BRUCE McCOWAN President

Under the competent leadership of President Bruce McCowan the Associated Students of the University of Idaho experienced one of its most successful years. Bruce, the elected representative of the entire Student Body, presented the students' views to the faculty and administration in his diplomatic and efficient manner. As chairman of the Executive Board, he stressed the importance of providing a better means of student representation, an understanding faculty-student relations program, and an efficient balance between academics and campus participation.

Throughout college, Bruce has maintained notable academic achievement while participating in numerous campus activities. His most outstanding achievements were: Freshman and Sophomore Class President, Duke of IK's, Vice-President of Phi Eta Sigma, a member of Silver Lance, Blue Key and Pi Gamma Mu. He also played on the Frosh and Varsity Basketball teams and served his Fraternity, Beta Theta Pi, as Pledge Class President. We are all proud of Bruce, for no one could have been a more dedicated or understanding leader, or a truer friend and representative of the students, than our president, Bruce McCowan.

Executive Board

This year's Executive Board, consisting of five United party members and four Independent party members, worked under the capable leadership of ASUI President Bruce McCowan. Among the activities sponsored by the Executive Board were Freshmen Orientation, Admissions Counseling, Homecoming, Dad's Day, Blood Drive and Senior Days. The third annual Student-Faculty retreat held in October at Camp Lutherhaven, following the theme of "Success in the Sixties," provided the necessary atmosphere. This topic was designed to encourage a common ground of understanding between the students and faculty members.

The object of the Executive Board has been to develop better communications between faculty. University students and their parents. The Student-Faculty retreat complemented this aim by providing an opportunity for communication between student leaders and faculty. This year the Student Representative Assembly was organized to enhance the communications between the students and student leaders. The State of Idaho learned about the problems of the University through the work of the Students for a Better University who especially supported the Bonded Indebtedness Issue.

Congratulations to the 1960-61 Executive Board for an extremely successful year.

Student Union

Under the able direction of Gale Mix, the Student Union Building has completed an outstanding year. Charmaine Fitzgerald co-ordinated the varied program of the multitude of SUB committees.

The building served as the home of student publications, ASUI, alumni offices, KUOI and ample conference rooms for meetings and conventions. Serving as gathering places for students were the "bucket" and the "dipper."

The hospitality committee, foreign films, publicity, decorations plus the many other functions of the Student Union were carried out successfully due to the chairmanship of Bob Brown and the co-operation of the many SUB committee members. Because of interest building activities such as Jazz in the Bucket and SUB art exhibits, the University Student Union was ranked outstanding in the West.

GEM OF THE MOUNTAINS

GAY TUSON Co-Editor

CATHY BREWER Co-Editor

The 1961 Gem of the Mountains became a reality after many months of arduous work by the enthusiastic students who were on the staff.

The staff members went through many frustrating situations during the slow evolution from dummy to finished product, breathing a sigh of relief every time a page was ready to be sent to the printer. But the end product gave a great deal of reward and satisfaction to those who worked in the Gem offices on the third floor of the SUB. They felt that, in building a permanent record of 1960 and 1961, the goal of the Gem had been carried out. The Gem's purpose is to present the Idaho student with a review in picture and story of the highlights of the year's activity: educational, cultural and social life, as well as personalities who vitalize every phase of campus life.

Although the road was not always smooth, the staff came to the end satisfied that they had taken a journey that was worthwhile.

The Idaho Argonaut raked in a share of prizes from their preceding year's work, then went on to improve their product. Winner of the Sigma Delta Chi, professional journalism society, award for best editorials for the 1959-1960 Argonaut, as well as second place in feature stories and third place in sports writing nationally, the Argonaut had a tough precedent to follow.

ARGONAUT

Under Neil Leitner, Jason for the first semester, and Gary Randall, the second semester editor, the student newspaper made only slight innovations in their coverage, switching to more "interpretive" news style with regard to campus politics and other facets of college life. The previous year's makeup style, a flexible type of story placement, continued giving a professional touch to the product.

KUOI

There is very little doubt that this was a top year for KUOI. Student interest seemed to grow by leaps and bounds, and after celebrating its fifteenth birthday, the staff of over fifty students worked long and hard at setting sails for another ivy-clad fifteen. With this large staff, and many new techniques and policies, over 110 hours of programming were beamed to the students weekly from the studios on the third floor of the SUB.

Students were kept up to date around the clock through the station's many news, interview, sports and special events attractions. "Let's Hear It" with Carl Berry was the outcome of many ideas for bringing campus opinion and discussion into every campus radio. "Sports in Action" with Bill Scholes, "Seventh-Hour Symphony" with Jane Ruckman, Executive Board and SRA "Count-down" with Jerre Wallace and Mike Williams and "Six Eight Jazztime" with Jim Brown, as well as "Jazz in the Bucket," "Billboard," "Pacesetter News," "The L and M Newscast" and the Public Events lecture series were all popular variety shows during the year.

Keeping these programs going on a daily schedule needed more than manpower to be successful. Although no new equipment was purchased, many dollars were spent in repairing the old and planning for the new. One of KUOI's biggest projects of the year

was the development of a new distribution system on campus. For many years, the station had been using a simple twostrand line running around the campus to carry the signal to the living group radios, but this year saw a new device being installed, that of specially constructed transistor transmitter located in each house and connected to the station by a three mile long network system. With the new system and part of the old still in use, all but one living group was able to pick up the station.

Next year, and for many thereafter, "Listen . . . and you shall hear.

A Tribute to Elwyn Schwartz

Through the years as we have known him, I believe all his friends and colleagues were impressed with Elwyn Schwartz' sincere and friendly interest in people, his talents as a musician and music educator, and his devotion to the principles of Christianity as they affect the behavior and development of all of us.

Elwyn had a philosophy of what I might call "completeness" in the individual. To him, religion, music, and life should all be coordinated into one's effectiveness as a person. As a teacher, he was concerned with the "whole" child or young person; he did not feel that he was dealing with an isolated talent, or with development of a trade-school sort of skill. Working with Elwyn through a period of more than a dozen years, this complete devotion to the full development of the young person impressed me as being one of his finest traits.

Always generous of his time, always willing to go one step beyond that required, always counting on mutual trust, confidence, and the man-to-man working agreement, Elwyn deservedly gained and retained more sincere friendships than any person I have ever known.

Devoted to the development of completeness in his students, he was himself an example of the "whole" person, perhaps much more than he himself realized.

Elwyn Schwartz suffered a fatal heart attack on December 17, 1960. The University, the State of Idaho, the Northwest, indeed, the entire country sustained a great loss. We shall not soon forget him.

-Hall Macklin

University Bands

The University Bands, under the able direction of Warren Bellis, consist of four bands—Concert, Marching, Varsity and Regimental. These bands, embracing 150 student members, made a total of forty-three public appearances during the 1960-1961 school year, ranging from pep rallies, athletic contests and parades to formal contests including one for the Northwest Music Educators' Conference. The bands work hard to serve, entertain and educate their members and the University.

The marching band is often the high-lite of the entertainment featured at Idaho's football games.

The Diary of Anne Frank

The ASUI production of "The Diary of Anne Frank" was presented November 4, 1961, under the direction of Jean Collette. The story centers around Jewish refugees that are in hiding from the Nazi troops. Many special effects were utilized to give the play the dramatic impact necessary and to convey to the audience the deep significance of the plot and personalities. Altogether, this was one of the best plays ever presented on the Idaho campus.

Cradle Song

The second ASUI play was presented December 2 and 3, 1961. The play is about the changes that take place when Dominican nuns find themselves foster mothers to a foundling child. The competent acting of the eleven cast members scored another success for the drama department.

Teresa, the foundling, is leaving the convent to be married. Her wedding trunk is left open while the nuns put the finishing touches on her trousseau.

Henry IV

"King Henry" was performed March 17 under the direction of Jean Collette and set designing by Edmond Chavez. Roger Barr played the part of King Henry, Gerald Goodenough was Falstaff and Diane Fawson acted as Mistress Quickly. The challenge of a Shake-spearian roll was felt by the cast, and a deeper appreciation of their parts resulted.

One Act Plays

Three one-act plays were presented in the spring. The plays are "Hello from Bertha," directed by Doug Brown; "Mooney's Kid Don't Cry," directed by Bonnie Scott and "The Hitch-hiker," directed by Sally Wilbanks. Two of these plays are featured below.

"Hello from Bertha" took place in a bedroom in "The Valley"—a section along the river flats of East St. Louis. Goldie was played by Sue Arms;
Bertha, played by Kyla Thomas; Lena, played by Chris Reynolds; and Phyllis Harris played the girl.

"Mooney's Kid Don't Cry" had two characters: Mooney, played by Buzz McCabe, and Jane, played by Carole Hurley. The scene of the play was a kitchen of a cheap three-room flat in the industrial section of a large American city.

Orchesis and Pre-Orchesis are the modern dance honoraries on campus. Each year they choreograph and present both a Christmas program and a spring program during Mother's Day weekend. Under the able direction of Miss Rowe, these dancers gain a new understanding of dance as a medium of expression.

ATHLETIC DIRECTOR AND HEAD COACH

Undertaking both the jobs of Athletic Director and head football coach, Skip Staley has shown that both jobs can be handled adequately by only one person. Under his leadership, a new and stronger recruiting program was started and profits of this program have been shown by Idaho's winning ability in Freshmen sports.

PUBLICITY DIRECTOR

Another person fulfilling a new job at the University and doing a very capable job is Publicity Director, Tom Hartley. Mr. Hartley has taken great interest in his job of getting Vandal sports news out to the nation and making sure that the home contests are presented to interest the fans.

THE COACHING STAFF

Gary Kenworthy, Bill Knuckles, Bill Peterson, Joe Berry and Skip Staley

These are the men who molded the Vandal football team into a highly organized grid squad which had to go up against some of the toughest competition in the nation.

Cheer Leaders & Pom Pom Girls

Under the leadership of Yell King, George Volk and Yell Queen, Lynn Shellman, this colorful group kept the Idaho fans in spirit during the football and basketball seasons.

Rally Comm.

Under the leadership of Carl Berry, a new pep group was formed on campus called the "Rally Squad." This group had a representative from each dorm on campus and its function was to devise new ways to instill spirit in the students at the University.

Pre-Game Warm Up Go Vandals Go

Football

The 1960 edition of the University of Idaho Vandal Football team showed itself to be a squad of great spirit but with little luck. Having the same record as the previous year, I win and 9 losses, the Vandals displayed a stronger team by giving most opposing teams a rough time for at least three quarters instead of for only a half game as was the case in the previous year. Showing the greatest talent was senior quarterback Sil Vial, who guided the team offensively and threw most of the passes to 6'6" end Reg Carolan who ranked 4th in the nation in pass receiving. At mid-season, a light-weight group of defense specialists called the "Vanguards" were formed and these eleven men did a great job in slowing the running attacks of several strong offensive powers. The Idaho pigskin fans can only look to next season and hope that the record will be better for Idaho in 1961.

Seniors, Sil Yial and Darrell Vail were the chosen leaders for the 1960 Vandal football squad. Here they are shaking hands with Washington Husky captain, Roy McKasson.

The Men Behind the Scenes

These are the men who sometimes work the hardest most of the time and yet achieve the least glory. Trainer, Packey Boyle has worked over the Vandal injuries for the past five years and has done a very commendable job. Equipment Manager, Ben Keane is the person who keeps the athletic equipment clean and in top shape. Head Football Manager, Ed Moomaugh has been at the helm for the past two years and is well known to all Idaho football players. Seldom do these three men get the hand of applause they deserve.

After traveling to Eugene, Oregon, for the season's opener, the Vandals were in trouble before the end of the first half. Oregon suffered from fumbles the first period, but rolled to two touchdowns in the second period to take a 12-0 lead at the half. The Ducks coasted home with three more touchdowns in the second half, Idaho's lone score came on a 76-yard march in the fourth quarter and was climaxed when fullback, Judd Worley plunged for five yards and the touchdown. Due to injuries, this was Worley's only game this season. Also showing strong running power in the drive was transfer quarterback, Mike Mosolf. Mosolf broke loose for a 23-yard run and added two completed passes.

For the second week in a row, the Vandals traveled to the coast and for the second week in a row they ran into trouble. On this second occasion they found the trouble at Seattle against the Rose Bowl bound Washington Huskies. Brilliant running by sophomore halfback, Charlie Mitchell and deadly blocking by the Husky line paved the way for the Washington team to score in every quarter. The game was well into the fourth quarter when Idaho finally found paydirt on a 54-yard pass play from Sil Vial to end, John Pemberton. Only minutes later Vial found Pemberton again, this time on a ten-yard pass play. The two-point conversions were missed and the final score stood at 41 to 12.

For the first time since 1950 Idaho lost its grasp on the "Little Brown Stein." The fans at Missoula saw Montana draw first blood on a pass interception mid-way into the first period and take a 6 to 0 lead. The Vandals came right back to go ahead on a sneak by quarterback, Sil Vial and a conversion of the extra point by Ron Ismael. Idaho again scored on a 17-yard run by halfback, Mike Mosolf and with Ismael's kick once more good, the Vandals went to the dressing room with a 14 to 6 lead. The second half was a completely different picture, however, as the determined and enthusiastic Grizzlies held the Vandals scoreless while scoring two more touchdowns themselves to give them enough points to win the game 18 to 14.

The Vandal crew traveled to Boise to face a dynamic and nationally rated Utah State Aggie team. They soon found out why their opponents were rated so high. The Aggies ran out of a wing-T formation using mostly running plays to rip the Idaho defensive apart with ease. Aggie, Tom Larcheid and Doug Mayberry led the attack for Utah State gaining the bulk of their yardage between the guard and tackle positions in the Idaho line. Idaho's lone score came with 12:36 left to play in the final guarter. Vandal end, Reg Carolan sped from a cluster of Aggie defenders, grabbed a 14-yard pass from Sil Vial and crashed into the end zone for the score. Utah State scored in every quarter and allowed the Vandals to threaten only twice.

A greatly improved Vandal squad gave the Homecoming crowd a thrill as they put three quarters of fear into a highly talented Oregon State Beaver team before giving away two touchdowns in the final quarter. The Beavers dominated the first half and left for the dressing room with a comfortable 14 to 0 lead. As the third quarter began, the Vandals showed new spirit. Guard, John Dahlen recovered a Beaver fumble and Idaho started to drive for paydirt. Mike Sheeran entered the game and became the backbone of the Vandal attack. Sheeran's rush through the middle gained the Vandals two first downs and a Vial to Dennis pass play to the three-yard line, set up the score. Sheeran then plunged for the final three yards and Reg Carolan added two more points by grasping a Sil Vial pass from the top of an OSC player's helmet. The Vandals, worn out from the three previous quarters, were swamped by the charging Beavers in the final period as the OSC feam rolled off yardage and scores with ease.

After taking three days to fly to the Islands and then having a two-day postponement of the game, the Vandal squad rallied to its first victory of the season. The Idaho team was never assured of victory until quarterback, Sil Vial hit end Reg Carolan on a ten-yard pass with ten seconds remaining in the game. Ron Ismael converted the extra point to give the Idahoans an eight-point lead and the victory. The game's first touchdown came in the opening quarter when the Vandals intercepted a Rainbow pass on Hawaii eight. Five plays later, fullback, Galen Rogers burst ten yards off tackle to score. Ismael's conversion was good to give Idaho the early lead of 7 to 0. The Hawaii team never held the lead and their only tally came on an 80-yard drive in the fourth quarter. Their pass attempt for the two-point conversion fell incomplete. After the victory, the Idaho team took a leisurely seven day rest before returning to the mainland.

After a leisurely week in Hawaii, the Vandals were able to hold up for only three quarters. The battle was hard fought for the first 47 minutes but in the last 13 minutes, the COP Tigers wrapped up the game and pulled away with a two touchdown lead. The person who hurt the Vandals the most was COP's brilliant quarterback, Bob Gatiss. Gatiss started the drives and was involved in most of the scoring. Those scoring for Idaho were quarterback, Sil Vial on a running play and a 12-yard pass from Vial to end, Ron Ismael for the final tally. Ismael converted both extra points perfectly.

With only one minute and fifteen seconds played in the game, the University of Arizona Wildcats scored their first touchdown and went on to score four more as the Cats swamped the Idaho Vandals. The Vandals were tired from traveling and Arizona took advantage of it. The Wildcat passing attack, guided by the throwing of quarterback Eddie Williams, ruined the Idaho defense and scored regularly. Idaho's lone three points came in the first quarter when Ron Ismael kicked a twenty-three-yard field goal. Idaho came close to scoring only once and that was in the third quarter when they penetrated to the Wildcat three-yard line but lost the ball on downs.

Gambling and scrambling, the Vandal team came very close to beating the Cougars from Washington State. Although WSU won by two touchdowns, the victory was not secured until there was less than one minute to play. WSU jumped to an early lead but Idaho bounced back and with Sil Vial's one-yard plunge and Ron Ismael's perfect conversion, the Vandals were in the lead at halftime, 7-6. The lead stayed the same through the third quarter, then with one minute into the fourth quarter WSU scored on a pass play. Idaho tried hard to get back into the contest when they let hard-running fullback Mike Sheeran carry the ball four consecutive times for twenty-one yards to the Cougar five-yard line. The next two plays were a sixyard loss on a running play and an incomplete pass that gave WSU the ball on downs. After Idaho gambled on a fourth down and lost, the Cougars took over on the Idaho eleven and with seconds left scored on a pass play to gain an insurance score and the ball game.

The end came suddenly and all Idaho fans and ballplayers were stunned. The game had been a see-saw affair with the team from Idaho holding the lead a large amount of the time, but the scrambling San Jose Spartan team came on strong toward the end and midway through the fourth quarter tied the score at 20-20. With only eleven seconds to play, the ball was resting on the midfield stripe; and the Spartans were in possession of the ball. The Spartan quarterback went back to pass and let fly with a long throw toward the Idaho end-zone. The ball was intercepted by ace defense man, Jim Davidson, on the one-yard line and he was tackled back into the end-zone for a two-point safety. BEAT WASHINGTON FROSH:

FIRST TIME SINCE 1905—27-15
WIN OVER WSU COUBABES 7-6

Something different at Idaho this year was the Frosh football team which broke tradition by winning ball games and thrilling the Idaho fans. The team started off unnoticed by losing a close 13 to 7 battle to the Black Knights of Wenatchee Junior College, but within days the fireworks started as the team worked as a group to upset both the University of Washington frosh and Washington State frosh. The Babes terrorized the yearlings from Washington by capitalizing on vicious tackling which caused Washington to fumble and Idaho to score. The Vandal Babes held a 14 to 0 halftime lead and never allowed the Husky Frosh to threaten after that, the game ended, 27 to 15. In the game with the WSU Frosh, the Vandal Babes saw the going tougher and were not able to score and take the lead until there were less than four minutes left in the game. The Idaho team took the advantage most of the game but had a very hard time hitting paydirt. With aches and pains that lasted for days, the Idaho frosh won the game 7 to 6 and finished the season with a two win and one loss record.

Vandal Babe Standouts

TOM MORRIS was the name that most Idaho fans remember best. They will recall his brilliant running which put fear into every opponent player. His explosive running and high spirit were very strong factors for Idaho's offense and winning record.

DON BIAGI was a bone-crushing fullback who could pick up the yardage when it was needed.

GARY GAGNON guided the team in the two winning games as quarterback and showed strong outside running, fair passing and a great ability to take control and guide the team.

DON MATTHEWS was a lineman who stole the ball out of a Washington players hands and sprinted 55 yards for a touchdown and blocked the extra point against WSU. He was a strong blocking and tackling workhorse on the line.

HAROLD MAZZEI, the stocky built end caught the game-tying touchdown against WSU.

SHERRILL WELLS booted the extra point to give Idaho the victory over the WSU Coubabes.

Many other ballplayers with a winning spirit gave the Vandal Frosh the answer to a winning season.

Coaches were Jack Dosier, Gary Farnworth, Lee Shellman and Judd Worley. Each put in a very worth-while job which is another factor for the winning season.

Brutal blocking by Vandal Babe linemen

COACH JOE CIPRIANO

Basketball

Coach Joe Cipriano, starting his first season as Idaho head basketball coach, and his fifteen cagers faced a grueling schedule in 1960-1961.

The schedule itself presented several hardships. The first was that it contained a tour of the Mid-West and games against such teams as Michigan, coached by last season's Idaho mentor, Dave Strack and other basketball powers as Toledo and Bradley, who placed high in the top ten of the nation.

The regional games also presented stiff competition. Idaho, besides playing in the Far West Classic in Portland, where the hoopsters won the first against strong Portland and lost two others by narrow margins to Oregon State and Arizona State, met Oregon, Oregon State and Washington State in regular season play and in each case split a four-game series.

Two outstanding players were lost to the team through graduation, co-captains Rollie Williams and Dale James, but the outlook for the 1961-1962 Vandal team is excellent with the return of tall Ken Maren and Reg Carolan, and with sharpshooters Rich Porter, Chuck White and Gary Floan.

Basketball Awards

THE RONNIE WHITE AWARD FOR THE MOST VALUABLE PLAYER:

This award was received by the Vandals' 6' 8" center, Ken Maren, who is a junior and hails from Milwaukee, Wisconsin. Placing third in scoring and first in rebounds, were quite helpful to him in winning this award.

THE OZ THOMPSON SPORTSMANSHIP AWARD:

Tom Gwilliam, a junior forward from McCall, Idaho was voted by his teammates to accept this award. Gwilliam bolstered the Vandal bench strength and was "Johnnie-on-the-spot" when it came to going into the game when the chips were down and filling a "first stringer's shoes."

THE JAY GANO MOST INSPIRATIONAL PLAYER AWARD:

"The spark plug of the Vandals," was a well-known title for senior guard, Dale James who was the recipient of this award. Fighting both an injured knee and size, he was able to overcome these two defects with courage, hustle and spirit. He will be remembered for years as one of the most inspirational Idaho basketball players.

Having better luck than the year before, the Vandals were able to salvage wins in two out of the four games with their opponents from neighboring Cougarville. In the first outing Gary Floan came off the bench to fire in two howitzer-type long shots to save the game and give Idaho a 56-55 win on the court. After losing 64 to 56 on the Cougar Court, the two teams made their next showing against each other at the Idaho gym and the Vandals had no trouble swamping WSU, 85 to 67. Guard Dale James and forward Chuck White spearheaded the Idaho attack, James's hitting screened jumpers from the outside in the first half; White taking over on fast break drives and lay-ins in the second half. Back at the Cougar Court, the WSU team took the victory in the final tilt between the two teams, 77 to 63.

After dropping the first tilt to the University of Oregon team, the Vandals came

back the next night to pick up momentum slowly and pull away to 64 to 49 victory. Leading the Vandals to this victory was Guard Dale

James who did not start the

game but came in as a substitute and led the team with sterling floor play and twenty-five points. Toward the end of the season the Vandals traveled to Oregon

country and were able to slow a winning Oregon team down by splitting with them.

After losing the first game, the Idaho team came back to take an early 15-2 lead. With consistently good free throw shooting they were able to pull out a 61-57 vic-

tory.

The Vandals had a favorable series with a very strong OSC Beaver team by splitting with them, but this even series was marred by losing to the Beavers in the Far West Classic. The games that Idaho won were at home and in the first outing the Vandals fast-break, operating to perfection but in spurts, grabbed an early lead, faltered and then came back with rush during the late stages and won with a 62-57 score. In the second win, Idaho froze the ball for 30 seconds and this plus the master work of guard Dale James, the Vandals were able to win 54 to 47.

Idaho, a clear underdog in its tilt with the taller Chieftains from Seattle, turned the tables to romp over them 89 to 70. The Vandals put together a superb defensive first half, with a fabulous field goal percentage of .54 in the second half, to chalk up an impressive victory.

Probably the most exciting and most highly anticipated home game in many years was against the Gonzaga Bulldogs. The Vandals outclassed Gonzaga to win 106 to 78 and tie a scoring record. While holding down the nation's leading scorer, Frank Burgess, to 12 points in the first half, he came on strong to score a total of 37 points. At the same time, however, co-captain, Dale James hit his career high in scoring 30 points, followed by Chuck White with 21 and Ken Maren with 20.

After blowing a 19-point lead in the first half, the Vandals came on strong in the fourth quarter to defeat the University of Washington Huskies in Memorial Gym 70 to 63.

In the last game of the season against the Huskies, in Seattle, Idaho led all the way but lost 70 to 65 in overtime. Idaho led up to 9 points in the first half, despite poor shooting from the foul line. However, in the second half and especially in the overtime period the poor free throw shooting took its toll and finally cost the Vandals the game even though they outscored the Huskies in field goals 24 to 22.

Those showing strong play from the outside were sharpshooting Bill Mattis from Coeur d'Alene, little Tom Ballantyne from Twin Falls and Fred Crowell from Anacortes, Washington, On the inside at the post positions were John Penny from Spokane, jumping Tom Whitfield from Seattle and reserve strength in Wayne Meyer from Sutter, California. At the forward positions were Jim Scheel from Wendell, M. E. Ross from Auberry, California. Leading scorers were Ballantyne, Mattis, Whitfield and Scheel.

Under the superb tutoring of head coach Wayne Anderson, the Vandal baseball team was able to complete one of the best seasons in the history of the school. The overall record of 17 wins and 14 losses was quite respectable and the six wins in Northern Division play tied any other winning record for Northern Division play in the school's history. Showing strong throughout the season were senior pitchers Steve Hinckley and Tony Burke and junior fastballer Pat Townsend. The two top sluggers on the team were first baseman Terry Boesel and sophomore outfielder Herb Dehning. With a team that had hustle and showed a spirit or wanting to win, the Vandal ball club of 1961 will long be remembered.

Working under the watchful eye of head coach Bill Sorsby, the track showed improvement over previous years. With Coach Sorsby still in the process of building manpower, the team was characterized by outstanding individual performances but was unable to win many meets because of the lack of depth. Outstanding performers and point getters were Pete Luttropp, Curt Flisher, and Reg Carolan. Luttropp ran the 100-yard dash, the low and high hurdles, and was a member of Idaho's record setting mile relay team. Flisher was also a member of the relay team, and set an Idaho record in the 880, running it in 1:56. He also placed in the hurdles several times. Big Reg Carolan, the Vandal's decathalon hope, was the third high point man, picking up his points in the high hurdles and the shotput where he set several records. Four other stars, cocaptains, Ed Jacoby and Joe Davis, Gary Michael, and Dick Douglas were not able to gain many points because of injuries which sidelined them from time to time.

Frosh Track

Coach Bill Sorsby, in the process of building a stronger varsity team in future years, tutored a strong group of Frosh thinclads. The team showed strong in most events and for the second year in a row beat the WSU frosh by winning the relay that made the decision. The top frosh stars were Nick Carnefix, Louie Olaso, Stan Hughes, and Dick Rankinen, who ran the sprints and middle distances. Paul Henden, the frosh distance runner spectacular, regularly won in varsity competition, running unattached. Jim Bosquet broke several frosh records in the jumping events, with the high jump his specialty. Besides beating the WSU frosh, they also won a tri-team meet with EWCE and Whitworth and the Bill Martin Invitational at Walla Walla.

Going over the bar with ease is freshman Jim Bosquet from Spokane

Freshman pole vaulter, Mike Free, from La Mesa, California and Don Biagi, freshman weightman from Albany, California.

Cross Country

The Idaho Harriers showed less depth than the unbeatable previous year and consequently had a just better than average season. The outstanding runner for the Harriers was the Junior Englishman, Dick Douglas. He placed first in all of the regular season meets, fourth in the University of Oregon Invitational and third at the West Coast Cross Country Championships. Other speedy Vandal harriers were sophomore, Gunter Amtmann and freshman, Louie Olaso. The team had only a mediocre regular season placing second to WSU in several meets but then came on strong at the end to place third in the seven-team Oregon Invitational and fourth in the West Coast Cross Country Championships.

Swimming

Lack of depth overbalanced several excellent individual performances on the Idaho swimming team this year with a 4-8 record the resultant. Coached by Clark Mitchell, Idaho swimmers racked up easy wins over EWCE and CWCE in a series of dual meets. Dale Dennis turned in excellent performances all season, setting a record in the 220-yard free style in a dual meet with the University of Washington. Dennis, named outstanding swimmer, set a new 100-yard record also. Paul Breithaupt, a winner all season, set new back-stroke record in the 400-yard medley relay in a dual meet with WSU. Jerry Zaph, set a school record in the 1500 meter free style in the last meet of the season. Other consistent winners were Cliff Lawrence, Tucker Cole, and Bill Stancer, who set a record in the 100-yard free style during the season. Al Hansen, rated "most inspirational teammate," played a prominent part throughout the season in gaining points for the Vandals.

Thanks to student donations, the University was able to send a small four-man team to the Nationals in Vermont where the team placed seventh. In the four-way competition, Grosvold placed third and Friling sixth. Astrup placed seventh in the slalom and alpine combination and Friling placed eighth in jumping. Earlier in the season the slatmen captured the Kimberly meet. They took second in slalom honors at the Banff meet with Astrup first, Grosvold third and Bergvall fourth. At Reno they placed fourth in combined honors despite injuries. In the Mt. Hood meet top honors again were won. In the slalom event Astrup was first and Bergvall second. In the downhill Gerrish, Grossvold and Bergvall captured the top three places. It was a great year for the ski team under the direction of Coach Boris Kaufman.

Vandal golfers scored another successful season as the Idaho linksters posted a 6-2-3 dual match mark and scored one first place showing and one runner-up spot in medal play competition. Idaho scored two wins over Whitman, Gonzaga and tri-umphed over Oregon State and Washington State. Vandal opponents garnered three ties in a row as the Palouse swingers were deadlocked by Big Five Champions Washington, Washington State, and Seattle University. Losses were dealt the Vandals by the powerful links crews of Oregon and Washington. Idaho captured first spot in the Banana Belt Invitational in the medal play tourney over Gonzaga, WSU and Whitman. Vandals finished in second place in the Far West Classic medal play tourney behind Oregon, topping Oregon State, WSU, and Seattle. Leading stickers for the Vandals were Don Modie, Ray Kowallis, Norm Johnson, and Ray Schmidt, seniors; and Gary Floan, golfer of the year, and Robb Smith, juniors.

The Varsity tennis team improved on last year's record by 100 per cent by winning one match and losing seven. The Vandal netmen lost to WSU twice, Oregon, Oregon State, Whitworth, Gonzaga and Whitman once. Their lone victory came at the hands of Gonzaga, who were thoroughly trounced by the Vandals 5-2. The standout of the year was Howard Sealey, No. 1 player, who in his first year of varsity competition proved to be a very strong competitor and showed well against the No. 1 players from other schools. As for the future, tennis can go no where but up, and it should do this as only one player is lost through graduation. The team consisted of Howard Sealey, Bob Hansen, John Ferris, Jim Paulson, Larry Durbin.

Intramurals

Dr. Leon Green, Head of Physical Education, and Clem Parberry, Director of the Intramural Program.

Under the guidance of Dr. Green, Head of Physical Education, and Clem Parberry, Director of Intramurals, the intramural program here at Idaho set a new record for participation. The 1960 to 1961 intramural year was full of excitement, sharp competition, and lots of fun. For the second straight year, the Delts copped the over-all intramural title. Delts scored wins in bowling, track, and "B" basketball. The ATO's won "A" basketball, softball, and golf. Lindley Hall nosed out victories in horseshoes and table tennis. Upham Hall took volleyball and Turkey Trot honors. SAE's won first in football and McConnell Hall won the tennis title. Larry Hattemer and Bill Scholes did an excellent job as student directors of the program.

Football

The SAE's won their lone intramural trophy in football. The big game was played in late October against Gault Hall, the independent champ. The SAE's nosed out a 6-0 victory for the grid crown.

Turkey Trot

The largest turnout ever for a Turkey Trot saw Rocky Taylor, Upham Hall, win by quite a large margin. Out of approximately 300 entries, 278 completed the race. Upham Hall won the team trophy with a record low number of points.

Left to right—Jim Okeson, Bob Brown, Howard Grosvold, Rock Taylor, Bill Goss.

Swimming

The Phi Delt swimming team, led by Van Baser, had a comparatively easy time in winning the swim crown. The Phi Delts looked especially good in winning the diving and relay competition.

ROW ONE—Left to right—Greg Malcolm, Phil Russell, Van Baser, Rich Perry. ROW TWO—James Small, Mike Free.

Volleyball

ROW ONE—Left to right—John Fox, Sil Vial, Bart Harwood, Bob Schow. ROW TWO—Jeff Wombolt, Bob McGinty, Gordon Amos, Dean Lundblad, Tom Coustneau.

Table Tennis

Bowling

Once again the Delts came out on top as they nosed out a determined TMA team to take the campus bowling championship. They beat the TMA team two games to none to gain the honor.

Left to right—Norm Gissel, Bud McDougal, George Dickinson, Yaughn Estrick.

"B" Basketball

The only team to stay undefeated in "B" basketball play was the crew from the Delt house. The single elimination tourney proved tougher than usual but the Delts stayed right in the hassel all the way to cop the crown.

ROW ONE—Left to right—Ray Willms, Ron Kulm, Vaughn Estrick, ROW TWO—Bill Block, Bob Henderson, Bob Wise.

Horseshoes

Lindley Hall won its second crown in the horseshoes. Keith Fenton emerged as the top man in pitching horseshoes. Fenton pitched his way to victory over Leonard Clark of Chrisman.

Delta Chi

With the Sister-Daughter Banquet, Delta Chi topped off its year which included its traditional functions—the Pledge Dance, the infamous Pirate's Dance, the Initiation Dance, and greatest of them all, the Spring Formal. The "grubby" exchanges gave the major functions a race for top place in over-all good times. With men in the various organizations, I.K.'s, Blue Key, Curtain Club, Phi Mu Alpha Sinfonia, Sigma Delta Chi, the Gem staff, with Gary Heidel elected to head the Vandaleers, and with participation in all intramural sports,

Delta Chi was well-represented in campus activities. For Homecoming Delta Chis helped recall the days of Al Capone, participating in a gun battle along the parade route. Open house with buffet dinners greeted visitors to the campus on special occasions. One of the big events of the fraternity activities was the Northwest Delta Chi Conclave hosted here at Idaho with the help of Delta Chis Dean Kendrick and Doctor Steffans. A highlight of the Conclave was the presence of our national president, Lew Armstrong.

Outstanding Seniors
Senior Class
Junior Class
Sophomore Class

CONNIE BLOCK ALLEN. "Secretary Extraordinary" could be one way to describe vivacious Tri Delt, Connie Block Allen, who while maintaining nearly a 3.82 grade point average, served as secretary to many of the top ASUI heads. As recording secretary for the Executive Board her Junior year, for the Educational Improvement Committee, and the Student-Faculty Retreat, Connie did a distinguished job. Among the many awards she won in the four years at Idaho were nomination to Phi Kappa Phi. Mortar Board, Beta Epsilon Chi, Gamma Delta, and Spurs. She was also Junior class treasurer, and rounded out her varied college career with a fellowship grant to the University of Wisconsin, where she will go with her husband next year.

EVERETT M. BAILY. An Electrical Engineer with time for ASUI activities, Everett served on the Executive Board his senior year, while maintaining a 3.81 grade point average. A Willis Sweet man, Everett was elected as hall treasurer and vice-president during his four years residence there, also participating in baseball intramurals. As an Executive Board member he worked on the reorganization of the ASUI Educational Improvement Committee. Active in such student organizations as Phi Eta Sigma, Sigma Tau, AIEE, and Phi Kappa Phi, he won the coveted West Coast Electronic Manufacturers Scholarship.

GORDON R. CHESTER. One of the most intellectuallyoriented of the graduating seniors, Gordon mixed politics with a vast horde of ASUI and IK activities, and came out on top in all catagories. A Phi Delt, he served as national president of The Intercollegiate Knights during his junior and senior years. A member of Silver Lance, Blue Key, Greek Caucus, and Delta Sigma Rho, he also found time for intramural football and track during his freshman year. He was extremely active in his living group, serving as rush chairman, scholarship chairman, and other important house jobs.

JOHN O. FITZGERALD. There were few things that John couldn't do, and there were few things that he didn't try. From his frosh year, when he was elected vice-president of the class, to the IK's his sophomore year, to the junior class presidency, and to the vice-presidency of the ASUI when he was a senior, he worked, and he worked hard for the University. Maintaining a 3.34 grade point average, the member of Delta Tau Delta served as house president, social chairman, and delegate to the national Delt convention. Besides heavy participation in intramurals, he was a member of Silver Lance, Blue Key, and Phi Kappa Phi. He earned the "Outstanding Page" award from the Intercollegiate Knights during his sophomore year.

NEIL E. LEITNER. "The Argonaut office is my home" might well be the motto of this senior who rose through the ranks to editor of the Argonaut the first semester of his senior year. Neil served as news editor, associate editor, and reporter during his three years with the Arg. Maintaining a 3.2 grade point average, he was elected corresponding secretary of his living group, Alpha Tau Omega and president of Sigma Delta Chi. He was a member of Blue Key and the Army ROTC organization Pershing Rifles. A journalism major, he won the Allied Dailies Scholarship, and the top pledge scholarship from his living group.

BRUCE McCOWAN. Possibly the man who gained the most respect and admiration of any graduating senior, Bruce, although almost top-heavy with ASUI activities, maintained the next best thing to a 4.0 during his four years at Idaho. He rose from the presidency of his freshman and sophomore classes to the presidency of the ASUI when he was a senior. A member of Beta Theta Pi, he was vice-president of the house. Membership in honoraries included Phi Beta Kappa, Silver Lance, Blue Key, Phi Kappa Phi, and he was also elected Duke of Intercollegiate Knights. Taking part in Varsity Basketball and Intramurals showed that Bruce was an all-around participator.

ELIZABETH A. MISNER. As co-chairman of New Student days, and assistant chairman of Blood Drive her junior year, bouncy brunette Liz Misner still found that she had enough time for membership in Coordination Council, Campus Chest, AWS, and the Board of Selection and Control. With a 3.2 grade point in Accounting, she was elected president of Phi Chi Theta, and served as council woman in the Accounting Club. A member of Mortar Board, she was elected president in her senior year. Liz was a charter member of Alpha Gamma Delta, and was elected chapter president when she was a senior. She also was on the houses' standards board, executive council and served on the scholarship committee.

ROBERT E. MOE. Known as "the man to watch when Democrats congregate," Bob made and left his mark on campus politics. Active in the Independent party, the Young Democrats, the Model United Nations, Campus Union Party, Residence Hall Council, and Citizenship Clearing House, Bob excelled in activities of a political science nature. He was chairman of the Model United Nations delegation to Oregon last year, and was president of the Young Democrats his junior year. In his living group, Gault Hall, he was float chairman and social chairman. He was instrumental in organizing the National and World Affairs Club, and in the organization of the Campus Union Party. He was a member of the Executive Board and of Blue Key.

WILLIAM L. PASLEY. "Where's Paz?" his campaign posters read prior to his election to the Executive Board last year, and generally he was there, serving in many capacities in the ASUI. As chairman of the ASUI's monumental Budget Committee, he was primarily responsible for figuring out where ASUI money went and where it should go. The collegiate Sigma Nu was a member of Blue Key, Silver Lance, IK's and ran with the University track team for two years. While living for four years at the Sigma Nu house, he was vice-president, pledge class president, and social chairman.

BEVERLY R. PAUL. With six out of seven semesters a straight 4.0, Beverly maintained the highest grade point average, with a 3.92 of any of the top seniors, and in the rather stiff major of Bacteriology, to boot. A top scholar, the petite blonde was elected to Phi Beta Kappa, Phi Kappa Phi, Alpha Epsilon Delta, and Mortar Board. Active in the ASUI, she worked on the Blood Drive committee, and the Associated Women Students. A four year resident of Forney hall, she was vice-president, standards board member, scholarship chairman, and AWS representative.

GARY C. RANDALL. The casual, cool, Ivy Leaguish, 67th Jason: Gary worked his way up to the editorship of the Argonaut in his senior year via the sport's editor position. Never one to let controversy come to him, his spring semester's Fleeces and editorials carried the bite of authority. With a 3.2 average in accounting, he was a member of Blue Key and vice-president of Sigma Delta Chi. He served on the Athletic Board of Control, and was an ex-officio member of the Executive Board and member of the Communications Board. Active in his living group, Phi Delta Theta, he participated in intramurals for the four-year period. He was also vice-president of the house and editor of the rush book.

RICHARD RENE. An all-around man in athletics, the ASUI, and organizations, Dick rose to head the Interfraternity Council; held membership in the Executive Board; was president of his house, Delta Tau Delta; served as captain of the winning SUB bowling team; and was campus horseshoe champion for two straight years. Among the projects he started and organized were those to get the '61 Regional IFC Convention at Idaho, and he planned and constructed a KUOI transmitter system. He was a member of the Blue Key, AIEE, and the Air Force ROTC and is in electrical engineering.

GARTH SASSER. Pleasant, unassuming, noted for a quick smile and a friendly manner, Garth also rose through the ranks of the ASUI, finally becoming an Executive Board member. During his varied career, he was chairman of the Miss U. of I. Pageant when he was a sophomore, junior class vice-president, IK vice-president, chairman of the IK Royal Queen Pageant when he was a senior. The agronomy major was a member of Blue Key and the Agronomy Club, and won a two-year research fellowship in Dairy Science as a senior. He was active in his living group, Farm House, and served as rush chairman, intramural manager, and business manager.

KAREN STEDTFELD. "Stetson" is now studying in France as one of the three Idaho students to win Fulbright scholarships last year. It was a fitting end to a fruitful four years for the active brunette from Kappa Kappa Gamma. As senior class secretary, United Party vice-president and campaign manager, student recruitment district chairman, United Party vice-president, intercollegiate debater, and a member and organizer of coordination council, she was active in the ASUI. As treasurer of Mortar Board, member of Pi Gamma Mu, Phi Kappa Phi, Phi Beta Kappa, and Theta Sigma Phi "Headliner," she was active in organizations. She also won the WRA golf championship her sophomore year, and served on numerous committees in her house, while maintaining a 3.7 grade point average.

SHERMAN SNOW. When something needs to be done, Sherm will pitch right in and see the task through to the end. An extremely capable individual he began his four years by being pledge class president at the Sigma Nu Fraternity. Also in his freshman year he served the freshman football and basketball teams as manager. Membership in scholastic honoraries included Alpha Zeta and Phi Kappa Phi serving as Alpha Zeta vice-president. He attended the University under a Union Pacific Railroad scholarship.

MARGARET A. TATKO. An exuberant brunette from Gamma Phi Beta, Margaret was elected Associated Women Students president in her senior year, and was active in the advancement of AWS policies on campus. The AWS presidency ended an activity-strewn four years at college, as she looked back on participation in the Gem and Argonaut, Frosh Orientation, Holly Week, Extended Board, United Caucus, and Election Committee. She was a member of Vandaleers and was elected secretary of that organization. An ex-officio member of the Executive Board, she served on the Calendar Committee, and the Women's Disciplinary Committee in conjunction with her ASUI activities. In her living group, she was standards chairman, activities chairman and song leader.

LLOYD TAYLOR. "Red" Taylor was a dissenter, and that is how he would like to be remembered. He was elected to the Executive Board on a "no-party" slate, appealing to the masses for support, which he received. He made news during his junior year as a leader in the fight to block the Student Union Building addition. He was a member in Phi Eta Sigma, Sigma Tau, and the AIEE, and maintained a 3.1 grade point average in electrical engineering. A four-year resident of Willis Sweet hall he served as chairman of various committees during his residence.

Photo Staff

A tribute is paid to the photo staff for the time and hard work spent in taking pictures. Last minute requests were always handled with a smile by Walt Johnson, head of the staff. Sherry Wilkins acted as coordinator between the photographers and the Gem.

SEATED, left to right-Dick Parr, Walt Johnson, Lloyd Agte, Ed Ager, Sherry Wilkins, Ray Schmidt and Stan Hui.

Leading the junior class this year are Terry Mix, Vice-President; Sally Jo Nelson, Treasurer; Sue Rutledge, Secretary; and Ken Powell, President. Mix served as president during the second semester because of the resignation of Powell.

Sophomore officers were Deanna Duffy, Treasurer; John Ferris, President; Suzanne Best, Secretary and Loren Butler, Vice-President, not pictured.

One of the highlights of Holly Week was the naming of eight outstanding sophomores. These students were chosen by the college deans. Pictured is Loren Butter presenting certificates to the students. ROW ONE—Bruce Green, Agriculture; Barbara Blair, Business; Idora Lee Moore, Letters and Science; and Butter. ROW TWO—Glenn Stoup, Forestry; Chuck Robertson, Letters and Science; and Larry Morgan, Engineering. Not pictured is Janice Goodwin, College of Education.

Editors' Thank You

It's a late rainy evening on June 11: two tired editors are putting the finishing touches on your Gem of the Mountains. We sincerely hope that we have done a satisfactory job for you in compiling all the components of our best and we hope your best college year, 1960-1961. We wish we could acknowledge everyone who has assisted us in editing the Gem, but the list would be much too long. There are a few people, however, without whose help this year's Gem of the Mountains would not have been possible. Thank you!

GALE MIX . . . Mr. Morale Booster . . . the man who solved those problems which we didn't think could be solved.

RUDY'S, HUTCHISONS and UNIVERSITY PHOTO . . . examples of endless cooperation with both the Gem and you students.

ARDEN LITERAL and ROY BELL at the Photo Center . . . they are responsible for the many pictures in the Gem and always helped in our hours of need.

DON WALKER and LEO AMES . . . at the Publications Department . . . When we couldn't obtain a particular photo, they always managed to find it for us . . . these are the men who are responsible for the colored pictures which give this book a professional touch.

JIM GIPSON and CAXTON PRINTERS . . . who published this book for you along with doing an excellent job with the art work that we are all enjoying.

NEIL LEITNER and GARY RANDALL . . . Arg Editors who were, indeed, one of our chief sources of aid.

WALT JOHNSON and SHERRY WILKINS . . . they led the photo staff and the Gem to victory . . . with a smile.

A FINE STAFF . . . Audrian Huff, Tom Eisenbarth, Mary Lou Taylor, John Beckwith, Judy Conklin, Kay Quane and many others . . . we hope you take much pride in the book you have put together . . . we can not thank you enough.

WARREN REYNOLDS and LINDA LAMB . . . A very special thank you for all the help you have given us; and as next year's editors, we wish you the best of luck.
