ALFRED GEHRKE IN AFRICA

Mr. and Mrs. Hugo Gehrke have received two letters and a cablegram from their son, Alfred, who is now in Africa with the American army.

A letter dated Oct. 30, written presumably in England, was received at Genesee December 21, which intimated that he expected at that time to move. The December 14 and 15 letters arrived here Monday, Dec. 28.

The cablegram from the combat area read, "In North French Africa, safe and sound." It was received here on December 26, and there is reason to believe that it was delayed.

With the North African campaign now well advanced, it may be taken from the letters and cable that Alfred was on the second front at the beginning of action. Welcome information also was that he was allright.

MISS REGINA CHAPMAN IS THE BRIDE OF ROBERT SCHOOLER

Miss Regina Chapman, daughter of Mr. and Mrs. Roy Chapman of Orofino, became the bride of Mr. Robert W. Schooler, son of Mr. and Mrs. Harry Schooler, Saturday, December 26. The Rev. J. Edgar Keed was the officiant, with marriage vows being exchanged before the altar at the Christian church in Orofino at 12 noon.

The bride wore a two-piece dress of French blue, with matching accessories. Her corsage was pink roses and violets. Miss Donna Chapman, bridesmaid, and sister of the bride, wore light blue silk crepe and her corsage matched the colors of the bride's flowers. Acting as best man for the groom was his friend, Bayne Hickman.

A wedding dinner was served at the home of the bride's parents where 30 friends and relatives were entertained, after which the newlyweds left on a honeymoon trip.

The bride is a graduate of the Orofino high school and furthered her education at Lewiston State Normal where she was a member of Alpha Epsilon, Forum Club and Pan-American Student Forum. She taught the first grade at Craigmont for one year before coming to Genesee last Fall to teach the first grade in the Genesee public schools.

The groom is a graduate of Genesee high school and has attended the University of Idaho and Pacific Lutheran at Tacoma, Wash. Enlisted in the army air corps since last July, he is awaiting his call to service.

They will make their home for the present with Mr. and Mrs. Harry Schooler and the bride will continue as a teacher here.

Attending the wedding from Genesee were Mr. and Mrs. Harry Schooler, Miss Jean Scholer and Bayne Hickman.

ENSIGN HUBERT REISENAUER ON LEAVE; READY FOR DUTY

Hubert Reisenauer, who received his commission as an ensign in the navy December 24 at Abbott Hall, Chicago, arrived Sunday to spend several days with his parents, Mr. and Mrs. M. Reisenauer, before proceeding to San Francisco, where he expects to be assigned to further training, this time in diesel engineering.

Ensign Reisenauer enlisted last June while teaching on a fellowship at North Carolina State University, and reported four months ago for preliminary training at Notre Dame University at North Bend, Ind., and later was sent to the midshipmen's training school at Chicago.

In the class which graduated Dec. 24 there were 1,000 young men who became navy officers. Ensign Reisenauer, who majored in soil chemistry at the University of Idaho, will not follow exactly the University course, but a great part of his training as a naval officer has been in navigation.

After leaving Chicago, Ensign Reisenauer learned that George Blume was on the same train to Spokane which gave them the opportunity to visit. Their train was several hours late into Spokane.

PLENTY SNOW FOR WEEK

There was some snow for Christmas, but a few black spots showed on south hillsides and on roads and highways. The black was erased early this week, however, when a blizzard threatened for a few hours Sunday. On later days, especially Wednesday, the Palouse received a heavy fall of snow, but the unfrozen ground and warm weather lowered the depth of snow from about 10 inches to half that depth, as it thawed from the top and bottom.

Creeks, which began to flow before Christmas became lower as colder weather starting Christmas eve, halted thawing. Temperatures of 12 and 10 degrees above were reported Christmas night, and continued in the lower level until Sunday night and early Monday morning, when snow began to fall.

Skies remained clouded Thursday, with a mild chinook breeze from the south, which might suggest rain or more snow. Temperatures were far above freezing.

RED CROSS SURGICAL UNIT

Interest is increasing in making surgical dressings, with 19 women reported present Monday afternoon at the Legion hall. To date 2400 of the dressings have been delivered to the county Red Cross unit at Moscow by Mrs. J. P. Wedin, supervisor of the Genesee unit.

The Progressive Club is the first organization deciding to devote one or more days, as a group, to the surgical unit. There is room for 30 or more women, and your attendance is urged.

JOHN FLOMER LIKES ARMY LIFE AND CHRISTMAS DINNER

Pvt. John Flomer of Arcadia, Calif., with the address: Q. M. Det., S. C. U. No. 1948, Camp Santa Anita, writes as follows:

"Dear Pete: 'Well, I'll write and thank you for The News. I got my paper the 24th and sure was glad to get it.

"We had a swell Christmas dinner, with so many things to eat, I can only remember the turkey.

"Well, army life is getting better every day and it sure is a good feeling to be with a gang of buddies and good officers.

"Last week we had some liquid sunshine which lasted until Thursday night, and it really did rain. I picked up a very uncomfortable cold and sure feel punk right now.

"People of the motion picture industry put on a show for us Christmas night, with Kay Kyser and his band and a bunch of movie actors. The week before this one Chester Morris was out to entertain us and it really puts the boys in good spirits.

"As news is very scarce I will have to close.

"We will have a camp paper now, called the 'Man of War,' which came out in its first edition last Wednesday. Will send you one when I get the next edition. Well, thanks a million for The News.

"Jack."

RETURNS FROM CHICAGO

A. C. Linehan, director of the Inland Empire Pea Growers association, and Thornton Hodges of Oakesdale, its president, returned last week from Chicago where they attended a national convention of the Farm Bureau Federation, and met with government officials of the department of agriculture on matters relative to marketing "loan" wheat. Mr. Linehan is also a director of the Washington-Idaho Wheat League and president of the North Pacific Grain Growers.

The two men also devoted time to making contacts with brokers and dealers in dried peas, and were able to note the results of their efforts by recent sales of dried peas from the Oakesdale cooperative pea growers plant, now in operation.

HOLDING SOIL MEETINGS

J. M. Rabdau, soil conservationist of the department of agriculture, who has his office in Genesee, held the first meeting in a series of 10 or 12 Wednesday evening for farmers in the Fix Ridge area. The meeting was at the Union school to acquaint farmers with the program of the Latah Soil Conservation association, and what assistance is available from the department of agriculture through its local representative, Mr. Rabdau.

The work of planning soil conservation in the immediate Genesee area was fairly well established last Fall and such meeting as those now being held on Fix Ridge will be conducted locally. There are a number of farms in this territory which have been mapped, and as time permits more will come under the county-wide soil conservation program.

HANDLE MORE PEAS

A. C. Linehan, a director of the Inland Empire Pea Growers association, announces that the cooperative facility recently completed at Oakesdale, and in operation, is prepared to handle more peas for processing. Growers of this area, who desire to sign a marketing agreement for processing peas may see Mr. Linehan, who will be glad to explain the plan being followed by the association.

KENNETH TAYLOR IN AFRICA

Kenneth Taylor, son of Mr. and Mrs. R. J. Taylor is in Africa, according to a letter dated December 13. He writes in part to his parents: "I received your letter postmarked Oct. 29 a few days ago and will answer it now. I haven't a great deal to write about as I can't say much, only that I am somewhere in Africa. I did write once after we got here but don't know whether you got it or not.

"Well, Mom, I am well and okay, so don't worry about me." He further pleads that friends and relatives write to him, "even though they don't hear from me, as I don't get much time to write anymore."

The office of war information is certain to frown on the mention of organizations now overseas, but it is not without bounds to state that his organization is one which saw action in the first World War, and from it will come encouraging reports in the future.

MISS HELEN LARKIN SPOKANE IS BRIDE OF H. J. MARTINSON

On Wednesday, December 30, at 6 o'clock, at Saint Aloysius church, Spokane, Miss Helen Larkin, daughter of Mrs. Michael Larkin, became the bride of Mr. Herbert J. Martinson, son of Henry Martinson, Genesee. Rev. Fr. C. T. Joye, F. J., read the marriage service in the presence of relatives and intimate friends of the couple.

The bride, given in marriage by Ray Thatcher, a long-time friend of the Larkin family, wore a tailored black suit. Her small, flowered purple hat matched her corsage of orchids. Miss Mary Larkin, bridesmaid, and sister of the bride, wore a tailored blue suit, her rose-colored hat matching the flowers in her corsage.

Ray Crowley of Spokane was best man, and ushers were J. T. Morris of Spokane, and Dr. N. M. Leavitt of Genesee.

At six o'clock a wedding supper was served at the East banquet room of the Davenport hotel, with members of the wedding party and others numbering twenty as guests. The banquet table was beautifully decorated with baskets of white flowers, and white tapers in silver holders. Place cards were decorated with a bride and groom, and names were written in a silver shade. A decorated wedding cake centered the table.

Attending the wedding from Genesee were: Henry Martinson, Misses Esther and Ruth Martinson and Dr. and Mrs. N. M. Leavitt. Buddy Nichols of Bonners Ferry, and Mrs. Bertha Bressler and Miss Adeline Bressler of Spokane, all former residents of Genesee, were also among those present.

Mr. and Mrs. Martinson left Spokane Thursday evening for a ten-day honeymoon trip to Salt Lake City, after which they will be at home in Genesee. They have leased the home of Dr. and Mrs. E. H. Field until such time as war restrictions on building are relieved to permit them to construct a new home on the Martinson ranch in Thornecreek.

Mrs. Martinson is a graduate of the Sacred Heart School of Nursing in Spokane. Mr. Martinson attended the University of Idaho until he entered service in the first World War to accept an officers' commission. He remained in service until 1930, when he resigned his commission, and since has been engaged in extensive farming operations here.

EDWIN MILLER IN ARKANSAS MECHANIC IN TANK REGIMENT

Try this on your piccolo, if you like to write long addresses. It concerns Edwin (Gus) Miller, who was employed for two years in the Navy Yards at Bremerton:

"Pvt. Edwin V. Miller, Serial No. 39196066, 14th Div., 47th Armed Reg., Headquarters Co., 2nd Bn., A. P. O. 264, Camp Chafee, Ark., U. S. Army."

In a letter to his parents, Mr. and Mrs. E. E. Miller, Edwin writes that he enjoyed the long and tiresome trip from Ft. Lewis to Arkansas. He likes the weather, army life, his buddies and officers, and accepts the rigid physical training of men in armed regiments with no complaint whatever, stating that it is somewhat different than a working man gets, and the men are hard as rocks. They don't have to get up until 6:30 in the morning and should be in bed at 9 when the lights go out.

Basic training will hold out for several weeks, then comes maneuvers. The 47th Armored Regiment is one of the "toughest" in the service and requires special qualifications of its mechanical personnel. Gus should have no trouble in this regard, as he made the grade for two years in one of the strictest metal shops of the navy.

He does not hesitate to intimate that he is somewhat lonesome, and letters will always be acceptable.

FEED FOR GAME BIRDS

Alonzo Brown, Deary, Latah County game conservation officer, will be in Genesee Friday morning at 10 o'clock, according to J. M. Rabdau, soil conservation officer, whose work also includes assistance in game conservation.

Walt Harris of Moscow, president of the Latah County Wildlife Association is also expected here Friday morning to look over the game situation. They will meet with Mr. Rabdau and Glenn Sampson, and personally inspect locations suitable for game bird feeders.

Mr. Rabdau advises that twelve of the bird feeders are now stored at a Genesee warehouse, and they are in good condition, ready to be placed at spots frequented by birds. Mr. Harris has issued an order for feed to be purchased locally and to consist of half wheat and half peas, or half barley and half wheat, in addition to the grit specified.

The Moscow high school is starting construction of 50 feeders, work to be done by the woodworking department.

Cadet DeMers to Pasco

Aviation Cadet Earl DeMers, who came Friday to visit his father, Del DeMers, and friends, left Wednesday afternoon for Pasco, Wash., to begin his primary flight training. After finishing at Pasco, it will be Corpus Christi, Texas, or some other advanced navy pilot training center.

Cadet DeMers left the University of Idaho for training at St. Mary's college in California, where he spent ten weeks of intensive training in physical education. He also devoted time to study of ground work in connection with navy flying. No actual flying was done at St. Mary's.

C. P. O. GEORGE BLUME HOME BEFORE GOING TO FARRAGUT

Chief Boatswain George Blume and his wife were in Genesee for a few days to visit relatives and friends, having arrived Sunday, the former from Norfolk, Va., and the latter from Cheney College. Mrs. Blume has been attending the Cheney school while her husband was in training in Virginia, and they met in Spokane.

Chief Bos'n George (Jud) Blume, who was athletics coach at Sunnyside, Wash., enlisted in the physical training branch of the navy, and after completing the course at Norfolk, is reporting to Idaho's naval training station at Farragut. If living accommodations are available in Coeur d'Alene, Mrs. Blume expects to take up her residence there.

Chief Blume really looks the part of a boatswain, bos'n or bosun, one of those gentlemen who have as much authority in the navy as the old "top kicks" do in the army, and one wonders if he hasn't absorbed some of that Hollingsberry spirit that pervaded training quarters and on football fields at Washington State where the now Chief Bosun took his physical education and played football.

Chief Blume found the training at Norfolk rather strenuous until he had time to break in, and he looks none the worse for wear and fills out a navy overcoat in fine style. It is now his turn to train navy recruits and to conduct the physical education program as outlined by the navy.

From Norfolk to Chicago George said trains were really crowded, and standing room was all that many had. His travel orders specified a sleeping berth, but like many others, service men on the train took turns of a few hours each in a berth. From Chicago west there were seats for everyone, most of whom were men in the service. Those who completed training in Virginia and were heading for Farragut dreaded the trip and expressed the feeling that they were going nearly to Alaska.

KNIGHTS OF PYTHIAS NEWS

At the regular meeting of the Knights of Pythias held last Tuesday evening, the lodge offered the use of the old gymnasium for use as a depot for community scrap. J. Adrian Nelson reported that a committee, composed of himself, Wm. Heinrich and Howard Snell had been appointed by the Parent-Teacher Association to superintend the collection of brass, bronze, copper, rags, light globes, paper and tin cans. Mr. Nelson suggests that these materials be kept in separate containers as collected and turned in at the old gymnasium at regular intervals.

Installation of Officers

Next Tuesday the newly elected officers will be installed as follows: J. W. Emerson, C. C.; Ben P. Cook, V. C.; Roy Emerson, prelate; Wm. Heinrich, M. W.; J. Adrian Nelson, K. of R. & S.; Chas. W. Schooler, M. F.; S. U. Lough, M. E.; Walt Currin, M. A.; Harold Lee, I. G., and James Cameron, O. G.

Community Aid Elects

At a regular meeting of the Community Ladies Aid Wednesday, Miss Ruth Martinson was elected president; Mrs. Jess Johnson, vice president; Mrs. Art Springer, secretary and Mrs. E. W. Vanouck, treasurer. A pick-up lunch was served at noon.

GENESSEE VALLEY NEWS

Now the holidays are over. There is sure to come a time when we tighten up our purse strings. And start dancing on a dime. So we'll market very wisely. And never waste a scrap. We can save a pretty penny if we use our thinking cap. If we plan a stew or casserole. We buy cheaper cuts of meat. Then add a dash of artistry. And serve it up a treat. If, by happy accident. Some stew is left, when then, We'll exercise our cooking wiles. And serve it up again.

Old Man Winter has moved in with a generous supply of snow in his grip and snow plows are again on the job keeping the roads open for buses and the mail carriers. The temperature is slightly below freezing but the wind the blow and blow. There are a few cases of flu but the general health of Valley residents is good.

Heifer Follows Dog Around
There's nothing unusual about a heifer and a dog as companions, but when the roan heifer belonging to Edgar Carlson, mail carrier, follows his great big dog down town, and then follows it back home, people just can't help but stare and wonder.

Monday Mr. Carlson came down town to sort his mail, and for the first time the large Carlson dog followed his owner as far as the bank corner. Right behind it was the roan heifer, calved last April. Those on the street Monday, and there were more than usual began staring at the pair of wandering animals, and they turned back toward home, too embarrassed to face the crowd on their first trip downtown. When they had gone about a block north they were followed by a group of children.

Now, it was not beef on the hoof, a rather scarce item today, but the size of the dog that brought curious glances. The big dog, almost as big as the heifer, is about nine months old, mostly Great Dane, with a grandpa or grandama who was part mastiff or Newfoundland. Gentle as a kitten, the big-footed, big-bodied canine was watchful for his companion, and there seemed to be a mutual understanding that they were in forbidden territory. No one drove them or even suggested it—they simply came down town for a look and that was enough.

WHOSE SAVINGS ARE IN YOUR ELECTRIC COMPANY?

NINE!

Look at the stockholder list at the right. It's a cross-section of America. Your local electric company could show a similar list—with some of your neighbors on it.

Besides these thousands of direct investors, there are millions more whose interest is indirect but no less real. Banks and insurance companies put much of their money in your money—in electric securities. That gives almost every American a stake in the electric industry.

In a very real sense, the electric companies represent the savings of the same people they serve. These people have entrusted their savings to business management under public regulation—practical business management that has given the average American home twice as much electricity for its money in the last 10 to 15 years—and is producing seven-eighths of the nation's vast supply of power.

In 1943 . . .

Victory

In the forests of North Idaho thousands of men are felling the giant trees that will make food available to our fighting men and to the peoples of our allies . . . since those trees will in large part be manufactured into the boxes and crates necessary to transport foodstuffs, as well as munitions, supplies and repair parts for tanks, planes, etc., to the war's multiple battlefronts.

TIMBER IS A CROP! The harvest—today—is ARTICLES OF WAR—ships, planes, tanks, barracks, boxes, crates

THE HARVEST—tomorrow—will once again be homes, and this company, working on a never-ending cutting cycle, made possible by correct forest practices, will then as now serve the people of America.

DICK SCHARNHORST MOVES
Dick Scharnhorst, who had been at Lemoore, Calif., for several months, advised by card that he is now at Marana Air Base, Tucson, Ariz. He writes: "Dear Pete: 'Just a card to inform you of my change of address. Left Lemoore Field at 7 p. m. Saturday night and arrived here at the Marana Air Base in Tucson, Ariz., at 5:30 a. m. January 5. Had a nice train trip, and I say this is really desert country. Quite scenic though. The base is situated in a valley and rugged mountains are surrounding. Makes it handy for anyone going over the hill. They can go in any direction. I want to thank you all for the News and hope you keep on coming.'"

GENESEE BULLDOGS VICTORS OVER KENDRICK, SOUTHWICK P-T A MEETING Recreation for the young people of the Genesee school was the discussion of the Genesee Bulldogs of the P-T-A meeting at the high school auditorium Monday evening. The organization went on record as favoring school dances every two weeks if there is no conflict. As entertainment Patsy Magee and Marie Hoorman played a clarinet duet accompanied by Miss Dorothy Randall. John Ludwick was elected secretary to take the place of Phil Enders, resigned, and who is moving from Genesee to Watsburg. Mr. and Mrs. Wm. Heinrich and Mr. and Mrs. Adrian Nelson served delicious refreshments at the close of the meeting.

COLD WEATHER WITH SNOW IS WEATHER FOR NORTHWEST That chill which swept over the Palouse country began to feel Friday brought the mercury down to 10 degrees below zero Sunday night after a night of 6 below the night of the second quarter, but all of the Genesee team were missing their shots, and passing was ragged. Kankikberg streaked down court to score two baskets in the first quarter, his only scoring in the game, but it was Fraser and McCall, under the baskets for Kendrick, which were the key. Fraser scored three points and Jacobs two points in the second quarter, but all of the Genesee team were missing their shots, and passing was ragged. ALFRED GEHRKE IN AFRICA FINDS CLIMATE ENJOYABLE From Alfred Gehrke, who has been overseas a long time comes a most welcome letter, under date of December 3 received at Genesee January 16. Alfred writes: "Dear Pete: I have always behind on my correspondence, so will try to get this letter finished before it gets dark. I am now in North Africa, just half way between Tripoli and Benghazi. You ask if Africa is hot and dry. No, it isn't, not here where I am stationed. Why, the weather here would make California winter look like summer. It is a good thing I learned to swim during the summer. I believe I'll need it here soon. "No, really Pete, this place is all right. If I could speak English it would be just like southern California. It's getting dark. Wait until I get my flashlight. Can't find it, so had to turn the lights on. I'll run the battery down if I leave them on too long. I am sitting in a plane waiting to go so you know what I am talking about. "I send my greetings to all my friends in and around Genesee, and to helping each farmer work out to have a year here in Africa. I'll brush up on your French and Spanish. You might even learn some Italian and German, so when we get over here you can tell them off. Well, Pete, I'll close for now. I'll send you a battery a rest. So 'til next time, so long. "Alfred."

WALT KLEMM CHOOSES SOUTH FOR POST-WAR RESIDENCE From Camp Phillips comes the following letter written by Walt Klemm who is in the move: "Dear Pete: I should have written you long before but I have been putting it off as I am not much of a letter writer. Know you will allow for this. I have been through seven of these 48 states but you know me. I spent Christmas in Kansas City, Mo. Had a hell of a time. The whole company went and I had to leave and all went in trucks. It's about 200 miles from here (Camp Phillips). Makes you feel good not to see the bugle blow for two days but wish they would make up my mind. They tell you to do one thing, then change it and have you do just the opposite. "Most of the fellows here are from the south and some of them can't read or write. I have been writing letters for two of them, but the most fun is when I read the letters they get from their girls. Get some good laughs. Some of them call me sure write fancy letters. Think I will go south when it's all over. "Thanks a million for the News. I read everyone so many times I can recite them by heart. I want to thank everyone for their Christmas cards and packages. One who has never been in the army don't know what a card or letter from your home town means. "P. S.: Grant Concoy is having over twice."

GENE GRIESER NOW WAITING FOR TRANSFER IN U. S. NAVY Gene Grieser, from San Diego, California, who was home on furlough, and was fortunate to be with his family on December 25, writes: "Dear Pete: "How are your family and everybody at good old Genesee? I received the Genesee News today (Jan. 12) and decided it was about time I was writing to you again. Believe you me, I sure do look forward to getting the paper every week. It always seems good to hear what everybody is doing at home. I sure do miss the old place, and it was sure good to get back home again and see all you people. "I'll bet it is getting pretty cold up there by now. It sure has been nice here, a little cold mornings, but the sun really beats down at times. "I received the dollar for Christmas from the American Legion. I sure did appreciate it. When you are away from home this sort of thing means a lot. Please extend my thanks to the American Legion. It was very thoughtful of them to think of me. "Well, Pete, I will have to close for now. The lights are about to go out. Tell all 'hello' for me. I haven't been doing much since I've been back, just waiting to be transferred. "Gene."

LEWISTON NORMAL MAY PLAY HERE Lewiston Normal may meet Whitworth college at Genesee Friday evening, January 29. The game, if played here, permits the use of the Normal gymnasium for another event, scheduled prior to the Whitworth game. Supt. Kenneth Dean may accept the proposal of the Normal if he feels there are enough fans who desire to witness such a game. With the high school away Friday night, it is believed enough people would be present to justify moving the game to Genesee.

RED CROSS ELECTS OFFICERS GENESSEE UNIT IS VERY BUSY

Monday evening the Genessee Red Cross unit held its business meeting at the high school auditorium with Mrs. John Liberg, chairman, presiding. Reports of the past year were given by officers, and officers for the ensuing year were elected as follows: Mrs. N. M. Leavitt, chairman; Mrs. John Luedke, vice chairman; and J. W. Emerson was re-elected secretary and treasurer.

Mrs. Leavitt renamed the advisory board of preceding years as follows: Frank Densoy, Mrs. R. E. Emmett and Glenn Sampson. Chairman of the surgical unit will be Mrs. J. P. Wedin with Mrs. Frank Hoorman and Mrs. John Liberg as assistants. Mrs. W. H. Mervyn was named chairman of the first-aid room with Mrs. George Anderson and Mrs. Colin Wilson, assistants.

Annual Roll Call
As no national Red Cross roll call was made in November by order of National headquarters, a big wartime drive for membership and donations will be made in March, with hopes of exceeding previous drives. In anticipation of this drive Mrs. Leavitt has named a number to work on the roll call as follows: Miss Esther Martinson, chairman; Mrs. Mahlon Follett, Art Springer, Harry Schooler, C. F. Magee, Alfred Hafnurther, Gus Pickett, David Kuehl, Lester Hayden and Ben Pleiman, and Misses Vivian Olson, Edna Hafnurther, Betty Brown and Jean Armstrong.

Advanced First-Aid
The advanced first-aid class will begin Tuesday evening, January 26 at 8 o'clock at the first-aid station in the Masonic building. Orville Crooks of Moscow will be here to conduct the classes. All school bus drivers are invited to attend the classes.

Donations for First-Aid Station
Following are the donations for establishing the first-aid station: Nez Perce-Latah Soil Conservation Association, \$35.00; Nutrition Club, \$25.00; W. O. W., \$5.00; Pythian Sisters, \$5.00; First National Bank of Lewiston, Genessee Branch, \$19.00; M. M. Club, \$25.00; Frank Densoy, \$10.00; Knights of Columbus, \$5.00; Altar Society, \$5.00; Latah-Idaho Oil and Gas Company, \$12.50; Community Ladies Aid, \$7.00; Herman Isaksen, \$8.00; A balance of prize money left from the arena drive amounting to \$22.00, was also donated to the first-aid station.

Call for Yarn
The Progressive Club has undertaken the making of five afghans for the Red Cross as Genessee's hospital quota and they are in need of small quantities of yarn which may be left at Herman's store. To complete the afghans as soon as possible, anyone wishing to assist in making the plain knit squares may hand them to Mrs. W. M. Herman, president of the club, or one of its members.

Red Cross Sewing and Knitting
Mrs. N. M. Leavitt, Red Cross chairman, reports that those interested in sewing and knitting for the Red Cross may call at her home for articles to finish.

Surgical Unit
Mrs. J. P. Wedin, chairman of the surgical dressing unit, urges that all women understand requirements for making surgical dressings, and advises, that due to the nature of the work, every woman assisting shall wear a wash dress, bring a cloth to cover the hair, a hand towel and a pair of small scissors. No previous experience is necessary. Fifty women are enrolled and 8,125 dressings have been made. Mrs. Wedin presented small Red Cross insignias to nine women Thursday of last week who had completed 18 hours at the unit.

Attend Red Cross School
Mrs. John Liberg, Mrs. Frank Hoorman and Mrs. J. P. Wedin were in Moscow Saturday where the first two received instructions at the surgical dressing unit school, held that day for women of all nearby towns. Following these instructions more women are available to assist local chairmen with their home units. The ladies accompanied Mr. and Mrs. R. E. Nordby to Moscow for the day.

BLUE BIRD CLUB ARRIVES AT ITS TWENTY-FIRST BIRTHDAY

On January 18, 1922 a group of women met at the home of Mrs. Nels Lande to organize a club whose aims were to be charity, sociability and educational. The first name was The Triangle Club, later changed to the Bluebird Club, and finally at the suggestion of Mrs. Art Tegland, the name, Bluebird Club, was adopted. Each member embroidered a blue bird on a napkin and used it at the meetings.

Charter members were Mmes. Art Tegland, Art Howe, J. P. Anderson, Nels Lande and Wm. Borgen. The last two are still on the club roll. Membership was limited to 18 and there are two honorary members, Mrs. Belle Hanson and Mrs. August Johnson. Mrs. Nels Lande was the first president. From the beginning a scrap book history, and finally at the suggestion of Mrs. Art Tegland, a prize possession, Mrs. Fred Howe has been historian for 8 years and is re-elected.

The Lewiston Children's Home has been one of the pet projects and every year canned fruit, clothing, quilts and so forth have been sent there. Other gifts have been 16 vases to the New Gritman Memorial hospital, donations of food, clothing and bedding to the needy families in the Genessee area.

Highlights of the year are the Christmas program and gift exchange and a picnic in June. A book of club songs, words composed by members, set to popular tunes, are used at the meetings.

The past two years most of the work has been for Buddies to Britons and the Red Cross. Meetings for the duration will be at the Genessee Red Cross rooms.

The following is the Bluebird Club song written by Fred Howe to the tune of Iowa Corn Song:
Some ladies met to form a club
And do what'er they could.
They thought they'd spread a little cheer
And maybe do some good.
They all agreed to stitch and chat
And wear a bright and happy smile.
To give a lift, a helping hand
And make our club worthwhile.
We're ladies tall and ladies small,
And ladies fat and thin;
Their hair is short, their skirts are long;
They're toothless when they grin.
They cook and sweep and mend and bake,
And churn and wash and like to sew.
When Wednesday comes, they're on the run
For to the club they go.
We are the Bluebirds,
The club we love the best.
Better than the rest.
We're the Bluebirds, Bluebirds,
That's why we spread good cheer.

Genessee Valley News
Winter, with its icy grip has been no fairly tale the past week. A strong Chinook wind reduced the snow to a solid sheet of ice, making travel, except on the highway very difficult. Sub-zero temperature for 3 nights helped us to realize what the Russian winter campaign must be. Expressions are heard everywhere, "Aren't we glad we don't live in the east where food and everything is scarce." The horse meat will probably never be served on Idaho tables. The income tax blanks have come to bring worse headaches than the flu.
Miss Bonnie Lange and Rodney Tegland spent Monday evening at Nels Lande's.
John Eikum visited his mother in Lewiston Friday and Saturday.
Don Luvaas who has been assisting in the care of his mother, fell and broke his ankle, which will be in a cast for six weeks.
Mr. and Mrs. Phil Enders spent Wednesday evening at Bob Berger's.
Mr. and Mrs. Sam Lange and Miss Bonnie Lange were Spokane visitors Friday.
Mrs. J. P. Wedin attended the wedding of Audrey Goss and Don Golden in Moscow Saturday evening. Audrey attended school in Genessee last year.
Mrs. Wm. Rosenuw of Winona was a house guest at Gus Rosenau's from Sunday until Tuesday.
Mrs. Annie Danielson called on two old friends in Moscow Friday, Mrs. Detlef Smith and Mrs. Sandby at the Franson home.
A letter from Alfred Gehrke says he is well and happy after his trip to California.
Dr. and Mrs. C. F. Magee arrived home Friday from a month's visit in California.
Mr. and Mrs. Robert Berger and Beverly spent Tuesday evening at the James Magee home.
Mrs. Bertha Iverson entertained the Irvin Ivers and the Herman Isaksen families for Sunday dinner.
Arthur Jenkins has returned to Oakland, Calif., to await his induction call.
J. H. Wicks of Cottonwood spent Friday night at Jim Magee's.

Patty Nelson spent Wednesday night with Beverly Bressler.
Mrs. Harry Egland visited her husband at Coeur d'Alene over the week end.
Henry Hanson of Pullman had dinner Thursday evening at Nordby's.
Mr. and Mrs. Fred Howe had a family reunion dinner Saturday in honor of Rodney Tegland and his children and Oscar Nordby spent Thursday evening at Larson's.
Mrs. Harry Egland entertained the Genessee Valley Aid at the Parish hall Thursday, serving a delicious lunch.
Mmes. Oscar Danielson, Ed Strate and Sam Lange had a mission program. Letters were read from the boys in the service who received gift boxes at Christmas from the Aid. It was decided to meet at the Red Cross surgical unit at 1 p. m. Thursday for two hours work and then go to the home of Mrs. Belle Hanson for a business and social session, with Mrs. Hanson serving coffee.
Because of the cold weather some of the Bluebirds were unable to start their cars, but seven members of the club were present to make dressings Monday in celebration of their 21st birthday anniversary.
Mrs. J. P. Wedin attended the Red Cross school in Moscow Saturday.

Relieved of Cast
Albert Caruhn may not walk as erect as he did for four months, but the reason is comforting. He has been relieved of the cast in which he was placed for a back injury last summer.

ATTEND COUNTY C. OF C.
R. E. Nordby and John Luedke attended the Latah county chamber of commerce meeting in Moscow Wednesday evening at the Moscow hotel. The meeting was not very many, about 25, owing to the weather, and conflicting meetings.
Prof. Mathews of the accounting division, school of business, University of Idaho, explained changes in income taxes for 1942 and discussed the 1942 victory tax.
The chamber of commerce of Latah county will meet once every two months until further notice.

Sojourning in the South
From the banana belt comes the message, written by Mrs. Lew Jain: "Dr. Pete:
"We're sojourning in the south-south of the Clearwater, at the Bolinger hotel. Lew is nursing an infected sinus. He's on the mend but we'll have this week. We'd like to have the paper sent down."
"Mart."

LT. GUY WICKS AT GENESSEE
Lieutenant Guy Wicks, who left December 11 for Florida, to accept a commission in the navy as an instructor in the physical education program, Mrs. Ed Jutte, after the dinner the couple was honored with a short program. Helen Scharnhorst, and Phil Greenleaf sang "O Promise Me." The choir sang "I Will Ever Follow Thee." Rev. Gebhard sang "O Perfect Love" and a duet with Mrs. Miller of Lewiston, "Glorious Giver."
After a short devotional talk the pastor presented the couple with a beautiful set of silverware from friends in the Genessee community. Mr. and Mrs. Jutte responded with appropriate words at the close of the program. Mrs. Rose Scharnhorst was in charge of the program which she opened with an appropriate prayer while Miss Mona Myers played softly at the piano.
The Luther League of St. John church met at the home of Mr. and Mrs. Ed Jutte last Sunday evening. It was decided to have only one regular meeting a month to save driving in homes during the winter season. The next meeting will be February 7 at the home of Helen Scharnhorst. Officers elected were: Violet Hoppper, president; Mary Emerson, vice president; Helen Scharnhorst, secretary; Norma Jean Liberg, treasurer. The evening was spent writing letters to boys in the service and in informal fellowship after which Mrs. Jutte served a delicious lunch.

THE OLD JUDGE SAYS...

"Judge, would you mind tellin' Charlie here what you told me the other night walkin' home from lodge. I can't work it just the way you did."
"Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold legally or illegally... whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. That's the answer, boys... simple as A-B-C."

Tuesday Card Club
Mrs. Frank Hoorman won the high score award and Mrs. Frank Denso the traveling prize.

Postmaster Harold Haymond, who was advised of the Legion's plan, believes that papers going to men overseas are classified as subscriptions, and are being mailed in a special wrapper.

Under postal regulations now in effect, it is believed that the paper would be accepted for overseas to all men now in the service, with a few exceptions, as the order became effective this month and provides that no papers may be mailed unless they are requested by the service man and sanctioned by his commanding officer.

The exception is that if subscriptions were in effect prior to January, they are acceptable.

Unwise would be an attempt to pad overseas mail bags for a selfish purpose, but it seems the boys want the paper, and if not in conflict with orders and regulations, mailing will be continued.

ENTERS NAVY SERVICE
Gene DeMers, who completed a course at the NYA school at Weiser preparatory to his entrance in the navy, is now stationed at Farragut Naval Station to receive his training.

Tommy Edwards who also attended the school at Weiser, returned to his home here Friday and may enter the navy later.

DIFFERS WITH VIRG POST
Dave Earling, stationed at the army flying school, Arizona, differs with Virgil Post on the desert state. He writes:

"Dear Pete:
"Guess I'm a bit slow to thank you for sending me the Genesee News. I sure seems good to get it. Thanks a lot for sending it.

"I can't see what Virgil Post was thinking of when he said Arizona was a gold mine in this sand and some in hell, I'd sure stay at home.

"Well, it's time for lights out, so guess I'd better get to bed.

"Dave Earling."

HOMER BURR MOVES UP

Homer Burr, training at the Aberdeen Proving Grounds, ships us a brief message as follows:

"Dear Pete:
"I have decided to write you a short 'epistol' telling you that my address has changed slightly since a couple weeks ago. It is now Pvt. Homer Burr, 1st P. O. T. C., Aberdeen Proving Grounds, Maryland.

The good old Genesee News is coming in regularly and is more welcome than ever, if that is possible.

"Well, keep 'em coming on the home front while us boys are away, and don't take any German marks."

"Pvt. Homer Burr."

"P. S.: Currently private first class."

GENEESEE NEWS GOES OVERSEAS

It is believed that the recently announced postoffice department ruling relative to mailing newspapers to men overseas does not affect The Genesee News.

News mailed for the reason that the American Legion Post at Genesee several months ago entered into a contract with The News to supply papers to every Genesee man and woman in the service.

Several Genesee people have graciously offered to pay for one or more subscriptions for persons in the armed forces, but The News had no alternative than to let them for the reason that the Legion wanted to pay half the cost of mailing all papers, which they have been doing.

Postmaster Harold Haymond, who was advised of the Legion's plan, believes that papers going to men overseas are classified as subscriptions, and are being mailed in a special wrapper.

Under postal regulations now in effect, it is believed that the paper would be accepted for overseas to all men now in the service, with a few exceptions, as the order became effective this month and provides that no papers may be mailed unless they are requested by the service man and sanctioned by his commanding officer.

The exception is that if subscriptions were in effect prior to January, they are acceptable.

LETTER FROM MRS. IKARD

Mrs. Tom Ikard (Bonnie Hayden) writes the following from Gooding, Idaho, where she is living while her husband is in the service:

"I am not in the service but that doesn't stop me from enjoying the Genesee News. I really enjoy it. Sure helps to know what is going on in the old home town.

"I like Gooding very much and everyone is so nice and friendly but I still miss good old Genesee.

"By the time you get this, Tom will be in Chicago attending radio school. He was in Bremerton in boot camp and did school at Bremerton. While there he visited both Jack and Les, my brothers.

"I certainly think it swell of the Legion and you to send The News to the boys in the service. Believe me, I know a little how much it means to get the paper from home.

"Be sure and let me know when my subscription expires."

People Oppose Public Power Proposals According to Two State Opinion Survey

Interviews Show People 4 to 1 Against Proposals Now— Favor Local Vote.

Residents of Washington and Oregon are more than four to one in favor of postponing until after the war any change in the Pacific Northwest power setup such as was proposed in the Bone-Smith Columbia Power Administration bill introduced in the last Congress, and are nearly two to one against such a program in any circumstances.

This was revealed today with the announcement by The Washington Water Power Company of results of a public opinion survey conducted in the two states by Dan E. Clark II, and associates, research organization which has conducted many opinion surveys for newspapers. The power survey was made for a group of Pacific Northwest electric companies.

Dr. Chilton R. Bush, executive head of Stanford University's department of journalism and outstanding survey consultant, characterized the study as being "as painstakingly accurate as any I have had the opportunity of analyzing."

Other highlights of the survey included the showing that opinion in the two states is more than 11 to one in favor of the public ownership question being decided by vote of the local communities affected instead of by Congress.

The study also compared a five to one margin, the people of Washington and Oregon consider their present electric rates reasonable.

Direct interviews with a representative cross-section of people in the two states revealed that 13.7 per cent favorable to making a change in the Northwest's power setup now. In contrast, 62.3 per cent said they believed any change should be postponed until after the war. Twenty-three per cent expressed no opinion.

Basic question asked in the survey was: "Do you think this proposed Columbia Power Administration should or should not be given authority to buy or condemn and take over every public utility power company in Washington and Oregon?"

TWO TO ONE AGAINST
Answers showed opinion nearly two to one against authorizing such power company take-overs. The division was as follows:

Should..... 24.0%
Should not..... 46.1%
No Opinion..... 29.9%
A breakdown of results by states showed that opinion in Washington, which has many PUD's organized, parallels that in Oregon, where the people have been slow to form such districts. By states, the answers to the authority question were as follows:

Washington Oregon
Should..... 21.2% 25.0%
Should not..... 45.5% 47.1%
No Opinion..... 30.3% 27.9%
Even the minority approving the take-over idea returned a 51.9 to 38.1 majority in favor of postponing such action until after the war, a breakdown of results showed:

RED CROSS NOTES

A look-in at the Red Cross surgical unit would reveal a number of white urbaned women wearing the Red Cross, as all of those who have been coming regularly since the unit was started have earned their crosses.

The number of dressings made has passed the ten thousand mark, and the supervisor is more than pleased with results thus far. Extra chairs and tables have been added to make room for fifty women.

George Post, Mrs. Frank Hoorman and Mrs. John Liberg have been made assistants to pack the dressings. Others will be added as the need arises.

A report of the hours each organization has worked will be published the first of February, and each month thereafter. This week the Genesee Valley Aid and the Pop Club came as a group. Next Monday the Progressive club, and Thursday the Bluebird Club will be present. Other workers will come as usual.—J. P. W.

THANKS MR. CALDWELL

From Ben B. Caldwell, 720 Alexander St., Sedro Woolley, Wash., came an artistic and useful incense burner in Thursday's mail. Thanks Mr. Caldwell. There was also a letter which reads:

"Mr. and Mrs. Pederson Genesee, Idaho

"Dear Folks:

"I often think of the nice visit I had with you people while in Genesee last fall. You got me a little wrong on the hobby stuff. My hobby is woodwork, and I make quite a number of little articles such as the incense burner which I have scattered all over the U. S. Even a drug store company in Lewiston took one dozen when I was over there. They really work—just try the sample incense burner in separate cover. This burner is made of Yew wood. It grows here in the hills.

"I have sold out in Clear Lake and bought here."

"The incense burner received is a replica of an Indian tepee, hand carved and mounted on a special base with a metal spot for burning the incense.

What You Buy With WAR BONDS

The ordinary machine gun is too cumbersome for our Marines, especially for parachute troops. So the Marines have adopted new models of the Reising sub-machine gun, a .45-caliber weapon.

The new gun used by the paratroops is a compact model with a pistol grip and a steel-frame stock which folds out of the way when not in use. You can help buy these for our Boys in the Solomons and elsewhere with your purchase of War Bonds. Join the Payroll Savings Plan and let's "top that ten percent."

U. S. Treasury Department

RATES ARE REASONABLE
A high degree of satisfaction with electric rates in the two states was indicated by answers to the question, "Do you consider your present electric rates reasonable?"

Of those interviewed, 78.6 per cent answered "Yes" to this question, 15.3 per cent "No," and 6.6 per cent had no opinion.

Only 7.5 per cent of those questioned expressed willingness to have the public ownership question decided by Congress, compared with 37.7 per cent who said it was a matter for community decision by a vote of the people. The "no opinion" group on this question was small, only 3.8 per cent not voicing a definite answer.

Methods used in the survey were developed by Dan E. Clark II, in consultation with Stanford University scientists and have been applied successfully in opinion polls conducted by the Clark organization for many metropolitan newspapers.

QUALEY IN PENNSYLVANIA

Staff Sgt. Lloyd Qualey certainly drew a location this time that sounds like rather Oriental, but he asserts it's in Pennsylvania. His notes read: "Dear Pete: "Just a few lines to let you know of the change in address. I am now located in the old Quaker state. "This is certainly a land of coal and iron ore. In places it looks as if they had moved whole mountains to get the ore and coal. "Our camp is located in the Pocono Mountains. At the present the surrounding country is barren, but it is undoubtedly very beautiful in the summer. "It is hard to express proper appreciation to you and the American Legion Pete, but the days certainly go slow between copies of the News. "Lloyd."

LEGION AUXILIARY

The American Legion Auxiliary will meet at the Legion hall Friday, Feb. 5 for an all-day meeting to sew for the Red Cross. Non-members who would like to assist with the sewing are welcome. A no-hostess lunch will be served at noon.

ARTHUR JENKINS IN ARMY

Arthur Jenkins, who left Genesee January 14 to return to Oakland, Cal., where he has been employed by a railroad company as a draftsman, was accepted for service in the army January 22. He has not informed his parents, Mr. and Mrs. Arthur Jenkins, where he is at the present, preferring to wait until he is assigned. Arthur, 19, has passed his preliminary examinations with exceptionally good marks. His preference is the army air corps.

FOUR HORSEMEN BREAK UP

With Pvt. 1st Class Ronald (Stub) Geltz now stationed at Cheyenne, Wyo., it would appear that the Four Horsemen, Geltz, Emmet, Mervyn and Scharnhorst, have been broken up. The four were at Lemoore, Calif., but there was also another division, when Dick was sent to Tucson, Arizona, and is now with 1014 Gd. Sqd. 758 Sch. Sqd., Marana Air Base.

Pvt. Stub's address, cigar and all is now: Co. D, Bldg. T. 519, Regt. 3rd, Ft. Frances E. Warren, Wyoming.

Edmund (Skinny) Weber, who was at Cheyenne is now with Co. C, 466 Q. M. Regt. T. R. K., Bldg. 2720, Fort Custer, Mich.

Pvt. 1st Class Charles Hasfurther has been transferred and is now with Hq. Btry, 83rd F. A. Bn., 6th Art. Group at Fort Sill, Oklahoma.

Your government asks that you immediately complete filling out your war stamp albums and exchange them for bonds. You will help in the war effort and help yourself as bonds pay interest.

"Judge, I didn't realize till the other night when I ran across an article in the paper what a whole of a lot of industrial alcohol the government needs for the war. "I should say it does, Chet. I understand the beverage distillers around the country are producing about 240,000,000 gallons of industrial alcohol this year for ammunition, tires, and other things. I'd say it's mighty fortunate these distilleries are available to do the job. Otherwise, if we still had prohibition, the government would have had to spend millions of dollars and use up a lot of critical materials to build plants...to say nothing of all the time it would take. It might have been just another case of 'too little, too late.'"

LOCAL NEWS

Mr. and Mrs. Herbert Martinson spent the week end in Spokane with relatives and to greet the latter's sister, Miss Kathryn Larkin, who arrived in Spokane from New York City recently.

Don Aherin, who spent five weeks with his brother and wife, Mr. and Mrs. Dan Aherin, at Phoenix, Ariz., returned home last Thursday.

Mrs. Kenneth Dean returned Tuesday from St. Joseph's hospital in Lewiston where she was taken Sunday to receive medical care.

Mr. and Mrs. Alfred Hasfurther and family were Sunday dinner guests of Mr. and Mrs. Frank Hoorman.

Wayne Hickman, who has completed his boot training at Farragut Naval Station, arrived in Genesee Wednesday evening and has a seven-day furlough. Wayne was met in Moscow by his brother, Bayne, and by Bob Huffman.

Mrs. R. R. Wagner, who is making her home here with her parents, Mr. and Mrs. John Meyer Sr., for the duration, left Wednesday of last week for New York City to meet her husband, Lt. Wagner of the U. S. Army, who has just returned from England to await further orders.

Mrs. Dora Fish of Clarkston came Monday for a visit with Mr. and Mrs. Fred Shirrod.

Dale Lanphear and daughter, Miss Myra Lanphear, of Moscow, visited Sunday with the former's sister, Mrs. Ben Pleiman, and husband.

Mr. and Mrs. John Meyer Sr. visited Wednesday in Coldwater with their daughter, Mrs. Glen Tabor, and family.

Anel Drescher, employed as a welder in one of the defense plants in Seattle, came to Genesee last Thursday to visit a few days while Seattle was subjected to one of its worst storms in years. He was able to make the trip without loss of time as the plant in which he works was shut down for a few days, owing to the weather.

Mr. and Mrs. Edgar Carlson and daughters were Sunday dinner guests of Mr. and Mrs. George Post.

McKELWAY-FEENEY

Mrs. Ruth Chesley McKelway, Orofino, and Thomas A. Feeney, prominent Lewiston attorney, were united in marriage Saturday afternoon at 2 o'clock in Boise, with the Most Rev. Edward J. Kelly, bishop of the Boise diocese of the Catholic church, officiant. The nuptial mass was read by the bishop in his private chapel.

The bridal couple were attended by Governor C. A. Bottolfsen, as best man, and Mrs. Myrtle Enking, state treasurer, as matron of honor.

Mr. Feeney, a veteran of the first World War, has been active in veterans' organizations in the state and in the republican political affairs. He and Mrs. Feeney will reside at Boise until the end of the legislative session where he is serving as attorney for the state house of representatives.—Lewiston Morning Tribune.

THANKS TO GENESEE LEGION FOR GIFT AT CHRISTMAS TIME

Pvt. Ralph Scharnhorst writes as follows from Fort Knox, Kentucky: "Dear Pete:

"Will you please thank the American Legion for me. The dollar bill they sent at Christmas was appreciated and you don't know just how much it was appreciated. Hope they will forgive me for not writing sooner but I'm not much of a writer and am slow about it."

"We have been kept very busy here at Fort Knox and by the way things look we might be moved soon. Nothing certain yet. Will know by the end of this week, at least that's what we have been told. "Well, as there isn't much to write about I'll quit for this time, and thanks a lot for everything."

Bridal Shower for Miss Krier

Miss Evelyn Krier, whose marriage to John Greif is announced for Monday, February 1, was honored with a bridal miscellaneous shower Wednesday afternoon at the home of her parents, Mr. and Mrs. John Krier. Arrangements for the party were made by Mrs. Stanton Becker, Mrs. Don Linehan and Mrs. Elmer Krier.

With the ringing of alarm clocks hidden in the home, Miss Krier was able to find the many beautiful gifts brought to her. She was assisted by Joan Linehan and Douglas Krier in gathering packages and by Ann Becker, who was dressed as cupid, in opening the gifts.

Cards were played during the afternoon at five tables with high score award going to Mrs. Art Hansman; second high to Mrs. Frank Kambitsch, and consolation to Mrs. Glen Mayer. Following cards luncheon was served

by the hostesses, the refreshment table being centered with a four-tier bride's cake decorated with a miniature bride and groom and flower girls. Lighted candles surrounded the cake. Besides the honoree and hostesses there were present: Mmes. John Kluss, J. H. Broemeling, Bob Broemeling, Frank Hoorman, Frank Kam-

bitsch, Bernard Grieser, Art Hansman, J. J. Tucker, Glen Mayer, Geo. Stockberger, E. M. Becker, Chas. Grieser Sr., John Weber, Martin Grieser, Otto Kretschmer, Wayne Roach, Ray Johann and John Krier. Sending gifts but unable to attend the shower were Mrs. Kate Johann and Mrs. Art Linehan.

BOB SMITH AVIATION CADET WITH NAVY AT FORT SMITH

Bob Smith, son of Mr. and Mrs. F. A. Smith, now of Rathdrum, formerly of Genesee, is now in training as an aviation cadet and his address is Naval Aviation Cadet V-5 U. S. N. R. Gold-man Hotel, Fort Smith, Arkansas.

Mr. and Mrs. Smith had a letter from Bob January 22, in which he stated that he would start flying the next morning. Along with studies he has flying, gymnasium and studies, all making for a long day that starts with breakfast at six bells and ending about 9 p. m.

Bob expects to be at Fort Smith for eight weeks.

"Smithy" finds Rathdrum a busy place, as Rathdrum is not far from the naval base at Bayview. Practically all the work on the first six areas at the base are completed, and the men terminated, but it is understood that another six areas may be built next summer.

Rathdrum people are accustomed to burning cordwood as fuel as they are at the edge of timber. The price has been \$15 per cord, and now is from \$10 to \$12 per cord. Wages were so high it was almost impossible to get such a quantity.

We, at Genesee know that cord wood is scarce, and also know that you couldn't buy a stick at the lumber yard. It is not to be had.

Amount of Victory Tax Deductible from Weekly Wages

of Selected Amounts and Amount of Net Victory Tax After Deduction of Credits

Table with columns: Weekly wage (gross), Gross tax, Single person, Married person, Married person with dependents, Net Victory tax after credits, Married person with dependents.

The credits may be taken currently or after the war. They amount to 40 percent of the tax for married persons...

CPJ. James Abraham, stationed in Lewiston for some time, which was referred to by the Middle East Command, mailed his mother, Mrs. James Abraham some interesting clippings from the first issue of the "Middle East News," a service newspaper printed somewhere in the middle east...

Clippings from the service newspaper are really interesting, as it contains a lot of news about the front lines...

"I don't know what to think of army life yet. I suppose it agrees with me all right as I weigh 200 lbs. now. Although it is quite a change from civilian life sometimes it's o.k. and then there are times when the fellow feels like 'going over the hill', but I suppose if I am here long enough it will get used to it."

"I am in the 45th Armored Regiment which consists of tanks, trucks, half-tracks, peeps and jeeps. The most interesting to me was to see a tank. It is quite an experience from anything I ever done. As long as you can see where you are going it is o.k. When visibility gets poor, and you hit a big ditch you can always figure that you will end up with a few black and blue spots, but it's great sport. I suppose the next thrill will be to 'spot' around in a little 'peep' which would be really the thing for a hunter or fisher."

"I haven't seen Jack Magee since I have been here. I have a good idea where he is located now. I suppose the war has scared him just like it has me, or maybe the obstacle course got him down."

"Well, Pete, it is just about time for lights out again. Tell all the folks 'hello', and thank again for the paper."

"As ever, 'The Legend'."

"P. S.: How is Jerry? Tell him 'hello', and that I will write soon."

Lloyd is with Co. F 45th Armored and Springer each with two points, and Pederson nine points. Others in the game for Genesee were the Eklum Brothers, Bielenberg and Rosenau.

Peters was high man for Julianna with 11, and Knight accounted for 8 points, and one by Candler.

Genesee took 10-4 cadet at the first quarter, and stopped at the half with 16 to 6 for Julianna. In the third quarter Genesee took 15 points while Julianna was making 10, and in the final quarter Genesee scored four field goals and Julianna scored three points for a total of 21 to 37.

Richard Theuerkauff is definitely in Africa, according to word received by his mother, Mrs. H. Theuerkauff of Clarkston. She directed her son, who recently which stated they had much canned food for a time, but now they have good food and very good living.

"P. S.: I can see now why Dewey left this country, no man, no fun, and I'm a 'shavetail'."

There will be a dinner meeting of the Genesee Civic Improvement Club at the school lunch room every Wednesday evening, February 10, starting at 6:30 o'clock. Ben Cook, president, announced two subjects of importance for discussion, and he plans to have speakers present to conduct the discussion. John Luedke will show number of colored pictures taken while on a hunting trip.

In APPRECIATION. Members of the Progressive Club wish to thank all who donated glasses and yarn for the making of afghans for the Red Cross. They will be ready to begin their work which will be left at Follett's store, also any completed squares. One of the completed afghans is now on display at Follett's.

The names of Mrs. Theo. Schlueter, Mrs. Kate Johann and Miss Leuelia White should be included with those who sent gifts to the shower for Miss Dorothy Krier held at the S. U. Lough home Wednesday afternoon.

RELATIVES SOUGHT

"In connection with our search for locate relatives of John Knapp, and his sister, Clara Fredericks, who formerly resided at Genesee, John and Clara also had a brother, Joe. Relatives should contact us as promptly as possible, giving us a short statement of their family history. Friends of the family would also be doing a favor to all concerned by sending us any information they have concerning these parties."

The above is self-explanatory. The address is: W. C. Cox and Company, International Probate Research, 208 South LaSalle Street, Chicago. Please refer to File No. 15600.

STAN GREEN BE GOOD WIFE AFTER TRAINING IN NAVY

Stan Green, writing from Norfolk Virginia, has the following to say: "Hello Pete: Just a line to let you know my new address, and that I am making it fine. Not very busy at the time being but will be later on. I am working in a supply store, taking a course in making out requisitions. My job is not hard at all, but when the ice comes in north will be plenty busy because there is a lot of planes and come here and then we will have to unload them and put new equipment on them. The last of planes we will handle are those big B-24's, and boy they are really something inside."

Season tickets will be on sale at the office at \$3.30 per adult and \$2.20 per student ticket. Single session admissions will be 55 cents per adult and 30 cents student. Bill Mat Engel of Cottonwood and Bill Katsilometts of Lewiston have been selected by the association as officials with the last game to name two men from Coy Barnes, Elbert Mitchell and Leon Green to handle the A games. The last game will be handled B games as well as A games but must handle all of the latter.

GEORGE BLUME IN STRIDE AT IDAHO'S NAVY STATION

Chief Petty Officer George Blume writes the following from Farragut Naval Station: "Dear Pete: After four weeks here at Farragut, I finally find time to write and tell you of my change of address. Nearly everything I have here is acquired by or heard about the naval training station here at Farragut. I must admit that it covers more area than the station at Norfolk, Virginia, and take it from me, the transportation from the other than at Genesee is the poorest possible. The navy is not for standing in line for mess, etc. but the lines waiting for buses are in my 'spare' time. I surprised myself when I got one man under the pie in a few days and now everything is in ship shape if that is not too unbelievable. "Well, Pete, thank again for the paper and all the other favors by the Genesee crowd at the home front. George W. Blume, C. S. Address: U. S. N. T. S., Camp Scott, Farragut, Idaho."

RAPID ADDRESS CHANGES

Cpl. Dave Earling, who filed Arizona among the undesirable, comes back this week with reasons to gripe a bit. He writes: "Well, I haven't much to say for Arizona this time. They have changed my address again. Every time I go after my mail they give me hell for not having the right address. Now it is 767 Basic Flying Training Sq. (B) Marine Basic Flying School, Tucson, Arizona. "I don't know how long this one will last as the other squadron I was in split up. Now we are just a detachment of the 767th. They say we will be transferred into the 767th. "Well, Pete, thanks for the paper. It's just as good as a letter for your best girl."

THANKS FOR TIRES

Don Greenwell, Genesee, received the following letter from Wm. Jeffers, Sr. Rubber Director, dated Jan. 29: "On behalf of the government of the United States I wish to thank you for making a gift of your tires under the Idle Tire Purchase Plan. Your public spirit is greatly appreciated." Persons turning in tires before gas rationing were permitted to request payment in cash or bonds, and they were also permitted to donate them to the government, which Mr. Greenwell did.

First Fellowship Meeting Held
In order to save driving and fuel St. John Brotherhood and Ladies Society decided to have one meeting per month as a joint meeting. Last Sunday evening the first of such meetings was held with a good attendance for both organizations. After a short program consisting of musical numbers and readings, Pastor Gebhard gave a talk on his visit to the White House and other state buildings in Washington. Patriotic songs were sung by the men and then the women after which the ladies served lunch.

The 15-cent contribution to lunch was given to the chairman of the local Paralysis Fund in honor of the President's birthday. This amount was \$7.15.

Harry Schooler, president of the Brotherhood conducted the men's session, and Mrs. Gus Rosensau, president of the Ladies Society conducted the ladies' meeting. It was decided by the ladies that Thursday afternoon be set aside for Red Cross work at the local division. Two members were accepted into the Brotherhood, Harry Emerson and Fred Morscheck. The next Fellowship meeting will be held Feb. 14.

What Do the People of Washington and Oregon Think of Public Ownership of The Electric Business?

Results of a Scientific, Accurate Public Opinion Survey

A measure known as the "Bone-Smith Bill" was introduced in the last Congress. It is proposed to give a Columbia Power Administration the authority to buy and take over all business-managed electric companies in Washington and Oregon, without a vote of the people, and re-sell them to public bodies.

Public power politicians claimed this was the wish of the people. We wanted to know — and we had to have a reliable, accurate answer — so we and other Northwest power companies asked Dan E. Clark II and Associates, nationally-recognized survey firm, to find out. Here are the results:

Should or should not a Columbia Power Administration be given authority to buy or condemn and take over every electric power company in Washington and Oregon?

The answer is "NO," by nearly 2 to 1:

46.1% said no	Reasons given are (1) a preference for private business, (2) opposition to government control, (3) satisfaction with the present set-up, and (4) unfairness of the proposal to private business.
24.0% said yes	
29.9% had no opinion	

Opinions by Occupations

Professional and Business	Clerical and Sales	Laborers	Farm and Labor	All Others
No 53.9%	56.6%	44.6%	46.7%	41.7%
Yes 26.3%	11.0%	22.8%	31.8%	25.0%
No opinion 20.8%	32.4%	32.6%	21.5%	33.3%

Opinions by Income Groups

Under \$25 per week	\$25-\$50 per week	Over \$50 per week
No 43.1%	46.5%	56.1%
Yes 22.4%	25.6%	21.0%
No opinion 34.5%	27.9%	22.9%

Should such a change in the Northwest power set-up be made now or postponed until after war?

The answer is "AFTER THE WAR," by nearly 5 to 1:

63.3% said after the war
13.7% said now
23.0% had no opinion

Even those in favor of the Bone Bill public power proposal are nearly 3 to 2 against enacting it during the war:

51.9% said after war
36.1% said now
12.0% had no opinion

Should public power be decided by government bureaus, or by a vote of the people?

The answer is more than 11 to 1, "BY VOTE OF THE PEOPLE":

83.7% said by local vote
7.5% said Congress should decide
8.8% had no opinion

Even those IN FAVOR of the Bone-Smith public power bill are nearly 5 to 1 in favor of settling public power questions by a vote of the people.

Do You Consider Your Present Electric Rates Reasonable?

The answer is "YES" by a majority of 5 to 1:

78.6% said yes
15.8% said no
5.6% had no opinion

Typical comments were: "We have enough to do now about" "There are more important things to worry about" "This is no time to make changes" "The government has too much to do to dabble in public utilities."

These results speak for themselves. The public power politicians again are found promoting their pet schemes to build authority for the bureaucrats and socialize free enterprise. But this survey shows conclusively that the politicians do not represent the opinions of the people of Washington and Oregon.

PSST! DID YOU SEE THIS AD IN THE SATURDAY EVENING POST? IT'S ONE OF A SERIES BY "NR" ON WAR PRODUCTION IN THE NORTHWEST—NOW APPEARING IN 7 NATIONAL MAGAZINES

"In case of Tank pull string"

WHEN AN ENEMY tank approaches, the American soldiers behind this anti-tank gun won't need any written instructions. One pull on that lanyard and—wham!—look out tank! The armor-piercing projectile gets inside the tank's hull to explode its deadly charge—because the projectile's steel jacket contains chromium.

Before the war, domestic production of chromium ore accounted for less than 1% of this country's requirements. Today, over 50% of our needs come from Montana mines served exclusively by the Northern Pacific Railway. Armor-piercing shells, armor plate, gun barrels, rock chisels, tank ball-bearings, and hundreds of other steel parts that demand super-strength, all call for chrome-steel.

To make this vital steel, carloads of chromium ore require high electric furnaces roll eastward every day via the "Main Street of the Northwest"

GENESSEE VALLEY NEWS

The seed and which chick catalogs are coming in, baby will give you "shoppers' bliss" to a rest and reminds us that spring is just around the corner.

Mrs. Sam Lange, Miss Bonnie Lange and Bud were Spokane visitors Monday.

Mr. and Mrs. August Johnson celebrated their 53rd wedding anniversary Thursday and Mrs. Dollie Peterson, Vernon Peterson, Mrs. Annie Danielson and Clarence called to congratulate the couple.

Mr. and Mrs. James Hunsbach of Moscow visited at Johnson's Sunday. Mr. and Mrs. DeLos Odenberg are spending a few days at Chas. Odenberg's.

Mr. and Mrs. Nels Lande called at Mr. Magee's Saturday evening.

Neighbors of Frank Snelling descended on his home Sunday evening with well-filled baskets and helped him celebrate his birthday.

"It's sort of a shame that this Irish Marine didn't write and tell you 'thanks' for your paper. It seems like time is very scarce in this outfit and when I did have a little time I kept putting it off.

"At present I am stationed at Camp Elliott, about 20 miles from San Diego. By the way, this state of California should be given back to the Indians. They probably wouldn't want it though. I don't know how many men are here, but there's sure a raft of 'em.

"Remember Wayland McGarvey and the Society, Donna Lee Cook, vice president, and George Follett, secretary-treasurer.

"P. S. Tell Norman Plamoe and family hello, and tell Jim Magee that I'll be home to cut his grass seed again next summer."

"Florry." "Florry" is the name of the paper.

Virgil Post Marking Time WITH AIR CORPS IN ARIZONA

Virgil Post, who has a job in the army air corps as a propeller specialist, finds time to write the following letter from Tucson, Arizona:

"Just about time I was dropping you a line. Time is going very slow here. Our ships have been grounded for almost a week.

"I have been having Arizona winter with rains most every other day, not for a long period, and then the old sun bears down again.

"The grub here is fine and we have plenty of time to eat as there is no rush.

"Tucson is really a soldiers' town. A 'civ' called a soldier a boy scout the other day and the judge fined him \$10, and told him he may be one himself some day.

"Saw Dave Darling last Monday and he is still the same old Dave, full of fun.

"Thanks a lot for the News Pete. Sure enjoy reading it and when it comes in late the mail man sure gets talked to.

"Well, Pete, can't think of anything new so will close. Tell the folks in the club 'hello' for me.

"Virg."

FORMER GENESSEE BOY WRITES

C. O. Green, gunner's mate first-class, on duty in the Pacific, a former Genessee boy, and the nephew of Mrs. Wm. Rader, and Dick Green, writes as follows:

"I have been in the service now a little over three years and it has been over two years since I've been home. Boy, what I wouldn't give to be able to walk around in that old Palouse mud right now.

"I've received from the old home town is when I received the News, and I can't tell you how much I appreciate it. I haven't ran across any of the old gang yet, but by the help of the News I found out where many of them are, and will probably get to see some of them before the war is over. Thanks again for the News.

P. T. A. MONDAY, FEB. 15

The monthly Parent-Teachers Association meeting will be held Monday evening at the school house when Founders' Day of the organization will be observed.

The speaker for the evening will be Tom Burnam of the Lewiston Normal. Musical numbers on the program will be by the high school triple trio. The meeting starts at 8 o'clock.

BELIEVE IT OR NOT!

The News received an unusual report Monday which must be news. As often stated, "it's not news if a dog bites a man, but when a man bites a dog it's news."

BOY SCOUTS TO MOSCOW

Rev. Melford Knight and Bud Moore took the following Boy Scouts to Moscow Tuesday evening: Harold Springer, Dick Springer, Dan Loranz, Maurice Hasfurther, Burton Peterson, George Follett, Gordon Cook, Kay Leavitt, Ted Semmes, Gerald Cameron and Donald Lee.

The boys were entertained with supper served at the Methodist church parlors after which a court of honor was held with Boy Scout officials of Spokane in charge.

The Genessee delegation received two signal flags for having the largest group present from troops outside Moscow.

Scout Meeting Tuesday The regular meeting of the Boy Scouts will be held next Tuesday evening when work will begin on craft strip for braiding. The boys will also start work on a chair to weave.

Monday Bridge Club Mrs. Glenn Sampson entertained the Monday Evening Bridge club this week when Mrs. W. M. Herman won

high score award. Invited guests were Mrs. W. W. Burr and Mrs. Kenneth Dean.

Your RADIO Will Last Longer IF...

New radio equipment is equipping ships, planes, tanks and other war machines, with none left over for home use. So — keep your radio in good working order. Use it economically and it will last for the duration.

- 1. Keep it in a dry location. Dampness may make it corrode and put it out of order. 2. Avoid putting it in front of an open window. A sudden rain storm may damage delicate parts. 3. Don't put a table radio on top of a radiator. The heat may burn out a transformer. For the same reason avoid putting it in the hot sun. 4. If the radio is noisy, have a competent service man look at it. Many radios have been spoiled by amateur "interfering" by the owner.

The same American ingenuity that has given America war materials — better and in vaster quantities than anywhere else — will also bring you a new and greater standard of living after the war.

"I couldn't help overhearing you, Mary, when you asked Jim here why they let the liquor companies use sugar to make whiskey when all the rest of us have to cut down on that. I happen to know the answer to that. You see, the fact of the matter is, the industry never has used a single pound of sugar to make whiskey. The bootleggers were the only ones who used sugar to make whiskey. On top of that, there's not a single large distillery in the country making whiskey any more. They're all working day and night for the government to get the sugar for gunpowder, synthetic rubber, chemicals, and medical supplies. Just as I told Ed down at the court-house this morning, the government simply wouldn't be able to get all this alcohol it needs in time if it didn't have these distilleries available and on the job."

Mr. and Mrs. Wm. Hickman who have been visiting relatives at Hudson, N. C., expected to start for Idaho on Tuesday of this week. Mrs. H. B. DAMON HOLBEN IN AFRICA RECEIVES BIG BATCH OF MAIL Mr. and Mrs. Marion Holben, who received a letter from the former's brother, Damon, explained how two letters, one to The News, happened to be mailed together. "We are enclosing a letter to you from Damon in one with ours as he only had one air mail stamp and can't get more until we send him a few."

Damon's welcome letter to The Genessee News is as follows: "Somewhere in North Africa, January 18, 1943

"Dear Pete: "I'm in North Africa now, living in a pup tent on rolling hills. We are getting field rations and don't get enough water to wash good with. I am feeling well.

"There is lots of activity here. The Arabs are quite a sight. They are dirty and a friend to your face, but a thief, and will cut our throat when your back is turned. I have learned a few Arab words.

"Thanks a million for The Genessee News. I received about twelve papers and fifteen letters when I landed here from three or four hundred miles around from the Palouse country and read it too. It is like home news to me.

"Must close now as it is getting dark. Thanks again for the paper. "Sincerely, "Th. S. Damon Holben."

TO THOSE IN SERVICE

Well, boys and girls, or men and women in the service. Genesee "gone to war" along with Lucky Strike green, only more so. Do you realize that this community has sent out approximately 116 to date, and more going soon. They're scattered from "hell to breakfast" and we wish we could give you all their addresses. This, however, is against the rules, but they're everywhere now.

On the home front we're enjoying a luke-warm blizzard today (Thursday) and if it was as cold as a few weeks ago, we could realize what Schicklegreber is up against in the battle with Russia.

The government slapped a ban for a day on the purchase of shoes, and since Tuesday we are required to use Coupon No. 17 from our sugar books to make shoe purchases. There always has been something said about "sugar foot," and now we learn the connection. The folks at home are doing a nice job, don't forget it. The ladies are all out in Red Cross work, such as making surgical dressings, sewing up stuff for hospital wear and now they are making gun cleaners. Just looked outdoors, and boy, is that snow moving and drifting with a high wind. If it was sand, some of you fellows in Africa or the middle east might feel home.

Now and then there is one at home who tries to find someone to bear his complaints. He attempts to hear people believe he is laboring under conditions identical to those in New Guinea, Guadalcanal, Africa, Alaska or some other forsaken place. Most Genesee people feel sorry for him, yet they wonder why he don't invest in America and buy a few war bonds. This relates to no one certain person, and we are thankful there are so few like him.

Thanks Mr. Smith news seems to be the most prized gift they can receive. Such is a letter received from W. E. Smith, 909 So. 10th Ave., Yakima, doing for the boys in service. Home. Wash. We thank you Mr. Smith.

WAAC RECRUITER IN GENEESE

Lt. Leila D. Spann, third officer in the Women's Army Auxiliary Corps, was in Genesee Thursday afternoon talking to women working at the Red Cross rooms. Lt. Spann told of the duties, qualifications and training of the WAAC, and stated that an intensified drive is on at the present time to recruit 150,000 women between the ages of 21 and 44. Thirty thousand women are now enrolled. Literature on the WAAC and applications may be had by contacting Sgt. John T. Lowery at the army recruiting station at the post office building in Lewiston.

American women are meeting the challenge of total war with the same courageous determination that pioneer women showed when this country was a rough, frontier wilderness. "Today, in the Women's Army Auxiliary Corps, we again can show the world the valiant spirit of American women," said Lt. Spann.

The army announced that it needs the knowledge, skill and special training of the women of the nation for the war effort, and the women of the nation are responding in thousands by joining the WAAC. There are scores of jobs, from typing to driving, which the army feels women can do to release men for combat duty. And all women ask as they sign up is: "Give us a chance to help any way we can."

Lt. Spann of Plainview, Texas, with a pleasing southern voice, states that she was among the first enrollees at Ft. Des Moines, Iowa, and received her commission as lieutenant 12 last. Following recruiting duty at Phoenix, Ariz., she was transferred to Seattle, and now has charge of recruiting in the WAAC in the Yakima, Walla Walla and Lewiston areas.

MISS LANGE IN SPARS

Miss Bonnie Lange returned Tuesday from Spokane where she was accepted by the SPARS and sworn in for duty. She is now awaiting call to active training and service. She was accompanied to Spokane by Mrs. Sam Lange and her brother, Buddy, who has signed up with the naval air corps and is at the University of Idaho awaiting call.

The SPARS is to the Coast Guard what the WAAC is to the army and the WAVES to the navy.

GENEESE WAR FUND DRIVE QUOTA ANNOUNCED AS \$650

Mr. and Mrs. Walter Emerson and Miss Esther Martinson, local chairman of the war fund drive, beginning March 8, were in Moscow Tuesday evening to attend a dinner meeting of all county chairmen and other Red Cross workers to plan for Latah county's quota of \$9,700 in the National Red Cross War Fund campaign. The total for the United States has been set at \$125,000,000.

The quota for Genesee community north to Thoremeek, has been set at \$650. Other areas will be urged to contribute as follows: Pocatello, including all country north of Viola Hill and east to Harvard, \$1900; Deary, including Texas Ridge, Helmer, Avon and Park, \$600; Bovill, \$100; Troy, including all of the voting precinct and Little Bear and American Ridges, \$900; Julianna, including Fox and Potlatch, \$75; Kendrick, \$150; Big Bear Ridge, \$75; Moscow, from Thoremeek north to Viola Hill and east to a point between the city and Troy, \$5,350.

Donations of any amount will be gladly accepted during the campaign but only those who contribute \$1.00 or more will be given Red Cross membership cards.

Lists Work of Local Red Cross

Mrs. N. M. Leavitt, local Red Cross chairman, submits the following list of articles completed by clubs and individuals from Genesee since January 23 to the present time: Ten men's bed jackets, 9 children's bed jackets, 15 men's nightshirts, 1 lady's gown, 6 turtle-neck sweaters, 5 hot water bottle covers, 2 cap mufflers, 5 pair children's socks, 3 pair men's socks, 8 pillow covers, 1 suit for a four-year-old, 19 women's blouses and 12 pillow. A total of 889 items are credited to the work.

Since the establishment of a surgical unit under the direction of Mrs. J. P. Wedin, 19,150 dressings have been made since December 14. Seventy-nine women registered for the winter work on January 15 to date, they received credit for 690 hours.

Ladies participating in the work as groups are: Eastern Star, Altar Society, Progressive Club, Blue Bird Club, Pep Club, Valley Lutheran Aid, Legion Auxiliary, St. John Lutheran Society, Community Ladies Aid and high school girls.

WORD FROM NEW GUINEA

Mr. and Mrs. J. Peter Zenner received a cablegram Monday from their son, Andrew, who has been in New Guinea for some time. The message was brief, but welcome, and stated that he was well, and that there was not much activity when the message was dispatched.

Mr. and Mrs. J. P. Wedin have received a letter from their son, Sgt. Roy Wedin, stating that he was at the time in a rest camp, recuperating from an ear infection due to action against the enemy.

Zenner is with an infantry unit at Wedin is with a hospital unit attached to the same infantry regiment.

TO OUR SCOUTS

The thirty-third anniversary of the Boy Scouts of America was celebrated last week. The 1943 motto is "Toughen Up! Buckle Down! And Carry On to Victory!" The word presents many opportunities to a Scout. In order to achieve victory put everything you have into the war effort.

Just as brave former Scouts are now receiving their fate on a battlefield, may we see our Scout program go forward in home service. We know that a Scout stands for dependability, initiative, resourcefulness, and cooperation. To you who are physically strong, mentally awake, and morally straight: "Be Prepared!"

Bonnie Jean Kuehl

Bonnie Jean Kuehl was born in Colton August 18, 1925. She lived in Uniontown and attended the first three years of school at the Uniontown Catholic school. Bonnie then moved to Genesee where she completed her grade school and is finishing high. Her senior year she is taking history, shorthand, typing II, band and chorus. She collects pictures of movie stars as a hobby. Another of her best loved pastimes is dancing.

After the school she plans to attend the University of Idaho. She is quoted as saying, "It's a pretty good high school. I had lots of fun and I hate to lose contact with all the kids I know."

Speech Class Plays

The speech class and members of the Dramatics club will present three one-act plays Friday evening, February 26, beginning at 8 o'clock in the gym. The plays which have been chosen are: "A Girl in Every Port," "Pill of My Dreams," and "Wildcat Willy Buys a Bond."

Those taking part in "A Girl in Every Port" are: Marilyn played by Lorena Scharnhorst; Mary, Jean Armstrong; Mimi by Anna Mae Busch; Mandy Lou by Betty Brown; Maude by Phyllis Grieser; Tina by Jeanette Wernecke; Sally Margrave by Mary Jones, and Bill by Sanford Evans.

"Pill of My Dreams" has the following cast: Jimmy Barrett, Gene Eikum; Mintha McGovern, Mary Emerson; Jane Clendon, Pat Magee; Mrs. Clendon, Inge Dinsen; Mr. Clendon, Don Borgen.

"Wildcat Willie Buys a Bond" is played by the following: Willie, Dan Pederson; Gladys, Joan Advaroe; Mrs. Wilkins, Dorothy Anderson; John Lorang; Kathie, Frances Lorang; Vernon, Alton Anderson; Ceola, Marie Hoorman, and Bonnie Moore, Evalina Steiger.

Dancing Party

Bonnie Kuehl entertained at a dancing party Saturday evening for Dorothy Lee, Shirley Raymond, Patty Magee, Joan Edwards, Marie Hoorman, Tom Edwards, Chas. Herman, Ralph Anderson, Everett Wishard and Dan Pederson.

ATTEND DISTRICT CONVENTION

Walter Emerson, chancellor commander of the Knights of Pythias at Genesee; Charles Schooler, Walter Curran, Ed Vanouck and Ben Cook were in Lewiston Monday evening where they attended a district convention of the Knights of Pythias. Competing with Culdesac and Lewiston, Genesee placed second in the ritualistic contest. C. N. Norberg of Culdesac, grand chancellor of the Knights of Pythias grand lodge of Idaho, was present at the meeting. The Lewiston members were hosts at a lunch served following the meeting.

Mrs. W. W. Burr will be hostess to the Community Aid at the church parlors Wednesday, February 24.

MR. AND MRS. HICKMAN HOME AFTER WINTER IN CAROLINA

Mr. and Mrs. W. R. Hickman who left Genesee December 6 for Hudson, North Carolina, returned home Saturday after an enjoyable winter.

Hudson was Mr. Hickman's home before coming to Idaho 55 years ago. He has been back several times, and it was the third trip for Mrs. Hickman.

Having escaped a winter with plenty of cold weather, Carolina people shivered when the mercury one night fell to 16 degrees above zero. Spring was around the corner when they left and gardeners were planting. While cabbage perhaps is not of much interest, Mr. Hickman said they practiced setting out or transplanting cabbage plants in the fall and thereby harvest an early summer crop. Conditions have changed noticeably, Mr. Hickman said, with most of the people of his home community now in industry. The team which loses will then undoubtedly meet Lapwai for second place. Two teams from the Valley circuit go to the Lewiston district tournament in March.

Southwick and Julianna have been eliminated and Culdesac and Lapwai meet tonight, with the winner to engage the loser of the Kendrick-Genesee game Friday evening.

INSULT ADDED TO INJURY COW DOES IT EVERY TIME

Jay Nelson, 8-year-old son of Mr. and Mrs. Adrian Nelson, is learning at a tender age just how exasperating an old cow can be, and how headstrong bossy gets at times.

Jay, on Feb. 4, was helping with chores at the ranch while his father was away, and as he pushed back the sliding barn door, the large door left its rollers and fell on the boy, pinning him beneath. He had opened the door to let the cow into the barn, and while he lay under the door, bossy simply walked over door and boy to her stall.

Jay remembers that he would have been uninjured had the cow behaved decently, but her weight, plus the injury caused a fracture of his left collar bone. He was taken to Lewiston immediately for attention, and after several days was back in school.

Patsy Nelson, Jay's sister, heard him in his predicament, and managed to release her brother.

ART JENKINS IN ANTI-AIRCRAFT

Pvt. Arthur Jenkins, son of Mr. and Mrs. Wm. Jenkins who recently entered the service, has been assigned to an anti-aircraft training battalion and is now stationed at Camp Callan, Calif. He started the service January 22, and his first letter reached Genesee Saturday, as he waited for an address to be written.

EVERETT WISHARD IN NAVY

Everett Wishard was taken to Moscow Wednesday where he boarded a stage for Spokane for induction in the armed forces with the Latah county men. Taking a few each time for the navy, Everett's name was drawn for the navy and he expects to be sent to Farragut soon. He returned to Genesee for a week's furlough before entering service.

GENESEE VALLEY NEWS

Warm, sunny days have made the snow melt rapidly and high water proved a threat to the highway, but prompt action by crews with ice poles broke up the ice and let the water run

in regular channels. There is still plenty of snow on the north slopes but south hillsides are bare and green wheat is showing through. This is a patriotic month and every red-blooded American should have this patriotic creed, by Edgar Guest: At any humble post I may, To honor and respect her flag, To live the traits of which I brag, To be American in deed As well as in my printed creed. To stand for truth and honest toil, To keep in mind the debt I owe To one who died that I might know My country, prosperous and free, And passed this heritage to me. I always must in trouble's hour Be guided by the men in power; For God and country I must live, My best to God and country give; No set of mine that men may scan Must share the name American. To do my best and play my part American in mind and heart; To serve the flag and bravely stand To guard the glory of my land; To be American in deed God grant me strength to keep this creed."

CELEBRATE GOLDEN WEDDING

Mr. and Mrs. Gerhart Broemeling, parents of Roger Broemeling of Genesee, celebrated their golden wedding anniversary Sunday, February 14, at Uniontown. Many of their children and grandchildren were present at the celebration, including Mr. and Mrs. Roger Broemeling and family from here. A wedding dinner was served to approximately 50 guests at a large table decorated with flowers and a three-tiered wedding cake which was decorated with roses and golden leaves, with a bride and groom under an archway at the top of the cake. The honored couple received many lovely gifts from relatives and friends and many called to congratulate them throughout the day and evening. Gerhart Broemeling came to the Genesee community in 1889 with his father, Roger Broemeling, Sr., and his mother and sister, Mrs. Kate Johann. At that time Herman, John and Barney Broemeling and Mrs. Pete Johann were living here. In 1922 Gerhart went back to Mt. Carmel, near Carroll, Iowa, his former home, and there married Miss Mary Brachtendorf on Valentine Day in the year of 1893, and then returned to Idaho to locate in the Thornevick community. To them were born seven children, Roger of Genesee, Peter of Uniontown, Leo of Colton, Mrs. Elizabeth Recard of Uniontown, Mrs. Regina Streibich, deceased; Mrs. Agnes Zellerhoff of Colton and Mrs. Angela Bauer of Colfax. They also have 41 grandchildren.

Mr. and Mrs. Oscar Danielson have moved into their new home, just completed.

THE OLD JUDGE SAYS...

"Here's a piece, Judge, that says that in spite of more cars and faster speeds, the first six years of repeal showed 12% less deaths from automobile accidents than during the last six years of prohibition." "Now doesn't that just go to show you, Henry, you've got to be on pretty solid ground as far as your facts go before you make an out-and-out prediction. Why, back in the days just before repeal quite a few folks around the country made pretty powerful predictions about how automobile accidents were going to jump up if we got legal liquor back." "About the only thing along that line you've ever said in predicting, Henry, is this. No community or county or nation, for that matter, ever became or ever will become dry just because it voted that way. All that the votin' decides is whether you have legal or bootleg liquor. We had nearly 14 years of experience on that, didn't we?"

RED CROSS NOTES

The good work still goes on, and on Monday 28 women caught the appeal of the American Red Cross for 180,000 dresses by March 15, and made the largest number of dresses in one afternoon, 1,625. There is room for many more women and they are urged to come. The casualty list is growing and will increase—we can't let our boys suffer because of a lack of surgical dressings. Every unit is asked to step up to full capacity. Mrs. Helen Sanford and Miss Pauline Steltz went to Moscow last week and qualified as instructors. Each has about 60 hours of work in this unit. J. P. County Superintendent Appointed

Mrs. Nell LaFollette, formerly of the Moscow public school faculty, and more recently in charge of a study hall at that school, has been appointed to serve as Latah county superintendent of schools during the absence of Horace Woodworth, who received a commission as lieutenant junior grade in the navy, and is now in training. Lt. Woodworth was granted a leave of absence by the board of county commissioners.

AI Mayer Busy

"Still putting in my twelve hours per day, and finding it only half enough," writes Al Mayer of 1407 56th Avenue, San Francisco, in a brief message to The News, accompanying his subscription. He also writes: "Regards to yourself and family and 'hello' to everyone else." Mr. Mayer, retired letter carrier on route 2 out of Genesee, now operates the "Fix It Shop" in San Francisco, and has developed quite a business, especially in manufacturing keys and repairing locks. With the increased population of the Bay area, people begin thinking of locking their homes but many learned that during the years when locks were somewhat forgotten, keys were either lost or misplaced—which makes business for Mr. Mayer. He will also repair furniture and do saw filing if time is available. GENESSEE VALLEY NEWS
A whole week of warm, sunny days was a welcome change from previous weather. The north slopes are still white and freezing and thawing is not too good for fall-sown grain. The farmers are busy signing pea contracts, most at 4 1/2 cents, which is not a bad price. Large squadrons of ducks are having their annual pot-latch (after the season closes) in the creeks and fields which are at flood stage. Several cases of flu are reported this week. Travel on the highway is on the increase as spring approaches.
Mr. and Mrs. Fred Hove and Delores called at Robert Berger's Saturday evening.

Power Commission Orders W. W. P. Co. to Give Up War Loads to Bonneville
Orders Company to Transmit Bonneville Power Through Company's Offer Would Save U. S. Money.

Despite the fact that the Washington Water Power company is ready and willing to furnish electric power for the new Fort George Wright pumping plant and the Baxter general hospital at a substantial over-all saving to the government, the company yesterday was summarily ordered by the federal power commission to allow the Bonneville administration to use the Water Power lines to transmit Bonneville electric power to the projects, it was announced by Kinsey M. Robinson, president. The order is understood to be the first of its kind issued under the President's war-time directives of September 26 and October 22, 1942.
Ordered at Bonneville Request.
The order was executed, according to the federal power commission, "on request of the Bonneville power administration for commission action to require the Washington Water Power company to transmit and deliver electric energy for the account of Bonneville, to supply certain war establishments at Spokane, Washington, by means of Bonneville power."
"This kind of order shows how two bureaucratic agencies will lend each other a helping hand in circumventing a contract entered into by one of them, presumably in good faith, in an effort to promote the sale of Bonneville power at the expense of private enterprise," said Mr. Robinson.
Would Have Saved \$4400 Yearly.
"The Washington Water Power company is prepared to serve these loads itself at an estimated annual saving to the United States government of \$4400 against the procedure required in this order. It is, therefore, very apparent that the federal power commission is willing to go to any length to promote the interests of the Bonneville power administration and the expansion of public power in this area, at the expense of the taxpayers and War Bond buyers of the country."
"We, on the other hand, would like to serve these war establishments and see the \$4400 annual saving invested in ammunition to supply the army engineers, who have estimated the use of the Fort George Wright pump at 500 kilowatts and the Baxter hospital at 700 kilowatts, with a total estimated energy use of 6,420,000 kilowatt hours."
"If the company supplied these loads it would, on the average, pay Bonneville annually \$8000 for dump energy purchasable under our present interchange contract for dump energy, which it would not buy if Bonneville supplied these loads. Also, if the company supplied these loads, it would pay an income tax of \$15,000 on this business, which Bonneville would not pay if it supplied them. Correcting for this pay-

Abuses War-Time Powers.
In this connection, Mr. Robinson stated, "The Washington Water Power company and the Bonneville administration have a power interchange contract under which the company agrees to transmit Bonneville power for new government owned and operated strictly war-time loads if each such load is more than 750 kilowatts. The Fort Wright pumping station and Baxter hospital loads are separate and unrelated loads, neither of which qualifies under the contract. The acts to be done pursuant to this order shall be initiated immediately and carried forward without delay, and in no event shall they be delayed pending determination of the terms or conditions of any agreement between the parties affected."
"The intent of the federal power commission to force the Washington Water Power company to allow the tax-free, subsidized Bonneville project to use the lines of the local company to transmit power at higher cost to the government, is unmistakable by the terms of the order under which the commission directs that:
"(a) The Water Power transmits and delivers for the account of Bonneville electric energy to the extent hereinabove specified as may be required for the aforesaid pumping station and hospital of the war department at Spokane, Wash., during the present war emergency and 30 days after the cessation of hostilities, unless otherwise ordered by the commission.
"(b) The acts to be done pursuant to this order shall be initiated immediately and carried forward without delay, and in no event shall they be delayed pending determination of the terms or conditions of any agreement between the parties affected."

A Two-In-One Egg BUY SMOLT RESIDENCE
Egg production at the Larson ranch has gone into high, and the other day a White Leghorn hen laid two, one inside the other. Both had fully developed shells, whites and yolks, but the inside is rather hard to get at with a knife. The outside egg, Mrs. Lilly Larson, who brought the large egg to Genesee, an egg that measures 8 inches in diameter, thought maybe her flock had sensed the good established for henfruit, and was in a patriotic mood.

Members of the several boards of trustees of school districts consolidated with the Genesee district, voted Monday evening to purchase the Smolt residence, east of the public school, which has been used as a lunch center by the outside egg. Mrs. Lilly Larson, who brought the large egg to Genesee, an egg that measures 8 inches in diameter, thought maybe her flock had sensed the good established for henfruit, and was in a patriotic mood.

Where the brick red dust blows thicker than the shifting desert sands. And a white man's dress and wishes for the greener lands.

Where the sky is never cloudy, and the grass is never green; Where the dingee's nightly howling robs a man of blessed sleep; Where we never have a pay day and never have a cent.

Where the moon is like a searchlight and the Southern Cross above, Sparkles like a diamond necklace in the balmy tropic night; It's a shameless waste of beauty when there's not a girl in sight.

Where the ants and lizards play, And a hundred fresh mosquitos replace each one you slay; So take me back to 'Frisco, let me hear that Mission Bell, For 'Frisco is the outpost, is it substitute for hell.

The above was written in Australia by a friend of Don Huffman, and was enclosed with a recent letter from the Genesee soldier from Down Under.

Get Together Club
Mrs. Florent Moser was hostess to the Get Together Club Thursday evening of last week when Miss Violet Heppner won the high score award. Mrs. James Kane, second high, and Mrs. Leo Bieren, consolation. Following play, Mrs. Moser served luncheon. Invited guests were Mrs. Ed Bieren, Leslie W. Heward, J. M. Rabdau, Alex. Hafstueher, George Anderson and Frank Jacobs.

Former Genesee Boy Receives Medal
E. E. Sides, grandson of Mrs. Maude Freeman, and a former Genesee boy, has been awarded an air medal, according to word from the 13th Naval District. Sides was given the award for heroism in the Aleutian Islands.

E. E. Sides will be remembered by many in Genesee, and was here shortly before he enlisted in the navy several years ago. His advancement was rapid, but at the present time his rating is not known here. His mother, Mrs. Ed Mihal, lives at Potlatch. The honored sailor attended Genesee schools before moving to Potlatch.

RATION BOOKS AVAILABLE FOR ONE MORE DAY HERE
Supt. Kenneth Dean and his corps of ration clerks, the entire faculty of the Genesee public schools, have registered approximately 900 applications for Ration Books No. 2, beginning Tuesday afternoon, and continuing each afternoon from 1 to 6 o'clock. The above number included registrants up to mid-afternoon Thursday, and it is expected that everyone will have registered by Friday afternoon, the final day for registration at Genesee of the public school building.

Those who register at Genesee are people living in the school districts in temporary consolidation with the Genesee district, those living in Genesee and those living in the Rimrock area of Nez Perce county.

SGT. MORKEN ON FURLOUGH
Sgt. Bob Morken, stationed at McChord Field with a signal service unit came to Genesee Wednesday from Spokane where he visited relatives. He will be here for several days before returning to his station.

Sgt. Morken, who enlisted in the army signal corps 13 months ago, is an army radio operator, and his training also included use and operation of other signal corps equipment. He does not hesitate to say that he likes army life at McChord Field, and judging from appearances army life seems to be agreeable. He is favorably located for the present at least, as he has relatives in Seattle, and a place to hang his hat on week end passes to the city.

MISS RUTH MARTINSON DIES
SUDDENLY AT ST. JOSEPH'S

Relatives and the many friends of Miss Ruth Martinson are grief-stricken by her sudden death at 8:30 o'clock Wednesday evening at St. Joseph's hospital in Lewiston. She was taken to the hospital February 26 for treatment of phlebitis, and when relatives visited her Wednesday afternoon her condition was not considered critical, but a blood clot evidently reached her heart, and death came within a few minutes after she developed faintness.

Funeral Services Today
Funeral services will be conducted this afternoon (Friday) from the Genesee Community church at 1:30 o'clock with the Rev. Melford Knight officiating.

Active in Community
Miss Martinson was born May 26, 1892, at the McKinstry ranch east of Genesee, where the family lived until 1906, the year when they moved into Genesee. She attended the high school at various times in Moscow and Lewiston, and graduated from Genesee high school with the class of 1913. She then attended the University of Idaho for one year. The deceased was employed for several years at the Follett Mercantile store.

The deceased, who gave so willingly of her time, and considered her own welfare secondary to that of others, was active in many community activities, and it may be that extra duties in the present emergency have contributed to her physical condition. For a number of years she was a member of the Genesee Red Cross committee, and during the last years of the depression she devoted much of her time to welfare work, never failing the summer of service, and further giving time, effort and financial assistance to those in need or distress.

Her active life included service also to her family, her church and community, having been for years one of the diligent Sunday school members, always present to assist with the children's Christmas programs and other events. She was an active church member and at the time of death was president of the Community Church Ladies' Aid. She was also a member of Lily Chapter of the Y.W.C.A.

Miss Martinson's death is a distinct loss to our community. Her loyalty to relatives and friends, her kindness, relief to those in need or in suffering, despite the physical effort demanded, is recorded in a life of service up to the time of her untimely passing.

She is survived by her father, Helen Martinson, her sister, Mrs. Herbert Martinson, and brother, Herbert Martinson, all of Genesee. Her mother preceded her in death May 21, 1923.

FORMER GENESSEE STUDENT
KILLED ON GUADALCANAL

Lt. Richard Paul Skartvedt, 21, son of Mr. and Mrs. S. Skartvedt of Mott, N. D., died in the line of duty on Guadalcanal January 4, according to a message received from the War Department.

Lt. Skartvedt will be remembered as a former student at Genesee high, and while attending school here lived with Mr. and Mrs. Ed Morken. He was here for part of the 1938-39 school year, and then attended the University of Idaho and entered Dickinson State Teachers college. He then enlisted in the National Guard, and at Camp Clarendon became a corporal. Two from his infantry company were chosen for special training in map sketching and aerial photography. "Dick" as he was known, was one of the men named.

He went to New Caledonia and then to Australia where he was made a sergeant, and later advanced to the commissioned rank of lieutenant. He saw considerable action with his regiment in Guadalcanal, and remembers as little children. I hope that the time isn't too far off when I can realize my plans of going home and come home once again.

"The reason that I did not get a chance to write before this is that I was in OCS and graduated only this month. For the time being I am stationed here in Asbury Park, N. J., for further training. The afterward is still a question mark.

In closing I want to thank you again for the news.

"With best wishes,
"Erick W. Steinger."

GENESEE LOSES TO TROY

Training the Troy high school for play in the district basketball tournament, the Genesee Bulldogs lost Friday evening at Troy, 17-15. The game was played at Troy on Saturday, March 13. The rest of the evening was spent in weaving and braiding.

Sunday afternoon the boys made a trip to the Potlatch canyon to work on a pole bridge. They plan to work again Saturday.

THREE CADETS TOGETHER

Bob Schooler, who left here with Gun Boatmen for Santa Ana, Calif., and were joined by Bayne Hickman, writes this brief letter:
"Dear Pete:
"I've been writing until they classified me to write to you. Finally it came through and they decided to make a pilot out of me.
"Gas, Bayne and myself are in the same squadron here, so that makes it pretty nice.
"I received my first copy of the News a couple days ago. Thanks a million.
"The food and living conditions here are swell. If it weren't for the California liquid sunshine and the thoughts of Genesee, this army life would be perfect.
"Thanks again for the paper."
"Bob Schooler."

HEAVY RAINS IN CALIFORNIA
LETTER FROM ARMY NURSE

"I have enjoyed the News so much this winter I'd like to thank the editor or the 'force,' writes Miss Edna Driscoll from Santa Monica, Calif., who also sends a clipping of a record rainfall for southern California. "A national all-time record for rainfall in a 24-hour period was set in the mountains back of Pasadena Jan. 22 and 23, county flood control officials from Bowman Field, Kentucky, showed 25.83 inches, said chief engineer of the Flood Control District," the clipping reads. Consulting weather bureau records it was found that the closest approach to this was 24 inches in 24 hours at Hearne, Tex., June 28, 1899. "Thirty inches in four days was not uncommon in most mountain areas. In the Big Santa Ana Canyon, the letting was slightly more than 37 inches. Damage to property was comparatively light.

"I hope you have dug yourselves out of all those snow drifts so graphically described in the last issue," continues Miss Driscoll. Winter in this section has been mostly of the 'unusual' variety.

"The letters from the boys in service were so interesting, I wondered if you might care to send me a description of the work of an army nurse. The writer is Miss Vivian Dimke, who was in the Marine Corps in the States and has quite a few friends in Genesee. She wrote Christmas Day from Bowman Field, Kentucky. She describes Kentucky mud and rain as being something very distasteful to an admirer of our Genesee country, such as I am.

"With best wishes to you all,"
Letter from Nurse Dimke, Ky.
"Not even in my wildest dreams did I ever dream of such adventure and excitement and the thrill of being able to help as this."
"We are here awaiting overseas. In a few days we will be on our way. Our duty is rather new. We bring patients back on large ambulance planes. These planes will hold from 12 to 18 patients. A convoy of ships is escorted across by fighting planes. One nurse is in charge of a ship and if they need pilots for bombers, we are called forward to the aid of doctors at fueling stations.
"This has been a strange Christmas day. We had a class in chemical warfare this afternoon. Twenty-five girls left this evening, but we are too busy to get the blues, and the girls are a little bored. I am happy to be in spite of hardships. Am willing to endure anything and know worse is coming.
"What do girls want for Christmas? Things we can't have as we are only here for a day or so—a mirror, an ironing board, a nice big tub to take a bath in, a dresser, and clothes besides uniforms to wear. But we are not to expect these luxuries after the war."

BOY BREAKS LEG

LaVern Scharnhorst, nine-year-old son of Mrs. Viola Scharnhorst, had his right leg broken between the knee and ankle Wednesday afternoon at school. He was helping other boys in his grade move a piano when it fell over on him. Practicing for an opera, children in Miss Elsie Smith's room, including LaVern, hurried to the gym to help and before Miss Smith arrived the accident happened. Ben Cook administered first-aid after which the boy's mother and Miss Smith and George Scharnhorst took him to Uniontown, and from there he was taken to the Colfax hospital. Ownership of the piano was given to the father for two or three days. Mrs. Scharnhorst remained in Colfax with her son.

MOTHER OF MRS. NORDBY DIES

Mrs. B. P. Ludwans of Moscow passed away Thursday morning at 6 o'clock at her home following an illness of several months. Mrs. Ludwans was the mother of Mrs. R. E. Nordby of Genesee. Funeral arrangements are pending.

YOUNGSTERS MAY ENLIST IN MARINES

Men who are 17 and not yet 18 years of age may still enlist in the United States Marine Corps, according to Staff Sgt. Clifton A. Musselwhite, in charge of the Marine Corps induction and recruiting station at Lewiston. At present we can accept for enlistment all 17-year-old men who can pass the physical and other requirements of the Marines, Musselwhite said.

March 8 sees the American Red Cross begin its yearly drive for funds. The present war magnifies the need for help as the Red Cross follows the armed forces across the world. The speaker of the Red Cross at the match today is Mrs. A. A. transplanted over there." And in addition to giving aid to fighting men the Red Cross must be ever prepared for local needs which arise. So, no matter how meager our contribution may be, it is badly needed. Help the Red Cross now; some day it may help you.

BONNIE JEAN SMITHWICK

Miss Bonnie Jean Smithwick was born in Genesee, Idaho, and attended the first four grades at Lone Star school. In 1935 Bonnie came to Genesee to complete her grade and attend high school. She is now in her senior year she is taking shorthand, commercial law, English IV and U. S. History.

She has many hobbies, some of which are stamp collection, collection of match folders, books written by Zane Grey and works of Edgar Allan Poe. Two other favorite pastimes are dancing and sports.

Miss Bonnie Jean Smithwick is a light but I've seen more exciting places. After graduation she plans to attend trade school or business college in Seattle.

High School Dance

Wednesday evening the basketball game with Troy, all the high school students and Troy players remained to spend the evening, just as before, was furnished by the phonograph, records being supplied by students. The dance lasted until about 11 o'clock. Everyone was in good spirit after a victory over the Troy Trojans, and the evening was enjoyable.

News

On Monday of this week school resumed earlier, at the old time of 9 o'clock.

Sports

Miss Mrs. Henry Zellerhoff, Ralph Scharnhorst, son of Mr. and Mrs. Chris Scharnhorst, who is with the armed forces at Ft. Knox, Ky., writes of a change of address:
"Dear Pete:
"How's everything going with you? The weather has been swell here lately. I have been moved up to the 10th Air Corps, where I am now attending school, which has been swell so far.
"I have been getting the paper right now, but I don't want to miss it. I also want to thank you for all the better you go to in seeing that we get it."
"Ralph."

BONNIE LANGE TO SPARS

Miss Bonnie Lange received a sheaf of government papers last week containing her orders to report at Huntley College, New York, for training as a member of the SPARS, women's auxiliary to the U. S. Coast Guard.

Parents of Daughter

Mr. and Mrs. Levern Chase are the parents of a daughter born Tuesday, February 23 in Spokane. The baby was named Rose Marie. Mrs. Chase formerly Mrs. Marjorie Kries, daughter of Mr. and Mrs. Pete Kries of Spokane.

HEY! LOOK HOW "N.P." IS TELLING THE STORY OF IMPORTANT WAR INDUSTRIES IN THE NORTHWEST! THIS AD IS ONE OF A SERIES NOW APPEARING IN THE SATURDAY EVENING POST AND 6 OTHER NATIONAL MAGAZINES.

Recipe for a glider:
TAKE ONE Douglas fir tree, peel into sheets, place crosswise, press together, sand and cut into sheets of plywood. Next, place plywood on glider-form, bake, allow to harden, remove. . . .
There's roughly, you have the "recipe" Uncle Sam now uses to make gliders for our Air Forces, and for the main ingredient of this recipe—plywood—Uncle Sam depends largely on manufacturers in Washington and Oregon. From these States comes 85% of the plywood made in this country—for gliders, trainers, transports, barges, torpedo boats, pontoon bridges and many other wartime jobs.
When war came to America, plywood plants, like many other vital industries in the Northwest, found Northern Pacific Railway well equipped to handle the extra load. Even before Pearl Harbor, thousands of tons of plywood were rolling east to manufacturing centers via the "Main Street of the Northwest."

An Orchid to You!
FOR HELPING TO SAVE TIRES, GASOLINE, MANPOWER.
Like other companies, utilities, too, must conserve tires, gasoline, manpower* and machines — all needed in the war effort. Several months ago, we asked our customers if they wouldn't cooperate by paying bills within 10 days after receiving them — and thus help conserve these materials. The response was amazingly good, and we hereby tender an orchid to our cooperative customers, who have added another patriotic contribution to the war effort.

THE OLD JUDGE SAYS . . .
"Looks like a pretty expensive cigar you've got there, Judge."
"Yesiree, it's a real good one, Bill. Won't it be Chris down at the cigar store yesterday. He got pretty positive in a discussion we had and I had to take him up on it. Bet me three good cigars to my one that the three states that still have prohibition have less crime than the other states. Well, all I had to do was step across the street to my office where I had some recent F. B. I. figures in my desk drawer. Why, on the average, those three states have a worse crime record than the whole rest of the country. And there's a good sound reason for it, Bill. There's no such thing as a dry community. It's only a question of whether liquor is sold legally or illegally. And when it's sold illegally it means bootleggers, gangsters and more crime."

DISTRICT BB TOURNAMENT
The second district basketball tournament which started Wednesday afternoon in Lewiston is rolling along with only one team, Troy, eliminated out and including Thursday afternoon. Following the scores in the district playoff dates:
Kendrick 30 - Kamiah 24
Lapwai 27 - Orofino 22
Troy 18
Craigmont 31 - Grangeville 19

Craigmont, with its team of veterans and a string of dependable sub-stitutes, is strongly favored to win the district play-off, with the runner-up team very much in doubt. Kendrick had no trouble with Kamiah and Lapwai, but was outplayed by Orofino.

Supt. Kenneth F. Dean, secretary-treasurer of the Second District Athletic division, is in Lewiston for the tournament.

LAND TRADING FOR BETTER CONSERVATION
(By J. M. Rabaud, SCS)

Here in the south end of Latah county some of the farmers have "traded land with their neighbor and by so doing can now farm around the bill" on the contour. Trading land in this way need not constitute a change in ownership. Two farmers agree on a "swap" and the property fence is changed.

It has been said we are farming a round country square. This is true as the land is rolling and property lines are straight. Where a property line fence crosses a hill it makes it impossible for the adjoining fields on the contour. The tillage operations must be straight up over the hill and down the other side. Making application of the same, and they grow about the same things. The people are mostly French and Arabs, so that part isn't like California.

"Most of the traffic in the roads is made up of cars, but from one to four mules on them, and the funny part is, the mules are always hitched strung out, single file. A four-mule team hitched like this takes more of a pack string than a team. Did you see one team hitched different in Orem. It was in a heavy wagon and was hitched three on the wheel and one in the lead. Quite an outfit, what? I have seen some of the American Legion at Genessee, we are certain, will gladly provide a case in which they may be used. Capt. Hove states, they will be employed in later years. So, fellows, those who can, drop around to the post office, center, Q. M. store, Post Exchange, buy some shoulder patches are sold, and buy one of your unit. It will be kept for you until you get home, and that time will be on display here. Of course, some of you fellows in over-stress and no going out, but just buy just anything you want, but if you can send a shoulder patch of the fellows get hold of the Legion or The Genessee News.

Capt. Hove also writes:
"Dear Pete:
I have to keep in contact with the Home Town. The News comes regular as pay day which are both good and bad. I have received the paper now for over two years and we of the armed forces are proud of such a publication and Legion at home that makes home news possible.

"We of the Airborne are trained for jungle or desert fighting; whether we see Africa or the islands, no one knows.

"The weather here has been very cold and dry and when I say cold I mean freezing. The farmers have started stirring in their fields, and those that are going to grow tobacco have large notes on the boys, and then later the plant is transplanted in the field. I have been told that tobacco is a very costly crop to grow, as well as to harvest. A small field of tobacco successfully raised can yield a large income. The main crop in this section of the country. As far as I know, the boys are not growing any more peas and what is springing up are extra notes. It is hard to think of those squirrels that need 'trapping' and the fence posts that need 'driving', and me so far away.

In appreciation to Pete and the Legion who like us Genessee all well. Hello to all. My wife and I are both well.

"Kermil."

LT. GLENN MAYER VISITS HERE
Lt. Glenn Mayer of the 39th Engineers, who is stationed at Camp Claiborne, La., arrived last Thursday to visit his wife and daughter, who are here in Genessee. Mayer and his wife, Mrs. Chas. Ingie, four days coming to Genessee and four days returning to Camp Claiborne. Mayer is a member of the 39th Engineers, and left his wife a three-day extension. He left Thursday on his return to Louisiana.

Lt. Mayer entered the army as a private in the quartermaster corps in California, applied for officer candidate school in the engineer corps, and was commissioned at Camp Belvoir last August. He also was at Camp Swift, Texas for four months.

Lt. Mayer would like to have his family near his camp, but it's impossible while he's at Claiborne. The town of Alexandria, La., about 3500 population serves live or six months at bases, and every available place to live is taken.

Glenn would like very much to be transferred to a divisional regiment of engineers, but at present his unit is training for duty with civilian contractors. It's really surprising that two years in the army or any other branch of the service has done to young men. They are all in the best of health, look fit and are trained down to fighting condition. Appearing in Genessee with a sun-tan in late winter season, but of place, but the sun, wind and sand is responsible.

HELLO TO EVERYBODY
Jack Flomer, training at Camp Santa Anita, writes briefly as follows:
"Just a line to let you know I am fine and to thank you and the Legion for the paper. We had a flood here as the picture on the cover of the 'Man Of War.' Well, Pete, tell everybody 'hello' and hope they are all well and happy."

The picture referred to was that of a soldier standing on a table with his hands rolled, and another soldier with his feet in the water, both in

DONS BLUE OF THE NAVY
Farragut, Idaho, Feb. 23—Joining the ever-expanding forces of the U. S. Navy, Ralph Kluss, son of Mr. and Mrs. Rudolph Kluss, Genessee, Idaho, this week donned the smart, historic uniform of a bluejacket and began his training at the U. S. Naval Training Station here on the shores of Lake Pend Oreille.

The next few weeks will be momentous ones in his life as he learns the fundamentals of seamanship and undergoes the rigors of the navy physical hardening program.

Shortly, however, he will have completed basic training and then will be sent to a navy service school or assigned directly to the U. S. fleet, for combat duty against our axis foes.

Hunting Ammunition Limited
John G. Meyer, at the Cash Hardware, has received instructions and official blanks for making application of ammunition, both shotgun and rifle. Each person who can qualify, according to regulations, can purchase 100 rounds of 22 long rifle cartridges, 40 rounds each of 30-30 and 30-06 caliber cartridges, and 50 rounds of 12-gauge shotgun shells. Perhaps one person is unable to purchase his allotment of all four, but if such ammunition is to be used for protection of animals or rodent control they are available in the limited quantities. You may wish to call on Cash Hardware for complete information.

ROY GARRET TO TOLEDO
Leroy Garrett, who is home from Farragut Naval Station, will leave for Tacoma to visit friends for a few days, and on his return to Genessee will go back to Farragut to await the draft of sailors for specialized training. Leroy has learned that he will go to Toledo, Ohio, to study for a navy storekeeper in the clerical division. Prior to enlistment six months ago he was employed in a bank at Tacoma. He is now on an eight-day leave and will meet Tuesday by his parents at Uniontown. He was also at Genessee Saturday night and Sunday morning on a 48-hour liberty. Leroy was met at Farragut by Rev. C. M. Gebhardt, who with others, visited at Coeur d'Alene.

Leroy says he likes navy life very much and is anxious to continue his training. Beans for breakfast, and other trainees get them often, are not enough to change his mind.

FLOYD HOVE IN FLORIDA AT SPECIAL TRAINING SCHOOL
This new army is forever bringing out something new in combat units. The latest known to land-locked Idaho is being an ambitious group of aviators. Floyd Hove is in such a unit and is training at Fort Pierce, Florida. He writes:
"Our first two weeks we learn airplane fundamentals for two hours every morning, then we do actual work. Of course it will be practice every day. We are now on our fourth week of school and that is almost gone. The course takes 16 weeks, so it will be some time before I leave here, unless they think I'm not worth keeping. Those who fail to get along are taken out and given some detail work, so I guess it means hit the ball and learn everything you can."
"This is not a regular army camp but a special school for aviators. I am going to an acetylene welding school. Of course there are more classes taught here, such as engine repairing, sheet metal, airplane mechanics and propellers. They are all classed in two groups, either 'D. O.' which is depot overhaul, or 'L. M.' which is inspection and maintenance. There are quite a few men going to the different schools. We have a new class coming in every two weeks, and one going out."

Palouse Area Purebreds
TOPS AT SPOKANE SHOW-SALE

Purebred Shorthorn cattle bred and owned in the Palouse country were among the tops at the annual show and sale at Spokane, March 3 and 4. Carl Greif's Sunrise Queen of Beauty 6th, sired by Robles Matchless, sold for \$285 to L. A. Strain of Lalla, W. W. Latta. This was the grand champion heifer at the show and sale, and was first in her class and in the cow class.

Sam Lange Bull Second
Allendale Liberator, bred by J. D. Allen, Libertyville, Ill., and purchased by H. E. Brown, Sandpoint, Idaho, won the grand championship for bulls in his class, which included the bulls sired by Robles Matchless, sold for \$285 to L. A. Strain of Lalla, W. W. Latta. Those who witnessed the competition in judging said it was a close contest between the Brown bull and Lange's bull, Sunrise Perfection, winner of the reserve grand championship award.

Sunrise Perfection, bred by Carl A. Greif, and the property of Sam Lange, which was reserve champion, sold for \$550.00, and went to M. D. St. John at Palouse, Wash.

Sunrise Cometh, also bred by Carl A. Greif, and owned by Sam Lange, sold for \$325.00 to H. E. Brown, Sandpoint, Idaho. Mr. Hayes who has a large commercial herd of grade cattle, has been buying Greif-bred bulls for 15 years, and had his mind made up on the Lange bull for his herd. This is the second consignment to the Lange family, and this year he repeated with another winner.

Now Wright, another Shorthorn breeder of this area, sold his junior bull, Mountain View Clipper.

MOTHER OF MRS. NORDBY DIES
Mrs. B. P. Luvas, 69, Moscow, the mother of Mrs. R. E. Nordby of Genessee, passed away last Thursday morning at her home. She leaves her husband and 13 children, Mrs. R. E. Nordby, Genessee; Mrs. Ed Maguire, Moscow; Mrs. E. Anderson, Mrs. Ernest Phillips and Mrs. Herbert Kroll, Spokane; Mrs. Leland Barbee, St. John; Mrs. Alice Vanhook, and Mrs. Richard Burr, Washington, D. C.; Donald Luvas, Moscow; Marvin, Eugene and August Dahn of Moscow, and Conrad, Camp Robinson, Ark. She is also survived by a sister, Mrs. A. P. Hegge, Spirit Lake, and two brothers, Fred and August Dahn of Moscow, and 18 grandchildren.

Funeral services were conducted at Moscow, from Our Saviors Lutheran church, Tuesday at 1:30 with the Rev. P. S. Veldey, assisted by two nephews of the deceased, Rev. Eddie Ostroff, Coeur d'Alene and Rev. Peter Luvas of Genessee, officiating.

Be Strong!
We are not here to play, to dream, to drift; we are here to do, to lead, to lift; to stand up, to speak out, and bravely in God's name.
Be Strong!
How hard work to do, and loads to lift; Shun not the struggle—fact is; 'tis God's gift.
Be Strong!
Say not, "The days are evil. Who's to blame?" And hold the hands and equanimity—oh shame! on, speak out, and bravely in God's name.
Be Strong!
It matters not how deep intranced the wrong; How hard the battle goes the day; How long; Paint not—fight on! Tomorrow comes the song.

GENESSEE VALLEY NEWS

March weather is running true to form with plenty of squalls and cold wind. The temperature dropped to near zero Friday evening but moderated the next day. Genessee Valley can boast many rolling and winding vicinities, one being celebrated this week. A full report will be given next time. It is a long time to live with one man in these modern times. We heard a girl was married in Moscow recently and she kept her fingers crossed during the ceremony. She probably won't celebrate her 50-year anniversary.

Mrs. Fred Howe and Mrs. Frank Hoorman went to Spokane by bus on Thursday to spend the day. Mr. and Mrs. Robert Berger and daughters and Miss Genevieve Berger drove to Lewiston Sunday and had dinner at the Herb Berger home.

Mrs. Lily Larson called on Mrs. R. E. Nordby Friday afternoon. Mr. and Mrs. John Eikum spent Wednesday evening at McBridge's. Mr. and Mrs. Herman Isaksen and daughters and Fred Tech were Sunday dinner guests of Mr. and Mrs. Fred Howe, celebrators of Mrs. Howe's and Clara's Isaksen's birthdays.

Mr. and Mrs. W. H. Rosenau returned Monday from Rochester, Minn. where Mrs. Rosenau received medical care. They are visiting at the home of Mr. and Mrs. Rosenau.

Mr. and Mrs. Art Borgen called at Ben Johnson's Friday evening. Mr. and Mrs. Sam Lange and Bud returned from the Shorthorn sale in Spokane Friday. Mr. Lange received the prize for reserve champion bull and a fancy price for the two registered bulls he sold at the sale.

Sunday afternoon callers at Hugo Gehrke's were Mr. and Mrs. Martin Liberg. Mrs. Belle Hanson and Mrs. Chas. Cramer called at Nels Lande's Sunday afternoon.

Sunday dinner guests of Mr. and Mrs. Gus Rosenau were Mr. and Mrs. Dave Garrett and son, Roy; Miss Mona Myers, Rev. T. M. Gebhardt and Mr. and Mrs. Lee Webb of Reubens. Mr. and Mrs. Leon Danielson and daughters visited at Wm. Borgen's Sunday afternoon.

Mr. and Mrs. DeLos Odenberg were

still "roasting in the rest camp" in New Guinea, and wishes he had some snow to cool him off. His Christmas packages are slowly coming in, having received five of the 12 that are known to have been sent him. He says he would have been glad to send gifts to friends here but all they have where he is are mosquito nets, malaria and heat. He says he is as brown as the natives and if he don't get a hair cut soon he will look like one too. The boys are all going for the time when they can get back to the good old U. S. A.—never to leave it again, they hope.

Mrs. Annie Danielson, Clarence Danielson, Mrs. John Eikum, Mr. and Mrs. Vic Danielson, Mrs. Lily Larson and Elmo attended the Luvaas funeral in Moscow Thursday.

Mrs. Annie Danielson and Clarence were Sunday dinner guests of Mr. and Mrs. Vic Danielson.

Mr. and Mrs. Pete Isaksen spent Tuesday evening at West's home. The sympathy of the community goes to Mrs. R. E. Nordby in the loss of her mother, Mrs. B. P. Luvaas, of Moscow.

Mrs. Annie Danielson and Clarence had birthday dinner with Clarence Bakken in Moscow Saturday.

Leon Eikum attended the tournament in Lewiston over the week end, staying at the Fallwell home at night. A baby daughter was born to Mr. and Mrs. Leon Danielson at St. Joseph's hospital Tuesday morning. The child, staying at the Fallwell home, has not been chosen as yet.

Attend Funeral in Moscow
Mr. and Mrs. John Luedke, Mrs. L. Roy Harris and Mrs. Robert Erickson, the letter of Spokane, visiting here attending funeral services in Moscow Saturday for Mrs. Walfrid Lundquist. The deceased at one time taught commercial subjects in the Genessee high school. She is survived by her husband and daughter, six years old. She was the former Miss Ethel Anderson.

Mr. Luedke was one of the pallbearers.

Honors Birthday
Mr. and Mrs. Fred Ehrhard entertained Saturday evening with a bridge dinner honoring the birthday of Mrs. Otto Schwenne. Guests besides Mr. and Mrs. Schwenne were Mr. and Mrs. Robert Berger, Mr. and Mrs. Frank Wm. Jenkins Friday afternoon.

Miss Beuletha Nordby came from Kamiah Friday evening in Moscow Saturday for Mrs. Walfrid Lundquist. The deceased at one time taught commercial subjects in the Genessee high school. She is survived by her husband and daughter, six years old. She was the former Miss Ethel Anderson.

Mr. and Mrs. Archie Tegland and Mrs. Wm. Meeks visited at Ben Sather's in Moscow Sunday.

Honors guests of Mr. and Mrs. Nelson Berg and Mr. and Mrs. Carl Peterson of Mayville, N. D., brother and sister of Mrs. Ben Sather, also Mr. Elmer Hovland, Mrs. Lowell Harmon, Mrs. George Sparding of Los Angeles, sisters of Alton Sather. The card party on the golden wedding festivities of Mr. and Mrs. Ben Sather.

Mr. and Mrs. August Johnson, Miss Ethel Johnson and George Johnson spent Sunday at Hjalmar's Olsen's near Troy.

Mr. and Mrs. Pete Isaksen called at Herman Isaksen's Tuesday afternoon. Norris Sather, stationed at the Richman, Va. base, is here on furlough visiting relatives.

Mr. and Mrs. Fred Judd and Betty spent last week at Jim Magee's. The Cloverleaf Club gave a benefit card party at the Thorncreek school house Saturday evening. The proceeds went to the Red Cross.

Mr. and Mrs. Hugo Gehrke, Rev. T. M. Gebhardt and Mrs. Dora Nebelstiek and visited Irvin Nebelstiek.

A family dinner will be held at the Ben Sather home in Moscow Wednesday with all their children present. Next Sunday the Sathers will have their house at the Red Cross rooms. At 2 p. m. Friday at the Parish hall old neighbors and friends of the Sathers will give a reception in honor of their fiftieth anniversary.

Mrs. Ed Strate was hostess to the Blue Bird Club at her home Wednesday afternoon. Mrs. James Archibald, new president, presided. It was decided to meet in the homes once a month and work at the Red Cross rooms also. Jokes, pictures, and so forth, are to be brought next time to make scrap books for the U. S. O., also Christmas cards for the Lewiston Children's Home. Miss Ethel Johnson will be the next hostess. Guests were Mmes. John Eikum, Ralph McBride, Harry Emerson, Chas. Kramer and George Nelson. A letter was read from Mrs. Orla Johnson, former member, commenting on the 21st anniversary of the club. Mrs. Strate served delicious refreshments.

A V-Mail letter from Sgt. Roy Weid, dated Feb. 12, states that he is

Densow, Mr. and Mrs. David Kuehl, Mr. and Mrs. Ray Edwards, Mr. and Mrs. John Luedke, Mr. and Mrs. W. M. Herman, Mrs. Anna Hanson and Mrs. Dora Fish. High score awards at bridge went to Mr. and Mrs. Densow and the consolation to Mr. and Mrs. Edwards.

IN LOVING MEMORY OF RUTH MARTINSON

As I look to the hill where the tall pines blow
I think of my friend of the long ago
Who marched through life with banners high
For, her soul must live though the body die.
When the boys were small who are far away,
How she met them there with a smile each day
And taught them there in the Sunday school
How to live their lives by the Golden Rule
And I'm sure when she enters the gate so fair,
The Christ whom she loved will meet her there,
And say, as he said in His Holy Word,
"Enter thou into the joy of the Lord."
A Friend.

54th ANNIVERSARY W. W. P. CO.
Commemorating the 54th anniversary of the founding of the Washington Water Power Company, 1,089 employees who have served more than five years with the company will be honored at informal employee meetings to be held Saturday night, March 13, at various division offices throughout the Inland Empire.

Service pins will be awarded the employees in the various year groups including those in the 20 to 50 year groups who have won pins in previous years but this year are eligible for new pins.

For the Palouse division of the Washington Water Power Company, the birthday celebration will be held at Pullman, according to J. D. Lewis, division manager.

Floyd Ochs, manager for the company at Genessee is in the 15-year group. John Black, who was here before Floyd Ochs, is also in the 15-year group, while Vern Beckman, now at Palouse, is in the 20-year group.

Birthdays Party
Lt. Glen Mayer who was here from Camp Claiborne, La., on leave, was given a birthday party Saturday evening at the home of Mr. and Mrs. Chas. Angie. Others present were Mrs. Glen Mayer and daughter; Mr. and Mrs. Clinton Herman and son, Charles; Mr. and Mrs. Clifford Herman and Mr. and Mrs. George Earling. Cards were enjoyed during the evening after which a birthday luncheon was served.

Mrs. Kate Johann, Mrs. Joe McLaughlin and Mrs. Ray Johann returned last Friday from Seattle and Winlock, Wash., after being away for a week. In Seattle they visited Fred Johann who is taking a course at the Boeing Aircraft plant, and who expected to be transferred this week to an army headquarters by Miss Marie Wernecke who intends to take a short training course before she joins her sister, Mrs. Laughey as an employee at Consolidated Aircraft.

Mrs. Laughey and Marie are daughters of Mr. and Mrs. Albert Wernecke. Mrs. Laughey is now a foreman with the Day-Majer company. On their trip they planned to visit friends in Idaho.

RED CROSS NOTES
Red Cross work in Genessee is taking on new impetus. Fifty-two women were present Monday afternoon and they made 2200 dressings. The Bluebird club came as a group. John Luedke invited the harem and took several flash pictures of the women at the home of Mrs. Wm. Meeks. Ed came in and the Nutrition club and Cloverleaf club will make their bow to the group—and so the good work goes on. Thirty-six hundred dressings were taken to Moscow Friday from last week's efforts, making the total 28,150 delivered so far.—J. B. W.

BOOK DRIVE TO START

Reddy Kilowatt's Birthday Contest (Official Entry Form)

When the Washington Water Power Company was first organized in the year 1889 Washington was a possession of the United States. Indians watching the white men dam the Spokane river at the falls could not understand how the machinery could make electricity to light the streets and buildings in the little town.

The pioneers who started the Washington Water Power Company 25 years ago had many handicaps to overcome; but as time went on the company grew until today it serves about 67,000 customers and has a total of 32 electric generating plants all connected together and so widely separated that a bombing raid would find it difficult to destroy the electric service.

Washington Water Power Company electric rates are among the highest in the United States. About 5c of every dollar the company receives for electric service is for taxes, a large part of which helps support Inland Empire schools.

After the war is over the Washington Water Power Company hopes to bring many new conveniences to its customers through electric service — and continue to help build the Inland Empire.

THE OLD JUDGE SAYS . . .

"Judge, there's been quite a bit of talk going around about prohibiting liquor in various spots around the country . . . around the Army camps for one thing. What do you make of it?"

"Well, Henry, I size it up about like this. It looks to me like the folks who are doing the talking are shouting a little bit higher than most people seem to realize. Sort of like the salesman who gets his foot in the door and before you know it he's sold you a bill of goods. Wouldn't surprise me a bit if that they're really aiming for to take in the whole country again. We all know it didn't work the last time. All we got was bootleg liquor instead of legal liquor . . . plus racketeers, gangsters and the worst crime wave the country ever saw."

"Seems to me we've all got our hands full to win this war without starting up an argument we just got through settling a few years back."

ON MONTH'S LEAVE

Thirty days of shore leave is the reward of S. S. Wetzel, who has been with the Merchant Marine for ten months. Serving under the Maritime Commission, much of his time has been in the South Pacific, his last trip requiring about five and a half months. He would like very much to tell of the places he has been, but such information is not publication. He did say that he met a number of our fighting forces from the Solomon, but where he was not at liberty to disclose. He has also seen captured wounded Japs, and what he has learned about them is not complimentary. People at home are supplying our fighting forces with everything needed and as fast as can be expected, but the conditions under which our Pacific are much in contrast to conditions here. The men are in the shade, under which men labor, both on land and sea, makes our 100 in the shade, and we sometimes experience, seem like cold, rainy weather. Mr. Wetzel has nothing but praise for our men in the South Pacific, and would like to tell the incidents which he has witnessed. He did say, however, that his freighter had not been damaged but that there is some anxiety among crews as they slip into harbor under cover of darkness or in the middle of the night. It is true that we have lost some ships he says, but the loss is very small compared to Jap losses, and is not as serious for the United States as the Japs would have us believe. Mr. Wetzel is here to visit his wife, a member of the Genessee school faculty, and will spend some time with his parents in Portland. He expects to make his fall 30-day trip, but is beginning to look up Maritime Commission headquarters, with the intention of "shipping" again when the time comes. He has also seen service in the Merchant Marine in the Caribbean and along the east coast.

INSPECT RED CROSS ROOMS

Wm. Hall, area surgical dressing supervisor from San Francisco, was in Genessee Thursday to inspect Red Cross rooms. Accompanying him were Mrs. Mabel Walter, county surgical dressing supervisor, and Mrs. M. E. Cornell, county room chairman of Moscow. They complimented Mrs. J. P. Wedin, Genessee chairman, on the fine showing the women of this community have made in workmanship and the number of dressings made.

HAVE YOUR GARDEN PLOWED

To assist in the garden-for-victory program the Genessee Civic club Wednesday evening named David Kuehl of the Soil Conservation Service to assist in the plowing of gardens. He will be notified by David Kuehl, and in this way there will be sufficient acreage to justify bringing in machinery for the purpose.

PROGRESSIVE PICKUP

Members of the Progressive Club will meet at the home of Mrs. W. M. Herman March 17 for a pickup luncheon at 1 o'clock.

SOME WINTER DAMAGE

Additional spring work confronts ranchers of the Genessee country who are now beginning to plant. It is certain that a large acreage of this crop has winter-killed, usually the result of the spring weather. Some growers who are certain their crops are damaged have intimated that barbed wire is being contemplated. It is too early to determine damage to the spring crop, but it is known there has been some loss due to the cold weather, and the more the weather warms, the more evidence a determination to hold out as long as possible. Here and there some ranchers have decided to help in the reduction of snowdrifts.

GENESEE PASSES OBJECTIVE IN RED CROSS FUND DRIVE

With a goal of \$650 set for the Genessee community, loyal citizens of southern Latah county, from the Little Potlatch to the Washington line and north to Thoremeck, by-passed their objective early in the Red Cross War Fund campaign, and by Tuesday evening total membership dues and donations amounted to \$1,531.45, perhaps the greatest over-subscription in any of the Latah county communities. The Latah county goal of \$700 was subscribed soon after the various committees went on the field, and by Tuesday the county total for well over \$15,000.

ANNUAL LOG DRIVE DELAYED BY SNOW AND COLD WEATHER

Start of preparations for the annual spring log drive down the Clearwater river to the Lewiston mill, Potlatch Forests, Inc., has been delayed because of cold nights and slow progress in the timber areas. Back where the drive has its origin and will likely get under way until some time in April, says P. F. I. general manager, C. L. Billings.

Well, the third week has finally come to an end in a rush of last minute "cranking" and the regular "pig" tests. And now we have the final quarter of this year to look forward to. The Seniors are beginning to feel their age and are drawing near to start on plans for the "sneak," painted, class play, and their commencement exercises. Part one of the program is laid upon the Junior class chaperones. Then the band and chorus are making preparations for the coming music meet in all, looks like "spring fever" won't be able to secure a place on the school's crowded schedule for the coming season.

Well, the third week has finally come to an end in a rush of last minute "cranking" and the regular "pig" tests. And now we have the final quarter of this year to look forward to. The Seniors are beginning to feel their age and are drawing near to start on plans for the "sneak," painted, class play, and their commencement exercises. Part one of the program is laid upon the Junior class chaperones. Then the band and chorus are making preparations for the coming music meet in all, looks like "spring fever" won't be able to secure a place on the school's crowded schedule for the coming season.

Speech Class Plays

A sign of relief passed over the Speech Class members at the conclusion of the plays. After three weeks practicing everyone was glad after the first curtain went up at 8 o'clock immediate progress began on the second act.

Miss Bonnie Lange, who enlisted in the SPARS, women's auxiliary to the U. S. Coast Guard, is now at Bldg. M, Apt. 1-E, U. S. Naval Training School, The Bronx, New York. Under date of March 6, she writes:

"Dear Ollie and Pete: Please start my News subscription again to the address on the opposite side. I've been here since Wednesday and so far we've done nothing in particular but eat and sleep, waiting for all the 5000 girls to get here this week. We had captain's inspection this morning at our apartments, which caused quite a flurry. One girl arrived yesterday with innocuous and cheerful, fur coat and orchids, and asked an ensign to bring in her bags. Classes and drilling begins Monday. Everyone is having fun, even our officers. There are only minor gripes, now and then—some feet."

GOLDEN WEDDING OBSERVED FOR MR. AND MRS. SATHER

An occasion long to be remembered by the Sather family was the golden wedding anniversary of Mr. and Mrs. Ben Sather, old time residents of the Valley, now spending their sunset days in Moscow. Festivities began Wednesday with a family dinner with all the children present except Olive. Friday afternoon 60 old neighbors and relatives gathered at the Parish hall to honor them. A long flower decorated table, centered with a beautiful gold-trimmed cake and flanked by Norwegian bakings of all kinds, and coffee furnished the refreshments. Mrs. Vic Danielson sang "Believe Me If All These Endearing Young Charms," and "God Will Take Care of You." Rev. Veldy gave an appropriate talk and presented the honored couple with a purse from the guests.

Sunday afternoon at the Sather home in Moscow the family held open house to Moscow friends, when Mrs. Art Tegland, Mrs. Wm. Meeke, Mrs. Allen Sather and Mrs. Ed Erickson poured at a lace covered table centered with another lovely cake. About 60 called to congratulate the couple. Mrs. Julia Smith and Mrs. Lena Hernan were the callers who had known the Sathers the longest time. The guest book, with nearly 150 names, will be treasured by the family. Those attending from the Valley were the Fred, Art and Wm. Hove families, Mr. and Mrs. Art Tegland and Allen Sathers. We send our best wishes for many more happy years together.

Gold wind and snow and measles. Everyone is breathing a sigh of relief that the income tax blankets are on their way and the banks did a land office business, raising money to pay the tax. The next new deal headache is the fuel ration cards. We

VITAMINS YEAR 'ROUND
People seem to have the impression that you only have to take vitamin tablets or capsules during the winter months. That is a mistake. To get the full benefit of vitamins you have to take them during the summer as well as winter. You should take vitamins more than ever because food rationing will not give you the required vitamins necessary to good health.

"I was just talking about that with Will down at the barber shop about ten minutes ago. Tell you what I told him, Ned. I say it's up to the Army to decide. Why should we walk in and tell the Army how to do its job . . . any more than I should tell you how to go about putting out a fire? And here's something that strikes me funny. All this worrying seems to be about the boys' conduct around the camps here in this country. You never hear a word of worrying about them drinking when they go abroad. Kind of queer, isn't it, Ned?"

GENESSEE VALLEY NEWS

Spring is pecking around the corner and all sorts of machinery, seed peas and so forth are going by on the highway as the farmers shake a leg to get ready for spring field work. Snow on the north slopes is getting thinner and it is warm rain that is putting the finishing touches to it. Farmers skeptical over some varieties of winter grain being yet alive, after a month of freezing and thawing. The highway has stood up better than usual this year and only a small amount of patching has had to be done. Several from the Valley attended a farm sale on Bear Ridge Tuesday and they reported two feet of snow over there. Prices went sky high on everything sold. Farmers have a good many things to be thankful for—one of them being they were not caught short of butter and fats in the freeze-up Sunday.

The Art Tegland family has been having a round of flu recently. Mr. and Mrs. Ernest Nygaard, of Moscow had Sunday dinner at Ralph McBride's.

Have a Victory Garden

Eat what you can, and can what you can't eat

A good vegetable garden is needed for every home. It will add to the health of the family, give pleasure, furnish fresh vegetables and save a lot of money. At this time, especially, everyone is urged by the government to plant a garden. In view of the need of information on gardening we have been able to purchase a number of books on Victory Gardens, edited by L. A. Hawkins, noted garden and orchard adviser. These books contain not only the supply lists at our office. These books contain not only preparation of the seed bed and planting, but methods of weed and insect pest control, and the 70-odd pages of information will prove of value to everyone who plans a garden.

FARMERS CAN SAVE ON TAXES

If a farmer desires to shift from a cash basis to an accrual basis in filing income and returns it is necessary for him to make a request to the Commissioner of Internal Revenue, Washington, D. C., before 90 days of the close of the year. April 15, 1943. The request must be made. An inventory of the farm assets and liabilities as of the beginning of the year should be taken immediately.

In the long run a farmer will pay income taxes on about the same amount of income as he would otherwise pay, but the amount of taxes will be different. A farmer frequently holds crops over from one year to the next and often markets more than one year's production in a given year. If he is on a cash basis this will result in a higher rate of taxation than if he files on the accrual basis.

Adjustments are made for changes in the inventories at the beginning and end of the taxable year. Except in very rare instances, the accrual method means less taxes.

Farmers should keep a careful record of wages paid as a record for the payment of income taxes. Farmers and agricultural workers (in the present set-up) do not pay this immediately, but must pay it when they submit their income tax returns for the year of 1943.

BOZETTS IN CALIFORNIA

Mr. and Mrs. Wm. Bozett, who moved to Clarkston a few years ago, are now living in California, according to a letter received from them recently. It reads:

"My address will be 531 Annetto Ave., Vallejo, Calif., from now on or until further notice. I arrived here on the 15th and found it very nice. Everything is so beautiful here and I think I am going to like it. My wife and I will be home most of the year now or will soon be home from the old Palouse country, so with best regards to all the old friends, I remain, as always,

"Wm. Bozett."

BONNEVILLE STILL IN THE RED

In its news release of January 7, 1943, the Department of Interior states that "By New Year's day (1943) the Bonneville Administration collected a total of \$1,776,000 for its three-year power sales since it first began deliveries in 1938" and that "a total of \$7,680,000 has been returned to the people of the United States during the past 12 months toward liquidation of their investment in Bonneville and Grand Coulee Dams and the 2,000 mile federal transmission grid."

At the end of 1942 the U. S. taxpayers had invested in Grand Coulee Dam (including interest) some \$175,000,000 and in the Bonneville Dam and transmission system (including interest paid by the U. S. Treasury, but not charged against the project and including the expenses incurred by the U. S. army in operating the dam but not charged to it) about \$160,000,000 more; making a total of \$335,000,000 sunk in this enterprise. At the average cost of money to the U. S. Treasury 2 1/2 per cent, a year, interest alone now amounts to \$8,375,000 or some \$85,000 more than the "return to the people."

During the last three years the total accumulated on Bonneville and Grand Coulee has been in excess of \$200,000,000 or some \$75,000,000 more than the total revenue from power sales.

"The impression given (by the news release, says the 'Oregon Voter' of Jan. 9, 1943) is that the Bonneville Power Administration in 1942 made earnings in excess of expenses and that these were turned in to the U. S. government to apply on Bonneville's debt to the federal treasury. It is true that it turned in the proceeds from its sales of electric energy the \$7,680,000 so earned in the calendar year 1942 as the administrator reported. This is the procedure prescribed in the Bonneville Act. Then for every cent of money it needs for its operation, as well as for the new construction still proceeding, BPA goes back to congress with its budget and obtains the needed cash as direct appropriation. Until Bonneville begins to earn more money annually than it draws out of the U. S. Treasury it is not in true sense liquidating the investment in its facilities. Much less is it liquidating its ultimate debt to the U. S. Treasury.

Payroll Up 150 Per Cent

"Bonneville's budget for the current fiscal year totals \$22,750,000 or nearly three times the gross revenues being earned. Its operating expenses keep growing. In the fiscal year 1941 Bonneville had 1326 employees to whom \$619,671 was paid. In 1942 it had 2,068 employees whose salaries amounted to \$1,649,000. For the current fiscal year it has 2,412 employees whose salaries total \$1,585,000. In a two year interval, Bonneville has increased its personnel 82 per cent and its payroll 156 per cent."

ROSENSTEIN HOUSE DOWN

Gray Taylor, Lewiston, who purchased the Rosenstein residence in Geneese, has touched bottom in his work of dismantling the building and moving the lumber to his ranch. His place is located about 3 miles down river from Lewiston on the north side. Mr. Gray is salvaging everything possible from the building, including nails, brick and wiring. It was a sturdy built house, with the dimension lumber being in good condition. It will be used in the construction of a chicken house and barn.

When torn down, old houses sometimes disclose interesting information of long ago, but nothing has been found except that the Rosenstein family perhaps never knew how near they came to having a serious fire. At one place by one of the three brick chimneys there was a well charred section of wood, where a fire evidently had smothered itself out between plastered walls. There was no evidence of the burned place having ever been repaired, and it is certain that it was never noticed by occupants of the house. Since the Rosenstein family left here years ago the residence has been occupied by several families, and it may have been during their occupancy when the blaze threatened.

John Rogers III

John Rogers, owner of the Geneese Hotel, who fell and sustained a cut on his forehead Wednesday night, is reported to have been in the hospital day afternoon. Mrs. Melvin Wetzel, who has an apartment at the hotel, summoned Dr. C. P. Magee, who attended to the patient in the emergency. Mrs. Helen Bershaw, who also has an apartment at the hotel, called Mr. Rogers' brother, Fred Rogers, and he is here now. Mrs. Rogers, who sustained severe injuries some time ago in Colorado Springs, Colo., was the first to get up and move around.

CONSUMERS' RESPONSIBILITY TO PLACE COAL ORDERS NOW

It is the responsibility of every user to place orders for his entire coal needs at once so that the coal may be supplied whenever available and to store such coal to meet his needs in the coming year.

Only through this action can any consumer assure himself of a sufficient coal supply, and contribute to the important necessity of keeping mines in production at capacity to meet demands of the West, his community and himself. The responsibility for a coal supply rests with the user of the coal. Coal users in the West should carefully estimate his coal requirements for the period April 1, 1943, to April 1, 1944, in the light of past experience and present conditions in his business and community.

VICTORY GARDEN BOOKLETS

McCroskey Farm Equipment has purchased a number of booklets containing such useful information on planting and caring for gardens and orchards. They are especially useful at this time when the government is urging every family to grow a Victory Garden.

Mr. McCroskey announces that the booklets are available in limited quantities at his present supply lists. Preparation of seeds, beds, cultivation and harvesting vegetable crops and fruiting and also proven methods of controlling insect pests. Every vegetable grown is mentioned in the booklets, and approved methods of production. You are invited to call for one of the booklets at the McCroskey store today.

ELECTION PROCLAMATION

13 BILLION DOLLARS IS GOAL OF SECOND U. S. WAR LOAN

The government of the United States is asking us to loan 13 billion dollars in the next few weeks. We can do it, and we must do it. Every American must realize the truth. In this, our toughest war, we've made a good start. We've trained a lot of men—made a lot of weapons—built a fleet of ships. But it's only a start. No man or woman among us would contend for a single instant that we're doing enough to win the war!

Local Committee Named

In preparation for the second War Loan, the U. S. Treasury has named state and county committees. The first local committee has been announced. For Geneese those on the committee are Frank Densow, John McCroskey and Harry Hanson.

Under provisions of the second War Loan there are seven different types of U. S. government securities. U. S. War Savings Bonds, Series E, is the perfect investment for individual and family savings. It is a safe investment every \$3 when the bond matures. Designed especially for the smaller investor. They are dated the first day of the month in which purchase is received. The interest rate is 2.9 per cent a year if held to maturity, and bonds are issued in denominations of \$25, \$50, \$100, \$500 and \$1,000. The redemption date is any time after 60 days after issue. The price is 70 per cent of maturity.

Treasury Bonds of 1944-1969 bear interest at 2 1/2 per cent, are readily marketable and acceptable as collateral and are ideal investments for trust funds, estates and individuals. A special feature is that they may be redeemed at par and accrued interest for the purpose of satisfying federal estate taxes. They are dated April 15, 1943 and due June 15, 1949, in denominations of \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$500,000 registered. Redemption: not callable till June 15, 1944; thereafter at par and accrued interest in any interest date after that date. They are subject to federal taxes only. The price is par and accrued interest.

Other securities are: Series "C" Tax Notes; 7-8 per cent Certificates of Indebtedness; 2 per cent Treasury Bonds of 1942; U. S. Savings Bonds Series "E," and U. S. Savings Bonds Series "G."

Buy War Bonds Too

Sure, we're all buying War Bonds now. But we've got to help pay for our increased fighting and building. We've got to match, as we can, the sacrifice of those Americans who are toiling and sweating on a dozen battlefronts, with the bloodiest yet to come. The best way to do this is to keep our war machine going, we've got to dig up 13 billion dollars this month. Thirteen billion dollars over and above our regular War Bond buying!

TWO MORE HOME FROM ARMY

Mr. and Mrs. E. F. Miller have received word from their son, Ernest, that he has been relieved of duty in the army armored service corps, and will return to his home in Geneese. Paul Johann, who arrived home Saturday from Camp Campbell, Ky., surprised his many friends when he showed up in civilian clothes early this week. Paul looks to be in excellent condition, and he said he was in good shape. He is but a trifle heavier. His first two months in the army were somewhat strenuous, as he was required to drill with a rifle. His reaction of younger men, and they set a pretty fast pace. Later he was assigned to the military police, and he was in a hospital unit. His job was to receive patients and dole out the regulation army medicine on doctor's orders at the military hospital. He liked much better than his other tasks.

Both men are home to be employed in essential industries, and both are over the 38-year age limit. Paul said he did not receive a discharge, as some men have, and his status is that of an enlisted reserve, subject to call should occasion demand. All men released under the 38-year-old service limitation are also subject to call, although they may have been given an honorable discharge. Some men who have followed farming and intend to continue in that capacity may be ordered back to service this fall.

JACK MAGEE BUSY

Jack Magee, a good solid buck private in the 46th Armored Regiment, is training at Camp Beale, Calif., and has completed part of the rigid tank training, and at last reports, according to a brief message, he likes the service and says the company he is with "has a bunch of what I call damn good guys."

Mrs. Magee, the former Miss Irene Baumgartner, is a nurse at Marysville, Calif., not far from Camp Beale.

Bill Herman an Aviation Cadet

Bill Herman, at Santa Ana, Calif., is "all burned up" in a letter to Lavern Edwards because Cadets Robert Schooner and Gus Rossmann had neglected enough time at the air base to be entitled to evening leave. Billy's time in camp will soon be sufficient for him to be granted leave to town.

Several Expected on Furlough

Recent letters from men in the service intimate that Lefty Emmett, Dick Scharnhorst and Vic Armstrong from Camp Leemore, Calif., may be expected home soon on furlough. Add to this list Stub Goltz who may make the trip to Geneese from Ft. Warren, or he may wait until he gets back to Leemore and come with the "gang."

Other Items Listed and Credited

as follows: 11 pillows, 22 hours; 12 pairs rompers, 45 hours; 40 bed socks, 30 hours; 1 blouse, 4 hours; 11 pillow cases, 5 1/2 hours; 3 pairs knee-length socks, 60 hours; 1 ladies' coat sweater, 35 hours; 1 men's v-neck, sleeveless sweater, 22 hours. Individuals working during the past month numbered approximately 50, and the number of groups was seven. Total hours for the month amounted to 6714.

ENTERS WAAC TRAINING

Miss Pearl Schooler, who left Spokane this week with others from the Inland Empire, wrote a note to her father, Charles Schooler, that five Pullman cars left for Fort Des Moines with a woman for the WAAC at Fort Sydney, Mont. They were delayed seven hours by flood waters from the Yellowstone river.

Time To Get Up

War workers and farmers soon will be able to try alarm clocks. The War Production Board has announced that two or three individual manufacturers are to produce 1,700,000 spring-wound clocks for civilian use. They will use only seven pounds of brass and 400 pounds of steel per 1,000 clocks.

WEDIN AND ZENNER MEET IN AUSTRALIA; NOW ON REST

Roy Wedin, son of Mr. and Mrs. J. P. Wedin, now a first sergeant with a mobile hospital unit in Australia for a rest, writes to his mother, "Somewhere in Australia March 12, 1943

"Dear Pete, it's about time I was getting around to writing to you again. Thanks a million for sending me the paper, as it is so interesting. I received three papers yesterday, dated Oct.-12, Dec. 22 and Jan. 1. I imagine the mail chased me all over New Guinea and then caught up with me when I got back here (censored) because I got a lot of mail and several Christmas packages. Believe me, it sure was good to get them.

You know Pete, this is a pretty small world after all. Yesterday I met Andrew Zenner (Pete Zenner's boy) and when we got to talking, we were talking about the same thing. My company and his company had mess in the same kitchen while we were in the staging area, and neither of us knew the other. I met him through the battle together and were pretty close to where they were. We were up at the front I met Gilbert Hark taking a bath in creek. He also met two other kids from Moscow that I used to go to school with, Jacksha and Steensma. Well, I had to tell my friends here, and thank you again for sending the paper.

DON HERMAN IN CALIFORNIA AT NAVY RADIO PREP-SCHOOL

Don L. Herman, radio technician second-class is now at Treasure Island, California. Here's his letter written March 28:

"I was, and I'm sure you will be surprised to hear that I'm now stationed in California. The navy has started a radio prep-school here and we are the first class to enter. I had to leave my home in Geneese for a new set-up. And boy! This California sunshine is sure swell. I'm sure, from all reports, this beats Chicago where we were in the states. I'm sure to go to a new and open field, and a real education.

"Jim Lorang and I are still together and probably will be for the rest of our training. We really enjoy the Geneese News, and we will be anxiously waiting for it to be sent to our new quarters. I'll try to join the navy air corps, which ought to be almost as interesting as school."

"How and where are Jerry and Dan?"

"Sincerely,"

"Don."

Note: Well, Don, in answer to your question, I don't know. The boys stand; he don't, but the army has plans for him to finish this year of school, and then he hopes to go to some active unit. He signed up with the army last spring and he now has nothing to say about what he will do. Dan has his eye on a defense job to tide him over until harvest.

MANY ARTICLES COMPLETED FOR AMERICAN RED CROSS

Mrs. N. M. Leavitt, chairman of the Geneese Red Cross unit, lists 110 articles completed for the Red Cross during the month of March. TECHNICAL SECTION OF 25 YEARS SERVICE - ARIE AN OBJECT ON MARCH 26

It is a great honor to have a technician of the 25 years service section of the American Legion. The topic is "Making America Strong," and every contestant must be of junior and senior high school age. Even though we may not always win, it is not only good experience to enter this contest, but it also develops and trains the mind for things we might have to do in later life. Every student who is eligible is urged to join this contest, because we are sure that the prize money that can be gotten out of it. The topic is not a difficult one to write on and should include the things that the student knows about the strength of America.

Feature

Geneese high school will lose a valuable football star when Neel Kinyon graduates this spring. Neel is 17 years old and he spent all but 10 years of his schooling at Geneese.

He has been active in high school, playing basketball for two years and being captain of the team. He has been several trips for the 4-H to Spokane, where he has won several prizes. During his senior year he is taking band, typing, shop, biology and U. S. history.

Neel said, "I'll be glad when I graduate, but after harvest I'll try to join the navy air corps, which ought to be almost as interesting as school."

"How and where are Jerry and Dan?"

GENESEE VALLEY NEWS

Our nice warm days take a backseat and March roared out like a lion. Fall wheat is beginning to show up in the drift rows and it may not be as bad as at first feared. Some snowdrifts still hang on the north sides but recent rains have softened them and they will soon be gone. A few B-17s have been scouting over the Valley again. Maybe they were looking for Spring.

Mrs. Annie Danielson and Clarence called at Elmer Swenson's Sunday.

Mrs. Rudolph Carlson and Mrs. Ben Hager and son, Victor, came to Moscow and spent Saturday with Mrs. Lilly Larson.

Mrs. Ellis Odberg and two sisters called at August Johnson's Monday afternoon.

Mr. and Mrs. Don Linehan spent Saturday evening at James Archibald's.

Mr. and Mrs. John Eikum and Gene visited at Vic Danielson's Sunday evening.

Mrs. Warren LaFollette, county superintendent of schools, called on Mrs. J. P. Weidner Tuesday afternoon.

Mr. and Mrs. Arvin Nordby and children spent Sunday evening with Mrs. Lilly Larson.

Mrs. Annie Danielson and Clarence, Mrs. John Eikum and Rowena and Mrs. Victor Danielson drove to Moscow Wednesday and visited at the North Bakers.

Mr. and Mrs. Wm. Hove spent Sunday evening at Ralph McBride's.

Have a Victory Garden

Eat what you can, and can what you can't eat

A good vegetable garden is needed for every home. It will add to the health of the family, give pleasure, furnish fresh vegetables and save a lot of money. At this time, especially, everyone is urged by the government to plant a garden. In view of the need of information on gardening we have been able to purchase a number of books on Victory Gardens, edited by L. A. Hawkins, noted gardener and orchard adviser. They are obtainable while the supply lasts at our office. These books contain not only preparation of the seed bed and planting, but methods of weed and insect pest control, and the 70-odd pages of information will prove of value to everyone who plans a garden.

Young People Entertained

The young people of St. John Lutheran church were entertained at the parsonage Sunday afternoon by the Rev. T. M. Gebhard. Progressive games were played after the group was divided into the "Army," "Navy," and the "Marines." A Bible treasure hunt concluded the games and group prizes were given to the "Army" which had accumulated the most "beans." An equal number of beans was given each side at the beginning of the games and as one side lost a game or was penalized for not saluting, a bean was relinquished to the winner. Prizes were miniature plastic service men.

At 6 o'clock a buffet supper was served after which the "Marines" were court-martialed for losing nearly all their beans. The penalty inflicted was washing dishes.

From another source of information it is reported that Rev. Gebhard is a real chef, having prepared the entire meal, except the cake. Included on the menu were delicious hot rolls.

THE OLD JUDGE SAYS...

"I've been meanin' to ask you for the last couple of weeks, Judge, what you think of this prohibition talk that keeps croppin' up every so often."

"I've heard some of it too, Henry, and I feel like this about it."

"It comes from a comparatively small group of reformers... the same type that plunged us into prohibition during the last war. And, as we all remember, into nearly 14 years of the worst crime and gangsterism this country has ever known. Everybody had all the liquor they wanted only it came from bootleggers at exorbitant prices and millions of dollars in taxes."

"It seems to me, as I told my Congressman down in Washington last week, that we've got all we can do here at home to help win this war without wasting time arguing about things we know, from sad experience, won't work."

GENESEE VALLEY NEWS

Spring seems to have arrived but heavy rains last week have delayed farm work. If the weather stays clear work will begin on higher ground next week. The flats are so wet they wouldn't hold up a mosquito. There has not been enough warm weather to show up the extent of damage to winter grain yet. Ground squirrels are out of their holes ready for agricultural college says that a 25,000-ft. garden spot, properly cared for, will save 272 spot points at present values. Enst said.

The following were supper guests of Mr. and Mrs. George Nelson Sunday evening, Mr. and Mrs. John Luedke, Mr. and Mrs. Ed Morken, Mr. and Mrs. Adrian Nelson, Mr. and Mrs. Elton Hampton, Mr. and Mrs. Oscar Danielson. The evening was spent socially.

R. E. Nordby attended the board meeting of Coeur d'Alene Homes at the J. I. Wigen home in LaCrosse, Tuesday. Mr. Wigen is also a member of the board.

Mrs. Ed Strate returned Saturday evening from a week's visit at Eucalyptus, Wash. Miss Eleanor Wegner of Twin Falls is visiting her sister, Mrs. Allen Sather, and family.

Mr. and Mrs. Ralph McBride and son drove to Palouse Sunday night. Mrs. McBride's mother, Mrs. McClellan, Mrs. Wm. Jenkins spent Monday and Tuesday in Spokane.

Donna Lee Danielson spent Tuesday night with Shirley Danielson. They had a busy month for both bomber pilots and the small Ryan pilots.

Children in Accidents Dawn Stinchich, the seven-year-old daughter of Mr. and Mrs. Wm. Heinrich, fell from the giant stride at school Monday and suffered a broken right arm. The fracture was just above the wrist, and she was taken to Lewiston for treatment.

Attend K. P. Convention Ben Cook, Chas. Scholer, James Cameron and Walt Carrin were in Lewiston Monday evening for the convention of Knights of Pythias. Gene-see was chosen for the October district meeting with new officers named as follows: Walter Emerson, president; Roy Emerson, vice president; and Charles Scholer, secretary, all of Gene-see.

Complete Training at Caldwell Joe and Homer Schooler and John Hickman have returned to Gene-see from Caldwell where they completed the second stage in their flight training under the Civilian Aviation Authority War Training Service, and may have a rest of two months before entering their cross-country training. They had a busy month for both bomber pilots and the small Ryan pilots. The boys said they often looked backward and saw the guns of the bombers trained on them, and if they were not alert flyers of the larger craft would not hesitate to churn up "prop wash" as a problem for them. The smaller planes could be maneuvered out of direct range by going into a dive or suddenly lowering altitude. It was good practice for both bomber pilots and the small Ryan pilots.

Butch is on a BALANCED DIET!

This situation isn't covered by Army regulations. But Butch is finding a way to handle it. In fact, we electric companies know just how he feels. Right now, we're balancing good service and low, regulated rates against fast-climbing costs and tremendously increased demands for electric power... and besides that, we're balancing a big plate of taxes. DON'T GET US WRONG. We're proud that business-managed electric companies paid \$620,000,000 in taxes last year. That was 23c out of every dollar you paid us—8c to local and state governments—15c to the federal government—enough to outfit 1,687,762 buck privates. How is it possible to make so much power and meet so many taxes AT THE SAME TIME? Because of sound business meth-

ods and long experience—because men, women and management worked together as a team. But while we're doing all this, GOVERNMENT AND MUNICIPAL POWER SYSTEMS ARE NOT PAYING A PENNY IN FEDERAL TAXES TO HELP WIN THE WAR. SHOULD'NT EVERY ONE DO HIS FULL SHARE? YES! WE'RE OUT TO TELL THE WHOLE COUNTRY ABOUT WAR PRODUCTION IN THE NORTHWEST! THIS "N.P." AD IS ONE OF A CAMPAIGN APPEARING IN THE SATURDAY EVENING POST AND 5 OTHER NATIONAL MAGAZINES.

How far can a pea roll? FROM the fertile valleys of the Pacific Northwest to cities on the Eastern seaboard is a distance of over 3,000 miles. That's how far a pea can roll—when Northern Pacific Railway gives it a start! Last year, carload after carload of peas—fresh, fresh-frozen, dried and canned—rolled to market in Northern Pacific cars... from Washington, Oregon, Idaho and Montana. Many of these peas were grown from Washington and Montana seed peas distributed by canneries to farmers along Northern Pacific tracks. This year, thousands of additional acres of peas will be planted in our territory—peas that will roll swiftly to our armed forces, civilians and Allies over the "Main Street of the Northwest!"

BOYS TO VARIOUS CAMPS

Relatives here have received word that Lloyd Abraham and Robert Huff-

man, who left for the army March 24, are stationed at Fort Custer,

Mich, and were assigned to a military police unit.

Wayne Bershaw and Ron Huffman, leaving the same day,

drew Fort Leonard Wood, Mo., and Jimmie Springer, another of the quint-

et to leave March 24, went to the army air corps in Florida.

Tommy Edwards at Farragut Station, Farragut, Idaho, April 7.—Thomas

Raymond Edwards, son of Mr. and Mrs. Leo Edwards, Geneese, is a new recruit to begin training in one of the camps at this naval training station recently.

His training period will consist of thorough schooling in the navy methods of seamanship, discipline, physical fitness and other factors that are making for a good man.

He will be given a test at the conclusion of this training course and may be transferred to other shore stations or to a unit of the fleet at sea.

L. M. KASPER GETS AROUND ON SAME DESTROYER 3 YEARS

L. M. Kasper, FC2c, brother of Matt Kasper, engineer, who left Geneese several years ago to sign up with the U. S. navy, writes a most interesting letter. Here it is:

"Dear Pete:

"I got my first bunch of Geneese newspapers a couple of weeks ago, and I want to thank the American Legion for the favor. You don't realize how much I appreciate the Geneese News after being away from the home town for such a long time.

"I have been on the same destroyer for over three years. Since the war started they sure have been keeping us busy. The longest I have been out to sea at one time without seeing land is thirty-eight days, and it sure was a relief to see land again. Since the war started I have traveled enough miles to carry me around the world over five times. That's what I call really getting around. I can't tell you where I am or what I am doing because the censors are very strict about what we get out there.

"I have seen two of the boys from Geneese. Chet Green and I saw Howard Roseau a couple of days before he was killed. We had planned to celebrate Christmas and New Year's together. I never realized that it was the last time we were to see each other.

"I had had several chances to see the Japs suffer for what they done on December 7th. I'll sure be glad, though, when the war is over and I can get back to the States, as it has been over two years since I have been there. I have often wondered just what it is like back there now. I imagine it has changed quite a lot, but I know that I could enjoy a stay there right now.

"I would like to get in touch with the boys from Geneese who are in the service. I would probably have a very good chance to see some of them if I knew where they were.

"I want to thank you again for the paper and wish all my friends good luck. Hope to see you all soon.

"Sincerely,

L. M. Kasper, FC2c.

RON HUFFMAN IN CAVALRY AT FT. LEONARD WOOD, MO.

Ronald Huffman who was with the Lewiston cavalry troop, a unit that later was changed over to field artillery battery with the 148th regiment is now at Fort Leonard Wood, Mo. His address is: 75th Rec. Troop, APO 451. Ron writes:

"Dear Pete:

"I finally got to a place that they call a permanent camp and I guess it really is. We are over a hundred miles from any city, so you can see how nice a time we are going to have. I am in a mechanized cavalry outfit. It should be better than the infantry, however, neither of the two are as satisfactory as they could be.

"Wayne Bershaw and I have been together since we left Geneese but we will be split up tomorrow, and will only be about a mile and a half apart.

"We were told if I saw a hill-billy stick his head out from behind a tree not to shoot, because it is to be expected away up here in the Ozarks, and we are really up here. I don't think the natives here have ever seen a human being.

"I am going to try and transfer into the air corps as soon as possible. Wayne is going to do the same.

"From the information I have given you, you can well tell what everyone thinks of this place. It is the hell-hole of army camps.

"Well, Pete, I will close for this time. Tell all of my friends hello for me.

"Ron."

Many Attend Services for Mrs. Ingle

Many friends from the Geneese community attended funeral services in Lewiston Friday afternoon for the late Mrs. Thomas Ingle, held at the Brower-Wann chapel, with the Rev. Thomas McCamant, officiant. Hymns were sung by Earl Wilson, accompanied by Miss Margaret Baer, organist.

Those from Geneese who acted as pallbearers were Frank Jones, Roy Evans, Gunder Hammer and Arthur Rosenau. Other pallbearers were Sol Caldwell and Claude Livingstone of Lewiston.

Interment was at Normal Hill cemetery at Lewiston, and many were the final tributes from friends of the family.

Set. Lester Ingle, on duty with the U. S. army in the northwestern area, was able to reach Lewiston in time, by plane, to attend final rites for his mother.

OTTO BORGEN IN NORTH AFRICA

Mrs. Francis Uhr received a brief airmail letter Wednesday from her brother, Otto Borgen, stating that he was now somewhere in North Africa, and that he was feeling fine and enjoying the fine weather. Otto trained in the United States in the armored forces. It has been two months since word has been received here from the soldier now overseas.

RED CROSS NOTES

Six hundred abdominal dressings were made Monday. The pictures taken last month by John Luedke did not turn out very good and another set will be made after the gardens are planted and more women can attend. Announcement will be made in the paper about it. In the meantime, keep those dressings going to the base hospitals. More women are needed to work in the Red Cross room. A new type of head dress was ordered by the National Red Cross. Instructors and workers are to wear all white.

Another Double Egg

Shirley Broemeling brought a huge chicken egg to the News office Friday which measured 7 1/2 inches, but its contents were not weighed. Taken home, the egg was found to double, that is, an egg within an egg, with the outer one having no yolk.

TIME TO SPRAY TREES

A. L. Stewart of Moscow, who sprayed the City Park trees last year, will again spray these trees on Wednesday and Thursday, April 21 or 22. Persons desiring their trees sprayed may contact Mr. Stewart at the park on one of the above dates.

SPECIAL CHURCH SERVICE

A special afternoon service will be held in the Geneese Valley Lutheran church Sunday by the Gleasons from the Lewiston-Clarkston area. The Gleasons are an organization of outstanding laymen engaged mainly in placing Bibles in hotels, hospitals, and other public places. At the present time they are giving New Testaments by the millions to men and women in the armed forces of our country. At the meeting Sunday there will be a leading layman, a teacher from the Lewiston Normal, a printer and publisher, a merchant, a foreman in the Lewiston lumber mill, and possibly one or two more. The public is cordially invited. The meeting begins at 2 o'clock.

JIMMY SPRINGER IN FLORIDA WITH THE ARMY AIR FORCE

Jimmy Springer, who entered the service a few weeks ago, is now with the 413th Tng. Gp., Flight 1, A.A.C. T.O.C. B.T.C. No. 4, Miami Beach, Florida. Simplified, the address, address is 413th Training Group, Flight 1, Army Air Force Technical Training Command, Basic Training Center. Jim writes:

"Dear Pete:

"We arrived here Friday night after four days and nights on the train. The trip was swell.

"The south seems to be everything you have heard about it, from the best to the worst. Florida is really beautiful at this time of year.

On the way back from chow a coconut fell from a tree near by. We opened it but it was still green. Oranges are ripe and all of the flowers are in bloom.

"We live in the most luxurious hotels. The army took them over March 4. We are a block from the beach but our hotel has a private pool. To be frank, it is just the opposite to what I expected. We have hotel beds with in-spring mattresses, and that's heaven beside an army cot. Our rooms are furnished with rugs, Venetian blinds, private bath, and everything as it is, except floor lamps. Things couldn't be better. Even the food is swell.

"It is very impressive to watch the different flight marshes by. They sing on the march, everything from the Air Force Song to the Beer Barrel Polka.

"Processing starts tomorrow and lasts for five days. Then we have three weeks of basic training. After that we go to school or get a by-pass, depending on need of men and your owncoming on the tests.

"Wayne B. and Ron. H. were at Fort Douglas when I left. Lloyd and Bob were to be sent the next morning.

"I came here in a group of 13 on 13 meal tickets to the 413 Training Group. It has proved good luck so far.

"Would you like to hear from some of the fellows. Above is my address.

"Jim Springer."

KASPER WRITES TO ROSENAU

Pvt. Gordon Rosenau of the U. S. Marines, received the following letter from Lawrence Kasper, and forwarded recently to his parents, Mr. and Mrs. Art Rosenau at Geneese:

"Dear Gordon:

"You probably will be surprised to get this letter from me. I saw your address in the Geneese News so I thought I would write you a line. I can tell you where I am or what I am doing because they censor our letters. That's what makes it so hard to write. They won't let you say anything.

"I saw your brother, Howard, a couple of days before he was killed. We had planned to spend Christmas together. I have seen enough action to know that there is a war going on. I haven't been back to the States for over two years. I sure would like to see you and how things look.

LOCAL NEWS

Mr. and Mrs. W. W. Burr returned Tuesday afternoon from Seattle where they visited their daughter, Mrs. Arnet Ofstad, and family and Mr. and Mrs. D. C. Burr and family and other relatives. They were away almost four weeks, and for eight days Mr. Burr was in a hospital where he underwent an operation. His daughter, Mrs. Ofstad, a graduate nurse, took care of him during most of his stay at the hospital. They planned to leave Seattle Saturday but changed plans when Bill Burr, a nephew, the son of Mr. and Mrs. D. C. Burr, arrived from Helena, Mont., after completing his primary air training in the naval reserves. He will be in Seattle a month before going to a pre-flight school. Returning to Spokane Monday morning they traveled by plane, and made the Seattle-Spokane trip in one hour and forty minutes. They visited Monday night with Mr. Burr's sister, Mrs. L. G. Steinke, and family in Spokane.

Mrs. Bert Wishard was taken to the Grifman hospital in Moscow Tuesday for medical care by Mr. and Mrs. Dick Green and Mr. Wishard.

THE OLD JUDGE SAYS...

"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old sayin' 'United we stand, divided we fall' more than we have to today."

"How true that is, Herb. And for the life of me, I can't figure out why, at a time like this, some folks insist on raising a question like prohibition. I can't imagine anything that would tickle our enemies more than to get us folks over here taking sides against each other, arguing about an issue like that. We've got a he-man's job on our hands to win this war and we can't be wasting our minds, our money and our strength fighting about something we tried for nearly 14 years and found couldn't work."

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

Welcome, Newcomers TO THE INLAND EMPIRE!

From Texas, Florida and Oklahoma...

We may not know you all personally, but there is a place for you here in the Northwest. Our scenery has world fame—our apples are sent all over the globe—and people tell us with increasing frequency—

"WE LIKE YOUR LOW ELECTRIC RATES IN THE INLAND EMPIRE."

Tell Your Friends About Us and Write the Boys in Camp

The Coeur d'Alene mines are famous. One single mine has produced ore valued at over \$180,000,000 and is still going strong. A bar of silver weighs about 80 pounds and is valued at close to a thousand dollars. Cheap electricity for mining is provided by the Washington Water Power Company.

For 54 years the Washington Water Power Company has served this area. The average customer uses more electricity than anywhere in the United States. One out of three cooks electrically. One in every three has electric water heating. The average Washington Water Power residential customer pays only 1.61 cents per kilowatt hour, and 20 cents of each electric service dollar goes for taxes.

Welcome, Newcomers. We hope you like it here!

MOTHER'S DAY... MAY 9th

GENESEE VALLEY NEWS

The weather man played his April fool joke rather late in the month. We had fine warm days that were about to give us spring fever when cold winds and rain chilled our marrow. Farmers everywhere are reaping wheat and barley as the cost of harvesting these things wouldn't pay for half a crop. Daffodils, hyacinths and flowering shrubs are lending their notes of color to the green coat of Mother Earth and will furnish flowers to adorn the altars of churches Easter Sunday. Birds singing their Easter carols are another evidence that God is everywhere. We send our Easter greetings to the boys in the service wherever they are. Some of you may be carrying your own cross and may have come to a new realization of the significance of the cross on Calvary. May we, who are safe at home, have a new appreciation of the sacrifices our boys are making, that we may continue to live in the best country on the globe, free from the fear of the dictator's heel, and then demonstrate, by doing everything possible to speed their return, that we are not unmindful of their suffering and sacrifice.

Mr. and Mrs. R. E. Norby and family drove to St. John Saturday and spent the day with Mrs. Norby's sister, Mrs. F. L. Barbee, and family. Glen Hagen is home on a furlough from Camp Warren, Wyo.

SELMER HEGVOLD CHANGES ADDRESS TO FT. LEWIS, WN.

Lt. Selmer Hegvold, who was at Camp White, Ore., writes: "Dear Pete: It seems as though each time I get around to writing you a letter I'm being transferred or something. "This time it concerns my transfer to another assignment. We are leaving tomorrow, so by the time you get this I will probably be settling down to my new position with the army as a company commander in the 1104th Engineer Combat Group at Fort Lewis, Wash. So far, I'm not certain what my new address will be but will forward complete address in a week or so. I want you to receive the new address so that I won't miss a single issue of The Genesee News. So far I haven't lost track of a single copy, and each one carries news of someone I knew around Genesee before I joined up with the gang from there. I want to thank you, Pete, and the American Legion for making it possible for those of us away from old stamping grounds to keep in touch with one another even though we sometimes just can't find time to write that letter. "Here I've been with the 91st Infantry Division since before it was activated last summer—better than ten months. It's hard to believe but this division is now a seasoned outfit and screaming for action. I certainly hate to leave it now, but at the same time I'm looking forward to my new assignment at Fort Lewis. "Would really like to see more letters from the men receiving the News in every part of the world. Hope this finds everyone in the Valley enjoying spring to the hills, and about a million again for sending The News my way. "Lt. Selmer L. Hegvold," 1104th Engr. (C) Group Fort Lewis, Wash.

Mrs. R. E. Norby was hostess to the Lutheran Students at Our Savior's church Sunday evening in Moscow.

Mr. and Mrs. Howard Beck called at Harry Martin's Sunday afternoon.

Resurrection (T. L. Clark)

Out from the winter waste Bursts a new world of hope; We who were sad of heart Need no more blindly grope; Spring calls above the wrack, Gardens awake at dawn; No more dark shadows here, Winter and grief are gone. Once, in a land afar Stood a grim, cruel cross; Once, a darkened tomb, Had mourned a bitter loss; But morning came, and joy; Christ broke the bonds of death. To every troubled heart, "Weep not," Christ answered. Now through the stricken world Hate has its stubborn way; Night holds the souls of men, Millions go forth to slay; But morning comes, and He, Who found from death, release, Speaks—and the world will hear: "Let there be peace."

TWENTY-FIVE EASTER (By Bert Gamble)

"Twenty-five Easter has come and gone since I wrote my first Easter verse for The Genesee News. Twenty-five years ago I slipped away since Editor McCreary set it up in type and published it; during all that time I have never missed an Easter copy. I have written about fifteen hundred Easter articles in prose and verse, and have three scrap books full of lovely letters from the friends who have written to me their appreciation of my verse. It has made me happy indeed and I am truly grateful. "Twenty-five Easter ago my verse was published in about twelve papers. I was so happy and I am sending it to two hundred and forty-five papers, many of these are chain papers published under the one direction and cover a great deal of territory. "Twenty-five Easter ago I knew nothing about the Resurrection; today I know as much about it as I did then. I do not know and could not say for sure that Christ is Risen to life and that he is truly God, but a handful of dust in an Assyrian tomb, but I do believe that there is hope for all men who will follow the teachings of the lowly Master, the greatest human or divine that ever graced the tide of time. "I am an old man now and have little need of material things, but when I read a copy of the beloved Genesee News at Easteride and my mind goes back across the fields of memory there comes to my heart a feeling that I know the old apple tree must have when the wedge of wild geese plows it way from the southland and the Master Artist fills his paint buckets over hill and dale. —Bert Gamble.

ST. JOSEPH'S SCHOOL NEWS

Pupils of the sixth, seventh and eighth grades, having chosen sides as the Marines and Air Corps, are having it up and down on their graph in spelling, arithmetic and in conduct. The graph, posted in a prominent place at the front of the room, is the cause of great enthusiasm and keen competition.

The seventh grade is busy planning a pop corn sale to be held in the near future.

Last week the eighth grade took advantage of the beautiful spring sunshine by taking their class pictures. You should have seen all the pretty smiles when the pictures were taken and also when they saw how splendidly they developed.

Monday, April 12, teachers and pupils were most happily surprised by an hour's visit from Rev. Fr. Walsh.

Those who received four A's or more on their report cards this six weeks were: Shirley Jean Johnson, Kathleen Fleischer, Joyce Grieser, Shirley Jean Grieser, Marie Knopes, Theodore Schlueter, Donald Becker, Rose Bielenberg, Ann Sweeney, Lavonne Kambsch, Patricia Ann Esser, Betty Jean Scharnholt, Ruth Land, Mary Alice Lorang, Joan Busch, Mavis Esser, Henrietta Bielenberg, Joan Baldu, Wayne Baumgartner, Donald Grieser, Norma Moser, Dale Becker, David Esser, Nancy Rabdau, Patricia Fleischer, Nancy Johann and Gary Krier.

To Hasten Victory
No American wants this war to go on minute beyond the time we can bring it to a victorious end. To hasten that victory—save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan. There is an investment to fit every purse. The most you can do is little enough compared with the sacrifice of our young boys in service. They give their lives—you lend your money.

PRIVATE ENTERPRISE HELPS
Advocates of public ownership of public utilities today are, or should be, learning a lesson that their theory is completely wrong. Notice how public utilities companies and private contractors are contributing to the war effort in untold millions for prosecution of the war while some men in responsible government positions cling to the idea that private enterprise on a large scale is not the best for our country. Today, in a large measure, their own security depends on that which they would destroy. Note how public utilities have met the demand for increased service every line, and under conditions which have not been easy. Employees of these companies remain on the job, loyal not only to their companies, but to the government in times such as tribulations to the war effort.

RATIONING FOR MAY
Rationing at a glance for the month of May—Meat, canned fish, cheese and edible fats and oils, red stamps lettered "B" valid now until May 31 and other red stamps for meat, butter and oil on same date but can be used only on and after dates listed: F, May 2; G, May 9; H, May 16; and J, May 23. Blue D, E, and F stamps expire on April 30.

Processed fruits and vegetables, blue H stamps valid through the end of month of May. (Blue D, E, and F stamps expire on April 30.)
Coffee, Stamp No. 23, good for one pound until May 30. Sugar, stamp No. 12 good for five pounds of sugar thru May 31.
Gasoline, coupons numbered 5 in "A" book good until May 21.

Soldiers' Graves Recorded
The burial place of American soldiers who fall on foreign soil will be properly recorded by the graves registration units of the army. This service is operated close behind the combat area, burying the dead, re-cord and marking graves and collecting the remains of the fallen. Overseas burials are approximately the same as those conducted in the United States with full military honors rendered. Rites are ministered by a chaplain of the deceased's own faith when possible, according to the Office of War Information.

Parents of Son
Mr. and Mrs. George Earling are the parents of a son born Friday, April 23 at St. Joseph's hospital in Lewiston. The baby has been named David Orrin.

NOTICE
In the Probate Court of Latah County, State of Idaho.
The Matter of the Estate of SUSANA KRIS, Deceased.
Notice is hereby given that Anna M. Kris has filed with the above entitled court a petition praying for a determination of the time of death of Susana Kris, deceased, for a determination of the time of her right of descent to real property belonging to said decedent and for the said Anna M. Kris, a resident of Latah County, State of Idaho, and who, at the time of her death, owned an undivided one-fourteenth (1/14th) interest in the following real property located in Latah County, State of Idaho, described as follows:
Lots Seven (7) and Eight (8) in Block Eleven (11) of West Addition to the Town of Geneese, Idaho, according to the recorded plat thereof.
Notice is further given that the said Anna M. Kris claims ownership of the said undivided one-fourteenth (1/14th) interest in and to the above described real property and prays that the said decedent at the time of her death by virtue of the fact that the said Anna M. Kris is the mother of said decedent, and the sole heir at law of said decedent.
All creditors and heirs of the said Susana Kris, deceased, are hereby notified that said Petition will be heard on the 15th day of May, 1948, at the hour of 10:00 A. M. of said day at the Court Room of the above named Court, in Moscow, Latah County, State of Idaho, at which time and place any party in interest may appear and show cause why the prayer of said Petitioner should not be granted.
Dated this 7th day of April, 1948.

MOISTURE WELCOME BY SOME OTHERS ARE HANDICAPPED

Rain, which fell over the Inland Empire, starting Tuesday night and continuing, put a check on spring farm work that was in full swing. Those who completed pea seedings and sowing of other crops, naturally welcomed the moisture, while those who were just getting started would gladly witness fair weather for a few days or weeks.

Fall wheat which is backward over most of the country, may brighten up after the rains, and the damage of a cold winter may be erased in part. Most of the areas reseeded are now green and there are a few fields of fall wheat showing normal growth and coverage, but such fields are scarce.

There was ample moisture in most fields before the rains of this week, but a dry crust was retarding grain growth but now this condition should be alleviated.

There is considerable plowing re-commencing, but whatever sign could be seen for pea seedings by rowers who had not contemplated such seedings until recently. Some fields of wheat and barley, mostly barley, rather than being replanted are going to dried peas, much in demand by the government for lend-lease food, and for consumption by our own armed forces.

Generally are backward this season over all of the Inland Empire but conditions are somewhat improved during the past week.

Barley was running night and day everywhere for a few days before Easter, and Monday and Tuesday were really getting something done.

Wire or Bullets?
Copper is the most critical of all the materials we use. There is no practical substitute for our industry, and without copper the ease of obtaining other materials is of little consequence.

Synthetic insulations are relieving the rubber shortage. Other materials, though scarce, can be made available for essential wiring of all important copper for wire and cable is obtainable.

It would be nice if we could draw a hopeful picture, pointing out the possibilities for relief from the present scarcity. But whatever sign could be interpreted to show such a prospect would be only wishful thinking.

The facts point to continued scarcity. We have to replace an elevator motor but it must be essential to the war effort.

Why this scarcity? Why so much procedure over the insignificant amount of wire needed to run a circuit to the Smith garage or a few feet needed to replace an elevator feeder in the main street department store? Just this: There is a known stockpile of copper in this country every pound is allocated to a specific use and the demand is far greater than the supply.

Cutting all non-essential uses to the bone there is still not enough to go around. If we need more wire, it must be taken from the pile earmarked for bullets. These everyday problems before the allocation specialist in the War Relocation Authority are solved and they must all be answered in terms of what decision will speed our war effort the most.

There are two things we can all do to help. First of all determine if the proposed job is essential. Is it more important than bullets right now? Then, in applying for a preference rating, convey full information to the priority adjuster. No matter how important the job may be to us, analysts must have facts and figures. They too, must be able to judge whether it shall be wire or bullets.

Conscientious Objectors to China
The Selective Service Bureau of the War Relocation Commission has announced that 70 conscientious objectors to military service will be sent to Chungking, China, to work on medical, sanitary and health projects. Designation of the Chungking project as work of national importance was included in an announcement of four spheres for registrants who object to combat and non-combatant military service.

About 500 conscientious objectors will be used to produce necessary dairy products and will be assigned to the work under the Agricultural Labor Administration of the Department of Agriculture.

Buck Private: I think there's a fly in the omelette of four spheres for registrants who object to combat and non-combatant military service.

24 GRADUATES TO RECEIVE DIPLOMAS MAY 17
Twenty-four seniors will receive diplomas Monday evening, May 17, at the high school gymnasium. In the class are fourteen girls and 10 boys: Jean Armstrong, Hazel Baumgartner, Richard Broemeling, Betty Brown, Franklin Cole, Inge Dinsen, Leon Eikum, Margaret Hammerly, Wilma Heimgartner, Maureen Herman, Phil Herrmann, Neal King, Betty Koster, Emma Krick, Lorraine Kries, Bonnie Kuehl, Eugene Mulalley, Cletus Scharhorn, Bonnie Smithwick, Bertie Spence, Marjorie Springer, Luella White, Thomas Wilson and Noel Wright.

The class has selected as its motto: "One People, One Country, One Flag." The class colors are green and white and class flowers are red and white roses.

Two More Weeks of School
Friday, May 21, marks the final day of school at Geneese, although high school commencement exercises will be held Monday, May 17. Geneese has been fortunate again in being able to have Dr. C. W. Chenoweth, head of the department of philosophy of the University of Idaho as commencement speaker. In announcing the speaker for graduation, Supt. Dean said the program for Monday evening would be about the same as in recent years, with special music by the band, chorus and trio, presentation of class and presentation of diplomas.

Eighth Grades Graduate May 14
Geneese public school and St. Joseph's school will hold joint graduation exercises Friday evening, May 14 at the gymnasium, with the usual program.

Baccalaureate Services May 16
Rev. T. M. Gebhard, pastor of St. John Lutheran church of Geneese, will be the speaker at baccalaureate services Sunday evening, May 16, at the high school gymnasium.

Junior-Senior Banquet May 15
Juniors of Geneese high school will be hosts to the seniors and members of the high school faculty at a banquet Saturday evening at St. John church parlors.

Junior Prom This Evening
Juniors will be hosts this evening at the annual junior prom to be held at the gymnasium.

REV. GEBHARD SCOUTMASTER NEW COMMITTEE APPOINTED
Rev. T. M. Gebhard was elected scoutmaster of the Geneese Troop at a meeting Tuesday evening. J. M. Rabbut and Rev. Melford Knight are his assistants.

Sponsors of Boy Scouts in Geneese, the Civic Association, through Ben P. Cook, its president, has the following named for the Scout committee: Dr. N. M. Leavitt, who was elected chairman, and Forrest Durbin, treasurer. Others on the committee are Florent Moser, John Luedke and Floyd Oaks. Retiring members of the committee are Adrian Nelson, Ed Morken and Chas. Griesser. Jr. Durbin and Luedke have been on the committee for several years as have the retiring members. Rev. Knight has had charge of the Scout troop for the past four years, and his administration has been an active one for the boys and the committee as well, all of whom the Civic Association wishes to thank.

Ken Bickmore, Lewiston, district Boy Scout executive, was present at the meeting Tuesday evening, and assisted in re-registration of the local troop for another year. There are 14 boys now signed up. Those who purchased Christmas trees last December helped pay the 70-dollar bills required for registration for 1948.

CHECK PRESSURE COOKERS
Miss Hattie Abbott, University of Idaho home economist for this district, will be in Geneese to check your pressure cooker Thursday, May 13, preparatory to the coming canning season.

Miss Abbott will be at the Community church parlors at 1:30 o'clock to spend the afternoon, and she will be glad to be of service to the housewives of this community. This service is free of charge. Housewives who bring pressure cookers to check are requested to bring the complete cooker with rack for proper examination.

First-Aid Pictures
On Thursday, May 13, the Standard Oil Company will present pictures on first-aid at the Red Cross rooms beginning at 2:30 o'clock and lasting for 30 minutes. This is an instructive film on first-aid, and as many women as possible should attend.

LT. EMERSON ON LEAVE
Donald Emerson, now a second lieutenant in the U. S. Marine Corps, has received his wings after graduation from the Corpus Christi, Texas, naval air training station.

Entering the civilian flight training program while at the University of Idaho, he took his primary flight and ground training at the Pasco navy air base, and then became a navy cadet at Corpus Christi.

After finishing navy classes at Corpus Christi he was permitted to ship over to the Marines, and for this reason Don received his commission recently in the Marine Corps. He has been selected to return to Corpus Christi as a secondary flight instructor and will report in a few days. He reached Lewiston Sunday afternoon after making part of the trip by plane, part by train, part by stage, and was met in Lewiston by his parents, Mr. and Mrs. Walter Emerson.

Someone has said that "everything happens for the best," and he may know from experience, however, there are a good many farmers here who would like to finish seeding peas. There are many acres already seeded and there are likewise many fields where the pea crop is up, and others where drill rows are waiting. This is in contrast to the black ground which may require additional cultivation before seeding. Farmers console themselves by stating they will have the opportunity to kill more weeds before seeding as they strain at the leash to plant a record war-time crop.

The cool, damp weather is not an adverse condition for spring wheat and seedlings of wheat and small grains, and such weather has tended to brighten up the fall wheat crop. As the wheat crop progresses evidence of winter damage becomes more apparent, and has caused some to say they wish they had reseeded with glycerine and it made into necessary war materials. Even a tablespoon a day might save the life of some American fighting man. Saving a life is an important job.

Noel Wright, born in Moscow in 1922 has spent all but two years of his schooling at Geneese. Shop, U. S. history and band are the subjects he is taking in his senior year.

During high school he played basketball two years and baseball and tennis. He has been an active member of the Y. M. C. Y. club for five years. He has been in Geneese during this time he has taken several courses in spelling and penmanship. Noel plans on raising more and better thoroughbred cattle after graduating.

A large audience enjoyed "Brother Goose" which was presented by the Senior Class of '48, at the gymnasium last Wednesday evening. The program was directed by Mrs. Marjorie Springer, who helped present the play. All the senior girls not in the play were usherettes, and many of them were program tickets, advertising and many others, which helped get the play ready to present which was under the direction of Miss Alice Bjorklund and Miss Olwyn Evans.

Between the first and second acts, Marjorie Springer accompanied by Mrs. Regina Scholer sang "When You Wish You Were a Star" and "I Just Kissed Your Picture Good Night." Marjorie also had an important part in the play. Between the second and third acts, Mrs. Scholer and Miss Springer sang "Ray, Ray, Ray and My Gal" and "Tulip Time." They were accompanied by Miss Marjorie Springer.

All the characters took their parts very well and had a lot of fun working in the play. They hope that everyone seeing it enjoyed it as much as they did in staging it.

Music Festival News
A music festival was given to Marjorie Springer, excellent in the soprano solo contest at the Lewiston Entertainment Federation.

St. John Lutheran League is making plans to entertain the Blue Mountain Federation of Luther Leagues on May 30 and 31. Donald Butenschon of Pendleton, Ore., is in charge of the program as president of the federation.

TO HONOR MOTHERS
Pfc. Ronald Geltz and Pvt. Billy Mervyn, who were home on furlough from the Lemore, Calif., army air base have returned to camp. Stub left last Thursday evening and Billy left Sunday evening.

Stub, who completed a course in army truck driving at Ft. Warren, Wyo., said he had not been assigned to any special duty at the air base at the time his furlough was granted, but presumed his work in the future would be truck transport.

Billy, who took his basic training at Lemore, remains at that camp while he is awaiting orders to report for army air cadet training.

St. John Lutheran Church Sunday school, 9:30 a. m. Choir Divine services, 10:30 a. m. Choir anthems, Love's Debt to Mother by Rogers and In the Evergreen Pastures of God by Holton.

Fellowship meeting at 8 p. m. The men will give a Mother's Day program and the ladies will serve lunch.

Editorial
Saving waste kitchen fats is the duty of every housewife, and has been ever since the war began; but not every woman is doing so. This may seem a very unimportant and trivial thing to do, but it is just the opposite. The grease which is saved by American housewives contains glycerine and is made into necessary war materials. Even a tablespoon a day might save the life of some American fighting man. Saving a life is an important job.

Gustave (Gus) Rosenau, now at the Santa Ana Army Air Base, and an aviation cadet, writes:
"Dear Pete:
"Sorry I haven't written before, but being with Bob (Schooler) I got the Geneese News just as if it were being sent to me, and as all the rest of the fellows say, it is the best paper in the world."
"As you probably know Bob and I have lived in the same barracks since arriving here. Our flight training should soon be over, and then our chance to fly will finally be here. Here all there is are pictures of planes, and the thought of primary is the topmost in all cadets' minds. Do not know where I will be sent, but I will let you know as soon as possible. LEONARD WERNECKE DOING ALLRIGHT IN NORTH AFRICA
Pfc. Leonard Wernecke, son of Mr. and Mrs. Albert Wernecke, who has been in North Africa for some time with a bombing squadron, wrote the following air-mail letter on March 31. It was received at Geneese Tuesday, May 4, and reads as follows:
"Dear Pete:
"Just received the Geneese News this morning, which is always very much welcome.
"I hope you will forgive me for not writing sooner, but I just can't seem to catch up on my correspondence.
"I get the News quite regularly. It usually takes about a month to get here. It sure seems good to be able to read the home town paper way over here in North Africa.
"Although I can't write you about my activities, everything is o.k. here with me. I am enjoying good health and getting plenty of good chow to eat. The sun is shining this morning and it looks as though we will get the day over without a shower, which is quite frequent here.
"Well, Pete, will close, thanking you again for The News.
"Sincerely,
"Leonard C. Wernecke."

Note: Thanks for the letter Leonard. Your parents, relatives and your friends here are certainly glad to hear from you, and from a place where American fighting men are living up to traditions. Wish it were permissible to give you addresses of other Geneese men now serving in North Africa. Such is considered military information and is not for publication.

Most of the fellows whom we know to be in Africa are with the armored outfits and tank destroyer units with few exceptions. Folks at home eagerly listen to radio news from Africa and carefully scan newspapers to witness from a distance the progress being made by U. S. fighting men.

People at home anxiously await distribution of mail, but realize that most of you are too busy to write and that much of the time you are without facilities for correspondence. Again, thanks for the letter, and to you, continued good health and hopes for your safe return.

RED CROSS NOTES
Next Thursday, May 13 there will be a picture showing first-aid methods which should be very interesting. The rooms are open at 1 p. m. every work day so those who have to leave early can get in several hours work.

MOTHER'S DAY

In my dreams the mocking birds are singing As they did along life's springtime way; Once again the chapel bells are ringing, Calling us to church on Mother's Day. Mother's Day as memories come thronging Down the orchard lands of days of yore, Fill my heart again with tender longing, Longing for the days that are no more. Apple blossoms pink and white, cascading Down the fragrant soft winds of the May Bring me back her deathless love undying, Love that burns anew on Mother's day. —Bert Gamble

Expecta Visit from Major Bennett H. E. (Bus) Bennett is expecting a visit here by his brother, Major C. J. Bennett, who, according to a wire, has just returned from the Pacific combat area, and is home on leave. He arrived in San Diego April 23, and is now in the east to visit his wife.

Major and Mrs. Bennett were in Genesee three years ago. He enlisted in the navy 11 years ago, and was selected for Annapolis. After graduation he was assigned to the Marine Corps, and was in the Samoan Islands at the outbreak of hostilities. He remained in the southern Pacific area, but naturally no information on his whereabouts since war was declared is permitted.

GENESEE VALLEY NEWS

The weather man seems to have forgotten it is May and is still dishing out March weather. Heavy rains and showers have delayed farm work for a week and farmers are getting anxious to finish seeding. Aerial activity is increasing both day and night and are we thankful they are not laying eggs as they fly over? This Sunday is Mother's day and next week is National Family Week. The home is still America's first line of defense. The poem below is a tribute to mothers:

Ma's Tools
At home it seems to be the rule Pa never has the proper tool Or knack to fix things; but the stunts That stump Ma though, you have to hunt.

The casket in the table leg Fell out—Pa said a wooden peg Would fix it up—but ma got gum And fixed it with a wad of gum. We scarce could open our front door It stuck so tight, and Pa he swore He'd buy a plane as big as life; Ma fixed it with the carving knife. The bureau drawer got stuck one day And push or pull, 'twas there to stay. Said Pa—Some day 'twill shrink I hope;

Ma fixed it with a piece of soap. The window shade got out of whack; 'Twould not pull down nor yet roll back, Pa said, "No one can fix that thing." Ma fixed it with a piece of string. The bathroom drain got all clogged up Pa baled the tub out with a cup, He had a dreadful helpless look, Ma cleared it with a crochet hook.

I broke the store hinge one day, 'Twas cracked before though, anyway. Pa said we'd put a new door in. Ma grabbed her hair and got a pin. So when my things got out of fix Do I ask Pa to mend them—six. Ma just grabs what's near at hand And tugs things up to beat the band. The Art Hove, Wm. Hove, Art Tegland and Fred Hove families and Mrs. Abraham had a get-together Sunday at John Hove's as a farewell to Mr. and Mrs. Wm. LOOK! HERE'S ANOTHER "N.P." AD ABOUT IMPORTANT WAR PRODUCTION IN THE NORTHWEST! APPEARS IN THE SATURDAY EVENING POST AND 5 OTHER NATIONAL MAGAZINES.

"I'm bringing 300 million folks home to dinner!"

Millions of additional hungry mouths today call out to America for food. And when this war is over, America will have to feed many millions more—as many as three hundred million, some experts estimate. To fill today's staggering orders—and in anticipation of future needs—farmers throughout the nation are going all-out, nowhere with more determination than in the wheat country of the Northwest. Last year, for example, the states of North Dakota, Montana, Washington, Minnesota, Oregon and Idaho produced 342,568,000 bushels of wheat. . . . more than one-third of the total U. S. wheat crop! Much of it rolled to elevators and mills via Northern Pacific Railway. Again this year, millions of acres of wheat are being sown in the Northwest—wheat that will roll swiftly to our Allies throughout the world, as well as our own armed forces and civilians, over the "Main Street of the Northwest."

LOOSE TALK COSTS LIVES!

THE OLD JUDGE SAYS...

"You can't imagine, Judge, how much comfort Louise and I got out of reading that recent report made by the government on drinking habits in and around Army camps. If you hadn't loaned us your copy we'd still be worrying about our Jim... all because of those silly rumors goin' around."

"I'm mighty glad to hear that, John. As the report says, no Army in American history has been so orderly, so well-behaved, so well-trained. Why, even on pay-night, there's very little drinking done. I was particularly interested in that part which said the Army, with an eye to its own problem, usually prefers to have its camps in wet communities rather than dry communities because wet communities can be regulated... dry communities with their bootleggers can't. It's just more proof that prohibition does not prohibit."

Locomotive Off Track Traffic on the Genessee-Pullman branch of the N. P. Railway was at a standstill Saturday when a freight locomotive left the tracks at the Mikelson warehouse. A broken rail was the cause of derailing the front truck of the tender and when an attempt was made to pull the tender back onto the rails the six drivers of the engine and the truck tanks of the engine derailed and were damaged. The engine was patched to Genessee and by 7:30 Saturday evening the locomotive was in service again, but was taken to Spokane for minor repairs.

Now at the end of another school term students who will be at Genessee high next year bid farewell to their graduating seniors, and offer a most friendly welcome to the freshmen.

For a remaining of school mixing and study are over for a while, but for the graduates a new life has begun. They are beginning to learn to live differently—by experience. They are beginning to apply the things they learned in school to either further schooling in real and true life. All of us here at school join with everyone in expressing our wishes to the graduates for a happy and successful future.

High School News Hoopay! This is the final week of school. Vacation days are here again and the Journalism Club is folding up for the summer. This is our farewell salute to the Military March. We hope to see you again next fall.

Junior-Senior Banquet The Junior-Senior banquet was held Saturday evening in the Lutheran church basement. The menu was: Fruit cocktail, mashed potatoes, scalloped corn, green peas, creamed peas, fried chicken, rolls, strawberry shortcake and coffee.

Tractors were operating on a 24-hour basis beginning Tuesday of this week after about three weeks of idleness because of rain and snow. Fair weather continued until Thursday morning, with the weather forecast uncertain at the latter date.

Much of the land ready for seeding before the rains has been reworked to kill the new weed growth and prepare the kind of seed bed Genessee farmers demand. Many of the lower level fields are untouched, but they were being farmed this spring.

Fall wheat has been looking much better in the past few days, but a normal stand is the exception this year. With weather that normally is conducive to the growth of wheat, the crop is better than in many years.

Miss Evans gave her farewell address to the class at the banquet. Her speech, "I Am Confused," which was both interesting and helpful to the students present.

Baccalaureate Service Baccalaureate services were held Sunday, May 16 with the Seniors.

St. John Lutheran Church Sunday school, 9:30 a. m. Children will participate in the Lutheran World Action offering at a special program during the Sunday school hour.

Services, 10:30 a. m. Guest speaker will be Rev. Marcus Rieke of Columbus, O.

Community Aid The regular meeting of the Community Ladies Aid was held at the church parlor Wednesday afternoon with Mrs. A. C. G. as hostess.

The next meeting will be an all-day session with a no-hostess lunch at noon. The time will be spent in cleaning the church.

Music Awards Bonnie Kuehl, senior, and Dan Pederson, junior, were awarded general and piano music pins by Miss Dorothy Randall, music director, for outstanding work in seventh grade.

On our school picnic we have decided to go to Pullman instead of Robinson Lake because of bad roads. This year we took our 9-weekers today. We have two exams left for today (Thursday).

FAT SALVAGE DRIVE Under the general salvage program of the War Production Board, a special effort is being made at present to reach quotas on the Fat Salvage campaign. Housewives of each neighborhood are urged to save at least one tablespoonful each day and turn it in each month to their local dealer in Genessee. We will help in this important program by contacting housewives to secure their promises to save.

Follett Mercantile and Rader's Market have been receiving waste fats for many months but have no check on the entire amount purchased and shipped. Both places of business are glad to cooperate with the program and they say that the fats are picked up almost every week.

Boys Want Farm Work Bob Pratt, 614 Lapwai Road, and Dan DeGroot, 950 Lapwai Road, Lewiston, were in Genessee Thursday morning looking for work on a farm. Both boys are experienced and have handled tractors and trucks. They have worked in this community before. Should anyone desire the services of these two young men they may write them or contact them at once.

St. Joseph's School Picnic Pupils of St. Joseph's school were taken to Beachview Park in Clarkston Wednesday for a picnic dinner and games. They were returned to Genessee in time for children living in the country to take school buses home.

Save household waste fats and give them to the Axis in bullets.

"Daddy's Savings Will Help Me Through School"

Who are the stockholders in the Washington Water Power Company? If you look at the list, you will see that it's a cross-section of America. Besides the many hundreds of direct investors—some of them your neighbors—there are thousands more whose interest is no less real. Banks and insurance companies put much of their money in electric securities.... savings to help somebody's children through school.... savings which will care for the aged and infirm. In a very real sense, many Inland Empire people have a stake in the Washington Water Power Company.

SOME THINGS YOU MAY NOT KNOW ABOUT WASHINGTON WATER POWER PREFERRED STOCKHOLDERS. More than one-eighth of the stockholders are sales-people, laborers, farmers, tradesmen, school teachers. Nearly one-third of the individuals owning stock are housewives. Practically three-fourths of the preferred stockholders are fifty years of age or older. Thirty-one guardianships hold stock for the benefit of their wards. Many insurance companies, old people's homes, hospitals, churches, colleges, lodges and fraternal organizations are among the stockholders. THE WASHINGTON WATER POWER COMPANY A Self-Supporting, Top-Paying Business Enterprise

THE OLD JUDGE SAYS...

"Our men in the service in this war have pretty definite ideas about what they're fighting for and the way they want to find our country when they come back...don't you think so, Judge?" "I certainly do, George. Just a week or so ago I was reading in a national magazine the results of a poll taken among our soldiers. Each man was given a questionnaire containing twenty-five 'assignments' for the folks at home. He was asked to check the first five in order of importance to him. "Out of thousands of replies the first 'assignment' to the folks back home was 'Make sure I'll have a job in my chosen field of work when I get back'. Number 5 was 'Make sure that Prohibition isn't put over on us again.' "When the men in the last war came home and found prohibition had been put over on them behind their backs they were sore as boils. You can see from what I just told you how they feel about it this time, too."

GENESSEE VALLEY NEWS

We didn't miss keeping our fingers crossed last week. We had three nice days and five of Oregon miles (missed Oregon and hit Idaho) that kept our ground too wet to seed. This week it is nice and warm and tractors are roaring night and day to finish up in May. There is no sickness in the Valley and no complaint about rationing. Birthday parties filled the social docket. Sunday is Memorial Day. Let us not forget the heroes of all the wars who died that we might live in the American way of life.

What We Need
A little more kindness, a little less creed;
A little more giving and a little less greed;
A little more smile and a little less frown;
A little less kicking a man when he's down;
A little more "we" and a little less "I";
A little more laugh and a little less cry;
Many more flowers on the pathway of life;
And fewer on graves at the end of the strife.

Saturday evening dinner guests of Mr. and Mrs. Hugo Gehrke were Mr. and Mrs. Ed Jutte and Gloria, Rev. Marcus Rieko, Mr. and Mrs. Ben Jutte and Rev. T. A. Gebhard.

THE OLD JUDGE SAYS...

"Just one more question before you go, Judge. What is this thing called propaganda you hear so much talk about these days?"
"I'll give you an example, Hank. Last night I was reading an interesting little book called 'Hitler is in Favor'. It told how Hitler would very much like to see Americans fighting among themselves over prohibition because that would create disunity, waste the time of Congress and legislators in wet-dry arguments and cripple our war effort. It also mentioned a booklet written about Hitler's government telling how Hitler's gang wants to maintain contact with foreign temperance organizations and how it contributes annually to an international temperance union."
"You can bet Hitler isn't interested in seeing prohibition advanced in our country for any reason except that he knows it's a good way to stir up trouble. That's what they mean by propaganda, Hank."

Mr. and Mrs. E. C. Harms who visited from Tuesday until Sunday of last week at the home of Mr. Harms' father, O. W. Harms, and Heber Harms, left by train from Lewiston Sunday to return to their home at Eugene, Ore. They were accompanied to Lewiston by O. W. and Heber Harms and Mr. and Mrs. Arthur Flomer. Mr. and Mrs. Harms' son, Edward, sophomore student at the University of Oregon, was unable to come to Idaho with his parents as he is completing school studies prior to entry into the navy July 1.

Sunday afternoon callers at the home of Mrs. Elisa Flomer to visit with Clarence Flomer of Walla Walla were Mr. and Mrs. Carl Flomer and sons, Dale and Kenneth, of Moscow.

Visitors Sunday evening at Carl Erickson's were Mr. and Mrs. A. H. Bjorklund and son, Bobby, of Moscow; Mrs. Frieda Maier and Gladys Thompson of Lewiston. Miss Alice Bjorklund, member of the Genessee high school faculty, accompanied her parents on their return to Moscow.

Del DeMers, who came Saturday from Pasco to take his summer job with him, returned Sunday, accompanied by Dan Pederson, but his two sons were not able to make the trip. The two boys attended the Cottonwood parochial school the past term, and on the last day Frank contracted measles. He was fine Sunday, and he expected to go to Pasco with his older brother Donald, about Wednesday. They will live with their father at a tourist cabin this summer, and Don will be employed at a canning plant. Dan Pederson went to Spokane Monday and was met Tuesday morning by his parents and accompanied them home Tuesday evening. Arriving in Spokane about midnight Monday Dan happened to meet S. E. Windham, formerly of Genessee, and he was a guest in the Windham home overnight. Mr. Windham and family were in Genessee Monday on their return from Gifford where they visited relatives. Mrs. Windham is now a registry clerk at the Spokane downtown post-office and lives at Opportunity.

Mr. and Mrs. Lonnie Zehner and two children of Walla Walla visited Saturday night and Sunday afternoon with Mr. Zehner's mother, Mrs. Laura Zehner, at the Carl Erickson home.

Shirley Haymond and Dorothy Anderson are working in Moscow in the offices of Dr. Frank B. Robinson. The girls travel back and forth each day with Mrs. Harold Haymond who is employed in the office of Dean J. F. Messenger at the University of Idaho.

Mrs. Elizabeth Linehan, Mrs. A. C. Linehan, Lt. Marjorie Linehan and Mrs. Don Linehan attended funeral services in Moscow Tuesday morning for Mrs. Albert Neely.

Mrs. H. B. Jones was taken to Spokane Wednesday morning by her daughters, Miss Eva Jones of Lewiston and Miss Thelma Jones, where she is receiving medical care.

Mr. and Mrs. John Luedke and daughter, Ann Louise, and Mr. and Mrs. David Kuehl motored to Spokane Monday. Mrs. Kuehl remained until Wednesday when Mr. Kuehl motored after her.

Miss Fern Knight of Dufur, Ore., came Saturday for a visit of several weeks with her brother, Rev. Melford Knight.

Mrs. C. M. Eager of Colfax who visited her daughter, Mrs. Elvon Hampton and family left for her home Sunday, accompanying Mr. Eager who spent the day here.

Miss Lois Owens of Lewiston came last week and will make her home with Dr. and Mrs. N. M. Leavitt.

John Humphrey of the Lenville community was a business visitor in Genessee Wednesday, and reports that ranchers in that locality are at last finishing up seeding. The Lenville country, it is believed, had less seeding to do this spring than other areas. A trip through that section a few weeks ago gave the impression that winter snows laid more evenly on the ground and did not drift as much as elsewhere. The finest fall wheat crop seen growing this spring is in the Lenville community.

George Hampton of Spokane is visiting friends and relatives here for a few days.

Mrs. Ellen Smyly of Los Angeles, Calif., arrived Wednesday for a visit of a month with her sister, Mrs. Hannah Swenson. It has been 13 years since Mrs. Smyly visited in Genessee.

THE GENEESE NEWS

Genesee, Idaho Entered at the Postoffice at Genesee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher

CAR OWNERS WILL OBTAIN SECOND GAS BOOK BY MAIL

Plans by which car owners and motorists may renew their present basic gasoline rations (A and D coupon books) by mail have been announced by the Office of Price Administration.

Under the streamlined procedure which eliminates another registration at school or ration board sites, a motorist will:

1. Pick up a simple application form any time beginning about June 22 at a service station or other conveniently located place designated by his local ration board.

2. Fill out the form and mail it to his War Price and Rationing Board together with (a) the signed back of his present "A" book, and (b), his current tire inspection record showing that proper inspections have been made.

Boards will begin processing these applications as soon as they start coming in, so that all new "A" books should be mailed out in the hands of motorists before July 21. However, to be sure of getting a new "A" book by the time the old one expires, motorists should act promptly in filing their applications, OPA warns.

Motorists concerned will follow the same procedure as motorists. Both car owners and motorists will use the same application form which is similar to the one used for basic rations last year. It simply asks for the owner's name and address and the description of his vehicle. All the needed information may be obtained from the registration card and the old tire inspection record issued the car or motorcycle.

Attached to the application form will be a tire inspection record which the ration board will tear off and mail back to the applicant with the new "A" or "D" book. As previously, applicants will be required to write in their tire serial numbers. These numbers may be copied from the old tire record, unless corrections are necessary to take into account the acquisition of new tires, or of errors in the old record.

Any motorist who has not had at least one tire inspection by a qualified inspector will be denied a renewal.

AMPHIBIOUS TRAINING IS LOT OF ARTILLERYMAN TUTTLE

Harvey M. Tuttle, who was employed here by A. Carburn before his fourth enlistment in the army, has served in the Philippines and Hawaiian Islands prior to the war, and just had to get back in when hostilities started, is being given some amphibious training. He still don't like California. He writes:

"Did you think that I had forgotten you folks up there? Not much chance of that. Oh, we are still in the great California, and I like it just as much as ever, only less and less. Gosh, I sure hope that all the folks up around there are all well, and hope that I can get back to see all of you again some time in the near future."

"I saw by the last paper that you sent that you had quite a snow storm. I wonder what these prairie pickers would do around here if not ten feet of it fell here. That is too bad about the floods back east isn't it? Seems that wherever humans have to happen all at once. This darn foot war isn't bad enough without floods and everything else thrown in. I sure hope that things get better pretty quick."

"Well, Pete, I guess everyone up around there are putting in their crops and doing a lot of spring plowing. Sure wish I was up here to happen all at once. This darn foot war isn't bad enough without floods and everything else thrown in. I sure hope that things get better pretty quick."

"Well, Pete, these bright green hills down here are beginning to look pretty brown again, and they don't have to look them either. Well, thanks to all the fellows in the Legion for the paper and the best of luck to everyone in and around Genesee."

"Yours till this whing dingy war ends. "Shorty."

RAINS DOMINATE WEATHER SEEDING MOST COMPLETED

Genesee and the Inland Empire has had two kinds of weather the past week, wet and rainy, but showers came after a sunny spell that was welcome by those fortunate in having completed seeding operations. There are many scattered unseeded portions of fields, but with additional moisture the lower lands are unworkable for a few days at least, should favorable weather be in prospect this week.

Weather of the past few days has not been conducive to rapid growth of peas, but everywhere one may see good stands. Some fields, very few however, are advanced to within a week or so of blooming, but for the most part plants at mid-week were about four inches above ground, and there are many fields where drill rows are just beginning to show.

The wheat crop, generally is a disappointment, and with the greatly reduced acreage in the Inland Empire, production will be the lowest in many years. It would not be surprising if the wheat yield at Genesee set a new all-time low, both in total yield and yield per acre.

UNIVERSITY GRADUATES

Six Genesee people received their degrees Monday from the University of Idaho. They are: Ben Cook, B. S., education; Misses Rowena Nordby and Marie Connick, B. S., home economics; Miss Mona Myers, B. A., music; Miss Dorothy Follett, B. S., bacteriology, and Loren Kambsch, B. S., agriculture.

Leo Heppner and Misses Nadine Connick and Alfrida Gilbertson completed their sophomore year. Gerald Pederson completed his junior year, and is leaving soon for army training, and will go with Loren Kambsch.

Miss Arlene Borgen recently graduated from Lewiston Normal and will teach the coming year.

TELEPHONES FROM HAWAII

Wednesday evening, Sgt. Larry Brown, stationed in Hawaii, held a telephone conversation with his wife and little son, his parents and sister. His voice came over the wires distinctly, much the same as if he were in Genesee, the Brown family said. The occasion for the call was the first birthday of Larry, Jr., and also the birthday of Sgt. Brown.

The first birthday of Larry Karl Brown, was observed with a party at the home of his grandparents, Mr. and Mrs. Lawrence Brown Tuesday afternoon, June 1. Guests present were Mrs. James Kane and son, Dennis; Mrs. Carl Omondson and daughter, Carol; Mrs. Harold Lee and sons, Dickie and Davy; Mrs. George Anderson and son, Kenneth; Mrs. C. W. HEPPNER NOW AAF TECHNICIAN

Santa Monica, Calif.—Private First Class Floyd P. Heppner, son of Mr. and Mrs. Paul Heppner, Genesee, Idaho, has qualified as an army air force technician, recently completing intensive training in aircraft depot overhaul at the army air forces technical training command school at Curtiss Wright Tech Training. The school is in the Command's Los Angeles Civilian Schools Area.

Heppner was especially chosen for the technical training and is now qualified to take his place in the vast army of expert technicians who keep out combat planes in fighting trim. He has been transferred to an army Air Forces station for active service.

Before being assigned to the special technical course Floyd received basic military training at Sheppard Field, Texas.

MISS ELISIE SMITH BRIDE OF RAPHAE LINEHAN SATURDAY

Miss Elsie Smith, daughter of Mr. and Mrs. Charles Smith of Troy, became the bride of Mr. Raphael Linehan, son of Mr. and Mrs. A. C. Linehan, Saturday morning at 10 o'clock at St. Mary's parish house, with the Rev. Fr. Charles Veit officiating. They were attended by Lt. Marjorie Linehan, ANC, Camp Adair, Ore., sister of the groom, and by Clarence Smith, brother of the bride.

The normal school and for the next three years has successfully taught in the Genesee grade school. She has been re-elected for next year.

Since attending the University of Idaho, Mr. Linehan has been associated with his father in farming.

The newly wedded couple have rented the home of Wm. Cunningham.

NOTE FROM OTTO BORGEN

Otto Borgen, who has been in Africa for several weeks writes the following brief note:

"Dear Pete: "Will write a few lines. I am still in North Africa. I like it here, but the States are the best of them all. It's warm here but the nights are cool. Thank you for the relatives where to send The News. We know now, and it will leave here each Friday morning. Last week there were 116 fellows from Genesee to keep track of, besides some on the move, and requesting mail held up until they reached destinations.

From the date on your letter, one may assume that you were in Africa in time to see the last of Rommel's Afrika Korps.

BRANCH CITY POSTOFFICES MEANS FASTER MAIL SERVICE

The new method of speeding up mail deliveries, through addition of a branch post office number to the address on mail for delivery in large cities, is being placed in operation rapidly. Within a few days after initiation of the plan nearly all postmasters in large cities affected had assigned postal unit numbers to their branch offices, and millions of residents had been advised of the number to be added to their addresses.

The new system speeds up the separation of mail for distribution to branch offices and permits much more rapid handling of mail by inexperienced postal clerks, thousands of whom have been employed to replace personnel who have gone into the armed forces and into war industries.

Rapid increase in volume of mail and the loss of some 30,000 postal employees made it necessary to adopt the plan mentioned, in the interest of accurate, efficient mail service and for the relief of personnel who are carrying an extremely heavy burden of work. The average work week in the service now is about 52 hours, and in many postoffices employees are working 10 and 12 hours a day, seven days a week, because of shortages of personnel.

An example of the new type of address is: John C. Smith 222 Mattapan Ave. Boston 8 Massachusetts

The number after the name of the city indicates the branch post office (or postal unit) through which delivery is made. Each resident of large cities is asked by his postmaster to add the postal unit number to his return address, and to notify all to whom he writes that his address is not complete without the number.

Residents of small cities, towns and rural regions should inquire of their correspondents in large cities concerning the number assigned to the city resident's branch post office so that the mail be expedited. The degree to which mail will be speeded depends upon the extent to which number are used by mailers.

Meet Brother in Spokane Mrs. Stanton Becker and Mrs. Don Linehan went by stage to Spokane Sunday and spent several hours with their brother and his wife, Ensign and Mrs. Ted Wagner, who were en route from Spokane Tuesday evening, June 1. Guests present were Mrs. James Kane and son, Dennis; Mrs. Carl Omondson and daughter, Carol; Mrs. Harold Lee and sons, Dickie and Davy; Mrs. George Anderson and son, Kenneth; Mrs. C. W. Sisty and daughter, Eula, and Miss Glenn Brown. A birthday cake and ice cream were served the guests by Mrs. Lawrence Brown and Mrs. Larry Brown. Larry Karl was remembered with a number of gifts.

Ensign Wagner was among more than 1000 midshipmen to be graduated from Notre Dame naval reserve school recently. At Berkeley he will attend naval school at the University of California. Accompanying Mrs. Becker and Mrs. Linehan to Spokane were Mrs. Wm. Jones of Clarkston, mother of Mrs. Ted Wagner.

VACATION BIBLE SCHOOLS

Rev. T. M. Gebhard announces that arrangements are complete for the Vacation Bible school which opens at 9 a. m., Monday, June 7 at St. John Lutheran church. There will be six teachers under the direction of Rev. Gebhard to conduct courses in general Bible study. There will be general opening exercises, periods for Bible study, construction work and recess. All children of the community are invited to attend the school which is to last two weeks.

The Genesee Valley congregation also announces a similar program for two weeks. Those near there are encouraged to send children to the Valley church to save transportation. Mrs. Victor Danielson is in charge of the Valley Bible school.

N. P. RAILROAD TO PAY PART TUITION FOR TELEGRAPHERS C. W. Sisty, Northern Pacific Railway company agent at Genesee, has been informed that the company has an agreement with the Spokane Telegraph school to train operators for railway service.

A five months course in railway telegraphy, transportation rules and station accounting is open to students. The tuition fee for this course is \$125, the student to pay \$50 in advance for the first six weeks, and the company will pay the balance of \$48 for the remaining six weeks.

A special three months course in railway telephony, transportation regulations, and station accounting is also open. The fee for this course is \$83, the student to pay \$48 in advance for the first six weeks, and the company will pay the balance of \$48 for the remaining six weeks.

It is understood that the student should be able to pass the company's physical and visual examinations, and will go to work for the Northern Pacific when course is completed.

Anyone interested in these courses may contact Mr. Sisty, and he will advise where to obtain necessary application blanks.

MEMORIAL DAY AT GENEESE Members of the American Legion went in a body to the several cemeteries in the Genesee community Sunday morning to decorate graves of all ex-servicemen. Wreaths prepared by the Auxiliary, and American flags were placed on the graves.

Some of the fraternal orders placed wreaths and emblems on graves of deceased members Saturday and Sunday morning.

All of the cemeteries this year were in excellent condition, and much work has been done on the Valley, St. John St. Mary's and City cemeteries, and appearances this Memorial Day provides evidence that cemetery taxes for the district was a wise move, and there is evidence that the men who have cared for the cemeteries have done much with funds available.

There were not as many visitors to the cemeteries this year as in the past, especially from a distance, but this must be due to war-time restrictions on travel.

Monday was observed as a holiday in Genesee when many of the business firms closed and some remained open.

PROMOTED TO CAPTAIN Word has been received by Mr. and Mrs. Ed Erickson that their son, Glenn, has been promoted and is now a captain. He has been with Co. K, 351st Infantry for some time, and has been at Camp Gruber, Okla.

Get Together Club Mrs. George Anderson entertained the Get Together Club Wednesday evening when Mrs. James Kane won high score award; Mrs. C. W. Sisty, second high, and Mrs. McKinley, the consolation. Mrs. McKinley and Mrs. Sisty were invited guests. Mrs. Anderson presided at the close of the club to two weeks.

Ensign Reisenauer to San Diego Ensign Hubert Reisenauer left last Friday for San Diego, Calif., to complete a course at Berkeley before coming home on leave.

Hogs Sell Monday at \$13.75 Fifty-seven farmers brought in 928 hogs to the Moscow pool May 31 that totaled 78,410 pounds. They were shipped to Armour & Co., Spokane at \$13.75; Swifts, \$13.55; Gibson's \$13.45; and Carsten's \$13.10. Total receipts were \$10,879.33.

Infant Dies The infant son of Mr. and Mrs. Stanley Sneve, who died at birth, Saturday, May 29, was buried Tuesday morning at the Genesee Valley Lutheran cemetery where graveside services were held. Mrs. Sneve, very ill for a few days, is reported improving at the Grtman hospital.

Missionary Society Mrs. George Carburn and Mrs. Estil Carburn entertained the Missionary Society of the Community church Tuesday afternoon at the home of Mrs. Ben Pleiman. Mrs. Don Jain was the program leader. Luncheon was served at the close of the meeting.

Howard Hogan is here to visit his mother, Mrs. Mae Baker, before going to Ft. Douglas. He was inducted into the army recently at Spokane.

FLIGHT INSTRUCTOR AHERIN TEACHING CHINESE, ENGLISH

Dan Aherin, Phoenix, Ariz., who has been a flight instructor for some time now, writes:

"Dear Mr. Pederson: "You asked me, one time, to send you a few interesting news items, should any come along. There were two or three in the local papers this week which I thought you might find interesting. I guess I won't need to write anything about them, they should be self-explanatory, except perhaps, the one about the Chinese flag picture. Thunderbird Field, where the picture was taken, is where all Chinese cadets that come to America for flying training receive their primary training.

"Thunderbird, Falcon and Thunderbird II, three of the fields mentioned, are the three Southwest Airways Fields. Falcon has been devoted exclusively to training RAF pilots. However, recently there have been a few American cadets included with each course of British that come in. That article (the one on the Falcon) concerns the graduation of the first class that included American cadets.

"Training in RAF and U. S. army schools is the same in many ways. At Falcon cadets are given both primary and advanced training in course of the U. S. army's method of sending cadets to different fields to receive different phases of their training, primary, basic and advanced. The British eliminate the basic phase, and start their specialized training in the following order: instrument flying, night flying and so forth, quite a bit earlier.

Williams Field is a large twin-engine U. S. army advanced training school near Phoenix.

GENESEE VALLEY NEWS

Fine growing showers with a little sun between are making ideal weather for the late-sown peas and grain. It could be a little warmer but that will come later. Seeding is pretty well over in the Valley and pea dusting will be next in order for early-sown peas. Weevil are out in command formation and dusting, expensive as it is, will have to be done. Weddings are fast diminishing the supply of eligible men in the Valley. Who will be next?

Fifteen women from the Valley Aid drove to Moscow last Wednesday afternoon and were guests of Our Savior's Lutheran Aid. A fine program was given by the Moscow ladies and delicious refreshments enjoyed. Those making the trip were Mmes. Lilly Larson, Paula Peterson, J. Scheele, J. P. Wedin, Vic Danielson, John Hagen, Annie Danielson, Belle Hanson, Dolie Peterson, R. E. Nordby, Ed Morken, Lyons, Herman Isakson, Oscar Danielson and Miss Beuletta Nordby.

The Sunday school board met at Oscar Danielson's Thursday evening when plans were completed for the Daily Vacation Bible school at the Parish hall, beginning Monday, June 7 until June 18, from 9 to 11:30, Monday through Friday. THE OLD JUDGE SAYS...

"Glad we ran into you, Judge. I was just tryin' to set Helen straight on this business about sugar. I wish you'd tell her what you told me last night down at lodge."

"Glad to, Jim. I told him, Helen, that there's not a single bit of truth to the rumor that the distillers use sugar in making whiskey. They make it exclusively from grain. Only bootleggers use sugar to make whiskey. I read an article in the paper just last week that goes to prove it. It told how a confessed bootlegger in a Federal court testified to the fact that another bootlegger, also on trial, had bought a million pounds of sugar a few years ago."

"As a matter of fact, Helen, no distiller is making whiskey today and hasn't for many months. All distillers are working night and day producing wa alcohol for the government. And they make every drop of it exclusively from grain, too."

MANY FROM GENEESEE ATTEND MEETING AT OAKSDALE, W.N.

Miss Mona Myers, niece of Miss Maggie Bottjer, and Aviation Cadet Gustave D. Rosenau, son of Mr. and Mrs. G. D. Rosenau, were married Saturday evening, June 5 at Phoenix, Ariz., by Rev. Lindsley of the Grace Lutheran church. They were attended by Aviation Cadet and Mrs. Robert Scholer.

Both bride and groom are graduates of Genesee high school and have attended the University of Idaho, the former being a graduate this spring and received her degree of bachelor of arts, organ major. The groom enlisted after his third year at Idaho and at present is in training at Thunderbird Field, Glendale, Arizona.

FEDERAL AUTO USE STAMPS ON SALE AT ALL POSTOFFICES

Collector of internal revenue, John R. Wiley, announces that auto use stamps in the denomination of \$5.00 will be placed on sale in all postoffices and offices of collectors of internal revenue on Thursday, June 10. After July 31, these stamps will only be on sale at postoffices of the first and second class and at such postoffices of the third and fourth classes as are in county seats only.

The stamps will evidence payment of the tax for the fiscal year beginning July 1, 1943, and must be purchased and affixed to the windshield of the car on or before July 1. The stamps will be serially numbered, will be gummed on the face, and will have provision on the back for the entry of the make, model, serial number and state license number of the vehicle.

The new stamps are yellow, and like last year they are replaceable if lost, except by purchase of another stamp. These stamps have an intrinsic value and therefore uncertified checks will not be accepted as payment in postoffices.

CECIL NEBELSIECK RETURNS FROM TRIP TO CALIFORNIA

Cecil Nebelsieck who left two weeks ago for California, returned Wednesday to Genesee, and immediately became employed by Ray Trautman. Cecil planned to remain in California but changed his mind.

When he left Lewiston by train he was somewhat surprised to find Ensign Hubert Reisenauer following passengers. They traveled together as far as Los Angeles. Hubert went on to the San Diego navy base.

While in California Cecil visited at Hollywood with Mr. and Mrs. Fred Meyer and daughter, Gwendolyn, and was their guest at dinner one evening. Fred is employed at an aircraft rating and Mrs. Meyer and daughter are also employed.

At Oakland Cecil visited with Mr. and Mrs. Brubeck and family, and at Los Angeles he visited with Mrs. Harry Phillips and family. Mrs. Brubeck is a daughter of Mrs. Mary Herman and Mrs. Phillips is a sister of Mrs. Leo Gehrke.

At Portland Cecil visited with Mr. and Mrs. John Flomer and Mrs. Bradley, a sister of Mrs. Flomer.

Harvest was practically over in the Sacramento Valley, with good crops of barley, oats and wheat reported.

HOME FOOD DEMONSTRATION

Miss Hattie Abbott, home economist of the district, will be in Genesee Tuesday, June 15, to demonstrate home drying and freezing of foods. The demonstration will be conducted at the Community church basement, starting at 2 o'clock.

Miss Abbott's presence is sponsored by the Rimrock Nutrition club, and members urge that all ladies in and around Genesee attend. All ladies interested are cordially invited.

RED CROSS NOTES

Women of the Genesee community are taking seriously the appeal of the National Red Cross for 360 million bandages in June. Thirty-one women and six girls made 1800 dressings Monday.

Since so many high school girls are out of town for the summer there will be room for the older grade school girls.

Last week the hours of the Pep Club were unintentionally omitted. They had 36 1/2 hours.

Women are asked to bring a coat. J. M. McCroskey treated the ladies to cold drink Monday which was greatly appreciated. The hot pool is open all day Monday until 6 p. m. Bids are received and hogs are sold at 3 p. m.

ENS. WAGNER AT BERKELEY

Ens. and Mrs. Ted Wagner, are now living at Berkeley, Calif. The former writes:

"We have moved since I sent you my change of address card. I guess I want have to tell you what I am doing, since Hubert Reisenauer has been home, because he probably told you more about this school than I know at the present time. I do know it is sure hard to find a decent place to live, in fact you can't find nothing but sleeping rooms. You are lucky if you get a hotel room without a reservation for a week or two ahead. We have 14-day laundry service here, which makes it necessary to have a large supply of clothes. Well, I must close and study."

SGT. OSCAR HOSEID REPORTS ON TRIP TO THE HOLY LAND

Staff Sergeant Oscar Hoseid, with a fighter squadron in the Middle East was fortunate during the recent lull in operations to obtain time-off for an interesting trip. Writing to the John Eikum family he tells of journeying to the Holy Land. Some excerpts from his letter read:

"I got to go on a tour of the Holy Land and it sure was a grand trip. We stayed at a Y.M.C.A. in Jerusalem, and from there we took taxis, first to Bethlehem, and visited the spot where Christ was born. On the way back to the 'Y' we stopped at Rachel's Tomb. Then we went to the Ark of the Covenant, and to where they made their wine in the days of Christ. Then to the Mosque of Omar, to the Dead Sea and River Jordan. At Jericho we could see where the angel and old Jericho had been, then saw the modern city which is really pretty, with orange and banana trees and lots of pretty flowers."

"Next we went to the Mount of Olives, to the Garden of Gethsemane where Christ was supposed to have talked with His disciples. There are eight olive trees still standing that were there in Christ's time. We saw, too, where He is supposed to have ascended into heaven, also his footprint in solid rock."

ELVEN COYOTES DELIVERED TO FEDERATION AT MOSCOW

When Frank Jones and Glen Jones of the Lenville country learned there was a campaign on to trap coyotes, and a bounty to be paid by the Latah County Wildlife Federation on each animal trapped or killed, they took time off from their reins to raise two dogs. One litter of five pups was taken from a den on the J. W. Brigham ranch, and it was necessary to shoot the mother coyote. Another den was opened on the Roth place, farmed by Mr. Magee, and five more pups were caught and taken to Moscow alive.

The Jones, if everything works out according to plans, take a shepherd dog with them in search of dens. The dog rooms while the men keep under cover, and the idea is that when the mother coyote sees the dog she usually tries to kill him off. Most dogs are used for one purpose, to help find the teeth of coyotes, and seldom permit their running legs to embarrass their faces. This tends to lead the mother coyote from the den toward the hunters, and also discloses the location of the den.

The Wildlife Federation has appropriated \$200 for trapping or killing coyotes in Latah county, and pay at the rate of \$2.00 per animal. It is necessary only to bring in the tails or pelts, and they may be delivered to Walter J. Harris, president of the federation, or to Martin Mickey.

RURAL FIRE CONTROL MOVIE AND LECTURE WED., JUNE 16

ROGER BROEMELING'S SISTER
MRS. ANGELA BAUER, 34, DIES

Funeral services were conducted Saturday, June 6, at St. Gall's Catholic church at Colton for Mrs. Angela Bauer, age, 34, of Colfax. She was born at Thorncreek and received her grade schooling at the Bottjer school. She attended high school at Uniontown and Moscow Academies, and completed her education at the Lewiston State Normal. She taught at the Lone Star school for two years and at the Smith school for one; both schools being near Genesee.

Mrs. Bauer died at St. Ignatius hospital in Colfax on Thursday, June 3. Three years previous to this date, on June 3, her sister, Regina Streibich, was killed in an accident, and four months previous to Mrs. Bauer's death, another sister, Agnes Zellhorff, died at St. Ignatius hospital.

She is survived by her husband, Ernest; three daughters and one son; her parents, Mr. and Mrs. Gerhart Broemeling, of Uniontown; three brothers, Roger Broemeling of Genesee, Pete Broemeling of Uniontown, and Leo Broemeling of Colton, and one sister, Mrs. Carl Ricard of Uniontown.

Funeral services were held at the home of Mrs. Bauer's parents, Mr. and Mrs. Carl Ricard of Uniontown, on Saturday, June 6, at 10 o'clock. Relatives and many friends of the deceased at Genesee attended the funeral services.

HOME ON FURLOUGH

John Hoduffer, stationed at the army air base at Chico, Calif., came Monday to visit relatives here. He has a ten-day furlough. John has been in the service since last September.

Lloyd Hasfurther, in the armored forces at Camp Beale, Calif., came to visit his parents to visit his parents, Mr. and Mrs. George Hasfurther, and other relatives. Lloyd has an 11-day furlough from the tank corps, and is enjoying the cool weather of Idaho. In his training he has qualified for a tank driver, but is also schooled in modern infantry tactics. In recent months some of his training has been coordinated with the air force, both offensive and defensive. Equipment of the armored forces includes practically everything that moves on tracklayers and wheels, and the striking force of the units now in training increased and the mobility of the units stepped up continuously to exceed anything the enemy may have. Lloyd seems to like his assignment as driver, and he certainly is in fine physical condition. He and Jack Magee are at the same camp, but in different units, and have seen each other but once since they arrived at Camp Beale. Lloyd hopes to see Mr. and Mrs. Magee when he reaches Marysville on his return to camp.

Bob Says:

Yes, you need Hall and Fire Insurance for your crops. You want your outlay per acre and expense money for this winter.

Responsible authorities estimate that hailstorms destroy crops each year valued at more than 100 million dollars. These storms occur in practically all states, in some cases devastating several counties at a time. As you know, hail attacks with such quick fury that in a few minutes a growing crop can be completely ruined.

There is one way for a grower to protect his crops against this hazard and that is to purchase from a reliable agent an insurance policy.

Your average investment for peas is \$15 per acre. Isn't it good business to protect this investment by spending 50c an acre more?

GENESEE VALLEY NEWS

June weather has arrived at last and the warm sunshine is greatly benefiting the growing crops. Cars of summer school students with the usual hitching equipment, kept the highway hot over the week end, as the annual trek to the University summer session began. The only excitement was the charivari Friday evening. Pea dusters are being rigged up to be ready for the first blooms.

Flag Day
When I see the old flag Tossing high in the air, The greatest old flag there ever could be, I have a queer feeling It's waving up there "I'm the beautiful flag Of the brave and the free, In all that you say or do, Be worthy each day Of a banner like me And then I can be proud of you."

Pioneer Day
June 15 is Pioneer Day and we send this poem by J. I. Hogan in honor of the day, "A Tribute to the Pioneers."

Ah, youth is the time for daring And so came the pioneers To their country bleak In plain and peak, In the dawn of their yester-years. The call of the west was sounded, Borne strong as the tempest's breath, And they answered its tone, And they alone, Who smiled in the face of death. No heart that is weak and fearful, No soul that is hero's soul, For the men of the west Must stand the test If they win the distant goal. And men sprang up at the bidding Who laughed at the thought of fears, With a scorn sublime For death and time— And they were the Pioneers. They battled a mighty conflict With torture and pain and fate, And they stood the test Of the savage west And conquered and won our state. Then hail to the men of the sixties And thus may their fame be told; The Pioneer Of the yesteryear Was cast in a hero's mold. The thrill of the war and struggle Is joy to a man of steel, But, ah, for the lives Of mothers and wives And the pain that our women feel.

THE OLD JUDGE SAYS...

"I can't think of anything else you'll need for your Victory garden, Judge... you've got pretty nearly everything."
"I think so, too, John. Ever get your asparagus patch going?"
"I gave that up last year, Judge. Tried it six years in a row with no luck. Just haven't got the right soil, I guess?"
"Well, I think you're wise, John... no use keeping on trying things you know won't work. Just like prohibition. State-wide prohibition has been tried in this country

seventy-two times in the last ninety years. It has been adopted forty-seven times in the past thirty-three years and discarded everywhere except in three states. Same thing was tried in eight provinces in Canada and in Norway, Sweden, Finland and Russia but it was an admitted failure and universally abandoned.
"The reason is prohibition does not prohibit. All you get is bootleg liquor instead of legal liquor, plus no end of crime and corruption."

DRIED PEA CROP DOING FINE IN VARIED GROWTH STAGES

Dried peas, the biggest war crop of the Inland Empire, progressed satisfactorily during the week, with dusting started in some of the earlier fields last week. Rain, however, has kept growers out of fields, and temperatures have not been sufficiently high in recent days to cause a rush of dusting even though weather was favorable.

Peas in the Genesee area are in various stages of growth, from those just showing through the ground to those in full bloom. There are some excellent stands of peas in this area, and with continued favorable weather the Palouse country will be able to contribute its share of war crops.

Rain and Hail Damage The rain and hail storm which hit south and southeast of Genesee last week did considerable damage. Some fields of peas that were well advanced were damaged by hail stones, while the damage by erosion in pea fields was more than estimated a few hours after the brief storm. Some are of the belief, however, that the benefits of the timely rains offset damage, that is, the benefits to all crops will amount to more than the hail damage.

The storm which struck last Wednesday afternoon also did much damage to the new road which leads to Coyote Grade, where water carried crushed rock from the road and spread washed soil and debris over the highway in many spots.

Sweet clover entering its second year of growth in this area, turned out, for the most part, to be a failure this spring, and a number of farmers have plowed the crop under at this early date. Plowing under the sweet clover became necessary in some fields if weeds were to be controlled. A saint around the territory tributary to Genesee finds some hay cut near the Rimrock, and with the rains of the past week, this early crop is discolored and may be lost. The noticeable shortage of wheat across this year is more decided than in 1942, and actually a field of wheat is the exception, with peas, both dried and black extending right to the edge of Rimrock.

Plowing down of second-year sweet clover got under way last week, but for the most part, has been discontinued during recent days owing to too much moisture.

NEW R. C. HOSPITAL QUOTA Latah county has just received a new hospital quota, larger than the one now being completed, and to be finished before the first of September, announces Mrs. F. B. Laney of Moscow, production chairman of the Red Cross, in this county. She stated that a letter from headquarters accompanying the quota suggests that all individuals, clubs and organizations become interested in this work since it is fast becoming a "must." The letter concludes, "They give their best on the battlefield; can we do less on the homefront?"

Mrs. Laney adds in her letter to Mrs. Leavitt, Red Cross chairman, "Will your branch accept the articles listed below for your share of the quota . . . 25 men's bed jackets; 30 bedside bags; 20 cards table covers, 100 housewares, 100 kit bags, 15 pneumatic jackets, 50 pair socks and 50 pairs of handkerchiefs."

Materials for kits and housewares will be on hand for re-sale to the branches and directions for making will be sent on receipt of quota. Yarn for the knit articles are already on hand.

1943 Wheat Loan Value \$1.22 A loan program for the 1943 wheat crop, averaging nationally \$1.22 per bushel at the farm, was announced by the War Food Administration June 9. Wheat produced in 1943, grading U. S. No. 3 or better, or U. S. No. 4, and U. S. No. 5 because of test weight only, will be eligible for loan. The loan value at Portland is \$1.33 per bushel, excluding RES.

WINTER WHEAT CROP LATE IN MOST SECTIONS OF U. S.

Conditions in the Palouse country are typical of conditions in most sections of the United States where winter wheat is grown. The one exception is in western Kansas, according to the U. S. Department of Agriculture. The reports reads:

Winter wheat made fair to good progress during the week in the Palouse Valley with general improvement noted in the more eastern sections. In the central west the crop has begun to head northward to southern Wisconsin, while ripening is rather slow in Kansas. Harvesting is expected to start during the third week in June in Kansas. Harvest has started in Oklahoma and the low plains of Texas. Spring wheat is making good growth in most localities with general rains providing adequate moisture.

Stem Rust Not Developing While winter wheat has ripened slowly and temperatures have been uniform, stem rust has not developed rapidly. Such varieties as Tenmarq and Kanred apparently will escape injury, according to reports to the Bureau of Entomology and Plant Quarantine, but some injury may occur to susceptible varieties. Wheat in Texas and southern Oklahoma has advanced sufficiently to preclude serious damage from stem rust. There is much late wheat in northern Oklahoma and Kansas and with considerable moisture in the soil, rust still has an opportunity to develop.

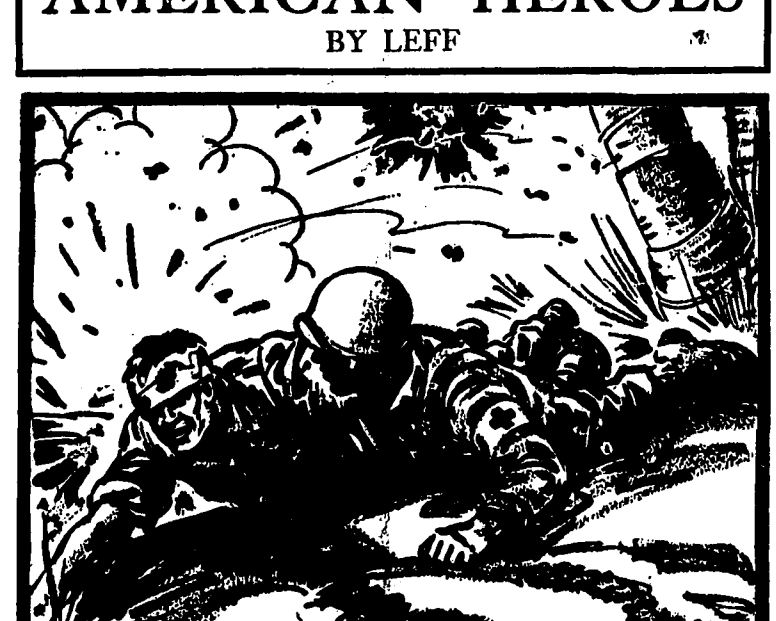

Dry weather in western Kansas and flood damage which was particularly severe in Missouri, eastern Kansas, Illinois and Indiana, lowered prospects of wheat during May and the condition June 1 indicated a probable yield of 15.1 bushels compared with 19.7 bushels last year.

The indicated yield would give a winter wheat production of approximately 502 million bushels, or about 29 per cent less than last year's crop of 703 million bushels. A spring wheat crop of 228 million bushels, or about 19 per cent below last year's production of 279 million bushels, was indicated by June 1 conditions.

Corn Crop Planted Late Corn planting was delayed materially by cool and rainy weather during May and very little planting had been accomplished in Ohio, Michigan and the northwestern states at the first of June. Farmers, however, took advantage of clear and warmer weather early in June and planting was rapid and progress during the week ended June 8 field work made better progress but considerable low ground was still too wet to work east of the Mississippi river. A large acreage yet remained to be planted in Ohio, Indiana and Illinois. Planting was considerably behind normal in Iowa and only about half John Luedke and daughters, Ann Louise and Jean; Mrs. Anna Hanson, Mr. and Mrs. Elvon Hampton, Mr. and Mrs. Frank Densov and daughters, Connie and Mary Francis; Mr. and Mrs. Ed Morken, Mr. and Mrs. Harry Scholer, Dr. and Mrs. N. M. Leavitt, Mrs. H. J. Martinson, Miss Frieda Hermann, Fred Nagel, Robert Emmett, Mrs. Harry Hanson and daughter, Jill; Mrs. Don Jain and daughter, Alice; Mrs. Chas. Ingle, Mrs. J. J. Tucker, Mrs. Mahlon Follett, Mrs. Frank Hoorman, Rev. T. M. Gebhard, Mrs. Francis Ure and daughter, Colleen, and Misses Norma Jean Liberg, Mary Emerson and Betty Koster.

Hogs Sell for \$13.45 Four hundred thirty head of hogs were marketed through the Moscow pool Monday. The total net weight was 105,130 pounds and brought a total of \$13,810.80. Three double deck and one single deck car were shipped to Carsten's Packing Co., The Woodward Monday to visit the former's sister, Mrs. W. H. Rosena, say she is doing nicely following an operation.

AMERICAN HEROES BY LEFF

Hyman Epstein knew that after wounding a man the Japs around Sennadans were watching their first, wanted the injured soldier for bait and snare. Epstein, who was wounded, was the only one to escape. He was the only one to escape. He was the only one to escape.

Mrs. Mary K. Jentges, 83, of Cottonwood, passed away Friday morning of last week at her home after one hour's illness. The deceased was the mother of Rev. Fr. J. A. Jentges of Pocatello, former pastor of St. Mary's Catholic church at Genesee. She is also survived by three other sons, two daughters and one sister. Funeral services were held from the Catholic church at Cottonwood with interment at Greenock.

Mrs. Jentges was born March 30, 1869 in Haslingen, Luxemburg, then a free republic on the French-Belgian frontier. Moving to America in her girlhood she was married May 7, 1889 at Granville, Iowa, to J. P. Jentges. They came to Idaho several years later and were residents of Cottonwood for more than 50 years.

On the trip mentioned there were several people from Fox Movietone to take pictures, and some time was given them, and with time at hand to ferry sheep from the Idaho side to the Oregon side, McGraw stopped to ferry four flat-boat loads of wool, which became part of the movie strip, and this required some time.

Some of the Genesee people dropped off at points to fish, to be picked up Saturday morning, while others continued to Johnson's Bar and beyond. Mr. and Mrs. Adrian Nelson visited with Mr. and Mrs. Johnson, old-time friends.

In addition to the passengers there were about 50 bales of wool to bring out, and this made a sizeable cargo for the river boat. Demonstrating to the movie people, McGraw took his boat through some of the rapids in stylish fashion, and really did a job of fast-water navigation. Those who desired were permitted to leave the boat for this bit of adventure, and those who remained aboard obtained some idea of life on a navy patrol boat, as the strong little craft actually dived through the water, throwing water over all in the open.

Adventure marked the trip in more than one way, and to make the trip complete the boat sprang a leak, letting in water faster than pumps were able to handle. The boat was beached, and men passengers manned tubs and pails, and within an hour and a half the water level was down enough for the pump to operate. Many of the passengers were put ashore, and being wet and with firewood scarce, there was some shivering. Men gave the shirts off their backs to caulk the separated seam, and like true sailors all the passengers hove to at Lewiston after an exciting and interesting voyage. Gripping the small hand rail, passengers would, if they wanted to move, grab hand over hand of fellow passengers, hanging on tenaciously, in fear of being thrown into the Snake.

The new McGraw boat has been refitted with two new diesel motors, about \$10,000 worth, and is seeing more service than ever, since the Saturday Evening Post recently devoted page one and six to McGraw and a story of Snake river transportation from Lewiston to Johnson's Bar.

Genesee people who made the trip, some for the second time, don't endorse the journey as a pleasure jaunt, but they certainly speak volumes for such a trip as being a real outing with some adventure thrown in. They don't advise one to leave on the trip without sufficient food and plenty of bedding and changes of clothing, for one must sleep where best he can on the boat or on a sand bar, and prepare meals wherever and whenever opportunity affords.

SOLDIERS ON FURLOUGH Pvt. Lloyd Hasfurth left Genesee Friday noon for Lewiston on the first leg of his trip back to Camp Beale, Calif., after being home on furlough to visit his parents, Mr. and Mrs. Geo. Hasfurth. Lloyd is in the tank corps.

Pvt. John Houlford left Monday for army air base at Chico, Calif., after spending part of his furlough at Genesee with relatives and friends.

First Sergeant Carl Thiessen, quartermaster corps, and now stationed at Camp McCoy, Wisc., came Friday morning to visit his parents, Mr. and Mrs. Wm. Thiessen.

Joe Tustoch, who was employed at the H. J. Martinson ranch before going into the service, has been relieved from active service until further notice, and will be employed at the Ferd Bruegeman ranch. Joe was stationed at Salina Cantonment, Kansas. Grant Loncosty, who is at Salina, sends his best wishes to all his friends.

FLOUR for fighting men all over the world FROM SPOKANE MILLS

Served by the Washington Water Power Co. a member of the NORTHWEST POWER POOL

Slowly a supply vessel steams by a beach-head. The tide is in shore and men wait on the sands. Flour is coming in, from Big Bend and Palouse wheat milled in the Inland Empire. Packed in air-tight, fifty pound tins, then crated in wood and bound with wire, the flour is dumped into the sea to float to the waiting men on shore.

Spokane mills, served by the Washington Water Power Company, a member of the Northwest Power Pool, are passing the food to our fighting men in this war for freedom. It's the American way to work together, to invent and invest, to devise and develop

Flour mills of Spokane serve our fighting men all over the world through the Army, the Navy and Lend-Lease.

GENESSEE VALLEY NEWS

A million dollar rain fell the last few days that is a godsend to the late-sown grain. Flowers, what should have been sweet clover, is being done now. Early peas are starting to bloom and haying will begin soon. The valley is beautiful with its green carpet on hill and dale, and wild flowers along the roadsides. Sunday will be celebrated as Father's Day, but in reality every day is Father's Day, as the following poem will tell:

Father's Day
Now tell me please, what's Father's Day?
And why it's set aside;
I thought that every day was his,
Even when he died.
There ain't no use that I can see
In special days; unless—
That something special's wanted
bad,
That'd give him more distress
Or happiness, or somethin'
That tends to dig a bit
Into a purse already flat,
That's every day hard hit.
Of course a dad is nice to have,
Is sort of necessary too,
Because of all the many things
That he has got to do—
For instance, he must buy the grub
And clothes, and pay the rent
And build the fires and get the
wood,
And furnish every cent.
I reckon this is worth his while
For he's paid some every hour
In seein' all the kids he's got
Growin' into folks of power.
And if that ain't something worth
while
Then I'm plumb off, I'll say
And listen folks, there's no dispute
Every day is Father's Day.
—J. F. Perry.

And sometimes when I grow to be a man
I want to be just like him so I'll be

Schwendiman Displays Idaho Potatoes as He Takes Growers' Problems to Washington, D. C.

HARVEY SCHWENDIMAN, state Commissioner of Agriculture and Chairman of the Idaho Advertising Commission, took the problems of Idaho potato and onion growers to Washington, D. C., last week where he conferred with officials of OPA and USDA.

Schwendiman's first request to Washington was for the release of sufficient farm machinery to provide for cultivation and harvest of 1948 crops. The second subject of his Washington conference was the maintenance of established markets.

Schwendiman said the Idaho Advertising Commission had built up a demand for Idaho potatoes in 37 states, and any regulations which restricted shipments into these states would work a hardship on the Idaho industry, and make post-war readjustment more difficult. The above picture of Schwendiman ran in Washington, D. C., newspapers last week.

THE OLD JUDGE SAYS...

"How about joinin' us in a game, Judge?... 'I'll drop out for a while.' 'Sorry, Phil, but I can't today...I'm on my way up to the hospital to see how Frank's wife is coming along. I just dropped by to give you the answer to that question you asked me about synthetic rubber yesterday in the barber shop. I looked it up and found out that the beverage distilling industry's facilities for producing grain alcohol make it possible to include 200,000 tons of rubber from grain in the government's 870,000 ton synthetic rubber program."

"I also verified the fact that no distiller is making whiskey today. They all stopped making whiskey last year and are working night and day, 7 days a week, producing war alcohol for the government...for smokeless powder, chemical warfare materials, medical supplies, as well as for synthetic rubber. It's a mighty good thing these distilleries were in existence ready to do this important job."

GENEESE VALLEY NEWS

Old Jupiter Pluvius is generous with his showers this spring. Farmers are wishing for a few days without rain so they can dust the early peas. There are several about laid up with bad colds or mild flu. The late seeding is all up and prospects are good for a bumper crop. If a rainy harvest does not come. Birthday and coffee parties hold the spotlight in the social calendar. The Washburn-Wilson farm has changed owners three times this spring, John Gannon of Pullman being the latest purchaser. Earl Parsons will continue to rent the farm. Ole Johnson bought the Nelson place being farmed by Fred Hove. Ole will take possession this fall. Wild roses are lovely in the fence rows now.

The Little Wild Rose
(Mrs. H. B. Kildahl)
Amidst the weeds of many a hue And almost choked by the grass, The little wild rose smiles up at me, Blushes and nods as I pass; There is the grime and dust of the road.

And hot with the scorching heat, The little wild rose just lifts a load From my heart and tired feet. An emblem of love, with hope and cheer To teach me a lesson true, That I must trust in God's tender care, His light and His love imbue, Then in humility, glow in faith As this little blossom sweet. Be a sunny ray on the path of life To each weary soul I meet.

Spokane Meat Packers Are Served by the Washington Water Power Co. a Member of the
NORTHWEST POWER POOL
On battle fronts from fog-drenched tundras of Alaska to South Pacific jungle, in fox hole and mess hall, meat from Inland Empire herds butchered by Spokane packers is being served to our fighting men.
Only the pick of the best goes to our armed forces. In addition to regular Federal inspection, all meat for the Army and Navy is further inspected by these services. For export, the meat is packed in wire-bound wooden boxes, frozen solid, labeled and shipped to point of distribution.
Spokane meat packers are served by the Washington Water Power Company, a member of the Northwest Power Pool, proving again the effectiveness of the American way of working together for the benefit of all... in winning a war and prospering in peace.
*The NORTHWEST POWER POOL in more than a year of operation interconnecting all important power resources of Washington, Oregon, Idaho, Montana and Utah—including Grand Coulee and Bonneville—demonstrates the ability of Federal, municipal and private power systems to work together for the benefit of the people.
More than 100,000 additional kilowatts to speed victory have resulted. Moreover, and strategic materials have been conserved and important fuel savings from steam generating plants released for other needs.
Joined in the Northwest Power Pool are the Washington Water Power Company, seven additional business-managed utilities, Grand Coulee and Bonneville and three municipal systems.

THE OLD JUDGE SAYS...

"Mornin', Judge...meetin' someone?"
"No, Sam, I'm just going up the line away on business. Wasn't that a troop train that just pulled out?"
"Sure was, Judge...stopped over here for ten minutes and what a swell bunch of fellows they were."
"That's true all over, Sam. Our present Army is the best trained, best disciplined, best behaved in American history. That's why I get my hair up when I hear of some people trying to dry up the areas around Army camps. Why, in a recent report made by the government, it said the Army usually prefers its camps to be located in wet instead of dry communities. And there's a sound reason. In a wet community the Army can control drinking. In dry communities where bootleggers run wild it's almost impossible. We know that from our nearly 14 years of experience with national prohibition."
"There's no getting away from it, prohibition does not prohibit!"

LOCAL NEWS
LaVonne Densow left Thursday for Spokane to visit until Sunday with Mr. and Mrs. R. E. Densow.
Mr. and Mrs. Forrest Durbin and son visited relatives at Troy Sunday afternoon.
Tommy Edwards, stationed with the navy at Moscow, spent the week end with home folks. He was accompanied by Eugene DeMers and L. J. Rodda, both sailors.
Lavern Edwards returned home Saturday after completing his secondary flight training at the Sunnyside air field near Yakima.
Mrs. Joe Gertler left Monday for her home at Pasco after a visit here with her sister-in-law, Mrs. Marie Michelsen, and friends.
Mr. and Mrs. Lew Jain, were among dinner guests Friday evening of Miss Charlotte Driscoll in Lewiston.
Mr. and Mrs. Bob Knox and children of Moscow were Sunday dinner guests of Mr. and Mrs. Don Jain.
Mr. and Mrs. Floyd Ochs and family visited Saturday and Sunday at Colville, Wash., with the parents of Mrs. Ochs, Mr. and Mrs. Thomas Graham. Sunday they joined many relatives at dinner honoring the 75th birthday of Mr. Graham.
Mr. and Mrs. Dick Armstrong have taken an apartment at the Genesee hotel and expect to remain about a month. Mr. Armstrong, who was with the U. S. army engineers in Canada and more recently in the Puget Sound territory, has about 30 days before entering the service.
Mr. and Mrs. Frank Hoorman and daughter, Marie, and Mr. and Mrs. A. C. Linehan spent Sunday and Monday in Spokane where the men attended meetings of the North Pacific Grain Growers and met with representatives of the Washington-Idaho Wheat Growers League. Mr. Hoorman also attended meetings of the managers' association.
Mrs. Gus Rosenau and Mrs. George Berry were in Cottonwood Monday to visit Mrs. Wm. Rosenau who is recovering from a major operation. Mrs. Rosenau left the hospital and is staying at a home in Cottonwood until she is able to return to her home.
Carol Jean Morschek is visiting this week in the homes of Dr. and Mrs. W. O. Clark and Mr. and Mrs. Chas. Crowe in Lewiston.
Mrs. Anna Hanson and granddaughter, Ann Louise Luedke, left Wednesday for a visit at the Fay Dickey home at Coifax.
Mr. and Mrs. Fred Morschek and family visited Sunday with relatives at Cuddepus. They were accompanied home by Mrs. Nancy Gibbs, mother of Mrs. Morschek, and will remain for a visit.
Mr. and Mrs. John Flomer of Portland, and son, Pvt. John Flomer of Santa Ana, Calif., arrived Saturday to visit until Tuesday with relatives

and friends. Pvt. Flomer is due back at Camp June 28. He has had the opportunity of visiting several other Genesee men in the service and stationed in southern California. One day he saw a fellow he thought he knew, and sure enough he did. It was Homer Burr, an instructor in army cadance, whose quarters are in a nearby barracks. Jack is in the quartermaster corps, and says he likes the service now after getting over recruit experiences. He has been driving a truck most of the time. All of the Flomer family are employed. Mr. Flomer is with a cold storage company, Mrs. Flomer is with a store in Portland, and Lucille is employed by a food store. Miss Eileen Flomer, a graduate nurse, is on the staff of a hospital in Salem. Dallas Flomer is employed by a road construction company, but expects to be called to service soon.

Fred Meyer left Wednesday from Lewiston on his return to Hollywood following a visit with his parents, Mr. and Mrs. John Meyer, Sr., and other relatives and friends. He is with the Douglas Aircraft company and is employed in the hydraulics department. Mrs. Meyer is employed in Hollywood and the daughter, Gwendolyn is just completing the present term of school as a junior. California has school for ten months. Fred said the family was comfortably located despite the shortage of living accommodations, and he likes his work. He saw some of the "cool sisters" in demonstrations in Los Angeles, and his belief is that they are mostly hoodlums and negro descent, and some whites addicted to the use of drugs or marijuana. Service men who were attacked by the "zooters" were able to care for themselves and often stripped the offenders and left them for the police to pick up. When arrested, few, if any, of the "zooters" had funds with which to pay fines, and almost all of them were classed as vagrants.

Miss Marion Heimbinger of Walla Walla who has been visiting Mrs. Victor Semler left Wednesday for her home.

Mr. and Mrs. John Luedke left Monday morning by stage for Spokane where the former was a delegate to the annual meeting of the North Pacific Grain Growers association. They returned home the same night.

ARMY DON'T WANT STRIKERS

President Roosevelt's proposal to congress to pass legislation making strikers up to 65 years of age subject to military service certainly will not find favor with the army, and why should it? It seems as though the army has a sizeable job planned for itself, and it has not been too long ago that it was decided that men of 38 years and over were unable to stand army training. If the men were to be placed in the army and worked in the mines, a large number of army personnel would be required to put the program in effect, and at the same time the armed forces are urging enlistments of young women to take the place of men in non-combatant positions.

The president has on his desk a piece of legislation passed by congress to deal with strikers that requires but the chief executive's signature. Many wonder why the act has not been signed, and among this number are many men now in service on foreign soil, who undoubtedly can't fathom the procedure in handling the coal miners' strikes.

Many people perhaps would not object to seeing John L. Lewis with a pack on his back in some training camp, and if he is able to take it, the army fellows might not object to helping him a little after he graduates to a full combatant when straining under the weight of a tin hat, his rifle and pack. Don't know how old Lewis is, but the way he's fighting the war program he's in the prime of condition.

Maybe there's two sides to the coal strike, and if there are reasons other than we hear, the case should be placed squarely before the people. If the operators are to blame, the administration should have a remedy. Surely the various bureaus didn't hesitate to clamp down on the small business man, who is now cut off at the pockets without sufficient profit in many instances to keep his doors open for the business he is permitted to do.

Congress may take a stand on putting miners over 38 in the army, and if it does, the army will, if permitted, give congress some backing. It's a shame the army can't be relieved to some extent by the Marines, the navy, and the coast guard if the president's wishes are granted for legislation he proposes. John L. Lewis would then have his pick of the service, if any branch would accept him.

It was understood at the outset of hostilities when the youth of the nation was called up, that the government should conscript wealth and labor as well as fighting men, and perhaps the government should be reminded that such a principle would hasten the war's end.

Three Going Into Service

Billy Emerson, whose number is up for induction June 25, will be joined when he reports in Spokane for his physical by Ralph Anderson and Charles Herman, who have asked for prior induction. Billy has tried to enlist in the army and navy air corps, and now the trio of young men will ask to be taken by the navy.

NOTICE OF BOND CALL AND REDEMPTION BY INDEPENDENT SCHOOL DISTRICT NO. 2, GENESEE, IDAHO.

NOTICE IS HEREBY GIVEN that the following described bonds of the foregoing School District are now payable and redeemable at the pleasure and option of said School District under the mandatory provisions of the laws of Idaho, and are by this School District called for payment and redemption on July 1st, 1943; which said outstanding bonds thus called for redemption are described as follows: Bonds Nos. 30, 31, 32, being of the denomination of \$500.00 each, bearing interest at the rate of 2 3/4% per annum, payable semi-annually on July 1st and January 1st of each year, dated July 1, 1938, and maturing as follows: Bonds Nos. 30 and 31, on July 1, 1951, and Bond No. 32 on January 1, 1952, and being redeemable at the pleasure of the foregoing School District under the mandatory provisions of the Idaho law, at any time after July 1, 1938. Said bonds are payable at the office of the Treasurer of Independent School District No. 2, Genesee, Idaho.

The holders of said bonds are hereby notified to present the same for redemption at the office of the treasurer of said School District in Genesee, Latah County, Idaho, on the date fixed for redemption, as designated above. After said date of redemption, July 1, 1943, interest upon said bonds will cease.

C. A. A. Flyers Up for Physicals

John Hickman, Lavern Edwards and Homer and Joe Schooler, who have spent much time in aviation under the C. A. A. flight training program expect to report soon for army air corps physical examinations. It is their belief, that as members of the enlisted reserve, they have two opportunities, one to go direct into the army air corps, and the other is to continue in the C. A. A. if they pass the examinations.

AUGUST WILLIAM BEUCHLER PIONEER OF COMMUNITY DIES

Funeral services for August William Beuchler were conducted Friday morning at 10:30 o'clock at Short's Chapel in Moscow, with the Rev. T. M. Gebhard, pastor of St. John Lutheran church at Genesee, officiating. Interment was in the family plot at the Genesee City Cemetery. Pallbearers were: James Cameron, Thomas Ingle, Dr. T. A. Elliot, Edgar Evans, Roy Evans and Frank Snelling.

The deceased was the last of his family, and survivors are his nieces and nephews: Wm. Roskammer, Kellogg, Idaho; Mrs. George Anderson and Mrs. John Hoduffer, Genesee; George Roskammer, with the armed forces in North Africa, and Bob Roskammer, in the army and stationed in southern California.

August William Beuchler was born at St. Louis, Mo., November 15, 1869, and came to the Genesee community in 1884 with his parents, Mr. and Mrs. Mathias Beuchler, who homesteaded south of Genesee shortly after coming here. The late deceased started farming for himself in 1902 on his parents' homestead when they moved into Genesee, and continued until 1919 when he purchased a farm of his own which he sold to Roskammer Brothers in 1926. Since 1926 he assisted others with farm work during busy seasons or when needed. For the past seven years he has resided in Lewiston and visited occasionally in Genesee with relatives and friends. When a young man, and prior to farming for himself he was employed for a few years by the firm of Nagel & Bomberg.

Mr. Beuchler, who was here to visit his nieces, Mrs. George Anderson and Mrs. John Hoduffer, was stricken by an apparent heart attack at about 8:45 o'clock last Friday evening, and was taken immediately to the home of Mr. and Mrs. George Anderson, and died at 9:30 the same evening while relatives were endeavoring to secure a doctor. Mr. Beuchler had not been in good health for several years, and there was a decided change in his physical condition in recent months.

ROSKAMMER-HODUFFER

Friends and relatives were surprised at the announcement, this week of the marriage of Miss Emma Roskammer, to Pvt. John Hoduffer. The wedding took place Friday, June 11, while Pvt. Hoduffer was home on furlough. They were married in Lewiston by Rev. Marvin E. Smith at the First Christian church chapel. They were attended by Mrs. Otto Anderson and Mrs. Phillip Weisgerber.

Since his enlistment nine months ago, Pvt. Hoduffer has been stationed at Chico, Calif., with the army air force. Mrs. Hoduffer's plans are indefinite for the duration.

Auxiliary Elects Officers

Mrs. Walter Emerson was elected president of the American Legion Auxiliary Wednesday evening at the regular meeting of the organization. Mrs. Harold Lee was elected vice president; Mrs. Harry Emerson, secretary; Mrs. Edgar Carlson, treasurer; Mrs. Colin Wilson, historian; and Mrs. John G. Meyer, sergeant-at-arms.

JUNE RED CROSS SHIPMENT

During June the following articles were finished and sent to Moscow as Genesee's Red Cross work: One afghan, 80 hours; 17 pair arthritic bands, 136 hours; 10 children's night-gowns, 40 hours. The total hours for the month is 256, with 21 individuals and three groups assisting in the work.

At the Red Cross room this week three sewing machines are ready for operation, with Mrs. E. W. Vanouck in charge of sewing. With the help of the ladies of the community Mrs. Vanouck hopes to meet the exceptionally large quota to be finished before September 1. The list includes: 25 men's bed jackets, 30 bedside bags, 20 card table covers, 100 housewives, 100 kit bags, 15 pneumonia jackets, 50 pairs of socks and 50 pairs of knee bands.

PRISONERS OF JAPS HEARD ON AIR AT 11:50 A. M. CWT

A short-wave broadcast received direct from Radio Station JLG-2, Tokio, Japan, on June 15 at 11:50 a. m. Central War Time, on a frequency of 9505 megacycles, brought word from Miss Mary Rose Harrington, a cousin of E. D. Pederson. Miss Harrington, a navy ensign, was at Canacao, Philippine Island, with a navy hospital staff when the Japs captured Manila. The last word from her prior to a navy department message a month ago, was on Christmas day, 1941.

The young lady's mother, Mrs. Petra Harrington, who lives at San Diego, Calif., received the following letter from the war department:

"The provost marshal general directs me to transmit to you the following short wave radio broadcast which was intercepted by government facilities:

"Dearest Mom: I am doing o. k. and have a good job in camp hospital laboratory with a good instructor. Weight the same as when I left home, but cut my hair last June. However, it is getting long now and don't know whether to cut again or not.

"Please write Mr. and Mrs. Welch at White River, S. D., and tell them that Cecil is here and is o. k. Take care of yourself and give my regards to anyone who might be interested. Don't worry about me. All my love, Mary Rose."

Continuing, the war department states that it is unable to verify this message and it is not to be construed as an official notification. Further information will be forwarded to you as soon as received without application on your part."

The mother of the captive nurse is of the belief that mention of her hair having been cut, identifies her. The same radio message was received by other listeners of the short wave broadcast from Japan, and the mother has received numerous letters telling of the broadcast. This broadcast may be heard every day from Japan at the time above mentioned.

CIGARETTE STUBS A MYSTERY

Cigarette stubs found on summer-fallowed fields, up to 40 rods from any farm buildings, caused a Genesee farmer some thought. He found a number of the stubs, some which had burned but a fraction of an inch while some were well smoked. He examined the ground closely for footprints, but none were found, and he saw no tracks of horses having been ridden across the field. It just seemed an odd place to find the stubs, and he wonders if some members of the army bomber crews might have dropped them from their planes. With the moisture during spring months, the lighted smokes undoubtedly extinguished themselves, and if weather had been dry, and there was danger of fire, air men would not have carelessly dropped the stubs. The farm on which the stubs were found is crossed quite often by bombers. It may be, that bomber crews are not permitted to smoke, and if such is the case, the case has not been solved.

HOMER BURR ON FURLOUGH

Pvt. Homer Burr is home on furlough from the ordnance training center at Camp Santa Anita, Calif. He made the trip by stage and stopped over in Seattle to visit his sister, Mrs. Arnt Ofstad, and family, and with the Dan Burr family.

Homer, who was at the Aberdeen Proving Grounds in Maryland, is now an instructor in ordnance at Camp Santa Anita, where the sun must shine, for his coat of tan is not artificial.

BILL MERVYN AN AIR CADET TRAINING AT KEARNS, UTAH

Kearns, Utah—William J. Mervyn of Genesee, Idaho, is now a pre-aviation cadet at the Army Air Forces Technical Training Command's Basic Training Center (No. 5) it is announced by Coy Converse R. Lewis, post commander.

Cadet Mervyn had been at Lemoore Air Base, Calif., and is the son of Mr. and Mrs. W. H. Mervyn, Genesee, Idaho.

Thousands of cadets are now being ordered to active service, and a large per cent of these men take their basic training at Kearns.

Cadets here learn how to protect themselves in emergencies, how to dish it out to the Nazis and the Japs with small arms and machine guns.

Upon completion of their basic training most of the pre-aviation cadets will be sent to one of the many colleges operated under supervision of the army air corps. At college they will receive specialized training before entering the aviation cadet training centers.

BOB SMITH IN MISSOURI

From Bob Smith, formerly of Genesee comes the following:

"Dear Pete: "I want to thank you again for the News that I have received every week. Nothing is appreciated quite as much as news from home.

"I arrived in St. Louis last week and will receive my primary training here. I am sure I will like it here because I will start flying again, and will also get an occasional over-night liberty. While taking my boot training at Athens we had little or no liberty. That sort of business gets old in a hurry.

"Be sure to remember me to Mrs. Pederson, Jerry and Dan. I believe I will have more free time and am going to write to you and some more of my friends in Genesee. Thanks again for the paper."

Bob's address is: A-C R. A. Smith, 447-15-65, U. S. N. A. S., Lambert Field, St. Louis, 21 Mo.

ALFRED ISAKSEN OVERSEAS

Alfred Isaksen, son of Mr. and Mrs. Peter Isaksen, is now overseas, according to a V-Mail letter received from him yesterday. Alfred is with an aviation ordnance unit, and in his letter he tells of having been in Cairo, and has seen other places of the middle-east. Seems rather strange for Genesee young men to be in what may be termed "story-book" places, but this war is taking them to all corners of the earth.

Alfred entered the service two years ago last month and is now a staff sergeant.

Three Enter U. S. Service

Charles Herman and Ralph Anderson left Thursday afternoon for Spokane and then to Farragut Naval station after being accepted for the navy when they asked for prior induction last week. Billy Emerson, who went to Spokane with Charles and Ralph, goes into the army, and will report at Ft. Douglas, leaving here next Thursday.

LEGION OFFICERS INSTALLED TALK RECREATION PROGRAM

Officers installed Wednesday evening for Bielenberg-Schooler Post of the American Legion were: John G. Meyer, commander; Walter Emerson, first vice commander; Colin Wilson, second vice commander; George Anderson, adjutant; Frank Hoorman, finance officer; John Eikum, chaplain, and Dick Green, sergeant-at-arms.

Committees Named

District Commander Mark Kulp of Moscow, who installed the officers devoted some time to recreational facilities for young people, and after discussion by the local Post, a committee was named to contact other organizations in the community to assist in sponsoring recreation.

Men of the armed forces in foreign lands, on the sea and in the air want more music, so the Legion has again accepted the task of gathering used phonograph records for our fighting men. To expedite collection of old records, the campaign is now on, and anyone having old records or any which they care to donate may leave them at the News office or at the Genesee Cash Hardware.

LESS LIMITATION ON "E" BONDS

The Treasury Department has advised that regulations regarding the \$5,000 holding limitation on Series "E" War Savings Bonds have been amended as follows:

1. That a married man may purchase \$10,000, maturity value, of Series "E" bonds in any one year, with his wife designated as co-owner, provided no other bonds are chargeable to either husband or wife. In this case, \$5,000 would be charged against the husband and the other \$5,000 would be charged against the wife.

2. In addition, if the man has several children and desires to have them designated as co-owners, he can buy another \$5,000, maturity value, of Series "E" bonds in his own name for each child, designating the child as co-owner in each case provided no other bonds are chargeable to such child. The purchase would be charged to the child designated as co-owner, no one child having more than \$5,000, maturity value, purchased in his name in any one year.

3. That those regulations also apply to purchases made by a single person so long as he designates a co-owner for each additional \$5,000 purchased in any one year and above the original purchase in his name alone of \$5,000, maturity value, of such bonds to the co-owner.

PVT. LEONARD KAUFMAN

Pvt. Leonard Kaufman, 28, brother of Mrs. Neil Doherty, formerly Miss Clara Kaufman of Genesee, was killed in action in the North American area May 27, according to a report from the war department to the soldier's parents, Mr. and Mrs. Frank Kaufman of Lewiston.

Pvt. Kaufman had been overseas 13 months. He has three brothers in the service, Tech. Sgt. Francis Kaufman, Alaska; Sgt. Bernard Kaufman, Ft. Benning, Ga., and Pvt. Norbert Kaufman, in North Africa.

BULLHEADS BIG IDAHO CROP SOLD FRESH AND SMOKED

Approximately 41 tons of bullhead catfish were marketed by commercial fishermen at St. Maries during April and May, according to the state fish and game department. Fourteen fishermen have received permits.

April sales included 19,840 pounds of live bullheads, 128 dozen smoked bullheads, 1,378 pounds of fresh dressed tench, and 439 pounds of smoked tench.

During May, 23,283 pounds of fresh dressed bullheads, five pounds live bullheads, 445 dozen smoked bullheads, 710 pounds of smoked tench and 24 pounds of fresh tench were sold. Only a few fishermen were smoking tench in May. By the middle of June all had withdrawn from that line and were concentrating on catfish and fresh tench.

Grimes said fishing slackened off the latter part of May and during the first two weeks of June because catfish were on spawning beds and not moving into traps. Improvement was expected later. Figures on the June catch are not yet available.

Fishing regulations for the commercial field and prices of all fish are set by a board of directors, composed of two fishermen and two sportsmen. The board also decides all problems except those definitely of a game department nature.

In addition to the fish sold, the department has taken several loads of live catfish to other parts of the state for release in ponds where they provide fishing for gas-rationed anglers.

RED CROSS SWIM CAMPAIGN

Mrs. N. M. Leavitt, local Red Cross chairman, has received the following communication:

"There will be an annual Red Cross swim campaign held at the Moscow City pool for all persons in the county, probably the last two weeks in July. It is difficult to say what time the classes would meet. In the past our schedule has been, beginning classes and intermediate swimming from 10 a. m. to 12 noon, and from 2 p. m. until 5 p. m. for housewives, swimmers, life saving and functional swimming.

If it is possible to transport your pupils, I will be glad to give them instruction, advises Oglia Ewason, water safety instructor. If you find it impossible for you to meet this schedule let me know and I will do everything I can so you can participate in this program. There is no need for me to stress the importance of swimming now, more than ever.

If you plan to send pupils will you let me know how many beginners, advanced, etc., there might be.

U. S. WHEAT CROP BEING CUT WORLD CROP FARING WELL

Genesee will almost be out of the wheat picture this year, but it will certainly have an important position in pea production. As wheat is now generally headed, speaking of winter varieties, there may a revision of estimates on yields, but the acreage has not increased since planting time, that is definite, which throws Genesee out of focus as a wheat producing center for 1943.

Weather has been excellent for a week, and the growth of peas has been surprising, which gives rise to the belief that the cooler damp weather was just what was needed locally. There may be a few peas harvested in two weeks, but it is reasonably safe to venture a guess that a number of machines will be running by July 17. Farther north and more in the immediate vicinity of Genesee, the pea harvest should get under way by July 20 and continue until, who can tell. The crop is in many stages of growth, from peas ready for canning to those that will not bloom for another week.

Dusting operations were on forced schedule beginning last Friday and are continuing, with more than half of the crop ready for dusting and practically all treated early in the present week.

Genesee will probably be called the early pea section this summer because the average growth here is ahead of that in most sections, far ahead of a few localities.

Warmer weather improved spring wheat prospects in the Canadian Prairie Provinces, according to the U. S. Dept. of Agriculture, but warm, dry weather is needed. The moisture situation is generally satisfactory except in southeastern Alberta. The crop varies from 6 to 12 inches in height.

Midwestern areas where winter wheat is produced, is relatively safe from stem rust, although a light infection was found at some points in Michigan and Wisconsin. No stem rust has been found on spring wheat which was heading in the last week in June in southeastern South Dakota, where rust is prevalent often.

Stocks of Argentine wheat at the first of June were 277 million bushels where the government advised against any increase of wheat seedings because of large reserves and reduced exporting outlets.

Utilization of wheat in Australia this season is expected to be well above normal because of alcohol production and feeding programs.

Wheat prospects are reported generally favorable in Europe with growing conditions good. In the United Kingdom wheat sowings were estimated at 25 per cent larger than a year ago. The condition of wheat continued favorable in Turkey and Rumania. The Russian grain harvest is expected to be well above a year ago.

WILLIAM J. DAVEE

Mrs. Leo Edwards, Mr. and Mrs. R. L. Edwards and Mrs. Lloyd Esser were in Lewiston Tuesday morning to attend funeral services for William J. Davee, who was a linotype operator on the Lewiston Tribune since 1923. Prior to that time he was employed on the Genesee News when it was owned by P. C. McCreary.

Born at Clear Lake, Minn., March 25, 1900, Mr. Davee was in the service in World War I, and after being discharged came west to work on a newspaper at Tekoa, Wash.

The deceased, who was acting foreman on the Tribune, died in Portland Sunday morning where he was taken to receive treatment for a suspected brain tumor.

Mr. Davee married twice, and his first wife was a sister of Leo and R. L. Edwards of Genesee.

JULY FIFTH IS HOLIDAY

With July 4 falling on Sunday this year, the following day, or Monday, will be observed generally as the holiday. Most of the business firms in Genesee will not be open Monday, and people are advised to make purchases for two days.

Those who have been saving on gas rations may try fishing, but for the most part Genesee people will remain at home.

Red Cross Rooms Closed July 5

Owing to the holiday Monday, July 5, the Red Cross rooms will be closed but will be open for work Tuesday, July 6, to make up work for Monday. The Red Cross rooms are open every Monday and Thursday afternoons for work, and ladies of the community are urged to attend.

GENESEE VALLEY NEWS

Believe it or not we have had several warm, sunny days, and pea dusting went into high. The later peas will not be ready to dust for two weeks. A few are cutting alfalfa so we are looking for rain again. Sunday is the 4th of July, but celebrations will be rather tame affairs this year with no firecrackers and only one pint per.

What Makes a Nation Great?
Not serried ranks with flaks unfurled, Not armored ships that girl the world, Not hoarded wealth nor busy mills, Not cattle on a thousand hills, Not sagas wise, nor schools, nor laws, Not boasted deeds in freedom's cause, All these may be, and yet the state In the eye of God be far from great. That land is great which knows the Lord, Whose songs are guided by His word; Where justice rules 'twixt man and man, Where love controls in art and plan; Each soul finds joy in praise and prayer.

Thus may our country good and great Be God's delight, man's best estate.

THE OLD JUDGE SAYS...

"The more I read about it, Judge, the more I realize the tactics and requirements of this war are as different from the one I fought in 25 years ago as night is from day."
"Yes, and I can give you an example of how true that is, Fred. In World War I the chief uses of alcohol produced for war purposes were found in smokeless powder, medical supplies and chemical warfare materials. In this war the need for this product is far more vital because it is also used as a fuel to propel torpedoes, to make shatterproof glass for airplane windshields and instrument covers, to make lacquers used in camouflaging equipment and as a base for synthetic rubber needed for tires, gas masks, paratroop equipment and dozens of other things."
"Every time I think of it, Fred, I realize how fortunate we were in having a beverage distilling industry in existence when war broke out... ready and willing to convert 100% to the production of this critically needed war product. I'm mighty sure bootleggers wouldn't have."

Hog Pool Open Tuesday, Not Monday
Special attention is called to the fact that hogs will be received on Tuesday, July 6, next week, instead of Monday. Four hundred seventy head of hogs were marketed through the pool this week. The total net weight was 115,530 pounds, and brought a total of \$15,100.80. Four double deck cars were shipped to Armour, Spokane, whose bid was \$13.65. Other bids were: Carsten's \$13.50 and Swift's \$13.10.

Avoid Fuel Shortages

Fuel shortages can be avoided says a recent OWI report, only if (1) large consumers of fuel oil convert their oil burners to coal burners now. (2) Both home and industrial users of bituminous coal order supplies now. (3) Householders place orders for insulation, weather stripping, storm windows, etc., immediately.

Materials for Farmers Easing Up
Winter materials for farm use are now available in limited quantities by a new order recently released by the War Production Board, according to Carl Simons, who has a copy of Priority Regulations on the liberalized sales. It has been next to impossible to buy wiring, and flashlight batteries were becoming very scarce. One hardly dare ask to purchase electric motors, but now they may be obtained in sizes of one horse-power or less.

Buy U. S. War Bonds Now—Today!

Attention Farmers!

I certify to the War Production Board that I am a farmer and that the supplies covered by this order are needed now and will be used for the operation of a farm.

By signing the above certification you may purchase, among other things:

BATTERIES FOR FLASHLIGHT, RADIO, FENCE, IGNITION
75 FEET INSULATED WIRE (Except for Household Use)
15 FEET ELECTRICAL CABLE
SWITCHES AND WIRE FITTINGS
ELECTRIC MOTORS UNDER 1 H. P.
MOTOR BRUSHES PIPE FITTINGS

KENNETH TAYLOR, VETERAN OF TUNISIA WRITES HOME
Kenneth Taylor, a veteran of the Tunisian campaign, seeing action with one of the outstanding infantry regiments of the army, assures his parents, Mr. and Mrs. R. J. Taylor, that he is alright. Following are some excerpts from his most recent letter, dated May 27 by transmission by air mail to the United States:
"The war in Africa is finished now and we are permitted to write a little more than before. At present we are near the city of Bone in Tunisia."
"Maybe I should try to tell you something of what has happened since we landed in Africa. We got to the city of Fedala and then proceeded to Casa Blanca. We met opposition before we reached that point. Our navy deserves a lot of credit for what they did to help us in the invasion. We had quite a bit of lead thrown at us before we reached Casa Blanca, then we ran into an artillery bombardment which really set us to thinking for the time being, then our own artillery came up and boy, I mean to say, those boys are good."
"We stayed at Casa Blanca for a while and then moved on to Rabat, and from there to Port Leuty, then on to Anzew, and from there to another place but I can't remember the name of it. From here we headed for the front lines again. We got a short distance the other side of Bizerte, and the war was over."
"Some of the cities and towns are in ruins now. We have covered nearly all of North Africa, but we never did get to go into the city of Tunis. I could write a lot more, but I am trying to write so the censor won't have to cut out anything."
"Our boys are good, but so are the German soldiers. We have made a good start but we also have a tough bit to go yet."
Kenneth offers consolation for the people at home in the rising costs of living, but he also says, "What I have seen of these foreign countries, they can't compare with the good old U. S. A."
He inquires of folks at home, and promises them letters, but trusts that he will also receive letters. He acknowledges receipt of a telegram.

DEER VENTURES INTO TOWN
Proof that Genessee people spent a quiet Fourth of July is borne out by the visit of a deer, which approached by the North and South highway. It was first noticed by Mrs. Leo Edwards from her home, who called Mrs. Lloyd Esser. They watched the animal walk back of the home occupied by Mrs. Roy Hanson and daughter, then go by the L. E. Brown home, and when last seen it was heading for the W. R. Hickman farm. The deer was not excited and seemed accustomed to traveling the oil pavement.
Several years ago a deer ventured into Genessee and was herded into Nez Perce county where the season was open, and there it fell to a hunter. With most rationed as it is, the wild animal certainly was taking its life in its own hands.

BILL HENRY HERE FOR VISIT CAME TO GENESSEE IN 1902
Bill Henry of Spokane, came to Genessee Wednesday afternoon where it was so hot, he said "they were frying packrabbits on the main street." He was in Genessee in 1936 for his last visit, and is enjoying meeting his old-time friends on this trip. He is staying at the hotel.

Bill Henry, native New Yorker, went to California in 1898, and in 1902 he was in Genessee to work in the harvest. For seventeen years he never missed harvest at the Con Stelzer place, but also worked on many other ranches, and besides harvesting followed hay and haling, which was a thriving industry in the earlier days. He remembers Genessee of the old days as crowded with men here for haying and later to take in the harvest.

Wednesday, when he was meeting old-time friends, he recalled the days when "Red" Hardy, now of Palouse, was a well known character. Vivid in his memories are trips to Uniontown when the neighboring town was the gathering point for people, who became thirsty in the Genessee desert, and several incidents mentioned lead one to assume that men in the earlier days were not serious at all times, when they worked hard and played hard.

Bill Henry, rounding out 66 years, came here when in his early 20's, and despite a long absence he has not forgotten a name or face, and those who knew him then, quickly remember his name and face. He has kept track of many of his old friends, who have moved from Genessee, and plans to meet as many old friends as possible while here this time.

LESTER MAUCH IN IOWA
Lester Mauch, who enlisted in the naval aviation reserve is now at the U. S. Naval Flight Preparatory School at Cornell College, Mount Vernon, Iowa. He writes:
"Dear Pete: Just a line to let you know how happy I was to receive The News."
"I like the navy air corps life very much. It is a very interesting and cadets training here. The weather is not with frequent electrical storms."
"I expect to be here at least fifteen more weeks. Have already finished three weeks' training."
"Thanks again to you and the Legion for The News."
"Cadet Lester C. Mauch."
Address: U. S. N. F. S. Cornell College, Murrer Hall, Room 125, Batt. 3 Platoon, Mount Vernon, Iowa.

HEPPNER DRAWS FURLOUGH
No more welcome words come to men in the service than "furloughs for so and so," and among the list of men eligible for furloughs at the Santa Monica Air Base, was Floyd Heppner, who reached Genessee Saturday.

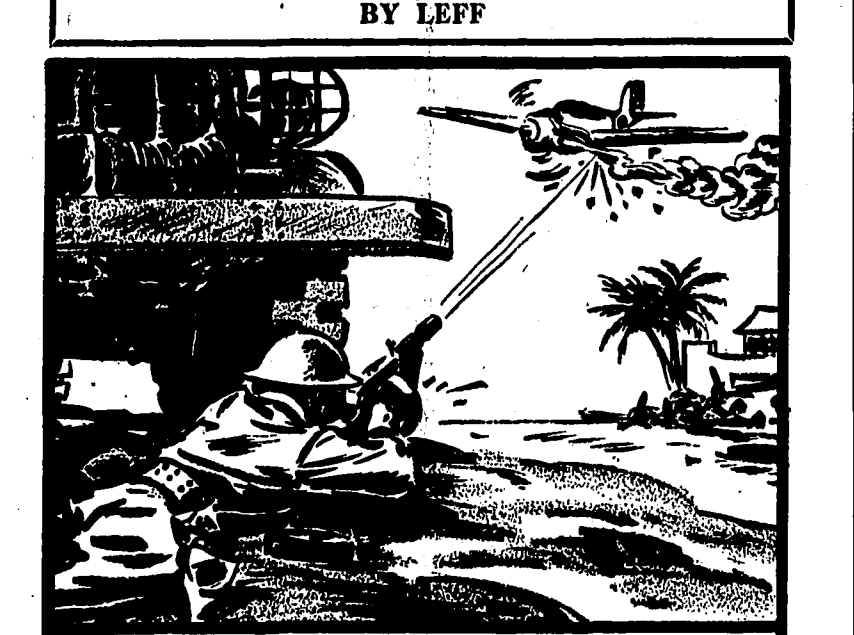

Heppner, who put in several months at Sheppard Field, Texas, then went to school at Sacramento, and before that was at school at the Douglas plant near Los Angeles, is now with a service group at Santa Monica. He is flashing a decided tan with a trace of sun burn, but he is in fine condition, and thought it was a trifle warm on his arrival here.

NEW SAILORS AT FARRAGUT
Ralph Anderson and Charles Herman are two new "boots" at Farragut, according to word received by their folks here. Both have the same address: Co. 495-43 Reg. 3, Bn. 11, U. S. N. T. S., Farragut, Idaho.

Mrs. Henry Koster underwent a major operation at the Gritham hospital in Moscow Tuesday morning.

Scout Camp Postponed
The opening of Boy Scout camp at Waha has been postponed a week and will not open until Sunday, July 18. Ten or twelve Scouts from Genessee plan to attend camp this year.

AMERICAN HEROES
BY LEFF

The Distinguished Service Cross has been awarded Staff Sgt. Doyle Kinney of Hamilton, Texas, for manning a sub-machine gun and returning the fire of low-flying enemy planes during the Jap attack on Hickam Field. When his ammunition was gone he ran from the tower of the tank to get more, and kept firing until the tank was bombed. He showed bravery beyond the call of duty. Figure out for yourself how much you can invest in War Savings beyond what you are doing now.

CHARLES LUECK SUCCUMBS CAME TO GENESSEE IN 1908
Funeral services for Charles Lueck were conducted at the Brower-Wann Chapel in Lewiston Monday afternoon at 2 o'clock by the Rev. T. M. Gebhard, pastor of St. John Lutheran church, Genessee. Music was by Earl Wilson, accompanied by Mrs. Pauline Brigham, both of Lewiston.

Interment was in Genessee City Cemetery in the Biram plot, with the following as pallbearers: Glenn Gage, Lewiston; Walter Yates, A. G. Scheldorf, Frank Higgins and Alfred Killmer of Winons, and Roy Evans of Genessee.

Ill for some time, Mr. Lueck was at St. Joseph's hospital for eleven weeks where he underwent an operation. He passed away July 2, at the age of 64 years, seven months and 28 days.

Charles Daniel Lueck was born at Rogers, Shading, Minnesota, October 4, 1878. He came from Denver, Colo., to central Idaho in 1908, and lived at first at Genessee where his aunt, Mrs. Kate Biram, then resided. He was employed on various ranches for several years and during the year 1918 he located at Winona, Idaho, where he purchased a farm. From 1921 to 1937 Mr. Lueck came back to Genessee and again worked on several ranches, most recently for Fred Nagel. In later years he returned to his own farm where he resided immediately prior to entering the hospital.

He is survived by his mother, Mrs. George Irvine, 88; two brothers, Rudolph and Will, and a half-sister, Mrs. Stella Berg, all of Owaheena, Minn.; a brother, Otto, of Los Angeles, Calif.; and his aunt, Mrs. Kate Biram of Wenatchee, Wash. Mrs. Biram and daughter, Mrs. Walter Madson, came for the final rites.

WAYNE NEWKIRK UP NORTH
Wayne Newkirk, employed at the Frank Scharbach ranch until he went into the service writes:
"Dear Pete,
"Just a line to thank you for the paper. It is really swell to read what you folks are doing back there and to know where the rest of the boys from there are. There isn't much of anything to say. This is just another army camp and I guess everyone knows what they are. This isn't much of a country we're in, and I can't say much about it except you don't know what a winter is until you have been through here too. Hope you will excuse this writing this time for I have a sore finger on my right hand and don't seem to master this pen so well."
"Well, will say good-bye for now and thanks again for the paper."
"Cpl. Wayne Newkirk."
Note. In a letter to Mr. and Mrs. Florent Moser, it was written that Wayne had a finger come in contact with a wood jointer. The guess is that he may be in Alaska and works part of the time as a carpenter.

BUDDY LANGE TO ILLINOIS
Buddy Lange, who reported to Seattle to the navy air corps, leaving here last Friday, is now at Monmouth College, Monmouth, Ill. According to a letter received by his parents, Mr. and Mrs. Sam Lange, Buddy passed all his examinations at Seattle, and was sent east for pre-flight training.

Dewey Wardrobe, who was in the coast artillery, and on detached duty from Fort Worden, Wash., has been transferred to the enlisted reserve corps, and is now at home, deciding what employment he will follow. He was relieved from active service by age regulations, but is subject to call at any time.

Albert Nagel, who was at Camp Callan in California for a few weeks about a year and a half ago, didn't waste much time in getting to Hawaii. Writing to The News he says:
"Hello, Pete:

FOURTH OF JULY QUIET

Everything was quiet on the home front July 4 and 5, with just an occasional firecracker being heard, undoubtedly some carried over from two years ago. Quite a few families were with enough gas to take fishing and picnic trips, but for the most part, Genesee people remained home to listen to the peas grow. Weather has been just that good, and for the holidays better weather could not have been had.

With rain the latter part of last week, some ranchers who had hay down put in the Fourth turning that which had been lunched at cutting more. Other farmers took advantage of the favorable weather to dust peas, and on July 5 there were many doing field work.

Flags were unfurled for the Fourth but there was something lacking, and one guess is that about 130 young men and women are in the service, while many others are in defense work. It was a quiet day at Genesee but on the many other fronts, Genesee men were doing their part to assure home-folks that we will always have independence, and sometime, but not too soon to please most people, Americans may again celebrate as we did before Hitler, Mussa and Tojo upset the world with their insane ideas that most people don't like freedom.

SERVICE FLAG IN WINDOW

Protected from the weather, the large service flag, supplied by the American Legion and under the care of the Legion Auxiliary, hangs in one of the large windows at the Morscheck building. The window was prepared by George Post, with Mrs. Post, Mrs. Frank Hoorman and Mrs. John Liberg assisting in placing the flag and flanking drapes.

Ladies of the Auxiliary, at various times add new stars, according to the number of Genesee men and women in the service. There are now 114 blue stars and two gold stars. There are a number of blue stars yet to be affixed.

WADING POOL NOW OPEN

Slightly changed from last year, the wading pool will be open until forenoon. Supervision will be maintained only from 1:00 to 5:00 p. m., and children twelve years and under should use the pool during this period. Children over this age should use the pool after 5:00 p. m. Parents are urged to accompany their children if used in any way, for loss of property or injury, connected in any way with the pool.
By Order City Council.

Birthday Party

Mrs. Joe Sprenger was given a surprise birthday party Thursday afternoon of last week by Mrs. Leo Edwards, Mrs. Harold Lee and two sons; Mrs. Lloyd Esser, Mrs. Alfred Hasfurther, Mrs. Viola Schornhorst and children, Mrs. George Schornhorst, Mrs. Frank Sprenger and Mrs. Jack Nebelsieck. A no-hostess luncheon was served and Mrs. Sprenger was given many birthday gifts.

Progressive Club

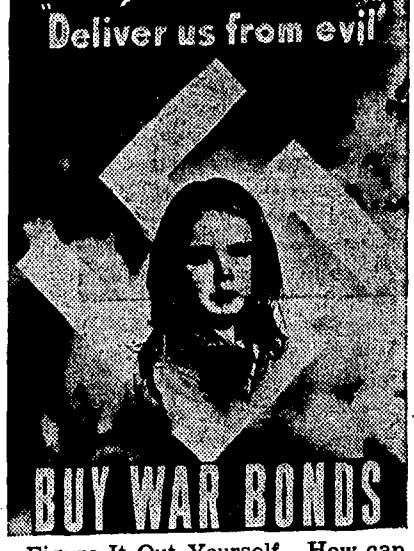

Miss Esther Martinson entertained the Progressive Club Wednesday night at a no-hostess luncheon was served. Invited guests were Mrs. Arnt Ostad of Seattle, Miss Adeline Bressler of Spokane, Miss Hazel Ouse of Lewiston, and Mrs. H. J. Martinson. In two weeks the club will meet with Mrs. Jess Johnson for a no-hostess luncheon.

Invasion Is Costly fighting
Your Boy Gives 100 per cent
How about your bond buying?
FIGURE IT OUT YOURSELF!

Deliver us from evil
BUY WAR BONDS
Figure It Out Yourself. How can you effectively join in saving all the little children of the world from human slavery, death and injury from the Nazis and Japanese? Put more of your money into war bonds every payday. Your savings will go to war in the form of war equipment and other munitions. How much more should you put into war bonds? The only ones who can answer that are—you and your family. It's up to you to decide just how much more you'll do to win the war.
If you were fighting in the Solomons or in Africa or forcing a landing in Europe you'd like to feel that the folks at home were back of you—all the way—you'd be proud of your family and your friends if you knew they were buying war bonds not at 10 per cent or 15 per cent, but with every cent beyond that which they need for necessities.

Repair Early

YEAR AFTER YEAR we find men beginning to overhaul their harvesters after the crop is ready to cut. HOW ABOUT YOU?
REMEMBER, Parts may not be on hand, also manufacturers may not be able to supply on a day's notice, but if you give them a little advance notice, you very likely will get everything you need.
Note: Don, I think you will find Andy Zenger of Genesee some day. Ask Roy Wedin where he is, he is in the know. Genesee is a lonesome place but everyone is busy. You ought to see them crowd around the post-office at mail time, expecting word from you fellows. Farmers are trying to get up as much hay as possible without help. From what we learn the stuff you fellows are pitching at the Japs isn't hay. Guess there are a number of Genesee boys kicking the pants off Mussolini, if he has sense enough to wear them. That gink certainly picked on the wrong people.

DON HUFFMAN VETERAN OF SO. PACIFIC WANTS HAY JOB

Don Huffman, who went overseas to the South Pacific and who might have been in the Philippines with the rest of his regiment, is now a veteran of the campaign against the Japs. The News has always printed letters from the boys in service without any changes, except those specified by the official censors, and it may be that we should have some help from the censor-boys on Don's recent letter relative to the military police. However there are no regulations to back up in the "Code of Wartime Practices, Office of Censorship," so we will permit the letter to go through as written. Here it is:
"Dear Pete:
"It's been a long time since I have written to you so I guess I had better write you something. I have been a lot going on with having, and everything. I don't suppose the farmers have very much help this year. Do they? Boy! I'd give anything to be in there pitching some of that stuff around.
"Everything is about the same with me and I still think about home and everyone around there. It's going to be a happy day when all the guys will be home again. I imagine a lot of us will have changed some of the time this is over with. I sometimes think I've gained ten years already. "It's very muddy and rainy here, but not cold. Half of the time we have to be in mud up to our knees. It's been five days since I have had a dry pair of shoes or socks. It's impossible to keep dry and when it does shine, it's like a mirror. There is one nice thing about it: All we have to do is walk out of our tent and grab a cocoon. At home you would pay good money for one. The milk in it is o.k., but a person soon gets tired of them.
"I finally ran into my old outfit quite some time ago and it was swell to see them again. We had some pretty darn good times while it lasted. I was especially glad to see my old pal, Polly (Palmer).
"I guess nearly all the fellows are gone now. Aren't they? How does the old town get by with everyone gone? I guess my brother, Bob, is in the M. P.'s. You no doubt know what a soldier's thought of an M. P. is. We call them 'sidewalk commandos.' They seem to be pretty good at pounding the pavement.
"I still hear from Roy Wedin occasionally, but it has been quite some time since he has written. As far as I know he is the only one from Genesee here besides me. I'd sure like to run into some of them. There are a few of the Moscow boys around that I see all the time. Most of my outfit is made up of Coeur d'Alene boys.
"Well, Pete, I guess I'll stop here. I had down my pen for this time. I hope everyone around there is getting along alright and I'll really be glad to see all of you. Next time I will try to write sooner.
"Don."
Note: Don, I think you will find Andy Zenger of Genesee some day. Ask Roy Wedin where he is, he is in the know. Genesee is a lonesome place but everyone is busy. WAYNE BERSHAW GRADUATES COMPLETES RADIO SCHOOLING

Wayne Bershaw, stationed at Fort Leonard Wood, Mo., writes:
"Dear Pete:
"I know it has been quite some time since I wrote last time and seeing how I have some spare seconds now, I'm going to try and run off a few lines before lights out. Pete, I have been receiving the paper every Tuesday morning as regular as Tuesday mornings can be, and I want to thank you and the Legion very much. I look forward to Tuesday mail call like I look forward to a Saturday night pass.
"We are nearly through with our basic training now. I have one more week to go. I graduated from radio school which I attended for 10 weeks last Friday. Was quite an elaborate ceremony. Just like a high school commencement exercises. There were 870 men in the same class I was in:
"I think radio is o. k. Three months ago I never would have dreamt I would ever operate a radio, especially these big babies the army uses, but when you learn anything the army method, boy, you learn it in a hurry, and you don't forget it either. I can now receive and transmit code at 30 words per minute. It had called any man a prevaricator if he'd told me 4 months ago that I would be doing that.
"Has been terribly warm here the last two or three weeks. Once it stopped raining that old sun really showed up for last time. Was up to 103 degrees in the shade for three days last week, and this week I believe it's still hotter. This Missouri heat isn't like good old Idaho heat. I could stand a heck of a lot more in Idaho than I can here.
"I haven't seen Ron (Huffman) for about five weeks. I guess we are both too busy to ever get to look one another up. As soon as basic is over we will have a bit more time I hope.
"My furlough starts in a couple of weeks but they don't give us enough time so that I could make it clear to Idaho, so I guess I'll stay in Kansas City on my furlough. Wish I could go to Genesee too.
"Well, Pete, I am afraid I am going to close for this time. I've written more now than I really planned to, but once I get to talking about the army I can't stop, and if I could say half the things I would like to, I could write all night, but it might not look good on paper, so will close for this time. Thanking you and the Legion once again for that swell newspaper I receive every Tuesday Mail Call.
"Tell all my friends 'hello' for me will you Pete.
Wayne."
SATHER IN MASSACHUSETTS
Sgt. Norris Sather, who has been in Virginia for some time, is now at Thunderbolt Field, Mass. He writes:
"Dear Pete:
"I'll write you a few lines giving you my new address so you can send The News here, as it takes a long time to be forwarded by the army postal service. I sure enjoy reading it every week.
"This is a very nice field and I have finally been placed in the work I trained for in school. We are working on the P-47 Republic Thunderbolt plane which is a plenty fast ship.
"I like the weather here a lot better than in Virginia as it was getting very warm before I left there.
"We made a very quick trip up here and only had a few minutes in Washington, D. C. and in New York City between train stops. Hope to be able to go into New York when I am eligible for a three-day pass, after working for a month. No more news for now so must close.

WORKING AT ARMY POST

Auxiliary Pearle L. Schooler of Genesee, Idaho, daughter of Charles Schooler, is a member of the Women's Army Auxiliary Corps unit now working at Normandy Ordnance Depot, San Antonio, Texas.
The WAACs have taken over many jobs there, particularly administrative jobs in the post headquarters. She went to the army post from the First WAAC training center at Fort Des Moines, Iowa, where she received military training for this work.
The power saw in trial use is said to be of advanced design with a cutting blade 46 inches in length, a ten horse power motor of 10,800 r.p.m., an overall weight of only 85 pounds. A tree up to 60 inches in diameter can be felled without difficulty. Power for the saw comes from a generator mounted on a tractor. A three man crew is required to operate each saw: two men for actual use of the saw and a third to mind the tractor, generating and controlling the 150 to 250 feet of heavy cable that leads from the generator to the saw.
An ex-logger, John E. Hassler, pioneered and developed the saw which is marketed by the E. C. Atkins company under his guidance. Its extreme light overall weight was achieved by new principles of design that includes aluminum housings to conserve weight and a high frequency motor with attendant fast motor speed. One of the best features has proven to be a safety feature which prevents injury to an operator should the tooth bearing chain that does the cutting break. This safety feature causes the chain to immediately set itself within the guard and breakage occurs and prevents the loose ends of the broken chain from swinging out whip fashion to strike a sawyer.

ON SHORE FROM SEA DUTY

Gene Grieser, seaman first class, who was on sea duty, and was back in the States for a time, and long enough to meet his mother, Mrs. Carl Grieser, and Miss Reisenauer of Colton, writes the following letter:
"Dear Pete:
"It has been a long time since I have written to you, but I have been getting the paper just fine and surely enjoy it. It is always so good to hear what is going on at home.
"Well, I am back in Seattle again but will be leaving soon. It surely was good to get back to a civilized country again. I was gone for almost four months. I sure would like to come home, but next time I will get a leave to come home.
"I am getting along just fine and sure feel swell. How are Mrs. Pederson, Dan and Gerald? Tell them all 'hello' for me. I suppose everybody is quite busy by now. Sure would like to get back and get into some harvesting again.
"I met Lt. George Smylie on the street the other day and talked to him awhile. He sure does look swell.
"Well, Pete, I will close for now, and I want to thank you and the American Legion for the paper. It always seems good to read what all you people are doing at home. Best regards to everybody.
"Gene Grieser."
BOB LORANG A CADET
Bob Lorang, who signed up with the air corps three weeks ago, has been notified that he was accepted as an army air cadet, and left here this morning for Wichita Falls, Texas, to begin training.
"He has been home this spring assisting his father, Henry Lorang, put in the crops.

CABLEGRAM FROM AFRICA

Mrs. John Hoduffer has received a cablegram from her brother, George Roskammer, in north Africa, in which he says he received the letter telling of the death of his uncle, the late Gus Beuchler. George also said that he was well.
George Roskammer is with an armored division and participated in the Tunisian campaign.
"It is necessary for control of erosion and for proper balance of soil to utilize all straw possible. Last year it was hard to do on many farms due to the excessive amount of wheat straw. Most farmers I've talked to state they would like to save their wheat straw but had to burn it, as it was so heavy they could not get a plow through it. This year it seems the straw will not be so heavy and none will need be burned. There may be some exceptions and in these cases a fire break can be plowed around the heavy patches, and these burned out, while the remainder of the stubble is utilized.
"All pea straw should be plowed. This can be done by using spreader by working it into the ground as soon after harvest as possible. One farmer has told me he plans to disc in at night the pea stubble threshed during the day.
"A chemical analysis of pea straw shows it to be worth \$5.00 or more a ton as fertilizer. That is, the chemicals in a ton of pea straw would cost you \$5.00 if you bought the same amount in a chemical fertilizer. Besides this you protect the soil from washing.
With the heavy pull on the soil to raise the much needed war crops it is important we do everything we can to keep it high in productivity and to keep it from washing. By using a legume soil builder, such as sweet clover, on each field, at least once every six years, by using barnyard manure or commercial fertilizer, where available, by utilizing all stubble possible, and by proper tillage methods, the greatest yields can be obtained, and soil loss will be to a large extent curtailed."
SPAR LANGE BACK IN N. W.
Seattle, Wash., July 13—Back in the Northwest again in SPAR Bonnie M. Lange of Genesee, Idaho, who now is a full-fledged yeoman third class, assigned to duty in the district Coast Guard headquarters at Seattle.
Miss Lange arrived in Seattle this week after graduation from a yeoman specialist school at Stillwater, Okla. She enlisted in the SPARS at Spokane, Wash., last February and went to Hunter College, New York City, for preliminary training. Later she was assigned to the specialist school.
The daughter of Mr. and Mrs. S. R. Lange of Genesee, Miss Lange, before joining the SPARS, was a home economics instructor and home supervisor for the department of agriculture.

As the above type was being set Miss Lange passed through Genesee by stage to visit her family near Genesee. She has a brief furlough.
RETURN TO CAMP
Cpl. Charles Hasfurther and Pfc. Floyd Heppner left Monday for Lewiston to return to their training camps. Hasfurther, trained in the signal corps is now with communications of a field artillery regiment at Fort Sill, Okla. Heppner is with the army air corps, a mechanic, and is now stationed at the Santa Monica, Calif., air base. They were both home on a 15-day furlough. They traveled together as far as Boise.
They were accompanied to Lewiston by Misses Vivian Olson and Edna Hasfurther and Don Bruegeman.

LANGE TRACTOR WORKING DOES MANY JOBS ON FARM

Necessity may be the mother of invention, but it took several fathers, including a teacher or two to assemble the tractor made at McCrockey Farm Equipment shops for Sam Lange, who is the designer.
Taking a used International chassis and motor, the frame was shortened and the front axle was redesigned of 3-inch tubular steel, with the front wheels having a wider track and being of the tractor type. The rear wheels were welded into large rims on which were mounted 11-inch farm-tractor pneumatic tires.
In addition to the regular truck transmission, two other transmissions were built into the assembly, one to power the attached 6-foot mower, and the other to obtain various speeds for operation.
Besides the power mower, there is a 12-foot sweep rake placed at the rear of the chassis which is raised and lowered by a powered winch operating by cables which wind over the redesigned hubs of a combine leveling device.
When the mower is being used the sweep rake is easily detached.
There's also a contrivance for handling manure, a steel bucket with iron rods projecting. This feature of the all-around farm assembly, is placed on the same brackets as the sweep rake, but it is permitted to be raised higher so the load of manure can be dumped into a spreader.
When delivery was taken Sunday the powered unit moved up the highway at 25 miles per hour, but there are sufficient speeds, with the two transmissions and the two-speed rear end of the truck assembly providing about 28 different rates of speed, with the lowest speed being less than half a mile per hour when the motor is open to full governed speed. Speeds are same forward as reverse, as the unit moves backward when the hay sweep is in operation. Hay taken up in a year the millions of men now in service can use up a lot of records.
The old records which you are urgently requested to contribute will be re-made into new records for our fighting men, and then sent overseas, to the ships and to camps, and are not for resale.
The lonesome cowboy, the homesteader and others in civilian life had their musical instruments, but our fighting men take only the bare necessities to live and fight. They too, when time affords, like music, and it's music they will have, because people will search homes for old records and bring them to places designated. If anyone has records which they are unable to deliver, notify any Legion post, or write to the National Headquarters, and someone will be at your home to receive the records.
The old-record campaign last year met with such success, that the Legion is again proud to sponsor the program locally. Genesee was one of the communities last year which supplied more than its quota. It's a busy time of the year, but fighting men are busy all the time every day and 24 hours of each day.
VARIETY SHOW
St. John Luther League will present a Variety Show Sunday, July 25, beginning at 7 o'clock. The proceeds will go to a Bible camp fund. The evening's entertainment will include a motion picture, a one-act play, musical numbers by members of the League, a skit, a song, and games of skill, and so forth. There will be a 50-cent admission fee which will include the movie, the play and a hamburger and drink. Everyone welcome. ad

SOIL CONSERVATION SERVICE STRESSES STRAW SPREADERS

"Most farmers in the Genesee area have straw spreaders on their combines. Those who don't should make every possible effort to get them," advises J. M. Rabaud, of the Soil Conservation Service. "I understand that they are very hard to purchase at the present time," he also stated.
"We have blue prints of a homemade straw spreader that has been used successfully by farmers near Fairfield, Wash. This spreader is difficult to construct. It is made from the rear end of an old automobile and can be adapted to any combine." Anyone interested is requested to contact the office of Mr. Rabaud for a copy of the drawing and more detailed information.

WM. HEINRICH IMPROVING

A brief note from Mrs. Wm. Heinrich at Colfax, states that her husband is improving in strength each day but will have to remain in the hospital at Colfax for sometime to determine the cause of his illness.

Mr. and Mrs. Heinrich are grateful to their friends and neighbors who assisted with the haying on the Heinrich ranch, and request that thanks be extended for this help when it was really needed. They also wish to thank the Knights of Pythias for the plant which they sent, and the cards which have been received from friends are most welcome.

GENESSEE VALLEY NEWS

Haying is progressing according to schedule but it looked for a few days like the weather man was going to do some counter attacking. Early on we started to turn and mowing will begin next week. Birthday parties still dot the social calendar. News is rather scarce this week, with canning, haying, and so forth now on, which makes folks busy and makes less news. There has been lots of travel on the highway lately, fruit trucks, farm machinery, farmers going after repairs and so forth.

The Highway
(C. E. Flynn)
The highway, what's'er it be Concrete or mud or gravel Is still a great democracy— A brotherhood of travel. Whatever be our goal or load, Whatever be the weather, We have to take the open road And travel it together.

Regardless of our place or name, Or any other token, Each must give and take the same And keep the rules unbroken. Though prince or pauper be abroad, Here all are of one feather. We have to take the open road And travel it together.

Miss Myrtle Larson has been visiting friends while on her two weeks vacation at home. Wednesday she and her mother attended Ladies Aid at Our Savior's Lutheran church in Moscow. Thursday evening they were the guests of Mr. and Mrs. R. E. Nordby for dinner. Saturday they drove to Lewiston to visit Irvin Nebelsieck who is ill at St. Joseph's hospital.

Mrs. Chas. Magee and Dawn Bolton called on Mrs. Nels Lande Friday evening. Mrs. Belle Hanson and Mrs. Chas. Kramer were Sunday dinner guests of Mr. and Mrs. W. O. Bergen. Pat Nelson spent Sunday night with Delores Howe.

Mrs. Reuben Hager and Gary spent Friday evening at Art Tegland's. M. and Mrs. F. L. Barbee and sons of St. John were dinner guests at the Nordby home Thursday evening.

Mr. and Mrs. Robert Berger and Beverly attended the wedding of their nephew, Pvt. Wm. L. Gay, to Miss Corrinne Worme, at Coeur d'Alene, Friday evening at 8. Pvt. Gay is in army training at Corvallis, Ore. He spent several summers at the Berger farm and has many friends who wish him well in his new venture.

Miss Rowena Nordby called on Mrs. Fred Hove Friday afternoon. Mrs. Elmer Krier, Dianne and Douglas and Mrs. Tom Goch spent Wednesday afternoon with Mrs. Don Linehan.

Mr. and Mrs. Howard Beck had Sunday dinner at Harry Martin's. The Cloverleaf Club had a shower for Mrs. Ferd Bruegeman at the Broenneke home Sunday afternoon, when several neighbors were guests. A pick-up lunch was served and the honor guest received many appropriate gifts.

Mr. and Mrs. Gus Rosenau and Mr. and Mrs. Hugo Gehrk attended a brotherhood meeting at Troy Sunday. Mrs. Wm. Bergen entertained several friends Saturday afternoon in honor of Wayne's eighth birthday. Baseball furnished amusement and a birthday cake and trimmings were enjoyed. Guests were Jimmy and Gary Sather, Wayne Baumgartner, Albert Lorange, David and Homer Hasfurth, Don Griener, Mack Hanson and Kenneth Uhre.

Mrs. R. E. Nordby attended a farewell party for her sister-in-law, Mrs. Marvin Luvaas at the home of Miss Dorothea Dahl in Moscow Saturday afternoon. Mrs. Luvaas has gone to Everett, Wash., where Marvin works as a welder in a defense plant.

Miss Vivian Olson and Cpl. Charles Hasfurth spent Tuesday evening at Art Tegland's.

Mrs. Lilly Larson and Miss Myrtle Larson spent Saturday evening at the Vic Danielson's and Tuesday afternoon with Mrs. Leon Danielson. Sunday evening visitors at Gilmore Iverson's were Mr. and Mrs. Herman Jackson and daughters, Mrs. Etha Iverson and Warren, Mr. and Mrs. Aaron Hewitt and Howard Davidson. Mrs. Dollie Peterson returned to her home Sunday after a three weeks stay in Moscow where she had a major operation. Her sister, Mrs. James Huntbach will spend two weeks with her.

Beverly Anderson went to Spokane Monday to spend a week with friends. She will be a house guest of Mrs. Warner Pabst. Mr. and Mrs. Nels Lande and Mrs. George Nelson called on Mrs. Dollie Peterson Monday afternoon. Mrs. Bertha Iverson and Warren spent Sunday at Irvin Iverson's. She is now employed at Psychiana in Moscow.

F. G. DENSOW, Agent

Mrs. Sam Lange entertained the Blue Bird club Wednesday afternoon. Mrs. J. P. Wedin, vice president, presided in the absence of President Mrs. James Archibald. Mrs. Belle Hanson announced that she had done 600 P. W. Loncosty residence in Genessee and moved their furniture here Saturday. They are uncle and aunt of J. M. Rabbau, with the Soil Conservation Service.

Mr. Fitzpatrick wonders how he passed by the Genessee country way back in 1893, when he moved his cattle overland from northern California to Walla Walla, and then put them on a train which took them near to the Bonners Ferry country. He had never been in the Genessee country, but he likes it so well that he and his sister have moved here to retire.

Born in Ireland, the brother and sister came to the United States 60 years ago, first settling in Iowa, and then going to California, where they resided four years at each place. Miss Fitzpatrick went to the Bonners Ferry country in 1891, and two years later her brother joined her. They acquired more lands, until they had about 3,000 acres, about two-thirds of which was range, and the other farm lands. In 1939 the Fitzpatricks sold their ranch and moved into Spokane, and more recently had a 16-acre tract at Opportunity.

PIONEERS MOVE TO GENESSEE

The periscope breaks the surface and our submarine creeps in for the kill. Torpedo tubes are trained, nerves tensed; then the command to fire. Breathless moments later a terrific explosion tips the deck.

This inland Empire industry served by the Washington Water Power Company plays its vital part in the war... From Coeur d'Alene mines comes important lead for storage batteries to operate Uncle Sam's submarines.

And here again is demonstrated the American way of working together—business managed electric utilities, working with Federal and municipal systems in the Northwest Power Pool and delivering electricity for the mining of vital war metals.

Through the Northwest Power Pool, uniting all important power resources of Washington, Oregon, Idaho, Montana and Utah—including Grand Coulee and Bonneville—electricity from one area is available to all. More than 100,000 additional kilowatts to speed victory have resulted. Manpower, strategic materials and fuel from operation of the pool has demonstrated the ability of Federal, municipal and private electric systems to work together for the benefit of all the people.

St. John Brotherhood to Troy
The Brotherhood of the Westadia Lutheran church in Troy were conational hosts to sixty members of the John Brotherhood and Ladies Society last Sunday afternoon at the Leonard Nelson farm, east of Troy. The afternoon was spent in informal fellowship and a short program at which Carl Simons gave the topic and Stanley Kosenau led in devotions. A red organ was moved on the lawn to help the singing. At 6 o'clock men of the Troy group served a delicious buffet supper with a specialty of all the strawberries and cream the group could eat. About 125 people were served. A shower of rain and a cold wind hastened dispersal of the group at 8 o'clock.

Hears from Sister in India
Charles Schooler, last week, received a V-Mail letter from his sister, Mrs. E. P. Pawley, now living in Hindustan. She has been in India for two years, and writes that she misses her family, living in California. Owing to military regulations, under which the V-Mail letter was transmitted there was no other information. She recalled that Life Magazine carried pictures of her husband and brother-in-law several months ago. They have been in aircraft production for a number of years, and E. P. Pawley was a foreign representative when war broke out. It was not stated what he is doing at the present time, but information, meager as it was, a year or more ago, told of their evacuation from Burma.

Missionary Officers Installed
Mrs. Dick Green entertained the Missionary Society of the Community church Tuesday afternoon with Mrs. Bert Wishard as assistant hostess. Rev. Melford Knight installed the following officers for the ensuing year: Mrs. B. J. Pleiman, president; Mrs. J. P. Hermann, vice president; Mrs. Lilly Acherin, treasurer; Mrs. J. C. Cameron, world call secretary, and Mrs. Alzina Hayden, literature chairman. The society will not meet again until October 5.

RED CROSS NOTES

Thirty women and girls were on hand Monday and made 1375 dressings. Three types were made, 2 by 2, 4 by 8, and 8 by 10. Thursday marks the beginning of the second six months the unit has been working. The youngest member of Jeneal Hanson, 6 years old, who is cutting and stringing gun cleaners, while her mother makes dressings. These cleaners are about one and a half inches wide and 12 inches long, strung on a double thread in convenient bundles. These are necessary and often the boys have to tear up their shirts to clean the guns. Other children at home could do this work and send it in to Mrs. Leavitt. Any soft material can be used. Miss Edna Driscoll was the lady beautiful who supplied the treats Monday afternoon. A five minute rest and a bottle of "what have you" puts new pep in the tired muscles as the afternoon wears on.

GENESSEE VALLEY NEWS

Summer has arrived at last and we have had several days of weather near 90 degrees above, in the afternoon. Flying Fortresses have been busy over the Valley lately. Fred Howe left his hay blower by the side of a stack in the field with the spot turned skyward, an ersatz anti-aircraft gun, just in case one of those planes might have a rising sun on it. We hope those pilots fly over to Hilder, Inc., and tell them that the good old Palouse country has nut peas to keep the allied hostiles in good soup for a long time, so he can't stare them out. The pea crop was never better.

"You see, when the attack came, the captain told us to get down and creep and I thought he said sleep. Now he tells me I can do more good at home."

Yes, we all have work to do on the home front, but we aren't going to sleep on the job. For example, did you know that electric lines of Washington Water Power Company are inter-connected with Grand Coulee, and that eleven major power systems—both public and private—are joined in the states of Idaho, Montana, Oregon, Utah and Washington for the efficient distribution of electricity? The continued operation of this power pool in time of peace should bring abundant electric service and low rates to all.

AMONG HISTORY'S MOST THRILLING STORIES IS THAT OF OUR MERCHANT MARINE. ITS FIRST CHAPTERS, LIKE MANY LATER ONES, WERE WRITTEN FROM STERN NECESSITY.

IT BEGINS WITH THE TERRIBLE WINTER OF 1607, WHEN THE DISCOURAGED POPHAM COLONISTS ON THE HENNEBEC RIVER, MAINE, HEIVED FROM THE FOREST THE FIRST AMERICAN-BUILT COMMERCIAL VESSEL, THE 30-TON PINNACE VIRGINIA, AND SAILED IN HER TO ENGLAND.

THE NEW ENGLAND COLONISTS, LACKING VIRGINIA'S TOBACCO CROP AND FERTILE SOIL, TURNED TO THE SEA FOR THEIR LIVELIHOOD.

GREATEST FRIEND OF OUR COLONIAL SHIPPING WAS JOHN WINTHROP FIRST GOVERNOR OF MASSACHUSETTS, WHOSE "TINY SLOOP" "BLESSING OF THE BAY" IS SO TRADED ALONG THE NEW ENGLAND COAST AND EVEN WITH THE DUTCH ON MANHATTAN ISLAND.

FROM THOSE MODEST BEGINNINGS, COASTAL AND INTERCOASTAL TRADE GREW STEADILY BY THE TIME OF OUR ENTRANCE INTO THE WAR. MORE THAN HALF OUR TONNAGE WAS DEVOTED EXCLUSIVELY TO THESE OPERATIONS.

THE LOST IS RETURNING

The children's story about the Lady who lived in a shoe and had so many children she didn't know what to do, may apply to Mrs. Sam Lange for assistance, who has so many shoes. It will be remembered that Mrs. Lange lost a shoe when she and Mr. Lange were making a trip east last spring. She didn't exactly lose the shoe, as it was accidentally thrown from a shoe net in a Pullman when Mr. Lange insisted on opening the sleeping car window of their berth. He wanted fresh air, shoes or no shoes. Of course the train couldn't be stopped, but the conductor said he would return the lost shoe if found, and that is just what he has advised Mrs. Lange he is doing. The shoe was found on the right-of-way, and is being mailed to its owner by the Union Pacific Railway company. The shoe was found three miles east of Cokeville, Wyoming.

LT. GEORGE DAVIDSON HOME FOR A YEAR OF BEACH DUTY

Lt. (J.G.) George Davidson and his wife are visiting at the home of the former's sister, Mrs. Sam Lange, and family at Genessee. That in itself is comforting, but in addition the navy flier, a veteran of the Aleutian campaign, has a year on the beach. Sailors are salty, and so are the navy fliers, which puts a Palouse landlubber on the spot to define what is some of the navy terms are, but it is assumed he will be in the United States for a twelve-month period.

Lt. Davidson, who was at Dutch Harbor, before, during and after the flag raid, has returned to the States and will go Jacksonville, Florida, presumably to act as an instructor. Having been on patrol bomber duty and flying a PB7 plane, known also as the Catalina, he has covered all of the Aleutians, part of Alaska and territory which he says is a military secret. He participated in the defense of Dutch Harbor, and was in the successful attack on Attu, facts of which will be revealed when hostilities cease or when released by the Office of War Information and Bureau of Censorship.

Having earned relief from active combat duty in the Aleutians, it is proof that Lt. Davidson saw plenty of action, and further proof lies in citations by the secretary of the navy, and his commanding officers. Over the signature of Frank Knox, secretary of war, one citation reads:

"The President of the United States takes pleasure in presenting the Air Medal to Lieutenant Junior Grade George M. Davidson, United States Naval Reserve for service as set forth in the following: "Citation "For meritorious achievement while participating in aerial flight during action against enemy Japanese forces throughout the Aleutian Islands campaign, June 15, 1942. Under the most severe weather conditions of high wind, snow, rain and fog, and in the face of persistent anti-aircraft fire from enemy ship and shore batteries, Lieutenant (junior grade) Davidson, with conscientious devotion to duty, carried out the tasks assigned to him during patrol missions and attacks against Japanese shipping in Kiska Harbor. His fine courage throughout was in keeping with the highest traditions of the United States Naval Service."

Second Air Medal Award Lt. Davidson, by orders of his Patrol Wing Commander, his Task Force Commander, and the commander-in-chief of the Pacific Fleet, has been recommended for the Distinguished Flying Cross for outstanding service in the line of his profession as a pilot in the aeronautic organization of the Navy.

It is believed though, that Lt. Davidson cherishes most a second citation or second air medal for saving a plane crew. This citation reads: "For outstanding performance of duty and specially meritorious service in aerial flight, as a patrol plane commander on August 8, 1942, despite having been almost constantly at work for the preceding forty-eight hours, volunteered as a member of a patrol plane crew to search for patrol plane lost at sea about two hundred fifty miles south of the Aleutian Islands. On the first flight of the rescue plane the lost plane was found. Upon being relieved by a standby plane, the volunteer crew of which G. M. Davidson was a member, returned to Unimak, refueled their plane and took off again. On this flight they again located the lost plane, stayed with it all night under hazardous conditions of darkness and fog, then located a tender proceeding to the rescue and directed it to the lost plane. As the result of these flights, which totaled twenty-four hours and thirty minutes out of one twenty-five hour period, a valuable patrol plane and a crew of three officers and five men were saved for further service."

From Official Records The above citations are from official records of the U. S. Navy. Others cited and who participated in the rescue were H. O. Hauck, J. C. Erwin, I. F. Schultz, G. W. George, D. F. Frullo, W. C. Denning and R. L. U. Mielson.

Picture is Changing Defense of the Aleutians and Alaska, and continental United States has changed much since Lt. Davidson first went to the cold, wet north country. From a few planes, a few crews and officers, the U. S. Navy today is on the offensive. Attu has been recaptured and the fate of Kiska lies in the hands of the navy and army. At Dutch Harbor navy and army men

BLACK TRAINING IN CHICAGO LOOKS FORWARD TO PAY DAY

Perry Black, son of Mr. and Mrs. Dan Burr, Seattle, now at the Naval Air Station, Oakland, writes: "Dear Pete: "I am ashamed that I haven't written to you, especially to thank you for the Genessee News. I'm one of the fellows who love to receive letters but find it very hard to write them. However, I now have my back against the wall. I'm changing bases and I must have my paper follow me. Consequently, I'm combining a change of address letter with a thank you letter, to both you and the Legion. I hadn't realized how much I missed your paper until I started receiving it here at St. Mary's. From here on in you have a steady customer, Pete. Thanks many times to you and the Legion for this service. When a fellow gets away from the people he has grown up with it means a great deal to be able to read about what they are doing. Thank you once again. "I was very pleasantly surprised a few weeks ago to read where Ensign Ted Wagner is living in Berkeley, Berkeley is the city to which we are taken when going on liberty from St. Mary's. I have tried my best to find Ted in this bedlam of honking cars and honking trains, but to date I have been nearly unsuccessful. I'm afraid I'm going to have to give up the ship unless something unexpected happens. This is undoubtedly the long way around, but if you should read this, 'Hi, Ted.' "My next base will be at the Oakland Naval Air Station. This station is called Livermore and may be known by that name to some there at home who have traveled through here. I think this is the place I have been living for as flying and navigation are practically the entire curriculum. Definitely no drill periods. This will be a very welcome change from St. Marys where we had sports, academics, military, and muster on the double from 0630 to 1900 in the evening. When I first came to St. Marys the regimentation was almost a lethal blow but now, having completed the training, I can see its value and I must admit that it is absolutely necessary to an organization of this kind. I have enjoyed the sports especially my brief introduction to those which I had never taken part in before, mainly soccer, rugby, hand-to-hand, and wrestling. We are given a great deal of swimming which includes the navy style of strokes designed for shipwreck swimming. The academics, for the most part, are for indoctrination into the ways and laws of naval life and tradition. Also included is an introduction to navigation and a brief course on aerodynamics. That is about the extent of our course here and believe me, it is enough to keep a fellow very busy. "That is about the onboard limits of what I have to tell you that you might be interested in, Pete. So, with a promise to write to you soon I will remain ever grateful to you and the Legion.

LEGION WANTS OLD RECORDS FOR MEN IN ARMED FORCES

Bielenberg-Schooler Post, American Legion, having assumed the task of collecting old records for the second time, is appealing to owners of old discs and cylinders to deliver them to the Cash Hardware or News office. Men and women in the service want music, and the Legion is going to see that they have plenty of records, although materials for their manufacture are scarce.

All old records donated to this drive are forwarded to a central point, and from there go to manufacturers, who supply our armed forces with new and modern records. The Legion stands the expense of transportation and collecting, but receives no remuneration for the old records.

There are many old records lying around that will never again be used unless they are converted to new records for our men and women in the service. If you do not have time to deliver them notify John G. Meyer, Colvin Wilson or E. D. Pederson, and they will be called for.

The Local Legion Post cannot expect to receive as many records as in the previous campaign, but every record brought in will add to the collection now being made.

CAPT. BLEWETT COMING

Mrs. Ben Cook and Mrs. Kenneth Hoduffer are expecting a visit this week from their brother, Capt. Aaron E. Blewett and his wife and daughter, Sharon. Capt. Blewett has been in Alaska and North American combat areas for almost three years, with the exception of three months while he was at Ft. Benning, Ga. For a time his wife lived at Anchorage, Alaska, then returned to Seattle. Capt. Blewett is now being transferred to Little Rock, Ark. It happens that his sister and husband, Lt. Chas. Stegner, are living at Little Rock. A family reunion of the Blewetts is being planned with a picnic at Spalding park Sunday.

LEGION DANCE ENJOYED

The dance, given by the American Legion last Saturday evening at the K. C. hall was enjoyed by a large number of young people, for whom the event was planned, and by older people who were also welcome. The Legion is sponsoring another dance for Saturday evening, August 7, with the same music. Mr. and Mrs. Virgil Hubert, Harry Hanson, Walt Curran and Roy Emerson furnished music. The Legion sponsors these dances this summer that the younger people may have some entertainment, and if the older folks desire to attend they may as well come. There is no admission charge whatever.

JACK FLAMOE LOSES LIFE

Relatives of Jack Flamoe at Genessee have not received complete details of his accidental death by drowning Monday in Alaska. He has been receiving his mail in care of the Foley-Boyes Construction company, Haines, Alaska, but the telegram received here Monday evening, came from Juneau, Alaska, and from a brother of the recent bride of the deceased. MISS OLWYN EVANS TRAINING FOR WAVES IN NEW ENGLAND

Miss Olwyn Evans, member of the Genessee high school faculty for several years, is now at Mt. Holyoke College, South Hadley, Mass., and is taking officer's training in the WAVES. She writes: "Dear Pedersons: "It would seem that today, 2 weeks after my arrival, there is time for me to sit down to writing letters. The Navy certainly knows how to utilize every spare minute to some advantage. The only waste of time that I can see is when they put us to bed at 10 o'clock. Of course, we rise at 6:15, but for some reason that doesn't seem early at all. In winter it probably would be.

"Most everything is nicer and easier than I anticipated, except our courses. There are five of them, and our instructors really pour it on. I take on the average of twenty-five pages, on both sides, of notes a day. This past week, our second, we had mid-term exams. The exciting part of it is that we never know our grades unless of course, we 'bliss' out. "As you see by the address, I was not sent to Northampton College after all. However, Mt. Holyoke College is part of the same station, 'tho fifteen miles away. It is much nicer here. South Hadley consists of about four small stories and Mt. Holyoke College which is beautiful. Spacious lawns and many nice buildings. It gets quite stormy here and that makes me particularly uncomfortable, since Idaho is usually very dry. "I left Weiser June 30 and had a very pleasant trip across the country and nothing drastic happened despite the fact that I occupied Lower 13 for two nights. We were in Chicago several hours but it was so warm after being on an air-conditioned train that I didn't particularly enjoy it. About 495 girls came in that day. The first fifteen went to Mt. Holyoke, the next to Smith and so forth. We had Sunday to get our bearings, more or less, and Monday we started right in with classes, which begin at 8 a. m. and run thru 3. Then on Mondays and Tuesdays we have gym until 5 and Tuesday and Thursday we have drill. Wednesday afternoon is free but usually they find something for us to do.

"We went into uniform yesterday, and what a struggle it is to get those ties tied. They're a bit warm for this time of year. We can hardly wait till we get our uniforms. They are really beautiful. "None of us know as yet what sort of work we will be sent into and often after you are trained for a field your orders don't take you into it at all. "There are many interesting people here; however this class is more or less saturated with girls just out of college and school teachers. One girl who lives across the hall from us was assistant director of the Kate Smith hour. She is very interesting. I have four roommates, one from Boston, Springfield, Mo.; Chicago and New Jersey. They are all well. Our room is quite large so that we are in no way crowded. "In two weeks, if I'm lucky, I'll get my mid-term exams. I hope to leave in which case I plan to go to either New York or Boston. New York is about four hours ride from here. "There is little else to relate at this time, because everything is routine, so more later. "Olwyn." Address: Olwyn M. Evans, A. S. V-9, U. S. N. R., Mid'n. School, Mt. Holyoke, Mass.

BONNIE LANGE IN SEATTLE

Miss Bonnie Lange, yeoman, third class, SPARS, now has the following address: "Bonnie M. Lange Y 3c, Assembly Hotel, Room 337, Seattle, 4, Washington." Miss Lange is now with navy headquarters in Seattle, after completing her training at Stillwater, Okla. She had a brief leave at the home of her parents, Mr. and Mrs. Sam Lange at Genessee. She had the pleasure of seeing her uncle, Lt. (j.g.) George Davidson in Seattle a few days ago, when he arrived in the States from active duty in the Aleutians.

Nationwide Molly Pitcher Tag Day

Washington, D. C.—On August 4th, Molly Pitcher is stepping out of the shadows to become the heroine of American history.

In her honor, brigades of modern Molly Pitchers will take their stands on nationwide Molly Pitcher Day at street corners, building entrances, and in public places to sell the bonds and stamps that back up our modern fighting men.

A red-white-and-blue Molly Pitcher Tag will be given to everyone that day. Members of the American Legion Auxiliary, and of the Independent Food Distributors Council unit of Molly Pitchers, will aid and assist local Women's War Savings Stuffs to make up the volunteer sales force. They will use water pitchers to hold their supplies of tags and War Stamps. The slogan on the tags will read "Fill the Pitcher with Bonds and Stamps on Molly Pitcher Day," and the goal of the sales force will be to "tag" the total population.

GENESEE VALLEY NEWS

The 90-degree heat wave has been broken and we are settling back to normal summer weather. This probably sounds like winter to some of you fellows in them "furrin" countries but it spells "hot" to the Genessee section. Fred Hove and Ray Wedin started swathing peas Monday and others will follow suit shortly. There seems to be enough help in this locality to man the combines which will go into the field next week. Most of the new is consolidated in the Valley church picnic last Sunday in the Moscow park.

Miss Arlene Borgen is visiting her cousin, Miss Elaine Hove, in Moscow. She will have her tonsils removed before coming home.

Mr. and Mrs. Hugo Gehrke and Mr. and Mrs. Anton Kibitich were Sunday dinner guests of Mr. and Mrs. Ed Jutte.

Mrs. Vic Danielson spent Tuesday with Mrs. Leon Danielson.

A son was born this week to Mr. and Mrs. Roy Iverson at the Gritman hospital. Interested parties are doing nicely.

Mrs. J. P. Wedin entertained the Orchard Circle of the Methodist church in Moscow Wednesday at a 1 o'clock luncheon.

A letter from Alfred Gehrke, after a six weeks' absence, says he is still in Africa, and o. k.

Carmen Rudd of Moscow is spending a week at Wm. Borgen's.

Miss Maxine Rosenau returned to her home Monday evening from an extended visit in California and Arizona.

Mrs. Ed Morken and Mrs. E. E. Nordby were picking apricots in Lewiston Tuesday.

George Driscoll of Troy is visiting at Jim Magee's.

Mmes. Art Tegland and Connie Giber went to Rosalia Friday to make living arrangements for school next fall.

Mr. and Mrs. Ray Linehan called at Jim Magee's Sunday evening.

Henry Martinson and Miss Esther Martinson visited at August Johnson's Thursday afternoon.

Mrs. Dollie Peterson and Vernon Peterson were business visitors in Lewiston Tuesday.

Mr. and Mrs. Chas. Bourland (Ida Isakson) and Miss Emma Isakson of Caldwell visited a few days last week with the Herman and Pete Isakson families.

Mr. and Mrs. Harley Lyons and Douglas spent Tuesday afternoon at August Johnson's. Harley is home on a furlough from Camp Roberts. Other callers were Mrs. Kenneth Gottschalk and Larry, Mrs. Art Hillman, Betty Lou and Jerry, also of Moscow.

Iver Iverson of Spokane and Mrs. Hans Iverson visited at Herman Isakson's Thursday and Friday.

Miss Mable Isakson has gone to Spokane where she will obtain employment. She had the misfortune to crush her hand at the box factory at the Potlatch mill in Lewiston two months ago and is unable to do the same work.

Mrs. Connie Giber was a dinner guest of Mrs. Reuben Hager in Moscow Monday evening. Mrs. Hager and son and her sister, Mrs. Sumersville, will leave Moscow this week end for Washington, D. C., where Capt. Hager is stationed.

Mr. and Mrs. Herb Berger and Genevieve, of Lewiston had Sunday dinner at Robert Berger's.

The community was shocked over the sudden death of Jack Flanagan in Alaska Tuesday, and our sympathy goes to the relatives and especially to his bride of a week.

Mrs. J. Scheele has been on the sick list for a few days.

Mrs. Jim Miser had supper with Mrs. Ralph McBride Wednesday.

Mr. and Mrs. George Bartrand and Charles of Spokane called at Don Linchan's Wednesday afternoon.

Mr. and Mrs. Nels Lande and Pete Lande were Sunday dinner guests of Mr. and Mrs. George Nelson.

Mr. and Mrs. Norman Plamoe and Duane, Mr. and Mrs. E. D. Carlson and Mrs. Catherine and Miss Eva Qualey were guests for Sunday dinner at the home of Mrs. James Qualey.

RETURN FROM PHOENIX

Mr. and Mrs. Rosenau recently were released from hospitals, the former having had Valley fever and the latter having undergone an operation for appendicitis. Gas is flying again and his wife has resumed her work in the laboratory of an aluminum plant.

While at Phoenix they visited with Mr. and Mrs. Robert Schooler and Mrs. Dan Aherin. One day they were privileged to witness the graduation of many cadets who received their wings. Many of the cadets were English flyers and were students of Dan Aherin.

The six young people from Genessee, Mr. and Mrs. Rosenau, Mr. and Mrs. Bob Schooler and Mr. and Mrs. Dan Aherin all send greetings to friends and relatives here.

CLARK DRUG STORE TO SELL VETERINARY MEDICINE HERE

Grant Clark's drug store announces a new valuable service to farmers and stockmen of this county. For the first time this store has established a department for the sale of veterinary biologicals and pharmaceuticals made by the highly regarded Lederle Laboratories.

In the development of animal vaccines, serums, etc., Lederle is noted for its distinguished pioneering. Lederle perfected the first refined hog cholera serum, first introduced into this country as an effective rabies prophylactic, developed anthrax spore vaccine (Carbovax) was first to obtain government permission to produce an effective swine erysipelas serum, and comparatively recently, perfected equine encephalomyelitis (chick embryo method) which stopped the nation-wide epizootic of sleeping sickness among horses in 1938.

Community Church
Sunday school and communion on Sunday. No church services.

Keep your animals free from WORMS with PHENOTHIAZINE

We can now serve you with the Lederle line of Veterinary Products including their famous vaccines, bacterins, agglutinins, serums, and drugs for animal use. Let us help you protect your animals from many destructive diseases.

GENESEE VALLEY NEWS

"Swing the shining sickle,
Cut the ripened grain,
Tie the golden grain heads
Into shining sheaves."
Harvest time is here.

Combining peas started this week and by the end of the week the pea harvest will be in full swing. Heavy clouds several times kept our fingers crossed but the rain held on somewhere else. Wheat is turning but will not be ready for two weeks. Birthday parties still hold the spotlight. Cold nights and birds collecting in large groups on telephone wires and trees are reminders that fall isn't far off.

Mr. and Mrs. Ben Jain and Dick had Sunday supper at Jim Magee's. Mr. and Mrs. James Huntbach and Mr. and Mrs. Tom Kimberling of Moscow were Sunday dinner guests at August Johnson's.

Mr. and Mrs. Wm. Meske of Hardin, Mont., arrived Saturday to assist in the harvest at the John Hove farm. Mr. and Mrs. Einar Johnson spent Sunday at Vic Danielson's.

Mrs. August Johnson, Miss Ethel Johnson and Mrs. Clifford Hillman and Donna Johnson called on Mrs. Annie Danielson Monday afternoon. Mr. and Mrs. Adrian Nelson and family were Sunday dinner guests of Mr. and Mrs. Oscar Danielson.

Sunday afternoon callers at James Magee's were Mrs. Lew Jain, Miss Helen Bateman, Mr. and Mrs. E. D. Pederson and Dan. Dan will assist James Magee in harvest.

Mr. and Mrs. Allen Sather spent Sunday evening at Ed Strate's. Funeral arrangements for Jack Flamo are held up until a ship comes from Alaska bringing the body.

Mr. and Mrs. Stanley Sveve spent Sunday at Norman Flamo's. Alfred Gehrke has been promoted to sergeant. He is somewhere in Africa.

Mr. and Mrs. Robert Berger and Beverly and Mrs. Jim Kane and Dennis attended the funeral of Mrs. Alice Kayle in Lewiston Monday afternoon.

Mr. and Mrs. W. B. Deobald of Kendrick visited at Allen Sather's Sunday and Monday.

Mr. and Mrs. Leon Danielson and daughters called at Norman Flamo's Sunday afternoon.

BOB DEMERS ON FURLOUGH
Don Huffman, veteran of the Pacific campaign, and who has been in harness for about a year before Earl Harbor, writes an interesting letter from "Somewhere in the South Pacific." His words follow:

"I wrote to you not so very long ago, but I feel ambitious, so here goes again. All there is to do anymore is fight, that is, when you find time."

"I'm not in Australia any more. I'm here so long that I was beginning to think it was home. You have no doubt, heard about the beautiful South Sea Isles. Boy, that's where I'm, but so far I haven't seen any of those Dorothy Lamours running round here. There are plenty of women, but most of them are pretty hard to look at, although I have seen a few good ones. The natives are very primitive, but friendly. You can get them to work for you all day for one cent, so you can see that the labor is pretty cheap. If I keep on I might be able to master their lingo pretty good. I'll bring back a grass skirt and show it to you. That's all I can show you, but they have some very beautiful skirts. I'm striking up trade for one now."

"I received three papers the other day (the first for a long time) and it was sure swell to get them. It just about stunned me when I read about Jim Dresher. It doesn't seem possible, but I'm sure you are sure giving those yellow ***** a working over now. I guess they bit off more than they could chew. I came awfully close a couple of times, but pulled through without a scratch. I hope I can keep up. I'm telling you it's no fun getting too close to 'em."

"How is everything around Genesee now? I'd sure like to be back, no matter how it is. This old life of soldiering kind of gets on a person's mind. I can think of lots of places I'd rather be. If you ever hear any news gripping about how things are going, just tell them that I'll gladly trade places with them any time."

"I see where several of the boys are getting, and have had, furloughs. I'd sure sure use a good, long one. I've had one furlough since I've been overseas and that was only for seven days. I was plenty glad to get that."

"I'm getting along just as well as ever, although at times I don't, in fact I've got a real tan now, in fact I've got us having had a real tan. I like to think what it may be like later on. The jungles are so thick that you can't go any place without a good sharp knife. When you get off the trails you're nearly sunk. A person sure has to watch out for these tropical diseases. Some of them are pretty rugged to have."

"Well, Pete, I'd better ring off for night. My flashlight is pretty weak tonight, so thank you and the Legion for the paper. It's pretty darn nice to read what's going on in the old town, especially where I am now. I've already begun to ask myself if I've ever heard of the U. S. A., and here it is."

Note: Some time ago, Don, Babe Brown of Moscow, who by the way, is a member of the athletic team at the University, asked if you or any of the other Genesee boys who have been around the various South Pacific lands, ever ran across his son. He hears from him, of course, but relatives and friends always like to learn you meet boys from Idaho. Babe so asked that his best wishes go to each of you.

Someone recently remarked that it was an army regulation that soldiers could not be kept overseas for more than 15 months. Did you ever hear of such a regulation. It's a super-regulation, and should be in the book, at it must be hidden. If we remember correctly, it's nearing two years since you last saw U. S. soil, as of August 11.

BACK TO CAMP
Pvt. Ronald Huffman, who spent a week here with his wife and grandparents, Mr. and Mrs. S. O. Ugh, left Thursday last on his return to Ft. Leonard Wood, Mo. His wife accompanied him as far as Spokane.

Don is with a reconnaissance group and his unit is classified as cavalry, strictly motorized outfit, that differs as much as night and day from the cavalry of yesterday. Armed to the teeth, the men of the unit bristle with new and modern weapons, and their motorized equipment is everything that moves fast on ground today.

Parents of Son
Mr. and Mrs. Bud Moore are the parents of a son born Thursday, August 5, at St. Joseph's hospital in Lewiston. The baby has been named Gary William. Mrs. Moore ad baby returned Thursday to the home of her parents, Mr. and Mrs. Wm. Rader.

Two More Combines Arrive
Harvesting equipment shortage has been further relieved by two International 51 combines, which arrived in Genesee from the factory Wednesday evening. They were shipped to McCroskey Farm Equipment for delivery to Melvin Hatton and Marion Holben.

RELATIVES IN GERMANY O. K.
Miss Frieda Hermann, through the Red Cross, received a short message Wednesday from relatives in Germany saying they were all well. The letter was written November 16, 1942.

Surviving are six children, John W. Brigham, Fort Worth, Texas; Pfc. Forrest Brigham, Bruning, Nebraska; Burnis Brigham, Jerome, Idaho; Mrs. Laura Barclay, Bradford, Rhode Island; Morton Brigham, Lewiston, and Miss Verna Brigham, now of Clarkston. One grandson, John Edward Brigham, resides in Pennsylvania.

Funeral services for the late Jack Flamoe will be conducted from Genesee Valley Lutheran church Saturday morning at 10 o'clock. Arrangements were completed Thursday afternoon when it was learned that the remains were in the States.

Jack Flamoe lost his life Sunday, July 25 while employed by the Foley-Boyes Construction Co. at Haines, Alaska. He was working with two other men, and had gone to obtain a drink of water some distance away when he was caught beneath a landslide. Noting his prolonged absence, the men went to search for him and found the slide covering the location of the drinking place.

MRS. NELLIE BRIGHAM DIES
RESIDENT OF IDAHO 66 YEARS

Mrs. Nellie Brigham, wife of the late J. W. Brigham, member of Idaho's first legislature and state constitutional convention, passed away at the Gritman hospital in Moscow Sunday evening at the age of 68.

Funeral services were conducted at Short's Chapel in Moscow Wednesday afternoon, attended by many friends of the family. Interment will be in the family plot at Pine Grove cemetery. Pallbearers were Fred Strobel, Prof. F. C. Church and Chas. Mercer of Moscow, and Robert Nelson, Frank Jones and A. T. Wright.

The deceased was born in Nebraska in 1875, and came to Idaho with her parents, Mr. and Mrs. Wm. Wilson, in 1877. The parents homesteaded what is now part of the Frank Jones ranch, and J. W. Brigham homesteaded the well-known place north-east of Genesee. Mr. Brigham, directly responsible for the creation and establishment of the University at Moscow, was widely known. He passed away three years ago, and shortly after his death the home on the ranch was destroyed by fire. Rather than rebuild, Mrs. Brigham and daughter, Verna, moved to Genesee where they purchased a home. The daughter has decided to reside in Clarkston.

Surviving are six children, John W. Brigham, Fort Worth, Texas; Pfc. Forrest Brigham, Bruning, Nebraska; Burnis Brigham, Jerome, Idaho; Mrs. Laura Barclay, Bradford, Rhode Island; Morton Brigham, Lewiston, and Miss Verna Brigham, now of Clarkston. One grandson, John Edward Brigham, resides in Pennsylvania.

FLAMOE RITES SATURDAY
Funeral services for the late Jack Flamoe will be conducted from Genesee Valley Lutheran church Saturday morning at 10 o'clock. Arrangements were completed Thursday afternoon when it was learned that the remains were in the States.

WIND BLOWS MOWED PEAS
HARVEST NOW IN FULL SWING
YIELDS ARE SATISFACTORY

Last Saturday was a trying day in the Genesee area, when clouds threatened rain, and wind mowed fields, and moved peas around swaths, causing damage, and delaying combining operations. Reports of damage vary, with many saying that while peas piled up, there was not much shattering, and the bunches were salvaged by patient labor. Some fields, however, did show a considerable number of filled pods lying on the ground. One grower stated that humidity was sufficiently high Saturday in his locality, to west of Genesee, to minimize shattering of peas, and estimated his loss as slight. Nevertheless, the day was hard on nerves, and a mean old day to work.

More sacks are available this season, but there are fewer sack sewers than ever in the community, and those machines which could be changed over for sacking, if done, would only add to difficulties of obtaining men to stick the bags.

Peas are being handled at the two Union warehouses and elevators, at the Mikkelsen house, the Farmers Union Producers plant, and at the Martinson warehouse, which, however, handles crops only for its owners. In addition there may be a few farm elevators where temporary storage is being provided. An estimate of the dried pea crop in the Genesee area this season is not attempted, but total returns will be enormous.

First Wheat in Monday
The first new crop winter wheat was harvested Monday, August 9, by Cliff Lundt to date a service to our elevator, and on following days wheat came in from the George Baumgartner, Fred Morschek and Walt Mulalley ranches. Pete Zenger delivered the first new wheat to the east end Union facility Tuesday, August 10. No wheat had been received at the Mikkelsen plant by Thursday morning.

Shortage of Warehousemen
The shortage of experienced warehousemen is being felt at the several warehouses, where sack sewers are greatly in demand. The situation was somewhat relieved Thursday morning when five more men reported to the Union plants. The Mikkelsen plant is fairly well supplied with help, but the Producers company could use several more men. In fact, the warehouses all need men at the present time and some will consider new men breaking into the business.

Farm Labor Well Supplied
Labor on the farms seems to be well in hand, and it is known that men seeking work have had to travel to other points to find employment in the work they can do. Combine operators and tractor drivers, however, are in demand.

Quality of Crops Good
Despite adverse weather conditions last spring, and a retarded growing season, crops generally in the Genesee range from excellent to good, respecting the pea crop, while wheat will average much better than expected two months ago. The quality is good for all crops, with barley being unusually fine. Oats are still green, for the most part, and will be the last crop harvested. This crop acreage is really small for 1943.

Total tonnage of foodstuffs coming into Genesee this year will be greater than in any recent year owing to the unusually large pea acreage, and considerable second cropping to provide war demands. Summer fallow acreage this year is really small, and where it does exist, one will find that a green manure crop has been plowed under, and where the land could not be prepared for a seed bed last spring.

MARRIAGE ANNOUNCED
Mrs. B. D. Breitenstein, nee Miss Genevieve Harris, visited over the week end with her mother, Mrs. Anna Harris. She announced to friends that she was married last February in Seattle to Capt. B. D. Breitenstein of Chicago, who is now stationed in Spokane, where the couple are making their home. Mrs. Breitenstein graduated from Genesee high school with the class of 1937, and since has been employed in Spokane.

Seaman Tommy Edwards of Moscow spent the week end with his mother, Mrs. Leo Edwards.

THE MARRIAGE OF Miss Irene Morgan to Mr. Don A. Davis of Fort Jones, California, was solemnized Saturday evening, July 31, at 8 o'clock in Eureka, California, at the home of the bride's uncle and aunt, Mr. and Mrs. Clarence Cralle.

Flowers in profusion were artistically picturesquely in front of mirrors through the rooms and bordering the improvised altar when vows were exchanged with the Rev. Chas. Leachman, of the Episcopal church, the officiant. Matron of honor was Mrs. Alan Theophilous of Genesee, an aunt of the bride, and Leo Davis, Richmond, California, a brother of the groom, acted as best man.

The bride wore a navy silk suit and her flowers were a corsage of three white orchids. Mrs. Theophilous wore a brown street dress with a white orchid for her corsage.

After the ceremony a reception was held for the 75 friends and relatives attending, and a bridal cake and coffee were served. The bride and groom were extended congratulations and received many lovely gifts.

Mrs. Davis, while in Genesee made her home with her grandmother, Mrs. Alma Dresher. She graduated with the class of 1940, Genesee high school. Mr. Davis is a deep sea diver, and his work takes him to many coast cities. He is the son of Mr. and Mrs. L. R. Davis of Fort Jones, California.

Buddy Lange Navy Cadet Now at Monmouth College

Buddy Lange, naval air cadet, who enlisted while at the University of Idaho, finds himself at Monmouth College, Monmouth, Ill. He writes:

"Dear Pete: "I'm sorry I haven't written before. I've been kept so busy this last month I've hardly had time to write home. I've just completed my plebe year here. I now have a little time of my own."

"This is a small college with about 800 students enrolled. The town is as small as the school and nothing to do. I get liberty to go down town every Saturday night if my grades are up. This coming week end I get my first over-night leave. There are a lot of towns about the size of Moscow scattered around within our restricted 50 mile radius, so this Saturday I'll start finding out what's going on in this country. It's pretty around here, but so awful hot all the time. The humidity is very high you can hardly breathe. Last week we had a small cyclone which broke out most of the windows and made a general mess out of things. There were hailstones as large as baseballs and just pure ice. Before I came here I didn't believe stories about hailstones being that big, but I sure believe it now. We could see that storm coming a long way away and in about ten minutes it was here. Everything went so dark when it hit, you couldn't see a person standing at arm's length from you. I never saw anything like it in my life. The natives merely mentioned it as a small cyclone. What a place to live in!"

"That about takes care of the news here, which isn't very much. I'll now tell you a little about what I do as far as getting up and going to bed is concerned. It's the same old routine as in any service. Up at 6:30 and in bed at 10 a. m. I'm taking all flight preparatory courses here, namely: code, navigation, math, physics, aerology, engines, plane and ship recognition, swimming, and a very rugged physical training. There are more too, but I don't say yet know what they will be. My training is for four months which means I'll be out of here the last of October sometime. That is, of course, if I make everything. This is a rough, tough life, but it's pretty good after you get used to it. I get the News today Pete, and it's really swell to get it. I certainly thank you and the Legion for sending it. I really look forward to getting it."

"I'm enclosing a paper that is put out by the cadets here on the base. It will let you know better than I could what this base is like. It's an old paper but I sent last week's home."

My address is: A-C-V. W. Lange, Bat. 7, Plat. 3, U. S. N. P. S., Monmouth College, Monmouth, Illinois.

"I have to close now Pete, and get to booking. Lord knows there's plenty of that to do. I'll write again soon, and let you know what's new."

"Bud." P. S. Off the record. Did you hear about the little moron who thought *** ** *

WADE MAYER IN ENGLAND

Wade Mayer, son of Mr. and Mrs. Al Mayer, former residents of Genesee, now of San Francisco, recently received word that their son was in England. His mother, who was here on a visit granted permission to reprint his letter which reads:

"Yes, that's right. Here I am in jolly old England. I had a very nice trip coming over here and am feeling fine. "The weather here is about like S. F., damp and cold. I asked an Englishman when they had summer here. He said, 'Well, it varies. You see, last year it came on Wednesday. The sun shines nearly every day for a few minutes, so I guess we'll get used to it. We also have a lot of fun trying to get used to the money and beer, mostly the latter. It is more like ale and is flat and warm. "The people are very pleasant, and I believe try to make our stay as pleasant as possible. I hope to get an opportunity to visit London. So far I have been to Edinburgh, Scotland. The Isles are small enough so I may be able to see quite a lot yet. We have USO shows (British and American) also movies in our mess hall frequently. They also allow us to go to the nearby taverns often, so I guess I can't kick."

"Wade."

Red Cross Work Deadline Sept. 1 All Red Cross sewing and knitting should be turned in soon in order to transport the large quota to Moscow by September 1. GENESSEE VALLEY NEWS

Harvest is proceeding according to plan and if the weather man doesn't get in some guerilla work the Genessee farmers can buy another bumper this fall. Pass on to the whole area yielding as much as last year but the quality is good and the price is some better.

We heard about a man who went to a drug store to get a prescription filled. The directions read, "Take the following internally and shake yourself thoroughly after taking." That is the way farmers generally take the weather. If it is good there is no dollar for the prescription.

Mrs. Robert Berger and daughters called at Mike Mualley's Sunday afternoon.

GERALD PEDERSON TRAINING FOR INFANTRY AT ROBERTS

Gerald Pederson, who is at Camp Roberts, and in the same unit as Loren Roberts, writes: "Dear Dad: "After my short time in the army I really look forward to receiving the paper. I can see why the fellows in the service from Genessee take so much time to thank the American Legion and you for sending the News, and I want to include my thanks with theirs."

"Loren told you in his letter, we are in an anti-tank outfit (87mm). However, it is still infantry, and we do our share of marching, as well as having tactical and practical instructions with the 37mm and the 57mm cannons."

"A typical day is as follows: Up at 6:00; clean the barracks, eat breakfast, and get equipment (pack, rifle, etc.) ready to go by 6:30. March from two to four miles to an area where we are to be instructed and where we stay the rest of the day. At 7:05 a. m. we start calisthenics that last a half hour, and at 8:00 we start classes. These classes are continued throughout the day until 4:30. The lectures run all the way from world topics to shooting the 37mm cannon. At 4:30 we start the trip home to the barracks and we start retreat at 5:15. The rest of the day is our own if the army doesn't decide to take care of it. On Wednesday night we usually take a 10-mile hike with full field equipment, about 50 pounds. Later on, we learn that we will take our 37's with us when we go on the shorter walks. That is going to be rather tough because each gun weighs about 1000 pounds and only five men are detailed to a gun."

"So far the boys from Idaho are standing the army fine and most of us are enjoying the change from school. The only gripes that we have are that the finest crop of blisters keep popping out on our feet, and the fact of us who were pudgy are getting to look like the original 'thin' man. Say hello to everybody at home for me, and tell them that Genessee is still the nicest place of any that I have been in."

"By the way I have worn out two pairs of shoes and the third is well on the way. Everything is coming along just as I believe it is. I believe this is the type of service I want if I should stay in the infantry. I couldn't stop the air corps papers from going thru although unable to transfer at the present time."

"Jerry."

Wayne Hershaw at Laramie Wayne Hershaw, who recently received his corporals stripes, is responsible for a paper sent out for only a good reason. Out of his entire division about 400 were privileged to report to some university or college for army specialized training. He was at Laramie, Wyo., at last reports, and has been informed that he will be an engineering student.

Guests in Lough Home Dinner guests of Mr. and Mrs. S. U. Lough Saturday were Mrs. H. Ferguson of Spokane, Mrs. E. Tiffany of Culeeac and Mr. and Mrs. C. Wick and son of Lapwai. Sunday dinner guests were Mr. and Mrs. E. D. Weeks of Moscow, Mr. and Mrs. R. G. Snyder and son, Vernon, were callers in the afternoon. Vernon will enter the service Saturday.

ELMER TAYLOR ON FURLOUGH Having moved across the continent, from Arizona, to Georgia, Sgt. Elmer Taylor has been accorded his second furlough. With the trip home requiring five days and five nights, little time remained for the stay at home. Elmer is now a mess sergeant with the 87th Airdrome Squadron and is stationed at Hunter Field, Ga., not far from Savannah. In the command are 270 men, trained to take over captured air bases, and to receive to refit and repair planes for further combat duty. The unit has men trained in all branches of plane and motor mechanics, and naturally there are a lot of ratings.

Sgt. Taylor arrived in Chicago on his trip home, and made it without having a seat on the train. He did manage to catch a few links while riding in a baggage car, and stated the passenger cars were so filled no one was available to lie down in the aisles. Had he found traveling conditions so crowded when leaving Chicago he planned to return directly to camp and forego his furlough. He continued, however, and had a seat the rest of the way.

Mr. and Mrs. Eugene Taylor of Julianna were Saturday evening visitors of Mr. and Mrs. Edgar Carlson.

We heartily endorse this statement. A Vital Message To All Shoe Buyers FROM THE International Shoe Company. Because there has been considerable misunderstanding regarding the quality of shoes now available to civilians, it is important that you become acquainted with the facts. Perhaps the most serious danger to our country today is the shortage of shoes. It is our Government's duty to see that we have a sufficient quantity of good serviceable shoes available to our people. These shoes are built according to the standards of the United States Government and are made of the best materials and full value for your dollar-and satisfactory shoe mileage. You may continue to have confidence in the shoes made for men, women, and children by this company. We shall keep faith with the wearers of our shoes. INTERNATIONAL SHOE COMPANY, St. Louis, Mo. LEWISTON TRIBUNE REPORTS THREE TONS PEAS PER ACRE "Cotton is king in the south, corn in the middle states, and it looks like in 1943 that peas will be king in the prairie region to the north," reads a story in the Lewiston Tribune.

Better Stay With Bananas One pea field of 28 acres did produce around 3,300 pounds of the acre, but Mr. Dean must have been misunderstood. The 178,000 pounds mentioned were harvested from an 80-acre field. The 28-acre field was on the Sampson ranch and the good 80-acre yield was on the Bartle Weber ranch.

Nevertheless, the Genesee area is producing one fine dried pea crop that will find its way to the many hungry people of the world, and provide protein food for allied fighting men.

The Lloyd Wilson combine, which has been operating on custom threshing for several growers, has not been in a field thus far where the yield has been under 2,200 pounds per acre and has threshed the 3,300-pound crop on the Willard Sampson ranch.

Wheat, nearly a forgotten crop this season, is taking a back seat for the big pea crop rolling into elevators and warehouses during the present harvest. Each day now sees some of the growers completing their pea harvest, but those with large acreages have a week or more to run on the main crop of the Palouse country.

GENESSEE VALLEY NEWS

Harvest weather couldn't be better if it was made to order. The way these Palouse hills are being shaved off isn't slow. Another week should finish all the peas. The wheat harvest will be short because there just isn't much wheat. There shouldn't be much stealing around these parts with two deputy sheriffs and the chief of police of Moscow working in the fields. We haven't decided if they are on vacation or saving ration points for next winter. Mrs. Sam Lange, Mrs. Robert Berger and Pat Magee are driving truck for their own machines.

Jack Flammé Genessee Valley Lutheran church was filled with sorrowing friends who came to pay their last respects to their old neighbor and pal, Jack Flammé. George Nelson, accompanied by Mrs. Elvon Hampton, sang, "Abide With Me" and "Going Home." Rev. Veldy conducted the service. Pallbearers were Allen Sather, Art Tegland, Sam Lange, Wm. Borgen, Neil Lande and George Gehrke. The altar was banked with flowers, one large wreath of tea roses coming from his fellow workers in Alaska attesting to the high esteem in which Jack was held. Funeral arrangements were in charge of Short's. Interment was in Genessee Valley cemetery.

Out-of-town relatives who attended the funeral were Mr. and Mrs. Clyde McClean, son and daughter of Clark; Mr. and Mrs. Art Hove of Troy; Mrs. Eagen of Lewiston; Mr. and Mrs. Leonard Flammé and son of Seattle, the latter with the widow and her sister, Miss Karen Weston of Seattle, accompanying the body from that city to Moscow. Another sister of Mrs. Flammé in Alaska, was not able to get passage because of war restrictions.

Miss Inger Hove of Seattle came by plane Tuesday to visit her brother, Capt. Kermit Hove. She returned Sunday by plane.

Capt. Kermit Hove received a wire Saturday to report three days earlier than he planned and he left Saturday for Spokane where he was to make the return trip to his base in an army bomber.

Beverly Anderson, Mary Ann Heath and Mary Emerson were Moscow visitors Sunday.

Misses Lorene and Mable Isaachsen visited home folks Sunday.

Mrs. Martha Gotch is here from Elk River to assist her sister, Mrs. J. P. Anderson, with harvest work.

Mrs. Hugo Gehrke gave a farewell party Tuesday afternoon for Mrs. Bertha Nebelsieck who leaves soon for South Dakota. Guests were Mrs. Anna Rosenu, Mildred Nordby, Wilma Schultz, Irene Nebelsieck and Gary; Ella Schooler, Bertha Dean Dora Nebelsieck, Carrie Jutte and Gloria, Rose Scharnhorst, Viola Scharnhorst and children. Mrs. Nebelsieck was given a gift. The hostess served delicious refreshments.

George Abraham of Spokane spent Wednesday night with his mother, Mrs. Helen Abraham.

Mrs. John Eikum, Rex and Johnnie and Mrs. Annie Danielson drove to Moscow Sunday and visited at the Nels Bakken home.

Mr. and Mrs. Harold Owen of Seattle visited Mrs. Owen's sister, Mrs. Ed Strate, last week. Mrs. Hilda Jungstrum who spent the past three months with her daughter, returned home with the Owens.

Miss Maxine Rosenau attended the wedding of a friend in Pullman last Wednesday.

Mrs. Pabst and Duane returned to Spokane Friday after a week's visit with Mrs. Vic Danielson.

Miss Inger Hove and Capt. Hove were dinner guests at Tegland's last Friday evening.

Mr. and Mrs. Jacobs of Lapwai visited at Jim Magee's Monday afternoon.

Mr. and Mrs. Joe Brakbill (Carrie Woodley) of Portland, are visiting Richard Woodley and Oliver Woodley and family.

Mr. and Mrs. T. E. Anderson and children of Spokane spent the week end at Mrs. Marie Anderson's and R. E. Nordby's.

Sunday afternoon callers at James Magee's were Mr. and Mrs. Harry Schooler and Jean and Mr. and Mrs. E. D. Pederson.

Mrs. Joe Brakbill called on Mrs. Herman Isaachsen Monday afternoon.

Mr. and Mrs. Chris Deesten visited at Hugo Gehrke's Sunday afternoon. Dawn and Fred Bolton left Tuesday for their home in Berkeley, Calif., after an extended visit at the home of Dr. and Mrs. C. F. Magee.

Saturday evening supper guests of Mr. and Mrs. Allen Sather were Mrs. Myrtle Deobald of Bremerton, Wash., and Mrs. W. B. Deobald and daughters of Kendrick.

Mr. and Mrs. Roy Bohm of Moscow spent Sunday afternoon at the Allen Sather home.

A little cork fell in the path of a whale Who lashed it down with his angry tail; But, in spite of his blows, It quickly arose. And floated serenely before his nose. Said the little cork: "You may flap, flutter and frown But you never, never can keep me down; For I am made of the stuff That is buoyant enough To float rather than drown."

Moral: Let us all be corking good Americans and invest all those extra dollars in bonds and show the Axis we are in for the final show, here on the home front.

War Ballots for Army Blank forms are available to all officers and enlisted men of the army to enable them to apply for war ballots for elections to be held this year.

The War Department reports. Public Law 712 requires these forms to be available in years when elections of the national government are elected. The forms will also enable legally qualified soldier voters to participate in state elections.

Beans Ten Inches Long A fine crop of green and wax beans has been growing at the Paul Heppner place in Genessee, with some of the green pods measuring ten inches long. This variety is undoubtedly a product grown elsewhere, but it is thriving locally, and saves the trouble of picking a whole lot of smaller pods for one meal. The quality of the bean is equally as good as the smaller variety, if not better.

WITH OUR NATION'S WAR PROGRAM—

Twelve power systems of the Northwest are pooled together to meet the needs of war. Included in this giant network of power resources are the Washington Water Power Company, Grand Coulee and Bonnaville, seven additional private utilities and two municipal systems.

Electric power pooling is not new in the Northwest. For many years, the business-managed electric companies were interconnected for exchange of power. With the coming of war, federal dams, municipal systems and business-managed companies joined in still closer cooperation. The result was the NORTHWEST POWER POOL, one of the largest and most successful in the world.

Already this pooling has resulted in more than 100,000 additional kilowatts of power to speed victory. When peace comes, the Washington Water Power stands ready to deliver the same efficient service to civilian needs, and pass on to its customers any rate savings that may be possible.

VERSEAS XMAS PACKAGES MAY BE MAILED ON SEPT. 15
The Christmas shopping season is over, even though the weather is still warm. Mailing of gifts for army and navy personnel overseas must begin by September 15, if many of the men and women in our armed services are not to be disappointed.

LOCAL HARVEST CONTINUES AFTER DELAY OF FEW DAYS
Showers, dew and shorter days have tended to retard harvest in the Genese area, but all machines were back in operation Thursday, and most of them were running Wednesday afternoon.

Gifts and Mail Essential
Mail of all kinds is vital to the spirit of fighting men. Every officer who has inspected our army and navy postal facilities overseas has reported that thousands of fighting men regard mess call when it conflicts with mail call, and get their letters first. Officers at our large military and naval stations report that the spirit and efficiency of their men receive a distinct lift when mail is distributed, and that a delay in mail service caused a decided decline in spirit with a consequent letdown in efficiency.

FEDERAL INCOME TAX MAN AT MOSCOW SEPTEMBER 8-15
For the convenience of those who are required by law to file Declaration of Estimated Income and Victory Tax returns on or before September 15, 1943, a deputy collector of internal revenue will be at the postoffice, room 302, Moscow, on September 8 to 15, to assist taxpayers in preparing their returns.

Who Must Make a Declaration
1. Every individual whose 1942 gross income was more than \$1,000 from wages subject to withholding, if single, or \$3,500 if married, or reasonably expects to have such a sum for 1943.
2. Every individual whose gross income for 1942 was more than \$2,700 from wages subject to withholding, if single, or \$3,500 if married, or reasonably expects to have such income for 1943.

FROM DEEP IN THE JUNGLES COMES WORD FROM THIESSEN
John Thieszen, U. S. Marine, who has been in the South Pacific for some times writes the brief but interesting letter:
"Dear Pete:
'Well, it's about time I wrote you a few lines. This letter is being written to you from deep in the heart of the jungles. It's quite the place, where a guy has to run the lizards out of his back and brush the ants out of his hair.

PREFERS ARMY TO HARVEST UNTIL THE WAR IS ENDED
Jack Flomer, now with a quartermaster outfit at Camp Santa Ana, Calif., writes:
"Dear Pete:
'It seems that a fellow never can find time to write, but I will take time and drop you a few lines. I want to thank you and the Legion for the paper, for it really helps to cheer a fellow up. A lot of things have happened since I got back from my furlough. The limited service men now are general service and are waiting to be reclassified, so where we will stand, no one knows as yet. The commanding officer has changed the routine a lot. We got up at 5 a. m. instead of 6, and I really mean it. These sergeants don't give anyone a break any more. Then we hit for the mess hall and have to be back by 6:20 for roll call. At 6:30 we start drilling and it goes on until 7:45. Then we take off for our work which goes from 8 a. m. until 5:30 p. m., and a fellow is really tired when he gets done.

BAYNE HICKMAN IN LOUISIANA
Bayne Hickman, at Barksdale Field, La., writes:
"Dear Pete, I've done some tall traveling from my last post, first to Kearns, Utah, for 13 days of small arms training, and then to Kelly Field, Texas, to a replacement pool. Well, you can guess the rest. I was assigned to a service group here at Barksdale, which is really a swell camp and as nice a place as one would like to be in. It really is more like a college campus or a well-planned town than any camp I've been in before. This outfit I'm in was started four months ago and is rapidly filling up. Well, I'm sure missing the News when it wasn't coming in every week as usual, so please send it to my new address. I want to thank you and the Legion for it and hope you keep up the good work."
Address: Pfc. Gerald B. Hickman, 510th Service Squadron, 616th Service Group, Barksdale Field, La.

GENESEE VALLEY NEWS

The old weather man is putting up a little interference. Hundreds of acres of peas got a bath and no one was singing in the bath tub either.

Mr. and Mrs. Phil Enders of Waitburg, Wash., were Sunday dinner guests of Mr. and Mrs. James Magee.

Mr. and Mrs. Leon Danielson visited Mrs. John Eikum Tuesday afternoon.

Mr. and Mrs. Art Tegland entertained for coffee on Tuesday afternoon, Mrs. Leon Danielson, Stanley Sneve, Leonard Flamoe and Larry and Arthur Flamoe.

Mr. and Mrs. Fred Teach of Lewiston spent Tuesday at Fred Hove's.

Mr. and Mrs. Ed Pawley, the latter a sister of Charles and Harry Schooler, are back in the United States, according to a letter received by Mr. and Mrs. Ben Schooler of Puyallup which they gave to Mr. and Mrs. Phil Schooler on their recent visit to Sprague, and which was forwarded relatives here.

Mr. and Mrs. Pawley, who were in the Orient at the outbreak of hostilities, went from China to Burma, and after the fall of that country have been in Hindustan. Mr. Pawley is affiliated with his brother in aircraft production and sales, and was its representative in the Orient. Wm. Pawley, the brother, was taken captive by the Japs and was one of the captives exchanged several months ago. He recently left for the Orient to relieve his brother, Ed Pawley.

First word of their arrival in the United States came from Miami, Fla., and it is presumed that they are now at their home in Long Beach, where their four children, three boys and one girl, the eldest 18, reside.

N. P. TOO BUSY TO CELEBRATE COMPLETION OF MAIN LINE

Wednesday, September 8 will be just another day in the war-time activities of the Northern Pacific Railway, though it marks the sixtieth anniversary of the completion of the first of the Northern Transcontinental lines.

"We're too busy moving military and essential civilian traffic to celebrate," was the explanation at the company's general offices in St. Paul.

Construction of the line connecting the Head of the Lakes and the Twin Cities with the Northern Pacific coast country actually was completed on August 22, 1888, but the formal "Gold Spike" celebration did not take place until September 8, when a distinguished group of European and American government, industrial and financial leaders journeyed to Gold Creek, Montana, for the event.

A dream conceived in the early '50's, the Northern Pacific was authorized by congress to build a railroad from Lake Superior to the Pacific in 1864 and the charter was signed by President Lincoln on July 2 of that year.

The turning of a few shovelfuls of earth on February 15, 1870, in a ceremony near Lake Superior at Thomson, now Carlton, Minn., marked the actual beginning of construction of the line which has since become known as the "Main Street of the Northwest."

Almost simultaneously, work started on the west coast, where a line from Kalamia, Wash., to Tacoma was under construction. Steel rails for the western portion were imported from England via Cape Horn, and construction crews from both west and east worked to effect the historic meeting at Gold Creek, in Hell Gate canyon between Missoula and Garrison, Mont.

In connection with the important role Northern Pacific is playing in facilitating movement of military personnel, equipment and supplies in World War II, company officials point out that one of the original goals in its construction was for military protection of the far-flung frontier and for a short, direct route to the Orient.

Resolution of Expense and Tax Levy for the City of Genesee, Idaho, for the Year 1948-1949.

WHEREAS, the probable amount of money necessary for all purposes to be expended by the City of Genesee, Idaho, for its maintenance and expense, for which appropriation is to be made for the fiscal year 1948-1949, beginning May 1, 1948, is by funds as follows:

General Fund \$2,180.00 Street Lighting Fund 1,090.00 Streets, Sidewalks, Maintenance 1,090.00 Fire Department 218.00

Therefore, Be It Resolved: That a levy of 10 mills be made for the General Fund; a levy of 5 mills be made for the Street Lighting purposes; a levy of 5 mills be made for Maintenance of Streets and Sidewalks; and a levy of 1 mill be made for the Fire Department; thus making a total of 21 mills on a taxable valuation of \$218,080.00 on the City of Genesee, Idaho.

Resolution offered by Councilman Herman; was read in full by the clerk; passed by roll-call vote of the three councilmen present; signed by the Mayor and Clerk and ordered published in the Genesee News in accordance with the regular meeting of the Genesee City Council and the proceedings thereof, of August 2, 1948.

HERE FOR HARVEST. Arthur Nelson, a welder at the Portland shipyards, has put in three weeks as combine operator for Earl Clyde. He was accompanied from Portland by two of his children, Donald and Thomas, who are visiting his parents at Troy. Mrs. Nelson remained at Portland, where she is a material expeditor at the shipyards, a position which she has been holding for several months. Mr. Nelson found that arc welding did not agree with him, so he began taking lessons as a machinist last February, and continued until he came here for the harvest. He studied for the machinist trade after working hours, and will be qualified as a commercial machinist when he returns to Portland in a few weeks. The family has one of the new defense homes in Portland, and are comfortably situated.

Mr. Nelson also reports that Mrs. Marvin Hickman of Longview, was in Portland and qualified as a welder, but is now back at her home, and may take employment in the plywood plant where her husband has been for some time.

Very truly yours, INTERNATIONAL TAILORING CO.

David G. Kuehl GENESEE PHONE 892 - 893. SAY IT IN PLAIN WORDS. A newspaper recently observed that "another young abecedarian obfuscated all competitors by giving correct orthography to acquiescence and sacrament." In short, the boy had won a spelling match. This reminded the Intertype Company house organ editor of a "piece" spoken in school many years ago, and no doubt grandfathers spoke it in their boyhood days. It must have been written more than 75 years ago. The author cannot be identified. In an anthology in the Rochester public library the selection is classed as anonymous. The "piece" follows: "In promulgating your esoteric cogitations, or articulating your superficial sentimentalities and amicable, philosophical or psychological observations, beware of platitudinous ponderosity. "Let your conversational communications possess a clarified concision, a compacted comprehensiveness, coalescent consistency, and concatenated cogency. "Each of the conglomerations of flatulent garrulosity, jejune babbling, and asinine affectations. "Let your extemporaneous discourses and unprepared expatiations have intelligibility and veracious vivacity, without rhodomontade or thronically bombast. "Seduliously avoid all polysyllabic profundity, pompous prolixity, pitiable vacuity, ventriloquial verbosity, and valloquious vapidity. "Shun double-entendres, prurient jocosity, and pestiferous profanity, obscurant or apparent. "In other words, talk plainly, briefly, naturally, sensibly, truthfully, purely. Keep from slang; don't put on airs; say what you mean; mean what you say. And don't use big words."

KENNETH WHITTET WRITES ABOUT HARVEST IN AFRICA

On June 10, Kenneth Whittet wrote to relatives: "The grain harvest is in full swing over here; some mighty good crops too. Wish you could see the grain being harvested, though you won't believe me when I tell you how it's done.

"After planting the Arabs all pack up and move to the wide, open spaces where they stay until harvest. They cut the grain with little one-hand scythes, using one hand to cut with, and gather the grain with the other.

"After the grain is cured, which don't take long in this sun, it's hauled by hand and by pack mule to the stack, in huge baskets. It waits in the stack until the threshing machine comes there and when the threshing machine comes there it takes a clean sweep.

"Don't think it's just small fields that are handled this way either. I've seen just as much grain here as in the Palouse country. The average here is not very good, though in some sections I've seen wheat that would make fifty bushels easy.

"Most of the better lands are farmed by the French and some of them have modern machinery. Saw one small combine and two binders, also three or four mowers. One big place I passed had tractor machinery all around, though I didn't see the tractor.

"There are plenty Arabs in this country besides those busy with harvest. There are lots and lots of them tending their sheep, goats and camels. They have all moved in close to the big water holes now, for the summer. They were scattered all over the mountains and out into the desert, but the water is all gone there now, so they moved to water holes that last through the summer.

And then there was the girl who was so lazy she wouldn't even exercise discretion.

FROM NORTH AFRICA BROUGHT BACK PRISONERS

Cpl. Kenneth Whittet arrived in Genesee last Thursday afternoon from North Africa where he had been since allied invasion of Morocco and Algeria and the subsequent capture of Tunisia.

The overseas soldier, with his feet only fixed on home soil could not be away for a few days that his dream of a few days at home was true. He in England and Ireland before going to Africa, but he states that he yet to see actual combat. Leave Algeria two days after the invasion of Sicily began, he was certain his unit was to be one to step out on the island, but he again passed through the Strait of Gibraltar, and headed north to England, where the 51 prisoners, numbering about 1700 were given a rest and then transferred to a larger ship for transport to the United States. A total of approximately 5,000 prisoners of war were sent over to the military police for confinement in this country. No trouble was experienced with the contingent of prisoners who were in charge of about 600 well-armed American soldiers.

Cpl. Whittet will have a few weeks home, while traveling enroute and expects to return to North Africa here his outfit is stationed. He is assigned to a reconnaissance company a tank destroyer battalion, considered as reserve troops in combat and as an assault group during an invasion.

Tiemcen, Beniast, Sidi-bel-Abbes, Tan, Mascara, Mecheria and other cities of Algeria are well known to aporal Whittet, which he speaks of a people of the Palouse do of Spone, Lewiston, Pullman and such. His sojourn in Africa was not altogether one of tiresome inactivity, as tank destroyer troops experimented with new weapons on captured Axis equipment, and trying out new and improved American weapons for tank destruction. Now and then reserve American troops were sent out to and up Axis parachute troops, but seemed that none ever dropped from the skies beyond our lines.

Kenneth was rather surprised to find one of his letters in the Genesee news written by him to relatives month before he left Africa, but failed to realize that mail travels slowly to the States. He knows mail Africa don't break any speed records, but how the fellows do welcome letters while overseas. Saw one man having been in England for some time Whittet has seen the destruction caused by bombings in the larger cities, such as London and Liverpool and has seen the damage to Glasgow and other cities. Each civilian has experience to relate about the bombing raids. The British Isles really suffered from the air raids, but the people there stand out against any assault the Axis may attempt, despite suffering they underwent.

There is not much for troops in Africa to do at the present time, with conquest complete. Short passes are permitted to troops to visit places of interest. There is much to see, he said, with a wide variation of scenery. The cities are crowded, and while there are some modern buildings in places along the coast, North Africa pretty much as pictured. The language used by American troops is the French spoken by the colonists; the children of French descent wear, chocolate and bon bon, the rates, mostly all smokers, would take other Arab's life in a fight over an American cigarette but, and occasionally a knife is swished from their wings garments in the scramble for discarded cigarette. Despite the lectures on treatment of North African people, American soldiers are reluctant to partake of their food.

Kenneth said the Allied air forces have done a splendid job in Africa and much credit is due them. Cpl. Whittet said that Bob McGarry, also of the same tank destroyer battalion, but with a different company, is in the States, and must be visiting his mother in Lewiston.

SCHOOL STARTS MONDAY

Vacation days are almost at an end for those attending schools in Genesee. Buses will bring in students Monday morning at 9 o'clock, and the return trip will be made at 10 o'clock after class assignments have been completed, and Tuesday morning the students will return for regular classes and on regular schedule.

The public schools faculty is complete with the exception of a music teacher. Instructors in music are just not to be had if they combine this study with other subjects.

A general faculty meeting will be held Saturday morning, September 4, at 10 o'clock at the high school.

GEORGE HOBSON, PIONEER OF GENESEE PASSES AWAY George H. Hobson, an old-time resident of Genesee, died at his home in Spokane August 16.

Mr. Hobson was first employed as a clerk in the John P. Vollmer store in Genesee. Later he resigned his position to enter the general mercantile business for himself, and conducted the store for several years at the corner of Second and Bennett's billiard parlor. Closing out his business here he moved to Spokane, where, for a time, he conducted stores in Spokane and Hillyard, and after selling these he bought and lived on a farm on Pleasant Prairie.

In later years he was a painter at the Great Northern shops in Hillyard, but was compelled to stop this work last October owing to a heart ailment which resulted in his death.

Mr. Hobson married Maye Nelson, daughter of a former contractor and builder, who operated the Nelson hotel here, now the Masonic building. Mr. Hobson leaves his wife, Maye E. Hobson, of Spokane; one son, Harold Hobson of Seattle; a daughter, Mrs. James Dall of Monitor, Wash., and two sisters, Mrs. Ed Pollett and Mrs. Wm. Brown, also former residents of Genesee, but now residing in Seattle. The deceased was a cousin of Mrs. George Follett of Genesee and George Raymond of Spokane.

RED CROSS REPORT Fifty-three women worked 603 1/2 hours and made 9,250 dressings, to bring the total to 82,910. The supervisor is very happy that more than 30,000 dressings were made during June, July and August, the busiest months of the year.

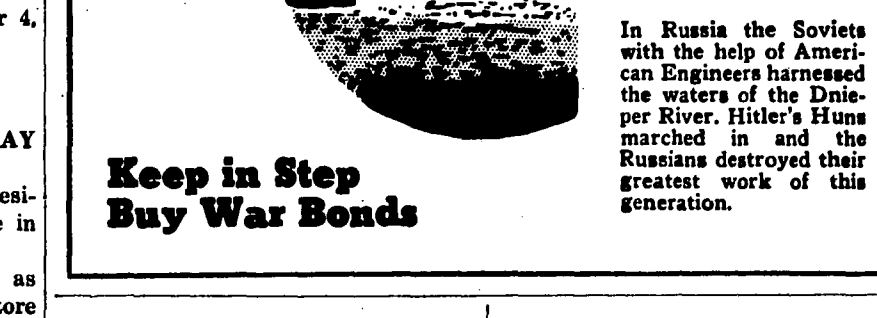

Harvest will soon be over and it is hoped the women from the country will again come in. Those invasions can't be made without casualties and we must have dressings ready for the boys when they need them.

Mrs. Arva Linehan, Mrs. Frank Hoorman, Miss Pauline Sletts and Mrs. Wedin had perfect attendance. Added to the honor roll which is now 15 names were Mrs. Chas. Kramer, 115,75 hours; Mrs. S. U. Lough, 107,75 hours; Mrs. E. D. Jederson, 104 hours; Mrs. James Qualey, 103 hours; Mrs. Fred Hove, 101 hours.

For 200 hours, the following names are added: Mrs. Frank Hoorman, 220.50 hours; Mrs. George Post, 216 hours; and Mrs. Helen Abraham, 206 hours.

BONDS OVER AMERICA

For years our government has worked to provide better living conditions for our citizens everywhere. Bonneville Dam in Oregon is one of hundreds of projects erected for our benefit.

In Russia the Soviets with the help of American Engineers harnessed the waters of the Dnieper River. Hitler's Huns marched in and the Russians destroyed the greatest work of this generation.

With the second hospital quota of the year near completion, the third is at hand, to be finished by January 1, 1944. This quota differs somewhat in the variety of articles, but the quantities of each article are much larger. As the war progresses and more and more of our men are hospitalized, hospital quotas increase.

The following is asked of the Genesee branch in the new quota, to be completed January 1: 20 pneumonia jackets, 50 pairs hospital slippers, 100 pairs bed socks and 50 pairs stimp socks. Another quota of 288 filled comfort kits for the county, for each man going overseas, between November, 1943 and February, 1944, is a year-around project and Genesee is asked to share in this quota to the extent of 50 filled kits.

In order to fill the third quota more helpers and money are needed. Keep this in mind and do all you can to help the Red Cross.

Movies to be Shown The Standard Oil company will exhibit moving pictures Thursday evening, September 9 at the high school beginning at 7:30 o'clock. The titles of pictures are: "What To Do In a Gas Attack," "Dover," "Paratroops In Training," "Axis Propaganda" and "Divide and Conquer."

September 8 Report The number of articles completed by Genesee Red Cross workers for the second hospital quota and sent September 1 is: 15 pneumonia jackets, 45 hours; 20 card table covers, 15 pairs; 24 bed jackets, 120 hours; 43 pairs arthritic bands, 344 hours; 30 bedside bags, 45 hours; 50 pairs toe socks, 200 hours; 50 housewives, 75 hours; 1 nightie, 4 hours; 1 petticoat, 1 hour; 1 pair knee sock, 20 hours; 1 army kit (others not supplied in time to be made) 1 hour; 2 pillow covers, 1 hour; 1 woman's cardigan sweater, 35 hours, and gun cleaners, 1 hour. Total 910 hours.

There were 60 individuals and five groups of ladies working on the second quota, with Mrs. E. W. Vanouek and Mrs. Fred Brazier in charge, and to whom much credit goes for the articles completed.

Mr. and Mrs. Jack Magee returned to Genesee Monday evening from California, the former being stationed at Camp Beale, where he was a sergeant in the tank corps. Mrs. Magee, a graduate nurse, was employed in a hospital at Marysville.

Everett Wishard, who it seems, entered service in the navy but a short time ago, is now on duty in the South Pacific, according to a letter recently received by his parents, Mr. and Mrs. Bert Wishard. Naturally, there was no information on what he was doing.

DEMERS COMMISSIONED

Corpus Christi, Texas, August 21—Raymond E. Demers, son of Del H. Demers of Genesee, Idaho, graduated today from the Naval Air Training Center, Corpus Christi, and was commissioned a second lieutenant in the U. S. Marine Corps Reserve.

Mr. Demers is a graduate of Genesee high school and is a former student at the University of Idaho. He took his pre-flight at St. Mary's college, California.

"When the war started the nation reached for the telephone to get things done," Mr. Barnwell said. "Long distance volume has doubled over the nation, and in some areas the increase has been as high as 800 per cent."

"Double the business would seem to call for doubling the plants and personnel. But the copper, aluminum, steel, rubber, and other materials that go into telephone expansion went to war on a large scale. The difficulties of obtaining additional help have been even greater."

Some of the large exchanges have been more than swamped with long distance business. In Washington, D. C., for example, the increase was 275 per cent; in Dayton, O., 385 per cent; in San Francisco, 395 per cent.

All exchanges in the Pacific Northwest have proportionate increases in traffic which causes delays in reaching those points. One of the causes of delay is the subscriber who continually calls the operator to hurry up the connection. It would be of great help if the subscriber will wait until the operator has done an outstanding circuit to complete the connection."

In spite of increasingly poor service, certain to result from such conditions, customers have been accepting it cheerfully, the telephone manager said. "It takes three times as long now to put through long distance calls. Families who never had phones before want them now, and equipment is not available. In spite of all the difficulties of operation, the war production board has informed us that the industry has done an outstanding job in cutting down its requirements for critical metals and at the same time maintaining our essential service to the public."

JOE TOBIN ATTENDS FUNERAL OF BROTHER IN MONTANA Joe Tobin of Oakland, Calif., was in Genesee Wednesday on his return from Outlook, Mont., where he attended funeral services for his brother, William Tobin. He was met in Spokane by his sister, Miss Alice Tobin of Lewiston, and a cousin, Wm. Maloney. Another sister, Mrs. Henry Lorang preceded them to Outlook.

From the Great Falls Tribune is taken the following: William Tobin, 58, prominent Outlook, Mont., farmer, and William Wirtz, Jr., 14, of Outlook, who was employed at the Outlook area, he was killed at the farm last night (August 25) by sewer gas.

The pair were attempting to repair a sewer drain. Indications were that the boy first went down into the cesspool and was overcome by gas. Tobin apparently died in an attempt to resuscitate him.

The second step of the sewer ladder was broken, indicating that Tobin was probably overcome just before completing the repair. Harvest employees at the farm used a grappling hook to recover the bodies which were found shortly after the accident by Mrs. Tobin.

ALFRED GEHRKE IN AFRICA

NEARLY YEAR IN SAME PLACE Alfred Gehrke, with a air transport group in North Africa, writes: "Dear Pete: "Nothing ever happens around here so I must write anyway. It has been some time since I last wrote to you. If I was going to wait until I had something to write about I could just as well put up my pen, give the paper away and save some ink.

"I have been at this one place so long that it will seem like leaving home if I ever have to move again. I have been here since a few days after we landed away back last Fall. It will soon be a year at this place in North Africa. No wonder that after such a long time here a person doesn't seem right.

"So far I have been very well satisfied here and but for a few trips from one end of North Africa to the other I haven't been around much. When I do go I am always glad to get back as this is just about as nice a place as a person could want.

"It isn't as dusty as most places. We have water most of the time. At some places the water they get is hauled to them. Lots of fresh fruits (now it's grapes and peaches.) They have plenty of grapes as it seems we are close to the grape belt of North Africa. Therefore, there is plenty of wine, as you make it here. But I'll take water any day, even if it is worse than the water at Lewiston and Clarkston.

"No matter what part of North Africa you fly over you can always see some part that is like some part in the States. There are mountains, rivers, forests, farmlands, (yes, even a combine) vineyards, orange and tangerine groves, and lots of wasteland. The cities are the highest and best, but even they have some modern buildings. I still would like to see more of Africa, especially the eastern part of it. I may be able to see it, one never knows.

"One thing did happen while here. I went up one step farther. They finally give me one more stripe. I haven't got any, but at least I am a sergeant now.

"I sure would like to be back here in good old Genesee. I can almost smell the harvest dust, and the oil fumes from the 'cats.' It sure will be swell to get back there on the farm again. I won't have any sergeants or higher-ups saying to do this, or don't do this or that.

"Say, Pete, many thanks to the Legion and you for the News. I enjoy it more than ever. They are coming alright. I wish I could run across some of the Genesee boys here in North Africa, but so far, no luck. I guess we just don't get to the right place at the right time. We'll have to have a big reunion when we all return and exchange years of experience.

"Greet all my friends for me, please. "Alfred."

KEN TAYLOR IN SICILY

Miss Gladys Taylor, operator for the Pacific Telephone company at Lewiston has seen her brother, Kenneth Taylor in a news reel made in Sicily during the recent invasion and occupation. She saw the picture once and believed she saw her brother, Kenneth, and returned a second time to be certain.

Kenneth is with one of the famous old U. S. infantry regiments, and has been overseas since last November. In the newsreel Kenneth was on a detail receiving captured equipment of the Axis.

"Boot" training is over for Charles Herman and Ralph Anderson, and they are home for 15 days from Farragut Naval Station. Both boys without the rigorous war training and look in prime condition, but are shy at the table if beans are served, which they probably are not. The boys both said they got through "boot" camp in fine style. Charles will now try for radio and Ralph wishes the source of information branch, both of which require additional training.

Statement to Telephone Users

PERHAPS you have noticed that at times your telephone service has not been quite as good as in the past. This is due to two things. First, an actual shortage of help, and second, many new, partially trained employees are working on our switchboards. We believe this condition prevails in all business houses and, like other business men, we appreciate the patience and cooperation given our employees by nearly all of the public.

desire the job can be permanent and advancement in pay and responsibility is regular.

Telephone companies have been handicapped as rates and wages are virtually frozen and neither can be increased except through long processes before a number of government boards. This condition has been an added hardship as it has increased the difficulty of securing enough help and expanding facilities to meet the increased service usage. It may even become necessary in some of the smaller communities to curtail the hours of service.

Communications are an absolute necessity in the production, transportation and distribution of war materials, food and other essential goods. Women, married or single, are badly needed to help carry on this branch of the war effort. If you are not now working in an essential industry, get in touch with the nearest Interstate Telephone Company exchange and find out how you can help carry on the home job doing pleasant work in comfortable surroundings. If you

Your continued patience and cooperation will be appreciated and assistance in securing additional help, either part time or full time, will improve your own service as well as that of your friends, neighbors, and producers of the goods necessary to the winning of the war.

TRAVELS CIRCUIT OF LONG AGO

Mrs. Wm. Smolt, who visited her niece, Mrs. Ray Kennedy, and family in Moscow, from Friday until Sunday, accompanied the Kennedys and another, niece, Miss Christiana Lorang, of Spokane, on a trip to Troy, Kendrick, Juliaetta and Lewiston. This trip, made by car, recalled experiences of early days when Mr. Smolt was engaged in making cigars, and occasionally visited the towns mentioned to call on his customers. The trip in those days was made by team, but by starting early in the morning, they often traveled to Lewiston and back in a day, or to Troy. When they made Kendrick it was usually an over-night journey.

GENESSEE VALLEY NEWS

Coming to Genessee 52 years ago, Mrs. Smolt was accustomed to the level country near her home at Fundlac, Wisc. Traveling down the grades to Lewiston and Juliaetta required courage, but as years passed she became accustomed to the hills which first looked like mountains. Traveling by car today one does not notice the grades, she remarked, and the distance that may be covered is almost unbelievable. She enjoyed the visit and trip with relatives very much.

GENESSEE VALLEY NEWS

The weather man got in some dirty punches again and delayed harvest, but it was resumed Wednesday. A lot of pea sacks were taken out of the fields during the interim. Bombers are doing a lot of observing over the pea fields every day. Nothing very exciting, but we are thankful we can work and be able to keep the food basket full so there will be enough to send to the starving people of the world. Do we count our blessings enough? Two Farmers

One took his farm to bed with him each night.

He wished he hadn't put in so much wheat.

He wished he'd raised more hogs and steers for meat.

Those turnips? Was that some new form of blight?

The peas? His crop was going to be too light.

If no more rain should come, and summer's heat

Should ripen it too fast. He must complete

The spraying while the weather was just right.

The other left his farm outside instead.

He did the best he could with it, and when

He got into his bed, he went to sleep.

"Farming's a partnership," he often said.

"I plow and plant, I spray and hoe, and then

God does the rest, until it's time to reap."

Grows Big Onions

Three onions, one measuring 15 inches in circumference and weighing 24 ounces, were presented to The News office Thursday by John Elkum, the grower. They are of the Sweet Spanish variety, and while not similar to roses in odor, they are known to be good eating, judged by past experiences. Mr. Elkum says he doesn't care for onions, but merely enjoys watching them grow.

- FOR INVASION

Put a circle around the date—Thursday, September 9th. For that's the day the 3rd War Loan Drive starts.

On that day, you will be asked to go the limit to back our valiant fighting men. You will be asked to do your share in the greatest invasion the world has ever seen. Answer your country's roll call!

Your part is to back this invasion by investing in at least one EXTRA \$100 War Bond in September. That's in addition to your regular War Bond purchases. Invest more than \$100—a lot more—if you possibly can.

The job is big. Everyone must do his share if we are to put this drive over the top.

War Bonds are the safest investment in the world. For your own sake, for your country's sake, put every spare dime and dollar in War Bonds during the 3rd War Loan Drive.

RON HUFFMAN MARKING TIME WAITING FOR MOVE ORDERS

Ron Huffman, stationed at Camp Leonard Wood, writes:
"Dear Pete:
"Since this is Sunday and I have a little time to myself I thought I would drop you a few lines. I was going to write a month before I got my furlough but I couldn't find time."

"I got back to camp a few hours late on my furlough but I was not missed so everything was all right. I wish now I had stayed a couple of days longer. "The few days I had at home went by like hours and now, looking back, it doesn't seem as if I even had one. I am ready for another already."

"I would give anything if I were home working; from the sound of the paper harvest is really getting under way. The old warehouse would sure look good to me for a few months."

"We have started on a new phase of training now and they really keep us on the go. Last week we took part in the state fair in Springfield. It was nice to get away from camp for a while. Everyone in the country put on a clean pair of overalls and took in the fair."

"They talk as if we may be sent to a new camp in a month or so. Some say Camp Lee, Virginia, and some say it will be a camp in California. I sure hope it is the west coast but it will be my luck to go farther east."

"When I got back here I found that Wayne (Bershaw) had left me here to suffer by myself. He is a lucky guy to get out of this hole. If you have his address I would like for you to send it to me."

"Say, Pete, tell Cap Haymond that I haven't seen Bob Lough yet but I will try and find out from Bob what Cap wants to know, next week."

"I wish to thank you and the Legion for the paper. It sure helps a lot."

WAYNE BERSHAW AT SCHOOL ADDRESS AGAIN CHANGES

There is no telling where Wayne Bershaw is at the present time for he has been sent back to Iowa since the following letter was written late last week. His most recent letter follows:

"Dear Pete:
"Hello, Pete, they finally got me on the move. Thought I better write and tell you what's up. I left Ft. Leonard Wood August 5, my destination being University of Wyoming. Am here taking my pre-basic courses in engineering under the army specialized training program."

"From all indications they are training us for post-war work. We are studying engineering courses in foreign languages and systems as well as in English."

"I received the News today and not knowing how you got my address I am going to give it to you. I was supposed to be here for only a short time until being reassigned to a permanent school, but it seems as though my stay has been lengthened considerably. As soon as pre-basic is completed I will go to any college or university in the U. S. Many are going to schools such as Boston College, Harvard, Michigan, etc., and many are on the west coast. I'm hoping I'm next on the list for a west coast school."

"Upon arriving here all ranks were bused to private, and then we were all made cadets. Basic and advanced training is designed to last a year and then after that we go to OCS for four months, so it looks like I'll be going to school for some time."

"It's rather hard to study again after not looking at a book for so long a time, but it really is a vacation after doing all the marching and etc. we did in the infantry."

"The University of Wyoming is a beautiful place. There are 2500 service men here now, including the navy pre-flight students. The campus is practically taken over by the army and navy. A civilian is rather a rare sight here."

"I never realized the army would offer such opportunities to its enlisted men. It's really swell and I'm tickled pink to know I get to go on to school, and above all, free, and getting paid for it too. Never before did I ever hear of such an opportunity."

"Pete, I want to thank the Legion and you for the paper. It's wonderful to read what's happening in Genese. "The only disadvantage here is that we are 8200 feet above sea level. The air is awfully thin and for that reason, Pete, I'm all winded and will have to close for this time."

"Hope this letter finds everyone in Genese real well. I'll say goodbye for now."

"Wayne."

RYN EVANS COMMISSIONED

RYN EVANS COMMISSIONED BY WAVE, CHICAGO
Miss Wyn Evans, former member of Genesee high school faculty, as instructor in science, has received a commission in the WAVES, and is now in Chicago. She writes:

"Two weeks since my last Genesee arrived, and still I didn't get to you that I was being moved. I would have been little use till now yesterday I acquired an address that will be good for at least two weeks, then I won't be moving far, I will drop a card to let you know it will be. Perhaps you'd better send the paper till then, much as I miss it. The address then should be good for nine months, during which I will be studying at the Naval Engineering School at the University of Chicago."

I received my commission August and also eleven days' leave, as our work here was not to start till September 4. I immediately packed my gear and left for Idaho. After four days' school weeks seemed longer than eight in some respects, although the work there seemed short enough. The wages wrought in one, psychologically, though, were great and the work very intensive."

"I do not know what our program will be but it promises to be interesting work and in an atmosphere of the intellectual. Our quarters are pleasant but temporary, as the navy will have something ready for us by the 15th or 20th. We will be only a block from the building where our classes are."

"The campus is huge and seems to be taken over pretty well by the army and navy. There are many soldiers here and also many sailors. There are also classes for the special training of naval officers in which up twenty-one WAVES are included. We seem to be somewhat of a curiosity, even to Chicagoans, who stop and stare at us, some even stop on the street to ask what we are."

"Today my roommate and I attend services at the Rockefeller Memorial Chapel on the campus. It is a fairly modern building, chiefly because of size and time tower, which played half an hour before services started. It was sort of a bacalaureate for candidates for degrees from the inner session."

"I am looking forward to getting the News again, and will let you know more about this set-up later."

"Olwyn."

COMPLETES BASIC TRAINING

From the Public Relations Office of the Sixth Army Air Forces Flying Training Detachment comes the following:
Aviation Cadet Gustave Rosenau, 23, has just completed the army's primary flight training course at Thunderbird Field No. 1, Glendale, Arizona, and has now commenced his basic flight training at another air field."

Aviation Cadet Rosenau, the son of Mr. and Mrs. G. D. Rosenau, of Genese, Idaho, is a graduate of Genese high school, and had completed three years at the University of Idaho. When he entered the armed services on Jan. 25, 1943, at Santa Ana, Calif., he was employed at the Rosenau farm near Genese. He recently married Miss Mona Myers of Genese, a graduate of the University last spring. She lived at Phoenix while the cadet was at Thunderbird Field."

To the People of this Community: PLAIN WARNING TO YOU!

Here is a plain warning for you. This war will last until 1949 or longer if the home front fails to back up our men in battle!"

Frank Knox, Secretary of the United States Navy. Buying War Bonds to the point of temporary personal sacrifice is the most direct way you can comply with Secretary Knox's appeal. "Temporary sacrifice" is the correct phrase because you are only lending your money when you buy War Bonds. This government which never has defaulted on an obligation will pay you back \$4 for every \$3 invested if you hold the bonds for 10 years."

The least you can do is to back the attack with War Bonds today. Buy extra Bonds above your normal Bond buying.

WAYNE BERSHAW AT AMES AS ARMY ENGINEER STUDENT

Wayne Bershaw, who took his basic training at Ft. Leonard Wood, Mo., and was sent to Laramie, Wyo., for reclassification, is now at Iowa State University, Ames, Iowa. His letter follows:

"Dear Mr. Pederson
"I found out when this army once starts moving a guy around, they don't stop until they are definitely satisfied. Here I am again only in Iowa this time."

"I arrived here last Friday night at midnight. Classes start here at Iowa State College Sept. 13. Until that time we are more or less taking it easy. Classification and more aptitude tests are scheduled for today. After today is over we will know just where we stand."

"Iowa State has an average enrollment of 7,500 students. Thirty-five hundred of them this year are service men, 2800 sailors and 700 soldiers. The navy has an average of 1200 men here who come directly from reception centers to receive special training in diesel, mechanical and electrical engineering before they even go to boot training. The rest are older service men who are taking up some more technical training and there are also many pre-flight students here."

"They are going to push two years of college at us in 9 months, which constitutes the basic training program and then another two years in another 9 months to take care of the advanced course."

"Iowa State has a very high academic standard and it looks like there is some long, tough hours ahead, but it's well worth it."

"I suppose by this time the harvest in Genese community is well under way. I wish I was there to be in on it. We have had quite a bit of rain here, and the early mornings are chilly, with a heavy fog each morning. Won't be long until the snow starts falling from the north."

"Well Pete, I've written more than I planned. Was mainly a change of address notice so I can receive that missed the few copies which as yet haven't caught up with me."

"Will close, sending greetings to all my friends in Genese."

Wayne."

NEW WAREHOUSE ADDITION

Warehouse space in Genese is now taxed to the limit, and it has become necessary to build an addition at the east end of the big sack warehouse. The addition extends 80 feet, and is 54 feet wide. The roof will be the same height as the present structure. Carpenters are now laying the first floor of the new addition, and when the second floor is laid, piles of peas will be placed, and the sides and roof will go on. Construction of the addition is the same as the old sack warehouse, and is being built under supervision of Lloyd Esser."

Attend L. L. Convention
Misses Norma Jean Lieberg, Mary Emerson, Ingle Densen, LaVonne Densow and Leo Heppner and Rev. T. M. Gebhard attended the Northwest District Luther League convention at Pendleton Saturday evening, Sunday and Monday. LaVonne Densow read a paper at one of the sessions and the Genesee Lutheran League was awarded the reading course trophy for the third year in succession. The young people returned to Genese Monday evening.

IN ARMY NURSES CORPS

Miss Mary Kathleen Busch, daughter of Mr. and Mrs. C. P. Busch, who enlisted in the army nurses corps two months ago was called for service last week and will be stationed at Camp Beale, Calif. Miss Busch is a graduate of Sacred Heart Hospital in Spokane, and prior to entering the service was office nurse for Dr. E. G. Barnett, Spokane. Her address is 2nd Lt. Mary K. Busch, A. N. C. Station Hospital, Camp Beale, Calif.

Motorists on the North and South highways noticed smoke coming from the barn about 7 o'clock am notified Dr. and Mrs. Magee, who in turn sent in an alarm to Genese. Dr. Magee hurriedly released the dairy cows and calves in the barn. The emergency chemical tank was sent out from Genese, and the pumper was also dispatched, but no amount of water or chemicals could have saved the barn, although the water available permitted men to enter the burning barn. A smoldering fire was located at the south end of the building, and boards were removed to extinguish the fire as it was located. Men then pitched several tons of hay from the barn, and when the fire was further discovered there was no chance to save the barn."

About 100 tons of chopped alfalfa hay were placed in the barn during the early summer, and later about 45 loads of loose alfalfa hay were put on top of the chopped hay. A few weeks ago it was noticed that the chopped hay was heating, but during the cooler weather, and after some precautions were taken, the heat subsided, but became very noticeable Sunday and Monday, two warm days. Men who entered the barn where the hay was stored thought for a time that the smoldering fire was localized at the south end of the barn, but as they worked it became evident that the fire was spreading in the chopped hay. An attempt was made to induce chemicals and carbon dioxide through a pipe into the hay, but it was so tightly packed that this procedure was unsuccessful."

When the covering of loose hay was moved, the fire was found to be burning in the cut, and after spring-toothing, and spike-toothing the ground was ready for seeding with hardly any straw visible," writes J. M. Rabdau, of the soil conservation service. The stubby moldboard plow takes less power than the full moldboard and it goes deeper at the same draft. It is recommended that stubble moldboards be used in plowing grain stubble or in plowing pea stubble where land is to be held over for a second pea crop. To change your plow over to a modified moldboard simply remove the moldboard and bolt on a piece of steel made out of old plow share or boiler plate, etc. An acetylene cutting torch will do the work. Drawing of how conversion is made are available at the Genese Soil Conservation office. Stubby moldboard plowing will give the appearance of poor farming, but you will like the results obtained."

DEMERES FLYING IN FLORIDA
Earl Demers, now a second lieutenant in the Marine Air Corps, writes the following from Ft. Lauderdale, Florida:
"Dear Pete:
"Just a line to let you know of a change in address. I am now at my operational training base, and hope to be home in a couple of months. "If like it fine here. It sure beats Texas; at least we have green grass."

"I wish to express my thanks to the American Legion and also the Genese News for the paper I have been receiving. I really enjoy reading it very much. Thank you."

"Earl."

Address: 2nd Lt. R. E. Demers, U.S.N.A.C., J. O. Q. Ft. Lauderdale, Florida

Emergency Navy Simplified procedure for obtaining emergency leaves for recruits at this U. S. Naval Training Station, the largest in the West, which will speed up the process, is being put into effect.

Parents or wives are requested to contact the nearest Red Cross chapter in the event of serious emergencies which may necessitate the recruit's presence at home. The local Red Cross chapter will wire verification of home condition to the Farragut Red Cross Field Director. The latter will then turn over the information to the regimental commander who will decide whether to grant emergency leave or not.

This method will reduce the number of telegrams sent as well as hurry up the process, enabling the man to get home sooner.

ARRIVES IN ENGLAND
Tech. Spt. Lloyd Qualey is now in England, according to a Mail letters received by his brother, Chet, and his sister, Mrs. Jack Nebelsieck. Letters from home and friends will be welcome, the letters state. His messages were brief.

RESOLUTION OF EXPENSE AND TAX LEVY FOR THE CITY OF GENEESE, IDAHO, FOR THE YEAR 1943-1944.

WHEREAS, the probable amount of money necessary for all purposes to be raised by the City of Genese, Idaho, for its maintenance and expense, for which appropriation is to be made for the fiscal year 1943-1944, beginning May 1, 1943, is by funds as follows:

General Fund \$2,180.00
Street Lighting Fund 1,090.00
Streets, Sidewalks, Maintenance 1,000.00
Fire Department 218.00

Therefore, Be It Resolved: That a levy of 10 mills be made for the General Fund; a levy of 5 mills be made for the Street Lighting purposes; a levy of 5 mills be made for Maintenance of Streets and Sidewalks; and a levy of 1 mill be made for the Fire Department; thus making a total of 21 mills on a taxable valuation of \$218,080.00 on the City of Genese, Idaho.

Resolution offered by Councilman Herman was read in full by the clerk; passed by roll-call vote of the three councilmen present; signed by the Mayor and Clerk and ordered published in the Genese News in accordance with the regular meeting of the Genese City Council and the proceedings thereof, of August 2, 1943. J. W. Emerson, Mayor. Approved: William H. Herman, Francis Uhre, Lloyd Esser, Councilmen. Attest: David G. Kuehl, City Clerk.

Week-end guests of Mrs. George Follett were her brother, George Raymond of Spokane and niece, Mrs. Charlotte Gilles, and son, Mr. and Mrs. Gilles and son recently moved from Minnesota to Tacoma, Wash.

In Genese Independent School District, No. 2, Latah County, Idaho. Notice is hereby given, That the annual school meeting of Genese Independent School District No. 2, County of Latah, State of Idaho, will be held on Tuesday, the 7th day of September, 1943, at the Genese Public Schoolhouse in said District, and the polls at said election shall be open between the hours of 1:00 o'clock p. m. to 6:00 o'clock p. m. on said day. That at said meeting the following business will be transacted:

1. One trustee to serve for a term of three (3) years to be elected.
2. One trustee to serve for a term of three (3) years to be elected.
The name or names of all candidates for election of Trustees, together with the term for which nominated, shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election.

That the election at said meeting will be by secret and separate ballot. Dated this 8th day of August, 1943. MAILTON DOLETT, Clerk of Independent School District No. 2, Latah County, Idaho.

Farmers are not enjoying a vacation as rains continue to delay harvest. The pea crop is three-fourths completed in the Genese territory.

Party for Mrs. Sweeney
Mrs. Clinton Herman entertained with a party last Thursday afternoon for Mrs. Michael Sweeney, visiting here from Los Angeles. A surprise handkerchief shower was given Mrs. Sweeney by Mrs. Anna Hanson, Maurine Luedke, Mrs. Chas. Int. Mrs. Glen Mayer and daughter; Mrs. Nell Sweeney and daughters; Mrs. Ed Morken and children; Mrs. Lena Herman, Mrs. Wm. Heinrich, Mrs. Lloyd Esser, Mrs. Ray Trautman and Ver. Anita. Unable to attend but sending handkerchiefs to Mrs. Sweeney were Mrs. Lew Jain and Mrs. John Luedke. The hostess served luncheon at the close of the afternoon.

"PROSAIC" JACK HAMMER
One of the top bucking horses in the Lewiston round-up this fall is reported to be Jack Hammer. The story is out that the beast is from the Genese country, where it was leading a prosaic life before being discovered by George Hanna. The part about George Hanna is correct, but Jack Hammer's life was not "prosaic." Sufficient proof that the horse's early life was anything but uninteresting is provided by his size, and utter dislike for anything on his back. Why, the horse's owner was Gunder Hammer, who came direct from Hell to the United States, a town in Norway not far from Lillehammer.

Ed Zellerhoff Leases Foot Ed Zellerhoff, 17, formerly of Uniontown, and well known in Genesee, was the victim of an accident which tore off his foot. The accident took place at the Mike Mulalley farm late Sunday afternoon. Walter Mulalley was trying to clear out pea straw which had clogged the combine, with Ed assisting him on one side. Walter called to Ed that he thought it would go and started the machinery. The youth misunderstood and kept turning the sprocket and his foot caught, tearing it off at the ankle joint. He was rushed to the Gritman hospital. His parents at Tacoma were notified.

Old Sol never looked better to farmers than in the last few days when grain dried out and harvest was resumed. Some small farmers have finished but it will take most of September to complete all harvest operations.

Guests of Mr. and Mrs. Ed Morken for dinner Thursday were Mrs. Lena Herman and Mrs. Mike Sweeney and children.

Spontaneous combustion of alfalfa hay destroyed the barn and more than 100 tons of hay at the C. F. Magee farm Monday evening. Neighbors assisting, saved some of the milking equipment. The barn was insured but no insurance was carried on the hay. A son was born to Mr. and Mrs. De-Loe Odenberg Tuesday morning at Pocatello.

Mrs. Ernest Thompson and Lucille, and Lt. Bernard Otness and father of Moscow spent Wednesday at Gilbert Smith's. Lt. Otness is a technical photographer in the army air corps in Iowa and was home on leave.

FIFTH UNITED STATES INFANTRYMEN, whiskered veterans of Indian wars, helped capture when east and west lines of the Northern Pacific Railway were joined in Gold Creek, Montana, September 8, 1883. This original line was the first of the northern transcontinentals, destined in later years to become nationally famous as "The Main Street of the Northwest."

BOON BROTHERS, organized by Theodore Roosevelt in 1898 to fight the Spaniards in Cuba, included many cowboys and frontiersmen from western North Dakota, where "Teddy" had ranches in the '90s. As they traveled the Main Street of the Northwest, they saw a country vastly changed from the wilderness through which Northern Pacific tracks were pushed fifteen years before.

"UNITED STATES VOLUNTEERS", organized for the purpose, traveled the Northern Pacific in 1899 on their way to fight in the Philippines, where Aguinaldo had declared war on the United States. This year of 1899 saw tremendous increase in sales of Northwestern land to individual settlers, was the busiest and most prosperous twelve months the Northern Pacific Railway had experienced since its birth.

BOONBROTHERS OF WORLD WAR I, alert western lads from forests, orchards, mines, farms and factories of the Northwest, rode Northern Pacific trains in 1917. Their Northwest had grown up since Spanish War days. Population had increased 50 per cent. Livestock values had more than tripled. Revenue from farm crops had jumped 448 per cent. And the output of manufacturing plants had spiraled from \$390,000,000 a year to \$2,618,575,000!

TODAY, soldiers, sailors and marines, as never before and, God willing, never again, are moving east and west on the Northern Pacific to fight our country's enemies all over the globe. More than 3,500 Northern Pacific men and women have joined them in the armed services. Our remaining employees are serving vital war needs by rushing men and materials where they are needed—and keeping war plants supplied with vital materials.

THIS IS OUR 60th ANNIVERSARY BUT WE'RE TOO BUSY TO CELEBRATE

We would like, this month, to celebrate the Northern Pacific Railway's sixty years of service to the Northwest. The record of this railway tells a colorful story of achievement in helping turn a wilderness into a proud and prosperous empire. But 1943 is no time for celebration of past accomplishments. We're much too busy doing the biggest job we've ever had. For the duration, therefore, we'll keep the troops and the long freights rolling along the Main Street of the Northwest—and save celebration for the day peace comes again.

THIRD WAR BOND CAMPAIGN IS FOR 15 BILLION DOLLARS

Ultimate victory depends not only on the number of men and women in the service, and their willingness to sacrifice their lives, but on those who have funds to invest in War Bonds to furnish the equipment for those who are fighting the battles of the way of money and security. The privilege of being permitted to remain at home and follow usual vocations while the cream of the country is on the far-flung war fronts or preparing to enter actual combat, makes one wonder if the lot of those at home is not pretty easy. It must be remembered that the government is not asking your money as donations, but is merely asking you to loan it money at a good rate of interest. There is no sacrifice when one buys War Bonds, but there is sacrifice, and plenty of it, by the men who face cold steel in battle against the enemy.

Men and women in the service are investing part of their pay in War Bonds, buying a bond or more each month to help finance the war they are willing to fight, so we as civilians, owe it to our defenders to furnish them with the necessary equipment. A War Bond is just as good as any other government note, and increases in value each day, and a War Bond is equivalent to money in the bank or wherever it may be.

The Third U. S. War Bond campaign, calling for 15 billion dollars is the greatest financial undertaking undertaken by our government, but it is coming when people, for the most part, are able to meet the demands of war and its successful prosecution. The present campaign is a test of real Americanism and patriotism, and the final outcome will be watched by our enemies, the same enemies who do not merely ask their rank and file to loan them money, but take what they produce, and force labor to work at wages that Americans would consider insulting. Our income taxes, while higher than normal, do not approach the taxes of other allies, and naturally, the amount invested in War Bonds will tend to hold down taxes and prevent inflation. By investing in U. S. War Bonds we are not only safeguarding our freedom, but we are

erecting a bulwark for our future prosperity.

Financing the Third War Bond campaign is our job, the responsibility and privilege of a free people, a loan that means ultimate victory, and assurance to all our young men and women that we appreciate the sacrifice they are making.

World War II is something like a baseball game. The Axis have had their inning. We have two strikes and Italy, but that country is not out of the game at yet. Murderer's row, Hitler and Tojo, are next up, and it will take some good pitching to get them out. Just like the spectators at a ball game, we must pay to look on, and the kind of a game our men play depends on the gate receipts. The fellows who sneak into the game are not of much assistance. Everyone who must pay his own way, and when we win the pennant there will be time for rejoicing. The game is being played, rain or shine, and the boys in the outfields of New Guinea, the Solomons, Burma, China, Italy and elsewhere will feel a lot better of they cheer them with bond purchases. Old Mussolini was benched for a pinch-hitter, but his successor couldn't stand the pitching of our air forces, army and navy. Be certain that we have enough balls to finish the game. Buy U. S. War Bonds.

HARVEST HERE NEARING END WITH WEATHER FAVORABLE

With about ten days of interruption during harvest the weather continues favorable, permitting remaining crops to be harvested before the shorter days there are more machines available for custom cutting, and it now looks if all of the Genesee crop will be harvested before the rains begin. There are a few fields, some of them fairly large, as yet uncut, but some growers have as many as four machines in operation. Yields are not as good as in 1942 but the greatly increased acreage is making up for the loss. The total tonnage of grain is estimated to be about 100,000 tons. Elevators and warehouses are bulging with the 1943 crop, and many farm elevators and bins are filled to overflowing. Farmers are eager to place their grain in storage. Dried pea buyers are contacting Genesee growers and the price of peas generally quoted is around \$4.65 per hundred, federal grades, which is less than a cent under the government price. The entire crop is now being marketed. The difference in handling, cleaning and storage. Considerable speculation is being done in the market. The state department has not yet made a check has not been undertaken. It is expected that the price of peas will be around \$4.65 per hundred. The price of peas is expected to be around \$4.65 per hundred. The price of peas is expected to be around \$4.65 per hundred.

CHRISTMAS FOR SERVICE MEN MEANS MAILING GIFTS EARLY

Christmas is coming at the same old time, but the postoffice department announces that now is the time to begin mailing gifts to men and women overseas. Packages for the army and navy should be mailed by September 15 to October 15, and to the navy overseas from September 15 to November 15.

Regulations are that packages must not exceed five pounds in weight. They must not be more than 15 inches long. The combined length and girth must not exceed 36 inches, and no more than one package by one person to the same service man may be mailed in one week.

Christmas gifts, like other mail, are subject to examination and censorship, and packages should be wrapped so they may be opened by the postoffice. Packages should be packed in metal, wooden or solid fibreboard cartons or boxes. Don't send perishable goods, don't send anything breakable, don't send anything inflammable, don't send sharp-pointed articles unless they are securely protected and wrapped, and don't send anything that is prohibited by the department. Parcels should be packed in metal, wooden or solid fibreboard cartons or boxes. Don't send perishable goods, don't send anything breakable, don't send anything inflammable, don't send sharp-pointed articles unless they are securely protected and wrapped, and don't send anything that is prohibited by the department.

FLOYD HEPPNER IN SCHOOL FOR AIR CORPS MECHANICS

Floyd Heppner, air corps mechanic who has been to school at McClellan Field in California, before gets an advanced course of training. On his prior sojourn at McClellan he got the second degree of basic, but he may have better luck this time. He writes:

"Dear Pete:

"Must drop you a line again to let you know my change of address. Our squadron was moved to Santa Maria, but I beat them to the punch. There were 23 of us from 808 sent her on detached service to go to school. I am going to take about a month this time. Have an eight-week course. Will start school in the morning at 8 and go until 3. That part won't be bad at all, but it is not nearly as bad as the rest of it.

"If you remember I was here the last part of May and until a couple of days in June. I am right near the same place, but our school is across the highway and railroad tracks. The air depot is on one side of the road, and the casual and school detachments are over here on this side. The school has a general over this field, and he has set his own rules and almost made them laws. We even have to salute cars, that is, all staff cars. Our lieutenants told us this morning to salute them whether loaded or not. Sounds foolish to salute a car, but I guess he thinks it's his orders and they are to be obeyed.

"Our lieutenant also told us this morning we were supposed to have been from the best group at Santa Maria. We don't know if he was trying to sabotage us, or if it was just a rumor someone had spread.

"Guess this is all for now, as I really don't know how the school is. Thanks for the paper, to you and the American Legion.

"Floyd."

BACK THE ATTACK with WAR BONDS

The sooner this war is over, the sooner the men in uniform whom you know will be back home . . . and the more chance they have of surviving. The war bonds you buy tangibly help win the war . . . but you don't give the money they cost to the government . . . it's just a loan that will later be repaid with interest.

Uncle Sam asks that we finance the third War Loan . . . and it may pinch us individually to spare up the necessary coin to buy an extra \$100 bond in September . . . but it's not much to ask in the name of FREEDOM and the safe return of American Boys!

Due to the fact that all of the students are not at school yet, our staff for the Bulldog's Pen is not fully organized. Three students, LaVonne Densow, Norma Broemeling and Norma Liberg, volunteered to write it until the full staff is chosen. School has opened with an enrollment of 125 students. It has the appearance of a girl's seminary for the first time. Some of the students are still working in the harvest, but the majority have returned. The new teachers and students are acquainted with the students and the students with the teachers. Band rehearsals, chorus and physical education are to start Monday. The "fresh" have the largest class which worries the "soph's" a trifle. On the whole we got off to a fairly good start and hope we can keep it that way.

Introducing Mr. Stedje. In our first writing of the Bulldog's Pen for this term we would like to feature our new science teacher, replacing Miss Olwyn Evans, at Genesee high school, Mr. Raymond Stedje. Mr. Stedje was born August 11, 1921 at Kensington, Minn., where he received both his grade school and high school education. He attended Concordia College at Morehead, Minn., where he majored in biology and his minor was German. He worked on the school paper, "The Concordia," and was circulation manager. He worked at Tacoma, Wash., before coming to Genesee to teach his first year. He teaches pre-induction, chemistry, general science, algebra and biology.

Mr. Stedje's opinion of the Genesee school and community is: "I like the free and the cooperation of the Genesee people. The Genesee school is a progressive educational institution and a school which might be looked up to by other educational institutions in this vicinity."

79th Birthday Honored. Henry Martinson was honored on his seventy-ninth birthday Wednesday when his daughter, Miss Esther Martinson invited several for a coffee party in the afternoon. Present were Fred Nagel and niece, Miss Frieda Hermann, Mrs. H. J. Martinson, Miss Mary Larkin, Mrs. W. W. Burr, Mrs. Art Springer, Mrs. Belle Hanson, Nels and Ingle Swenson and J. P. Michaelson of Lewiston. A birthday cake featured the luncheon served and Mr. Martinson received many birthday gifts.

Birthday Party. Mrs. Fred Connick was given a birthday party Monday afternoon by Mrs. John G. Meyer, Mrs. Marie Michaelson, Mrs. Walter Gohrke, Mrs. Martin Liberg and Mrs. Jack Nebel sick. The guests served a birthday luncheon and presented Mrs. Connick with gifts.

Sunday Guests. Sunday dinner and supper guests of Mr. and Mrs. E. W. Vanouck were Mrs. E. J. Hardin, Miss Glenmar Munier and Miss Elizabeth Fulton of Spokane; Mrs. J. F. Fulton of Seattle; Cpl. and Mrs. John Miller of Bridgeport, N. J. Mr. and Mrs. Pever Brazier and Mrs. Ray Johann and children.

MILDEW IN PEAS THIS SEASON COMPARES TO RUST IN WHEAT

From the Rosalia Journal is taken a news release relative to mildew in wheat which has been studied by agronomy and plant pathology professors at Washington State. It reads:

Mildew should not be taken for Near Walt which has also been found in the county this year, as it has an entirely separate fungus. The mildew seems to be prevalent in the later-sown peas and in low, damp places in a field. It is a fungus and is fairly comparable to rust in wheat in that weather conditions are a factor in its development. It is probable that the spores of this fungus are fairly well scattered and will be developed from time to time if weather conditions are favorable, and especially so, the late maturing peas. This would indicate that fairly early seeding would be the greatest means of damage protection. Apparently the mildew does not affect the quality of the peas themselves as usually development is not fast enough for the fungus to work through the pod and into the peas. However, the damage is caused by those affected peas by material shrivel at maturity. Vines ripen very slowly and while it is not definite that it is absolutely necessary, it is believed that it would be beneficial to mow the badly infested places, as the fungus will develop further on the mature vines and pods.

Dr. Anderson obtained quite a number of pods from the more seriously infested areas visited and is going to make a determination as to whether or not the fungus will be carried in the seed.

Earlier investigation along this line in other crops have indicated that the seeds would not carry the fungus. However, to make sure in this particular fungus in this area, a test is going to be made again. It was the belief of the men on this tour that yields in infested areas would be reduced as much as fifty per cent as compared with similar peas on areas not infested.

BACK THE ATTACK!

Genesee's quota of the 15-million-dollar bond campaign, is announced as \$50,000.00. That is all that the government, on behalf of the fighting forces, is asking local people to loan at this time.

The bond campaign may not fit in well with the season as many farmers have not sold their crops as yet, but with conditions being exceptionally good, your local bond committee will be glad to accept pledges. Men in charge of the campaign for the Genesee community are: Frank Densow, Harry Hanson and J. M. McCroskey. When buying bonds out of town, it is suggested that you have them credited to your home community.

Our fighting forces are attacking at many points in this global war, and while they are fighting our battles, they must depend upon people at home to supply ammunition and equipment. Buying bonds is no sacrifice, but a privilege of free people, and at this moment American men are giving their lives for that freedom of people at home.

Rejoicing in the fall of Italy, mild as it may have been by those not acquainted with actual warfare, left a feeling of depression to some others. If Italy had been given over to the Allies, lock, stock and barrel, and certain of no opposition, fighting men realized they were soon to go into positions against an enemy that is far from beaten. Soldiers and sailors knew they would soon have new objectives, with the enemy having the advantage of a shorter battlefield, and nearer the base of supplies. Our soldiers realized that the fighting was going to be more difficult, with the enemy established on familiar ground.

Testing the strength of the Japs at a northern outpost was costly in lives of American fighting men, and the battle being waged in New Guinea is not without its casualties.

While congress, the president, the manpower commission and draft officials are debating the drafting of fathers, American fighting men are meeting the enemy on many battlefronts. It would seem more logical if all countries would take fathers first, as generally, they have more at stake in the final outcome, but our fight is placed in the hands of capable young and unmarried men, for the most part. It is the young men who will win the war, men who have most of their life ahead of them. They have gained many of their objectives, but with each new objective, the assignment becomes more difficult, and the loss of men and materiel will increase. It's no pleasant task to face one objective after another, but our men are doing it, and we must help, simply by loaning our money. If we should lose the war, our dollars would be worth as much as sawdust, and if we are thinking in dollars and cents, invest in war bonds of our country, and "Back the Attack!" Be certain that we will win the war.

AND MONTANA MEN TAKE MOST OF MAGEE HERD

Sixty-six head of Guernsey cattle, at public auction Tuesday by Dr. Magee, averaged slightly over \$100 per head. This does not include calves dropped since the sales program were printed.

Buyers were present from Montana, Oregon and Washington, with Harlow of Thompson Falls, Idaho, purchasing 12 head. N. O. Sanders of Kayesville, Utah, bought 10 of the Guernseys.

Some of the Foothills, bred by Archie Bros., Cottonwood, and the purebred Guernsey to be purchased by Dr. C. F. Magee at \$140, for \$185 Tuesday to J. G. Beebe of Spokane. Considerable pride was shown in this 9-year-old cow, for the one that she was the dam of an 18-month-old heifer, Prince Regent's heifer, who sold for an even \$300, went to Mr. Sanders of Kayesville, Utah. He also purchased another of the offspring of Blanch of Foothills, Genesee Vera Valley, at \$100.

Mr. Harlow of Montana purchased Genesee Ada, a 2-year-old heifer for \$200, and paid \$205 for Vera's Bonnie, a fine Ridge. He also paid \$195 for a heifer out of last named cow for \$100.

John Hanson, Spokane was the highest bidder for Maid's Betty of Pine Ridge at \$205, and paid exactly the same amount for Don Alda Lad's Mollie and 10-year-old cows, respectively.

G. Ellenwood, buying for the Genesee Club of Coeur d'Alene, purchased Belle's Prince Regent, a young bull for \$155, and paid \$140 for Genesee Foremost Delight, a young bull. Bert Smith of Moscow was the purchaser of a young bull at \$150. Percy W. Winer, Genesee, purchased a young

bull still Carbuhn, owner and breeder of a purebred Guernsey herd at Genesee, paid \$160 for Genesee Queen, the third local person to make a purchase was Don Olson, who bought Genesee Maxine, a 3-year-old cow at \$100.

Mr. Corbett, Spokane, bought Polaris, a 7-year-old cow for \$250. J. O. Swales, Johnson, Wash., purchased Don Alda Hardwick's Bessie, a 7-year-old cow, at \$290, and took Genesee Vera Maxine at \$140.

Andy Keith, Spokane, was the auctioneer, with J. E. Meadows, Portland, and secretary of the Guernsey Association, reading pedigrees. Assistant sale manager were Emil Bohler, a Guernsey breeder of Potlatch, who also purchased one of the bull calves; and Randall, prominent cattle breeder of the Moscow area and Chas. Gabler of the University of Idaho. Otto W. W. of the First Trust & Savings Bank of Moscow, was the clerk. C. F. Magee, who was commended to hold the complete dispersal owing to his health and present ailments of all dairymen, lack of assistance and increasing feed costs, stated that he was well pleased with the sale. Conversation between dairymen at the sale was somewhat depressing, but after the first sale was sold, bidding was brisk, and bred breeders seemed to know that Guernsey lines they were interested in. Several head of the offering of Canadian origin, imported by Magee, and they were sought as blood in well-known American Guernsey families.

BUSCH-PAR

Miss Delores Busch, daughter of Mr. and Mrs. C. P. Busch, became the bride of Lt. Walter Par, son of Mr. and Mrs. Richard Par of Pullman, on Saturday, September 23. The marriage was performed at Sacred Heart church in Spokane and was followed by a reception at the home of Mr. and Mrs. Frank Nooney.

The bride wore blue with navy accessories and a corsage of pink and white roses. The bridesmaid was her sister, Miss Anna Mae Busch, who wore pink with a pink and white corsage. Sgt. Roger Fruci of Spokane was the best man.

Lt. Par left Tuesday for Texas where he is assigned to a tank corps. Unable to obtain traveling reservations Tuesday, Mrs. Par will leave for Texas at a later date.

Mrs. Par is a graduate of Genesee high school and of a business school in Spokane. Since completing school she has been secretary to the manager of the Furniture company in Spokane. Attending the wedding from Genesee were the bride's mother, Mrs. C. P. Busch, and sister, Mrs. Anna Mae Busch.

JOE KRICK IN MARINES

Joseph Henry Krick, 23-year-old son of Mr. and Mrs. Henry Krick, Genesee, has been inducted into the Marine Corps, and has left for camp at San Diego, Calif., it was announced this week by the Lewiston office of the Leathernecks.

He attended St. Boniface high school at Uniontown, Wash., and Genesee high, from which he graduated in 1940. Since leaving school he has been engaged in farm work.

LT. WAYNE HAMPTON IN DARK RESPECTING GOOD HEN FRUIT

Lt. Wayne Hampton, writing a V-Mail letter from England, inquires about "eggs" as advertised in the Genesee News. Well, about all we can say is that Kaders' and Folletts' buy them by the case and sell them by the dozen. An egg is the oval or roundish body laid by domestic poultry and other birds, tortoises, etc. It consists of a yolk, usually surrounded by the "white" or albumen, and is enclosed in a shell or strong membrane. Locally they come from hens of practically all colors, but they say there are not many who can tell which came first, the hen or the egg. Poultrymen get about 42 cents per dozen for them at Genesee, and most of them are shipped to larger cities and resold. They are used in the army camps in the United States for food, but sometimes soldiers speak of their tough kicks as "tough eggs." A sergeant has been heard to say, "Give him ten weeks on K. P., he's a bad egg," so definition of an egg is somewhat confusing.

Lt. Hampton writes: "Dear Pete: The Genesee News has been coming regularly. I received the July 30 edition after the August 6 number. Maybe some ships are faster than others. You and the American Legion are doing a great service in seeing that local men in the service get to read about what is going on in the home front.

"Genesee is very well represented from the looks of letters from different parts of the world. No matter how far away we are or how good we are treated, those letters show that Genesee and friends living there are on our minds. Even when I see a peach in a window marked 5 shillings each, I think of home.

"We have already been reminded of Christmas. It sure seems early to send Christmas gifts. Christmas packages sure take a beating, so the special care that was mentioned in the paper of wrapping them is good. I received a cake tin with articles inside last Christmas and it was in three pieces when I unwrapped it.

"You must be getting a lot of sunshine as we are not getting any here. I can't figure out how they can harvest a crop here when it rains nearly every day. The grain that I have seen is bound and then stacked. Maybe it will be used for feed. They mention in the local paper the need for farm help to harvest potatoes. I am looking forward to future papers in reference to finding out how crops of peas and wheat in Genesee turned out. Do thank you again for the Genesee News. What is that 'E-g-g-s' advertised in the News?"

Maybe Wayne is not getting the usual American breakfast, with eggs.

Green's Here on Visit

Storekeeper 3-c Stanley Green, stationed at Norfolk, Va., was met in Spokane Saturday by his wife and daughter, Jacqueline, who arrived in Genesee Friday from Oakland, Calif., by his parents, Mr. and Mrs. Dick Green, his sister, Mrs. Lawrence Herbert and son Melvin, and uncle, Chet Qualey. Stanley has a week's leave at home and his wife and daughter will make an extended visit.

In honor of Mr. and Mrs. Stanley Green's visit, Mr. and Mrs. Dick Green entertained for dinner Sunday those who made the trip to Spokane, and Mr. and Mrs. Jack Nebelsieck and son, Gary, and Mr. and Mrs. Bert Wishard.

GENESEE NEARS OBJECTIVE IN WAR BOND CAMPAIGN

John McCroskey, member of the local War Bond committee states that Genesee had, by Thursday noon, purchased \$62,000 in bonds and that he believed there were sufficient pledges for this community to attain its objective of 10 per cent of the Latah county quota of \$720,000. He also said that the bond drive had been extended to include Saturday evening. This community always does its part, so remember, "Back the Attack" by Saturday night.

Editorial
Genesee High School has gone to war! This fact can be confirmed when one views the study hall any day; it closely resembles a girls' academy. Many of our high school boys have joined Uncle Sam's armed forces, and many are working on the home front as harvest hands. The absence of these boys will, no doubt, curtail our athletic activities, but the stakes of a high school sports victory is nothing compared to our national victory. But not all the credit can go to the boys either. Many girls have done their fair share in lending a helping hand with the harvest.

Let us place much of the money which has been so readily earned this past season into War Bonds and Stamps for security in the years to come.

Meet Miss Rankin
Miss Joan Rankin was born in Moscow, Idaho, in 1923. Both her grade and high school education were obtained at Orofino, Idaho. She graduated from Lewiston State Normal last spring. At the Normal she was a member of the Dramatics Club and worked as a student librarian. She also enjoyed swimming which is her favorite sport. This is her first year of teaching, and she has the second grade. Miss Rankin compliments the Genesee school and community by saying: "I'm satisfied here!"

High School Mixer
Friday evening the senior class entertained members of the student body and school faculty at the annual mixer. The entire evening was spent in dancing, music being provided by the phonograph and popular records. Refreshments of ice cream and cookies were served at the close of the evening.

Journalism Club
A Journalism Club meeting was held Monday noon when the following were chosen to write for the first nine weeks on the staff of the Bulldog's Pen: Editor, Mary Emerson; assistant editor, Norma Liberg, news reporter, Norma Broemeling; feature writer, Mae Busch; society, Phyllis Grieser, and sports, Dan Pederson.

First Grade
Mickey Mulalley has registered in the first grade, and Richard Benjamin has withdrawn from the first grade.

Third Grade
We have a science table. We have four frogs: Dixie Lee McGregor, Arliss Ray Isaksen, Irene Carbuhn and Dawn Heinrich brought them. We have three spiders, five bird nests and one beetle. Our most interesting things are caterpillars, which are now weaving cocoons.

Alice Taylor has been absent four days. She is having her tonsils removed.

Lois Mizer and Norman Spence celebrated their ninth birthdays Sunday, Sept. 8.

We have made addition tables from

2 to 12 to help us with our arithmetic. Calvin Kelberg is back with us again. He was absent three days.

Mrs. Covington made some posters and we colored them.

We are making progress writing books which we will keep from the first of the year to the last to see how much we can improve our writing. We are glad to report that the third grade has agreed to Buy Defense Stamps with all their spare nickels and dimes.—Janis Archibald.

Fifth Grade
The fifth grade have made a fruit border for their room. It was made from colored chalk. It was shaded to look like real fruit. Kinds of fruit are: Peaches, cherries, plums, peaches, apples and grapes.

Routes of famous explorers were made on maps in different colors. The explorers are: Magellan, Marco Polo, Columbus, Vasco de Gama, John Cabot, Cartier, Drake and S. Cabot.

We have elected officers for our room. They are: President, Jimmy Bennett; vice president, Jimmy Sather; secretary, Evelyn Simons; librarian, LaVerne Scharnhorst; monitors, Raymond Gehrke, Ethel Wernecke; book monitors, David Nordby and Iris Wilson; desk monitor, Janet Flomer; waste basket, LaVerne Vestal, and flowers, Jimmy Sprenger. We have 23 in our room this year.

Seventh Grade
We have 21 students in our room this year. Donald Johnson from Rosalia and Stanford Hunt of Lewiston are new students. Donald has gone to school here before.

Earl Taylor had his tonsils removed Wednesday.

We have been practicing tumbling.—Edwin Morken.

Eighth Grade
The eighth grade had election of officers Tuesday. They are: President, Jack Liberg; vice president, Marilyn Heinrich; secretary, Shirley Ochs; treasurer, Elaine Simons; librarian, Barbara Rommel; bulletin boards, Wayne Schwenne and Margaret Magee.

Physical education started Monday.—By Jack Liberg, Bud Peterson.

Sixth Grade
The sixth grade elected officers on Wednesday, Sept. 22. Rex Eikum is president; Simeon Fleischman, vice president; Latricia Connick, secretary, and Linda Archibald, treasurer. It will be the treasurer's duty to collect and handle our class dues which are a nickel each. Her duty also is to take care of the library book fines which are two cents a day every day a book is overdue.

In science we have been studying ancient animals, and what the world was like millions of years ago. We finished making clay animals and prehistoric subjects such as dinosaurs, flying reptiles, etc.

Mr. Knight has been the sixth grade teacher during band and until a permanent substitute is found.

This Thursday, Sept. 30, the fifth and sixth grades will meet the Catholic school for a football game.

RETURNS TO CAMP MAXEY

Llewellyn Bershaw, technician fifth, of the 85th Engineer Battalion left Sunday for his return to Camp Maxey, Texas. He was home to visit his mother, Mrs. Helen Bershaw, and other relatives. He was home for five days, very short days, compared to the five days that he traveled going back to camp. Of his 15-day furlough ten were taken by travel to and from Camp Maxey. Llewellyn, after completing his basic training has been assigned to duty in his company supply room.

JOHN THIESSEN IN JUNGLES FINDS IT GETTING TIRESOME

John Thiessen, Marine Corps, and somewhere in the South Pacific admits it's getting tiresome, and well it may be for one who has been there for some time, and unable to write and tell just what he is doing. It's a tough job, but they have picked good men, which is usually the case, to handle the problem. People at home can imagine every sort of locations for our troops. He writes:

"Dear Pete: "It has been quite awhile since you heard from me. Well, here's a few lines telling you that I am still kicking so far, but these jungles are getting me down, but they say nothing can get a Marine down is you get him fighting mad.

"Well, there isn't much I can write you or what I am doing, but it sure is getting tiresome. Same thing every day. I sure would enjoy being back on a farm. I've got my belly full of this mess we are in.

"Well, Pete, I sure will be able to tell you a story if I ever get out of this country and home.

"I haven't been getting the Genesee News for quite some time, but I hope it's on the way. I sure enjoy reading it and what's going on around the good old town.

"This is about all I have time for. Just had a few minutes time. Well, Pete, I'd better be on my way, time's short."

Note: Mr. and Mrs. Wm. Thiessen, parents of Pfc. John Thiessen, have had several air-mail letters from the Marine, and he arranged some way to have a gift mailed them, a statuette of a Marine. The package came from Chicago. John is also receiving letters from his parents, but no other mail has been going through apparently. The paper is mailed each week and copies are perhaps piling up at a mail receiving center for delivery when his outfit is relieved for rest.

TWENTY-FOUR PASTORS HERE FOR LUTHERAN CONFERENCE

Rev. A. F. Wolfe, pastor of the Lutheran church at Chewelah, Wash., returned to Genesee after several years to visit his many friends, and to participate in the Lutheran church conference held here Tuesday and Wednesday. He opened services Tuesday morning at 9.

Business sessions were held Tuesday morning and afternoon, with Rev. F. J. Ahrendt of Ritzville presiding. At the Tuesday evening session there was special music by a pastors' chorus which sang "Praise the Lord." Mrs. Margaret Covington sang a solo, "Prayer Perfect," and was accompanied at the organ by Helen Scharnhorst. The public was invited to the Tuesday evening service. After the service Rev. Dr. L. Ludwig, Portland, president of the Northwestern District, thanked the congregation for making the conference a success and for receiving the pastors.

Wednesday morning there were business sessions, and a paper prepared by Rev. Leonard Kutz of Spokane, was read by him. The topic was: "The Church's Contribution to a Just and Lasting Peace. In the afternoon devotions were opened by Rev. Fred Moulter of Walla Walla. Election of officers was held, with Rev. Ahrendt of Ritzville, being reelected president, and Rev. Robert Oesterich, renamed secretary of the conference. An invitation for the next meeting place was extended by Rev. Samuel Goldemann of Wilbur. During the conference Rev. Wolfe showed pictures of the new church being built at Chewelah. The building will be formally dedicated October 24.

The Ladies Society of St. John church served dinners and suppers for the pastors at the church basement.

PEAS PALOUSE BANNER CROP DEALERS OFFERING 5 CENTS

With millions of pounds of peas now under cover in every town and city of the Inland Empire, buyers became really active Saturday and were offering five cents per pound, basis federal grades, with no return of sacks or screenings, and Monday buyers were again active, but no increase was noted in their quotations unless some may have been offered return of their sacks as a premium.

Warehousemen still busy with accounting and settlements to growers, are in no mood to venture a guess on the total production of dried peas in the Genesee area, but one or more growers are certain to have hit the million-pound mark. There's some conjecture on the last statement, but a guess today is made without hazard, because what's two or three hundred thousand pounds of peas? Just pellets of gold that will taste real good to some of the people on our lend-lease register.

Weather, the finest in years for harvest is holding steady to permit every last grower to reap and thresh every kernel of useful food. That good, black earth seen on farmers' faces this week is more apt to be from dust of plowing than from the combine, as harvest is about done in the immediate Genesee vicinity.

"By gad, it's a little dry for plowing," some say, while others say it's the best dry plowing they ever had. Some differ on the handling of pea stubble ground this fall, but generally farmers are wondering just what method is better to get rid of a few weeds before next spring. There are those who will plow pea ground while others shudder at the thought, and have decided to give the land a stiff disking to keep weed seeds near the surface to sprout as soon as possible and perhaps give them some growth before winter comes or at least have them sprout and show up early next spring. There are some who say, "never again will I plant peas," but as soon as they recoil from harvest they may have a change of mind, if the prices hold up under government orders, and federal authorities announce they need more peas for the war effort.

Genesee, however, like every other point in the Inland Empire, has witnessed the harvesting of the most lucrative crop in the history of the country. Wheat in the last war may have approached the crop wealth of the present crop, but where one man made good profits they were many others who lost their shirts, waiting for higher prices.

While on farm topics, members of the University of Idaho extension division, said that purebred gilts sold for \$15 at the Cottonwood fair this week and these were splendid porkers grown by 4-H Club youngsters. Butter has gone to 16 points per pound for the ration-point consumer, and ranch butter at ten points, finds but an exceptionally few churning butter on the ranch for sale, yet the price of milk cows are going down every day, and beef cattle are in a slump. Somebody's going to be in the money when the war ends if they hold onto their best breeding stock, and are able to weather the storm of high feed prices and labor shortage. This is the advice of experts, some of whom put out the information, but for the present choose to grow cash crops, so it's hell if you do and hell if you don't.

DRISCOLL SALE OCT. 4

Mrs. Walter Driscoll and son, Jim, were in Genesee Tuesday and announced a public auction at the Driscoll ranch, six and a half miles south Troy, on Monday, October 4. The sale will start at 10 a. m., and includes ten head of horses, five dozen chickens, several milk cows and four young cattle, a lot of machinery including a Holt combine and pea bar and reel, and a lot of household goods.

Mrs. Driscoll has leased her farm.

WINS PRIZES AT 4-H SHOW Donald Baumgartner, Genesee, a 4-H Club member won three prizes at the Four-H show in Lewiston Wednesday. He took a prize in the judging, and won second prize on his aged sow, and first on his pig of four fat lambs. He will also enter the Spokane Junior Livestock show, taking his stock to that city by truck. THANKS TO ALTAR SOCIETY The Moscow USO appreciated very much the fine cookies furnished by the Altar Society of Genesee. There are about 100 Catholic boys in the radio school, and they were glad that their church women remembered them. If any one has a surplus of good eating apples, they are always welcome and cookies vanish on sight. —J.B.W. RED CROSS NOTES Sixteen women were present Monday to make 1050 dresses. The September report will go in next week. Our thanks to Mrs. Ernest Qualey and Mrs. F. S. Casebolt for treats Monday and to Wm. Thiessen for Thursday. There is room for a lot more women and they need these dressings badly, now. —J.B.W. Sunday Dinner Guests Mr. and Mrs. A. C. GENEO. DAVIDSON AWARDED NAVY GOLD STAR CITATION Lt. Gen. Davidson (j.g.) of the Star in lieu of a second Air Medal, was awarded the Navy Gold Star Citation for bravery in action, received for the second time when he was recently presented with the Star in lieu of a second Air Medal by Captain Arthur Cavitt, commandant of the U. S. Naval Air Station at Jacksonville, Florida, where Davidson is now stationed. Fred Magee, who has had ten years' experience in the sale ring in Canada has taken out an Idaho license and will carry the Reisenauer sale Thursday afternoon of next week. F. G. Densow will be the clerk. Terms are announced as cash. VIRGIL POST IN NEW MEXICO AT COMBAT TRAINING AREA Sgt. Virgil Post, propeller specialist with the 400th Bombardment Group expected to be on foreign soil by this time, but he may not be disappointed, as he is in a combat training area, a spot not much desired by air corps men. He writes: "Dear Pete: "Just received an issue of the News and have read it twice so far. Do you know yet, the News sure takes the place of lots of letters and there isn't anything a soldier likes better. "I would have dropped you a line or two from Salina but we figured on shipping a lot sooner than we did, so kept putting it off. "It makes me laugh about the way Billy Emerson talks about Texas. New Mexico is worse than Texas, even the guys from Texas say so. We are 12 miles from the big city of Alamogordo, and some two miles from the White Sands. The only things that live around here are rabbits and rattlesnakes. So far we have had nice weather, that is, no wind, but boy, how the sun can come down. The nights are very cool and you can sleep with only one blanket. "This is some place! It was built for the British but they turned it down. It is made just as if it was in actual combat. "We are what is called the north area and some seven miles by bus to the main PX, and show house. So far I haven't been off the base, so can't give a first-hand description of the town. "For the last week we have been laying around waiting for our ship to show up. Well, not exactly laying around, as we have a half hour of physical training in the morning and two hours of school in the afternoon. "Some guys sure have the luck. Take that Schooler guy, right at home and all I can find here are Mexes. "Guess I have said plenty for this time. Thanks a lot Pete and the Legion too. The news is a lifesaver. "You will note the change in address. Maybe it will get here faster. "I think Genesee is grand," she was quoted as saying. High School News Class elections were held Friday, October 1. Those in office for this term for the seniors are: President, Dan Peterson; vice president, Anna Mae Busch, and secretary-treasurer, Mary Emerson. Fifty cents a semester is the amount of dues to be paid by each senior. Red and white will be the class colors for the class of '44. Orders for class rings will be taken Thursday and Friday of this week by Norma Liberg. Because of government regulations the rings are less valuable this year and therefore the price is only \$7.50 for the small ring for girls; \$7.00 for the medium-sized ring for both boys and girls, and \$8.25 for the large ring for boys. The Juniors have chosen as president, Don Baumgartner; vice president, Gene Eikum, and secretary and treasurer, Lawrence Isaksen, the amount of dues to be paid has not yet been decided upon. Sophomores have elected Dick Springer, president; with vice president and secretary-treasurer as yet unannounced. Freshman initiation by sophomores will take place Friday, October 8. John W. Condit, state superintendent of schools of Idaho visited Genesee schools Friday, October 1. Margaret and Jimmy Tobin of Oakland, Calif., formerly of Genesee, visited Genesee high Tuesday. Mrs. Melvin Wetzel, commercial instructor, visited in Spokane over the week end. Cally Burgess is a new student in high school. She is a sophomore.

George Davidson is the brother of Mrs. Sam Lange, Genesee, and at present time his parents, Mr. and Mrs. George Davidson are visiting at Lange home. Ted Davidson, brother of the late George, is an army air corps pilot and it is presumed that he is in England at the present time. When he went overseas he flew a navy biplane (Catalina) and was engaged in the work in the Mediterranean. MARY EMERSON RECEIVES COMMISSION AT FT. BENNING Ft. Benning, Ga. Sept. 27 (Special) Mrs. M. E. Tegland of Genesee, Idaho, was commissioned a second lieutenant in the Army of the United States upon successful completion of the War Candidate course at the Infantry School at Fort Benning, Lt. and is the son of Mr. and Mrs. Roy Tegland of Genesee, Idaho. The new lieutenant was inducted into the army January 23, 1941, and served with the 53rd Infantry and the Railway Engineers before going Officer Candidate School three months ago. He held the rank of captain before being commissioned. The new officer is a graduate of Genesee high school in Genesee, Idaho and University of Idaho, at Moscow. Mrs. Covington attended the University of Idaho for one year. While there she belonged to Kappa Alpha Theta. Then she attended the Lewiston Normal for one year. AS FLOMER IN OKLAHOMA Dallas Flomer, recently inducted into the army, is now stationed at Ft. Gruber, Okla. He writes: "Today is Sunday and I have not had to go, so I will drop you a few lines. Boy, is this state of Oklahoma one. When the wind blows the really flies. "I am in the Rainbow Division and have about 18,000 men here. When I was all the men necessary there were about 24,000 here. They have about 5,000 German soldiers here, and boy, can those guys march. They sure show the new boys up, but most of our new boys have not learned to march yet. Well Pete, I guess there isn't much to say, but tell all the home folks hello, and will you send me the News? "Dallas." Service Flag Dedicated A service flag with 37 stars was dedicated at the Community church Sunday morning following Promotion Day exercises by children of the Sunday school. A dinner was served following the morning service.

LEGION CONVENTION OCT. 14 "CAST IRON HOME" GETS HOT SAYS LLOYD HASFURTHER Lloyd "Hassy" Hasfurther, Camp Beale, Calif., after about ten months as a tank driver, finds the things fairly warm in summertime. He takes time to write: "Hello Pete: "Well, I finally got around to drop you a few lines. I know that I don't have much of an excuse this time for not writing, but I will try to do better next time. "I am still driving a tank, and it seems like that will be my job for the duration. You know, Pete, after driving one of those tanks for almost ten months, a fellow calls it everything but a tank. This summer when the temperature got around 115 degrees in the shade a fellow could always figure that it was 10 or 15 degrees hotter inside our 'Cast Iron Homes,' but now that the weather is kinda cooling off it isn't quite so bad, but I may add that the thermometer climbed up to right around 104 degrees last week, which isn't too hot. "I suppose by now that harvest is over for another year, and farmers can sit back and wait for a good rain to come, but if I know the farmers around home, I really don't think they will wait for a rain before starting fall work. "And speaking of rain, Pete, I really don't know when it rained, but I think it will be almost a year if it holds off for a couple months. We sure seen plenty of dust during the summer. I believe a fellow could travel all over the States and not find a better spot than dear old Genesee. "I imagine by now that school is well under way, but so far I haven't seen the Genesee News where the G. H. S. has turned out for football practice, but I imagine that football will be a thing of the past for a couple years at old G. H. S. "Well, Pete, I kinda run out of things to write, and before I close I want to thank you and the Legion for sending the Genesee News. It's really great to read what is taking place around home these days. Tell all the folk 'hello.' "Lloyd." "P. S.: Last week they moved us around a bit, and I have a slight change in my address." Address: Cpl. Lloyd G. Hasfurther, ASN 39458372 Co. D 45th Tank Bn., 13th Armored Div., APO 263, Camp Beale, Calif. Note: Howya Corp and congratulations on the increase in pay. Relative to football, there's none at Genesee this year, neither are there any playing at Idaho. WSC or two Oregon institutions of higher learning, Clarkston from Lewiston the other night 6-0 in the last 30 seconds of play. The fellows in high school now are taking pre-induction training, and includes all kinds of gym work, such as tumbling and other exercises indoors, while outdoors they are to be seen on certain days of the week running around the city park in shorts of every conceivable color and description, and one can see faces of 17-year-olds who will be in the service next spring. They intend to have a basketball team, or at least they have material for one. Kendrick seems to be favored this year as that school now takes in Southwick and another outlying school. Guess we won't have a good high school football team for some time, but we can always remember the crew that played with you. Remember that game at St. Maries when we were behind 7 to 0 at the half and finished up with a 14-14 tie. You had a great day that afternoon, as did all the gang. Hogs Up 30 Cents at Pool Hogs were up 30 cents at the Community hog pool Monday, when Armours bid \$13.90, Swift \$13.75 and Carstens \$13.50. Seventy farmers brot in 661 hogs weighing 127,170 pounds. Total receipts were \$17,076.11. Reports were that Spokane was flooded with surplus hogs, so the hogs purchased by Armours went to South San Francisco in four double and one single car. The Juniors have chosen as president, Don Baumgartner; vice president, Gene Eikum, and secretary and treasurer, Lawrence Isaksen, the amount of dues to be paid has not yet been decided upon. Sophomores have elected Dick Springer, president; with vice president and secretary-treasurer as yet unannounced. Freshman initiation by sophomores will take place Friday, October 8. John W. Condit, state superintendent of schools of Idaho visited Genesee schools Friday, October 1. Margaret and Jimmy Tobin of Oakland, Calif., formerly of Genesee, visited Genesee high Tuesday. Mrs. Melvin Wetzel, commercial instructor, visited in Spokane over the week end. Cally Burgess is a new student in high school. She is a sophomore.

Editor.....Mary Emerson Asst. Editor.....Norma Liberg News Reporter.....Norma Broemeling Feature Writer.....Mae Busch Secretary Writer.....Phyllis Griesser Staff Writer.....Dan Peterson This year the Genesee high school girls are undergoing a rigorous physical education program. Every other day the girls, in slacks or shorts, troop into the gym and spend 45 minutes participating in athletic feats. After roll call a few minutes are spent in calisthenics. The remaining time is spent playing basketball, keep-away and relay races. As time goes on badminton, volley ball, soccer, softball and other sports will be played. This subject is under the supervision of Mr. Chase and Mr. Snell. The purpose of an athletic program for girls is to physically condition the youth of our country. Meet Mrs. Covington Mrs. Margaret Covington, the third grade teacher, was born at Julietta, Idaho. After completing her grade school there, she attended the Boise high school. Mrs. Covington attended the University of Idaho for one year. While there she belonged to Kappa Alpha Theta. Then she attended the Lewiston Normal for one year. Her favorite hobby is dramatics and her favorite pastime is reading. "I think Genesee is grand," she was quoted as saying. High School News Class elections were held Friday, October 1. Those in office for this term for the seniors are: President, Dan Peterson; vice president, Anna Mae Busch, and secretary-treasurer, Mary Emerson. Fifty cents a semester is the amount of dues to be paid by each senior. Red and white will be the class colors for the class of '44. GENESSEE VALLEY NEWS

There is nothing exciting in the Valley just now. Farmers are doing what dry plowing they can and a few are seeding summer fallow. Rain is badly needed to finish the fall work. Several attended the Driscoll sale on Bean Ridge Monday. There are a lot of good things to eat stored away in the cellars in the Valley and no one will starve here. One wishes that all parts of the globe could be as well prepared to keep the wolf from the door this winter.

Mrs. Kermit Hove visited relatives in the Valley last week. She is living with her mother in Clarkston since Capt. Kermit Hove left via New York.

The Bluebird Club will have a special business meeting at the home of Mrs. Wm. Mervyn October 13, at 2:30 o'clock. Bring fruit for the Children's Home.

Mrs. Dollie Peterson and Vernon bought 100 acres of the Nelson place from Ole Johnson.

Misses Pat Magee and Beverly Anderson were house guests of Mr. and Mrs. Jess Borgen in Moscow over the week end.

Sunday afternoon visitors at the R. E. Nordby home were Mr. and Mrs. J. E. Phillips and Nancy, Mr. and Mrs. Herbert Kroh and Janet, all of Spokane; B. P. Luvaas of Moscow; Mr. and Mrs. P. L. Barbee and children of Asotin, Mr. and Mrs. Arwin Nordby and family of Moscow, Mrs. Lilly Larson and Elmo Larson. Miss Margaret Magee has returned to Lapwai after a visit at the James Magee home.

A daughter was born at the Gritman hospital Saturday to Mr. and Mrs. Ingle Anderson. Rodney Tegland finished his course at Ft. Benning, Ga., on September 27 and was married the same day to Miss Evelyn Jensen of Seattle. We extend congratulations to the newlyweds.

Mr. and Mrs. R. E. Nordby and Mrs. Lilly Larson visited at the West-by home in Deary Wednesday afternoon.

Mrs. J. Scheele and Mrs. Paula Peterson called on Mrs. Ed Strate Monday afternoon.

Fred Tesch spent Sunday at Fred Hove's.

A telephone call from Lt. Erling Lande to Nels Lande's told of his transfer to Great Falls, Mont.

Mr. and Mrs. Ed Morken spent Monday and Tuesday in Spokane with relatives.

Mr. and Mrs. R. E. Nordby attended a birthday party in Moscow Saturday, honoring the 74th birthday anniversary of Mrs. Nordby's father, B. P. Luvaas.

Mrs. Dollie Peterson called on Mrs. Nels Lande Wednesday afternoon.

Staff Sergeant Bob Morken from McChord Field is visiting his brother, Ed Morken, and family.

Sunday dinner guests of Mr. and Mrs. Nels Lande were Mrs. Belle Hanson and Mr. and Mrs. George Nelson.

Joan Linehan spent the week end with Mrs. Oscar Danielson.

Mr. and Mrs. Norman Flamoo called at Leon Danielson's Sunday afternoon.

Sunday dinner guests of Mr. and Mrs. George Berry were Mr. and Mrs. Gus Rosenau, Mr. and Mrs. Hugo Gehrke, Mr. and Mrs. Ed Jutte and Gloria and Mr. and Mrs. Lee Webb.

Mr. and Mrs. H. J. Berger and sons drove up from Lewiston Sunday to spend the day at Robert Bergers.

Sunday afternoon callers at Don Linehan's were Mr. and Mrs. Oscar Danielson and Lars Johnson.

David Lange spent Wednesday night at Oscar Danielson's.

Dinner for Stanley Green

Mr. and Mrs. Jack Nebelsieck entertained with a dinner Thursday evening of last week for Storekeeper Stanley Green on leave here from Norfolk, Va.; Mrs. Stanley Green and their daughter, Jacqueline; Mr. and Mrs. Dick Green, Mrs. Lawrence Herbert and son, and Chet Quayle.

TRAVELS ROUND THE WORLD

Sheldon Wetzel returned last week from a trip around the world, leaving the west coast several months ago and going to Australia. His boat then went west and through Suez Canal into the Mediterranean. He became a hospital patient for treatment of infection in his hand, and was unable to continue with his crew, and came later, to land on the eastern coast of the United States. A train trip from eastern United States to Spokane completed the world circuit.

Mr. Wetzel is with the Merchant Marine and has been in the South Pacific several times since entering the service. Carrying cargoes of war materials, his ship has never been in danger from the enemy. He has seen and talked with many men who have been action in several of the war zones, and has seen at first hand what the war is like.

He says cities of the old world are interesting, but they soon become tiresome. While many of the cities, such as Cairo, have places of beauty, it is the conditions of the average person, which are crowded and filthy, that depress the American. He has touched land at many points, but it was in the South Pacific where he tarried longest.

He and Mrs. Wetzel are now in Portland visiting his relatives and to learn when he is expected to ship again.

VIC ARMSTRONG ON FURLOUGH

Victor Armstrong hit the jackpot on furloughs by obtaining accommodations on a basic train, which flew from Lemore Air Base to Lewiston. Vic boarded the two-place train at Lemore, Calif., at 7:30 Friday morning and arrived in Lewiston at 1:50 P. M., in time to catch the Union Pacific bus to Genessee the same after-

noon. One stop was made enroute, at Elko, Nevada, to take on gas for the plane, and a "coke" for the pilot and passenger. Vic's good fortune not only included the plane trip at no expense but he was permitted to leave camp four days before his official furlough. He will, however, return to Lemore two days before his furlough ends. Vic was given such privileges, because his brother, Norman, stationed in Colorado with a ski troop regiment, was expected home on furlough, and too, because the plane trip had been arranged.

He visited here at the L. E. Brown home until Sunday when he left for Neperce to visit his father, and later will go to Spokane to visit his mother and sister, hoping that his brother, Keith, may come to Spokane from Seattle for a few days.

Vic is with the air corps military police, and at present is assigned to duty in the provost marshal's office with the division of civilian identification. He said that Dick Scharnhorst was in Florida for special guard training for six weeks on detached duty at Miami Beach. Lefty Emmett is still going strong, but it was his fortune to draw K. P. for the week. Stub Gertz is also at Lemore and none the worse for army life.

Missionary Society

Mrs. Robert Emmett and Mrs. Colin Wilson entertained the Community Church Missionary Society at the former's home Tuesday afternoon. Mrs. Alzina Hayden was program leader. Guests included Mrs. S. U. Lough, Mrs. Fred Brazier and Mrs. Mary Emerson. Luncheon was served at the close of the afternoon.

BOND CAMPAIGN A SUCCESS IN THE STATE AND COUNTIES

Latah and Nez Perce counties by-passed their objective in the Third War Loan campaign, with the Genesee community meeting its allotment with some to spare. There were no quotas for communities, but for Genesee the county committee suggested that this community subscribe ten percent of the county quota of \$720,000, which would mean \$72,000 for Genesee.

Some people were perhaps a bit reluctant to purchase bonds, not knowing what their income tax would be for the current year, while others bought the series of bonds that may be used to pay income taxes next March. Most people, however, purchased bonds to aid in the war effort, knowing that our fighting men have a monstrous job to do in our behalf.

Congratulations, however, go to the bond purchasers, from our fighting men in Italy, in the South Pacific and wherever stationed. America has not let them men down, and while they take the chances on life or death the ones at home who do not cooperate in putting over bond sales, if they have the necessary cash, may have a change of mind, and later desire to participate in security—security that is being won gradually and certainly by men who would give anything to be back in civilian life.

Now, that the Third War Bond campaign is over, people should remain bond-conscious and make regular purchases. It's a costly war, but it's not one of our own choice. Buy a bond and hasten the day when our fighting men may return to the peace which they are earning.

RED CROSS NOTES

Nineteen women made 1,030 dressings Monday. Our thanks go to Geo. Post for treats, and to Mike Dwyer for this Thursday. The supervisor is grateful to some thirty women who planned their work so as to attend almost every time during the busy summer months and made so many dressings. They can face the boys with a clear conscience, knowing they did all they could for them.

Thirty-nine women worked 465 hours and made 8,020 dressings, bringing the total to 90,930. Added to the honor roll were Mrs. Kate Linahan, 120.25 hours; Mrs. Anna Mandertfeld, 112 hours; Miss Frieda Hermann, 106 hours; and Mrs. Louisa Heppner, 104.75 hours. Mrs. Laura Burr, 89.50 hours; Mrs. M. Reisenauer, 86.50 hours; Mrs. James Maguire, 84.75 hours; Mrs. Joe Tupper, 84 hours; Mrs. Roy Hanson, 75.25 hours; and Miss Marie Hoorman, 56.25 hours.

Special credit to Miss Violet Heppner for 25 hours after work at the telephone office, and to 6-year-old Janeal Hanson for 15 hours cutting and stringing gun cleaners. Mrs. Hoorman, Mrs. Lough, Mrs. Wedin and Miss Pauline Steltz had perfect attendance. Mrs. Fickens came eight of the nine work days. Miss Steltz has 316 hours and Mrs. Wedin has 306.25 hours. They are the only ones with 300 hours so far.

Work organizations: Altar Society, 139.50 hours; Community Ladies Aid, 118.75 hours; Lutheran Ladies Aid, 69.50 hours; Legion Auxiliary, 55.50 hours; Pep Club, 26.50 hours; Blue Bird club, 23 hours; Valley Aid, 17 hours; Progressive Club, 3 hours, and high school, 1 hour.

Mr. and Mrs. L. E. Brown and daughters, Mrs. Wayne Hickman and Glenna Brown, left Thursday afternoon for Spokane to attend funeral services Friday for Mr. Brown's brother-in-law, Robert Thompson, and niece, Phyllis Thompson, who were instantly killed Tuesday morning in a railroad crossing accident.

Are you fighting mad about this? Does it mean anything to you personally? Then dig down and buy more and more War Bonds.

WARM AND DRY WEATHER CONTINUES IN NORTH IDAHO

Pea and grain harvest is now completed in the Genesee area, with potatoes next on the program. Harry Schooler began preliminary operations late last week and was in full operation this week, using the machine which he built for the spud harvest. The machine, first constructed to handle two rows, has been remodeled to dig one row, and deliver the product on a sorter to be sacked on the machine.

Ray Edwards is preparing to start this week on his potato crop. Charles Grieser, who grows a small acreage each year, has dug part of his crop and is continuing with digging this week. Storm clouds, lighting and thunder threatened with a rain early Tuesday morning and at 2 a. m. it looked like the drought was broken. Rain fell for a few minutes, but not enough to settle the dust. Farmers, naturally, are hoping for rain for fall seeding but some are putting in their summerfallow land and seeding in the dust. The summerfallow acreage this year is exceptionally small, and the sweet clover acreage was smaller yet, so there is much work to be done this fall after the large acreage of dried peas all over the Palouse country. Rain, thus would benefit a great many at any time now.

It was said in World War I that the constant bombardment in Europe caused rain in the United States in 1917 and 1918, but with heavier bombardment and higher-powered explosives, the war in Europe and Russia is having no effect on precipitation in the United States at the present time, so it looks like this theory is wrong.

LEGION PLANS XMAS GIFTS

Bienenberg-Schooler Post of the Legion has a committee at work preparing gifts for members of the armed forces overseas from Genesee. Each Christmas the Legion has sent each man and woman from Genesee a gift, but this year a real problem confronted the committee. Suitable gifts in any quantity are difficult to obtain for the committee decided to send each overseas man 25 air-mail stamps and envelopes, with Genesee in the States the committee has another problem, which has some time for solution. Packages to overseas fighting men must be mailed by October 15 without reservation.

Gifts to navy and marine personnel overseas may be shipped until November 1.

ADET WILLIAM BURR LOSES LIFE IN NAVY PLANE CRASH

Once more the navy has brought grief to relatives and friends. William Burr, a navy aviation cadet, in training at Livermore, Calif., met with a plane crash Monday, according to word received by his parents, Mr. and Mrs. D. C. Burr, 211 Loyall Avenue North, Seattle, former residents of this community.

Details of the accident are lacking, though telephone communication between Mr. and Mrs. W. W. Burr at Genesee, and Mr. and Mrs. D. C. Burr and Mr. and Mrs. Arnt Ostad suggests that the funeral may be in Seattle Monday or Tuesday. Arrangements at the present time, however, are indefinite. Pfc. Homer Burr stationed at Camp Beale, Calif., was notified by the Red Cross that he was to accompany the body to Seattle, and Mrs. W. W. Burr left Thursday morning for Seattle, and Mr. Burr will leave when definite word of funeral services are received. Several others from Genesee plan to attend the services.

William K. Burr was born July 2, 1918 at Moscow, and graduated from Genesee high school with the class of 1937. He married Miss Doris W. June 10, 1937, who was taken by a tragic accident Jan. 30, 1938. They have one son, Dennis, now five, who is making his home with Mr. and Mrs. D. C. Burr. Cadet Burr is also survived by a sister, Mrs. W. H. Frederic of Pittsburgh, Pa., and a brother, Robert, who is in the armed forces and presumed to be ready for duty overseas, and at an address which may not be disclosed.

Bill, as he was familiarly known to his many friends at Genesee, went to Seattle with his parents and son and he and his father became employees of Boeing Aircraft. The deceased sustained severe injuries in an automobile collision which kept him in a hospital for a long time, and his condition was critical for a period. He overcame handicaps of the injuries and applied for naval aviation, taking his first training at Helena, Mont. He was accepted for pre-flight at St. Mary's College, Calif., and was but three weeks from graduation as an ensign pilot when the fatal crash occurred.

CPL. ART TAYLOR OVERSEAS NOW STATIONED IN ENGLAND

Arthur Taylor, in a letter to his parents, Mr. and Mrs. Dick Taylor, writes: "Well, here goes my first letter from a foreign country. I finally got the boat ride I've been waiting for. The trip over wasn't bad either. The only thing I didn't like about it was that we only got two meals a day, but managed to live through it. There were a few days that it was a little rough, but it didn't get bad. I guess I was lucky too, as I didn't get seasick.

"I'm someplace in England, just where, I don't know. I don't think I'll be bad over here. There's some pretty pretty country and looks like the pictures, that is, what we could see from the train. That's about all I can tell you about the country here so far. Oh, yes, whenever the train went through a town, the windows of the buildings along the track were filled with people, men, women and children, and they were all waving. The Red Cross was at the dock with hot tea and cake and buns too. The staff tasted pretty good too. We also had a stop at one town and got hot coffee and sandwiches and stuff too. The coffee, however, tasted like barley coffee."

Art acquires about his family and what they are doing, for he has not been home since entering the service more than a year ago. His outfit moved east and remained there for most of their training period.

Art's brother, Kenneth, who was in the Sicilian invasion, and was seen in a war newspaper in Lewiston a few weeks ago, is now in a hospital in the covering from shell shock, according to word from him. It was believed he might be furloughed home, but it is understood that he is doing a fine job of recovering. He was not wounded but was in combat with his well-known infantry regiment.

Home From Boston Mrs. Charles Kramer returned Monday from Boston where she spent a month visiting her husband, who is a member of the coast guard and has been in Atlantic convoy duty for many months.

Chief Kramer has been transferred to shore duty and is now stationed at the Boston receiving station awaiting orders which he hopes might take him to the west coast.

INJURED IN CAR ACCIDENT

Mr. and Mrs. L. E. Brown and daughters, Mrs. Wayne Hickman and Glenna Brown, all suffered bruises and cuts in a collision in Spokane last Friday evening. Another motorist failed to stop at a street intersection, causing the accident. Mrs. Hickman sustained the most serious injury, a cut above her right eye which necessitated three stitches at the emergency hospital. Her nose was bruised and eyes blackened also. Others in the car were fortunate in receiving only slight injuries.

Members of the Brown family were in Spokane Friday to attend funeral services for Mr. Brown's brother-in-law, Robert Thompson, and niece, Miss Phyllis Thompson, who were instantly killed last Tuesday in a railroad crossing accident.

LEGION POST SENDS GIFTS TO GENESEE MEN OVERSEAS

Gifts were mailed Monday to all Genesee men overseas whose addresses were known. The gift packages, included 25 air-mail envelopes and an amount of air-mail stationery. In the packages also were eight air-mail stamps, sent as gifts by the Farmers Union of Genesee.

Last Christmas the Legion arranged with cigarette companies for a carton of smokes for each man who was known to smoke, and candy to those who do not use cigarettes. How successful that program was, is unknown to the Legion gift committee, but this year the packages were sent by first-class mail, and receipt by our local fighting men overseas should be more certain. The Union last year mailed candy to overseas men, but with candy not available for civilian purchase in any amount, the gift of air-mail stamps was decided upon.

There are fifty Genesee boys across the water, in Alaska and Canada, and it is known that most of them use air-mail for letters home, and there have been requests for stamps and stationery from men overseas. The Legion and Union committees had a problem in selecting the gifts they did, as the number of gifts to be purchased presented a problem in obtaining a sufficient number of gifts of some other kind.

K. of C. Sends Gifts The Genesee Council, Knights of Columbus sent a gift of 25 air-mail envelopes to each of its members overseas.

Community Church Gifts Boys in the service affiliated with the Community church will each receive a Christmas gift from the local church. This gift included an ever-sharp pencil, stationery, toilet articles, and so forth.

There are other organizations sending gifts to their men overseas, including the churches of the community, so it will be as merry a Christmas as regulations permit.

Gifts from the Legion and Union sent to the following: Palmer Anderson, James Abraham, Ralph Baumgartner, Lawrence Brown, Otto Broemeling, Ernest Craft, Don Diekhoff, Harry England, Eugene Grieser, Ed Grieser, Alfred Gehrke, Chet Green, Chas. Hasfurth, Kermit Hoy, Floyd Hove, Wayne Hampton, Oscar Hoskins, Don Huffman, Gerald Hickman, Floory Harrington, Damon Holten, Lester Ingle, Alfred Jackson, Leonard Johnson, Arthur Klemm, Walter Johnson, Ralph Klusay, Lawrence Kasper, Wayland McGarvey, Walter McGarvey, Wayne Newkirk, Albert Na. Lloyd Quayle, Robert Roskammer, George Roskammer, Gordon E. Rosenau, Carl Thiesen, John Thiesen, Kenneth Taylor, Arthur Taylor, Richard Theuerkauff, Leonard Wernecke, Kenneth Whitted, Edmund Weber, Roy Wedin, W. G. White, Andrew Zenner and Everett Wishard.

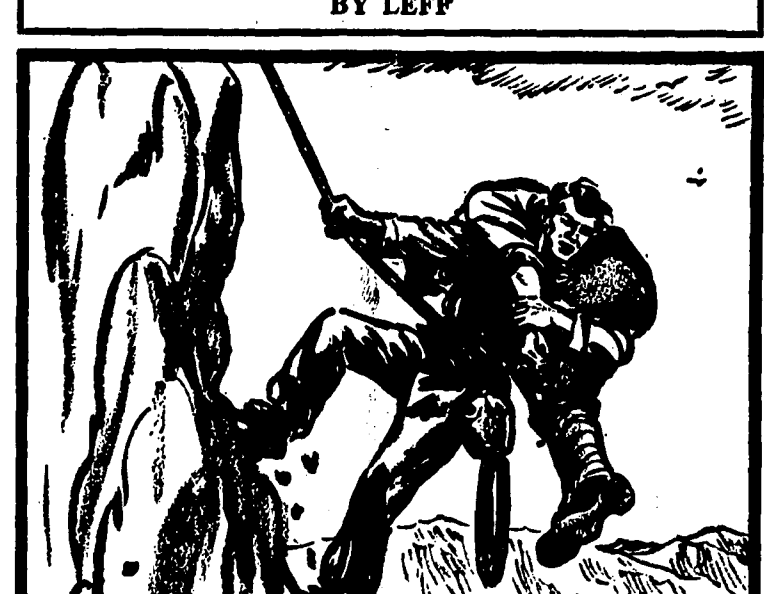

There may be some error in the names of men in the navy, who are at sea part of the time, but who have armed guard center addresses. Naturally there will be some error among the list of names, but that is the reason for mailing gifts first-class, to obtain correct addresses for those which might be in error.

Gifts to Men in States Later The Legion and other organizations also plan to mail gifts to men and women in the continental United States.

BAZAAR AT THORNCREEK Everyone is welcome to attend the bazaar given by ladies of the Thorncreek Catholic church Sunday evening, October 17. Games will be in progress during the evening and bazaar articles will be sold. Refreshments will be served between the hours of 10 and 12. You are invited and urged to attend.

The boys' athletic program this year is composed of a rigorous physical education set-up. Five days out of ten all of the boys in high school participate in calisthenics, tumbling, and basket ball practice. At first such exercise was painful to soft muscles, but now most everybody is getting limbered up and toughened in.

This is a required subject, and affords one credit a year. Physical education is under the instruction of Mr. Chase. The purpose for such a subject is to develop youth and prepare their bodies as well as their minds.

Miss Shirley Carlson, the present teacher of the fifth grade, is a graduate of Lewiston grade school, high school and Normal. Shirley was born in Fertile, Minn., and six weeks later journeyed with her parents to Lewiston, Idaho, where they made their home. Miss Carlson was a member of the Delta Tau Gamma, Alpha Epsilon, Epsilon Staff, the Sertettes and the Glee Club.

She has hobbies of art and music, and dancing in her favorite pastime. Shirley expressed her opinion of Genesee by saying, "It's a grand town."

High School News A general assembly was held Friday at 3 o'clock when Student Body officers were elected. Dan Pederson was elected president; Anna Mae Busch, vice president, and Don Broemeling, secretary-treasurer.

At a general assembly held Monday morning at 9 o'clock, a change of schedule and teachers was announced. Levon Chase, who has been teaching the eighth grade, now teaches algebra, citizenship and world history in high school. Miss Lelela Sheehy who taught the seventh grade last year, returned to Genesee to replace Mr. Chase in the grade school. Hereafter there will be only three periods in the morning instead of the usual four, and some subjects have been changed to different periods.

Mr. Stedje, science teacher, is expected to return to school this week. He was in Spokane to receive medical care.

Mrs. Howard Blum is substituting this week for Mrs. Melvin Wetzel who is visiting in Portland while her husband is home from sea duty with the merchant marine.

Miss Esther Martinson is substituting for Mr. Stedje this week. Some of the high school boys who have been big game hunting recently, returned to school Monday.

Freshman Initiation Hibillies and Dogcatchers were well represented in school Friday by the freshman class. The ideas for costumes were furnished by the sophomores. One of the outstanding costumes was Flame McGoon, with an entire outfit of red, and a large red hair-bow. Hairless Joe and Old Man Moose seemed to create a number of laughs among high school students.

Some of the other characters were Unbearable Jones, the Scraggs, Lonesome Polcatt, Daid Eye, Clem, adv.

DON BAUMGARTNER WINS PRIZE NATIONAL WAR FUND DRIVE TO START IN IDAHO OCT. 25

Donald Baumgartner, son of Mr. and Mrs. George Baumgartner, won first prize last week at the Junior Livestock show at Spokane on his pen of five fat pigs. Weighing an average of 240 pounds at Genesee before being trucked to Spokane, the five pigs weighed 227 pounds on the average at show time, and sold for 15 cents per pound after the show.

The five pigs were a cross from a purebred Duroc sow and a purebred Poland boar, but retained the coloring of the sow. Fitted as grade fat pigs they went over straight purchases of one brood. They were five and a half months old, and were on a diet of rolled wheat and barley until two weeks before the show when they went on straight rolled barley.

The five pigs were a Four-H club project completed by Don, with records kept on feed costs.

FLOYD HOVE NOW IN SICILY RECEIVES GENESEE NEWS

Floyd Hove, who was in on the invasion of Sicily, and was in that country on September 21, writes as follows: "Dear Pete: "Well, it looks like it's going to be a quiet evening, so I guess I can catch up on some of my letters, exclusive. Yesterday I got three copies of the Genesee News, the first I have received here in Sicily, and they really were welcome.

"I imagine the old town must look pretty deserted with all the young fellows gone. "I see by the last paper (July 3) that most of the boys are still in the States. Well, I hope that they don't have to come over here. I'm glad to see so many fellows get in the navy and air corps. I believe that they will like those branches of the service much better than the army.

LT. TEGLAND GRADUATES AND MARRIES ON THE SAME DAY

Lt. Rodney Tegland, son of Mr. and Mrs. Arthur Tegland, who graduated recently from the Officers Candidate School at Ft. Benning, Ga., after service of many months with the infantry and engineers in Alaska and Canada, writes: "Dear Pete: "I really feel ashamed of myself for not writing before, but you know how those things go. Since I came to Ft. Benning in June I have hardly had a minute to call my own. They really keep a person on the jump here at the Infantry School. I received a lot of valuable training but I never want to go through it again. Mine was the last 13-weeks class. The ones now are 17 weeks and there is some talk of raising it to 25 weeks. Our class started out with full company strength (205) men and they graduated 123 of us. We graduated September 27, much to the relief of all concerned. The day of graduation my girl friend arrived from Seattle, and we were married that same evening. I have a 10-day leave and will then start to Communications School here at Benning. There were four out of the class chosen for this school. I have a pretty good chance of coming out of school as a first lieutenant. "I still dislike the south as much as ever, but I guess there are a lot of places worse. The people here live a slow, easy life; never worrying much about tomorrow. I'll still take the Palouse country in preference to any I've seen. "I wish to thank you and the American Legion for the paper. I believe I have received every edition. I know all of the boys appreciate it, especially the ones across. "Tell all the gang, 'hello,' and I hope to be seeing you before too long. Lt. and Mrs. Rodney" Address: Lt. Rodney Tegland, 1113 Britt Ave., Columbus, Ga.

CPL. BAKER ON FURLOUGH

Cpl. Howard Hogan, son of Mrs. Mae Baker, was home on furlough from Friday until Wednesday. He returned to Camp Clairborne, La., and is with the infantry. He likes the service fine, and although he could be furloughed to the reserve to return to mining, he prefers to remain in the army on active duty. The long five days from Louisiana and the five longer days to return to camp certainly wreck a 15-day furlough. James Hogan, who went into the Sea Bees, has been returned to civilian life to be employed on the mines of the Couer d'Alene.

Lame-Duck Season

Everyone has heard of lame-duck seasons and congressmen, but at the George Berry ranch is a duck which has gone on a sit-down strike, expecting to startle her owners with a brood of 20 ducklings, provided the hatch is one hundred percent. Just why a duck should start a family this late in the fall with snowballs not far in the offing, is difficult to understand, but perhaps she has heard of the food-for-war program, and is doing her part. Everything else in this old world is pretty much upset, and one can't blame a duck if she gets her seasons mixed, especially with our July and August weather coming in October.

ANDY ZENNER AN ARTIFICER WITH ARMY IN SOUTH PACIFIC

From somewhere in the South Pacific comes a V-Mail letter from Cpl. Andy Zenner. For a time he was in New Guinea, but it is presumed that he is now in Australia. His letter was written September 20 and reached Genessee last Friday. He writes:

"Dear Pete: "It has been a long time since I wrote to you but that doesn't mean I have forgotten your kindness and that of the Legion for sending me the paper. It usually takes the News about five or six weeks to reach me. Those of August 6th and 13th arrived here today (Sept. 20).

"Harvest certainly is late this year, isn't it? However, with the good yield, especially the peas, and with the mayors and sheriffs, etc., lending a hand, the crops should be almost all in by now.

"The word you had from Roy Wedin makes me believe he is a long way from me now. I have never been able to contact Florry Herrington, nor have I seen Johnnie Thiessen or Don Huffman.

"We were visited by Mrs. Roosevelt and heard her speak. We were also entertained by Artie Shaw and his swing band on another occasion.

"Life as in infantry soldier goes much the same as ever. I am now an artificer, or company ordinance man, hence the rating.

"Andy."

AHOY SAILOR!

San Diego, Calif., said to be the busiest port in the world for sailors, was the meeting place for Ralph Anderson and Everett Wishard. In a letter to his parents, Mr. and Mrs. Geo. Anderson, Ralph, who is stationed at San Diego, wrote that while standing on a street one day with a shipmate, noticed Everett approaching. The two Genessee gobs were overjoyed at seeing each other, and visited as long as their liberty permitted. They also had their picture taken together.

TO LEGION CONVENTION

Mrs. Walter Emerson, president of the American Legion Auxiliary, and John Meyer, commander of the Legion Post will attend the district Auxiliary and Legion at convention at Potlatch this afternoon (Thursday) and evening. Others attending will be Mrs. John G. Meyer, Walter Emerson, Mr. and Mrs. George Anderson, Mr. and Mrs. Harry Emerson, Mr. and Mrs. Anton Kambitsch and Mr. and Mrs. Frank Hoorman.

RED CROSS NOTES

Twenty-six were out Monday afternoon and made 1300 dressings. Our thanks go to John Daily for treats Monday and to Jim Magee for this Thursday. We will be moving back to the Legion hall before long to conserve fuel. No available space could be found on the ground floor, so those who find it hard to climb the stairs will have to think of the lives they may be able to save with the dressings they make and forget about stiff knees. Watch where the flag is hung when you come to work. Will the one who took the wrong over-shoes Monday please exchange at the Red Cross room.

CHAS. HERMAN AT U. OF WISC. FOR SPECIAL RADIO TRAINING

"Your son is among a new group of men who recently came to the Navy, of men who recently came to the University of Wisconsin," reads a letter received by Mrs. Nick Bieleberg from the University of Wisconsin. The letter continues:

"He has probably written to you, telling of the specialized training in radio communications for which he has been selected.

"You have reason to be proud of him because of his selection. He is being given this opportunity because the navy believes he may possess abilities which, after training, will qualify him for important technical duties with the fleet.

"During the period of time he will be here he will be working hard. In order to train him for a position of responsibility, he must study. Forty-two hours every week are devoted to the classroom, the laboratory and organized physical education. He must become proficient in the sending and receiving code messages, naval procedure, typing, and naval indoctrination. That's a rigorous schedule. But, you may be sure that he will become a more valuable man, both to his country during this time of war, and to himself when the war is won.

"One of the brightest moments in a Bluejacket's day is 'Mail Call'... If he gets a letter from home. He likes a letter that tells all the good news of his family and friends. If you have a specific question regarding your son's progress in school perhaps we will be able to help you.

LESTER MAUCH IN OKLAHOMA

Lester Mauch who began his studies for naval aviation at Grinnell College in Iowa, is now at Edmond, Oklahoma. He writes:

"Dear Pete: "I arrived in Edmond September 1 to begin my W. T. S. training at Central State College. We have a day of ground school and half a day of flying.

"The chow and living quarters are the best. The weather here is ideal for flying. I really like the navy corps. Wouldn't trade it for anything I've seen yet.

"I want to thank you and the legion for the News that I received every week.

"Cadet Lester Mauch." Address: C. A. A. - W. T. S. Bldg. Edmond, Oklahoma.

DUCK SHOOTING TO BE GOOD AMMUNITION TO BE SHORT Duck and goose hunting will begin in Idaho October 15, says the State Game Department.

Largest flight of ducks in many years is anticipated. The U. S. fish and wildlife service recently estimated the population of fowl migrating from Canada at 125,000,000.

What might have been the best duck-shooting season in recent history is clouded by shortage of ammunition. Hunters must get along on what they held in reserve from last season.

Daily shooting hours are one-half hour before sunrise until sunset. Time tables have been prepared by the game department for free distribution.

Gentlemen:

Right in the middle of harvesting my John Deere tractor burned. Let me tell you what happened.

On Sept. 13 at about 2:30 in the afternoon my son, Alvin, was operating my tractor when a leaky gas line caused the fire. It damaged the tractor, including the rubber tires to the extent of \$321.59.

I thought immediately of my Farm Blanket Liability policy and telephoned your Moscow agent, Bob Weisel. Within an hour Bob was at the scene and made arrangements for repairs. Next day the tractor was hauled into Rider & Will Co. in Moscow and just four and a half days later it was back on the job.

I signed the proof of loss on the 29th and received my check the next day. Thanks to General, Bob Weisel, and Rider & Will Co. I was able to complete the 90 days of harvesting that remained and saved thousands of dollars worth of beans and peas.

Sincerely yours,
M. L. Pierce

BIG GAME HUNTERS REPORT
PLENTY COYOTES; NO GAME

Floyd Ochs, Genessee, and Virgil Woodward, Al Sutter and R. C. Klobucher of Moscow, who were in the big game country of Green Saddle, Weitas Meadows and Snowy Summit for six days, report game scarce, but numerous coyotes. They returned with one elk.

The four men went in with a truck, three horses and two mules, and covered a lot of territory. They did see some big game in inaccessible places, but no deer and elk were seen in good hunting territory. Some believe that the throngs of coyotes may be responsible for game scarcity, and that in the past few years may have killed numerous young animals. Anyway the coyotes followed them when they were bringing out the one elk, and they are becoming so brave that they invade the town of Weippe.

Rain and snow fell in the higher country, and two of the hunters became lost for several hours. Returning home they were forced to leave the truck at Orofino for repairs, and the horses and mules were placed in a pasture.

Failure to locate game, and the incessant showers and snow provided plenty of exercise. The trails were wet and tricky, and members of the party who rode the mules, didn't know for certain which were the real jackasses. One jenny cleared a creek but left her rider, high and dry, or rather low and wet, in the stream. Another mule, picking her way thru the brush, slipped and fell with the rider, so one knows conditions were not the best for hunting.

More than 500 hunters had checked in at Weippe by October 9, another reason game being scattered.

Sam Lange and George Davidson who flew into the Moose Creek country, had the real fast hunting trip. In on Thursday and out on Saturday with two fine elk.

Wm. Thiesens and sons, Joe and Lawrence forgot about hunting on their trip into the big game country, and continued over to Montana. It was their report also that game was scarce and scattered.

GENESEE VALLEY NEWS

The weather has cooled off and frosts every night. Not much rain but farmers are working 'round the clock to get done before freezing sets in. The social calendar was fuller than usual, partly on account of the departure of Mr. and Mrs. Ed Strate, who lived for many years in the Valley. They were active in church and community affairs and will be greatly missed. We wish them success wherever they locate. We welcome Mr. and Mrs. Leon Danielson and family to the Valley circle.

Mr. and Mrs. Howard Beck and sons of Spokane spent the week end at Chas. Odenborg's.

Mr. and Mrs. Ed Lange of Granite Falls, Minn., are visiting the former's brother, Sam Lange, and family.

Fred Tesch spent Sunday at Fred Hove's.

John Luedke, Elmo Larson, Oscar Danielson and Ed Morken left Monday for Crater Meadows after big game.

Mrs. Morken attended a neighborhood party for Mrs. Mary Wahl, who left for the east to visit relatives. She was given a handkerchief shower.

Ole Johnson is moving to the Nelson farm which he recently purchased. Mary Lou Morken is ill with bronchitis.

Mr. and Mrs. Clifford Hillman and baby had dinner with Mrs. Dollie Peterson Wednesday evening.

Mrs. Chas. Odenborg had a triple birthday dinner party Saturday evening, celebrating the birthdays of Mr. and Mrs. Howard Beck and Harry Martin.

Mr. and Mrs. Fred Hove, Mr. and Mrs. Frank Hoorman spent Thursday and Friday in Spokane where the men attended the Farmers Union directors' meeting.

Mr. and Mrs. Martin Deesten and Mr. and Mrs. Chris Deesten had dinner at Hugo Gehrke's Tuesday evening.

Mrs. Marie Eikum of Lewiston is visiting her son, John, and family. While here she is calling on old acquaintances. Tuesday afternoon she called at Vic Danielson's. Thursday Mrs. Annie Danielson accompanied them to visit Mrs. Nels Bakken and family in Moscow.

Miss Beuletta Nordby of Spokane spent the week end at home.

The Blue Bird Club gave a farewell party at the Strate home for Mr. and Mrs. Ed Strate and presented her with a gift from the club. The Ladies Aid group served refreshments.

Mrs. Marie Anderson is spending the week at Vic Danielson's. She will leave Sunday for Spokane to make her home there.

Mr. and Mrs. Allen Sather and family visited at Ben Sather's in Moscow Sunday.

Mr. and Mrs. Hugo Gehrke, Mr. and Mrs. Ed Jutte and Gloria, Mr. and Mrs. George Scharnhorst and Earl Lackey had Sunday dinner at the Ben Jutte home.

The Genessee Valley church had a dinner at the Parish hall in honor of Mr. and Mrs. Ed Strate Sunday. A purse was presented from the church board by R. E. Nordby. Gifts from the Ladies Aid and Sunday school were given to Mrs. Strate. A pot-luck dinner was enjoyed at noon.

Rev. Veldey was ill so there was no church service Sunday.

Mrs. John Hagen entertained the Ladies Aid at the Parish hall last week, serving a delicious lunch. This was unintentionally omitted from the news last week.

Mrs. Wm. Mervyn entertained the Blue Bird Club for its first fall meeting at her home Wednesday afternoon. Mrs. James Archibald presided at the business session. It was decided to vote to change a by-law concerning membership at the next meeting. A wool quilt and another afghan will be made for the Red Cross. Mrs. Nels Lande will entertain the club November 3 at 2 p. m. The hostess served a lovely lunch.

Hallowe'en Party
St. John Luther League will be host to the Troy Luther League for a Hallowe'en party Thursday, October 28. The committee in charge of all arrangements is Stanley Rosenau, Phil Greenwell, Betty Koster and LaVonne Denso.

The Luther League met last Sunday evening with Misses Elaine Simmons and Eloise Herman, Stanley Rosenau and Bobby Herman in charge. The Moon is Down...

THERE are dark nights in Norway. Nights when Nazi sentries feel uneasy at their posts.

It is not what they hear that disturbs them. It is what they do not hear. The deep silence behind a bush. The stealthy quiet around the corner of a house. The terrible hush in the blackness all around them.

For the Norwegians lost their country without ever surrendering themselves. They wait now in the night to strike back at their oppressors.

If they ever had really given in, there would be no need of the thousands of Nazi troops now in Norway. They could have been sent to the Russian front. Or Tunisia. But they couldn't be spared.

They can't be spared in Holland either. Or Poland or France or Yugoslavia or Belgium. In China, tens of thousands of Jap troops must also remain. And Axis troops will have to remain in countless countries so long as the "conquered" people have the stamina to resist.

You can help support this army already in Europe, by your contribution to the National War Fund, which you make through our community's own war fund.

For this year, the agencies that can do this job have banded together to make the collection and distribution of funds simpler, cheaper and more effective. Their job is threefold. To keep our fighting allies in the fight. To provide friendly help for our men in the a red services. And to relieve distress where it is found here on the home front.

Because all these agencies are now banded together, you are being asked to contribute only once for all of them. Because you are being asked to give only once, you are also being asked to give generously. Add up all you would have given to each of these agencies throughout the year, and then double the total! It is one of the most important contributions you can make to victory!

RIMROCK SETS \$1,000 QUOTA FOR NATIONAL WAR FUND

One thousand dollars is the quota voluntarily accepted for the Rimrock section of Nez Perce county in its drive for the National War Fund. One thousand dollars for its men and women in service, and for our fighting allies, war refugees, war prisoners and those in countries now occupied by the enemy. One thousand dollars from a community that appreciates what the armed forces of the United States are doing to protect and perpetuate their way of doing business and their way of living.

It is a busy time of year, but the committee, W. H. Mervyn, Stanton Becker and Neil Sweeney, are giving their time to put Rimrock county over the top in this campaign. They advise that contributions be handed to them, or contributions may be left at the Genesee News office, where receipts for donations were left.

People of Rimrock have pride in their community, and naturally they desire to receive credit for donations on their quotas, so please, when making contributions, state that they are to be credited to Rimrock.

"Watch Rimrock" is the slogan during the National War Fund drive.

PEDERSON TO AIR CORPS

Gerald Pederson, member of the University of Idaho junior ROTC which has been at Camp Roberts, Calif., since June, said in a telephone communication late Tuesday night that he had completed examinations for the army air corps, and had been accepted in that branch of service. He does not expect to return to the Idaho school with other members of the ROTC unit. He does not know how long he will remain at Camp Roberts, but presumes it will be until a class is ready for air training. The Idaho ROTC has completed its cycle of infantry training at the California camp and are expected back in Moscow soon. Loren Kamnitzsch, also a member of the Idaho Junior ROTC, is a senior in scholastic standing, and his status is somewhat different than other members. Pederson was the only one from Idaho changing over to the air corps, but a number from other schools are being transferred upon application and successful completion of examinations.

NATIONAL WAR FUND DRIVE JUST STARTED GOING FINE

Genesee and Rimrock communities certain that their quotas in the National War Fund campaign will be exceeded during the remaining days of October. Such an estimate is based on early returns from both sections from the town where workers an initial work on Wednesday. Voluntary contributions were gratifying, stated Walter Emerson, who is chairman for this part of Latah county.

Funds Needed During Winter

Old weather brings on increased needs of the various relief agencies and the war prisoner management. Likewise, there are more exiles borne by the USO and other agencies working in behalf of our fighting forces, and expenses will continue to increase as our service units increase and men leave for overseas greater numbers.

The United States and allies will "live off the land" as they conquer territory, as do the enemy. Instead the American people will desire relief to be given these people who are relieved of the yoke of tyranny, Americans, humane Americans, will respond to the War Fund campaign, knowing that some of their money will be used for refugee relief, relief of the children, the aged and infirm in countries who have been living under most trying conditions.

War prisoners, and there are a great many, more in fact, than people the United States realize. Americans, men, women and children, are captives of the Japs. We have a great many men and women of the services who were captured in the Philippines, men and women who were holding up our posts.

USO Gets Big Slice

Almost half of the \$125,000,000 subscribed for the National War Fund will go to the United Service Organizations, and its the USO that will be meeting with favor of men and women in the service everywhere. It cannot be said that Americans are forgetting their men and women in service. We want them to have everything possible, and we want to share in the privilege. While we are permitted to remain at home and pursue our usual vocations, no one should hesitate to give a day's pay to the National War Fund. Many are giving more than a day's pay because they realize that the man in service is doing his work and the combat work of the man at home. Not many realize that at home today would trade places with the fellow in the South Pacific, in the Aleutians, in Italy, or wherever men are risking their lives today. We want those fighting men to return home as soon as possible, and while fighting our battles to enjoy at some time the American way of life. That money you are giving to the War Fund may hasten their return. Please contact your local committee today, and if you have not already contributed, do so at once. If you feel that your contribution was so small, increase it. For the most part your contribution is simply providing some of the comforts which our boys are privileged to enjoy at all times at home. Americans all, and all for America, does not ring true in this campaign. We are also going to help our unfortunate allies too.

MRS. RADER BUYS CAFE

Mrs. Wm. Rader purchased Helen's Cafe Friday of last week. She operated the business on two occasions, once about a year ago, and was in charge of the place a month before closing the transaction with Mrs. Helen Bershaw, who opened the business about five years ago. Mrs. Bershaw said she planned to visit her son, Jerome, and family, near Seattle for some time.

Helen's Cafe has become quite a favored eating place, especially at the noon hour when, at times, there is a waiting line.

THOS. WILSON INFANTRYMAN NOW AT CAMP ADAIR, ORE.

Word comes from Thomas Wilson, son of Mr. and Mrs. Colin Wilson, who is with the 275th Infantry, and is in training at Camp Adair, Ore. He writes:

"Dear Mr. and Mrs. Pederson: I have been in the army some time now, and it isn't too bad. I wish to take this opportunity to thank you and the Legion very much for sending me the paper. I enjoy it very much.

"I am in the 70th Division here at Camp Adair. It sure is a large place. The only thing wrong is that it rains so much. It has been raining really the last few days.

"Basic so far has not been as bad as some claim it to be. We have about four weeks left. There are soldiers from every part of the United States here. Most of the officers are from the south, and a very nice bunch to be training under. We have been on the rifle range since Sunday and are to be on it for 28 days straight.

"Thank again to you and the Legion for sending the paper. It really helps.

"Tom."

Address: Pvt. Thomas O. Wilson, Hq. 3rd Bn., 275th Inf., APO 461, Camp Adair, Oregon.

SCRAP PAPER

In response to urgent requests from various sources, the Genesee Fire Department will take care of scrap paper and magazines again this year. If left at the door of the old gym, Geo. Anderson will place it inside where other collections are stored.

It is not practical in most places to salvage paper scrap from waste baskets, but there is a demand for old newspaper, magazines and paper cartons. Before paper may be sold to a dealer it must be sorted into several grades, thus the department would suggest that magazines be tied in bundles separately, with newspapers tied in other bundles.

Demand for scrap paper today is urgent, as materials for making heavy paper cartons in scarce. These cartons are used for packing supplies for the armed forces, and a large quantity of wood fibre goes into manufacture of practice bombing ammunition and targets.

CHURCH BAZAAR TUESDAY

CINCHONA SEEDS TO SOUTH AMERICA

Since the day when two million Cinchona seeds were snatched from under the noses of the Japanese after the fall of Bataan, in the Philippines, more than 110,000 seedlings grown from these seeds have been shipped to Peru, Ecuador, El Salvador and Nicaragua to start the quinine industry for the Western Hemisphere. When the Japs closed in on Bataan, an American army colonel packed two million seeds in two small cans and set out for Australia in a flying fort. The fortress planes attacked, but the fortress reached Port Darwin after dark with one of its motors silenced. From here he took the seeds to General McArthur's headquarters, thence by boat to San Francisco and by army plane to Washington where he turned them over to the department of agriculture.

Cadet William Keane Burr, 25, son of Mr. and Mrs. D. C. Burr, 211 Boylston, Ave. N., Seattle, was laid to rest in Ravens Cemetery, University District, Seattle, Tuesday morning, October 19. Rosary services were conducted at St. James' Cathedral at 7 o'clock, the evening preceding the funeral. Requiem High Mass was offered at the church at 10 o'clock Tuesday morning.

Full military honors were accorded the late Cadet, who lost his life in a plane crash at the Livermore Naval Air Training Base October 11. Men of the Seattle Naval Command were pallbearers, firing squad and guard of honor. Final military rites were impressive. The casket, draped in a navy blue, faintly heard from high overhead, and at the conclusion the navy men presented the bereaved parents with the flag which covered the casket.

Pfc. Homer Burr of Camp Beale, Calif., through the American Red Cross, was notified of his cousin's death, and was granted a furlough to accompany the remains to Seattle.

There were many relatives of the Cadet present for funeral services, including Mr. and Mrs. W. V. Burr, Genesee; Pfc. Homer Burr, Camp Beale, Calif.; Mrs. W. H. Frederic of Pittsburgh, Pa., a sister of the deceased; Mrs. Mary McLaughlin and Mrs. L. G. Steink, Spokane; Mr. and Mrs. Clayton Keane, Wallace; Mrs. George Wylie, who was visiting in Seattle; Mrs. W. M. Crowley, Tacoma; Mrs. W. E. Smith, Yakima; Mrs. Roscoe Balch, Seattle; Mrs. Josephine Shepherd, Tacoma; Mrs. Margaret Mason, Everett; Mr. and Mrs. Arnt Ostad, Mr. and Mrs. S. H. Lowry, Mr. and Mrs. Perry Crawford, Seattle; and Mrs. Meryl Hayes and Mrs. Myrtle Burr, Helena, Mont. Also present for services were Mr. and Mrs. Neal Kinyon, and Mr. and Mrs. Pete Kinyon of Genesee, and many Genesee people who are at present living in Seattle.

Besides the parents, Mr. and Mrs. D. C. Burr, the deceased is survived by his son, Denny, age 5, his sister, Mrs. Frederic, and a brother, Pvt. Robert C. Burr who is presumed to be overseas with the Army Air Corps Special Service Command.

EDWIN MILLER ON FURLOUGH

Cpl. Edwin "Gus" Miller and Mrs. Miller arrived in Genesee Wednesday from Fort Smith, Ark. Cpl. Miller is stationed at Camp Chaffee, about 7 miles from Fort Smith, and is on a furlough which permitted him but two days at home. They left Thursday afternoon for Spokane and will visit relatives overnight and then go on to Butte, Mont., to visit relatives of Mrs. Miller for a brief time. Mrs. Miller expects to remain in Butte as her husband feels that his outfit is moving out from Chaffee for a time at least.

Edwin is from an armored regiment, and he is an armorer, and a gun repair and service man. From his conversation, one would say that Gus likes the service for the duration but like others would like to be back at a civilian job when the war is over. When he entered the service he was at the navy yards at Bremerton as a sheet metal worker and was in Civil Service, a position that awaits him when discharged.

Mrs. Miller was engaged in defense work at Bremerton before her husband went into training, and while at Fort Smith was employed by an auto parts company.

Now is the time to give to the War Fund. See your local committee.

British Women Collect Spider-Web

Collecting spider-web for precision sighting instruments is one of the duties performed by women in the British Auxiliary Territorial Service. According to experts, it is most suitable for sighting instruments. The collection requires a delicate touch and a steady hand. The woman web collector catches a spider with one hand and drops it from one hand to the other. As the spider falls, it spins a fine web. This strand is attached to a metal frame smeared with shellac, and the frames are stored for future use. When this fine strand is not fine enough, ATTS craftswomen split a strand in two under the microscope.

Labor has been scarce, with boys and girls taking time off from school to assist, and some have worked after school hours. With registration for new ration cards on the first three days and with school closed during the afternoon, there was more help. Thursday and Friday were the days for teachers' meeting in Lewiston, and with no school all day for the two days, more help was available. Potato harvest, however, has been slowed up by rains.

First Snow Friday

A gentle reminder that winter may be on the way came in the form of a flurry of snow last Friday which did not cover the ground at Genesee, but in Moscow at 11 o'clock Friday night it looked like winter. Snow fell to the north, with a few inches at Bovill. Mountains in several directions were snow capped Saturday morning.

Fall Work Retarded

Fall farming operations have been interrupted by rains during October, but there has been much plowing. Most of this work was done when soil conditions were dry, but some fall plowing has been retarded. Moisture is sufficient at present for good plowing of alfalfa ground. Those who seeded fall crops in the dust should have a splendid stand in a few days, and those who got in some seeding after the first showers will find an even germinated crop.

One would naturally believe that harvest was 100 per cent completed in the inland Empire, but there are small sections in fields remaining to be harvested, and it is reported that one man in the Moscow-Pullman area had about 300 acres of oats to harvest as of last Thursday. It is believed that every kernel was harvested this year in the Genesee area before weather became unfavorable, and what a good crop it was.

RALPH KLUSS, STOREKEEPER NOW IN SERVICE AND AT SEA

Ralph Kluss, storekeeper third class, who started his life in the navy at Farragut, has been at sea, and writes that he has received his gifts from the Legion and Farmers Union. His letter follows:

"Dear Pete: 'It's about time I am writing you a few lines letting you know that I am still in these pitching. Am sorry I waited so long before doing it. 'I imagine the fall work around Genesee is in full swing. Wouldn't mind getting in on a little of it. 'I am on a good ship and so far like it pretty good. My work is in the disbursing office, figuring the crew's pay. This runs into a lot of work, but is interesting. There are several other storekeepers here in the office doing the same work and all are a swell bunch of fellows.

"I have been getting the Genesee News pretty regular and really enjoy reading them. Want to thank you and the American Legion for sending it to me.

"I also wish to thank the American Legion and the Farmers Union for the Christmas package they sent. It was really nice.

"Well, Pete, I can't think of anything else I can say so, so long until later.

"Ralph."

CLINT JACKSHA IN STATES

Clinton Jacksha, who was in the South Pacific for over a year, has arrived in the United States, and is a patient at Hammond General Hospital, Modesto, Calif. His parents, Mr. and Mrs. John Jacksha, have not been informed of reasons for hospitalization, although it is known that he was a malaria patient on one or two occasions.

BACK TO CAMP

Pfc. Ronald Geltz and Pfc. Leland Emmett, here on furlough, left Wednesday from Lewiston for Lemore, Calif., and back to the army air base.

On the way north they happened to be on the train out of Oakland that carried Pfc. Homer Burr and the body of Cadet William Burr, and traveled as far as Portland on that train.

Stub and Lefty are with the military police of the army air base, with the latter drawing guard duty in town and at camp while Stub has a permanent gas truck assignment.

Returns to Ft. Leonard Wood

Pfc. Ronald Huffman and wife and Mrs. S. U. Lough visited friends in Gulesac Friday before Ronald left Saturday on his return to Ft. Leonard Wood. Mr. Ron was home, called by the illness of his grandfather, Mr. Lough, and was granted an extension of a few days.

Word from Richard Theuerkauff

Lewiston Tribune: Mrs. H. Theuerkauff received some Italian paper money from her son, Cpl. Richard Theuerkauff, who is stationed in Italy with the tank corps. Cpl. Theuerkauff wrote he was able to make a recreation trip to town about once a week. He also said it was raining quite a lot and was much cooler. It takes between 20 and 25 days for a letter from Clarkston to reach him.

of Federal, Private and Municipal Electric Systems in the

NORTHWEST POWER POOL

Speeds Victory!
Points to Industrial Prosperity!

Working together now for nearly two years, the cooperation of members of the Northwest Power Pool has made many thousand additional kilowatts of electric power available for war production — has saved vast quantities of coal and fuel oil by using hydro-electric power to replace steam generating plants — has conserved transportation, manpower and vital war materials . . . all speeding the day of victory.

This same cooperation of Federal power projects, business-managed electric companies and municipal systems after the war can mean more jobs for returned fighting men in a prosperous Northwest.

Bob Says: Let Me Buy You a New Set of Golf Clubs

Q: "Two days ago my golf clubs disappeared from my locker at the club. Are they covered by my new General Residence and Outside Theft Policy?"
A: "Absolutely, they are covered. We'll have a check for you in a few days."
Q: "I am living on my farm. Can I get one of those new policies?"
A: "Yes, farm risks are written on exactly the same basis as residence risks. If someone swipes your tractor, General will pay the loss."
Q: "I have a boat and outboard motor at the lake. Suppose someone takes the motor while I have it tied up at a dock?"
A: "General will pay the full value of the motor. And this complete coverage costs no more than ordinary burglary insurance; in fact, the average cost is only about 15 cents a month."

Saturday evening dinner guests of Mr. and Mrs. Adrian Nelson were Mrs. Elvon Hampton, Mr. and Mrs. Ed Morken, Mr. and Mrs. George Nelson and Mr. and Mrs. Oscar Danielson. Mrs. Art Springer visited over-night Thursday with her aunt, Dr. Vinetta Lint in Clarkston. Dr. Lint recently returned from an 8-months' stay in California.

Mrs. George Erickson and Mrs. Walter Gehrke were visitors in Lewiston Wednesday. Miss Ruth Alice Vanouek of Kingstons, Idaho, visited Saturday and Sunday with her parents, Mr. and Mrs. E. W. Vanouek and other relatives. Sunday visitors in the Vanouek home were Mrs. Cora Harding, Miss Elizabeth Fulton and Fred Messmer of Spokane.

Mrs. George Post and daughter, Dona, spent last Thursday and Friday in Spokane. Walt Gehrke, Ed Carlson, Jim Archibald and Chet Qualey returned last Wednesday after going into the Selway two days before after big game. They returned because it was impossible to hire packers for almost a week. Many hunters were ahead of them waiting for packers. Big game this year seems scarce in the most frequented hunting places and hunters are compelled to travel greater distances for deer and elk.

W. W. Burr and Pte. Homer Burr returned the first of the week without seeing any big game. They reported varied weather. Fog hung heavy at times and at other times the sun shone clear and warm. Joe Trautman left last Thursday for California to spend the winter with his daughters, Mrs. Lee Lane and Mrs. Kenneth Green at San Mateo. Enroute he visited another daughter, Mrs. Rosanna Graham at Portland.

Dinner guests Saturday evening of Mr. and Mrs. Art Springer were Miss Eva Christensen and Wm. Christensen. Mrs. Glenn Sampson who visited her daughter, Mrs. Ed Bergman, and family in Spokane, returned home last Friday. Mrs. Leo Senften returned Saturday to remain with her parents, Mr. and Mrs. Art Springer, after spending four months with Mr. and Mrs. H. R. Senften at Castleford, Idaho.

Joe Tustoch, who was employed at the Ferd Brueggeman ranch, left recently for Headquarters where he will be employed as a mechanic.

Mrs. Cora Meryn arrived Sunday for a visit with her son, W. H. Meryn, and wife. She had been visiting her daughter, Mrs. Alvin Alexander, at Missoula, Mont. Mr. and Mrs. Alexander have moved to Spokane for the winter.

Miss Marjorie Springer, employed in Spokane, visited from Saturday until Monday with her parents, Mr. and Mrs. Markie Springer, and other relatives and friends. Mr. and Mrs. S. U. Lough attended funeral services Tuesday at the Brower-Wann chapel in Lewiston for Franklin Lee Lough of Gifford, who passed away Sunday. The deceased was an uncle of E. U. Lough.

Mrs. Bertha Bressler of Spokane came Monday evening to attend the Community church bazaar and to visit in the homes of Henry Martinson and daughter, Esther, and Mr. and Mrs. Burr.

Mrs. Dick Green left Wednesday of last week for a visit of two weeks with her son, Mrs. H. J. Striratt in Missoula, Mont. Mrs. Gerhard Broemeling of Cadogan, Alberta, Canada, arrived Sunday for an indefinite visit in the home of her sister, Mrs. J. H. Broemeling, and other relatives.

Mrs. John Krier left Saturday for a visit in Seattle with her daughter, Mrs. Ted Smith, and family, and with her son, Maurice Krier, and family. Lt. and Mrs. Jack Greif who have been living in Portland are visiting relatives in Genesee and Lewiston. Lt. Greif will leave soon to be stationed Barkeley, Texas, while his wife, the former Miss Evelyn Krier, will remain here with her parents, Mr. and Mrs. John Krier.

Mrs. E. E. Miller and daughter, Miss Virginia Miller, were in Moscow last

were dinner guests of Miss Charlotte Driscoll. Connie Denso visited from Thursday until Saturday with Mr. and Mrs. D. Wagner in Johnson. Miss Marion Davee spent the week end with Miss Dorothy Parker in Clarkston. Elmer Krier underwent an operation for appendicitis at the Bryant Clinic at Colfax Tuesday morning. His sister, Mrs. Jack Greif, graduate nurse, is caring for him.

Former Superintendent Visits M. E. Muhlitz of Ventura, Calif., called on Mr. and Mrs. Robert Emmett Wednesday morning. Mr. Muhlitz was superintendent of Genesee public schools for four years, leaving here 15 years ago. He is now assistant superintendent of schools in the county wherein he resides. He made the trip to Idaho to see his mother, Mrs. Ada C. Muhlitz who is ill with pneumonia at St. Joseph's hospital, Lewiston.

How Much is Your Thanks Worth?

"THANKS...to the Chinese, who never had such a but who at least had the guts to stand up to the Japs for seven long years.
Thanks...to the Norwegians, who lost their country but never surrendered themselves.
Thanks...to the Russians, who gave their lives and homes and burned their factories and fields to turn Hitler's dream of conquest into a nightmare of defeat.
Thanks...to the British, who might have given up but didn't...to the Yugoslavs, who still fight in the hills...thanks to all the freedom-loving people in the world who gave us time to gather our strength.
Make your thanks to all of these really mean something...by giving generously to the National War Fund through our own community war fund.

THE GENESSEE NEWS Genessee, Idaho Entered at the Postoffice at Genessee, Idaho as Second-Class Mail Matter. E. D. Pederson, Publisher. CONTRIBUTUTE TO WAR FUND Americans all are contributing to the National War Fund. Our local community is slowly gaining its objective, and people for the most part are generous. Those named as committee chairman and assistants are busy people, but they are doing an excellent job. Many who have been assigned to soliciting have numerous other tasks relative to community welfare, and are taking time from their own pursuits. The job must be done, and there is splendid cooperation in the drive. Locally the drive is somewhat behind schedule, but it will be continued until every person is contacted or has called to make a donation to the War Fund. The committee chairmen have reasoned that adults should contribute on an average of \$8.00 for every man and woman from the community now in the armed forces. Another method of determining donations is to give a day's pay to the War Fund. About one-half of the \$125,000,000 to be raised in this drive goes to the USO which is doing such a fine job for men and women in the service at home and abroad. There will be money for our war and civilian prisoners, money for refugees and money for the starving children and older people of the countries now under the heel of oppression. You are invited and urged to participate in this great humanitarian effort. Give to the War Fund. LAWRENCE KASPER HOME FOR FIRST TIME IN FOUR YEARS (Continued from Page One) been tested in action and who now know who is on the winning side. He did say that he would like a taste of Atlantic duty. Since December 7 the destroyer has logged 200,000 miles in battle action and escort duty in the Pacific, and the last stop before reaching the States was at Bora Bora Islands in the Society Group. Lawrence speaks of the thousands and more islands as war landlubbers speak of towns in the Inland Empire. He has landed on many of them for refueling and recreation for men. He was on Guadalcanal when the Marines were rounding up remnants of the Jap forces about Henderson Field. There he saw a group of Jap prisoners, bedraggled, hungry and beaten. The Japs have sacrificed men in great numbers, but he said the Americans were conserving man power and were thoughtful of their fighting men in the South Pacific. The Fiji Islands, the New Hebrides, the Solomon Islands, New Caledonia, New Guinea, the Marshall and Gilbert Islands and scores of others are well known to Lawrence. His description of Wake Island before taken by the Japs gives one the idea that the dot of land is small and unimportant except for naval purposes. He said that when approaching Wake a ship in harbor could be seen long before anything else was visible. The Hawaiian Islands are almost like home to the returned sailor for he spent much time there before and after Pearl Harbor. He visited with Howard Rosenau just four days before December 7th. Howard was the first boy from Genessee and the first sailor from central Idaho to give his life in defense of his country. Lawrence visited Tuesday with Mr. and Mrs. Art Rosenau, parents of the deceased sailor. Lawrence also visited with Chet Green in Pearl Harbor. Chet is a gunner's mate first class on a U. S. battle ship. He also saw and visited with Floyd Rader, formerly of Genessee and later of Troy, and who died a few months ago. On a recent escort voyage, Lawrence had a 17-day leave in New Zealand, 10 days of which were spent at Dunedin and seven days at Wellington. He has had numerous lay-overs in the Islands for recreation. Ship Service provides entertainment and opportunity to purchase American-made food and refreshments in many of the Islands. Money means nothing to the sailor on a duty for seawealth, and he is given a check (chit) good for two stubbies of beer at some of the Island canteens. Those who like beer do not hesitate to give a five dollar bill for a "chit." The navy watches closely what people of the Islands offer American sailors in the way of drinks. An analysis of one bootlegger's product showed it to be about 25 per cent kerosene. Inhabitants of the islands vary a great deal, from the large, bushy-haired and dark people of the Fijis to the fine and pleasant looking people of Tahiti, the latter undoubtedly outstanding of all Island people. Meets Friends at Berkeley Lawrence had several fine visits in Berkeley, Calif., with Ensign and Mrs. Ed Wagner, Lt. Katharine Linehan, army nurse, stationed at Camp Stone, Pittsburg, Calif. The four were recently at a reunion at the Wagner home. Ensign Wagner is now on Y.P. duty at Treasure Island. Thanks to Legion and Union Lawrence had several fine visits in do while home, wishes The News to express thanks to the American Legion and Farmers Union for the Christmas gifts he received recently. He said the air-mail stamped envelopes and stationery were appreciated because they were difficult at times to obtain. Time Going Fast Time was going fast for the returned sailor and his 18 days will soon come to an end. He left the United States in May, 1941. He touched soil of the States again for the first time on October 29, 1943. He is a trifle older looking than when he graduated from high school here in 1938. His movements and speech are quick and decisive. He's a veteran of four years, and has been in the heat and cold of the Pacific. He has seen men from other commands lose their lives from exposure in the Aleutians, and his watch crystal is blistered from the heat of sun in the South Pacific. His job as fire controller, overseeing and directing big gun fire has made him alert. Living in cramped quarters of a destroyer on patrol, and at battle stations in combat do not appear to have changed the sailor's outlook on life. He may be somewhat anxious to return to duty, but he states that he may want to settle down after the war which he will win in about two years. America is growing stronger in the Pacific but there is a lot of work ahead, but another naval engagement like that of the Coral Sea would put a big dent in the Jap's navy. The sailor said he was most certainly enjoying his first leave at home, but also said that he was having some difficulty at nights. These hand-based beds don't roll and pitch like his bunk on the destroyer, but should he tumble to the floor in his sleep, he believes the chances of injuries will be justified. Remember the National War Fund. Make your contribution today!

OFFICIALS NEED EXPERIENCE WRITES DOWNSIAK OF IDAHO The following is from Congressman Henry Dornshak: Last June, when the appropriation bill for the office of price administration was before the house, an amendment was adopted providing that top-ranking officials in this agency must have had five years' experience in the particular business over which they had jurisdiction. The administration objected to this proposal, and succeeded, in the senate, in modifying the amendment, so that it would not be necessary to discharge inexperienced OPA officials. Recently, ceiling prices were established on live cattle and at a hearing held October 26 by the house committee on agriculture to ascertain the reasons for this new policy, four witnesses appeared on behalf of the OPA, all of whom admitted that, although they were largely responsible for this policy, none of them had any actual experience or knew anything about the raising of beef cattle and the processing and distribution of the meat. One of the group, Dr. Richard B. Gilbert, chief economic advisor of the OPA, contended that he was a trained economist and that he had taught economics at Harvard University for sixteen years and also, at other colleges. This disclosure of the processes used in formulating policies indicates that there is urgent need of forcing new deal agencies to be directed by personnel which has had some practical experience. The house committee hearing also revealed that the new price ceiling program was announced only when the OPA was confronted with going into court to prove the legality of its price controls of cattle during the past several months. It was admitted that the entire procedure had been illegal and, to avoid court action, the OPA merely announced another price control program on cattle. A social committee for the student body, composed of Beverly Anderson, Mary Emerson, Sanford Evans and Vern Grierson, was named this week. Their duty is to plan entertainment and parties for the student body. BULLDOGS' PEN Editorial On November 11 we celebrate the twenty-fifth anniversary of the signing of the Armistice in 1918. But should we celebrate? It seems a bit queer to celebrate peace when we and the whole world are at war. Armistice Day always reminds us of peace and how wonderful it is. It makes us look forward to the day when another Armistice will be signed, ending this war. But that day will not come by just sitting back and waiting. We must buy War Bonds, donate to different relief societies, and do as much as we can to help out in the war effort. Until we do this, and until another Armistice is signed, we should postpone all celebrating. Introducing Mr. Knight Teacher of the week, Roy Melford Knight who was born at Camby, Ore., March 10, 1913. He attended numerous grade schools and graduated from high school at Dufur, Ore. He attended Whitman University at Walla Walla for one year, during which time he played football. Then he was a student at Northwest Christian at Eugene, Ore., for four years. He played baseball and was captain of the basketball team. After this he attended the University of Oregon for one year. After that he moved to Genessee and has remained for five years. He was our study hall teacher two months last spring and all of this year. Mr. Knight's favorite pastime is reading, and photography and hunting are his hobbies. His opinion of Genessee is, "Oh, I like it." High School News The nine weeks quizzes are over and those on the high school are: Beverly Anderson, Don Baumgartner, Don Bergen, Norma Broemeling, Mae Busch, Yvonne Ekum, Mary Emerson and Yvonne Liberg. Honor students are: LaVonne Denow, George Pollett, Maxine Kamitsch, Marie Knopp, Pat Magee, Fred Morschek, Betty Olson, Louise Valdenburg and Bill Weber. The high school chorus is practicing a medley of "I'm a Yankee Doodle Dandy, Over There, and God Bless America, under the direction of Mrs. Margaret Covington. They are going to sing at an Armistice Day program at school Thursday morning. Immediately after this program the school buses will return students home and there will be no school in the afternoon. The American Legion will be host at a free picture show Armistice Day night to which all students and anyone else is invited without admission charges. The high school girls' chorus will appear Friday evening at the Open House program, given by the first four grade committee for the student body, composed of Beverly Anderson, Mary Emerson, Sanford Evans and Vern Grierson, was named this week. BAYNE HICKMAN OVERSEAS Pfc. G. B. (Bayne) Hickman, is now somewhere in England with a bombing group, and is with the headquarters squadron. This is the first letter from Bayne to The News, and word from him came via V-Mail On October 27, he wrote: "Somewhere in England "Dear Pete: "Just a line to let you know my new address, in hopes a News will come my way again soon. This is sure a nice country over here but it is awfully damp and chilly. Imagine I'll get used to that alright. Give my regards to Gerald and the rest of the boys, and I hope they are making out okay. Well, Pete, the News has meant a great deal to me all along but imagine it will mean more than ever now, so keep up the good work. "Bayne." LES INGLE AND NINE OTHERS STRUCK BY HIT-RUN DRIVER Sgt. Lester Ingle is in the Fort DuPont, Delaware, hospital receiving treatment for injuries sustained when he was struck by a hit-run driver. A letter to his father, Tom Ingle, stated that he was knocked about 40 feet, but did not state the seriousness of injuries. He did write the letter with his left hand, which signifies that his right arm could not be used at the time. A newspaper clipping from some city in Delaware gives the details: Nine soldiers from Fort DuPont were injured late yesterday afternoon when a hit-run driver plowed through more than 100 marching soldiers on night duty at the Fort DuPont City Road, about one-half mile from the fort. Acting on information given by the soldiers, state police about 20 minutes later arrested Charles Guesford, 30, Delaware City, at his home on charges of driving under the influence of liquor, leaving the scene of an accident, assault and battery. The injured being held in the Fort DuPont hospital are: Captain Howard L. Cauvel, fractured leg; Second Lieut. Geo. D. Blackembaker, leg injuries; Sgt. Lester T. Ingle, shoulder injuries; Tech. Sgt. Lawrence E. Williams, leg injuries; Tech. Sgt. H. B. Reina, injuries to right side. Army authorities said that other men were treated for minor injuries. There are also made written reports on Health Reports. Seventh Grade We elected new officers this week. They are: President, Donald Johnson; secretary-treasurer, Marjorie Hatton; librarian, Margaret Aherin. Earl Taylor has been out of school almost a week. In reading we are supposed to select an animal or insect and study it and make reports on it. —By Ralph Koster. Eighth Grade We have a new student in our room who recently moved from Moscow. Her name is Marjorie Bellomy. Our English teacher has divided us into two groups. One group needs more practice than the others do. We will have a test over the president and 20 dates in our history in a week. —By Emma Lous Evans and Norma Scharnhort. SHOOTS ELK NEAR HOME Jim Archibald and Clayton Mulalid decided to look over the big game situation in Latah county, and when Felton's Hill, not far from Moscow, they jumped two elk, one of which was brought down by Jim. The other elk traveled a short distance and was shot by a couple of boys. Four elk were reported taken Monday in the Moscow Mountain area, elk that trace back, evidently to the parent stock which was brought into Latah county about 14 years ago and which are near Bovill. The cow elk killed by Jim Archibald weighed about 325 pounds when dressed. THREE TAKE SERVICE EXAMS Rich Broemeling, Bill Weber and Lawrence Thiessen were in Clarkston Tuesday where they took qualifying tests for the army-navy A-12 and V-12 programs, which lead to college studies before actually beginning service. The exams were taken at Clarkston high school. The results of examinations will be sent to the boys some time in December. Tommy Garrett at Gunners' School Word received from Tommy Garrett by his parents, Mr. and Mrs. Dave Garrett, is that he has been transferred from the Marana air base near Tucson, Ariz., to Kingman, Ariz., an aerial gunners' school.

PEARLE SCHOOLER ON FURLOUGH FROM NORMALYE Men and women in the service are willing to undergo pretty tough treatment in traveling to reach home for just a few days. Pearle Schooler, now a private first-class in the WAC and stationed at Normaly Ordnance Depot, San Antonio, Texas, spent five days of her 15-day furlough traveling to Coeur d'Alene. The same number of days will be required to return to "Troy" which leaves her but five days to visit relatives in the Inland Empire. Pearle (Terry) Schooler traveled to Spokane and then to Coeur d'Alene to visit her brother, Howard, and family, and also to meet her father, Charles Schooler, who happened to be at the Lake city and her brother, Homer, who was at the airfield in training. Homer is also on furlough, of ten days' duration, before leaving for Lincoln, Nebraska to report to the aviation mechanics' school. Pearle and Chas. Schooler visited Mr. and Mrs. Phil Schooler at Sprague Tuesday and came on to Normaly in the afternoon where they met Homer. Wednesday Pearle and her father returned to Coeur d'Alene, where she will remain here for a few days. Pfc. Schooler enlisted in the WAAC March 6, 1943, and trained at Des Moines, Iowa, and reported at Normaly June 24. She was assigned to the mechanical division, and now checks electrical, cooling and fuel systems of army transportation at the Ordnance Depot. Her hours are from 4:30 in the afternoon to 12:30 at night, six days a week, with Saturday off duty, but she works Sunday afternoons and nights. Pearle qualified for office duty but she preferred ambulance driving, a field that was closed for a time to the WAC, and in aptitude tests she was classified for the mechanical, a job that working hours were the same as the usual formations, and working hours are during the cooler part of the day. Texas gets warm in the daytime, but it also can turn pretty cold, she said. When the WAAC became part of the army the name of the organization was changed to WAC, and regulations are the same as the army. WAC's are engaged in various types of work, such as office, car and truck-driving, telephone, telegraph and teletype operators, special service, mechanics and postal service. The latter service is one that the women's army is taking over in many camps, and the field for the women now includes many more activities than when the WAC was first organized. The largest truck that women drive at Normaly is a ton and a half. Many drive staff cars and the favorite army jeep and jeep. It's "Yes, Mam" and "No, Mam," to commissioned personnel of the women's army, but Pearle said she has addressed male officers as "Mam" on two occasions, with the net result of temporary embarrassment to her, but no penalty. Pearle said that there were now 50,000 women in the service, but that the army wanted a total of 100,000 for service in the United States and in foreign countries. She would like very much to be assigned to overseas duty. She urges girls to enlist in the WAC, and explained that the field for women is now enlarged, but that the most urgent demand was for office workers, and women for the various communications branches of the army. In taking over the army postal system a great many men will be relieved of work in her unit. She was very much in her well-fitting uniform, strictly government issue. She wore the now permitted overseas cap with ornate band, a headpiece that is more becoming than the cap as worn by WAC seen in pictures. There is food plenty, but with men cooks at Normaly the grub is highly seasoned and sometimes lacking to make the victuals palatable. Men at Normaly do work shifts that do not permit work on details. Penalties for misconduct, missing formations or overlooking passes are the same as for the men. (Continued on Page Four)

LET ME ANSWER YOUR QUESTIONS ABOUT THE NEW...

General Theft Policy

Q: "Does this new General Residence and Outside Theft Policy cover personal articles both at home and away from home?"
 A: "Yes, it does. Even if an article such as a diamond ring or a camera just disappears mysteriously, you will be paid."
 Q: "Suppose then that I leave my coat and handbag in my unlocked car and when I return they are gone. Are they covered?"
 A: "Yes!"
 Q: "I now have a special policy covering my wife's fur coat. Would the new General policy protect the coat so I could drop the old insurance?"
 A: "Yes, and you can save enough to pay a good part of the new General policy. It costs an average of about 75 cents a month."

GENESSEE VALLEY NEWS

The weather has moderated and drying winds have enabled farmers to resume plowing and seeding. The pleasant season is open now and cars are parked along the highway early Wednesday and Sunday mornings. Valley women are busy with their needles and thimbles ready to induce friend husband to pay a good price for the articles they will sell at auction at the Parish hall December 3. No bombers have flown over the Valley for the past two weeks. They are probably "over there" using the real "McCoy." Farmers are rushing their hogs to market. They can't stand 100 per cent increase in feed costs and \$2.00 per hundredweight ceiling price over a year ago. Just another of those OPA examples of mismanagement. Perhaps the OPA is planning on synthetic pork and beef for next year. They will have to use some kind of magic.

Church and Sunday school at 9 and 10 a. m.

Mr. and Mrs. Thos. Westby and Henry Hanson of Deary spent Sunday afternoon at R. E. Nordby's.

David Lange and Pat Magee are out of school this week because of illness.

Leon Eikum passed his tests for the navy air corps and was sworn in last week at Seattle. He is awaiting orders.

Mr. and Mrs. Vic Danielson spent Sunday evening at Ingle Anderson's near Uniontown.

Mrs. J. P. Wadin attended a luncheon at the Methodist church in Moscow Tuesday.

Mr. and Mrs. Art Tegland and Mrs. Chas. Kramer spent Sunday with Art Hove's near Troy.

Mrs. Wm. Gibler and son have gone to Arizona to be with her husband who is in the service.

Mr. and Mrs. Ralph McBride and son drove to Palouse Sunday and visited with relatives.

The Blue Bird Club met with Mrs. Neils Lande last Wednesday for the November meeting. The by-laws were amended concerning membership and three vacancies were filled in membership. Mrs. George Nelson, Mrs. Clifford Hillman and Mrs. Victor Danielson. It was decided to bring a tea towel or hand towel for the Children's Home and make an exchange gift from our scrap bags for each other for Christmas. Mrs. Colin Wilson will entertain on December 1 for the Christmas party. Mrs. Lande served lunch.

Mrs. Leon Danielson was hostess to the Genessee Valley Aid Thursday at the Parish hall. Mrs. Oscar Danielson was in charge of the devotions and program. Several poems and stories were read in Thank Offering. The date for the bazaar was set for December 3 at 7:30, with a lunch after the sale. Three new members were added. Mrs. Allen Sather, Mrs. Chas. Ingle and Mrs. Hatten. Guests were Mrs. Olive Iverson, J. Borg and Mrs. Hauskins of Moscow and Mrs. Ralph McBride. Lunch was served by the hostess. The annual meeting will be December 7 at 10 a. m.

Mr. and Mrs. Ellis Ouberg and Mrs. Henry Schlueter of Lewiston visited at August Johnson's Tuesday afternoon.

Mrs. Bertha Bressler and Miss Eather Martinson called on Mrs. Robert Berger Friday afternoon.

Word from Sgt. Roy Wadin in Australia states that he is well and sends greetings to all his friends. He, like all the rest of the boys, is longing for the day he can set foot on U. S. soil again.

Mr. and Mrs. James Kuest and son were Sunday dinner guests of Mr. and Mrs. Robert Berger.

This is National Education Week. John Ruskin said, "The entire object of pure education is to make people not merely do the right things, but enjoy the right things; not merely industrious, but to love industry; not merely learned, but to love knowledge; not merely pure, but to love purity; not merely just, but to hunger and thirst after justice."

Let Us Have Peace
 The earth is weary of our foolish wars;
 Her hills and shores were shaped for lovely things,
 Yet all our years are spent in bickerings
 Beneath the astonished stars.
 Knowledge to knowledge, adding skill to skill,
 We strive for other's good as for our own,
 And then, like cavemen snarling with a bone,
 We turn and rend and kill.
 With life so fair, and all too short a lease
 Upon our special star! Nay, love and trust,
 Not blood and thunder shall redeem our dust;
 Let us, have peace!

CHRISTMAS GIFTS RECEIVED

Kate Smith of the radio often has items of interest in her daily broadcast, such as the one about the men and women overseas having received their Christmas packages this week in Africa. Kate is not disclosing any secrets when she stated that many of the boys and girls opened the packages they received at once. She perhaps, like many others, wish that the people overseas will have pleasure in opening the packages. So, it's Christmas in early November in Africa, where the sun is hot and the dust is ready to blow at a moment's notice. It will be welcome news when it's learned that men and women elsewhere on the fighting fronts have received their Christmas gifts—and here's hoping that not a single one is missed.

LT. EMERSON RETURNS

"I'm still piloting my bomber from N. Africa and we've had some raids which are not easily forgotten. We'll have to give the ferries credit for being plenty sharp on their shooting, but our boys can take it and dish out plenty too."

"Was lucky enough to get another promotion a short time ago. Hope we are all lucky and can come home soon. I see evidence of P. F. I. production almost every day in ammunition boxes, engine crates, etc. WOOD IS PLAYING A BIG PART AND YOU FELLOWS ARE GETTING IT OUT!"

Captain R. B. Grau,

[V-MAIL]

Yes, Captain, "we're getting it out," and to you and American men in service, more than 500 of whom are Potlatch men like yourself, we pledge that we'll continue "to get it out!"

And we want to make the further pledge that after you get back home there will be a job waiting for you in the forests that you left to go to war. Forests that have been selectively logged for the past fifteen years to insure a future for such men as yourself and for the generations that will follow all of us. Yes, and we pledge that the job will offer plenty of opportunity for advancement and the kind of living and life you're fighting to preserve!

1500 "FORTS" FOR TOKYO AND BERLIN!

The next time you pay your electric bill, remember: A large part of that money goes to blast the Axis!

Yes, over 15c of every dollar you turn over to us, we turn over to the federal government as taxes. In terms of the entire industry, that's over 400 million dollars—enough to buy more than 1500 giant bombers—at a quarter-million each.

And that's not all! Over 8c per dollar in addition goes to local and state governments—for your schools, roads, police and fire protection.

Altogether, from every dollar you pay us, we pass along at least 24c as taxes. And we do it willingly—in the face of higher costs and lower prices. Since no other electric power is federally taxed, we are often asked: "How can you manage?" Well, by business management—which means: efficiency—economy—careful planning!

Don't Waste Electricity Just Because It Isn't Rationed!

OFFICIALS NEED EXPERIENCE WRITES DWORSHAK OF IDAHO (Continued from Page One) before the naval affairs subcommittee investigating operation of the Brewster Aeronautical Corporation's three plants. There have been about 21,000 persons employed during the past three years; but, because of constant bickering between the navy department, management, and labor leaders, millions of the taxpayers' money have been wasted by the failure to produce aircraft. Tom De Lorenzo, president of this CIO union with 21,000 members, told the committee that he was more interested in employment for his members than in the production of planes. He definitely declared that the employees could have produced three or four times as many planes, if they had had materials needed. He also indicated that the union members worked much overtime, although they were producing only about 30 per cent of capacity. Inciting strikes, slow-downs and other devices were admittedly used by De Lorenzo to force concessions from the management in these three plants, where Uncle Sam was paying all the bills. The labor leader also admitted using a mysterious string of aliases and false statements on records ranging from job applications to civil service statements and income tax reports. De Lorenzo may be doing an effective job as "boss" of these workers, but his tactics are largely responsible for the rising tide of ill will on the part of the public against labor racketeering in wartime. PFC. PEARLE SCHOOER ON FURLOUGH FROM NORMALY (Continued from Page One) and while there is no extra duty as yet at Normaly, women are restricted to quarters for slight infractions of military law. Service in the Women's Army Corps is interesting and has a definite part in the successful prosecution of the war, with all women enlisted or commissioned being proud to wear the uniform of their country in time of war. SAILOR VISITING RELATIVES Art McElroy is here to visit his sister, Mrs. James Archibald, and family. He came Monday and will leave Thursday for Livermore, Calif., where he will be at the Naval Aviation Station. Art has been in the navy for about 17 months, and for quite some time was a cook for aviation cadets at Pasco, Wash. J. STEVENS HAS VISITORS J. Frank Stevens, formerly of Genesee, now residing at 5123 West Point Loma Blvd., San Diego, writes that he "had a visitor the other evening, along with some shipmates of his, namely Gene (Pretz) DeMers. Howard Broemeling also was here several evenings while his ship is in."

GEORGE MORSCHCK HOME AFTER 2 YEARS IN THE NORTH. Two years in the Aleutians and Yukon Territory of Canada don't make "sour dough" of a man today, with the modern conveniences and all modern weapons of war, according to George Morschck, who arrived today from Fort Norman, Canada. Plans on about ten more days to his relatives and friends, and then return to Seattle. From his confinement one would believe that he had his "fill" of the Northlands, a trip to Iran or Iraq to follow defense work. In October, 1941, George went up Dutch Harbor to work for the Sigsbee-Drake company on army and navy construction, and was at Dutch Harbor when the Japs sprung their surprise attack. When they came over at 6 in the morning, most of the men were in their barracks, but the second attack they were outside work or on ships unloading and seeking materials. It was a wild scramble with George doing just what the others did, and their one thought being of shelter. He was not shaken by the Jap bombings at Dutch Harbor, but later at Amchitka, he experienced Jap bombings 17 times with no injuries sustained. George was with the Sigsbee-Drake company on defense projects at Amak, Kodiak and Sitka, and was in and out of Dutch Harbor. He came to the States in January of this year but went back to be employed by the Dowell Construction company, or Sigsbee-Drake he was a material applier, but with the latter company when they moved over into Canada he signed on as a heavy duty truck driver. Some of the trucks were 10- and 20-ton Sterlings, White and W. D.'s, and were powered by diesels from 150 h. p. to 210 h. p. Since going into Canada, George was on the Alaska Military Highway and has many pictures of the trail in various stages of construction, from the corduroy bed over muskeg sections that look much like U. S. highways, but in all the pictures there are hills that are snow-covered. The coldest weather he experienced in Canada was 64 degrees below, although the thermometer has dropped to more than 70 below since Americans began building the road. The coldest that George felt, however, was one time in Dutch Harbor when he was quartered in a tent and the mercury went to 20 degrees below zero, but the wind was blowing off the water, and it killed men clear through. He said that exposure claimed many lives in the Aleutians, and the Willow winds were more of a menace to aircraft than the Japs. It was necessary at times to form a barricade of heavy trucks and tractors about army and navy planes to save them from the wind, but this procedure was not always successful. George is somewhat easier when he left for the north, but lost some weight on the Alaskan job. His recorded time lost on the job is 90 hours in two years. The best of doctors are in attendance at the big construction points, and they have much to do in keeping men in good health and in condition. The only former Genesee man that George saw in the north was Rodney Tegland, when they both happened to be in Whitehorse, Canada. Of course he saw John Hickman and Dewey Dresher who were at Dutch Harbor, where the three were employed. There is no rationing in Alaska and Canada, but men employed by the contractors are permitted to buy from company commissaries and also from the army and navy canteens. He said that one could purchase a good meal for less money in Whitehorse than in Seattle, and that the price of woolen clothing and shoes were less in Alaska and Canada than in the States. George traveled from Ft. Norman to Whitehorse by plane, then changed to another plane for the trip from Whitehorse to Prince Rupert, and finished his trip by boat to Seattle. George has his availability slip for re-employment in the North Country or wherever he cares to go, but he is at present in the States between the completion of a contract by the Dowell Company, and his signing up for work on another project. The numerous papers, such as travel orders, payment records, reports from various agencies, bank deposit slips, receipts of credit and all other forms almost require a private secretary. One of George's pay vouchers showed a deduction of around \$49.00 for the U. S. withholding tax, and that was for two weeks. His rate of pay in Canada was \$1.55 per hour for his first four weeks; time and a half for week-day overtime, and double time

STRATES TO SOUTH IDAHO. Mr. and Mrs. E. M. Strate have moved to southwestern Idaho, but on their departure last Friday they were not certain of their new address. Mr. Strate stated that they would perhaps live in Caldwell. Mr. Strate, a graduate of the University school of agriculture, was with the University Extension Service in southwestern Idaho, and was at Payette and Weiser before they moved to the Genesee community 15 years ago to farm north of town. He has accepted a position with the Idaho University Extension Service and will be engaged in dairy herd improvement work among the numerous improvement associations of the Boise Valley and in Canyon county. JIM SPRINGER IN NASHVILLE HAS PRIVATE STENOGRAPHER. Jimmy Springer, with a College Training Detachment, and until recently at Athens, Va., has a private secretary, at least he has one to write his letters. It's his wife, who writes as follows: "Dear Pete: "I'm writing this for Jim who now is in Nashville for classification. He asked me to send you this paper (one enclosed) sometime ago and I failed to get it in the mail. I am staying with Jim's aunt and uncle here in Sterling (Ill.) while Jim is at Nashville. I guess he will there from four to six weeks. "I imagine he will write you. If he doesn't his address is: A-S James Springer, Squadron H-5, Barracks 2014, N.A.A.C. A. A. F., Nashville, Tenn. "I surely miss the Genesee News when I'm not with Jim but he is going to send it on to me. "Hope everything is fine in Genesee. Jim and I are looking forward to our return, whenever that is. How does Jerry like the air corps? Is he still in California. Hope you like the paper. "Mary Springer."

Editorial. This week is National Book Week—the week in which we pay tribute to the great authors who have furnished many of us with good entertainment. Few of us realize the true value of books. They not only serve as a pastime for us but help us to know the habits and ways of people elsewhere. Therefore we, and all other students like us should be especially grateful for the opportunities offered to us in reading a book. We should take these opportunities without hesitation. High School News. Plans are being made for a student body dance this Friday evening. A charge of ten cents will be made. This is to pay for popular records which will furnish music for the dances. The American Legion sponsored an Armistice Day program last Thursday morning for all the students. Mr. Beecher of the University of Idaho, led a song fest, and a Legion ceremonial was presented by members of the Post. The main speaker was Mr. Kulp, who is vice commander of the Department of Idaho. In the evening a dance was given for the students and their friends. It was enjoyed by all. First Grade News. At Open House last Friday the first grade acted out Old McDonald's Farm. Bob Bennett, a second grade student was the farmer. He took the place of Kenneth Anderson who was CAPT. HOVE NOW IN ENGLAND. A V-Mail letter from Capt. DON DIEKHOF HOME. Don A. Diekhoff, 8 S-c, who has been in navy hospital a few weeks, Wash., for some time, was granted a 21-day leave before reporting to duty again at San Francisco. He arrived here Tuesday, and in company with Mr. and Mrs. Gene Woodruff, visited Mr. and Mrs. Jay Woodruff at Winchester Thursday. He expects to leave in a few days to visit his mother at Washington, S. D., and will be there for Thanksgiving day. ANNA MARY KRIS 87. Mrs. Anna Mary Kris 87, 1556 S. Washington, S. D., was born May 19, 1856 at Ansbach, Germany and came to the United States at the age of 21 years. Her brothers came previously and located in Iowa, and it was in this state, at Carroll, that she married Nicholas Kris. To them were born eight children, six daughters and two sons, all of whom survive except one child who died in infancy, and a daughter, Sister Mary Angela 45, who died at Cottonwood, Idaho, in 1939. The children surviving are: Mrs. Claude Harpole, Eugene, Ore.; John P. Kris and Mrs. J. H. Broemeling, Genesee; Mrs. G. T. Broemeling, Cadogan, Alberta, Canada; Mrs. Helen Bernshaw, Lewiston, and Pete Kris, Spokane. There are six grandchildren and 13 great grandchildren. Mr. and Mrs. Kris came to Idaho 44 years ago, and in 1899 bought the farm south Genesee, now farmed by their son, John. Mr. Kris died on January 11, 1918, after he and his wife had retired from farming and moved to Genesee in 1915. Two of Mrs. Kris' brothers, Pete and Michael Gross also came west, the former locating east of Genesee where he owned a farm and the latter engaging in farming near Uniontown. The brothers have been dead many years. The deceased had been in falling health for about five years and during that time made her home with her daughter, Mrs. J. H. Broemeling. Death came while she slept. All the children will be here for funeral services. Mrs. G. T. Broemeling has been here from Canada for some time. Mrs. Helen Bernshaw and Pete Kris came Thursday and Mrs. Harpole will come on Eugene. SISTER OF MRS. TOM WAHL PASSED AWAY AT MOSCOW. Mrs. Margaret Hester Reid of Seattle, who came to Moscow a month ago to recuperate from a severe illness died Thursday morning, Nov. 11 at the home of her sister, Mrs. Earl Clyde, four miles southeast of Moscow. Mrs. Reid was born at Moscow, August 28, 1895, a member of a well-known pioneer family. She is survived by her husband, William G. Reid, who has been with her at Moscow; a son, Ross Reid and a granddaughter of New York City; her mother, Mrs. Daniel Gamble, Moscow; four brothers and two sisters, Daniel R. and James R. Gamble, Spokane; Gustavus Gamble, Genesee, and John Gamble, Moscow; Mrs. Clyde of Moscow and Mrs. Tom Wahl, Genesee. Funeral services were conducted at Short's Chapel in Moscow Monday at 2 p. m., with the Rev. O. LeRoy officiating. Mrs. George Bowers, accompanied by Miss Ellen Peterson and Mrs. Schumann's "Traumerl" on the violin. Mr. and Mrs. Albert Keinholtz, accompanied by Miss Peterson, sang "Abide With Me." Pallbearers were George Wahl, Dave Raulston, Wm. Schumacker, Bert Crowley, John Gendahl and Ward Gano. Art Jenkins Expected Home. Arthur Jenkins, Tech 5, stationed at Fort Ord, Calif., is expected home today (Friday) on furlough, according to word received by his parents, Mr. and Mrs. W. C. Jenkins. Parents of Daughter. Mr. and Mrs. Archie Putnam of Portland, former residents of Genesee, are the parents of a daughter, born Wednesday, November 10. The name, Kay Margaret, has been chosen. The Ladies Society of St. John Church will meet Thursday with Mrs. Ben Jutte and Mrs. Ed Jutte as the hostesses. THURSDAY MARKETS. New Grain Prices. Federation Wheat, per bu. \$1.28. Editorial. This week is National Book Week—the week in which we pay tribute to the great authors who have furnished many of us with good entertainment. Few of us realize the true value of books. They not only serve as a pastime for us but help us to know the habits and ways of people elsewhere. Therefore we, and all other students like us should be especially grateful for the opportunities offered to us in reading a book. We should take these opportunities without hesitation. High School News. Plans are being made for a student body dance this Friday evening. A charge of ten cents will be made. This is to pay for popular records which will furnish music for the dances. The American Legion sponsored an Armistice Day program last Thursday morning for all the students. Mr. Beecher of the University of Idaho, led a song fest, and a Legion ceremonial was presented by members of the Post. The main speaker was Mr. Kulp, who is vice commander of the Department of Idaho. In the evening a dance was given for the students and their friends. It was enjoyed by all. First Grade News. At Open House last Friday the first grade acted out Old McDonald's Farm. GENESSEE VALLEY NEWS

We are having grand and glorious Indian summer weather and there are still several tractors roaring in the fields, plowing and seeding.

Sunday dinner guests of Mr. and Mrs. Don Linehan were Mr. and Mrs. Stanton Becker and family, Mr. and Mrs. Art Linehan and Mr. and Mrs. Raphael Linehan.

There will be a double-bill at the Legion theatre Saturday and Sunday evenings. Shantytown and the latter one of the popular Roy Rogers westerns and the former a neat little show centering about boarding house troubles in a ramshackle joint.

Members of the Legion movie committee are gradually rounding out a program of shows for the winter, but they find the show business a tough one, especially in obtaining the kind of pictures they would like to show.

LAWRENCE KASPER LEAVES
Lawrence Kasper, fire controlman first-class, left Monday from Lewiston for Spokane where he visited overnight with Mr. and Mrs. Pete Wagner. He left Spokane by plane for San Francisco, to join shipmates of the destroyer on which he has been serving for several years, or since he completed boot training four years ago. He seemed to be enjoying his first leave on the continent during his first enlistment period, but he also appeared anxious to know what was being done with his ship, now in for overhauling after constant duty in the Pacific, dating back to pre-Pearl Harbor days. His destroyer, the (name) has ranged the Pacific from shores of the United States to within a short distance of Japan, and from the Aleutians to the southernmost group of Islands in the South Pacific. Home to him during the war has been a fire control tower on a pitching destroyer, and while he has the opportunity to return to school for advanced studies in fire control work he prefers to remain a crew member of the destroyer which has seen so much service in combat and convoy duty. Lawrence, while here on an 18-day shore leave, was most considerate of his relatives and friends, knowing them to be unfamiliar with nautical terms, but occasionally he lapsed into salt-water language which made him difficult to understand.

One interesting bit of conversation was that between the fire controlman and the new Marine Corps pilot, Lt. Earl DeMers, who was also home on leave enroute to his new station. They passed the names of ships and planes around, using letters and numbers with such dexterity that landlubbers were somewhat mystified. Lawrence mentioned some of the action in the early days of the war when the Japs had the edge over the U. S. navy and navy air corps, and also told of what was being done by the navy and air corps of today in the South Pacific and the Aleutians.

EDDON ROSENAU EXPECTS TO BE HOME BY CHRISTMAS
Gordon Rosenau of the U. S. Air Corps, now in a hospital at Corona, N. J., after being returned from the Pacific, writes as follows:
"Dear Pete: It has been some time now since I have heard from me. I write to you while overseas but my folks were here but I have not received my letter, so I will try to write just a few lines to you today, and hope this finds you all well.
I received The News yesterday and was glad to receive the paper after not getting it for some time. I was always moving about and when on the move it would take some time before it could catch up to me.
The weather has certainly been bad ever since I arrived here, last October 24. It really gets warm in the day time. I don't know how long I will be here in the hospital but I do hope I can make it home for Christmas.
Well, Pete, I hope to be home before too long, so until then I hope to all a very happy Thanksgiving, and also a Merry Christmas and a happy New Year, in case I am not here by then.
I wish to thank you again Pete, and the American Legion for sending me The Geneese News. You are doing grand job of keeping The News on the way to the boys overseas. Reading our home-town news while overseas and also here in the States, means a lot to us boys, and we are very thankful to you for all your splendid work."
"Gordon."
Address: Pfc. Gordon E. Rosenau, S. Naval Hospital, Corona, Calif.

AYNE BERSHAW IN IOWA ARMY ENGINEERING STUDENT
Wayne Bershaw, who has been in Ames, Iowa, a student in engineering at the Iowa State school writes:
Dear Pete:
I haven't written to you for some time so I thought it a good idea to tell you know 'what's cooking.' I received The Geneese News every Tuesday morning, and I certainly do appreciate it. Thanks a million to the American Legion and you.
These corn-molded Iowans kinda get on for farmer shellers last week and we remained there up to the present time. We have had quite a bit of snow ready and some pretty cold weather. The coldest was 15 degrees last Saturday, and it is getting colder as the days pass. I guess I'm in for some real winter weather as long as I am in Iowa.
"First-term classes end December 4 at Iowa State. Second term starts December 13. This is the schedule for the ASTP only. We get a 5-day furlough between terms, so I guess, once again, I won't be able to make it to the good old Northwest. I had planned on coming to Geneese at this time, but now my plans have been changed.
"I imagine the cold is hitting the Geneese community by now too. Wish we were there to witness it.
"Well, Pete, I have quite a bit of hudding to do by tonight, and we are compelled to have the lights out at 11:30. It doesn't give us a lot of time when we have classes eight hours a day, six and a half days a week. And so, I will say goodbye for this time. Hello to all my friends."
"Wayne."

R. THEUERKAUFF IN SICILY SAW PLENTY FIREWORKS
Richard Theuerkauff, with an armored regiment in Africa and later in Sicily, writes:
"Dear Pete:
I am still getting the paper although it reaches me a month or two late. The last one I received was dated September 3.
"I have been here in Sicily since the first day of the invasion. I got to see plenty of the fireworks the first few days.
"So far I haven't seen any person that I know from home. This year's mail will make it two years since I have been home and one year overseas.
"Wishing you and everyone a Merry Christmas and a Victorious New Year.
"Richard."
Richard, your letter took 15 days to reach Geneese, and notice that it was postmarked three days after it was written. Sorry that we cannot give addresses of Geneese boys overseas, for it might be that you could locate some one from home. There are quite a few of you fellows in Sicily and Italy, and also in Africa. There are a number in England now and a few in the Middle East. Floyd Hove, who was in Sicily beginning with the invasion is in Italy, and in a letter to his parents, states that he likes Italy somewhat better than the island you are on.
Here for Final Rites
At Geneese for funeral services on Saturday for the late Mrs. Anna M. Kries were: Mrs. Claude Harpole of Eugene, Ore.; Mrs. G. T. Broemeling, who has been here for several weeks; Mr. and Mrs. Pete Kries and Miss Jane Rose Kries, Spokane; Mrs. Barbara Broemeling, Spokane; Mrs. Martin Huff, Moscow, and Mrs. Helen Bershaw, Lewiston.
Hogs Five 90 Cents
Seventy-five farmers brought in 523 hogs weighing 123,300 pounds and they sold for \$14,483.41 to Swift & Co., North Portland at \$12.40. This price was up 90c over last week.

BONDS OVER AMERICA

Early in the 19th century a storekeeper and gristmill operator at Henderson, Kentucky, took to studying birds as an antidote for ennui and added much to man's knowledge of ornithology. His name is a byword to this day. It is John James Audubon.

John Audubon

Only the knowledge of despotism, destruction, killing, maiming brings one to the surface of Nazim. It has no place in a gentle soul, only Himmlers, Schleichers, von Papens, Heydrichs.

Editorial
Thursday of this week we celebrate Thanksgiving Day—the day when we give thanks to God for the many blessings we have received during the past year. We of America, should be especially grateful. Few of us have been through hardship and few have seen or had a part in the actual fighting of the war. Thus, we do not fully realize how well off we are and how grateful we should be. The best way we can show our gratitude is to help keep the things we have, by contributing all we can toward the war effort.

High School News
"Oh, how nice" or "Let me see" were some well-worn expressions heard here last Friday as the Senior class rings arrived. Because of the war they are a victory model, and have no stones on them. The set is of three colors of gold, topped off by a "G". The "1944" and initials are on either side, and the band is of sterling silver.
Last Friday a fire drill was unexpectedly held at school, and in just 50 seconds the school was vacated of approximately 300 students and teachers of high school and grades.
Thanksgiving vacation is a welcome blessing for all the students. The school house will be a quiet place for the holidays, Thursday and Friday.
School Dance
Friday night at 7:30 69 students and teachers paid a thin dime to gain admittance to the dance at the gym. Music was furnished by Bing Crosby, The Andrews Sisters, Frank Sinatra and Mary James, on records purchased with the proceeds.
At intermission pop corn balls sent by Mrs. Victor Danielson, Mrs. Carl Grieser, Mrs. Harry Emerson, Mrs. E. D. Pederson and Mrs. Edgar Eymann, were enjoyed by all. The social committee is planning more dances and plan to call on other mothers for refreshments.
At 11 o'clock the most popular school party we can remember was reluctantly concluded.
Sports
With the basketball team shaping up slowly the Bulldogs are not making any predictions on the outcome of their game with Juliaetta here on Friday, December 3.
So far the team has not had many scrimmages and have not had time to practice on offense and defense. The

LT. LANDE OVERSEAS
A V-Mail letter from Lt. Erling Lande has been received by Mr. and Mrs. Nels Lande, which signifies that for this area, will be the office of W. W. Burr in Geneese, November 26 and 27, to assist farmers in completing Form 1040 F, which is the Declaration of Estimated Income for 1943.
Lt. Lande, commissioned in the infantry obtained a permanent assignment with the army air corps, and for some time has been operations officer with a heavy bombing unit.
Persons other than farmers made this declaration in September, but by special act farmers have until December 15, 1943 to file their estimate of 1943 income. The men who will be here to assist farmers advise that each person who must make a declaration obtain Form 1040 F, and complete the schedule before coming to them November 26 and 27.
The procedure of making the declaration of estimated income for this year is the same as other persons made in December, except that the estimate should be more accurate, in that all products of the farm are now warehoused, and sold, or ready for sale at market prices which are somewhat stabilized.
Protect Federal Use Stamp
The deputy internal revenue collectors also advise that they have been ordered to enforce display of federal use stamps on motor vehicles operating on all highways. This stamp is the one purchased at postoffices, and must be displayed on your car or truck windshield, and not kept elsewhere. Failure for improper display is an automatic fine of \$25.00, and failure to purchase one subjects a person to a heavier penalty.
They also suggest that each vehicle owner record the number and other information on their stamp, in case the stamp is lost or stolen. No record of stamps sold to individuals is maintained by the federal government or by postoffices which sold the use stamps.

DICK ARMSTRONG IN MEDICS TRAINING IN DEEP SOUTH
Pvt. Dick Armstrong, stationed at Camp Van Dorn, Miss., writes:
"Dear Pete:
"Since I've been receiving The News regularly and enjoying it a great deal, I thought it was about time I wrote a few lines of appreciation. My thanks to both you and the Legion for sending the paper each week as it really enables me to keep informed as to what is happening around Geneese, and that is really where my mind is a good portion of the time.
"As you probably know, I'm in a medical detachment of an engineer battalion, and they are attempting to teach me some of the rudiments of first-aid, medicine, anatomy, etc. I'm well into my basic training and occasionally I work at the engineer's division, helping with some of the numerous records which originate there. Incidentally, I'm working there today, and just taking a few minutes of Uncle Sam's time to knock this letter out.
"I noticed in Bill Emerson's letter that he was bemoaning the fact that medals weren't issued rifles, but I'm inclined to feel that is a break—on this side of the "bond" anyway.
"Camp Van Dorn is really in the deep south, and New Orleans is only 140 miles to the south, while Baton Rouge is 65 miles south. As for me caring for the south, I feel the same as nearly all the other Geneese boys who were stationed in the south for a time, which should make my feelings very obvious.
"In closing I want to pass a hint to a certain blond boy from out Hinkrock way. If he doesn't write to me very soon he is really going to catch hell from me the next time I see him.
"Take it easy, Pete, and thanks again."
"Dick."
Address: Pvt. Dick Armstrong, Med. Det. 263rd Engr. Bn., 63rd Div. APO 410, Camp Van Dorn, Miss.

RALPH ANDERSON IN NAVY HOSPITAL CORPS, SAN DIEGO
Ralph Anderson, son of Mr. and Mrs. George Anderson, who took his boot training at Farragut Naval Station, is now at the U. S. Naval Hospital, San Diego. He writes:
"Dear Pete:
"Just a line to thank you and the Legion for the paper. It means a great deal to get the home-town news every week. I almost look forward to Wednesday, when I receive the paper, as much as I do to pay day. So you see I really appreciate it.
"I finished school about two weeks ago and am now working in a ward. We work long hours, but it isn't as bad as it could be. We do the same kind of work as nurses and get less pay. It isn't what I would like to be doing, but I guess it has to be done.
"Better close now and so some washing."
"Andy."
Address: Ralph G. Anderson H. A. 2-c, U. S. Naval Hospital, Gen. Del. San Diego, (34) Calif.

Pederson Waiting for Assignment
After completing a rugged course of basic infantry training at Camp Roberts, Gerald Pederson writes that he is now assigned to the infantry battalion with which he trained, for quarters and chow, and is waiting for orders to report for air cadet training. He is regaining the lost weight and may be in for some more basic after classification to get back in condition. He spent a week end with Billy Mervyn and both went into Long Beach.

FARMER SAYS POWER POOL IS AMERICAN WAY

The Northwest Power Pool is made up of 8 private power systems, two municipal systems, and Grand Coulee and Bonneville. These power systems are all connected together to supply war industries, the home and the farm.

"It's the American way of working together for the benefit of all the people," says the farmer, "and this same cooperation after the war can mean a lot in bringing this Northwest country into its own."

DAVID SAMPSON
Funeral services were conducted at Brewster, Wash., Tuesday afternoon for the late David Sampson who died there Saturday morning.
Attending services from Geneese were Ed Vanouck, Al Springer and Mr. and Mrs. E. W. Vanouck.
David Sampson, brother of Glenn and Virgil Sampson, was born at Geneese Old Town 76 years ago, and in 1897 married Miss Pearl Vanouck. The deceased is survived also by his wife and 11 children. His parents, Mr. and Mrs. Elham Sampson, were among the first settlers at Geneese, and to have been a resident of Old Town, makes the late deceased a pioneer of this community. He has lived at Brewster for many years.
Mr. Sampson had been in ill health for several years, but was confined to his bed for a week before death.
Mrs. Clifford Herman who was a patient at St. Joseph's hospital in Lewiston, returned to Geneese Saturday and is staying at the home of Mr. and Mrs. Chas. Ingle.

JENKINS ON FURLOUGH
Cpl. Arthur Jenkins arrived Friday from Camp Ord, Calif., to visit his parents, Mr. and Mrs. W. C. Jenkins, and family. He will report back to Ord December 1. Cpl. Jenkins, before entering the service was in the engineer's office of the Southern Pacific railroad at Oakland, Calif. He now has the job of mail clerk for his outfit.

Home from Hermiston
Mr. and Mrs. John Roach of Hermiston, Ore., came Friday to spend two weeks at their home here. A family reunion is planned for Thanksgiving day. Their daughter, Mrs. Roy Cameron, and children of Spokane arrived Saturday. Mr. Roach is employed at the ammunition depot near Hermiston, handling various kinds of ammunition for storage and re-shipment.

Bob Says:
New General Theft Policy
Protects Even Your Guests

Q: "I wonder if this new burglary insurance I've heard so much about would protect guests in my home?"
 A: "Yes, both your guests and servants are covered. If their property is taken from your home or if it mysteriously disappears, your policy will make good the loss."
 Q: "But if Cousin Hattie, for instance, goes downtown on a shopping trip and her diamond ring mysteriously disappears... would the ring be replaced by General Insurance Company?"
 A: "No, if it had been you, the ring would be replaced even when the loss occurs away from home. But Cousin Hattie is insured under the policy only for losses occurring on your premises."
 Q: "But doesn't such complete coverage cost much more?"
 A: "No, the new General Residence and Outside Theft Policy averages only 75¢ a month. Most people can't afford to be without it."

GENESSEE VALLEY NEWS

Bright, sunny days have changed to chilly, foggy ones, but even this is better than the blizzards and cold weather of the eastern states. The government hasn't offered to subsidize county editors yet, so news is scarce in protest. The women are busy cooking the viands for which the Valley is famous, in preparation for Thanksgiving day. Nearly every home has one or more vacant chairs, and we should pause in our thinking as we more than ever give thanks for the many blessings God has given us this past year. We take so many things for granted and now when so many people and nations have felt the horrors of war, let us appreciate the countless blessings we enjoy. There are sorrow and heartaches for many but as long as we face forward in the light, the shadows fall behind us. "Strange we never prize the music 'Till the sweet voice bird has flown; Strange that we should slight the violets 'Till the lovely flowers are gone. Strange that summer skies and sun shine Never seem half so fair. 'Till winter's snowy pinions Shake the white dawn in the air." Mr. and Mrs. Arwin Nordby and children were Sunday dinner guests of Mrs. Lilly Larson.

Harris Dog Killed
 "Inky," the small black Pomeranian dog owned by Le Roy Harris was found dead at the street intersection near the K. C. hall Tuesday morning. Evidently he was struck by a car or truck, and perhaps was unnoticed, owing to its small size, as it dashed across the intersection. He had been on a leash most of the time, but was liberated for a short period and led the Texaco Service Station for a spirited romp. The dog was not much larger than a house cat. It was a purebred dog and Mr. and Mrs. Harris had refused several times to sell him for fifty dollars. They had the dog four years and had become much attached to it.

GENESEE VALLEY NEWS

The weather is still mild with spring-like sunshine one day; fog or rain for variety. We wonder where the yellow line is on today's night. It might save a serious accident if we had it painted on the middle of the road. Colds are so prevalent but no one is in bed with them. Thanksgiving day passed rather quietly with a few family gatherings. 'No longer is our gratitude to those whose hands are on toys at home. Nor do we count our greatest wealth in happiness alone. Today our thankfulness would reach to every land, where valiant hearts look far beyond the tragedies at hand; Where souls undaunted, meet the pain, Nor try to murmur or complain; Where sufferings serve but to remind That we are one—all humankind. For courage, God, and hope, we praise, For strength that builds, And love that plans a better way For all tomorrow's days.' The Genesee Valley Ladies have made big plans for the bazaar Friday evening at 7:30 at the Parish hall. Sunday school at 9:30 a. m. Sunday. The annual meeting of the church and aid will be next Tuesday, December 7, beginning at 10 o'clock with a notice of service. Mrs. Mamie Brennan and daughter visited her brother and sister, Mrs. and Eva Christensen, and her brothers, Clarence and Harry Christensen of Canada over the holiday. Mrs. Clarence Peterson called on Mrs. Neil Lande Sunday afternoon. Mrs. Fred Hove, Wm. Hove, Wm. Meek, Wm. Giber and Art Tegland attended a pink and blue shower for Mrs. Kermit Hove in Clarkston Monday afternoon. Ralph McBride visited Ray Wedin Monday afternoon. Miss Yona Njau, national executive secretary of the Lutheran Daughters of the Reformation, of St. Paul, was a guest of Mrs. Lily Larson on Saturday. Mrs. Larson went to see her speak at Our Savior's church on Sunday. Mrs. Annie Danielson and Clarence had Thanksgiving dinner at the John Eikum home. Jake Husher spent Thursday at the Fred Hove home. Mr. and Mrs. Wm. Borgen and family and Mrs. Belle Hanson visited at Art Hove's Thanksgiving day. Mr. and Mrs. C. Rosenau were Sunday dinner guests at the O. V. Johnson home. Guests of Mr. and Mrs. Allen Sather, Mr. and Mrs. Ben Sather, Mr. and Mrs. Roy Bohm of Moscow, Mr. and Mrs. W. B. Deobald of Clarkston and three University girls from South Idaho. Several from the Valley attended the 25th and 26th anniversary party for Mr. and Mrs. Leslie Johnson at Blaine Sunday afternoon given by neighbors of the couple. They were presented with purses and cards. Mr. and Mrs. Ed Morken had for Thanksgiving dinner guests, Mr. and Mrs. John Luedke and family and Mrs. Anna Hanson. Miss Arlene Borgen, teaching at Kingston, Idaho; Miss Rowena Nordley, teaching at Tekoa, and Miss Beulah Nordley, employed at the Air Depot, Spokane, spent the week end with their families here. Mr. and Mrs. C. Gay and family of Spokane had Thanksgiving dinner with Mr. and Mrs. Robert Berger. Mr. and Mrs. Gus Rosenau were guests at the Fred Morscheck home. Miss Myrtle Larson has moved to Superior, Wis., where she will be a parish worker at the Norwegian Lutheran church. Her new address is 1704 John Ave., Superior, Wis. Several army men from the ASTP unit at the University of Idaho were guests at the Wedin home for Thanksgiving dinner and supper. Mr. and Mrs. Victor Danielson visited friends in Spokane from Friday until Tuesday. Wm. Jenkins and sons; Mrs. Dollie Peterson and Vernon had dinner Thursday at the Oie Johnson home in honor of Arthur Jenkins who was home on furlough. He returned to his base in California Monday. Mrs. Jane and Jerry Johnson are spending a few days with Mrs. Vic Danielson. Mrs. Art Tegland sent a lovely chocolate cake to the Moscow USO birthday party by Mrs. Wedin Sunday. This party is held the last Sunday in the month for all the army and navy birthdays of the month, and is a very enjoyable event for the service men. Mrs. Dollie Peterson and Vernon and Chas. Northern spent Thanksgiving at Moscow at the Art Hillman home. Mr. Wm. Giber and son have returned to Tegland's from Utah. Lt. Giber has gone overseas. Mr. and Mrs. Chas. Magee were Moscow visitors Tuesday. Mr. and Mrs. Ralph McBride spent Thursday at Kennedy Ford at the Ernest Nygaard home. Mr. and Mrs. Jas. Archibald and family and Mr. and Mrs. Don Lincoln and Joan were guests of Mr. and Mrs. Stanton Becker for Thanksgiving dinner. Mrs. Art Borgen and children were Potlatch visitors Sunday. Mrs. Jas. Archibald called on Mrs. Don Lincoln Monday afternoon. Thanksgiving dinner guests of Mr. and Mrs. Oscar Danielson were the Leon and Vic Danielsons, Stanley Sneves, Norman Flannoes and their families, and Elmer Johnson. Mr. and Mrs. Wm. Hove entertained Sunday evening in honor of Mr. and Mrs. Harry Christensen and Clarence Christensen, who are visiting here from Canada. Wm. and Eva Christensen, Mr. and Mrs. Art Tegland and Mrs. Wm. Giber. Recent word from Sgt. Roy Wedin tells of a kangaroo hunt with his captain in the Australian brush. Roy killed two of the animals. He said it reminded him of deer hunting except the trees were gum instead of fir. He is sending some souvenirs home to his family. Mr. and Mrs. Art Tegland and Mrs. Connie Becker have had Thanksgiving dinner at John Hove's. St. John Lutheran Church Sunday school at 10 a. m. Services at 11 a. m. Luther League, 7:30 p. m. in Parish hall of Valley church. Council meeting Monday, Dec. 6.

Give Her the Chance to Do Her Best

When you help your chickens give more eggs from feed consumed, you are giving vital aid to America's war effort, as well as earning more money for yourself. There are a lot of things a hen will eat when hungry, but few that will enable her to give top egg production for an egg is composed of certain elements that must go into the hen before the egg can be produced. She must have feed that contains these elements in proper balanced proportions. We offer you feeds that represent the best that experience and service can make. Give your hens a chance to do their best. Maintain high egg production by feeding... RED HEN EGG MASH For Sale by PRAIRIE FLOUR MILL Company LEWISTON, IDAHO PRAIRIE FLOUR MILL Genesee UNIONTOWN COOP. NOTICE OF ELECTION

Notice is hereby given, that pursuant to Section 30-1514, Idaho Code Annotated, the commissioners of Rimrock Highway District have caused said highway district to be divided into three sub-districts, known as high commissioners' sub-districts 1, 2, and 3; that sub-district number 3 and the boundaries thereof are more particularly set forth and described in a resolution by the Board of Commissioners on file with the Clerk thereof, reference to which is hereby made for further particulars. Notice is hereby further given, that an election will be held within said highway district at the following designated polling place: The Ingle School House; that said election will be held on the 6th day of December, 1943, between the hours of one o'clock and five o'clock in the afternoon of said day for the purpose of electing a commissioner for sub-district number 3 of said highway district, who shall be a resident of the same commissioners' sub-district. That the names of candidates for commissioners may be proposed by nomination or petition, signed by five or more qualified electors of said highway district, filed with the undersigned secretary at least five days before the date of said election, as above set forth, and the names of such persons so proposed shall be placed upon the ballots to be used in said election; provided, however, that any qualified elector may write the name of any qualified elector to act as highway commissioner on his ballot as herein provided, in the space provided therefore on said ballot. That the qualified elector in said sub-district receiving the highest number of votes at said election shall be declared elected. That the said election will be conducted as nearly as practicable in accordance with the general election laws of the State of Idaho. Dated this 8th day of November, 1943. RIMROCK HIGHWAY DISTRICT, By Stanton Becker, Secretary. First publication Nov. 19, 1943. Last publication Dec. 3, 1943.

Ancient History by Bacon Now at University of Utah
Billy (Bacon) Emerson, who has shed the insignia of the army medical corps, is now at the University of Utah was at Camp Maxey, Texas, last week, and before he had time to publish it, the message became ancient history, at least not up-to-snuff. Bacon, who signs the payroll as William S. Emerson, on Nov. 30 wrote:
"Dear Pete:
"May my address is: (but it isn't!)"

Injured People Improving
Reports from relatives and friends of Mr. and Mrs. R. E. Nordsy say they are showing improvement at the Gritman hospital in Moscow. Mrs. Bessie Babcock, who sustained a broken leg and other injuries, was in a wheelchair Wednesday and visited the Nordsys. Mrs. Alvah Strong has been permitted to return to her home. All visitors from the Gritman hospital near Worley early last Wednesday morning during a snow storm, when on their way to Idaho Falls to a state meeting of county commissioners and county auditors. Mr. Strong, driver of his car was uninjured. The injured people suffered from exposure before being returned to Moscow. Doctors report that the condition of the three patients is satisfactory, but no visitors are permitted as yet. Mrs. Nordsy is also confined to her bed, and it is most difficult for her to speak. Her son, David, pupil at Genessee public school is visiting at the present with the Ed Morken family.

Colin Wilson Home From Visit to North Carolina
Colin Wilson returned last Thursday from North Carolina where he visited relatives. A brother, Otho Wilson, Ill for three months, passed away November 16. Funeral services were held at Faquay, N. C. Mr. Wilson has two brothers now living at Sanford, N. C., and two sisters at Raleigh, N. C. He left Genessee October 28, and made the trip by train.

Injured People Improving
Reports from relatives and friends of Mr. and Mrs. R. E. Nordsy say they are showing improvement at the Gritman hospital in Moscow. Mrs. Bessie Babcock, who sustained a broken leg and other injuries, was in a wheelchair Wednesday and visited the Nordsys. Mrs. Alvah Strong has been permitted to return to her home. All visitors from the Gritman hospital near Worley early last Wednesday morning during a snow storm, when on their way to Idaho Falls to a state meeting of county commissioners and county auditors. Mr. Strong, driver of his car was uninjured. The injured people suffered from exposure before being returned to Moscow. Doctors report that the condition of the three patients is satisfactory, but no visitors are permitted as yet. Mrs. Nordsy is also confined to her bed, and it is most difficult for her to speak. Her son, David, pupil at Genessee public school is visiting at the present with the Ed Morken family.

Bill Herman Graduates
UP FOR ADVANCED FLYING
From Headquarters, Office of Public Relations, Marana Army Air Field, Tucson, Arizona comes the following:
"You will be glad to know that another young man from your vicinity has graduated from the Army Flying School, and was graduated from Marana Army Air Field, Tucson, Arizona.
"He will be sent to an advanced flying school to complete the last phase of his cadet training, after which he will be awarded his silver wings as a pilot in the army air corps.

Louis Herman Commissioner
Louis Herman was elected to the board of commissioners of Highway District No. 1 Monday afternoon. The voting was light, with only 9 or 10 votes cast. Herman succeeds W. O. Borgen, who has served several terms and declined the nomination.

Scouts to Moscow
Tuesday evening, December 14, several Boy Scouts from Genessee will attend a Court of Honor at Moscow. A membership badge will be given Ray Liberg, Merit awards in cooking and bugle calls will be given Donald Bennett; a personal health award to Jack Liberg and cooking and health awards to Burton Peterson.

Miss Betty Linehan, student nurse at Sacred Heart hospital, spent the week end at the home of her parents, Mr. and Mrs. A. C. Linehan.

Stanton Becker Reelected
Stanton Becker was reelected as a commissioner Monday afternoon of Rimbrock Highway District, from sub-district No. 3. A contest developed in this district, with Lawrence Vestal's name being written in. Becker's name appeared on the ballot as a nominated candidate. The vote was Becker, 23, and Vestal, 16.

Returned to Camp
Col. Arthur Jenkins of Fort Ord, California, who was home on furlough, left Monday 29 to return to camp. It was a brief but busy week at home, with a number of dinners in his honor and several family gatherings. Before entering the service he was employed in the drafting department of Southern Pacific Railway company at Oakland, Calif., and when it came time for his furlough he was given a round-trip pass by the company.

Home on Furlough
John Hickman, who has been stationed at the Coeur d'Alene flying field, came Saturday to spend a ten-day furlough before leaving for Lincoln, Nebraska.

GENESEE VALLEY NEWS

We had our first fall of the beautiful Monday night, about one inch of snow, which melted by noon the next day. Severe colds and flu have attacked several families recently. Christmas shopping is taking up the spare time of the women. The weather has been so mild it is hard to realize that Christmas is so near. The Sunday school will have its annual program a few days before Christmas, on December 22 at 8 o'clock. The auction bazaar of the Ladies Aid was well attended last Friday ev-

ening despite the stormy weather, and proceeds were about double of other years. Fred Magee was the genial auctioneer and kept the bidding spirited and the crowd in a happy mood. A lunch was served after the sale. The Ladies wish to thank all who made the sale a success. The condition of Mr. and Mrs. R. E. Nordby, who were hurt in a car accident last week, show slight improvement. No visitors are allowed. Mr. and Mrs. Mel Pietze of Clarkston spent the week end at the Chas. Magee home. Mr. and Mrs. Vic Danielson and Beverly were Sunday dinner guests of Mrs. Annie Danielson. Oscar Danielson, Mrs. Wm. Borgen and Mrs. Lilly Larson are on the sick list. Dr. and Mrs. C. F. Magee were Spokane visitors last week. Mrs. Magee attended sessions of the Daughters of the Nile. Mr. and Mrs. James Magee returned Saturday from a two weeks stay at Soap Lake and Lewiston. Mr. and Mrs. Oscar Danielson had for their guests at dinner Sunday: Mr. and Mrs. John Luecke, Mr. and Mrs. Ed Morken, Mr. and Mrs. Irvin Iversen, Mrs. Anna Hanson and David Nordby. Mr. and Mrs. George Nelson returned home from Seattle Wednesday last week. They were with relatives for Thanksgiving. Alfred Gehrke writes that he is still in Africa. Mr. and Mrs. Nels Lande are recovering from the flu. Miss Ethel Johnson is confined to her home with the flu. Mr. and Mrs. Robert Berger visited hospital Sunday. Mr. and Mrs. James Huntback, Mr. and Mrs. Tom Kimberling and Mr. and Mrs. Art Hillman spent Sunday afternoon at August Johnson's. The Bluebird Club held its annual Christmas party at the home of Mrs. J. P. Wedin last Wednesday. Two new members, Mrs. Victor Danielson and Mrs. George Nelson were initiated. Mrs. Clifford Hillman was away from home. Games were played and Christmas gifts were exchanged around a lighted Christmas tree. These were made from the scrap bags of members and Mrs. Sam Lange received a prize for the most original idea. Each member brought a tea towel for the Lewiston Childrens Home. The annual business meeting will be January 5 with Mrs. Clarence Peterson. Refreshments with holiday motif were served by the hostess. The annual meeting of the Valley

church and the Ladies Aid was held Tuesday, beginning at 10 o'clock with a potluck dinner at noon. At the Ladies Aid \$10 was voted to Coeur d'Alene Homes, \$10 to Parkland and \$10 to St. Ann's Mission, were sent as Christmas gifts. New officers elected were: President, Mrs. Sam Lange; vice president, Mrs. Leon Danielson; secretary, Mrs. John Eikum; treasurer, Mrs. Irvin Iversen. Departmental secretary will be appointed by the president-elect. Because so many of the church officials were unable to attend a called meeting will be held some evening in the near future to transact business. Annual reports showed the church to be in good condition financially. The time for services was changed to afternoon for the winter months. The Genessee Valley Lutheran League entertained St. John League Sunday evening, the latter giving the program. A Christmas tree reminded of the holiday season. Mary Emerson had the devotions. Helen Scharbach and Norma Liberg sang several duets. Rev. Gebhard sang two solos. Bob Brummond read a poem and Mr. Stedje gave the topic on David Livington. Yvonne Densow had a reading. The guests were welcomed by Beverly Anderson, president of the Valley League. Christmas songs were sung. Games were played and refreshments served by the Valley League. All this made an enjoyable evening. Mr. and Mrs. Hugo Gehrke returned home Sunday evening after a visit in Columbus, Ohio. Mr. and Mrs. Jack Magee entertained for Sunday dinner, Mr. and Mrs. Wm. Baumgartner and Mr. and Mrs. James Magee. Mr. and Mrs. Wm. Borgen and children had Sunday dinner at the Andy Wardrobe home. Sunday callers at Nels Lande's were Mrs. Wm. Baumgartner and Mr. and Mrs. Gus Rosenau and E. D. Pederson. Mr. and Mrs. Gus Rosenau and son drove to Reubens Sunday and spent the day at Chas. Webb's. Sunday afternoon visitors at Fred Hove's were Mr. and Mrs. Everett Boyd and Alm and Hilma Boyd of Moscow. Mr. and Mrs. Chas. Webb spent Tuesday at Gus Rosenau's.

MILK-FED COYOTE Alfred Hasfurther couldn't believe his eyes last Thursday evening when he was milking, and into the barn came a half-grown coyote to help himself to milk placed in a pan for the barn cats. The cats resented the intrusion, by arching their backs and hissing, but the coyote was not the least bothered. Alfred continued with his milking while thinking, and the idea came to him to leave the barn by a rear door and quietly approach a captive. Smart as a fox, the coyote read his mind and was not to be had so simply. Alfred then went back to milking but the coyote ventured back into the barn by only a step. When first seen he was inside the building by about eight feet. When finished with milking Alfred noted that the coyote remained about the buildings, with his dog choosing to permit the coyote his liberty. It is believed that the coyote is tame enough by this time to provide the old Genessee Coyote Club with a day's good hunting. Coyotes are reported to be numerous this fall everywhere, and especially in the big game sections. Not long ago a sheepman was in Genessee with several pelts and six dead animals, all trapped in the Little Potlatch country.

AL NAGEL ROASTS TURKEYS FOR HIS MEN THANKSGIVING Alfred Nagel, with a coast artillery outfit, presumably in the Hawaiian Islands, did a real job helping cook dinner for troops in his outfit to eat on Thanksgiving day. Alfred writes: "Dear Mr. and Mrs. Peterson: "I am very sorry I have not written to you for so long. Everything is under control, as far as I can tell. I am getting the Genessee News right along and I have lots of fun reading it. I also got a gift of envelopes and paper from the American Legion and I thank them a million. It will come in handy. "We had a swell Thanksgiving dinner for the boys. It was a lot of work for us cooks, but we didn't mind it at all. We were up most all night roasting turkeys. "How are things getting along at home? Are your boys in the service now, too? How is the weather by the islands? How is Uncle Fred getting along? "Well, that is all folks. Hope to see you again soon. Merry Christmas and a Happy New Year. "Al Nagel."

Thanks for the letter Al, and what strides you have taken as a letter writer. Perhaps a fellow does shine here in his correspondence now that you have been overseas so long and have become acquainted with some young ladies in Hawaii. To answer your questions: Things are going along fine at home, with everyone busy, and with hardly any young men now home. One boy, Gerald, is in the service, and the younger one, Dan, will be 18 next April. The weather has been wonderful, some rain lately, but a warm, dry fall, some snow has frozen over, starting two nights ago, and ducks, now here in large numbers, take to the Clearwater at night, but find feed in grain and pea fields during the daytime. There are not many fields which are not plowed, disked or seeded, so not too much feed for ducks. Your uncle, Fred, is doing o. k. but it is about that time of the year when he likes to hit for a warmer climate or springs resorts. As you say, "everything seems to be under control."

Give Her the Chance to Do Her Best

When you help your chickens give more eggs from feed consumed, you are giving vital aid to America's war effort, as well as earning more money for yourself. There are a lot of things a hen will eat when hungry, but few that will enable her to give top egg production, for an egg is composed of certain elements that must go into the hen before the egg can be produced. She must have feed that contains these elements in properly balanced proportions or egg production will suffer. We offer you feeds that represent the best that experience and service can make. Give your hens a chance to do their best. Maintain high egg production by feeding

SEAMAN FIRST CLASS GRIESER AND MISS REISENAUER WED

Miss Bernadine Reisenauer, daughter of Mr. and Mrs. John Reisenauer Colton, and Seaman First Class Eugene Grieser, son of Mr. and Mrs. Charles Grieser, Jr., Genesee, were married Monday morning at 9 o'clock St. Mary's Catholic church at Genesee. The double ring ceremony was solemnized by the Rev. Fr. Charles in the presence of immediate relatives of the young people and by in-mate friends.

The bride wore a brown suit with matching accessories and a beautiful wedding orchid. The matron of honor, Mrs. George Scharchbach of Colton, wore an ensemble and her corsage was a white rose. The best man was Mr. Dalmond Grieser, brother of the groom. The bride is a graduate of Colton high school, later attending Kelsey-Bird Business School before being employed for two years in a drug store at Great Falls, Mont. For the past two years she had been at home with her parents. Seaman First Class Grieser is a graduate of Genesee high school and followed the trade of carpenter before enlisting 15 months ago in the navy. He has been at sea for months in convoy duty. The newly married young people will be here until Saturday when they will both go to San Francisco and where Mrs. Grieser will live. Her husband, if he goes back into convoy duty will be port occasionally, and when a ship in the crew usually has liberty.

Mr. and Mrs. Charles Grieser, Jr. were hosts at their home at a dinner following the wedding. Present were seaman First Class and Mrs. Eugene Grieser, Mr. and Mrs. Charles Grieser, Rev. Fr. Charles Veit, Mr. and Mrs. John Reisenauer, Colton; Mr. and Mrs. George Scharchbach and family of Colton, Miss Thelma Jones of Spokane, Sister Rose Dolores of Colton, Mrs. Wilson Esser, Mrs. Mary Woodruff and daughter, Marylyn, and Mrs. Chas. Grieser, Sr., Dalmond Grieser, Vern Grieser, Edmond Reisenauer, Adrian Nelson and Mrs. Frank Jacobs. Afternoon callers were Fr. and Mrs. Bernard Grieser and Mrs. Martin Grieser.

MISS VERONA COLE IS BRIDE OF MR. ARTHUR HOFFMAN

St. Mary's Catholic church in Moscow was the setting for the wedding on Tuesday, December 7 of Miss Verona Cole, daughter of Mr. and Mrs. Frank Cole of Genesee, to Mr. Arthur Hoffman, son of Mr. and Mrs. Ed Hoffman of Johnson, Wash.

The bride entered the church on the arm of her father to Lohengrin's Wedding March played by Mrs. Eugene Hoffman. The ceremony was performed by the Rev. Fr. Earl Stokoe. Miss Joan Longang as the bride's attendant, and Mr. Alfred Hoffman, brother of the groom, as best man. The bride was lovely in a white slip-satin dress with sweeping train, and finger-tip veil which fell from a head-piece of pearl beads and rhinestones. She carried a bouquet of white carnations and fern, centered with a gardenia corsage and white ribbon streamers. Miss Longang wore a dress of pink marquisette with white satin head-piece. Her bouquet was pink carnations and fern. The groom wore a dark blue suit and the best man an Oxford grey suit.

Ushers were Mr. Franklin Cole, brother of the bride, and Mr. John Cardwell, brother-in-law of the groom. The bride is a graduate of Genesee high school, attended the University of Idaho, and for the past year has been employed in Washington, D. C. The groom is a graduate of Johnson high school and has been engaged in farming with his father.

After a short wedding trip the young people will make their home in the Thornecreek community. Following the ceremony a wedding breakfast was served at the Washington hotel in Pullman to immediate relatives and friends of the couple.

BULLDOGS' PEN

Editor: Norma Broemeling Asst. Editor: Mary Emerson News Reporter: Mae Busch Feature Writer: Phyllis Grieger Sports Writer: Dan Pederson

Editorial Phyllis Grieger and Dorothy Lee our loyal cheer leaders, led some pep cheers at recent basketball games. At 3:15 on afternoons preceding a game, the assembly was a place of confusion and cheers as the whole high school took part in pep rallies. The game last Friday with Ursuline Academy, a serpentine was formed at the half by the girls of the cheering section. Our new yell queens have done a fine job so far and we hope they will continue to cheer the Genesee high teams on to more victories.

High School News Many high school students have been absent this week because of influenza. Mrs. Herbert Martinson has charge of the Red Cross room at school. So far the turnout has been very poor, but maybe there will be more interest after the Christmas holidays. School vacation begins at noon on Wednesday, December 22. On January 3, classes will resume again.

Speech Class Plays On Thursday, December 9 the high school speech class presented the first in a series of plays for this season. The first play presented was A Girl in Town. The new, Marilyn Price was played by Gladys Taufen. The parts of Rod and Wally were taken by Bob Liberg and Alton Anderson. Joyce Campbell, their sister, was played by Mary Emerson. Jeanette Wernecke took the part of Mrs. Campbell and Vern Grieser was Douglas Hadock. The second play was Polly Put the Kettle On, and had an all-girl cast: Polly, Naomi Cameron; Marion Jayson, Lorena Scharnhorst; Mrs. Jayson, Lucille Skow; Sylvia Vaile, Itha Wright; Mrs. Vaile, Joyce Doyley Kay Jayson, Anita Scharnhorst, and Julia Martin, Call Burgess.

Be Home by Midnight, the last play, seemed to be the outstanding of the three. Characters were: Mr. Jones, the father, Don Borgen; Mrs. Jones, the mother, Bernice Manderfeld; Paul, their son, Dan Pederson; Mary, his sister, Phyllis Grieser, and their kid brother, Junior, Gene Moser. Between the first and second plays the chorus sang "Benedicite's Stream and Country Gardens. The triple trio sang Girl of My Dreams before the last play. Approximately \$35 was taken in

which was contributed to the Student Body Funds. Feature The senior mentioned in last week's issue of the Bulldog Pen was Sanford Evans. This week there is another of the boys in the senior class who has had a consultation with the draft board. He expects to leave some time after the first semester. He has an unusual hobby of training horses. Among other favorite pastimes are hunting, brunettes, wheaties, "Paper Doll," Literature and Life, Book 3. He has turned out for basketball ball but has been too busy to concentrate on it very much. The number of schools he has attended sounds like a travelogue of North Central Idaho and eastern Washington. Besides Genesee he has attended school at Ingle school, Shafter school, Lewiston, Clarkston and Cottonwood. He is a good student and is popular with everyone in Genesee high. The senior class will not be the same without Bill Weber.

First Grade Kay Nelson, who was absent because of illness, is back with us again. Attendance has been very poor this week, with as many as six to eight absent. Sixth Grade News We elected new officers last week. They are: Simeon Fleishman, president; Carol Borgen, vice president; Jeanette Vandenberg, treasurer; Laverne Erickson, secretary. Instead of electing a new president, we moved the vice president up to president. Our Christmas party will be Wednesday morning Dec. 22. The committees for the party are: Games, Ann Louise Luedke, chairman; Rex Eikum, Linda Archibald and Colleen Uhre, Refreshments, Carol Borgen, chairman; Donald Spence, Leticia Comnick and Tommie Ochs, Hostesses, Lavonne Fox and Mary Curran. Arrangements, Denny Jay, chairman; Ronald Berry, Laverne Gilbertson, Simeon Fleishman, Billy Hanson and Joe Sprenger. Serving, Laverne Vandenberg, Passout presents, Virginia Hurlbert and Carol Osmundson.

Virginia Hurlbert brought our Christmas tree and we have it decorated with tinsel and angels that we made. Eighth Grade Last week we gave a surprise birthday party for our teacher, Miss Sheeley. A gift was given to her by the eighth grade. Pop, cookies and candy were enjoyed and afterward games were played. (Continued on Page Six)

Gene Morscheck in Connecticut

Gene Morscheck, son of Mrs. Lillian Morscheck of Long Beach, Calif., is now located at Stratford, Conn., where he is employed by the Channechard Aircraft company as a production test pilot. For almost two years he was an instructor at Avenger Field, Sweetwater, Texas, leaving there three weeks ago. His mother visited him for a short time while in Texas, and has now returned to California. They are former residents of Genesee.

W. JACOBS SCORES 19 POINTS AGAINST CULDESAC TUESDAY

Genesee Bulldogs won their second conference victory Tuesday evening at Culdesac, 34 to 16. The score could have read: Wayne Jacobs 19, Culdesac 16, as the tall Genesee forward found himself scoring again after a poor early season start that netted him but a point a game. Good for several points every game last year, he just couldn't get started until Tuesday evening when he scored 12 of Genesee's 16 points in the first half. Bob Liberg scored one field goal and Bud Springer scored the other two-pointers in the first half, while the Bulldogs were holding Culdesac to 8 points.

In the second half Jacobs continued on the rampage and scored 7 more points. Springer picked up three field baskets. Eugene Eikum 1, Pederson one, and Liberg made good on a foul shot. In the absence of Fred Morscheck, who was at home because of illness, Coach Levon Chase had Bielenberg in a suit and in the lineup for part of the game. Gene Eikum took over the center position and pivot spot. Other players were Grieser, D. Springer, Ross and Pettit.

Culdesac, this year, has an inexperienced group of boys, and some of them were out of the lineup owing to illness. Players used by Culdesac were Mattson, Law, Pierce, Yawters, Ward, D. Miller, Bronchauer and J. Miller. With Jacobs scoring consistently the Bulldogs at times by intercepting passes, fast breaking and making multiple and lightning like passes under the basket and then to the basket tosser. Genesee was exceptionally strong under the backboard. While some were off on their shots, the game was a good practice session on ball handling. Fenn Emerson was the official and called but twice fouls, 8 on Culdesac and three on Genesee, and one of the Genesee fouls was a technical when a player talked another player before reporting to the referee. Ursuline 19, Genesee 33 Genesee high school boys won their game last Friday evening from Ursuline Academy, Moscow, 33 to 19, but there was considerable disappointment when the large crowd failed to see the Genesee girls in action against the Ursuline girls who won 20-9 after Ursuline forfeited by non-appearance. Ursuline boys looked stronger this year than usual, but they had only two boys able to hit the basket. McCabe, an outstanding player, scored 11 points for high man, and W. Heilmann scored six points. John Heilmann and McGough each scored a point on free throws. It was a ball-rusting game in the first half, with Pederson for Genesee going out on 4 personal fouls in the final quarter. John Heilmann and McGough each had three fouls on them in the third period, and became cautious in the final quarter when Levon Chase was using all players except his starting lineup. Pederson led the Genesee scorers with 10 points. Bud Springer made 3 points, Vern Grieser 6, Fred Morscheck 5, Eikum 1, and Bob Liberg 4. Genesee was the big surprise of the game, with his three long baskets and also doing a nice job on defense. The backboard play was dominated by Morscheck and Pederson did the best that could be expected guarding the Ursuline marksmen, McCabe, and holding him to two field goals while the lineup. Bud Springer, besides scoring seven points, showed up exceptionally good as a guard on defense. Bob Liberg always looks good as a ball handler and does a fine job as a guard. The other boys, with less experience are showing improvement, and it is certain that the Bulldogs will become stronger as the season advances and will have that much desired reserve. Tumbler Do Their Stuff A group of grade boys under the direction and instruction of Howard Snell went through their places in physical education, doing several acts in tumbling. The school has recently acquired new gymnasium equipment and includes several mats for wrestling and tumbling. The boys did very good and spectators at basketball games will be glad to see them again.

GENE GRIESER ON CONVOY DUTY KNOWS ALEUTIANS

Eugene Grieser, son of Mr. and Mrs. Carl Grieser, is now a seaman first-class and is wearing the campaign ribbons for Asiatic-Pacific duty, the North American Theatre and a third for convoy duty. Enlisting 15 months ago, Gene has been at sea for 10 months with an occasional shore liberty, and is now home for his second leave. He was married Monday morning to Miss Bernadine Reisenauer of Colton, who, with Mrs. Carl Grieser, met Gene in Seattle five months ago after he had just returned from Attu. He is now just in from the Aleutians and is going to San Francisco where he will report to the Armed Guard Center for assignment, and perhaps duty in some theatre of operations. Gene was noticed to be slightly hard of hearing when he first arrived home last week, but he was becoming more accustomed to the peaceful living of civilians while home and his hearing is improving. He is a first leader on a 4-inch gun, and his hearing was affected by the constant wearing of head phones, he said. His ship has been operating in hostile waters, and the crew has not been alerted at the guns all the time. In the Attu invasion the navy shot everything they had on the Japs, and at Kiska they threw over more than that. The gun on which he works uses an 85-pound shell of fixed ammunition, that is, the projectile is fixed to the shell case. Seaman Grieser is not permitted to leave the ship as he has been in recent months, but the crew is familiar with Japanese navy tactics and the men know when a Jap sub or ship is within range.

PRIZE OF \$500 FOR OLD PAPER BY THE SPOKESMAN-REVIEW

The Spokesman-Review will announce, at an early date, its participation in the U. S. Victory Waste Paper Campaign, conducted by the United Newspapers of the Inland Empire. This campaign is necessary, according to Donald M. Nelson, WPB chairman, to "overcome a shortage in waste paper, the material from which many implements of war are made." Local or regional conditions have dictated an earlier or later start in some parts of the country. The Review has canvassed the situation in this area and finds it so critical as to require an immediate start of the campaign. The Inland Empire Paper company at Millwood, which uses most of the waste paper between the Cascades and the Rocky Mountains, agrees as to this urgency. The mill wants a minimum of 500 tons of waste paper each month; it is currently receiving only 200 tons.

The Review will offer a first prize of \$500 and a second prize of \$250 to the counties of the Inland Empire turning in the greatest amount of waste paper per capita from now until January 31, 1944, inclusive. As in last year's scrap metal drive, the prizes will go to selected charities or civic organizations to be determined in each case by the county Defense coordinator and county salvage chairman.

Firemen Gathering Paper George Anderson, fire chief, states that the Genesee Fire Department is gathering scrap paper, and has a considerable quantity on hand which they have sorted and packed. The firemen have no method of handling loose and small pieces of waste paper, such as accumulations from waste baskets, but it does want old newspapers and magazines, and most of all corrugated or heavy paper packing boxes. Their work will be made easier if each person will tie old newspapers and magazines in bundles. Such paper may be delivered to the old school gymnasium just west of the K. P. hall.

CLEARWATER TREE FARM DEDICATED ON DECEMBER 13

Potlatch Forests, Inc., is the first lumbering organization in Idaho to create a tree-farming enterprise, and in recognition of the achievement, the company was presented a tree-farm certificate on behalf of the Western Pine Association by Governor C. A. Bottolfsen at a dinner Monday evening at the Lewis-Clark hotel, Lewiston. Three hundred guests were present to witness the presentation.

The Potlatch Forests, Inc., tree farm is located entirely within Clearwater county and comprises the vast acreage that was first set aside in 1927 to grow trees for the company's Clearwater Lumber mill.

Thirty-five years of lumbering in central Idaho under a forest protection program, it was said at the meeting that Idaho still has a substantial forest mine, and it was pointed out that there is a difference between tree

miners and tree farmers, the latter realizing that conservation must be practical to witness a continuation of successful lumbering operations. One speaker emphasized that ghost towns of the west were results of indiscriminate forest mining, and a resultant evacuation of people from an area that is mined out.

Idaho is abreast of the times in utilization of forest products, with science pointing the way to forest crops other than lumber, poles and wood. Pulp, fibrous and chemical materials are responsible for unheard-of projects for construction of buildings, building materials, decorative materials and numerous other things.

Tree farming is becoming general in forested areas of the United States but particularly in the west where the stands of timber remain for selective logging, and where the areas of standing timber is larger. About 8,000,000 acres of forest lands are included under the American Tree Farm

Banner, and more than a million of acres are in the western pine region. With extra demands on the lumber industry during war-time, and the serious labor shortage, lumbering is one of the most essential industries, and it is expected that the demand for lumber and its by-products will increase when the peace is signed. By the benefits to be derived from tree farming, Idaho, through its lumber organization is making a real effort to maintain payrolls, and maintain an industry for which the state is outstanding.

Deal was doing him a great favor by promising him a handout.

"If congress approved, the administration would be in the clear, and the taxpayers would pay the bill. If congress rejected it the administration could place the blame on congress.

"Another obscure purpose of the subsidy proposal is based upon full-agreements. The New Deal now proposes subsidies which will be paid by the American taxpayers, instead of the protective tariff, which in the past was paid by the foreign exporter of goods to the United States."

RON HUFFMAN SENDS COPIES OF HIS CAMP' NEWSPAPER

Two letters from Ron Huffman in a week is extraordinary, but something must have slipped in mail transportation. He also sent two copies of the Ford Wood News. Camp newspapers are always interesting and are searched for news of service men from Genesee, but we never have any luck.

Dear Pete:

"While I have a little time I better drop you a few lines. I have planned to write several times but something always comes up.

"We have been living in the field for the past three weeks and it's really tough going. We come in on weekends but that doesn't mean much when you freeze all week. I have woken up several mornings with a half inch of frost on my feet. They get so numb you never know it. We have only five more weeks of it.

"We are leaving for maneuvers the last of January. I sure hope we go to a warm place. I guess we are going down south. They will end in the early summer some time. If we pass this I guess you know what it means. I sure hope we flank out.

"I have great hopes of being home on a Christmas furlough some time in December. I would sure like to be there for the holidays, but I may get it sooner.

"I read Mary Springer's letter in the last paper so am sending a copy of our Fort News. We get it every week, and thought you might like to read it.

"Well, Pete, the boys are having a party here (on my bed) and they are making so much noise that I can't keep my mind on my writing, so will sign off for this time. Thanks to you and the Legion for the paper."

Loses Out on Furlough

A more recent letter reads:

"Dear Pete:

"Just a few lines to let you know I am sending the paper again. It tells of the building of this camp. You may get an idea of the size of it and where

it gets its name. I would send you paper every week or so if you find it interesting.

"We leave the Fort in the morning for two full weeks in the field and all. It is sure going to be tough to take but we will be in Christmas, I hope.

"I thought I would be home on Christmas, but I got fooled. I got a furlough for a few days during time in January.

"Well, Pete, I have a lot to do will close for this time.

"Ron,"

Camp newspapers, in some cases nearly approach Esquire in the pictures, and recently one came to The News with the note that paper would hereafter do without one of its most favorite columns. Ron is stationed. All camp papers are full of news and in recent weeks of special train service, with considerable space devoted to sports, and camp happenings. At Port Wood there was much said about a lost mascot, goat, and the finding of a mascot, one that no one seemed to want. The tent for entertainments is quite often selected from men in the camps, occasionally the entertainers are nationally known. One picture entitled "The Weekly Eye Treatment," is a sample of Ozark pulchritude, a horticultural Service Club dance. There are pictures of men back from active combat service, showing decorations and Purple Heart awards, men who are waiting for wounds to heal, and some returned to act as instructors.

SUBSIDIES A DECEPTION

Washington, Dec. 16—Senator John Thomas (Idaho R) charged today that the administration's food subsidy proposal "constitutes another piece of New Deal deception, because the money which the government would have to borrow to pay such subsidies would have to be repaid by the American taxpayers with interest and heavy administrative costs."

Senator Thomas made the statement to the press after participating in hearings on the proposal before the senate banking and currency committee, of which he is a member.

He said that, after hearing the testimony of both sides, he was "unmistakably opposed to the so-called food subsidies, because approval of them, particularly in prosperous times, would set a dangerous and unnecessary precedent," adding:

"I can see only two immediate reasons for any kind of subsidies: (1) Temporary use of them, until adequate protective tariffs can be established; to step up wartime production of crops on which producers cannot otherwise realize a reasonable profit; (2) use of them by the government to buy up surplus products to stabilize prices rather than permit waste of commodities through temporary declines in the market.

"The Commodity Credit Corporation already is empowered by congress to do these things.

"Talk of uncontrolled inflation—if consumer subsidies are generally prohibited, has been exaggerated by administration spokesmen. The government has powerful means at its disposal, rationing, price ceilings, and absolute control over materials, manpower, wages and hours, by which it can hold prices within reason, if present laws are wisely administered in a businesslike way.

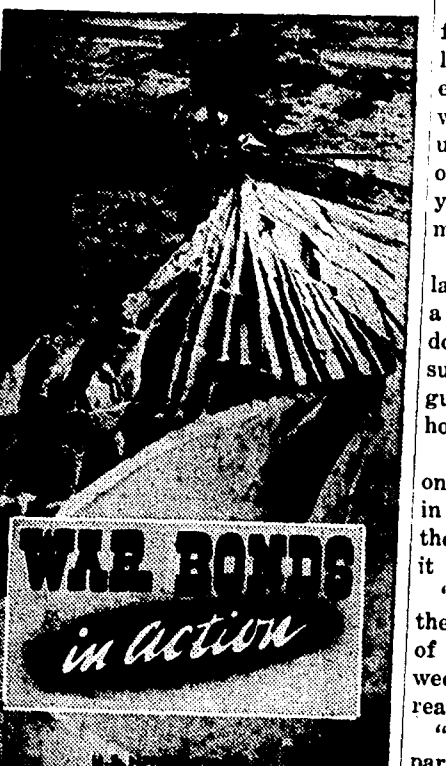

"Ceilings can be raised to cope with increasing costs, such as higher wages and taxes. That is what was done with coal.

"Basically, the producer is entitled to a fair profit. The American farmer, one of the most important producers, is patriotic and will not stand for profiteering.

"The idea of a consumer subsidy, essentially a handout to processors, much of which may never reach the consumer, appears to be a desperate attempt to save the administration's political face.

"This masterpiece was conceived by New Deal political magicians when the administration backed down from its announced position on wages, and granted higher wages to the coal miners and thereby set a precedent for all other groups of labor.

"Administration promises of no increases in food costs could not be fulfilled after higher wages were granted. Increased wages meant higher prices. So the consumer subsidy was unloaded onto congress in an attempt to appease labor and at the same time make the consumer think the New

TO PROTECT TO HARVEST TO GROW

This is FORESTRY

IN 1927 our company drafted plans for permanency in North Idaho and during the intervening years, 1927 to 1943, we have observed and followed to the best of our ability the three basic principles of all good forestry—"to protect"—"to harvest"—and "to grow" trees. We have done this so that those plans, the execution of which began in 1927, can be made to materialize.

Recognition of the high ideals underlying the plans developed to achieve permanency for our operations was recently made to our company by the Western Pine Association. This recognition was in the form of a certificate proclaiming the forest acreage in our ownership within the Clearwater drainage to be a Tree Farm, and naming it the...

CLEARWATER TREE FARM

We are happy to receive the recognition for which this certificate is the token and to have the people of Idaho share with us the pleasure of such recognition. The Clearwater Tree Farm is the first area of land to be certified as a Tree Farm in Idaho. In return for this certification we have pledged a continuation of forest practices that will protect, harvest and grow future crops of trees.

It will be our job to fulfill this pledge. We shall do so, full of confidence in the future that lies ahead of our country and its people!

Silver Wedding Anniversary
The twenty-fifth wedding anniversary of Mr. and Mrs. W. W. Burr was celebrated Sunday with a surprise call from their friends. A no-host dinner was served and a beautifully decorated anniversary cake was cut and served by Mrs. Burr. A gift of silver was presented the honorees and the afternoon was spent in visiting.

Present were Henry Martinson, Miss Esther Martinson, Mrs. Belle Hanson, Mr. and Mrs. Mahlon Follett

Lutheran Brotherhood
Rev. Conser of Lewiston spoke to St. John Lutheran Brotherhood last Sunday evening and told of his experiences on a tour of Palestine some years ago. Carl Simons presented a Christmas reading and a quartet, accompanied by John Meyer, sang several numbers. In the absence of the president Mr. Simons presided at the business meeting during which time the men decided to decorate the church this year for Christmas. The date set for this is December 20, when the men will go to the church to decorate. After the fellowship hour, George Berry, Paul Dinsen and Fred Connick served a real "man's" lunch to 26.

RED CROSS NOTES

Owing to the dense fog and icy sidewalks only 19 women were out to celebrate our first birthday Monday at the Red Cross rooms. The nineteen women made 955 dressings, and special refreshments and a birthday souvenir marked the day.

During the year 110,765 dressings were made in 7,104 hours. Love and loyalty for the boys "out there" made this possible and the supervisor is deeply grateful for the support given her during the year, and hopes that many of those who have not worked recently will come back to help fill the increased demand for dressings. They are life-savers. Work at the high school is progressing nicely and the girls are doing good work for the limited time they have.—JBW

CPL. ABRAHAM IN MID-EAST

Cpl. James Abraham, of Genesee, a son of Mr. and Mrs. James Abraham, formerly of Genesee, now of Moscow, was mentioned in a roving war correspondent's account of his visit with his brother.

The writer, Hal Boyle, met his brother at an American heavy bomber base in the Mediterranean Area, and there met Cpl. Abraham, a friend of Neil Boye. The Lewiston Tribune carried the correspondent's account of the meeting and it read in part: "After a supper of two mashed potatoes and coffee, eaten from mess kits in the squadron dining hall, we adjourned to the house that Giebel built." This is the normal name of the tent shack where Neil lived. It looked a little crude but it's the best place we've had yet. Later his friend, Cpl. James Abraham, 24, a forester from Genesee, Idaho, came over and we all spent the evening bulging over a bottle of sweet vino. The talk was about the war and how soon it would be over. Neil and the other groundcrew men didn't think it could end before next summer and figured it would be months after that before they could hope to go home."

MR. AND MRS. GEHRKE HOME AFTER TRYING TRIP TO OHIO

Mr. and Mrs. Hugo Gehrke are back to normal after their trip to and from Columbus, Ohio, to visit their daughter, Mrs. Robert Rieke, and husband, and Rev. and Mrs. Marcus Rieke and family. They also stopped at Milwaukee and at Blue Earth, Minn., to visit relatives.

Obtaining reservations for the trip to Columbus Mr. and Mrs. Gehrke experienced slight difficulties as the trip was made direct, but returning home, with the stops, they have something to remember for a long time, having stood in aisles and on steps, with others who braved the trials of war-time travel.

At Columbus they found Mr. and Mrs. Robert Rieke doing well. Mrs.

Rieke is employed in the office of a Curtis-Wright airplane company, and Mr. Rieke is continuing his studies for the military. Rev. Marcus Rieke is happy in his position but is a busy person.

Mr. and Mrs. Gehrke left Genessee November 8 and returned December 6. It was cold in the east where there was a foot of snow with low temperatures. From Columbus, Ohio to Chicago they had standing room on their train, and from St. Paul to Missoula, Mont., there were many stops. At Paradise, Mont., they were told to wait for a train following that was due in five minutes. It arrived two hours and fifteen minutes later, and another train they were to take was 15 minutes late. The railroad companies have placed every car they have in operation, and Mr. Gehrke is certain that one day coach in which they rode was the one that brought the Gehrke family to Idaho 41 years ago. The coach seemed unchanged and the old kerosene lamps were still in use.

Wishards Living at Ordnance, Ore. Word comes from Mr. and Mrs. Bert Wishard. The letter reads:

"Dear Mr. and Mrs. Pederson: 'Just a line to give you our new address. It's Ordnance, Ore. The ordnance depot here has built a lot of housing units for their employees to live in. They have quite a nice place here and there are from five to eight apartments in each unit, running all the way from a 2-room apartment to five and six rooms. They all have their own place for coal and wood and a nice yard. They have also established a large grocery store, and have a school up to the fourth grade. There is a show house, Sunday school and church every Sunday, and a nice postoffice. A train depot is just across the highway, and in time they will install a service station and bus depot.

"How is the weather there? It is cold and foggy here today but it has been real nice up until today. Please send us the News to our new address. Mrs. Bert Wishard."

BILLY HERMAN AT PECOS NOW IN ADVANCED TRAINING

Billy Herman, who recently completed flight training at Tucson, Ariz., is now at Pecos, Texas. He writes:

"Dear Pete: 'Just a line to let you know that I have finally changed addresses again, and not for better. I assure you, Pecos Air Base is located out here in the great plains of west Texas. When I say plains, I mean plains, because there isn't a hill to be seen in any direction. The great metropolis, the city of Pecos, is about a mile and a half from the field, and has a population of about 600 people. Outside of this there isn't a sign of life within 100 miles of here. There is only one console thought about it, and that is, ising thought about it, and that is, ising and a pair of wings (I hope).

"I received a V-Mail letter from Don Huffman a short time back, but I lost his address. Sure wish you would send it if possible. 'Thanks a million for the paper and I may get to see the home town shortly after Christmas, as I hope to get a little time off as soon as I finish here.

Note: Sorry Bill, old timer, but we just can't give you Don's address, but hope that your letter will meet the eyes of Mr. and Mrs. S. U. Lough, who have Don's address too. We have been held to restrictions on giving addresses to men overseas. Best of luck to you. Gus Rosenau did a pretty good job for himself at Pecos, and he certainly ironed out a few of those air wrinkles. He was there for some time, perhaps longer by his calculations than the army's.

Bill's address is: A-C Wm. J. Herman, Box 902, Pecos A. F., Pecos, Texas.

GENESEE VALLEY NEWS

Jack Frost was out this week doing his Christmas decorating. Two days of snow and a few frosts that froze the trees and fences made a winter wonderland. A good many gas tickets were saved during that time as travel was hazardous. There is still some flu around but many have recovered. News is scarcer than hen's teeth this week—the lull before Christmas.

Gilbert Smith has purchased the home farm from his mother, Mrs. Julia Smith. He has lived on the old homestead for many years. Saturday night visitors at Gus Rosenau's were Mr. and Mrs. Wm. Ronenau and Willard Rosenau of Winona and George Morscheck.

Mr. and Mrs. Norman Flameo and Duane spent Sunday afternoon at Leon Danielson's.

Joe Anderson has returned from Soap Lake.

Mr. and Mrs. Hugo Gehrke and Mrs. George Scharnhorst were guests of Mr. and Mrs. Ben Jutte for Sunday dinner.

Mrs. Julia Smith is seriously ill at her home in Moscow. Mrs. Chas. Odendorf and Gib Smith spent Sunday and Monday with her.

Mr. and Mrs. Vic Danielson called at Leon Danielson's Monday afternoon. Mrs. Sam Lange received word that her brother, Ted Davidson, had received the Oak Leaf cluster for meritorious service in the air corps in the European theatre of operations. Her other brother, Lt. (j.g.) George Davidson has also received a number of naval air corps citations and decorations.

Latest victims of the flu are Clarence Danielson, J. P. and Roy Wedin and Mrs. Art Tegland.

Mr. and Mrs. Pete Isaksen visited at Ralph McBride's Thursday night.

Fred Tesch spent Saturday and Sunday at Fred Hoves.

Mr. and Mrs. John Elkum and Yvonne called at Vic Danielson's Sunday evening.

Sunday school Christmas program December 22 at 7:30. Christmas service at 9:30, December 25.

The Bluebird Club had a special sewing day at Mrs. Sam Lange's on Friday. A large number of army kit bags were made. A pickup lunch was served by the non-aid members.

God's Gift Another Christmas—fear and dread and sorrow.

Cast shadows on the peace and joy it brings.

The while the world hopes on that some glad morning Will usher in the dawn of better things.

Christ is forgotten—all the nations learning The art of hate, the subtle curse of war,

Still fail to see the truth that His returning Will bring peace the world is waiting for.

Silent the bells that ring the Christmas story While people peer through war clouds for a rift,

But joy unspeakable and full of glory Is theirs who will receive God's gift. —C. A. Lufburrow.

Tribute to Bazaar Workers We've put a fine addition on the good old church at home.

It's just the latest kilter, with a gal-lery and a dome.

It's a tale of people; finest church in all the town; and every one of them.

And when 'twas dedicated, why we planked ten thousand down,

That is we paid five thousand, every deacon did his best

And the Ladies Aid Society, it promised all the rest.

We've got an organ in the church, finest in the land,

It's got a thousand pipes or more; it's melody is grand,

And when we sit in cushioned pews, and hear the master play

It carries us to realm of bliss, un-numbered miles away.

It cost three thousand and has stood the hardest test,

We'll pay one thousand for it, the Ladies Aid the rest.

They'll give a hundred sociables too and teas,

They'll bake a thousand angel cakes and tons of cream they'll freeze,

They'll bake and scrape and toil and sweat for seven years or more,

And then they'll start all o'er again for a carpet for the floor.

No it isn't just digging out the money from your vest.

When the Ladies Aid gets busy and says, "We'll do the rest."

Of course we're proud of our big church, from pulpit to the spire. It's the darling of our hearts, the crown of our desire.

But when I see the sisters work to raise the cash that lacks, I somehow feel the church is built on women's tired backs,

And sometimes I can't help thinking when we reach the regions blest The men will get the toll and sweat, and the Ladies Aid the rest.

Dear Mom— I've got a furlough and I'm coming home for Christmas! Boy, what a swell present... just to be home with you and Pop and the kids. My only worry is that I might not be able to get transportation because the trains are so crowded. If that should happen, it would be the worst disappointment I've ever had. Everyone thinks my outfit will be going across soon, so this probably will be my last chance to be with you for quite a spell. I'll get home some way - even if I have to walk - but I sure want to be there on Christmas day. Love, Joe

DON'T TAKE A TRAIN TRIP DURING THE HOLIDAYS

Hundreds of thousands of servicemen and women are looking forward to getting home during the holidays. Railroad equipment and manpower cannot take care of all of them if civilians take unnecessary trips and overcrowd the trains. Be fair to the boys who are going to do our fighting for us... make this a stay-at-home Christmas season... let a serviceman have your place on a homeward-bound train. Don't travel during the holidays unless your errand is vital. NORTHERN PACIFIC RAILWAY—"Main Street of the Northwest"

WINTER IN PALOUSE COUNTRY WITH FOG AND ICE; NO SNOW

Skating is reported good at the Olsson pond where ice has frozen clear and smooth during the past ten days. Skating is also good on still water at Lewiston, but the lowest thermometer reading reports this winter so far is 16 degrees above zero.

Fog covered the Inland Empire Sunday and by 10 o'clock Sunday night all oiled roads were a glare of ice, with traveling hazardous. Monday a number of cars were turned around or off the road on the Lewiston hill and a few minor accidents were reported. George Morschek, riding with Mr. and Mrs. Gus Rosenau and Stan Rosenau, sustained a cut over his left eye while assisting a driver to get his car headed in the right direction on the Lewiston hill. He was pushing from one side when a second car coming down hill came against the car he was pushing and bumped his head on the sharp beading over the car door.

Tuesday night a lady driving the Lewiston hill had her car stall at the top of the grade and when it stopped over the center line. Another driver unable to see her car in the fog collided with the stalled car, but the damage was not serious. A car and a truck came together between Cull-deac and Lapwai but there was no fog there. In this accident an elderly couple was turning into their lane when the truck came up and swept them into the ditch, with no one being critically injured.

Frost Causing Anxiety
Telephone and power company employees are kept busy repairing breaks in lines caused by a heavy frost of wires. Four rural lines were out of service on the Interstate system at Genesee Thursday morning, but were back in operation during the afternoon. Several poles were down. The Washington Water Power company had a broken circuit during the night with some cuts off for about two hours. It happened that a construction crew was at Genesee and they were able to leave from here to repair the break.

Frost has formed on all telephone and power lines until they are about two inches in diameter, and are sagging under the burden. Where frost has formed on trees and fallen off at the weight bends the limbs, the accumulation resembles an inch fall of snow under average trees, and under a large willow tree the fallen frost may measure up to three inches.

There has been no wind whistlers to move the frost, and temperatures have been uniform at below freezing points since Sunday. Thursday afternoon the mercury was rising and some frost was leaving the wires, but it is not expected to disappear with weather promised for Thursday night.

WINS VERDICT IN COURT

Mrs. J. O'Connor of Alberta, Canada, who was injured in an automobile accident last winter when a school bus driven by Cecil Nebelsieck and a car driven by Chet Qualey collided, was awarded \$2,000 in damages in district court. Mrs. O'Connor was a passenger in the Qualey car, others being her mother, Mrs. Frank Qualey, whose injuries were fatal; Mrs. Jack Nebelsieck and young son, Gary.

The verdict was reached Wednesday evening. She had asked for damages in the amount of \$7,500. John G. Meyer, owner of the school bus is protected by insurance.

MRS. NORDBY HOME

Mrs. R. E. Nordby was returned to her home here Tuesday evening from the Grisman hospital in Moscow where she had been recovering from injuries sustained in an automobile accident. Mr. Nordby expects to be home in about two weeks. Miss Beuletta Nordby, employed in Spokane at the air depot, arrived home this week to be with her parents for a month.

HOME BY CHRISTMAS

Chet Qualey received a letter on Thursday from his brother, Tech. Sgt. Lloyd Qualey, stating that the latter expects to be home by Christmas. He is now at Temple, Texas, in an army hospital after being returned from active duty overseas. Lloyd intimates that he should have light work at first and inquires as to the proficiency of Chet as a cook. He wrote in his letter that it might be only a couple of days before Christmas before he will reach Genesee. He is being given a honorable discharge.

BASKETBALL GAMES

Pierce high school will have a game with Genesee high school Saturday evening, and on Tuesday evening there will be a conference game at Genesee, Lapwai vs. Genesee High. Genesee travels to Juliaetta Friday evening for a conference game.

GENEESEE UNION WAREHOUSE TO HOLD SPECIAL MEETING

The following notice has been mailed to all stockholders of the Genesee Union Warehouse Company: To Stockholders: There will be a special stockholders' meeting of the Genesee Union Warehouse Company at the K. of P. hall on December 18, 1943 at 1:30 p. m. This meeting is being called by the directors as requested by the stockholders at their last annual meeting.

Capable speakers have been secured who will fully explain an answer questions in regard to cooperative organizations and the steps necessary to make our company fully cooperative. We urge all stockholders to come and acquaint themselves with the facts as a vote will be taken at this meeting to determine if the company is to make constitutional changes necessary to reorganize and become fully cooperative or remain a corporation as at present.

GENEESEE BOY SCOUTS ATTEND COURT OF HONOR AT MOSCOW

Eleven boys of Troop 138, Boy Scouts, Genesee, with their leaders, Rev. T. M. Gebhard and Rev. Melford Knight, were in attendance at the Court of Honor held in Moscow Tuesday evening.

Burton Peterson, the lone Genesee Scout up for first-class merit badges in cooking and personal health, was unable to attend, owing to illness. Three boys, Ray Liberg, Edwin Morken and Ralph Koster invested as tenderfoot Scouts.

CARDS FOR SERVICE MEN

People of Genesee are asked to donate used decks of playing cards for men in service. A special list is made by the United Service Organizations directly from the USO Hut, U. P. R. R., Pocatello. The message reads: "It doesn't matter how old they are as long as all the cards are there. They can be either mailed or sent down by bus. The bus lines are very good about bringing things to us here, for the bus depot is very close. We will appreciate all you can do for us in this matter. It really means a great deal to the boys. Also, please extend an invitation to the people of your community to visit our HUT when in Pocatello."

The Genesee News will be glad to receive used packs of playing cards for men in service, and when a sufficient number of packs are obtained they will be sent to Pocatello. If anyone desires to mail the cards direct, the address is: USO HUT UPRR, Pocatello, Idaho.

THE BULLDOGS' PEN

(Continued from Page One) Last Friday we made Christmas cards. It was lots of fun. Most of the students went to the Speech Class plays last Thursday. We are looking forward to our Christmas party.

In our singing class we are learning to sing Christmas carols.—By Arlene Beavert and Eloise Herman. Third Grade Dawn Heinrich, Dixie Lee McGreger, John Wardrobe, Alice Jain and Marlene Hadley have been absent this week. We made some holly bells last week. They sure looked cute. Alice Jain drew a Santa Claus on our black board with colored chalk. We are making Christmas presents at school this year. Mrs. Covington is reading us the "Bobby Twins at Windmill Cottage." Wayne Benson brought three tree growths for our science table. He also brought our Christmas tree. We decorated it real pretty.—By Janis Archibald.

The doubtful "honor" of being the first patient to be treated at the hospital Monday morning was 14-year-old Jason Layblin, who had sustained possible fractured ribs and bruises in a traffic accident Sunday. The first woman patient was Clara Feldhans, also a traffic victim. Her injuries were not serious.

Operating 24 hours each day the hospital is completely prepared to handle every type of emergency case and perform major operations where necessary.

W. CORA MERVYN PASSES AWAY SUDDENLY IN SPOKANE

Funeral services were conducted at Mrs. Cora Mervyn's home at 1 o'clock for the usual day during the holidays. There is no holiday for casualties so we must keep the dressings rolling. High school girls are urged to work too. A Roseville vase of flowers was presented to Miss Pauline Steltz for Christmas as a token of appreciation for preparing the rooms for work. Mr. Reisenauer has volunteered to build the fires for us during the cold weather, which is greatly appreciated. The supervisory chairman, to all Red Cross workers, a happy Christmas.—JWB

GENEESEE COMMUNITY GIVES MORE THAN QUOTA TO N.W.F.

Genesee community has again surpassed its goal in war time contributions. This time the community, with a quota of \$1,075.00 for the National War Fund, has donated nearly \$1,600. At the date of a report made by W. W. Emerson, community chairman, to the county organization, the receipts were \$1,557.15. Since that time more money has been contributed.

RED CROSS NOTES

Eighteen women were present Monday and made 1100 dressings. High school girls have made 500 dressings. The Red Cross room will be open on the usual days during the holidays. There is no holiday for casualties so we must keep the dressings rolling. High school girls are urged to work too. A Roseville vase of flowers was presented to Miss Pauline Steltz for Christmas as a token of appreciation for preparing the rooms for work. LOREN KAMBITSCH, IDAHO JUNIOR ROTC TO BENNING

Pfc. Loren Kambitsch, member of University of Idaho ROTC, is now on his way to Ft. Benning, Georgia, for officer's training in the infantry. Loren went with the Junior ROTC unit to Camp Roberts, Calif., and was back at the University for a course in engineering, preparatory to entering officer's training.

BILLY MERVYN STARTS FLYING

William (Billy) Mervyn is now an aviation cadet, and is at Rankin Army nautical Academy, Tulare, Calif. He writes under date of Dec. 13: "Dear Pedersena: I'm wishing you a merry Christmas and a brighter new year. I hope Pete (Gerald) gets sent to a C. T. D. for pre-flight as it took me about six months to get here.

DR. TUOMY CHIEF SURGEON AT NEW VAN NUYS HOSPITAL

From Van Nuys comes a newspaper clipping, with a picture of Dr. Clark Tuomy, former Genesee doctor, still in practice as a surgeon. The news story reads: "Van Nuys—Today is slated as the formal opening of the new Van Nuys receiving hospital, although the institution opened quietly and for business last Monday morning. Spick and span, and with the very finest, most modern streamlined equipment, the hospital is an immaculate dream of efficient hospital operation."

MINNESOTA A CHILLY STATE ACCORDING TO JOE SCHOOER

Joe Schooler, now an aviation student at Hibbing, Minn., writes: "Dear Pete: I guess it is about time I was dropping you a line to thank you and the American Legion for the paper. I really enjoy the News very much as it is interesting to know who is doing what at home.

MERRY CHRISTMAS

Locked in combat for more than two years, the American service man and woman remember folks at home with wishes for a Merry Christmas and an appreciative nation exchanges Yuletide best wishes and hopes for cessation of hostilities which are claiming lives of the great of our country. Relatives, churches, fraternal organizations, civic bodies and business firms have remembered our Genesee people in the armed forces with remembrances at this Christmas time, eager to do more than privileged to do, and looking forward to the day when there will be peace.

BULLDOGS' PEN

Christmas, this year, is very different from those before the war. Everyone realizes that, because of the many things we cannot get for gifts and of the high prices we pay for what we do get. The one thing that everyone wants and desires is peace and a world like the one which existed before the war. The gift that will bring such a world is a War Bond (as it is advertised) with the gift of a future. If everyone buys such a gift and continues to buy them after Christmas, the world will consist of people who believe in the ideal of "peace on earth, good will toward men."

High School Dance

Students from both Lapwai and Genesee high schools enjoyed a dance after the game Tuesday night. Music was furnished by a phonograph and records and loud speaker. A "tag" dance was usually approved by most students, and also the "girls' choice" dances brought many couples to the floor. The evening was enjoyed by all present and concluded at 11 o'clock.

SIXTH GRADE NEWS

We have been studying about sounds. We have been experimenting with tuning forks to show us that sound is made by vibrations. We are going to have pies, pickles, sandwiches, milk and potato chips for our Christmas party. We have many presents, which we are anxious to open.

SEVENTH GRADE NEWS

We had our Christmas party on the 22nd. Stanford Flunt got the tree. Donna Englund, Frank Emerson, Edwin Morken and Ralph Koster were on the decorating committee, with Ralph as chairman. Entertainment was in charge of Don Bennett, Mary Densov, Ted Semes, Marjorie Hatton, Ray Liberg, Eula Sisty, Mildred Olson and Don Johnson. Ray was chairman.—By Bernard Peterson.

THURSDAY MARKETS

Table with 2 columns: Item and Price. Includes New Grain Prices, Barley, Club Wheat, Rex Wheat, etc.

TRANSPORTATION MEETING

At the request of the Office of Defense Transportation the following members of the Latah County Farm Transportation sub-committee met in Moscow Wednesday: Orval Johnson, T. G. Taylor, Arthur Wright and J. O. Broyles.

The committee suggests that in order to save gas and rubber, that beginning the second Saturday, January 8, 1944, cattle be assembled at the Moscow stockyards for shipment. Thereafter dates for shipping will be the second and fourth Saturdays of each month. It would be advisable to contact T. G. Taylor of Moscow if you have cattle on the disposal of. If an insufficient number of cattle are brought in to fill a carload they will be trucked to Spokane.

GENEESEE AREA HIT HARDEST BY FOG FREEZING ON WIRES

Twelve days of fog and two hours of sunshine is the weather from Dec. 11 to Dec. 23, and during that time there has been no wind. Those who have water storage plants on farms powered by windmills have begun to wonder when the air would begin moving to pump water.

Telephone and electric service wires which had a two-inch coating of frost on for them last Thursday, lost some of the heavy coating Monday of this week, but that same evening a mist prevailed over the Palouse country, which froze on the wires and coated the frozen fog that remained. In the Rimrock area weight on wires was reported heavier than in town, and to the north, east and west of Genesee, the weight was less. Farmers had but little frost; Moscow had no difficulty with wires being down, and in the Juliaetta area no damage was reported to transmission lines.

RIMROCK PAPER DRIVE

Rimrock, always active in war programs, now has a part in the scrap paper drive, with Mrs. Merle Roberts as chairman. There is no need to repeat the urgent need of scrap paper at this time, because the demand is increasing daily, and that demand is coming from our war effort. Scrap paper to make cartons, scrap paper to make announcements, scrap paper to make boxes for medical supplies, food and clothing, scrap paper for so many war uses, that we are at once reminded of the far-reaching utilization of scrap paper.

CANDLE LIGHT SERVICE

St. John Lutheran choir will sponsor a candlelight service December 24 at 11 p. m. Twenty singers will participate in the service and will sing three anthems, "Lo, How a Rose," by Prorokos; "Today There is Ringing," by Zibell; and "Echoes on Christmas Eve" by Lorenz. Others helping in the service will be seven sisters, Ruth, Ruby and Dorothy Anderson, Earl Luckey, Bob Herman, Mary Francis Densov and Eloise Herman. Readers will be Ted Rosenau and Bob Liberg. Miss Helen Scharnhorst will be organist and Rev. T. M. Gebhard will direct the choir. The entire group will wear black robes and white surplices and carry red candles and red books during the formations in the service. Ralph Koster and LaVerne Scharnhorst will be acolytes, making a total of 32 people participating.

DICK SCHARNHORST HOME

Dick Scharnhorst arrived in Genesee Wednesday from Lemore, Army Air Base, Los Angeles, Calif., to spend a few days on a furlough with his parents, Mr. and Mrs. Louis Scharnhorst. Dick was in Florida for a time taking special training in military police duties.

"Will you marry me?"

JOSEPH KAMBITSCH, PIONEER DIES AT SANTA CRUZ, CALIF.

Word was received at Genesee Tuesday night of the death of Joseph Kambitsch, at his home at Santa Cruz, Calif. His son, Frank, and sister, Mrs. Andrew Klemm, were notified. Frank Kambitsch returned last Thursday afternoon from Santa Cruz where he visited his father, seriously ill then, but who was showing improvement when the son left. Mr. Kambitsch had been in a hospital to receive treatment for a severe heart attack. He passed away at 9:30 Tuesday evening, December 21, at his home at 369 Walnut Avenue, Santa Cruz.

He is survived by his widow, two sons, Frank, Genesee, and Jack, Santa Cruz; one daughter, Mrs. Charles Covey, Santa Cruz; four sisters, Mrs. Mary Schoeber, Cottonwood, Idaho; Mrs. Frank Bruegeman, Lewiston, Oregon; Mrs. John Hordemann, Thorecreek, and Mrs. Andrew Klemm, Genesee, and by eight grandchildren.

Mr. Kambitsch, the son of Mr. and Mrs. Jacob Kambitsch, was born on a homestead four miles from what is now known as the "21" Ranch near Lake Waha, on January 25, 1872, and attained the age of 71 years, 11 months and 26 days. His father was a veteran of the Civil War and used his soldier's right to home stead land near Waha, but after a short time he moved his family to Thorecreek where he homesteaded, and with Tom Tierney, father of W. J. Tierney, were the first settlers. The trip from Waha to Thorecreek was made in a hay rack, containing the family belongings, and was drawn by one team of horses, which tired of the long miles up the hill. The Thorecreek homestead is five miles northwest of Genesee. It passed into the hands of the late deceased and is now farmed by the son, Frank. Homesteading in the '70's had its trials and dangers, and even then young Joseph Kambitsch, witnessed the difficulties experienced by families establishing homes and getting a start in farming.

Joseph Kambitsch married Miss Laura Gehhardt of Untown in January, 1902, and they immediately began farming on the Kambitsch homestead where they continued to live until 1924 when they retired to live in Untown for about a month before going to California to live.

Frank Kambitsch, who talked to relatives at Santa Cruz late Wednesday evening, learned that funeral services were to be held at Santa Cruz Thursday morning at 9 o'clock, with a requiem mass.

FARM GOALS SET FOR 1944 MORE WHEAT REQUESTED

County AAA meetings have been held in Nez Perce and Latah counties Tuesday and Wednesday, respectively, and in both counties the goal established for wheat is higher. Austrian peas are not listed in the report given by Roy Emerson for Latah county, but in Nez Perce the reduction is from 2,624 acres in 1943 to a mere 350 acres for 1944.

Table with 2 columns: Crop, 1943, 1944. Includes Oats, Barley, Wheat, Flax, Potatoes, Beans, Peas, Summerfallow, Hay, Corn, Dry Beans, Dry peas, Austrian winter peas.

Penalties Removed The state AAA head said that no

penalties would be imposed in 1944 for failure to make goals in production. AAA payments are for carrying out conservation practices and will be based on specific allocations.

The farm machine outlook is expected to be better in 1944 with the Home Love company and Cheney company being permitted to build pea machines at full capacity.

Firemen, said George Anderson, their chief, are taking time to handle paper locally, but with some of their number in the service and others out of town on defense work, they are short-handed, and ask that the public assist them in packaging or bundling all paper.

To the Boys...

who won't be home this Christmas

Greetings! Luck to you! Wherever you are, your thoughts, we know are "back home" with your loved ones, the things and the way of life you are fighting for.

"Back home" we're with you with everything we have — to help you win this war . . . to keep your home, your town, your job the way you want them . . . though some may strive to change all that — provide you with the "advantages" of regimentation, the "blessings" of bureaucracy, we will help you to keep America American!

A CHRISTMAS SONG There's a song in my heart at Christmas When the beautiful Christ-flowers blow

A song of peace and happiness, Tender and sweet and low. It sings of the sweet glad tidings, Of Jesus' birth and of the manger; It sings of the shepherd and his sheep, Of the angels and the star that shined; It sings of the herald angels, Sang in that land afar, When the sages came to the Christ child, And when all to soon it is ended And its vibrant notes depart, I find the Babe of Bethlehem In the manger of my heart. —Bert Gamble.

NOTICE OF ANNUAL MEETING Notice is hereby given, that the Annual Meeting of the Latah County Farmers Mutual Fire Insurance Company will be held at the company's office in the Duthie Building in Troy, Idaho, on Tuesday, the 11th day of January, 1944, at 1:00 o'clock p. m., for the purpose of electing three directors for a term of three years and for the transaction of such other business as may come before the meeting.

Funeral services were conducted at St. Mary's Catholic church Wednesday morning at 9 o'clock for Mrs. Mary Bershaw, who passed away at St. Joseph's hospital in Lewiston at 1 p. m. Friday, December 24. Rev. Fr. Charles Veit was the officiant. Interment was at the Catholic cemetery, and pallbearers were: Charles Grieser, Jr., Andrew Haselbacher, Otto Kretschmer and J. H. Broemelting. Mrs. Bershaw was the daughter of Mr. and Mrs. George Blanchard who came to Unton town when the late deceased was a child. Their former home was near Quebec, Canada. Later Mrs. Bershaw and husband moved to Genesee where Mrs. Bershaw had lived for many years. She was the mother of six boys, five of whom survive: George and Fred of Long Beach, Calif.; Gene of Lewiston; Ernest of Newport, Wash., and Louis of Eugene, Oregon. All of the boys were here for the funeral services. Mrs. Bershaw is also survived by three sisters, one who lives in Canada and two residing in Oregon. One brother also survives. The deceased was ill for about a week and had been a patient at St. Joseph's hospital for three days before her death.

Mr. and Mrs. R. E. Emmett have received a letter from their daughter, Eloise, in San Diego, Calif., telling of her experiences in the Tarawa campaign and came out without a scratch. At present he is in a rest camp, "such as it is." He received many letters from relatives but was sorry to add in his letter that all hopes of a furlough home had faded and supposed they would stay on for the finish.

GENESEE VALLEY NEWS

Christmas is over and a lot of people will carefully pack away their good will for another year. Too often we celebrate the birthday of Christ Child and forget that he grew to manhood and lived a life of service, and that when he left this earth he commissioned us to carry it on for Him. 1943 was a year of sacrifice, dying on battlefields all over the world; illness, sorrow and disaster swept over

A Good Resolution for 1944

"Realizing that the feedstuffs supply in America is vital to our effort, I resolve that I shall make each pound of feed I use produce every possible ounce of food."

No feed should be used in any livestock program unless it is used efficiently... and efficiency calls for careful selection and cutting, good management and sanitation, and use of properly-balanced, quality feeds.

We can help you by supplying you the right kind of feed... you must do the rest.

many nations; social problems increased because of war-time conditions; the principles of democracy have been defied by atrocities that the world has never seen before. A New Year is a time of hope, with new opportunities for service and through service, growth. When the war ends and we hope that will be soon, there will be a new world to build, based on freedom and brotherhood and each one of us may have a part in the building if we are true to ourselves. The best New Year's resolution one could make is found in these lines:

"When you go out in the morning To begin the work of the day, Don't neglect the little chances You will find along your way; For in lifting another's burden, And speaking a word of cheer, You will find your own cares lighter And easier for you to bear. Forget each kindness that you do As soon as you have done it; Forget the praise that falls to you; The moment you have won it; Forget each slight, each spite, each sneer,

Wherever you may meet it. Remember every kindness done To you what'er its measure; Remember praise by others won, And pass it on with pleasure; Remember every promise made And keep it to the letter; Remember those who lent you aid And be a grateful debtor.

Then, above all else, let us be calm in our own hearts, facing whatever comes to us with the same fortitude the boys "out there" are meeting their trials. A happy new year to all. Flu is getting better and only a few cases are still active. Mr. and Mrs. Einar Johnson were both ill for Christmas, also Mrs. August Johnson.

Mrs. John Hagen was in the Critman hospital for medical care over the week end. Dr. and Mrs. C. F. Magee called at Wedin's Friday afternoon. Mr. and Mrs. Oscar Danielson, Mr. and Mrs. Jess Borgen, Mr. and Mrs. Jess Johnson, Mr. and Mrs. Vic Danielson and Lars and John Johnson had Christmas eve dinner at Einar Johnson's.

Mr. and Mrs. Howard Beck and two children of Spokane spent the holidays at Chas. Odenborg's.

Ralph McBride visited Ray Wedin Sunday afternoon. Mr. and Mrs. Sam Lange and Miss Bonnie Lange went to Twin Falls on Sunday to visit with Maxine and meet the new member of the family, Mrs. Geo. Davidson is staying at the Lange home during their absence.

Mr. and Mrs. Nels Lande and Pete were Christmas dinner guests of Mr. and Mrs. George Nelson.

Mr. and Mrs. Fred Howe spent Monday in Lewiston with Fred Teach. Guests at the Wedin home for Christmas were Mrs. Roy Wedin and sister, Lorraine; Fred Saueze of Sacramento, Calif.; Jim Cook of Des Moines, Iowa; Bob Cochran of Cozad, Neb.; and Frank Noel of Louisiana, all from the army and navy training schools at Moscow.

Ray Wedin is able to be around after two weeks' tussle with the flu. Mr. and Mrs. Pete Wagner of Spokane visited at Don Linehan's Sunday afternoon.

Mr. and Mrs. James Myers and children had lunch at Dr. Magee's Monday. Guests at the Schoole home for Christmas dinner were Mr. and Mrs. Lawrence Claus of Spokane and John and Glen Hagen. The former returned to Spokane Sunday evening.

Dr. and Mrs. Glen Holm of Moscow called at Dr. Magee's Tuesday afternoon. Mr. and Mrs. James Archibald and family were dinner guests Tuesday evening of Don Linehan's.

Mrs. Dollie Peterson, Mrs. Nels Lande and Mrs. Wm. Borgen spent Monday afternoon with Mrs. Belle Hanson.

Mr. and Mrs. Vic Danielson had dinner at Jess Johnson's Tuesday evening. Mrs. Annie Danielson had for her guests on Christmas day, the Leon, Oscar and Victor Danielsons, and Mrs. John Eikum and children.

John Eikum spent Friday and Saturday with his mother in Lewiston. Mrs. Dollie Peterson entertained at a family dinner Christmas day. Her guests were the Kimberling, Huntback families of Moscow, Mrs. Aubrey Anderson of Paris and Mr. and Mrs. Ole Johnson and sons.

Mr. and Mrs. John Eikum spent Sunday evening at Ralph McBrides. Misses Lorene Isaksen of Lewiston and Miss Mabel Isaksen and Cpl. John Melnik of Spokane spent the week end at Pete Isaksen's. Mr. and Mrs. John Fallwell and Sharon were also guests for Christmas day.

Mr. and Mrs. Wm. Borgen and Arlene called at Tegland's Monday afternoon. Christmas day at James Magee's was the usual happy affair with Mr. and Mrs. Lew Jain, Mr. and Mrs. Phil Schooler, Mr. and Mrs. Jack Magee, Mr. and Mrs. E. D. Pederson and Dan and J. H. Wickes of Cottonwood as guests.

The Hove family had a dinner at John Hove's Christmas day. Present were Fred, Art, Virgil and Wm. Hove, Art Tegland and Wm. Meeks and their families.

BOB HUFFMAN NEARLY BEATS HIS LETTER TO HOME TOWN

Bob Huffman, on December 18, wrote from McLean, Texas, and almost beat his letter to Genesee. He wrote:

"Dear Pete:

"I want to thank you and the Legion for the Christmas gift and the paper every week. I believe the last time you heard from me I was in Michigan. Well, we have traveled quite a lot since then, finally ending up in Texas. A month ago we came back from detached service at Dalhart, Texas. We had a lot of Germans building air bases there. That was the life. Twenty-four hours of duty and twenty-four hours off. Since we came back the brass hats have cracked down on us, so we are soldiers again.

"Several of the boys from home are here in Texas, but I haven't seen any of them yet. Bill Emerson is two hundred miles south of here, and Bob Schooler is in Amarillo, 74 miles from here. I may get to see them yet before we leave Texas. Our company has been here six months and we are due to move out sometime in the near future.

"Every since we knew we were going to Texas from Michigan people told us how nice it was. Warm climate, pretty country and all that. Well when we got here I was ready to go back. It's hot, cold, windy, sandy and the land is level as far as a fellow can see. You know how difficult it is to see for the fog on the Lewiston hill. Well, it's the same way here when the wind starts to kick the sand around. To sum it all up there are forty-seven better states. We call this part of Texas the 'devil's playground.' I'll send you a poem that will describe it in full, and the fellow who wrote it knew his poetry.

"Well, Pete, I guess I'll call it a day, and dream of being home. I signed my furlough yesterday so I'll see you folks around Christmas.

"Thanks again for the present and the paper. Until next time,

"Bob."

Bob: We will give the Texans another week before printing the poem.

Community Church Sunday school at 10 o'clock. Church service at 11 o'clock. Young People's meeting 8 p. m. Melford Knight, pastor.

TURN IN WASTE PAPER

Waste paper is urgently needed in the war effort, and in nation-wide campaign the United States is making a real drive to supply the need during the month of December.

You may bring old newspapers and magazines, wrapped in bundles, to the old gymnasium where the firemen are storing paper and preparing it for shipment. It is hoped that a carload may be received before the first day of December which is Saturday, so please bring in all old paper today. Paper cartons are also wanted.

THANKS FOR GIFTS

Gerald Pederson, in a letter to his parents, written from Buckley Field, Colo., writes: "Please thank the Legion for the gifts. I really appreciated them, and it's really the most practical gift one could send. Most of all, however, is the idea that people in Genesee are thinking of the fellows who are away from home. Be sure and tell the fellows Dad, and Mom, tell the people in the church that I am grateful for their gift also. Makes a fellow kind of homesick when he gets stuff from home and really makes him think of the old home town."

Party for Mr. and Mrs. Cook

Mr. and Mrs. Ben Cook of Craigmont, who visited the latter's sister, Mrs. Kenneth Hoduffer, and husband over the week end were honor guests at a party given by Mr. and Mrs. Adrian Nelson Monday evening at their home. Other guests were Mr. and Mrs. R. E. Emmett, Mr. and Mrs. Wm. Heinrich, Mr. and Mrs. Don Jain, Mr. and Mrs. R. L. Vandenburg, Mr. and Mrs. Kenneth Hoduffer and Mr. and Mrs. Estil Caruhn. At cards played during the evening, Mr. and Mrs. Hoduffer won high award and Mr. and Mrs. Heinrich, consolation. The hosts served refreshments at the close of the evening.
