## RESIDENCES

Hub of the campus "Old Ad," is surrounded by beautiful grounds and lasting scenic beauty. From spring to winter students at Idaho assemble at "the Hill" to gain academic inspiration.

Early in the fall Idaho students flock back to school, brought by parents, friends and alums to gain knowledge, carry on Idaho traditions and create new friendships.

A center of old and new—across the campus of the state university of Idaho, workmen are busily constructing a new SUB, a new face to "Hello Walk" and soon a modern science building. The "Nest" is destined to go and will soon be just a memory in the minds of Idaho alums.

Activities, the zest of campus life, is an essential element in the life of Idaho students. Elections, homecoming, participation, the bucket and restoration of the Senior I Bench were all a part of Idaho life in 1962.

Graduation—the culmination of four years here at Idaho. Spiritual growth and educational experiences, the foundation of this democracy, has prepared the class of 1962 to test the world.

**JAN ALDEN.** Hailing from Boise, this vivacious Pi Beta Phi was a finalist in competition for a scholarship to Harvard-Radcliffe school of business. She is a member of Alpha Lambda Delta and Phi Kappa Phi scholastic honoraries and made the Dean's List for outstanding scholarship for six semesters. Her activities include Panhellenic Executive Board, secretary for the Intercollegiate Knights national convention held on the Idaho campus and vice-president of her living group.

**DUANE ALLRED.** Duane, another Boisean, is president of Blue Key honorary and a member of Delta Tau Delta. He holds memberships in Silver Lance, senior men's honorary; Intercollegiate Knights and Phi Eta Sigma, freshman honorary. Among his many activities are Board of Selection and Control, general chairman of Homecoming and vice-president of his living group.

**ROBERT BROWN.** President of Beta Theta Pi fraternity has been only one of the extracurricular activities of this suave senior. Bob also has served as vice-president of Blue Key honorary, member of Silver Lance honorary, member of Intercollegiate Knights service group and as chairman of the Student Union program council. Active in politics this senior from Blackfoot was the Greek caucus candidate in his junior year for ASUI president.

# Top Seniors

**FRED DECKER.** With a shrewd accountant's mind, Fred Decker applied his talents to the ASUI Budget in his position as a member of the ASUI Executive Board. He also managed to "cut down to size" and put in proper prospective other proposals which appeared before the board during the year. Easily identified on campus because of his familiar pipe and impressive stature, Fred is one of the most highly respected student leaders. During his four years at the University he was a member of the Accounting Club, Young Republicans and the intercollegiate debate team. He also served his fraternity, Lambda Chi Alpha in many offices and was student manager of the High School Journalism Conference.

**KRISTEEN ALLEN DIETZ.** Wielding a slide rule as capably as she could make an extemporaneous speech, Khris Dietz is one of the few women physics graduates from the University. She has won first place in women's extemporaneous speaking with the debate team and retired this year as president of Sigma Pi Sigma, physics honorary. Her subtle humor and easy-going manner definitely set her apart. Khris worked on a National Science Foundation research dealing with the Northern Lights. During her studies at the University, she lived in French House and McConnell Hall and was a member of Spurs and Mortar Board.

**LARRY HOSSNER.** "All eyes turned to Hossner," when Campus Union Party needed some leadership and Larry Hossner was always there to provide it. The blond-haired agriculture major helped build the weak, decentralized Independent Party into the strong Campus Union Party which carried away the top ASUI positions in the 1962 Spring elections. As a member of the Executive Board his senior year, Hossner more than once set the pace for the Board meetings, and more than once influenced the final decision. The men of Upham Hall named Larry to its Hall of Fame and he was also a member of Blue Key. Always speaking in southern Idaho colloquialisms, Larry certainly distinguished himself as one of the legendary "Hossner Brothers."

**HERB HOLLINGER.** "Jason 69" is perhaps the most appropriate phrase to identify red-headed Herb Hollinger, because he lived up to the reputation of past outstanding Argonaut Jasons during his stay in the Argonaut editor's spot during second semester. Coming to the University from Burley, Herb worked his way from reporter to editor and managed to make and keep many campus friends on the way up. He was president of Sigma Delta Chi, journalistic society; and was a member of Blue Key and press secretary of the Model United Nations. He was also chosen as a delegate to attend the annual Air Force Academy assembly. A member of Kappa Sigma fraternity, "Herbie" also participated in intramural sports.

# Top Seniors

**ROBERT KELLER.** With a special quip for every campus happening, Bob Keller built for himself a large reservoir of friends and an outstanding record during his four years at the University. A member of Sigma Chi fraternity, he rose through the ranks to living group president and to the top position among Greek men, Interfraternity Council president. Bob was also a member of Blue Key honorary, Intercollegiate Knights, vice-president of the senior and sophomore classes and a member of student recruitment committee. A member of the advanced ROTC program, he was also a member of the Army ROTC rifle team.

**WILLIAM KINDLEY.** Twice named as one of the top fifteen NROTC engineers in the nation, Kindley compiled a 3.8 grade point in Chemical Engineering. Hailing from Indianapolis, Indiana, Bill has served both in his living group, Lindley Hall and on Student Union Committees. After graduation he will join the navy for four years as a line officer. Bill was a member of Sigma Tau and Phi Kappa Phi.

**PETER KELLY.** Bound for Seattle to study at the University of Washington Medical School, this top Fiji senior made a name for himself on the Idaho campus. A junior when elected to Phi Beta Kappa and Phi Kappa Phi, Pete has distinguished himself in all of his University scholastic endeavors. Active in ASUI as a member of Executive Board, chairman of the Educational Improvement Committee, and chairman of the University Blood Drive, Pete Kelly combined grades and activities to be named recipient of the Lindley Award for Scholarship and Character as the top senior in the College of Letters and Science. Hailing from Twin Falls, he has participated in the University of Washington's research training program at the medical school for two summers.

**SHARON LANCE.** Vivacious, pert, red-haired Sharon worked her way from copy reader to become the 68th Jason on the Argonaut first semester of her senior year. A junior Phi Beta Kappa, Sharon always went to the story and did not wait for the story to come to her. Living in Kappa Alpha Theta sorority, this Idaho Falls coed was active in many campus activities. Serving as an ex-officio member of Executive Board, president of Theta Sigma Phi, and member of communications Board, Sharon was also active in Mortar Board and Phi Kappa Phi. "A Rose Among Thorns," Lancer is the first woman editor of the Argonaut in forty some odd editorships.

**R. JAMES MULLEN.** Not a native Idahoan, but someone many native Idahoans know after his four years at the University, Jim Mullen worked from the ranks of ordinary student his freshman and sophomore years to Executive Board member his junior year. Using this experience as a platform, Mullen campaigned for and was elected to the position of ASUI President. If every politician must have a distinguishing characteristic, anyone will say that Jim's was his cigar and sports jacket. Being student body president was more than a job to Jim because it consumed most of his waking hours and even many of the hours he should have been sleeping. In addition to ASUI activities, Jim was a member of Silver Lance, Blue Key, Citizenship Clearing House, and Young Republicans.

**SALLY JO NELSON.** When Sally Jo was campaigning for the Executive Board seat which she easily captured, a member of a smoker audience once commented, "That's the kind of girl every guy would want to take home to his mother." Sally Jo is that kind of a girl, and much more. Noted for her warm smile and gentle tone, Sally Jo has been a member of Spurs, Alpha Lambda Delta and Mortar Board. She served as president of Gamma Phi Beta sorority and worked on the Argonaut copy desk for four years. She also served on the boards of AWS and Panhellenic. This elementary education major also managed to distinguish herself scholastically and was tapped for Phi Kappa Phi her senior year.

**JIM OKESON.** Head and shoulders above the crowd is the best way to describe this 6' 6" chemical engineer from Boise. His tall lanky build is a familiar sight on campus whether in a Blue Key blazer as MC of the Talent Show or in a Navy uniform as commander of the Spring Review. Jim's dry humor did much to lighten the Executive Board meetings. Other activities for Jim Okeson were his fraternity Beta Theta Pi, IK's, Sigma Tau engineering honorary, editor of the Idaho Engineer magazine and Phi Kappa Phi. Chosen as the outstanding engineering student, Jim also represented Idaho in the Rhodes scholarship competition.

**LeDESSA ROGERS.** A hometown miss of whom Moscow is very proud, LaDessa ended her busy four years as AWS president, as a member of Mortar Board and as a member of Phi Kappa Phi. Being an able leader as well as a smiling and willing follower placed LaDessa as vice-president of her living group Kappa Kappa Gamma and as a member of Spurs. Because of her outstanding achievements, LaDessa has been the recipient of several scholarships, the winner of the Theta Sigma Phi Headliner Award, and was chosen as outstanding freshman by Phi Upsilon Omicron.

**SUSAN RUTLEDGE.** Numbers figure heavily in this pert Boisean's collegiate career. Susan, a math major has taught for the Math Department and tutored on the side as well as carried numerous activities. As a junior Phi Beta Kappa, Phi Kappa Phi and Homecoming finalist her junior year, Susan proves that brains and beauty do mix. Zan served both her sophomore and junior classes as secretary. Spurs and Kappa Kappa Gamma sorority kept this sparkling blonde Mortar Board president busy during her undergraduate years.

**ROBERT SCHUMAKER.** Coming to the University from Hamilton, Montana, Bob Schumaker managed to combine academic excellence with extracurricular activities and still come out on top. A member of Delta Tau Delta fraternity, Bob was elected senior class president and Blue Key president. He was also president of the Army ROTC Honor Board and was a Distinguished Military Student. Other positions held by Bob were Miss University of Idaho pageant and Homecoming general chairman. Extending his abilities to the academic side, Bob majored in mechanical engineering and was awarded membership in Phi Kappa Phi and Sigma Tau. He was also tapped for Silver Lance.

## Top Seniors

**CLAIRE SLAUGHTER.** Travel is in sight for this Kimberly, Idaho coed as Claire journeys to France on a Fulbright grant next fall. Her wide range of interest and abilities distinguishes this Tri Delt senior. Delta Delta Delta president, Kappa Phi president and Curtain Club membership filled her spare time while she compiled scholastically a 3.84 overall grade point. Being tapped for Mortar Board, Spurs, Alpha Lambda Delta, Phi Kappa Phi and Phi Beta Kappa show the high standards Claire sets for herself and is able to achieve.

**RICHARD STILES.** With a politician's mind and a musician's ability, Dick (Cuddles) established for himself a notable record on the University campus. Coming to Idaho from Muskegon, Michigan, Dick was a member of the varsity tennis team, leader of his own dance band, "The Stylists," and a member of the Student Union Board and Blue Key. During his senior year Dick served as ASUI Vice-President and remained active in his fraternity, Delta Sigma Phi.

Class Officers—Bob Keller, Vice-President; Blanche Blecha Norell, Treasurer; Shirley Mitchell, Secretary; and Bob Scott, President.

# W.S.U. Walk

As a result of the Idaho-WSU football game, the Vandals and their followers again had to walk the nine miles to Cougarville for the seventh year in a row. Led by yell leaders, pom-pom girls, and student body leaders, some 100 footsore but defiant University of Idaho students made the walk on October 22, 1961.

What a lovely day for a walk!

A pail of cool water awaited the weary feet of the Vandals making the journey.

Campus Union Party pulled the surprise of the year as they broke tradition and got out enough voters to elect an ASUI President and five Executive Board members. The exciting election and campaign climaxed in the election of Ron Houghtalin as ASUI President and Bill Bowes as ASUI Vice-President. A total of 2505 students, a record turnout representing over 68 per cent of the student body, went to the polls to voice their choice. A new ASUI Constitution was also approved by the students in the election.

# Frosh Week

The Class of 1965 staged a very successful Frosh Week, March 14-17. The Frosh dance, "Shamrock Twist," climaxed such activities as the annual frosh-sophomore tug-of-war, a treasure hunt, house decorations, pretty legs contests, and outstanding freshmen awards.

The Frosh King and Queen finalists were, from left to right—Jack Morris, Judy Sharp, Bruce Skinner, Andrea Anderson, Tony Gale, Florence Sleeman, Ben Goddard, Mary Lou Levi, and Bob Running.

Heather Sanders, Gamma Phi, and Bruce Holloway, Kappa Sigma, were claimed to possess the prettiest legs in the freshmen class.

The frosh were again triumphant in the tug-of-war as the sophomore class traditionally got pulled into Paradise Creek.

# Alumni

The University of Idaho can indeed be proud of the many fine outstanding accomplishments of its alumni. The Alumni Association is kept very busy informing the University and the State of these accomplishments as well as telling the alumni of the ever-changing, growing University of Idaho.

Throughout the school year many alumni returned to visit again their old Alma Mater. They found the University still excelling in charm, beauty, traditions, and prestige as well as education, service, and research.

# Blue Key Talent Show

Despite the "bad" jokes of emcees Dick Stiles and Jim Okeson the annual Blue Key Talent Show was judged a success as approximately 2500 students attended the show in Memorial Gymnasium. Fourteen acts vied for the trophies in the four talent divisions.

Emcees Dick Stiles and Jim Okeson kept the show moving with humorous comments on campus activities and the usual stock of semi-risque jokes.

Gay Russell, accompanied by Patti Folz, won the instrumental division with a semi-classical violin solo.

Happily holding their trophies are the winners of the four talent divisions: Vickie Fisher, representing the Alpha Chi Omega house act; Gay Russell, instrumental solo; Dick Reed, vocal solo; and Irene Bishop, small variety acts.

Alpha Chi Omega in an old-fashioned minstrel show won the all-house honors.

# Mother's Day Weekend

Mother's Day Weekend was held May 11 through 13. The weekend's activities encompassed a wide range as Moms and escorts had their pick of entertaining events. In fact often there were several events occurring simultaneously. Moms were treated to shows and pageants presented by Helldivers, Orchestis, and Pre-Orchestis; to a panel discussion on higher education presented by Silver Lance; to a Song Fest sponsored by Spurs; to the Turtle Derby put on by the Phi Deltis; to athletic events; to open-house at the living groups; and, of course, the traditional May Fete sponsored jointly by Mortar Board and the Associated Women Students.

The royal court at the May Fete consisted of May Queen LaDessa Rogers, Maid of Honor Sharon Stroschein, Page Julie Severn, Flower Girls Jeanna Andros and Theresa Cor, and Train Bearers Dale Avery and John Bunge.

# Pansy Breakfast

The Delta Delta Delta House was the site of the annual Tri Delt Pansy Breakfast honoring senior women. Because of rainy weather the Tri Delts hosted the large crowd in their living room rather than on their lawn where it has been held in previous years. Highlights of the event were the pansy ring ceremony and the fashion show featuring old and new wedding styles.

Dr. and Mrs. Eugene Taylor stole the show as they modeled their original wedding finery on their golden anniversary. Other old-fashioned models were Janet Childers, Margaret Bowlby, Bonnie McKay, Carol Lee Fobes and Karla Repp.

The first doctorate degree was given and two honorary doctorate degrees were received by Mr. Carl P. Clare of Chicago, founder, president and chairman of the board of C. P. Clare and Co. and Dr. Dwight J. Ingle, head of the department of physiology at the University of Chicago. Both Mr. Clare and Dr. Ingle were members of Idaho '29. An extremely large crowd witnessed the graduation and commissioning ceremonies for the ROTC units. Other weekend events were the tea given by the faculty women for the graduates and their families, alumni banquets and meetings, and an open house and exhibit at the library.

JIM MULLEN  
President

R. James Mullen, ASUI President 1961-62, led student government at the University of Idaho through an unprecedented year. Active in encouraging the legislature to build a new science building and to appropriate more funds for University use, Jim promoted and carried the Idaho banner wherever he traveled.

Hailing from Mesa, Arizona, Jim came to Idaho in 1957 to major in political science. A member of Young Republicans and TMA, Jim was elected to Executive Board of the ASUI as a member of the Campus Union Party for 1960-61. Switching parties in 1961, R. James Mullen ran for and was elected president of the Associated Students of the University of Idaho on the United ticket. Elected to Silver Lance, the highest collegiate honorary for men, Jim realized the need for a more coordinated public relations program stemming from the ASUI. He took two state-wide trips to promote and better University relations in the state. A man to do a good job in whatever he attempted, Jim was instrumental in getting the constitution revised and the Student Judicial Council approved. Upon graduation Jim will serve in the U.S. Army as a second lieutenant. Long hours of work spelled success for him and the associated students of Idaho are truly proud of Jim Mullen for in him Idaho had as fine a representative as could be found anywhere.

# Executive Board

In 1903-04 the students of the University organized the student body into an association headed by the Executive Board, the purpose of which is to provide for the organized conduct of student affairs and to promote the educational, cultural, social, and athletic activities of the members.

This year's Board, comprised of seven United Party and two Campus Union Party members, has worked harmoniously throughout the year to promote the University as the foremost institution of higher education in the state of Idaho. The Board takes great pride in the newly created ASUI Public Relations Office, which under the direction of Carl Berry did much to publicize the University.

The requirement for extracurricular participation was raised from a 2.00 to a 2.20 accumulative grade average. Student-faculty symposiums on current affairs were conducted as a feature of Dad's Day and May Fete. The first Freshman Faculty weekend forum on academics was held and the Board petitioned and succeeded in requesting the library to remain open on Friday evenings. In addition to many other projects, the ASUI Constitution was completely revised, an Activities Council was organized to replace two other overlapping groups, and an all-student Judicial Council was proposed and adopted for the coming school year.

# Gem of the Mountains

The Gem staff, a volunteer group of hard-working, capable, and enthusiastic students, keeps close watch on all campus activities and records them in the Gem of the Mountains, the U of I yearbook. Only after many hours of work, sweat,

aggravation, and frustration does the yearbook become a reality and a permanent record of life at the University of Idaho. The Gem office, located on the third floor in the SUB, is indeed a busy place and one can always find someone working amidst negatives, photographs, carbon paper, copy papers, typewriters, empty coke glasses, and a general air of confusion. Throughout the year our third floor rival, KUOI, tries to take some of our typewriters, but the staff usually manages to outmaneuver the DJ's from around the corner.

Co-editor Warren Reynolds checks copy to insure all photographs have been numbered correctly.

Co-editor Linda Lamb Parkinson proof reads all pages before they are sent to the printers.

Assistant Editors, Dana Andrews and Tom Eisenbarth, strive to meet the many deadlines.

## Idaho

An Argonaut staff of more than 50 students spent its last year in the old Argonaut office, as construction of the new one in the SUB addition will be completed in October, 1962. Sharon Lance, the first woman editor in over 20 years, edited the paper first semester as Jason 68, with the help and able assistance of Larry Roby, associate editor. Herb Hollinger, Jason 69, took over the top spot during second semester.

It was a lot of hard work, but a lot of good fun as one of the best trained and most tight-knit staffs in Argonaut history went to work on the fifty-four issues of the 1961-1962 Argonaut.

# Argonaut

In a poll among staff members of "top" news stories, the Argonaut coverage of the athletic controversy and its editorial campaign to get some action from the board of regents rated first. Rated in the second and third spots were the Campus Union Party's political upset of the United Party in ASUI spring elections and the plans for a new 212-student capacity dormitory scheduled to be partially completed by September, 1963.

The editors broke tradition this year when they moved Jason's "Golden Fleece" column off the front page onto the inside editorial page. Other traditions which have guided Argonaut staffs during its many years of publication continued, however, as the 1961-1962 Argonaut kept up its outstanding reputation as the student newspaper edited completely by students without any administrative control or censorship.

# KUOI

Station Managers Jerre Wallace, first semester, and Perry Olson, second semester.

KUOI Radio completed its sixteenth year of student-minded broadcasting in May of 1962. The musical portions of its daily programming contained many hours of classical, dance band, jazz, and popular LP. "Studydate With Music" on weekday evenings; "Music on the Go" in the late afternoons; and seven weekly hours of jazz on "2/4 Jazztime," "6/8 Jazztime," and "The Jazz Special" made up the three most popular portions of the schedule. "Silver and Gold" with its dinnertime music, "Seventh Hour Symphony" with its classical repertoire, "Sunday Show" and "Concert Favorites" made up the easy-listening side of the program, while "Music in Action," "Album Party," and "Dance Band It" provided a livelier, quick-paced side.

On the news end, KUOI kept students up-to-date with meeting announcements, social events, and campus happenings. At the semester break, United Press International teletype news service was again installed after a semester's absence, supplying the student listener with many newscasts each week of national and regional importance. Sports-wise, the station kept students informed of all the latest scores and happenings. Home basketball games by Bob Riley and Lt. Dick Yohe, and the twice-weekly "Sports in Action" with Benny Blick were the two main-stay features of the year. And, of course, Special Events played an important and oft-times exciting portion of the format. Election smokers and returns in the fall and spring campaigns, the political debates, concerts, recitals, Jazz in the Bucket, and the public

events lecture series . . . all were included. Keeping programs and formats on schedule and up-to-date was done most satisfactorily by Irvin Hirning and his staff. Juanita Wyatt and Linda Scoville headed the secretarial staff, while Scott Olson and Marilyn Ard kept up on the record filing. One of the more important duties on the station was that of the head announcers, Laurent Taylor, George Benoit, and Ken Meyers. Steve Meyer was chief engineer, Wallace Lewis and Mike Riley were news directors. Benny Blick was sports director, and Ann Olson was copy writing director. Bob Riley was first semester assistant station manager, and production direction was under Rick Wilhite.

All women students at the University are members of the Associated Women Students of the University of Idaho. The group which serves as a council, composed of the president and one representative from each women's living group, is to establish and coordinate the standards of its members.

This year the AWS concentrated on its project, State Hospital North, by sending gifts contributed by U of I women to the hospital for Christmas, and by sponsoring a forum on mental health lead by Dr. Myrick Pullen. A forum in the fall told of the many career fields open to women, and in the spring AWS sponsored May Fete.

Their national convention was held in Texas this year during spring vacation. Besides much enjoyable work, a good time is had by all at their Pizza Supper, stomps, serenades, and Spur-IK functions.

The Air Force ROTC Drill Team experienced a very successful first year as it entered into many drill competitions.

## Tri-Service Spring Review

The annual Tri-Service Spring Review was held on Friday, May 18, 1962. Due to inclement weather, the review of the 1300 ROTC cadets by Brig. Gen. James M. Trail, United States Air Force Reserve, and Dr. D. R. Theophilus, University President, was eliminated. The presentation of the many military awards was given in Memorial Gymnasium. The Navy ROTC Unit, under the command of Cadet Jim Okeson, was in charge of the preparations for this year's review.

Leading the processional into Memorial Gymnasium are Brig. Gen. James M. Trail and President D. R. Theophilus, the reviewing officers.

President Theophilus congratulates Army Cadet John I. Frostenson as he presents to him the "ROTC Gold Medal Award" for receiving the highest grade for scholastic achievement and aptitude in his class for the current academic year.

# Football

The 1961 Idaho football team made a slight improvement over the two previous seasons, as they posted a 2-7 record. The two wins over San Jose State and Montana State were very close, but satisfying victories. The surprise upset over San Jose looked for a while as though it was going to be a repeat of the Idaho loss at San Jose in the season before, but this year the tables were turned and Idaho beat San Jose for the first time since 1951. In its only other win, over Montana State, Idaho had to break up a tying two point conversion attempt to ensure its victory in the last moments of the game. This victory brought the Little Brown Stein trophy back to Memorial Gymnasium. An indication of this year's overall poor season is in the record book. The opposition scored 341 points while holding Idaho to 59. This is the most points ever scored against the Vandals in one season. As a result of this year's poor showing, combined with two previous famine years, J. Neil "Skip" Stahley, Penn State, 1930, resigned as Head Football Coach to devote his full attention to his other position as Athletic Director. Dee Andros, a 37-year-old former line coach with 12 years of experience, resigned as assistant coach at Illinois to take up the new position of Head Football Coach at Idaho.

# Idaho 0 Oregon 51

Vandal Back Mike Jordan picks his way through opposition.

The season's opener with the Oregon Ducks proved to be a one-sided match and a preview of worse things to come. As has been the rule in past seasons, Idaho fared well in the first half, holding the Ducks to 13 points. They scored first with an 80-yard run by Sophomore speedster Mel Renfro, and then again when Lu Bain, another Sophomore, scampered 41 yards for a tally. Idaho showed some life in the first half when Reg Carolan recovered an Oregon pitch-out and the Vandals, under the leadership of senior quarterback Mike Mosolf, marched to the Oregon 4-yard line before they were held on downs. Oregon completely dominated the second half, scoring an additional 38 points to amass 51 points while holding Idaho scoreless.

End Reg Carolan leaps for a pass while eluding a San Jose defender.

A chilled Homecoming crowd saw an inspired Vandal team come from behind, stave off a determined Spartan effort in the second half, and go on to win a 27-18 decision. The first score of the game came on a fourth down 48-yard pass completion by Quarterback Mike Mosolf to End Reg Carolan. San Jose matched the Vandal effort with a pass from the nation's leading passer Chan Gallegos to End Rey Pena. The Spartans then scored again on a four-yard plunge by Gallegos making the score 12-6 at half-time in favor of the visitors. The Vandals came back to score and take the lead in the third quarter 13-12. Then in the last four minutes of the fourth quarter the Vandals scored again to make it 20-12. From there San Jose led once again by Quarterback Gallegos tallied on a long scoring pass and narrowed the margin to 20-18. With less than a minute left, the Vandals tried to run out the clock but a fumble in the Idaho backfield gave the Spartans a last ditch chance at the Vandal 34-yard line. A fourteen-yard pass play to the Idaho twenty put the Spartans within field goal distance. The San Jose kicking specialist tried for the winning three points but End Bill Hill blocked the attempt, and then defensive Halfback Bob Johnson scooped up the loose ball and sprinted the San Jose pursuers to the goal line. The field had to be cleared of jubilant Idaho fans for the PAT by Desmond which made the final score 27-18.

No. 41, Dick Mooney, tries to slip past a tackler after a good kickoff return.

Terry Backer and his Beaver teammates put a tight clamp on the Idaho offense and rolled to a convincing 44-6 win over the Vandals. Baker, who had been an Idaho nemesis in previous years, had things all his own way when he romped freely over the heavily outmanned Vandals. The Vandal eleven was able to hold the Oregon Staters offense to fourteen points in the first half, but they tired in the final two quarters and the Beavers were able to penetrate Idaho's defensive line easily. The Vandals, in high spirits after their homecoming victory over San Jose the week before, were able to score only once during the entire game. The fourth period tally came when Center Bob Ames recovered a Beaver fumble on the Oregon twenty-yard line. Several plays later, Quarterback Rick Dobbins dived over from the one-yard line to avert the shutout.

## Idaho 0 Washington State 34

The second half was the difference at Pullman as the WSU Cougars crushed the Vandals 34-0. WSU scored quickly on an 80-yard drive the second time they had the ball. Facing a 7-0 deficit, Quarterback Mike Mosof led the Vandals to the Cougar 4-yard line. There the Vandals were held and the Cougars took over on downs after an incomplete pass on 4th down. WSU fumbled the ball on an attempted punt, picked the ball up and threw an incomplete pass and the Vandals took over on the Cougar 7. The Vandals were again unable to score. End Reg Carolan caught a fourth down pass in the end zone, but the referee ruled that he had caught it out of bounds. In the second quarter WSU scored again and the half ended at 14-0. The second half was all WSU as the Cougars rolled to one touchdown in the third quarter and two in the fourth while their tough defense held the Vandals scoreless.

In their first game on the East Coast in 11 years the Vandals were outclassed by the Cadets in a game that marked the first time Idaho has ever met Army. Army scored in the first quarter, but the score was evened five seconds later on a stunning 95-yard kickoff return, by halfback Gene Morrow. In the second quarter Army scored a safety and a touchdown to lead at the half 16-7. Again in the second half the roof fell in for the Vandals, as the Cadets rambled to five more touchdowns to post a 51-7 victory. Idaho, however, was without the services of end Reg Carolan and fullback Cary Smith most of the game due to first half injuries. Halfback Dick Mooney and quarterback Mike Mosolf turned in outstanding performances for the undermanned Vandals.

## Idaho 0 Utah State 69

Setting a new mark as the worst defeat suffered by Idaho in modern history, the Vandals were humiliated by the Utah State Aggies, 69-0. Played in a blinding snowstorm in Logan, the game was never close to being a contest from the opening kick-off. The tenacious Aggie defense held the Vandals to a minus 27 net yards gained, while the Aggie backs consistently ran over the top of the Vandal defense. It was all running for the Aggies as they passed only 4 times all afternoon, completing three of these four. Late in the game the Vandals resorted to a shotgun offense to try to penetrate the Aggie defense, but this, along with the other Idaho offenses, proved ineffective against the powerful Aggies.

Reg Carolan tucks another one away

The Vandals were favored for the first time in their 1961 campaign but a scrappy University of Pacific team turned the tables and handed Idaho a 27-2 defeat. The Vandals were able to muster only one threat when quarterback Cary Cagnon's passing arm opened up the UOP defenses for line plunges by halfbacks Gene Marrow and Dick Mooney. The Idaho eleven penetrated to the Tiger 3-yard line before a Vandal receiver fumbled and the eager Tigers took possession. A disappointed Dad's Day crowd saw Idaho's only tally of the afternoon when guard Don Matthews pulled down a Tiger runner in the UOP end zone in the second quarter.

Vandal Blockers open hole for hard rushing Idaho backs.

The Vandals showed their capabilities early in their encounter with the Wildcats, but the steam ran out too soon and Arizona drubbed the Idaho eleven 43-7. With Dick Mooney providing most of the offensive punch, the Vandals moved to the Wildcat 6-yard line where a field goal try missed its mark. After a stout defense held the first Arizona offensive thrust in check, Idaho again moved the ball deep into Wildcat territory where Mooney scampered over from the 2-yard line. But there the brilliance ended as their southwestern foes caught fire with Quarterback Eddie Wilson running and throwing the Vandals into shambles. Arizona scored almost at will against the hapless Idaho defenses during the remaining 3 periods of the contest.

The Vandals regained possession of the Little Brown Stein with a satisfying 16-14 victory over the Grizzlies in Boise. Idaho broke into the scoring column in the second period when quarterback Gary Gagnon plunged one yard for a touchdown. Big John Desmond followed with a perfect conversion kick. Just minutes later it was Desmond's toe in action again as he booted a 36-yard field goal which gave the Vandals a 10-0 lead at halftime. Montana backfield ace Bob O'Billovich was a thorn in the Vandal's side for the second straight year. He engineered his Grizzlies to 14 points in the second half while the Idaho offense was held to just one tally. The season ending win was particularly sweet for the team, as they had faced unusually stout opposition during their fall campaign.

# Top Gridder

Dick Mooney, a resident of Idaho since his family moved from California to Weiser, broke four Idaho records for kickoff returns in the 1961 Football season. The records that the 5-10, 160-pound senior rolled up included: most kickoffs returned for a season (24) and career (31); most yards returned in a single game (129); and tied the existing record of most kickoffs returned in a single game (5).

# New Head Football Coach

New Head Football Coach Dee Andros is a 37-year-old former line coach who has 12 years of experience. Andros played his college football for Oklahoma in the late 1940's. In 1950 he coached the Sooner frosh and the next two years was line coach for the varsity under Wilkinson. He then went to Texas Tech, and later to Nebraska, where he joined Pete Elliot, whom he has been with until now. Dee Andros was chosen from a group of 40 applicants to the position vacated by J. Neil "Skip" Stahley.

# Ex-Football Coach

Skip Stahley resigned as Head Football Coach and is now heading a revised athletic program as Athletic Director. In an effort to raise the competitive standard of Idaho athletics, with special emphasis on football, ten new athletic scholarships will be offered next year. Idaho frosh turned in a 1-2 season that saw the Vandal Babes clipped closely in two games. Against Wenatchee Junior College the frosh were edged 10-7 in the last seven seconds. Wenatchee took a 7-0 lead at half time only to have it tied up at 7-7 when Leon Shaver ran back a punt for 63 yards and a TD. With just seven seconds remaining the Wenatchee J. C. Knights intercepted an Idaho pass and were stopped on the Idaho 10-yard line. From there they kicked a field goal as the gun sounded to give them their small margin of victory.

In Seattle the Idaho Babes repeated last year's win by stunning the Washington Pups 7-0. Idaho quarterback Joe Chapman put on the steam and jaunted 65 yards to pay dirt. Paul Lawrence then kicked the extra point to give Idaho a 7-0 lead which they never relinquished. The big Idaho line proved the difference.

For three and a half quarters and most of the afternoon there was one whale of a ball game in Pullman. On a fourth down and 8 to go situation WSU used the draw to perfection. In three more plays the Couababes had tallied and Idaho was beaten 7-0.

The frosh, coached by Bub Goodell, are expected to do great things for Idaho in future years.

# Basketball

The Vandal basketball team enjoyed its finest season since 1958 during the 1961-1962 campaign. The Idaho team, which posted a 13-13 record, would have finished with their first winning season in four years except for a loss to Washington in the final game of the season.

Coach Joe Cipriano welcomed back four starters, leading scorer Chuck White, sharpshooter Rich Porter, and tall front court men Ken Maren and Reg Carolan.

The Vandals started off fast, disposing of Whitworth, Gonzaga and Montana State before falling to Seattle 69-68 in the final second. This one point loss was an omen of things to come, as Cipriano's club was to go on to lose five games by three or less points.

The Vandals went into the Far West Classic with a 4-3 record. In the Classic opener, Idaho defeated Portland 61-50; but the next night they bowed to the Oregon Ducks 71-60. Playing Palouse rival Washington State for third place in the tourney, the Vandals defeated the Cougars 75-74, behind Porter's 30 points. Porter and White both made the tournament all-star team.

Following the Far West fray, the Vandals headed into the traditional Northern Division play. Engaging the three Coast schools four times each, Idaho came out 6-6, defeating Oregon 3-1, bowing to OSU 1-3, and splitting with WSU 2-2. The Classic victory, however, gave the Vandals the edge in the traditional "Battle of the Palouse."

Of the three, the Oregon State series was probably the most exciting. The Vandals lost their two home games to the Beavers 74-59 and 71-68. The Vandals got another crack at the Beavers down at Corvallis, and this time they made it good. A 52-51 Idaho win snapped a 17 game Beaver win streak and dropped Oregon State out of the top ten. Cipriano had successfully employed slow-down tactics which rattled the tall, talented Beavers. Mel Counts and company solved the strategy the next night, and OSU won 65-50.

Idaho and the Idaho State Bengals met for the first time in ten years during the past season. Idaho triumphed 70-68 in Moscow; the Bengals 67-65 at Pocatello.

White led the Vandal offense with an 18.0 average. Porter was second with 15.2, followed with team captain Ken Maren at 9.3. One of the real surprises was Lyle Parks, who came into his own in '61-'62 and became a defensive terror and a scorer as well. Reg Carolan played steady ball, and Jim Scheel and Bill Mattis were tough bench strength when needed.

Chuck White received the Ronald White "Most Valuable Player" award. Both the Jay Gano "Most Inspirational Player" and "The Oz Thompson Sportsman" awards went to Lyle Parks.

Certainly, Idaho will miss its graduating seniors. Carolan and Maren were most effective board sweepers, and the departing height could be sorely missed.

Coach Joe Cipriano

## Basketball

Head basketball mentor Joe Cipriano, in his second year at Idaho, developed a fine squad and coached them to a respectable 13-13 won-lost record for the season. Cipriano came to Idaho from the University of Washington where he was a very successful freshman coach. He has coached prep and AAU teams in the Seattle area also. Many long-time Vandal fans will remember "Slippery Joe" when he continually harassed many past Idaho basketball squads as a standout on the University of Washington Husky team in the early 1950's.

# Basketball Awards

## MOST INSPIRATIONAL PLAYER

The Jay Gano Award for the most inspirational player during the 1961-62 season went to guard Lyle Parks. The junior ball hawk from Kendrick, Idaho, repeatedly came off the bench to lead the Vandals to victory during the winter campaign.

## SPORTSMANSHIP AWARD

Junior sparkplug Lyle Parks was picked by his teammates as the recipient of this award for sportsmanship. Parks was a standout on a team which posted the best won-lost record at Idaho in several years.

## MOST VALUABLE PLAYER

Chuck White, the Vandals leading scorer for the past two seasons, was voted the most valuable player on the Idaho squad. White averaged eighteen points per game as a junior this year and is also an outstanding rebounder and playmaker for Coach Joe Cipriano's team.

Vandal standouts Lyle Parks and Chuck were a major factor in Idaho's fine showing during the 1961-62 season. They are shown with the awards presented to them at the last home game.

Vice-President H. Walter Steffens is pictured presenting the Jay Gano Award for inspirational player to Lyle Parks.

Teammates of Lyle Parks also picked him to receive the Oz Thompson Sportsmanship Award.

## Far West Classic

Idaho's basketball squad lived up to pre-season predictions when it walked off with third place in the annual Far West Classic tourney in Portland. The Vandals captured two victories while losing only to the Oregon Ducks in the second round of the tournament. After a first round bye, Idaho took on Portland and with a fine second half shooting exhibition downed the Pilots 61-50. The Vandals found the tables turned in the second game however, when they fell before

Oregon 71-60. Joe Cipriano's squad held a slim lead at half time but could not find the range in the second half of play. The third game proved to be a real thriller when the Vandals edged arch-rival WSU 75-74 on Chuck White's last second shot. Both White and Rich Porter scored well for the Vandals during the entire tourney and their fine all-around play earned them a berth on the Classic All-Star team.

The Spud Trophy failed to find a home its first year as the Vandals and the Bengals of Idaho State split their two game series with each team coming out with an equal number of points.

The Vandals squeezed through a victory in Moscow when Jim Scheel sank what proved to be the winning points from the foul line with just seconds remaining. In Pocatello, the Vandal scoring machine wasn't consistent enough as they dropped a cliff-hanger to the Bengals 65-67. The lead changed hands several times but the home court advantage finally overcame the Idaho hoopsters.

Big Ken Maren disregards the Idaho State defense to dunk an easy lay-in early in the contest.

Center Ken Maren attempts a push shot over the screen of Chuck White during their first meeting with the Beavers.

Oregon State's nationally ranked Beavers proved tough for the Vandals as they took three of the four games from the Idaho squad. The Vandals played the first contest without the services of their leading scorer, Chuck White, as he was ejected from the game early in the first period. In the second game at Memorial Gymnasium, Idaho was vastly improved but still fell before the talented Oregon State University team.

Idaho upset the Beavers in Corvallis when Joe Cipriano's charges were able to contain Beaver scoring ace Mel Counts and pulled out a surprising 52-51 victory.

The Vandals more than held their own in the five game series with the Ducks from Oregon taking three victories to Oregon's two. Idaho's Chuck White and Rich Porter continually battled Oregon star Charlie Warren as the three players scored consistently in double figures. High scoring guard Rich Porter drives around two stunned Washington Husky defenders to score two more for the Vandal cause.

After an eleven point defeat in the first game with the Washington Huskies at Seattle, the Huskies came to Idaho to close out the season and clipped Idaho by a 54-55 score. Idaho held an early lead in the first quarter and fought their way to a 27-22 advantage at half-time of the final game. Despite Guard Rich Porter's nineteen second half points, the Vandals fell before the late surge of the Huskies.

The traditional rivalry between the Vandals and WSU was again high with Idaho capturing the "Palouse Title" by taking three games from the Cougars. Once again Chuck White and Rich Porter were the big men in the Vandal attack, but they were backed by strong rebounding and clever playmaking by the rest of the Vandal squad. Idaho was hampered by frequent second half inconsistency in many of the contests as they built up early leads in the first half only to see them wiped out by the overpowering play of their opponents in the second half.

Idaho's freshman basketball team finished their season with a 12-5 mark and were described by Coach Wayne Anderson as "a really fine bunch of fellows with much more than average ability, as the season's record will show." The Babes enjoyed a good season as they swept two-game series from powerful Whitworth, the Gonzaga frosh, and Lewis-Clark Normal. They picked up single game wins over North Idaho Junior College and Wenatchee Junior College. Columbia Basin Junior College, Boise Junior College, and Washington State frosh were the only three teams to garner wins over the talented Idaho frosh. Big Tom Moreland was the outstanding player for Idaho and he was backed up by equally big Jim Halte. Nelson Levias, Terry Henson, and Ed Tollefson were the front court men and their sharp passing and ball hawking broke open many tight situations for the team. The Idaho bench was stocked with many fine players and their work was cast in supporting roles that spelled success for the Idaho frosh.

# Baseball

For the third time in three years the Vandal Baseballers finished the season with at least a .500 won-lost record. The 1962 squad was very strong in hitting and boasted several of the Northwest's leading batsmen. Mike Stowe hit .346, Dick Mooney's average was .339, and catcher Jeff McQueeney batted .333 in the Northern Division league play. Both Stowe and McQueeney had 13 runs batted in and Chuck White followed closely with 10 RBI's. Stowe also hit three home runs in league action. The Vandals, who had a respectable 13-13 overall mark, got fine pitching from mound aces Pat Townsend, Ralph Lawrence and transfer Dave Sewright. Both Lawrence and Sewright will return to action next year. The Vandal record included at least one victory over each of their opponents.

Coach Bill Sorsby came to the University of Idaho in 1959, and has developed teams which have been strong contenders in Northwest competition. Sorsby has been granted a year's leave of absence to coach the national track team of Cambodia. His work is in cooperation with the U.S. State Department educational and cultural affairs program.

# Idaho Track

## Unofficial Standings

1962 saw Idaho produce its best track team in several years. Although outscored in most of the meets, the Vandals made tremendous improvement as the season progressed, particularly in the latter part.

Sophomore sprinter Bob Johnson was the top point gainer with  $65\frac{3}{4}$ . Others in the top six included Dick Douglas, 58; Reg Carolan, 51; Paul Henden, 38; Jerry Pressey,  $36\frac{1}{4}$ ; Nick Carnifex,  $35\frac{1}{4}$ . Joe Davis, John Pasley, Ed Jacoby, Curt Flisher and many others performed well during the past season.

Probably the outstanding performance by the team came in the Far West Championship. The Vandals out-pointed Washington for the first time in the history of the meet, and almost overran WSU as well.

# Cross Country

The Idaho Cross Country team, led by veterans Paul Henden and Nick Douglas performed well in 1961, with the highlight of the season coming when the harriers captured the Pacific Coast Championships for the second time in three years. Henden and Douglas took many individual honors. Both men entered the Canadian National Championships where Douglas took second and Henden followed in third place. Douglas was also named the Canadian representative of the Sao Paulo, Brazil, New Year's race where he finished 70th in a field of 500 entrants.

The Ski Team was somewhat plagued by the loss of Grosvold, Gerrish and Astrup. The slatmen brought home second honors from the Seventh University Meet in Rossland, B.C. In the Northwest Championships the team came in third despite injuries and waxing problems.

Bergvall proved to be the teams' best man in the Alpine events, Prydz was the strong jumper and Jenssen was the fast and steady cross-country runner. Friling skied as the teams' back-bone by competing in all four ways.

Bergvall, Istad and Friling all qualified for the National Collegiate Skiing Championships in Squaw Valley, California. Friling and Istad made the trip and they finished as 12th and 14th, respectively, in the Nordic Combined event.

# Swimming

The 1-9 Idaho varsity swim team record did not tell the whole story; the fact that they only won one meet during the season was due, Clark Mitchell said, "to a lack of previous competitive experience of the men." The Idaho squad had only one senior and three juniors, none of them lettermen. Coach Mitchell was very pleased by the improvement of the team toward the end of the season, his six big men were: Mike Free and Greg Malcolm, co-captains; Larry Peterson, who set a new varsity record in the 1500-meter free-style; diver, Dick Henry, Chuck Sowers, and Ken Steward. The Vandal swimmers took fourth place in the Far Western Relays at Eugene, Oregon, and they downed Central Washington at Bellingham by a score of 48-46.

The frosh swimmers showed promise of fine future teams even though they posted a 3-10 mark. Mitchell described the squad as the "fastest team in the history of the school." They set eight new yearling records and five times would have broken the existing varsity records as well.

# Golf Team

The Vandal Golf Team, with just one returning veteran, posted a 6-6 record in Northern Division action. Coach Dick Snyder's only letterman Robb Smith carried a heavy burden through the campaign. Wally Lowe was a welcome surprise, as he played good steady golf throughout the season. Next year's outlook is bright as Snyder will have the sophomores with a year of experience back. He should also receive help from the fine frosh team which posted a 4-0 season record.

# Tennis

Idaho's Tennis Team showed promise toward the end of the season as Howard Sealey and Terry Winter led the squad to a 3-10 season mark. Coach Bill Logan was happy with Idaho's showing in the Northern Division Championships as the Sealey-Winter doubles team reached the semi-finals before being ousted. The team got yeoman service from Sealey, Larry Durbin, and Dick Styles all of whom have graduated. Returning next year will be Keith Gregory, Winter, and John Ferris.

# Intramurals

Phi Gamma Delta reigns as new intramural champion at Idaho. The Fiji's garnered their championship in the last intramural sport by edging the ATO's in softball. Only 34 points separated the top two teams.

Under the direct guidance of Dr. Leon Green and Clem Parberry intramurals had their best season yet. 1,667 individuals participated in 15 intramural sports and this represented sixty-seven per cent of all men on campus. Weight lifting and skiing were added to the program this year and plans for next year call for the addition of handball and the little "500."

Certainly this program wouldn't have been nearly as effective as it was if it hadn't been for the student directors Ken Cook and Dean Phillips.

Living on campus at the University of Idaho is truly a rewarding experience. The friendships we gain by living in a hall or house at Idaho are cherished forever in the years to come. The living group activities tend to bring all the students at Idaho closer and in so doing becomes a very integral part of the student's life at the University.

During election time, various houses throw open their doors for smokers.

On almost every night there are activities to be found at practically any street corner.

There is nothing more lovely and charming than a newly crowned queen.

A house dance—the ultimate of activities in the house.

Efforts are well rewarded when your living group receives recognition.

# Tau Kappa Epsilon

Highlights in the lives of the TEKES were the Pledge Dance, Le Dance de Apache, Kappa Christmas Party, Carnation Dance. There were four engagements, three pinnings. Bob Plumb elected President of CUP, Ike Griner President of Young Republicans, Robin Emmingham Vice-President of Young Republicans and Vice-President of Young Americans for Freedom. Bill Hill named football player of the year by Arg. Tau Kappa Epsilon is now the largest fraternity in the nation with 185 chapters. TEKES acquired a new mascot appropriately named "TEKE II." The landmark of the TEKE house, the cannon was returned to the front of the house after a "mysterious" disappearance during the first semester. For the TEKES of Alpha Delta it was another successful year.

A bigger house and a brighter future—a Theta Chi dream come true. # Chrisman Hall

Under the able leadership of Rodney Broadie and Jan Istad, Chrisman Hall had a year filled with honors, good times, disappointments, and everything that goes into making a memorable year. Traditions were broken: Chrisman Hall took Fourth Place with its second homecoming float entry in 23 years. The annual "Cloak and Dagger Dance" was again a smashing success, George Evans won the singles table tennis championship, Roy Bowman's "Most Unique" beard garnered a first place at Dad's Day, and the Senior Hall membership was up three . . . TO NINE! Mr. and Mrs. Claude Tate were the Advisor and Hostess for this successful, yet very trying year.

# Editors' Thank You

The Gem of the Mountains office on third floor of the Sub has been a busy place. With editors getting married and having brain operations we were afraid for a while that the 1962 Gem would never get off the ground, but thanks to the fine cooperation and help we received the book is now on its way to press. We sincerely hope that we have done a satisfactory job for you in compiling all the components of our best, and we hope your best, college year. If we attempted to name all the people who helped edit the 1962 Gem the list would be much too long. However, there are a few people, without whose help this year's Gem of the Mountains would not have been possible.

GALE MIX . . . our great middleman . . . the man who helped us make arrangements both with the University and the printers.

ARDEN LITERAL . . . our official photographer who always was there and on time too. He gave more than we asked and we asked a lot.

GLENN SPROUSE, ROY BELL and DON WALKER . . . the rest of our photo crew. Good friends and helpers to have around.

RUDY'S AND HUTCHINSON'S . . . cooperation and patience with a smile both for our staff and you students.

JIM GIPSON and CAXTON PRINTERS . . . our printers who gave encouragement or a push when we needed it.

A FINE STAFF . . . Julie Strickling, Virginia Cope, Ann Yosida and all the others who have put in so much time. We have enjoyed working with you and hope your pride in this book will be a small measure of payment for your help.

DANA ANDREWS and TOM EISENBARTH . . . our special thanks to our two fine assistant editors who stayed with us through all the stress and strain.
