Vol. 51 No. 30

## WOOD GASH ENJOYS TRIP TO CALIFORNIA AND RETURN

Wood Gash, who left Genesee December 6 for Bakersfield, Calif., to visit his daughter, Mrs. J. R. Edgar, and family, returned home December 31. He made the trip to and from California by motor stage, going by way of the California Redwoods route and returning by way of Salt Lake City.

To one who had not made the trip before, Mr. Gash enjoyed his trip, having had various opportunities while at Bakersfield to view the country and note its highly diversified agricultural industry.

He was surprised to note the size and closeness of the giant Redwoods, which in many instances, required bulldozers to hew out portions of the trees that stages would have clearance. He enjoyed seeing the two new bridges at San Francisco, and as the stage on which he was riding crossed the Bay Bridge, a train traveled over the bridge on the same deck, while hundreds of cars were crossing on the second deck.

Bakersfield, with its highly developed agricultural industry, also has nearby it the active and growing oil field, and especially noted is the Elk Hill district where the purest crude oil of any field is being taken from the ground. Noticed especially was the location of wells, many of which were in the hills on high levels while just as many producing wells were in the valley.

Citrus fruits are produced in large quantities in the Bakersfield district, and with the various other agricultural pursuits, including production of livestock on a large scale, there is much activity the year 'round.

Dr. Edgar, son-in-law of Mr. Gash, is a veterinarian in partnership with a Dr. Edwards, and beside their extensive practice they operate a hospital for livestock and pets. Mr. Gash accompanied Dr. Edgar on one trip to a ranch where 900 hogs were being vaccinated, and at another ranch it was pointed out that Dr. Edgar's services were required for 30 days each spring to look over the stock on the one company's holdings.

Naturally the trees attracted the attention of Mr. Gash, especially the less common varieties, such as eucalyptus, palm and Joshua, the latter, which is said to grow in only two places in the world, at Bakersfield and in the Holy Land. The eucalyptus trees which are continually shedding leaves as new ones appear, are said to be attractive to any one. Here and there is to be seen a banana tree, transplanted from the tropics as an ornamental tree. Pepper trees line a number of the boulevards, and occasionally a drive will have as a center a series of these trees.

Another industry of the Bakersfield district is cotton production, with the crop ready for picking during the time Mr. Gash was in California. Orange growing, the care of trees and the handling of the fruit from picking to shipping was interesting to Mr. Gash, who was given a lesson in picking. Told to pick an orange from a tree he elected to simply pluck the orange, but was informed that fruit was clipped from the trees with specially designed shears. Much of the orange crop in the Bakersfield district is tree-ripened.

Leaving Bakersfield Mr. Gash went to Boulder Dam to view the largest producing electrical power plant in the world, and if you are interested in statistics here are some: Boulder dam is the world's highest, 726.4 feet; its crest is 1,244 feet long and at the top is 45 feet wide, with the thickness at the bottom, 660 feet. The total concrete content of the structure is 3,250,000 cubic yards.

Lake Mead is 115 miles long, with a storage capacity of 30,500,000 acre feet, and having a flood-control reserve of 9,500,000 acre feet. The maximum depth is 589 feet, and at the time of Mr. Gash's visit, the lake was filled to within 40 feet of capacity, allowing sufficient water to pour through the spillways to maintain normal flow of the Colorado river below the dam.

Visitors are received at the dam by guides who escort them into an elevator that drops them 500 feet a minute to an entrance where people may witness the generating plant in operation which has a capacity of developing 1,835,000 horsepower. Installation is not as yet complete, but when all generators are in place there will be 15 of the large ones, capable of producing 82,500 kv.-a. each while the two smaller ones will develop power to the extent of 40,000 kv.-a. each. Translated into horsepower, the large generators produce 115,000 and the small ones 55,000 each.

No water is being released through (Continued on Page Four)

## CHICKEN THIEVES ACTIVE

Seventy White Leghorn hens are missing from a rancher's home near Genesee and a number of chickens are missing after a raid on a henhouse within the town limits. Neither party who has suffered the loss expect to take the life of a thief, but if some person happens to show up with a network of fine shot extending from his neck to his ankles with a high concentration of the pellets about the seat of his britches, suspicion as a chicken thief may be justified. The person who will steal chickens today, with poultry at its present price is pictured as a human wearing a size 5 1/2 hat, size 19 collar and would measure pretty low in anyone's estimation.

## WEATHER CONDITIONS FREE WHEAT GROWERS OF ANXIETY

Conditions are exceptionally favorable to wheat growers of central Idaho this winter, and the welcome rains have relieved them of anxiety so far as moisture is concerned. Weatherman Hayden is not so much interested in the amount of precipitation as he is in securing a sufficiency, and as he keeps no records of precipitation, others have ventured to say it is approaching normal for this time of year. There has been some run-off owing to the topsoil having reached a saturation point, but with each additional shower moisture settles deeper to be stored up for the growing season. Fall-sown grains, under favorable weather conditions, continue to grow, especially under a warm sun such as was enjoyed Wednesday when a number of men were seen on the streets in their shirt sleeves and others lingered leisurely in the sun. A heavy rain for the Palouse country fell Tuesday night, and with the warm sun of Wednesday it is believed that all frost on north hillsides has left the soil. Roads are softening up a bit where the rock surfacing is not sufficient and the state highway department has put in force the usual winter load limit.

Livestock feeders too, welcome the favorable weather conditions, especially where cattle are now in feed lots, permitting fattening or wintering on less feed than in ordinary cold seasons. Grass continues to keep green in the canyons and there is feed in pastures at this date.

Grain fields that were seeded under somewhat unfavorable conditions now show up well and are catching up with fields that were seeded at a time to take advantage of the early fall showers. Wheat growers, thus are looking forward to the 1940 harvest somewhat encouraged.

## GENESEE TO KENDRICK

If rivalry enlivens a basketball game the Kendrick gym will be subjected to its supreme test this evening (Friday) when the Bulldogs square off with the Kendrick Tigers. Genesee, despite Culesac's win from Kendrick, consider the Tigers a most worthy foe and will play hard to win. Kendrick this year, has a new coach, Armitage, formerly of Southwick, and he has the nucleus of a good club left over from last year. The younger brother of the coach, outstanding on the Southwick club last season, is now a student at Kendrick but cannot play until the second semester, or until January 12.

The two schools, who meet only in one sport, basketball, actually store up all their spirit of rivalry for the highest standing in the conference.

Kendrick won from Orofino in a non-conference game Tuesday night, 24-26, and Orofino in an early-season game won from Lewiston.

## FARMERS UNION NOTICE

There will be a meeting of the Genesee Farmers Union Local No. 4 at the American Legion hall, at 1:30 p. m., Saturday, January 6, for election of officers for the ensuing year. The treasurer will make his report and plans will be discussed for the Farmers Union day to be observed in Genesee during the month of January.

## Mel Wardrobe to Hospital

Mel Wardrobe was taken suddenly ill Monday and was moved from the Wardrobe home to St. Joseph's hospital in Lewiston the same evening by ambulance where he underwent an operation for appendicitis soon after arriving.

His sister, Miss Mary Wardrobe, who was taken to the hospital December 26, is reported to be in about the same physical condition as when she left Genesee.

## BENEFICIAL MOISTURE IN U. S. CAUSES WHEAT PRICE TO SAG

With the advent of cold weather, winter wheat has become dormant in considerable portions of the belt, says the Dept. of Agriculture. In central and eastern parts of the grain belt the situation has changed but little although moderate, helpful precipitation occurred in most sections. In Missouri from 2 to 5 inches of snow fell, while more or less up to 5 inches fell in portions of the southwest. The snowfall in eastern Colorado and the western half of Kansas and snow or rains in eastern Kansas, furnishing much needed moisture and the general outlook has improved. The increased moisture was decidedly helpful in Oklahoma though some wheat is still not up. In Texas the crop continues in fairly good shape except in some north central localities. In Nebraska helpful snows mostly from 2 to 6 inches occurred in the northeast. Precipitation over the western wheat belt gives increased prospects for survival of plants. In Washington wheat is showing much improvement since recent rains.

Wheat production prospects in the United States for 1940 now indicate that the crop may turn out to be smaller than domestic requirements for the 1940-41 marketing season.

World wheat production is now estimated at 4,252,000,000 bushels, or about 335 million bushels below the record production of 1938. Argentina is harvesting its second smallest crop since 1916, estimated to be 147,000,000 bushels.

## CIVIC CLUB TO MEET

Every member of the Genesee Civic Association is urged to attend a meeting of the organization Wednesday evening, January 10 at Helen's Cafe where dinner will be served at 6:30 o'clock. A good representation is desired as the Association has invited members of the Farmers Union Local who are handling arrangements for the all-day celebration to be staged by the Union in Genesee some time this month.

The Association will also make plans to entertain the county chamber of commerce at Genesee, Wednesday, January 24.

## Return from Los Angeles

Mr. and Mrs. Wayne Roach returned Sunday morning from Los Angeles, Calif., after an absence of six weeks, four of which were devoted to a course of diesel engineering by Mr. Roach at the Anderson school.

Leaving Genesee they traveled thru central Oregon and California and returning they came by the coast route, turning east at Biggs, Ore.

Former Genesee people with whom they visited were Mrs. John McDermott, formerly Miss Helen Griener, and with George Griener in Los Angeles and Mrs. W. A. Blanck, formerly Miss Inez Mayer, at San Francisco. At the latter place they also visited with Edgar Gesellchen. This was their first visit to California and they said they enjoyed the climate which prevailed all during their stay. They were so anxious to return home, however, they traveled night and day.

## Walter Rosenau to California

Walter Rosenau left Wednesday morning for Santa Ana, Calif., to spend the winter, expecting to return home in March. He is making the trip by car and will travel via Bend and Klamath Falls, with weather conditions to determine whether he will motor through central California or take the coast route to avoid snow. While away, Mr. and Mrs. Oliver McGuire of Lewiston will look after the Rosenau farm.

Mr. Rosenau will visit his sister, Mrs. Elfrieda Swartz and two daughters and with Mrs. Juanita Alexander, a niece, and family and with friends at Santa Ana and Orange. Mr. Swartz passed away December 23, and is survived by his widow and two daughters, Misses Erma and Luella Swartz.

This will be the eighth winter spent in California by Mr. Rosenau, and it was his home for seven years.

## Weippe H. S. Boys Injured

Orofino Tribune: While returning from a basketball game played at Ferdinand Friday night (Dec. 22) a group of eight Weippe school students skidded on the icy road and ran off the grade about 8 miles this side of Nezperce at 1 a. m. Saturday, overturning the car and injuring several occupants. The three most seriously injured were brought to the Orofino hospital. They were Neil Dennison, the driver, who suffered a fractured collar bone; Blanche Teed, with severe lacerations of the head, and Leo Teed with a serious skull fracture.

## SEVENTH STREET GROCERS HUMBLBY G. A. A. C. FIVE

Genesee Amateur Athletic club and the Seventh Street Grocers of Clarkston went into an over-time period to decide their basketball game on the new high school gym floor here last Thursday evening, when the Genesee club made the only points, two, in the extra five minutes. Dresher took a slant at the basket and looped the ball in from a few feet in front of the foul line. The Grocers, winners of a previous tilt with the G. A. A. C., were anything but masters in the extra period, and with one foul called on Genesee, they took the ball out of bounds rather than give the ball over to Genesee on a successful try from the foul line. Smylie and Wishard played like demons in the over time to get the ball, which but few times was in the Grocers' hands. Fans who witnessed the game saw about the best brand of basketball in the extra session that can be played.

Genesee led off in the scoring by taking an early 8-2 advantage, but at the quarter the Grocers were even, to lead at the half 20-21 and kept up the pace until the fourth quarter when Genesee broke away from the handicap of a 31-27 score to even it up 40-40 as the regular game ended.

Genesee was more accurate from the foul line than the Clarkston club, and hit the basket 12 times out of 26, compared to 4 for 13 by the Grocers. Smylie was high point man on the floor with 17 and Lueschel led his club with 12 points. Smylie took practically all of his shots from far out. Every man on the Genesee squad entered the game, although but one fouled out, Blume. Clarkston lost Allen, Jones and Oylear on fouls and called on one man not in uniform during the first three periods to suit up, but he did not see action.

Playing and scoring for Genesee were Broemelting, 3; Edwards, 3; Smylie, 17; Blume, 1; Dresher, 7; Wishard, 4, and Thiesen, 7. For the Grocers, Lucy, 11; Lueschel, 12; Allen, 4; Williams, 2; Jones, 2; Currin, 4; Oylear, 5, and French, 0.

## Good Club Here Tonight

This evening (Thursday) the Genesee A. A. C. will meet the fast Inland Motor Freight team of Moscow, champions team of the interstate basketball tournament held in Spokane last season. The local amateur club has lost one game to the Freighters by a close score, and indications point to an interesting and exciting game here. The G. A. A. C. players have been coming along fast in recent games, and their style of play will please.

## WEATHEROLOGY

"We notice many of our scientists explain how the faults in the earth's crust give away and cause earthquakes. But this does not explain why the quakes in many parts of the entire globe happen at the same hour. Earthquake seasons follow from one to two years after a maximum of sun spots. Magnetic storms for the last 100 years also showed a noticeable increase at a minimum sun spot period. From the beginning of the Christian Era we find tree rings are thicker in every sun spot maximum.

"So, while we still have the great 'First Cause' high in the sky we must note a new prophet on earthquakes in the news, Mr. Edgar C. Thrupp of Vancouver, B. C., who has a 'new law of gravitation.' (Without sun spots there would be no gravity. Of course he wouldn't know that.)

"Anyway he said: 'July 20 to August 5 and October 20 to November 10 will be two periods to bring terrific quakes for 1940.'

"Now, I have good reasons for saying that the last week in February and the first week in March, or February 23 to March 5, 1940, will just about break all-time records of the world for earthquakes. And if quakes do not come electric storms and wind will make us quake. Anyway, a shake is due at this time.

"All scientists agree that the sun is the mainspring of all life and energy, and if destroyed would be instantly replaced with another from the great milky way which is a storehouse of two billion more suns of the same substance as our sun. So we are guaranteed sunshine for next summer regardless of Hitler and earthquakes.

"Next week will not be good weather. What winter we will have will be around January 25, and zero with snow plows operating is not impossible."

Lester C. Hayden.

## American Legion Auxiliary

A regular meeting of the American Legion Auxiliary will be held Friday, January 5, beginning at 2 o'clock.

## SUMMONED TO SEATTLE

Mr. and Mrs. Martin Liberg and Mr. and Mrs. John Liberg left at 2 o'clock Wednesday morning for Seattle in response to word that the husband of the sister of the two ladies, J. F. Allison, of Seattle, had passed away Tuesday afternoon. His death was sudden, supposedly an heart attack, although no information was received here. The deceased is survived by his wife and three children.

Ernest Peterson is at the home of Mr. and Mrs. Martin Liberg during their absence. Jack Liberg is with his grandmother, Mrs. McMillan, and Ray Edwards is taking John Liberg's place at the Pastime.

## MRS. WALTER TAYLOR, WIFE OF COUNTY ASSESSOR, DIES

Mr. and Mrs. Sam Lange, Mrs. J. P. Wedin and R. E. Emmett were in Moscow Tuesday afternoon to attend funeral services for an aunt of Mrs. Lange, the late Mrs. Walter Q. Taylor, 56, wife of County Assessor Taylor, who died late Sunday afternoon at her home in Moscow following an illness of several weeks caused by a heart ailment. Funeral services were held from the Short chapel with Rev. Owen J. Beadles of the Methodist church officiating.

Norna Carlton was born April, 1883 at Colorado Springs, Colo., as her parents were crossing the continent with an immigrant train of wagons. They came directly to Idaho where her father homesteaded near Kendrick on American Ridge. She graduated from Lewiston Normal and taught school in Latah county for many years. She married Mr. Taylor in 1902.

Mrs. Taylor was prominent in church and social circles, and was president of the Moscow Historical club during 1937 and 1938. She was an active member of the Methodist church and a teacher in the Sunday school. She was a member of Star Rebekah lodge and for many years was an Eastern Star. She published several books of poems.

## RED HEADS ANSWER

Lee Emmett, manager of the Genesee Amateur Athletic club received a letter Wednesday from Olsen's Red Heads apologizing for failure to answer his letter of December 7, when he started correspondence in an attempt to bring the traveling girls' basketball team to Genesee to play the Genesee A. A. C. basketball team. The girls, who travel to all corners of the United States play against any men's amateur teams, and those who have witnessed their playing believe the attraction would meet with popular approval at Genesee.

Emmett's letter, the letter in answer stated, was buried in an avalanche of inquiries seeking playing dates, and further stated that several dates for basketball were available to the Genesee club. It was suggested that the girls' team play here January 17, but other dates would fit in better with their schedule. Having a number of games in the Inland Empire the Red Heads asked consideration of a Sunday night game, but the G. A. A. C. manager will confer with the Athletic club before definitely scheduling a game.

## Pansies for New Year's Day

Several beautifully colored pansies were picked by Ed Taylor December 30 at the Weber ranch three miles west of Genesee where Mr. and Mrs. Taylor reside. Set out two years ago the plants have been unusually thrifty and although on the north side of the house, they lived through the chilly weather of a week ago when the mercury dropped to around 24 above. Mr. Taylor did not hesitate to pick the flowers, as earwigs, which have not sought shelter for the winter, relish the tender pansy petals.

## Parents of Daughter

Mr. and Mrs. Markie Springer are the parents of a daughter born Saturday, December 23, at their home here. The baby has been named Carol Lynn.

We understand that Dr. Allen Roy Dafee is now advisory editor of Parents' Magazine. It is still too early for anyone but Winchell to predict how this will affect the 1940 census.

## BULLDOGS TAME BENGALS IN THEIR OWN LAIR 31 TO 21

Genesee's Bulldogs who can check closer than a Scotchman will his bank account prior to an impending bank holiday, discreetly invaded the Lewiston high school Bengals' lair, and walked off with a 31-21 basketball victory which was neatly earned by the superb shooting of Vic Armstrong, who sunk eight field goals and a free throw for a total of 17 points, and by the fine ball handling of his team mates. The game was played Tuesday evening on the Lewiston high school gym court.

Coach Ben Cook, who is wearing a new double-breasted suit to screen any chest-heaving that might happen to a successful basketball mentor, saw his charges get away to slow start to pull up at the quarter with Lewiston leading by a score of 8 to 4. The Bulldogs drew first blood, however, when Springer stepped to the foul line to drop in a one-pointer, and then was followed by Armstrong who pitched one in for a single point. The Bengals drew up even on a field goal, and rang up another field basket, and then another before Genesee sunk another shot from the floor. As the quarter neared its end Lewiston scored two more points.

Examining the blue and yellow-striped pelts of the Bengals in the initial period, the Bulldogs lost interest in anything but a win and quickly pulled abreast the Lewiston club in the second quarter, scoring 11 points to 5 for Lewiston, and as the closing seconds of the first half were ticking off, the Bulldogs held the ball, and showed the Bengals how to pass a basketball. Armstrong hit the hoop four times, and Moore and Pederson each scored a field basket, and foul shot were made by Armstrong, Hoffman and Springer.

In a desperate effort to strangle the Bulldogs Coach Brannom of the Lewiston high school club, sent in replacements freely, hoping to find a combination that might break through the Bulldog shifting zone defense and at the same time hold off the Genesee players. The Bengals scored 8 points in the second half, three shots from the floor and two free throws, compared to four field goals by Armstrong, one by Hoffman and one by Springer, the latter also sinking two foul shots, and Moore and Pederson each scoring once from the free-throw line.

Using their flashy gold and cardinal complete uniforms for the first time the Bulldogs' actually made the Bengals' yellow stripes resembles prison bars as they broke up any offensive tactics contemplated and imprisoned practically every player who tried to take a shot at the basket.

Coach Cook started Armstrong, Hoffman, Springer, Moore and Pederson and held them on the firing line until Hoffman and Moore left the game with the legal limit of four personal fouls called by Referee Lefty Mitchell, who, by the way, permitted the boys to exercise more bodily contact than in games played by the Bulldogs thus far this season. Hoffman left the game with about four minutes remaining in the last quarter and Bud Moore withdrew from the conflict with three minutes to go. B. Herman replaced Hoffman and B. Emerson went in for Moore, and continued the blinding passing attack set up in the last quarter. The Bulldogs, with the score 31-17 was trying desperately to double the score, and Lewiston, trailing by 14 points shot from everywhere, with two long looping heaves dropping through the hoop. The Bulldogs, after taking the ball out of bounds under the Lewiston basket in the final seconds of play, passed the ball so fast going down-court that the Bengals were actually dodging the ball as it shot from one Bulldog to another.

Keiper was high-point man for the Bengals, looping two long shots from far out directly in front of the basket, and basketed another in the last half. Williams and Braddock each scored four points, while Sweet hit the basket once from the foul line, Pratt scored from the floor once, as did Smith, and White and J. White each scored once from the foul line. Other players for Lewiston were Miller, Ulrich, Moore, Smith, Sanders and Brower.

Armstrong for Genesee was high-point man of the game, with 17; Hoffman made 3, Springer 5, Moore 3 and Pederson 3. The Bulldogs were deadly on their free throws, converting 7 out of 11, while the Bengals were successful on 3 out of 14.

Bee Team Loses 20 to 25

Morscheck, a former Genesee youth, now living in Lewiston, scored ten (Continued on Page Four)

### GENESSEE VALLEY NEWS

Genessee Valley Ladies Aid held its annual Christmas party Thursday, December 28, with 35 members and guests present. The program was in charge of Mrs. J. P. Wedin who had several children give a Christmas pageant. Singing by Misses Bonnie and Maxine Lange and several Christmas hymns by the audience, and a gift exchange were enjoyed. Gifts were distributed by Mrs. Anderson, Jr., who was dressed as a little "pixie," after which several games and contests were held. A no-host lunch was served at the close of the afternoon.

Genessee Valley Luther League enjoyed a Christmas party Friday evening at the Parish hall, with a program and entertainment. Miss Inger Hove showed slide pictures of her trip to the two fairs which were much enjoyed. A no-host lunch was served to about 45 persons.

Mrs. Ed Strate left Sunday for Everett, Wash., to attend funeral services for Mrs. I. Larson, who passed away Friday morning. Mrs. Larson formerly lived in Genessee Valley and is an aunt of Mrs. Strate. Mrs. Strate will visit her mother and sisters at Benton City before returning home. Miss Inger Hove returned Saturday to Bonners Ferry to resume her school duties Tuesday.

### MEDAL ASKED FOR PULLMAN MAN WHO SAVED MAN'S LIFE

A medal for lifesaving has been asked of the Edison Electrical Institute for Axel Melander, Pullman fire chief and Washington Water Power company line foreman.

On October 13, Melander and another lineman named Dennis Robertson, were working on low voltage lines near Colton, raising the lines so that a house could be moved up the highway beneath them.

In some unaccountable manner, Robertson's head came in contact with a 6900-volt line while he held the low voltage lines in his hands. The man's body acted as a conductor for the full 6900 volts, and he fell from the crossarm to the ground, 30 feet below, his fall broken only by his safety belt.

Melander, working on the ground, saw Robertson fall and rushed to his side. Robertson's heart action and breathing had completely stopped, and he was in a state of extreme electrical shock.

Quickly putting into practice the life saving methods he had learned in company classes, Melander applied artificial respiration to Robertson, and after a considerable period he was rewarded by the resumption of natural breathing and heart action in the victim.

Robertson, who has completely recovered from his accident, is the father of three children. He has been an employee of the Washington Water Power company since 1935, and Melander has been line foreman at Pullman since 1919.

Officials of the company have been giving high praise to Melander's cool-headedness in the face of an emergency, and the recommendation for the life saving medal is almost certain to bring the award to him.

### Bridge Dinner

Dr. and Mrs. N. M. Leavitt entertained for dinner and bridge Saturday evening. Mr. and Mrs. Ray Hall of Pullman, Mrs. George Cuddington of Portland, Mr. and Mrs. Robert Berger, Mr. and Mrs. Kenneth Dean, Mr. and Mrs. John Luedke, Mr. and Mrs. Jess Johnson, Mr. and Mrs. David Kuehl, Mr. and Mrs. Phil Enders, Dr. and Mrs. A. J. White, Mr. and Mrs. Ed Bergman, Mr. and Mrs. Fred Judd, Mr. and Mrs. John Black and Mr. and Mrs. Elvon Hampton. High score awards for the ladies were won by Mrs. Berger and Mrs. Black and high score awards for the men went to Mr. Judd and Mr. Bergman.

# Farm Loans...

This bank makes 5 to 10 year mortgages on productive farm lands. Attractive are the terms, and low interest rates merit comparison. You are invited to discuss banking problems here.

## Genessee Branch First National Bank of Lewiston Genessee, Idaho

(Member Federal Deposit Insurance Corporation)

Mrs. and Mrs. Allen Sather and boys spent Sunday afternoon at Jim Archibald's.

Fred Tesch and grandson, Harold Tesch, visited from Sunday until Monday at Fred Hove's.

Mr. and Mrs. Oscar Danielson entertained for dinner New Year's day. Mr. and Mrs. Einar Johnson and Mr. and Mrs. John Eikum and family.

Mr. and Mrs. Fred Hove and Dolores spent Wednesday evening at H. Isaksen's.

Some of the Genessee Valley homes were visited by "Julebuds" last Thursday evening, reviving the Christmas of some 20 years ago when "Julebuds" were expected to visit all homes.

Mrs. Annie Danielson spent Wednesday afternoon with Mrs. Julia Smith in Moscow.

Mr. and Mrs. J. P. Wedin were dinner guests of Mr. and Mrs. Chas. Odberg New Year's day.

Mr. and Mrs. Sam Lange and Mrs. Wedin attended funeral services for Mrs. Walter Taylor in Moscow Tuesday afternoon. Mrs. Taylor is an aunt of Mrs. Lange.

Lawrence, Raymond and Irene Isaksen spent Friday afternoon at the J. Eikum home.

Mrs. Annie Danielson and Vic and Clarence Danielson were New Year's day guests of Mr. and Mrs. N. Bakken.

Bill Burr and Norman Westberg were week end visitors at the J. P. Wedin home.

Mr. and Mrs. Ralph McBride and baby were guests of Mr. and Mrs. Wm. Hove New Year's day.

Mrs. Lilly Larson and Elmo Larson spent Tuesday afternoon with Mr. and Mrs. Lee Danielson. Mrs. Bell Hanson and Mrs. L. Flameo also visited the Danielson home in the afternoon.

Mrs. Lilly Larson and Elmo had as guests for a watch party New Year's eve, Mr. and Mrs. Clarence Johnson, Mr. and Mrs. Joe Olson, Mr. and Mrs. O. Nordby and Rev. and Mrs. Valdey, all of Moscow and Mr. and Mrs. R. E. Nordby and Rowena and David Nordby. A social evening with refreshments was enjoyed.

Mr. and Mrs. L. Klaus and Mr.

Klaus' mother, all of Lewiston, were Sunday dinner guests of Mrs. Scheele and Mrs. Paula Peterson.

The Blue Bird club met Wednesday with Mrs. Art Hove for the annual business meeting when officers were elected as follows: Mrs. Colin Wilson, president; Mrs. Oliver Woodley, vice president; Mrs. Lee Danielson, secretary; Mrs. O. V. Johnson, treasurer, and Mrs. Fred Hove, historian.

After the business meeting refreshments were served. The next meeting will be with Mrs. W. O. Borgen, on January 24.

Miss Virginia Vieira of Moscow spent Wednesday evening with Miss Elaine Hove.

Mr. and Mrs. R. E. Nordby entertained for dinner Friday, Mr. and Mrs. B. P. Luvasa, Mr. and Mrs. R. Burr and Mrs. E. Kroll.

Mr. and Mrs. Art Hove, Elaine and Clarence Rae visited with Mr. and Mrs. Guy Brown in Moscow Wednesday evening.

Dated at Troy, Idaho, this 18th day of December, 1939.  
28-30 H. Paulson, Secretary.

Notice is hereby given that the Annual Meeting of the Latah County Farmers Mutual Fire Insurance Company will be held at the company's office in the Duffie Building in Troy, Idaho, on Tuesday, the 9th day of January, 1940, at 1:00 o'clock p. m. for the purpose of electing three directors for a term of three years, and for the transaction of such other business as may come before the meeting.

Notice is hereby given that the annual stockholders' meeting of the Latah-Idaho Oil & Gas Company, will be held at the office of said company, in the City of Genessee, county of Latah, State of Idaho, on Monday, the 8th day of January, 1940, at 2 o'clock p. m. on said day.

The business to be transacted at said meeting will be the election of Three (3) Directors of said corporation for the ensuing two years, and considering and acting on such other business that may properly come before said meeting.

Dated this 18th day of December, 1939.  
W. W. Burr, Secretary.  
Genessee, Idaho.

House-Warming Party  
Mr. and Mrs. Harold Hayward were given a surprise housewarming party Friday evening by Mr. and Mrs. John K. and Mrs. Harry Schooler, Mr. and Mrs. James Magee, Mr. and Mrs. Fred Hove, Mr. and Mrs. John Black and Mr. and Mrs. E. D. Pederson. A no-host supper was served at 7 o'clock after which Mr. and Mrs. Hayward were presented a gift for their home.

During the evening pinocchio was played with high award for the ladies going to Mrs. Hove and high award for the men to Art Tegland.

U. OF I. NEWS FLASHES

University of Idaho: Carl Thiesens, Genesee, was one of the 34 University of Idaho freshman football players who qualified for national awards during the past season.

This year's freshman team, rated by many as the strongest Idaho has had in many years, defeated Lewiston Normal and Gonzaga University's freshman, and lost a hair-raiser to the Washington State frosh in the final game of the season at Pullman.

Thiesens played fullback. Not particularly impressive early in the fall, he improved to the point where he was alternating with Bill Michlich, Milwaukee ace, in the final weeks of the season. All that he needs to make him a great back is polish, which comes with practice and experience. He has everything it takes . . . size, speed, drive and ability to think fast.

Hubert Reisenauer, junior in the college of agriculture, recently was pledged by Alpha Zeta, national honor organization for qualified agricultural fraternity.

Bob Rieke, senior in the college of letters and science, is a member of Idaho's latest honorary organization, Alpha Theta Delta, national thoughts and discussion fraternity. Members of this group are said to have some hot arguments on the world's more serious problems.

Bueletta Nordby, Rowena Nordby and Marie Connick, all of Genesee, were among representatives of the Idaho chapter of the Lutheran Student's Association of America at last week's convention in Portland.

If You Want a Harem If the chain letter nuisance has struck your town again (the outbreak of the war in Europe seems to have revived it in some places) here's a suggestion from the official publication of the Fort Smith, Ark., Rotary club:

"This chain was started in Reno in the hope of bringing happiness to all. Unlike most chains, this one does not cost you any money. Send a copy of this letter to five male friends, then bundle up your wife and send her to the person who heads the list. When your name works up to the top of the list, you will receive 15,175 women. Have faith! Do not let the chain break! Let the good work go on."

Entered at the Postoffice at Genesee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher

PUBLIC SCHOOL NEWS

Fifth Grade

We have finished building a city from cardboard, which we call Healthville. Each of us made some vegetables, fruits or other foods in houses, stores and people. Some of the stores are: The Bakery, a cake; the meat shop, a fish; a potato house; a milk bottle in the town hall; a box of cereal in a store. Some of the people in the streets are: Carry carrot, Tommy Tomato, Johnny Cabbage Head, Annie Apple, Polly Pear, Benny Banana and Alice Apple.

Because many good vegetables, fruits and other foods which make our bodies strong are found in Healthville we think it would be a good city in our town.

LaVene Gilbertson is absent from school with illness.

Each child brought a toy to school one day to show other children.

Dinner for Nephews

Mr. and Mrs. S. U. Lough entertained for relatives on New Year's day, in honor of the visit here by their nephew, A. L. McKenzie, and wife of San Diego, Calif. The three other nephews present were Percy McKenzie and wife and Ansil McKenzie and wife of Lewiston, and Raymond G. Snider and wife and daughters of Moscow. The holiday motif was used in table decorations with red candles and place cards.

Congregational Ladies Aid

The Congregational Ladies Aid will be entertained Wednesday afternoon, January 10, by Miss Esther Martinson and Mrs. S. U. Lough at the Martinson home. Mrs. Ed Fox and Mrs. Jess Huntley are in charge of the program.

Church Services

Sunday school at 10 o'clock. Church services at 11 o'clock. Sermon topic, "An Effective Church."

Aid meeting at the home of Miss Esther Martinson, Wednesday, January 10.

Installation of Senior Endeavor officers Sunday evening.

Bring All These

A Negro preacher walked into the office of a newspaper editor and said: "Istah Edith, dey is forty-three in my country, subscribe 'em."

"Sit down and write it out," invited the editor.

And this is the notice the parson put in: "Mount Memorial Baptist Church. The Rev. John Walker, pastor, preaching morning and evening in the promulgation of the Gospel. Three books is necessary, the Bible, the hymn book and the pocket book. Come tomorrow and bring all three." Russel Co. Banner, Ky.

PUBLIC CARD PARTY

The second in a series of public card parties will be held Sunday evening, January 7, at the K. C. hall, beginning at 8 o'clock. Lunch will be served and prizes awarded. Admission: 25c.

BULLDOGS TAME BENGALS IN THEIR OWN LAIR 31 TO 32

(Continued from Page One)

points to make the Lewiston second team hard to catch by the Genesee reserves. Outscored in the first half by Lewiston, 10-5, Genesee came back in the second half to score as often as their opponents, 15 points, but the 5-point lead of the Bengal Kittens was good for a win. Scharnhorst for Genesee led his club with 7 points, D. Huffman scored 4 points, Abraham 5, Flomer 3, and Gray 1, and no points were made by J. Black, Hasfurther, Baumgartner, Hoffman, Bershaw, Wishard or Herman.

Genesee's reserve team is moving ahead rapidly with their form showing marked improvement in the past few weeks, and lack no fire or enthusiasm. All boys on the roster entered the game.

Genesee well represented at the games, with an extra bus taking more than 40 students and others making the trip through the fog in private cars.

WOOD GASH ENJOYS TRIP TO CALIFORNIA AND RETURN

(Continued from Page One)

the huge penstocks as yet, Mr. Gash said, but when the lake is filled and water is to be freed, the stream of water will leap 150 feet through space before taking its downward movement. Water is being utilized for power that goes through one of the diversion tunnels excavated when the dam was under construction, and is controlled through a 30-foot flume. Sections of this huge flume are held together by rivets, each of which are said to weigh 15 pounds each. Two of these tunnels were dug to divert the water, each of which is three-fourths of a mile long.

The two spillways of Boulder dam release 200,000 cubic feet of water per second. Six and a half million cubic yards of rock and dirt were excavated for the dam, and in the huge cavity went 90,000,000 pounds of steel and other metals, 33,000,000 pounds of valves, gates and hoists, 89,000,000 pounds of steel went into the penstocks and a total of 4,360,000 cubic yards of concrete. Railroad cars that approach the dam are transferred from rail to six huge cranes forming a hoist to raise or lower the cars the depth of the dam on the down-river side.

Several hours were spent in Salt Lake City by Mr. Gash where he was privileged to hear an organ recital by Dr. Frank Asper, outstanding musician and leader of the pipe organ. The instrument at the L. D. S. tabernacle where the music was heard, is outstanding in the world, there are 14 separate keyboards and 100 stops to be operated by the player. Dr. Asper is heard each Sunday morning over the Salt Lake City radio station.

Snow which fell in Utah during the last week in December to a depth of eight inches, was melting and caused some delay on highways. The stage on which Mr. Gash arrived in Lewiston Saturday was somewhat over 8 hours behind schedule owing to an accident on the highway southeast of Baker, and by road conditions. The stage on which he was riding collided with a passenger car that had skidded crosswise of the highway, and while none in the stage was injured considerable time was required for investigation. A lady driving the car.

Ray Scouts Entertain

Members of the Genesee Boy Scout Troop entertained friends at a party Friday evening at the K. P. hall from 7 until 9. Ben Cook, assistant Scoutmaster, supervised games, after which he assisted the boys in serving lunch to their guests.

Early to bed and early to rise, Is the motto of old John Hamley. It's not made him wealthy, nor healthy, or wise, But it gets him away from his family.

LATAH CO. AAA OFFICERS ASSUME ADMINISTRATION

Members of the 1940 Latah County Agricultural Conservation Committee this week assumed administration of AAA farm program activities. The committee will hold office during 1940 is composed of H. F. Koster, chairman, Clarence Brabb, Genesee, vice chairman, and Clarence Jensen, Farmington, member. All are operating farms in Latah county, and were elected to the committee in elections held last October. Clarence Jensen is the newly elected committee man, taking the place of J. Ralph Naylor, Moscow, retired committee man and 1939 committee chairman.

"The farm program in Latah county has grown rapidly in the past few years, until now nearly all farmers in the county participate," said H. F. Koster, 1940 chairman.

"Each participating farmer studies provisions of the farm program each year before he begins his seasonal work. He cooperates with his neighbors and all other farmers in the nation through a system of allotments which stabilizes production at marketable levels. He includes in his farm plan the practices which will improve fertility on his farm."

First task of the 1940 AAA committee will be to organize a system for contacting all farmers in the county to help them work out their "farm plan sheets." Community committees, elected when the county committee was selected last fall, will aid in the plan sheet work. Schedules for plan sheet meetings to be held in the various communities will be announced in the papers, at a later date.

Farmers in Latah county who cooperate with the 1940 program will be joining a nation-wide movement toward greater conservation of soil resources, it is pointed out. It is said: "We have ruined 100,000,000 acres of cropland in the United States already, or one-fourth of the area on which we produce crops. Now it is to the best interests of the entire nation, as well as the farmers, to conserve our crop land, our grazing land, and the forests which grow on our farms."

"American agriculture plowed itself into a predicament during the last war when we turned under the soil of 40,000,000 acres that should have been left in grass. Nations in Europe are fighting for land they do not have. We must fight to keep what we do have."

Mr. Koster urged that dry-land farmers in Latah county redouble their efforts to protect soil against wind and water erosion during the coming year.

"The farm program makes it possible for farmers to use practices which are soil conserving by helping out with the expense. The practices for which benefit payments are made include:

Strip-cropping, in which close-grown crops are alternated in strips with inter-tilled, or row crops to prevent wind erosion.

Planting of grain crops on the contour when ground is sloping, to control sheet erosion.

Planting of inter-tilled crops on the contour to provide better spread of moisture and to check down-hill erosion.

Traashy fallowing, in which stubble and straw are incorporated into the surface soil to bind the soil and keep it from blowing.

Planting, protecting and improving stands of forest trees. Farmers may earn up to \$30 on their farms over and above all other farm program payments by planting forest trees.

Seeding of perennial grasses such as crested wheat grass, slender wheatgrass, a western wheat grass, straw-berry, clover, or mixtures of two or more of these crops.

Green manuring of annual or biennial legumes.

Controlling noxious weeds by clean cultivation or chemical methods.

Koster said that only approved conservation practices which are beneficial on any particular farm will be considered by the county committee for payment. He advised farmers to discuss their conservation problems with a member of their county or community committees before launching a soil-building program for their farms.

Nez Perce Jury List

Two hundred fifty Nez Perce county residents names were drawn for jury duty in district court for 1940. Among the names drawn were Pete Wagner, Cornelius Sweeney, Lew J. Ain, A. Carburn, Joe Schluter, W. H. Mervyn, J. P. Hermann, Wilson Archibald, William Dresner, Pete Zenger, Bartle Weber and Geo. Res. Names of Rimrock precinct, and Ben Jain of Lenore.

Members of the Genesee Boy Scout Troop entertained friends at a party Friday evening at the K. P. hall from 7 until 9. Ben Cook, assistant Scoutmaster, supervised games, after which he assisted the boys in serving lunch to their guests.

**Would Appreciate Return of Cat**  
Carol Jean Morscheck, convalescing at the home of her parents, and making occasional trips to Lewiston to receive treatment after a silver plate was placed on a broken leg bone near the hip, sustained when a horse fell with her a number of weeks ago, would welcome the return of her favored pet, "Snootie," a large yellow Persian. It has been gone about four weeks and if anyone knows of its whereabouts that it might be returned.

**D. O. K. K. CEREMONIAL AT POMEROY TO DRAW MANY**

Knights of Pythias, at a regular meeting held Tuesday evening completed arrangements for a trip to Pomeroy Saturday night to attend the D. O. K. K. ceremonial. This is the first time the D. O. K. K. has held a ceremonial at Pomeroy for many years, but plans laid, have shown sufficient progress at this date to warrant a highly successful meeting.

Word was received by Temple Deputy A. E. Mayer Tuesday stating that Past Imperial Prince J. M. Lampert of Boise, with four others, will attend. Also to attend will be the patrol team from Yakima, the drill team from Spokane, and Clint Morgan, Spokane, grand champion Mokannah. Practically every Knight of Pythias lodge in north Idaho and east Washington will be represented. Since the royal visit of Omar Alkayami Temple, E. S. Suenkel, is a member of Star Lodge, Genesee, members here expect to be well to the front in representation. All those intending to make the trip to Pomeroy are asked to leave word at the Ford garage not later than 4 o'clock Saturday, so as to be sure of transportation.

**Social Evening Planned**

At Tuesday evening's K. P. meeting it was decided to set aside the last Tuesday of this month, January 30, as a social evening for all Knights of Pythias, Pythian Sisters and their families. A committee has been appointed for the meeting who urge those planning to attend to mark their calendars.

For next Tuesday evening Chief Ed Vanouck has promised a chef de table when the newly-installed chancellor is expecting a good attendance.

**GENESSEE VALLEY NEWS**

Members of the Sleepy Hollow Power company were entertained Friday evening at the Smith school. The time was spent socially with cards and dancing. A short skit entitled "Modern Miracle in Surgery" was presented by Mrs. J. P. Wedin, Kermit Hove and Roy Webb. Mr. and Mrs. Parsons and Mr. and Mrs. Harry England were hosts for the evening and served lunch at the conclusion. Prizes were awarded for high scorers at cards.

Clarice Rae Hove attended a birthday party Sunday afternoon at the home of Mrs. Ed Martin in Moscow for Fritzie Swartshoimer.

Mr. and Mrs. J. P. Wedin were pleasantly surprised Sunday evening when a number of neighbors came to spend a social evening. Progressive pinocle was played at four tables with prizes going to Mrs. Joe Anderson and Mrs. Hove. High and consolation to Nels Lande and Mrs. Wedin. A traveling prize was won by Mrs. Lande and Art Tegland. Present were Mr. and Mrs. Sam Lange, Mr. and Mrs. Chas. Odenborg, Mr. and Mrs. Art Tegland, Mr. and Mrs. J. P. Anderson, Mr. and Mrs. Nels Lande, Mr. and Mrs. Fred Hove, Mr. and Mrs. Art Hove and Dolores and Clarice Rae Hove. A no-host lunch was served.

Mr. and Mrs. Wm. Gibler of Kamiah visited Saturday night and Sunday at Art Tegland's.

**LOCAL NEWS**

Mr. and Mrs. Albert Broemeling of Moscow were guests in the home of Mr. and Mrs. John Kries Sunday.

T. H. Strate of Chicago, who was at Everett, Wash., to attend funeral services for his aunt, the late Mrs. Ingeborg Larson, visited here for a few days with his brother, Ed Strate. It has been 10 years since T. H. Strate visited here. He is superintendent of construction with the Chicago, Milwaukee and St. Paul Railway Co. in charge of the company's Chicago area.

Mrs. John Kries left Friday for Rathdrum to visit her daughter, Mrs. Walter Hannahs, Jr.

Misses Esther and Ruth Martinson were dinner guests Sunday of Mr. and Mrs. Forrest Durbin.

Mr. and Mrs. W. M. Herman called on Miss Mary Wardrobe and Mal Wardrobe, patients at St. Joseph's hospital in Lewiston Sunday and found them both improved in health.

Dr. and Mrs. A. J. White and the latter's sister, Mrs. George Cuddington of Portland, were dinner guests Friday last, in the home of Mr. and Mrs. Harry Scholer.

In a letter to Mr. and Mrs. Henry Halverson from Mr. and Mrs. Edgar Evans, they write that they expected to be in San Diego, Calif., on Monday, January 15, and from there to go to Long Beach to remain during the winter if Mr. Evans' health continues to improve. They spent a month at Phoenix, Ariz.

Misses Ruth and Esther Martinson, Mrs. R. E. Edwards and Mrs. W. W. Burr were supper guests Saturday evening of Mrs. Mahlon Follett.

Mrs. Chas. Baumgartner and son, Maurice, of Lewiston, came Tuesday for a short visit with Mrs. Elmer Krier and family.

Mr. and Mrs. Phillip Bahr and daughter returned Sunday evening from California where they would be relatives for two weeks with Mr. Bahr's parents at Oakland and with Mrs. Bahr's sister at Long Beach. The trip was made in company with Mr. Bahr's sister, Mrs. S. Miller, and husband, of Moore, Wash.

Mr. and Mrs. Ed. Klus, accompanied by Mr. and Mrs. Nick Bielenberg left Genesee Thursday morning for California to be away about six weeks. They had no definite destination, but will spend the time motoring to various places in California.

Bud Kelly, Portland, came Thursday and will visit here with his father, John Kelly.

Mrs. Victor Semler and daughter, Nancy of Walla Walla came Thursday of last week to visit until Sunday in the home of Mrs. Semler's parents, Mr. and Mrs. M. Reissauer. Mrs. Marie Michelsen and Mrs. George Cuddington of Portland.

**Band To Play**

The high school band will play at the basketball game Friday evening, January 19, when the Genesee high school boys team and also the girls' team meet teams from Culdesac.

**Sixth Grade News**

Those to receive 100 in spelling during the week were Dick Black, Clarice Rae Hove, Robert Liberg, Jack Mulalley and Donna Cook.

Art met that are up belong to Gene Vestal, Dorothy Lee, Margaret Vandenberg, Clarice Rae Hove, Donna Jean Post, Joyce Doyle and Donna Cook.

The only one to receive 100 in the spelling test was Dorothy Lee.

Donna Lee Cook received the highest grade in social sciences, 93.

**Fourth and Fifth Grades**

Since Christmas we have been busy planning our program for open house which is to be January 19. We are dramatizing the fairy tale, "Rumpelstiltskin." Everyone in the fourth and fifth grades is in the cast.

**Second Grade**

We are taking an imaginary trip to Greenland. We plan on visiting the Eskimos. In our sandtable we have an Eskimo village. We are studying their clothing, food, etc., as compared with our own. We have a few playful snowmen guarding our room from their places above the board.

**Install C. E. Officers**

At a special candlelight service Sunday evening, new officers of the Senior Christian Endeavor were installed by Rev. Melford Knight, pastor. New officers are: Irene Morgan, president; Thor Gilje, vice president; Leona Edwards, secretary; Perry Black, treasurer; Helen Edwards, missionary chairman, and Don Aherin, devotional chairman.

**LATAH-IDAHO OIL & GAS CO. REFLECTS ALL ITS OFFICERS**

H. W. Brummond, Lewiston; O. W. Nelson, Moscow, elected president, vice president and secretary-treasurer, respectively to succeed themselves as officers for the year of the Latah-Idaho & Gas company which held its annual stockholders' meeting at the Legion hall here Monday afternoon. The executive board will have as its membership: Tom Rogers, Moscow, and Wm. Christensen, Harry Scholer and Ray Edwards, Genesee.

Reports of the company for the past year are most encouraging, according to stockholders. Income has increased to almost double that of 1938 due to the added amounts of gas and oil taken by the Montana-Dakota Pipe Line company, who distribute gas over a large territory. Most of the gas from the Latah-Idaho company's well is used by customers of Shelby, Montana, near which city the property is located. Encouraging too, is the continued high pressure of gas in the company's well, and this pressure is utilized during cold weather months to boost pressure of other wells which supply the Montana-Dakota company.

Ray Edwards, Genesee, and O. W. Nelson, Moscow, left by train Tuesday for Shelby to look after company business.

**Pythian Temple Installs**

Wednesday evening the following newly-elected officers were installed by the Genesee Pythian Temple: Miss Emma Roskammer, past chief; Mrs. Ben Cook, most excellent chief; Mrs. Adrian Nelson, excellent senior; Mrs. Wm. Rader, excellent junior; Mrs. Harold Lee, manager; Mrs. Dick Vandenburg, M. of R. & C.; Mrs. Walter Emerson, M. of F.; Mrs. George Anderson, protector, and Mrs. Fred Conknick, guard. In honor of Mrs. White's sister, Mrs. George Cuddington, of Portland. Others present were Mr. and Mrs. John Luedke, Mr. and Mrs. Kenneth Dean, Mr. and Mrs. El-

WEATHEROLOGY

"We all know the weather for this week has not been good, also that winter is coming in gradually, and on the whole is being reduced by our 'climatic change' to a very mild winter. No reliable thermometer in Genesee has registered lower than 20 above this winter; all very good. But I read in the Daily Idahoian, printed in a little burg to our north, only 18 miles from Genesee, of awful winter storms and low temperatures. Then I search the records and on October 27, 1939 find, 'Nature is getting ready for the worst.' 'Long, hard winter here,' was the headline of the Daily Idahoian. Now this scribe is trying to confirm these predictions, while in Genesee farmers are walking our streets in their shirt sleeves.

"Some day all of Genesee will realize the value of a good 'weather speculator.' Any honest God-fearing man has a cold chill up and down his spine when he writes the name, 'Moscow' in this enlightened day, so I suggest they drop the 'co' and replace it with the letters, 'E' for 'The word 'Moscow' signifies 'saved from the water,' and the good people of this fair city have been 'all wet' many years in their choice of a name for their town.

"They who sit in Moses' seat," in the Good Book refers to the law breaker or highest element of intelligence. Now I hope the young students of our university will remove that blot on our beautiful country.

"I'll play safe and leave no room for a 'kick-back' on our word 'Genesee.' The word signifies 'origin or beginning (on the average) from three languages' where certain great ideas originated' which I could name here but modesty forbids. It also signifies 'power.' The Genesee river is so named for its many waterfalls.

Back to Weather "On February 28, 1940, one-half hour after sunset, a man standing on Main street in Genesee and looking west will notice six unusually bright stars lined up in the sky, but they will not be stars, but planets: Mercury, Jupiter, Venus, Saturn, Mars and Uranus, lined in the ecliptic in a zone of 50 degrees in length, and within only 40 degrees of each other. There are only nine planets in our solar system. The six mentioned, grouped in the small space described, will cause magnetic pull.—Next week.

"On July 4th the sun will be 94,239,000 miles from Mother Earth and on January 2, 91,343,000 miles away, or 2,896,000 miles nearer to us the winter, which again proves magnetic pull.

"There is no such an element as gravity. Even science admits 'The world is yet without a theory which can really be considered as explaining gravity.' 'Suspects' in the proper word, yet they are not spots, and seem black only when 'out of phase' by the brilliant sun rays. The large clouds of vapor or gas are electrical particles hurled out from the sun by 'tor-nadoes on the sun' and recharge the 'atmospheric ocean' with new energy to provide power to turn the wheels of our entire solar system. Perhaps our 200-inch glass will prove the Milky Way to be the zodiac of our universe.

"On January 20 we move into the second sign of winter and next week will be more like winter and wind. The new crop of magnets of this week you can depend on an ice harvest.

"If there be a critic of this report, please be a sport and clip this out to show me what I wrote, but do not tell me what I said. Sure I could tell these things in a way that would sound alright, but they just wouldn't sound like h... when you tell it." Lester C. Hayden.

BLESSINGS UNDERFOOT

Kindly Winter drapes the shivering limbs of naked trees, blankets the struggling wheat and exposed grass roots, tucks white puff about shrubs and perennial. Heavy snowfalls promise renewed water supply where autumn drought reduced and dried up reservoirs. Their elders usually found at snow which youngsters greet with shouts of joy. Without snow, summer's stream and springs would run, roots would freeze. Hant's someone written that blessings love disguise.—Christian Science Monitor.

FARM PLAN SHEETS NEXT ON AAA PROGRAM FOR THE YEAR

An opportunity to plan farming operations for a year ahead will be offered every farmer when AAA county and community committees take the field with the 1940 "farm plan sheets." This was the announcement by H. F. Koster, chairman of the Latah county AAA committee.

"Many farmers really planned their year's operations for the first time last year, when AAA farm plan sheets were introduced to Idaho farmers.

"Farmers oftentimes lose track of their rotation schedule and make mistakes which are costly, both in income and in soil fertility, simply because they don't get around to planning out their farming. These plan sheets put farming on a more business-like basis.

"The 1940 farm plan sheet will help farmers determine whether or not it is practical for them to comply with the AAA farm program. It also assists farmers to lay out their year's work so it will bring the most profit from their land, the greatest amount of soil conservation. When used together with an AAA farm map, the farm plan sheet gives any farmer a complete picture of his farming operations.

"County and community committees individually will help farmers work out their farm plan sheets at community meetings and in personal visits. Farmers can obtain maps of their farms through the county AAA office at slight cost.

"The farm plan sheet will be the farmers' first notice of the extent of his soil-building goal, his soil-planning allotment and potato and commercial vegetable acreage allotments which may have been set on his farm. After he has signed the plan sheet, he has 15 days in which to appeal to the county committee if he feels his allotments are not fair and equitable.

"Notice of wheat acreage allotments and normal wheat yields are final, and no appeal will be considered on them.

From their plan sheets farmers may learn very nearly the amounts they can earn in farm benefit payments during 1940, because rates of payments will be included on the sheets.

A fisherman sitting on the bank of a stream was approached by a humane woman, who said, "A big man like you ought to be better occupied than in cruelly catching little fish."

The angler replied, "Perhaps you're right, lady. But if this fish had kept its mouth shut, he wouldn't be here."

GENEESE PUSHES CULDESAC OFF CONFERENCE PINNACLE

Undeclared Culdesac high school provided the largest crowd of the school, January 19, at the Smith school, to begin at 1 o'clock. This meeting for an anxious moment last Friday evening when the Genesee Bulldogs finally crowded the visitors from the conference pinnacle, and took for themselves the coveted first place in the Valley conference. All seats were occupied and it was necessary to furnish chairs for a number of spectators, many of whom came from Culdesac to lend their moral support to a club worthy of it.

Culdesac led at the half 18-16, with Whitney of Culdesac and Armstrong of Genesee outscoring each other that seemed to please Whitney ran up 11 points in the first half, on four field goals and three free shots, and Armstrong scored five goals and one foul shot, but the former was two points behind Armstrong in the second half when Armstrong scored three field goals to two for Whitney.

Playing a fast game in the first half neither team was able to pull ahead by more than four points, but in the second half Genesee forced the game and scored 14 points to six for Culdesac. Moore, who left the game on fouls after scoring three points, was succeeded by Schwaninger, who scored two field goals from far out and was in on every play. Culdesac found the Bulldogs' passing a trifle annoying in the second half, and by moving in on Whitney in the last half to hold the Culdesac scoring ace to four points, Genesee played one other field goal, and that by D. Gillette.

In addition to Whitney those to see action for Culdesac were B. Gillette, no points, and one of two players to leave the game on fouls; Palmer, 0; White, 1; Amell, 0; Fredrickson, 0; D. Gillette, 4. For Genesee: Armstrong, 17; Hoffman, 4; Springer, 3; strong, 17; Hoffman, 4; Pederson, 1.

Girls Tie Culdesac Genesee high school girls, playing their first game of the season last Friday evening, met the Culdesac girls' team, and the result was a tie game, 17-17, the visitors pulling up to tie the tie in the final seconds of play.

Culdesac led at the half 7-5, with scoring by Schwaninger, who scored the foul line with one exception. Genesee scored three field goals in the first half, and added five more in the second half, plus a free throw, while Culdesac made four field goals and two free throws.

High scorer for Genesee was Whitney, with 9 and for Culdesac I. Olin was high with 6 points. Culdesac was deadly accurate in free throws. Leaving the game on fouls were Manning and French for Genesee.

Fred Judd, who coaches the Genesee girls' team, used several combinations of players and found Whitted and Hanzig outstanding in field goals, 4 and 9 by Whitted. Other forwards to place in the scoring column were Morgan and Schooler, with a goal each. In the guard positions, at which players alternated Magee, Williams, French and Mandfeld showed up well, and the girls should provide plenty of competition for any girls' team.

Ed Miller called the girls' game.

AAA COUNTY COMMITTEES IN BOISE FOR CONFERENCE

Members of the Latah and Nez Perce county AAA committees are in Boise this week to attend the annual all-state AAA conference.

Those from Latah county are: H. F. Koster, chairman, Genesee; Clarence V. Brabb, vice chairman, Palouse; Clarence A. Jensen, Farmington; G. T. McAlexander and Lowell Isaksen.

From Nez Perce county are: John George, Culdesac, chairman; Cornelius Sweeney, Genesee, vice president; Henry Brainer, Leland, and County Agent Joe Thometz and Lloyd Campbell of the county AAA office.

A feature of the 4-day meeting is several addresses by those in charge of various federal agencies dealing with agriculture in the state.

Various phases of the 1940 farm program, and administrative matters will occupy the major part of the time. The committeemen will submit a report of farm program activity in the county, and will have an opportunity to make recommendations to the state committee.

Enjoys The News Mrs. F. E. Erickson, Orofino, in remitting for subscription to The Genesee News, says that her mother, Mrs. A. Kern, is enjoying good health and also enjoys reading The News. Mrs. Kern has passed her 82nd birthday anniversary.

PEA GROWERS ATTENTION

Pea growers are urged to attend a meeting Friday afternoon, January 19, at the Smith school, to begin at 1 o'clock. This meeting for pea growers of the past season and especially those who contemplate seedings this spring is called to discuss some problems which are vital to the industry. You are asked to attend and bring with you every person who grows or intends to grow peas.

OPEN HOUSE POSTPONED DUE TO ABSENCES IN FEW GRADES

Open house, announced for this evening, has been postponed owing to a number of pupils being absent with colds. Most absences are noted in the upper grades, members of which were to present the program. Thirty-seven were absent Thursday morning from the grade school and 14 high school students did not report. But a few are missing from the lower grade rooms.

Schools at Kendrick and Troy are reported closed owing to illness, and schools at other towns in central Idaho and eastern Washington are also affected by illness, chiefly colds. It is believed that schools will not close at Genesee unless more cases develop.

STUDENT HONOR ROLL

Those to receive highest honors at conclusion of the second nine weeks of school are: Verona Cole, Nadine Connick, Agnes Delters, Vivian Fey, Alfrida Gilbertson, Wilma Herman, Delbert Kamibets, Beverly Manning, Irene Morgan, James Springer and Marjorie Springer.

Those to receive honors were: Ralph Baumgartner, Patty Busch, Inge Dinsen, Helen Heitfeld, Hazel Baumgartner, Lorene Isaksen, Clara Kaufman, Anna Mae Klus, Betty Koster, Gerald Pederson, Bonnie Jean Koebe, Alice Rader, Sylvia Slausser, Della Stout, Glen White and Dorothy Woodley.

Sixth Grade

Those making 100 in spelling were LaVonne Denoson, George Follett, Dorothy Lee, Bobby Liberg, Margaret Vandenburg, Gene Vestal and Donna Cook. Highest honors went to Donna Cook and honors went to Bobby Liberg.

First Grade

The first grade is going on a make-believe trip to visit the Far North and the Eskimos. We have used many modes of travel during our trip, so as to explore the country and peoples' homes. We are learning all about the wild life, people and their work and sports.

A border has been made in art depicting some of the scenes of northern life, namely, snow fields, ice floes, dog teams and sledges, bears and other wild life. We are fixing an igloo village in the sand table.

Church Services Sunday school at 10 o'clock. Church services, 11 a. m., "The Gospel of a Half Dollar." Choir practice Monday night. An executive meeting of the Christian Endeavor will be held at Garfield Saturday, to be attended by Misses Irene Morgan and Marjorie Springer, Dan Aherin and Rev. Melford Knight from Genesee.

WHEAT PRICES DECLINE ON PROSPECTS OF CROP FOR 1940

Domestic wheat markets declined during the past week, principally because of the improved moisture situation in the winter wheat belt and below normal disappearance of farm stocks of wheat in the last quarter of 1939, states the U. S. Dept. of Agriculture.

It was generally believed that the moisture situation in the winter wheat states has greatly improved crop prospects. Practically the entire winter wheat area was covered with snow. The moisture situation in Indiana relieved drought conditions in important wheat producing sections of that state.

No change has yet been announced in the tentative program given out last Thursday, according to the Union committee, R. E. Nordby, Fred Hope, Ed Morken, Elvon Hampton and the Hill Billies will open the morning program at the Legion hall at 10:30. Lawrence Pettis, Coeur d'Alene, state Union president, and Almer McCurtain, Spokane, state Union secretary will speak prior to dinner.

The Farmers Union will be hosts to all Union members and friends at a buffet dinner, and at 6 o'clock the Genesee school band will be heard. Mr. Snyder and Dr. Christensen will speak at the afternoon program, and following their discussions it is expected that a Soil Conservation Service motion picture will be shown.

ALL-AMERICAN RED HEADS TO MEET G. A. A. C. FEB. 7

Missouri is sending an outstanding attraction to Genesee for Wednesday, February 7. The All-American Red Heads, an aggregation of girl basketball stars from several states, who are booked from Cassville, Mo., are winning 50 per cent of their games from college and amateur athletic clubs. They are strictly amateurs themselves, but play men's rules, and in previous engagements in the Inland Empire have proven to be the equal or better of teams played. They are said to be the world's most elaborately uniformed team, and they stress winning of games.

Lee Emmert, manager of the Genesee Amateur Athletic club, which team they meet here Feb. 7, must have some influence, for the manager of the girls' traveling club says they are able to accept but half of the invitations offered to play.

The Red Heads are not a group of midgebits by any means. Five of them stand six feet in height and the two others miss six feet by only two and four inches. They are said to be accurate in their basket shooting, and from the foul line are above the average in ability. Some of the girls have been playing for several years.

COUNTY CHAMBER COMMERCE

Of special interest to farmers will be a meeting of the Latah County Chamber of Commerce to be held at Genesee, Wednesday evening, February 24. Discussions will be heard concerning various soil conservation practices. Henry Koster is chairman of the Latah County AAA committee, and it is the purpose of this organization to acquaint everyone with the program. Everyone is invited.

Parents of Daughter

J. J. Tupker received word Sunday morning of the death of his brother-in-law, Charles Byrd, of Burns, Ore., following an accident a few days previous when he was struck by a motor truck. He is survived by his widow, a son and two daughters and several grandchildren.

ALL-AMERICAN REDHEADS

Genesee and Potlatch high schools, playing on the Potlatch floor Tuesday evening took almost as many shots as were fired in the Civil war, but they missed nearly as many, with the small score of 14-12 reflecting the marksmanship. Genesee, however, evidently missed one less shot, having won by two points.

Both clubs appeared keyed up for the engagement, with Genesee breaking in an early four-point lead with a flashy passing attack, but it lasted only slightly more than a minute when players of the two teams found that the referee, H. Johnson of the University of Idaho, promised leniency in foul assessments. Nine fouls were called by the midget official, and it may be estimated conservatively that he overlooked ten times that number as the players rolled on the floor, pulled opponents over their shoulders, crowded ball receivers out of bounding at times. There were a couple neat end runs and a slashing off-tackle play or two, but not once did either team resort to kicking.

Wayne Lathan, Chelalis, Wash., high school transfer, who became eligible for competition on the Bulldog roster Tuesday, suited up for the first time and played the entire game in company with Armstrong, Springer, Pederson and Moore. He filled his assignment creditably and will add to the Genesee club both on offense and defense, as he takes a decided interest in intercepting passes and knows where the basket is. Coach Cook used his five starting players throughout the game and Potlatch made but one substitution, Stalsberg, for Berg.

Bud Moore was high-point man for the game, with 7, three field goals and a foul shot, and Sparger for Potlatch was second with six points. The other scoring was as follows: Genesee, Armstrong, 4; Lathan, 2; Springer, 0, and Pederson, 1. Potlatch, Johnson, 4, and Sandstrom, 2. The latter, who played the long game, was called Genesee when Potlatch played here, failed in every attempt from the field.

At the half time Potlatch was out in front 7-5 and maintained a lead until the opening of the fourth quarter, when Moore sunk one from far out and Armstrong came in for a lay-in. It was next to impossible for any of the players to become set for a play because he was almost certain to have from one to a half dozen assorted players on him. Armstrong did a nice reverse handpassing, being assisted by a Potlatch player, but such activity seemed to be a part of the game.

Genesee scored twice in four times from the foul line and Potlatch hit the basket four out of five times.

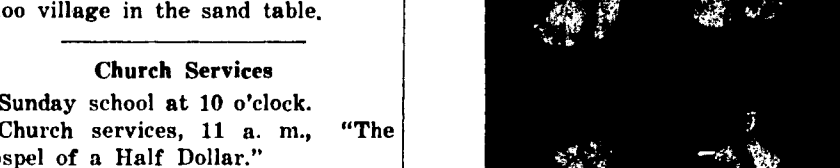

Genesee B Club Losses Genesee's B squad was slow getting under way Tuesday evening in their game with the Potlatch B squad, and at the half it was 14 to 4 for Potlatch, with Genesee scoring one more point than Potlatch in the second half, 10 to 7 points. The final score was 21-14 for Potlatch. Johnson, who called the second game, was able to see a few more fouls and made a total assessment of 22 fouls, eleven against each team.

Boyer was high-point man with 8 for Potlatch and for Genesee B. Herman scored six points. Those to see action for Genesee were: R. Huffman, Miss Esther Martinson, when mothers of the girls were invited guests. Election of officers was held as follows: Jean Scholler, president; Phyllis Macree, vice president; Della Stout, secretary and treasurer, and Phyllis Griener, news reporter. The next meeting will be Wednesday, February 7 for a social time at the school. Jeannette and Henrietta Warncke will be hostesses.

Parents of Son An 8-pound son was born to Mr. and Mrs. Walter Hannahs, Jr., of Rathdrum, Idaho, January 17. Mrs. Hannahs was formerly Miss Helen Kries, daughter of Mr. and Mrs. John Kries.

Tumbleweed 4-H Club Members of the Tumbleweed 4-H club met at the school house Wednesday after school with their leader, Miss Esther Martinson, when mothers of the girls were invited guests. Election of officers was held as follows: Jean Scholler, president; Phyllis Macree, vice president; Della Stout, secretary and treasurer, and Phyllis Griener, news reporter. The next meeting will be Wednesday, February 7 for a social time at the school. Jeannette and Henrietta Warncke will be hostesses.

Hazel Smith, Ruth Osburn, Peggy Lawson, Kay Kirkpatrick, Gladys Lommer, Lila Blue and Eleanor Laich, players on the All-American Red Heads, Cassville, Mo., who meet the Genesee Amateur Athletic Club at Genesee high school gym, Wednesday evening, February 7. They play under straight men's rules.

Hazel Smith, Ruth Osburn, Peggy Lawson, Kay Kirkpatrick, Gladys Lommer, Lila Blue and Eleanor Laich, players on the All-American Red Heads, Cassville, Mo., who meet the Genesee Amateur Athletic Club at Genesee high school gym, Wednesday evening, February 7. They play under straight men's rules.

GENESEE TAKES POTLATCH 14 TO 12

Genesee and Potlatch high schools, playing on the Potlatch floor Tuesday evening took almost as many shots as were fired in the Civil war, but they missed nearly as many, with the small score of 14-12 reflecting the marksmanship. Genesee, however, evidently missed one less shot, having won by two points.

Both clubs appeared keyed up for the engagement, with Genesee breaking in an early four-point lead with a flashy passing attack, but it lasted only slightly more than a minute when players of the two teams found that the referee, H. ### ATTEND K. C. MEETING

Rev. Fr. F. C. Veit, Anthony Weber, Florent Moser and P. J. Scharback attended a Knights of Columbus meeting in Clarkston Monday evening when a charter bearing the names of 53 members was presented in a ceremonial service at the Holy Family Catholic school auditorium. The session was held for the purpose of presenting the charter to a newly organized Knights of Columbus council at Clarkston. There were about 125 present, representing councils of Uniontown, Colton, Lewiston, Pomeroy, Walla Walla, Spokane, Cottonwood, Clarkston and Genesee.

Participating in the presentation of the charter were Justin C. Maloney, Spokane, state deputy; Sylvester Fuchs, Clarkston, district deputy, and William McCarthy, grand knight of the Clarkston council. The council to receive its charter Monday evening

### VALLEY B. B. CONFERENCE

Genesee took command of first place in the Valley basketball conference over the week, by winning from Culebec and Julianna. Kendrick dropped to third place by an unexpected loss to Southwick. As the race enters the back-stretch Lapwai and Southwick, tied for fourth place, are drawing attention, as it appears the eventual winner will have a berth in the sub-district tournament.

And speaking of tournaments, Genesee, having the finest facilities in the conference, would be glad to entertain the sub-district play-off. Culebec will have a new gymnasium for use next year, and while Kendrick has had a struggle hold on sub-district tournaments, it appears that Kendrick, Culebec and Genesee should alternate. The matter of expenses and a division of the profits should be forthcoming whenever the sub-district play-off is held. Kendrick might be favored by being closer to some of the competing schools, but Genesee, if it asks for the tournament this year, remembers that it has made the trip to Kendrick more than once, and should be considered, along with Culebec, as hosts in their regular turns for this year and in years to come. It seems certain that Culebec, Genesee and Kendrick are assured of being in on the tournament.

Team	Won	Lost	Pct.
Genesee	5	1	.833
Culebec	4	1	.800
Kendrick	3	2	.600
Lapwai	2	3	.400
Southwick	2	3	.400
Julianna	0	6	.000

### Games Friday

Following is the schedule of games for Friday, January 19:  
Genesee at Lewiston, 7:30 p. m.  
Kendrick at Culebec  
Julianna at Southwick  
Tuesday, January 23  
Lewiston at Genesee, both A and B teams.

### YOUNGSTERS PLAY BALL

Genesee's new high school gymnasium, besides paying dividends on high school athletics, is returning dividends also in pleasure for the entire student body and is placing in activity many who otherwise would be compelled to watch from the sidelines.

Witness a game, played Tuesday by two girls' teams from the freshman class and eighth graders, where competition is as keen as shown by conference teams. The older girls were decidedly victorious 15 to 8, but one eighth grader, Fifer, scored 8 points, to tie with Koster, of the freshman. At the half the freshman hit the basket for five points and Armstrong added two more. For the grade pupils there were in the lineup: Magee, Haymond, Fifer, Huntley, Vandenburg, Anderson and Claussen, and for the freshmen, Stout, Koster, Dinsen, Armstrong, Schooler and Magee.

### Grade Boys Win

Basketball players never use their given names unless it is to distinguish brothers or players of the same family name, hence no first names for anyone, at least the score sheet would suggest such a procedure. It is also noticed on the score sheet that places are shown for a total of sixty points, but in the game Tuesday between the freshman boys and the boys of the eighth grade, 16 places were sufficient, and it was 10 to 6 for the ones who still talk of reading, writing and arithmetic. At the half the freshmen led 6-2. Players were: Freshmen, Herman, 0; Black, 2; Spence, 2; Isakson, 0; Broemeling, 0; Wright, 2; Kinson, 0; Eikum, 0. For the graders, Pederson, 0; Edwards, 1; Vestal, 5; Evans, 0; Morscheck, 0; Grieser, 0; Anderson, 4; Springer, 0.

### Fine Trip to California

Walter Rosennu writes that he had a wonderful trip to California by car, and that he will remain at Santa Ana for at least 30 days. Rains have been frequent in southern California, with 2 1/2 inches received this winter so far.

### LOCAL NEWS

Mr. and Mrs. A. E. Mayer received word from their son, Art Mayer, of Coeur d'Alene, that he and other Washington Water Power company division sales managers had been awarded trips to Cleveland, O., to attend a convention of Utility salesmen. He will leave next week.

Miss Alma Aschwege of Conora, S. D., arrived Saturday for a short visit with Miss Violet Heppner.

Members of the Pythian club were entertained last Friday afternoon by Mrs. Wm. Rader when the afternoon was spent in working on quilts.

Mr. and Mrs. Forrest Durbin and W. G. Mesones were Sunday dinner guests in the home of Ross Peterson at Colfax.

Miss Mary Wardrobe, who was a patient at St. Joseph's hospital in Lewiston, returned to Genesee Saturday, and Wednesday afternoon went to Spokane by evening train.

Mr. and Mrs. Adrian Nelson were Tuesday evening guests of Mr. and Mrs. Forrest Durbin.

Mrs. Mary Wahl and Mr. and Mrs. Tom Wahl were Colfax visitors Wednesday.

Mrs. Wood Gash returned Friday from Bakersfield, Cal., where she visited three weeks with her daughter, Mrs. Jean Edgar, and family.

Miss Margaret Springer, student nurse at St. Joseph's hospital, is visiting here with her parents, Mr. and Mrs. Art Springer.

Mr. and Mrs. Ed Strate and Mr. and Mrs. John Eikum were Wednesday evening callers of Mr. and Mrs. John Luedke.

Mrs. A. E. Mayer spent the week end at Lewiston, visiting Wade Mayer and wife. Returning from Pomeroy Saturday evening, A. E. Mayer stopped in Lewiston to visit until Sunday evening with Mr. and Mrs. Wade Mayer.

Ray Edwards returned Monday from Shelby, Mont., where he attended to business for the Latah-Idaho Oil Gas company, owners of a producing well that supplies gas to the Montana-Dakota company. Shelby is showing considerable growth in recent years. Cold weather prevailed in northern Montana Saturday night and Sunday with 5 degrees below reported.

### WEATHEROLOGY

"A week in this space signifies from Wednesday to the Wednesday following. Last Thursday morning, January 11, was the coldest day of the winter, 10 above. Beginning Thursday, January 17, a new cold wave will be up on us. This will bring still colder weather. And I still say the coldest of the winter will center on January 25.

"When I was a school boy they taught us the water from the Mississippi, flowing into the Gulf of Mexico created the Gulf Stream that warms many nations of the world. It is the sky find the Gulf Stream is twenty times larger than all the rivers of the world combined, and flows from west to east. All land east of the Gulf Stream is affected by warm air currents. And now that this stream is moved 400 miles to the north, is the reason the Pacific Coast weather is becoming more tropical each year.

"This same pull of the sun holds our nine planets in their respective orbits, just so far and no farther. Each planet has an influence on other planets when caught in conjunction with the sun or moon. So when our unusual group of six planets appear February 24 to March 7, this pull will bring a condition, the effect of which will make history for our next generation to read.

"Sun next the planet Mercury complete one full revolution in 88 days, while Pluto, the farthest away, makes one revolution in 248 years. This is the reason for the six planets to arrive so near the same point, but the result of this union is speculative in the extreme. Only time will tell. Maybe best one to guess is advisable.

"Saturday, January 20, we move into the second sign of winter. That is to say, the earth has traveled 30 degrees and has 60 degrees yet to go to complete our winter. This center position places us at a disadvantage in receiving heat from sun rays and it is only natural that colder weather will arrive."

Lester C. Hayden.  
Pep Club  
Mrs. Stanton Becker was hostess to members and guests of the Pep Club Thursday last week when, during the business meeting, election of officers was held as follows: Mrs. Stanton Becker, president; Mrs. Charles Grieser, Jr., vice president, and Mrs. Adrian Nelson, secretary and treasurer. Mrs. Don Linehan, Miss Florence Bielenberg and Mrs. Victor Semler, the latter of Walla Walla, were guests. Mrs. Becker served luncheon at the close of the afternoon.

### GENESEE WINS CONFERENCE GAME FROM JULIETTA 30-13

Armstrong alone scored three more points than the entire Julianna high school team, in a game played on the Julianna floor Monday evening. The game was moved ahead on the schedule from February 2, to permit Genesee to participate in the Bi-State Class A basketball tournament to be held in Lewiston February 1, 2, 3.

Coach Ben Cook charges took it easy to win 30 to 13, and dropped Julianna deep into the cellar position for Valley conference teams. It was 14-7 at the half, with Springer doing most of the scoring, running up half of the Genesee's 14 points. The Bulldogs had a pleasant evening in their keep-away tactics, and practiced up on their passing game. R. Huffman who likes to range the floor for loose balls and rustle for the ball every opportunity, ran a foul of rules four times, and Armstrong wound up with three personals, as did Nye and Burns for Julianna.

In the lineup and scoring for Genesee were: Armstrong, 16; B. Herman, 0; R. Huffman, 2; D. Huffman, 0; Springer, 9; Hasfurther, 0; Moore, 2; D. Aherin, 0; Pederson, 1. For Julianna: Weber, 9; Burns, 4; Canlar, Nye, Stuart and Brock, 0.

### B Squad Wins

B. Ierman and Hasfurther tied for high scoring honors in the Genesee-Julianna, B squad game, with 12 points each, and without scoring a foul. Genesee finished up with 34 points to 11 for Julianna. Others in the game and scoring for Genesee were: Wishard, 0; Huffman, 0; B. Huffman, 2; Baumgartner, 4; Gray, 0; Black, 2; Bershaw, 0; C. Herman, 2. Genesee had nine tries from the foul line for no conversions, and Julianna took 17 free throws and made five of them good.

### Wedding Anniversary Honored

Mr. and Mrs. Irvin Nebelsieck entertained with a dinner Sunday in honor of Mr. and Mrs. Harry Schooler to celebrate their wedding anniversary. Other guests were Mrs. Dora Nebelsieck, Jean and Bob Schooler,

Mr. and Mrs. Jack Nebelsieck, and Mrs. Doro Gilson, Miss Alice Youngberg and Miss Lillian Peltier of Lewiston. Mr. and Mrs. Schooler were presented with a gift of china.

### Birthday Party

Mrs. George Anderson was surprised with a birthday party Wednesday afternoon by Mrs. Adrian Nelson, Mrs. Paul Heppner, and house guest, Miss Alma Aschwege, of Corona, S. D.; Mrs. Henry Manderfeld, Mrs. John Flomer, Mrs. Fred Connick, Mrs. Martin Liberg, Mrs. John G. Meyer, Mrs. Emma Roskammer, Mrs. Dick Nebelsieck and Mrs. Jack Nebelsieck. Mrs. Anderson was presented with a beautiful gift, and a no-host luncheon was served.

### Auxiliary Meeting

A regular meeting of the American Legion Auxiliary will be held this afternoon (Friday) at the Legion hall, beginning at 2 o'clock.

Basketball Tuesday night, Lewiston vs Genesee. Hi school A and B teams.

see were: Armstrong, 16; B. Herman, 0; R. Huffman, 2; D. Huffman, 0; Springer, 9; Hasfurther, 0; Moore, 2; D. Aherin, 0; Pederson, 1. For Julianna: Weber, 9; Burns, 4; Canlar, Nye, Stuart and Brock, 0.

## THESE MEN ARE MEASURING KILOWATTS

**Assuring Your Good Electric Service.**

Many unusual activities are part of the daily routine that assures your reliable electric service. For example, these men are experts in finding how much water can be depended upon to produce electricity. This is important to your electric living because it is one of the ways our company is able to plan for dependable service. The experts—hydrographers they are called—ride above the water, measuring depth, speed of flow and other factors telling the discharge of each stream. Daily readings give advance knowledge of how much water will be available to produce power. Good electric service doesn't just happen—it requires planning and research, of which this is only one instance.

be available where camps are or may be established. Landowners within a soil conservation district would assume all obligations for materials and labor.

To Meet at Potlatch Next
A. A. Segersten of Potlatch invited the chamber to meet at Potlatch the latter part of February, a definite date to be announced.

Discussions by A. A. Segersten and R. L. Woerner dealt with protection of marginal and unprotected forest lands, such as those of the Deary, Troy and Kendrick areas which do not come under protection from the state protective association, forest service or company associations. It was believed the cost for protection of marginal forest lands in Latah county would be between 3 and 4 cents per acre.

Harold Cornelison, Moscow, moved that the Latah County Chamber of Commerce express its condolence to the widow of Idaho's late senator, Wm. E. Borah.

Mr. Irving also explained the Pope Jones small water projects, whereby groups of landowners may secure funds through the Farm Security Administration up to \$50,000, and individuals may secure financing for reservoirs or dams up to \$5,000.

Attend Services for Mrs. McQueen
Among those from Genesee who attended funeral services last Thursday in Clarkston for the late Mrs. Juanita McQueen were Mr. and Mrs. Roy Evans, Mrs. John Roach, Wayne Roach, E. W. Vanouck and Miss Ruth Alice Vanouck.

Mrs. McQueen was formerly Miss Juanita Bowers of Genesee who attended high school here before moving to Lewiston where she graduated from high school. She passed away Tuesday, January 16 at St. Joseph's hospital following a lingering illness.

Surviving are her husband, Bert McQueen; two uncles, Delbert and Earl Cross, Yakima; two aunts, Mrs. Frank Southworth, Lewiston, and Mrs. Amelia Karr, Elk River.

LOCAL NEWS

Mrs. Clarence Van Wyk of Chicago came Friday evening to visit here in the home of her brother, Frank Denow and daughters. She accompanied her brother, L. C. Denow and Ed Bergman from Spokane when they visited her brothers, L. C. and Dick Denow.

Miss Vera Taylor, who was assisting in the kitchen at Roy's Inn Wednesday afternoon suffered burns on her left arm when she fell on a hot stove. She received treatment at the doctor's office here.

Mrs. John Luedke and Mrs. N. M. Loevitt attended an Alpha Phi alumnae meeting in Moscow Wednesday evening.

Tuesday evening guests of Mr. and Mrs. John H. Broemel were Mr. and Mrs. John Krier and Mr. and Mrs. Florent Moser.

Miss Hazel Green of Washuena, Wash., spent the week end at the home of Mr. and Mrs. Wm. Rader.

Miss Ethel Dresher of Eureka, Cal., is in Genesee for a two weeks visit with her mother and other relatives.

Mr. and Mrs. Otto Schwenne visited Saturday and Sunday with relatives near Pullman. Sunday evening they skated at the W. S. outdoor rink.

Mrs. Josephine Tannahill and Miss Elizabeth Krier of Lewiston were Sunday guests of Mr. and Mrs. John Krier.

Miss Rita Loncosty, student nurse at St. Joseph's hospital spent the week end here with her parents, Mr. and Mrs. F. W. Loncosty.

GENESEE SCHOOL NEWS
There will be a meeting of the Athletic Board of District No. 2 in Lewiston Saturday, January 27 to make arrangements for the tournament in Lewiston.

Those to receive 100 in spelling are Harold French, Clarice Hove, Robert Liberg, Dona Jean Post, Gene Vestal, LaVonne Demson, Dorothy Lee and Donna Cook.

There have been but few out with the flu in our room. The largest number at one time is four.

Some of the fourth grade pupils are practicing for the operetta to be presented by Barbara Rommel.

In social studies we have started studying workers who carry our messages. We will study all the activities of a post office.

Dinner Honoring Sister
Mr. and Mrs. W. R. Hickman and family entertained with a dinner Sunday, honoring the visit here of Mrs. Hickman's sister, Mrs. W. J. Dorchester, of Wetaskiwin, Alberta.

**THE GENESEE NEWS**  
Genesee, Idaho

Entered at the Postoffice at Genesee, Idaho as Second-Class Mail Matter.  
E. D. Pederson, Publisher  
WILLIAM EDGAR BORAH

Senator William Edgar Borah, dean of the United States senate, 74, who gave thirty-three years of his life in public service, state, national and international, will rest in a few hours today (Thursday) in a memorial plot in Morrishill Cemetery, Boise. He passed away in Washington, D. C., January 19, and today Idaho pauses to honor and pay tribute to the Genesee's leading citizen and statesman, a man who commanded the respect of everyone.

Borah, staunch in his beliefs, unhampered by any political promises, pursued his work as the people of Idaho proudly witnessed. His name and his character became internationally known and with him was associated the State of Idaho.

Success has marked careers of other Idaho national legislators, but one wonders how much of their success may be attributed to Borah. He was not one to assume glory, he withstood personal abuse, but today one may reflect on his life and the country, and while he respected the feelings and problems of other nations, he was always looking far ahead to the welfare and prosperity of the United States.

People of the Genesee community feel intimately acquainted with Borah for in recent years he made two visits here to speak. Gladly would he have secluded himself to speak with friends for an hour, but always there were insistent demands on his time. Witness one appearance in Genesee prior to the last presidential election. Hours before he arrived long-distance telephone calls and telegraph messages awaited him. From Chicago, Washington, D. C., Kansas City, and Texas came calls throughout the evening, and as Borah, then a weary man gathering strength for an address, was preparing answers not only to colleagues, but to newspapers and political organizations. The entire nation was intent on what Senator Borah was going to say or what statements he had made. His every movement was closely observed, and Borah's time was seldom his own.

Senator Borah spoke before a high school assembly on one visit here, and without a doubt he was permitted relaxation to a greater degree than at any time, unless it was during a friendly conversation with a small group of his admirers. That he was worried by conditions of recent years was evident. He desired so much to provide for the welfare of everyone in a manner that would be lasting and without attendant ill effects on anyone. He thought more of the people than of government, but realized the latter necessary in administration of regulations for an equitable share in living. That he was unselfish is witnessed by his meager estate for a man of his standing and earning capacity, had he chosen to follow his profession rather than serve as a statesman.

Honor to Senator  
Honored by the death of Senator Borah and condolence to his widow, the daughter of Idaho's first governor, William J. Mc-

connell of Moscow, deceased. Latah county, therefore knows Senator Borah and his wife, Mary.

Senator Borah was born in Wayne county, N. Y., June 29, 1856, and came to Idaho as a young practicing attorney. His only near relatives besides Mrs. Borah are a sister, Mrs. Mattie Rinard of Fairfield, Ill., and a nephew, Wayne G. Borah, a federal judge in New Orleans. Mrs. Borah has two sisters living, Mrs. Ben E. Bush of Moscow, and Mrs. Max Iqendemann of Portland, so well acquainted with many Latah county residents as to be known as Carrie and Ollie. Mrs. Borah, by her more intimate friends was called Mamie.

WHEAT MARKET SUMMARY FOR WEEK ENDING JAN. 19  
Domestic grain markets were firm and higher during the week end January 19, reflecting improved demand for current offerings in grain markets. Some apprehension regarding effects of cold weather in the winter wheat area, and firmness in most foreign markets, according to the U. S. Dept. of Agriculture.

In the Great Basin and Pacific Coast areas, recent precipitation has been decided. There is no winter wheat crop. Wheat is doing well in the Washington wheat belt where the snow cover ranges from thin to adequate. In Oklahoma wheat continued mostly in a rather poor condition and the subsoil is dry. There is no material change in the outlook in the Great Plains states. In the western portion of Kansas evaporation was rapid and the top soil is still dry.

It is feared that extremely cold weather in western and northern Europe has caused damage to winter crops, particularly in Belgium. There has been generous rains over wide areas of the northwestern part of India and the outlook for the new wheat crop is improved and satisfactory yields are anticipated.

In South Africa the drought conditions continue and due to the poor outlook at this time for the new corn crop, exports of corn have been prohibited until the end of March. It is believed, however, that quantities already sold for shipment will not be affected.

The Argentine corn crop has greatly improved because of good rains during the past week. Argentine exports of corn during the third week in January totaled around 1,832,000 bushels. At the close of the week Argentine corn was quoted at \$0.3-4-6 per bushel. Some American corn was sold for export to the United Kingdom and the Continent.

Wheat receipts at Puget Sound and Columbia river terminals were moderate at 481 cars for the week, reflecting the holding tendency of growers at country points.

Afternoon Party  
Mrs. Leonard Plamoe entertained Wednesday afternoon for Mrs. Elmer Krier, Mrs. Bob Broemeling, Mrs. Bay Johann and Mrs. Tom Goeck. Mrs. Plamoe served luncheon at the close of the afternoon.

Altar Society  
Mrs. Cecelia Schlueter entertained members of the Altar Society Tuesday afternoon at her home. The social and business meeting was followed by serving of a luncheon.

Feed 600 People  
Approximately 600 people were entertained at dinner by the Union. No exact count was made and none was desired, but the Union was pleased to have the large number for their guests. There were more present than expected undoubtedly, as the food supplies were all used up. Fine, warm, sunny day also tended to swell the crowd and helped make the event a success. The dinner was prepared by Mrs. Helen Bershaw, who used facilities at the Knights of Pythias kitchen, the Legion kitchen and the restaurant kitchen. Members of the Union served the dinner on individual plates. The menu was: Meat balls, mashed potatoes and gravy, creamed peas and carrots, pan rolls, cranberry sauce, ice cream and wafers and coffee.

Program at School Gym  
Following the dinner the crowd assembled at the high school gymnasium where the school band, under the direction of S. E. Windham was heard and the Genesee Boy Scout Troop, under the leadership of Rev. Melford Knight presented a skit.

Miss Esther Martinson conducted an exhibit and modeling of dresses made by the Genesee Girls' club in the high school assembly during the time Dr. Leo Christensen of the University of Idaho talked on manufacture of alcohol for motor fuels from surplus and waste farm products.

Dr. Christensen and R. S. Snyder, both of the agricultural chemistry department of the University interested in the large gathering in their discussions, the former explaining how the state was now producing alcohol for motor fuels at a plant at Idaho Falls, telling of the success attained, and explained how alcohol made from surplus and waste farm products may be utilized. Manufacture of alcohol by the methods explained is past the experimental stage, as the state is on a production basis, and has made a number of tests in blending alcohol with other fuels. The government tax on alcohol is at present a handicap to its extensive manufacture and use, but blends of gasoline and alcohol, 90 and 10 per cent, respectively, are proving satisfactory.

Mr. Snyder brought with him some of the equipment from the University chemistry laboratory and explained methods of determining tests of motor fuels and lubricants. He also presented sample results of improper grades of fuels and oils. Mr. Snyder, who has taken a decided interest in manufacture of alcohol for motor fuels, and Dr. Christensen who has devoted much time to research along this line, said that cooperation was necessary to realize eventually a means of utilizing surplus and waste farm products.

The Hill Billies, Colin Wilson, Dave Kuehl, Harry Hammond and Dick Green appeared on the afternoon program and when they left the stage, the audience loudly encored them, and they graciously responded.

Three moving pictures were shown by the U. S. Soil Conservation Service, two showing the results of winter and water erosion in the mid west, resulting from over-grazing and by

He also presented sample results of improper grades of fuels and oils. Mr. Snyder, who has taken a decided interest in manufacture of alcohol for motor fuels, and Dr. Christensen who has devoted much time to research along this line, said that cooperation was necessary to realize eventually a means of utilizing surplus and waste farm products.

The Hill Billies, Colin Wilson, Dave Kuehl, Harry Hammond and Dick Green appeared on the afternoon program and when they left the stage, the audience loudly encored them, and they graciously responded.

Three moving pictures were shown by the U. S. Soil Conservation Service, two showing the results of winter and water erosion in the mid west, resulting from over-grazing and by

**Lower Coal Prices**

Due to the LOWER FREIGHT RATES from the UTAH Coal Fields we are now able to furnish UTAH COALS at prices comparable to Owl Creek Coal. We now have in stock:

**Utah King - \$11.50 per ton**

In the 3 x 10 Stove Size at \$11.50 per ton at the bin

We also have the new EAGLE STOVE COAL from the Montana field at \$9.50 per ton. This coal has proven to be a very satisfactory fuel.

A good supply of SEASONED RED FIR or DEAD TAMARACK WOOD. FOR a Clean Fuel TRY FRIS-TO-LOGS.

ly improved because of good rains during the past week. Argentine exports of corn during the third week in January totaled around 1,832,000 bushels. At the close of the week Argentine corn was quoted at \$0.3-4-6 per bushel. Some American corn was sold for export to the United Kingdom and the Continent.

Wheat receipts at Puget Sound and Columbia river terminals were moderate at 481 cars for the week, reflecting the holding tendency of growers at country points.

Afternoon Party  
Mrs. Leonard Plamoe entertained Wednesday afternoon for Mrs. Elmer Krier, Mrs. Bob Broemeling, Mrs. Bay Johann and Mrs. Tom Goeck. Mrs. Plamoe served luncheon at the close of the afternoon.

Altar Society  
Mrs. Cecelia Schlueter entertained members of the Altar Society Tuesday afternoon at her home. The social and business meeting was followed by serving of a luncheon.

Feed 600 People  
Approximately 600 people were entertained at dinner by the Union. No exact count was made and none was desired, but the Union was pleased to have the large number for their guests. There were more present than expected undoubtedly, as the food supplies were all used up. Fine, warm, sunny day also tended to swell the crowd and helped make the event a success. The dinner was prepared by Mrs. Helen Bershaw, who used facilities at the Knights of Pythias kitchen, the Legion kitchen and the restaurant kitchen. Members of the Union served the dinner on individual plates. The menu was: Meat balls, mashed potatoes and gravy, creamed peas and carrots, pan rolls, cranberry sauce, ice cream and wafers and coffee.

Program at School Gym  
Following the dinner the crowd assembled at the high school gymnasium where the school band, under the direction of S. E. Windham was heard and the Genesee Boy Scout Troop, under the leadership of Rev. Melford Knight presented a skit.

Miss Esther Martinson conducted an exhibit and modeling of dresses made by the Genesee Girls' club in the high school assembly during the time Dr. Leo Christensen of the University of Idaho talked on manufacture of alcohol for motor fuels from surplus and waste farm products.

Dr. Christensen and R. S. Snyder, both of the agricultural chemistry department of the University interested in the large gathering in their discussions, the former explaining how the state was now producing alcohol for motor fuels at a plant at Idaho Falls, telling of the success attained, and explained how alcohol made from surplus and waste farm products may be utilized. Manufacture of alcohol by the methods explained is past the experimental stage, as the state is on a production basis, and has made a number of tests in blending alcohol with other fuels. The government tax on alcohol is at present a handicap to its extensive manufacture and use, but blends of gasoline and alcohol, 90 and 10 per cent, respectively, are proving satisfactory.

Mr. Snyder brought with him some of the equipment from the University chemistry laboratory and explained methods of determining tests of motor fuels and lubricants. He also presented sample results of improper grades of fuels and oils. Mr. Snyder, who has taken a decided interest in manufacture of alcohol for motor fuels, and Dr. Christensen who has devoted much time to research along this line, said that cooperation was necessary to realize eventually a means of utilizing surplus and waste farm products.

The Hill Billies, Colin Wilson, Dave Kuehl, Harry Hammond

### WHEAT LOANS EXTENSION GRANTED IN TWO COUNTIES

Wheat loans in Latah and Nez Perce counties which are not liquidated on or before April 30, 1940, as specified in the original loan contract, may be extended and the collateral wheat reseeded if it is now stored in good condition on the farm, according to information from the AAA offices of the two counties. The reseed program is similar to the program carried out in some Idaho counties last year.

Latah county wheat growers were advanced \$45,289.46 as commodity loans on 1939 wheat and Nez Perce growers were advanced \$476,728.20. The average loan rate in Latah county was 64 cents per bushel, and in Nez Perce county, 53 cents per bushel. Wheat loans have benefited farmers in the past two years according to announcements. In the program were 520 Latah county farmers and 468 in Nez Perce county. Committees said the loan program has enabled farmers to receive advantage of wheat loans since harvest time, and still obtain working capital at low interest rates. The loan program also protects consumers, committee members said, because it maintains the supply of wheat from "surplus" years at levels which can keep prices from soaring when crops are small.

Cemetery District Organizes Commissioners of Geneese Community Cemetery Maintenance District at their January meeting, received the levy from one mill to three-fourths of a mill. It was noted that several of the cemeteries within the district made improvements with the funds available, while other cemeteries, deriving insufficient funds with which to make contemplated improvements are permitting their proportionate share to accumulate until a sufficient amount is on hand to do the work desired. This is especially true of Thornecreek. The cemeteries at Geneese have gone ahead with improvements as funds became available.

At the meeting the commissioners also organized as follows: Ben Pleiman, chairman; Ed Morken, secretary-treasurer, and Joe Schueter, recently elected, member of the board.

### GENESEE VALLEY NEWS

The Geneese Valley Aid met last Thursday at the Parish hall with Mrs. Annie Danielson as hostess. Mrs. Irvin Iverson gave a reading and several hymns were sung. The hostess served delicious refreshments. The next meeting will be February 8 at the Parish hall.

Mr. and Mrs. O. Danielson are the parents of a son, Friday morning, January 26, at the home of Miss Ruby Peterson in Moscow. The baby has been named Danny Oscar.

Sunday afternoon visitors at J. P. Wedin's were Rev. and Mrs. Beadles and family of Moscow, Raymond Westerg and J. P. Anderson.

Norris Sather of Moscow spent Sunday at Allen Sather's.

Oscar Danielson and girls and Lars Johnson and Evelyn Williams were Sunday dinner guests of Mr. and Mrs. Albert Anderson.

Carl Tideman of Port Alberni, B. C., arrived Monday for a short visit with Mr. and Mrs. J. P. Anderson and family. He left again Tuesday for Reubens to visit his father, S. M. Tideman and the Sketon family.

Mr. and Mrs. John Fallwell of Lewiston visited Saturday at Pete Isakson's.

Mr. and Mrs. L. Klaus of Lewiston visited Sunday at the Scheele home. Mrs. Stanley Sneve and Mrs. Lee Danielson and girls spent Monday afternoon with Mr. Lilly Larson.

Mr. and Mrs. Elmer Swanson, and Charles visited at August Johnson's last Wednesday evening.

Levi Rossebo visited at Allen Sather's Thursday evening.

Mr. and Mrs. Herman Isakson and girls spent Sunday afternoon at Fred Hove's.

Mrs. Dan Burr, Bill and Bob Burr spent Thursday evening at the August Johnson home.

Mrs. Elsie Christensen is quite ill at her home with influenza.

Rodney Tegland and Selmar Hegvold came Wednesday to spend the rest of the week, having finished final examinations at the U. of I.

Mr. and Mrs. Jim Huntback and Mr. and Mrs. Tom Kimberling and family visited at August Johnson's Sunday.

Mr. and Mrs. Clarence Peterson spent Friday afternoon with Mrs. Dolle Peterson.

Mrs. Lilly Larson attended Aid at Our Savior's church in Moscow Wednesday. It was a guest day and refreshments were served to 86 members and guests.

Mr. and Mrs. Pete Isakson and Mrs. John Fallwell spent Saturday afternoon at Art Tegland's.

Mr. and Mrs. R. E. Norby motored to Spokane Friday, returning home Saturday. They heard the St. Olaf choir at the Fox theatre Friday evening.

Mr. and Mrs. Norman Flamoe and Duane, Mr. and Mrs. S. Sneve and Mr. and Mrs. L. Flamoe and Larry spent Sunday afternoon at the Lee Danielson home.

The Blue Bird club met Wednesday with Mrs. Hanson. After the business meeting Mrs. Dolle Peterson had charge of the program. Several songs were sung by the group; Mrs. Colin Wilson sang a solo accompanied by Mrs. Lee Danielson; Mrs. Ed Strate and Mrs. Art Hove sang a duet and Mrs. Lange, Mrs. O. Woodley and Mrs. Wm. Mervyn each gave a reading. The hostess served delicious refreshments. The next meeting will be February 14 with Mrs. Nels Lande with Mrs. Allen Sather in charge of the program.

Mrs. Ed Strate spent Friday afternoon with Mrs. Art Hove.

Mr. and Mrs. John Eikum and family spent Sunday afternoon with Mrs. Annie Danielson.

Dorothy Lee spent last Wednesday night with Clarice Rae Hove.

Mr. and Mrs. Oliver Woolley had as dinner guests Sunday, Mr. and Mrs. O. V. Johnson and Norman and Donald Johnson.

Mr. and Mrs. Art Hove and Clarice Rae, accompanied by Mrs. Bell Hanson and Mrs. Marie Michelsen, drove to Clarkston Sunday. Mrs. Michelsen visited at the home of Mr. and Mrs. Carl Fredrickson and the others visited with Mr. and Mrs. Clyde McClain and family and with Mrs. K. Hagan.

who celebrated her 81st birthday anniversary Sunday.

Sunday afternoon visitors at Nels Lande's were Mr. and Mrs. Clarence Peterson and boys and Mrs. Dolle Peterson and Vernon Peterson.

**Birthday Party**  
Mrs. F. W. Qualey was given a birthday party Tuesday afternoon by her daughters, Mrs. Dick Green and Mrs. Jack Nebelsieck at the latter's home. Mrs. Qualey was remembered with many useful gifts and following the social afternoon the hostesses served luncheon, a feature of which was a birthday cake. Present were: Modanus Dick Nebelsieck, Dora Nebelsieck, George Anderson, John G. Meyer, John Meyer, Sr., Harry Schooler, John Plomer, Irvin Nebelsieck and son, Martin Liberg, Miss Pearl Schooler, Miss Wilma Schultz, Miss Emma Roskammer, Mrs. Qualey, Mrs. Green and Mrs. Nebelsieck.

**Congregational Ladies Aid**  
Members of the Congregational Ladies Aid will meet at the home of

Mrs. Elmer Vanouck on February 7, when Mrs. W. M. Herman, Mrs. Forrest Durbin, Mrs. Lawrence Brown and Mrs. Wm. Hickman will be the hostesses and have charge of the Valentine party with ladies of the Foreign Missionary Society as guests. There will be an exchange of Valentines.

**Evening Party**  
Hosts for a party Saturday evening at the J. Broemeling home were Jack Black, Don Huffman and Howard Kries. Their guests were Jean Broemeling, Phyllis Magee, Dorothy Schooler, Mary Jane Broemeling, Anna Mae Kluss, Ron Huffman, Perry Black and Richard Broemeling. During the evening games were played and at its conclusion refreshments were served.

**Geneese Valley Church**  
Services Sunday at 2:30. Sunday school at 1:30. Ladies Aid at the Parish hall Thursday afternoon. Mrs. Art Hove will be the hostess.

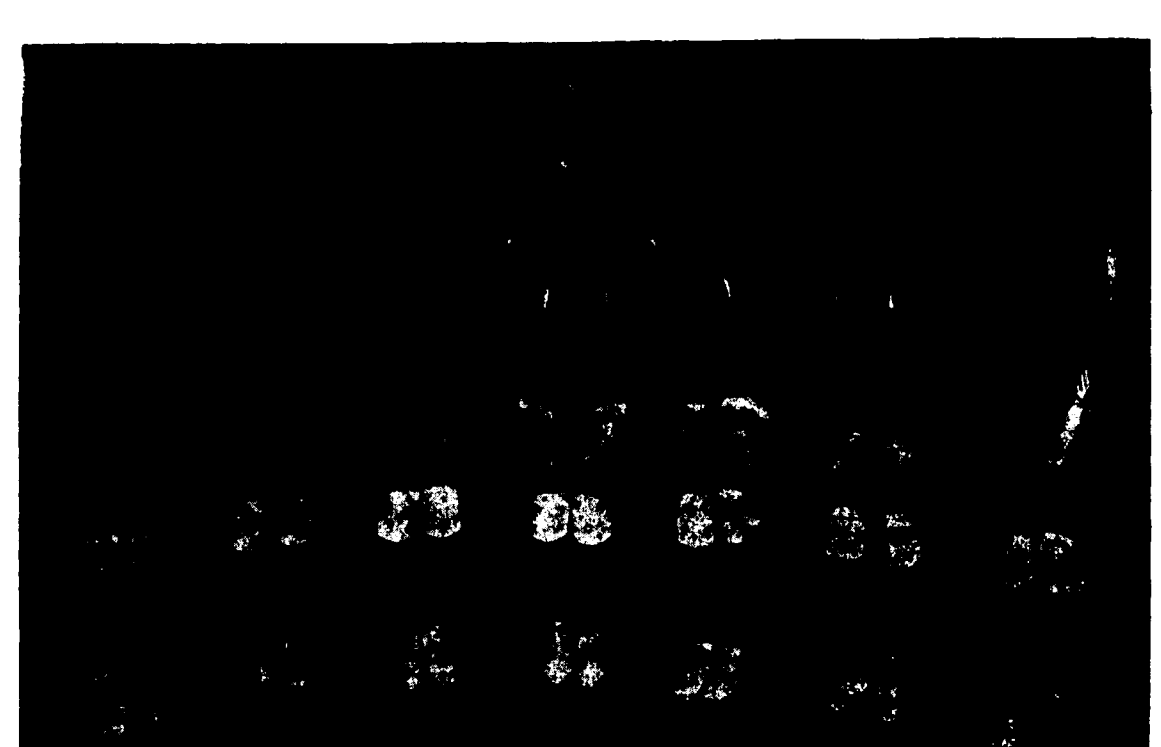

**Dinner Guests**  
Mr. and Mrs. Ray Trautman entertained for dinner Sunday, Mr. and Mrs. Chas. Ingie, Mr. and Mrs. Art Kleweno and daughters; Miss Pauline Zenger and Clifford and Clinton Herman.

He came home and, as they say in the movies, found his wife sewing on a tiny garment. "My dear! My dear!" "Don't be silly," she replied, "This is my new dinner gown."

### LOCAL NEWS

Homer Burr, University of Idaho student, was home Monday and Tuesday, finding time to visit his parents, Mr. and Mrs. W. W. Burr, between first semester examinations.

Mr. and Mrs. Ervin Plomer and family moved Thursday to Lapwai to make their home. Mr. Plomer is employed by the Lapwai highway district as foreman.

Mr. and Mrs. Harry Schooler and Mr. and Mrs. Harold Raymond were Monday evening visitors of Mr. and Mrs. James Magee.

Mrs. Lena Herman spent the week end in Moscow with Mr. and Mrs. Matt Diethelm.

W. G. Mesamer of Norwich, Kans., who visited here for several weeks with his daughter, Mrs. Forrest Durbin, and husband, W. G. Mesamer, left for his home. He was taken as far as Moscow by Mr. and Mrs. Durbin.

Mr. and Mrs. Wm. Rader and daughters and Mrs. Amelia Rader and Mrs. LeRoy Harris visited Sunday with Mr. and Mrs. Oscar Rader at Troy. James Rader who has been seriously ill, is improved.

Mrs. Walter Melcher of Spokane visited Sunday night and Monday with Mr. and Mrs. W. M. Herman. Mrs. Melcher and Mrs. Herman are cousins.

Mr. and Mrs. Forrest Durbin and the latter's father, W. G. Mesamer, visited relatives at Troy Friday. Mr. Mesamer remained to visit until Sunday.

Mrs. W. H. Mervyn left Thursday for Boise for a two weeks visit with her sister, Mrs. E. A. Johannmeyer, and husband.

Mr. and Mrs. N. S. Higgins and two sons and Mrs. M. Higgins of Uniontown, were dinner guests Friday evening of Mr. and Mrs. David Kuehl. Mr. Higgins, who recently sold his drug store at Uniontown is now looking for another location.

Mrs. Chas. Schooler who was taken ill last Thursday and taken to the Colfax hospital Monday is reported by her family to be much improved.

Mr. and Mrs. Frank Scharbach, Bud Scharbach and Mr. and Mrs. Wm. Broemeling were visitors in Geneese Tuesday, the ladies visiting in the district, and with Cullisac to have a new gym in 1941, the tournament could be alternated between that school, Kendrick and Geneese.

Geneese draws a long trip if the tournament is played at Kendrick, a

Rev. Marcus Rieke left Sunday evening for Tacoma, Wash., to attend a pastors' institute. He planned to return home Friday.

Andy Wharbo left Wednesday for Spokane to be with his sister, Miss Mary Wardrobe who expected to undergo a major operation Thursday.

John Luedke, a patient at Gritman hospital, Moscow, convalescing from an appendicitis operation, is recovering rapidly and may return to his home here Saturday.

Miss Ethel Dresher returned to Eureka, Calif., Monday after a visit of two weeks here with relatives.

Dr. and Mrs. Geo. McKeever and two daughters of Kendrick were Sunday visitors of Dr. and Mrs. N. M. Lewis.

Helen Heitfeld, who has been staying with her aunt, Mrs. Andrew Wardrobe, and attending school at Geneese, was taken suddenly ill Sunday, and on Monday her parents, Mr. and Mrs. Walter Heitfeld of Spokane motored to Geneese and returned her to Spokane for medical attention.

Miss Ruth McGeath of Pullman visited Sunday with her uncle and aunt, Mr. and Mrs. Wood Gash.

**K. OF P. ENTERTAIN**

Members of Knights of Pythia held their social meeting Tuesday evening when about 60 Knights, Pythian Sisters, their families and invited guests enjoyed an evening of fun and frolic. In the contest of Prof. Quiz and Wits, the ladies won the honors. After this feature cards were played until lunch time, when a delicious feed was served cafeteria style.

Last week the lodge trustees had installed a heat distributing fan that worked successfully and added to comfort of the gathering.

Tuesday, February 6 the lodge will meet in regular session at 8 o'clock, prompt.

**Birthday Party**  
Mrs. W. M. Herman entertained in honor of her mother, Mrs. Rachel Dunbar of Moscow Sunday, celebrating her birthday. A dinner was given at Mrs. Dunbar's home, others present being Mrs. Johanna Christenson and Mrs. Fred Shirrod, Mrs. Anna Hanson, Mrs. John Luedke and Mrs. John Black, Mrs. Jess Johnson and Miss Ruth Martinson. A no-host supper was served after which visiting was enjoyed.

Miss Esther Martinson was given a surprise birthday party Saturday evening by Mrs. W. W. Burr, Mrs. Ray Edwards, Mrs. Mathon Follett, Mrs. John Black, Mrs. Jess Johnson and Miss Ruth Martinson. A no-host supper was served after which visiting was enjoyed.

Geneese Bulldogs have two games remaining to be played before the sub-district tournament. Cullisac at Cullisac, February 6, and Kendrick at Geneese Friday, February 9. Kendrick is the only conference team to win from Geneese this season, and by a score of 32-17. Cullisac and Geneese played a 32-22 game with the Bulldogs long end. Kendrick lost two games to Cullisac and one to Southwick.

Geneese, Cullisac and Kendrick apparently are certain of sub-district tournament play, but Southwick and Lapwai have the battle on for fourth place. Its remaining engagements with Juliaetta, Southwick and Kendrick. Southwick must yet play Cullisac, Lapwai and Juliaetta at home and Kendrick at Kendrick. It may be a wild guess but it looks like Lapwai has the easier schedule remaining. Lapwai will play what may be its deciding game at Southwick. In a previous encounter Lapwai was victorious over Southwick by a score something like 30-17.

**Sub-district Chatter**  
Negotiations to decide the place of sub-district tournament play for the Valley conference have not as yet got under way, owing to the Lapwai-Southwick discussion, both schools having pulled up neck-and-neck for fourth place. No reliable information can be given today, but Tuesday, Thursday and Saturday, February 13, 15 and 17 would be favored as dates by the Geneese segment of the circuit if Geneese is compelled to play away. Geneese would like very much to entertain the sub-district tournament, and perhaps Kendrick is in a similar frame of mind. Facilities at Geneese would be much better than elsewhere in the district, and with Cullisac to have a new gym in 1941, the tournament could be alternated between that school, Kendrick and Geneese.

Geneese draws a long trip if the tournament is played at Kendrick, a

GENESEE DROPS FIRST GAME TO POMEROY IN BI-STATE 25-14 Pomeroy and Genesee played an even-up game in the first half of their game at the Bi-State tournament being held in Lewiston Thursday, Friday and Saturday. The second half of the initial game between the two teams showed Pomeroy to have a decided edge in every department.

In the first half neither team was able to work in for their shots, and in the third quarter Pomeroy missed shot after shot, but the Bulldogs were unable to get together during the time Pomeroy was off in their shooting. Genesee had a bad afternoon handling the ball and lost it many times on wild passing, especially in the early part of the game.

Coach Ben Cook used his starting lineup of Armstrong, Lathan, Springer, Moore and Pederson, during the first three quarters, substituting R. Huffman for Armstrong in the final minute of the first half. In the fourth period Huffman entered the game. Pomeroy and Armstrong returned to replace Springer. Scharnhorst substituted for Pederson, and Aherin went in for Moore.

Both teams played a clean game, with Genesee converting six of the eight free shots on Pomeroy fouls, and Pomeroy made four of the eight free throws on Genesee fouls. Armstrong was high point man for Genesee with 7. Lathan converted for one point on a free throw and Moore scored six points on two field goals and two free throws. Armstrong made three of his four free throws. High man for Pomeroy was W. Fitzsimmons with 9 points, four field goals and a free throw. Mayfield was second with 7 points, three baskets and a gift shot. M. Fitzsimmons added four points, DeVleming three and MacKinnon, two. Genesee is eliminated from further play for the championship, and if a winner will play another game, and if a winner will enter the consolation play-off. Lewiston Wins from Potlatch Lewiston came from behind to win from Potlatch 25-24 after trailing at the half 16-5.

Genesee will play the loser of the Clarkston-Pomeroy game Friday afternoon at 2:30.

Smith School Parties Gain Momentum Last Friday night the community again gathered at the Smith school house when those present were kept busy bidding, then came watching the program, eating and keeping in step with the chant of the "caller" and the tunes of the fiddle.

Friday morning several men gathered at the school and sanded the floors, putting it in excellent condition. Dinner was served to the men to no delay in work was noted. High scores in cards were won by Roy Johnson for men and Mrs. Bertha Iverson for the ladies, and low scores went to Allen Sather and Mr. Earl Parsons.

A comedy skit, "Checking on Honesty" was presented by Mrs. Eglan and Mrs. Bertha Iverson, after which a refreshing luncheon was served. Hosts for the evening were Mr. and Mrs. Art Tegland and Mr. and Mrs. Pete Iverson. One of the guests of the evening, Fred Goetz, added much to the program. His able calling, matched by Pete Iverson's fiddle, kept the group dancing 'til late hours. Guests for the evening were Mr. and Mrs. John Elkum and Mr. and Mrs. Fred Goetz. About 56 were present.

TEACHERS' MEETING About fifty members of the Latah County Teachers' association met at Genesee Thursday last. Dinner was served at 6:30 at Roy's Inn after which a business meeting was held at the high school assembly room for discussion of the association program.

Coach Ben Cook used his starting lineup of Armstrong, Lathan, Springer, Moore and Pederson, during the first three quarters, substituting R. Huffman for Armstrong in the final minute of the first half. In the fourth period Huffman entered the game. Pomeroy and Armstrong returned to replace Springer. Scharnhorst substituted for Pederson, and Aherin went in for Moore.

Sub-District Tournament at Genesee Febr. 13, 15, 17

Lapwai, Culdesac and Genesee high school representatives voted to hold the sub-district basketball tournament at the new high school gymnasium at Genesee February 13, 15 and 17. Kendrick and Southwick favored the tournament being held at Kendrick. Such action was taken at a hurriedly called meeting Wednesday evening at Lapwai when all schools of the Valley conference, with the exception of Juliaetta were represented as follows: George Nelson, Lapwai; Lowell Mason and Ross Armitage, Kendrick; Merle Frost, Culdesac; James Mauch and Jack Climer, Southwick and Kenneth Dean, Genesee. Each school was entitled to one vote to determine the place where the tournament is to be held. On the first ballot Kendrick, Lapwai, Culdesac and Southwick voted to play the sub-district tournament at Kendrick, the only dissenting vote being Spout. Dean of Genesee. Kendrick was favored perhaps because all teams participating, with the exception of Genesee would travel shorter distances.

Kendrick was unable to offer guarantees to any of the teams to participate, other than a division of tournament receipts, or an estimated return to each school of about \$55. When the sub-district tournament was mentioned to a meeting of the Genesee Civic Association, a committee was named to secure individual guarantors who would willingly underwrite a sub-district tournament guaranteeing \$75 to three teams, Genesee high school being excluded as host team. Tournament receipts will be divided \$75 each of three participating teams up to \$75 each, and the remainder, less tournament expenses, will be divided four ways, and in this division Genesee would be included.

First Tournament for Genesee This is the first time that a sub-district tournament has ever been held at Genesee, and with the exceptional facilities now offered, fans should welcome the opportunity to witness a tournament. Four teams, those finishing first, second, third and fourth in the regular season will enter the play-off. Kendrick, Culdesac and Genesee are certain of places, but Lapwai and Southwick have a battle on for fourth place. Teams will be designated by the order in which they finish conference play. For instance, Genesee, now in the lead will be No. 1. Culdesac in second place, will be No. 2 and so on. Opening the tournament Tuesday, February 13, at 7:30 p. m. Teams Nos. 1 and 3 play, and Teams Nos. 2 and 4 play. Thursday evening, February 15, at 7:30 winners play winners and losers play losers. On the final evening, Saturday at 8 o'clock the two teams remaining in play meet for the championship and runner-up. Teams are eliminated when they lose two games.

Season tickets will not be honored from any school in this tournament, as they were issued only for conference play. Admissions will be 40 cents for adults and 25 cents for grade and high school students.

Genesee loses to Clarkston Experience in the Bi-State basketball tournament at Lewiston last week proved that Genesee is not the best team. Pomeroy, for its opening game, and then Genesee returned to play Clarkston high school and lost 12-15. Genesee was out in the lead 6-4 at the half, but with the loss of Lathan by four personal fouls in the first period, and with Armstrong on the bench by illness, it was a toss-up between the two teams, hoping to enter the consolation play-off. Lathan was high for Genesee with 4 points and Springer scored 3 points; B. Herman, 1; R. Huffman, 2; and Moore, 2. Genesee drew two afternoon games and both were witnessed by large groups of fans from the home town. Both games were rather disappointing, although Genesee was up against the best team they played this season when they met Pomeroy. Losing to Clarkston was heartbreaking as the Bulldogs were giving everything they had and held Clarkston until the final minutes of play. Those who witnessed the second game said the Bulldogs played one of their best games of the season. Moscow, conceded the winner of the tournament, were hand-pushed to win from Pomeroy in the finals.

Parents of Daughter Mr. and Mrs. Ed Hasfurth are the parents of a daughter born Thursday, February 1, at the home of Mrs. Hasfurth's parents, Mr. and Mrs. Wh. Thiesen. The baby has been named Marie Helen.

Genesee Amateur Athletic club took command of the scoring in the fourth period of a basketball game played in the high school gymnasium here Wednesday night. Their game with Culdesac at Culdesac Tuesday evening, and after leading 12-4 at the half finished, the game with a 6-point advantage, 30-25. Genesee was ahead in the first few minutes of the second half 16-4. Genesee, culdesac, was missing from the lineup, being confined to his home with flu and high scoring honors for his club went to White, who scored three fields and two foul shots for a total of 8 points. Armstrong was the most successful Genesee scorer with five shots going in and team foul shots for a total of 12. Lathan hit the hoop three times from the floor, R. Huffman once, Moore twice and Pederson once. Springer scored four for four from the foul line. Gillette for Culdesac tossed nine times from the foul line and converted in six of his attempts. D. Gillette scored one point; Fredrickson, 4 points; Fox, 5, and Funnemark, 1. Genesee converted on six foul shots out of a possible 9, and Culdesac was successful on 13 out of 20 free shots. Genesee was fouling frequently with Spring, D. Gillette, the game on the statutory limit of four. White for Culdesac and a team mate D. Gillette, also left the game on four personals. Moore and Pederson for Genesee finished up with three each; Scharnhorst, Armstrong and Lathan, two each and Huffman, 1. Coach Ben Cook kept the game on a fast pace. Moore and Pederson and kept them in during the first half, but substituted frequently in the second half.

Kendrick Here Tonight

Genesee and Kendrick wind up the Valley conference season at Genesee this evening, in what should be one of the really contested games of the year. Genesee is in first place, but it must be remembered that Kendrick is the only team to win all of their games in conference play this season. At Kendrick Genesee lost to the Tigers 17-32. Kendrick is no set-up for any club. They have lost to Culdesac and Southwick, but they nipped the Elk River club, and won easily from Troy and took a game from the Moscow second string. Armitage, Southwick scoring ace of last season, now playing with Kendrick after becoming eligible for the second semester, has improved the Kendrick offense, while Lathan, a second-semester eligible player joined the ranks of the Bulldogs in conference play this season. Displaying exceptional basketball shooting the Red Heads were at a disadvantage under the basket to take the ball as it rebounded. Their shooting was most conspicuous unless it was the ability of Lawson to hit the hoop from the side. The traveling girls never came in for a close-in shot but twice Kirkpatrick from the pivot position turned neatly to score. Armstrong for Genesee, in the hot-act, kicked away from the hoop repeatedly to score, and Smylie "another" an a sheriff's pistol, outshone any four from the Casville, Mo. lassies in long-range marksmanship.

As an entertainment feature generally, the event was somewhat novel, but in the technical aspects of basketball the barnstorming Amazons were as accurate in their shooting as Finnish sharpshooters, provided they could get set for a shot. Lefty Emmett, coach and manager of the G. A. A. C. said that 503 paid admissions to the game, a total of \$201.20. To the Olson's Red Heads went the first \$50, plus 60 per cent of the balance, or \$90.72. The remainder, or \$60.48, went to the Genesee Athletic club, from which it is to be deducted rent of the gymnasium and some advertising expense. The Olson's Red Heads went into a tie with Armstrong for high-scoring honors and Lawson of the travelers and Smylie tied with 14 points each. From the foul line the Missourians missed two shots in 13 attempts, one by Laich and one by Sommer, but Kirkpatrick scored for 7. Genesee broke even on free shots, six going in and six missed. Blume with the most tries, five, made three; Armstrong converted one of three; Thiesen made good his only foul try and Wishard hit one in three tries. Laich, who had an average of 19.5 per cent regulation, four times, but remained in the game, Lawson and Smylie each fouled three times each. None of the fouls were of a serious nature, and the game was noticeably free of any ungentlemanly or unladlike tactics. The Red Heads even said the G. A. A. club was a fine group to play against.

In the scoring for Genesee, Blume scored 5 points; Edwards, 0; Armstrong, 15; Broemeling, 0; Thiesen, 1; Knight, 0; Smylie, 14, and Wishard, 7. For the Red Heads, Laich, 7; Sommer, 1; Osburn, 0; Lawson, 14, and Kirkpatrick, 15. Seating capacity of the new gym was taxed to hold the crowd, and a hour before the game to find seats, number of spectators showed up an First Family Gathering in 14 Years Two sisters and two brothers, Mrs. Wm. Hickman of Genesee, and Mrs. W. J. Dorchester of Watakiwin, Alberta, Canada, John Platt and Will Platt of Lewiston were honored with a dinner Sunday, given by their niece, Mrs. Ralph Tuttle and husband, at their home on Deloit Lane, Lewiston. This was the first gathering of the Platt family in 14 years. Wm. Hickman was also a guest at the dinner and in the afternoon other visitors were Mr. and Mrs. Tom Platt and daughter, Lois; Mrs. Frances Stackpole, Mr. and Mrs. Stanley Gilton, Mr. and Mrs. Jack Platt and daughter, Nancy, and Morley Platt.

PEA GROWERS BODY MEETS A second meeting of the organization committee of the proposed cooperative pea growers' association was held in Garfield last Monday. The objective which it is thought can be achieved for the growers were outlined. The program in its present tentative form will be submitted to growers by mail. The growers will be asked to express their interest in the formation of such a cooperative organization. If sufficient interest is shown several local meetings will be held throughout the district for the purpose of explaining the plan in greater detail. Action will then be taken toward actual organization of a pea growers' cooperative. Growers are requested to watch their local papers for announcement of these local meetings.

Geo. Blume Coach at Watakiwin George Blume has accepted the position of athletics coach in the high school at Watakiwin, Wash., and took over his assignments Monday. The school has an enrollment of about 400 students, and George will have classes in history, mathematics and general science. He was graduated from Washington State College last spring.

Genesee High School Girls Win from Culdesac 33 to 10 Improving decidedly over former games Genesee high school girls more than doubled the score on Culdesac Tuesday night at the half when the score was 13-6, and in the second half Genesee scored 20 points 8 for Culdesac, to make the score 33-14. Manning with high pointer with nine field goals and two free throws for 20 points; Morgan scored 8 points on three field shots and two free tosses, and Schooler scored 5 points, on two field goals and a free throw. High for Culdesac was I. Olen with three field goals for 6 points; George, 5 points and Vincent, 3 points. Besides those playing the forward positions for Genesee were Williams, Whitted, Manderfield, French, Linehan, Magee and Loring, who kept the ball in Genesee territory during most of the game. French left the game on four personal fouls.

Sub-District Basketball Tournament Genesee High School Gymnasium Tuesday, Thursday and Saturday February 13 - 15 - 17

Genesee H. S. Undisputed Leader in Conference

Genesee high school Bulldogs, unleashed in the next to final game of Valley conference basketball, missed their shot in their game with Culdesac at Culdesac Tuesday evening, and after leading 12-4 at the half finished, the game with a 6-point advantage, 30-25. Genesee was ahead in the first few minutes of the second half 16-4. Genesee, culdesac, was missing from the lineup, being confined to his home with flu and high scoring honors for his club went to White, who scored three fields and two foul shots for a total of 8 points. Armstrong was the most successful Genesee scorer with five shots going in and team foul shots for a total of 12. Lathan hit the hoop three times from the floor, R. Huffman once, Moore twice and Pederson once. Springer scored four for four from the foul line. Gillette for Culdesac tossed nine times from the foul line and converted in six of his attempts. D. Gillette scored one point; Fredrickson, 4 points; Fox, 5, and Funnemark, 1. Genesee converted on six foul shots out of a possible 9, and Culdesac was successful on 13 out of 20 free shots. Genesee was fouling frequently with Spring, D. Gillette, the game on the statutory limit of four. White for Culdesac and a team mate D. Gillette, also left the game on four personals. Moore and Pederson for Genesee finished up with three each; Scharnhorst, Armstrong and Lathan, two each and Huffman, 1. Coach Ben Cook kept the game on a fast pace. Moore and Pederson and kept them in during the first half, but substituted frequently in the second half.

Boy Scouts Demonstrate Activities of Local Troop

Boy Scouts of Genesee entertained a large number of parents and friends Monday evening at the Legion hall to demonstrate and acquaint those interested in their program, and they ushered in activities incident to national Boy Scout week, February 8 to 14, inclusive. Perry Black, who qualified as senior patrol leader, was advanced to that position Monday evening at the public meeting when the rites were read by Rev. Melford Knight, scoutmaster. Three new members were invested and took the Scout oath; they were Bob Gray, Richard Broemeling and Ralph Anderson. Those who conducted the investiture ceremony were Rev. Knight, scoutmaster; Perry Black, senior patrol leader; Bill Cook, an assistant scoutmaster, and J. Adrian Nelson, chairman of the Scout committee. The boys demonstrated activities of a regular meeting and displayed the various means of sending messages. In the demonstration one member was supposed to have been wounded, with the help of a first aid kit. The Troop also gave an example of their camp life, with Art Broemeling leading the group singing. H. G. West, Pullman, district scout executive, showed moving pictures of scout activities and thanked the community for its interest. They are taking in the Boy Scouts and expressed appreciation for financial support. Members of the troop then entertained the assembly with a dramatized skit, "The Melderman".

Members of the Troop are: Perry Black, scoutmaster; Bill Emerson, Dan Black, scoutmaster; J. Adrian Nelson, Sanford Evans, Art Broemeling, Richard Broemeling, Fred Moreschek, Ralph Anderson, Robert Wishard, Don Borgen, Evert Gray, Leonard Bielenberg, Delmond Grieser, Buddy Springer, Tommy Edwards and Dick Black, Perry Black, Everett Wishard, and Bill Emerson. They are taking in the Boy Scouts and expressed appreciation for financial support. Members of the troop then entertained the assembly with a dramatized skit, "The Melderman".

Attend Church Sunday All Boy Scouts are required to attend their respective church services Sunday as part of National Boy Scout week. Dance and Lunch Net Sam Following the Boy Scout activities members of the Genesee Civic Association Scout committee, J. Adrian Nelson, Carlie Oleson, Dr. N. M. Leavitt, Forrest Durbin and John Black, sponsored a dance and lunch to aid in providing funds for the local troop. Wives of the committee members and several of the Boy Scout mothers assisted in serving the lunch and the Hill Billies, Colin Wilfong, Dick Green, Harry Hanson and Dave Kuehl, assisted by Mrs. N. M. Leavitt and E. D. Pederson furnished the music. The scout committee, members of the troop and their leaders are highly appreciative of the funds received for their treasury as they are engaged in establishing a camp on a site donated by Clarence Aherin in Pine Grove. Jess Johnson has given them a building for a clubhouse which is to be moved soon as weather and roads permit. The news has been asked to recognize the Boy Scout week opening today (Thursday) and also the 30th anniversary of the founding of Boy Scouts of America. The frame for the advancement chart to be seen in the window was donated to the boys by John Luedke.

### Farmers Union Producers Co. SIGN CONTRACT WITH Standard Oil Company OF CALIFORNIA

The Farmers Union Producers Company has completed negotiations in which a contract has been signed to handle the products of the Standard Oil Company of California through the bulk storage plant formerly operated by Mr. Frantz Matz of Moscow. The Standard Oil Company is one of the largest major oil companies in the field with a well-known and advertised product.

The Company will follow the policies and methods of the Standard Oil Company in the handling of these products. The service will be of the best and we will endeavor to serve our customers in the best possible manner.

The bulk storage plant has been purchased from Mr. Matz some time ago, and will be operated under the name of Farmers Union Producers Company, to distribute Standard Oil Company products.

Telephone calls will be received at either the Farmers Union Producers Company office or at the present office.

The services of Mr. Phil Enders have been retained as local distributor. Mr. Enders has had nine years of experience in the handling of petroleum products, which experience should add to the serving of customers. The company feels very fortunate in being able to have Mr. Enders remain with the company.

Honored With Party in Clarkston  
Mary Jean Loring was given a dinner party by her aunt, Miss Alice To-

bin, in honor of her birthday anniversary Sunday at the Tobin home in Clarkston. Place cards and favors were in the Valentine motif. Those attending from Genesee were taken to Clarkston by Jim Loring. They were Mary Jean Loring, Marjorie Broemeling, Virginia Tobin, Elsie Lundt, Margie Kieweno, Lois Loring, Mary Alice Loring and Mary Frances Loring. Mary Jean was remembered with many birthday gifts.

Party Honoring Mrs. Nebelsieck  
Mrs. Jack Nebelsieck was honored with a party and many gifts Sunday afternoon at the club room at the Legion hall when Mrs. Dick Green, Mrs. Frank Qualey, Mrs. Dick Nebelsieck, Mrs. Harry Schooler, Mrs. John Flommer and Mrs. Irvin Nebelsieck were hostesses. Forty guests were present to enjoy the afternoon of games, after which luncheon was served.

Seventh and Eighth Grades  
The best two-point perspective drawings were made by Fred Morscheck, Gwen Meyer, John Loring, Don Borgen, Viola Huntley, Gene Eikum, Patsy Margee and Wayne Vestal. The best bird designs were made by Patsy Margee, Violet Wagner and Erma Huntley.

First Grade  
The person to attain 100 in eighth grade math test was Gwen Meyer. In the geography test Lawrence Isaksen made 100. In history, Harold Springer, Gene Eikum, Shirley Haymond and Vela Hammersley made 100.

Sixth Grade  
Those to receive 100 in spelling are Dick Black, LaVonne Densov, Robert Liberg, Itha Wright and Donna Cook.

The sixth grade room made design leaps in art. The ones to go up belong to Dorothy Lee, Clarice Hove, Dona Post, Itha Wright, Gene Vestal, Beverly Heinrich, David Headrick, Margaret Vandenberg and Donna Cook.

Fifth Grade  
In our arithmetic class this week we had an accuracy contest in addition. The children who stayed at the blackboard the longest and who were winners were: Harold Headley, Lillie Mae Abern, Verla Pabst, Dale Caruh, Keith Bergman, Teddy Schueter and Ruth Anderson.

We sent a scrap book of interesting collections and pictures of Idaho and nearby places to the fifth grade in Cleveland, Miss. We just received an interesting package in return from Mississippi. We plan to continue our correspondence with the Cleveland fifth grade and hope that we will learn more about their state which we have been studying in social science.

Fourth Grade  
We have just returned from our visit to the Arabian Desert. This is the third journey we have been on this year. Now we are making pictures and planning reports for a program to tell some of the other grades what we have learned about the hot, damp country of Belgian Congo, the cold Eskimo land, and the hot, dry Arabian Desert.

Several members of our class are absent this week because of illness.

Second Grade  
We finished a very interesting story in our reading book. The children made a moving picture of the story. We have a little stage to show the picture on. All of the grades are invited to see our moving picture. The

admission price is one common pin. In social studies we are studying the post office. Today we are going to visit the Genesee post office. Mr. Haymond has consented to answer our questions, any that the pupils might like to ask. All the pupils are to have a separate mail box in our post office, and each child will get his Valentines in his mail box.

First Grade  
The First Grade Busy Workers have completed their "Peter and Peggy" book. They will next read, "At-Home and Away."

We are anxiously making plans for our Valentine party next Wednesday. We have invited all of our little brothers and sisters.

Party at Ingle School  
Mrs. Lawrence Vestal, Mrs. O. V. Johnson and Miss Emma Roskammer entertained last Friday evening with a card party at the Ingle school for Mrs. Fred Morscheck and son, Fred, Jr., Roy Jorstad, Roy Fish, Wm. Classen, Fred Shirrod, Ad and Wilson Archibald, Miss Sylvia Sidenor, Mr. and Mrs. Harold Lee, Mrs. Robert McGarvey, Wayland McGarvey, Mr. and Mrs. George Roskammer, John Hodoffer, Mr. and Mrs. Roy Thomas, O. V. Johnson and sons, Mr. and Mrs. Gus Rosenau, Mr. and Mrs. George Berry, Estel Caruhun, Mrs. Collins, Mr. and Mrs. Martin Liberg, Mr. and Mrs. Cline Sidenor, Mrs. Geo. Anderson, Mr. and Mrs. Tom Gooch, Mr. and Mrs. Wm. Baumgartner and Lawrence Vestal. Prizes were awarded for the ladies to Mrs. George Berry and Mrs. Tom Gooch and for the men to Fred Morscheck and Fred Shirrod. Following play, the hostesses served luncheon.

Bridge Dinner  
Dr. and Mrs. A. J. White were hosts Friday evening, entertaining for dinner and bridge, Mr. and Mrs. Harry Schooler, Dr. and Mrs. N. M. Leavitt, Mr. and Mrs. Fred Judd, Mr. and Mrs.

Ladies Aid Social Meeting  
Mrs. W. M. Herman, Mrs. Forrest Durbin, Mrs. Wm. Hickman, Mrs. Lawrence Brown and Mrs. E. W. Vanouck were hostesses Wednesday afternoon, entertaining members of the Ladies Aid and ladies of the Missionary Society as special guests. The party was held at the Vanouck home. Exchange of Valentines, games and contests were enjoyed by the large number present. A Valentine luncheon was served at the close of the afternoon.

THE GENESSEE NEWS Genesee, Idaho Entered at the Postoffice at Genesee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher AND YOU PAY THE BILL (By Glenn Balch) In this year of 1940, public governing bodies of the state of Idaho are finding themselves in a painful dilemma. In the one hand they are having difficulty in financing those functions of government that have been accepted as highly desirable if not actually necessary; and on the other hand it is quite obvious that taxes, on some classes of property at least, are approaching that point known as "diminishing returns," or another way of saying "confiscation."

Any question as to this latter assertion will be rapidly removed by a survey of our tax rolls. Such a survey will show that a vast amount of the property on these rolls is delinquent in tax payments for periods ranging from one year up to several. The survey will likewise establish the fact that the various counties at this time hold tax-titles to large amounts of property formerly on the rolls but now deemed of less value than the assessments against it. Half a million acres of Idaho land has disappeared from tax rolls in the last eight years.

This property, being held by the counties, is no longer tax-productive and this fact, in turn, increases the burden on all other property still in the hands of private owners. Such a vicious circle, if not checked, could eventually lead to a condition where the counties would own all property and yet not have sufficient tax income to pay the court house janitor. Difficulties of public financing are increased by the fact that there seems to be no thought toward a lessening or a decrease of the functions demanded of the various units of our government. Rather we find that, despite the many phases of public and private lives now governmentally regulated and controlled, there is a constant exertion of pressure on governmental offices, and in some instances by governmental officials seeking to increase the importance of their jobs, for additional expansion and broadening of governmental functions.

There seems to be, and in truth there is, no end of things which the counties and cities and school districts and highway departments can do for their citizens. Needs can be found on every hand, some of them closely approaching the critical. And there are needs in every community who stand ready and anxious to assert their leadership and exercise their influence by going to public officials and demanding this or that.

These groups may not say as much but they invariably infer that refusal to grant their demands will bring reprisals and attacks on the local officials. Public officials are as human as the rest of us and desire to retain their jobs. They may also present the argument to themselves that "this is what the public wants," as evidenced by the committee's visit.

To one sitting in public office and dealing with public funds, it is generally easier to say "yes" than "no." About the only person not consulted in the matter is you—and you pay the bill.

Union Church Services Young People's Day Sunday, February 11. Special sermon, "The Second Mile." Junior Christian Endeavor, 7 p. m. Senior Christian Endeavor, 7:30. The Senior Endeavor societies will leave immediately after the morning church service for Garfield to attend a district rally.

Miss Wardrobe Recovering Andrew Wardrobe returned Wednesday from Spokane where he went last Thursday to be with his sister, Miss Mary Wardrobe, who underwent a major operation Friday. She is reported to be getting along as well as can be expected.

Excitement prevailing along the rows of bleachers overflowed in the final quarter and the Bulls led the players as they approached the final minutes of play. Genesee ran up seven points with Kendrick going the Bulls one in the last ten seconds. The ball was in the air at the final buzzer and Kendrick scored a field goal to add up to 15. Armitage for Kendrick slipped in a field goal from far out and with his lay-up scored four points for the Tigers. Watts added a field goal, also Thornton and Newman plus four shots, one each by Kuykendall and Newman, totaled 12. Kendrick took the tip-off to open the second half, and before Genesee hit a strike Kendrick had scored five points to make the score, Kendrick 18, Genesee 15. The Bulls got picked up eight points, while Kendrick was making two, and at the third quarter Genesee had added two more and the Tigers four, to make the score 25-22 for Genesee.

Excitement prevailing along the rows of bleachers overflowed in the final quarter and the Bulls led the players as they approached the final minutes of play. Genesee ran up seven points with Kendrick going the Bulls one in the last ten seconds. The ball was in the air at the final buzzer and Kendrick scored a field goal to add up to 15. Armitage for Kendrick slipped in a field goal from far out and with his lay-up scored four points for the Tigers. Watts added a field goal, also Thornton and Newman plus four shots, one each by Kuykendall and Newman, totaled 12. Kendrick took the tip-off to open the second half, and before Genesee hit a strike Kendrick had scored five points to make the score, Kendrick 18, Genesee 15. The Bulls got picked up eight points, while Kendrick was making two, and at the third quarter Genesee had added two more and the Tigers four, to make the score 25-22 for Genesee.

Individual high scorer was Kuykendall for Kendrick, with 13 points, a foul shot in the first half and six field goals in the second half, and all from well out. Lathan was high for Genesee with 11 points, one foul throw and five baskets, four of the latter coming in the morning quarter. Armstrong ran up 6 points on three field goals; Springer scored three field shots for 6 points; Moore scored 6 points on his three field baskets and Pederson shot one free throw and made one field basket.

Arrangements held for four points, two field shots in the first few minutes of play. Watts scored two field baskets and Newman shot one from the foul line and one from the field. Watts for Kendrick was the only player fouling out. Three Genesee men, Armstrong, Pederson and Pederson, finished up with three personal fouls.

GENESEE AND CULDESAC WIN OPENING TOURNAMENT GAMES Culdesac Humbles Lapwai 42 To 28 Lapwai Miles Too Often While Culdesac Accurate Lapwai 28 - Culdesac 43 Shots rained about the Lapwai basketball court Tuesday evening in the second tournament game between Lapwai and Culdesac, but the Indians were most fortunate in contrast to the success of Culdesac who made their first five tries from the field good. The Lapwai basket seemed with Kaine let go an opening before Kaine let go with a long shot that sunk through the net. Culdesac was out in front and made 7 good. B. Gillett and 14 to 5 at the first quarter, and at the half the winning team, Culdesac, had 27 points to 13 for Lapwai. The Indians, however, scored one more point in the second half than Culdesac, but during this period Coach Tex Jones was the only player on his feet for a scoring combination.

Lapwai took the tip-off at the beginning of the second half, but they were not successful in getting the ball in for a shot at the basket, and they took plenty, but for a scoring combination. Lapwai was successful on five in the first half and six in the second half. Most of the shooting was done by Kaine with 2, Robert S. Lister 1, and Powelke 1. On foul shooting Lapwai converted six of their 11 attempts, 5 of 17. David took the biggest shot seen in the first two games Tuesday evening and Kaine made the fastest time going for a scoring combination. Lapwai was successful on five in the first two games Tuesday evening and Kaine made the fastest time going for a scoring combination. Lapwai was successful on five in the first two games Tuesday evening and Kaine made the fastest time going for a scoring combination.

Wilson Buys Registered Jerseys Two registered Jersey cows have been purchased by Lloyd A. Wilson, Genesee, from A. H. Poston and Sons of Spokane. The animals are Waikiki Gailma Helen 2262678 and Waikiki Gailma Thel 1262677, according to The American Jersey Cattle Club, 324 West 23rd St., New York City.

Genesee and Culdesac will open the second evening of tournament play. In conference play this season, Culdesac lost to Lapwai in the first game of the Genesee floor and at Culdesac the Bulldogs won 30-26, with Whitney out. Ben Cook using his entire squad. In the Lapwai-Kendrick engagement Kendrick lost to Kendrick on the scoreboard 45-44. Kendrick in the second floor Lapwai was nosed out in a 27-25 game. Lapwai won both of its games with Kendrick during the regular season 32-43 and 31-17, and in the play-off of the tie with Southwick Lapwai won 25-23. Southwick games are mentioned merely because that school divided with Kendrick, 32-21 for Kendrick in the second game, and 37-28 for Kendrick in the second game.

Kendrick has New Uniforms Kendrick came to the district tournament with new uniforms of orange and black and crossed up the scores of the game. The uniforms are carried by the school players, and they will make the coordinate of the uniforms with the school uniforms used during the regular season.

Genesee Amateur Athletic club, one of the few teams in central Idaho to turn back in defeat the traveling Olympic team in games with the Normal Genesee has not fared too well, but against the Normal B team there will be plenty of opposition. Several Genesee amateurs have played on the Normal team in past years, and there is considerable rivalry between the ex-Genesee and Coach Greene's present team.

Genesee and Culdesac will open the second evening of tournament play. In conference play this season, Culdesac lost to Lapwai in the first game of the Genesee floor and at Culdesac the Bulldogs won 30-26, with Whitney out. Ben Cook using his entire squad. In the Lapwai-Kendrick engagement Kendrick lost to Kendrick on the scoreboard 45-44. Kendrick in the second floor Lapwai was nosed out in a 27-25 game. Lapwai won both of its games with Kendrick during the regular season 32-43 and 31-17, and in the play-off of the tie with Southwick Lapwai won 25-23. Southwick games are mentioned merely because that school divided with Kendrick, 32-21 for Kendrick in the second game, and 37-28 for Kendrick in the second game.

Genesee and Culdesac will open the second evening of tournament play. In conference play this season, Culdesac lost to Lapwai in the first game of the Genesee floor and at Culdesac the Bulldogs won 30-26, with Whitney out. Ben Cook using his entire squad. In the Lapwai-Kendrick engagement Kendrick lost to Kendrick on the scoreboard 45-44. Kendrick in the second floor Lapwai was nosed out in a 27-25 game. Lapwai won both of its games with Kendrick during the regular season 32-43 and 31-17, and in the play-off of the tie with Southwick Lapwai won 25-23. Southwick games are mentioned merely because that school divided with Kendrick, 32-21 for Kendrick in the second game, and 37-28 for Kendrick in the second game.

THE GENESSEE NEWS Genesee, Idaho Entered at the Postoffice at Genesee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher AND YOU PAY THE BILL (By Glenn Balch) In this year of 1940, public governing bodies of the state of Idaho are finding themselves in a painful dilemma. In the one hand they are having difficulty in financing those functions of government that have been accepted as highly desirable if not actually necessary; and on the other hand it is quite obvious that taxes, on some classes of property at least, are approaching that point known as "diminishing returns," or another way of saying "confiscation."

Any question as to this latter assertion will be rapidly removed by a survey of our tax rolls. Such a survey will show that a vast amount of the property on these rolls is delinquent in tax payments for periods ranging from one year up to several. The survey will likewise establish the fact that the various counties at this time hold tax-titles to large amounts of property formerly on the rolls but now deemed of less value than the assessments against it. Half a million acres of Idaho land has disappeared from tax rolls in the last eight years.

This property, being held by the counties, is no longer tax-productive and this fact, in turn, increases the burden on all other property still in the hands of private owners. Such a vicious circle, if not checked, could eventually lead to a condition where the counties would own all property and yet not have sufficient tax income to pay the court house janitor. Difficulties of public financing are increased by the fact that there seems to be no thought toward a lessening or a decrease of the functions demanded of the various units of our government. Rather we find that, despite the many phases of public and private lives now governmentally regulated and controlled, there is a constant exertion of pressure on governmental offices, and in some instances by governmental officials seeking to increase the importance of their jobs, for additional expansion and broadening of governmental functions.

There seems to be, and in truth there is, no end of things which the counties and cities and school districts and highway departments can do for their citizens. Needs can be found on every hand, some of them closely approaching the critical. And there are needs in every community who stand ready and anxious to assert their leadership and exercise their influence by going to public officials and demanding this or that.

These groups may not say as much but they invariably infer that refusal to grant their demands will bring reprisals and attacks on the local officials. Public officials are as human as the rest of us and desire to retain their jobs. They may also present the argument to themselves that "this is what the public wants," as evidenced by the committee's visit.

To one sitting in public office and dealing with public funds, it is generally easier to say "yes" than "no." About the only person not consulted in the matter is you—and you pay the bill.

Union Church Services Young People's Day Sunday, February 11. Special sermon, "The Second Mile." Junior Christian Endeavor, 7 p. m. Senior Christian Endeavor, 7:30. The Senior Endeavor societies will leave immediately after the morning church service for Garfield to attend a district rally.

Miss Wardrobe Recovering Andrew Wardrobe returned Wednesday from Spokane where he went last Thursday to be with his sister, Miss Mary Wardrobe, who underwent a major operation Friday. She is reported to be getting along as well as can be expected.

Excitement prevailing along the rows of bleachers overflowed in the final quarter and the Bulls led the players as they approached the final minutes of play. Genesee ran up seven points with Kendrick going the Bulls one in the last ten seconds. The ball was in the air at the final buzzer and Kendrick scored a field goal to add up to 15. Armitage for Kendrick slipped in a field goal from far out and with his lay-up scored four points for the Tigers. Watts added a field goal, also Thornton and Newman plus four shots, one each by Kuykendall and Newman, totaled 12. Kendrick took the tip-off to open the second half, and before Genesee hit a strike Kendrick had scored five points to make the score, Kendrick 18, Genesee 15. The Bulls got picked up eight points, while Kendrick was making two, and at the third quarter Genesee had added two more and the Tigers four, to make the score 25-22 for Genesee.

Individual high scorer was Kuykendall for Kendrick, with 13 points, a foul shot in the first half and six field goals in the second half, and all from well out. Lathan was high for Genesee with 11 points, one foul throw and five baskets, four of the latter coming in the morning quarter. Armstrong ran up 6 points on three field goals; Springer scored three field shots for 6 points; Moore scored 6 points on his three field baskets and Pederson shot one free throw and made one field basket.

Established 1888 GENESSEE, LATAH COUNTY, IDAHO, FRIDAY, FEBRUARY 16, 1940 Vol. 51 No. 36

GENESEE AND CULDESAC WIN OPENING TOURNAMENT GAMES Culdesac Humbles Lapwai 42 To 28 Lapwai Miles Too Often While Culdesac Accurate Lapwai 28 - Culdesac 43 Shots rained about the Lapwai basketball court Tuesday evening in the second tournament game between Lapwai and Culdesac, but the Indians were most fortunate in contrast to the success of Culdesac who made their first five tries from the field good. The Lapwai basket seemed with Kaine let go an opening before Kaine let go with a long shot that sunk through the net. Culdesac was out in front and made 7 good. B. Gillett and 14 to 5 at the first quarter, and at the half the winning team, Culdesac, had 27 points to 13 for Lapwai. The Indians, however, scored one more point in the second half than Culdesac, but during this period Coach Tex Jones was the only player on his feet for a scoring combination.

Lapwai took the tip-off at the beginning of the second half, but they were not successful in getting the ball in for a shot at the basket, and they took plenty, but for a scoring combination. Lapwai was successful on five in the first two games Tuesday evening and Kaine made the fastest time going for a scoring combination. Lapwai was successful on five in the first two games Tuesday evening and Kaine made the fastest time going for a scoring combination.

Wilson Buys Registered Jerseys Two registered Jersey cows have been purchased by Lloyd A. Wilson, Genesee, from A. H. Poston and Sons of Spokane. The animals are Waikiki Gailma Helen 2262678 and Waikiki Gailma Thel 1262677, according to The American Jersey Cattle Club, 324 West 23rd St., New York City.

Genesee and Culdesac will open the second evening of tournament play. Southwick games are mentioned merely because that school divided with Kendrick, 32-21 for Kendrick in the second game, and 37-28 for Kendrick in the second game.

Kendrick has New Uniforms Kendrick came to the district tournament with new uniforms of orange and black and crossed up the scores of the game. The uniforms are carried by the school players, and they will make the coordinate of the uniforms with the school uniforms used during the regular season.

Genesee Amateur Athletic club, one of the few teams in central Idaho to turn back in defeat the traveling Olympic team in games with the Normal Genesee has not fared too well, but against the Normal B team there will be plenty of opposition. Several Genesee amateurs have played on the Normal team in past years, and there is considerable rivalry between the ex-Genesee and Coach Greene's present team.

Genesee and Culdesac will open the second evening of tournament play. In conference play this season, Culdesac lost to Lapwai in the first game of the Genesee floor and at Culdesac the Bulldogs won 30-26, with Whitney out. Ben Cook using his entire squad. In the Lapwai-Kendrick engagement Kendrick lost to Kendrick on the scoreboard 45-44. Kendrick in the second floor Lapwai was nosed out in a 27-25 game. AAA MEETINGS ANNOUNCED A series of educational meetings for the 1940 AAA farm program have been arranged, and the date set for Genesee community on February 17 at 10:30 p. m. at the Legion hall. Note the change in time from 1:30 p. m. to the morning hour. Those who desire to participate in the plan are urged to attend meetings which are for educational purposes and will decrease county expense if everyone becomes familiar with the provisions of the plan. If a plan and estimate sheet, Form W-406, is not signed by either tenant or owner, the county will not be eligible for a parity payment, which is a part of the plan. However, if you sign a plan sheet, you are not obligated to carry out the provisions of the 1940 program. Plan Sheet Meetings Those who desire to sign 1940 plan sheets will receive them on February 27 and 28 have been designated for this purpose. Those whose names have been put on the list for the first day, and those from O to Z the second day, and those from I to N the third day. The sign up will be at the Legion hall. WEATHEROLOGY Next Monday, February 19, we encounter the third sign of winter. Then our winter will be over. The last part will be equal to the first two-thirds in winter storms. Radio reports are that over the world are reporting record-breaking snows and severe cold. Add to this the pull we are to receive from the "Planet Parade." Beginning February 16 we are to see weather upon our vernal equinox 10:24 a. m. March 20. Having used our energy of winter we will see the time the spring will not be mused up with winter overlapping into spring. Wherever you are going to get a naked eye view of Mercury on February 28, and will be the first event because of its nearness to the sun. This will be the last planet to appear at the great family gathering and will come up from the western horizon to be visible only a short time February 28, one-half hour after sunset. No two scientific agencies and few even speculate as to the effect of this unbalanced planet position on our sun but it will be the earth that will get the real jolt and like our presidential election you may take your choice. Congressional Ladies Aid Members of the Genesee Ladies Aid will meet in the church parlors Wednesday, Feb. 21 at 2 p. m. Mrs. Jess Huntley will be the hostess.

### GENESEE GIRLS WIN

Uniontown girls were the best first-half scorers in their game here last Thursday evening, but in the second half the Genesee girls rolled up a total of 14 points to 4 for Uniontown. The half time score was 10-11 for Uniontown.

Morgan for Genesee scored as many points as did the entire Uniontown forward positions players, and in addition Manning scored 8 points and Whitted two. Janette of Uniontown scored nine points and Mattson added the other six points. Nibler for Uniontown ran afoul of regulations four times and left the game.

Players for Genesee were Manning, Morgan, Whitted, Schooler, Mander, French, Williams and Magee. For Uniontown, Janette, Fleschman, Mattson, Ricard, S. Nibler and P. Nibler.

**Smith School House Party**  
A hard-time party was held at the Smith school house Friday evening with Mr. and Mrs. Allen Sather and Mr. and Mrs. Harry Egland as hostesses. The evening was spent in playing pinocle with high scores going to Mabel Isakson and Harold Gormsen. Low prizes were given to Virginia Lyons, Fred Hove and the best hard time costume. A skit, "Getting a Marriage License Ten Minutes After Closing Time" was presented by the Sleepy Hollow Kermit Hove, the bride; Levi Rossebo, the groom, and Allen Sather, the judge. Delicious refreshments were served and the rest of the evening was spent in dancing. The following guests were present in charge of Mrs. Allen Sather: Dolores, Mr. and Mrs. Art Hove and Clarice Rae, Juanita Kraut, Clinton and Irene Lyons, Mr. and Mrs. John Elkum, Mr. and Mrs. Harold Gormsen, Roland Heck, Mr. and Mrs. Jim Archibald and Gene and Leon Elkum.

Friday evening, February 16, Valentine party will be held with a prize for the person who represents the best home-made Valentine. Hostess will be Mr. and Mrs. Sam Lange and Mr. and Mrs. Aaron Hevitt.

**Pep Club**  
Mrs. Wm. Heinrich entertained members and guests of the Pep Club Thursday afternoon of last week. Invited guests were Mrs. Ben Cook, Mrs. Herman Bielenberg, Mrs. S. U. Lough and Irene Lyons. Dick Vandenburg, Mrs. Heinrich served luncheon at the club. Refreshments were served and the meeting will be with Mrs. Lena Herman on Thursday, March 14.

**Linger Longer Club**  
Mrs. Jess Johnson was hostess to the Linger Longer club Tuesday evening, serving supper, after which bridge was played at two tables. High score was won by Mrs. Janet Magee. Mrs. John Black was an invited guest.

**DANCE FEBRUARY 20**  
Knights of Pythias will sponsor a public dance at the Legion hall, Tuesday evening, February 20. Admission will be 25 cents. Lunch will be served at midnight.

### GENESEE VALLEY NEWS

The Genesee Valley Ladies Aid met Thursday at the Parish hall with Mrs. Art Hove as hostess. Mrs. Chas. Oelbendorg gave a reading. Mrs. Wedin played two piano numbers. Rev. Veley gave a talk and Mrs. Ed Strate and Mrs. Sam Lange sang a duet, accompanied by Mrs. Wedin. At the business meeting the Aid decided to give a silver tea for Finnish relief at 22 at the Parish hall. Refreshments were served to 32 members and friends last Thursday.

Mr. and Mrs. P. Isakson and Mabel visited with Mr. and Mrs. John Fallwell in Lewiston Orchards Wednesday last. Mabel remained until Friday.

Erling Lande returned home last Tuesday from Seattle and California where he spent the past three weeks. Norris Sather of Moscow visited Sunday at Allen Sather's.

Bill Mervyn and Raphael Linehan visited Sunday at Nels Lande's.

Mrs. Lee Danielson was surprised Sunday when several came to help her celebrate her birthday. The self-invited guests brought their dinner and enjoyed at noon. Those present were Mr. and Mrs. Norman Flamoe and Duane, Mr. and Mrs. John Elkum and Larry, Mrs. Annie Danielson and Clarence, Mrs. Marie Michelson, Mrs. Bell Hanson, Jack Flamoe, Mr. and Mrs. L. Flamoe and son, Ted Flamoe, and Mr. and Mrs. Stanley Sveve. Mrs. Danielson was given a gift by those present.

The Blue Bird club met Wednesday afternoon with Mrs. Nels Lande. After the business meeting a program in charge of Mrs. Allen Sather was enjoyed.

Mrs. Lee Danielson played a piano solo; a Valentine poem was read by Mrs. Fred Hove and another by Mrs. Jim Archibald. Mrs. Oliver Woodley also gave a reading after which a ball-throwing contest was held in which Mrs. Woodley received the prize. A second contest was won by Mrs. Wedin. Guests were Mrs. Stanley Sveve and Everett Boyd of Moscow spent Sunday afternoon at Fred Hove's.

Dr. and Mrs. Magee of Moscow spent Wednesday evening at Nels Lande's.

George Davidson visited from Sunday until Tuesday at Sam Lange's.

Mrs. Lilly Larson visited with Mrs. Olive Iverson and Mrs. Borg in Moscow Tuesday.

Mrs. J. F. Wedin and Roy Wedin spent Sunday with Mr. and Mrs. L. Wedin and family in Pullman.

Sunday afternoon visitors at Herman Isakson's were Mr. and Mrs. Sander, Mr. and Mrs. Lowell Isakson, Mr. and Mrs. Harvey Heath and Mr. and Mrs. Lloyd Heath, all of Moscow.

Mrs. Gus Rossette and Mrs. Lillian Morscheck spent last Wednesday afternoon at August Johnson's.

Mrs. Archibald and girls visited at Ed Putnam's Sunday.

Mr. and Mrs. Oliver Woodley visited with the Jenks Tuesday.

Rev. M. Riecke visited with Mr. and Mrs. A. Johnson Monday afternoon.

Wm. Gibler and Ned Gibler, both of Kamiah were dinner guests of Mr. and Mrs. Art Tegland Sunday.

Mrs. Albert Anderson and Beverly and Ed Anderson visited at O. Danielson's Sunday.

Howard Smith has returned to school after an absence of several weeks.

**Legion Auxiliary to Meet**  
A regular meeting of the American Legion Auxiliary will be held today (Friday) beginning at 2 p. m. Hostesses will be Mrs. Fred Hove and Mrs. Lawrence Vestal.

### LOCAL NEWS

Mr. and Mrs. Ed Hill and son, Bud of Clarkston were dinner guests Sunday in the home of Mr. and Mrs. S. U. Lough.

Mr. and Mrs. Walter Driscoll of Moscow visited Sunday afternoon in the home of Mr. and Mrs. Henry Halverson.

Relatives and friends who have visited with Lew Jain, recovering from an operation performed at St. Joseph's hospital in Lewiston, state that he expected to leave the hospital this week and will convalesce at the home of Mr. and Mrs. Russell Vernon in Lewiston. Mrs. Jain is also staying at the Vernon home.

Mrs. John Luecke, Mrs. Ed Bergman, Mrs. N. M. Leavitt and Mrs. David Kuehl spent last Thursday evening with Mrs. A. J. White.

Mr. and Mrs. George Carburn left Wednesday for Spokane to spend a few days.

Mrs. Fred Meyer left Sunday for Moscow to spend a few days with her mother, Mrs. Frank Burch.

Mr. and Mrs. Rowe Bennett and children, Lynn and John, of Lewiston, visited Sunday with Mrs. Bennett's parents, Mr. and Mrs. Geo. Carburn.

Mr. and Mrs. Boyd Erickson and son of Pierce, arrived Sunday to visit the former's father, Carl Erickson. Boyd Erickson left Sunday afternoon for Spokane to attend a week's conference of CCC educational advisors and Mrs. Erickson remained to visit in the Carl Erickson home and with other relatives.

Mr. and Mrs. Florent Moser and Mr. and Mrs. John H. Broemling were Thursday evening visitors of Mr. and Mrs. John Krier.

Robert Palmer of Lewiston visited a few days with the Huffman brothers at the S. U. Lough home.

Mr. and Mrs. Walter and Mrs. Raymond were supper guests Tuesday evening of Mrs. Marie Michelson.

Mr. and Mrs. Walter and Mrs. Heath of Grangeville visited in the Frank Denbow home Friday and Saturday, leaving here to visit over the week end with Mr. and Mrs. Wm. Heath at Steptoe, Wash. Mr. Denbow also visited at the Heath home near Steptoe Saturday evening.

Mr. and Mrs. Ed Hill and son left Monday for their home at Ontario, Ore. They were called to Moscow last week by the serious illness of Mr. Hill's sister, who at present is improved. They visited a short time in the home of Mrs. Hill's parents, Mr. and Mrs. Chas. Ingie.

Mr. and Mrs. Wm. McCreary and Dr. and Mrs. Walter and Mrs. Heath of Kendrick visited in the home of Dr. and Mrs. N. M. Leavitt last Friday evening and Saturday. Kendrick-Genesee basketball game.

Harry Patterson and Jack Godwin of Kootenai were visitors last Friday evening at the home of Mrs. Fred A. Id. Mrs. Conrad Martin of Nyssa, Ore., arrived Tuesday evening for a visit here with her mother, Mrs. Dora Nebelack and other relatives. Mrs. Martin was met in Lewiston by her sister, Mrs. Harry Schooler, and husband.

Mrs. N. M. Leavitt and Mrs. John Luecke attended an Omaha Phi alumnae meeting in Moscow Wednesday evening at the home of Mrs. Jess Buchanan.

Bob Schooler left Friday for Parkland, Wash., where he entered the Pacific Lutheran college for the second semester. Bob completed a year and a half of work at the University of Idaho. He was taken as far as Spokane Friday by his mother, Mrs. Harry Schooler.

**Sunday Dinner Guests**  
Mr. and Mrs. Marvin Hickman entertained with a dinner Sunday for Mrs. W. Dorchester of Wetaskiwin, Alberta; Mr. and Mrs. W. E. Hickman and family; Mrs. Roy Hanson and daughter, Jenal, Miss Irene Manderfeld, Miss Doris Nelson, Mrs. Thos. Dwyer and Mr. and Mrs. Dave Hickman and son of Moscow.

**Celebrates 80th Birthday**  
Sunday, Feb. 14, the children of John Broemling and their families gathered to help him celebrate his 80th birthday. The event was presented many gifts during an enjoyable day. Present were Mr. and Mrs. Frank Scharbach and son, Bud; Mrs. V. E. Langhorne and daughter, Mrs. Harry Grimm of Orofino; Mr. and Mrs. Chris Broenneke and family; Mr. and Mrs. Frank Jacob and family, Mr. and Mrs. Bill Broemling and family, Mr. and Mrs. Ferd Brueggeman and family, and Mr. and Mrs. Leo Bierens. All of the children were present except Mr. and Mrs. Leslie Wishard, who came Monday to spend a few days and also to attend funeral services for Orwell Putnam.

**Valentine Party**  
Mr. and Mrs. John G. Meyer entertained with a bridge and pinocle dinner party last Sunday evening for Mr. and Mrs. John Liberg, Mr. and Mrs. Roy Pearson, Mr. and Mrs. Geo. Gehrke. The Valentine motif was carried out in table decorations and the tin Liberg won the high score award and Mrs. Geo. Anderson, Miss Emma dinner menu. High award at bridge Roskammer, Bob Roskammer, Mr. was won by Mr. and Mrs. Pearson and Mrs. Martin Liberg and George and consolation by Mr. and Mrs. Flo-prize.

**Pinocle Game**  
Mr. and Mrs. Roy Pearson, Mr. and Mrs. Geo. Gehrke. The Valentine motif was carried out in table decorations and the tin Liberg won the high score award and Mrs. Geo. Anderson, Miss Emma dinner menu. Arlene Borgen to Hospital
Arlene Borgen, daughter of Mr. and Mrs. W. O. Borgen, was taken to St. Joseph's hospital, Lewiston, Thursday of last week and Friday underwent a mastoid operation. She is expected to return home today (Thursday) and will remain at the home of her grandmother, Mrs. Bell Hanson, for a time.

Attention K. P. and Pythian Sisters
Tuesday evening, February 20, Star Lodge, Knights of Pythias will celebrate the anniversary of the founding of the order. Dinner will be served at 7 o'clock sharp for all Knights, Pythian Sisters and their families free. After dinner for those wishing to dance there will be music at the Legion hall when a dance will be held for the public. Cards and tables will be provided for those not wishing to dance. Lunch will be served at midnight.

Bridge Supper
Mr. and Mrs. Phil Enders and son, Parke, Mr. and Mrs. Robert Berger and Beverly, Dr. and Mrs. N. M. Leavitt and Mr. and Mrs. Fred Judd and Betty combined their suppers at the Judd home Saturday evening. At bridge played during the evening, Mr. and Mrs. Enders won high award.

Evening Party
Mr. and Mrs. Martin Liberg entertained with a Valentine card party last Friday evening, having guests for five tables of pinocle. Guests were Mr. and Mrs. Tom Gooch, Mr. and Mrs. Adrian Nelson, Mr. and Mrs. George Anderson, Miss Emma Roskammer, Bob Roskammer, Mr. and Mrs. Lars Liberg, Mr. and Mrs. John Liberg, Mr. and Mrs. George Post, Mr. and Mrs. John G. Meyer and Mr. and Mrs. John Flomer. At midnight a delicious luncheon was served by the hosts and prizes were awarded to Mr. and Mrs. Nelson, high; Mr. and Mrs. Meyer, second high; and Mr. and Mrs. John Flomer, consolation.

G. A. A. C. to Tournament
Geneese A. A. C. basketball team is entering the L.-C. tournament and will meet Cottonwood in the first game Saturday night at Grangeville. It will be a double elimination event for eight teams, Feb. 24, 25, 26 and 27. Lee Emmett, represented the local club at a conference held at Craigmont early this week.

Potlatch Legion to Entertain
Potlatch Post, American Legion, has invited the Geneese Post members and their wives for a get-together at the Log Cabin in Potlatch Friday evening, beginning at 8 o'clock. The Geneese Hill Billies have been invited to take part in the program. A number of local Legionnaires plan to attend.

CARD OF THANKS

We wish to express our thanks to members of the choir, Pythian Sisters, Knights of Pythias, Woodmen of the World and others for their kindness and service in our recent bereavement and we wish also to express appreciation for the floral tributes. Mrs. Louise Putnam and Children and Mr. and Mrs. E. E. Putnam and Family.

GENESEE WINS FINAL GAME IN CONFERENCE SEASON 35-24

Despite a handicap of five points at the half in their game here Friday evening the Geneese Bulldogs forged ahead in their game with Kendrick to win the second half 35 to 24. Armstrong and Springer rolled up 27 of the 35 points for Geneese, 17 and 10 respectively, while Armitage for Kendrick scored 12 of the Tigers' 24. For Kendrick, Newman added 6 and Kuykendall, 6. For Geneese Lathan scored 3 points; Moore, 2; Scharnhorst, 1, and Pederson, 2.

Kendrick, the only conference team to win from Geneese this season, was driving hard for a second win from Geneese, and the Bulldogs were giving everything to protect a near-clean record for the season. Geneese was slow to get under way in the first half, scoring but three field goals, one each by Armstrong, Springer and Moore. Armstrong converted for two for two on foul shots and Springer shot two of four in the first half. Armitage for Kendrick sunk four field goals in the first half and Kuykendall hit the hoop once, adding four points on Newman's 4 for 4 foul shots and a foul shot by Kuykendall.

In the second half Armstrong hit the hoop for six field baskets and a foul shot was good for another point. Lathan, who replaced R. Huffman, sunk one from the field and made one foul shot good. Springer looped in three from the field. Scharnhorst who replaced Pederson in the last quarter, added a point from the foul stripe and Pederson before going out hit the hoop twice from the foul line.

Armitage was bottled up in the second half and made no field shots but drew four fouls, all of which he converted for points. Newman slipped in one from the field and Kuykendall hit once from the field and once from the foul line.

On fouls Geneese hit for 9 out of 17 and Kendrick hit for 10 out of 15. Leaving the game on fouls was Pederson for Geneese and Thornton for Kendrick.

Coach Ben Cook started Armstrong, R. Huffman, Springer, Moore and Pederson and substituted Lathan for Huffman and Scharnhorst for Pederson. Kendrick played Armitage, Newman, Thornton, Kuykendall and Draper, with Fry going in for Thornton and Watts for Draper.

Fred Judd was the referee. Bees Take Revenge
Geneese's reserves, loser in a prior game to Kendrick's Bees doubled the score on their opponents 24-12. The score at the half was Geneese 5, and Kendrick 3.

High scorer was Herman for Geneese with two field goals and three fouls for a total of 7 points. Others in the lineup and scores for Geneese

were: Wishard, 2; White, 0; Abraham, 2; Hasfurther, 2; Baumgartner, 1; Aherin, 5; Huffman, 4; Emerson, 1, and C. Herman and Wright, 0.

Geneese held Kendrick to a lone field basket in the first half and Kendrick did the same to Geneese, but in the second frame Geneese tossed in six from the field and Kendrick hit the hoop four times.

On foul shooting Geneese caged 7 of 10 and Kendrick 2 out of 14.

Attend Meeting at Garfield
Thirty-five members of the Senior and Junior Christian Endeavor Societies motored to Garfield Sunday to attend meetings at the Christian church. The young people were accompanied by Mr. and Mrs. Lloyd Wilson, Miss Esther Martinson, Mr. and Mrs. Forrest Durbin, Ben Pleiman and Rev. Melford Knight. Of the towns represented at the meetings, Geneese had the largest delegation.

Learn How THIS Protection Has Brought

"Clear Sailing"

... to Hundreds of Homes Like Yours!

FOR 9 1/2 YEARS Idaho Mutual Benefit Association has been bringing substantial and needed financial aid to homes by prompt payment of a claim at time of death in the family. These homes are like yours, typical Idaho homes. In fact, it is quite likely that good neighbors of yours are among those who have received this timely aid.

Recommended By Insurance Experts

The sensible, low cost protection of an Idaho Mutual life policy is recommended to YOU and YOUR family by Dunne's, the largest insurance reporting service in the world.

The human history of Idaho Mutual's valuable service to Idaho Homes is now told in a booklet called "Clear Sailing, Instead of Distress Signals". In this booklet grateful beneficiaries tell YOU what a blessing the prompt, courteous payment of an Idaho Mutual claim was to THEM. You owe it to yourself and your family to read what they say. Mail this coupon for free copy of booklet.

Gentlemen: I realize the importance of arranging for the future financial protection of MY family. Please send the booklet which tells how Idaho Mutual has helped other families. Name: Address: City and State: C-51

Over 25,000 members, representing one Idaho family in every nine, agree that, "Idaho Mutual certainly does a BIG job at LITTLE cost".

## GENESEE WINS FROM GIFFORD IN DISTRICT TOURNAMENT

Genesee's Bulldogs, playing their first game in the district tournament at Lewiston Thursday morning at 10 o'clock moved into a 9-0 lead over Gifford before the latter team scored a point. Genesee continued to stretch its lead in the second quarter after showing its heels 8-0 at the quarter, and pulled up at the half in the lead 21 to 4. At the third period Genesee was ahead 27 to 9, and at the game's end, the Bulldogs had scored 35 points to 21 for Gifford.

Ben Cook, Bulldog coach started Armstrong, Huffman, Springer, Moore and Pederson, replacing Springer with Lathan, Springer having been ill for a few days prior to the tournament. Scharnhorst and Pederson alternated in the second half and Hasfurther was in the game for Lathan for a time. Herman was in the game for Armstrong and Huffman in the fourth period.

Bud Moore for Genesee was the chief troublemaker for Gifford in the first half when he sunk five field goals. Armstrong looped the basket three times and Huffman once, which with Armstrong's two free throws and Springer's lone free throw gave Genesee 21 points. Pabst and D. Dickenson scored two field baskets for all the scoring of the Gifford team.

Lathan and Pederson rang up two field baskets each in the second half. Moore added another two-pointer and Armstrong scored a field goal and two free throws. Gifford staged a desperate attack in the second half with Rigger scoring two field baskets, with one each by Bundy, D. Dickenson, L. Dickinson, Torgenson and Heitman. Gifford converted three free throws in 13 tries in the second half and were unsuccessful on free throws in the first half. Genesee, in 8 tosses from the foul line, missed three, Armstrong hitting four for four, Springer one for one and Lathan missing his single and Moore his double.

Scoring by Genesee's Bulldogs was as follows: Moore, 12; Armstrong, 12; Huffman, 2; Herman, 0; Hasfurther, 0; Springer, 1; Lathan, 4; Pederson, 4, and Scharnhorst, 0. Armstrong committed two fouls; Herman, 2; Huffman, 1; Lathan, 2; Moore, 3; Pederson, 1, and Scharnhorst, 1.

Armstrong tried 18 times from the field for four good ones. Herman tried once and missed. Huffman tried seven times and made one good. Hasfurther never took a shot. Springer tried twice for no baskets. Lathan shot 11 times and made two good. Moore tried 15 times and made six of them good for an exceptional average. Pederson tried four times and made two good and Scharnhorst tried once for no score.

For Gifford, Pabst tried 5 times from the field and made one good; Bundy made one of five; Dickinson, 2 of 8; L. Dickinson, 2 of 4; Rigger, 2 of 8; Torgenson, 1 of 9, and Heitman, 1 of 13.

Genesee's Bulldogs, champions of the Valley conference during the regular season, entered the tournament in second place sub-district tournament team, when Culdesac took over leadership. Culdesac was defeated Wednesday evening by Cottonwood 35 to 26. At 8:30 this evening, Thursday, Genesee meets Winchester, winner over Cottonwood, 48-44, and Gifford meets Craigmont who lost to Elk River Wednesday evening, 26 to 25.

Coach Ben Cook and his boys are housed at the Lewis-Clark hotel. Supt. Kenneth Dean, secretary of the athletic association is at Lewiston to attend to business matters, and a large number of fans are supporting Genesee, especially students who drew an unexpected vacation owing to roads being impassable to school buses which necessitated closing of schools at Genesee Wednesday, Thursday and Friday.

## Retreat Well Attended

A retreat held for young people at St. Mary's Catholic church beginning Sunday and closing Tuesday evening was well attended. Two services were held each day at 8:45 in the morning and at 7:30 in the evening. Rev. Fr. Kloft of Coeur d'Alene was in charge of the retreat.

## Boy Scouts

Genesee Boy Scouts at their meeting Tuesday evening saw the Lone Fir patrol having the most points to date. Bill Emerson is patrol leader and Rich Broemeling is assistant leader.

## Masquerade Party Announced

Members of the Pythian Sister Temple announce they will sponsor a masquerade party the evening of Wednesday, March 27.

## Registration Books Open Mar. 4

On March 4 registration books for the coming primary election in August will open to receive names of electors not already registered, according to Mrs. L. C. Hayden, registrar. Those who voted at the last general election are properly registered, but those who may have changed their residence from one precinct to another are required to register again. Those who will vote for the first time, having come of age, are required to register, as well as those who have come from another county or state.

In Rimrock precinct A. Carbuhn is the registrar and books for that precinct open also on March 4.

## FEBRUARY SETS NEW RECORD FOR RAINFALL AT GENESEE

No official or unofficial records are kept of rainfall in the Genesee territory, but without fear of contradiction many of those who have lived here for many years, say that February set a new record for precipitation, and practically all moisture has been in the form of rain. Snow, during the winter has been most noticeable by its absence.

February of 1940 established new records for precipitation all over the Inland Empire. Farther north, and especially around Spokane, the moisture came in the form of snow, and as it melted under rainfall there is reported considerable erosion. There has been but little run-off in the Genesee area, although it was thought the soil had reached its saturation point several days ago. Creeks are running today but they are far from any such thing as flood stage, and no alarm results.

It is the first time in many years since the Palouse hills have received such a beneficial wetting, and the north hillsides are soaked to a deserving degree.

Fall-seeded fields are looking exceptionally fine. There are no reports of winter-kill; in fact the winter weather has not been cold enough to kill wild oats, and the crop of volunteer peas has not been affected by what chilly weather has been felt in the Palouse during the past months.

Soil conservation practices have proven their worth during the rains of February, and even the heavy rain of Sunday afternoon did not start the soil to washing locally. In the Walla Walla territory much erosion has been reported and from Spokane south it is noticed that considerable topsoil has been washed down-hill.

## Roads are Suffering

Rock-surfaced highways are feeling the effects of continued rains, and in some places heavy loads would find difficulty in negotiating. School buses were not running Wednesday, Thursday and today, owing to conditions that cannot be remedied while the roadbeds are so soft and wet. Supt. Kenneth Dean, in conference with the school board Tuesday thought it advisable to close school for three days in the hopes that rains might cease and permit road repairs and maintaining. Since the buses stopped running Tuesday evening, the action of school officials is approved, not only by road district boards, but by bus drivers and everyone, including the bus passengers.

One day of good drying weather would afford the various highway districts to relieve the road situation considerably, and two days would, of course, serve better.

## WEATHEROLOGY

It now seems like I missed snow temperatures by about six degrees, but I got all the moisture I expected with February breaking all-time records as to rainfall. Had it come in the form of snow we would have about five feet on the level.

Mr. David B. Levake, a marine engineer, who has been taking temperature of water on the Pacific coast every four hours for the last four years states that the Japanese Current has been definitely located near Seattle's shores, so my climate change is here.

A few months from now scientists will be describing the effect on weather caused by the pull from the "Planet Parade" and when this group is broken up and the earth hastens back to normal positions we will receive the effect of the sudden shake. This will not help our equinox storms and we will do little farming until April 1.

Lester C. Hayden.

## Pythian Club

Mrs. Chas. Geltz entertained the Pythian Club Friday afternoon of last week. The ladies worked at needlework during the afternoon after which luncheon was served.

## JOHN W. BRIGHAM PROMINENT IDAHO PIONEER LAID TO REST

At rest in Pine Grove Cemetery, east of Genesee are the earthly remains of one of Idaho's prominent pioneers, John Warren Brigham, last surviving member of the fifteenth and final territorial legislature, who died Saturday, February 24, at the age of 83 years. In the rather secluded cemetery plot situated among the pines, where a number of relatives of the late deceased are buried, the native sod was removed and down through the clay, stubborn to spade, men prepared a grave. As stubbornly resistant to man the clay reminded one of the persistency typical of the pioneer and especially of John Warren Brigham, who was selected to represent his people not only in the territorial legislature but in the constitutional convention. It was John Warren Brigham who was directly responsible for creation of the University of Idaho by legislative act. On January 8, 1889 he announced that he would introduce a bill to establish a state university and two days later he brought out the measure. January 30, is recorded as the date when Mr. Brigham personally presented the bill to Governor Stevenson for his signature. Our late pioneer legislator stood by while the governor wrote his name.

From "Idaho, the Gem of the Mountains," early day historical publication is taking the biography of Mr. John Warren Brigham, as follows:

"A large and well improved ranch eight and a half miles southeast of Moscow, in Latah county, is owned by John Warren Brigham, who is regarded as one of the most enterprising and progressive agriculturists of the state. His business ability, untiring industry and capable management have been the chief elements of success and have gained him a position among the substantial residents of the country.

Mr. Brigham is a native of California, his birth having occurred in Placer county, on the 22nd day of March, 1857. On the paternal side he is of English and Welsh lineage, and on the maternal side of English and Dutch descent. The original American ancestors of the Brigham family left the "merrie isle" to become residents of New England, and his great grandfather fought in the Revolutionary war, participating in the battle of Bunker Hill.

Curtis Brigham, father of John Warren Brigham, was ten years of age when the family settled in Michigan, and was therefore reared amid the wild scenes of the frontier. After his marriage to Miss Esther Metcalf, a native of Ohio, they moved to California in 1854, going by way of the isthmus of Panama. Curtis Brigham devoted his energies to farming in the San Joaquin Valley, where he owned a large ranch and was also engaged extensively as an apiarist. In 1875 he came to what is now Latah county, Idaho, where he died in the sixty-sixth year of his life.

John Warren Brigham, the third in order of birth of his family, was educated in the public schools of California and came to his present home in Latah county in 1878. This was then a new and undeveloped district, and he secured both a pre-emption and homestead claim from the government. With characteristic energy and determination he began transforming the raw land into rich and fertile fields, and now has one of the finest farming properties in the state. The improvements include a good residence, barn, an excellent fish pond, and orchards covering 65 acres. He raises nearly all kinds of fruit, grain, vegetables and stock, uses improved machinery in the cultivation of his fields, and follows the most advanced and progressive methods in all departments of his farm work. Through well directed labors he has attained a position among the substantial farmers of Idaho, and his success is the joint reward of his efforts.

For a number of years Mr. Brigham lived alone upon his ranch, but in 1893 he was united in marriage to Miss Nellie Wilson, a native of Nebraska, and the daughter of William Wilson of Latah county.

"Mr. Brigham was a member of the fifteenth Idaho territorial council, the state convention which framed the present constitution for Idaho, was a member of the first state senate, and at the present writing, 1899, also occupies a seat in the upper house of the general assembly.

"He is a man of ideas, viewing broadly and in an unprejudiced manner the questions that come up for consideration, and having at heart the best interests of his fellowmen and the state of his adoption. He considers carefully all issues, and his mature judgment has had a marked and

(Continued on Page Two)

## FARMERS SIGN FARM PLAN SHEETS IN LARGER NUMBERS

Of the 220 AAA farm plan sheets which may be signed by farmers of the Genesee area for 1940, 170 were filled out here Monday, Tuesday and Wednesday. The community committee, Roy Emerson, chairman, and Ed Morken and Adrian Nelson, members, assisted by H. F. Koster, county AAA chairman, and Lowell Isaksen, assistant county agent, were at the Legion hall during the three days, and report that a larger number of wheat growers signed plan sheets this year at such meetings than heretofore. For the county, G. T. McAlexander reports that 75 per cent of the expected sign-up was completed at community meetings this year, compared with 48 per cent last year. It was also reported that last year 90 per cent of all farmers in Latah county signed the plan sheets.

Those who have signed plan sheets and those who may sign this spring are not obligated to comply with the program, as each individual farmer actually writes the terms of cash benefits by what he does during the approaching growing season.

The program remains much the same as for 1939, one exception being that sweet clover plantings this year is worth one unit, whereas it was a credit for a full unit last year. When sweet clover is plowed under in a succeeding year, however, such practice is worth one unit. Peas planted and plowed under as green manure, also oats and barley, the common green manure crops for this area are worth a half unit per acre, compared to a full unit last year.

Satisfactory perennial weed control is still five units per acre if by chemical treatment and administered by the landowner or tenant. Weed control by cultivation draws five units also, and both methods must be approved in advance.

The conservation payment this year is 9 cents times the yield times the wheat allotment. Soil building payments remain at \$1.50 per unit. Parity or the price-adjustment payment this year is 10 cents per bushel, computed as follows: 10 cents times the yield times wheat allotment. An example would be: Assuming a grower had a 100-acre wheat allotment and his yield was 24 bushels per acre, the conservation payment would be \$216. If the farmer made up 50 units in soil building he would receive an additional \$75.00. These two payments would be minus county administrative expenses. Added to the total would be a parity payment of \$240.00, or a possible total payment of \$531.00, provided there were no deductions.

For excess soil-depleting acres the penalty is \$5.00 per acre. Excess wheat acres draw a penalty of 50 cents per bushel times excess acres times allotted yield. Deficient soil building practices cut into payment at the rate of \$1.50 per unit, and any excess wheat acreage voids the 10-cent per bushel parity payment.

Individual wheat allotments, based on past acreages and experience, for practical purposes may be taken as one-third of the total crop land on the farm, or in other words, a farmer to comply in the program fully would seed to wheat one-third of his established crop lands.

Another change is noticed. Heretofore the crop year for AAA purposes has been from January 1 to December 31, but for 1940 and perhaps in later years the crop year is designated as November 1 to October 31.

Every farmer considering entering the 1940 AAA program should see his community committeemen or members of the county committee as each individual farm presents a different problem.

Those who expect to sign up for 1940 must file their plan sheets not later than May 1, 1940, and those who were unable to attend the sign-up meetings here this week will have an opportunity to sign up at the office of W. W. Burr every Saturday beginning March 9 to April 27, inclusive.

## Nez Perce Holds Meeting

Forty-one farmers of Nez Perce county signed 1940 AAA farm plan sheets at a meeting here Monday, according to Neil Sweeney, member of the Nez Perce county committee. Members of the Rimrock community committee, Joe Schlueter, Colin Wilson and J. P. Hermann, were assisted by members of the county committee and employees of the county AAA office. Those who were not able to sign Monday may call at the county AAA office in Lewiston.

Watch for posters announcing complete program of the O. E. S. talent revue at the high school gym March 7, starting at 8 p. m.

## NO SCHOOL FOR THREE DAYS

Students of the Genesee public schools and St. Joseph's school were given an unexpected three-day vacation when school officials deemed it advisable Tuesday to keep the buses off the roads Wednesday, Thursday and Friday, and with Saturday and Sunday providing favorable weather it was thought the rock roads might be maintained and repaired so that further damage would not result to all school bus roads which have softened up during the wet weather. The roads began to go to pieces in places when the frost left and with continued rain there has been no relief.

## PEA GROWERS COOPERATIVE MEETING AT SMITH SCHOOL

This afternoon, Friday, March 1, at 1 p. m., will be held a meeting at the Smith school house near Genesee, a meeting of pea growers.

This meeting is being held for the purpose of organizing a dry pea growers cooperative association and election of delegates to make up the organization committee. It will be the job of the organization committee to meet in conjunction with delegates from other sections of the pea growing area to draft the articles and by-laws and complete the organization.

This meeting is the result of interest shown by a considerable number of farmers who have returned questionnaire cards recently sent to a mailing list of 900 growers in the Inland Empire. All pea growers are especially invited to attend this meeting.

Considering the opinions of pea growers who have attended a number of meetings in the Garfield, Palouse and Waverly sections, a cooperative among producers to pool their crops of dried peas that would enable them to have a voice in orderly and timely marketing and to obtain up-to-the-minute market quotations, are the chief purposes of the growers who are now showing a decided interest. The program contemplated under the cooperative would not be one of raising prices to growers by scarcity of production. Rather, it would be the aim of the cooperative to have all growers unite and pool their product to be marketed equitably, relieving the growers who are distressed by early fall harvesting bills and resultant sales at unfavorable prices.

The meeting at Smith school house this afternoon is of special interest to pea growers, and all growers are urged to attend.

## AAA STRESSES CONSERVATION

Latah county farmers will find the 1940 agricultural conservation program gives them many opportunities for improving their farms during the coming crop season, according to H. F. Koster, chairman of the county agricultural conservation association.

"The first copies of the 1940 AAA handbook, listing the practices which farmers may carry out under the program this year, have arrived in the county office," the committee announced.

"The program encourages farmers to carry out their regular soil conserving practices, such as seeding alfalfa and pasture grasses, but it places more emphasis on other conservation practices which many farmers haven't done so much with in the past.

In dryland areas, practices include strip-cropping to prevent wind erosion, contour planting to control sheet erosion during run-off, and trashy fallowing.

Farmers can earn up to \$30 over and above other AAA payments by planting stands of forest trees for windbreaks, farm woodlots, and erosion control along live streams. Any farmer, no matter how small, has a minimum soil-building allowance of \$20, which he may earn in the AAA farm program this year.

"There are many other practices in the program designed to fit specific farm conservation problems. Any farmer in the county will benefit by a talk with a county or community committeeman on how the program can be fitted to his own farm.

"Many of the farmers already have worked out their 1940 'farm plan and estimate sheet,' which shows them how they can earn their 1940 conservation payments with good farming practices which they need on their farms.

"Any farmer who hasn't worked out a farm plan sheet yet should contact the local committee," the AAA committee advises.

Mrs. Cora Henderson plans to leave Saturday for a two weeks visit in the Dakotas and at Des Moines, Iowa.

## GENESEE A. A. C. WINS TWO AND LOSES TWO AT TOURNEY

Hard luck accompanied the Genesee Amateur Athletic basketball club to the tournament at Grangeville, beginning Saturday, and played a major part in the third and fourth games played by the Genesee amateurs. The club was without the services of Bertie Wishard to begin with, and Armstrong was an infirmity caller for an attack of influenza that kept him out of the last two games. In the third game hard luck reared its ugly snout and took Smylie and Thiessen out of the lineup on fouls.

## Win from Cottonwood

In the game with Cottonwood Saturday evening Genesee stepped out in front of the Prairie team to lead 19-12 at the half and head for the showers with a lead of 7 points, the final score being 43-27 for Genesee.

Armstrong scored 11 of Genesee's points, Hampton, 10; Smylie, 7; Howard Blume, 4, and Thiessen 2, with Dresher not scoring. For Cottonwood M. Foreman was high with 11 points, followed by 8 by Weimer, 3 each by Drepes and C. Foreman and 2 each by Muller and Hoan. Schuman and Romig failed to score.

From the foul line Genesee scored 10 points on 17 tries and Cottonwood hit for 5 in 12.

## Genesee 53 - Ferdinand 38

Armstrong was also high-point man in the Genesee-Ferdinand game with 14. Thiessen scored 12 points; Blume, 11; Hampton, 7, and Smylie, 9, to pile up a total of 53 points for the G. A. A. C. Ferdinand's Moody and Kuther scored 9 points each; Hill, 7; Amera, 6; Woody, 2, and Dill, 5, for a total of 38 points.

At the half-time Genesee was out in front 24 to 17. This game was played Sunday evening. From the foul line Genesee scored 7 points on 11 shots and Ferdinand converted 8 of its 13 tries.

## Winchester 39 - Genesee 27

Eighteen fouls were called on Genesee players in their game with Winchester Sunday evening, and four each were assessed to Thiessen and Smylie, which saw them leave the floor shortly after the second half was under way. This hard luck coupled with Armstrong's absence from the lineup softened Genesee's scoring punch. At the half Winchester had a 5-point lead but Genesee was missing quite a few shots and the Winchester lead did not bother the Palousers as much as the fouls that were called on them. At the half four Genesee players were checked with three each, Blume and Dresher, in addition to Smylie and Thiessen.

Hampton led in the scoring for the Genesee club with 10 points and high man for Winchester was Brown with 12. In the lineup and scoring for Genesee in addition to Hampton were Thiessen, 4; Johann, 0; Dresher, 7; Smylie, 6; Edwards, 0, and Blume, 0. For Winchester Inman, 8; McKenzie, 8; Garten, 5, and Patten, 4.

From the foul line Genesee was successful in 5 of 8 attempts and Winchester scored on 5 of 18 foul shots.

## Grocers 44 - Genesee 42

Trailing 16-33 at the half, Genesee playing the Seventh Street Grocers of Clarkston Monday evening, held the Valley aggregation to 11 points in the second half while Genesee poured in 26 points, and drew up at the game's end two points behind, 42-44.

Genesee seemed outclassed in the first half, and scored but five field goals, three by Thiessen and one each by Blume and Hampton. The other scattering points came on two foul shots by Thiessen, three by Blume and one by Dresher.

The Grocers were actually looking badly in the second half, scoring but five field goals, three by Leuschel and one each by Lasalle and Allen. During this second period Thiessen and Smylie laid down a barrage of shots that netted six two-pointers by Smylie and five of the same calibre by Thiessen. Added to this was a field goal by Hampton, two free throws by Thiessen and one each by Blume and Smylie. Only a few seconds were required by Genesee to prove themselves winners over the Grocers who went into the finals to lose to Winchester.

The two teams battled 50 out of 90 shots, Genesee cracking 10 out of 20 and the Grocers 6 out of 12.

#### FINNISH RELIEF AT VALLEY PARISH HALL NETS \$69 FEB. 22

The silver tea given by the Ladies Aid of the Valley church was attended by about 125 people Thursday of last week. The program opened by singing "America" by the audience, and was followed by a few remarks by Rev. Vedley. A group of ladies sang "Finlandia," followed by two readings by Mrs. M. Riecke which were well received. "God Bless America" was sung by a ladies group with the audience joining and Mrs. Wedin as accompanist. The table was beautifully decorated with a centerpiece of red and white tulips and green ferns with American, Finnish and Norwegian flags.

There were many varieties of Norwegian pastries with several kinds of sandwiches, meats, lefse and other delicacies.

The exhibit was very interesting and about ninety pieces of fancywork and handicraft were on display, some of which are 250 years old.

Mrs. Adolph Carlson carded wool while Mrs. B. P. Luvaas of Moscow demonstrated the art of spinning wool into yarn. The spinning wheel was used by the mother of Herman Isaksen and still in his possession.

The silver offering netted the Aid \$69.00 which will be sent to Finland for relief work.

The Ladies Aid wishes to express thanks to the public for their patronage.

Mrs. J. C. Cameron and Nola Mae of Seattle visited from Tuesday until Thursday at Art Hove's.

Mr. and Mrs. Nels Lunde and Erling Lunde were Sunday dinner guests of Mr. and Mrs. Sam Lange.

Mr. and Mrs. Wm. Giber of Kamiah spent Saturday night and Sunday at Art Tegland's. Miss Vivian Olson, Charles Hasfurther and Rodney Tegland were also dinner guests Sunday.

Carol Borgon is spending this week with Clarice Rae Hove.

Mrs. Harry Egland and Donna spent Tuesday afternoon with Mrs. Art Hove.

Mrs. Dollie Peterson and Vernon Peterson motored to Colfax Sunday to spend the day with Mr. and Mrs. Ernest Johnson and family.

Mr. and Mrs. Gustav Wegner and two children and Fred Wegner, all of Rockland, Idaho, visited from Tuesday until Thursday with Mr. and Mrs. Allen Sather and family. Mrs. Sather is a sister of the Wegner brothers.

Clara Danielson and J. P. Anderson left Wednesday for Walla Walla to spend a couple of days.

Mr. and Mrs. Clarence Peterson and sons and Bud Moore and Mrs. Harry Wolffs and baby spent Thursday evening at Mrs. Dollie Peterson's.

Mr. and Mrs. Allen Sather and boys visited Sunday with Mr. and Mrs. Ben Sather in Moscow.

Mr. and Mrs. Chas. Olenborg visited with Mrs. Julia Smith in Moscow Saturday.

Mrs. Annie Danielson had as dinner guests Sunday, Mr. and Mrs. Norman Flume and Duane, Mr. and Mrs. L. Flume and baby and Ted and Jack Flume.

Mr. and Mrs. Harry Emerson and Mr. and Mrs. Clarence Peterson spent Monday evening at John Eikum's.

Mrs. J. P. Wedin and Mrs. Sam Lange attended a concert given by Joseph Knizer, violinist, in Moscow Monday evening.

Anna Marie Hoesie is spending the rest of this week at her home near Moscow.

Ray Wedin who is employed near Johnson, Wash., spent the week end at his home.

Palmer and Engel Anderson and Beverly Anderson visited Sunday at Oscar Danielson's.

Art and Don Linehan and Oscar Danielson spent Wednesday in Spokane.

J. P. Wedin and Roy Wedin were Lewiston visitors Wednesday.

Mrs. Harry Egland and Mrs. Sam Lange spent Saturday afternoon with Mrs. O. Danielson.

#### Sunday afternoon visitors at Herman Isaksen's were Mr. and Mrs. Wm. Jenkins and Kenneth and Mr. and Mrs. Jack Napean.

Mr. and Mrs. John Fallow spent Saturday evening at Pete Isaksen's. Alfred Isaksen returned home with them for a few days.

Ralph McBride and Mr. and Mrs. Pete Isaksen motored to Lewiston Wednesday to spend the day.

The Blue Bird club met Wednesday with Mrs. Colin Wilson. After the business meeting a program in charge of Mrs. Ed Strate was enjoyed. The hostess served delicious refreshments. Mrs. Dick Green and Mrs. George Baumgartner were invited guests.

Mrs. Schooler Entertains

Mrs. Harry Schooler entertained on Tuesday afternoon in honor of her mother, Mrs. Dora Nebelsieck, who celebrated her 82nd birthday anniversary. Bringing birthday greetings to Mrs. Nebelsieck were Mrs. Mary Herman, Mrs. Wm. Jenkins, Mrs. Marcus Riecke, Mrs. John Meyer Sr., Mrs. Jack Nebelsieck, Mrs. Irvin Nebelsieck, Mrs. Dick Nebelsieck, Mrs. Frank Qualey and Mrs. Conrad Martin, the latter a daughter, visiting here from Nysaa, Ore. Mrs. Schooler served luncheon at the close of the afternoon.

In honor of her sister, Mrs. Conrad Martin of Nysaa, Ore., Mrs. Schooler entertained Friday of last week with a 1 o'clock luncheon which was followed by cards played during the afternoon at three tables. Mrs. James Magee won the high score award and Mrs. Martin, second high. Mrs. Martin also received a guest prize. St. Patrick's Day decorations were used in table decorations.

Signs of Spring

Bayne Hickman is the first to report signs of spring. Monday he found buttercups appearing and picked several of the blossoms. During the past few days others have reported that perennial flower plants are starting their growth. Green grass, however, has been in evidence throughout the entire winter. School children began playing marbles two weeks ago, another good sign of spring. Farm machinery purchases enter the minds of farmers when spring approaches, and their intentions are borne out by some having taken delivery of such machinery.

Home from California

Two postal cards from Long Beach, Calif., read that Mr. and Mrs. Wm. Fish and Mr. and Mrs. C. P. Shirod started home Monday. Both couples say, "Please send my paper to my home address." They live at Clarkston and spent the winter at Long Beach.

Pythian Temple Meeting

The regular meeting of the Pythian Temple was held Wednesday evening when initiatory work was given with Mrs. Roy Fish as a candidate. Mrs. Harry Thatcher, Mrs. L. C. Laupher, Mrs. Elma Collins and Mrs. Clara Wilson of Moscow were present for the meeting. Lunch was served.

#### JOHN W. BRIGHAM PROMINENT IDAHO PIONEER LAID TO REST

(Continued from Page One)

beneficial influence upon the legislation of the commonwealth. During campaigns he has labored earnestly for the success of his party, delivering many addresses in support of its principles and is a recognized leader in its ranks. His career, both public and private, is irrefragable and such men are an honor to Idaho.

Mr. Brigham was affiliated with the Republican party during his lifetime and in late years followed closely the legislation of state and nation.

Last June Mr. Brigham took a prominent part in commencement ceremonies at the University of Idaho when he received an honorary degree of bachelor of arts. On the platform to receive his degree at the same time was the youngest son of Mr. and Mrs. Brigham.

Mr. Brigham, who survives, was numbered among the first 40 students to enroll at the university in 1882 when the doors of the then unfinished administration were first opened. Also surviving are six children: John W., Jr., Fort Worth, Texas; Verna Mae, at home; Forrest L., Ellensburg, Wn.; Charles B. L., Idaho; Mrs. L. E. Barley, Albuquerque, N. M.; and Morton R., Lewiston. All of the Brigham children were graduates of the University of Idaho.

Other survivors of Mr. Brigham are his two brothers, Burnice of Genesee, who owns and operates a ranch adjoining the John W. Brigham ranch; Ed Brigham of Mills City, Ore., and a sister, Mrs. Ella Berriman of Philomath, Ore.

Funeral services for the late pioneer were held Monday morning at 10 o'clock at Shon's Chapel, Moscow, with the Rev. Owen J. B. Miles officiating. Prof. H. M. Macklin played the recessional and accompanied Robert Wallis, who sang the Twenty-third Psalm.

The active pallbearers were Frank Jones, Albert Johnson, Arthur Wright, Charles Meyer, Fred Stroobles and Elza Corbin. Honorary pallbearers were Harrison C. Dale, president of the University of Idaho, Henry C. Hanson, Harry Brenn, Arthur Snow, C. H. Friend, C. J. Orland, Frank Stanton, Charles J. Munson, Gainford P. Mier, Victor Morris, Ben E. Bush, Roy Naylor and C. A. Hagan.

Party at Smith School

A party was held at the Smith school house Friday, February 23 with Ray Johnson and Levi Rossebo as the hosts. Ten tables of pinocle were at play with high scores going to Clarence Christensen and Helen Jensen. Low scores went to Mrs. Sam Jensen and Roy Wedin. Mrs. Aaron Hewitt presented a skit, "The Wonder." The rest of the evening was spent in dancing. Visitors for the evening were Mr. and Mrs. Helmer Rossebo and family, Mr. and Mrs. Ben Johnson, Mr. and Mrs. John Eikum, Clinton Lyons and Ray and Clarence Gormsen.

Legion Auxiliary Meeting

The American Legion auxiliary will hold a regular meeting today, Friday afternoon, March 1. Mrs. Harold Hayward and Mrs. James Magee will be the hostesses.

Advertising Pays

Ann Louise Luedke is a firm believer in advertising in the Genesee News. On February 23 the young Miss ran a want ad seeking a lost long-haired yellow cat, highly prized as a pet. Wednesday morning she was a very happy little girl when she telephoned The News that the cat had been returned.

#### LOCAL NEWS

Miss Bernice Mervyn, student at Kinman Business College, Spokane, was accompanied home Friday by Mrs. Clara Connelly to visit in the Mervyn home until Sunday, when Mr. Mervyn returned them to Spokane. He returned home Wednesday.

Mrs. Fred Judd took her daughter, Betty, as far as Lewiston Wednesday where she took a stage for Kootenai to visit relatives.

Ben Johnson, former commissioner of the Genesee Highway district, now residing on his farm near Moscow, was business visitor in Genesee Wednesday afternoon.

Mr. and Mrs. Pete Kasper of Moscow visited Friday in the home of Mr. and Mrs. Andrew Hasfurther.

Miss Edna Driscoll who spent the winter in California, returned home Wednesday.

Mrs. Hannah Swenson who left before Christmas to spend the winter with her son, James, and family in Spokane, returned home Saturday.

Mrs. Elvon Hampton and infant daughter, Joan Faye, who have been at the home of Miss Ruby Peterson in Moscow since the birth of the baby on February 15, returned to their home here Sunday. Mrs. Hampton's mother, Mrs. E. A. Eager, of Colfax arrived Sunday to spend a week in the Hampton home.

Mrs. Elina Flomer who is recovering from pneumonia is being cared for by her sister, Mrs. Carl Blum of Camerton.

Mrs. Joe Cameron and daughter, Nola Mae, of Seattle, arrived Sunday for a week's visit in the home of Mrs. Bell Hanson, and with other relatives.

Mr. and Mrs. James Magee and daughters, Phyllis and Patsy, were Sunday dinner guests of Mr. and Mrs. Fred Judd.

Arlene Borgon who was returned to St. Joseph's hospital Tuesday of last week following a mastoid operation when complications developed, was brought to the home of her grandmother, Mrs. Bell Hanson, Saturday. She is much improved.

Mr. and Mrs. Martin Hasfurther were Sunday dinner guests of Mr. and Mrs. Frank Hooman.

Mr. and Mrs. Forrest Durbin attended a community concert in Moscow Monday evening that featured Joseph Knizer, violinist.

Rev. and Mrs. Marcus Riecke and Mr. and Mrs. Ed Morken were dinner guests Monday evening of Dr. and Mrs. A. J. White. Later, the hosts, with their guests motored to Moscow to hear Joseph Knizer, violinist, who was presented in one of the community concert programs.

Mrs. Andrew Wardrobe and son, John, returned Tuesday from Spokane where she spent a few days. While there she visited with her niece, Helen Heitfeld, who is a patient at St. Luke's hospital, and with Miss Mary Wardrobe who is recovering from a major operation and now convalescing at her apartment.

Mrs. S. U. Lough returned Tuesday from Clarkston where she visited since Sunday with Mr. and Mrs. Ed Hill.

Mrs. Cecelia Schlueter left Wednesday for Ferdinand to visit with her daughter, Mrs. W. M. Tierney, who is substituting in the Ferdinand schools for a teacher who is ill.

Mr. and Mrs. John Krier visited on Wednesday with their son, Herman Krier, and family in Troy.

Mrs. Frank Tharbach of Thornes Creek and Mrs. Oscar Heitstom of Colton visited Friday with Mrs. Florent Moser.

Supt. Kenneth Dean and Ben Cook were in Kendrick last Thursday evening to attend a district athletic board meeting and to witness the basketball game between Troy and Gifford, and won by Gifford. Winner of the game according to drawing for contestants in the Lewiston tournament, was the team to play Genesee in the first round. Gifford won by one point, and this morning Genesee and Gifford are playing.

Miss Mona Myers, student at the University of Idaho, spent the week end at her home here. Her house guest was Miss Lois Potter, a student enrolled from Shoshone.

Mr. and Mrs. Art Brugeman and family of Craigmont visited a few days in the home of Mr. and Mrs. R. S. Sullivan in Pullman and Mr. and Mrs. Nedros in Moscow.

Mr. and Mrs. Art Hansman, Mr. and Mrs. Kenneth Abern and Mary Jane Broomeling were Sunday dinner guests

#### LOCAL NEWS

of Mr. and Mrs. John Kries and family.

Mrs. Fred Morscheck entertained Friday afternoon of last week in honor of Mrs. Estel Carluh, other guests being Mrs. George Carluh, Mrs. Geo. Baumgartner, Mrs. Wm. Baumgartner, Mrs. Tom Gooch, Mrs. Otto Schwenne, Mrs. Johanna Christenson, Mrs. Fred Shirrod, Miss Sylvia Silencer, Miss Emma Roskammer, Mrs. Roy Fish, Mrs. Wm. Clausen, Mrs.

Parents of Daughter

Mr. and Mrs. E. A. Johnson were in Boise, are the parents of a daughter born Tuesday, February 27. Mrs. Johnson was formerly Miss Elsie Stinson, sister of Mrs. Wm. Mervyn, who is now visiting in the Johnsons' home in Boise and telephoned the news of the baby's arrival to her family here.

Team Record for the Season

Records compiled by Leland Emmett, manager of the Genesee Amateur Athletic Club basketball team for during the season to 320 for other clubs, and total scores made by Genesee were 1265, compared to 1105 for their opponents. Genesee made 267 free

throws and missed 224, while their opponents made 165 and missed 281. Genesee committed 289 personal fouls during the season to 320 for other clubs, and total scores made by Genesee were 1265, compared to 1105 for their opponents.

#### O. E. S. TO SPONSOR PROGRAM

A program of entertainment will be sponsored by the Order of Eastern Stars, Thursday, March 7 at the high school gymnasium, beginning at 8 o'clock. Most of the talent will be from Washington State college and the University of Idaho and will consist of vocal and instrumental numbers, tap dancing, hula dancing, readings and novelty exhibitions. Wayne and Elvon Hampton will appear as vocalists and the high school pep band will have a place on the program. The latter organization is working up some new numbers, and they are the group that appeared between games during the tournament.

The program is to be varied, and no doubt will be interesting and entertaining, as the various individuals

Must Have Had a Reason An Arizona cowboy applied at a navy recruiting station for enlistment.

"Ever been sick?" asked the recruit. "Nope," said the com puncher. "Ever had any accidents," queried the officer.

"Not a one," returned the would-be sailor. "Then what caused that scar on your hand?" demanded the officer.

"Rattlesnake bit me," laconically answered the coward. "And you don't call that an accident?"

"Nope, the son-of-a-gun did it a purpose. "Newspapers," says the Wyandotte Pantograph "are like women, because: "They are thinner than they used to be; "There is a bold face type; "Back numbers are not in demand; "They have a great deal of influence; "Every man should have one of his own and not chase after his neighbors."

THAT RUSSIAN GOLD

The shipment of 160,000 ounces of gold from Russia, worth an estimated \$5,600,000, which landed at San Francisco a few days ago was "just an ordinary daily transaction," says Henry Morgenthau, United States Secretary of the Treasury.

That is just what makes a great many people disturbed about the American Government's gold buying policy... the fact that the exchange of Treasury dollars for bullion from all the world is an everyday routine, in the instance facilitating the purchase of war materials by a Government whose aggression upon a peaceful neighbor is heartily disapproved throughout America.

The subject of maintaining an open and guaranteed market for all the gold the world produces, too, a subject of course, anything but a simple economic question. Any course tending even remotely toward a resumption of free gold trading throughout the world with a uniform standard of exchange is in that respect desirable.

And there are many economists and business men who begin to doubt that the accumulation of most of the world's gold in a hole in the ground at Fort Knox, Kentucky, will ultimately be of any advantage to the United States... if the rest of the world should decide, for example, to abandon the gold standard and adopt something else as its medium of exchange.

Some believe the United States could cease to buy gold at a fixed price from abroad and yet maintain the value of the dollar by continuing to purchase the American production on this basis. At any rate, it is time for a thorough study and review of the effects of the gold purchasing policy and an effort to re-orient it, if possible, into more satisfactory channels.—Christian Science Monitor.

GENESEE UNSPORTSMANLIKE

Geneesee basketball fans are not everything the Kendrick Gazette likes in spectators, according to comments appearing in the McCreevy publication. It takes Geneesee fans to task as follows in referring to the Kendrick-Lapwai game during the recent tournament:

"The Lapwai-Kendrick game was an uphill proposition for the Lapwai Whites, too. At about 11-10 at the half they fell behind and won late in the game because of the fine marksmanship of Davis, Webb and Meacham. Meacham was top point getter with 15. During this game the first-class 'fans' also turned in some 'first-class' boozing of players and referees, and many who had followed the teams of Lapwai, Culeesac and Kendrick were heard to remark on the 'sportsmanship' of the Geneesee fans."

Dang it all. Geneesee fans now must feel bad over the whole thing. The tournament here provided more funds for visiting teams than they have ever received at any other sub-district tournament, and we felt that we were rooting for the team less favored to win. That was Lapwai, a team who shook off Kendrick in two games, to tie for fourth place in the sub-district, and then for win. Lapwai had been cuffed around by other teams of the conference during the season, and always a contender to win in their game here with Kendrick, all the glory is taken away from the Lapwai players. Geneesee fans were not aware they could exert so much influence. We're sorry.

GENESEE A. A. C. WINS TWO AND LOSTS TWO AT TOURNEY

(Continued from Page One) Played Good Ball Attendance at the games, according to Lefty Emmett, G. A. C. basketball manager, was very good, especially while Grangeville remained in the running, and it is expected that receipts may not lack too much of paying expenses for the teams participating. Emmett took nine players: Thiesen, Lam, Blaine, Hampton, Dreshler, Armstrong, Edwards and Smylie. Grangeville played as good basketball as any of the teams, the manager reports and the club players were out to win in every game. The game with Winchester was closer than the score indicated, and in the game with the Seventh Street Grocers it was just a matter of a late start for the Geneesee club.

The team and manager left Genesee Saturday morning and returned home Monday night. Genesee Valley Church Services Sunday at 9 a. m. Sunday school at 10 a. m. The Ladies Aid will meet Thursday, March 8, at the home of Mrs. Lee Danielson will be the hostess.

Community Church Sunday school, 10 a. m. Worship service, 11 a. m. Sermon, "Jesus, The Man." Junior Christian Endeavor 7 p. m. Senior C. E. 7:30 p. m. Orchestra practice 3:30 p. m. Sunday.

Good Liars An evangelist who was conducting nightly services announced that on the following evening he would speak on the subject of "Liars." He advised his hearers to read in advance the seventeenth chapter of Mark. "The next night he arose and said: "I am going to preach "Liars" tonight and I would like to know how many read the chapter I suggested." A hundred hands were raised. "Now," he said, "You are the very persons I want to talk to. There isn't any seventeenth chapter of Mark."

Don't Buy a Pig in a Poke

YOU WOULDN'T buy one or two hundred dollars worth of stock, food or clothing without knowing certain facts concerning it...

Why should you do less when buying ELECTRICAL EQUIPMENT? No doubt you have heard said: "All electrical refrigerators are pretty much alike." A little investigation will prove to your own satisfaction, that this is far from true.

Electric refrigerators now being manufactured use at least five distinct types of compressors and seven or more different refrigerants, ranging from that which is harmless, tasteless, and odorless to suffocating, corrosive or explosive gas.

Only a few of the better manufacturers use a standard and system with a high-grade refrigerant, in every compressor with their line. Don't take our word for it. All we ask is a chance to prove that you get more for your money when you buy WESTINGHOUSE.

WEIPPE ELIMINATED

Weippe, considered one of the leading contenders for district honors at the Lewiston basketball tournament was eliminated Thursday afternoon by Culeesac 17-19. Weippe lost a previous encounter to Grangeville 21-28. Weippe, this is the first team to be eliminated.

Odds are not against the Geneesee Bulldogs. Weippe and Grangeville are considered even. Culeesac had the best of Weippe and the best Culeesac ever did do against Geneesee was a 27-26 win. Geneesee took Culeesac in two other conference games by the scores of 30-25 and 32-22.

The Elk River club, also boosted by some writers as headed for district leadership, lost to Geneesee 32-12 and failed to score a single point in the last half of the game played here.

A Tabloid for Lewiston Homer Hamblin and Vern Noel of Lewiston are said to be remodeling a building near the Manhattan Cafe to house a complete lithographing plant from which will be published an afternoon tabloid. The name "Graphic" is considered for the lithographed paper.

Don Jones in Hospital Don Jones, Geneesee high school senior, underwent an operation for appendicitis Wednesday morning of last week in Moscow. He is reported getting along nicely.

**TOURNAMENT IS OVER**

Misfortune struck Geneese and its basketball team squarely between the eyes Monday evening at Lewiston when Grangeville won the final game from Geneese for the district championship and a trip to the state tournament.

It's so easy to be a winner, but it requires fortitude to be a loser, and it's part of the game to be the loser. In no athletic contest can there be two winning teams. Geneese's team gave everything it had in an attempt to win, and the boys and their coach would so much appreciated having had Dame Fortune smile on them just a bit Monday night.

If everyone knew which team was to be the eventual winner in every contest, but few people would take an interest in sports of any kind, and there would be no competition among schools which tends to prepare its students for the game of life. Scarcely does any person wish another misfortune. There is perhaps no consolation for the unfortunate contestants, but many times in life there will be disappointments, and only those who possess those "come-back" qualities have learned a lesson typical of teachings which are, and should attach to school athletic events. Geneese's boys were not shirking at any time Monday evening. They had come a long way through a schedule of 27 games, and they met Grangeville for the second time in their twenty-eighth engagement. They have had a splendid season, they have tried their level best to follow instructions of their coach. Entering a tournament was secondary to playing the regularly scheduled games, and it is only the chosen few schools who participate in the play-offs. Geneese climbed the ladder of success to its highest point for schools of its size, and the community, to a person, while regretting the final loss, know that the coach and the boys gave their best efforts, and those who attended gave thanks for providing a splendid season of basketball.

None of the boys have sustained injury of any sort. The team has been respected as a worthy opponent for any team. The boys have had a grand year of athletics, and there are more events to take place this spring. The boys who complete their high school course will be encouraged to enter some institution of higher learning if they desire to pursue athletic contests. In normal school, college or university there will be a continuation of competition, as if one enters directly into other fields there will be plenty of competition. Geneese, like every other community, watches the student of high school after graduation, and if the team will try as hard to win from now on as they have in the past, everyone will be as proud of them as when carrying the banner of the school and community to the final game of the tournament.

col county, used for transmission and distribution of electricity, together with lines extending into Grant and Spokane counties, with some exceptions."

The above paragraph is quoted from a news story in the Davenport, Wash. Times-Tribune of December 21, and is an illustration of what can actually happen in this our so-called democracy. In this particular instance, if we interpret the news story correctly, two men are given the authority to condemn a private business and force the owners to pay for it. The rights of private business or individuals are secondary to the will of a very small political body.

Some of us, who might be operating a reasonably profitable business, would be inclined to holler our heads off if a couple of politicians came and told us our business had been condemned and would from then on be run by the people and for the people. The only sad part of it is that this "by and for the people" operation is favored too much with political meddling and consequent inefficiency.

We often hear the super-patriots proclaim that our democratic form of government must be preserved at all costs, but it looks like the structure has been springing some leaks.

**Attend Masonic Meeting**

Those attending a Masonic meeting in Colton Wednesday evening were: Fred Shirod, W. M. Herman, John Luedke, Wm. Rosenau, Forrest Durbin, Nels Lande and James Archibald.

**Party at Smith School**

Mr. and Mrs. Sam Jensen and Mr. and Mrs. Fred Hove, hosts of the party held at the Smith school house Friday last. Seven tables of pinhole were set up, with high scores going to Mrs. Wedin and Clarence Gormsen and low scores went to Alice Kraut and Ray Gormsen.

Several members of the community presented a play, "The Mock Trial." After delicious refreshments were served these present enjoyed a few hours of dancing.

Visitors for the evening were Alice and Joanne Kraut, Clinton Lyon, Ray and Clarence Gormsen.

**Community Church Aid**  
The Community Church Aid met at the church parlors Wednesday afternoon when Miss Wilcox, Washington Water Power company home economist, gave an interesting talk on modern kitchens. Mrs. Ray Edwards and Mrs. W. W. Burr served luncheon.

**Get Together Club**  
Mrs. LeRoy Harris was hostess to the Get Together Club Monday evening when high score award at cards was won by Miss Edna Hasfurther; second high by Mrs. Lloyd Easer, and fifth women, Donna Cook, Mary Emerson, Norma Liberg, Viola Huntley and Shirley Haymond; first, second and third men, Fred Hove, Dale Vestal, Gene Eikum, Alfred Huntley and Jack Manning; The Pied Piper, Verne Grieser; chorus, Dorothy Lee, Itha Wright, Leona Clausen, Patsy Magee, Gwen Meyer, Yvonne Eikum, Wilma Pifer, Dolores Hove, Beverly Bressler, Ruth Anderson, Elaine Simons and Patty Nelson.

Children in the opera, who followed the Pied Piper were from the second, third, fourth and fifth grades and the rats were children from the first, second and third grades. All were in costume, and suits for the rats must have required considerable time by mothers of the children to prepare. In the parade of children and rats, some of the audience may have thought they entered the stage a second time but they came on but once in each of the scenes. The number of children gives one an idea of how many are in school and how much time and patience were given to presentation of the opera.

The singing and speaking parts were very well taken and people will long remember the success of the event. It was exceptionally good.

**GRADE SCHOOL OPERETTA PLEASES LARGE AUDIENCE**

One of the largest audiences ever to witness a school presentation occupied the seats of the overflowed crowd to the bleachers at the gymnasium Friday evening when pupils of the grade school opened in a dramatization of "The Pied Piper," and everyone thoroughly enjoyed seeing and hearing the children as they smoothly portrayed the various characters of Hamelin Town. The presentation was complete to the minute detail, even to the rats and dog. The operetta was coached by all teachers of the grades, with Miss Emily Keller as accompanist.

The operetta opened with Gwendolyn Meyer reading the poem, "The Pied Piper." Those taking principal parts were: Town crier, Dick Black; Gretchen, Lavonne Denow; Katrina, Verla Pabst; Hans, Bobby Smithwick; Peter, Parke Enders; clown rat, Simon Fleishman; Mutter Katzenheimer, Erma Huntley; Yaacob, Dick Springs; Frieda, Clarice Hove; Fido, the dog, Gordon Cook; mayor of Hamelin, Don Borgen; councilmen, Tom Edwards, Harold Springer and Alton Anderson; first, second, third, fourth and fifth women, Donna Cook, Mary Emerson, Norma Liberg, Viola Huntley and Shirley Haymond; first, second and third men, Fred Hove, Dale Vestal, Gene Eikum, Alfred Huntley and Jack Manning; The Pied Piper, Verne Grieser; chorus, Dorothy Lee, Itha Wright, Leona Clausen, Patsy Magee, Gwen Meyer, Yvonne Eikum, Wilma Pifer, Dolores Hove, Beverly Bressler, Ruth Anderson, Elaine Simons and Patty Nelson.

Children in the opera, who followed the Pied Piper were from the second, third, fourth and fifth grades and the rats were children from the first, second and third grades. All were in costume, and suits for the rats must have required considerable time by mothers of the children to prepare. In the parade of children and rats, some of the audience may have thought they entered the stage a second time but they came on but once in each of the scenes. The number of children gives one an idea of how many are in school and how much time and patience were given to presentation of the opera.

The singing and speaking parts were very well taken and people will long remember the success of the event. It was exceptionally good.

**PROCLAMATION**

"Whereas all Christian people have faith in the existence of a Supreme Being, and whereas recent developments abroad have proven that a lack of worship and faith in Him tends to ruin the lives and homes of individuals and nations; and

"Whereas, our modern living at home tends to fill the lives of many with duties that conflict with regular observance of worship and neglect of our duties to our community; and

"Whereas, the week of March 17 to 24, marking the closing of Lent, has been set aside as "National Go To Church" week;

"Therefore, I, J. W. Emerson, mayor of the City of Geneese, do proclaim the above week as "Go To Church Week" in our community; and invite all citizens to take active part in the worship of the church of their choice and hold fast to the heritage that is ours of religious freedom, and the worship of God according to the dictates of our conscience."

J. W. Emerson, Mayor.

**HIGH SCHOOL SPEECH CLASS TO PRESENT ONE-ACT PLAYS**

Of special interest on the school calendar for this year is the presentation of one-act plays. Miss Lillian Larson, instructor in dramatics, announces the event as scheduled for the evening of Thursday, March 21. Owing to Holy week observance curtain on the first play will be at 8:30 o'clock, or 30 minutes later than the usual time.

There will be three plays again this year, "Who Gets the Car Tonight," a story of a family argument over who is going to use the car tonight. The cast follows: Clara, Wayne Hickman; mother, Clara Kaufman; son, Don Abern; daughter, Mary Tobin, and a boy friend, Earl Broemeling.

The second play is "My Cousin from Sweden," a comedy, with the following cast: Swedish girl, Jean Schoeller; Swedish maid, Phyllis Magee; young society girls: Betty Linehan, Dorothy Kries, Mary Jane Broemeling, Arlene Borgen and Anna May Kluss.

The third play is "At the Stroke of Twelve," a mystery, with the following cast: Heroine, Anna Mae Kluss; hero, Don Huffman; old maid, Clementine Flerschinger; visitor, Sylvia Slusser, and negro maid, June Rader.

**Seventh and Eighth Grades**

Several pupils in the room are writing a story for a contest on "Democracy," the title of the story must be "What Democracy Means to Me." The prize is \$5.00 to the winner.

For art last week comic figures were drawn with the best being made by Gwen Meyer, Louise Vandenberg, Dan Pederson, Jeannette Wernecke, Viola Huntley, Don Borgen, Lawrence Isakson, Shirley and Viola Hammersley, Harold Miller, Helen Scharnhorst and Gene Eikum.

**Fifth Grade**

We are preparing a play for Health called "Build Strong." Those taking part are: Bobbie Erickson, Eddie Huntley, Ruth Anderson, Lorraine Fox, Bernard Shumacher, Ruby Anderson, Verla Pabst, Dick Springer, Howard Hatton and Robert Hadley. We are practicing after school, and through our play we are going to show the class the correct things to eat in order to build strong teeth and bones.

**Second Grade**

We are studying towns and all the things that make up a town. Each unit will be studied carefully. In our sandbox we are going to make a small town. It will be all planned out.

**First Grade**

Mrs. Forsyth substituted in the first grade the past two weeks. We wish to thank her for the many nice things she did for us. We are planning a Holland unit for social studies. We will set up a Holland Village.

**4-H Club Meeting**

The monthly meeting of the girls 4-H club was held Wednesday afternoon at the school house when Miss Esther Martinson spoke to the twenty members present on Club Projects. Games for the afternoon were planned by Betty Broemeling and Donna Lee Cook. Verona Cole served luncheon following play.

**Public Card Party Cancelled**

Members of a committee named by the Knights of Columbus council wish to announce that plans for a public card party have been cancelled. The date was announced for Sunday, Mar. 17. Further announcements later.

**Firemen to Meet**

Members of the Geneese Volunteer Fire Department are requested to be at the fire station at 7 o'clock prompt, Monday evening, March 18. If weather or permits there will be regular drill and if not, there will be other important business.

**PALM SUNDAY SERVICE WITH CONFIRMATION AT ST. JOHN'S**

A class of eight children will be received into communicant membership with St. John's Lutheran church this Sunday. Those to be confirmed are: Dorothy and Ralph Anderson, Freddie Morscheck, Mary Emerson, Eugene Scharnhorst, Gwendolyn Meyer, Helen Scharnhorst and Sanford Evans.

The class will be dressed in white confirmation robes and special Palm Sunday music will be heard from the choir and Robert Rieke will sing as a solo, "The Palms."

The pastor will preach a special confirmation sermon for the occasion and the church will be appropriately decorated with palms and flowers. Visitors and friends are cordially invited to this service.

**Relieved of Cast**

Carol Jean Morscheck who had been required to wear a cast since October 22 when she suffered a broken left leg, had the cast removed Friday at Lewiston. On January 24th a new cast replaced the first one. Carol Jean spent several weeks at St. Joseph's hospital in Lewiston and the rest of the time at home. She has kept up with her studies with the help of her teacher, Miss Ruth Pontius, and will re-enter school next Monday. She is able to get about by aid of crutches which she will use for some time.

**Boy Scouts Going to Lewiston**

Several Geneese Boy Scouts plan to go to Lewiston Tuesday evening, March 19 to attend a Board of Review and Court of Honor. Boys will pass tests locally before a special committee. Ben Cook, Joe Tupker and George Anderson, Thursday evening.

Saturday afternoon a number of the Geneese Troop, with Melford Knight, their leader, made a trip to their camp site where the boys passed tests in trail-marking.

**Firemen to Meet**

Members of the Geneese Volunteer Fire Department are requested to be at the fire station at 7 o'clock prompt, Monday evening, March 18. If weather or permits there will be regular drill and if not, there will be other important business.

**GENESEE PICNIC AT LONG BEACH ENJOYABLE AFFAIR**

Mrs. Lela Jain, writing from Los Angeles, Calif., tells of "Another Geneese Picnic," always of interest to those who attend and to those who have, in other years, been at Bixby Park, when former Geneese people gather.

"Bixby Park, Long Beach, was the scene of a most enjoyable picnic Sunday, January 10, when 65 former neighbors, friends and acquaintances gathered for their second and last get-together of the 1939-40 season.

"The annual affairs have long been largely indebted for their continuance and success to the interest and faithful service of W. N. Gibb and Miss Margaret Magee. Mr. Gibb makes necessary arrangements, and always furnishes, prepares and serves most delicious coffee for all, while Miss Magee acts as secretary and notifies all former Geneeseans in the surrounding towns, whose addresses she can secure.

"The register shows the names of the following persons as having been present at the last picnic: Mr. and Mrs. F. H. Meader, Mr. and Mrs. Leon Follett, Mr. and Mrs. George Mochel, Mr. and Mrs. J. H. Jackson, Mr. and Mrs. Edgar Evans, Mr. and Mrs. F. C. Shork, Mr. and Mrs. W. N. Gibb, Mr. and Mrs. P. O. Potash, Mrs. C. P. Tuomi, Mr. and Mrs. Geo. F. Ingraham, Mr. and Mrs. John Roberts, Mr. and Mrs. A. Hovland, Mr. and Mrs. E. W. Potash, Mr. and Mrs. Frank Houcher, Mr. and Mrs. Thos. Bales, Mr. and Mrs. J. Frith, Mr. and Mrs. Ed Erickson, Mr. and Mrs. Glen Erickson, Mr. and Mrs. George Nelson, Mr. and Mrs. Ralph Kennedy, Mr. and Mrs. J. L. McDermott (nee Helen Grieser) and children, Donald, Barbara and Gerald; Fred Nagel, Henry Martinson, J. P. Michaelson, J. B. Davies, Walter Ebel, George Grieser, Joe Geiger, Fred Geiger, Wm. H. Payne, Gainford Hovland, Wm. Potash, Mrs. C. P. Tuomi, Mrs. Minnie Butler, Mrs. Ida Travis, Mrs. Berna Engals, Mrs. Walter Jain, Mrs. W. I. Shay, Mrs. C. D. Hirselberger, Miss Frieda Hermann, Miss Josephine Hovland, Miss Margaret Magee and Miss Dorothy Gibb."

Mrs. Jain spent the winter at Long Beach with the exception of two weeks when she was at San Diego, and this spring she is at Los Angeles. Weather is, and has been very mild and comfortable. "I have thoroughly enjoyed my stay in California and have seen much of this southern part of the states. I will be glad to see my friends and garnered a rich store of happy memories. Haven't been so very well for part of the time and hope to return to Geneese until the weather is that of certain spring," writes Mrs. Jain.

Mrs. Jain spent the winter at Long Beach with the exception of two weeks when she was at San Diego, and this spring she is at Los Angeles. Weather is, and has been very mild and comfortable. "I have thoroughly enjoyed my stay in California and have seen much of this southern part of the states. I will be glad to see my friends and garnered a rich store of happy memories. Haven't been so very well for part of the time and hope to return to Geneese until the weather is that of certain spring," writes Mrs. Jain.

**UNCERTAIN CROP PROSPECTS INFLUENCES WHEAT MARKET**

Wheat markets turned firmer during the week ended March 8 and price advances offset most of the previous week's decline, according to the U. S. Dept. of Agriculture. Uncertain prospects for winter wheat, together with political developments in Europe and a more active domestic milling industry were the principal strengthening influences.

Reports of private forecasters at the first of March emphasized the uncertain prospects for winter wheat this season. While some uncertainty was noted over the condition of the grain, reports of December 1, indications of probable outputs were still indefinite. Grains failed to germinate in the drier sections last fall and stands are uneven. Moisture reserves are low and rainfall since the first of September has been below normal throughout the entire belt. In Kansas only 5.40 inches of rainfall were received from September 1 to March 5, or 3.37 inches below normal for that period. In Nebraska, precipitation totaled only 4.36 inches or 3.27 inches below normal. In Oklahoma, the total was 6.15 inches against a normal of 9.70. In Ohio and Indiana, rainfall totaled 12.50 inches and 11.75 respectively, against a normal of 17.55 and 20.05. In Illinois, the total was 9.47 for the period and in Missouri 9.86, a deficiency of 7.22 and 6.52 inches respectively.

Warm and dry weather during the first week in March improved prospects for winter wheat in the southeastern states and in southern portions of the winter wheat belt, but plants remained largely dormant in the northern half of the belt.

Wheat prospects abroad are also still uncertain with conditions quite variable. The second official estimate placed the Indian acreage at 33,189,000 acres which is slightly above the comparable estimate last year. The condition of the crop is reported generally good with damage from cyclones less than indicated earlier in the season. In Europe, the snow and ice are disappearing from the fields but the extent of the winter damage cannot yet be definitely determined. The Hungarian wheat crop is privately estimated at around 77,280,000 bushels, which is about 35,000,000 bushels under the 1939 harvest. The warmer weather is promoting growth in Italy and removing the snow covering in Germany and western European countries.

**Chicken Dinner for Pea Growers**

The following invitation is extended to pea growers to attend the annual growers' meeting, to be held Wednesday, March 20, at the Grange hall in Moscow, beginning at 10:30 in the morning, and sponsored by the Washington Seed company.

"We would like to have you as our guest for a chicken dinner at noon and remain with us part of the afternoon for the program which we plan to present. Our main topic of discussion will be the results of the pea weevil control program which was put into effect a year ago as has been compiled by Dr. Tom Brindley of the U. S. Department of Agriculture. He will also make his recommendations for effective methods of control for this year, which we know you will be interested in having. Of course we will have other entertainment for you, and we hope that you will tell your friends and bring them along with you."

**Bridal Shower**

Miss Bonnie Hayden, who is to be married to Mr. Tommy Ikard, was given a bridal shower Saturday afternoon by Misses Leona and Helen Edwards, Beverly Manning, Irene Morgan, Olwyn Evans, Mary Tobin, Alice and Jane Rader, Norma Grieser, Dolores Grieser, Bonnie Green and Ruth Alice Vanouek. Miss Hayden received a shower of gifts after which luncheon was served. Mr. Ikard, whose home is at Gooding, Idaho, is employed at Moscow.

Mr. Gibb makes necessary arrangements, and always furnishes, prepares and serves most delicious coffee for all, while Miss Magee acts as secretary and notifies all former Geneeseans in the surrounding towns, whose addresses she can secure.

"The register shows the names of the following persons as having been present at the last picnic: Mr. and Mrs. F. H. Meader, Mr. and Mrs. Leon Follett, Mr. and Mrs. George Mochel, Mr. and Mrs. J. H. Jackson, Mr. and Mrs. Edgar Evans, Mr. and Mrs. F. C. Shork, Mr. and Mrs. W. N. Gibb, Mr. and Mrs. P. O. Potash, Mrs. C. P. Tuomi, Mr. and Mrs. Geo. F. Ingraham, Mr. and Mrs. John Roberts, Mr. and Mrs. A. Hovland, Mr. and Mrs. E. W. Potash, Mr. and Mrs. Frank Houcher, Mr. and Mrs. Thos. Bales, Mr. and Mrs. J. Frith, Mr. and Mrs. Ed Erickson, Mr. and Mrs. Glen Erickson, Mr. and Mrs. George Nelson, Mr. and Mrs. Ralph Kennedy, Mr. and Mrs. J. L. McDermott (nee Helen Grieser) and children, Donald, Barbara and Gerald; Fred Nagel, Henry Martinson, J. P. Michaelson, J. B. Davies, Walter Ebel, George Grieser, Joe Geiger, Fred Geiger, Wm. H. Payne, Gainford Hovland, Wm. Potash, Mrs. C. P. Tuomi, Mrs. Minnie Butler, Mrs. Ida Travis, Mrs. Berna Engals, Mrs. Walter Jain, Mrs. W. I. Shay, Mrs. C. D. Hirselberger, Miss Frieda Hermann, Miss Josephine Hovland, Miss Margaret Magee and Miss Dorothy Gibb."

Mrs. Jain spent the winter at Long Beach with the exception of two weeks when she was at San Diego, and this spring she is at Los Angeles. Weather is, and has been very mild and comfortable. "I have thoroughly enjoyed my stay in California and have seen much of this southern part of the states. I will be glad to see my friends and garnered a rich store of happy memories. Haven't been so very well for part of the time and hope to return to Geneese until the weather is that of certain spring," writes Mrs. Jain.

Mrs. Jain spent the winter at Long Beach with the exception of two weeks when she was at San Diego, and this spring she is at Los Angeles. Weather is, and has been very mild and comfortable. Haven't been so very well for part of the time and hope to return to Geneese until the weather is that of certain spring," writes Mrs. Jain.

**GENESEE PICNIC AT LONG BEACH ENJOYABLE AFFAIR**

Mrs. Lela Jain, writing from Los Angeles, Calif., tells of "Another Geneese Picnic," always of interest to those who attend and to those who have, in other years, been at Bixby Park, when former Geneese people gather.

"Bixby Park, Long Beach, was the scene of a most enjoyable picnic Sunday, January 10, when 65 former neighbors, friends and acquaintances gathered for their second and last get-together of the 1939-40 season.

"The annual affairs have long been largely indebted for their continuance and success to the interest and faithful service of W. N. Gibb and Miss Margaret Magee. Mr. Gibb makes necessary arrangements, and always furnishes, prepares and serves most delicious coffee for all, while Miss Magee acts as secretary and notifies all former Geneeseans in the surrounding towns, whose addresses she can secure.

"The register shows the names of the following persons as having been present at the last picnic: Mr. and Mrs. F. H. Meader, Mr. and Mrs. Leon Follett, Mr. and Mrs. George Mochel, Mr. and Mrs. J. H. Jackson, Mr. and Mrs. Edgar Evans, Mr. and Mrs. F. C. Shork, Mr. and Mrs. W. N. Gibb, Mr. and Mrs. P. O. Potash, Mrs. C. P. Tuomi, Mr. and Mrs. Geo. F. Ingraham, Mr. and Mrs. John Roberts, Mr. and Mrs. A. Hovland, Mr. and Mrs. E. W. Potash, Mr. and Mrs. Frank Houcher, Mr. and Mrs. Thos. Bales, Mr. and Mrs. J. Frith, Mr. and Mrs. Ed Erickson, Mr. and Mrs. Glen Erickson, Mr. and Mrs. George Nelson, Mr. and Mrs. Ralph Kennedy, Mr. and Mrs. J. L. McDermott (nee Helen Grieser) and children, Donald, Barbara and Gerald; Fred Nagel, Henry Martinson, J. P. Michaelson, J. B. Davies, Walter Ebel, George Grieser, Joe Geiger, Fred Geiger, Wm. H. Payne, Gainford Hovland, Wm. Potash, Mrs. C. P. Tuomi, Mrs. Minnie Butler, Mrs. Ida Travis, Mrs. Berna Engals, Mrs. Walter Jain, Mrs. W. I. Shay, Mrs. C. D. ### GENESSEE VALLEY NEWS

The Genessee Valley Aid met at the Parish Hall Thurs., March 7, with Mrs. Lee Danielson as hostess. Several ladies gave a short skit, and Shirley Danielson and Donna Danielson sang a duet. After the business meeting the hostess served delicious refreshments to 30 members and guests. Mrs. Ed Strate will be the next hostess to the Aid.

Mrs. Lilly Larson, Eleno Larson and Pete Norlie visited with Mr. and Mrs. A. Carlson Sunday afternoon.

Miss Shirley Hoamer of Moscow and Elaine Hove spent Friday night and Saturday at Art Hove's.

Mr. and Mrs. Sam Lange were Sunday dinner guests of Mr. and Mrs. Floyd Hamill in Pullman.

Mr. and Mrs. L. Klaus of Lewiston visited Sunday at the Scheele home.

Mrs. J. P. Wedin and Roy Wedin visited with Mr. and Mrs. L. Wedin and family in Pullman Monday.

Mrs. Lilly Larson, Mrs. Ed Strate, Mrs. Belle Isakson, Mrs. R. E. Nord, by Mrs. Ed Morken and Mrs. P. Wedin were guests at Our Savior's Aid in Moscow Tuesday afternoon.

Mrs. Lilly Larson was a guest in the home of Mr. and Mrs. Joe Olson in Moscow Tuesday evening.

Mrs. J. P. Wedin was one of the hostesses to the Historic Club in Moscow last Friday at their club rooms.

Sunday visitors at August Johnson's were Mr. and Mrs. Jim Hunkback, Mrs. Dottie Peterson, Vernon Peterson and Mrs. Tom Kimberling.

Mr. and Mrs. Wiley McBride of Palouse visited Sunday at the R. McBride home. Their daughter returned home with them, having spent the past two weeks here.

I. Iverson of Spokane visited Friday and Saturday at Johnson's.

Mr. and Mrs. John Eikum entertained Tuesday evening for Mr. and Mrs. John Luedke, Mr. and Mrs. Ed Strate, Mr. and Mrs. O. Danielson and Lars Johnson.

Mr. and Mrs. O. Danielson entertained for Sunday dinner, Mr. and Mrs. Jim Archibald and Linda and Janis.

Mr. and Mrs. Oliver Woodley, Harold and Donald spent Sunday evening at J. P. Anderson's.

Mr. and Mrs. Elmer Swenson and Danny Burr spent last Thursday afternoon at Johnson's.

Mr. and Mrs. Roy Iverson had as guests Sunday afternoon, Mr. and Mrs. Hans Iverson, Mr. and Mrs. Jack Napain and children, Mr. and Mrs. Harvey Heath and Mr. and Mrs. Herman Isakson and daughters.

Oliver Woodley spent Friday afternoon with Mrs. Wm. Jenkins.

Mr. and Mrs. J. Archibald and girls spent Sunday evening at Lande's.

Mrs. Floyd Stanley and Mrs. Art Hillman visited at August Johnson's Tuesday.

Mr. and Mrs. Nels Lande spent Saturday evening at Herman Isakson's.

Mrs. Selmar Helland of Highwood, Mont., visited from Friday until Saturday with Mr. and Mrs. W. O. Borgen and family.

Mrs. Chas. Odenberg was honored Friday afternoon when several friends came to help celebrate her birthday. Present were Mr. and Mrs. G. B. Smith and Howard, Mr. and Mrs. Selmar Helland, Misses Dottie and Theo Smith, Mrs. Carrow and Mr. and Mrs. W. O. Borgen. Delicious refreshments were served.

Ellen, Omer and Walter Bakken visited at Chas. Odenberg's Tuesday.

Miss Inger Hove visited from Saturday until Sunday at John Hove's.

Mr. and Mrs. Wm. Gibler spent Saturday night at Art Tegland's. They were accompanied home Sunday by Rodney Tegland who will spend the next two weeks at Kaniah high school in practice teaching.

Halvor Nelson of Garfield visited at Fred Hove's Wednesday.

Mrs. Harry England and Mrs. Chas. Odenberg attended a club dinner at the home of Mrs. O. Anderson in Moscow Wednesday.

Mr. and Mrs. Wm. Jenkins and boys spent Sunday afternoon at the home of Mrs. Mary Herman.

Mr. and Mrs. John Eikum spent last Wednesday evening at McBride's.

Mr. and Mrs. Chas. Odenberg visited with Mr. and Mrs. H. B. G. Christ near Colfax Sunday.

Mr. and Mrs. Herman Thostenen of Nezperce were overnight guests in the H. Isakson home Tuesday of last week. They also visited with Mr. and Mrs. C. Peterson and family. Mrs. Thostenen and Mrs. Peterson are sisters.

Mrs. Annie Danielson, Clarence and Vic Danielson and Anna Marie and Kenneth Hoesid spent Sunday afternoon at N. Bakken's.

The Blue Bird club met Wednesday, March 13, with Mrs. Jim Archibald. After the business meeting two guessing contests were enjoyed, with the prizes being won by Mrs. O. Woodley and Mrs. Lee Danielson. Mrs. Ole Miller and Mrs. Harry Emerson were guests. The hostess served delicious refreshments. The next meeting, on March 27, will be at the home of Mrs. Oliver Woodley.

### SPRING IS NEAR

Weather has been such recently that people may be justified in believing that spring is near at hand. Farmers, whose hands naturally arching to start spring work are working some energy by fence repairs and other preparatory seasonal labors. No actual farming is reported under way as yet in the Genessee area as fields, well soaked by the beneficial rains are much to soft to hold up equipment. The fall wheat crop appears to have gone through the easy winter without damage locally. The Nez Perce county AAA insurance supervisor reports one case in Tammany where 20 acres of wheat planted too early in the fall when it was dry, has failed to germinate. The insured producer will be required to seed the land this spring, and if a crop does not result he will be paid according to the provisions of the AAA act.

Grass has "greened up" noticeably during the past week and trees are beginning to bud generally. Perennial plants are showing green weeds are taking an early start everywhere. Fall sown grain, however, should be in a favorable position to overcome what weeds show up in such fields, and those who will work plowed lands for spring seedings will find weeds sprouting along for a good kill this spring.

The Genessee area of the Palouse is in the best condition for many seasons as regards moisture, as the soil is well saturated.

M. M. Club

The M. M. Club was entertained at their last meeting by Mrs. Jack Gehrke with a one o'clock luncheon at the Gehrke apartment in Lewiston. A long table was prettily decorated in red, white and blue. Tiny cherry trees and hatches were used as place cards, carrying out the George Washington birthday motif. Following the business meeting members and guests enjoyed a social afternoon. Members attending from Genessee were Mrs. Frank Qualey, Mrs. Jack Nebelsieck, Mrs. Dick Nebelsieck, Mrs. Dick Green, Mrs. John Flomer, Mrs. John G. Meyer and Miss Emma Roskammer. Guests were Mrs. Gehrke, Mrs. Lydia Gibbs, Mrs. Marie Sheppard and Mrs. Francis Kleinhauff. The club will meet in two weeks with Mrs. John Flomer.

Community Church

Young people of the Community church will have charge of services Sunday morning at 11 o'clock. There will be a young people's choir, young people's orchestra and a quartette.

A baptismal service will be held Friday evening at 7:30 o'clock.

Reserve Thursday evening, March 21 for the One-Act plays.

Senior Endeavor Social Meeting

Members of the Senior Christian Endeavor held a social meeting Sunday evening at the Elmer Vanouck home with Misses Ruth Alice Vanouck, Marjorie Springer and Bernice French, as hostesses. Thirty-five of the society were present.

MASQUERADE PARTY

A public masquerade party for ladies will be held the evening of Mar. 27 at the Knights of Pythias hall, under auspices of the Pythian Sisters. Prizes will be given for the best costumes, most comical costumes and other prizes will be awarded for contests during the evening. The party will conclude with a lunch. Admission is 25c. Time, 8:30 p. m. adv39

### LOCAL NEWS

Lew Jain returned home Monday from Lewiston where he and Mrs. Jain have been staying at the home of Mr. and Mrs. Russell Vernon. Mrs. Jain expects to return home in about a month.

Mrs. David Kuehl and daughter, Bonnie and Mrs. Paul Dinsen and daughter, Inge, were Spokane visitors Saturday.

Mrs. N. M. Leavitt attended an Alpha Phi alumnae meeting in Moscow Wednesday evening.

R. E. Nordby, Ed Morken and Robert Emmett were in Moscow Monday evening to hear Gov. C. A. Bottolfsen.

Mr. and Mrs. David Kuehl were in Pullman Tuesday evening to attend a bridge dinner party at the home of friends.

Mrs. Ed Bergman and son, Keith, returned home Sunday following a short visit at Whitefish, Mont., with Mrs. Bergman's sister, Mrs. Clifford Gribble, and family. Mrs. Glen Sampson, who accompanied them, remained for a longer visit.

Mrs. Edwin Ratajak of Moscow spent the week end with her mother, Mrs. S. L. Wahl.

Mr. and Mrs. Chas. Schoeller and daughter, Pearl, visited Friday and Saturday with Mr. and Mrs. Phil Schuler near Sprague, Wpa., and Sunday with Mr. and Mrs. Howard Schuler at Coeur d'Alene.

Mr. and Mrs. Victor Semler and daughter, Nancy, of Walla Walla, and Hubert Reisenauer, University of Idaho student, visited Sunday with Mr. and Mrs. M. Reisenauer.

Dorothy Kleweno, daughter of Mr. and Mrs. Art Kleweno, was taken to St. Joseph's hospital, Lewiston, last Saturday to receive medical care. Mrs. Kleweno is remaining in Lewiston while her daughter is at the hospital.

Mr. and Mrs. Chas. Ingle and Mr. and Mrs. Ole Miller were Sunday visitors of Mr. and Mrs. Fred Shirrod. Mr. and Mrs. W. M. Herman were evening callers.

Mr. and Mrs. Harry Nickle and little son, Harry, Jr., of Prosser, Wash., were week end visitors of Mr. and Mrs. Harold Hammond. Mrs. Nickle and Mrs. Hammond were friends when they were residents of Boise, and both employed at the state house.

Mr. and Mrs. C. W. Vastal and Mrs. Cline Sidenor were visitors Wednesday afternoon of Mrs. Fred Shirrod.

Mr. and Mrs. John Black and son, Dick, and Mr. and Mrs. Jess Johnson motored to Spokane Saturday where they visited Miss Nona Rae Black, student nurse at St. Luke's hospital.

Sunday Dinner Guests

Mrs. Eliza Flomer entertained Sunday for dinner, Mr. and Mrs. Clarence Flomer and family of Walla Walla, Mr. and Mrs. Carl Flomer and family of Moscow, Mr. and Mrs. Irvin Flomer and family of Lapwai, and Mr. and Mrs. Carl Lohman of Kendrick.

Returns for Visit

D. E. Spurbeck, Bremerton, Wash., was accompanied to Genessee Wednesday by his sisters, Mrs. Wm. Freeman of Seattle and Mrs. Pearl Johnson of Spokane, to visit until Thursday in the home of their sister, Mrs. Joe Doyle and family.

Mr. Spurbeck has been a government employee in the Puget Sound Navy Yard at Bremerton, Wash., for 16 years. His wife, the former Sadie E. Hawkins, a teacher in the Pine Grove school, whom he married December 4, last year at Bremerton. They had no children.

Mr. Spurbeck, perhaps better known as "Dave", was pleased to see Genessee's new school and gym, and while recalling earlier days, when he was attending high school here, told of the handicaps of athletic training. When there was no gym of any sort, about 1912 or 1913, the high school team played in a warehouse or implement shed, then rejoiced at being able to play in the present K. P. downstairs hall. It was quite an event in the lives of squad members, when later, the armory or opera house was available one or two nights a week.

Not much emphasis was placed on sports those days and much of the training was only that which the boys could provide for themselves. From Dave's account of earlier days, one might assume that good behavior was rewarded by scholarships. A coach who was here for a short time, was willing that the team witness a game at Moscow, but the superintendent and school board was unwilling that their miss school for part of a day. A trip to Moscow in those days, by team and buggy necessitated an early start, and if they desired to be in Moscow for the evening they would leave Genessee before dawn. The coach estimated he was willing to go, and made a suggestive remark that led to his being bound hand and foot. When the team had its coach pretty well tied up for his trip to Moscow, the superintendent showed up. Some thought he might be too tied up and left at home. Others, however, prevailed against the action, so the team remained at home.

Mr. Spurbeck is taking a few days from work, a vacation that is permitted at this time by there being no rush at the yards. He is employed most of the time in the repair division, and a workshop that was scheduled for repairs is being held in service for a week or so.

Mr. and Mrs. Harry Stricker and family entertained Sunday for Mrs. Mary Wieber, sons Paul and George Wieber, and daughter, Evelyn Wieber, Saturday, March 23.

FINLAND IS SANE

Rational minds of Finland's diplomats and statesmen are serving their country's best interests, however embarrassing it might be for the moment. Attacked by the giant Russian army the brave little nation, in face of extreme odds in favor of the enemy, need not feel disgraced, but should hold up its head for the world's admiration. Finland was fighting for its home, its independence and everything deserved by a nation.

Finland's courageous army and its leaders perhaps may have tired as much of the slaughter of Russians as it did of witnessing the destruction of its own men.

Russian people generally cannot be blamed for the invasion of Finland, but Stalin and his leaders will reek of indecency and the odor will remain and be much worse than that of the decaying bodies of their soldiers who lie beneath the snow.

Finland will be aided in rehabilitation, and in the years to come respect will be one of the rewards they will never be robbed of. Finland certainly has given due consideration to the settlement of their problem, and the decision is one of brilliant minds, truly representative of a people who will emerge from their ordeal a stronger nation, perhaps not in military strength or an increased domain, but as brave, honest and trustworthy people, who seem to possess every quality to be admired in a civilized human being.

People of the United States generally are confused by reports from the various belligerent nations and those who are on the verge of war, but we cannot help but feel that Finland was in the right. Should the report be correct that England and France would furnish troops and machines of war for Finland, it would be a mistake for the small nation to make a continued battlefield of the land they apparently lose so well, and further, why should Finland continue its strain and stress of war upon its people when eventually the devastated area must be reconstructed? True it is, that Finland has suffered a severe loss up to the time of the peace treaty, but they stood to lose more if war continued. The admirable nation has built its cities and homes under difficulties, and the pride and determination of the country can rebuild again, and some day perhaps outline in every way its aggressive and brutal neighbor to the east.

**An Old Friend Waving Good-Bye**  
The little red schoolhouses of America, are going, but not yet gone. In Pennsylvania they vanish at the rate of 400 a year, eliminated through consolidation, legislation and transportation—yet 5,000 remain. In New York, some of the contested figures in the budget now before the legislature involve speeding up the school consolidation program. Other states, from east to coast, are seeing change in the method of their schools, in their common school plant.

Few will regret the passing of primitive "detract" schools built by the pioneers and generations of their successors. Better teaching staffs, better grading, and better equipment generally come with better buildings. Yet many a boy or girl of forty or fifty years ago recalls tenderly some teacher in a one-teacher school, and cherishes mellow memories of the old single-room schoolhouse itself, with its birch rod, box stove, water bucket and tin dipper, and the jangling rattles on the desks and hard benches . . . on such foundations the American way was built.—Christian Science Monitor.

**Leap Year Party**  
Members of the Linger Longer club entertained several guests Tuesday evening at the home of Mrs. R. E. Edwards with a "Leap Year" party when character impersonations of both men and women of stage, screen and the comics were definitely individual. Mrs. W. M. Herman as Mae West, was awarded a prize for the best woman's impersonation, and Mrs. John Black as a typical Yiddisher, won first place as the best man's impersonation. The St. Patrick's motif was used in decorations and favors at the tables when a buffet supper was served at seven o'clock, after which bridge was played at four tables with Mrs. Sam Lange and Mrs. W. W. Burr winning honors.

Following the ladies' party Mr. Edwards entertained at an early breakfast for Linger Longer club members, their guests and some of the husbands.

**AMUND BORGES 75, PIONEER SUCCEUMS TO HEART ATTACK**

Amund Borges, born May 8, 1864 near Bergen, Norway, and a resident of the Geneese community for 75 years, passed away at his home in Geneese at 5:15 Monday afternoon, March 15. He had attained the age of 75 years, 10 months and 10 days. Mr. Borges had not been in good health but he had been able to be down town and around until a few hours before his death. At about 4:30 o'clock Monday afternoon he was taken seriously ill with death coming a relief to intense suffering. The cause of death was coronary thrombosis.

Mr. Borges came to the United States from Norway at the age of 16 with his mother, Oline Borges, and his brother and an uncle, Anton. They first home in this country was at Nevada, Iowa. The uncle preceded Mrs. Borges and her two sons to the Geneese country and on April 15, 1882 they were at Lewiston, ready to make the trip to Geneese by stage. A stage of those days and particularly the one which brought the party of three to this community, was a rather large conveyance, a two-story wagon pulled by several long and heavy pieces of leather, which served as springs. The stage driver was a man named Hove, a Norwegian, who was married in 1882 owing to swollen streams, and of necessity, kept to higher ground. The party stopped for a brief time at Geneese Old Town, and then continued to what was then the Wm. Culbertson place, now the site of the Wm. Culbertson place, across Crow Creek, then out of its banks, so the newcomers were taken across in a wagon. The team forded the creek, compelled to swim at times, and in the precarious crossing the wagon lost its occupants. The driver, Hove, and his wife, Patricia, were thrown into the water. A suitable homestead location was found for Mrs. Borges and she moved there a few days of rest she went to Lewiston to make entry on the place known for many years and until today as the Borges farm about eight miles north of Geneese.

Mr. Borges married Katherine Olson in 1895, and to them were born two children, Clarence of Longview, Wash., and Gladys, now Mrs. Fred Hoffman, Portland. Mrs. Borges married a second time, taking as his wife Haakina Peterson, and to them were born six children. They all survive: Arthur and Otto, Borgers, Mrs. Francis Uhre, Mrs. Victor Simons, Miss Eleanor Borgers, all of Geneese, and Miss Harriet Borgers, Moscow. He is also survived by five grandchildren, Phyllis Borgers, Longview; Colleen and Eugene Borgers, Geneese and Eugene Simons, Geneese.

Mr. Borges farmed the homestead during most of his life, but in 1905, he and his wife, Mrs. Olga, moved to Lewiston where he retired and moved to Geneese where he purchased a home and lived with his daughter, Miss Eleanor Borgers. The deceased was brought up in the Lutheran faith and was a charter member of the Valley Lutheran church and a Lutheran church in Moscow.

All of the children were present for the final rites.

Funeral services are being conducted this afternoon at Geneese Valley Lutheran church with Rev. F. S. Vedberg, pastor of Our Saviors' Lutheran church, Moscow, and Geneese Valley Lutheran church, having the liturgical portion of the service, and Rev. Marcus Riecke, pastor of St. John's Lutheran church, Geneese, delivering the sermon on the topic, "If An Hour of Resurrection and The Life." Rev. Riecke will sing as solo, "Heaven Is My Home," accompanied by Mrs. E. Reiserer, and Mrs. Marvin Luvas of Moscow. Music will be in the Norwegian language, "Behold A Host Arrayed in White."

Interment following the 2 o'clock services will be in the Geneese Valley cemetery beside his mother, late wife and brother. Honorary pallbearers are: Sigvald Anderson,loyd Augier, Carl Anderson, Peter Norlie, Einar Johnson, John Hagan, Andrew Mortenson and Paul Dimsen. Active pallbearers are: Archie Tegland, Gust Gilbertson, Norman Flomoe, Charles Hanberg, R. E. Nordby and Arthur Hove.

**K. OF C. HOSTS TO COUNCILS**

Geneese Council No. 1554, Knights of Columbus, will sponsor an inter-council meeting Tuesday evening, March 17, at 8 o'clock, in the A. L. A. Legion hall at Geneese. Councils from Moscow, Lewiston, Clarkston, Uniontown, Colton, Walla, Walla, Cottonwood and Spokane will be represented.

March 24 to 30 has been designated as Founders' Week by Knights of Columbus, and this event will be observed here Tuesday evening, April 2, in order that all the councils mentioned might send their delegations.

Other councils of the Inland Empire have been hosts at general meetings in recent months, and the Geneese Council has decided to entertain on the date mentioned. Members of the Geneese Council are all urged to attend this meeting. Refreshments will be served.

**SCHOOL BAND UNIFORMS TO BE PROJECT OF LADIES' CLUB**

Members of the Progressive Club, the organization which provided uniforms for the school band, is undertaking the task of making them over and again providing a band with caps and caps. Originally there were more than fifty uniforms, many of which are still in the homes. The band is attempting to collect these and is asking that those who have uniforms to please send them to Mrs. W. W. Burr or E. W. Wainman.

**Tonnettes Graduate**

Class A Tonnettes completed the course last week and are now taking their final examinations. The graduates of this band are: Flutes, Donna Lee Cook and Vera Paul; clarinets, Dorothy Hove, Nancy Coleman, and Helen Elkum; Beverly Bressler; Patricia Nelson and Norma Jean Schornhorst; saxophones, Clarice Hove, Joyce Holten, Barbara Rommel and Parkie Nord; cornet, Gordon Cook; horn, Donald Lee and Lorraine Fox.

**One-Acet Fish**

The speech class announce that the annual speech class one-act plays will be presented in the high school auditorium Thursday evening, March 21. The first curtain will be at 8:30 o'clock, the later time being set for the second and third acts. The plays before the school program were:

**Seventh and Eighth Grades**

On the sick list for the seventh and eighth grades are: Clarence, Clarence Hove, Beverly Heinrich, Dorothy Lee, Robert Liberg, Itha Wright and Gene Vestberg.

High honors on report cards went to Clarice Hove and Donna Cook, and honors went to Lavonne Densow and Robert Liberg.

**Fifth Grade**

Our class has enrolled in the Junior Audion Club after the purchase of 10 cents we each receive colored pictures of birds, bird leaflets, outdoor scenes, booklets, and other items to wear. Our class will receive bird magazines and papers about birds. We are planning some excursions around town to see how many different birds we can recognize and find near Geneese.

We are all glad to have Carol Jean Morscheck back in school with us this week.

**First and Second Grades**

The first and second grades are going to have a little Easter party in the school auditorium. They will have an egg roll in the park. Afterwards the children will have treats of little rabbit candies.

**Boy Scouts Receive Advancement**

Fifteen Boy Scouts of Troop 138, Geneese, were taken to Clarkston, Tuesday evening by Scoutmaster Melford Knight, Carl Giesner and Richard Peterson. The boys received advancement in the Scoutmaster's office. The meeting was held at Smith Hall.

Bud Springer, Jack Black and Don Borgos became second class scouts; and merit badges were received by the following: Delmond Griesner, carpenter; Fred Morscheck, Jr., handicraft; Everett Wisard, carpentry and firemanship; Bill Emerson, carpentry; Fred Morscheck, Jr., carpentry; Perry Black, firemanship, carpentry, safety; Sanford Evans, sheep farming; Oscar Smith, tending were Richard Peterson, Ralph Anderson, Dick Black, Bob Gray and Tommy Edwards.

**Hill Billies Play for Pea Growers**

Harry Hanson, Colin Wilson, John Luedke, Dick Green and Dave Kuehl, members of the Hill Billies, played at the entertainment and dinner for pea growers staged by the Washburn-Wilson Seed company at the Grande hall in Moscow Wednesday.

The Hill Billies have about a half dozen engagements for the next few weeks, including the stock sale at Lewiston and a Washington state convention of Knights of Pythias at Spokane.

**Genesee Valley Church**  
Communion services Friday evening at 7:30 o'clock.  
Easter services Sunday at 9 a. m.  
Sunday school at 10 a. m.

**STORES CLOSE TODAY**

Business hours in Geneese will be closed today, Friday afternoon, between the hours of 1 and 3 o'clock in observance of Good Friday and to permit everyone to attend church services.

Geneese schools will be closed for the entire day.

**GENESEE, LATAH COUNTY, IDAHO, FRIDAY, MARCH 22, 1940**

**MR. AND MRS. EVANS RETURN FROM WINTER IN CALIFORNIA**

Mr. and Mrs. Edgar Evans returned home Saturday from Long Beach, California, where they spent a great part of the winter months. Leaving Geneese November 8, they motored by way of Salt Lake City to Phoenix, Arizona, where they spent a month, then went to Tucson, Ariz., for a week's stay before going into California. They spent a few days at San Diego. About seven weeks were spent at Long Beach, and all together the winter in the south provided a most pleasant winter. Mr. Evans said. The weather was exceptionally favorable during the winter, with sufficient rain for a change, and the weather in general permitted them to visit many places of interest.

They found the Painted Desert and the Grand Canyon interesting, and recommend the trip that was for persons going to and from California.

Indians of the Navajo reservation are not blessed with all desired advantages, and one wonders how they manage to live. Their small flocks of sheep or goats find vegetation pretty scarce on the sides of the peaks, a considerable space to graze. Nevertheless the Navajos, noted for their patient industry, still work for food and other requirements, seemingly content with their lot.

Mr. Evans said. The clear, sunny days are especially enjoyable, with the nights always as warm as sometimes the temperatures approach freezing after the sun goes down during the early winter months.

When they returned to the historic town of Tombstone, Ariz., where they were directed to visit the old mine, they found that the rest only those who are said to have "died with their boots on," most of the buildings had been destroyed by fire. The county clerk, Mr. Ross said was 6.8 mills, compared to 3.8 mills in the state. Some funds ordinarily earmarked for school purposes were diverted to the state fund, with a general apportionment of \$1,000,000 per annum given to schools of the state. This amount barely permits the state to pay the salaries of the school fund, and thus public school officials propose a state sales tax to make up the difference. The county clerk, Mr. Ross said was 6.8 mills, compared to 3.8 mills in the state. Some funds ordinarily earmarked for school purposes were diverted to the state fund, with a general apportionment of \$1,000,000 per annum given to schools of the state. This amount barely permits the state to pay the salaries of the school fund, and thus public school officials propose a state sales tax to make up the difference.

**MARCH 31 AAA DEADLINE**

H. F. Koster announced that the closing date for acceptance of 1939 Agricultural and Range Conservation applications has been established as March 31, 1940. The Latah County Agricultural Conservation association, Moscow, Idaho, therefore, cannot accept any original applications for payment under the 1939 AAA program subsequent to March 31, 1940. He also stated that any claim for adjustment of payments under the 1939 AAA program must be filed within 15 days after the check issued under the original application is delivered to the applicant.

**ADMINISTRATION USING U. S. CASH IN UTILITY CAMPAIGN**

By Willard Edwards

Washington, D. C.—The publication of records of secret hearings before the house appropriations committee on March 4, disclosed evidence that the Roosevelt administration used money under the 1939 AAA program in favor of the public ownership of utilities and to influence elections determined under the administration of public utility districts.

Such activities, it was noted by Representative Dudley A. White of Ohio, member of the committee, are in violation of the criminal code prohibiting the use of public funds for political purposes and also in violation of the Hatch act barring federal officials from interfering with elections.

The committee learned of the illegal use of public funds when Paul J. Raver, head of the Bonneville project, appeared before the committee on March 4, 1939, to receive a \$65,000 appropriation to operate his agency during the coming year. He stated that he had received electric transmission lines to sell the power generated by the Bonneville dam on the Colorado river.

Questioning by Representative White revealed that Dr. Carl D. Thompson, secretary of the Public Ownership League of America, former public man and campaign manager for the Socialist party, was on the payroll of the Bonneville project for \$5,600 a year.

White said he had much evidence that Dr. Thompson was carrying on a campaign in the northwest and extolling the advantages of public ownership. He received letters from public officials and newspaper clippings quoting speeches made by him.

"Does it occur to you that this activity is a violation of the spirit of the Hatch act?" White asked Raver. "White asked Raver, 'Have steps been taken to get this man off the payroll?'"

"No," replied Raver.

"It is certainly a breach of the law," White commented, "to carry on a propaganda campaign, participating in elections and carrying on electioneering activities for the organization of public utility districts."

Raver informed White, in response to questions, that there were 24 persons in the "information division" of the Bonneville administration who receive annual salaries totaling more than \$40,000. The chief of information received \$10,000 and the assistant chief of information \$4,200 a year.

**Publicity Agency Defended**

"Are you aware of the location of the Bonneville project?" White asked Raver. "I do not know whether I was or not," Raver answered. "I do not think our publicity is in violation of the Hatch act as indicated in that act. We have an education program the same as any big organization has in a new development. The public relations counsel had the problem of keeping the project before the public in the true light to offset adverse propaganda."

"Mr. Thompson is a magazine man interested in the Public Ownership League," remarked White. "In addition to being illegal, his presence on the pay roll of the Bonneville administration is certainly bad publicity."

**Joe Trautman Here for Visit**

Joe Trautman was met in Lewiston Tuesday by Mr. and Mrs. Joe Knapp in whose home he will visit for some time. He is returning to Idaho from Redwood City, Calif., where he visited his daughter, Mrs. Kenneth Green and husband, and with his daughter, Mrs. Lee Lane and husband of Sacramento, Calif. He also visited with another daughter, Mrs. Chas. Graham, and husband at Longview, Wash., prior to coming to Geneese.

Mrs. Lee Lane, the former Miss Dorothy Trautman, was married two months ago. She was graduated from Geneese high school and later from Sacred Heart hospital, Spokane, as a nurse. For a time she was at the Grifman hospital in Moscow, and later accepted a position as graduate nurse at the Community hospital at San Mateo, Calif.

**Attend Dental Clinic**

Dr. and Mrs. N. M. Leavitt left Friday for Spokane where the former attended the Spokane Dental Society mid-winter clinic, held at the Davenport hotel. Dr. Leavitt was one of the speakers at the clinic, presenting the subject "Method of Raising the Bite." They returned home Sunday evening.

**Baseball Weather Arrives**

Lewiston Normal wants two baseball games with the Geneese Athletic club, according to reports being circulated. Very few of the last year's games were played, and it is certain the invitation will be accepted if players are available.

Memberships in the Athletic club for this year are required to join up by the first of the month. New members must pay \$3.00 for the first year.

Which baseball weather apparently here, the matter of a baseball meeting is necessary, and thus, prospective players and members are advised to watch for announcement of the date for such a meeting.

Geneese should have as good, if not better club than last year. Some of the high school team, graduating this spring will be available when school is out. Very few of the last year's club will be missing, and with Lewiston out of the picture in organized baseball the lesser circuits should be better patronized.

Coach Fred Judd is working out his high school team on the ball grounds here. Very few of the last year's club will be missing, and with Lewiston out of the picture in organized baseball the lesser circuits should be better patronized.

**Overcome by Gasoline**

Clarice Rae, 6-year-old daughter of Mr. and Mrs. Clarence Aherin was overcome by fumes from gasoline contained in a small bottle, and it may be recalled that she was 77-1-2 Wednesday morning. The little girl was unconscious when found by her mother in the bathroom of their home. Mr. Aherin was called and the girl was brought to the doctor in Geneese where she responded to treatment and soon regained consciousness.

The bottle of gasoline was kept in the bathroom for cleaning, and evidently the little girl had witnessed her mother use the gasoline to clean the bath tub. She had fully recovered Thursday.

Mrs. Sarah Elliot of Lewiston called on friends Thursday afternoon. She was on her way to Moscow in company with her sister, Mrs. Elizabeth White, and daughter-in-law, Mrs. T. A. Elliot.

FINLAND IS SANE

Rational minds of Finland's diplomats and statesmen are serving their country's best interests, however embarrassing it might be for the common Russian army the brave little nation, in face of extreme odds in favor of the enemy, need not feel disgraced, but should hold up its head for the world's admiration. Finland was fighting for its home, its independence and everything else that a nation has.

Finland's courageous army and its leaders perhaps may have tired as much of the slaughter of Russians as it did of witnessing the destruction of its country and the annihilation of its own men.

Russian people generally cannot be blamed for the outbreak of Finland, but Stalin and his leaders will reek of indecency and the odor will remain and be much worse than that of the decaying bodies of their soldiers who lie beneath the snow.

Finland will be aided in rehabilitation, and in the years to come there will be one of the rewards they can never be robbed of. Finland certainly has given due consideration to the settlement of their problem, and the decision is one of brilliant minds, truly representative of a people who will emerge from their ordeal a stronger nation.

People of the United States generally are confused by reports from those who are on the verge of war, but we cannot help but feel that Finland was in the right. Should the report be correct that England and France would furnish troops and machines of war for Finland, it would be unwise for the small nation to make a mistake.

Bridge Supper Mr. and Mrs. Fred Judd, Mr. and Mrs. Phil Enders and Dr. Mrs. N. M. Leavitt were entertained Saturday evening by Mr. and Mrs. Robert Berger when a no-host supper was followed by bridge. Dr. Leavitt won the high score award and Mrs. Berger, second high.

Candor "And now," said the teacher, "will someone please give us a sentence using the word 'candor'." "Please," said a bright little boy in the front seat, "my papa has pretty stenographers, but after ma saw her he candor."

Professor: "Why don't you answer me?" "Freshman: "I did, I shook my head." Professor: "Well, you can't expect me to hear it rattle 'way up here."

An Old Friend Waving Good-Bye

The little red schoolhouses of America, the one-room schools of any or no color, are going, but not yet gone.

In Pennsylvania they vanish at the rate of 300 a year, eliminated through consolidation, legislation and transportation—yet 5,000 remain. In New York, some of the contested figures in the budget now before the legislature involve speeding up the school consolidation program. Other states, from coast to coast, are seeing changes for the better, slowly but surely, in common school plants.

Few will regret the passing of primitive "destrict" schools built by the pioneers and generations of their successors. Better teaching staffs, better grading, and better equipment generally come with better buildings. Yet many a boy or girl of forty or fifty years ago recalls tenderly some teacher in a one-teacher school, and cherishes mellow memories of the old single-room schoolhouse itself, with its birch rod, box stove, water bucket and tin dipper, and the jackknife carvings on the desks.

Members of the Linger Longer club entertained several guests Tuesday evening at the home of Mrs. R. E. Edwards with a "Leap Year" party when character impersonations of both men and women of stage, screen and the comic were given and other characters were definitely individual. Mrs. W. M. Herman as Mae West, was awarded a prize for the best woman's impersonation, and Mrs. John Black as a typical Yiddisher, won first place as the best man's impersonation.

Following the ladies' party Mr. Edwards entertained at an early breakfast for Linger Longer club members, their guests and some of the husbands.

AMUND BORGEN 75, PIONEER SUCCEUMS TO HEART ATTACK

Amund Borgen, born May 8, 1864 near Bergen, Norway, and a resident of the Genesee community for 58 years, passed away at his home in Genesee, 5:15 Monday afternoon, March 18. He had attained the age of 75 years, 10 months and 10 days. Mr. Borgen had not been in good health but he had been able to do down town and around until a few hours before his death. At about 4:30 o'clock Monday afternoon he was taken seriously ill with death coming as a relief to intense suffering. The cause of death was coronary thrombosis.

Mr. Borgen came to the United States from Norway at the age of 16 with his mother, Oline Borgen, and his brother and an uncle, Anton. Their first home in this country was at Nevada, Iowa. The uncle preceded Mrs. Borgen and her two sons to the Genesee country, and on April 13, 1882 they were at Lewiston, ready to make the trip to Genesee.

Mr. Borgen married Katherine Olson in 1895, and to them were born two children, Clarence of Longview, Wash., and Gladys, now Mrs. Fred Hoffman, Portland, Oregon. Mr. Borgen married a second time, taking as his wife Haakina Peterson, and to them were born six children. They all survive: Arthur and Otto Borgen, Mrs. Francis Ure, Mrs. Victor Simons, Miss Eleanor Borgen, Mrs. Margaret Olson, Miss Harriet Borgen, Moscow. He is also survived by five grandchildren, Phyllis Borgen, Longview; Colleen and Kenneth Ure, Portland; and Eugene Simons, Genesee.

Mr. Borgen farmed the homestead during most of his life, had lived for seven years at Moscow and November last retired and moved to Genesee where he purchased a fine home and with his daughter, Miss Eleanor Borgen. The deceased was brought up in the Lutheran faith and was a charter member of the Valley Lutheran and a Lutheran church in Moscow.

All of the children were present for the funeral services which were conducted this afternoon at Genesee Valley Lutheran church by Rev. F. S. V. Peterson, pastor of our Savior's Lutheran church, Moscow, and Genevieve, pastor of St. John's Lutheran church, Genesee, delivering the sermon on the topic, "The Resurrection and The Life." Rev. Riekie will sing as a solo, "Heaven Is My Home," accompanied by Mrs. E. St. John and Mrs. Marvin Luvass. Mrs. St. John will sing in the Norwegian language, "Behold A Host Arrayed in White."

Interment following the 2 o'clock services will be in the Genesee Valley cemetery beside his mother, late wife and brother. Honorary pallbearers are: Ingvald Anderson, Lloyd Auger, Carl Roesdahl, Peter Norlie, Einar Johnson, John Sigman, Andrew Peterson, Paul Dinesen, active pallbearers are: Archie Tegland, Gust Gilbertson, Norman Flamos, Charles Lemberg, R. E. Nordby and Charles Hove.

K. O. C. HOSTS TO COUNCILS

Genesee Council No. 1554, Knights of Columbus, will sponsor an interesting and profitable practice for all industries and professions attended a meeting Monday evening at Potlatch of the Latah County Chamber of Commerce, Lewiston, Clarkston, Lewiston, Cotton, Walla Walla, Cottonwood and Spokane will be represented. March 24 to 30 has been designated as Founders' Week by Knights of Columbus, and this event will be observed here Tuesday evening, April 2, in order that the councils mentioned might send their delegations.

SCHOOL BAND UNIFORMS TO BE PROJECT OF LADIES' CLUB

Members of the Progressive Club, an organization which provided uniforms for the school band, is undertaking the task of making them over and affording the school band uniforms. The party stopped for a higher grade of uniforms, and the ladies are attempting to collect these, and is asking that those who have uniforms to please send them to Mrs. W. W. Burr or E. W. Wainwright.

Tonnettes Graduate

Class A Tonnettes completed the school week and are now taking band instruments. The new members of this band are: Flutes, Donna Lee Cook and Vera Pabst; clarinets, Dorothy Nelson and Norma Jean Scharrhorst; saxophones, Gladys and Edna; drums, Barbara Rommel and Parke Enders; cornet, Gordon Cook; horn, Donald Lee and Lorraine Cook.

Those to receive 100 in the spirit of Dick Black, Lavonne Denos, Clarice Hove, Beverly Henrich, Dorothy Lee, Robert Lieber, Itha Wright and Gene Vesta.

High honors on report cards went to Clarice Hove and Donna Cook, and to Lavonne Denos and Robert Lieber.

Our class has enrolled in the Junior Audubon Club. Each member pays club dues of 10 cents we each receive colored pictures of birds, bird leaflets, outlines and drawings and a bird suit to wear. Our class will receive bird magazines and papers about birds. We are planning some excursions to town to learn more about birds. It is fun to see how many different birds we can recognize and find near Genesee.

We are all glad to have Carol Jean Morseback back in school with us this week.

First and Second Grades The first and second grades are going to have a little school picnic on Thursday. They will bring an Easter egg, so that we can have an "egg roll" in the park. Afterwards the children will have treats to finish school candies.

Boy Scouts Receive Advancement Fifteen Boy Scouts of Troop 138, Genesee, were taken to Clarkston Tuesday evening by Scoutmaster Melford Knight, Carl Giesner and Richard Springer, where a number of the group received advancements. The meeting was held at Smith Hall.

Good Friday services will be held in St. John's Lutheran church Friday afternoon at 2:30 o'clock. The choir will sing, "The Old Rugged Cross," and the pastor will preach on the theme, "On Calvary's Hill."

Easter Services St. John's Lutheran church will celebrate Easter festival with special services. The young people will have a sunrise service at 8:00 o'clock. The regular morning worship service will begin at 10:30 following the Sunday school hour. Special music will be two numbers by the choir, "Praise Lord Jesus," and "Now Is Christ Risen."

The pastor will preach on the theme, "An Easter Picture in Four Scenes." Friends and relatives are cordially invited to celebrate this festive day with the worshippers at St. John's.

STATE SALES TAX DISCUSSION PRESENTED AT C. C. MEETING

One hundred fifty Latah county members of the Agricultural and Mechanical Industries and Professions attended a meeting Monday evening at Potlatch of the Latah County Chamber of Commerce, Lewiston, Clarkston, Lewiston, Cotton, Walla Walla, Cottonwood and Spokane will be represented. March 24 to 30 has been designated as Founders' Week by Knights of Columbus, and this event will be observed here Tuesday evening, April 2, in order that the councils mentioned might send their delegations.

MR. AND MRS. EVANS RETURN FROM WINTER IN CALIFORNIA

Mr. and Mrs. Edgar Evans returned home Thursday for acceptance of 1939 Agricultural and Range Conservation applications has been established as March 31, 1940. The Latah County Agricultural Conservation Association, Moscow, Idaho, therefore, cannot accept any original applications for payment under the 1939 Agricultural and Range Conservation programs subsequent to March 31, 1940. He also stated that any claim for adjustment of payments under the 1939 AAA program must be filed within 15 days after the check issued. The original application is delivered to the applicant.

ADMINISTRATION USING U. S. CASH IN UTILITY CAMPAIGN

By Willard Edwards The publication of records of secret hearings before the house appropriations committee on March 4, disclosed evidence that the use of public funds to subsidize the organization of public utility districts.

On their return trip Mr. and Mrs. Evans traveled the coast route, leaving Long Beach March 12 and reaching home March 16. The California coast is a beautiful one, and many of the people who followed the coast route were reported as having a good time, and by April 1 most of them would be in the state of Idaho. Some of the Lewiston and Clarkston people had left when Mr. and Mrs. Evans started for home.

White said he had much evidence that Dr. Thompson was campaigning for the organization of public utility districts in the northwest and extending his campaign to the northwest. He read from letters written by Dr. Thompson and newspaper clippings quoting speeches made by him.

### STATE SALES TAX DISCUSSION PRESENTED AT C. C. MEETING

(Continued on Page Two) Ladies of Lower Crane Creek, members of the Busy Workers club, served the fine dinner at 150 Monday evening. The ladies club has a membership of 17, and expected to feed about 125 members. A large Deary delegation arrived late, just as some of those seated had finished their dinner. In the rush to make room for the Deary men quite a few found seats away from the tables and the ladies were required to chase all over the large fraternal hall to collect. About a dozen had failed to pay for their meal when the meeting adjourned.

The sales tax discussion, well prepared by the school men, found its supporters along with opposition when the meeting was in order. Some voiced opposition to collection of a sales tax by tokens of two denominations, others saw business leaving the state and some desired a fuller explanation of the excess of taxes going into social security channels. Exceptions by agriculture had its defense and opposition. Some would welcome a relief of tax on personal property taxes, others, preferring payment of sales and use taxes. The school men, who are assuming responsibility of instituting the initiative explained that the procedure would be truly representative and democratic in nature, and that the initiative did not necessitate the procedure to make his own decision at the polls. They explained that signatures to the initiative did not necessitate the procedure to make his own decision at the polls. They explained that signatures to the initiative did not necessitate the procedure to make his own decision at the polls.

Get Together Club Mrs. C. W. Higby entertained the Get Together club Monday evening when Miss Edna Hasfurther won high score award. Mrs. Florent Moser, second high, and Mrs. Archie Putnam, consolation. Invited guests were Mrs. Joe Spreng and Mrs. Ray Wittmore. Mrs. Higby served luncheon following the club in two weeks.

Progressive Club Mrs. Forrest Durbin was hostess Thursday of last week to members of the Progressive Club when a one o'clock luncheon was followed by a social afternoon. Invited guests were Mrs. A. J. White and Mrs. Frank Peterson. The next meeting will be with Mrs. Elmer Swenson, when a no-hostess luncheon will be served.

Community Ladies Aid The monthly business meeting of the Community Ladies Aid was held Wednesday afternoon at the church parlors. Articles for the Easter bazaar to be held Saturday, March 23, Mrs. Jess Johnson was hostess and served luncheon following the meeting.

MASQUERADE PARTY A public masquerade party for ladies will be held the evening of March 27 at the Knights of Pythias hall, under auspices of the Pythian Sisters. Prizes will be given for best costumes, most comical costume and other prizes will be awarded for contests during the evening. The party will conclude with a lunch. Admission is 25c. Time, 8:30 p. m.

EASTER SALE Ladies of the Community Ladies Aid will hold their annual Easter sale at the Ford garage the afternoon of Saturday, March 23. Coffee, sandwiches and doughnuts will be served in connection with the sale.

CAKE SALE AND SILVER TEA Saturday afternoon, March 30, between the hours of 2:30 and 5 o'clock, members of the Order of Eastern Star will sponsor a cake sale and silver tea at the Masonic hall. A musical program will be presented and door prizes will be given. Reserve the afternoon of March 30 to meet your friends over a cup of coffee at the Masonic hall.

### FINLAND'S LONG STRUGGLE FOR INDEPENDENCE IS LOST

Finland's 783-year-old struggle for permanent independence was relieved at the signing of peace with Russia in the hearts of every patriotic member of this land of St. Henry, as word of the capitulation to Russian terms brought visions of another period, possible, even if indirect, foreign domination, writes a Christian Science Monitor staff member. For ever since the time when Norman kings began to establish their rule in Britain and subject to the yoke of the Danes, two great conquering nations—Sweden and Russia—has sought to throw off the domination of first one foreign ruler, and then the other.

Swedish conquerors in 1157 first subjugated the four-century-old nation, which was passing through an era of paganism. This ended in 1209 when the country was detached from Sweden, only to become a province of Russia. Finland, the Swedish subject, was a province of the Russian empire until 1809, when the Russian empire was defeated by Napoleon. The Russian empire was defeated by Napoleon in 1809, when the Russian empire was defeated by Napoleon.

A great duchy was made of Finland in 1523 by King John III of Sweden after the Finns had been conquered again, beginning a second period of foreign domination remembered only for its famine and pestilence.

The Russian empire was defeated by Napoleon in 1809, when the Russian empire was defeated by Napoleon. The Russian empire was defeated by Napoleon in 1809, when the Russian empire was defeated by Napoleon.

Another Russian war with Sweden, however, in 1809 placed Finland once again under Russian rule, but with a free constitution making it a semi-independent grand duchy. This freedom disappeared when Nicholas II became czar in 1894, and a policy of stern Russification soon sank the Finnish people into Russian rule. Language, army, and even local government was taken over by the czarist regime.

The World War, however, provided another opening for the mounting resistance against the Finns against rule from St. Petersburg, and when the Bolsheviks overthrew the Russian government, Finland declared its independence.

German rule of Finland appeared momentarily imminent when German troops advanced into the country in 1917-1918. This likelihood, however, disappeared when the Russian government was overthrown by the Communists in 1917, and Finland entered upon its first period of complete independence in nearly eight centuries.

Knights of Pythias Star Lodge No. 5, Knights of Pythias, met in regular session Tuesday evening at which time the rank of the lodge was amplified before a record attendance.

The committee on arrangements reported plans complete for the social party on March 26. All Knights are requested to attend and bring their tickets. At that meeting arrangements will be made for the trip to the district convention to be held at Lewiston Monday evening, April 1, also for the clam bake at Spokane on March 29.

There will be no lodge work at the social meeting March 26.

### IDAHO EDUCATIONAL ASSN. PLAN SALES TAX INITIATIVE

(Continued from Page One)

gricultural products, livestock and poultry when sold by a producer or grower is exempt. Distribution and newstand sales of newspapers are not to be taxed, and neither are isolated or occasional sales by persons not regularly engaged in business. Sales at wholesale for resale items except such items from the tax. Seeds, seedlings, plants and fertilizers, and feed for livestock and poultry to a grower or a producer or feeder are tax exempt. Electrical energy used for irrigation pumping is declared non-taxable.

When the list of items taxable will be found practically everything one uses including such items as may be purchased without the state, on which the tax is imposed by the "use" provision of the act. For instance, if a person purchased a car or tractor in another state, he would be required to declare the transaction, and according to the act, he would pay a "use" tax of 2 per cent to the state of Idaho, provided he had not paid the sales tax imposed by the outside state in which the purchase was made.

**Fear New Taxes**  
When new taxes are mentioned, the average person often doubts the relief that may benefit other levies, and in many instances the sales tax paid would more than offset the reduction in ad valorem taxes. Sponsors of the sales tax believe that sales tax receipts would more than provide sufficient funds for school purposes and in addition would provide monies for social security an other relief agencies of the state. It is argued also that tourists, required to pay the sales tax would assist in supporting Idaho schools, and further, those who pay no property taxes would be required to pay a portion of school costs and relief expenditures.

There are plenty of arguments for and against a sales tax, and the voter naturally will decide at the polls in accordance with the estimate sum of money to be saved by one method or the other. For instance, a person's property showing an increase of \$20 in taxes over the assessment made at the time Idaho had a sales tax would be able to purchase \$1,000 in taxable merchandise and services to balance. If his total taxable purchases actually amounted to over \$1,000 he would benefit to pay the increased ad valorem tax. Of course if a person's ad valorem tax had increased \$50 his purchases would have to be \$3,000 per year to strike a balance.

The Genesee News will be glad to give space to its readers desiring to make comments either for or against a sales tax. The News would ask that writers refrain from being personal, however.

**Boy Scouts on First Outing**  
Several of the Boy Scouts and their scoutmaster, Melford Knight, took their first over-night camping trip of the Spring last Thursday when they cooked their supper over a camp fire on the site of their cabin near the Clarence Abernethy ranch. After cooking an early breakfast they did some exploring in the canyon before returning home at noon. Those making the trip were Perry and Jack Black, Everett Wishard, Billy Emerson, Tommy Edwards, Bud Springer, Delmond Griesser, Richard Bromelting, Robert Gray and Dan Pederson.

**Mr. and Mrs. E. Thompson of Moscow and Marian Smith were Sunday visitors at Gils Smith's.**  
**Mr. and Mrs. Harry Eland and Donna spent Wednesday in Spokane.**

All were dressed like pirates and most games were of a pirate nature. Dan Pederson being awarded a prize at games. Mrs. Kuehl and Mrs. Dinsen served luncheon.

Attend Birthday Dinner  
Dr. and Mrs. N. M. Leavitt and daughter, Leslie Bos, returned Sunday evening from Yakima, Wash., where they attended a birthday dinner Saturday evening for Mrs. Leavitt's father, P. S. Casbolt. The party, which was a surprise and planned by Mrs. Casbolt, was also attended by Mr. and Mrs. W. F. Etchie and Mr. and Mrs. Walter Casbolt of Seattle, Mr. and Mrs. Victor Casbolt of Colfax and Dr. and Mrs. Kenneth McCoy of Yakima. Mrs. Leavitt, who took her daughter to Spokane Saturday morning for final judging in the Spokane Chronicle contest, after being chosen one of forty out of 700 photographs submitted from the Inland Empire, was named in the second group as prize winner in Monday's Chronicle Leaving Spokane Saturday afternoon, Mrs. Leavitt and daughter traveled by plane to Yakima.

**Get Together Club**

Mrs. James Kane entertained the Get Together club Wednesday evening when high score award at cards was won by Mrs. LeRoy Harris, second high by Miss Vivian Olson and consolation by Mrs. Robert Erickson. Invited guests were Mrs. Ray Wittmore, Miss Virginia Miller, Mrs. Robert Berger and Mrs. Bruce Wardrobe. Mrs. Kane served luncheon at the place of play.

**Bridge-Dinner**

Dr. and Mrs. A. J. White entertained for dinner Wednesday evening, Mr. and Mrs. Wm. Lindquist, Mr. and Mrs. Phillip Weisgerber and Mr. and Mrs. Harold White of Lewiston; Mr. and Mrs. John Luedke and Dr. and Mrs. N. M. Leavitt. At bridge played during the evening, Mr. and Mrs. White won high score award and Mr. and Mrs. Lindquist, second high.

**LOCAL NEWS**

Word was received by Mr. and Mrs. F. A. Smith from the son, Bob, at Escondido, Calif., that his motor trip to the city near the Mexican border with fellow students from Washington State College at Pullman to spend the Spring vacation was an enjoyable one despite delays caused by heavy rains. They were held up for some time by a landslide near Dunsuir, Calif., that increased their driving time to 40 hours for the 1400 miles. The boys with whom Bob made the trip live at Escondido and they usually cover the 1400 miles in 30 hours. They left Pullman March 29 and arrived at Escondido at 4 a. m. March 31.

Misses Eva Jones and Mildred Higgins of Lewiston were in Genesee Friday evening to attend the Junior Prom.

Mr. and Mrs. Dick Jacobs and family and Mr. and Mrs. J. W. Myers and family of Uniontown visited Sunday in the home of Mrs. Margaret Botjer.

Mr. and Mrs. T. H. Herman left Sunday for Seattle to spend a few days. Mr. Herman planned to bring home a truck load of scrubby.

Laura Lee of Pullman is spending the spring vacation here with her uncle and aunt, Mr. and Mrs. Harold Lee.

Mrs. E. F. Kempf, Miss Frances Kempf and Walter Waffle of Sandpoint are visiting this week in the home of Mrs. Margaret Botjer.

Jack Koshburn, former resident of this community, now living at the Ben Johnson farm home near Moscow, came to Genesee Tuesday noon to attend the Knights of Columbus meeting Tuesday evening when the Genesee council was host to a number of Inland Empire guests. Mr. Koshburn also visited in the John Weber home.

Mrs. Harry Stricker, who has been a patient at St. Joseph's hospital in Lewiston convalescing from a major operation, was returned home Wednesday by Mr. Stricker.

Mrs. Don Tracy of Orofino is visiting here with her sister, Mrs. Elmer Krier, and family, and with other relatives.

Mrs. Bell Hanson and Miss Esther Martinson spent Sunday with Miss Ruth Martinson at the Martinson ranch.

Mrs. Herman Broemeling and son, John Stevens, left Monday to spend a few days in Seattle. Mr. Broemeling is visiting Mr. and Mrs. John Krier during their absence.

Mr. and Mrs. Walter Erickson of Coulee City arrived Sunday to spend some time in Genesee.

Miss Mary Wardrobe of Spokane came Saturday to spend the spring vacation in Genesee. She is in an instructor in the Spokane schools.

Supt. Kenneth Dean, who left Wednesday morning for Spokane to attend the Inland Empire Education association meetings, was accompanied as far as St. Maries by Mrs. Dean and son, Jeffrey. They will visit relatives of Mrs. Dean.

Mrs. Reuben Hager and son of Harrison, Idaho, are visiting here with relatives while Mr. Hager is in Spokane to attend sessions of the Inland Empire Education association. Mrs. Hager is visiting in the home of her parents, Mr. and Mrs. Ed Erickson who returned last Friday from a winter's sojourn in California.

Mrs. Mike Reisenauer and son, Hubert, returned Wednesday from Walls, Wash. where they visited. Mrs. Victor Semler and family since Sunday. Miss Semler is a daughter of Mrs. Reisenauer.

Mr. and Mrs. Jack Gehrke of Lewiston visited over the week end with Mr. and Mrs. Joe Doyle.

Mrs. J. E. Moore of Moscow visited last week with her daughter, Mrs. George Post, and family.

Mr. and Mrs. Andrew Wardrobe and son, John Andrew, were guests Sunday in the home of Mr. and Mrs. Art Springer.

Mrs. Marie Michelson left Wednesday for Lewiston to visit her daughter, Mrs. S. Sheppard, for a few days.

Mr. and Mrs. Wm. Hickman visited Monday with Mr. and Mrs. Dave Hickman in Moscow.

Mr. and Mrs. Florent Meser and family and Mr. and Mrs. J. H. Broemeling were guests Monday evening of Mr. and Mrs. John Krier.

To Submit Fee Copy. By-Laws  
Weather of the past week or so may have been unfavorable for farming operations, but it has permitted plans for the new season to be cooperative to progress without interruption. W. O. Borgen, one of the directors named to the Inland Empire cooperative set-up, is also a member of the by-laws committee, and he with other members has completed the initial draft which will be submitted at a general meeting of directors soon for approval or corrections. The sign-up of dried pea growers in the Inland Empire has been most gratifying and includes the bulk of the crop to be grown in 1940.

Mr. and Mrs. Follett Entertain  
Dinner guests of Mr. and Mrs. Mahlon Follett Sunday evening were Supt. and Mrs. Kenneth Dean, Mr. and Mrs. Ray Edwards, Mr. and Mrs. Harry Schooler, Mr. and Mrs. W. W. Burr and Mr. and Mrs. David Kuehl. Dinner was played during the evening with Mrs. Kuehl winning high award for the ladies and W. W. Burr for the men.

Correction  
In listing the names of those receiving awards at the birthday party given by Mrs. Tom Gooch and Mrs. Martin Liberg an error was made. Mr. and Mrs. Lars Liberg received high score honors and Mr. and Mrs. Harry Emerson, second high.

NOTICE OF ANNUAL SCHOOL MEETING AND ELECTION  
In Aurora Common School District No. 15, Latah County, Idaho, Notice is hereby given that the annual school meeting of said District will be held on Saturday, the 20th day of April, 1940, at the schoolhouse in said District; said meeting shall convene at 1:00 o'clock p. m., and continue until adjournment. The business properly coming before said meeting is disposed of. The following business will be transacted:

1. One trustee to serve for a term of three (3) years will be elected.
2. The amount of money to be raised by special taxation shall be determined, the levy for which purpose shall not exceed ten (10) mills on each dollar of taxable property of the District; the purpose for which money derived therefrom shall be expended shall also be determined, and in each instance the proportion of the whole amount which is to be used for the various and separate purposes shall be named.
3. At said meeting general questions pertaining to school interests will be taken up and disposed of.

The name or names of all candidates for election together with the term for which nomination shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election. The election at said meeting will be by secret and separate ballot.

Dated this 2nd day of April, 1940. J. P. Anderson, Clerk, Dist. No. 15.

NOTICE OF ANNUAL SCHOOL MEETING AND ELECTION  
In Grey Eagle Common School District No. 28, Latah County, Idaho, Notice is hereby given that the annual school meeting of said District will be held on Saturday, the 20th day of April, 1940, at the schoolhouse in said District; said meeting shall convene at 1:00 o'clock p. m. and continue uninterrupted until the business properly coming before said meeting is disposed of. The following business will be transacted:

1. One trustee to serve for a term of three (3) years will be elected.
2. The amount of money to be raised by special taxation shall be determined, the levy for which purpose shall not exceed ten (10) mills on each dollar of taxable property of the District; the purpose for which money derived therefrom shall be expended shall also be determined, and in each instance the proportion of the whole amount which is to be used for the various and separate purposes shall be named.
3. At said meeting general questions pertaining to school interests will be taken up and disposed of.

The name or names of all candidates for election together with the term for which nomination shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election. The election at said meeting will be by secret and separate ballot.

Dated this 2nd day of April, 1940. J. P. Hornum, Clerk, Dist. No. 28.

NOTICE FOR PUBLICATION OF THE TIME AND PLACE WANTED FOR PROVING WILL, ETC.  
In the Probate Court of the County of Latah, State of Idaho.

In the Matter of the Estate of AMUND BORGES, Deceased.

Pursuant to an order of said Probate court, made on the 30th day of March, 1940, notice is hereby given that Saturday, the 20th day of April, 1940, at 10 o'clock A. M. of said day at the court room of said Court, at the Court House in the County of Latah, Idaho, will be appointed as the time and place for proving the Will of said Amund Borges, deceased, and for hearing the application of Arthur Harold Borges and Petra Amanda Uhre for the issuance of them of Letters Testamentary, when and where any person interested may appear and contest the same.

Dated this 20th day of March, 1940. L. L. C. PETERSON, Clerk.

**Bridge-Supper**  
Mesdames R. E. Edwards, Mahlon Follett, James Magee, W. W. Burr, Harry Schooler and Jess Johnson were guests of Mesdames Kenneth Dean, John Black, N. M. Leavitt, Sam Lange, W. M. Herman, E. D. Pederson and Harold Raymond at the latter's home Tuesday evening. The hostesses served a buffet supper after which bridge was played at three tables. Mrs. Magee won the high score award, Mrs. Burr was second high and Mrs. Follett received a prize for making a "grand slam" bid.

Linehans Moving to Geneese  
The home of Mrs. Johanna Christensen has been rented by Mr. and Mrs. Art Linehan who plan to move into Geneese next week from their farm home. The interior of the home is being redecorated. Mr. and Mrs. Don Linehan will occupy the home in the country.

Funeral services were conducted Monday afternoon, April 8, at 2:30 for the late Charles Henry Spurbek, at the Community church in Geneese by Rev. Harper Edwards of the Nazarene church of Pomeroy and Rev. Melford Knight, pastor of the Geneese Community church. Elton and Wayne Hampton, accompanied by Mrs. Elton Hampton, sang two duets, "Abide With Me" and "Nearer the Cross." Interment was in the City Cemetery, Geneese, beside the remains of his wife who passed away six years ago. Honorary pallbearers were: Leo Miller, George Follett, August Johnson, J. E. Sams, A. Butzjen and Walter Clark. Active pallbearers were: Fred Brazier, Fred Miller, Roy Sweet, Andrew Wardrobe, W. R. Hickman and John Williams.

Mr. Spurbek, who had been living at the home of his daughter, Pearl Johnson in Spokane, had not been in good health of late, but was planning to visit here this summer. Becoming seriously ill he was taken to a Spokane hospital 15 minutes before death at 9:30 o'clock Friday evening, April 5. He is survived by seven children, three sons, Rollin Spurbek, Coulee City, Wash.; Lloyd Spurbek, Pomeroy; Dave Spurbek, Bremerton, Wash.; and four daughters, Mrs. Chris Tweedt, Camas, Wash.; Mrs. Winnie Freeburn, Seattle; Mrs. Pearl Johnson, Spokane; and Mrs. Edna Doyle, Geneese. Sixteen grandchildren and six great-grandchildren also survive.

Sixty-two years ago, September, 1878, Charles Henry Spurbek first saw the Geneese country, coming here with his father, David Spurbek, who had fled on homestead land in 1830 and thought he was required to be on his land within six months. Leaving Salem, Ore., with an ox-team, father and son, with other members of the family plodded wearily along until, at Grass Valley, Ore., they feared too much time was being lost, and there they decided to return to the States with the horses acquired. They arrived with one day to spare, but were informed a few days later at the government land office in Lewiston that residence was considered as starting when the family goods were loaded at Salem for the trip to Idaho.

Charles Spurbek, born at Oskosh, Wis., came west with his parents by train when he was 19 years of age, after a few years residence in Minnesota. Mr. Spurbek liked to recall the train trip from Minnesota to Salem, Ore., a trip requiring so many days that he had forgotten, but he did remember the frequent stops, seemingly for every reason imaginable. The actions of passengers on the long trek and their reactions to what might be expected as they finally reached the wild stretches of the West. People, it seemed, Mr. Spurbek said, simply made the train their home, and some even attempted to prepare food over the stoves of the coaches, and by the time people had reached destinations they were all well acquainted.

Two years after coming to the Geneese country with his parents, Charles Spurbek returned to Salem, where he was married, and then came back to this country to homestead and make their home until 1929 when they disposed of their land holdings and moved to Dayton, Wash. where Mrs. Spurbek, after five years, passed away July 29, 1934. Mr. Spurbek, after the death of his wife lived with his son, Lloyd, and family at Pomeroy and with his daughter, Mrs. Johnson, in Spokane. He has also spent considerable time visiting here with another daughter, Mrs. Joe Doyle, and family. Since leaving Geneese, Mr. Spurbek has returned each year to enjoy Community Day, visit with his friends of early days, and to make new acquaintances. The kindly gentleman, highly respected, was endowed with the firm traits of a man with whom he was intimately acquainted cherished his friendship.

**COOPERATE IN CENSUS**  
Mrs. Sam Jensen of Blaine, who was assigned the town of Geneese as her duties as census enumerator, said Tuesday that she had received splendid cooperation from everyone despite the adverse criticism directed toward questions which people are required to answer. Perhaps much of the criticism resulted from the array of questions which the farmer must answer and also the questions on blanks for individuals with whom the enumerator does not contact personally.

It is believed that Geneese will show a considerable increase in the ten-year period, and that everyone may fulfill his or her duties. Mrs. Jensen left a number of blanks at the Geneese News office. Anyone knowing of persons desiring to have their names recorded may call The News office for blanks that may be made out by individuals and delivered to the enumerator. It is requested that every man, woman and child be counted.

Dick Armstrong is the enumerator for the census in the Geneese territory of Latah county, and Mrs. Jensen will also take the farm census in Thorncreek.

**MUSIC CONCERT FRIDAY TO INCLUDE ALL SCHOOL UNITS**  
Geneese high school music department will give its pre-music concert Friday evening, April 19, a varied program that will feature the combined high school and grade school bands; Dave Spurbek, Bremerton, Wash.; and four daughters, Mrs. Chris Tweedt, Camas, Wash.; Mrs. Winnie Freeburn, Seattle; Mrs. Pearl Johnson, Spokane; and Mrs. Edna Doyle, Geneese. Sixteen grandchildren and six great-grandchildren also survive.

A small admission charge of 15 and 25 cents will be charged in order to raise money for much-needed equipment. The band needs several street drums, another sousaphone, baritone, and numerous other instruments which individuals are not expected to buy.

The district music meet is to be held in Lewiston the following week, April 26 and 27. All day Friday, the contest will be held, which includes solo choruses and the bands Friday evening. Saturday will be devoted to rehearsals of the massed band, orchestra and chorus which will perform that evening. Announcement of those from Geneese who are entering will be made later.

**KNIGHTS OF PYTHIAS**  
Monday evening Star Lodge, No. 5, Knights of Pythias, was represented in Lewiston by E. S. Suenkel and E. Glen Warren, of Deary, and A. E. and Glen Mayer of Geneese, when V. T. Howery, Boise, grand chancellor, made his official visit. Mr. Mayer also was in Lewiston Monday evening and attended the reception following the lodge session for Mr. Howery. A large number of Knights of Pythias and Pythian sisters were present.

Saturday evening A. E. Mayer, Glen Mayer, Geo. Anderson, E. E. Peterson, Ben Cook, Chas. Schooler, Roy Fish, R. L. Vandenberg and Ray Wetmore attended a Washington district convention in Pomeroy. Glen Mayer substituted for Dewey Brown of Pomeroy as second senator. In the ritualistic contest, based on proficiency of individual officers a member of the Prescott lodge scored 99, taking the position of Pethagoras. Preceding the lodge session 180 places were taken at a banquet.

A regular meeting of Star Lodge was held Tuesday evening when a committee was named to greet V. T. Howery, Boise, when he makes his official visit here as grand chancellor. Work was exemplified in the rank of page and was followed by a social hour and lunch.

The D. O. K. K. ceremonial scheduled for April 20, has been postponed until some time in May, it was announced. Reason for postponement is that the grand vizier will not be able to attend on April 20.

**CLEAN-UP WEEK**  
April 15 to 19, inclusive, has been designated by the council as clean-up week for Geneese. All residents are urged to place rubbish accumulations of the winter in convenient containers to be placed in alleys or other places easily accessible for pick-up and haul away. The city is cooperating in the clean-up week and will provide transportation free for all rubbish, tin cans and so forth placed as mentioned. No decayed vegetable or animal matter will be hauled by the city as it is not acceptable at the dump grounds.

Geneese Valley Church Ladies Aid Thursday afternoon, April 18 at the Parish hall with Mrs. Scheele and Mrs. Paula Peterson the hostesses.

**ESTABLISHED 1888**  
GENESEE, LATAH COUNTY, IDAHO, FRIDAY, APRIL 12, 1940  
Vol. 51 No. 44

**FLAX SEED CONSIDERED CROP OF PROFIT FOR THE PALOUSE**  
Owing to unusual conditions, flaxseed is this year considered one of the most profitable, the abundance of moisture and an early spring making it an ideal year for growing.

Flax, according to the contributor of this article, is one crop in which there has never been a surplus in the United States. We have been importing from 11 to 15 million bushels of seed annually from Argentina and other foreign countries. This year the picture is different from since the World War. Argentina has much less than a normal crop and India is devoting its efforts to raising jute to meet the heavy demand for sand bags from France and England. The advances in ocean freight rates, including war risk insurance, has increased the cost of importing this product.

Rates at the present time are four times higher than normal. The rate of shipping wheat from Seattle to Japan is now \$12 per ton as against a normal rate of \$3 per ton. During the World War we were able to import tung oil from China used as a substitute for the linseed oil made from flax seed, but on account of the war in China they can no longer obtain this oil. Flax seed also carries a high tariff protection of 65 cents per bushel.

With the tremendous world surplus of wheat, farmers need to find a profitable alternative crop, and as flax seed has always been a deficiency crop, it should be given consideration for seeding on the surplus wheat acreage. The two linseed oil presses at Portland can handle the production of flax from 50 thousand acres and the greatest production in the Northwest so far, has been less than half of this acreage. There are many other presses in the nation and consumption has increased in the Northwest. In 1935 we consumed 17 million bushels of flax. By 1939 this figure had increased to 40 million bushels and an increase is anticipated this year. Farmers in Idaho and Washington are permitted to seed flax under the soil conservation program, and flax seed is deductible against games and grasses. They will be given full credit for their allotments, will receive their unit credits and will be permitted to harvest and sell their flax crop. Flax is well suited to this area since it will produce on any land that will produce wheat. After the flax has been harvested in the fall, the farmer can seed fall wheat and get as good a crop as if he had never had the ground in flax. He needs only to disc the ground lightly before seeding wheat. It does not need to be plowed because the flax leaves the ground mellow. The price of flax is from 2 1/4 to 4 times as great. It has brought prices three times as great as wheat when the high prices prevailed during the World War. Flax will stand more drought than wheat, oats or barley and will stand more frost than spring wheat or oats, so it can be safely seeded early; in fact as early as the ground can be worked down in good condition. The cost of seed is little if any per acre than any common grains and in 90-120 days from planting, the crop can be turned into cash.

Further information may be obtained from the Geneese Union Warehouse company, which is able to furnish seed and write contracts.

**WEENDELL SMITH TO MANAGE SEED GROWERS ASSOCIATION**  
Wendell Smith, son of Mr. and Mrs. F. A. Smith, has been named office manager for the Northwest Seed Growers Association at Moscow, where offices will be established to handle various seeds grown by members of the association living in seven eastern Washington and Idaho counties at the present time. An extensive advertising campaign for production and sale of all kinds of seeds is planned by the association.

Mr. Smith is a graduate of Washington State College and makes the move to Moscow from LaGrande, Ore., where he was manager of the Blue Mountain Seed Growers, a cooperative growers' association. Mr. and Mrs. Smith and small son, Gregory, arrived in Geneese Sunday and will remain with Mr. and Mrs. F. A. Smith until they are located in Moscow.

Geneese Valley Church Ladies Aid Thursday afternoon, April 18 at the Parish hall with Mrs. Scheele and Mrs. Paula Peterson the hostesses.

**RETURN FROM MID-WEST**  
Mrs. Irvin Nebelsieck and son, Douglas, and Mrs. Marcus Rieke returned home last Thursday from the mid-west where Mrs. Nebelsieck and son visited relatives at Beresford, S. D., and Mrs. Rieke with relatives at Rosholt, Wis., for a month.

The weather was none too pleasant during most of their visit, with snow and cold prevailing. On Easter Sunday the thermometer stood at 10 degrees above. They enjoyed their visits very much, however, and found road conditions in traveling home most satisfactory, with the exception of one day in Wyoming where they encountered bad roads.

Mrs. Rieke joined Mrs. Nebelsieck at Sioux Falls, S. D., for the return trip. Traveling east, Mrs. Nebelsieck was also accompanied by Mrs. Dick Nebelsieck and Mrs. Dale Gilson, the latter going on to Flint, Mich. to take delivery of a new car to drive to Geneese. They returned two weeks ago.

**STATE SALES TAX DISCUSSED MAY INFLUENCE LEGISLATURE**  
(By Glenn Balch)

One type of taxation receiving considerable attention just now is the "sales tax." This tax has been brought to the front by the educational association which is sponsoring a movement to have it placed on the ballot as an initiative measure at the November election.

The history of this type of taxation is interesting. Idaho had a sales tax a few years ago, but it was voted out by the voters in a general election. In deciding to sponsor the new initiative the educational association has displayed considerable courage. It is the generally accepted conclusion that this type of tax is not popular with the citizens. Yet the association has undertaken the task of securing approximately 18,000 signatures necessary to place the measure on the ballot. It is the association's contention that the people should be permitted to express themselves as to whether they wish to use this form of taxation to support the public school system.

There are some very decided and outspoken partisans on both sides of the sales tax question. Some contend that it is a fair form of taxation and should be used to reduce the burden of other taxes. Others insist that it places the burden on the man least able to pay, the poor man, who spends practically all of his earnings buying clothing and supplies for his family.

Then too, there is the question in the minds of some as to whether the sales tax, if enacted, would be used to reduce other taxes. These insist that taxes are never reduced and that new forms of taxes are just added to the total "to give the politicians more money to spend."

The idea is prevalent in some quarters that the educators desire to use the sales tax as an opening wedge for a teachers' retirement plan. Whether true or not, this idea has worked against the proposal.

With but few exceptions these persons in positions of prominence have refrained from taking either side of the controversy. Both the governor and his tax committee have very carefully maintained a position of neutrality. The governor takes the position that the matter is being put up to the people and that, either way, he will cheerfully abide by their decision. One of the bright spots in the year is the committee which first started its study was that it would neither seek nor advocate any new forms of taxation.

It will be interesting to watch the progress of the movement and its success or failure may have an important bearing on the 1941 legislative session, which will undoubtedly devote a large share of its time to tax legislation.

**Old Fiddlers Gather**  
Monday evening a group of old-time fiddlers gathered at the home of Mr. and Mrs. Leo Miller for a few hours of music. Among them was Burton Davis, the famous 90-year-old fiddler, who is visiting at the John Vandenberg home. Those present were Mr. and Mrs. Pete Isaksen, Mr. and Mrs. Chas. Odensberg, Mr. and Mrs. Fred Miller, Mr. and Mrs. E. M. Bogart, Engle and Nels Swenson, A. Butzjen, Bob Wardrobe and Mr. and Mrs. Leo Miller. A very enjoyable evening was spent.

Buy a ticket for the Firemen's Ball Friday, April 12, at the Legion Hall.

Eggs, per dozen 12c

**ROBERT WARDROBE, SON OF EARLY PIONEERS SUCCUMBS**  
Robert Slack Wardrobe, eldest son of early-day pioneers, Mr. and Mrs. Andrew Mark Wardrobe, deceased, and a pioneer in his own right, having lived in the Geneese community for 61 years, passed away shortly after 12 o'clock noon, Wednesday, April 10, at St. Joseph's hospital, Lewiston, where he was received about 9 a. m. the same day. Subject to fainting by a weakened heart condition for the past year and a half, the deceased fell while down town Tuesday afternoon and failed to respond to treatment. He was taken to the Wardrobe home, after having regained consciousness as he did on other occasions. Sleeping in an upstairs room, it is believed he fell twice, once in his room and again in the kitchen where he was found early Wednesday morning after making his way downstairs. He suffered a wound on one side of his head, and for a time it was feared he had sustained a skull fracture, but X-ray examinations showed that he had died of a cerebral hemorrhage. He was unconscious when taken to the hospital and failed to respond to treatment.

Robert Slack Wardrobe was born October 8, 1875 at Salt Lake City, Utah, and lived at Carson City, Nevada, for a year and a half with his parents before moving to Walla Walla to live a short time, after which the family came to Geneese in 1878 to homestead in the Pine Grove community east of Geneese, a place still owned by the family and named by Andrew Wardrobe.

He was the eldest of 13 children and has lived in this locality for 61 years with the exception of the time he was employed as a government surveyor in southern Idaho near Twin Falls. In earlier days he gave much time during winter months to predatory animal hunting, and besides assisting at home, was employed on a number of ranches at various times. In the year 1915, the deceased suffered the loss of his arm, but by aid of artificial mechanical arms he was able to do much farm work. Since the death of his parents he has lived with other members of the family at the ranch, and about eight years ago came to Geneese to live in the Wardrobe home. At the time of death he had attained the age of 64 years, six months and one day.

Brothers and sisters surviving are: William, Andrew, Melvin and Dewey of Geneese; Bruce of Emmett, and Mrs. Archie Tucker, Grand Orchards, Wash.; Mrs. Walter Armstrong, Lewiston; Mrs. E. M. Bogart, Coulee City, Wash.; Miss Mary Wardrobe, Spokane; Mrs. Rollin Spurbek, Coulee City, Wash., and Mrs. Frank Blackburn, Auburn, Wash.

Funeral services will be held at the Community church at Geneese Friday afternoon at 2:30 o'clock, with Rev. Melford Knight officiating. Pallbearers will be Dick Green, Chas. Schooler, Frank Jones, Jim Cameron, Chas. Coverdale and Clarence Peterson.

Honorary pallbearers will be Fred Miller, Leo Miller, Nels Swenson, A. Butzjen, Fred Brazier and Walter Strohm.

**NEW ROUTE FROM CALIFORNIA**  
Henry Martinson, Fred Nagel and Miss Fieda Hermann, the latter's niece, returning from a winter's visit in southern California, traveled a new route. Leaving Long Beach April 1 they drove to Los Vegas, Nevada, then turned north to Glendale and Elly, Nevada and continued on to Wells, Nevada and into Idaho at a point a few miles south of Twin Falls where they headed northwest to Buhl, and from there traveled over Highway No. 39 to Pendleton, Oregon, and home, arriving here last Thursday evening.

The distance between Long Beach and Geneese would have been about the same as going down through California had the North and South Idaho route been open. High waters on the Salmon river in the Pollock area washed out some of the North and South highway last week and caused motorists to travel through Oregon and Washington.

Mr. Martinson, driving his car and Mr. Nagel and Miss Hermann making the trip in the Nagel car, chose the Nevada route to avoid delays experienced by other motorists on stretches of highways in northern California where heavy rains and some snow had been reported, which caused a number of landslides and sent some streams over their banks.

The Nevada route is ideal for the motorist who likes to make time as the towns are small and far apart and the highway is in very good condition since Idaho completed only its portion of the road.

Southern California weather during the winter was ideal, they reported.

Sixth Annual Combination Bull Sale. Roundup Park Lewiston, Idaho. Wednesday, April 24. 35 HEREFORD BULLS 5 SHORTHORNS 4 HEREFORD HEIFERS.

Hare to Attend Funeral Rites in Genesee Monday to attend funeral services for the late Chas. FEDERAL FOOD STAMP PLAN

MAY BENEFIT LATAH COUNTY

(Continued from Page One)
stamp in each book ranges from \$2
to \$10. Each book also contains half
again as many free blue surplus-food
stamp coupons worth \$1 to \$5 worth.

Redemption of food-order stamps
from participating retail and wholesale
food stores will be made through either
the Coeur d'Alene or Spokane
offices of the Federal Surplus Com-
modities Corporation. The fund for the
blue stamp redemption is largely de-
rived from customs receipts and is al-
ready available to the Corporation.

The surplus-food list is subject to
change from time to time. The surplus
product is used up throughout the na-
tion. When the surplus of a listed
product is used up, the surplus of some
unlisted food accumulates, that prod-
uct will be added to the list. Ample
surplus of such commodities will be
given any such contemplated change.

Under the plan, the government
simply provides the food-order stamps
for the purchase of these commodities
already stocked among the nation's
grocery stores. The government has
nothing to do with the distribution of
any of these products to the stores.

The so-called direct purchase and
distribution program of the Federal
Government is being carried out in
Latah County through the Federal
Government's Food Stamp Plan.

The amount of money to be de-
termined by special taxation shall be
distributed in these six counties when
the Food Stamp Plan begins actual
operation there. That is, the com-
modity distribution will be divided
among such distribution in other areas
where the plan is not yet started.

The name or names of all candi-
dates for election together with the
term for which nominated shall be
placed on file with the Clerk of the
Board of Trustees at least six (6)
days prior to the day of election, ex-
cluding the day of election. The elec-
tion at said meeting will be by secret
and separate ballot.

Notice of Annual School
Meeting and Election
In the South Thoremeek Common
School District No. 3, Latah County,
Idaho.

Notice is hereby given that the an-
nual school meeting of said District
will be held on Saturday, the 20th day
of April, 1940, at the schoolhouse in
said District; the said meeting shall
convene at 1:00 o'clock p. m. and con-
tinue uninterrupted until the busi-
ness is disposed of. The following
business will be transacted:

1. One trustee to serve for a term
of three (3) years will be elected.
2. The amount of money to be de-
termined by special taxation shall be
distributed in these six counties when
the Food Stamp Plan begins actual
operation there. That is, the com-
modity distribution will be divided
among such distribution in other areas
where the plan is not yet started.

DETAINED 1939 AAA CHECKS
FOR LATAH COUNTY COMING

Conservation payments to Latah
county farmers on 1939 farm program
practices are practically complete, H.
F. Koster, chairman of the Agricul-
tural Conservation committee, said
this week.

Payments totaling \$277,650.46 were
made to farmers in this county to help
stand the expense of carrying out till-
age and seedling practices to conserve
and build fertility on their farms.

A deficiency appropriation recently
approved by congress has provided
the necessary funds for completing
1939 payments. Payments which have
been detained for some time will ar-
rive in the county office within a few
days.

As soon as their checks are ready,
cooperating farmers who have signed
applications for 1939 payments will be
notified by letter by the county AAA
office.

When checks for the most recent
application return, the 1939 agricul-
tural conservation program will be
retary. When the surplus of a listed
product is used up, the surplus of some
unlisted food accumulates, that prod-
uct will be added to the list. Ample
surplus of such commodities will be
given any such contemplated change.

Notice of Annual School
Meeting and Election
In the South Thoremeek Common
School District No. 64, Latah County,

nual school meeting of said District
will be held on Saturday, the 20th day
of April, 1940, at the schoolhouse in
said District; the said meeting shall
convene at 1:00 o'clock p. m. and con-
tinue uninterrupted until the busi-
ness is disposed of. The following
business will be transacted:

Classmates Pay Tribute

Thirty-two members of the gradu-
ating class of 1939 of Geneese high
school were present to attend funeral
services Thursday morning for Dor-
othy Bershaw, a member of the class
of 41 students who finished high
school here last May. From out-of-
town were present: Dorothy
Follett, Rowena Nordby, Loren Kam-
ber, Carl Thiesens, Don Herman,
Don Emerson, Esther Taber and
Elnore Hove, students at the Univer-
sity of Idaho and Bernice Mervyn and
Nona Rae Black of Spokane.

Union Joins for Community Day

The Geneese Local of the Farmers
Union at its recent meeting voted to
join forces with the Geneese Civic
Association in sponsoring a Commu-
nity Day for 1940. It is presumed that
a date will be set for early Septem-
ber as the schools will then be able
to participate, and most of the early
fall farm work will be done.

People of the Geneese area and for-
mer residents have made inquiries as
to the date and whether it will be held
in the Fall or Spring. Most everyone
seems to prefer the Fall, according to
reports.

As soon as their checks are ready,
cooperating farmers who have signed
applications for 1939 payments will be
notified by letter by the county AAA
office.

When checks for the most recent
application return, the 1939 agricul-
tural conservation program will be
retary. When the surplus of a listed
product is used up, the surplus of some
unlisted food accumulates, that prod-
uct will be added to the list. Ample
surplus of such commodities will be
given any such contemplated change.

convene at 1:00 o'clock p. m. and con-
tinue uninterrupted until the busi-
ness is disposed of. The following
business will be transacted:

The Union staged a most success-
ful event of their own during the winter
which they have been urged to re-
peat, and by combining the two days
of celebration on the date to be announced.

The Union in its last meeting in-
itiated eight new members and trans-
acted routine business. The membership
of the Geneese Local now numbers
270 and is the largest in the Pacific
Northwest.

business will be transacted:

Band and Chorus Concert

Band organizations of the Geneese
public schools, under direction of S.
E. Windham, and choruses, under di-
rection of Miss Jean Stewart, pre-
sented a concert last Friday evening
well received, and progress in music
study was outstanding. The band, al-
though composed mostly of younger
players without much experience, ac-
tually played more music than any
school band heard in recent years, and
the chorus numbers were very good.

The program opened with two chor-
us numbers, "Like Barley Blending,"
by the girls' glee club and "Morning"
by the mixed chorus. Accompanists
were Mrs. N. M. Leavitt and Miss
Stewart.

Joe Danielson, beginning piano
pupil, played "A Little Bunch of Dais-
ies." She is a pupil of Mrs. Windham,
non-school teacher.

Ralph Kluss, accompanied by Bever-
ly Manning played a saxophone solo,
"Liebesleid." Miss Manning, ad-
vanced music student under private
instructors, played a piano solo,
"Polonaise Militaire."

Two waltzes were played by the be-
ginners' band group, who just recent-
ly received their instruments. They
were urged to respond to an encore.

Members of the high school band
played three selections, "Russian O-
verture," "Trombone Novlty March,"
with Perry Black and Fred Morschek
playing the trombone part, and "In-
vincible Yank March," which featured
three of the majorettes, Della Stout,
Nadine Connick and Betty South-
creek.

ness is disposed of. The following
business will be transacted:

ARCHIE B. JOHNSON

From Bozeman, Mont., comes word
that Archie B. Johnson, 9 years old,
the son of Mr. and Mrs. Earl John-
son, died Tuesday evening after being
struck by a battle softball. The boy
was a pitcher in a neighborhood soft-
ball game. After he was struck he
ran about 60 feet toward his nearby
home, then collapsed.

Relatives at Geneese
Relatives here were notified by wire
Wednesday and the same day Mrs.
Joe Sprenger left for Bozeman, Mrs.
Sprenger, Mrs. Leo Edwards and Mrs.
Clare Huffman are aunts of the boy
and Jim Kane is an uncle.

G.A.A.C. OPENS SEASON WITH
WIN OVER KENDRICK SUNDAY

Held scoreless for seven innings,
Kendrick was given a run in the
eighth inning of their opening game
of the season with the Geneese Am-
ateur Athletic club. In contrast, Gene-
ese ran up a total of ten scores, three
in the third, two in the seventh and
five in the ninth. The total of ten
runs came on a like number of hits
and six errors of Kendrick.

H. Blume, Hampton and Knight
handled the pitching assignments for
Geneese, with six strikeouts for the
first-named, one for the second and
none for the third. Branner, Kannik-
keberg and Koepf for Kendrick put
away twelve Geneese batters by the
strike-out method. Blume was top
hand in the batting assault, hitting
three times in five trips, and Smylie
came across with two hits in four
times at bat to tie with Leavitt of
Kendrick. Sampson smacked out the
ninth inning, with Armstrong and
Grieser on bases.

Geneese was charged with but one
error, that by Broemeling in the out-
field, which came as the result of
failure to hold on to Armitage's fly
to the outfield.

Kendrick at no time threatened to
overtake the Geneese club, and seldom
had men in scoring positions.

Several numbers were added to the
Geneese census this week when resi-
dents notified the district office at
Coeur d'Alene that they had not been
counted, and as a result, Mrs. Sam
Jensen of Blaine, was Wednes-
day to obtain the required informa-
tion. The news has been offering its
assistance by getting blanks to those
who are out of town and to those who
were missed at one time or another.
The blanks may be had by calling 522.
The Geneese News, at his or her
home and in mail to Mrs. Jensen,
Route 1, Moscow.

Geneese's population ten years ago
was listed as 555, but it is believed
that the 1940 census will show the
number of residents to have increased
to around 700.

Take Part in Recital
Raymond and Pauline Cusack pre-
sented a number of their pupils in a
recital at the Lewis-Clark hotel, Lew-
iston, Sunday afternoon, with three
from Geneese on the program and
playing violin numbers. Helen Em-
erson played "Little Laura's First Birth-
day." Jay L. Jones, "Over the Waves."
Attending the concert from Geneese
were Mr. and Mrs. Walter Emerson,
Mrs. Mary Emerson, Mrs. John Li-
berg, Mrs. McMillan and Mr. and
Mrs. Archie Putnam.

Delegates to County Convention
R. E. Emmett and Ed Morken were
named as delegates from Geneese pre-
sented to attend the county republican
convention Saturday evening in Mos-
cow. R. E. Nordby, who acted as
chairman of a caucus Wednesday eve-
ning, will also attend the convention
with others from this precinct who
may be able to make the trip.

GENESEE RANCHERS ANXIOUS
TO START SPRING FARM WORK

Tractors were roaring over hills of
the Palouse last week, but they came
to a sudden stop Monday when rather
heavy showers fell and continued un-
til Tuesday. Spring farm work which
started off early on a small scale, has
been delayed continually until, at the
present the season is about average
for the Geneese region. Some were
able to finish spring seedings last
week during favorable weather, but
generally there is much work yet to
be done.

Fall-seeded grain will attain an un-
usual height this season, if the pres-
ent is an indication. Some wheat men
say, however, that varieties now being
grown in the Geneese area do not
put out such tall stalks under favor-
able conditions as wheats seeded in
years gone by.

Field grasses, where seeded before
the last rain, are doing exceptionally
well and stands of clover especially
will be far above average.

Ranchers with fairly large herds of
cattle are in no big rush to plow sum-
merfallow this spring as the heavy
growth of volunteer grain provides
real pasture, and in places the new
growth is about knee-high.

Cherry trees showed blooms late
last week, and the buds are now
well covered with blossoms. Every-
kind of vegetation seems to be grow-
ing unusually fast this spring, under
conditions said to be the best in many
years. Grain, despite the large amount
of moisture is holding its color fine
and with a few more warm days the
crop now growing will show a stage
of advancement comparable to mid-
May.

DAMON HOLBEN AWARDED
HONORS FOR STOCK EXHIBITS

Damon Holben was awarded the sil-
ver loving cup, or grand prize for hav-
ing the highest number of points for
fitting showing of stock in the
stock. The Geneese boy was a consis-
tent winner throughout the Weiser
"Little International" livestock show
under the auspices of the Regional
Vocational school. The show was held
Saturday, April 13.

He won first in the fitting and
showing of horses and placed in the
judging contest, as well as fitting in
showing sheeps, judging dairy cattle,
judging beefs, and fitting and show-
ing sheep.

Record stocks of wheat remained in
Canada at the close of March and
were estimated at 371,975,000 bushels,
not including 22,288,000 bushels of
wheat to be held in Levinton, Friday
United States. A year ago stocks in Canada
totalled 200,976,000 bushels in an ad-
ditional 1,828,000 bushels in the U.
S. Stocks of wheat under seal in the
United States showed further material
reduction

### GENESEE VALLEY NEWS

Mr. and Mrs. George Nelson arrived Friday for a few days visit at the James Nelson and Nell Lande homes. They left Wednesday for Los Angeles where they now live.

Sunday afternoon visitors at W. O. Borgen's were Mr. and Mrs. Irvin Iverson and two sons.

Mr. and Mrs. Sam Lange and family visited Sunday with Mr. and Mrs. George Davidson and family near Kendrick.

Mrs. John Hove and Mrs. Art Tegland visited Monday afternoon with Mrs. John Hagan and Mrs. Pete Hagen.

Mrs. Art Hove spent Friday afternoon with Mrs. J. P. Anderson. The Genesee Valley Ladies Aid met Thursday afternoon at the Parish hall with Mrs. Scheele and Mrs. Paula Peterson as hostesses. A very interesting letter received from Missionary Nellie Dahl, who is in Madagascar was read. Rev. and Mrs. Veldey sang two duets. Mrs. Olive Iverson, Lillian Mortensen and Mrs. Borg, all of Moscow, were guests. Delicious refreshments were served. The next meeting will be at the home of Mrs. Ed Morken, May 2.

Mrs. Roy Iverson spent Monday afternoon with Mrs. H. Isaksen.

Mr. and Mrs. Art Hove and Clarice spent Sunday afternoon at Art Tegland's.

Mrs. J. P. Wedin, accompanied by a group of ladies from Moscow, motored to Walla Walla to attend a church convention.

Mrs. H. Isaksen and daughters spent Tuesday afternoon at the Tom Anderson home.

Mr. and Mrs. Ralph Blegan of Kellogg visited from Saturday until Sunday in the Larson home.

Mr. and Mrs. Lawrence Klaus of Lewiston visited Sunday at the Scheele home. They were accompanied home by Mrs. Paula Peterson who will visit a few days with her daughter and husband.

Mrs. O. Nordby, Mrs. Ed Blume and Mrs. Arwin Nordby spent Friday afternoon at H. E. Nordby's home.

Clarice Rae Hove was absent from school Tuesday and Wednesday because of illness.

Mr. and Mrs. H. Isaksen and girls visited at Pete Isaksen's Sunday.

Mrs. James Nelson, Mrs. Nell Lande and Mrs. George Nelson spent Tuesday afternoon with Mrs. Jim Archibald.

Mr. and Mrs. Harry Emerson visited at August Johnson's Thursday evening.

The Blue Bird club met Wednesday afternoon with Mrs. O. Danielson. Due to the absence of the club president and vice president, Mrs. W. H. Mervyn presided at the meeting. After a social afternoon the hostess served delicious refreshments. Mrs. Albert Anderson was a guest. The next meeting will be May 8 with Mrs. Fred Hove.

Mr. and Mrs. O. Danielson and family and Mr. and Mrs. Adrian Nelson and family were Sunday dinner guests of Mr. and Mrs. E. Morken.

Mrs. J. P. Wedin, Mrs. Sam Lange and Mrs. Jess Johnson attended a concert at the U. of I. auditorium Tuesday evening.

Mr. and Mrs. Ralph McBride and baby visited at O. Danielson's Tuesday afternoon.

Mr. and Mrs. Allen Sather and boys were Sunday dinner guests of Mr. and Mrs. E. Morken.

Genesee Valley Church The Genesee Valley Aid will meet Thursday, May 2, at the home of Mrs. Ed Morken.

### LOCAL NEWS

Lloyd Esser and Martin Griesser spent Saturday and Sunday on a fishing trip near Elk River. Water was said to be too high for good angling.

Mrs. Flora Holben and son, Orville, of Clarkston, visited Sunday with Mr. and Mrs. Marion Holben.

Sharon Jain, little daughter of Mr. and Mrs. Don Jain, arrived Sunday for a visit with Mr. and Mrs. Fred Hampton, parents of Mrs. Galusha. Mr. Galusha expects to motor to Genesee next week to return his family home.

Louis Steltz of Milwaukee, Wis., arrived Monday for a visit with his cousin, Chris Steltz, and wife, and with Mrs. Con Steltz and Miss Pauline Steltz.

Mr. and Mrs. Fred Judd accompanied Jack Godwin of Kookkia for a trip over the week end to Coeur d'Alene, Spokane and Coulee Dam. Betty Judd spent the time with relatives in Kookkia.

Miss Betty Lou Burr, student nurse at St. Luke's hospital, Spokane, arrived Saturday for a three weeks vacation with her parents, Mr. and Mrs. W. W. Burr.

Mrs. Lena Herman and sons, Clifford and Clinton, were guests Sunday in the home of Mr. and Mrs. Harold Carburn. They visited in the evening with Mr. and Mrs. Jack Driscoll at Troy.

Dr. A. J. White and his brother, Harold White, of Lewiston, spent Sunday on a fishing trip near Coeur d'Alene.

Edwin Miller underwent an operation for appendicitis at St. Joseph's hospital in Lewiston Sunday afternoon.

Mr. and Mrs. Oscar Collins of Thornton, Wash., visited Tuesday with Mr. and Mrs. Martin Hagen.

Mr. and Mrs. Forrest Durbin spent Sunday in St. Maries.

Mr. and Mrs. Ben Cook visited Sunday with Mr. and Mrs. Richard Blewett in Kendrick.

Miss Bernice Mervyn who was at home for a few days, returned Sunday to Spokane to resume her studies at Kinman Business school.

Mr. and Mrs. Chris Steltz have returned home after being in Puyallup, Wash., for a visit of several months. Mr. Steltz is feeling much better in health than when he left Genesee last January.

Bob Smith, W. S. C. student, spent the week end here with his parents, Mr. and Mrs. F. A. Smith.

The Hill Billies, Harry Hanson, Colin Wilson, John Luedke, Dick Green and Dave Kuehl, furnished music for the stockmen's banquet in Lewiston Tuesday evening, held at the Bollinger hotel.

About twenty members of the high school "G" club motored to Lewiston Sunday to roller skate at Riverside Gardens.

Mr. and Mrs. W. A. Blanck and daughter, Ives, arrived Wednesday from San Francisco by car for a visit of two weeks with Mrs. Blanck's parents, Mr. and Mrs. Al Mayer. At Klamath Falls they found snow as high as their car on both sides of the highway where it had been pushed by snowplows.

Mrs. Vaughn who had been visiting her daughter, Mrs. Harry Emerson, and family, returned to Lewiston Sunday, where Mary Emerson will visit her for some time.

**Hear Famous Baritone**  
Among those from Genesee who motored to Moscow Tuesday to hear John Charles Thomas, famous baritone, at the Memorial gymnasium, were Mr. and Mrs. Forrest Durbin, Mrs. W. M. Herman, Dr. and Mrs. A. J. White, Mrs. Marcus Riecke, Mr. and Mrs. Elvon Hampton, Elvyn Hampton, Mrs. N. M. Leavitt, Miss Jean Stewart, Miss Emily Keller, Miss Lillian Larson, Miss Oliver Evans, Mrs. Jess Johnson, Mrs. Sam Lange and Mrs. J. P. Wedin.

### Birthdays Honored

Birthdays of Mr. and Mrs. Ferd Bruegeman on April 20 and 21 were honored Sunday evening when the two were given a party by Mr. and Mrs. Floret Moser, Mr. and Mrs. Leo Bieren, Mr. and Mrs. Frank Jacobs, John Broemeling, Sr., Mr. and Mrs. Howard Callahan, Mr. and Mrs. Harold Callahan of Genesee, and Mr. and Mrs. Zach Scharbach, Miss Elsie Scharbach, Mr. and Mrs. Bill Broemeling, Mr. and Mrs. Frank Scharbach, Mrs. Elsie Bruegeman, Chris Broemeneke, Wayne Newkirk and Art Hansman. At cards played in the evening prizes for the ladies went to Mrs. Bruegeman, Mrs. Howard Callahan and Mrs. Frank Scharbach, and for the men prizes went to Frank Jacobs, Zach Scharbach and Harold Callahan.

### Community Ladies Aid

A social meeting of the Community Aid will be held at the church parlors Wednesday afternoon, May 1, with Mrs. Jess Johnson and Mrs. Mahlon Follett as hostesses and Mrs. N. M. Leavitt and Mrs. Kenneth Dean in charge of the program.

### Dinner Guests

Supt. and Mrs. Kenneth Dean entertained Saturday evening for dinner, Mr. and Mrs. Harry Schooler, Mr. and Mrs. Mahlon Follett and Mr. and Mrs. E. D. Pederson. During the evening bridge was played with Mr. and Mrs. Pederson winning high score award and Harry Schooler, a prize for making a grand slam bid.

THE GENESSEE NEWS Genessee, Idaho

Entered at the Postoffice at Genessee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher

Afternoon Party Mrs. Chas. Baumgartner entertained Wednesday afternoon for Mrs. Tom Goch, Mrs. Marion Holben, Mrs. Ray Johann, Mrs. Elmer Krier and Mrs. Ray Witmore. Pinnocchio was played with Mrs. Johann winning the high score award.

Fish and Fish Stories The water level of Bull Run is said to have dropped several inches last week when Ernest Becker and Rev. Charles Veit took their limit of fish from the stream between Bovill and Elk River. One trout alone was said to have tipped the scales somewhere around 8 pounds. . . surely that can't be right. . . but at least no one is in a position to argue the matter. However, if anyone doubts the report, he will find Becker a most convincing fish story teller.

Elk River proper is closed and will remain forbidden to fishermen for two years.

1940 Hats 50 Years Behind the Times Women's hats this spring may be right up to the minute fashionably, but they are 50 years behind the time historically, says a Chicago person in the Christian Science Monitor. Proof that the 1940 fad for tiny flower-bedecked Easter bonnets goes back at least 50 years is seen in an exhibit of Easter bonnets from the last half century at the Chicago Historical Society.

The oldest hat in the collection, one which was worn by a Chicago society leader in 1890, could easily be worn in this year's Easter parade. It is a flowered toque covered with violets, roses and feathers, exactly like many of the 1940 models. Not quite so modern, but still wearable today, is a hat from 1925. Its crown is covered with white and yellow lilies of the valley, and it is tied with a bow under the chin and worn tilted saucily over the right eye.

Considers Collection Agency F. A. Smith, for the past several months at Rosalia to audit books of a telephone company and make collections, is now employed by Pullman individuals and firms to make collections of past due accounts. Being successful in collections, and to be able to handle the volume of accounts for collection he may open an office.

Hitching Posts for Autos

A fellow visiting Lewiston early this week said he was reminded somewhat of the Lewiston of forty years ago, except that most of the hitching posts of the earlier day were pretty generally in use. In the days of the horse and wagon, he recalled that no one expected to collect for parking a team, but today it's a nickel here and five cents somewhere else to help pay for the new parking meters, and if forgetful or detained too long by some Lewiston merchant he will be invited to visit Lewiston's police court.

Knights of Pythias Tuesday evening next, the Knights of Pythias will hold a social meeting with the Pythian Sisters and wives of Knights of Pythias as guests. Entertainment and refreshments are on the program.

FOOD SALE The Altar Society of St. Mary's church will hold a food sale Saturday, April 27, at the Cash Hardware store, beginning at 1 o'clock. ad

Town Well Gone Forever

How many recall Genessee's town well on the main street just east of the Liberg Pastime? Well, George Anderson, marshal, noticed the widening and upon investigation found the open well beneath a heavy slab of concrete well re-inforced with 2-inch angle iron. The well was filled up with dirt, old bricks and pieces of concrete removed from places where new walks were constructed, and now there is no town well.

Many remember when Genessee's principal street was lined with trees and a watering tank for horses was located on the north side of the street near the old Blue Front store. Travelers and others watered their horses at the tank, much the same as they now days fill up the gas tanks of their cars and trucks with fuel.

CARD OF THANKS

We wish to express our thanks to everyone for their kindness and sympathy in our recent bereavement. We especially wish to thank the business people for their floral piece. Mrs. Helen Bernshaw and Sons.

THIRTY-SEVEN GRADUATES RECEIVE DIPLOMAS MAY 15

Genessee high school will graduate its forty-fifth class of seniors Wednesday evening, May 15, at the high school gymnasium, when Dr. C. W. Chenoeth of the University of Idaho, delivers the address. The program, not as yet complete, will, however, include music by the band and instrumental solos by Beverly Manning, James Springer and Ralph Kluss, and dance. Admission to the two letter features will be 10 and 25 cents.

The six cowboy and cowgirl entertainers are said to be Idaho's famous stage-radio unit, for three years playing over radio station KSEI, Pocatello. Also appearing will be Arod, age 4, American's youngest cowboy singer and yodler.

The new director of highways, Mr. Humphrey, is well known in Genessee. A graduate of the University of Idaho school of engineering, he followed his profession for a few years after receiving his degree in 1928. He has since been in charge of road management of a drug store in Moscow for relatives for another few years. He has been in charge of supervising engineer, resident engineer and in 1939 was named to the position of highway engineer in the state. His experience, mostly with the state, has taken him to every part of Idaho.

MUSIC STUDENTS TO APPEAR IN RECITAL THURS. MAY 9

Music students of the Genessee High School will present a recital at the Congregational church, Thursday evening, May 9, beginning at 8 o'clock. Following is the program: Trio, The Wilches Flight, H. M. Russell, by Hazel Baumgartner, L. D. Vandenburg and Gwendolyn Meyer. Dances, by Hazel Baumgartner, L. D. Vandenburg, and Gwendolyn Meyer. Second Valse, Benjamin Godard, Op. 56, by Gwendolyn Meyer. Duet, by Gwendolyn Meyer and Stanley Green. Duet, Charge of the Uhlans, Carl Bohm, by Donald Borgen and Donald Baumgartner. Voices of Spring, Carl Bohm, Op. 327, by Donald Baumgartner. Solo, My Prayer, Georges Boulanger, by Charles Herman. Dreaming, P. Liehner, by Joyce Holben. Minuet in G, Ludwig Von Beethoven by Hazel Baumgartner. At Twilight, Ludwig Kullerman, Op. 12, by Helen Schamhorst. Andrus Dance, Edward Hagerup Op. 46, by Eloise Herman. By the Mountain Spring, Carl Bohm, by Hazel Baumgartner. The Girl with the Moonlight, Kinkel, by Donald Borgen. Good Bye, F. Pavla Tosti, and Harmonies, Franklin Cole, by Marjorie Rose Springer. Song, Morning, Oley Sparks, and Like Barley Bending, Margaret Tyslow, by Hazel Baumgartner. Believe Me and Gary Owen, W. Pape, by Mary Louise Herman. The Windmill, by Hazel Baumgartner. D. Wilson, by Marjorie Rose Springer and Marjorie Herman.

Members of the senior class, their advisor and chaperone will take the annual trip Friday, May 10, and expect to visit Spokane and other places during the long day.

Backstage services will be conducted by the Rev. Melford Knight Sunday evening, May 12, at the high school gymnasium.

Class Leaders Nadine Conick and Patty Ann Busch are valedictorian and salutatorian, respectively. They have each received the highest honors for the four years in high school.

In the class of 1940, there are 18 girls and 24 boys, a rather unusual group distinction, for the reason that seldom does the number of boys exceed that of the girls. The class of 1940, which has nearly twice as many boys as girls, may be compared to the first graduation class of Genessee when the number of boys and girls was identical, two boys and two girls. They were Tom Keane, A. E. Burr, Mae Hodgins and Lulu Hough.

Other School Dates With the close of school approaching, other dates announced for class are as follows: May 13, freshman picnic; May 14, sophomore picnic, and on May 15 begins final examinations for grade school pupils.

Successful School Year Genessee public schools has completed one of its most successful years. Temporary consolidation of the various school districts has provided exceptional facilities for all of the community, and the corps of teachers and superintendent are to be complimented in the program carried out. It has been an interesting and busy year, and the public generally has taken a decided interest, being permitted to note educational and recreational progress in greater degree than heretofore. The community has taken its part in the program by furnishing the added school facilities which seem to be enjoying the benefits derived. The school board has respected all teachers and members of the staff, and all have returned contented with the exception of Miss Marglene Jones, who has decided to resign teaching duties next Fall. The board is now receiving applications from teachers desiring to succeed Miss Jones.

S. E. Windham, school band instructor, has announced to parents that he will conduct a six-week band course during the summer months for those who desire this added instruction.

Child Undergoes Operation Jane, little daughter of Mr. and Mrs. Jess Johnson, underwent a double-mastoid operation at St. Joseph's hospital in Lewiston Tuesday morning. She is recovering satisfactorily.

Sharon Lew, the younger daughter of Mr. and Mrs. Deane, who underwent a double-mastoid operation in Lewiston at St. Joseph's hospital a few weeks ago, is doing nicely at her home near Genessee.

ENTERTAINMENT AND POLITICS

Glen H. Taylor, Pocatello, Idaho, a candidate for the U. S. senate will bring to Genessee the Glendora Ranch Gang of singers, actors and musicians Wednesday evening, May 8, to appear at the Legion hall at 8 o'clock. Mr. Taylor will speak on "Plenty for Everybody." Following the free entertainment and speaking there will be a play, "Cataways of Plenty," and dance. Admission to the two letter features will be 10 and 25 cents.

The six cowboy and cowgirl entertainers are said to be Idaho's famous stage-radio unit, for three years playing over radio station KSEI, Pocatello. Also appearing will be Arod, age 4, American's youngest cowboy singer and yodler.

The new director of highways, Mr. Humphrey, is well known in Genessee. A graduate of the University of Idaho school of engineering, he followed his profession for a few years after receiving his degree in 1928. He has since been in charge of road management of a drug store in Moscow for relatives for another few years. He has been in charge of supervising engineer, resident engineer and in 1939 was named to the position of highway engineer in the state. His experience, mostly with the state, has taken him to every part of Idaho.

BEVERLY MANNING RATED SUPERIOR AT MUSIC MEET

Miss Beverly Manning, a Genessee high school senior, was rated superior as a pianist at the Lewiston Music Festival last week. Ralph Kluss, also a Genessee high school senior, was rated superior as a saxophone soloist.

Members of the Genessee band are planning to play at the Lewiston Music Festival last week. Ralph Kluss, also a Genessee high school senior, was rated superior as a saxophone soloist.

GENESSEE-LAPWAI GAME TIE DARKNESS STOPS IT IN TENTH

Darkness overtook players in the Genessee-Lapwai game Sunday at Lapwai after the two teams got into a late start because of rain. The game was a no-contest as it was tied at the end of the tenth inning, 7-7.

Genessee broke the tie with a score in the second frame when Blume hit for two bases and scored on Judd's single. The winning run was scored at the plate when Judd tried to come in on Sampson's hit around second. In the fourth inning, Genessee took a one-lead command and stretched it to a three-point lead in the fifth. In the sixth inning, Genessee's lead was cut to tie up the score, but in the last of the sixth the Indians again went into the lead by a point. It was even up, 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, rain-soaked game, the game was called at 5-5 in the seventh with Lapwai going ahead a point in the eighth but in the ninth Genessee, on runs by Judd and Griesser, the score was 7-5, as darkness began to settle in the valley, and after playing a rather hazy, GENESEE LOSES TO LEWISTON

Genesee was enjoying fine weather until Lewiston high school invaded the best part of the Palouse Thursday afternoon, and brought along a rain, a banana-belt dust storm, and left with a 15-11 victory over the Genesee high school team. Lewiston started out with a lead in the first inning with two runs that were doubled by Genesee in the same inning. Lewiston pumped two more runs across in the second and Genesee countered with a like number. Both teams ran off the scoring track in the third, but the fourth Lewiston slipper in three runs and Genesee kept one in the lead by scoring two runs. With the dust swirling across the infield like a Sahara desert storm, Lewiston scored six times on three hits and a few misplays. Genesee sent two men across the plate and had two men on with two down when Has-

Birthday Dinner
Mrs. Elizabeth Linehan celebrated her birthday Sunday by entertaining the following guests for dinner, Mrs. W. J. and Mrs. Harry Condel, Mrs. W. J. and Mrs. Bert and Jack Cunningham of Moscow, Mrs. Art Linehan, Raphael and Betty Linehan and Mr. and Mrs. Don Linehan and daughter.

WANT ADS

LAND BANK CHANGE URGED AT ANNUAL FARMERS MEET

(Continued from Page One)
The time has come now to get to the hot spot in this controversy—the interest rates. There was a time when farmers had to pay 6, 7, or even 8 per cent to borrow money on land. In those days the private mortgage companies were either insolvent or their capital stock so badly impaired that they could not make any loans. Since the Farm Credit Administration was organized, more than 85,000 of the farm borrowers have been released from their farms and many thousands more are in immediate danger of being foreclosed and the Secretary, Neilson of the Secretary of Agriculture nor the directors of farm loan associations as a group are responsible for the situation of the last 20 years has hurt the land bank system just as surely as it wrecked many thousands of country banks. The Secretary emphasized the fact that the Department of Agriculture should not be held responsible for loans made prior to July 1, 1939, when it took over the Farm Credit Administration, but stated that "we must insure that no one in a county was for those who have suffered from war and weather."

The Secretary challenged that "soft credit" would be practiced, and replying to critics said, "excessive credit did anyone do good. 'Easy credit' in the form of excessive loans will have to come in the future from some other institution than the Farm Credit Administration, said the Secretary. "We aren't going to hang farmers' heads with a millstone of excessive debt."

Stressing the importance of a guarantee for land banks, the Secretary said the Federal government should be put squarely behind such paper.

In denying the claim that the Department of Agriculture is going to destroy the Federal Land Bank credit system, the Secretary said, "We all believe in cooperation, but we don't like to see the Federal government do anything that will hurt a member of a farm loan association, and yet I wonder how many of you have so much done in an annual meeting in the last 20 years. Perhaps one in four of you has turned out to one of these meetings. If you are not, you are very simple terms as an enterprise owned and controlled by the group affected. You farmers never have owned the land banks. The government, not farmers, has provided and has been responsible for the huge part of the capital used by land banks."

"The thing to strive for is a cooperative spirit and technique administration, but should not be deceived into thinking that even that makes a real cooperative. The thing to strive for is a cooperative spirit and technique administration, but should not be deceived into thinking that even that makes a real cooperative. The thing to strive for is a cooperative spirit and technique administration, but should not be deceived into thinking that even that makes a real cooperative."

The Secretary advised that land bank directors have really something to do, and that the principle of an executive loan in keeping with the probable productive value of the farm. I don't call this either relief or charity. Of course any such reduction should be made only after we have the recommendation of local farmers who know and whether the mortgage is excessive and honest. Properly administered by hard-headed men from the respective communities, I believe such common sense reduction will save money for the government. It is definitely sound banking from the standpoint of a government which is interested not only in the permanency of the soil, the communities who live on the soil, the communities which these people build, but also is interested in protecting the federal treasury."

Shuns Foreclosure
"I am convinced that in many cases the cheapest way out for the government is to avoid foreclosure losses and send down the principal of an excessive loan in keeping with the probable productive value of the farm. I don't call this either relief or charity. Of course any such reduction should be made only after we have the recommendation of local farmers who know and whether the mortgage is excessive and honest. Properly administered by hard-headed men from the respective communities, I believe such common sense reduction will save money for the government. Interest Real Hot Spot

The time has come now to get to the hot spot in this controversy—the interest rates. There was a time when farmers had to pay 6, 7, or even 8 per cent to borrow money on land. In those days the private mortgage companies were either insolvent or their capital stock so badly impaired that they could not make any loans. Since the Farm Credit Administration was organized, more than 85,000 of the farm borrowers have been released from their farms and many thousands more are in immediate danger of being foreclosed and the Secretary, Neilson of the Secretary of Agriculture nor the directors of farm loan associations as a group are responsible for the situation of the last 20 years has hurt the land bank system just as surely as it wrecked many thousands of country banks. The Secretary emphasized the fact that the Department of Agriculture should not be held responsible for loans made prior to July 1, 1939, when it took over the Farm Credit Administration, but stated that "we must insure that no one in a county was for those who have suffered from war and weather."

The Secretary challenged that "soft credit" would be practiced, and replying to critics said, "excessive credit did anyone do good. 'Easy credit' in the form of excessive loans will have to come in the future from some other institution than the Farm Credit Administration, said the Secretary. "We aren't going to hang farmers' heads with a millstone of excessive debt."

Stressing the importance of a guarantee for land banks, the Secretary said the Federal government should be put squarely behind such paper.

In denying the claim that the Department of Agriculture is going to destroy the Federal Land Bank credit system, the Secretary said, "We all believe in cooperation, but we don't like to see the Federal government do anything that will hurt a member of a farm loan association, and yet I wonder how many of you have so much done in an annual meeting in the last 20 years. Perhaps one in four of you has turned out to one of these meetings. If you are not, you are very simple terms as an enterprise owned and controlled by the group affected. You farmers never have owned the land banks. The government, not farmers, has provided and has been responsible for the huge part of the capital used by land banks."

"The thing to strive for is a cooperative spirit and technique administration, but should not be deceived into thinking that even that makes a real cooperative. The thing to strive for is a cooperative spirit and technique administration, but should not be deceived into thinking that even that makes a real cooperative."

The Secretary advised that land bank directors have really something to do, and that the principle of an executive loan in keeping with the probable productive value of the farm. I don't call this either relief or charity. Of course any such reduction should be made only after we have the recommendation of local farmers who know and whether the mortgage is excessive and honest. Properly administered by hard-headed men from the respective communities, I believe such common sense reduction will save money for the government. GENESEE BOYS OUTSTANDING WINNERS AT LIVESTOCK SHOW

Noel Wright, Bertie Spence and Warren Peasey, members of the Genesee Boys' 4-H Club, and representing Latah county livestock judging team of the Spokane Junior Livestock Show, are winners of first place over more than 150 other boys and girls in the judging of livestock. They were first in three states represented, Washington, Montana and Idaho. This is the first time in many years that Idaho has been the leader and the honor is considered a greater achievement than in former years for the reason that the largest group of 4-H Club members ever recorded were in competition at this year's show.

MISS KATHRYN BAUMGARTNER AND DONALD SPRINGER WED

Miss Kathryn Baumgartner, daughter of Mr. and Mrs. W. J. Baumgartner, and Mr. Donald E. Springer, son of Mr. and Mrs. Arthur Springer, were married Sunday, May 5 at noon at the home of the bride's parents. Miss Margaret Springer, sister of the bridegroom, played the wedding march and Miss Rachel Broemling sang "Because," accompanied by Miss Springer. Attending the young couple were Miss Irene Baumgartner, sister of the bride, and Mr. Bennie Mottern, Moscow, a fraternity brother of the groom. The bride wore a white satin dress and finger-tip veil, and carried a bouquet of pink rose buds and white sweet peas, and the bridesmaid wore a pink net dress over pink silk taffeta, and carried a bouquet of tea roses and lavender sweet peas.

Boys Attending Show

Those making the trip to Spokane and accompanied by Mr. Hampton showed the following stock: Charles Wilson, Hereford steer; Sanford Evenden, Angus steer; Noel Kinyon, Chester White pig; Don Becker, Duroc Jersey pig and Jimmie Busch, a Hereford steer and pig. Phil Herndon, member of the Nepe county livestock team, returned Wednesday afternoon with Mr. Hampton, but the other boys remain for the sale of their fat stock Friday. Today (Thursday) the boys will be royally entertained with shows and other entertainment, and a evening of the Nepe county livestock banquet. Winners of the stock judging will receive silver medal awards.

"MISSING LINK" DEDICATION AT DEARY COMMUNITY DAY

"One of the main features of our Community Day program will be the dedication of the 'Missing Link' by Lieutenant Governor Donald S. Whitehead and C. P. Humphrey, director of highways," reads the invitation in part from E. S. Stuenkel to attend the Deary Community Day, Friday, May 10. The dedication will take place about 11 a. m. "Since the Latah Chambers of Commerce and the Latah Planning Board have had this section of highway under their consideration and given it their joint approval, every director and board member should be present to see the 'baby christened.' Bring a good-sized delegation from your community and let them see the result of local communities, the County Board cooperating."

BUY FARM NEAR LAYWAI

Les Gray closed a deal Tuesday for the purchase of a 140-acre farm six miles east of Laywai and seven miles north of Coludese, and is taking immediate possession. The farm is known as the Rich place and for a number of years owned by Mrs. Krieger. The purchase included in addition to the land, all farming equipment, 40 head of hogs, nine head of cattle, five horses and some chickens, and further includes sole interest in a crop now growing on the land, of which 40 acres are in fall wheat, some in oats, and a portion in alfalfa and garden. Of the 140 acres, 115 acres are now in cultivation. The place is situated in the well-known Tom Beall district. Mr. Gray is going back and forth to take care of stock and to do what spring field work is required. Mrs. Gray and the children will move to the farm when school is finished for the year. The farm home has recently been rebuilt following a fire which destroyed the former home completely. The Gray children will attend the Laywai school, it is planned, as the school bus from that district travels past the home over a rock-surfaced road. A bus from the Coludese school does not miss the place by far.

Attend State G. O. P. Convention

R. E. Norby, Ed Morken and R. E. Emmett, Genesee, were among delegates from Lewiston attending the republican state convention, held Monday in Lewiston. Idaho delegation to the national convention was instructed to favor Dewey for the nomination. Glen H. Taylor, Cozelle, candidate for the U. S. senate on the democratic ticket, opened the campaign season at Genesee Wednesday evening, with a free entertainment and speech, and also staged a dance and show. No charge was made for the speech and music but an admission charge was made for the dance and show. About 80 attended.

G. A. A. C. TO ORCHARDS MAY 12

Lewiston Orchards, breaking fifty-fifty in games won and lost so far this season, will take on the Genesee Amateur Athletic club Sunday on its home grounds. The Orchards team of last year went into the L.-C. league semi-finals, and with Genesee, were winners of first place over more than 150 other boys and girls in the judging of livestock. They were first in three states represented, Washington, Montana and Idaho. This is the first time in many years that Idaho has been the leader and the honor is considered a greater achievement than in former years for the reason that the largest group of 4-H Club members ever recorded were in competition at this year's show.

THIRTY PUPILS TO GRADUATE FROM EIGHTH GRADE MAY 13

Nineteen pupils of the Genesee public school and eleven pupils of St. Joseph's school, were to graduate from the eighth grade Monday evening, May 13 at 8 o'clock at the high school gymnasium, which signifies they have completed the Idaho course of study prescribed for the eighth grade. Ben Cook, principal of the public grades school, announces the following program for graduation evening: Presentation, Beverly Manning. Class History, Don Borgen. Salutatory, Gwendolyn Meyer. Class Will, Class Prophecy. "The Wings of Flight," piano trio, Gwendolyn Meyer, Don Borgen, and Louise Vandenberg. "What Is Coming," Supt. K. F. Dean. Presentation of Class, Ben P. Cook. Presentation of Diplomas and Remembrance of the school, county superintendent of school. Recessional, Beverly Manning. Results of Metropolitan Achievement Tests taken by pupils of the schools were announced Thursday. Don Borgen received a grade of 776 and Gwendolyn Meyer, 746. The two high averages were noted with honor and distinction, respectively. The history, will and prophecy will be given by students who are yet to be chosen.

Graduates of St. Joseph's

Esther Mae Broemling, Norma Jean Broemling, Anna Mae Busch, Joyce Fleehinger, Phyllis Grieser, Beverly Manning, Stanley Green, Shirley Mullellay, Donald Schreiner, Jean Slusser, Margaret Tobin. Graduates of Public School: Ralph Anderson, Don Borgen, Leona Clausen, Tom Edwards, Mary Emma Sanford Evans, Wilma Fifer, Verne Grier, Erna Huntley, Viola Huntley, Lyle Kelly, Norma Liberg, John Loring, Gwendolyn Meyer, Fred Morschke, Ed Pederson, Louise Van der Horst, Violet Wagner and Jeanette Werneke.

BREAK IN WEATHER STARTS PALOUSE RANCHERS GOING

Hills of the Palouse country were alive with tractors Tuesday, when the weather gave ranchers a break they were looking for. Farm duties have piled up with the ample moisture supplies of this spring, and among the multitude of operations is working over practically all land that was once prepared for seeding this spring. Following the ceremony a reception was held at which were present about twenty-five relatives and friends: Mr. and Mrs. Lew Messersmith and son, Dick, Lapwai; Mr. and Mrs. George Bertrand, Spokane; Mr. and Mrs. Charles Baumgartner and son, Maurice; Clarkston; Mr. Phillipa Beaumont, Hereford steer; Noel Wright, Evenden Angus steer; Noel Kinyon, Chester White pig; Don Becker, Duroc Jersey pig and Jimmie Busch, a Hereford steer and pig. Phil Herndon, member of the Nepe county livestock team, returned Wednesday afternoon with Mr. Hampton, but the other boys remain for the sale of their fat stock Friday. Today (Thursday) the boys will be royally entertained with shows and other entertainment, and a evening of the Nepe county livestock banquet. GENESEE LEADS L.-C. LEAGUE DIVISION; DEFEATS OROFINO

Orofino tied up with Pomeroy and Lewiston Orchards Sunday for second place in the L.-C. league. The Genesee team won in the first place by winning from the Orofino club 6-2, in a game which was threatened by postponement owing to rain which fell between the time the Orofino club had left its home port and time announced for the event to start. Water stood in a few pools before the game got under way, but sawdust mixed with some fine sand absorbed the surplus moisture, and the infield was not too heavy, permitting the two clubs to play a most interesting and close game. Decio, Orofino second sacker, left off with a single and stole second. Shriver flew out to Sampson in center. Holmes hit to score Decio but was forced at second by Ball. Barney grounded to Armstrong at second for a put-out at first, to end the first inning. Genesee was unable to score in a few pools before the game got under way, but sawdust mixed with some fine sand absorbed the surplus moisture, and the infield was not too heavy, permitting the two clubs to play a most interesting and close game. Decio, Orofino second sacker, left off with a single and stole second. Shriver flew out to Sampson in center. Holmes hit to score Decio but was forced at second by Ball. Barney grounded to Armstrong at second for a put-out at first, to end the first inning. Genesee was unable to score in a few pools before the game got under way, but sawdust mixed with some fine sand absorbed the surplus moisture, and the infield was not too heavy, permitting the two clubs to play a most interesting and close game. Decio, Orofino second sacker, left off with a single and stole second. Shriver flew out to Sampson in center. Holmes hit to score Decio but was forced at second by Ball. Barney grounded to Armstrong at second for a put-out at first, to end the first inning. ### GENESEE VALLEY NEWS

Miss Clarice McElroy of Klamath Falls, Ore., visited Wednesday and Thursday of last week at the Jim Archibald home.

The Genesee Valley Aid was entertained last Thursday in the home of Mr. and Mrs. Ed Morken when fifty members and visitors were present. A program was given by Mrs. Wedin who gave a Mother's Day reading. A Bible quiz was given by Rev. Voldey and several songs were sung by all, which was followed by a short business meeting. The hostess served delicious refreshments. Mrs. Sam Lange will be the next hostess.

Mr. and Mrs. Herman Isakson and daughters spent Sunday afternoon at Wm. Jenkins.

Mr. and Mrs. Wm. Mervyn visited at August Johnson's Friday afternoon. Mr. and Mrs. Hans Iverson and Mr. and Mrs. Jack Napson spent Sunday afternoon at Ed Iverson's.

Mrs. Annie Danielson and Clarence Danielson and Mrs. Frank Grieser and daughter, Martha, visited at J. P. Anderson's Sunday afternoon.

Mr. and Mrs. O. Danielson had a Sunday dinner guests, Mr. and Mrs. Albert Anderson and Beverly and Engel Anderson.

Mrs. W. O. Borgen and Wayne spent Tuesday afternoon with Mrs. Art Hove.

Mrs. J. P. Wedin took Roy to Pullman Tuesday evening where he will spend two days before going to Moscow where he will be employed for the summer with a contractor.

Mrs. John Ekum and Mrs. O. Danielson visited school Tuesday afternoon.

Mrs. James Nelson, Mrs. Nels Lande, Verlene Johnson, Mrs. Bell Hanson, Mrs. Hannah Swenson and Mrs. F. Qualey spent Saturday afternoon with Mrs. Marie Michelson whose birthday was that day. A no-host lunch was served.

Mrs. Fred Hove was hostess to the Blue Bird club Wednesday afternoon. A Mother's Day program was in charge of Mrs. Ed Strate and Mrs. J. Archibald and was much enjoyed. Mrs. Strate gave a reading, Mr. and Mrs. Moberg sang, Mrs. Colin Wilson sang a song and Shirley Danielson and Dona Lee Danielson sang two numbers.

Mrs. Archibald gave a reading and the club sang a song. Mrs. Hove served delicious refreshments. Guests were Mrs. John Hove, Mrs. Art Teeland and Mrs. Wm. Hove. The next meeting will be with Mrs. Wm. Jenkins.

Mrs. Nels Lande and Miss Verlene Johnson spent Tuesday afternoon with Mrs. J. P. Wedin.

Mr. and Mrs. Adolph Carlson spent Friday evening at Larson's.

Mr. and Mrs. Roy Iverson spent Sunday evening at H. Isakson's home. Mr. and Mrs. Chas. Odenberg visited at W. O. Borgen's Sunday afternoon.

Mrs. J. P. Wedin called on Mrs. Sam Jensen and Mrs. Elsie Christensen Wednesday.

Mrs. Lilly Larson entertained Mr. and Mrs. Joe Olson and family for dinner Sunday.

Mrs. Annie Danielson and John Ekum visited at August Johnson's Tuesday afternoon.

Mrs. J. P. Wedin spent Friday afternoon with Mrs. J. P. Anderson. J. P. Anderson spent Monday in Clarkston.

Mrs. E. Nordby and Mrs. Lilly Larson attended Aid in Moscow Tuesday afternoon.

Paul and Elaine Hove and Paul Osmundson, together with the other members of the Collegiate orchestra, motored to Kamiah Friday afternoon where they were supper guests of Mr. and Mrs. Wm. Gibler. They played for the Junior Prom at Kamiah the same evening. Rodney Teeland was also a guest in the Gibler home and remained until Sunday.

### LOCAL NEWS

Mr. and Mrs. Sam Alm and two children of Golden, Idaho, visited Saturday afternoon with Mr. and Mrs. Markie Springer and family. Mrs. Springer is a sister of Mr. Alm.

Mr. and Mrs. Raymond C. Snyder and daughter, Virginia, of Moscow, and Mr. and Mrs. Ed Hill and son, Bud, of Clarkston, were Sunday visitors in the home of Mr. and Mrs. S. U. Lough.

Mrs. John Luedke and Mrs. N. M. Leavitt attended a party for alumnae members at the Alpha Phi house in Moscow Sunday afternoon. Mrs. Mary Bond of Pendleton, Ore., came Friday and visited until Wednesday with her cousin, Mrs. Elvon Hampton, and family. Sunday visitors in the Elvon Hampton home were Mrs. Hampton's parents, Mr. and Mrs. C. M. Eager of Colfax and grand-mother, Mrs. E. J. Burchill, of Pendleton.

Mr. and Mrs. Chas. Baumgartner and son have moved to Clarkston to make their home. Ed Miller who underwent an operation at St. Joseph's hospital in Lewiston, returned home Saturday.

Mr. and Mrs. John Luedke were visitors in Spokane Monday. On their return to Genesee they were accompanied by Mrs. F. J. Niemann who is visiting Mrs. Hanson.

Miss Betty Burr visited with Genesee girls over the week end who are students at the University of Idaho and living at Forney Hall.

Mrs. Harry Emerson and children, Mrs. Myrtle Emerson, Roy Emerson and Billy Emerson motored to Walla Walla Saturday to see Harry Emerson, a patient at the Veterans hospital. Thursday morning, Mrs. Emerson had not been informed if her husband had undergone an operation or not.

Mr. and Mrs. Phil Enders and son, Parke, were visitors in Post Falls and Coeur d'Alene over the week end.

Mrs. Minnie Swenson of Spokane came Sunday to visit in the home of her parents, Mr. and Mrs. Fred Hampton.

Mrs. Harold Hammond and Mrs. W. M. Herman attended a Gamma Phi alumnae meeting in Moscow Tuesday evening at the home of Mrs. O. W. Schroeder.

Mr. and Mrs. R. L. Galusha and son left Saturday following a visit here in the home of Mrs. Galusha's parents, Mr. and Mrs. Fred Hampton.

Mrs. Harold Hammond and Mrs. W. M. Herman attended a Gamma Phi alumnae meeting in Moscow Tuesday evening at the home of Mrs. O. W. Schroeder.

Miss Nell Rae Black, a student nurse at St. Luke's hospital, Spokane, spent the week end with her parents, Mr. and Mrs. John Black. She was accompanied by a fellow student nurse, Miss Madge Curtis, of Spokane.

Mr. and Mrs. Wm. Rogers and daughter, Mrs. Ed Rogers of Olympia, Wash., arrived Sunday evening to visit Mr. and Mrs. David Cuser and daughter, Mrs. Ed Rogers, mother of Mrs. Kuehl, will remain for an extended visit. The others left Monday for their home.

Sage Aikens of Lewiston visited a short time Sunday with his daughter, Mrs. Walter Emerson, and family. Mr. and Mrs. Walter Emerson motored to Walla Walla last Thursday evening to take Harry Emerson to the Veterans hospital for treatment.

Mr. and Mrs. Ervin Flomer and family of Layton visited Sunday with Mrs. Eliza Flomer and in the Wm. Hickman home.

Mr. and Mrs. J. J. Tupker and Mr. and Mrs. Frank Hoorman and daughter, Marie, were Sunday guests of Mr. and Mrs. Roy Evans.

Mrs. Howard Callahan returned Saturday from the Grisman hospital in Moscow where she underwent an operation for appendicitis.

Mrs. Bortha Roth of Lewiston came Sunday for a visit with her daughter, Mrs. Herman Bielenberg, and family. Callers Sunday in the home of Mr. and Mrs. John Krier were Mr. and Mrs. Wm. Finley, Miss Elizabeth Krier, Miss Evelyn Krier and Stanley Fletcher of Lewiston, Mrs. J. E. Hansman and Mrs. Bernard Grieser.

**JUNIOR-SENIOR BANQUET**  
Under a ceiling of blue, hung with silver stars, and with lights softened, the Senior Class of 40 were feted Saturday evening, May 4, at St. John's Lutheran church basement at the annual banquet given by the Junior class. The snowy white tables were decorated with centerpieces of huge blue and silver stars on which rested bouquets of beautiful spring flowers. Unique blue and white stars formed the placecards and the menu, and a silver star decorated the program.

The entertainment between courses consisted of a piano medley by Miss Beverly Lewis, and a telephone solo by Jim Springer, accompanied by Miss Jean Stewart.

Perry Black, toastmaster, introduced Russell Gray, Junior class president, as the first speaker who gave an address on "What the Seniors Expect from the Juniors," and Miss Jean Stewart replied with "What the Juniors Expect of the Seniors." The subject of Supt. Kenneth Dean's talk was "What the Community Expects of the Seniors."

The banquet ended most fittingly by all singing the Genesee Fight Song, which was composed, music and words, this year, by Miss Beverly Manning, a member of the graduating class.

Officers of St. John's Lutheran Society served the banquet which was attended by 85.

been most generous in her gifts of them for display. She sent enough for several bouquets to decorate the tables at the luncheon for War Mothers given by the American Legion Auxiliary last Friday, and last Sunday the Geneese Valley church was decorated with her tulips. Following services some who were curious as to the size of some of the tulips found one that measured 22 inches in circumference when spread out. The color of this tulip was variegated in colors of tans and browns.

**Births**

Mr. and Mrs. Fred Baumgartner are the parents of a daughter born Friday, May 10, at the Baumgartner home near Geneese. The name, Dorothy Marie, has been chosen.  
Mr. and Mrs. E. J. Hackett of New York City are the parents of a son born Tuesday, May 14. Mrs. Hackett will be remembered in Geneese as Miss Lela Castle, and the telegram announcing the birth was received by her sister, Mrs. Alfred Hasfurther Wednesday. Mrs. Hackett's mother, Mrs. Harry Shilling of Lewiston, has been visiting in New York for the past month.

**MOVE TO ROSALIA**

Mr. and Mrs. O. V. Johnson and family are now located on a ranch near Rosalia, the two boys joining their parents following the close of school. Mr. Johnson recently sold his ranch south of Geneese to J. Archibald and has purchased a large place three miles northwest of Rosalia. In addition to grain lands the place is well equipped for stock raising.

Mr. and Mrs. Fred Hove and daughter, Sarah Jo and Mr. and Mrs. Wm. Gibler of Kamiah visited from Saturday evening until Sunday evening at Art Tegland's, Jim Gibler was also a dinner guest Sunday.

Mr. and Mrs. Fred Hove and daughter, Sarah Jo and Mr. and Mrs. Wm. Gibler of Kamiah visited from Saturday evening until Sunday evening at Art Tegland's, Jim Gibler was also a dinner guest Sunday.

Confirmation Services at St. John's St. John's Lutheran church will add six communicant members to her roll Sunday morning by confirmation and holy baptism. This number will make the highest enrollment of the church in its 51 years of existence.

Those to be added in an impressive confirmation service Sunday morning at 10:30 are: Oliver Woodley, Mrs. Oliver Woodley, Lee Webb, Mrs. Fred Morscheck, Victor Simons and Stanley Windham.

Special music and a confirmation sermon will feature the service. Visitors and friends are welcome to attend. The class will make its first communion with the congregation at 8:30 a. m., Sunday, June 2.

## THE FORD WAY OF DOING BUSINESS

The Ford Motor Company was founded by a working-man for working-men. Its present officers began as employees of the Company. It was the first company to pay a minimum wage, beginning in 1914, at the then astounding figure of \$5 a day. That was double the prevailing wage of the time. The Ford minimum is now \$6 a day for all employees engaged in production work. And from that, the wages rise to \$10.80 a day, with the average wage \$7.23, exclusive of salaried employees.

All this is reflected in Ford products, whether cars, trucks or tractors. The work is honestly done. Materials are the best that can be made or procured. Less profit to the Company and more value to the customer is known throughout the motoring world as "Ford's way of doing business."

Ford Motor Company was the first to make a motor car within the means of the average family—quitting the manufacture of what was then the largest selling model in the world to do so. Its chosen field in all the 30 years since that time has been the average American family—for which it has consistently provided car facilities which formerly only the wealthy could buy.

It is the policy of the Ford Motor Company to share the benefits of advanced methods and management with workers and public alike. Increased wages and employment over a period of many years have resulted in a 300 per cent increase in the built-in value of the Ford car and a 75 per cent reduction in its price.

John Lockeridge of Clarkston, resident of the Genesee community a number of years ago, was here to visit friends Tuesday.

Mr. and Mrs. Arundt Kern of Los Angeles visited from Saturday to Sunday with friends in the Genesee community and with the former's mother at the home of Mrs. Erickson, her daughter at Orofino.

Mrs. Gertrude Christenson and Mrs. Bell Hanson visited in Clarkston Wednesday with Mrs. De Hagan, Mr. and Mrs. Clyde McClean and Mr. and Mrs. Louie Hagan.

Mr. and Mrs. John Black and sons, Perry, Jack and Dick, were in Genesee a short time Tuesday enroute to Lewiston so that the boys could attend the Boy Scout court of Honor that evening, Mr. and Mrs. E. D. Pederson also motored to Lewiston to witness the Scout Court of Honor.

Miss Caroline Terhaar of Lewiston and Mrs. Chet Gaudiquet and children of Portland and Mrs. Lew Jain in the home of Mr. and Mrs. Chas. Grieser Sr. The ladies are nieces of Mrs. Gaudiquet.

Mrs. Bell Hanson and house guest, Mrs. Gertrude Christenson of Sioux Falls, S. D., and Mrs. Marie Michelsen visited Thursday with Mrs. James Nelson.

Mr. and Mrs. Al Mayer and Glen Mayer spent Sunday in Lewiston with Mrs. Marie Mayer.

Mr. and Mrs. Don Jain and family accompanied by Phyllis and Paty Magee, visited Sunday with Mr. and Mrs. Lela Jain, who spent the winter in California and recently has been visiting in Genesee. Mr. Lela Jain is also visiting in the Ben Jain home.

Mrs. M. Baldrige and son, Michael Jr., of Boise, is visiting in Genesee with her husband, Archie Putnam, and family. They also plan to visit relatives in Pocatello.

Frank Hallett of Spokane and two sons, one of Spokane and the other of California, were in Genesee Tuesday greeting friends. The two sons were accompanied by their wives. Mr. Hallett and sons are former residents of this community, and at one time owned part of the lands now in the Dr. T. A. Elliot ranch.

Mr. and Mrs. E. J. Hill and son, Bud of Clarkston, and Mrs. S. U. Leary of Starbuck, Idaho, were in Genesee Tuesday.

Leslie Ballard, who attended school in Culdesac has been visiting the past week with his sister, Mrs. Marion Hobbie and husband, Rex Hobbie.

W. A. Nixon and daughter, Miss Grace Nixon of Clarkston, visited Wednesday with Mr. and Mrs. Fred Morscheck.

Mr. and Mrs. Don Springer of Headquarters, Idaho, were in Genesee Tuesday with relatives here. Sunday evening visitors of Mr. and Mrs. Ben Cook were Mr. and Mrs. Richard Burnett, Rex Stovett and Miss Mary Havens of Kendrick; Mr. and Mrs. Forrest Mellinger and son of Boise and Mr. and Mrs. Kenner Hoduffer.

Mrs. Clyde Armstrong and family moved to near Deary Sunday to spend the summer with Mr. Armstrong.

Mr. and Mrs. Archie Putnam and E. E. Putnam motored to Ellenburg, Wash., Saturday for an overnight visit with the latter's daughter, Mrs. D. H. Semes, and family.

Mr. and Mrs. Lester Gray and family moved Saturday to their ranch near Lapwai which they recently purchased.

Edgar Evans, Sanford Evans, Fred Morscheck Jr., Cliff Lundt and Ernest Becker motored to near Elk River to fish Friday and Saturday.

Mrs. F. A. Smith is visiting this week with her daughter, Mrs. Martin Druffel, and family near Colton.

Mr. and Mrs. Fred Judd and daughter left Monday for a week's visit with relatives in Kootenai County.

Dr. N. M. Leavitt attended a past masters' meeting of the Masonic lodge in Colfax Monday evening.

Mr. and Mrs. John Black and family moved Saturday to Troy where Mr. Black will be in charge of the Livingston Water Power company. Mr. and Mrs. Phil Enders, who purchased the Black property here moved into the home Sunday.

Mr. and Mrs. Fred Judd, Mr. and Mrs. Ben Cook, Miss Emily Keller, Miss Olive Hagan and Miss Ruth Pontius enjoyed a weiner roast at Cold Springs Friday evening.

The Hydrant Club met at the K. P. hall Friday afternoon for sewing after which Mrs. Wm. Rader served refreshments.

Mrs. Christine Sampson and daughter, Gail, who spent the past nine months with relatives in Iowa and Minnesota, returned to Genesee Saturday. Mrs. Sampson and daughter and son, Richard, have taken apartments at the home of Mr. and Mrs. Phil Enders.

Mrs. N. M. Leavitt attended an Alpha Phi alumnae breakfast at the Moscow hotel Sunday morning given for seniors at the house. Following breakfast the regular meeting of the alumnae was held with Mrs. Leavitt being elected president for the coming year. Miss Jewell Holmes, was elected vice president and Miss Bernice Sathier, secretary and treasurer.

Miss Bernadette Weber returned to Genesee following the close of school at Deary where she taught the past year. She will resume her position in the high school there this fall.

**Farewell Shower**  
Mrs. Clyde Armstrong, who with her family moved to near Deary Sunday, was given a handkerchief shower Thursday afternoon by Mrs. L. E. Brown, Mrs. Wilford Cameron, Mrs. Lester Gray, Mrs. Markie Springer, Mrs. Leo Edwards, Mrs. Harold Lee, Mrs. Art Nelson and Mrs. Lloyd Esser. A no-hostess luncheon was served following the social afternoon.

**Dinner Guests in Moscow**  
Mr. and Mrs. Harry Conde of Moscow entertained with a dinner on Thursday afternoon with Mr. and Mrs. Art Linehan and daughter, Betty, Mrs. Elizabeth Cunningham and Mr. and Mrs. Ernest Becker.

### PUBLIC UTILITY DISTRICT ELECTION LOSES IN OREGON

With the city of Portland voters balloting two and one-half to one against the formation of a Public Utility District and voters of four Oregon counties rejecting similar proposals, the last week's election in Oregon resulted in an overwhelming defeat for the P. U. D. program, according to tabulations compiled by the Oregon Journal.

The vote in Portland was regarded as a heavy vote and the outcome was described editorially by the Journal as follows: "The P. U. D. fell by the way in Portland, crushed by a negative vote that about 80 per cent of the city read as a rebuke to those who would fasten upon the city schemes of conceiving with respect to essential public service."

P. U. D. proposals were also defeated in Washington, Yamhill, Coos, and Lincoln counties. In Tillamook county, two communities out of three voted against being included in a P. U. D. district. In Clatsop county, the remote Nehalem basin voted for a P. U. D.

### REPORT CROP LOSSES

Latah county wheat growers who have federal crop insurance on their crops are required to notify the county AAA committee whenever they believe they have suffered a crop loss. F. Koster, member of the committee in charge of crop insurance said today.

"Insured growers are supplied with cards for the purpose of requesting inspection of damaged crops. When one is sent in, the county committee, composed of the adjuster and two insured crops, will send an adjuster to inspect the loss."

Partial losses will be adjusted after harvest, while total or substantially total losses will be adjusted immediately. However, growers should not dispose of a damaged crop before an adjuster examines it, the committee man said.

The county committee suggests that producers examine their growing crops closely for signs of worms. A mild winter and warm weather conditions have resulted in heavier-than-usual infestations.

Farmers who have losses on insured crops will have three options in receiving indemnities. Payment may be (1) made immediately in cash equal to the market value of insured wheat involved in the loss; (2) with warehouse receipts if the corporation has wheat stored in the warehouse; or (3) by deferred cash settlement in which farmers have 90 days in which to specify the amount of wheat to sell to their indemnity wheat for them.

### Word from Miss Rondeau

Miss Nora Rondeau, teacher in the Genessee school for several years, is now at Coeur d'Alene with the Idaho Employment Service, a civil service position which she accepted after having declined a similar position in the work, she says is very interesting, as meeting a new personality every five minutes in the interviewing. During the past winter she traveled to distant points for the purpose of taking unemployment insurance claims. At the present time the service is making placements.

Miss Rondeau has taken another major step in her career by resigning that makes her eligible for promotion should a vacancy occur. After being approved of the board of directors of the time, she said she appreciated being able to stay home for a time.

### Summer Plans for Teachers

Supt. Kenneth Dean, Fred Judd, S. E. Windham and Joe Tucker plan to spend most of the summer in Genessee. Ben Cook plans to attend summer school at the University of Idaho, driving back and forth from his home here. He will also do some surveying under the A. A. program.

Miss Ruth Pontius plans to attend school, and when Miss Emily Keller left for her home at Caldwell, and Miss Charlotte Dusenberry for her home at Weiser, they were undecided about returning to Moscow for summer school sessions.

Miss Olwyn Evans plans a trip to Oregon, Miss Jean Stewart, a trip to the California, Miss Lillian Larson, a trip through Yellowstone Park and Miss Charlotte Wittman plans to be at her home in Caldwell.

### Enjoys Trip from South Dakota

Mrs. Gertrude Christenson of Sioux Falls, S. D., who is visiting her aunt, Bell Hanson, and other relatives at Genessee had an enjoyable trip from her home to Genessee. She has made several trips to Idaho, the last being five years ago and this time came all the way by motor stage. Leaving Sioux Falls at 12:15 noon last Wednesday, she arrived in Genessee at 2 p. m., Friday, about 45 hours.

Conditions in eastern South Dakota much better this year Mrs. Christenson said, and Nebraska is favored with better growing conditions for crops than last year. The southeast of South Dakota had good crops last year despite a lack of moisture, but this spring, which started off cool and wet, more promising. Wheat is a crop not grown extensively near the home of Mrs. Christenson, where the farmers are now devoting much of their lands and time to raising livestock and production of creamery products.

The route taken by Mrs. Christenson from Sioux Falls was to Sioux City, Iowa, then to Cheyenne, Wyo.; Ogden, Utah; Pocatello and Boise, Idaho, and Pendleton, Oregon, to Lewiston and Genessee.

### Cars in Collision

Cars driven by Miss Myra Lamphier and Arthur Hirschler of Moscow collided at the intersection of Third and Main streets. Miss Lamphier had as passenger, Miss Irene Morgan, Rommie Huffman and Victor Armstrong. Miss Morgan, who suffered some from shock last evening in Moscow at the Grimsen hospital. A passenger in the Hirschler was also said to be injured slightly. Both cars were damaged by the head-on collision.

### Legion to Decorate Graves

Members of the American Legion Post are to meet at the Legion hall at 10 o'clock Thursday morning, May 30, and from there go to the several cemeteries to decorate graves of deceased war veterans.

### News to Print One Day Early

The Genessee News will be published Wednesday of next week, so we ask those using space to prepare advertising copy a day earlier. News contributors will also confer a favor by calling one day earlier.

### Weather Warm Up

Those who objected to the cooler weather of a week ago should feel comfortable this week. Temperature readings at Genessee went to near 85 degrees above Thursday with weather four degrees warmer in the Rimrock area, and about seven degrees hotter in Lewiston. No crops are reported as suffering, but a rain brought on by the extremely warm weather would be appreciated, especially for grain and peas.

### Births Observed

Mr. and Mrs. J. H. Broemeling entertained Sunday in honor of the birthday of Mrs. Broemeling's mother, Mrs. Anna Kries. Others present were Mrs. Irene Morgan, Rommie Huffman and Victor Armstrong. Miss Morgan, who suffered some from shock last evening in Moscow at the Grimsen hospital. A passenger in the Hirschler was also said to be injured slightly. Both cars were damaged by the head-on collision.

### Beauty Shop Closed for Week

Miss Evelyn Broemeling announces that her beauty shop will be closed from Saturday, May 25 until Friday, May 31.

### FOOD SALE

Ladies of the Community church are sponsoring a food sale to be held Wednesday afternoon when quilts were sold. Memorial day, at the Follett Mercantile store.

Genessee, Idaho

### STORES CLOSE MEMORIAL DAY

Business houses in Genessee will observe Memorial Day, May 30, by closing for the day. Only places which usually remain open will not close, such as restaurants, garages, service stations and billiard rooms.

### Legion to Decorate Graves

Members of the American Legion Post are to meet at the Legion hall at 10 o'clock Thursday morning, May 30, and from there go to the several cemeteries to decorate graves of deceased war veterans.

### News to Print One Day Early

The Genessee News will be published Wednesday of next week, so we ask those using space to prepare advertising copy a day earlier. News contributors will also confer a favor by calling one day earlier.

### Weather Warm Up

Those who objected to the cooler weather of a week ago should feel comfortable this week. Temperature readings at Genessee went to near 85 degrees above Thursday with weather four degrees warmer in the Rimrock area, and about seven degrees hotter in Lewiston. No crops are reported as suffering, but a rain brought on by the extremely warm weather would be appreciated, especially for grain and peas.

### Births Observed

Mr. and Mrs. J. H. Broemeling entertained Sunday in honor of the birthday of Mrs. Broemeling's mother, Mrs. Anna Kries. Others present were Mrs. Irene Morgan, Rommie Huffman and Victor Armstrong. Miss Morgan, who suffered some from shock last evening in Moscow at the Grimsen hospital. A passenger in the Hirschler was also said to be injured slightly. Both cars were damaged by the head-on collision.

### Beauty Shop Closed for Week

Miss Evelyn Broemeling announces that her beauty shop will be closed from Saturday, May 25 until Friday, May 31.

### FOOD SALE

Ladies of the Community church are sponsoring a food sale to be held Wednesday afternoon when quilts were sold. Memorial day, at the Follett Mercantile store.

Vol. 51 No. 51

### FARM-STORED BARLEY GOOD FOR FEDERAL LOANS IN 1940

War and resulting market uncertainties will make commodity loans an important tool for keeping farm income stabilized, according to Clarence V. Brabb, member of the Latah County Agricultural Conservation committee in charge of commodity loans.

Brabb this week announced continuation of the loan program on wheat and inauguration of a barley loan program for grain harvested in 1940. "Developments in Europe, their effort on export possibilities for wheat and barley, and the depression of domestic markets in recent weeks of wheat make it necessary for farmers to use every tool they have to maintain the proper price relationships."

"The countries that are buying large stores of manufactured goods from the United States, and are cutting down on their purchases of agricultural products. Meanwhile, one neutral country after another is being wiped off our customer list. "The outlook demands cooperative action on the part of every farmer to keep farm income on an even keel."

Brabb said rates for 1940 wheat loans are 2 red winter wheat has been given a 77 cent terminal rate at Kan. City, two cents over last year. The Portland rate for No. 1 soft wheat remains at 73 cents per bushel. Local loan rates are based on terminal rates less freight and handling charges.

Barley loans in Idaho will be made only on farm-stored barley and will be made until December 31, 1940. No storage allowance will be made for farm storage of loan barley, the committee man said. Loan rates follow: No. 1 barley, 35 cents a bushel; No. 2, 34 cents; No. 3, 32 cents; No. 4, 29 cents; No. 5, 25 cents. A discount of two cents a bushel will be made for mixed barley. Tough, stained, blighted, smutty, garlicky, weevil, ergoty or bleached barley will not be eligible for loans.

The 1940 program marks the third consecutive year that loans on wheat and barley loans are being offered for the first time this year, it was announced. Commodity Credit Corporation will make the loans, and last year's policy of handling loan paper through local lending agencies is expected to be followed this year.

### Electric Valley Wins

The Electric Valley ball club, formerly Sleepy Hollow, won an exciting game from a combined Oakesdale-Potlatch club at Potlatch last Sunday, 18 to 12.

Some residents of the territory north and west of Genessee don't seem to care too much about the name, "Sleepy Hollow," and The News, not approving of the name either, has taken it upon itself to refer to the section as "Electric Valley." This name should be more appropriate, as the territory embraced was one of the first to install its own electric light and power lines, and any community might have started long ago in that direction, having a baseball team that can go out and win should be deserving a more lively name.

Statistics on the Sunday game are missing, but it was learned that Electric Valley was trailing 10-0 at the first of the ninth inning before they turned on the heat.

Those making the trip and playing were Art Klemm, Steve Johann, John Flomer, Lloyd Hasfurther, Ewald Lettenmaier, Gerald Broomeke, Melvin Holben, Ray Witmore, Harold Klemm, Gerald Pederson and George Abraham.

### To Attend L. L. Federation

Among those who left Wednesday afternoon for Pendleton, Ore., to attend the Blue Mountain Federation of the Luthar League are: Mr. and Mrs. Robert Rieke, Misses Wilma Schultz, Gretchen Riesemer, Violet Heppner, Alice Bader, June Bader, Lucille Flomer, Grace Jutte, Maxine Rosenau and Nadine Connick and Chet Quayle, Lloyd Quayle, Alfred Gehrke, Stanley Rosenau and Leo Heppner.

### Mrs. Christenson Seriously Ill

Mrs. Johanna Christenson suffered a cerebral hemorrhage Saturday evening at about 6 o'clock. Everything possible is being done for her care in the home of Mr. and Mrs. Fred Hirschler. Mrs. Al Langdon is assisting and a special nurse is in attendance.

### Motor to Coulee Dam

Mrs. John Meyer, Sr., Mr. and Mrs. John G. Meyer and Mr. and Mrs. Glen E. Taber and son, James, of Colfax, motored to Coulee Dam Sunday.

### LAPWAI HERE SUNDAY

Genessee and Lapwai, both behind a game in their schedule this season owing to a game called at Lapwai by darkness after they had gone 11 innings, meet Memorial Day to make up the undecided contest.

Sunday, Lapwai will come to Genessee for a regularly scheduled game, and it should be one of the best of the season. The Thursday or Memorial game likewise should be a contest worth witnessing, owing to the fact that the two clubs were unable to settle their initial argument in nine innings. Genessee is in the lead over all clubs in the Valley division, but Lapwai is making a strong bid for second or first place. Genessee has not lost a game to date.

### BERTIE WISHARD MARRIES YOUNG LADY FROM OREGON

Miss Zora Warren, daughter of Mr. and Mrs. M. J. Warren of Sherwood, Ore., and Mr. Bertie Wishard, Genessee, were married Sunday evening at 7 o'clock by Rev. Melford Knight at the Wishard home. The couple were attended by Mrs. Louise Putnam and Howard Blume. Both the bride and Mrs. Putnam were dressed in pink silk crepe and carried bouquets of white roses. Only immediate members of the family were present for the ceremony. Mr. and Mrs. Wishard, Everett Wishard and Mr. and Mrs. Dick Green and family.

The groom is well and favorably known in Genessee being a graduate of Genessee high school with the class of 1935. He also attended the Lewiston Normal and for the past three months has been employed in Portland. The young people will make their home at Genessee for the present.

### GASOLINE PRICES GO DOWN FOLLOW COAST PRICE DROP

Memorial Day motorists will realize lower prices for motor fuels, and the former operating tractors and other motor driven machines will feel the benefit of reduced gasoline prices in the Genessee territory. The price trend was unexpected at a season when motor fuel consumption nears its peak, especially consumption of the better grades used in automobile motors. Prices at Genessee by some distributors have been a cent lower in first grade gas than Lewiston and Moscow, and beginning Tuesday afternoon prices announced downward price changes from a half cent to a full cent per gallon.

### Fire Quickly Extinguished

Answering a fire alarm Monday evening at 6 o'clock, the department was on the scene before the first signal of the siren was sounded. A small blaze broke out at the northwest corner of the warehouse south of the tracks now occupied by McCroskey Equipment as a storage place. No reason for the fire could be ascertained, although some believed it might have started from a cigarette shining through a piece of a broken bottle which had been left on the heavy timber. The damage was negligible, and the fire was quickly extinguished.

Emil Schroeder was the first to notice the small blaze and while he was turning in a fire alarm someone used a gallon of buttermilk given to him by friends, to help put out the fire.

### St. John's Lutheran Church

Only one church service will be held Sunday, June 2 at St. John's Lutheran church. A holy communion service will be conducted at 9:30 o'clock. The pastor, Rev. Marcus Rieke, will be the principal speaker at Trinity Lutheran church in Lewiston at 10:30 o'clock, to celebrate the 20th anniversary of that church. In the afternoon Rev. Rieke will be the principal speaker at Emmanuel Lutheran church in Wall, Walla, when that church celebrates its 60th anniversary.

There will be no church services on Sunday, June 9, as many members expect to attend services at Camp Kookooskie near Walla Walla.

### Dr. Charles Simmons Honored

Dr. Charles Simmons, Lewiston, a well known eye specialist who makes occasional trips to Genessee, has been honored by election to membership in Beta Sigma Kappa, international honor society of optometry. Membership of Beta Sigma Kappa is comprised of outstanding optometrists, ophthalmologists and physicists of high professional attainment. Dr. Simmons is also a member of the American Academy of Optometry, the Idaho Association of Optometrists and the American Optometric association.

### Married at Genessee

Craigmont Register: Miss Gladys Determan, eighth grade teacher in the local school and Mr. Claude Olson, son of Mr. and Mrs. Isaac Olson were united in marriage at Genessee Sunday by the Rev. Fr. Charles Veit. A small group of relatives witnessed the ceremony.

### WHEAT MARKET DECLINES DUE TO WAR INFLUENCES

Weakness in the general grain market situation and unsettlement in the reason that crops are usually in the war in Europe were important influences in United States wheat markets during the past week. Such influences are generally considered the dominant factors in the further market declines, says the U. S. Dept. of Agriculture.

Declines in wheat future at eastern markets during the past week again resulted in lower values at Portland. Movement of wheat by rail from the Pacific Northwest was effectually stopped by the narrowing of the difference between markets and there were trade reports of some reselling of wheat purchased by midwest interests during other recent weeks. Sales of wheat to California from this area were reported light and mostly of special lots of high protein qualities. No sales of Northwest wheat for export were reported during the period. Local mill demand was fair most of the week.

The current light offerings from the country. For the most part however, trading and movement in cash wheat in the Northwest was light during the week with generally unsettled conditions prevailing. Crop prospects and about sufficient to absorb sections of the Northwest continued to be reported generally favorable, with winter wheat, barley and rye heading.

Prospects for wheat in the United States show little change although some improvement was noted during the period. Generally favorable conditions prevailed for winter wheat, especially in much of the western belt where substantial rains were received. Progress was mostly good in Oklahoma and other southwestern states. The new crop was beginning to ripen in north central portions of Texas with conditions mostly fair to good. Plants were heading also in southeastern Kansas and in many sections of Missouri. In the Ohio Valley wheat continued to make mostly good advance with some heading reported in the lower portions. Conditions were generally favorable for spring wheat with moisture conditions generally everywhere except in South Dakota where crusted top soil retarded germination of some late seeded grain.

In Europe, abundant moisture with warmer weather stimulated growth in Italy and France. Crops made fair progress and beginning Tuesday afternoon prices announced downward price changes from a half cent to a full cent per gallon.

### TALK CUB SCOUTING

Sixteen parents were present Tuesday evening at the K. P. hall to hear Mr. J. H. Broemeling, executive of Boy Scouts in this district, explain work of Cub Scouts. There is much interest being shown in the organization of a Cub Pack for this community, which is for boys 9, 10 and 11 years of age, or too young to become members of regular Boy Scout troops. More than a dozen boys have expressed a desire to join.

Another meeting will be conducted Tuesday evening, June 4, with Mr. West and the Cub Scout commissioner of Lewiston present for the meeting.

### BUREAU OF SAFETY ADVICE

Boise: The spectre of death rises on the highways like a miasma as warm weather beckons, says the bureau of safety.

With a few days of the month yet to be recorded Idaho has exceeded the traffic fatality figures for the month of May. Even in June, the month of the greatest cause of death on the road.

Total lack of common courtesy appears in many drivers. The fact that the law requires a driver to give way when signalled by a car overtaking, does not seem to be understood generally, if at all.

Penalty for driving while under the influence of intoxicating liquor in the state of Iowa is a fine of from \$300 to \$1,000, says the bureau of safety in an appeal to the judiciary to increase the jail for this offense. Idaho statutes calls for a fine of from \$100 to \$300 or a jail sentence of from one to six months, or both. But seldom do the judges inflict more than a \$500 fine; very seldom over \$150.

Before you allow anyone to drive your car, suggests the bureau of safety, ask yourself who is going to pay damages in case of accident, and especially, inquire who will furnish bond for proof of "ability to respond" in case of future accidents.

In case of accident, the financial responsibility act requires as a precedent to issuance of a new driver's license or registration plates, a bond which guarantees settlement in case you are found responsible in future accidents. This bond may be a surety or two individuals as sureties, each owning real estate, and the personal surety bond will be recorded the same as a mortgage.

### Mrs. Baker Returns Home

Mrs. C. A. Baker, who had been a patient at St. Joseph's hospital, Lewiston, since Sunday, May 19, where she was taken to receive treatment for shock and bruises resulting from an automobile in which her husband was killed, was returned to her home here Monday by her daughter, Mrs. C. J. Di-Iorio, and husband, who are here from Salt Lake City. Mrs. Baker was able to sit up during the trip from Lewiston in a car and is also able to sit up for a few hours each day at her home here.

### GENESSEE DEFEATS KENDRICK HOME CLUB LEADS IN ERRORS

Genessee Amateur Athletic club capitalized on the pitching of Henry for Kendrick Sunday afternoon to score seven runs on as many hits, plus a base on balls and a wild pitch, after Henry had handled the league leading Genessee club very easily in the first inning. Bremer came into the Kendrick lineup and took over the pitching in the third frame and gave up two runs on his wildness and two hits. He had little difficulty in the fourth, fifth and sixth innings, but in the seventh a single and a double produced two runs after one man was safe on a fielder's choice. In the eighth a single, a batter hit by a pitched ball, and another single put Genessee out in front by three runs, to win 13 to 11.

Kendrick picked up a run in the second inning, added another in the third and piled up three more in the fourth. They went scoreless for two frames but scored twice in the seventh, three times in the eighth and once in the ninth.

Genessee led in every department of Sunday's game with the exception of long-distance hitting. Errors were frequent and costly to Genessee, but the 14 hits by Genessee offset the misplays, including not only errors of commission but those of omission.

Knight struck out eight men in seven innings, but gave up three hits in the eighth, a double, a triple and a homer, plus a base on balls after two men were down. Judd relieved Knight and pitched to one man in the eighth who struck out. In the ninth Judd was touched for a double and the runner scored on an error at second. Judd struck out two; Henry, 0, and Bremer, 5.

In the big scoring inning, the seventh, Judd singled and took second on a wild pitch; Blume singled. Armstrong drew a base on balls. Griesser was out at first scoring Judd. Hampton doubled to center field to score Blume and Armstrong. Knight singled to score Hampton. Broemeling and Griesser around to third. Sampsom flew out to left field and Judd singled to score Broemeling. Blume was out to the catcher on three strikes.

In the third inning Armstrong was given a base on balls. Griesser went down pitcher to first. Hampton flew out to short. Knight singled to score Armstrong and Broemeling singled to score Knight who had taken second. Sampsom fanned.

In the seventh Blume went down, pitcher to first; Armstrong drew his third base on balls, but was forced at second with Griesser safe on the fielder's choice. Hampton singled and pushed Griesser around to third. Sampsom was taken by Hampton and on Knight's double both Griesser and Hampton came in to score. Griesser who replaced Broemeling in right field failed to hit in three tries.

**Entertain for Miss Kaufman**  
Mrs. Jess Johnson and Miss Hilda Miller entertained Wednesday evening of last week at the former's home with a pre-nuptial shower for Miss Delores Kaufman of Lewiston who was a student in the Genesee high school and lived at the Johnson home the past year. Guests were Miss Clara Kaufman, Miss Delores Grieser, Miss Lois Woodley and Miss Beverly Manning. Miss Kaufman was married Saturday morning to Mr. Edwin Lisher of Lapwai.

**Birthday Dinners**  
Fred Shirrod's birthday was remembered Tuesday when Mr. and Mrs. Otto Schwenne entertained the following for dinner: Mr. and Mrs. Fred Shirrod, Mrs. Anna Hanson, Frank Denow and Mrs. E. J. Harding of Spokane.

In the evening Mr. and Mrs. Stanley Shirrod entertained in his honor, the present being Mrs. Shirrod, Mrs. Anna Hanson and Miss Wilma Schultz.

**Get Together Club**  
Miss Edna Hasfurther entertained the Get Together club Wednesday evening of last week. Mrs. Florent Moser won the high score award; Mrs. Leo Bieren, second high, and Mrs. Archie Putnam, the consolation. Invited guests were Miss Virginia Miller and Mrs. Jim Baldrige, the latter of Boise.

**Pledge Gamma Phi Beta**  
During the spring rushing of sororities at the University of Idaho, Miss Dorothy Follett, completing her first year at college, and Miss Cicily Ann Herman, completing her second year, pledged Gamma Phi Beta.

## GENESSEE VALLEY NEWS

The Genesee Valley Ladies Aid was entertained at the Park Hotel May 29 with Mrs. L. Flame as hostess. A patriotic program of songs and readings was presented. The hostess served delicious refreshments.

**Funeral services for Manfred Prong** of Lewiston were held at the Genesee Valley church Sunday afternoon. He was the son of Mr. and Mrs. Chris Prong, Genesee Valley pioneers, but who had made their home in and near Lewiston for the past 30 years.

Mr. and Mrs. Herman Isakson and girls were Sunday at Spokane Sunday and were guests of Mr. and Mrs. Iver Iverson. Mr. and Mrs. H. Iverson, Mrs. Jack Napan and Mrs. Ray Iverson also made the trip to Spokane.

Mr. and Mrs. Wm. Giber visited from Wednesday evening until Friday at Art Tegland's. On Memorial Day they enjoyed the day fishing near Elk River.

Mrs. J. P. Wedin attended a 60th anniversary luncheon of the Home Missionary Society in Moscow Wednesday.

Mr. and Mrs. Hull of Moscow spent Thursday evening at the Nels Lande home.

Mr. and Mrs. W. O. Borgen and family spent Monday evening at the Sam Lange home. Mr. and Mrs. James Skelton and family were visited at the J. P. Anderson home Thursday.

Mr. and Mrs. O. Nordby were dinner guests of Mr. and Mrs. E. E. Nordby Thursday. Mrs. Lily Larsen and Elmo Larson were afternoon visitors.

Mr. and Mrs. Sam Lange and Miss Bonnie Lange spent Monday in Spokane.

The Genesee Valley Aid was entertained Tuesday afternoon by the Ladies of Our Savior's church in Moscow at the church parlors. Sixteen made the trip to Moscow and spent an enjoyable afternoon and witnessed an interesting program. Refreshments were served.

Mrs. W. O. Borgen spent Monday afternoon with Mrs. Ed Strate. Mrs. Dollie Peterson, Vernon Peterson, August Johnson and Geo. Johnson motored to Coulee Dam Saturday and were overnight in the home of Mr. and Mrs. Aubrey Anderson. They also enjoyed a sightseeing trip of Coulee Dam.

Mr. and Mrs. Ralph McBride and baby, Mr. and Mrs. Wm. Hove and baby, Miss Inger Hove and Virgil Hove enjoyed a picnic at Kennedy Ford Sunday.

Mr. and Mrs. Eric Foss and son of Spokane visited Thursday with Mr. and Mrs. Herman Isakson and with other relatives.

A party was given for Mrs. W. O. Borgen at the home of Mrs. A. O. Borgen Friday afternoon with about twenty ladies and children present. The afternoon was spent socially. The honor guest received many lovely gifts and a no-hostess lunch was served.

The Blue Bird club met Wednesday with Mrs. Wm. Jenkins when fourteen members were present. After the usual business meeting, Mrs. Mary gave a reading and the remainder of the afternoon was spent socially. The delicious refreshments were served. The next meeting will be with Mrs. Dollie Peterson, June 19. This will be the semi-annual business meeting.

Mrs. Bertha Iverson, Gilmore and Warren Iverson and Mr. and Mrs. Hewitt and family spent Thursday evening at H. Isakson's.

E. Boyd and Miss Esther Boyd of Moscow spent Sunday afternoon at the Fred Hove home.

Mr. and Mrs. Bob Gotch of Elk River visited Saturday and Sunday at the J. P. Anderson home.

Ray Wedin and Bud Lange returned home Sunday from a week's fishing at Priest Lake.

Mr. and Mrs. Jim Archibald and girls spent Memorial Day in Clarkston with Mrs. Archibald's mother.

Mr. and Mrs. Oliver Woodley and boys spent Tuesday evening at J. P. Wedin's.

Verlene Johnson, who spent the past few weeks at Lande's, returned to her home in Troy Sunday.

Mr. and Mrs. Fred Hove and Dolores spent Memorial Day in Lewiston with Fred Tesch.

Mrs. J. P. Wedin visited with Mrs. Joe Anderson Saturday.

## Your income from your wheat is assured if you carry Hail Insurance at a relatively low cost per acre

**DO YOU KNOW....**

...That HAIL LOSSES Paid by Stock Insurance Companies during recent years have run as high as TEN MILLION DOLLARS ANNUALLY?

...That the UNINSURED LOSSES ARE FAR IN EXCESS of that sum.

...That our losses are paid in CASH

...that even though you are carrying an All-Risk Crop Policy with the Federal Insurance Corporation, we will gladly sell you a Hail Insurance Policy protecting your crop values over and above the F. C. I. C. guarantee?

**NO DELAY... NO ASSESSMENTS!**

...that even though you are carrying an All-Risk Crop Policy with the Federal Insurance Corporation, we will gladly sell you a Hail Insurance Policy protecting your crop values over and above the F. C. I. C. guarantee?

**First National Insurance Agency**  
F. G. Densow, Agent

Home from South Idaho  
Mr. and Mrs. Allen Sather and two sons returned Monday from a week's visit at Twin Falls with Mrs. Sather's parents and at Rockland with her brothers. They made the trip south to Twin Falls in one day but took a day and a half returning. They traveled the North and South highway, and report the road in fine condition with few exceptions where construction is under way, especially near Horseshoe Bend.

Mr. Sather's brothers farm in the dry-land wheat section, south of American Falls, where a crop with fair prospects earlier is now much in need of moisture.

**Community Aid**  
The Community Ladies Aid met at the church parlors Wednesday afternoon with Mrs. Kenith Dean and Mrs. M. M. Leavitt giving luncheon at the close of the afternoon. The afternoon was spent in quilting.

**Birthday Party**  
Mrs. Frank Jacobs was given a birthday party Tuesday afternoon by Mrs. Frank Scharbach, Mrs. Chris

**Altar Society**  
The Altar Society of St. Mary's church was entertained Tuesday afternoon at the K. C. hall by Mrs. Kate Johann and Mrs. Ray Johann who served luncheon following the mandatory provisions of the Idaho law, at any time after July 1, 1938. Said bonds are payable at the office of the Treasurer of Independent School District No. 1, Genesee, Idaho.

**NOTICE OF BOND CALL AND REDEMPTION BY INDEPENDENT SCHOOL DISTRICT NO. 2, GENESSEE, IDAHO.**

NOTICE IS HEREBY GIVEN that the following described bonds of the foregoing School District are now payable and redeemable at the pleasure and option of said School District under the mandatory provisions of the law of Idaho, and are by this School District called for payment and redemption on July 1st, 1940; which said outstanding bonds thus called for

reemption are described as follows: Bonds Nos. 20, 21 and 22, being of the denomination of \$500.00 each, bearing interest at the rate of 2 1/2% per annum, payable semi-annually on July 1st and January 1st of each year, dated July 1, 1938, and maturing as follows: Bond No. 20 on January 1, 1940; and Bonds Nos. 21 and 22 on July 1, 1940, and being redeemable at the pleasure of the foregoing School District under the mandatory provisions of the Idaho law, at any time after July 1, 1938. Said bonds are payable at the office of the Treasurer of Independent School District No. 2, Genesee, Idaho.

The holders of said bonds are hereby notified to present the same for redemption at the office of the treasurer of said School District in Genesee, Latah County, Idaho, on the date fixed for redemption as designated above. After said date of redemption, July 1, 1940, interest upon said bonds will cease.

**JOHN G. MEYER,**  
Treasurer of Independent School District No. 2, Genesee, Latah County, State of Idaho.

**© Alice Musser, Home Service Adviser who assists Inland Empire homemakers, here tells of her experience in talking with women who this month are cooking electrically for the first time.**

Did you ever dream Electric Cooking could cost so little?

See the THIRTY NEW ELECTRIC RANGES at your favorite store

"Most women are amazed that electric cooking actually costs so little," says Alice Musser. With new low rates in effect, rate reduction savings go a long way each month toward paying for electric cooking.

Hundreds of women are taking advantage of their reduced electric rates to have electric cooking now. Why don't you check up, and see for yourself how little it now costs to cook electrically?

Scouts Take "Tick Shots"

Members of the Genesee Boy Scout Troop, their leader, Melford Knight, and Adrian Nelson and Carl Grieser, members of the Scout committee are among those known to have been inoculated for spotted fever immunization at the office of Dr. A. J. White last Saturday.

Those taking the "shots" stood up well under the ordeal, and but a few felt faint after the inoculation. Some arms were a trifle stiff too. Watching the boys and their leader and sponsoring committeemen enter the doctor's office, two dogs were also seen carefully watching the door as it closed on the group.

GENESEE WINS TWO GAMES FROM LAPWAI TO HOLD LEAD

(Continued from Page One) mishandled fly to right field. Lapwai was without a mark until the fifth but Genesee tallied once in the second when Thiessen hit for three bases and crossed the plate on Broemeling's single. Genesee scored four times in the third on Smylie's single, Judd's triple, Blume's single and singles by Armstrong and Knight.

Lapwai took up some slack in the fifth on two singles by McCormack and Corbett, a free trip to first when Taylor was hit by a pitched ball, and Sampson's misfortune when Smith's fly dropped into the creek while he was getting out of the barbed wire.

Table with columns AB R H and rows for players like Lapwai, McCormack, Powowkee, Smith, etc.

Here are extracts from letters to the Bureau of Vital Statistics: "In accordance with instructions on form..... I have given birth to twins in the enclosed envelope."

LATAH COUNTY AAA BENEFIT SAID TO BE \$45,000.00 FOR 1939

Value of the 1939 Triple A—A wheat loan program to Latah county farmers was estimated at \$45,000.00 by Clarence V. Brabb, member of the county agricultural conservation committee in charge of commodity loans.

"Few farmers in the county would have been able to store their wheat for a more favorable market if the federal loans had not been available."

All loans on warehouse-stored grain have been liquidated, the committeeman said. Of the 18 loans made on farm-stored wheat last year, eleven have been extended and the wheat resealed by farmers who wish to hold their grain for disposal later.

Vacancies in West Coast Service

The recent authorization for increase in the army by the war department has made available a number of desirable vacancies in practically all branches of the service on the west coast, it was announced by Major Frank Chaddock, army recruiting officer for the Spokane district.

Dinner Guests

Sunday evening dinner guests of Mr. and Mrs. Paul Keppner and family were Mr. and Mrs. Emil Gottschalk of Palouse and their granddaughter, Shirley Ann, of Moscow; Mr. and Mrs. Hugo Gehrke, Mr. and Mrs. Robert Rieke and Mary and Grace Rieke.

CARD OF THANKS

To everyone we gratefully acknowledge your kindness, sympathy and floral tributes in our recent bereavement, the death of Mrs. Johanna Christenson.

LOCAL OPTION AND SOBRIETY

Latah County Allied Civic Forces unit will sponsor a mass meeting at the Methodist church in Moscow at 8 p. m. Sunday to present the local option and Idaho sobriety acts, for which initiative petitions are being circulated.

Speaker of the evening will be Dr. C. W. Chenoweth, professor of philosophy at the University of Idaho.

He will talk on the "Soundness of the Principles of Local Option." Special music will be arranged. Dean Jay Glover Eldridge of the University will preside.

All interested persons are urged to attend this meeting and to sign the petitions, said the Rev. A. B. Fike of Moscow. Petitions are in the hands of all Moscow ministers, Stephen Craig, John DeWitt and Mrs. Stedman.

MICHEL'S GRASS A SENSATION

Michels Grass, unknown a decade ago, has matured into one of the agricultural sensations of the century. One of the results of long experimentation, the first four seed-producing plants were born under the hand of C. A. Michels, assistant agronomist at the University of Idaho.

grass is the product of a cross between Mexico wheat and wild rye grass.

Paul A. Eke, secretary of the Latah County Seed Growers association at Moscow said "Michels grass is the latest addition to promising perennial forage and pasture grasses. It shows exceptional promise on all wheat soils and on dry land too dry for wheat, as well as on the range." University-certified seed in 1939 sold for 25 cents a pound in lots of more than 500 pounds, but the demand far exceeded the supply. Several local farmers are growing the seed.
