### FOREWORD

.... Letters, we get letters. ....

4

The power of the written word is never to be underestimated. Especially prominent in the lives of all of us who are students at the university is the letter from loved ones, parents or friends. The whole complexion of the situation of the time may be altered.

That extra bit of cash for the all important date from Dad or the words of encouragement, pride, or the often necessary reprimand from Mom; the local news from a high school chum; the neighborhood newspaper—these all are a vital part of our lives away from home.

Not only dynamic is the word received, but also the message sent. The written picture of college life we transmit tells of the good times, the bad times, and the in-between times. Each dance, each athletic contest, each hour spent studying, each meeting attended, each new friend made is recorded.

It is in this vein that we, the staff of the 1959 GEM OF THE MOUN-TAINS portray life at the University of Idaho during one wonderful, action-packed year. As you read this book, may you fondly relive memories filled with joy, sorrow, satisfaction and mental stimulation.

## DEDICA

### ΤΙΟΝ

#### DEAR FOLKS:

Sometimes—too many times—we've forgotten to say "thank you." Sometimes, proud that we passed a course or "cooled" a final or got special recognition, we just put it off. We'd like to do some atoning now.

As you read our letters (when we wrote), heard our voices over the long distance wires or visited with us during vacations, you were aware of the importance and confidence we placed in our Idaho.

For some of us, the letters and the telephone calls will come from somewhere else from now on; our years here are finished. For the rest of us, more days of note-taking and prom-planning are ahead.

We know, folks, that none of this could have been attempted, let alone accomplished without your unfailing hope for us and your unceasing sacrifices. Certainly no school or student body would have thrived for seventy years without your help.

This, then, is our "thank you," so long postponed and so very important. To you, our parents, with all reverence and humility, this volume, the 1959 GEM OF THE MOUNTAINS, is dedicated.

# OGY

Always on the move, activated students comprise the friendly, happy, and busy campus life of the University of Idaho.

#### Back to School

Well, here I am at the University of Idaho. I just had to write—first thing and tell you how thrilled I am to be here. I know this year will be filled with many wonderful experiences.

I'm trying to get unpacked, make my bed, and get settled in my new home. It's all so exciting!

I decided to take a break and play a game of pool downstairs in the Student Union Building. Besides pool tables, they have bowling alleys with automatic pin setters. I hope to bowl here sometimes. Whew! What a job all this unpacking is. I'm glad I'm here to stay for awhile.

Never met so many people in my life! At the parties everyone had lots of fun, and the members of the Greek living groups displayed their many talents entertaining the rushees. At last the final day arrived and everyone had to make the big decision. "Squeal Day" climaxed a wonderful, but exhausting week.

Figi's entertain at a rush party and the Gamma Phi's entertain on the floor of their new house.

The rushees are listening attentively at the Sigma Nu House.

Kappa's anxiously greet their new pledges on "Squeal Day."

Getting that good old U. of I. spirit, frosh are gathered around the fire singing traditional campus songs led by Mr. Norman Logan.

#### Frosh Orientation & Registration

Gee, what a week! "New Student" days began Sunday night, Sept. 14, with a convocation by President Theophilus and ASUI President, Dick Kerbs' welcoming address.

Ernie Carr and Barbara Davis were cochairmen of the frosh activity during orientation to acquaint the "green" students with the University. The Freshmen took aptitude and interest tests, attended orientation assemblies, mixers and a song fest.

Students with solemn faces are beginning the long ordeal of registration.

It's a long climb up all three floors in the Ad building!

#### Classes Begin

After the hubbub of rush and the confusion of registration, we finally started going to our classes. Wow! Is my writing hand tired! I guess it just takes practice to be able to get all those lecture notes in. It's lots of fun, even after the first day, but I sure have lots of homework to do.

#### **Campus** Carnival

The Campus Carnival was September 27, 1958. Here we had a chance to find out about the different activities on campus. All the organizations had booths set up to explain their requirements for membership and to define their group activities. When we were through looking at the booths we danced to the music of the Embers.

The Nickel Hop was held October 10. All of the women's residences observe a closed night for three hours and the fellows visit the house of their choice to dance with the girls of their choice. They must pay a nickel for every fifteen minutes they stay. The Spurs are in charge of the Nickel Hop, and the money they make is used to finance Spur activities.

#### Student-Faculty Retreat

A meeting of student leaders and faculty members was held in the SUB early in October to try to iron out problems facing the University of Idaho for the coming year.

The main topic discussed in the Student-Faculty Administration work shop was intellectualism and the need to develop an intellectual atmosphere on the campus.

Engrossed in the discussion of problems are some members of the Student-Faculty Board. At left a short recess is taken between meetings.

#### Idaho-WSC Walkathon

The annual nine-mile walk for the losers of the Idaho-WSC game was once again journeyed by the Idaho students. ASUI President, Dick Kerbs, led the students to Cougarland. Arg Sports Editor, Gary Randall, received the traditional foot washing.

#### Homecoming

Homecoming, October 18, 1958! Students started preparing weeks ahead of time for their floats, and most of the students spent their free time decorating. The night before Homecoming all freshmen girls on campus took part in the Pajama Parade through the men's residences. Afterwards there was a rally at the baseball field—fireworks and all!

#### Homecoming

Homecoming Day started off with a big parade. Phi Gamma Delta and Kappa Kappa Gamma won first prize in the mixed float division. Tau Kappa Epsilon won first place in the single division.

**ASUI** Drama

"The Happiest Millionaire," presented on the university auditorium stage October 24 and 25, provided high class humor. "The Happiest Millionaire" was suggested by the book "My Philadelphia Father" by Cordelia Brexel Biddle and Kyle Crichton, and concerns a mad-cap Philadelphia father who likes prize fights and alligators and has "one million dollars—no more, no less—." The play was directed by Jean Collette with Ed Chavez as technical director. The main characters were portrayed by Diane Kail, Sam Collet, Ed Vandervort, Bill Barclay, and Todd Olson.

#### **Class Elections**

Class elections were November 4. A total of 2,336 voters cast their ballots in comparison to 1,426 who voted last year. The Greeks kept their majority by putting 10 Greeks in office. Six independents were elected.

Kappas and their dates went formal for the Kappa pledge dance. Sharon Jenkins, Jay Webb, John Freeman, and Barbara Sams are pictured.

#### Muckers' Ball

The Muckers' Ball is held each year by the mining students on campus. The evening is spent gambling and dancing. Those with the most winnings at the end of the evening vie for a prize.

This gal seems to be quite interested in her game of roulette.

Kris Peterson, Harriet Payne, both Tri-Delts; and Jess Walters, Phi Delt; must be betting heavily on the luck of their dice.

Winter came with a bang! There was never a dull moment with so many exciting things to do. We did as much snowball fighting, skiing, sleigh riding, and skating as possible, and there were many other campus activities to look forward to, too.

#### Our Town

Thornton Wilder's "Our Town" was presented on the campus on December 5th and 6th. It presented Wilder's own homespun philosophy of life by transforming the stage manager into an actor and giving him the power to explore the past. To the surprise of all of us, the curtain was already open when we entered the auditorium, and the stage was completely empty. Carl Murphy played the role of the stage manager. Toni Botsford was cast as Emily Webb, while Warren Weinel was cast as George Gibbs. Mr. Webb was played by Darwin Afdahl.

The second annual, AWS sponsored, turnabout dance was a big success again this year. The fellas all wore the most unusual corsages . . . carrots, radishes, and all manner of things! During intermission we were entertained by the Ice Caps and the men entertained us in a Hula Hoop contest. The best man proved to be Dick Tefft, Sigma Chi, who was ably assisted by his trainer, Ralph Hegsted.

Doug Brown, Phi Delt, and Ludene Phillippi, Alpha Chi, look like they're having a wonderful time.

The Winnah!!!! Dick Tefft and his faithful trainer, Ralph Hegsted, both Sigma Chis, composed a team that couldn't be beat.

#### Winter Functions

Wintertime and Christmas are fun for everyone. It makes you feel all warm and glowy inside when you get to decorate the Christmas tree. It's almost like home! And of course, with snow we all have great fun throwing and dodging snowballs.

We have loads of fun at Christmastime too! There is every kind of dance you can imagine . . . formal, casual, crazy costumes, anything goes. And we not only get to see our own dances, but when we go dance-hopping we can see lots of others too.

Dick Minus, Wanda Peters, Georganne McDowell, and Jim Minus had a wonderful time at the Phi Delt Christmas formal.

These Pi Phis and their dates thought it was really heavenly in Pi Phi Heaven.

One of the events everyone looks forward to is the traditional Can Can dance performed by the SAE's at their "Bowery."

The Gamma Phi's brought top money when sold to the Betas for \$136.

## Teahouse of the August Moon

Captain Frisby's (Ed Vandervort) attempts to please the people of a small Japanese village by building them a teahouse, Lotus Blossom's (Mary Tsudaka) attempts to please Captain Frisby and Sakini's (the Japanese interpreter played by Euclid Lee) attempts to please everyone all combined to make the Drama Department's production of "Teahouse of the August Moon" a "howling success." The authentic costumes, effective lighting and superb acting will be long remembered by U. of I. students as another tremendous hit for the Drama Department.

There were convocations on Monday and Wednesday mornings. Monday, Tuesday, and Wednesday afternoons panel discussions were held. All in all, it was a very successful week.

#### Frosh Week

Frosh week was March 8-14. This week gave all the freshmen a chance to meet and work together with other freshmen. The anticlimax was Friday when the Freshmen beat the Sophomores in the annual tug-o-war over Paradise Creek. The climax was the freshman dance, "A Little Bit O' Heaven," held Saturday night in the Sub ballrooms. During the intermission the frosh king and queen were crowned.

Finalists for frosh king and queen were: back row, left to right-Marlene Greene, Alpha Phi; Sharon Montgomery, Hays; Sandy Bacon, DG; Sue Rutledge, Kappa; Georgianne McDowell, Theta; and Norma Pomponio, Gamma Phi, who was not present for the picture. These Delta Sigs are really feeling the beat. They are Franco Oduber, Ross Peterson, and Frank Kasunic, who helped form the combo for their house act.

Jo Ann O'Donnell, DG, and Ron Miller, SAE, went all out with their vaudeville routine. The winners included: Top row left to right—Carol Ann Haddock, Kappa—vocal solo; Pi Phi house act, Gerri Williams; Delt singing group, Bill Herr; the Accidents singing act, Bonnie Scott; and Sandy Wright, Hays, dance solo. Sponsored by the Blue Key men's service honorary, this year's talent show featured 16 outstanding acts of crosscampus abilities. Those of us who went were well rewarded with a fine evening of entertainment.

Loyce Hall, Lois Walker, and Sandy Byrne seem to be having quite a conversation in the Pi Phi's prize winning act "Lizzie Borden." Lizzie Borden (Sandy Byrne) looks as if she might use that ax she's holding. It was all in fun though as a part of the Pi Phi's house act.

The Gamma Phis repeat their prize winning house act from last year, "Quiet Village."

Bonnie Scott, Alpha Gam, seems to be all wrapped up in the song she's singing while Sheila Galloway looks on. They were members of The Accidents, another prize winning group this year. The Navy men and their gals were all decked out for the Navy Ball. The annual dance was a big success again this year. During intermission the Navy Queen, Kathy Thompson, Gamma Phi, was crowned.

## Sig Alph Olympics

Pi Phis proved to be top female "athletes" at the annual SAE women's olympics held on the Ad lawn. Such events as egg throwing, hula hooping, three-legged race and tug-of-war let the Idaho coeds demonstrate their prowess.

On your marks, get set, go!

Top: Look at that hula hoop go! Bottom: Getting ready for the sack race.

Go to it, DG's.

There now, that doesn't hurt, does it?

#### **Blood** Drive

This year's Blood Drive didn't quite meet its quota but it wasn't because the students did not contribute generously — we had a flu epidemic that hampered things considerably! Efficiently chairmaned by Neela Mc-Cowan we and the Red Cross were impressed with the total quantity given.

Hold tightly!!

#### Miscellaneous Activities

# Junior-Senior Prom

"May in April" was the theme of this year's Prom, which was decorated with scenes depicting April showers and leafless trees on one side of the dance floor, and budding trees and sunshine representing May on the other side. With Billy May's band to top it off, the event was a big success.

Queen Carol Hodgson

# Ag Science Day

Ag Science Day, which was an integral part of Senior Weekend, featured many interesting and educational displays. One highlight of the observance was the crowning of Carol Hodgson as queen of the event. Seniors from all parts of Idaho journeyed up for a special series of activities for their benefit.

That's a pretty big bite for such a little fellow

Another interesting exhibit for Ag Science Day

# Campus

Never on this campus have we seen such heated campaigning. The campus was plastered with posters advising the students for whom to vote. Rip-roaring rallies and wellattended, informative smokers were held. Rallies, smokers, advertising, all add up to a well-fought battle and hard-won victory for Laird Noh, Sigma Nu, who was elected Student Body President.

Students throng to the Sub to hear a smoker

# Elections

Orchesis and Helldivers

The modern dance honorary and swimming honorary perform each year at the May Fete for the benefit of visitors to the campus in addition to other programs and activities of skill. Active and interested students who qualify will be found in one or both groups. An interpretive dance by members of the Orchesis Honorary.

Practice makes perfect as this perfect form dive shows.

Congratulations!

Women's Recreation Association installed new officers and presented awards Sunday March 15 at a dessert held at the Student Union. Outgoing president, Marge Erstad served as MC. Bob Gibb was featured speaker and the Pi Phis, as last year's Participation Cup winners furnished the entertainment. New officers include Diane Smith, president, Pat Finney, vice president, Beth Hossner, secretary, Barb Brannom, intramural manager and Janice McClosky, recording secretary.

# Spring Dances

This Spring brought the usual number of Spring Formals and initiation dances to the campus, as well as the Military Ball and Junior-Senior Prom. And whether the couples were dressed in costume or formal they always seemed to have a good time.

University Orchestra and University Singers

The University orchestra aside from giving its own concerts provides the music for Graduation. The group is conducted by LeRoy Bauer. The University Singers under the direction of Norman Logan entertain at individual concerts and at the May Fete. Both these fine musical groups add to cultural Idaho.

# Pansy Breakfast

This year the annual Tri-Delta Pansy Breakfast was again a success. The front of the house was decorated with pansies, senior engaged girls walked through the pansy ring, and a style show was given.

Leading the Academic Parade are the Military personnel, President Theophilus, Governor Smylie, the Board of Regents, Mrs. Robb, the deans of the various colleges, registrar DuSault, and Alumni president, Darold Smith.

# ATION

Sunny skies looked on as we graduated June 7, 1959. Over 800 degrees, both Bachelor and Masters were conferred and three distinguished alumni received honorary Doctorate degrees: Inez Callaway Robb, Doctor of Literature; L. H. Chamberlain, Doctor of Laws; and Carl Paulsen, Doctor of Science. Mrs. Robb also served as Baccalaureate and Commencement speaker. After the ceremonies, a tea was held in the Student Union honoring our class of '59 and presenting one last opportunity to introduce our parents and friends to the faculty, President Theophilus and the Board of Regents.

Mr. Lawrence receives his Doctorate hood.

All smiles as she receives her honorary degree, Mrs. Robb flanked by Dean Martin and President Theophilus becomes an expert in Literature.

President Theophilus congratulates Mr. Paulsen as DuSault prepares to cloak him in his hood.

# FOOTBALL

The 1959 Idaho Vandals had another fine season with a 4-5 record. Starting off a little slow by losing to Oregon and Missouri, which by the way, was lost in the last 35 seconds, the Vandals went on to win 4 out of their next 7 games. Being plagued with injuries to key players and a little short on reserves proved to be the downfall of the Vandals. Playing yard for yard with all teams for the first three quarters, showed the Vandals leading or tied in most all of the games, but then came the disastrous fourth quarter which proved the turning point in every game lost. The Vandals had many bright spots throughout the season with tackle Pete Johnson making second team all-PCC, halfback Bob Dehlinger, tackle Jim Prestel and guard John Roussos making all-PCC honorable mention along with Jim Norton who also led the nation in pass interceptions.

### The Coaches

Coaching Staff: Ed Knecht, backfield coach; J. V. Johnson, end coach; Skip Stahley, head football coach; Don Swartz, line coach; and Wayne Anderson, freshman coach.

# The Greats

Tackle Pete Johnson, 6-4, 220, Senior Team Captain. 1957 18th round draft choice of the Cleveland Browns. Associated Press All-PCC Second Team. Coaches All-PCC Honorable Mention.

End Jim Norton, 6-2, 170, Junior. Coaches All-PCC Honorable Mention. Second in Idaho pass reception with 15 catches for 188 yards. Number 1 in the nation in pass interceptions with 9 steals for 222 returned yards.

Flankerback Bob Dehlinger, 5-10, 175, Senior. Coaches All-PCC Honorable Mention. Top Vandal pass receiver, fourth in PCC and 16th in nation with 25 receptions and 305 yards. Ranked second in PCC, fifth in nation until a fractured hand forced him out of the last two games.

## The 1958-1959 Vandals

The 1958 Vandal football team, while not the greatest Idaho has had, was capable of playing great football. Many Vandals were injured through the season, with top-flight men missing from one to eight games. Bob Eyler, defensive secondary star sustained a broken leg in the Missouri game and had to set out the remainder of the season. Bob Dehlinger fractured his hand against San Jose and with his loss the Vandals lost their top pass receiver. Fullback Ken Hall suffered a knee injury against Arizona and was out except for kicking. Other Vandals injured through the season were Dale Hill, Wade Patterson, Mike Sheeran and J. D. Lawson. The squad will lose eleven men by graduation, such standouts as tackles, Pete Johnson, Jim Prestel, Bob Prestel and Dick Gooby; ends, Wade Patterson, J. D. Lawson and Bud Dowling; center, John Roussos; guard, Dale Hill; flankerback, Bob Dehlinger and fullback, Ken Hall. Eight of these were starters either on defense or offense or both and all eleven did outstanding jobs through the season and will be sorely missed by next year's team. The 1959 Vandals can look forward to an outstanding season next year with the return of top rusher, June Hanford; top passer, Joe Espinoza and team offense leader, Gary Farnworth, as well as top linemen, Stan Fanning, Jim Norton and Steve Symms.

Oregon's All-PCC Halfback Willie West (20) is trapped for a loss by a crashing Idaho defense led by Gary Farnworth (16), J. D. Lawson (85) and Ken Hall (37). Other Vandals are Pete Johnson (74) Dave Andress (60) and Theron Nelson (24).

# U. of Oregon 27 Idaho 0

Playing before 14,200 fans at Eugene, the Vandals dropped their season opener 27-0 as the Ducks of Oregon scored 3 times in the fourth quarter. The Idaho defensive line gave the Ducks considerable trouble and the Oregonians held only an 8-0 lead with 3 quarters gone. Two of these points came when Ken Hall was trapped in the Idaho end zone for a safety. In the fourth quarter the Ducks trapped quarterback Gary Farnworth in the end zone and Farnworth's fumble on being tackled resulted an Oregon TD. Idaho's biggest scoring threat came as defensive halfback Bob Eyler intercepted an Oregon pass and returned it 26 yards to the Oregon 26-yard line. The Oregon defense held and Ken Hall's field-goal attempt was no good.

### Missouri 14 Idaho 10

Idaho missed her first victory of the season by 3 inches and 36 seconds as the valiant Vandals bowed 14-10 to the hard fighting Tigers of Missouri. The Columbia, Missouri crowd of 18,000 saw their Tigers make a first and goal on the Idaho 3-yard line with 56 seconds left to play. Twenty seconds later Missouri had scored the winning touchdown. The Vandals had taken a 3-0 lead at the half on Ken Hall's 28-yard second-quarter field goal. A punt slipped off Jim Norton's foot and out of bounds on Idaho's 28-yard line to set up a 5 play Missouri scoring drive in the third quarter that made the score 7-3. In the final period quarterback Joe Espinoza mixed plays beautifully as he capped the scoring drive with a hand off to June Hanford for the TD.

### Utah 0 Idaho 20

The Vandal defense held strongly as the offense rolled and Idaho came off with a 20-0 victory over the Redskins of Utah at Salt Lake, the first Vandal triumph of the season. It was the running of Ken Hall and the passing of Joe Espinoza that made the difference as Hall rammed into the end zone twice in the second quarter. Espinoza fired 19 passes, completing 12 for 147 yards, overshadowing Utah All-American Lee Grosscup's 12 of 23 for 122 yards. The Idaho line gave Espinoza protection-plus in his passing efforts. Idaho's final touchdown drive was capped by Gary Farnworth's 17-yard end sweep.

### WSC 8 Idaho 0

The Cougars of Washington State won a battle of defenses and the "Civil War of the Palouse" as the Vandals lost their third game of the season 8-0 before a crowd of 15,000 at Neale Stadium. WSC's LaRoy Rath intercepted a pass from Gary Farnworth on the 50 and returned it 44 yards to the Idaho six before John Roussos stopped him. Three plays later, Cougar Don Ellinsen made a diving catch of Davey Wilson's pass into the end zone for the fourth quarter score. Idaho's best drive of the day was led by Joe Espinoza and ended on the WSC 25 with 35 seconds to go in the game.

### Oregon State 20 Idaho 6

Rain and the Oregon State's football team spoiled Idaho's Homecoming as the visiting Beavers ran up a 20-6 PCC victory over the Vandals. A first-quarter fumble by OSC's Nub Beamer on the Beaver 12-yard line set the Vandal offense in motion and five plays later Idaho led 6-0 on Ken Hall's plunge. From then on, however, the game was Oregon State's. An 18-yard-pass play put the Beavers up 8-6 at the half and Beamer rammed in for 2 more OSC scores in the second half. Idaho launched a last-ditch drive to score in the fourth quarter that ended on the six-inch line of OSC with 30 seconds to go.

Quarterback Gary Farnworth engineered two touchdown drives in the fourth quarter to give the Vandals a victory over the SunDevils of Arizona at Tucson. Farnworth took to the air ways hitting Bob Dehlinger for 43 yards, then Wade Patterson for 18 more before he took the ball into the end zone himself to cap the first final quarter scoring drive. Farnworth's 15-yard run keyed the final drive, climaxed by Theron Nelson's scoring from one yard out. Ken Hall opened the scoring in the first quarter with a 17-yard field goal. Then in the third period Don Ridner scored for the Vandals, but the Sun-Devils came up with a field goal and touchdown of their own and went out in front early in the fourth period before Farnworth got the Vandals rolling. The Vandal defensive line was outstanding, holding the SunDevils to 38 yards rushing.

# San Jose 41 Idaho 6

The San Jose Spartans took advantage of Idaho fumbles and a sluggish Vandal secondary to score six touchdowns as they crushed the Vandals 41-6 in sunny Boise weather. Quarterback Gary Farnworth engineered the only Idaho scoring drive which ended with June Hanford's plunge from the 3 for the TD. The Spartans turned Vandal fumbles into quick scores as they took to the airways for 274 yards and ran for 216 more.

### Montana 6 Idaho 14

The Vandals won their third game of the season as hard, steady play resulted in a 14 to 6 triumph over the Grizzlies of Montana at Missoula. Vandal Jim Norton, on his first of two interceptions, set up the first Vandal score as Gary Farnworth swept 9 yards for the touchdown, then hit Wade Patterson for the 2-point conversion. Idaho dominated the rest of the first half but couldn't score. Early in the third period Farnworth put the ball in play on the Vandal 2-yard line, was hit hard and fumbled and Montana guard Jim Johnson pounced on it in the end zone for the Grizzly touchdown. The final score came in the fourth quarter as June Hanford broke loose for a 27-yard touchdown gallop.

### Utah State 7 Idaho 34

The spirited Vandals passed accurately, ran swiftly and defensed strongly to end the 1958 season with a victory over the Aggies of Utah State, playing on a field of mud and water. The Dad's Day crowd of 3600 saw Idaho play its best game of the year. Defensive safety Jim Norton was brilliant as he intercepted 3 passes, the first of which he returned 99 yards for a TD to open Vandal scoring. The Aggies came right back, however, as the Utah State halfback Overton Curtis sped 96 yards with the kickoff to score. Then Gary Farnworth engineered a 62-yard drive and with Theron Nelson scoring, Idaho led 14-7 at the half. In the fourth quarter Idaho quarterback Sil Vial took to the air, throwing to Wade Patterson and Bud Dowling, then handing off to Oren Melton for the score. June Hanford raced 59 yards to set up the next touchdown as again Melton plunged. The final Vandal score saw Joe Espinoza pass 24 yards to Paul Wagar. Pete Johnson and John Roussos led the strong Idaho defensive.

The Idaho Vandals finished the 1958 football season with a respectable 4-win and 5-loss record. Although the Vandals lost all of the games with Pacific Coast Conference opponents, they won four of the five intersectional battles scheduled.

Conference winner was University of California, followed by Washington State College. Idaho's three PCC losses put her in the cellar of the conference standings, but the Vandals finished the season with a better record than 4 of the 9 PCC members.

As a team, the Vandals finished third in the PCC in passing offense and second in the PCC in rushing defense. Only two teams in the nation had fewer passes intercepted against them than Idaho. Vandal pitchers threw 175 aerials and only 7 fell into opponents hands. Idaho was the third least penalized team in the nation, losing only an average of 27.3 yards per game because of penalties.

# Frosh Football

The 1958 Vandal freshman football team won only one of its three games but showed great potential. Center Jim Decko, guard Dick Monanan and end Dick Kipp were outstanding linemen while quarterback Ron Karlberg, halfback Hal Murray, fullback John Kyle and flankerback Bob Vervaeke composed a potent corps of backs. These and many others did fine jobs and will prove a big asset to the Vandal varsity.

Coach Wayne Anderson directed the Vandal Babes through the season.

### Vandal Frosh Lose Two, Win Final Game

Opening their three game season against the Husky Pups of the University of Washington the Vandal Babes were overpowered 14-0 in a defensive battle. In their second game the Vandal frosh battled against a strong WSC team and at the half were on the short end of a 7-6 tally. The Coubabes came on strongly in the second half to break the Idaho defense and won handily 26-6. Halfback Hal Murray slashed off left tackle for 7 yards and the only Vandal freshman score. In their final game the Vandal Babes defeated the freshmen of Montana State 26-13. It was the first win for an Idaho frosh team since 1955. Trailing 6-0 at the half, the Vandal yearlings stormed back in the second half with four quick touchdowns and victory. Hal Murray and quarterback Mike McGettigan scored from short yardage and then quarterback Ron Karlberg scooted 31 yards with an intercepted pass. Halfback John Kyle took a Montana punt on the Idaho goal, cut to the sidelines and raced 100 yards to score the final Vandal touchdown.

The Vandal Hoopsters started the year in grand fashion by beating Montana 71-51. They then traveled to Fort Collins, Colorado where they split with the Colorado State Rams, winning 59-58 and losing 74-67. The Vandals then traveled home to split with the Montana State Bobcats winning 73-50 and losing 68-66. The team then defeated Montana again by a 67-59 count. During Christmas vacation the Vandals did not fare so well. They beat Kent State 60-54 and lost to Fresno State 55-52, and Utah State defeated them twice—64-63 and 69-60. Thus ended their pre-conference play with a 5-5 record.

Opening the PCC the Vandals lost to UCLA 63-52 and then beat Stanford in a definite defensive type game 36-31. The Vandals traveled to California and lost to Stanford 50-36 and to California 64-39. Playing a home-and-home battle with WSC, Idaho defeated the Cougars both times, 49-42 and 65-55. The Vandals lost their next two games to Oregon State 87-84 and USC 67-66. They then revenged the earlier loss to UCLA by beating them 91-87. Losing the next five games, twice to Washington 61-60 and 74-51, USC 69-65, California 65-46, and Oregon State 46-42, they finished out the season with twin victories over the Oregon Ducks, winning 64-58 and 81-75, an overtime tilt. This ended the conference games with a 6-10 record. The overall season record was a respectable 11-15. A bad pass, missed shot, a foul or a bad call could have easily made the difference between victory and defeat because so many of the games were so very close down to the wire.

Idaho won the first meeting of the two teams 36-31. The Indians played a steady ball-control game for the first half and were leading 22-19 at the half. The Vandals reversed this trend in the second half and scored 17 points while limiting Stanford to 9. Liveious scored 13 points, and Hal Damiano netted 9 to lead the Vandal attack. The second game was the same deliberate type of ball playing the first half but the second half saw the Indians break loose and outrun the Vandals 50-36. The Vandals shot 18.5 per cent and Liveious and Damiano again led the scoring with 9 points each.

The teams played on even terms the first half with UCLA leading 34-31. Then Idaho turned stone cold, managed to pick up near the end of the game but time ran out too quickly for victory. Coleman scoring with 13 points led with Schaffer with 11 and Walton with 10 close behind.

The second meeting of the two teams was a different story. Idaho shot a phenomenal 50 per cent of their shots. Liveious led the pack with 26 counters, Coleman with 16, Schaffer with 14, Prestel and King 12, and Hall Damiano with 10 all scored in the double column. The 91 points scored by Idaho in this game was the highest scored by any team in the PCC this year.

# Frosh Basketball

Coach Anderson's frosh basketball team ended the season with 6 wins and 9 losses. Gary Floan, who averaged 18.8 points per game and Chuck Lange who hauled down 162 rebounds paced the frosh to victory. The team shot a respectful .338 percentage of their field goal attempts. At the foul line, the frosh had an average of .552 percentage. The Babes averaged 62.6 points per game.

Front row: Ferm Pasold, Jim Neese, Lee Shellman, Val Johnson, Norm Geertsen, Glen Porter. Middle row: Jack Bloxom, Denny Solt, Wendall Wolf, Bob Dehlinger, Ron Zwitter, Glenn Woodall, Ralph Hatch, Coach Anderson. Back row: John Fleming, John Beckwith, Roger Watts, Cliff Trout, Roy Schmidt, Larry Hattemer.

## BASEBALL

The Vandal mittmen opened their season by losing to Columbia Basin JC 7-3. They then came back and defeated the Whitman Missionaries 8-1. The Vandals won their opening game in the Banana Belt tourney by defeating Montana State University 4-2 behind the steady pitching of Jack Bloxom. The Vandals then proceeded to be drubbed twice, once by Oregon and then WSC. They opened the PCC season by losing to the Huskies 8-5. Pitcher Val Johnson struck out 12 Huskies but 8 Vandal errors hurt Idaho's chances of winning. The Vandals lost another heartbreaker 11-10 to the Huskies. Down 9-2 at one time the Vandals fought back and went ahead 10-9 only to lose with two outs gone in the ninth inning. Poor fielding and bad breaks plagued the team throughout the season. They ended their PCC season by losing twice to WSC. The team finished with a 7-18 record. Hopes for a good team next year look very promising with a fine bunch of freshman prospects coming up. Five men will be lost by graduation, pitchers Val Johnson and Wendy Wolf, second baseman Norm Geertsen, and outfielders, Ferm Pasold and Bob Dehlinger.

# TRACK

Track Coach Glander

The Vandal track team was greatly improved this year, but still was without depth in many events. Although not winning any dual meets this year the team showed well. The Vandals were very strong in the distance events with Adams and Wyatt leading the parade in the mile and two-mile races. Dick Boyce showed well in the 880-yard and mile runs. Bill Overholser, a very fine hurdler, did a fine job after a slow start due to a knee injury. Dave Durham ran a very good 440 and Theron Nelson scored well in the 100- and 220-yard dashes. Idaho's only scorers in the Northern Division meet were Frank Wyatt, a second place in the two-mile run, and Dick Boyce, a fourth place in the mile run. Wyatt then came through to win the three-mile run at the PCC Championships to win Idaho's only points. A very fine freshman squad should bolster the varsity team next year.

## CROSS COUNTRY

Although not winning the PCC Championship, the Vandal Harriers showed well in every meet this year. The Harriers finished fourth behind USC, Stanford and Oregon. Frank Wyatt and Ron Adams were the big scoring punch with Dick Boyce and Pete Reed rounding out the top four.

## SKIING

The Vandal slat-men led by team captain Frank Cammack had a very good year. The team showed well in all meets and reached its peak by winning the meet at Rossland, B.C. Strong showing by Cammack in jumping and cross country, Hilmar Lunde in jumping and cross country, Figgo Friling in jumping and cross country, Jim Douglass in slalom and downhill. Freshman Larry Schott and Chuck Rank should help to bolster next years squad who loses Cammack and Douglass due to graduation.

High point getters throughout the year were divers Bill Overholser and Cliff Lawrence; the free style, Ken Goodwin, Len Lawr, Sam McNeill and Dale Dennis; the butterfly, Alex Gilbert and Al Hansen; and the back stroke, Larry Nelson. Senior swim ace Len Lawr was voted "Most Outstanding Swimmer," junior swimmer Sam McNeill was voted the "Most Inspirational Swimmer." ## ASUI

The Associated Students of the University of Idaho can well be proud of the leadership and accomplishments rendered by Student Body President, Dick Kerbs. Earnestly, capably and wholeheartedly Dick tackled each and every problem facing him and the Exec Board and the achievements of hard work were an inspiration and challenge to all who know him, worked with him and who will follow in his footsteps. Described by the faculty and administration as a "statesman in all his dealings," Dick paved the way for better understanding and rapport between the students and the administration, stressing academics and an intellectual atmosphere for the entire college community. Carrying a full load of classes and activities, he found time to marry in December, adding another responsibility to his already numerous ones. However, none can say that Dick did not dedicate his whole being in his job and no truer representative of the students could have occupied the office in the ASUI office or wielded the gavel at the long but enjoyable, and certainly constructive sessions of the Executive Board. His is a record to be cherished and admired. A fine fellow and a fine leader, Dick Kerbs.

"Let's have a little order, please!!"

An informal atmosphere lent well to fun and fellowship as well as constructive legislation-here the Exec Board enjoys an anonymous witticism.

## **Executive Board**

Many and varied were the situations that faced this year's Executive Board. Taking office in the spring were five Greeks, three Independents and one Student Government candidates. Crossing party lines and voting for the best interest of the college community, the board sponsored such measures as a student-faculty workshop which gave birth to a spirit of "intellectualism" and such phrases as "work-play week." Better academic-student relationships were stressed and accomplished as a result of this far-sighted progress in cooperation. A new ASUI structure was set up to include the long needed SUB program council and to eliminate overlapping committee functions.

After much deliberation, Idaho's membership in NSA was dropped. A strong drive to promote knowledge of the needs of the University was held before Christmas with the legislators of each county being personally contacted and made aware of existing conditions. Several con-

stitution revisions were proposed when the board brought the document up to date. A new committee, the Coordination Council was organized under this board to spread the word of ASUI decisions and gain student opinions. The function of this group was climaxed in an open Exec Board meeting with the student body posing questions. Stressing the importance of student recruitment, the Board established a High School Day to honor top students throughout the state. Guided tours and general orientation plus entertainment served to acquaint the visitors with the Idaho campus. The personnel of the board changed several times during the term of service. Nan Alvord Hughes was forced by circumstances to resign and was replaced by Dick Loeppky. Temporary replacements while elected members did student teaching off-campus were Arnold Nikula and Suzanne Roffler. A wide range of ideas was thus exchanged.

## Student Union

The Student Union Building is the center of many activities and during our free hours we like to sit in the "Bucket" and enjoy a cup of coffee. This building is really ours; we support it and thus are able to take advantage of its many facilities. Included in the building is the bookstore, cafeteria, recreational facilities, ballrooms, conference rooms and the radio station. The people managing these facilities spend many hours planning and working to enable us to have the best service possible.

Plans are well under way for an addition to the present building. Many new facilities will be available to the students and we are looking forward to the day when it will be completed and ready for our use.

It's trite, but true: the Argonaut focused its interest on the first four letters of the word NEWSpaper and tried through 1958-59 to live up to the implications of that word.

Faced with a fast-growing campus and steadily increasing student and faculty endeavors that required coverage, the Argonaut's days as a twice-a-week publication seemed numbered. Plans at semester's end were to start plans for a thrice weekly.

But during the hectic nine months staffers had other challenges, achievements and worries stamped into their memories.

Perhaps the all-important news story day in and day out was the University's Battle of the Budget waged in Boise. The Arg spent more than a month accumulating figures and facts for a special "Crossroads" edition and followed up with many column inches of coverage about Boise doings. In the meantime, it beefed up its coverage of national events, particularly off-year elections and ran a "Great Decisions" series.

The Arg was the first paper in the state to present Gov. Smylie's Legislature-opening message and was first to bare the fact that Idaho would not meet rival ISC in 1959.

A new format for the society page was introduced, the editorial page was revamped and a controversial char-acter named Denton Vander Poel raised "what for" among women readers.

The Golden Fleece, written by Editor Jim Golden, hit hard when necessary, but generally was devoted to shedding light on administrative decisions, chiding WSC and interpreting events. Editorials pledged support for the will-o'-the-wisp idea of "intellectualism," opposed competition with ISC and called for political maturity.

Though it shunned the screaming banner headlines of previous years, went on no out-and-out crusades and printed no fiction, the Arg made up for it by improving its news depth and by devoting many lines to feature stories.

News Editor George Fowler and Women's Editor Dama Wildig consult their staffs on the best policies for presentation of the newsworthy events.

Diligence, patience and long hours were the effort rewards of the copy staff, yet without these hard-working people the news would not have received the necessary editing.

Reporters thoughtfully contemplate the most effective way of presenting the news to the campus subscribers.

Pecking out a sports story or writing his column "Sidelines," Gary Randall proved one of the staffs most ardent workers.

Wendle and Todd the photogs gave the paper the needed quality pictures and coverage of events to yield a more interesting publication.

## GEM of the Mountains

For those who climb the two flights of stairs to the third floor GEM office in the SUB to work on the student publication, many frustrating, maddening and often hopeless situations are in store. However, the few who stayed loyally to see IT through found reward and satisfaction in the end product. The GEM's purpose is to present the Idaho student with a review in picture and story of the highlights of the year's activity: its educational, cultural, and social life and the personalities which vitalize every phase of the campus life.

The volunteer staff, composed of willing, enthusiastic and capable students, who worked arduously for many hours to build a permanent record of 1958-59, found companionship and self satisfaction in the stimulating activity.

The picture was not always rosy; deadlines were missed, negatives and pictures alike were lost, many groups and events were not recorded because of uncoordination on the part of several, yet we all managed to come up smiling and do the best we could. So, we, the staff of the 1959 GEM of the MOUNTAINS, present the yearbook to you, it is yours for you are the people who have made it possible. We hope you like it.

Must not have been too bad a day (or year) if Editor Kay Conrad can display that much of a smile. Because of her understanding and pleasant working manner the staff progressed with significant cooperation.

Earnest and conscientious Associate Editor Neela McCowan performed her many tasks and assignments in a most capable and efficient manner.

Calling people, writing reminders, checking copy and doing a million odd jobs was Associate Editor Bob Hansen without whom the efficiency of the staff would have been impaired.

#### Mortar Board

The girls who wear the traditional white jackets constitute a distinctive group. They are chosen on the basis of high scholastic standing and activities. Their main interest is to promote a higher standard of scholarship on campus as is evident in their study program for freshman women. Other projects include the annual mum sale at Homecoming and ushering at the Borah Conference. Members are tapped during the May Fete each spring.

### Silver Lance

Silver Lance, the senior men's honorary, is limited to those senior men who have kept high scholastic standards, as well as giving outstanding service to the University. The new members of the group, the smallest honorary on the Idaho campus, are tapped at May Day activities during the end of their junior year. To be selected as members of Silver Lance is high recognition to outstanding campus leaders. John Chapman was tapped but did not return to school this year.

### Army

1958-1959 was an extremely successful school year for Army ROTC. Under the supervision of Professor of Military Science and Tactics Colonel Glenn B. Own, who is a product of the University of Idaho ROTC program, the Army progressed in every respect. Thirty-two graduates were commissioned, 4 of them in the Regular Army, and 39 cadets made preparations for the rigorous summer training camp at Fort Lewis, Washington. Over 90 sophomores applied for entrance into the Advanced Course, 35 of them being accepted in the highly competitive selection based on military proficiency, academic grades, and physical condition.

The Army Drill and Rifle teams both had an extremely active year, bringing in such honors as the Pershing Rifles Regimental Drill Championship, the Vail Trophy for first place among military rifle teams on campus, and a high position in National Rifle Association competition.

## College of Letters and Science

The College of Letters and Science, which was created in 1900, is the oldest college in the University and consists of the following nine major departments: Art and Architecture, Biological Sciences, Communications, Home Economics, Humanities, Mathematics, Music, Physical Sciences, and Social Sciences.

This College is dedicated to both a liberal education and a professional training in certain selected fields. The advising program of the College is organized so the student has a personal relationship with his advisors throughout his college career. In addition to purely educational objectives, the College strives for the advancement of individual integrity, character, and personal development.

Each department is staffed by a group of highly trained people. All of them are specialists in their fields, including classroom instruction, research, and service. Most important, however, most of them are family men. For example, Dr. Boyd A. Martin, who holds his Ph.D. from Stanford University, is married, and has two sons, ages seventeen and eighteen. The Martins spend their vacation days on Chatcolet Lake to enable the family to take full advantage of outdoor opportunities offered in Idaho.

### Editor's Farewell

With this, the final page of the 1959 GEM OF THE MOUNTAINS, you, the reader come to the end of a valiant attempt by yours truly and her staff to record as clearly, correctly and interestingly as possible, all the components of a very busy but wonderful college year. I admit readily that there are many mistakes, I regret that so many groups and events were omitted yet one person struggling against certain odds is not invincible. I assure you that I did the best I could and hope you take this into consideration when you render final judgment. In the Gem I hope you find many fond memories, a smile or two will be greatly appreciated and next year please thank the loyal staff who will be returning to face another academic year—you will recognize them easily—they all wear trifocals and have grey hair!

Now would be an appropriate time to strew a few orchids in the paths of all those who were invaluable in the production of the book. First, a big thanks to Jim Gipson and his tremendous staff at Caxtons-Paul, Lindy and Dick and the rest of the crew-you will never know how much I appreciated your encouragement, understanding and help. To Gale Mix, who could always cheer me up or half kill me by "patting" my back so vigorously —a big hug, Ug! To Rafe Gibbs, Don Walker and Roy Bell at the publicity office and photo center, the real credit goes for, without your unlimited time in assistance there would have been no book at all. To Rudy and Hutch, if you can still afford a phone I'll call to thank you again, but aren't you relieved that my raspy voice will no longer haunt you?? To the SUB staff, especially Dixie, who isn't pictured in the book, a big thanks for mailing and indexing. To the fine, hard-working, self-sacrificing staff a whole bouquet of the precious flowers. Neela and Bob who stayed after school to finish upmerci, and to Gerry, the errand boy who made good, thanks. To Cathy, a bottle of nervene and a strait jacket, no one suffered more for the cause. And to Gay, Carole, Neola, Marian, Margaret, Bruce, Mark, both Daves, Tony, Sherry, Carolyn, Dianne, Gary, Vicki, Wayne and Jim, my humble appreciation for your work. Without such a fine group to work through, I would have quietly crawled off to die silently. A special tribute to my many friends who suffered inwardly but outwardly sympathized with me, especially the swell girls at Gamma Phi Beta

and those who answered my many phone calls there and at the Home Management House. To the fellow members of Executive Board, particularly Kay, Neal and Jim a word of gratitude for support and ego-building, it all helped so much. Plaudits also to Honeybee, Glad and the rest of the seniors who patiently put up with me. Finally, to the Conrads at Castleford a big kiss for your moral support. To you, this book is lovingly dedicated.

1959—a year of colored leotards, morbidly humorous contemporary cards, short skirts, stereophonic music and for many of us a final look at the University. It is with regret we leave yet with high spirits of adventure that we face the future.

Let me, classmates of 1959 propose a 10-year reunion. At the risk of seeming presumptuous I shall appoint a few chairmen for the event-you see, directing others who do the real work is just up my alley. Trusting you will all consent I first appoint Neal Newhouse general chairman. Your extra years of attendance at Idaho easily qualify you as an alumni director. I am certain you will use good, clear judgment! For publicity-Jim Golden (you may have to brush up on general techniques but-); For Master of Ceremonies-Dick Kerbs (no explanation necessary); For Refreshments-Suzza Roffler, Dick Loeppky (remember thou our ulcers); For Entertainment - Diane Kail and Clyde Lofdahl (experience from both sides of the curtain); For Speakers-Carolyn Edwards, Marge Erstad and Kay Zenier (this way you can't appoint yourselves); For Placecards and Flowers-Mollie Godbold and Bob Prestel (because of ability and knowledge); For Awards and Prizes-Jim Rathbun and Tom Stroschein (watch the treasury, we'll have an investigation). The rest of us of the class of '59 await '69 for final plans. Do a good job, we anticipate a fine time.

Enough of this lighter vein and back to the serious. May you each find in your Gem a record you will long cherish. Because you lived it and shared it with us, thank you and once more to all who worked so diligently with and for me, thanks.

Good luck to Neela and Bob next year, its lots of fun but can be most exasperating. To you all, and to the University community, good-by and God bless you.
