Gem of the Mountain Coloring Book

University of Idaho Library

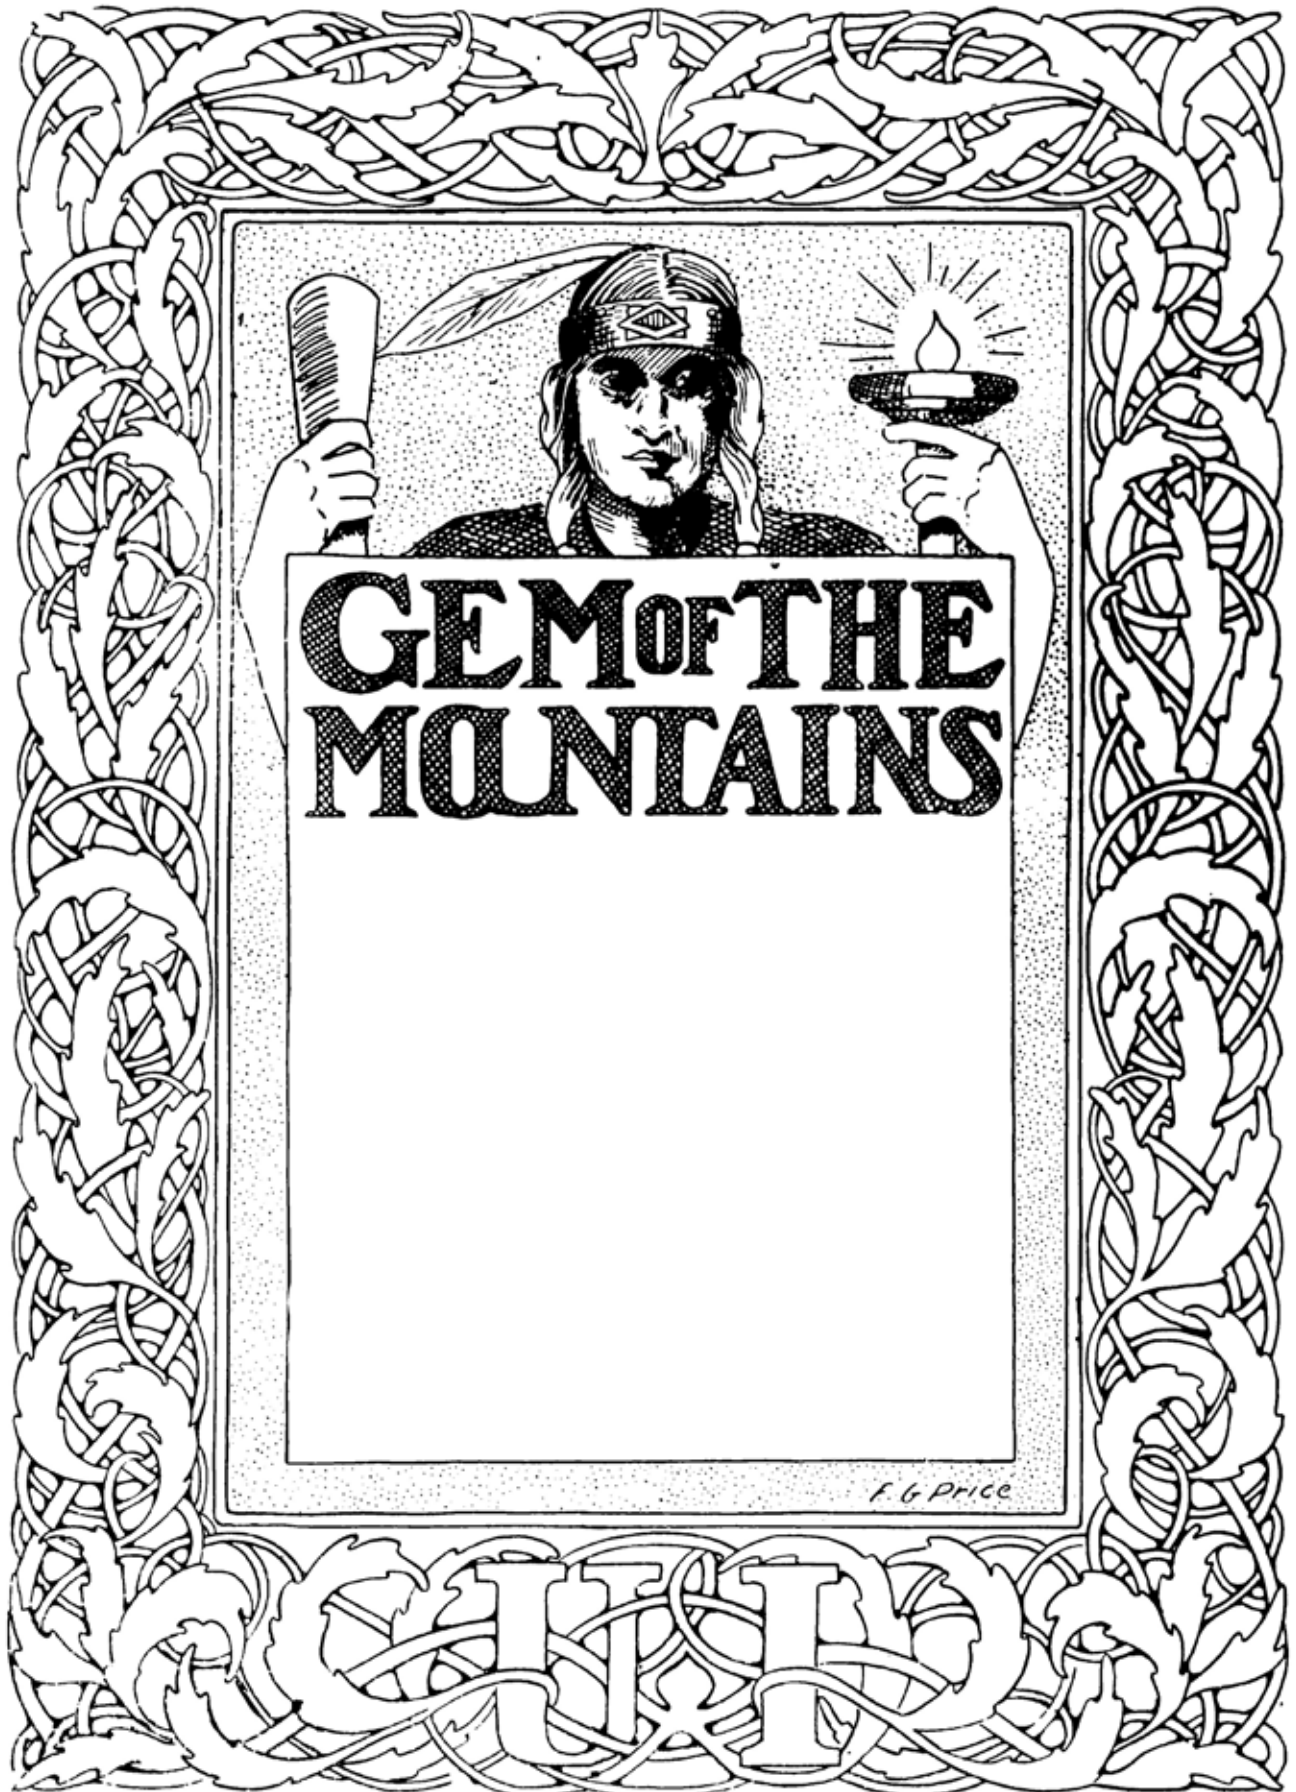

In honor of #ColorOurCollections week February 1-5, 2016 we invite you to get out your crayons and markers to redecorate our collections! We created this coloring book featuring illustrations from early editions of the University of Idaho's yearbook, *The Gem of the Mountains*. The New York Academy of Medicine (NYAM) originated the idea to merge the adult coloring book craze with digital collections, and libraries around the world are joining in. This is a great opportunity to highlight our collections and have some fun!

Go wild and remember to share a picture of your coloring with us @UofILibrary and the hashtag #ColorOurCollections.

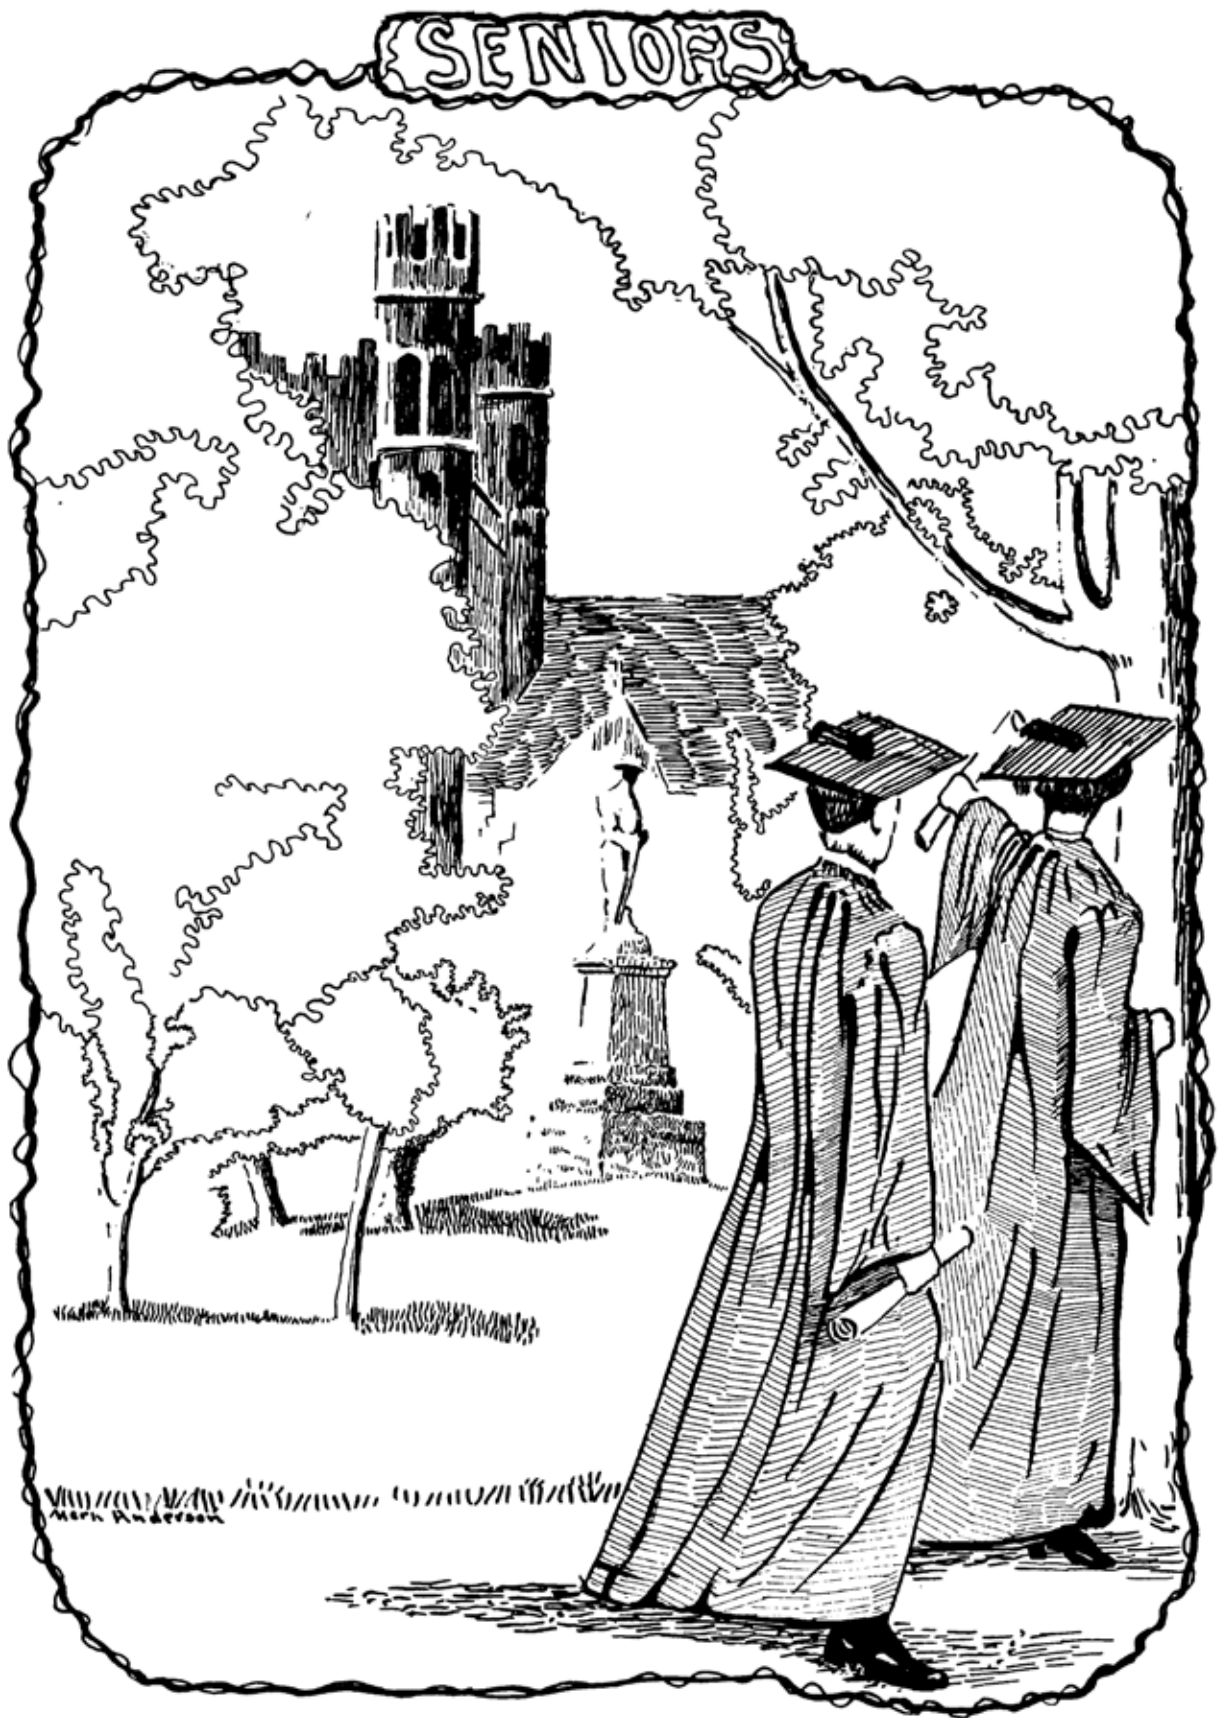

Happy coloring!
