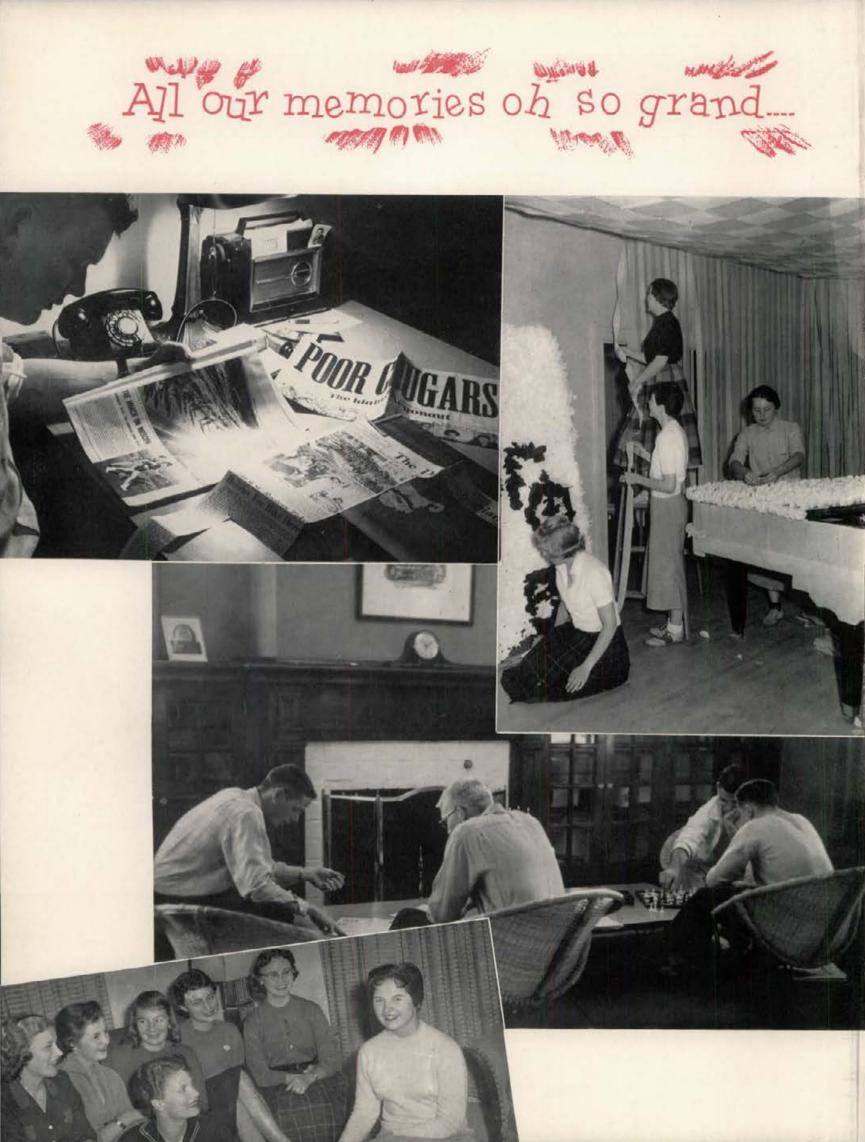

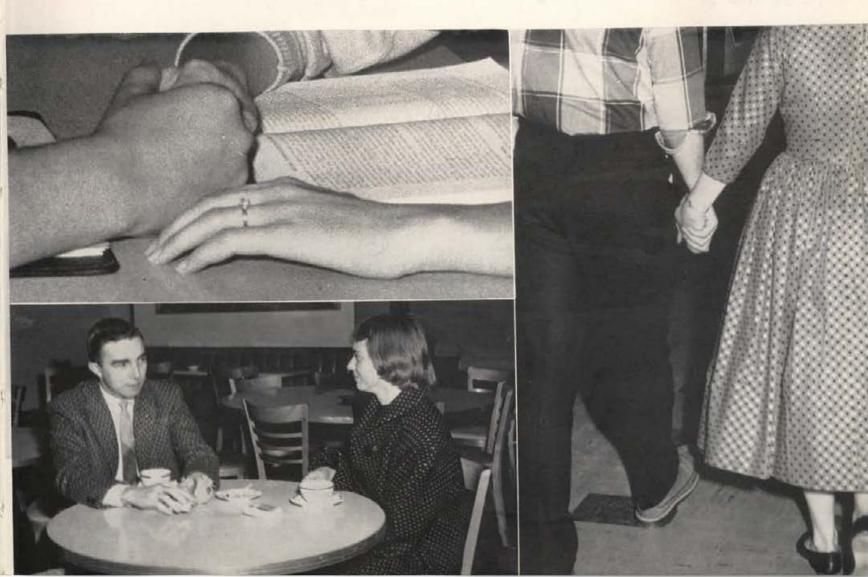

All our worries....

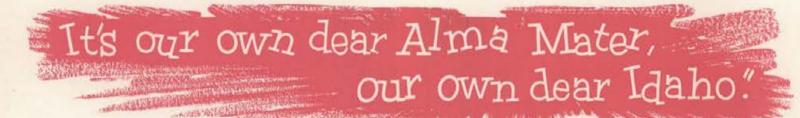

K's the best in all the land."

"It's the place we'll ever cherish, It's the place we all love so.

All our trials and tribulations

ADMINISTRATION

This is the business side of a college education. Keeping the University running on a smooth basis, these offices and departments efficiently solve many of the problems involved in obtaining a degree in the field of one's choice. From the Governor's office in Boise to the Executive Board room at the Sub, decisions come affecting the everyday life of the student. With the needs and desires of the campus as the first consideration, the administration aims for the goal of harmonious college life.

HRONOLOGY

Rush and orientation, Football thrills, "Girls in pretty dresses" danced to the music of Buddy Morrow and Les Elgart, Basketball and the Spur Waddle, Campus Chest Carnival, Sig Alph Olympics—Just mentioning these brings back the recollection of a full year to the mind of the Idaho student. 1957 saw its share of conferences, serenades, plays, cruises and Queens. All these experiences add up to the "memories, Oh so grand" of the friendship and fun of college.

Fall

Social Section

Football games on blustery days, gay costume dances, Homecoming floats these set the social merry-go-round whirling. Coffee and cards in the Bucket, snowball fights, and spring formals are all extra-special moments at Idaho.

Exhausted but successful, Wilton Riggers won the annual Turkey Trot.

Rush

As new coeds walked past crowds of fraternity men going to the house of their choice, and the boys picked up their final bids, rushing was brought to an end. The days set aside for Rush had competition from Frosh Orientation, assemblies and freshmen tests.

> After final bidding the Kappas greeted their new pledges with the traditional "Big and Little Sister Fireside."

"SQUEAL DAY," long awaited by the men as well as the sororities, finds the Alpha Phis greeting their new pledges.

Registration

Phillip Norman Johnson, New Plymouth, is shown setting a new all-time record for fall enrollment at the University of Idaho as he fills out class cards. Mrs. George Reilly, who helped register the previous high of 3,673 in 1948 when over 2,000 World War II veterans were enrolled, assists Johnson in becoming registrant No. 3,674. Others registering have now brought the total past 3,700.

Frosh Orientation

Freshmen Steven Bolz and Carol Rouland from Fruitland, take a breather in a typical campus setting during an orientation period known as "New Student" days. Classes began Monday, September 24th.

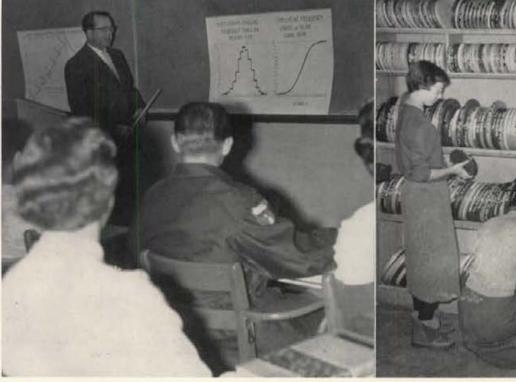

Mrs. Harriet Cummerford, hostess of the Permeal French House where 60 coeds reside, greets two students to their new "home away from home." Charlotte Aldous of Salmon and Lois Seubert of Ferdinand begin "New Student" days in the newest of the university's four halls for women.

Taking a break from the rush of orientation, these four coeds from Kellogg relax under a tree on the campus to see which meeting they next attend. Seated (left to right) are Peggy Legard, Darlene Johnston, Sandra Fritz and (standing) Sydney Johnson.

Classes Begin

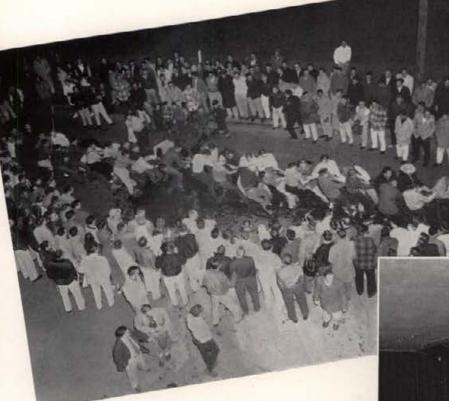

Fall began and so did first semester classes on the University of Idaho campus. But it was rather hard to get back into the routine of carrying books.

Graphs, maps and other visual aids help the instructor put his point across.

Time Out for ... FUN

Studies sometimes compete but the campus continues to find time for just fun.

W. S. C. and U. of I. Game

The score of the annual Battle of the Palouse again favored the cow college, and we once more donned our hiking shoes for the trek to Pullman. Led by Arg Editor John Hughes who rode most of the way, 200 weary Vandal supporters were on hand when met by a welcoming party from WSC. The traditional feet washing followed, after which WSC treated the hungry Idaho crew.

Homecoming . . .

Homecoming was a week long to be remembered, thanks to Chairman Dick Gaskins. The Homecoming Parade featured many beautiful floats with the Delts and the Alpha Phis capturing first place and the Fijis and Alpha Chis taking second. The Vandalettes were an added attraction this year to the traditional parade.

Blood Drive

"Be a Lifesaver" said Co-Chairmen Marie Van Orman and Bill Deal, as the 1956 blood drive hit its high. A team of nurses and doctors drained 827 blood jugs from the U. of I. students, only a few pints short of the set goal.

Class Elections

Independents swept the class elections this year, winning twelve of the sixteen offices. As national elections were held the same day, students also had a chance to vote for favorite state and national candidates in a mock election. Play Ondine

Colorful student-made costumes, varied settings, and a fascinating comedy plot combined to make "Ondine" one of the year's best productions. This fantasy, complete with knights and mermaids drew a crowd of nearly 2000.

DAY

Marcia Ellis and Clark Anderson, co-chairmen for Dad's Day made this eventful weekend a huge success. Besides the traditional beard growing contest, much competition was seen in the house decorations. Winning first place in this were the Kappas and the Betas. The Thetas received a trophy for the most Dads and the Tekes for the Dad farthest away. The Dads themselves were well rewarded with an exciting ball game with Oregon State.

Ray Morgan, Dan Newton, and Jason Troth won the novelty beard judging contest by spelling "Damn Them Beavers" in their whiskers.

Tri-Delts and dates came as they were at their "Bridey Murphy" dance.

The first exchange between our IKs and Spurs and the Cougar's IKs and Spurs was a very successful affair, with an evening of dancing and refreshments.

The fall events were brought to a close with an IK-Spur exchange with the WSC IKs and Spurs and several one-act plays. All in all, the fall season had a fine kick-off, and now we are ready for winter.

The members of the one-act play, "The Deadly Mistletoe" are shown in a tense scene. The thriller was written by University student Jim Flanagan and its premier performance was given at Christmas time under the direction of Mary Ellen Bennett.

WINTER ACTIVITIES

Winter Arrives ...

The Beta characterization of "Jubilation T. Cornpone" of "Li'l Abner" fame easily copped the first place trophy in the men's division.

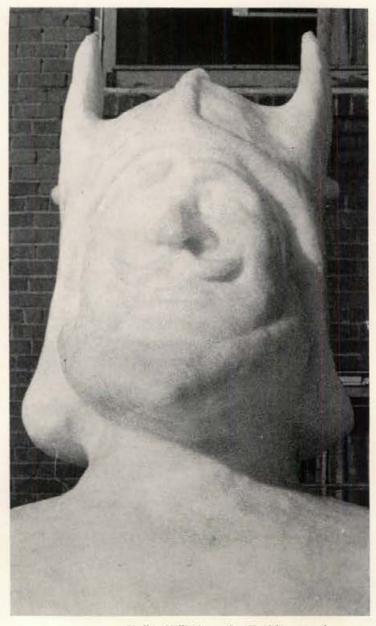

A gigantic snow dragon, complete with a red cloth tongue carried out Pi Phis theme of "ST. GEORGE AND THE DRAGON" and brought the group first place in the women's division.

Winning second place in the women's division was the traditional Theta "KAT."

All living groups entered enthusiastically into the first campus snow sculpturing contest, sponsored by the Intercollegiate Knights. Living group members turned out to work on statue entries for several days. Predominant sculpture themes were school and living group symbols and cartoon characters. Although the snow structures disappeared with a few days' sun, the contest promises to be an annual affair.

Lindley Hall's impressive Vandal was made to resemble a marble statue by the use of icing.

The sophomores put in many long hours making decorations for their dance.

Holly Week

With the arrival of snow the Sophomores celebrated their traditional Holly Week. The Bucket, gaily decorated with Christmas trees, boughs and multi-colored lights, played host to an impressive style show. A serenade and dance, with Carol Wachal reigning as Holly Queen, climaxed this pre-Christmas festivity.

Opera

The outstanding production of the year was the comic operetta "Cosi Fan Tutte" or "Women Are Like That" by Mozart. Produced by the Department of Music in collaboration with the Department of Dramatics, it was set in Seventeenth Century Naples. The plot of the light comedy hung on the theme, women are fickle, or at least that men may safely assume that this is the case. In the leading female roles were talented Marigay Nelson and Faye Udell and the male parts were played by Laried Montgomery and DeLance Franklin.

Wayne Benson playing the part of an old philosopher convinces DeLance Franklin and Laried Montgomery that women are not to be trusted.

Betty Potter looks on as Gale Mix hands the pitchfork to Betty Riedman, Ethel Steel, winner of the Fabulous Fibs Contest sponsored by the Argonaut.

Dick Sheppard is given close chase by other members of I Club as they go through initiation at half-time of the ball game.

The annual ski dance, sponsored by the Vandal Ski Club, was highlighted by the crowning of Launy Fitzgerald and Carol Barlow as king and queen.

Over 60 robe-elad Vandaleers took part in the candlelight procession which marked the opening of their annual Christmas Concert.

The Vandaleers, under the direction of Glen Lockery, presented their 20th annual Christmas concert in the Memorial Gym before an audience of over 5,000. The program, which was broadcast coast-to-coast, followed the annual theme, "Christmas Candlelight Concert." Mozart's Mass was presented by the group as a special part of the program.

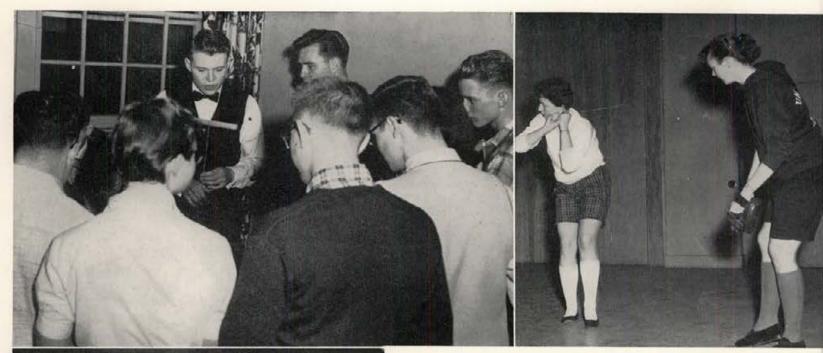

Eleanor Mader and LeRoy Bauer presented a suite antique violin duet as part of the concert program.

Borah Peace Conference

Three outstanding authorities on the problems of Asia and the Middle East spoke at the annual Borah Peace Conference. This was the tenth annual meeting to develop discussion of the causes of war and conditions of peace in a troubled world.

Claude A. Buss, professor of history at Stanford University and a former member of the U.S. Foreign Service, spoke on the "Price of Peace: The Challenge to American Diplomacy."

Harrison Salisbury came to Moscow, USA, as the New York Times' chief Moscow, Russia, Correspondent. His talk was "Report from Moscow."

Professor Buss discusses the agenda briefly with Dr. Hosak, the chairman of the conference.

Blue Key Talent Show

It wasn't an easy decision for the judges as they were forced to pick the winners of the annual Blue Key Talent Show. Dale Carlisle awarded a trophy to Ed Pena and Ed Weinstein, who sang "Perfidia" and "Guadalajara." Other trophy winners were Louretta and Ralph Alley, Delroy Lechelt, and the Kappa Kappa Gammas. Dave Maxey, Roger Thieme and Al Dingle kept the show going in between acts.

Spring Activities

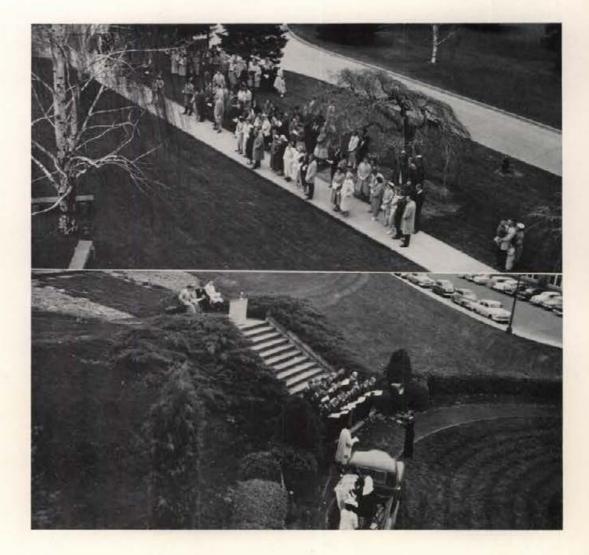

An address by U.S. Senator J. William Fulbright highlighted the spring public events assemblies. Idaho heard his views on "The United States in World Affairs" at the Memorial Gym on April 26. A former University president, Fulbright is probably best known for his scholarship program.

Easter Sunrise Service

The Easter season was observed on the campus by a sunrise service at 6:30 A.M. on the steps of the old Ad building. The principal speaker, Lt. John Shumway used as his topic, "Easter Comes to America." Sacred music .was presented by Marigay Nelson, Rochelle Thornock, and the Army ROTC choir.

An early morning crowd gathered for the sunrise service on Easter morning.

Bob Whipple directed the Army ROTC choir as they presented sacred music for this special service.

Girls from all the living groups participated in the Home Ec sponsored style show.

This morning finds the Delta Chis and Thetas cleaning up around the Perch as their part in the annual Campus Clean-up.

Gary Ringert, Pat Sparkman, Jim Harris and Patty Lou Robinson seem to think spades are a good bid as they play bridge in the tournament.

Joyce Weaver, Fred Ringe, Jerry O'Connell and Jo Pennington are making sure they are adequately protected from the flu bug that is going around campus.

A Spring theme was used in decorating the gym, complete with trees, flowers and colored spotlights.

Couples moved closer to the stage to hear the "Chord-o-Roys," a talented quartet from WSC.

Junior-Senior Prom

Les Elgart, popular bandleader and trumpeter, brought a sell-out crowd to the Memorial Gym for the Junior-Senior Prom, "Sophisticated Spring." Especially enjoyed was entertainment provided by the Chord-o-Roys from WSC.

Skirts whirled and toes were stepped on as everyone tried to dance on the crowded floor.

Hailed as the "trumpet player's trumpet player" Les Elgart brought his "sophisticated spring" to the gym.

Spring Hits Campus

The Spring evenings were filled with dances of every size, shape and style. The Phi Delt Story Book Ball was talked about weeks before and after. Occuring every four years, they went all out on costumes and decorations to make it a dance they will never forget.

It was no secret to these people that this was the Fiji Hell Dance.

Judging from the crest, we would guess this was the Teke Formal.

Suddenly we discover that there are also Russians in this Moscow.

Eva Barber and Stan Daniels attend the dance at Hays Hall.

Mother's Day

With the coming of May preparations for Mother's Day begin. This year found most of the activities occurring indoors, due to low clouds hanging over the usually "sunny" campus. May Queen Sue McMahon still looked lovely as she and her court watched over the many activities from the throne in Memorial Gym.

Opposite Page-

Opposite Page— Orchesis, Helldivers, the Maypole Dance and tapping for many or-ganizations kept the weekend full for the visiting mothers. This year found many living groups com-peting in Song Fest with Fijis-Alpha Phis, Sigma Nus and Hays Hall coming out on top.

After Song Fest many mothers and daughters were seen at the Sub where a tea was given in honor of Dean Louise Carter.

It was a happy day for thirteen juniors as it was announced they were the new Mortar Board members.

SPRING EVENTS

Forestry Week

Foresters kept the campus buzzing one day as they demonstrated man-power versus machine-power in sawing logs. This was part of the celebration of Forestry Week during April.

Little International Week

Displays during the Little International Show provided various departments and organizations in the College of Agriculture a chance to show their year's work and progress. A week long observance during May was highlighted by awards presented at the end of the show on May 18.

The dairy husbandry display shows the latest techniques used in the Industry.

The Agronomy Club project centered around the State of Idaho.

Graduation

Awards highlighted the Sixty-second annual commencement ceremonies on June 9, 1957. Outstanding seniors, alumni, and retiring professors were among those honored by the University. For the married students, "PHT" degrees gave wives deserved pats on the back for "putting hubby through." These honors served to point out the hard work which precedes the presentation of a degree or recognition by a university for service.

Receiving recognition for their years of service were these retiring faculty members, Claude W. Ashby and J. Hugo Johnson.

The Vandaleers, directed by Mr. Lockery, presented a final performance for the year during the program.

Governor Robert E. Smylie addressed the 1957 graduating class from the stage in Memorial Gymnasium.

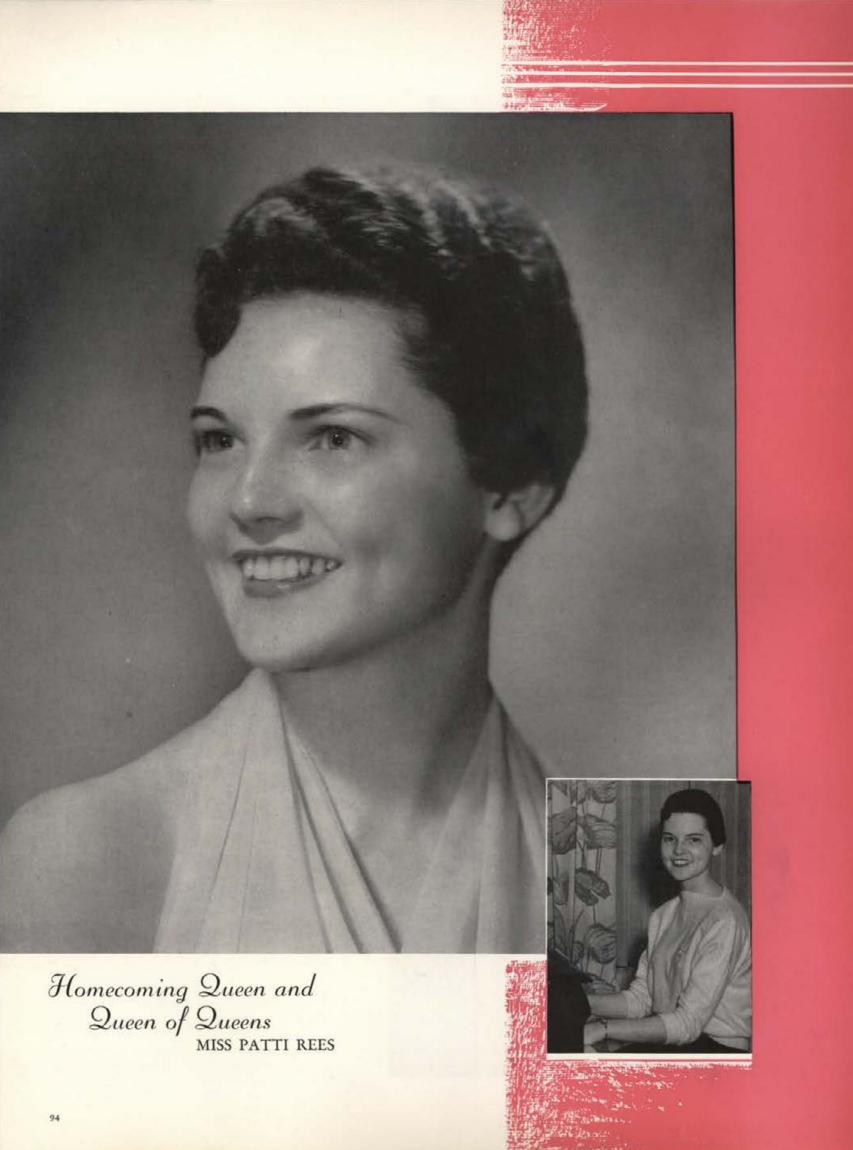

Wearing academic gowns signifying degree and college, the faculty led the procession to Memorial Gymnasium where the Commencement exercises were held.

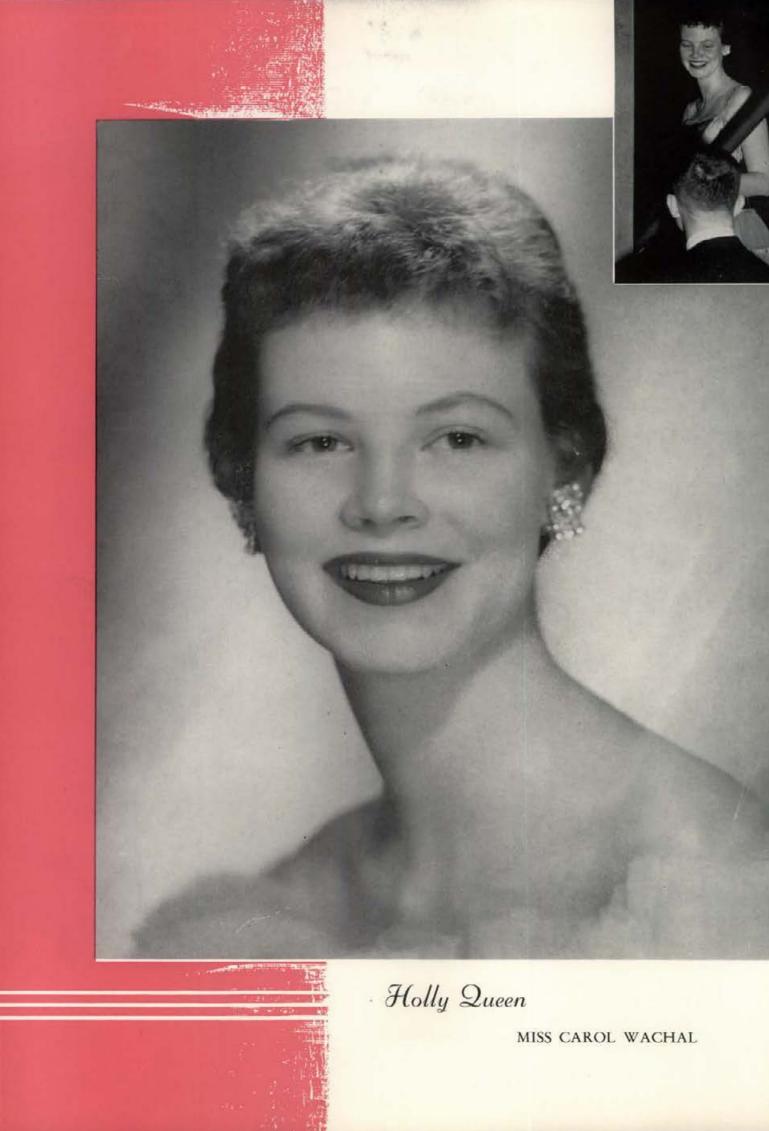

An impressive sight on Commencement day was the line of seniors marching to the Gym to receive their diplomas.

In a crowded gymnasium, friends and relatives watched as the 759 seniors in the Class of 1957 received their degrees.

The Frosh finds ample opportunity to learn about college life through the variety of extracurricular activities at Idaho. Debate, Arg., Hell Divers, Vandalettes, Pep band, ASUI Committees—All these mean hard work but rewarding contacts with representatives of all campus groups. These clubs and committees serve to broaden the interest in new experiences and new friends.

Spurs . . .

One of the most active organizations on campus is Spurs, the sophomore women's service honorary. These girls in white can always be seen bustling around performing their almost endless lists of duties. They ushered for all ASUI functions such as movies, plays, and conferences; assisted during Frosh Orientation, the Blood Drive, and the Gault Hall Scholarship Drive; and registered participants for all conferences. The annual Spur

Waddle, where the girls demonstrate their marching ability, was held during the half of the Stanford-Idaho basketball game. Also on the Spurs' crowded agenda were banquets given for the IKs and the past Spurs on campus. The past Spurs were also honored with a Christmas party. Giving advice and adding sparkle to the meetings was Mrs. W. H. Boyer, Spur advisor.

Officers of this year's Spurs are: Cathy Cannon, Sandy Yost, Chris Mackert, president; LaRae Sasser, Carol Wachal, Carolyn Edwards, Jan Novak, Elaine Hieber, Lana Huschke, Mitzi Switzer.

The popular Spur Waddle was held this year during the half-time activities of the last basketball game of the season.

Row One-Mitzi Switzer, Carolyn Edwards, Sandy Yost. Row Two-Lana Huschke, Jan Novak, Elaine Hieber, Mrs. W. H. Boyer, Chris Mackert, Jane Bonham, Cathy Cannon, LaRae Sasser, Carol Wachal. ... IK's

The IKs are a hard working bunch of sophomores chosen by their living groups to represent this service honorary. Their jobs are many, including: ushering at social events, football and basketball games, working in the blood drive, and doing just about any job that needs done. Each year a banquet is held with the Spurs and the annual awards are given.

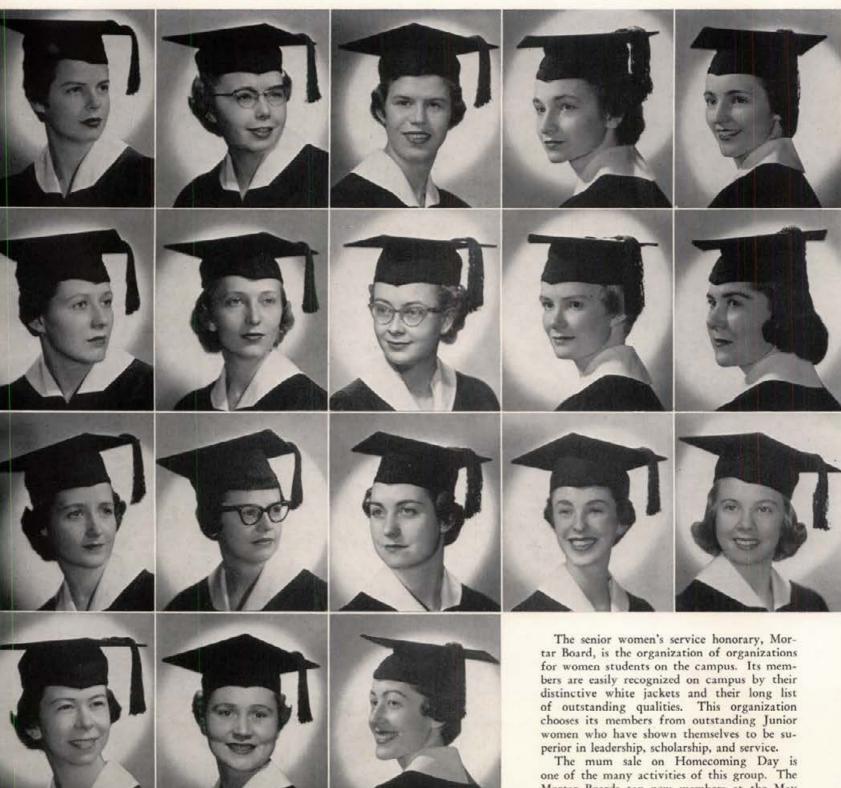

The IK officers in row one are Felix Marcolin, Don Ingle, John Chapman, Al Miller. Second row are Pat Albano, Bob Parks, Dave Hogge, Ed Keller, and Petc Ostrander.

One of the IK projects is the book exchange held each semester.

Silver Lance is one of the highest honors a student can receive while at the University. To become a member of this honorary one must have already proven himself. A member of Silver Lance must be popular, a leader, a good student, and have an outstanding record of achievements. This is the kind of an individual that is tapped for this senior honorary. Each May Day this group taps seven more out-standing junior men for membership the following year.

Gem of the Mountains

LOUISE TATKO CUMMINS Editor

And here they are! Yes, here are the people who through many long hours of hard work are responsible for this 352 edition of the 1957 Gem of the Mountains. Not all of our work has been pleasant and smooth sailing, but if each person who reads this book can gain even a few moments of enjoyment through reminiscing, then we who are facing you on these pages will feel that the time spent was worthwhile.

Perhaps the greatest change in the working of the book this year was in eliminating the photo-mounting by the staff. This task was taken over by Jim Gipson and his crew at Caxton Printers in Caldwell. Nevertheless the same headaches of mixed up photo-orders, missed pictures, and frustrated photographers still occurred. Many deadlines were not met, much copy was re-written. But through it all we managed to come up smiling and our editor even managed time for a wedding in the midst of it all.

A yearbook is the recorded history of a student's year at school. And so we present it to you. It is yours for you are the people who have made it possible. We hope you like it.

Head photo-editor Bruce Wendle, deserves a big thank you for taking over the management of the photo set up and organizing the photographers. Darkroom manager, Larry Courtney was always on hand to be sure that something was developed. Idaho Argonaut

The year 1956-57 was a year of expansion and exciting news events for the Argonaut, the student-administered campus newspaper. It took a larger staff to cover a campus growing in numbers and enthusiasm.

The Arg got its biggest scoop in reporting the tragic news of the Gault Hall fire which killed three students. The paper was the first to give the names of the dead students and a full account of the fire which broke out during early morning in mid-October. A special edition was published and distributed on the campus early the night a student confessed to setting a campus fire. It was one of the Arg reporters, Paul D. Matovich, later convicted of second degree murder in connection with the Gault fire.

The widely read paper was quick and thorough in its job of speaking for the students. The Arg backed future expansion of the Student Union, continuously pushed for more legislative support for the University, encouraged a shakeup in student activities to eliminate needless organizations.

The paper, and especially the editor's Golden Fleece, was outspoken and critical. It challenged Religious Emphasis Week; asked for more administration consideration for students in legislating policies, rules and regulations which closely involved student life; advocated a more loyal sense of belonging to the state university; and harped about the mounting number of queens, weeks, events and activities which involve student time.

The Arg was edited by John B. Hughes of Lewiston who stressed that the staff's job was to produce a newspaper for the students, and not merely a campus bulletin board. He was assisted by managing editors Dean Judd, Don Ingle and Don Nevile-Smith.

The paper initiated a strictly women's page which included news of interest mainly to coeds.

Columnist Bill Bates and Jason drew fire for extremely pointed articles. The editorial page attempted to objectively cite behind the scenes information and point out the needs of the people of the University.

the needs of the people of the University. Hughes called the staff of some 60 students, "the most hardworking, sincere and loyal group of individuals I have worked for."

KUOI

Eleven years ago, a small group of students put the first Campus Radio Network program on the air from a make-shift studio in a corner of the Electrical Engineering lab in the Engineering Annex building, behind the Home Economics building. Now this campus radio station broadcasts continuous programs 7:30 to 11:00 every week day from the third floor in the Student Union Building. The Voice of the Vandal includes a suite of five rooms with a UP teletype, a five-watt transmitter, a high fidelity tape recorder, a remote amplifier, and this year there were two brand new "Gates" three speed turntables installed.

According to ASUI General Manager Gale Mix, a long range plan calls for expansion and erection of a new broadcasting studio with piano and necessary equipment for studio production which is estimated to cost between \$5000 and \$6000.

This year KUOI has been run by about 25 announcers and 10 to 15 on the office staff. Station Manager this year is Bill Vermillion.

Neal Powell and Dick Gaskins were co-chairmen of the Blue Key Talent Show.

Debaters . . .

Delta Sigma Rho, the debaters' honorary is made up of all of the top intercollegiate debaters in the University. It is the inspiration and drive put forth by this group that has aided the University of Idaho to attain such a fine record this year. Under the leadership of Dr. A. E. Whitehead, the debaters make an intensive study on the college debate question, formulate their arguments and express these ideas throughout the year in competition with other schools.

Back Rou-Dick Rhoads, Paul Baker, William Roy, Lowell Martin, Ron Ehlers, Donley Freshwater, Homer Leach, Frank Thompson, Jim McPherson, Larry Hobson.

Independent caucus functions to promote the political interests of all independent students on campus. Political, in this sense, means the nomination and promotion of interested independents to run for ASUI offices. The caucus also finds itself in a position to aid the independents as a group; e.g. New student exchanges at the beginning of the school year. Thus the caucus can also promote the social and academic, as well as the political interests of the independent students.

Front Row-Marge Bradbury, Irene West, Val Kroll, Ann Becker, Nancy Norton, Kay Conrad, Deanna Geertsen, Pat Iverson, Mary Jo Mace, Marcia Gill, Peggy King, Sally Beatrie, Judy Purkhiser. Back Row-Robin Merril, Pat Hart, Steve Clemons, Denny Faucher, Chuck Powers, Laird Noh, Don Yost, Ron Osborn, Nels Moller, Neal Newhouse.

Greek Caucus

The primary function of the Greek Caucus is to carry out the interests of the greek houses on campus while giving equal attention to the independents. It is through this organization that the fraternities and sororities on campus can express their ideas on the policies of the University. Many problems of the students are solved through the hard work of this group. President DALE CARLISLE

Publications

Alumni Roundup

Alumni secretary, James Lyle, keeps the alumni of Idaho informed on all campus activities through the publication of the Alumni Roundup. In addition to publishing this periodical, Mr. Lyle also travels extensively throughout the state and the rest of the northwest promoting public relations between students and alumni.

Handbook

Audrey Houghtelin was the very capable editor of this year's student handbook. This is the booklet that supplies all of the needed information to the incoming freshmen on organizations, rules, and traditions on the Idaho Campus. Assisting Audrey this year were Virginia Ward, Molly Godbald, Dale Evans, Charlene Roth, Sharrol Bartlett, Joe Carol Bickett.

Kampus Key

The Kampus Key is published annually by Blue Key, men's service honorary, as a service to the Idaho student body and the community of Moscow. Mortar Board assists this group in the task of logging names and statistics on all students at the University. The chairmen of this year's handbook were Mike Patton, Lowell Martin, and John Hughes.

Idaho Engineer

Through the efforts of this staff, a very professional magazine is distributed to each associated engineer monthly. This book is very informative to the engineer because it explains many processes and materials which are of interest to the engineer. These people have spent many hours throughout the year gathering such material and they have done a very good job of presenting it to the students.

Vandaleers

Every year the Northwest is hearing more about the fine music that the Idaho Vandaleers produce. The group just keeps getting better each year when it seems that things couldn't get better. The traditional candlelight Christmas concert was presented in December. Following a tour through Southern Idaho in the Spring this group presented their annual Spring Concert. Idaho is proud of its Vandaleers and will continue to be as long as such a fine group exists.

LEROY BAUER Conductor

The University Symphony Orchestra had a very outstanding year with various appearances including the annual concert which was a great success. The Orchestra tried some difficult classical and contemporary works with a great deal of success.

Pep Band

Headed by Neal Powell, the pep band has done a fine job of representing the music department at all athletic and many other events. It has been this lively group that has supported the University's teams and has kept the school spirit high throughout the year. It is an organization like this that helps to retain the high standard maintained by the music department.

Front Row-Nancy Short, Marge Draper, Sandi Short. Second Rou-LeRoy Trupp, Neal Powell, Gary Dossett. Third Row-Marvin Nebel, Ronald Ray, Mike Norell. Fourth Row- Jon Huber, Don Smith, Harold Van Atlar, Robert Whipple.

The Pep Band is shown here participating in the activities of a basketball game. The group put in a lot of hard work learning the variety of songs that were played during the year. Their new grey sweaters added a very pleasing touch of color to the stands and very effectively advertised the fact that they represented Idaho.

Army Choir

Members of the Army choir are Kent Ahlschlager, John Alley, Jim Armitage, Steven Bolz, Robert Carmody, Richard Cripe, John Crowe, Bill Currie, Lawrence Delashmutt, Bill Dellos, Gary Dossett, Jerry Durham, George Gittins, Gordon Goff, Michael Hally, Douglas Hammer, Lawrence Hobson, accompanist; Doug Klein, Robert Lund, Ken McAllister, Jim McDonald, Jim McFarland, John Neilson, Kay Nelson, Michael Norell, Brian Olson, Thomas Rateliffe, Joseph Renard, Duane Shinn, Lynn Snider, Jim Story, David Thompson, John Thornock, Merlon Tolman, LeRoy Trupp, Todd Olesen, Danny Forsyth, J.M.A. Burgess, Al Diethehm, Neal Casebolt, and Robert Whipple, Director. The Army choir which is a new organization on campus this year has shown a great deal of improvement in the short time that it has been existent. Under the able direction of Bob Whipple, this group has appeared in all of the music festivals on campus including the annual song fest in the spring. With the work put forth by the members of the choir this year, it promises to be a top singing group in the near future.

NROTC

The word seamanship is generally defined in dictionaries as "skill in the seaman's art." A seaman is defined in the same sources as a "mariner, as distinguished from 'landsman'." And the goal of the NROTC is to produce seamen of high quality to serve as officers in the Naval defense of our country.

RESIDENCES

These are the homes of the Idaho students, the place where one always finds friends ready to listen to the triumphs, hardships, and fun of the day. Sharing cookies from home, helping your roommate find his shoes in that messy closet, wondering who borrowed that Chem notebook these are just part of the experiences of living within a large group. Four years of participation leaves the lasting reward of deep friendship.

"A Tribute"

DR. RALPH M. ALLEY

A man, whose college-like greeting and chatter were sometimes more curing than the pills he passed out, is dead. His eight years of service to the students of the University were not wasted, they are now being doubly recognized by the hundreds of students who called on "Doc Alley" for everything from just plain advice to medical care. His heart was always out to his more than 3,000 "kids." He was never too selfish to take care of one of his "kids," he was never hesitant to devote more time in our interest, even when it meant self sacrifice. His heart slowed in January as a result of a mild attack, but it fought back, and he served during a man-killing period of caring for his students struck by a virus flu bug. He resigned with regret and his heart may have been broken because of this forced retirement from serving his "kids."

Dr. Ralph Alley leaves here one of the most highly respected men of the entire University staff. This stands true in the hearts of all of us.

SPORTS

The Vandals' fighting spirit saw Idaho's teams through a season of victory, defeat and experience. The athlete learned to share with his teammates the glory of a win or the disappointment of a loss. Idaho's intramural sports gave an opportunity for the Varsity spectators to take part in a fine recreational program.

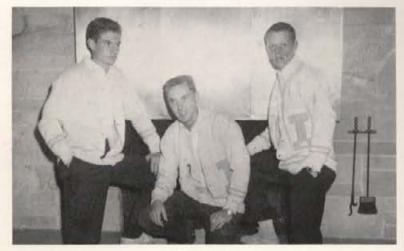

Football

The Spirit of the Vandals

ATHLETIC DIRECTOR Bob Gibb

YELL KINGS Bill Currie, Dick Newell, Dan Fullerton

The 1956 Vandal Football team will go down in the memories of every student as one of the greatest gridiron machines ever to wear the gold and silver of the University of Idaho. Guided by Coach "Skip" Stahley and Captain Dick Foster, the Vandals fought their way through a rough eight game schedule, almost winning from Rose Bowl contender, Oregon State. Behind at times and plagued by injuries the valiant Vandals fought their way to victories in true championship form. To complete a successful year, Captain Dick Foster was chosen to play in the East-West Shrine Game during Christmas vacation.

POM-POM GIRLS Row One—Patti Rees, Ann Holden, Janice Henry. Row Two—Marilyn Hardin, Margaret Sullivan, Sue Dikeman.

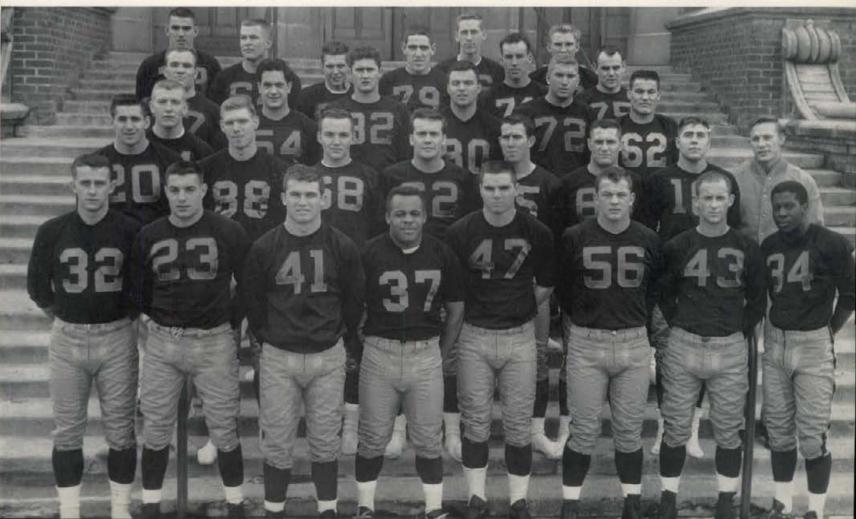

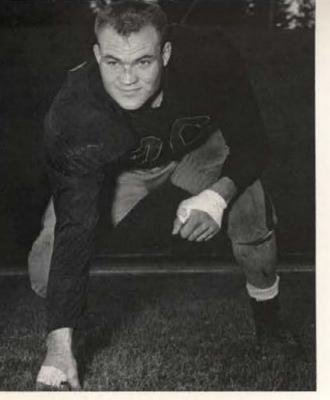

Coaching Staff, left to right-Clem Parberry, freshman coach; Jay Pattee, backfield coach; Skip Stahley, head football coach; Don Swartz, line coach; and Bud Goodell, end coach.

The Vandal grid-men, led by coach "Skip" Stahley and ably assisted by the entire coaching staff, showed remarkable fight and spirit throughout the entire season. Coach Stahley's team amazed and delighted fans when Idaho did the unexpected. Such stunts as nearly knocking first place Oregon State out of Rose Bowl bidding and rolling over Fresno State proved to everyone that the Vandals were not to be under-rated.

HEAD COACH "SKIP" STAHLEY

The Huskies of the University of Washington looked like Rose Bowl contenders as they raced to a 53-21 decision over the Vandals in the season opener in Seattle. From the opening huddle snap to the final gun Washington's fleet set of backfields dominated play over a highly respected Idaho eleven. The battle was strictly an offensive one with the Vandals showing their most potent ground-air attack in several seasons. The Huskies could do no wrong and simply had too many horses for a deeper, stronger Idaho team which met its match earlier than expected.

September 30, 1956-After a first quarter deadlock the Vandals broke into the scoring column in the second quarter when Walt Denny snagged an Oregon pass on his own 36 and rambled past the Oregon defenders into the end zone ending the first half 7 to 0. Oregon jumped back in the second half with two quick third period touchdowns, as they moved 90 yards in 12 plays. The second score came as the result of the interception of an Idaho pass with reserve quarterback Jack Crabtree driving over from the four. End Monte Bedford set up the second Idaho score when he knocked down and recovered an Oregon pitchout on the Duck's seven yard line. Bill Baxter carried the mail over and right tackle Kramer converted to tie the score. Oregon quarterback Jack Crabtree scored the final Duck pointer to end a well-played game.

IDAHO19WSC33

An injury-riddled Idaho team that was long on fight but short on depth, fell to the Washington State Cougars 33 to 19 in the 57th edition of the Battle of the Palouse. The strong W.S.C. squad, which later won the passing championship of the nation, showed no concern that the Vandals had a squad of only 32 men, as they used a well-blended attack to roll to five touchdowns in the course of the afternoon. The Vandals never stopped fighting as they came within one foot of tying or going ahead of the Cougars in the opening minutes of the second half. Then, after losing starting quarterback Howard Willis, they came back to score twice in the fourth quarter. In scoring 19 points in the game, the Vandals rolled up their highest total against the Cougars since 1924 when they beat their Palouse neighbors, 19 to 3.

The injury-ridden Vandals lost their fourth game of the season as Arizona State's Sun Devils spoiled the 1956 Homecoming by trouncing Idaho 41 to 0. The Devils were never in trouble as they romped to their first TD with only seven minutes gone in the first half and easily dominated the rest of the game. All three Vandal quarterbacks, Gary Johnson, Howard Willis and Gary Kenworthy had their try at moving the squad, but all were stopped as the Vandals absorbed their worst defeat since Oregon dropped them by the same score in the opening game of the '54 season.

A University of Idaho team that started slow and almost fumbled itself out of a ball game, roared back in a tremendous second half rally to upset the Utah Redskins, 27-21. The Vandals, trailing 14 to 7 at the half, came back with a smooth passing attack and strong defensive play to score three touchdowns and stop the Skyline conference second-place team in Salt Lake City. Pete Gerpheide, Idaho end who was sidelined with a bad back much of the season, scored the deciding touchdown with seven minutes remaining when he broke through the Ute line, grabbed a pitch-out, and raced 18 yards to score.

IDAHO 24 Fresno State 12

The University of Idaho Vandals roared back in the second half of the U. of I.—Fresno State game to take its second victory. The hard hitting Vandal team surged from behind, 12-3 in the last half and a couple of breaks, to stun Fresno. Idaho bounced back quickly at the half and took the kickoff and marched 63 yards in eight plays with Larry Norby streaking over from the Fresno 29. The Vandals kept the pressure on and took over when Fresno failed on a fourth down and 13 yards to go. After some of Idaho's aggressiveness, Willis then carried the ball to the one and then on the next play sneaked it over. Willis again sneaked over from the three to end scoring 24-12.

IDAHO10Oregon State14

An inspired Idaho team completely outplayed the Pacific Coast Conference leaders but still came out on the short end of a 14 to 10 score. The fighting Idaho team, playing the annual Dad's Day contest, in cold weather on a soggy field, jumped to an early 7 to 0 lead and they fought valiantly to pick up their first PCC win of the season. Idaho got its first score with only four minutes gone in the first quarter. Lonnie Park recovered a Beaver fumble on the second play, and between Johnson and Norby the ball went 31 yards in 6 plays. Oregon State came roaring back with five minutes left. The spirited Vandals held for three plays in an unbelievable goal line stand, but Oregon managed to squeeze around right end to score with two minutes remaining in the game.

Here is an example of the inspired playing that almost turned the tide for Idaho.

IDAHO42Utah State20

The University of Idaho Vandals showed chances of having their first winning season since 1938 when they racked up 42 points against the Utah State Aggies' 20 in the game played at Boise. One of the most brilliant performances was turned in by senior Gary Johnson who scored two touchdowns on runs of seven and twelve yards. The hard-charging Vandal line, which opened up gaping holes for the hard-driving backs was one of the important winning factors in this best performance of the year.

Idaho's quarterback Gary Kenworthy carrying the ball for one of Idaho's touchdowns in the game played at Boise.

IDAHO 14 Montana State 0

A victorious Idaho team ended the 1956 season in a blaze of glory as the Montana State Grizzlies fell before them, 14 to 0 on Thanksgiving Day. The Vandals had no trouble in this contest, as they scored twice in the first half.

Scoring from the 10 yard line with only ten minutes gone in the first quarter was halfback Bill Baxter. The extra point was kicked by Jerry Kramer. The second touchdown of the day was scored by tackle Jim Prestel when he grabbed a punt blocked by Mountie Bedford and ran over from the three.

This game was a happy climax for six seniors who played their final game for the University of Idaho. Idaho halfback Bill Baxter went $10\frac{1}{2}$ yards to score Idaho's first touchdown of the game in the first quarter on this play.

Row One-Coach Hodges, Jerry Jorgenson, Whaylan Coleman, Bill Wilson, B. J. Schaffer, Harold Damiano. Row Two-Frosh Coach Parberry, Jim Branom, Gary Sather, Gary Simmons, Lou Vesley. Row Three-Manager Neil Casebolt, Bob Jones, Gary Mc-Ewen, Mark Cole, Brent Thomson, Jim Prestel.

Basketball...

The Vandal hoopsters plagued by a major injury and some tough luck turned in an average season of 10 wins and 15 losses. Coach Harlen Hodges had quite a lot of depth and this proved very valuable in many a situation. Hodges used the two platoon system in most of the games and this should prove to be very valuable experience for next year's team for there is not one senior on the team.

Opening the pre-conference season winning four straight against Montana (2), Montana State, and Utah and then dropping one to Utah and one to Utah State, they then beat EWCE and split with Colorado A and M over Christmas vacation at Idaho Falls and Twin Falls.

Opening their PCC at home early in January they lost two one-point losses to UCLA, one of them an overtime game. The Washington Huskies then beat Idaho in two lop-sided games and then Idaho went on to split with WSC and Oregon. Idaho then traveled to California and dropped four games, two to USC and two to California. Idaho split the two remaining series with Oregon State and Stanford. Finishing with four wins and twelve losses in conference play, good for a seventh place tie. This was by far not an outstanding record but with everybody back for next season it should prove to be an interesting season.

VANDALS' INDIVIDUAL SCORING RECORD

Head Coach Harlen Hodges finished his third year of coaching varsity basketball and the team finished with a losing season of 10 wins and 15 losses. Having a lot of height he built his offense around this feature with two guards out front who could shoot with good accuracy. An injury to Simmons before PCC started proved to be fatal, for the Vandals were without a consistent scorer, but as the season went on Idaho showed a lot of hustle and was always a crowd pleaser even though they lost some close games. Having no seniors on the team, Hodges should have the material to make next season a winning one.

Vandal Coaching Staff

Frosh coach Parberry's team finished with a mediocre record of 7 wins and 8 losses. Parberry stepped in for head coach Hodges during the UCLA series and did a very capable job even though the Vandals lost both games. Losing two first string guards and the first string center at semester time, Parberry had to change his offense and consequently the frosh didn't do as well as they could have.

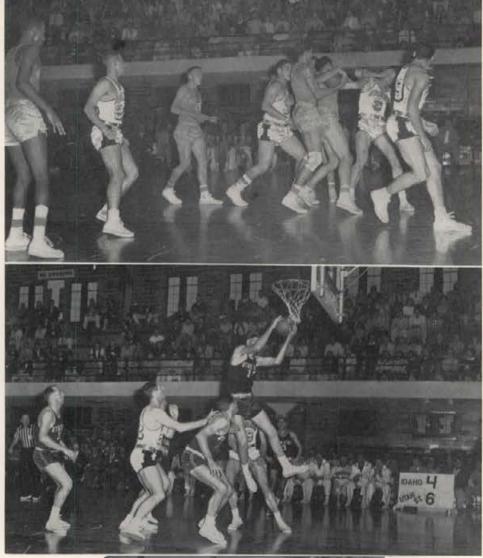

G a r y Simmons, outstanding Vandal guard was awarded the Ronnie White most valuable award presented by Ken Hunter, Gary, one of the top PCC guards, started the season early as he moved through the pre-conference schedule hitting his high point of the season with 32 against EWCE. Due to an injury, he did not play for over a month. He finished the PCC season with a record of 16.3 points a game, and set a PCC record. Gary broke the old record of Bill Bausher's 25 consecutive f r e e throws by making 26 throws. He should prove to be very valuable for next year's team.

Simmons-Jorgenson Receive Most Valuable-Inspirational Awards

Jerry Jorgenson is receiving the Jay Gano trophy for the most inspirational award from Ken Hunter. Jerry played no spectacular basketball through the year as he averaged 6.3 points per game in PCC competition. He is a good rebounder and a top defensive man and stayed on the starting five all year. The captain served as a steadying influence on the squad throughout the year.

The Vandals probably played their best games of the season against UCLA losing both by one point margins, 69-68 and 64-63. In the opening game UCLA had to come from behind to defeat Idaho in an overtime game. Idaho led at half time 33-24 and was sparked mostly by McEwen's scoring spree. The Bruins began a full court press and finally caught Idaho. McEwen led the Vandals, scoring 22 points. Jorgenson hit for 14 and Damiano dropped in 12. Damiano played a terrific game controlling the boards throughout most of the game. Both games were played without Simmons and Coach Hodges.

Idaho while losing at half-time fought back the last two quarters and fought it down to the last buzzer. Wilson led Vandal scoring with 18 points followed by McEwen with 12, Branom and Coleman had 10. Idaho was hampered throughout the whole game by inconsistent shooting at the free throw line.

The outmanned Vandals were on the opposite end of both games 77-58 and 71-49. The Huskies shot brilliantly and strong rebounding led by the "treetop twins," Bruno Boin and Doug Smart. Idaho applied a zone defense in the first half of the first game which bottled up the Huskies' offensive and then switched to a man to man defense and then Washington made a run away of the game. Jorgenson was the only Vandal player to score in the double figures in the first game when he got 13 points.

The second game was almost a repetition of the first game with Smart and Boin leading the attack. B. J. Schaffer, 11th man on the team, played only ten minutes and led all Vandal scorers with 10 points.

The Vandals traveled to Los Angeles to lose two close games, 89-88 and 78-69 to the USC Trojans. Junior guard Simmons returned to the lineup for the first time since Christmas vacation. He led all Vandal scorers with 35 points for both games followed by Damiano who had 33. Damiano was hitting well on hook shots in the first game. Idaho came from a twelve-point deficit in the second half of the first game, only to lose in the last seconds of play. USC was paced by Gonzales, a 5 ft. 10 in. guard, who scored 47 points for both games.

Prestel goes high in the air to out rebound University of California's Joe Kapp (42).

Moving to Berkeley, the Vandals lost two lop-sided games by the count of 91-54 and 71-56 to the California Bears. Idaho never was in either game and the only consolation was that guard Gary Simmons made 26 consecutive free throws to break the record set by Bill Bausher of Idaho last year who made 25 consecutive free throws. Coach Hodges failed to use two separate teams for the first time this season but still couldn't catch the Bears. The full court press again bothered the Vandals in the second game and they trailed by 18 points at the half, but they got hot and outscored the Bears 26 to 23. Simmons sparked the attack by scoring 37 points in both games with a high of 21 points the second game. Wilson and Schaffer scored 11 points each the first game and Coleman had 13 points the second game.

The Vandals split a close series with the Washington State Cougars by losing 73-70 and then coming back and beating them 67-59. Cougar's Larry Beck was nothing but trouble for the Vandals in the first game. Idaho would put two and sometimes three men on Beck but he still managed to score 24 points. McEwen scored 20 points followed by Jim Branom who had 14 points. Washington State stalled the final part of the game.

The second game was much of a see-saw battle until the final few minutes of play which saw Idaho pull away and win 69-57. The score was knotted at 27-27 at half time and then the lead changed hands 18 times before McEwen's hook shot tied it up for Idaho and Coleman's shot put us ahead 54-52. Being sparked by Damiano, Schaffer, Wilson, and Coleman, Idaho then led 63-52. In the first half the Vandals chose to use a platoon system but changed systems at half time and it proved to be a winning factor. Jim Branom held Beck, WSC's high scoring forward to 4 points the first half, and only 13 points for the game. McEwen led Vandal scorers with 17 points followed by Schaffer with 10.

Idaho played host to the Oregon State Beavers winning 74-67 and losing 81-53. Simmons sharp shooting at the foul strip, McEwen's constant hitting of hooks and jump shots along with Damiano's scoring spree proved too much for the Beavers and Dave Gambee, who scored 32 points. Simmons led Vandal scorers with 18 points, followed by McEwen with 16, then Damiano with 12.

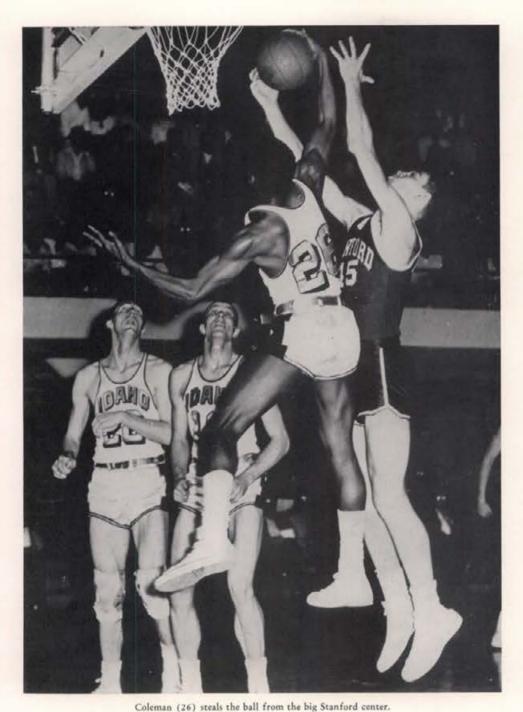

The second game was entirely different. Gambee again led the Beavers with 28 points but the stone-cold Vandals couldn't do a thing to stop Gambee or break the Beavers' defense. Trying man to man and zone defense they still couldn't stop Gambee. Putting two men on him wouldn't even help. Coleman led Vandal scorers with his best effort for the year with 15 points.

Jorgenson moves in to check a Beaver from shooting.

The Vandals traveled to Eugene to split with the Ducks. Winning the first game by taking the advantage of Oregon's inaccurate foul shooting, the Vandals won 64-46. The Vandals then dropped the second game by a close 50-48 score. Fine rebounding and their ability to hit from the free throw line gave the Vandals an early lead in the opening game. Wilson saved the game for the Vandals in the second half by scoring 16 points and totaling 20 for the whole game.

The second game was a defensive game with both teams taking few shots and missing. Second string center Prestel led Vandal scorers with 12 points.

IDAHO 60 STANFORD 57 IDAHO 63 STANFORD 71

Stanford invaded Vandal land and left with a win and a loss. The Vandals, sparked by Simmons' second half scoring spree, came back from a 12-point deficit to win 60-57. Wilson and Damiano paved the way for the Vandal victory by scoring on some timely shots.

The second game was almost a reverse of the first game. Stanford was ahead 15-9; then Hodges decided to send in the second string. They caught fire and led by Schaffer and Thomson, they gained a 40-34 half-time advantage over Stanford. Hodges started the second string the second half, but Branom fouled out and Thomson left the game due to an eye injury. This mixed the two squads together and they failed to prove to be an offensive threat. Stanford quickly took the lead and went on to win by a 71-63 score. During the second game McEwen played 8 minutes with a broken hand before being taken out. Simmons led Vandal scorers the first night with 14 points. Damiano scored the same number the next night for the Vandals. This being the last game of the PCC, the Vandals ended with a seventh place tie with WSC with 4 wins and 12 loss record.

Vandal frosh goes high in air for rebound against Lewis and Clark.

The Idaho frosh under the able coaching of Clem Parberry turned in a fair season of eight wins and seven losses. Winning their first two games against Columbia Basin and Whitworth JV, the team traveled to Lewiston to play in the Christmas tournament at Lewiston where they finished in second place. Four teams participated. Hard hit at semester by the loss of four starters, the Babes still managed to have their highlight of the season by defeating the Gonzaga Bullpups, who were undefeated. Three of the four starters were lost by the eligibility ruling at semester. The Babes' top scorer for the first semester, 5-7 guard Kent Woodhouse, transferred to Brigham Young. The frosh ended their season against the WSC frosh by beating them 58-54.

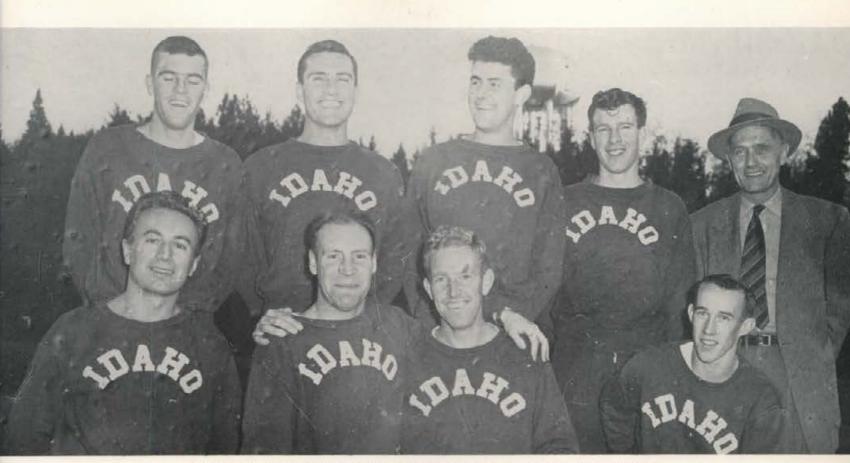

Top scorer for the frosh for the year was Walton with 197 points followed by Wood with 154, Damiano, brother to Harold with 120, and Watts with 110.

The frosh record although not impressive should help bolster the varsity for added depth in every position.

Harriers Undefeated

Year-round emphasis on running and a different organization setup of athletics in England, seemed to be the two big factors that helped give Idaho's six English runners and cross country teams an undefeated season.

The Vandal squad, which included six freshmen from England and two juniors from last year's track team, raced all over Northwest opposition, as it finished the season with a perfect record. The team won four dual meets from WSC, took first in the Inland Empire meet in Spokane, and then won the first four places in both the Northwest championships and the Northwest AAU meet. Spark plugs of the team were Ray Hatton and Frank Wyatt, who finished first and second, respectively, in their seven victories.

According to English runners, year-round running is featured in England. November to March cross country work is done, and then March and April are taken up with road running, races which may be anywhere from five to twenty miles long. Road relays sometimes extend as far as fifty miles, sometimes from one town to another.

The English track season extends from April to September, and then runners go back to road races during October and November. Everyone is going to be back, so they should have another top notch team.

Swimming

Depth was the strong point in the 1957 Vandal swimming team, which led them to their best year in history as it took third in Northern Division dual meet competition and finished fourth in the Northern Division meet.

The team had its best record in years as it won eight and lost three in meet competition. The Vandals defeated the WSC Cougars three times to make this feat a standout.

The team lost to Oregon State, Washington, and Wyoming; while it won three from WSC, two from Eastern Washington, and single wins from Utah State, Montana, and British Columbia.

Coach Eric Kirkland commented that the bright spot on the team was freestyler Leonard Lawr. Lawr was the outstanding Vandal in the Northern Division meet as he took second in the 100-yard freestyle and sparked the Idaho relay team to a third. Other point getters were Kim Larson, fifth in the 440, and sixth in the 266-yard individual relay; John Price, fourth in the 100-yard backstroke; Dennes James, sixth in the 50-yard freestyle; Dale Carlisle, sixth in the 200-yard backstroke; and Bruce Buckman, fourth in the 100-yard butterfly.

The whole team deserves a lot of credit and they should have another good team next year for only four graduate. They are Jack Helle, Dale Carlisle, Ralph Lindberg, and Bruce Buckman.

Leonard Lawr received both the most valuable and most inspirational awards and was also named to the Northern Division All-star swimming team.

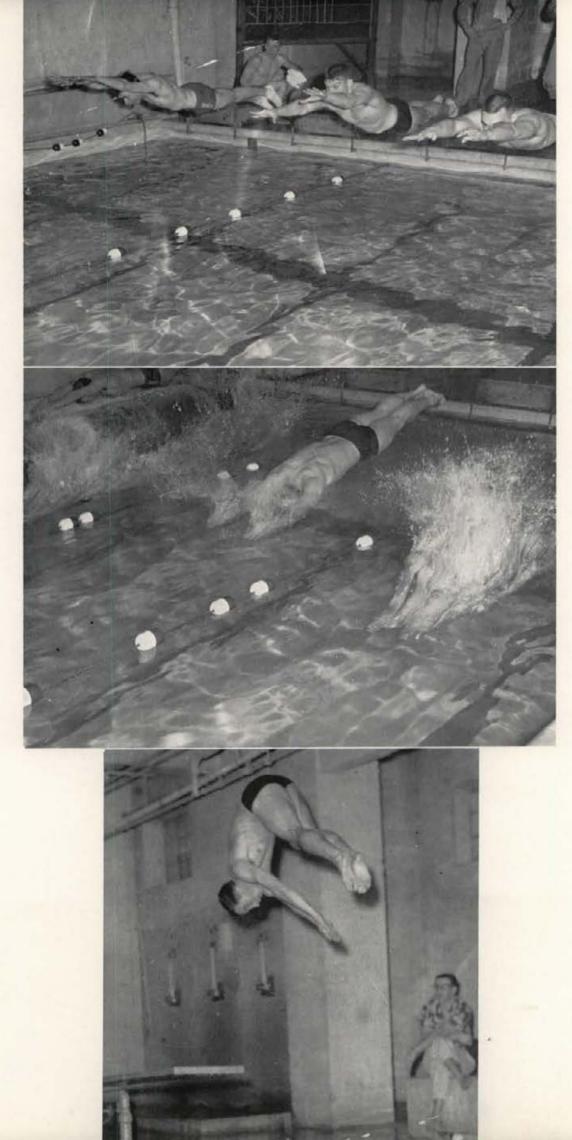

Coach Kirkland received the Collegiate Swimming Coaches Association of America award for outstanding contributions as a collegiate coach.

Skiing

The skiing team, not showing up as good as was expected, won their right to compete in the na-tional NCAA by winning the Northwest Intercollegiate Ski Meet. This was an important victory for it was their first of the season. Frank Commack and Eirik Berggren were selected to the Northwest allstar team.

Not doing so good in the NCAA meet, the Vandals are expected to have a good team back next year with only Berggren graduating. Others back for next year besides Commack are Per Winju, ace jumper; Tom Anderson, downhill; Jim Douglass, downhill and slalom; Viggo Frieling, jumping and cross country; and Gudolf Kjerheim, cross country; will provide next year's team with a lot of depth. Eirik Berggren was again elected to all-American honors for the second straight year. This is in-

"deed an honor and we are all proud of him.

Golf

Idaho's golf team paced by captain Dick Sheppard had a very successful year topped off by winning the IE tourney and placing second in the Northern Division meet. Other members of the team were John Rosholt, Rusty Sheppard, Ray Schmidt, Jack Snider, Tom Olson, John Cranston, and Mike Heaton.

Individual high lights were made by Dick Sheppard who tied two UI golf records. Sheppard shot a 29 over the first nine holes which is 6 under par but slowed down a little on the back nine for a 34 and a total of 63.

Tennis

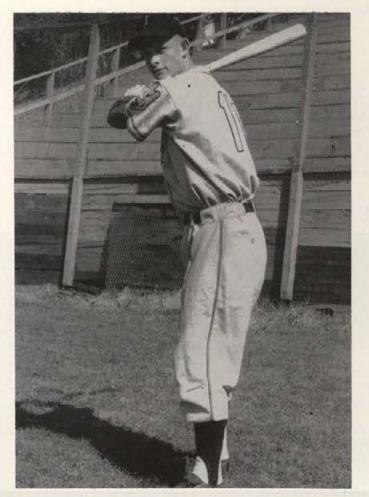

Idaho's tennis team won its first ND dual meet in twenty years by beating Oregon 5-2. They finished the Northern Division season with one win and four losses. Paced during the year by veterans David Cummins, LaRalle Smith, Len Chin, Larry Moss, and new comer Frank Benson who turned out to be the No. 1 player, the team had a very successful season. The season was long and the weather was good and so they got a lot of tennis in. The hopes of a good team next year are not too promising with only two lettermen returning, Frank Benson and Stan Pierce.

Baseball...

The Vandal squad finished a very successful year by winning five and losing eight for a third place finish in the Northern Division.

Leading up to this fine showing in ND Play they had a very successful pre-season record of 13 wins and only three losses. Air tight pitching and steady improvement in batting paved the way for this fine pre-season record. Doug Randall and Val Johnson just missed the pinnacle of a pitcher's success by pitching one hitters against Columbia Basin Junior College and Gonzaga, respectively. Randall turned out to be the ace of the mound staff by winning four games and losing none. Other pitchers who showed up quite well were Steve Hinckley with three wins and one loss and Clark Anderson with two wins and one loss. Ray Copeland, third sacker, led the Vandal hitters with a .364 average followed by Ron Braden with .348 and Knute Westergren with .342. Copeland and Braden had the most hits with 16 and Lower had the most RBI's with 14.

Opening the ND season with Washington, the Vandals split with the Huskies losing 2-1 and winning 9-5. In losing 2-1, Randall pitched a superb game limiting the Huskies to five hits but a costly error in the fifth inning proved to be the turning point. He struck out seven and walked two. Westergren slapped out two singles in four appearances to lead Vandal hitters. Shortstop Knute Westergren's three-run double in the second inning paved the way to the victory as Steve Hinckley allowed the Huskies seven hits but kept them scattered. Braden and Hinckley led Idaho at the plate by getting two hits each including a triple by Hinckley.

The Vandals then traveled to Seattle to split with the Huskies. Hinckley allowed only two hits in winning 4-2 and Doug Randall, the hard luck pitcher, turned in a two hitter only to lose 5-0. Poor fielding led to Randall's defeat as only one run was earned. Braden led hitters with two for three. Moving to Eugene to meet the Ducks the Vandals were stopped cold and lost two games 14-3 and 3-2. In the first game Idaho jumped to a 3-0 lead as Bill Stellmon cleared the bases with a triple but then Oregon came back with five runs to go away winning 14-3. The second game was the same old story, as Randall pitched another superb game by limiting the Ducks to six hits but two costly errors led to his defeat. Knute Westergren and Bill Stellmon both hit solo home runs in the second game. Moving to Corvallis, the Vandals defeated the Beavers 6-4 as Steve Hinckley pitched an eight hitter. Hinckley winning his third game became the league's winningest pitcher. The second game was rained. Coming back from a road trip winning two of five the Vandals beat WSC 5-4 in ten innings. Ralph Lower broke out of a batting slump to send a smashing triple to left center to drive home Westergren, who had singled with the winning run. Randall won his first game in ND play by pitching a nine hitter. The Vandals lost the second game as Hinckley's record became three wins and one loss. The Vandals played host to the Beavers and wound up splitting with them. Winning 1-0 and losing 7-4. Randall was again the hard luck man of the pitching staff in the first games as Idaho committed nine errors. Hinckley won the rain shortened game 1-0 in six innings. OSC scored seven times in the 7th inning but Idaho not getting to finish their time at bat was declared the winner as a heavy downpour started. Westergren continues leading the team with a .400 plus batting average. The best mark in 29 years was in sight as the Vandal's record stood at five wins and six losses with two games remaining with WSC, but as it turned out, the Vandals lost both games and finished with five wins and eight losses. Idaho had one highlight as shortstop Knute Westergren was the league's top hitter with a .404 batting average.

Track.

The University of Idaho track squad, though extremely short of cindermen, managed to break a good deal of records this season. The thinclad Idaho team was composed of Bill Baxter, Milt Riggers, Doug Seely, Ray Hatton, Dick Boyce, Ron Edwards, Jerry Kramer, George Horne, Gene Ryba, Bruce Wendle, and Bill Boyce.

Horne, Gene Ryba, Bruce Wendle, and Bill Boyce. Idaho, badly outmanned in every dual meet, had a hard time scoring the needed points for victory. The thinclads lost dual meets to Oregon State, Washington, and Oregon. The Vandals placed fourth in the Northern Division meet and seventh in the PCC.

Ray Hatton and Dick Boyce each had the honor of breaking school records. Hatton set new marks in the mile and two mile, while Boyce captured the 880 record. Glander, Vandal coach, stressed the fact that because the Idaho squad was lacking in depth, the Vandals probably would not pick up many points in the meets, but that he

was expecting several individuals to show well.

The squad was hampered during the season by injuries. Bill Boyce, Dick Shern, and Dave Powell came up with injuries and missed the Washington Meet. Dwane Hodgson, Javelin thrower, missed the latter part of the season.

Seely paces Hatton the last few yards of the two-mile run.

Boyce, Riggers, Hatton, and Seely at the starting line.

Idaho strength lay entirely in the distances all season long. Ray Hatton, nicknamed the English Express, was the most consistent winner of the Idaho squad. He picked up victories in the mile and two-mile events, at the same time setting new school records in each. Another Englishman, Dick Boyce, did a splendid job in the 880, finally breaking the record in the PCC meet at Eugene, Oregon.

Ray Hatton leads at the end of two laps in the mile run.

One of the most exciting races of the entire season featured Ray Hatton, English star, and Jim Bailey, an Australian star who last season broke the four minute mile. Vandal Coach Joe Glander said that he received a news bulletin from Oregon stating that Duck cinder coach, Bill Bowerman, had shifted his brilliant Australian star from the half mile to the mile to oppose Idaho's Ray Hatton. Despite high winds the race was extremely exciting, Bailey setting a new record of 4:19.5 with Hatton only a stride behind. In the same meet Dick Boyce out-distanced Jim Grelle in the 880 with a time of 1:59.9.

The Idaho track squad had a good year with the small team they had and Coach Joe Glander feels that after gaining a great deal of experience this season the team has bright prospects for another year.

Intramural...

The intramural program again proved to be one of the most outstanding activities on the University of Idaho Campus, with a great number of athletes participating. Lindley Hall won the intramural championship finishing with 1866.5 points. Lindley, winner of only one sport, made a strong showing in the major sports, and placed in nearly every event, giving them a 147½ point margin over runner-up Kappa Sigma. Kappa Sigs, "B" Basketball champs, had 1719 points, five more than third place Delta Tau Delta, which scored 1714. The Delts, last year's runner-up, won the most sports, touch football, bowling, golf, and track. Tau Kappa Epsilon ended in fourth place, 94 points in back of the Delts with 84½ ahead of SAE.

Here are the boys from Lindley Hall who through diligent participation in every sport captured the intramural championship.

Football

Bowling

After losing the first game by 90 pins, Delta Tau Delta came back strong in the next two to win the 1957 intramural bowling championship two games to one over the Town Men's Association. On the DTD bowling team were Dick Rene, Fred Ayarza, Thad Scholes, Gary Simmons, Glen Potter.

Basketball

Campus Club came out with a strong team to go through the ranks without a defeat and win the championship by defeating the Kappa Sigs in "A" basketball. *Row One*—Paul Barker, Ted Leach, Charles Janecek, Bill Stephens, Joe Cerniglia, and Don Wilson.

Soft Ball

Phi Gamma Deltas, showing once again their ability in soft ball, retained their title by winning the intramural soft ball championship, defeating Chrisman Hall 9 to 5. Horse Shoe

This SAE trio added another trophy to their collection by winning the Intramural Horse Shoe Championship in a play-off with three other teams, Campus Club, Willis Sweet, and Farm House. The trio consists of Fred Cook, Z. L. Pearson, and Max Burke.

Golf

Delta Tau Delta posted a combined low-team score of 340 in 18 holes to win the 1957 intramural golf championship. The 100 points picked up by the Delts with their golf victory boosted them into third place in total point standings. Members composing this winning team were Dick Wisdon, Lynn Hansen, Gregg Wilson, Gary Simmons.

College of Letters and Science

The Letters and Science College is the true liberal arts branch of the University. The largest school in enrollment includes eight divisions of academic study: Biological Science, Home Economics, Humanities, Mathematics, Music, Physical Science, and Social Science.

This college allows an entering student to take courses ranging from drama to food preparation before declaring a specific major the junior year. Thus, a well-rounded, well-balanced education can be obtained in this school.

Effectively guided by Dean Martin and his competent staff, a student in Letters and Science is well assured of a fine training with the best available facilities for his future vocation. So from entrance to graduation, the student finds fun, interests, and hard work which will acquire for him a much richer life.

College of Education

Offering a three-fold general education plan including Education, Physical Education and Psychology, this college prepares its graduates for professions of any level in the educational system. The preparatory program for graduates and undergraduates is sufficiently designed to qualify students for teacher's credentials standard in Idaho, any other states and foreign countries.

Broader and more specialized courses in Business Education, Music Education, Industrial Arts Education, Guidance and Counseling prepare students for particular jobs in the educational system. Practical application of this acquired knowledge is gained through nine weeks of practice teaching in which students learn good teachertechniques.

Idaho is justly proud of the number and high grade of graduates turned out of the College of Education. The University is sure that these young men and women will make enviable records in their fields whether a second grade teacher, commercial instructor, or superintendent of a large school system.

College of Engineering

From the beginning of time down to the present generation, it is true that engineers are the men who build. To their credit is given the construction of highways, communication systems, millions of buildings and bridges.

The University's College of Engineering turns out competently trained engineers needed to fill an ever increasing demand for men of this profession. Training with the newest equipment in modern buildings, the College offers courses in the specialized fields of Chemical Engineering, Agricultural Engineering, Civil Engineering, Electrical Engineering, and Mechanical Engineering.

Led by Dean Janssen and his excellent staff, this medium sized college has proven itself outstanding in competition with other schools of Engineering. Much long, hard work goes into the preparation of a student for an engineering occupation. Idaho sends its men into the profession with the best possible educational program training.

College of Agriculture

This College of Agriculture is distinctive in the respect that it can rightly claim to be one of the top Agricultural colleges in our country. This fine school draws from all parts of the globe and offers students a chance to acquire the skills and excellent training in agriculture offered here.

Intense loyalty and earnest effort distinguish the students of this school who are here to learn the exacting science this field has now become because they know they will soon be drawing their livelihood from the soil.

The three-fold program of teaching, service and research is aided by the University facilities of an 800-acre farm, purebred animals and modern equipment for extensive scientific study. Each year the scientific findings are converted into practical improvements for better utilization of the land and its products.

Toward the end of the school year the agriculture students participate in a week long observance of their achievements known as "Little International Week." The traditional observance includes speech finals, judging contests and various displays of the fields of agriculture. All this and many other such rich experiences make the students of this college proud of their future chosen profession, that of bettering their land.

College of Mines

This school was created in 1917 because of the early pronounced importance of mineral mining to the economic and cultural welfare of Idaho. Unparalleled opportunities await the professional student in mining work, especially since the recent spurt of interest in the states' natural industrial minerals such as silver, lead, zinc, gold, antimony, mercury and deposits of phosphate, cobalt, fluorite, tungsten and thorium.

Considered one of the leading schools of mining in American universities, the college offers an excellent training ground in the different special areas of the mineral industry. In this college training can be gained as desired in Mining Engineering, Metallurgical Engineering, Geological Engineering, Geology and Geography in graduate and undergraduate work.

The school employs an able staff led by Acting Dean Cook, many collections of casts and fossils, topographic and geologic maps, microscopes, and takes field trips to broaden the educational program. Students in this college receive excellent training for the life work ahead for them.

College of Forestry

Drawing students from nearly every state of the union is this nationally top-ranked College of Forestry. This excellent school keeps its students busy with a program including study of forests, fish, ranges, wildlife, plants, game birds, and wood utilization in laboratories and classrooms. Besides being surrounded by a dense tree life, the foresters have a 7000-acre experimental forest, a tree nursery which provides stock for planting throughout Idaho and a large arboretum which shows off to excellent advantage in the fall the 150 varities of trees grown there.

One of the highlights of a forester's college program provided at Idaho is the eight-week summer camp held in the intriguing woodlands surrounding Payette Lakes near McCall. Surely this is all well worth the earning of a degree in the College of Forestry.

Graduate School

Since 1909 the Graduate School has met the needs of students who feel that the four-year college course is not sufficient preparation for their chosen occupations. Over fifty different majors lead to the masters degrees offered by the various colleges in the University make-up. Over five hundred students a year register for graduate courses and put much hard work and many hours into graduate theses, research projects and comprehensive written exams before they reach their goal. Much of the research is carried out for information as to the basic development of our state or the solving of a problem confronting an industry or community in Idaho. These projects ultimately lead them to a degree from the graduate school and the preparation for leadership in their chosen fields.

SUE MCMAHON—Here is the senior who always managed to find time for just one more activity. She never failed to excel in her role as a campus leader. "Sue Mac" wound up an active four years on the Idaho campus by serving as Associated Women Students president her senior year, in addition to being a member of the Mortar Board and reigning as May Queen at the annual May Fete. She also served as house president of her living group, Gamma Phi Beta sorority. An excellent activity record is not Sue's only achievement. She leaves the university with an almost perfect scholarship record. As a freshman she was tapped for Alpha Lambda Delta, and she became a member of Phi Beta Kappa her junior year. Sue was Spur president as a sophomore and then served the following year as junior advisor. She has been a member of Helldivers and has acted as an ex-officio member of Executive Board. This pixie-like English major is also well-known for her participation in dramatics.

DALE CARLISLE—Dale must certainly be reremembered as one of the peppiest and most enthusiastic students ever to grace the Idaho campus. Needless to say, he has been an outstanding student throughout his four years. Sportscasting for KUOI, encouraging school spirit while Yell King, being active in dramatics, are only a few of his many activities. Dale has been interested in campus politics, being a candidate for ASUI and Class President and also in serving as president of United Party Caucus. The Blood Drive, N.S.A., Athletic Board, and Homecoming Committee have all played a part in his busy college career. An accounting major, Dale is a member of Phi Gamma Delta fraternity. His swimming ability has been a credit to the University. Honors which have been presented to Dale include Silver Lance, president of Blue Key, Arnold Air Society, Campus Citizen of the Week, and Convair Cadet Award.

DICK WEEKS—As the capable ASUI president, Dick has earned his position among the Top Ten Seniors through hard work, co-operation with fellow students, and sincere interest in the people he represents. Proof of his outstanding leadership qualities is his impressive record of activities and honoraries. Dick served as class president in both his sophomore and junior years, and also as president of his living group, Delta Tau Delta fraternity. He has worked diligently as a member of the Blood Drive and Student Recruitment committees, and the Student Activity Council. Dick was Duke of the Intercollegiate Knights and was selected Knight of Knights. Honoraries of which he is a member include Blue Key and Phi Gamma Mu, social science honorary. Last spring silver Lance claimed him for membership. As a student of the law school, Dick has been selected to Bench and Bar and Phi Alpha Delta, law honorary. The Spokerman Review, Spokane, Washington, chose him as a campus citizen of the week.

Outstanding Senior Award ...

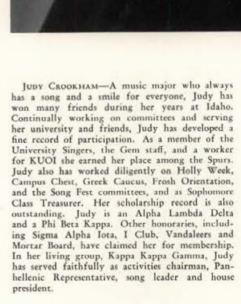

LOUISE TATKO CUMMINS — Louise wound up four very busy and active years of accomplishment at the university by serving as Editor of the Gem her senior year. This outstanding education student worked her way up to this top position after acting as copy-writer, business manager and associate editor. As a member of Gamma Phi Beta Sorority, Louise served as scholarship chairman for three terms and also as standards chairman, Her long list of activities includes Homecoming and Frosh Orientation committees, Greek Caucus, KUOI, and Student Events Council. Honoraries of which Louise is a member include Alpha Lambda Delta, Kappa Delta Pi, and Spurs. During her senior year, she was a member of Mortar Board and served on the publications board. She also acted efficiently as chairman of the May Fete. Louise has been an interested and effective exofficio member of the Executive Board this year, and was also chosen as a campus citizen of the week.

FRED H. BURROW—Fred has been an outstanding major in extractive industries. As a junior, he acted as chairman of the Student Events Council after serving in his sophomore year as an IK, heading the Homecoming halftime and dance committees, acting as chairman of the leadership and the traffic safety committees. His fine reputation as a leader and his co-operation and abilities helped gain for him a position on the Executive Board, along with the ASUI vice presidency. Fred has been the instigator of many ASUI plans and projects and he proved to be an extremely valuable member of the Executive Board. Distinguishing himself as a military student, he became a member of Scabbard and Blade, and Eagle and Anchor. In addition, he received the Army ROTC Leadership Award. Fred also received the Wall Street Journal Award and was tapped for Silver Lance. His record of accomplishments is truly superior. Fred is a member of Sigma Alpha Epsilon fraternity.

For the second consecutive year, ten students were chosen for the outstanding senior award. These seniors were selected by a committee composed of the ASUI General Manager, the Dean of Men, the Dean of Women, Alumni Secretary, and the junior members and faculty representative of the executive board. Twenty-five outstanding seniors were first chosen from a list of students submitted by the Deans of the various colleges. Then the committee selected from this list the Top Ten Seniors. Dr. D. R. Theophilus, University President, presented the awards at the May Fete. The criteria of selection rested upon the excellence of leadership, service to the school, and scholarship of the candidates. Evaluation was also made of their living group participation and attitude toward the university.

Seniors

Top Ten Seniors

CAROLYN SANDERSON STALEY—A most industrious and versatile U of I student, Carolyn has proven herself a dependable and enthusiastic worker throughout her years at Idaho. Carolyn was rewarded for her diligence in her freshman year by being tapped for Spurs. She became a member of the Student Activities Council and served for two years. Her lengthy activity record includes the Student Recruitment Committee, ASUI Rally Committee, ASUI Halftime Committee, and Gem Section Editor. Even though she has remained continually busy with her activities, Carolyn has not neglected her scholarship, and as a result, she became a member of Alpha Lambda Delta, and Kappa Delta Pi, the national education honorary. As a physical education major, she was selected for membership in the Women's I Club. Other honoraries include Sigma Alpha Iota and Mortar Board. Carolyn has been a leader and outstanding member of Kappa Kappa Gamma sorority where she served one term as pledge trainer.

JANE REMSBERG—Here is the miss whose presence at our university has been an enlightenment to all. Gracing the stage in many ASUI dramatic productions, she has shown to the students her dramatic talent—whether it be on stage or behind the scenes. However, her ability has not confined her in respect to her activities. Jane has served for three years on the SUB committee and has worked diligently for the expansion program of the SUB. Her active participation as a Spur, AWS treasurer, Argonaut reporter, and editor of the Student Handbook earned for her a position on the Executive Board her senior year. Her scholarship, as evidenced by her membership in Phi Beta Kappa and Alpha Lambda Delta, gained for her a Norwegian Government Scholarship for summer study in Oslo. Norway. Theta Sigma Phi, Curtain Club and Mortar Board are among the honoraries of which she is a member. Jane is a member of Delta Gamma Sorority.

DICK GASKINS—While maintaining an excellent record as a mechanical engineering major, Dick has accumulated many honors and numerous friends. His election to the Executive Board as a Junior speaks for his fine record and for his popularity with the Idaho student body. During his term as an Executive Board member he served effectively as ASUI secretary. Dick has worked on a great number of important ASUI committees, and was chairman of student recruitment committee, chairman of the homecoming committee, chairman of the homecoming committee, and a student member of the athletic board of control. He served his sophomore year as an IK, and has been a member of Blue Key, president of Scabbard and Blade, preident of the Engineering honorary, Siema Tau, and vice president of Silver Lance. Dick has also served both as vice president and as president of his living group, Lindley Hall.

JOHN R. THORNOCK—John's long list of accomplishments in service to the university are paralleled only by his outstanding scholarship record. As a Phi Beta Kappa and a political science major, he plans to enter law school here next fall. His first two years at Idaho were busy ones for John. He served on the Blood Drive committee, Dad's Day committee, and was co-chairman of Religious Emphasis Week and also was a Vandaleer and an active member of IKs. His fine record of participation earned for him his election to the Executive Board the spring of his sophomore year. He was a candidate for ASUI president last spring. During his senior year, John's interest and enthusiasm did not lessen. He was a member of Silver Lance, Blue Key, Scabbard and Blade, and was student manager of the Student Union. John was also chosen as an outstanding campus citizen.

Senior Officers

The senior class spent its final year under the guidance of its able president, Larry Wing, pictured at left. The senior class of 1957, some eight hundred strong, proved enthusiastic supporters of their university. In April the junior and senior classes worked in conjunction to produce the annual Junior-Senior Prom which was held in honor of the seniors.

Here are the remaining senior class officers, Sally Ghiglieri, secretary, and Shirley Daniels Bucklin, treasurer. Absent from the picture is Mel Schmidt, class vice president.

The Junior Class

The Junior Class was busy this year with many activities. In March they sponsored the Campus Chest which proved to be a big success. In the spring the Juniors worked hand in hand with the Seniors on the Junior-Senior Ball. Lowell Martin with gavel in hand served ably along with the rest of the officers.

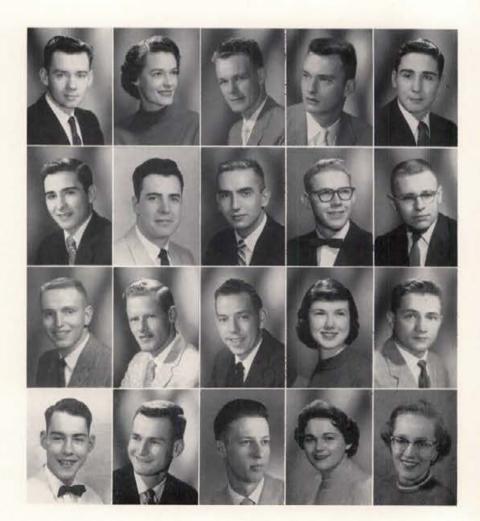

Bruce Wright, vice president; Martha Sue Dempsey, secretary; Sonja Hoisath, treasurer; Lowell Martin, president.

Sophomore Class

Under the fine guidance of Jim Kay as president for the second consecutive time, the class of 1959 again had a very successful year. Holly Week, as an annual event sponsored by the sophomores, included a fashion show at the fish bowl with the queen candidates as models. Also during the week was the Christmas serenade in which all the sophomores participated. The Sophomore Week was culminated by the coronation of our Holly Queen, Carol Wachal.

The Freshman Class

This year one of the largest freshman classes in the history of the university showed its spirit and enthusiasm by working for the first time in unison in planning a very enjoyable and successful freshman week. The week itself competed with an uncontrollable flu epidemic, and some of the scheduled events, including the freshman-sophomore tug-o-war were cancelled. However, the class demonstrated its ability and pep by effecting a very condensed but pleasant week of festivities. The Freshman Dance, "A Little Bit of Ireland," was highlighted by the crowning of Freshman Queen, Nan Alvord, and Freshman King, Garth Brown.

The Freshman class functioned efficiently under the able leadership of its president, Rich Thomas. The remaining officers who were elected in the fall served effectively in their positions. Larry Hobson acted as vice-president and Kay Shipley served as secretary. Barbara Harbison who was elected class treasurer was unable to complete the school term, and Carol Barlow was chosen to replace her. The officers acted as coordinators and organizers for the class of 1960 and helped to make the year a memorable one for all.

Class Officers

Larry Hobson, vice-president; Kay Shipley, secretary; Rich Thomas, president; Carol Barlow, treasurer,

Freshman King and Queen, Garth Brown and Nan Alvord, were selected from a field of ten finalists. The finalists included, *Row One*—Kay Shipley, Karla Klamper, Fran Baudek, Nan Alvord, and Ann Marie Berry. *Row Two*—Don Yost, Tom Benjamin, Ed Campbell, and Garth Brown. Not pictured is Gary Farnsworth.

Alpha Lambda Delta

Alpha Lambda Delta is the freshman women's scholastic honorary which requires a grade point of 3.5 for membership. This year's old and new members include:

Row One—Marybel Lill, Ann Lyons, Kay Salyer, Judy Bailey, Carolyn Edwards, Carolyn Dempsey, and Kay Conrad. Row Two—Pat Decker, Jane Scheline, Marilyn Merrick, Margaret Remsberg, Thayre Bailey, Dorothy Bauer, Kathy O'Conner, Jo Petrashek, Ann Becker, and Kay Bozarth. Row Tbree—Marilyn Mooers, Pat Iverson, Judy Conger, Marie Turner, Christy O'Rear, Suzanne Roffler, Beverly Lord, Chris Mackert, Janet Cook, LaRae Sasser, Charlene Wells, Karen Crouch, Louise Vandenbark, Pat Nasmythe, Elna Magnusson, and Nancy Campbell.

Phi Eta Sigma

Phi Eta Sigma is the national scholastic honorary for freshman men. A 3.5 grade point at semester is required for eligibility.

Row One-Jim Heer, Cecil Heick, Bob Pierce, Dennis Hargreaves, Terry White, Gale Conrad, Dr. Moore, Dean Eldridge, and Dr. Gustafson. Row Two-Joe Erramouspe, Roger Christensen, Paul Krogue, Don Royster, Jack Macki, Don Elg, John Baker, Earl Hall, Carl Bittenbender, Don Humphreys, Dave Eskelin, Burton Orme, Ron Osborn, and Cletus Von Tersch.

Editor's Appreciation

"Tomorrow and tomorrow and tomorrow creeps on this petty pace from day to day to the last syllable of recorded time."—Wm. Shakespeare, Macbeth

And what of tomorrow and tomorrow? We do not know. We live from day to day, basing our expectations of tomorrow on the experiences of the past. It is the purpose of an annual to record the happenings of each year so that in the years ahead we may look through these books and recall the life we lived here at the University. That has been the task of the Gem staff this year and it is my hope that when you have looked at this book it will have fulfilled its purpose for you. There are no unique changes in the Gem of 1957. The staff has simply strived to give back to you through pictures and stories the events of this year. I hope that each person who reads it finds some one thing that captures a particular memory or pulls at a certain heart string.

Many people have helped in preparing this book for publication. If it meets with your approval it is because of their efforts. Many thanks to the following:

- To Myrt Williamson-my girl Friday who has worked diligently doing well anything that needed to be done. She takes on the job of the 1958 Editor-in-chief.
- To Larene Newberry-the other associate editor who worked steadily and efficiently on indexing and other jobs.
- To Jim Gipson, Gordon Gipson, and the rest of the crew at Caxton Printers in Caldwell for the fine job of photo-mounting and printing. And thanks to them also for all the concessions made to us during the year.

- To Paul Evans, Jim's artist, for doing the fine work on the page layout, art work, and cover design.
- To Al Salisbury and crew at Artcraft Engravers in Seattle for the time spent on making the engravings for our book.
- To Bruce Wendle—who with his photography staff worked long and hard through missed photo-orders and camera failures to supply the needed photos.
- To Larry Courtney—who as darkroom man is responsible for the quality of the pictures.
- To Roger Groth—who supplied most of the fine pictures for the opening section.
- To Roy Bell, Don Walker, and Rafe Gibb for their assistance in supplying needed photographs.
- To Hutchinson's, Rudy's, and Sterner's, for their portrait work.
- To Rudy for the portraits in the Queen Section and also for the extra photos with which he supplied us.
- To staff heads, Betty Bovey, Sandy Yost, Kay Conrad, Max Burke, Marge Bradbury, Carolyn Edwards, Bob Hansen, Jim Glenny, Nancy Norton, Jerry Gneckow, Dixie Hoffland for the fine work they did on their sections.
- To Gale Mix who always had time to listen to a problem and a word of encouragement when it was needed. And to his secretary, Gail Gillespie, who was always ready to help.
- To John B. Hughes, this year's Jason, who co-operated with us so well in using the darkroom and who always helped us out when he could.

I have two more personal thank-you's. Maybe these people didn't turn a hand to help publish the book, but they were responsible for the morale of the editor. First to all the guys and gals at 727 Elm and 1038 Blake thanks for all the moral support, for helping me in a pinch, or for just drowning my troubles with a cup of coffee. And last, but by no means least, to Husband Dave who withstood the constant ringing of the telephone, bad moods when deadlines were missed, late meals and sometimes no meals, and many other hardships so that Gem work could go on, I want to say, thanks, pal. Your wonderful cooperation did not go unnoticed.

May your tomorrow and tomorrow and tomorrow bring you the fulfillment of your dreams. And may this 1957 Gem of the Mountains help you to relive your yesterdays.
