IDAHO . . . Moscow, Idaho

Dedication

To our Idaho... the State and the University ... we are deeply proud to dedicate the 1960 GEM OF THE MOUNTAINS. To the State for her beauty, grandeur, and charm.

To the University for the knowledge gained, for the companionship never to be forgotten, and for the best years of our lives.

The future school year looks bright for this young coed . . .

, , , and this married couple appears happy about the future too.

A great deal of lifting and lugging accompanies moving-in day as campus life begins . . .

... but football is more fun than moving-in and intramurals are extremely popular.

Classes will come soon, but first come rush, registration and relaxation.

Rush often brings out many different personalities! . . .

. . . and that pledge ribbon means a great deal . . .

... and often leads to "poster parties" for the big football rallies.

Many enjoy the popular SUB Painting Exhibits...

. . . while others discuss the first days of class.

Football season brings a busy time for the Spurs. brings the appearance of the traditional MUM, . . . and brings the ever active cheer leaders.

KNOTHOLE

The Campus soon settles down to class routine, lab work, and studies at the library. (Could she be checking out a reserve book?!!)

But relaxation and fun can also be found on campus through reading, associations in the living groups, coffee at the SUB (who's your friend, he looks familiar!), and talents.

So we find the University of Idaho a beautiful campus dedicated to the development and service of the State and her people.

College of Letters and Science

The College of Letters and Science is the oldest College in the University and consists of nine major departments: Art and Architecture, Biological Science, Communications, Home Economics, Humanities, Mathematics, Music, Physical Sciences and Social Sciences.

This College is dedicated to both a liberal education and a professional training in certain selected fields. The advising program of the College is organized so the student has a personal relationship with his advisors. Along with the purely educational objectives, the College strives for the advancement of integrity, character and personal development.

College of Agriculture

The College of Agriculture, with its intensive program of research and scientific training, is one of the most outstanding colleges open to students seeking training and skill in agriculture fields. Young men come here from all areas of the world to acquire those skills necessary for the proper use and maintenance of their land.

Toward the end of the school year the agriculture students participate in a week long observance of their achievements known as "Little International Week." Speech finals, judging contests and various displays of the fields of agriculture are included in the traditional observance.

College of Engineering

The College of Engineering, recognized as one of the finest engineering schools in the United States, contains departments offering men training for five different phases of the profession— Agricultural Engineering, headed by J. W. Martin; Chemical Engineering, headed by M. L. Jackson; Civil Engineering, headed by C. A. Moore; Electrical Engineering, headed by H. E. Hattrup; and Mechanical Engineering, headed by H. W. Silha. Graduates of this college have a very thorough knowledge of their field and are well prepared for their future work.

College of Mines

The College of Mines was established in 1917 at the University because of the early pronounced importance of mineral substances in the economic and cultural life of Idaho. At the University men are trained in the different special areas of the minerals industry. In the College of Mines, training can be gained as desired in Mining Engineering, Metallurgical Engineering, Geological Engineering, Geology and Geography in both graduate and undergraduate work.

College of Forestry

The University of Idaho's nationally top-rated College of Forestry is a nation-wide attraction, drawing students from every state and many foreign countries. The students participate in a program including fish, forests, ranges, wildlife, plants, game birds and wood utilization in laboratories and class rooms.

The college is proud of their experimental forest, a tree nursery producing stock for planting throughout Idaho and a large arboretum showing 150 varieties of trees.

College of Education

The College of Education offers a program which leads to a teacher's certificate and qualifies those students as teachers for the schools of Idaho and other states. The heads of the four main departments are Dr. Ray M. Berry, Education; Dr. W. H. Boyer, Psychology; Miss Mabel Locke, Women's Physical Education; and Dr. Leon Green, Men's Physical Education. The College also offers special programs in Music Education, Business Education, Industrial Arts Education, Guidance and Counseling.

Phi Epsilon Kappa is the only national professional fraternity for male students and teachers of health, physical education and recreation. It brings to its members an appreciation of their duties toward life, toward their profession, and toward their fellows. The establishment of Phi Epsilon Kappa has added immeasurably to the professional status of physical education at the University of Idaho. Since its beginning in 1957, Alpha Omega chapter has staged sports clinics for youngsters, professional conferences, and has supported the Fellowship of Christian Athletes movement.

College of Business

After meeting the requirements of a two-year basic program, a student enrolled in the College of Business can select a major from seven fields offered: general business, accounting, economics, foreign trade, merchandising and advertising, secretarial studies and extractive industries. A special curriculum is also offered for preparation and admission to the College of Law. A wide scope of excellent opportunities await the graduate from the business school. Dean Kendrick is completing his third year as dean of the business school. His pleasant personality and unending willingness to help students has made him very popular among the business school.

Graduate School

The Graduate School again this year served its purpose of meeting the needs of many college graduates who desire additional training for their respective fields. Since its bebeginning in 1909, the graduate school has afforded an opportunity for students to work closely with distinguished scholars and to develop within them the ability to be capable of original and creative advancement. There are fifty different majors leading to masters' degrees offered by the various colleges comprising the University of Idaho.

It's a big and beautiful campus, but it doesn't take long to feel at home on it.

Registration

Registration is probably the most hectic time you'll have during the semester especially to the beginning frosh. Registration days were September 17 and 18. Everyone seemed to make it through all right and started Monday classes a little more confident.

The familiar registrar's office is where you pick up that important permit to register.

The bookstore is a good place to get started and a good place to spend money getting the books you need.

Registration Day. What fun!

SUB Open House

Bowling, dancing, billiards, a movie and a jazz show were part of the program presented September 25 at the SUB Open House. Although planned around the theme "Getting to Know You" for freshmen, most of the events were open to all students. Music was provided by the bands of Gary Dossett, Cecil Heick, and Dick Stiles.

Campus Carnival

The Campus Carnival is a traditional event held at the beginning of each school year. Its purpose is to orientate new students with the various committees, clubs, and honoraries and a dance is usually held in connection with the displays. This year's theme was "Scholarship with Activities."

Politics play an important role in campus life. Caucus makes a good activity for any student, Greek or independent.

Are you musically inclined? If so, Sigma Alpha Iota or Phi Mu Alpha, the music honoraries, would be worth your while.

Dances

Costume dances mean lots of fun to every student. Who can forget the time they had trying to find a costume! Almost every living group has at least one costume dance and everyone's willing to attend.

"The bowery, the bowery, they do strange things and they say strange things—." It does look a little strange at the SAE's version of the bowery, doesn't it? Anyway, George Volk, Jeri Rae Rasmussen, Keith Ripple, Judy Johnson, Janine Ball, and Dick Reed seem to be having a good time.

The Delta Chi Pirate Dance is sure to be lots of fun with a crab feed preceding it. Donna Sattgast, though, appears to be without a partner.

Steve Brown and Mary Stinchcomb went all out western at the French House dance.

Fall Scenes

Fall hit the Idaho Campus and brought a change in scenery. The trees became covered with shimmering red, gold and brown leaves while the students put on colorful jackets and sweaters and prepared for winter.

Homecoming

Homecoming weekend October 30-November 1 was a big weekend on camp-I. Trenna Atchley, Forney, reigned as Homecoming Queen. The Vandals were matched against Oregon State for Saturday afternoon's game. After a good start by the Vandals the Beavers surged on to a 66-18 win.

The DG-Phi Delt float won first prize in mixed competition while the Delt "soapbox" won first prize in the single division. All in all, a very memorable weekend.

Dad's Day

Dad's Day, a full weekend of activity, was November 20-22. Idaho battled Montana University in Saturday's game and won, thus keeping the stein at Idaho for another year. Other activities included Dads' Day Musical Quartet Contest, the annual Dads' Day Dance, and an ASUI play, "The Desperate Hours."

"La Joli Noel" was the theme of Holly Week this year held December 7-11. Holly Week is traditionally sponsored by the sophomore class. It is started each year by the sophomore Christmas serenade. This year the Lambda Chis originated a door decoration contest held in conjunction with Holly Week and Campus Club and Alpha Chi received the door decorations trophy.

Campus Elections

Campus Elections proved to be very interesting this year with Independent Caucus, Greek Caucus, One-Man-Parties and Write-Ins running for campus honors. The Independents put forth a good effort but seemed to be split due to the write-in candidates.

Election night, March 10, was filled with excitement as the results began coming in giving Greek candidate Bruce McCowan, Beta, an easy win for ASUI president. The election also named five Greeks, three Independents and one Campus Representative to Exec Board posts but left the vice-presidency undecided.

No matter the occasion, someone would always rather play cards!

Thinking about party platforms or tomorrow's exam?!

Campus Elections

The Most exciting and controversial issue of the Campus Elections this year was the race for the ASUI vice-presidency between John Fitzgerald, Greek, and Jerry Walsh, write-in candidate. The vote was extremely close but the final decision of the Board of Arbitration named John Fitzgerald, Delt, to the position of ASUI Vice-President.

Campus Chest

"Around the World" was the theme of this year's Campus Chest held March 12. Contributions amounted to approximately \$2,600. Booths of all kinds filled the SUB ballrooms and the evening ended with the traditional auctions of the various living groups on campus. A new idea correlated with Campus Chest was a contest among the girls' living groups for "Weightiest House on Campus" which was won by the Alpha Chis.

At least those on the floor seem to be working!

Frosh Week

Frosh Week was very successful this year with the theme "Spring Fever" fitting in with the general campus feeling. The frosh won the annual tug of war against the sophomores. Nancy Weigelt, Hays, took the prettiest legs contest while Bill Bowes, SAE, won the strong man contest trophy. The week ended with the frosh dance and the crowning of the queen, Delores Llewellyn, DG, and the king, Dave Frazier, Sigma Chi.

Nice legs, for a freshman!

Gerene Graf entertained with "The Boston Beguine."

Blood Drive

The Annual Blood Drive, April 19 and 20, with the theme "Plasma-Plizz" was a huge success collecting a total of 860 pints of student blood for the Red Cross. Phi Kappa Tau and Alpha Gamma Delta received trophies for going farthest over their quota while the Betas donated the largest total number of pints.

"Take a deep breath and relax."

The College of Forestry celebrated its Fiftieth Anniversary this year with meetings and banquets.

Conventions

The University of Idaho hosts many different types of conventions. These conventions draw people from all over the statemany of them being our University alums. Receptions, teas, banquets and meetings-all are a part of the program.

The College of Law also celebrated its Fiftieth Anniversary this year with a convention drawing lawyers from all over the state.

Leading the Academic Parade are the Military personnel, President Theophilus, Governor – Smylie, the Board of Regents, Mr. Lindley, and the deans of the various colleges.

The 65th commencement on June 5, 1960 was a day to remember for the Class of '60. The sun was shining, as were the faces of many of the graduates. Thus ended another school year and the big climax of the Seniors' four years at Idaho. Over 910 degrees, both Bachelor and Masters, were awarded with two distinguished alumni receiving honorary Doctorate degrees: Ernest K. Lindley, Doctor of Literature; and M. Myrl Stearns, Doctor of Science. Mr. Lindley was also the commencement speaker. Two Citations of Merit were given, one to Professor A. W. The University of Idaho Vandaleers are shown at their annual Christmas Candlelight Concert.

Fine Arts

The Fine Arts section represents the music, art, and drama at the University of Idaho. One of the highlights of the year was "Li'l Abner" in which the music and drama departments worked together. Other drama department productions included "Desperate Hours," "The Sleeping Prince," and "Thieves Carnival." The music department presented the Vandaleers, University Orchestra, University Band and University Singers in many outstanding concerts. Orchesis and Helldivers presented their annual shows which added to an outstanding year for fine arts.

The Sleeping Prince

An American chorus girl, Mary (Jo O'Donnell) travels to England to see a coronation. While in England she meets the Regent of Carpathia (Ed Vandervort) and the Grand Duchess (Sally Wilbanks) and becomes involved in their family disputes. The plot is centered on political ideals and Mary does her best to convince the Regent that the American ideals are best. The authentic setting and superb acting added much in making the Drama Department's production of the "Sleeping Prince" a success.

Mary (Jo O'Donnell) meets the Grand Duchess (Sally Wilbanks) as Regent Ed Vandervort looks on.

The Grand Duchess shows her maid (Claire Slaughter) how to act in the presence of royalty.

Mrs. Hillard (Sandra Wanamaker) pleads with Griffin (B. J. Schaffer) for the safety of her family.

The Desperate Hours

In the play, "The Desperate Hours," three escaped convicts, led by Glen Griffin (B. J. Schaffer), stay in the home of Dan Hillard (Robert Chandler) for three days to avoid capture. The family is left to follow the orders of the gangsters while the police comb the city in search of the criminals. The actors build the suspense which is maintained through the aid of special lighting and soundeffects as well as by the aid of a split-level set.

Li'l Abner

The ASUI production of "Li'l Abner" willgo down as one of the liveliest, most popular, and best attended musicals ever presented. Record-breaking audiences watched Daisy Mae (Shirley Mitchell), Mammy and Pappy Yokum (Bonnie Scott and Jay Thurmond) and the Dogpatchers keep Li'l Abner out of the clutches of General Bullmoose (John Pasley) and save Dogpatch, U.S.A., from being blown off the face of the earth. The play was further highlighted by the dances directed by B. J. Schaffer and the annual Sadie Hawkins Day Race. "Li'l Abner" will be wellremembered in the coming years.

Thieves Carnival

"Thieves Carnival," a gay four act comedy, by Jean Anouith, was presented April 21 and 22 under the leadership of Jean Collette. The three thieves, played by Philip Bigsby, Edgar Vandervort, and Frank Grossman, were the nucleus of the action which deals with their

The three thieves, played by Philip Bigsby, Edgar Vandervort, and Frank Grossman, were the nucleus of the action which dealt with their maneuvers as they found themselves in many awkward situations during numerous pursuits for "loot."

Fred Nelson's appearance in the production as a one-man orchestra provided additional comedy and added to the light and airy mood of the play. Bill Campbell with his bongo drums also added to this mood which distinguished this comedy from previous ones and made a fine production to climax the 1959-60 theatrical season.

Vandaleer Concert The Vandaleers, under the direction of Glen Lockery, provide the University of Idaho with high quality music. They begin the year with the tapping of new members and their activities include the popular Christmas Candlelight Concert, a spring concert, and a tour of various Idaho high schools. The Vandaleers are known on campus and throughout the state for their outstanding concerts. This year John Ensunsa has been president of the choral group.

Community Concerts

The Community Concerts this year were enjoyed by many of the students on campus. These concerts are presented through the efforts of both the University of Idaho and Washington State University. The two schools work together to bring outstanding artists to the two communities.

Public Events

The Public Events series provided the University of Idaho students with an opportunity to listen to nationally known men speak. These speakers were brought to the campus through the efforts of a university committee.

Fine Arts

The University of Idaho students have many opportunities for enjoying the "finer arts" through such programs as the Music Department, Drama Department, student sponsored programs, student and faculty musicians, instrumental groups and SUB movies and exhibits.

The Saturday afternoon jazz sessions at the SUB were well attended.

The annual Song Fest provides a wide variety of songs and group talent for the Mother's Day Weekend.

Laird-Always cordial and efficient.

ASUI

A very successful year for the Associated Students of the University of Idaho can be credited to the outstanding leadership of President Laird Noh. Realizing the necessity of a common ground of understanding between students and faculty members, Laird has emphasized this through the year in his diplomatic manner of consulting faculty persons on all pertinent issues. On each matter taken up by Laird and the Executive Board he kept an "eye toward the future" stressing that which would be best for the student body and the University in the long run. His cheerful attitude while conducting Executive Board meetings, establishing complete control in a relaxed atmosphere, was an inspiration to all who attended. Laird lead the Board in the establishment of a faculty recognition program, a revision of the Frosh Orientation program, and worked hard for a good public relations program and an improved student attitude toward the University. No one will fully know or appreciate the long hours spent by Laird in thinking and planning in the interest of the students, although we do know that he was a dedicated president in every respect while managing to maintain high scholastic achievement as well. The associated students can be proud of their president, not only for his achievements, but also for his constant awareness of representing the student body. Surely, the students could have no finer representative in any situation than their president, Laird Noh.

And after the WSU-Idaho game-smiles in defeat.

Executive Board

As a result of the fall Student Faculty retreat which was held at Lutherhaven, "Participation in Education" became the theme of this Executive Board. The first project initiated under this theme was to evaluate the Frosh Orientation Program from which valuable recommendations have been made for placing greater emphasis upon academics during this period. Carrying out the coffee "Klatch" program, bringing the honor system to a ballot, studying the present R.O.T.C. program, establishing and emphasizing the Dean's List, and working with the College of Letters & Science in the teacher improvement conference, all played an important role in this program. One of the last and most important programs under Executive Board's theme was the formulating of the Faculty Recognition Program.

Controversial issues were a Student Union Building revote and the validity of the spring election which resulted in Leo Tafolla's resignation and the appointment of Joe McFarland to his position.

This Executive Board of four Independents and five United Party members, guided the Co-ordination Council into a working body and also scrutinized the A.S.U.I. budget before stamping its final O.K. After sensing a strong need for an adequate public relations program, the 1959-1960 Executive Board laid the ground-work, but left the challenge for its promotion to the next Executive Board.

Student Union

The Student Union Building is the center of campus activities and students like to spend their free hours in the "Bucket" enjoying a cup of coffee. The building, supported by the students, includes a bookstore, cafeteria, recreational facilities, ballrooms, conference rooms and the radio station. The Gem and Argonaut offices are also located in the SUB. The Student Union Building staff spends many hours planning and working so they are able to offer students the best service possible.

Plans are now under way for an addition to the present building and students are looking forward to the day when it will be completed.

Co-Editor Bob Hansen was a very asset to the staff and when something had to get done, Bob made sure it did,

Co-Editor Neela McCowan with her great patience and understanding made the 1960 GEM a great one.

The volunteer staff, composed of willing, capable, and enthusiastic students shown on the next three pages spent many hours of work, sweat, aggravation and frustration, during the whole year to record the history of 1960 in this year's GEM.

Deadlines created the greatest pressure. As the time for publication grew near, the days seemed to grow shorter, the spring more beautiful, and summer vacation nearer, but the 1960 GEM OF THE MOUNTAINS still became a reality.

"I'll remember to do that." "No, I won't forget." "May I help you?" "Deadline already." "No sweat, we will get it in on time," and many other familiar sounds were heard from the third floor sanitorium at the end of the long, dark hall, just around the KUOI corner. Many hours have been spent, and by some slow and painful evolution from dummy to finished product we have an annual.

Some negatives and pictures were lost and some groups and events were not recorded because of uncoordination on the part of several, yet we tried the best we could and so we, the staff of the 1960 GEM OF THE MOUNTAINS present you with your yearbook and we hope you like it.

JIM FLANIGAN Jason, Second Semester

This was a year of progress and growth for The Idaho Argonaut. Under the leadership of Dwight Chapin and Jim Flanigan, first and second semester editors respectively, the paper's format and coverage had a near-professional quality. The largest edition in the paper's history, 16 pages was produced and delivered to the students just before school was dismissed. In that paper, the entire year's picture was written in complete detail. A vote by a cross-section of student leaders and faculty members indicated that the big news stories of the year were the SUB expansion and the vice-presidential controversy in the spring ASU1 election. Chapin and Flanigan listed improved staff relations, wider coverage of both local, national, and international events, and a more flexible page layout as major accomplishments of the year. They said they were laying the foundations for a possible three times a week campus newspaper that may be produced within the next decade. In this task, they certainly were successful.

This year, the KUOI staff increased the programming to eleven hours daily and fifteen hours on Saturday. Jazz in the Bucket was the main feature for live broadcasts as the station grew under the direction of Larry Ayer. KUOI proved an excellent place for those interested in announcing, secretarial work and engineering work as it went on its new schedule. The latest music is always played on KUOI and after a semester's absence KUOI featured full United Press International news twenty-four hours a day.

Church Activities

The church groups on the Idaho campus are very active during the year and some of their activities include retreats, worship services and get-togethers. The major activities of the church groups are coordinated by the RLC Committee which also plans the annual Religion in Life Conference each spring.

The book display at the Religion in Life Conference is always interesting to look through.

Worship services are often held for the students.

The coffee hour at the CCC is well attended.

Stan Thomas' "Courtship and Marriage" class is a favorite with the students.

ROTC

1960 Spring Review

The ROTC units at the University of Idaho consist of the Army, Navy and Air Force. All three are an active and important part of our campus life. Besides training in military science these groups sponsor the annual Military Ball and participate in the Military Review each May. This year the Air Force was in charge of the planning for the spring review.

Army

1959 - 1960 was an extremely successful school year for Army ROTC. Under the supervision of Professor of Military Science and Tactics Colonel Glenn B. Owen, who is a product of the University of Idaho ROTC program, the Army progressed in every respect. Twentysix graduates were commissioned, four of them in the Regular Army, and fifty cadets were prepared to go to summer camp.

The Army Drill and Rifle teams both had an extremely active year, bringing in such honors as the Vail Trophy for the second time in two years. Other honors were the two firsts and five seconds in shoulder to shoulder competition and a 12-win record out of 14 postal matches.

Distinguished Military Students from the Army were Kent Harrison, Cadet Colonel; Gordon Goff, Bruce Summers, Bob Meyers, Al Boss, Jack Moore, Bill Mills, Denny McLean, and Bob Hansen.

Navy

Now in its 14th year on the Idaho campus, the NROTC Unit continues to provide training to a selected number of undergraduates leading to commissions in the U.S. Navy or Marine Corps. Under this program, students come to the University from all parts of the nation and contribute widely to the cultural background and growth of this campus. Idaho is one of 53 NROTC colleges throughout the United States and although the largest unit, it currently shares the distinction with the University of Texas of furnishing the highest percentage of career Naval and Marine Corps Officers.

Those midshipmen who are commissioned by the Navy each spring have been well educated in the basic naval sciences. In addition, the midshipmen spend a portion of each summer aboard cruisers, carriers, and destroyers visiting U.S. and foreign ports and become better acquainted with the practical application of their academic studies.

Air Force

The University of Idaho Air Force ROTC, Detachment No. 180, ended the year with an enrollment of 407 cadets for the spring semester. The Cadet Wing was organized with Denny Hague, Beta, at the helm as Cadet Colonel. The Army cadets participated in the rifle team, Military Choir and Band. At the spring review General John Walsh, head of the Idaho Air National Guard, was the distinguished guest. Jim Lunte, SAE, senior; Len Clark, Chrisman, junior; Jim Space, Upham, sophomore; and Gary Carlson, Beta, freshman, received the Air Force Military Awards as the outstanding cadets of their class at the spring review.

Our homes at the University of Idaho are "our castles" and, although we try to keep them spic and span, they more often look "lived in"! We eat, sleep, study, entertain, laugh and even cry in our homes, but above all, we make some very deep friendships that will remain with us in spirit for the rest of our lives.

Theta Chi

This was the year of status quo for the men of the big red OX . . . They were still active in the little white house at 609 Deakin, but they looked toward the future with hopes of a newer and bigger home in order to expand. Flanigan . . . Jason No. 65 . . . netted a top senior award and was an outstanding journalism graduate . . . Sampson . . . who guided us through most of the year was president of Alpha Zeta and was named outstanding agronomy graduate . . . Palmer . . . an officer in Blue Key . . . was busy too, with Alpha Epsilon Delta . . . "Fester" . . . our home grown pledge . . . was strong man during frosh week activities . . . and Dahl joined Flan and Bob in Blue Key's ranks . . . while on the baseball diamond Hattimer was knocking home the big ones. In the social whirl . . . the Chis had multi exchanges . . . and their Spring formal . . . "A Dream to Remember." Sportswise . . . we participated in as many intramural sports as possible . . . and had lots of fun . . . even if we didn't break any records . . . On Scholarship . . . the Idaho chapter again picked up the regional fraternity scholarship plaque at a meeting in Seattle. In toto . . . a year of building . . . and waiting . . . for that one big opportunity to grow . . . with a new home. Under Beckwith . . . our new man at the helm we hope to see this materialize.

Athletics

Athletics at the University of Idaho are eagerly followed by interested students. Highlights of the football season include Homecoming, Dad's Day, the Boise game and the annual WSU - Idaho tangle. The fast basketball and exciting baseball games are greatly enjoyed by loyal fans while Idaho's track, tennis, golf and swimming teams bring national recognition. And the intramural program is especially exciting and popular with the men's living groups.

With the aid of interested spectators, the girls enjoy athletic participation through the Women's Recreation Association's programs.

Athletic Director

In his sixth year as Athletic Director, Bob Gibb has again done a successful job of developing and promoting athletics here at the University of Idaho.

Publicity Director

Ken Hunter, Athletic Publicity Director, has done a fine job again this year, promoting and covering athletics for the University.

SKIP STAHLEY

Although the Vandals finished the 1959 season with a poor record, they played some great ball. They were beaten by Arizona in the last fourteen seconds by a field goal. Idaho's lack of depth was the big element in every final score. Many outstanding players were lost through graduation, but there are several fine juniors and sophomores who will provide a firm foundation for the 1960 Vandals. Three of the graduating seniors were drafted by pro teams: Jim Prestel by the Cleveland Browns, Jim Norton by the Detroit Lions and Stan Fanning by the Chicago Bears.

Coaching Staff

Ed Knecht, backfield coach; J. V. Johnson, end coach; Skip Stahley, head football coach; Don Swartz, line coach; and Wayne Anderson, freshman coach.

Football

Although the 1959 Vandal football team finished the season with a 1 win and 9 loss record, they are done an injustice by this final record. They were capable of playing great football. They kept even or ahead of their opponents play-for-play in the first half of each game. In the second half, however, they were hit by a lack of depth, and could not keep up with teams that were able to substitute whole new platoons. Besides a lack of depth, the Vandals were hindered greatly by a large number of injuries throughout the season. Thirteen Vandals were lost this year through graduation: June Hanford, Jack Ashbaugh, Judd Worley, Hal Fisher, Jim Norton, Tom DiNuovo, Gary Farnworth, Paul Wagar, Stan Fanning, Theron Nelson, Jim Prestel, Steve Symms and Joe Espinoza. Almost everyone of these was a starter and everyone of them played outstanding ball during the season. The 1960 Vandal team can look forward to a fine season with the return of several outstanding juniors and a few very strong sophomores.

Jim Norton was chosen the Most Inspirational Flayer on the varsity Vandals. This year, he was eleventh in the nation in pass receptions. He topped the Vandals in punt returns and ranked second in kick-off returns. He was drafted by the Detroit Lions at the end of the season.

IDAHO O UTAH STATE 14

This was the opening game of the season for both teams. The game was a hard fought contest between opposing lines. The Utes picked up most of their yardage on end sweeps and short passes.

On runs by Allen and Mayberry the Utes went some 63 yards in two plays, leaving the ball on the Vandal three. After two unsuccessful line plunges which scored next to nothing, Allen scored on an off tackle play. The attempt for a two point conversion was stopped by a strong Vandal line. The rest of the first half was played alternating back and forth. Shortly after the half the Vandals began to move. Runs by Hanford, Farnworth, Shellman and Norton began to build hope in the Vandal team, until a clipping penalty stopped the drive. Later in the third quarter the Utes found paydirt on a pass from Montalbo to Brinton in the end zone. Brinton also added a two point conversion to make it 14-0 Utes.

The big Vandal team began the game with a thirty yard field goal by Ron Ismael. Only minutes later the Wildcats bounced back to make it 7-3. Shortly after the second half had started a pass from Wilson to Haylett set up the next touchdown, with Wilson taking it over on a two-yard plunge. The attempt for the extra point was blocked by Idaho's spark plug guard Ralph Jannino. That seemed to be the spark that brought new life to the Vandal team. With hard running of Theron Nelson, line plunges by Mike Sheeran and Judd Worley, and a beautiful 27-yard run by Soph-

omore John Kyle, the Vandals reached pay dirt for the first time this year. Then Farnworth added the two point conversion putting Idaho within reaching distance of the Wildcats. Seven minutes later an Arizona fumble put Idaho ahead 14-13 on a field goal by Ron Ismael. Time was running out and things looked hopeful for the Vandals. Brilliant passing by Wilson brought his team within field goal position. On fourth down with 45 seconds to go the Wildcat's quarterback booted a field goal for the victory.

Under the leadership of the brilliant young quarterback, George Fleming, the Huskies had very little trouble with the Vandals. Shortly after the game started Fleming scored around left end, and also added the conversion. The Vandals came back with a sustained drive of 74 yards but were stopped sixteen yards short of the goal line. In the third quarter the Huskies scored on a sixty-two yard kickoff return. Fleming scored the extra point. During the same period Fleming, still playing the prominent role, booted a thirty-yard field goal to give his team a 17-0 lead. The Huskies finished the scoring with a thirty-three yard pass play from Schloredt to Aquirre.

IDAHO 18 OREGON STATE 66

A wiry Vandal team took it on the chin from Oregon State by losing 66-18. Idaho tried valiantly even after OSC's eighth consecutive touchdown. At the opening of the game the Vandals posted their first score. With just one minute into the game, Idaho's Lee Shelman recovered a fumbled hand-off on the Beaver 31. Two plays later Hal Fisher pulled down the sideline

and into the end zone. Two more fumbles by the Beavers set up Ron Ismael's field goal from the 14, before the tables turned. Oregon State returned with an onslaught that buried the Idaho eleven. Idaho sustained several injuries, which proved to be fatal. The Vandals returned to the campus tired and weary, but not broken in spirit.

IDAHO O AIR FORCE 21

A crowd of 17,000 watched the Air Force Academy down the University of Idaho 21-0. At the time of the game, the Air Force was ranked 18th in the nation. Quarterback Rich Mayo paced the Air Force attack which struck with lightning force in the opening minutes of the game. Mike Quinlan hit pay dirt for the Academy by scoring from the six. Fullback George Pupich's placement was blocked, but moments later he kicked a 37-yard field goal to bring the score to 9-0. Quinlan and Pupich each scored in the third quarter to end the game 21-0. The Idaho eleven used the platoon system for the first time, but failed to get closer than the 32-yard line. Coach "Skip" Stahley praised the Sophomores on their fine job, especially halfback John Kyle.

IDAHO 5 WSU 27

Dad's Day at WSU brought the "Battle of the Palouse" to Pullman. Vandal fans were in for a surprise as the underdogs held off the Cougars by a score of 3-0 in the first half. Ron Ismael's 45-yard field goal sent the Idaho team ahead. The Cougars wasted little time getting their points on the board as the third quarter opened. Speedster Harper ran for the first touchdown, with Lee Schroeder kicking the extra point. Keith Linclon set up fullback LeRoy for a 45-yard run to the Idaho 10 where Idaho's Theron Nelson nailed him. Linclon swept right end for the touchdown, but failed to gain the extra point. Early in the final period, Jim Norton's kick went out of bounds and resulted in a touchback for Idaho. This put the score at 13-5. WSU's Gail Cogdill took advantage of the tiring Vandals and sneaked across for the score, as well as the two extra points. Moments later the Cougars scored their final TD on an interception, winning the 60th annual meeting of the two schools.

IDAHO 7 OREGON 45

The first quarter of the game belonged to the Vandals. Brilliant quarterbacking by Gary Farnworth helped the Idaho men drive 68 yards in 16 plays for their only score of the game. This was gained by a quarterback keeper around right end. Ron Ismael kicked the extra point, topping the scoring drive. Many of the men of both first and second teams for Oregon were standouts. Mike Sheeran and Bob Vervacke did an excellent job of running and Jim Norton, Jack Ashbaugh, Stan Fanning, Lee Shellman, and Ralph Jannino looked good in line play.

IDAHO 13 UTAH 47

A surge of strength by Utah's redskins in the fourth quarter helped them down the stubborn Vandals. Idaho's Jim Norton put on a one-man attack that gave the Vandal's a 7-6 lead, then Idaho was held in contention until the fatal fourth quarter. Larry Wilson gave the Redskin's their first score with two minutes gone. In the first half, Nelson and Norton struck right back for Idaho. A temporary lead was held by Idaho after a touchdown by Nelson and an extra point by Ron Ismael. The rest of the first half became a defensive struggle for Idaho as Utah switched units at will. The second half found the Vandals recovering a fumble and driving down to the three-yard line, where Farnworth streaked into the end zone. This ended Idaho's scoring for the day. Utah substituted at will and walked all over Idaho in the fourth quarter.

Where did he go?

A great team effort by Idaho showed up as one of the season's best, even though they were downed by a score of 28-13. With hard work by Jim Norton, Joe Espinoza, and Mike Sheeran, Idaho pushed to a first quarter touchdown capped by Ron Ismael's conversion. The remainder of the first half was a defensive battle, but in the second half the Tigers ran wild, hitting for two quick touchdowns. Judd Worley gained the final Idaho tally with an interception. Theron Nelson and Sheeran teamed up to get the ball to the COP two-yard line, where Espinoza carried in for the final tally.

IDAHO 9 MONTANA 6

The Idaho Vandals gained a lone victory for the season by defeating a tough Montana team in a 30-mile breeze. Montana controlled the first quarter after John Lands received a pass in the end zone. Idaho stormed back in the second quarter and after two minutes had gained a onepoint lead. A punt by the Grizzlies was blocked and as it bounced back into the end zone the Vandals gained a two-point safety. Idaho had some trouble with penaltics as the half came to a close. The second half found both teams struggling in rain and Idaho was able to post a 9-6 victory.

Frosh Football

Although the Vandal Yearlings finished the 1959 season with a 0-4 record, they were a strong team and showed greater speed than in former years. One of the reasons for this was halfback Phil Steinback who runs the 100-dash in :09.8 seconds. He is one of the fastest gridders to enroll at Idaho in recent years. The Frosh team seemed to have caught injuryitis from the Varsity team and were without the services of several of their outstanding men for various parts of the season. Some of the outstanding Yearlings who will add much to the 1960 Varsity Vandals are guards Bob Blower and Larry Ritter, tackles Bob Tennyson and Ron Gisler, center Ken Koch and backs Dawn Fannin, Ed LaRoche, Gary Mires, Ron Kulm and Steinback.

Basketball

It was the opinion of many that the 1959-1960 Vandal basketball team was the best-coached Idaho hoop squad in history. Dave Strack molded a winning ball club from what everybody believed was little material—last year's top four scorers did not return and Jim Prestel, around whom this year's team was to be built, was lost through a football injury. Strack took last year's bench sitters off the bench, gave them new life, and developed a strong, well rounded club around them. Because of this, Idaho can look ahead to a bright basketball future, particularly with Rollie Williams, Dale James, Ken Maren, Reg Carolan and Gary Floan to build around next year.

Every year, between halves of the last basketball game of the season, three presentations are made; the Ronnie White Award for the Most Valuable Player; the Jay Gano Award for the Most Inspirational Player; and the Oz Thompson Sportsmanship Award. The recipient of the Ronnie White Award for the 1959-1960 season was Joe King, who led the Vandals in scoring with 315 points. He was third in free throw scoring and fourth in rebounds with 175. The Jay Gano Award was presented to Dean Baxter, who provided inspiration to both the team and the fans throughout the season, as well as leading the team in field goals and rebounds. The Oz Thompson Citation went to Dale James, who, although he was bothered throughout the season with a knee injury, was one of the hardest workers and most outstanding men on the team. He was second in free throw scoring, third in field goals and third in total points scored with 219.

Basketball

The Vandals finished the 1959-1960 basketball season with an 11-15 record. Predictions before the season opened were not overly optimistic. But, under the very able leadership of the new head basketball coach, Dave Strack, Idaho emerged as a strong club that surpassed everyone's expectations. Joe King led the team in scoring, followed by Rollie Williams and Dale James, even though he played only spasmodically at the beginning of the season. Ken Maren led the team in free throws, followed by Dale James and Joe King. King was chosen as an honorable mention selection on the all-American team of the United Press International and received an invitation to try out for the Olympic team. He was also named the Most Valuable Vandal. Dale James received the Oz Thompson Sportsmanship Award and Dean Baxter was chosen Most Inspirational Player. King, Baxter, and Bob Walton were lost through graduation, but the outlook for the 1960-1961 Vandal team is excellent with the return of Williams, James, Maren, Reg Carolan and Gary Floan.

The Vandals ran into nothing but trouble as they played the Cougars four times throughout the year and lost all four, including one in the Far-West Classic at Corvallis during the Christmas holiday by a 59-57 count. In the first meeting with the hustling Cougars, a very close contest proved WSU the victor. Idaho stayed close by the work of Joe King and Dean Baxter, but just couldn't catch the Cougars. In the second game Idaho couldn't beg, buy, or borrow a basket for much of the third quarter, but still managed to stay quite close to the Cougars. The Vandals caught fire and pulled within two points, 53-55 with 70 seconds remaining only to run out of gas and lose 61-53.

Gonzaga despite their sensational Frank (Snuffy) Burgess dropped both contests to the Idaho Vandals. The first meeting held in the Spokane coliseum saw Idaho crush the Bulldogs 64-53. Vandal coach Stack said "they didn't have a good night, and they still were trouble." The home game was a different story, Idaho's wonder-boy Dean Baxter made it a night of frustration for Hank Anderson's team. Despite concentrated scouting by Gonzaga, a strong Vandal team brought home the victory.

The Vandals started the evening against the Chieftains on top as they grabbed an eight-point lead at half time. The battle raged close, but in overtime the Vandals saw Seattle's Tim Cousins put the final tally on the board. The game was a horse of a different color when the two teams met in Moscow. Spurred on by Idaho's last four consecutive victories, the Vandals downed the Chieftains 68-56. Rollie Williams did a sensational job of guarding Seattles star, Ox Ogorek. Idaho improved a great deal and were able to reverse the show for the home crowd.

Idaho's Vandals lost a pair of games to two red-hot Oregon ball clubs on a weekend road trip. A late rally by Oregon State on Friday cost the Idaho hoopsters the first game and a hot Oregon downed them on Saturday. Though the Oregon State team shot a blazing 44 per cent compared with 27 per cent for Idaho, the Vandals led until late in the game, the score of which was not decided until the final seconds. The Oregon game was no contest. The Ducks led 31-24 at the half and a defensive switch later was of no help to the Vandals. The previous Idaho-Oregon encounter was a sloppily-played contest which the Vandals lost 52-48. The Ducks scored well from the free-throw line, but trailed Idaho in field goal percentage. Oregon led most of the way, but had to hold off a hard-nosed closing rally by the Vandals.

In the first clash between Washington and Idaho, the Huskies squeezed past the Vandals 56-52. The Idaho five fought right down the wire before falling to their hosts at Edmonson Pavilion on the Washington campus. Led by Dean Baxter's backboard work plus Joe King and Gary Floan's sharp-shooting from the key, Idaho stayed right on the Huskies' tail. The score was tied with 1:52 left on the clock, when Washington's Lyle Bakken went up the middle of the key for the winning tally. Sophomore Gary Floan lead the Idaho team with 12 points, followed close behind by Joe King. The second meeting of the two teams was at Memorial Gymnasium. The Huskies placed a young, tall, and aggressive five against the Idaho Vandals. Washington started slow, but ended the half with a tremendous 52 per cent average on shots. Idaho player Dean Baxter proved to be a threat when he cut the Huskie lead to 45-42 late in the second half. Despite this threat Washington dominated the boards and emerged victoriously. Vandal Ken Maren held down Huskie top scorer, Hanson, and also scored 13 points to top the Idaho team.

Frosh Basketball

Although the 1959-1960 frosh basketball team ended the season with a 4 win - 10 loss record, this does not reflect the true strength of the team. There were many individuals with outstanding talent, but the team never could completely work as a unit. Three of the outstanding freshmen were Rich Porter, Clair Gray and Jeff Wombolt, all of Kellogg. Last year Rich Porter was an All-American high school basketball star, and he and Wombolt helped to push Kellogg to the state championship. Three other stand-outs were Dan Hoag, an all-state high school star from Michigan, Dan Barrett, and Ron Pykc. Next year these boys should contribute greatly to the 1960-1961 Vandal varsity team.

The 1960 Vandal baseball team had an over-all outstanding season. They completed the pre-conference season with a 14-2 record, the best ever made by a University of Idaho team. However, the going became rougher as the Northern Division play progressed, The team was led by the outstanding play of Ralph Hatch, who was a star both at the bat and in the field, and was the second leading Vandal hitter for the season. In addition, he was named to the first Northern Division Team. Three other Vandals were named to the second Northern Division Team: Steve Hinckley, who led the pitching staff; outfielder Bob Vervacke; and shortstop Bill Johnson. Hatch's loss through graduation will be sorely felt next year, but, with the return of Hinckley, Vervacke, and Johnson and several other outstanding Vandals, the 1961 team has great potential. The pitching should be es-pecially strong with Darrell Woofter, Denny Grant, Tony Burke, and Pat Townsend to back up Hinckley.

Track

The Vandal track squad finished the regular season this spring with a 2-6 record. The Vandals lost to WSU three times, OSC and Washington once, and once in the Northern Division relays. They beat Whitman and EWCE for their two victories. Idaho's greatest strength was found in the distance positions, with Hatton, Wyatt, Adams, Michael and Smith on the team after a season of cross-country work. Idaho dropped its season-opener at the Washington State Invitational, picking up one first, three seconds, and four thirds. Hatton and Adams took first and second respectively in the mile and one-half. Other point getters were Carolan in the shotput, Overholser in the high hurdles, King in the hop-step-jumps and broad jumps, and Michael in the 600-yard race. In the second Invitation at Washington the Vandals came in second, Hatton winning the mile and two-mile runs and Carolan the shot-put. The final Idaho victory was over Eastern Washington, 76-55. Next year's Vandal squad should be stronger in sprints than in previous years, but will be looking for some replacements in the distance fields. The team finished the season by participating in the Northern Division track finals at Eugene with Ray Hatton placing first in the two-mile; Bill Overholser, third in the high hurdles; and Reg Carolan who finished fourth in the shot.

Three returning lettermen, Frank Wyatt, Ray Hatton and Ron Adams aided by Gary Michael, Charlie Smith, Ray Allen and Allen Woods, made up the eight-man team. The entire season was an outstanding one for the harriers.

Front row, left to right-Coach Clark Mitchell, Al Hansen, Chris Nyby, Sam McNeil, Mike Watson, and Cliff Lawrence. Second row-Paul Briethaupt, Dale Dennis, Dave Damon, Bob Tyson and Bill Stancer.

Swimming

The Vandal swimming team, despite previous predictions, came through with a 4-6 record for the season. Coach Clark Mitchell accounted for this by the spirit of the men this year. Members of the team were: Captain Sam Mc-Neil, Bill Oversholser, Ken Goodwin, Chuck Thomas, Paul Briethaupt, Dale Dennis, Al Hansen, Cliff Lawrence, Dave Damon and Bill Stancer. Diving proved to be Idaho's strong point as Cliff Lawrence, Mike Watson and Cris Nyby finished strong in this division. The Vandal's fell to the Northern Division

Relays, but swept a double match from Eastern Washington on January 15. Idaho again lost to Washington and also to Montana State University and University of British Columbia. They rounded out their season with a victory over Eastern Washington College of Education and also Western Washington College of Education, by claiming 10 of 11 firsts.

Front row, left to right-Chuck Hervy, Bob Livingston, Jim Paulson, and Bob Hansen. Second row-Dick Stiles, AI Sudweeks, Dick Minus, and Coach Young.

Coach Frank Young, short on returning lettermen this year, edged through with a troubled season. The four returning lettermen were Bob Hansen, Chuck Hervey, Bob Livingston, and Al Sudweeks. Newcomers were Dick Minas, Jim Paulson, Dick Stiles, and Tim Green. Green was the only winner in the first Vandal game when they lost to Gonzaga. Idaho fell before a powerful EWCE team and went on to lose to Oregon and Oregon State. Idaho played their best games of the season against these two teams, including one played in a sudden snow storm. WSU and Whitman were a determined foe when they invaded the Idaho Campus to gain a victory. EWCE and Washington State were too tough for Idaho, but when the Vandals played Gonzaga they had victory in sight. Idaho had won three of the five singles matches, but the Bulldogs refused to be beaten and swept the doubles matches. The team ended the season by participating in the Northern Division Meet at Corvallis. Those lost through graduation are Hervey, Livingston, and Sudweeks.

First Doubles Team-Bob Hansen, Junior, Bob Livingston, Senior.

Second Doubles Team-Chuck Hervey, Senior, Al Sudweeks, Senior.

Front row, left to right-Lynn Hansen, Bob Pierce, Don Modie, Al McCowan and Gary Floan. Second row-Coach Dick Snyder, Robb Smith, Ray Kowallis, Norm Johnson, and Dave Smith.

Golf

The 1960 Vandal golf squad posted the top season record in school history, with an 8-1 mark. The team was led by Don Modie, who was named Golfer of the Year, and by sophomore Gary Floan. Next year, the outlook is even brighter with the return of Modie, Floan, Ray Kowallis, Lynn Hansen, and Robb Smith.

First best ball combination, Don Modic, Junior and Gary Floan, Sophomore.

Second best ball combination, Lynn Hansen, Junior and Ray Kowallis, Junior.

Intramurals

With a record participation in intramurals, and through the guidance of Clem Parberry the 1959-60 intramural year was full of excitement, keen competition and a lot of fun. The Delts captured the intramural title. They were paced by Dick Rene's victory in horseshoes, and by placing four men in the top ten in cross country. Other winners were: football, Phi Delta Theta; tennis, Phi Delta Theta; swimming, Phi Kappa Tau; volleyball, Upham Hall; A basketball, Shoup Hall; B basketball, Delta Chi; bowling, McConnell Hall; table tennis, TMA; and golf, Phi Delta Theta. The order in which the first five finished were: Delts, Lindley Hall, SAE's, Phi Delts, and ATO's.

There was plenty of action in the Delt - Shoup Hall championship game which saw Shoup Hall win quite easily.

Intramural Managers

Through the assistance of these men, each living group was able to participate in all intramural activities. The group was headed by Larry Hattemer. Clem Parberry was advisor to the organization.

Outstanding Faculty

This year, under the capable leadership of Laird Noh, student body president, the Executive Board initiated a program of Faculty Recognition to honor the instructors who have rendered outstanding service to the University of Idaho in the teaching profession. Selection was made by a student committee and requirements included teaching ability, knowledge, enthusiasm, and interest in students.

Therefore, CONGRATULATIONS and SINCERE APPRECIATION go to the following University of Idaho instructors who have been chosen as OUTSTANDING FACULTY MEMBERS:

College of Letters and Science

ELMER RAUNIO, Associate Professor of Chemistry

HANS SAGAN, Associate Professor of Math

AGNES SCHULDT, Associate Professor of Music

R. C. THEILKE, Professor of Chemistry

College of Agriculture

ARTHUR GITTENS, Assistant Entomologist

DUANE Le TOURNEAU, Associate Agricultural Chemical Chemist

OWEN WEEKS, Professor of Bacteriology

ROBERT CLARK, Instructor in Accounting

WILLIAM M. AGEE: Bill came to Idaho late from Stanford, but he carved out quite a name for himself in a short time. He combined an outgoing personality with a business-quick mind and led the senior class as president. Bill's other activities include: Board of Selection and Control, Homecoming Chairman, Blue Key and Blue Key Talent Show Emcee, Commencement Committee and intramural sports. Bill has also worked as a lab instructor and was chosen an outstanding business student. He has served his fraternity, Beta Theta Pi, well in many capacities.

ANN MARIE BECKER: Annibee's name has become synonymous with efficiency and dependability at the University of Idaho and she is a woman of exceptional ability and intelligence. Her outstanding service on the ASUI Executive Board and her voluntary membership on most of the E. Board committees are only part of her work on behalf of the Idaho students. Ann has further served the campus on the Student Union Board and the SUB Program Council, helping to originate and organize many of the SUB activities. Her other activities include Campus Chest, Model United Nations, Greek Caucus and Citizenship Clearing House. She also holds membership in Alpha Lambda Delta, Spurs, Phi Beta Kappa, Pi Gamma Mu and Mortar Board. This year Ann received the Theta Sigma Phi Headliner Award and she has served her sorority, Kappa Alpha Theta, as Standards Board Chairman, Scholarship Chairman and President.

KARL CLAUDE BITTENBENDER: The man of a million talents, whose smiling, cherubic face was one of the best known on the Idaho campus. Outstanding leader, singer and inspirational guide, he typified the year 1959-60 at the University and his energy knew no bounds. Karl's list of activities is long and includes Homecoming Chairman, Vice President of Executive Board, IK Officer, Chairman of Religion in Life Conference and President of the Pacific Northwest Region of the Lutheran Student Association. He also holds membership in Phi Eta Sigma, Blue Key, Scabbard and Blade and Silver Lance. Karl has capably served his fraternity, Delta Sigma Phi, as Song Leader, Secretary, Rush Chairman and House Manager.

PATRICIA KAY BOZARTH: Bright and vivacious, perky Kay's warm personality made her one of the year's standout personalities. Tops in scholarship too, she was one of Idaho's finest in 1959-60. Kay's many activities and honoraries include Pan-Hell, Religion in Life Conference, Alpha Epsilon Delta, Alpha Lambda Delta, Phi Beta Kappa and Mortar Board Vice President. She has also capably served as President and Scholarship Chairman of her sorority, Kappa Kappa Gamma.

DWIGHT ALLAN CHAPIN: Combining a vast knowledge of sports with superior and fluid writing ability, Dwight traveled the road to the Argonaut editorship along the route of Sports Reporter and Sports Editor. Casual, cool, the 64th Jason always seemed to know when to do the right thing at the right time, and helped make the 1959-60 Argonaut one of the best in the paper's 61-year-old history. At the same time, Dwight still maintained high scholarship and found time to help with such activities as the Junior-Senior Prom, Blue Key, intramural sports, Sigma Delta Chi and Ex-Officio Executive Board Member. He has also served his living group, Willis Sweet, as Reporter.

JAMES CONRAD FLANIGAN: Ending a four-year college career as an extremely efficient 65th Jason, Jim placed as much emphasis on activities as he did grades and came out on top in both categories. Usually seen at the Argonaut office, "Flan" was known as a good guy, seemingly untouched by the many honors he received throughout his college career. No matter how busy with the Arg, Jim always had time to give of himself to the Junior - Senior Prom, Executive Board, dramatics, Blue Key, Young Republicans, Sigma Delta Chi Vice President and Reporter - Historian of his fraternity, Theta Chi.

ROLAND R. LODGE: Another who made it big with both the books and activities, Rollie was instrumental in helping to give the University a solid athletic program. He takes into his chosen field, public relations work, a likeable personality and a large capacity for getting things done. Rollie has been active in Student - Faculty Committee work, Ag Club, Block and Bridle, Alpha Zeta and intramurals. He has also capably served his fraternity, Sigma Nu, as Scholarship Chairman, Rush Chairman and Vice President.

NEELA McCOWAN: Quiet, smiling and studious, she had a rare blend of good humor and ability. Neela did her part ... and much more ... on the many committees and groups which made Idaho tick. She worked her way up through Society Editor and Associate Editor to Co-Editor of the Gem of the Mountains her senior year while still finding time to actively participate in such activities as Blood Drive Chairman, Model United Nations, United Party, Religion in Life Conference and Ex-Officio Member of Executive Board. Neela also held membership in Spurs, Pi Gamma Mu, Theta Sigma Phi and Mortar Board and she served her sorority, Delta Gamma, as Scholarship Chairman for two consecutive years and received the DG Service Pin.

JACK WILLIAM MACKI: One of the "sharpest" of the Class of 1960, Jack tempered his brains with a caustic wit. He was tops in mathematics, extracurricular work and student government. His many activities include Independent Caucus, Executive Board, IK's and Blue Key and he holds membership in Phi Eta Sigma, Phi Beta Kappa and Silver Lance. Jack has also served as Treasurer of his living group, Willis Sweet.

CAROLYN DEMPSEY MITCHELL: With a friendly smile and a kind greeting for everyone she meets, Carolyn has been one of the most outstanding personalities on the Idaho campus. She has used her high intelligence and tremendous enthusiasm to efficiently combine her studies, activities and work. Her list of activities and honoraries is long and includes Executive Board her Junior year, Alpha Lambda Delta, Spur President, Religion in Life Conference Chairman, Phi Beta Kappa and Mortar Board. Carolyn and her husband, Bill, have served as Proctors at Willis Sweet this year and have also found time to do research work on their anatomy of the snake project which has gained state-wide recognition and praise.

LAIRD NOH: The acknowledged and very capable leader of the students, President Laird gave student government a positive outlook and ran things with a steady, just hand. Along with his judgment came a quiet, warm humor which was hard to match and an ability to get the most out of his associations with others. Laird has further served the Idaho students as Duke of IK's, Junior Class President and Chairman of Campus Chest while holding membership in Blue Key and Silver Lance. He has also been Vice President of his fraternity, Sigma Nu.

BRUCE SUMMERS: Tall, dark and Ivy Leaguish, "Hup" Summers was another man you couldn't miss on the Idaho campus. A man of precision, he blended a world of ability with a booming laugh and an unquenchable spirit. His many and varied activities included Executive Board, Homecoming Chairman, Blue Key, Pershing Rifles, Silver Lance, intramurals and a high ranking officer in the Army ROTC. "Hup" has also served his fraternity, Sigma Nu, as Treasurer.

LEO D. TAFOLLA: A man of sincere and deep conviction, he lent a dissenting wisdom to student government. Leo also combined engineering with activities and came out head and shoulders above the rest. He has found time to work on the Arg and Gem Photo Staffs, Varsity Debate, Executive Board, Independent Caucus and he holds membership in ASCE, Association of Engineers, Delta Sigma Rho and Silver Lance. Leo has also served as President of the Residence Hall Council and as President of his living group, Upham Hall.

EDITH LOUISE VANDENBARK: She set her sights on the challenging field of medicine and came out on top with a four-year scholarship from the University of Washington for the study of medicine. Louise can be very proud of herself because she has still found time to be active in campus events and honoraries such as the Blood Drive, Alpha Epsilon Delta and Phi Beta Kappa. Louise has also served her sorority, Delta Delta Delta, as President.

TERRY M. WHITE: A "4-0" sailor, Terry excelled in all phases of his college career, from the Navy to engineering to extracurricular activities. Easy to get along with, "Turk" did well most things he set out to accomplish. His long list of activities include Vandaleers, Student Union Board, Homecoming, Greek Caucus Vice President, Senior Class Vice President and NROTC Midshipman Commanding Officer. Terry also holds membership and leadership in Phi Eta Sigma as President, Blue Key as President, IK, Sigma Tau and Silver Lance. Terry has also found time to serve his fraternity, Phi Gamma Delta, in a major house office.

Senior class officers are: Fran Baudek, Theta, secretary; Marcia Mottinger, Gamma Phi, treasurer; Terry White, Fiji, vice president; Bill Agee, Beta, president.

Editors' Thank You

And so another Gem of the Mountains goes to press with an attempt to capture some of the memories of the past school year. But this book would not have been possible without the aid, advice, and support of such people as:

GALE MIX . . . our walking encyclopedia with a hearty laugh and a pat on the back for everyone . . .

RUDY and HUTCH . . . who put up with a multitude of excuses and pleas from students and Gem staff alike . . .

ROY BELL, JIM BALCH, and GLENN SPROUSE at the Photo Center . . . whose capable work and great patience are much appreciated.

RAFE GIBBS and DON WALKER at the Publications Department . . . for their sincere interest in the Gem and their expert work on the colored pictures you enjoy throughout the annual . . .

JIM GIPSON and CAXTON PRINTERS . . . whose advice, patience, understanding and excellent work are greatly valued . . .

DWIGHT CHAPIN and JIM FLANIGAN . . . who visited the third floor of the SUB often and then came through in our "hour of need" to prove what real friendship is . . .

A FINE STAFF . . . which included such capable and hard workers as: Mary Lou Taylor, Dana Andrews, Linda Lamb, Margaret Tatko, Ann Yoshida and Tom Eisenbarth whose work was above and beyond the call of duty . . .

BRUCE WENDLE and SHERRY WILKINS . . . whose leadership with the student photographers and dependability will never be forgotten . . .

Faculty, organizations, committees and living groups . . . whose cooperation was greatly needed and appreciated . . .

And last, but by no means least, to GAY TUSON and CATHY BREWER . . . who stayed after school to help wind things up and who will head the Gem next year . . . we thank and wish the very best of luck.

With gratitude to all of you who made our work a little easier and appreciation for your patience, understanding and encouragement . . . we wish you all the best of luck in the future and thank you for the opportunity to serve our Idaho.
