

### MAJOR TUPKER DISCHARGED AFTER 62 MONTHS' SERVICE

Dr. Eugene Tupker, a major and fight surgeon in the army, who was here Wednesday and Thursday, coming from Salem to greet his parents, Mr. and Mrs. J. J. Tupker during the observance of their golden wedding anniversary, has returned from the European Theatre and has resumed practice as chief of surgery at the Oregon State Hospital at Salem. He arrived in the States at Camp Miles Standish November 25, reached Ft. Lewis December 2 to receive his separation papers December 3, and was reunited with his family, who have been living with Mrs. Tupker's parents at The Dalles, Ore., since he went overseas.

Dr. Tupker entered the service on September 16, 1940 as a captain in the medical corps, and for a time was with the 116th Medical Regiment of the 41st Infantry Division. After a year he went to the 115th Cavalry at Fort Lewis for eight months, and was then transferred to duty with the Army Air Corps, reporting at Ft. George Wright. He was sent to Yakima and left in December of 1942 for Blythe, Calif., to open and command the station hospital. Dr. Tupker was advanced to major and became a fight surgeon in 1942, and throughout the rest of the time in the service he was assigned to technical research and administration. At Blythe the air corps conducted experiments for men, equipment, food and clothing under extreme temperatures. In the tests temperatures of 150 degrees were recorded one foot off the ground. This extreme desert heat prevailed for several months during the summer permitting medical officers to conduct physiology tests for the men and to test and study various clothing materials. It was so hot at Blythe that people are said to have suffered from lack of sunshine, because the civilians seldom ventured out under clear skies during the daytime. Dr. Tupker remained there for about a year, and during his stops at the several stations he had his family with him, even at Blythe.

He left for overseas February 2, 1944 and landed at Durock, Scotland and then went to England, and later drew an assignment to Clumtoe in Northern Ireland, where there was located an army air base school to study and fly in weather much different than found in the States, but similar to conditions which the pilots would encounter over Europe.

He returned to England in the early fall of 1944 and was stationed at an air field near Chelmsford, which was in "Buzz Bomb Alley," in a direct route from the firing of the bombs to their main target, London.

In January, 1945, Dr. Tupker flew to France and was assigned to the First Air Disarmament Wing. The Wing was then stationed at Crele, near Senlis. Continuing as an administrative officer, the work was investigation of personnel, documents, planes and equipment, in fact practically everything relating to the enemy air force.

Later he was assigned to the Air Technical Intelligence as medical officer for a unit which had professional men in it who had been doing research and investigation work from North Africa to France. Dr. Tupker's work was along medical lines, investigating medical equipment, medicines and everything which had to do with health of the German fighting man of the air. This information was forwarded to the States as soon as obtained. In some medical lines the German air force excelled, and in other things the allied air forces were leaders. He did notice that the enemy was most thorough and painstaking in supplying equipment to its airmen. One of the interesting parts of some planes studied by the Air Technical Intelligence was the "Propulsion" seats, so arranged that seat and occupant could be thrown clear of a plane by merely touching a button. After the air crewman or officer was clear of the plane he would have time to float to safety by parachute. Other equipment studied and sent back to the States was a visual aid for night flying.

Dr. Tupker's unit moved into Germany immediately after the ground forces forged ahead, and his first station for any length of time was at Fulda, Germany, some 90 miles north and east of Frankfurt. Here he was back to the Disarmament Wing to complete disarmament of the German air force. All of his traveling, and there was a lot of it in Europe, was by plane, as his work was administration for the numerous units scattered over the American-held portion of Germany.

Dr. Tupker is authorized to wear the Bronze Star Medal, ETO ribbon, American Theatre Ribbon, Pre-Pearl Harbor ribbon and other ribbons

### GREETINGS FROM SWEETS

Mr. and Mrs. Roy Sweet, former residents of the Pine Grove community, and now living at 1448 14th St., Lewiston, sent holiday greetings to their many friends here, and with them came a brief note which reads: "We like it fine here, especially when we see snow on the hills above and around us. We bought a three-unit apartment house at 516 5th Avenue last fall and so far have had no trouble keeping it rented. Hope your boys and many others will be home soon."

### WORLD WAR I VETS DUE FOR REBATES ON BONUS LOANS

Eleven thousand veterans of World War I have a rebate averaging \$250 each coming to them as a result of a policy change in interest charges on loans made on Adjusted Service certificates, the Veterans Administration has announced. Total additional payments will amount to more than \$2,750,000.

Interest on loans made on certificates, according to word received by Charles Laurensen, contact representative of the administration with offices in the post office building at Moscow, now will be charged from the date of the loan until October 1, 1931. Formerly interest was computed from date of the loan to maturity which in most instances was January 1, 1945.

Veterans will not be required to file additional claims, Laurensen said, and checks are now being mailed to veterans who have already received settlement of their certificates. All checks are being mailed from Washington, he added, and his office has no additional information as to the number of Idaho veterans who may expect the windfall.

While most World War I veterans have cashed their Adjusted Service certificates, the administration still holds \$17,517,152 belonging to 17,858 veterans who so far have failed to step forward and apply for certificate payment, Laurensen said, and the administration wishes these veterans would step forward and claim the money due them.

### DON BORGEN THANKS LEGION

Don Borgen, stationed at Fort Lewis, Wash., writes the following: "Dear Mr. Pederson:

"I want to take this opportunity to thank the Legion for its Christmas gift and for the Genesee News. The gift came at exactly the right time for my pocketbook was flat and I was also in the hospital.

"I don't mind the army and would enjoy my present job if I would be transferred to another company. At present I'm working as cadre in a colored company.

"Where is Dan (Pederson) stationed now?"

"In closing I would like to wish everybody a Happy New Year.

"Please send The News to my new address. I really look forward to reading about what's happening at home.—Don."

Don's address is: Cpl. Donald E. Borgen, Co. A 12 Bn. BTS, Ft. Lewis, Wash.

Note: Thanks for the letter Don. Dan is still on Samar, and his address is: Eugene Dan Pederson RM 3/c, Navy 3149-Box 4, c/o FPO, San Francisco.

### Students Back to School

Returning to Moscow Wednesday and Thursday to resume studies at the University of Idaho after being home for the holidays were Misses Bonnie Kuehl, Shirley Haymond, Paterson, Joan Lorang and Glorie June Biegert.

Miss Joan Edwards left Wednesday to resume studies at Lewiston Normal and Miss Shirley Kleweno left to resume studies at Washington State College. Miss Mary Jean Lorang and Miss Dorothy Weber leave Sunday for Spokane to be present for reopening of school at the Holy Names Academy on Monday.

Miss Lavonne Densow will leave Saturday for Tacoma where she is attending Pacific Lutheran College.

### Homer Burr on Way Home

Homer Burr, who has been in the Philippines in recent months, writes his parents, Mr. and Mrs. W. W. Burr, that his outfit was ready to leave for the States on December 10. His letter was written December 16, and he intimated that he might arrive before the letter. The letter was received January 1.

and medals awarded. He also received the French Croix de Guerre with a Silver Star.

At the time of separation from service he had completed over 62 months of service in the army.

### LLEWELLYN BERSHAW HOME AFTER 25 MONTHS IN EUROPE

Llewellyn Bershaw, who entered the service November 20, 1942, arrived in Lewiston December 26, and is visiting in the home of his mother, Mrs. Tom Ingle. He has made several trips to Genesee, none of which were so lonesome as when he was home on furlough from Camp Maxey. Lew happened to draw a furlough at a time when there was not a single service man other than himself at home. The weather was bad and most all the boys his age were in the service. The visits he is making now are much happier.

Lew went to Camp Maxey and was assigned to the 5th Heavy Pontoon Engineer Battalion, and was later transferred, in September of 1943 to the 82nd Combat Engineers, which were then at Camp Swift, Texas.

On November 23, 1943 he was on his way overseas and landed at Oran, Africa, December 15, 1943, then went to Casablanca. The outfit then was sent to England for invasion tactics, and hit Omaha Beach on D-plus 10 or May 16. His outfit was part of the 19th Corps troops of the First Army, whose route was through St. Lo, and after breaking through the German lines, turned toward Belgium, and into Holland for the fierce battles there. Lew traveled the route thru Liege and Maastricht, and then hit toward the Rhine, to cross at Wesel.

The 82nd Combat Engineers built a lot of bridges, but in Belgium and Holland, its men were used in direct combat, serving with the infantry. They followed the Second Armored Division quite a bit of the time, and were in support of the 30th and 29th Infantry Divisions. When not fighting the Eighty-Second was building bridges or clearing mine fields.

The big pontoon bridge was bearing troops and equipment across the Rhine when Lew's outfit moved over the big river. Hitting in a northeasterly direction the Eighty-Second drove to Colbe, Germany, when the enemy decided to quit. Colbe is near Magdeburg. The outfit remained at Colbe for about two months and then went to Katzenfurt, not far from Frankfurt on the Main, and from there moved to a point near Brussels, Belgium before going to Reims.

### Lew Meets His Brother

In October, Wayne Bershaw, with the First Infantry Division, drew a furlough, and he went to Brussels to be with his brother, Lew, for three real days of visiting.

### Lew Leaves from Antwerp

Lew left Europe from Antwerp, on December 3 and arrived in New York on December 15. He is authorized to wear the ETO ribbon with four battle stars, for France, North France, Central Europe and Germany, also the Good Conduct Medal, the American Defense ribbon and the Victory Medal. Lew's outfit also was authorized the wreath worn on the right sleeve, issued for meritorious service.

### PLAYS FOOTBALL IN TOKYO

Damon Holben received a telegram from his brother, Melvin, stationed with the army in Japan which stated that Damon would be playing football in the Tokyo Bowl on New Year's day. Melvin has been in several football games this fall, and expected to have some newspaper clippings to send home soon.

### CREAM STATION SOLD

Mrs. Alzina Hayden recently sold the Hazelwood cream station to Mrs. Ed Fox, the latter taking possession January 2. Mrs. Fox also took over the sale of magazines and music.

## High School BASKETBALL

FRIDAY, JAN. 4th  
Genesee H. S. Gym

CULDESAC VS GENESEE

Conference Game

First Game at 7 p. m.

### LEGION BASKETBALL TEAM TO PLAY FIRST GAME JAN. 10

Wayne Hampton, manager of the American Legion basketball team, who has been contacting all the basketball clubs in this area, comes up with the following announcement:

The Lewiston Eagles Lodge basketball team, managed by Ray Candler, will appear at the high school gymnasium against the American Legion sponsored team Thursday, January 10 at 8:00 o'clock. (To we civilians that is 8 o'clock in the evening.)

The Eagles have won four out of five starts this season, having defeated the Culdesac Knights of Pythis twice, 36 to 20 and 42 to 25; Nezperce Athletic Club 29 to 21 and the Asotin Town team 31 to 23. The high light of the Eagles' team are three Kuykendall brothers, James, and Dutch, each 5 feet, 10 inches, both playing forward positions; Stan, center, is 6 feet, 2 inches, and is expected to aid the Eagles' team in the key position. Bunny Karshen, Henry Ayler, guards, and Art Darst, forward, are slated as starters in the game Thursday, and they are shifty ball handlers. Ray Candler says that his team will average 5 feet, 9 inches, and feels that the game score should be a little in their favor because of the early schedule which has enabled the conditioning of the team. Other players on reserve are Milo Marshall, guard; W. Candler, forward; Marvin Gossett, guard; Norm Thyfault, forward; Garth Caldwell, forward, and Jim Roberts, forward.

Carl Theissen, recently returned from the European Theatre, is expected to strengthen the local squad. Carl played guard position on the SHAEF team, headquarters of the U. S. Army in Paris. Games were played in the Palace de Sports, equivalent to the Madison Square Garden, and the largest gymnasium in Paris, having a seating capacity of 30,000 fans. Carl stated that his club won the championship, and in one game ran the score up to 107 points against their opponent.

Levon Chase, 6 feet, five inches, should provide plenty competition at the center position and be a scoring threat. Chase has played college ball and last year played against the famous Harlem Globe Trotters.

Wayne Hampton, manager of the Genesee club, says that regular positions have not been set for players of the newly organized team. However, the team will provide plenty of good basketball for local fans.

Bud Springer and Bill Emerson, both home on furlough, may be here for two or more games, and they will be here for the first game for certain. Other men who have been turning out or expect to be out this week are: Ron Huffman, Gus Rosenau, Lee Johann, Don Aherin, Melford Knight, Ted Rosenau and Wayne Jacobs.

Hampton made a trip into Spokane this week and brought back the complete set of uniforms and warm-up jackets. The playing uniform are in Legion colors of blue and gold, and the warm-up jackets are red, white and blue. It is admitted, however, that the color scheme might have been different, but the colors selected were the only ones obtainable, in uniforms of the larger sizes.

Bielenberg-Schooler Legion Post, in outfitting and sponsoring the basketball club as part of the athletic program for the community, hopes that attendance at games will be sufficient to meet expenses, and that basketball fans will approve of the idea of more games this winter.

### SERVICES FOR HENRY KRICK

Funeral services for the late Henry Krick, who died Wednesday, December 26, were held Saturday at 9 a. m., from St. Boniface Catholic church, Uniontown, with the Rev. Fr. Reidner officiating. Pallbearers were Pete Kinzer, C. P. Busch, Anthony Weber, John Moser, Al Grassl and Walter Wieber.

### CIVIC CLUB TO MEET

The Genesee Civic Club will have a dinner meeting at Don's Inn Wednesday evening, January 9, when election of officers will take place. There will be other business to be transacted also.

### New Employee at Cash Hardware

The Cash Hardware announces the employment of Ralph Mousseau of Spokane as a plumbing and heating specialist, who will come here about January 15, and if able to obtain a place to live will move his family to Genesee. Besides his wife he has four children. During the war he was employed by the army engineers office.

### GEORGE SMYLIE TERMINATED

George Smylie, navy lieutenant and a transport pilot, serving in the U. S. and overseas in the Pacific, with a lot of hours over the Aleutians when carrying cargo and passengers, is at W 2804 LaCrosse, Spokane 12, Wn., with his family. On December 26 he wrote:

"Dear Pete: "I terminated my tour of duty with the navy yesterday, which was a mighty fine Christmas present for me, after 54 months of it. I was mighty glad to get those civilian papers.

"I'll take this opportunity to thank you and the Legion for your faithful delivery of the News each and every week. I enjoyed and appreciated every copy O received."

### OLWYN EVANS A CIVILIAN AFTER SERVICE IN THE NAVY

Miss Olwyn Evans, recently of the WAVES, and a former member of the Genesee high school faculty, is now at her home in Weiser, Idaho. She writes:

"Dear Pedersons: "I've been home nearly two weeks now and always at the wrong time would think of you—by that I mean when time and location prevented me writing you immediately.

"I was released in Seattle on December 9, and stayed there a week before coming home. It is a strange feeling to be absolutely free again. Very slowly the realization that this is 'permanent leave' soaks in.

"My plans for the future are not even in a formative stage now. When they do take form I'm hoping to get in a trip to Genesee, and surrounding territory. The weather is pretty hectic now, and I'm enjoying being lazy at home, so doubt if the trip will be very soon.

"I want to thank you and the Legion for sending me The News during my two and a half years with the Navy. It was a real bright spot in the week—despite sad news at times. There was always something to balance it. You have done a wonderful service to all of us. I shall always remember it.

"I'm sorry this note couldn't have reached you before Christmas—the least I can do is to wish you the Happiest of New Years.—Olwyn"

### GOLDEN WEDDING

The golden wedding anniversary of Mr. and Mrs. J. J. Tupker was observed Wednesday afternoon, Jan. 2, when their two daughters, Mrs. Roy Evans and Mrs. Frank Hoorman, held open house at the latter's home.

Mr. and Mrs. Tupker's wedding occurred on Christmas day, fifty years ago, but the observance was delayed that their son, Major Eugene Tupker of Salem, Oregon, recently from overseas, could be present. His train was delayed five hours, and his arrival for the reception for his parents, was anxiously awaited during the afternoon, both by relatives and fifty or more friends who called. After Major Tupker arrived, many returned to the Hoorman home to visit with him.

Mrs. Evans and Mrs. Hoorman greeted the guests as they arrived Wednesday afternoon to bring congratulations and gifts to Mr. and Mrs. Tupker. Three granddaughters of the honored couple, Misses Marie Hoorman and Emma Lou and Mary Ann Evans, served refreshments from the lace-covered dining table, which was centered with golden colored chrysanthemums. Also assisting in serving were Mrs. Joe Knapps and Mrs. Martin Hasfurther.

Mr. and Mrs. Tupker came to Genesee from Burns, Ore., in 1914, and have made their home here since. In 1915 Mr. Tupker became instructor in manual training at Genesee high school, a position he has held for 30 years.

Besides the three grandchildren in Genesee, Mr. and Mrs. Tupker have three other grandchildren, Jean Ann, Jane Elizabeth and William Joseph the children of Major and Mrs. Eugene Tupker of Salem.

### UNION OFFICERS ELECTED

At the meeting of Local No. 4, Farmers Union, held Saturday at the K. P. hall, John Luedke was elected president; Lloyd Wilson, vice president, and Neil Sweeney, secretary and treasurer.

R. E. Nordby, Roy Emerson and Walter Erickson were elected to the executive board.

One of the matters discussed during the meeting was that of rural fighting equipment.

Wm. Hickman who visited his daughters, Mrs. Roy Hanson and Mrs. E. E. Flomer, in Lewiston returned to Genesee Tuesday.

### LOREN KAMBITSCH RETURNS FROM SERVICE IN THE ETO

Eighteen and a half months of service in the European Theatre, was ended for Loren Kambitsch when he stepped aboard a transport at Marseilles December 9 for the trip back to the States. He arrived at Newport News December 22 and was honorably discharged December 30 at Ft. Douglas. He arrived home January 1 and is now at the home of his parents, Mr. and Mrs. Anton Kambitsch.

Loren entered the service in April of 1943 and went to Camp Roberts for basic training with the University of Idaho ROTC, and then came back to Moscow for the Army Specialized Training Program, and from Moscow went to Ft. Benning. From there he went to Fort Meade, Md., and moved up to Camp Miles Standish, Mass., and left from Boston for overseas June 6, 1944. He landed at Liverpool and left with a replacement battalion for France, landing at Utah Beach July 10. After the St. Lo battle he moved east and south to a point south of Paris, and then moved with the forward replacement battalion. He was attached, unassigned to the 92nd Replacement unit, and had special duty with the provost marshal's office, such as investigation and interrogation of French, German or whatever prisoners, and suspects taken in by the military police. Part of his duties was reconnaissance for the battalion, and while in France and Belgium his detail had much to do with selecting areas for the forward echelons.

When American troops moved into Belgium Loren went to Liege, and was outside of Aachen for about three months while the town was under siege. He entered the city about December 1 for the first time. After the German break through to create the "bulge" he moved south, and on January 20 joined the Third Armored Division of the First Army. He went to the Third or Spearhead Division at Ofet, Belgium, a small town near Huy, and remained with that Division while it drove east through Duren, to pull up at Cologne. He crossed the Rhine at Bad Godesberg, and went with the Third Armored east to Altkirchen, and then swung north and east to Paderborn. The Third moved swiftly to the Elbe River, and Loren was at Magdeburg a week before the war ended. The Third then moved back to Sangerhausen for three weeks, and when surrender came he went to Darmstadt, which is some 20 miles south of Frankfurt. He remained there for two months and then went to Aalen, near Stuttgart. When he started on his return to the States he traveled by way of Strasbourg, Metz, Dijon, Lyon and down the Rhone Valley to Marseilles. He is authorized to wear the ETO ribbon with five battle stars, the American Theatre ribbon, the Good Conduct Medal and Victory Medal.

Loren witnessed a lot of combat while in Europe, but he had the opportunity to obtain much first-hand information from the non-combatant as well as troops of the enemy nations. Handling both prisoners of war and civilians his detachment learned much about the people of Europe and their outlook on life. Much of the time he was quartered in their homes and his observations were useful in determining the attitude of people and attitude of nations toward each other. He said that food was scarce for civilians in Germany as well as in the other countries, but he saw no signs of starvation. The people of Germany appear cooperative and submissive for the most part, with a tendency to place blame on almost anyone. Husband and wife have been known to accuse each other of being a Nazi or a Nazi sympathizer. Brother turns against brother, sister against brother, and children against parents, at the same time attempting to clear themselves.

### FISH AND GAME MEETING

A public hearing will be held at the Grange hall in Troy at 1:30 p.m. Sunday, January 6, to discuss open seasons and bag limits of fish and game. Harry Palmer, chief conservation officer of the central Idaho district, will be present, also Walter Fiscus, member of the state game commission. The district mentioned includes the counties of Latah, Nez Perce, Clearwater, Lewis and Idaho. All conservation officers are expected to be present.

## January 31 THE LAST DAY FOR MEN NOW IN THE ARMY TO RETAIN THEIR PRESENT GRADES BY REENLISTING . . .

Men now in the Army who reenlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they reenlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Reenlistment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

### GENESSEE VALLEY NEWS

The past year will go down on the records as its greatest year. Great victories were won, peace was declared and we saw the beginning of the atomic era. We bring great new peacetime scientific achievements or will it bring greater disasters. Three hundred sixty-five clean new pages for us to illuminate or to scar, according to our attitudes toward life. Taking a look through our periscope, over the past year, we see Mr. and Mrs. Ernie and Mrs. Ed. In new homes and other hoping to bring this year. Mr. and Mrs. Kermit Hove beak on the old homestead after an absence of five years. All the boys in service but four and one SPAR, Bonnie Lange, still in uniform. The death angel took two mothers from the home but there could have been many more. There was very little sickness except a few flu bites. Ervone had plenty to eat and wear—too much in fact, and no home was cold for lack of fuel. We take all these things for granted because we have never had any more this year, but let's appreciate them more this year. Do less grumbling and fault finding, be more kind and generous and more satisfied with our lot. Look across the seas and see terrible conditions they have to put up with, and then, thank God it wasn't us. Yes, 1945, with all its shortcomings, was a good year, and we hope the New Year will be a kind year.

"There must be no little dreaming in the visions that we see. There must be no selfish planning in the joys that are to be. We have set our faces eastward To the rising of the sun That light a better nation And there's big work to be done. And the petty souls and narrow, Seeking only selfish gain, Shall be vanquished by the toiler, Big enough to suffer pain."

Yes, he does ride cheap!

RIDING THE RODS or running a business, it's easy enough when you don't have to pay the freight. You simply get a free ride at somebody else's expense. Maybe you run a store or service station or dress shop. Would you like to have a next-door competitor who has little or no rent, or taxes, or interest to pay, and who is kept in business partly by your tax money?

Yet this is what happens with government and municipal electric power systems. They are not required to pay federal taxes; often get money from the public treasury at little or no interest; make up losses out of your pocket as a taxpayer.

Meanwhile, on the average, America's business-managed electric companies turn back to the people as taxes about 25c out of every dollar received. And these companies—owned and operated by millions of folks like you—meet all other obligations without benefit of special privileges.

Better yet—at a time when most things cost more—business-managed companies still deliver electricity at low pre-war prices. This record is your assurance that cheap, plentiful, dependable electric power will be yours in the era ahead.

# Announcement

Effective January 15th, Mr. Ralph Mousseau will handle all our Plumbing and Heating Installations and work. In addition Mr. Mousseau will do all our service work in connection with Heaters, Refrigerators, Washers, etc.

Mr. Mousseau comes to us from Spokane with a fine background and experience. In past years he has followed this line of work, and during the war was employed by the War Department, U. S. Area, Army Engineer's Office. He comes to this locality highly recommended.

We feel fortunate in securing a man of his ability to handle this work, for we know this community has been in need of such a man.

So for such service call 46.

**The TIRE Situation**  
 Yes, tires are ration free, but mighty hard to get hold of. We have been quite fortunate to get our share. Remember we handle the well-known ZENITH and FEDERAL TIRES, the latter distributed by General Petroleum Corp., nationwide. We expect another big shipment any day.

Prestolog Shortage

We have been forced to announce that our Presto-Log allotment has been drastically cut, and for the balance of the winter, or at least until such time that conditions improve we will have to limit the amount of delivery so as to make them reach as far as possible.

We appreciate the fine cooperation of our many customers and know that we can get along some way until such time that Presto-Logs become more plentiful.

THE OLD JUDGE SAYS...

STEVE: "How was the hospital dinner, Judge? Sorry I couldn't get there."
OLD JUDGE: "Very interesting, Steve. One of the doctors on the staff read a paper on the research work that is going on at one of the big universities where they are studying chronic alcoholism."

STEVE: "I'd like to have heard that, Judge."
OLD JUDGE: "He pointed out that approximately 95% of the people who drink do so sensibly. Only 5% abuse the privilege occasioned and included in that 5% is the very small number known as alcoholics. Then he quoted a doctor from a famous university who said 'Alcoholics are sick persons and, if treated as such, may be cured.' Alcoholism, he said, is not caused by alcohol but by deep-seated emotional disturbances which can be prevented by education and often cured through modern psychology!"
STEVE: "That's the most sensible approach to the problem I've heard."

"Years ago it took 12 to 15 months to bring a hog to market weight by ordinary grain feeding. Today, thanks to better feeding, the farmer can take his hogs to market in six months and save months of expensive grain feeding.

Tests have proved time and again that through the use of hog supplements and grain in proper amounts, numerous bushels of grain are saved, and the hog goes to market quicker because he gains faster. If you are not using the best hog feeding methods that are available, you are robbing yourself just as surely as if you took money out of your pocket and threw it away. Prairie Gold Hog Mash has the required amount of mineral. If you use your own grain use Cudaby Mineral."

### GENESEE VALLEY NEWS

After several days of rain the weather changed and we had to dig ourselves out of snow banks. It is the first time the snow plows have had to be used off the highway for three months. A national clearing drive is this month so let us dig down in our closets and share our clothing, shoes and bedding with those who are in rags. Regardless of the cause there is real suffering in all of Europe and Asia and besides helping to keep them warm, it is a gesture toward international friendship which we must have for our future security and world peace.

There will be no Sunday school except on church Sundays during January and February at the Genesee Valley church.

Mr. and Mrs. Hugo Gehrke and Alfred were Sunday dinner guests of George Scharhorst's.

Mrs. Sam Lange and Bud have been having a siege of the flu.

Mr. and Mrs. Oscar Danielson and family, Mr. and Mrs. Vern Danielson and Mrs. Annie Danielson and Clarence had coffee at Leon Danielson's after church Sunday.

Miss Jean Tunnel, student nurse at the Deaconess hospital in Spokane, spent the week end with her sister, Mrs. Delos Odenberg, and family.

Miss Rowena Nordby returned to her teaching at Spokane Saturday and Mrs. Leonard returned to the Lewiston school Sunday at the Delos Odenberg home.

Ed Rodney Tegland returned to Madigan General hospital at Tacoma for further surgical care. Mrs. Tegland accompanied him as far as Seattle where she will remain until Rodney is discharged from the army.

Misses Inger and Elva Hove returned to Seattle on New Year's day to resume their civil service work.

Mr. and Mrs. Vernon Peterson and Mrs. Dollie Peterson are visiting relatives in Moscow.

Mr. and Mrs. S. L. Tunnell of Greenleaf spent several days last week with their daughter, Mrs. Delos Odenberg, and family.

Mrs. F. E. Nordby visited her sister, Mrs. F. L. Barbee, in Pullman last Friday.

Mrs. Paula Peterson and Mr. and Mrs. Ed Claus spent New Year's day in Lewiston. Mr. and Mrs. Claus returned to Spokane in the evening after a visit at the Scheele home.

Fred Hove and daughter, Delores, had Sunday dinner at the home of Mr. and Mrs. Kermit Hove.

Guests at the Gus Rosensau home for Sunday dinner were Mr. and Mrs. Ole Johnson and Donald, Mr. and Mrs. Wayne Keatts were evening callers.

Wm. Scheele is able to get around outside after several months' illness.

Mr. and Mrs. Inge Anderson and children spent New Year's day at the Delos Odenberg home. Mr. and Mrs. Demoin Giehrich of Colfax called in the afternoon.

Mrs. John Hagen spent New Year's day with her brother, Wm. Scheele. Mrs. Hove has gone to Wheeler, Ore., again to take another series of treatments.

Mrs. J. W. Wedin was a business visitor in Colfax Wednesday.

Mrs. Leon Danielson and Mrs. Victor Danielson had a committee meeting at Mrs. Lilly Larson's Wednesday afternoon.

Mr. and Mrs. Ed Morken are visiting relatives in Spokane and Seattle.

Mrs. Lilly Larson spent Friday afternoon at the home of Rev. and Mrs. Valdey in Moscow.

Mr. and Mrs. Joe Kalafus, Mrs. Leona Geltz and Ronald Geltz were Tuesday evening dinner guests of Mr. and Mrs. Robert Berger.

St. John's Lutheran Church and St. John's Episcopalian Church will have a combined Bible class.

11 a. m. Worship service. Sermon theme, "We Are Called to Separate Life," based on 2 Corinthians 6:14-17.

8:00 p. m. The Brotherhood will meet in the church parlors with the election of officers as the main item of business. All members and men of the church are urged to attend.

The Ladies Reading Circle will meet Sunday evening at 8 o'clock in the parlors. All ladies are cordially invited to attend. The book to be read is "You That Labor," by Lindholm.

The Ladies Aid will meet at 2:00 p. m. Thursday, Jan. 17 in the church parlors. Pastor Wuest will conduct a Bible study on 1 Thessalonians 3 and 4.

Choice rehearsal Thursday evening at 8 o'clock.

Those who have not yet brought their donations of old clothing or bedding are asked to do so this Sunday. Over 200 pounds have been gathered.

Notice is hereby given that the Annual Stockholders Meeting of the Latah-Idaho Oil & Gas Company will be held at the office of said company, in the City of Genesee, County of Latah, State of Idaho, on Monday, the 14th day of January, 1946, at 2 o'clock p. m. on said day.

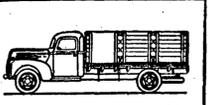

The business to be transacted at said meeting will be the election of three (3) Directors of said corporation for the ensuing two years, and considering and acting on such other business that may properly come before said meeting.

Dated this 13th day of December, 1945.

### COUNTY RED CROSS MEETING IN MOSCOW ON JANUARY 14

Mrs. E. W. Vanouck, retiring chairman of the Genesee Red Cross unit, received the following from the Latah County Chapter of the Red Cross: "Concerning our plans for the county meeting at the Moscow high school auditorium January 14, you are first on our list. We should like to have you as one of our speakers. We have other officers, committee chairmen and others and urge that they attend the meeting. We should like to have a good representation from every unit in the county. It has been a long time since we have had full branch representation and participation in our meetings. We know that this was not too possible during the war years since you live miles from Moscow, and because of weather conditions, roads and being busy with other work and jobs. That is why we especially want you to come to this meeting, to renew our contacts with the branches, revitalize our Red Cross program, and make plans for 1946 in our organization. Please make up a card or two and try to make it for the meeting.

Farewell Party

THOMAS GRAHAM Funeral services for Thomas Graham, 77, one of Stevens county, Wis., pioneer, who died at his home at Colville last Thursday, were held from the Colville Catholic church Saturday morning at 8 o'clock. The deceased was the father of Mrs. Floyd Ochs of Genessee. He was born in Ireland, accompanied his parents to the United States and the family first located at Walla Walla in 1878. The following year, attracted by mining prospects in Stevens county, the family moved to Colville, where today it is regarded as Colville's oldest pioneer family. Mr. Graham worked in the mines and was later a mail carrier in the days when travel was by horseback. When the mines closed he took up farming. After retiring from the farm he served several years as appraiser for the Federal Land Bank of Spokane. Rev. P. Pat Conway, cousin of Mrs. Graham, officiated at the funeral.

GENESSEE VALLEY NEWS Our fine weather continues—sunny days and nights not too cold. There is still ice on the roads and the highways, but otherwise traveling is good. There isn't any real excitement. Farm families are getting up for the busy days of winter when spring work starts. Every day in the infantile paralysis drive is appreciated. One never knows who the next victim will be, and this reserve fund in the community can do a lot of good for those who are afflicted with the polio disease. The steady winter weather has licked the flu bug and there is no illness in the Valley at present. Butchering of summer meat is the principle item of interest now and with a threatened meat cutters' strike looming up, many are glad of the family meat barrel. Farming is about the only line of industry that hasn't been striking for this and that. Let us always keep it free from such undermining influences. How many New Year resolutions have you broken already? Church and Sunday school "Sunday afternoon at the usual time." Danielson were hosts at a dinner party Sunday evening for Mr. and Mrs. Leon Danielson and family, Mr. and Mrs. E. D. Pedersen, Mr. and Mrs. Elmer Kray and Mrs. Mayme Johann of Coeur d'Alene. Dinner guests for Mr. and Mrs. Harry Emerson, Mr. and Mrs. Oliver Wiley and Mr. and Mrs. George Scharnhorst spent Wednesday afternoon at Gus Rosenau's. The women, the deceased and J. P. JOHN HICKMAN MOVES AGAIN From Andrews Field, Washington, D. C., comes the following letter from John Hickman: "Dear Peter: I have been moving around so much in the last 6 months that I have never been quite sure just where I would be, from one day to the next. About the time I decided I was going to stay at a base for a while they would ship me again, so I just never got around to sending you my address. "Just arrived here a couple days ago so don't know much about it, but it does seem good here. Some change from Sioux Falls, with its snow and below zero. Yesterday it was 50 degrees and today 60 degrees above, so it is just like spring to me. "Received the American Legion Christmas gift and would like to thank them very much for it. No need to say what I think of it, but I am fully appreciated. Haven't been getting The News regularly. It's my own fault, I know, so would appreciate it if you would send it to this address: Sgd. H. 64th. AAF BU, Andrews Field, Washington, 20, D. C. John."

"Years ago it took 12 to 15 months to bring a hog to market weight by ordinary grain feeding. Today, thanks to better feeding, the farmer can take his hogs to market in six months and save months of expensive grain feeding."

Tests have proved time and again that through the use of hog supplements and grain in proper amounts, enormous gains in weight are saved, and the hog goes to market quicker because he gains faster.

If you are not using the best hog feeding methods that are available, you are robbing yourself, just as surely as if you took money out of your pocket and threw it away.

Prairie Gold Hog Mash has the required amount of mineral. If you use your own grain use Cadacy Mineral."

GENESSEE VALLEY NEWS

Our nice weather of last week ended with a big wind Monday night that piled up snow into drifts which hampered bus drivers and mail carriers Tuesday morning. Hearing of the State of the Nation reminded us of a story we heard about a negro preacher who took for his sermon the topic, "Status Quo." After the meeting of the brethren asked the preacher, "What an interesting sermon, Status Quo?" The preacher replied, "It is the Latin for de fix we're in. Giving respect to the draft board was a well earned merit. There's a long, hard, thankless job, and they should have a medal."

Mrs. Ethel Gay and Mr. and Mrs. Wm. Gay and son, Larry, of Spokane, visited several days at the home of Mrs. Wm. Gay just returned after four years in the army. Fred Hove returned home on Monday from Wheeler, Ore. She visited her brother, Harold Tesch, in Portland on the way home. Raymond Westberry, Ed Lange and Ray Wodin spent the week end in Spokane and saw the Ice Follies. Clarence Danielson and children had coffee at Mrs. Danielson's home on Sunday.

Mrs. Sam Lange left Monday to visit a friend in Montana. J. P. Wodin spent Wednesday and Thursday in Spokane on business. Mr. and Mrs. Victor Danielson and Mr. and Mrs. Oscar Danielson and Danny called at Oscar Hoesel's Wednesday afternoon at the Sampson home in Lapwai Saturday. Mr. and Mrs. Wm. Borgen and family and Mrs. Chas. Kramer spent Sunday afternoon and evening at Mrs. Dollie Peterson's.

Mr. and Mrs. Norman Flanco and Duane had supper at Leon Danielson's Sunday.

Mr. and Mrs. Irvin Iverson and Donna Egel visited at Larson's after church Sunday.

Pete Lange returned to Lewiston Sunday after a two weeks visit at the Nels Lande home.

Mrs. Lon Danielson and Mrs. John Eklund gave a card party at his former's home Saturday evening. The guests were Mr. and Mrs. Clifford Hillman, Mr. and Mrs. Harry Emerson, Mr. and Mrs. Victor Danielson, Clarence Danielson, Roy Emerson, Miss Ethel Johnson, Mr. and Mrs. Don Linehan, Mr. and Mrs. Clarence Peterson, Mr. and Mrs. Oscar Danielson, Mr. and Mrs. Oscar Hoesel, Mr. and Mrs. James Archibald. Five tables were at play, enjoying pinocle. Mrs. Victor Danielson and Harry Emerson won high and Clarence Peterson and Ethel Johnson were low. A lunch was served by the hostesses at a late hour.

Sunday dinner guests of Mr. and Mrs. Hugo Gehrkre were Mr. and Mrs. Chris Deaton and family, Anne Morgan and Mr. and Mrs. Martin Deeston and son of Moscow, and Mr. and Mrs. Gus Rosenberg and family. Mr. and Mrs. Ed Jutte and Mr. and Mrs. George Scharnhorst spent Tuesday at Hugo Gehrkre's.

Sam and Bud Lange were Lewiston visitors Tuesday.

**Community Ladies Aid**  
At the regular meeting of the Ladies Aid of the Community church, held Wednesday, the members of the Aid, Miss Esther Martinson, was given a surprise on her birthday anniversary. A no-hostess 1 o'clock luncheon was served, with table decorations in keeping with the event and centered with a birthday cake. Mrs. Martinson was given a flowering plant.

During the business session it was decided that meetings would be held on the second and fourth Wednesdays of each month. The next meeting will be Feb. 13 with Mrs. W. M. Herman as hostess.

**Birthday Dinner**  
A no-host dinner was served Sunday evening at the home of Dr. and Mrs. N. M. Lavitt, honoring the birthday of Mrs. H. J. Martinson. Other guests were H. J. Martinson, Mrs. and Mrs. Dick Zeimantz, Mr. and Mrs. Frank Denow, Mr. and Mrs. J. M. Rabdau and Mr. and Mrs. R. E. Edwards. Bridge was played during the evening.

**THE OLD JUDGE SAYS...**  
DICK: "I wonder how the distillers feel about that new movie built around an alcoholic."  
OLD JUDGE: "It's funny you asked that, Dick... I was just reading a piece about it."  
DICK: "What did it say?"  
OLD JUDGE: "A very sensible statement. It said the beverage distillers are fully aware of this problem and are cooperating in every way possible to help solve it. The alcoholic is to the beverage distilling industry what the reckless driver is to the automobile industry. There is nothing wrong with the automobile, but in the hands of a man who doesn't know how to drive it or is reckless, it becomes a menace. Likewise, it's not the use but the abuse of alcoholic beverages that causes trouble."  
DICK: "Wonder why it is most men drink moderately and others can't?"  
OLD JUDGE: "Intensive research at a great university has shown that most excessive drinkers are really sick people. They are suffering from some physical, social or emotional upset. And great strides have been made in developing clinical methods of helping these unfortunate people."

**ROY GARRETT DISCHARGED SERVED IN PACIFIC THEATRE**  
Roy Garrett, son of Mr. and Mrs. T. D. Garrett was honorably discharged at Bremerton, Wn., Jan. 21, and arrived home at 10:30 a. m. His wife who has been at Genesee for a few weeks, and his mother moved to Spokane, expecting to meet Roy. His train was three hours late arriving in Spokane, and for some reason the Lewiston train waited at Marshall Junction outside of Spokane, and Roy made the transfer not knowing his folks were waiting for him in Spokane. Mother and wife remained at the station for the three hours and then went to their hotel. On arrival in Moscow Roy called his home here, and Mr. Garrett immediately called his wife in Spokane. Roy enlisted in the navy at Lewiston in September, 1942 and was sworn in at Boise, and then reported to Farragut for training. After boot training he was assigned to Ship's Company as a stoker. He left in March, 1943 for Tula, and attended stoker school for sixteen weeks, and while there met his wife. He then went to the Solomons, Md., for amphibious training, and as a stokerkeeping disbursing, he joined the staff of LGS Group 7. He made the trip by train to San Diego and there boarded the LGS 32 on the trip to Pearl Harbor and was assigned to LC (FC) 988.  
The flotilla proceeded to Eniwetok and Saipan to practice maneuvers for the invasion of Iwo Jima. His ship was off Iwo Jima February 19, 1945, and taking of the beach. He then went back to Saipan and Leyte where the flotilla was provisioned and was off the west coast of Okinawa April 1, for the invasion of that island.  
The landing craft on which he rode, which was used to transport the two islands, preparatory to invasion by troops. The larger ships remained a few miles off the beaches for bombardment and the carriers, with their planes provided air protection. About ten thousand men were landed on the west coast of Okinawa while the landing craft were operating and laying off the coast.  
Roy remained at Okinawa until July 6, and then went back to Leyte, where his ship was preparing for the invasion of the Jap mainland. At 9 p. m., August 14, Western Pacific radio news advised his craft pulled up word of the Japanese surrender. All ships around Leyte apparently heard the good news simultaneously. All ships cut loose with whistles, sirens and searchlights, and Roy believed that every ship expended every rocket and flare, but remained for using live ammunition.  
After V-J Day Roy went with his ship to Wakanoura, Kyushu, to remain a few weeks, and then moved on to Nagoya for another two or three weeks. The flotilla proceeded to the Philippines, and there Roy saw his first snow in several years, and he also was advised of orders to return to the States. He then went to Tsingtao, China, which is two or three hundred miles north of Shanghai. He was permitted liberty to visit Tsingtao, Wakanoura, and Nagoya in a desert of rubble, almost powdered rubble in places, but the docks were intact and immediate use by American ships was permitted. All the factories around the docks and waterfront were gutted, and all piers and wharves were completely demolished. Many of the factory buildings, especially those used for aircraft production, were standing as they were made of steel and concrete, but the inside of every building and their roofs did not exist. The damage by planes and big shells from Navy ships wrecked Nagoya beyond belief.  
Roy was in the flotilla fleet disbursing office, but during combat his battle station was damage control, and he quite often stood a radar watch, especially in waters north of movement of the navy was charting movement of Jap planes and suicide bombers leaving Japan. He is authorized to wear the American Defense ribbon, the Asiatic-Pacific ribbon with battle stars for Iwo Jima and Okinawa, the Philippine Liberation ribbon, Good Conduct medal and the Victory Medal.  
Roy and his wife will remain here for some time with his parents here and with relatives of Mrs. Garrett in Ohio before going to Tacoma to return to a position with a bank by which he was employed when he entered the service.  
Roy became a SKD1/c after joining the flotilla staff.

**THIRTY-THREE CANDIDATES INITIATED AT LEGION EVENT**  
Bieleberg-Schooler Post, American Legion initiated thirty-three at a special meeting at the Knights of Pythias hall Monday evening. In the large group were one member of the Women's Army Corps, Miss Peattie Schoole, 30 men who served in the recent war, and two members who served in World War I. The last two were Clarence Trail and Roger Broemeling. The men of World War I who were initiated are: Ronald Huffman, Erling Lange, Verne Lange, Floyd Heppner, Joe Schoole, John Thies, Carl Thiesen, Alfred Isakson, Leonard Wernecke, Larry Brown, Florence Harrington, Andy Zerner, Lee Johann, Wayne Hampton, Kermit Hove, Ronald Geltz, Leland Emmett, Ralph Baumgartner, Virgil Post, Glenn Mayer, Robert Schoole, Homer Burr, Harry Eiland, Stanley Green, John Hoduffer, Kenneth Taylor, Wayne Hickman, Gene Grieser, Loren Kamibach and Richard Woodley, all of Genesee.  
The Legion initiation ritualistic ceremony was handled by Frank Hoorman, acting commander, Harry Hoorman, acting first vice commander; Henry Lorange, acting second vice commander; Walter Emerson, past commander; Mahlon Follett, acting adjutant; John Eikum, chaplain, and Wilson Archibald, sergeant-at-arms.  
Following the regular initiation of the candidates were subjected to a short program of fun, and this was followed by a chicken lunch, prepared and served by Mrs. C. W. Sisty, Mrs. Dick Vandenburg and Mrs. L. E. Brown. Assisting in the serving were Mrs. Sisty and Mr. Brown and Misses Margaret Vandenburg, Jo Magee and Eulie Sisty.  
During the lunch several of the old and new members made a few remarks, and Chas. Laursen, Moscow, Veterans Administration contact representative, was introduced, and he told of his work in connection with the ex-service men and women, and also conferred with a few veterans who desired information.

**BLIZZARD BLOCKS HIGHWAYS IN THE GENESEE COMMUNITY**  
State highways were kept open in the Genesee area Wednesday night and Thursday morning, but all roads leading into town were blocked to traffic for several hours, and there were some urgent calls for snow removal equipment. School buses did not leave Genesee Thursday morning due to no school classes being held on Thursday. The schools were expected to be open Friday, with snow plows cutting through drifts to permit travel.  
Snow which fell Wednesday afternoon and evening was caught before the wind which came up from the west late Wednesday night and the blizzard continued until about 9:30 Thursday morning. The wind tended to cause a rise in temperature, and by 10 a. m., Thursday morning the mercury was above the freezing point. Wednesday night the temperature was well below zero, and the Troy area has plenty of snow to remind one of winter.  
The Genesee area has witnessed its fourth mid blizzard of the winter this mid-week, and the hills are covered with snow, with fairly deep drifts on north slopes. January has given this area several snow storms most of which have been local. Storms prior to Wednesday extended to Pullman and Dayton, and hit the Prairie, but north on the Spokane route there has been but little snow. Moscow, however, has well covered and the Troy area has plenty of snow to remind one of winter.

ESTABLISHED 1888 GENESEE, LATAH COUNTY, IDAHO, FRIDAY, FEBRUARY 1, 1946 VOL. 57 NO. 31

**ROY GARRETT DISCHARGED SERVED IN PACIFIC THEATRE**  
Roy Garrett, son of Mr. and Mrs. T. D. Garrett was honorably discharged at Bremerton, Wn., Jan. 21, and arrived home at 10:30 a. m. His wife who has been at Genesee for a few weeks, and his mother moved to Spokane, expecting to meet Roy. His train was three hours late arriving in Spokane, and for some reason the Lewiston train waited at Marshall Junction outside of Spokane, and Roy made the transfer not knowing his folks were waiting for him in Spokane. Mother and wife remained at the station for the three hours and then went to their hotel. On arrival in Moscow Roy called his home here, and Mr. Garrett immediately called his wife in Spokane. Roy enlisted in the navy at Lewiston in September, 1942 and was sworn in at Boise, and then reported to Farragut for training. After boot training he was assigned to Ship's Company as a stoker. He left in March, 1943 for Tula, and attended stoker school for sixteen weeks, and while there met his wife. He then went to the Solomons, Md., for amphibious training, and as a stokerkeeping disbursing, he joined the staff of LGS Group 7. He made the trip by train to San Diego and there boarded the LGS 32 on the trip to Pearl Harbor and was assigned to LC (FC) 988.  
The flotilla proceeded to Eniwetok and Saipan to practice maneuvers for the invasion of Iwo Jima. His ship was off Iwo Jima February 19, 1945, and taking of the beach. He then went back to Saipan and Leyte where the flotilla was provisioned and was off the west coast of Okinawa April 1, for the invasion of that island.  
The landing craft on which he rode, which was used to transport the two islands, preparatory to invasion by troops. The larger ships remained a few miles off the beaches for bombardment and the carriers, with their planes provided air protection. About ten thousand men were landed on the west coast of Okinawa while the landing craft were operating and laying off the coast.  
Roy remained at Okinawa until July 6, and then went back to Leyte, where his ship was preparing for the invasion of the Jap mainland. At 9 p. m., August 14, Western Pacific radio news advised his craft pulled up word of the Japanese surrender. All ships around Leyte apparently heard the good news simultaneously. All ships cut loose with whistles, sirens and searchlights, and Roy believed that every ship expended every rocket and flare, but remained for using live ammunition.  
After V-J Day Roy went with his ship to Wakanoura, Kyushu, to remain a few weeks, and then moved on to Nagoya for another two or three weeks. The flotilla proceeded to the Philippines, and there Roy saw his first snow in several years, and he also was advised of orders to return to the States. He then went to Tsingtao, China, which is two or three hundred miles north of Shanghai. He was permitted liberty to visit Tsingtao, Wakanoura, and Nagoya in a desert of rubble, almost powdered rubble in places, but the docks were intact and immediate use by American ships was permitted. All the factories around the docks and waterfront were gutted, and all piers and wharves were completely demolished. Many of the factory buildings, especially those used for aircraft production, were standing as they were made of steel and concrete, but the inside of every building and their roofs did not exist. The damage by planes and big shells from Navy ships wrecked Nagoya beyond belief.  
Roy was in the flotilla fleet disbursing office, but during combat his battle station was damage control, and he quite often stood a radar watch, especially in waters north of movement of the navy was charting movement of Jap planes and suicide bombers leaving Japan. He is authorized to wear the American Defense ribbon, the Asiatic-Pacific ribbon with battle stars for Iwo Jima and Okinawa, the Philippine Liberation ribbon, Good Conduct medal and the Victory Medal.  
Roy and his wife will remain here for some time with his parents here and with relatives of Mrs. Garrett in Ohio before going to Tacoma to return to a position with a bank by which he was employed when he entered the service.  
Roy became a SKD1/c after joining the flotilla staff.

**FLOYD HEPPNER DISCHARGED SERVED IN PACIFIC THEATRE**  
Floyd Heppner, son of Mr. and Mrs. Paul Heppner was honorably discharged from the army at Ft. Lewis, January 21 and was home the following day, after spending a night with his brother, Sgt. Leo Heppner, who is in veterans' rehabilitation at Madigan General Hospital, Tacoma, and who may be discharged within a short time. The army has announced that all prisoners of war are eligible for discharge upon application. Leo was a prisoner of war in Germany. He is now trying to decide if he should reenter the University of Idaho for a semester to obtain his degree, or accept a civil service position which he is employed in rehabilitation work.  
Floyd entered the service in September and reported to Sheppard Field, Texas, for initial training. He was then sent to Glendale for welding school, and later went to McClellan Field near Sacramento, where he was assigned to the 4th Aircraft Repair Unit. He was sent to Mobile, Ala., to join the 4th Aircraft Repair Unit. There he was more Armed Guard school, this time at New Orleans.  
He was back at Mobile, and shipped for overseas December 9, 1944. The unit departed for a short stay at a week in Cuba for gunnery practice, and then proceeded through the Panama Canal. They remained for two weeks, and then proceeded to Saipan and Guam. The repair ship was ordered to Iwo Jima and there served, repaired and maintained the army's P-51 fighter planes. Well equipped for making and machining parts, the repair unit was sent to Iwo for a lot of work. At one time the army air force called for P-51 carrier jets. It would have taken several days to obtain them from the States. They were made by the repair unit shops overnight, not only a few, but several hundred, were made in a few days. This work was made by the repair unit, enabled the air force to provide the first fighter escort for the big B-29's hitting Japan from Iwo Jima and Saipan. This work continued near Iwo for six weeks, after which the repair unit was sent to Okinawa. The repair unit was off Okinawa where its men repaired and serviced all types of aircraft for the army.  
On July 18 Floyd was transferred to land and was with the supply depot on Okinawa to receive and store parts and supplies for planes which would be hitting Japan.  
He left Okinawa December 28 and arrived in the States January 13, or 17 days on the water. He is authorized to wear the American Defense ribbon, the Asiatic-Pacific ribbon with three stars, the Victory medal and Good Conduct Medal.  
Floyd was aboard ship off Okinawa when the big storm did so much damage on the captured island. The ship managed to weather the terrific gale but it was given up for lost for 18 hours. Said one of the crew of the converted Liberty ship, "Thank God, Kaiser built one good one."

**CIVIC CLUB MEETING FEB. 6 BE HELD AT FIREMEN'S HALL**  
A regular meeting of the Genesee Civic Association will be held Wednesday evening at the Firemen's hall, 7 o'clock. The meeting will start promptly at 7 o'clock, with dinner to be served by Ladies of the Altar Society.  
Fred Barnwell, Moscow, district manager; and I. E. Krehbiel, Spokane, commercial manager of the Interstate Telephone company, will be present for the meeting. The Civic Club, at a previous meeting, voted to present protest of local telephone service curtailment except for important calls after 10 o'clock at night, and in response to a letter to the Interstate company, the two company representatives will be present at the meeting Wednesday evening of next week.  
Frank Hoorman, manager of the Genesee Union Warehouse company, has been invited to tell of the company's plans for construction of a new grain storage at Genesee. The project is undoubtedly related to time of starting construction, and the amount of labor required during process of construction.  
There will also be some information presented relative to the number of service men and women who are home and the labor situation in this community for the coming farming season and in other industries besides farming. It has been suggested that a representative of the Veterans Administration will be present, either from Moscow or Lewiston.

**FORMER ARMY CHAPLAIN TO LECTURE AT ST. JOHN'S**  
Dan H. Fredrick, former chaplain, who spent four and a half years in the army, 23 months overseas, will be the guest speaker at a special service to be held at St. John's Lutheran church this Sunday evening, February 3, 8 o'clock.  
Chaplain Fredrick spent the major portion of his overseas service in New Guinea where he had an excellent opportunity to examine the mission fields of the American Lutheran church, which have been almost totally destroyed by the war.  
He will also show a sound motion picture in color, entitled "Tiwon (His Power)". By strange circumstance, the cross which soared above the Amele church before it had been destroyed by bombs, still stands on the ground and stands upright, intact. It still stands there, towering over the rubble and debris. Destruction, utter and absolute, has come to the Mission Stations of New Guinea, but some things the war cannot destroy. The Cross of Christ stands as a monument to the indestructible Power of God. "Tiwon" is the story of Christian natives in New Guinea who kept the faith in the midst of war's destruction.  
The public is most cordially invited to attend this special service.

**John Vandenburg Injured**  
John Vandenburg is a patient at the Gritman hospital in Moscow, receiving treatment for injuries sustained in a car accident Sunday, Mr. Vandenburg, who had been living with his son, Harry, in Wallace, was being returned to Genesee by Harry Vandenburg when the accident occurred about four miles south of Genesee. Harry is remaining in Genesee with relatives until his father is on the way to recovery.  
Miss Mary Kathleen Busch, recently home from a tour of duty as a member of the Army Nurse Corps, will travel by train to Hartwood, Conn., and in response to a letter to the Interstate company, the two company representatives will be present at the meeting Wednesday evening of next week.  
The bride wore a gown of white marquisette and lace with finger-tip veil which fell from a beaded Juliet crown. She carried a bouquet of Talisman roses and orchids. Her attendant was Miss Isabelle Schaaf of Spokane, a cousin of the bride, who wore a gown of aqua color marquisette and net, and carried a bouquet of carnations. The groom was attended by Mr. Leonard Kramer of Colton, Wash.  
Nuptial music was played and sung by Misses Betty Jo and Barbara Schacht of Clarkston, cousins of the bride.  
Following the wedding ceremony at the chapel a reception was held at the Spokane hotel for 40 friends and relatives, with the groom's mother, Mrs. George Taylor, making the trip by plane from Philadelphia to be present for the wedding and reception. The bride is a graduate of Genesee high school and Sacred Heart School of Nursing, Spokane, and was office nurse for Drs. Barnett and Carnahan in Spokane, before offering her services in the Army Nurse Corps September 1, 1944. She returned to Genesee on December 16, 1945, from twenty-two months duty in the South Pacific and in the Philippines. She was a first lieutenant and was on terminal leave until January 28.  
The bride's father is a graduate of Franklinton College, Lancaster, Pa., and is now on terminal leave after completing four and a half years in the U. S. Naval Reserve. Twenty-one months of duty were in the South Pacific Theatre.

**Bob and "Pretz" DeMers Recently at Genesee Saturday and Sunday, both as civilians. Bob came out of the army and Pretz served in the navy. They were accompanied here from Richland, Wash., by their younger brothers, Don and Frankie. Bob has put in one week at work at Richland and Pretz expected to start work Monday at the atom bomb plant. Their father, Del DeMers, has been with the Richland project, almost from the time work was started, and continues in employment there. The four sons and their father make their home at Richland. The daughter, Agnes, is now Mrs. Roy Anderson of Seattle, where she and her husband are Boeing employees. Another brother of the two discharged veterans is Lt. Earl DeMers, of the Marine Corps, and a pilot in the air corps, who now resides with his wife and daughter at Santa Barbara, Calif. Earl went overseas shortly before the Japs came across in June, and returned to the States. He may remain in the Marine Corps as a pilot. The three brothers were together for Christmas, and at that time Earl rather favored continuation of service.  
Bob was discharged December 31, at Ft. McArthur, Calif., and drew travel pay to Hartford, Conn., the point where he entered the service in August, 1941. With travel conditions on the west coast so crowded he decided to hitch-hike to Richland, and made better time than by train stage.  
He arrived in the States December 31 at San Pedro, Calif. During his training he was at Ft. Eutice, Va.; Camp Demers, Mass., Camp Edwards, Ft. Cavalli, Ky., and Ft. Bliss, Texas. He became a member of an anti-aircraft battalion and left for overseas in June, and returned to the States in August, 1945. He then went to Samar and shipped home from Dumaguette, Negros Island, in the Philippines. He was due for shipment to the States in September, but orders did not come through until in December.  
While on Samar he was attending a Joe E. Brown USO show one night when he fell a hand on his back. The pain was coming down pretty hard, but he turned around and a fellow asked him if his name was "Demers." He answered in the affirmative, and then learned the man behind him was Dan Pederson. They kept together during the rest of the show, and then found out that they were three miles apart in their stations on the island. Bob's outfit was sent to the States, and Dan was sent to the States for anti-aircraft protection for the large air strip there, and Dan was in communications at the naval station. Thereafter the two men saw each other often. They decided to buy a truck for the better, and it was always possible to obtain a navy meal ticket for Bob. The clothing supply was somewhat better for the navy, and DeMers said he came in for navy clothing at times. Pederson had become acquainted with Paul Busch, a brother of Chris P. Busch of Genesee. Paul was in the navy and saw to it that his newly-made friends were fairly well supplied with extra food and fruit from navy supplies. They visited around quite a bit after the war ended and a number of pictures were taken of the trio and other men.  
Pretz was Plenty Action  
Pretz DeMers, who was busy as a bee while here, renewing old acquaintances and having a good time, was not available for much talk of the service. He was discharged December 23 at Bremerton, Wash., after 18 months of overseas duty. He had completed three years and three months in the navy, and was in communications as a radio man. He was one of three Genesee boys to take radio training at Moscow. The other two were Tommy Edwards, sweating out the days before discharge, and Dan Pederson, on Samar. Pretz served about the USS Halley, a destroyer, which saw a lot of action in the Pacific theatre. He has been in the States for several months since the cessation of hostilities.  
Bob DeMers ended up with 74 army points as last September, and is authorized to wear the American Defense, Asiatic-Pacific and Philippine ribbon, with the final score in their game being 23 for Genesee and 28 for Kendrick. The half-time score was 15 to 11 for Kendrick.**

**GENESEE LOSES TO KENDRICK AT KENDRICK TUESDAY 36-16**  
Kendrick evened the score with the Genesee high school Bulldogs, with a game each being won by the two schools in their conference play. Kendrick beat Genesee 36-16, and at Kendrick Tuesday night the score was 36 for the Tigers and 16 for the Bulldogs.  
At the half time the Tigers were out in front 16 to 6. Kendrick checked all over the floor and Genesee was a bit off-form in its guarding. Kendrick is always a champion club on its own court and their sharpshooter, Millard, was in fine form and good for 18 points. Springer was top man for Genesee with 5 points. Moser, Peterson and Edwards each made 2 points, and Liberg made 3 points. Easterbrook and Broeke accounted for 12 points, six each. White made 5 points; McCall 4 and a second Easterbrook sunk two field goals.  
Owing to the condition of the highway a storm threatening, there were not many fans and students making the trip.  
Elbert Mitchell was the referee.  
Second Team Losses 23-28  
The Genesee high school youngsters are second in the Kendrick Basketball club, with the final score in their game being 23 for Genesee and 28 for Kendrick. The half-time score was 15 to 11 for Kendrick.

**K. P. DISTRICT CONVENTION**  
The second annual district convention of Knights of Pythias was held Tuesday evening at Genesee. Besides twenty-two members from Genesee attending the meeting there were 25 from Caldwell and two from Lewiston. The third year was exemplified by members from Culesc, with four candidates. Following the meeting an oyster feed was enjoyed.

#### HEREFORD SALE FEB. 19, 20

The board of directors of the Lewiston Hereford association have announced their 1946 spring sale will be held on February 19 and 20. Entries have been received for sixty-

seven bulls and thirty-eight females, J. W. Thometz, sales manager, announces. This is the Twelfth Annual show and sale to be held, and a special feature on Tuesday will be awarding of ribbons and cash prizes of \$1,000 to the consignors by the judge, Joseph Muir, extension animal husbandman of Washington State College, Pullman.

The annual meeting and election of officers of the association will be held at a 6:30 dinner meeting at the Bollinger hotel February 18, and the ever popular stockmen's banquet and dance, with special music, will be held at the Lewis-Clark hotel Tuesday evening at 7 on Feb. 19.

The sale will start at 12 noon on February 20, at the new Tri-State Agricultural and Livestock building, with H. B. Sager of Boleman, Mont., auctioneer, assisted by press representatives of the leading livestock journals.

The Lewiston Hereford association sale has been designed in the interest and betterment of Hereford cattle and to show that there are many breeders in this section of the Northwest producing top quality Herefords, making it possible for beef producers interested to get in line by purchasing at this well established sale.

#### FARM RECORD BOOKS PROVE MONEY SAVERS TO FARMERS

It is not too late to get started on a good system of records for the farm, said Elbert McProud, county agent.  
Many farmers are taking their inventories at this time of year, and if they will also systematically record their receipts and expenditures as they occur, they will be well on their way to developing a set of farm records that will prove valuable in many ways.  
Many Latah county farmers are finding that the record book they started last year is a big time, money and worry saver when they sit down to make out their income tax reports this year.  
There are many small items of expense that are paid in cash even though a checking account is the major means of carrying on the farm business. Failing to record the smaller cash payments increases the possibility that these small items will be missed when income tax time rolls around.  
Farmers who have not worked out a system of records and bookkeeping for their farms will find "The Idaho Farm and Ranch Record Book" a big help. It is well adapted to keeping all the inventory, expense, income, and depreciation information needed for income tax returns. Spaces are also provided for breeding records, crop records farm map, farm business summary and miscellaneous records. Copies of the book are obtainable at the Genesee Branch, First National Bank of Lewiston, at Genesee, or at the county agent's office in Moscow, for the printing cost of only 15 cents each, McProud said.

**OSON, ONLY A PENNY!**

Once a penny was a fortune to a six-year-old. It could buy yards of licorice shoestrings, an all-day sucker, or a syrup-smothered scoop of shaved ice.

Nowadays, a penny won't buy much for a little boy. But it purchases a lot of labor-saving electricity.

Sonny may sniff at a penny for running an errand—yet that same penny will (at average household rates) do any of these jobs—

- Run a sewing machine all afternoon
- Keep a refrigerator cold for 4 hours
- Vacuum clean 10 large rugs
- Light a 50-watt bulb for 6 hours
- Run the washer for 6 tubs of clothes
- Give you the correct time for 7 days
- Keep a radio playing for 3 hours

Yes, a penny is still big money—electrically. Actually, the average family gets just about twice as much electricity for its money as it did 15 years ago. Keeping electric service cheap, friendly and dependable—even all through the war—is a tribute to the careful business management of your electric company, and to the hard work and experience of all the men and women in it.

**JOHN SCHARNHORST OUT**

John Scharnhorst was honorably discharged from the navy at Palm Beach, Florida, January 25, and arrived home Saturday after six days and six nights on the train. He took boot training at Farragut, and then went to navy aviator's school at Norman, Okla., where he contracted rheumatic fever and was hospitalized for several months. He was then sent to Palm Beach where he was under observation, and while there was assigned to maintenance of hospital transportation. He said that he has felt no ill effects from the fever in recent months and is feeling fine at the present time.

**PUBLIC CARD PARTY**

Ladies of St. Mary's church will sponsor their third public card party at the current series of six at the K. C. hall, Sunday evening, Feb. 10. There will be cards and lunch. Admission, 25 cents per person.

**TOM EDWARDS AT FARRAGUT**

Tommy Edwards, eligible for discharge from the navy, was sent to Farragut and not to a navy separation center. He arrived at Farragut on Monday. The next draft is scheduled for February 20, and he will have to sweat out the twenty days. Being sent to Farragut was apparently a mistake by the navy, but Tommy is paying for it. He was at Genessee from Friday until Sunday, accompanied by P. D. Erwin of Klamath Falls, who was a fellow victim. They attended radio school at Moscow at the same time.

## Follett Mercantile Co.

In announcing the sale of the Harry Hanson interest in the Follett Mercantile Company to H. E. Bennett, effective February 1, it is assumed that the purchaser has become well known to everyone during his seven years of successful business operation and management in Genessee. Mr. Follett retains his interest in the business, which will continue as the Follett Mercantile Company. Together with Mr. Hanson, who has been his partner for the past nineteen years, they desire to express appreciation for all favors and business accorded them. The new partnership plans no change in policy, but aims to conduct the business so that the company will continue to merit your patronage. It is the intention to handle only the best lines of merchandise obtainable, and when conditions warrant, the stock of groceries, dry goods, shoes and men's, women's and children's wearing apparel will be increased to offer even better selection and service than in the past normal years. The company further announces that it will continue to handle custom meat cutting and wrapping for cold storage, and will be able to supply you with meats, both cured and fresh.

present storage space inadequate to handle the past year's crop, which included the largest wheat crop delivered at still being held in farm storage. Some grain growers were compelled to store grain in other towns, and the cooperative ladies' group has been confronted with the problem of lack of storage space. The elevator to be built soon will be 300,000 concrete structure, and will be complete with handling and shipping equipment, and is intended for commercial and food storage. Hoorman said that materials were now arriving for the concrete, and that the contract to break ground about March 1. It is estimated that about 75 men will be needed by the contractor to build the structure, and specialized and experienced men. If there are not enough men available at Genesee, it will be necessary to bring men in from other towns, and Mr. Hoorman said that this would present a housing problem.

The new building will rise to 110 feet with a head house of from 40 to 50 feet or 140 to 160 feet in all. It will be erected on the east side of the present crib elevator. Mr. Hoorman also gave a brief history of the Union. At the outset a group of wheat growers constructed a house to handle 50,000 sacks, and in 1911 the same and the initial plan was built to handle 65,000 sacks. In 1913 a 40,000-bushel addition was built, in 1918 an additional 60,000 bushel addition came to one to 100,000 bushels. In 1926 space for another 100,000 bushels was built and in 1929 the night was burning the entire refunded 125,000 bushels. In 1934 additional space was provided for 140,000 bushels, and in 1935 another 100,000 bushels were built up to that time, provided for 235,000 bushels, and now the latest plan is to build a 300,000 bushel building, for a total of 1,115,000 bushels of grain and peas.

Highway District Burns Bonds  
The Highway District is completely out of debt, and one of the highlights of the meeting Wednesday night was burning the entire refunded issue of bonds, all of which have been redeemed. Adrian Nelson, of the highway commission, said that the district met the date of issuance, namely the year 1919, the refunding at a low rate of interest just before maturity date. The original bond obligation of the Genesee Highway District was \$170,000 payable in 20 years. In the 20 years the district has paid the principal but have paid \$130,000 in interest. Seventy-five per cent of highway district income has gone for bond redemption and interest. Mr. Nelson in rejecting over the privilege of being able to announce a debt-free highway district said he hoped that anyone advocating a bond issue would severely deal with, even to threatening him with death.

A. C. Linehan, member of the highway district board, said his early years explained that bond issues were necessary to match federal funds for highways, and that starting from scratch there was no alternative. He recalled that only three voted against the bond issue in 1919. There were no highways or rock roads in 1919, and highway districts all over Idaho started road building programs on borrowed funds.

Mr. Nelson explained that the levy of 10 mills will continue for the Genesee Highway District. The levy has been 10 mills in recent years, but under a new state law a highway district may levy for post-war construction. It was also explained that the town of Genesee was entitled to one-half mill levy for post-war construction. Under prior statutes the town was privileged to receive one-half mill levy for highway maintenance tax collected within the town or one-fifth of 3.2 mills. Genesee in the future will receive about five times as much as previously, but one-fifth of the total.

Teacher Retirement  
Supt. Kenneth Dean asked the Civic Association to honor the retirement of a proposal, urging the governor of Idaho to include teacher retirement in his call for a special session of the legislature. The governor is considering a special session to handle problems of Idaho's two state hospitals. The Civic Association voted to urge the governor to include teacher retirement in his call, and a night letter was distributed at Genesee.

THE eagle that perches so proudly on the globe represents a real bird, a regimental mascot. He survived many hard-fought battles, and afterward lived to a great age.

On Case machines the eagle means the same thing—ENDURANCE. It means stamina to stand up under a lot of punishment, to have extra years of useful life.

At our store the sign of the eagle means that the machine is in business to see that you get all the endurance and extra life built into Case tractors and machines. We use genuine factory parts and work to factory standards. See us now about your service needs.

**TO INSTALL NEW PASTOR**  
Installation services for the new pastor of the Genesee Valley church will be held Sunday, Feb. 17 at 2:30 o'clock. The new pastor, Rev. H. Masted, will be installed by Dr. L. Field, president of the Rocky Mountain District.

Following Sunday school at 3:30, there will be a social hour, including a pick-up lunch. All friends are cordially invited to attend the services and social hour.

**VERN GRIESEW MAIL CENSOR-FOR CAMP HAAN PRISONERS**  
Vern Griesew wrote the following from Camp Haan, Calif., Feb. 5:  
"Dear Pete:  
"I thought it was about time I was writing to you so let you know where I am. I am still at Camp Haan, Fred (a friend from Montana) and I got here Jan. 31. We had a very nice trip (by car). We ran into a lot of snow near Klamath Falls, but outside of that everything was swell, except two flat tires.  
"How was the American Legion initiation? Bet it was really swell. I would have liked to have stayed, but we just had to get back. I will wait until I get home for good to join. I think it would be better anyway."  
"How's the weather? Are you having more snow? I really miss that snow down here. All we have here is rain, and what I mean, rain. It can really come down.  
"I am now a mail censor. We censor all that goes to the prisoners. It's really a nice job and I hope I can keep it. Well, I guess I better sign off, so tell all hello, and many thanks to the American Legion for the paper and the Christmas gift—Vern."

**JIM BUSCH AT OSAKA, JAPAN**  
An air-mail letter written by Jimmy Busch on Jan. 16, was received here Tuesday. He is the son of Mr. and Mrs. C. P. Busch, who were in the city of Yokohama from Tokyo Bay on the thirteenth. The trip was made by JST with a convoy of about sixty navy craft. The entire Third Fleet was in Tokyo Bay. There were carriers, cruisers, battleships, destroyers, in fact every kind of ship. The spectacle long to be remembered. The JST on which Art made the trip tied up in one of the numerous canals leading off the bay, and as the landing craft's port opened and the apron settled onto the concrete dock, all the men remembered what they expected, none of which was to be as easy and simple as it turned out to be.

The many large factory buildings, foundries, steel mills and other military buildings were demolished, and their contents destroyed, yet the dock facilities seemed untouched by the war, and were in good shape. The job on Tokyo and Yokohama was a precision job, if ever there was one, Art said. Lots of the destroyed machinery in the demolished buildings were made in America, and bore the nameplates of their manufacturers. The men working in the shops and equipment with the trademark of an British manufacturer.

Art said that the Japs appeared to be good mechanics, as those employed in the factories had been trained solely as mechanics from childhood. Among the workmen are some who have been educated abroad, especially in the United States. The young men and women, while not disclosing their innermost feelings, are energetic and obeying orders for reconstruction, and cooperate willingly, being content to be present to see the work done for their living. The older people, weary of war, and with spirit broken, are a pitiful lot. They have no ambition to work, and their clothing is nothing but rags. Quite a few, who may have been prosperous in normal times, are now wearing their tattered finery.

The silk industry is practically dead in the part of Japan visited by the returned soldier. Most of the mills have been destroyed and the mulberry bushes or trees are dead or dying, due to no care during the war, and effects of bombing.

The postoffice in Yokohama was located in a four-story reinforced concrete warehouse belonging to the Mitsubishi company (spelling doubtful). This large building, covering a half a block, had two stories jammed with silk goods and black and green tea. The Americans were surprised to read the labels, signifying that all was dated and stamped in 1935 for shipment to companies in the United States. The silk garments were in boxes with American and English de-

Lon Loncasty Busy  
F. W. Loncasty, former Genesee resident, now residing at 3904 North Washington, Spokane, writes the following: "Hello Pete: Enclosed please find check for \$2.00. Send Genesee News for another year. Am sick with the flu so have time to think about my friends and the good days. Have been busy since moving here. I suppose everyone is busy down there also. Am glad almost all of our boys are back again. Come and see us next time you are in Spokane. Best regards to Mrs., the boys and yourself."  
Lon is now with the Hahan & Irwin building company where they will build a new home for Perry Sanders company on North Nelson. This is part of the 20-home project contemplated. Lon wrote that they will be pretty good houses with three bedrooms and everything modern, to sell at around \$10,000.

**PERRY BLACK NOW ON TRUK**  
Navy Program Indefinite  
Ensign Perry Black, who trained for bomb disposal in the navy, and reported for overseas duty several months ago, writes the following from the former Jap stronghold at Truk:  
"Dear Ollie and Pete:  
"Guess I'm a little late in writing this time since I moved from my old address quite a while ago. Two months to be exact. My paper has been coming through so far. As long as I am here I think they will continue to give me the paper. I am still in the high man for Lapwai with 12 points, with Parks and Green each scoring 9 points. Kitcher scored 6 points; Wilson and Aiche, 4 each; Gibbs, 3, and Lutes, 1.  
"Our unit came down to Truk on the first of December, and thinking something was to happen we were just a little bit eager. No such luck, so our main job fell through at the end of the year. We were collecting items of Jap equipment to be sent back to the States for some reason or another. We worked on it until about the last of the year and then they let us know they didn't want it, so we are really out of a job.  
"Truk is quite a place as far as fortresses go. The boys from Nippon were really anchored here and I see why we didn't attempt a landing. The atoll consists of a coral reef about 30 miles in diameter, surrounding approximately 100 islands of various sizes and shapes. The total area is only 50 square miles, so you realize how big they are. You've seen the cartoon of a man stranded with a woman on an island, and where they are sitting back to back and each bathing their feet on opposite sides of an island. That's Truk.  
"Our girls are people down here is the Naruans. They are natives of Naru, which is somewhere down under, and they were, and are again, British subjects. They were brought to Truk as slave labor at the start of the war. They were the unfortunate owners of the best phosphorus beds in the islands. They were used for the production of fertilizer. There were about 1200 brought here and last week a few over 700 left for their home island. In the two and a half years they were here there were 24 births among the 2000. That gives some idea of how they were treated. They all speak English pretty well, and with a British accent, which is something to hear. As far as they are concerned, the American government has lost a lot of face in the way we treat the Japs. They have definite ideas on subject, and are, or were, willing to demonstrate. I guess you can't please them all.  
"We are set up pretty nice now and are living a nice life. Food is typical of the navy, so won't bother to gripe on that subject. We acquired a 'reefer' that is capable of keeping beverages and so forth cool, so we are content. No one here would keep a little stompers of danger around which works wonders with some. If that doesn't work we give them a job that always works. We have built ourselves a dark room and have all the necessities to make pictures, so we have really been making the best of it.  
"I received the Thanksgiving copy of The News the other day so I believe the papers are going to catch up with me. I think they are flown from Pearl Harbor, so that helps. Everybody seems to be getting out now and do I envy everyone of them. It looks like I have a stretch yet to do, as I don't plan on being out before June. That's if they keep dropping points. I could tell you how many days, hours, minutes or seconds from now on out, but won't go to that trouble and do it every day. Thanks again for The News—Perry."

**GENEESEE BULLDOGS LOSE AND WIN AT TOURNAMENT**  
Genesee high school Bulldogs lost their first game of the sub-district tournament to Lapwai Monday evening 48 to 31 at Culedaes. The local boys failed to get rolling, and the last half was all in favor of the Indians. At the first quarter the score was 10-6 for Lapwai and at the half the two clubs were about even, 18-16, for Lapwai. Leading the Genesee players was Moser with 8 points; Springer made 6; Peterson and Bennett, 5 each; Liberg, 3, and England 2. I don't understand why the high man for Lapwai with 12 points, with Parks and Green each scoring 9 points. Kitcher scored 6 points; Wilson and Aiche, 4 each; Gibbs, 3, and Lutes, 1.

**DR. C. F. MAGEE**  
Dr. C. F. Magee, formerly a resident of this community, and for many years a practicing physician and surgeon in Moscow, died Monday night at his home in Moscow. He was born at Ottawa, Canada, and moved to Moscow in 1921. During World War he was a surgeon with the Canadian army in the east of England and also in hospitals. He was a graduate of McGill University Medical College at Montreal, Canada.  
Several years ago, Dr. and Mrs. Magee, after his retirement from active practice, purchased a farm near Genesee, and they were in the production of purebred Hereford cattle and later operated a dairy and went into the purebred Guernsey cattle business. He disposed of his herd three or four years ago and sold his farm to a Mr. Stout of Uniontown, Genesee, the farm being owned by Fred Magee, a brother of the deceased.  
Besides his widow, Dawn Magee, the deceased is survived by one son, Dr. Charles Magee, living in Massachusetts; two brothers, Malcolm Magee and Fred Magee, and one sister, residing in British Columbia.  
Funeral services will be held at 2 p. m. today (Friday) at Short's chapel in Moscow, with the Rev. Willard E. Stanton of the Methodist church, to officiate.  
Dr. Magee was affiliated with several Masonic bodies, including the Scottish Rite and Shrine, and was a member of the Elks.

**SPECIAL EDUCATION MEETING**  
There will be a meeting of the Second Idaho District Trustees' association at the Student Lounge Building of the Lewiston Normal School Saturday at 1:30 p. m., February 16. Asher H. Wilson, president of the Idaho State Board of Education, will discuss the findings of the Idaho school survey and especially the tax situation.

**Services for John Vandenburg**  
Funeral services for John Vandenburg, who died here the Grimman Hospital in Moscow Tuesday, Feb. 7, last week were held Wednesday afternoon at the Community church with Rev. Melford Knight officiating. Elvon Hampton and Wayne Hampton, accompanied by Mrs. Elvon Hampton, sang "The Old Rugged Cross" and "We'll Meet Again" was played by D. L. Mutch.  
Interment was in the City Cemetery. Pallbearers were Harold Lee, Louis Scharrhorst, Gus Fickens, Ray Edwards, Dick Green and James Cameron.

**"CASEY" THEISEN IN JAPAN VISITS ATOMIC BOMBED CITY**  
Lawrence "Casey" Theisen, who has been in Japan for sometime, writes the following:  
"Dear Pete:  
"It has been some time since I wrote you, Pete. I know of no real excuse for not writing. I am still receiving the paper quite regularly, and certainly enjoy it. It does come late at times, but it is due to the fact that I have been moving and changing address so much. I read in the paper today where Bill Mervyn was on Miranda for a while. I was wondering what airstrip he could have been on for I was near two of them for quite some time, at Del Monte and down around Davos.  
"I saw Sanford Evans a month or so ago when he came through Kure. He told me that he had been about a week and then took off for Kyushu. He should be on his way home by now as he had 47 points, and all the 46-pointers had to report to the replacement depot about a week ago. It was nice seeing someone from the old army here again. We had several long visits while he was here.  
"Since I have been here at Kure I have made several visits to Hiroshima to look over the destruction caused by the atomic bomb. I have never seen things so blown to pieces in my life. There are still some people said to be lying yet from the effects of it. You can actually see in places where the heat was so intense that the skeletons of people are left in cement walls and on streets. I have talked to some of the Japanese people about it. It seems they thought that the bomb was a man coming down by parachute, and many were there waiting for him to land. They must of had a terrific surprise when the whole city blew up in their faces.  
"Well, Pete, we are moving again, this time to Yokohama. The British had the most of the army during the occupation of the Kure sector. I am not a bit sorry either for this place is just one blown-down mess. I have been here a little over three months and the Japanese haven't shown much improvement, for these city. They are still not sure that the G.I. found what they can, but it always seems to turn out the other way for the Japs always seem to be holding the bag. I have run onto a lot of funny things here the past three months. I often wonder whether I was in the combat zone or not. The G.I. found the M.P.'s hear from everybody when something happens to them. I don't know how much longer I will have to stay over here, but I hope we can leave in a few months. These Oriental countries aren't what they are cracked up to be. They have many strange customs and traditions. The worst custom of all is that you must take your shoes off before entering a house.  
"Well, Pete, I must close for I must start packing again. Before I close though, I want to thank the Genesee News for the Christmas gift and for the paper. I may have a new APO in Yokohama, so will drop you a line from there—Lawrence."

**G. PENDERSON OUT OF ARMY AND BACK AT UNIVERSITY**  
Lt. Gerald Pederson who was home a few weeks ago from Camp Campbell, Ky., passed through the separation center at Camp Atterbury, Indiana Saturday, February 2, and arrived home Monday. Enroute home he visited relatives in Norfolk and Neligh, Nebraska. The trip was made by plane, and from Camp Campbell to Omaha he traveled by car in company with another man, who was separated at Atterbury. He will be on terminal leave until March 1, and an hour after arriving home he went to Moscow to register for the second semester at the University of Idaho, where he studied for three years.  
Gerald entered the service forty-five months ago, going to Camp Roberts for training. He was then transferred to the air corps and sent to Buckley Field, Colo. Later he was sent to Ellensburg, Wash., as a cadet, and when the order came to return all ground forces to their respective branches of services he reported to the infantry regiment of the 70th Division at Camp Adair. While at Adair he was nominated for officers candidate school, and went to Ft. Benning, Ga., and received his commission in November, 1941. Having taken training in anti-tank weapons, he was sent to Camp Blanding, where he was assigned to the 67th m. anti-tank group. He left for overseas shortly before hostilities ceased in Germany, and remained for a short time with the army of occupation.  
He was a replacement for the Second Infantry of the Fifth Division, one of the first divisions returned to the States for redeployment to the Japanese sector, but with capitulation of Japan, the division remained at Camp Campbell, and is now part of the strategic reserve. The Division is at present in the process of being sent to France during the early days of the invasion. Most of its personnel had become high-point, and were discharged soon after the Japs gave up, and the other men have been discharged as the points were lowered or as men in rotation for separation by length of service.  
He will continue his course in chemical engineering, some of which will be a review of subjects.

**LEO HEPFNER DISCHARGED**  
Sgt. Leo Hepfner, who entered the service March 28, 1942, was honorably discharged February 7, and arrived home last Friday, coming from Madigan General Hospital at Fort Lewis. He was a member of the 42nd Infantry Regiment with the 106th Division, and was a prisoner of war in Germany from December 22, 1942, to April 15, 1945. He was with about 150 other men held at Zeitz, near Leipzig, Germany. The group was liberated by the 69th Infantry Division. Leo was taken to France, and was back in the States May 15, and back home on May 22. He was given a 60-day convalescent furlough, and then reported at Santa Barbara, California, for reassignment.  
While at Madigan Hospital he was an instructor in photography for men in convalescence. When presented with an opportunity to go back to Madigan as a civilian, he elected to return home. Leo has had three years at the University of Idaho, but due to crowded conditions he will wait until the coming summer session to continue his education. He was discharged February 7, and was on a two-day pass at Fort Lewis and visited Rev. and Mrs. Robert Rieke at Glendale, near Seattle.

**RELIEF CLOTHING SHIPPED**  
Sixty-five boxes of clothing, bedding and shoes left Genesee last Friday by motor freight. It was taken to the Forest Service Warehouse in Spokane, and will be inspected, sorted and prepared for shipment overseas. Members of the Genesee Fire Department did the packing, and it was stated that this community donated much worthwhile and useful clothing and other articles for overseas relief. The drive at Genesee ended last week.

**CHUCK KRAMER EXPECTED**  
Charles "Chuck" Kramer, a chief warrant officer of the Coast Guard, has arrived in the States from the Philippines and is expected in Genesee soon. Of late he was stationed at Maricopa, off Samar, and is now due for stateside duty, which he hopes will be in the San Francisco area. Mrs. Kramer has been making her home at Genesee during the absence of Mr. Kramer.  
Mr. and Mrs. Marlon Holben and family were dinner guests Sunday of Mr. and Mrs. Bardwell in Lewiston.

THE GENESEE NEWS Entered at the Postoffice at Genesee, Idaho, as Second-Class Mail Matter. E. D. Pederson, Publisher ARTHUR JENKINS DISCHARGED EARLY ARRIVAL FROM JAPAN (Continued from Page One) signations and were printed in English. For a time the Americans began "liberating" contents of the huge warehouse but they were stopped by the Counter-Intelligence Corps, who later released the material for sale in post exchanges where a silk kimono or a pair of pajamas could be purchased for \$15 or \$20. In the Japanese black market identical nightwear cost 3000 yen, with 15 yen to the dollar. Cigarettes per American make have been 900 yen per carton. Art's ten cartons of cigarettes a follow, if he had enough smokes could obtain one of the treasured items.

Men with the postal detachment lived on the upper story of the warehouse. For a reason every building near the postoffice had been wiped out by bombing. Art was in much of a fix. The residence sections are but slightly damaged and the business districts bear fewer marks from bombs than was expected. The industrial areas, however, were a complete shambles. The electric trains, both elevated and surface, are in operation. The two big cities, with an apparent abundance of electrical power. There is an eight-track electric rail system joining Yokohama and Tokyo, all in operation when Art left for the States.

The two large cities are not as bleak as one might imagine. Art reports that the finest art, and there are a great many beautiful costumes to be seen, especially those worn by the younger women, and many of the women are not bad looking either, which was another surprise to Americans. The people walk about their business, trying to be as unobtrusive as possible. They take no offense at being photographed by the camera-minded American. Of course they don't pose for pictures very often, but take everything as it comes. Jewelry and other valuables are not seen, except the stuff which the smartest wear. A slab of grease upon his hair; A boy who wears his shirttail in, And doesn't have a stupid grin. But boys are loved by fools like me, For who on earth would date a tree?

I think that I shall never see A boy that quite appeals to me; The smartest and the coolest wear A slab of grease upon his hair; A boy who wears his shirttail in, And doesn't have a stupid grin. But boys are loved by fools like me, For who on earth would date a tree? Howard Snell, former member of the Genesee public school faculty, who was wounded in action in France, and has been at Camp Lee, Va. since returning to the States, is now in Lewiston visiting his family. He will report back to Lee February 27, and expects his discharge about March 15. He visited in Genesee Wednesday.

Monday Bridge Club The Monday Evening Bridge club was entertained this week by Mrs. E. D. Pederson when Mrs. Frank Hoorman won high score award and Mrs. Glenn Sampson, second high. Mrs. Sampson will entertain at the next meeting.

EVERETT WISHARD A CILVIAN Everett Wishard, son of Mr. and Mrs. Bert Wishard of Lewiston Orchards, was in Genesee Wednesday in company with Lew. Bershaw to renew acquaintances. Mr. and Mrs. Wishard are former residents of Genesee. Everett, while his folks were living at Genesee, entered the service February 17, 1943, and since then has seen lots of water but not much land. He went into the navy and after boot training was assigned to the Armed Forces carrier ship, the USS. He took him a long ways, to the Solomons and around the southern tip of Australia to Calcutta and other parts of India. Those trips from the United States aboard a cargo ship were long and tedious, and there was still plenty of opposition from the Japs. His ship was in dock during the summer of 1944 he drew a leave to come home. He was about the first Genesee man to return from the southern Pacific area. His face was tanned a deep brown, in fact, he entire body was changed color by the sun and heat. He shipped out again, and returned last May for about 18 days. He went to Okinawa on a cargo ship, and for 60 days his ship laid off the island, but moved out just two days before the big storm. He had, however, experienced several smaller storms, and they made the going rough for the ship he was on. During his last voyage and sojourn in the Pacific, the ship transported supplies to Okinawa, with the return trip putting him in the States last October. He will be discharged January 27, and went to Kelo, Wash., to visit for a few days with his brother, Bertie, and family. He arrived in Lewiston February 3.

Howard Broemeling Returns Howard Broemeling, who had been in Oakland to visit his wife, a teacher in the schools there, returned home last week, and if he can locate a place to live he and his wife will reside in Genesee. Strikes in the Bay Area have everything tied up. Employment offices are not able to place any men at the present time, but suggest that perhaps there will be employment in a few weeks. The strikes in San Francisco are more serious than people here realize, and this trouble coupled with the housing shortage is a serious problem on the coast.

The Genesee News The Bulldog's Pen

Editorial Gosh, students, now we can breathe freely again, since we made the tour—merry tour? Wasn't it worth it? Well, it was. We haven't seen anything yet. Just wait until our boys get to Lewiston. We hope you'll realize why we're down here, especially since all our gals and boys will be here to cheer you to victory. So come on boys, you men the baskets and we'll make the noise—and how. See you at Lewiston.

Genesee High School Bulldogs, who lost their first sub-district basketball game to Lapwai 24 to 19, saw the Bulldogs high school take Lapwai to the cleaners, when they played an easy game from Culedecas 41-18, which assured Genesee a place in the sub-district tournament. The Bulldogs played their first game on Monday, February 27, and 28 and March 1 and 2, Kendrick, which was a two-point advantage. The Bulldogs played with one loss, and Genesee, second in league standing, with two losses during the season. Genesee won the tournament in the one of positions in regular season play.

Genesee Bulldogs looked like a team that was in for a victory in their game with Culedecas. Follett cast off four long shots that swished through the hoop, and then they took two nice long shots, that just about took the heart out of the Culedecas boys who had accomplished the feat of winning from Lapwai, only to be faced by Genesee. Eglund and Moser were not out of their minds when they saw their two baskets. Springer sunk from the foul line, as did Liberg and Peterson, but once from the charity line. Culedecas bucketed the first two points of the game, and rang up two more in the next few minutes. The sub-district game was a close one, with shots for a total of 6 for their first half scoring.

Genesee substituted freely in the last of the first half and during the last two quarters. Springer, Eglund and Liberg hit one time after another. They had to be persuaded with some small arms fire to come aboard. The officer remained with the enlisted men, and seemed satisfied to be rescued and cooperated as much as requested. While the Angler was submerged, the sub was around. Each of the three torpedo tubes, and the attack was made from around. Each of the three torpedo tubes, and the attack was made from around. Each of the three torpedo tubes, and the attack was made from around.

Genesee won the game with a final score of 24-14. The Bulldogs picked an off-night for basket shooting and sank but 7 field goals during the game. Eglund, Peterson and Liberg scored 4 points each. Follett and Springer 3 each. For Kendrick high scorer was McCull with 7 each, and Broeke and White each scored 3 points.

Genesee Girls Win The Genesee girls, winners of most of the district girls' second level of the season Saturday evening when the two girls' teams played the opening game of the evening. It was regretted that a score book of the game has not been obtainable in Lewiston.

Community Church Sunday school, 10 o'clock. Intermediate C. E., 6:30 o'clock. Sunday, March 3, the Intermediate will have a pie social beginning at 7:30 in the evening. There will be no choir practice until further notice.

George Washington Although he felled the cherry tree with loving little whacks, And told the truth because his father said so, He was much like other boys. (Don't credit him with naught) But not Genesee, who enlisted to serve in the Pacific Theatre in the Air Force.

William Busch in Service The Army Recruiting Office, 623 Main St., Lewiston, announces enlistment of 14 men during the week ending February 10, 1946. The list for three year periods and so doing received their choice of branch of service and theatre preference. Among the 14 men was William But not Genesee, who enlisted to serve in the Pacific Theatre in the Air Force.

Winning second place at the sub-district means we go to the district tournament, but we're going to be pretty tough. We haven't seen anything yet. Just wait until our boys get to Lewiston. We hope you'll realize why we're down here, especially since all our gals and boys will be here to cheer you to victory. So come on boys, you men the baskets and we'll make the noise—and how. The Genesee News The Bulldog's Pen

Warmer days have caused some of the snow in the Palouse country to disappear during the past ten days, but those drifts, especially facing the north are still deep and contain a lot of water. Nights have not been too cold, but with the exception of one or two nights in the past ten days thawing was retarded.

Chief Warrant Officer Charles Kramer, arrived in Genesee Sunday to meet his wife who has been living here during the war. Chief Warrant Officer Kramer, who served one enlistment in the navy, has been in the service for 26 years, and since that first enlistment in the navy, has been with the U. S. Coast Guard. He was assigned to west coast and Alaskan Coast Guard patrol for a number of years, and when World War II found the United States as one of the allies he drew convicts duty at the Atlantic, making a number of trips from the east coast to Europe and to points where shipping was met and diverted to Russia. When once the new Coast Guard Cutters were being built in the east, Kramer who became its chief engineer, remained at the shipyard during the construction period and then shipped out for Atlantic duty. He saw a lot of the world during the going was rough in the Atlantic.

When convoys were having less trouble in the Atlantic, Kramer was ordered to duty in the Pacific and in the Philippines. His ship first went to the Solomons and then to the island of Makran, just off Samar in the Philippines. Despite his 26 years in the service Kramer did not hesitate to say that he was glad to be back in the States. Naturally he's looking forward to retirement with 30 years in the service. Kramer is a Chief Petty Officer he could retire almost immediately as the Coast Guard is revising its retirement regulations. However, if he continues as a chief warrant officer he will be given his choice of service and choice of naval district, and he says he has definitely decided that San Francisco will be the place to serve. He has 30 days' leave and he says he will visit relatives at Genesee.

ANNA LOUISE ALLEN BRIDE OF CHARLES COLIN WILSON (Chevelah Independent) The marriage of Miss Anna Louise Allen, daughter of Mr. and Mrs. Elmer L. Allen of Chevelah, to Charles Colin Wilson, son of Mr. and Mrs. W. Wilson of Lewiston, Idaho, took place Sunday afternoon, Feb. 10, 2 o'clock in the Sacred Heart Parish, Spokane, with the Rev. R. O. O'Connell officiating at the double ring ceremony.

The bride was lovely in a dress made of powder blue with which she wore black accessories. She carried a prayer book on which rested an orchid tied with satin ribbon. Her sister, Miss Dona Allen, was bridesmaid, and wore an aqua blue suit with a white collar. Her flower girl was a shoulder corsage of gartias and roses. Harold Kluss of Genesee was best man.

The officiating luncheon was given at the Desert Hotel, Spokane. Guests included the parents of the bride and groom; his brother, Thomas Wilson, with 12, followed by Ott with 8; Hansen, 7; McAvoy, 4; Kirby, 3; and Hunter, 2.

WOOD TREATING EXHIBITION AT PRODUCERS CO. FEB. 26 High prices and acute present day shortages have prompted farmers in Idaho to utilize their local easily dehydrated wood for fence posts, cellar poles, and so forth. The Idaho Extension Forestry Department now recommends chlorinated phenol type preservative for home treatment of these and similar raw wood items.

WITH MEN IN THE SERVICE Sanford Evans arrived at his home in Clarkston Friday, surprising his parents, Mr. and Mrs. Edgar Evans. He came from the Pacific Theatre and was in Japan for a few months. He has received his discharge and has made a few trips to Genesee to visit with relatives and friends. Mr. Evans left for Europe in 1944, for the armed forces at the same time. Mr. Evans left San Francisco in the first one of his high school class to be discharged.

On Their Way Home Reported to be on their way home this week are: Dick Scharnhorst, Raymond Isaksen, Charles Herman, Leonard Edwards, Billy Mervyn, Lloyd Abrahamson and Bob Huffman. Isaksen, Herman, Edwards, Mervyn and Abrahamson came from the Pacific Theatre and Huffman came from Europe. Also reported on his way home is in the States by now is Wayne Bershaw. Bob Roskammer, discharged veteran of the Pacific Theatre, returned to the States several months ago but who reported to a hospital in Utah, arrived home Monday with an honorable discharge. He was hospitalized in Germany during his stay in the army of occupation. Edwards to Be Discharged Tommy Farragut, who was stationed on with his parents, Mr. and Mrs. Leo Edwards. He expected to be sent to Bremerton Monday where he was scheduled for separation from the navy this week. Don't forget the Firemen's Benefit Ball tonight (Friday).

"Years ago it took 12 to 15 months to bring a hog to market weight by ordinary grain feeding. Today, thanks to better feeding, the farmer can take his hogs to market in six months and save months of expensive grain feeding."

Tests have proved time and again that through the use of hog supplements and grain in proper amounts, numerous bushels of grain are saved, and the hog goes to market quicker because he gains faster.

If you are not using the best hog feeding methods that are available, you are robbing yourself, just as surely as if you took money out of your pocket and threw it away.

HENRY: "I've heard that some thing several times lately... that alcoholics are really sick people. It was news to me. Do you agree with that statement, Judge?" OLD JUDGE: "Yes, it's true, Henry. It's no notion of mine... it's a statement made by scientists who have studied the subject."

THE GENESSEE NEWS

Entered at the Postoffice at Genessee, Idaho, as Second-Class Mail Matter. E. D. Pederson, Publisher

SGT. MCKINLEY DISCHARGED WAS WITH 101ST AIRBORNE

Jack McKinley of Genessee, has received the following newspaper article concerning his brother, which was carried in the Arco Advertiser: Sgt. McKinley H. McKinley son of Mrs. Rose McKinley of Mackay, Ar. received an honorable discharge from the U. S. Army on January 1 at Ft. Bragg, N. C. He arrived in Genessee on Dec. 25, after serving 20 months in the European Theatre with the famous 101st Airborne Division. He entered the service on Feb. 19, 1943.

He is entitled to wear the American Theater campaign medal with four stars; Good Conduct Medal; Victory Medal; Unit Presidential Citation with four stars; the Belgium Four-ager and Queen Wilhelmina Citation (Holland); the French Croix de Guerre, France, Belgium, Germany, Holland and Austria. The soldier made an airborne jump into Holland on August 17, 1944, and was with the 326th Airborne Engineers of the 101st Division when they were trapped in Bastogne, Belgium.

Genessee People in Car Accident. Lewiston Tribune: A head-on collision on the North and South highways on Saturday night resulted in a serious injury to Miss Betty Bradshaw, teaching at Genessee, and non-consequential hurts to other occupants of the car which was headed for Lewiston. She is at St. Joseph's hospital. The group had attended the Cullendale-Genessee basketball game.

The other car involved was driven by Albert Griener, Lapwai, with Jim Sardon, a passenger. Sardon received serious cuts on the head and Griener chest and leg injuries, not serious.

Other occupants of the car in which Miss Bradshaw was riding were: Harold Woodcock, Lapwai, with Mrs. M. Moser, Wayne Jacobs and Miss Marie Robertson, Genessee teacher.

The accident happened on a straight stretch of highway at Saturday night. The car which was headed for Lewiston was wrecked. Deputy Sheriff Ray Ingram investigated.

Miss Bradshaw is reported to have left the hospital Tuesday and is at the home of her parents, Mrs. and LeRoy Johnson of Moscow, the non-solution. For the men L. C. Laphar of Cottonwood, Misses Dorothy Lee and Beverly Weidner of Genessee, and Mrs. W. E. Hickman were the program with a song, and a young girl's sextette, Genna Reichenberg, Mary Currin, Carol Omsundson and Helen Emerson sang under the direction of Mrs. Margaret Covington.

Coasting Party. LaVarr Erickson entertained several guests at a coasting party near her home Tuesday evening after which her mother served refreshments. The guests were Lavonne Lambeth, Ann Lou Lucille, Linda Archibald, Jeanette Vandenberg, Carol Borgen, Carol Omsundson, Mary Curran, and Simon Fleishman and Billy Hanson.

THE OLD JUDGE SAYS... OLD JUDGE: "Hank, you're a big grain producer... let me ask you a question or two?" HANK: "Glad to have you, Judge." OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?" HANK: "I certainly do not! As a matter of fact, it is just the opposite." OLD JUDGE: "How do you figure that, Hank?" HANK: "I blend them in with original grain. This ration has far greater value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results." last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains... the best feed supplements we can lay our hands on. They are rich in nutrients. Why... I've never had such fat dairy cows, livestock and poultry as I have since I've been using these dried grains." OLD JUDGE: "How do you use them, Hank?" HANK: "I blend them in with original grain. This ration has far greater value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results." THE GENESSEE NEWS Entered at the Postoffice at Genesee, Idaho, as Second-Class Mail Matter. E. D. Pederson, Publisher BOB MORKEN DISCHARGED SERVED IN ARMY 4 YEARS (Continued from Page One) for combat planes this strip, built by Chinese coolie labor, was constructed entirely by hand labor and has been pictured in movies and magazines. The Chinese placed rocks of all sizes in place about the strip, and then bound the mass with a clay binder. No concrete was used, yet this air field, constructed by ancient methods, was capable of taking the strain from the big B-29's for which it was built. It was a gigantic task, even with modern machinery. The runway was at an elevation of 6,000 feet, and its annual operation was a feat of the big planes to get in the air in the rarified atmosphere. From this field the planes flew over the Hongkong and Shanghai routes with missions being for mine laying. Bob then went with his unit in May, 1945, to Eupou, a forward base between Chihkiang and Changsha, the latter place being then in possession of the Japanese. Bob had been a base for the A.V.G. or Flying between Chihkiang and Changsha, was 80 miles from Eupou, an important point for the Japs, as its loss would mean giving up control of the railroads leading south. Being in radio communications with the Japs at Changsha often pretended to be Americans and would acknowledge receipt of coded messages, but at no time were the Americans ever fooled by the Japs. The enemy had often attempted to take Chihkiang to cut off the Americans, but they were never successful. Sgt. Morken next found himself at Chengtu, college town and the silver capital of China. Here he was able to secure a few pieces of green and red silk. He had a hunch that the Chengtu variety, known to the world over for its beauty and delicate handwork, at some of which was usually in possession of men serving in our armed forces from the first days of the war. He was assigned to military police duty for three weeks in Chengtu, and while not on patrol he was sometimes called out for disturbances or investigations in sections of the city which were out-of-bounds or of questionable repute. During the three weeks he saw first hand how the Chinese of all classes lived. People of Chengtu had become well acquainted with Americans as there had been several air bases near by the city. As everywhere, the U. S. service men considered the "Universal Sucker." Chengtu greeted the Americans with open arms, but their liberators had learned a few lessons too, one of which was that the Chinese asking price was always extremely higher than their actual selling price. The natives tried to barter and haggle over prices. Bob remarked that he believed the Chinese expected Americans to give a hard bargain, and it might be that the Chinese would show contempt for an "easy mark." The Chinese, in their native land, appear disrespectful to others in misfortune and never assist a stricken or ill person, and their feelings toward animals is one of apparent abuse. Sgt. Morken worked with the 14th Air Force headquarters in India and China, the 68th Composite Wing and the Chinese-American Composite Wing. The latter was about half Chinese and half Americans. The plane crews were usually evenly divided, but in most crews the pilot was an American. The Chinese were either trained in the United States or by Americans in India and China. They were a fine lot of men, and Bob believes that China will soon be taking its place among other nations. The younger men are eager to learn and they all show renewed energy and

promise of advancement. He could not say as much for their food. The men with Bob were on Chinese rations for about a year when only the best of the Chinese rations were served. The Hump Men received about a carton and a half of cigarettes for 90 days. The field rations were welcome. All the time he was in China, meals were prepared and served by the Chinese. They were given a list of laundry and provided and cared for quarters. When cigarettes ran out Americans carried the strong Chinese. They shredded tobacco, but this was going to extremes. Sgt. Morken left Chengtu in October, 1945, for Kunming and then Calcutta where he waited for five weeks for transportation. He embarked for the United States on November 27, and arrived in New York December 26, after being delayed a week by an Atlantic storm. He was discharged January 7 at Fort Lewis, and after visiting relatives in Seattle came here to the home of his brother, Ed Morken, and family. He is authorized to wear the American Defense ribbon, the Asiatic-Pacific Campaign ribbon with two stars, the "Good Humor" medal and the Victory medal.

ESTABLISHED 1888 CHAS. HERMAN DISCHARGED AFTER 32 MONTHS IN NAVY Charles Herman RMJ/c was honorably discharged from the navy on March 2 at the Bremerton separation center, and arrived home Sunday morning, after 32 months and seven days of service. He came to the States on the USS Monrovia to which he was transferred, and arrived at San Diego Feb. 20. He reported at Camp Elliott and remained there four days before going to the separation center at Bremerton by train. Some navy men have had to make the long trip from San Diego to Bremerton by ship. Charles entered the service June 25, 1943 at Spokane and took boot training at Farragut. He was then sent to Madison, Wis., for radio training at the University of Wisconsin for five months, after which he reported to Camp Bradford for amphibious training. He joined a draft of men going to Chicago and while at Navy Pier drew a 7-day leave. Idaho was a long way from Chicago but he made the trip for a mere 20 hours at home. After returning to Chicago, the radioman went to Seneca, Ill., and there became a member of the crew of LST 614 which was launched in the Mississippi. Down the river they went in seven days to New Orleans, then to Panama City, Fla., for shakedown and to Gulfport, Miss., to take on cargo for overseas. The LST reported back to New Orleans for orders to join a convoy. This convoy moved across the Caribbean to Guantanamo, Cuba, for additional supplies then went to Coco Solo and then to the Panama Canal Zone. The orders disclosed Brisbane, Australia, as the destination, but orders came in to proceed to Caledonia, and later these orders were changed to Manus Island. The LST 614 became the flotta flagship. The log of the LST 614 records that the equator was crossed for the first time on July 17, 1944. After 40 days at sea the mountains of New Guinea were sighted. The craft hovered, landed at Manus and discharged its cargo, and later the crew, consisting of 100 men, were ordered to beaching and towing as well as anti-aircraft firing. The LST then proceeded to New Guinea, to land there September 16. With army troops aboard the LST 417 put their ashore on Moratti, beaching immediately and hurriedly to avoid air attack by the Japs. The first experience with the enemy came when the LST was returning to Hollandia, New Guinea, when the convoy was bombed. In October the LST 614 beached on Leyte Island on the third day of the invasion. The ship, making time between New Guinea and the Philippines, was in on the Luzon campaign, arriving in Lingayen Gulf for the first time on Jan. 7, 1945. The convoy escort sank a submarine, and much of the ships movement was obscured by smoke screens. Jap and glide planes were becoming numerous and on Jan. 8, the crew of the LST 614 fired on one which later crashed into one of our ships. Charles was at Blue Beach near San Fabian on D-Day, his LST being the first to hit the beach. The ship landing, and ship were under constant air attack, and after three days the mission was accomplished. The LST 614 was back with a cargo from Leyte on January 31, and then departed for New Guinea to load a navy construction battalion, which was put ashore at Manila Bay March 9. The LST was then kept in the Philippines for moving army engineers and cargo, preparing for the Mindanao Island invasion, where the opposition was slight. In April the LST 614 was moving hospital corps to Parang and Mindanao resupply. Early in May the LST arrived at Moratti and went into dry dock for replacement of parts and scraping. In mid-May the LST 614 was transporting Australian troops and equipment for the invasion of Borneo. This work continued until July 7 when the ship went to Humboldt, New Guinea. On August 12, 1945, the LST arrived at San Pedro Bay, Leyte, where necessary repairs and an overhaul were made. On Sept. 10 the craft arrived at Hagushi, Okinawa, and on Sept. 14 set out with troops and equipment for the occupation of Korea. Two days were lost on this trip when the LST was caught in a typhoon. Arriving at Jinsen, Korea, and unloading the LST maneuvered in the East China Sea to avoid a second typhoon. On October 8 the LST weathered three severe days at sea during a typhoon which damaged the ship. Transportation of troops from Ok- (Continued on Page Four)

The Genesee News LEGION HAS OFFICE AT BURR'S RED CROSS DRIVE FOR 1946 STARTED IN COUNTY MAR. 1 The fighting is over. Why have a big Red Cross drive in 1946? The boys are coming home; all except the ones who will never come. This is the most difficult year of all. We are forgetting the hundreds of thousands of men still overseas. They will be overseas for months to come. We are forgetting the tens of thousands of wounded in our hospitals and will be for many months. And of course, there is the home program, including disaster relief, home nursing, first aid, and many other peacetime activities of the Red Cross. The national quota for 1946 is \$100,000,000, and the Latah county quota is \$12,700.00. The contribution you make through the Red Cross will be a real investment in our American way of life. The Latah county drive started on March first. Quite often one hears a veteran of World War I speak unfavorably of the Red Cross. Some of their statements are beyond belief, and some are merely twice-told tales, rather suggestive of the Red Cross and a much bigger job in World War II. The fellow who gave no credit to the Red Cross in World War I, without doubt, had no reason to contact the Red Cross, or was never in a position where the assistance of the Red Cross might have been welcome. It is true, that the Red Cross follows disaster, distress and misfortune, so the fellow who was "lucky" seldom realizes what great benefits have come from the Red Cross—not exactly by the Red Cross, but through the dollars which have been donated. In the war which recently ended the Red Cross may have failed at times, but the great deeds the Red Cross has accomplished overshadow its shortcomings. Sometimes the several branches of the armed forces did not cooperate with the Red Cross as fully as might be expected, and some cases of importance were seemingly neglected, when it might be assumed that action was so intense that the Red Cross was placed second in priority. You are again asked to help support the Red Cross. What you give will be appreciated. Don't forget the men who are in hospitals, the men who are overseas and longing for home and all that goes with home. If you have been successful in obtaining wealth, give generously. Remember that what you have assured for you by some man who gave a lot, and he will continue to give for all his days. That comfort which your dollars are possible of extending mean much to many. MRS. DAMON HOLBEN ARRIVES Damon Holben of Lewiston went to Spokane Tuesday to meet his wife who was expected to arrive there at 9 o'clock. Mr. and Mrs. Holben were married in England, and she has been delayed in her home country like so many other wives and children. It is believed that she arrived in the States on the Queen Mary. Knights of Columbus to Moscow Rev. J. B. Kunkel, Frank Hoorman, Edward M. Ed Harfurther, J. M. Rabaud, Jay Johann, Lawrence Hascher, Pat Weber, Paul Johann, John Kries, Robert Neyens, Frank Scharbach, Bud Scharbach and Norman Flerchinger attended initiation ceremonies of Knights of Columbus in Moscow Sunday afternoon. Norman Flerchinger was one of the 15 candidates. The Genesee Council put on the first degree. Raw Deal Grows Rarer Veterans trying desperately to get started again after the war, either in farming or in some other business, have run against a stone wall in attempts to purchase surplus property from the army and navy. The Idaho Legionnaire commenting on the subject states: "Despite rosy promises, the surplus property disposal run-around being given the veteran grows ever bigger and rarer. The bureau concerned strangely close their offices on Saturday despite the utter breakdown in administering their duties to the veteran, who closed up his foxhole neither at 4:30 p. m. on Monday through Friday, or on Friday afternoon to purchase surplus property on Monday morning for the weekend. The Bulldog's Pen Editorial Well, I guess we're all just about ready to give up our skills, skates and snowshoes for a try at the spring weather. Since being in the Valley for the tournaments, we've really gotten into the spring spirit and we've heard quite a few of our bright students complain that they're already afflicted with spring fever. Another nine weeks have rolled around. Gee, how time flies. Now that the tournaments are over everybody's mind has turned to the coming festival. We are going to need lots of work to get our band and songsters in shape; so here's hard work to you. Sports Congratulations from Genesee Hills to a super team. You really played games worth remembering. Bob Liberg, head coach, the "All District." He received a gold basketball. Genesee received the sportsman trophy. We regret losing three of our most prominent players, Wally England, Bob Liberg and George Follett. We will miss them next year when the basketball season opens. Well, so much for a wonderful basketball season, packed full of thrills from the first to the last game. Fashions Well, kids, drooping eyelids seem to be the most popular fashion this week—oh well, it comes from fun, the tournament, I mean. Joyce Griener has been doing her bit to brighten up the halls these days with a pretty lime green ski sweater and skirt to match. Maxine K's brown and yellow are really on the beam. Bubble, bubble, toil and trouble, did you see all the balloons floating around the old Lewiston streets? Pretty, but they didn't last long, did they kids, and that's where the trouble comes in. Trouble—that is! Checkers are back in

the fashions again, this time in the form of a black and white checkered jacket. Real nice, Maxine B. Here's orchids to two swell cheer leaders, Bev and Marge. They've really done a lot to step up the old pep and cheer our team to victory. The girls have some nice yell's and have worked hard; so to them—for a job well done. Oh, yes, and I almost forgot, thanks to you, Sonny and Ray. Skunk lilies to today because we are so sorry basketball season, with its many thrills, is over. Oh, oh! Have any of you looked at the date? Ye, sir, another nine weeks is almost up and time for tests again. "Down at the tournaments" seems to be a famous phrase around school this past week. We hear lots and lots happened and those who saw "She Wouldn't Say Yes" probably remember the "Nixie." We also heard Nixie's whistle and kept our eyes open. I see the tournament has turned our students into lots of nice things, such as pilots, lettermen, bowlers and archers, basketball fans. And more people are really on the beam. Maybe a couple hearts. All in all I think everyone had a perfectly marvelous time. And we will see you at the Festival. Anyway that's what lots of farewells consisted of. Song Titles Beverly Heinrich—William Tell Overture. Bob Liberg—Aren't You Glad You Are You. Bert Peterson—Margarie. Balloon Fans—I'm Forever Blowing Bubbles. Gene Moser—Ellen. Emma Lou—Oh, Johnny.

NORTH IDAHO TOURNAMENT IN MOSCOW MARCH 14, 15, 16 High school basketball will come to a finish in northern Idaho, at the end of the tournament to be held in Moscow March 14, 15, and 16. There were four B games, Kamiah and Kendrick, first and second place winners, respectively, in the Second Idaho Division, will enter the Moscow North Idaho championship play-off. They won honors at the recent district tournament. Lewiston, first and second place winners in the A school division, and participants in the district tournament held at Lewiston, will represent the Second District. Two A and two B teams will enter from the northern or First District. The Moscow tournament is a single-elimination event with a consolation round for both classes. The first game next Thursday evening will be between Kamiah and the runner-up team from District 1. This game will start at 7:30 p. m. The second game will be between the runner-up from the number one team from the northern district. Next Friday evening at 7:30 the first-place team of the northern district will meet Kendrick, and in the second game Moscow will meet the District No. 1 consolation team. State Board of Control for Athletics in Idaho, is in charge of arrangements for the tournament. OBSERVE DAY OF PRAYER Friday afternoon, March 8, at 2:30 o'clock a special service will be held in observance of World Day of Prayer at the Community church, under auspices of the Missionary Society and the Ladies Aid. Rev. Roland G. West of St. John's Lutheran church, Idaho Falls, will be the speaker. All ladies of the community are cordially invited to attend. EDWARDS DISCHARGED A notice was received from Public Relations, Fort Lewis, Thursday, Feb. 28, that the late Mrs. E. C. Hollingsworth, Clarkston, and Clifford Powell, Spalding.

LIBERG ON ALL-DISTRICT TEN SPORTSMANSHIP IN GENESSEE Bob Liberg, Genesee, was named to the All-District basketball team at the conclusion of play in Lewiston. Liberg was named to the team with Charles Eastbrook, senior forward, and Herb Millard, sophomore forward, Kendrick; Dick Fike, center, and Dale Ball, guard, both seniors, Kamiah; Clint Peterson, senior guard, and Dick Johnson, senior forward, Winchester; Clifford Heintzman, senior forward, Gifford; Tom Bailey, senior forward, Grangeville, and Ralph Payne, junior forward, Troy. Liberg is a senior. On the A all-district were: Forward, Louis Johnson, Lewiston; Peterson, seniors, Lewiston; Stanley Tanner, senior, and Dwight Call, junior, Moscow; centers, Don Wike, senior, Lewiston, and Don Hunter, junior, Moscow; guards, Dean Grubb, junior, and Bill Wright, senior, Lewiston; Dick Johnson, junior, and Sidney Miller, senior, Moscow. Sportsmanship to Genesee Following the last game of the extra session in the tournament Monday night in Lewiston, the above awards were made, and Genesee received the sportsmanship cup. Father of Mrs. Baumgartner Dies Mr. and Mrs. Fred Baumgartner and family were in Clarkston Saturday to attend funeral services for Mrs. Baumgartner's father, Cortez Powell, 89, who died Thursday morning at the home of a daughter, Mrs. E. C. Hollingsworth in Clarkston. He became ill at the breakfast table and about 15 minutes after lying down he passed away. The aged man was a resident of Clarkston since 1918, and before that he was engaged in farming near Lenore, Idaho. He was born in Springfield, Wis., April 24, 1856, and on January 12, 1879 married Miss Sena Knight in Sherburn county, Minn. Besides his daughter here, the deceased is survived by six other children; Mrs. Laura Gillespie, Lewiston; Mrs. John F. Frisbie, Joliet, Ill.; W. S. Powell, Lenore, Mrs. John Gillespie, Ordance, Ore.; Mrs. E. C. Hollingsworth, Clarkston, and Clifford Powell, Spalding. Visit Spalding Museum Pupils of the seventh and eighth grades of St. Joseph's school enjoyed a visit to the Spalding museum Wednesday of last week. They also visited the state game farm at Sweetwater and the Slickpock Mission near Caldwell. The trip was arranged by Mrs. Rev. B. J. Kunkel, Mrs. Florent Moser, Fred Baumgartner and Lawrence Kraut. Mr. and Mrs. G. V. Vestal and Mrs. and Mrs. Gene Vestal spent Sunday and Monday in Spokane.

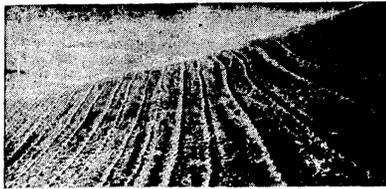

SCHOOLER ON WAY OUT A letter dated March 4, from Homer Schooler, states that his paper may be discontinued. "I am leaving today for Ft. McArthur, and separation from the army," the letter reads in part. Homecoming is stationed at Maru Army Air Base. Mr. and Mrs. Howard Blume spent Friday in Spokane.

CHANCE IN SHOW DATES Rex Rice, manager of the Genesee Theatre announces that effective on March 15 the Monday shows will be discontinued, and a movie program will be shown on Fridays thereafter. There will be a show here Friday, March 15, and thereafter on Wednesday and Friday until further notice. Mr. Rice is considering a Saturday show. BECKER TO BE DISCHARGED Lt. Dwight Becker arrived Wednesday from Camp Robinson, Ark., for a short visit with his parents, Mr. and Mrs. Ernest Becker, before going to Ft. Lewis where he will pass through the separation center the first of next week. Births Mr. and Mrs. Don Imehane are the parents of a son born Thursday, Feb. 28, at St. Joseph's hospital in Lewiston. The baby has been named Gregory David. A son was born to Mr. and Mrs. George Rader on Saturday, March 2 at St. Joseph's hospital in Lewiston. The name, David William, has been chosen. Visit Spalding Museum Pupils of the seventh and eighth grades of St. Joseph's school enjoyed a visit to the Spalding museum Wednesday of last week. They also visited the state game farm at Sweetwater and the Slickpock Mission near Caldwell. The trip was arranged by Mrs. Rev. B. J. Kunkel, Mrs. Florent Moser, Fred Baumgartner and Lawrence Kraut. ## NEW CALKINS Rotary Subsoiler NOW ON DISPLAY

Opens ground for better moisture penetration. Holds Water Where It Falls. Reduces Soil Loss

The field was rotary subsoiled in the fall of 1944. The picture was taken in the spring of 1945 showing that there was no erosion after standing all winter. The soil was held in the fall with all trash covered, offering every opportunity for bed erosion. Yet there was no erosion, even on the steepest hills.

# Worth Keeping!

Indeed our free and secret ballot is WORTH KEEPING! That ballot is the strong bulwark of our cherished freedom. Against foreign enemies and power-seeking plotters at home, Americans have fought to keep their ballot free and powerful.

The PROVED efficiency and low rates of electrical service furnished the Inland Empire, for over half a century, by The Washington Water Power Company are the product of the American system of free enterprise. This system, and this service, are WORTH KEEPING!

**FARRAGUT UNDESIRABLE AS EDUCATION CENTER**

Spokane, Coeur d'Alene and other cities near Farragut Naval Center may favor the former naval training station as a G. I. University. Perhaps those cities are not publicly presenting arguments for establishment of an educational center in "Fever Valley," but it is a cinch they are not opposing such a plan.

Farragut may have served its wartime service, but what the fellows done who have been in the service to warrant such treatment, such as being stuck out at Farragut to obtain an education. Farragut has been called as a "Fever Valley" and as long as it remains no better name can be applied. The place is a disgrace as a naval training station for enlisted men. Compare it with other naval training stations, and your first impression is that someone sold a bill of goods to the navy. The scrub pine and the choking dust make no alluring combination for a University. It's true the dust don't blow when the rain comes down, and grass will grow at Farragut—at least a few struggling lawns are to be seen around some of the headquarters buildings and officers' clubs. What will those lawns look like when the plentiful prisoner-of-war labor and the navy enlisted men's details are no longer available?

Certainly the people of Idaho, if they knew Farragut, would desire to submit our former service men and officers to the old navy training station. Located about 40 miles from Coeur d'Alene, one wonders if some high-up navy brass doesn't own an interest in a bus or stage line serving Fever Valley. Farragut has been named as the site for a permanent prison. The finest looking building from the outside is the "brig," unless one may differ and settle for the officers' club. None of our returned service men and women, desiring an education should be subjected to the Valley. Farragut, then, North Idaho Concentration Camp or whatever you may name it.

The poor little village of Athol, four miles from Farragut, harbored one of the cheapest looking gambling joints ever seen. Maybe the joint was across the street from the village limits, but it was at Athol. If the Indians gave Bayview a wide berth as an unhealthy spot, why expose returned service people to such treatment. Maybe the navy did reduce rheumatic fever cases to a minimum at their headquarters. It is a fact, however, that the man who made the money thinks it has accomplished more than was expected at Farragut, but it has no justifiable reason to pawn it off as a University for returned service men and women. If the present universities and colleges are inadequate to care for our discharged service people, why not throw out some of the civilian students and make them wait a few years for their education, or make Farragut available to them. A great many former service men and women have waited from one to five years to attend a University or College.

If Farragut has served its purpose as a naval training center, junk it, or preserve it until the next war. Why not put an atom bomb over Farragut, and give every "boot" who passed through Fever Valley a piece of good details of destruction. They can't do it back to the Indians. They wouldn't have any part of it. The men and women who won this war deserve something much better than Farragut. They might have helped the Japs if they thought for one minute that the stay-at-homes, cheap politicians and a few chambers of commerce might consider Farragut as an educational center. Farragut may have been alright when the fellows had to be there for boot training, but there is some doubt on that score too. To hell with Farragut.

**CHAS. HERMAN DISCHARGED AFTER 32 MONTHS IN NAVY**  
(Continued from Page One)  
inawa to Korea continued until late in October when the LST went to Saishu Island to load Jap prisoners of war for transport to Saishu.

In November, after transporting Japs from China to Japan, and Chinese from Japan to China, the LST participated in further repatriation of prisoners to Saeseo. A number of trips were made between Saeseo and Tsingtao, China. On which Charles had a date line of December 16, eight children were given birth by Japanese repatriated women. Later the LST transported Koreans from Japan and China to their home country.

The above is taken from the log of the LST 614, on which Charles served from date of launching until February 2, when transferred to the USS Monrovia (APA) for return to the States.

Charles met his brother, Don at Hollanda, New Guinea, after the latter had an LST shot out of the water by a Japanese plane. Don was returning to duty and was on a merchant ship, the Howard Gray. The brothers knew each other's ship and with assistance from other raidermen the two got together. They were together for two days. Don's LST was destroyed on the first day of the Mindoro Bay invasion.

Dan Pederson knew the number of the LST on which Charles was serving, and obtained permission at Hollanda to visit Charles. The LST number was carried on the sailor's LST strictly telephone communications. He left for overseas Aug. 25, 1944 from San Francisco and 23 days later was in Oro Bay, New Guinea. He then went to Finchaven where his unit prepared for the invasion of Leyte. The 274th Signal Heavy Construction Company, activated for the 20 days, constructing telephone lines between division and corps headquarters. No opposition was noted on the first day of the invasion. He was in Subic Bay in January for the attack on the west coast of Luzon. The second day of the 274th constructed a telephone line from Subic Bay to Olongopo. The poles were of steel with five sections of 6 feet each. These poles were replaced by the more reliable type, closely fitted, then the poles were replaced by the sections against a tree and ramming them with a truck. Each section had a cross arm with three place rods, but quite often the 274th used long screw drivers instead of rods for steps, to reach the top of the pole to place cross arms and wire. Most of phone lines could be classed as permanent.

Sanford then went to Panay for the invasion there and landed at Iloilo, and later went to Negros, Iloilo, and then to Lingayen for deployment, which meant Japan.

His outfit, which was divided for the Philippines campaign, regrouped when it went to Japan, to land there November 2 at Kure.

At Kure Sanford located Lawrence Thiesen and the two former schoolmates had many visits. At Kure they were quartered about three blocks apart and later across the city.

Sanford had time to look over the city to find the city severely damaged, while in contrast, the docks had been built and the cleanliness.

He next went to Fukooka on Kyushu, to remain for two months, and while there his unit constructed a number of phone lines. He left for the States Jan. 22 and arrived in San Francisco Feb. 7. He arrived at his home two years exactly from the day of departure, and missed the hour by only 30 minutes.

Sanford saw as much of Japan as possible, and brought home some worthwhile souvenirs, and as he said, "the habit of cigar smoking." One fully realizes that the Japs are a defeated race, Sanford said. They are meek but courteous and obedient to other occupying troops. They will answer when spoken to, but seldom, and they obey the conversation. It is quite common to see an American military police and a Jap military police on the same post. Everyone is informed on the American M. P. that the Jap is a mean guy by his own men, quite often applying punishment on the spot, such as a number of sharp slaps across the face or a stiff punch or more. If the Jap M. P. considers the punishment sufficient for the misdeed, the unhappy wrongdoer moves on, and if not, he is rudely taken to headquarters.

The American army uses young men and women of Japan for help around kitchen and laundry work. They are paid and in addition are given U. S. rations. Their work is satisfactory and they never have any difficulty with the Japs. The young women are pleasant, both in looks and manners.

Sanford is authorized to wear the Asiatic-Pacific ribbon with three stars; the Philippines Liberation ribbon, Good Conduct Medal and the Victory medal, plus a smile that appears duly authorized.

**TEACHERS' RETIREMENT BILL**  
Idaho will have a teachers' retirement program when the governor places his signature on the piece of legislation long sought by those engaged in education in this state. The legislature, however, did not favor a proposal to increase wages, leaving that to the respective districts.

The legislature found a special docket when it convened in special session, much of which should be presented at a regular session.

Legislators may draw more money in the next regular session if the special session arranges for the proposal to appear on the ballots this fall. Legislators now draw \$5 per day while in session.

THE eagle that perches so proudly on the globe represents a real bird, a regimental mascot. He survived many hard-fought battles, and afterward lived to a great age.

On Case machines the eagle means the same thing—ENDURANCE. It means stamina to stand up under a lot of punishment, to have extra years of useful life.

At our store the sign of the eagle means that you are in business to see that you get all the endurance and extra life built into Case tractors and machines. We use genuine factory parts and work to factory standards. See us now about your service needs.

**SANFORD EVANS DOUTFUL OF POWER OF ATOMIC BOMB**

Sanford Evans, son of Mr. and Mrs. Edgar Evans of Clarkston, recently returned from Japan, and discharged his duty line of December 16, cannot believe that a single atomic bomb, such as dropped on Hiroshima, could do so much damage. With other troops he visited Hiroshima and viewed the ruins of the once great city. He saw damage to other cities by bomb and shell, but Hiroshima is different. There is no crater, unless one might call the entire valley a crater. Only the modern reinforced concrete buildings stand, and these are hollowed by the unbelievable force. Sections of metal frame windows are caved in somewhat like a shattered windshield after a terrible collision, while inside the stair railings and fixtures are demolished. A building, while standing, yet everything within is destroyed, whether or not a fire followed the bomb. The trees are charred, yet apparently not burned as if by fire. In other buildings appear to be smashed to the ground, Sanford said that the atomic bomb dropped on Hiroshima caused widespread damage as if a stroke of lightning, more intense than one can imagine, hit the city.

Sanford entered the service Feb. 15, 1944, reporting at Ft. Douglas, and from there went to Camp Kohler, Calif. He was assigned for training with the 274th Signal Heavy Construction Company, activated for strictly telephone communications. He left for overseas Aug. 25, 1944 from San Francisco and 23 days later was in Oro Bay, New Guinea. He then went to Finchaven where his unit prepared for the invasion of Leyte. "Years ago it took 12 to 15 months to bring a hog to market weight by ordinary grain feeding. Today, thanks to better feeding, the farmer can take his hogs to market in six months and save months of expensive grain feeding.

Tests have proved time and again that through the use of hog supplements and grain in proper amounts, numerous bushels of grain are saved, and the hog goes to market quicker because he gains faster.

If you are not using the best hog feeding methods that are available, you are robbing yourself, just as surely as if you took money out of your pocket and threw it away.

Prairie Gold Hog Mash has the required amount of mineral. If you use your own grain use Oudaby Mineral."

You aren't getting machinery, Mr. Farmer, because...

# PICKET LINES

have taken the place of

# PRODUCTION LINES!

...so don't blame your Implement Dealer!

Your implement dealer had planned and expected to have his display floor filled with new implements and tractors weeks ago. And we had planned to take them—had told our dealers and our farmer customers they would have new equipment and plenty of service parts for the 1946 spring season. And we had hoped to sell these machines at an advance in price.

When the war ended, our organization bent every effort to increase production, with the result that in the last months of 1945 machinery was being built in very substantial quantities. Here are a few figures:

PRODUCTION  
TRACTORS NOV. 1945 DEC. 1945  
Combines 2,245 7,432  
Hay Mowers 3,482 3,308  
Mowers 200 982  
Plows 4,185 6,702

Both your dealer and we were encouraged by this production picture at the turn of the year. But the strike changed all that. As you know, the CIO United Farm Equipment & Metal Workers of America called a strike in ten of our plants, on January 21, 1946.

Wages are a basic issue. At the time of the strike, Harvester employees were among the highest paid workers in American industry. When the strike began, the average hourly

### THE OLD JUDGE SAYS...

TED: "Clean and I were wonderin' what you thought of that new movie about the chronic alcoholic, Judge. Understand you said it before we did."  
OLD JUDGE: "Well...it's true most of us never see a case as extreme as that in real life because they are so few and far between. But it does point out one thing, chronic alcoholics are abnormal people and we've got to change our ideas about how to help them."  
CLEM: "In what way, Judge?"  
OLD JUDGE: "We've got to realize that excessive drinkers are suffering from more than a craving for alcohol. According to psychiatrists and medical men at one of our great universities, the alcoholic is a sick person. The study of hundreds of cases shows he is suffering from some physical, social or emotional condition...just as in the case of that poor chap in the picture. Fortunately, we've got to change our ideas about how to help them."  
OLD JUDGE: "Yes...a great deal in clinics throughout the country. And with the cooperation of the beverage distillers who sincerely want their product used only in moderation."

# How would you CHART YOUR COURSE?

Pictured here are the records of four "life lines" of our business—four things which largely control the destiny of any business, whether it be a farm, a factory or a store. They are Wages, Materials Costs, Prices, and Profits. Suppose these were pictures of what is going on in your own affairs. How would you chart your future course from these facts?

With the proposed increase, wage rate will have risen from \$0.85 per hour in 1941 to \$1.50 per hour in 1945. Weekly average would be \$53.40.

By the end of 1945, prices on all commodities other than farm products and foodstuffs will be 100% higher than in 1941. This does not show effect of 1945 increases.

Using U. S. Bureau of the Census we find 1941 prices for 100 percent of farm machinery in 1945 would be only 104%.

Profit per dollar of sale has declined from 1941 to 1945. In 1941 it was 20 cents, or 20% of the sale price, or 20¢. In 1945 it is only 16¢, or 16% of the sale price.

**What about wages?** Wages have risen steadily for five years. Before the strike which began on January 21 in ten of our plants and which has choked off nearly all farm machinery production, earnings of employees of these plants averaged \$1.15 1/2 an hour, not including any overtime. The Union demanded a 34 cent per hour increase and a Government board has now recommended a general increase of 18 cents an hour, which would make average earnings \$1.33 1/2 an hour. Weekly average would be \$53.40.

**What about materials?** No one seems to know how high materials costs will go. The Government has increased steel prices as much as \$12.00 a ton, with an average increase for all grades of 8.2%. Steel is the most important material we buy, but prices on other materials are also increasing.

**What about future prices on farm machinery?** The judgment of Harvester management now is that we cannot safely make the huge wage increase recommended by the Government until the Government authorizes adequate increases in the price of farm machinery to cover the resulting increased costs.

**What about profits?** Risk is part of the American profit and loss system, so we do not, of course, ask either our customers or the Government to guarantee that we can be certain of profits each year. The chart tells the story of our profits during the war. Although Harvester produced more goods than ever before, we had no desire to get rich out of war, so our rate of profit has steadily gone down. What our 1945 profit will be is extremely uncertain.

**What is the next step?** As you can see, our present situation is that with frozen prices and declining profits, we are asked to pay higher materials costs and to make the biggest wage increase in the history of the Company. Can we do this?

Wages and materials consume all but a few cents of every dollar we take in. If our prices continue frozen, and cost of wages and

GENESEE VALLEY NEWS  
We are having March weather; the ground is drying slowly and farmers are getting the urge to get going. Pea contracts are being written for a higher price than last year. Some people seem to be in a awful hurry these days on the rough highways, and are increasing the number of wrecks as a result. Five wrecks in three weeks on a straight-away in the Valley is a record, and liquor played a part in most of them. Now we Valley residents, the rumor of wrecks still floats around. How quickly we forget what we owe the Russians for hiding the line until we could prepare our forces. Let us think of the problems at hand and not of war. The chief casualty of war is the home. About nine per cent of the armed forces were killed and wounded, but wrecked marriages during that time are many times more than 9 per cent and destruction still goes on. Even in homes that have held together, authority in many basic activities has been transferred to outside organizations. The modern home has everything in it but the family. Children are not born in the home, are not taught in the home, recreation is on the outside, and too many times religion has left the hearth. The lovely Sistine Madonna is replaced with

### VETERANS HAVE CLOSE CALL

ONE FORMERLY OF GENESSEE

Ed Smolt, formerly of Genessee, narrowly escaped death in a plane accident at Lewiston. The Lewiston Tribune reports as follows:

Death in the skies came close to two Lewiston World War II veterans, Ed Smolt and William Harlow, Jr., late Wednesday afternoon when a Piper Cub training plane piloted by Smolt, crashed into treetops two miles south of Lake Waha, Bert Zimnier reported last night.

Zimnier, who rented the plane to the youths for the trip, said Smolt and Harlow left the Astoria county airport about 4:10 in the afternoon.

The crash occurred about 5:30. Neither of the young men was injured.

Smolt recently completed a pilot's training course given by Zimnier in cooperation with the North Idaho Teachers college under the GI bill of rights and had been issued a pilot's license.

Apparently Smolt flew into a thick cloud bank in the Waha area. Once inside the fog, he was so thick that Smolt lost control of the plane, Zimnier said.

The small plane, unequipped for instrument flying, in a thick cloud easily confuses a pilot who would not know in what direction he is flying, or whether he is ascending or descending, Zimnier said.

## A full College Course for you WITH EXPENSES PAID

Here's important news for young men 18 and over (17 with parental consent). Under the GI Bill of Rights, if you enlist in the U. S. Army before October 6, 1946, for 3 years, upon your discharge you will be entitled to 48 months of college, trade or business school education. Tuition up to \$500 per ordinary school year will be paid. And you will receive \$65 monthly living allowance—\$90 if you are married. Get the facts at your nearest U. S. Army Recruiting Station.

## HOW TO BE RID OF SQUIRRELS

Pesky, destructive squirrels can be completely eliminated in no time at all. Use Cyanogas, the simple, sure-fire, low-cost method.

Just put a tablespoon of it in the burrow—*poof!* they're gone. It's the gas that gets them. They can't escape it. (Can also be applied with foot-pump or knapsack duster.)

As your dealer in 1, 5, 25 and 100 pound cans.

# CYANO GAS

AMERICAN CYANAMID & CHEMICAL CORP., AZUSA, CALIF.

If the plane had not struck trees, the accident may have called for a fatal pilot and passenger. Zimnier stated. As it was both were able to climb out of the damaged aircraft and walk to the 21 ranch where they got a lift to Lewiston.

Smolt said he did not fly into the cloud intentionally, but found himself in the thick fog accidentally. He said he was able to pull out of the spin just before the crash.

Zimnier pointed out there are "strict civilian air regulations about unoccupied and untrained pilots flying into clouds or even near them. The cub plane was mechanically perfect, but had definite limitations. George cloud flying was not one of them."

Wilson Gillis, Spokane, CAA inspector, yesterday visited the crash scene where most of the plane is still in the trees. He made no report on his investigation. Wreckage will be brought to Lewiston today, but it was doubted if it would have much salvage value, Zimnier said.

Smolt and Harlow are both former members of the old Lewiston National Guard unit. They were in the active duty in September, 1940, and spent 40 months in the Pacific with the 26th field artillery of the 4th Division. Harlow was discharged last June and Smolt in August. The latter is the son of Mrs. Theresa Smolt, the former the son of W. J. Harlow.

**Get Together Club**  
The Get Together club was entertained Tuesday evening by Mrs. John Walker. Mrs. Leona Harlow won high award at cards; Mrs. C. W. Sisty, second high, and Miss Violet Hopper, consolation prize. George Earling was a guest. Following cards the hostess served lunch. Mrs. Harold Lee will entertain the club on April 9.

Cement is being poured in the forms of the church basement. The women are giving them a good hot meal every day and it's not just one meal but we read that they are going to make "hiker" out of potatoes now. We wouldn't just eat the potatoes in the first place and save the hang-over. History will be made the next few weeks in New York when nations will either strengthen or destroy the new peace organization, as we witness their crucial test.

**Our Lenten Thought**  
We have a UNO organization that was perfected by a large number of interests, churchmen, laymen, diplomats, business men and women's organizations. All had a hand in shaping it. It gives to smaller nations equal rights in world trade, raw materials, guarantees religious and political right to oppressed nations. It is our task to have faith in it and pray for its success. There are grave problems to be solved. We must think in terms of world brotherhood. Many G. I. s in the Pacific owe their lives to the mission among tribes and back of that was the churches which sent out missionaries to teach in Africa, India and elsewhere. Many places in the Pacific countless lives were saved because missionaries had been there before and introduced sanitation, had learned to combat native diseases and so forth and had civilized the natives. Many letters have been written home by sincere and grateful men of the armed forces for the work accomplished.

The pastor said, "Go into all the world and preach the gospel to every creature." We who cannot go can send.

And what have you offered today my friend?

To ease another's load?  
How much of your time did you spare to lend to him?  
Did you smugly sit in the scorners' seat?  
With grim, self-righteous pride  
And label him weak who could not compete?  
In life's relentless tide?  
Or did you help shoulder the weight and bore?  
And did you urge him to try  
Again, while your heart whirled,  
"There, but for the grace of God, go I!"

**THE OLD JUDGE SAYS . . .**

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. I'm recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people, that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard of the subject."

### GENESEE VALLEY NEWS

We are still having that March weather, off and on, mostly on. The last vestige of snow is gone and the birds are busy building nests. The frogs are practicing their spring chorus. Sam Lange planted his grass around his pond Monday. He will be giving beach parties for his friends next summer. The concrete was poured for the floor in the church basement on Tuesday and Wednesday. Lloyd Easer will oversee the carpenter work. Ray Linch took delivery of an RD-4 this week and a few pieces of new machinery are trickling in from the factories to the farms. A lot of new farm machinery will be purchased when it is available. We will be glad when everyone gets through striking. It is the bank.

Mr. and Mrs. George Nelson drove home from Seattle Friday. Mr. and Mrs. James Nelson came Saturday by train to visit here.

R. E. Nordby was at Twin Falls last week and was elected president of the State Noxious Weed Control organization. Congratulations.

Mrs. Delos Odenborg returned to her home here Friday after a visit with her parents at Winona.

Mr. and Mrs. Wm. Borgen and children spent Sunday afternoon at Allen Sather's.

George Davidson Jr. and son, Tommy, are house guests at the Sam Lange home. They expect to spend their vacation at Honolulu where he is stationed.

Mr. and Mrs. Lew Jain spent the week end at James Magee's.

Mr. and Mrs. Ellis Oberg called at August Johnson's Monday afternoon.

Mr. and Mrs. Thor Gilje were Sunday dinner guests of Mr. and Mrs. Vernon Peterson.

Mrs. E. Nordby visited her sister, Mrs. Tom Platt, in Lapwai on Thursday.

Mrs. Ed Morken returned home from Lewiston Tuesday. She spent a few days at the home of Rev. and Mrs. Conser after leaving the hospital.

Carol Jean Morscheck spent Sunday at the Gus Rosenau home.

Guests of Mr. and Mrs. Hugo Gehrke for dinner Friday were Mrs. Walter Herman, Bob and Glen, Martin Deussen and son, Jerry.

Mrs. P. Wedin was a Sunday dinner guest of Mrs. Henry Hofman in Moscow.

Raymond Westberg, Bud Lang and Ray Wedin went to Pasco Wednesday where Raymond purchased a portable welder from surplus army supplies.

The Blue Bird club will meet with Mrs. Ethel Johnson at 2:30 Wednesday afternoon.

Sunday dinner guests of Mr. and Mrs. Gus Rosenau were Mr. and Mrs. E. Edwards, Mr. and Mrs. H. Martinson, Mr. and Mrs. Frank Hoornman, Supt. and Mrs. Kenneth Dean and Dr. and Mrs. N. M. Leavitt. Mr. and Mrs. Martinson won high award at bridge and Mr. and Mrs. Hoornman, low.

Missionary Society The Community Church Missionary Society met at the church parlors on Tuesday afternoon with 14 members present. Mrs. A. T. Wright and Mrs. Noel Wright were hostesses. Mrs. Elvon Hampton was the devotional leader. Mrs. Walter Erickson and Mrs. Marie Roberts will entertain at the next meeting at the former's home.

NOTICE OF ANNUAL SCHOOL MEETING AND ELECTION In Ingle Common School District No. 7, Nez Perce County, Idaho. Notice is hereby given that the annual school meeting of Ingle Common School District No. 7, County of Nez Perce, State of Idaho, will be held on Friday, the 19th day of April, 1946, and the said meeting shall convene at 1:00 o'clock P. M. on said day and continue uninterrupted until the business properly coming before said meeting is disposed of, at the school house in said district; provided that the polls for the election hereinafter referred to shall remain open until 4:00 P. M. o'clock at said time and place; that at said meeting the following business will be transacted:

One trustee to serve for a term of three (3) years will be elected.

That at said meeting in said district there will be determined the amount of money to be raised by special taxation, and shall determine the purpose for which the same shall be expended, naming in each instance the proportion of the whole amount which is to be used for the various and separate purposes.

That at said meeting general questions pertaining to school and school interests will be taken up and disposed of.

The name or names of all candidates for election of trustees, together with the term for which nominated, shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election.

Dated this 25th day of March, 1946. FRED MORSCHKE, Clerk of Ingle Common School District No. 7, Nez Perce County, Idaho.

Our Lenten Thought Are you entirely satisfied with the world as it is? If not how would you like to change it? Can you conceive a better world than one organized on Christian principles, displaying the qualities that Jesus taught and exemplified in His daily living? What are you doing to help create a Christian world, and how far are you willing to sacrifice time, effort, and money that the program Jesus outlined may be extended, and the welfare of all people be promoted? These are searching questions and until every one is willing to do his part we will have the seeds of discontent planted and nourished that will bring worse catastrophe than the present world war. Being more loyal to one's own church and its program, is a chance such as we have never had

before to fashion human relationships on the basis of good will and service.

There's much that's wrong in this world. And sin lies at the door. The cure for sin, when it's applied, Will be the cure for war. We pray for peace, a lasting peace, And peace at any cost. But peace divorced from righteousness Will soon again be lost. When righteousness shall rule the earth, And spirit of mankind, There will be peace, but until then The blind will lead the blind. —Myra Welch.

NOTICE OF TIME AND PLACE FOR HEARING PETITION FOR ADMINISTRATION OF ESTATE FOLLOWING DEATH OF DECEASED. In the Probate Court, County of Latah, State of Idaho. In the Matter of the Estate of WILLIAM D. FLOMER, Deceased.

NOTICE IS HEREBY GIVEN that Arthur E. Flomer, alleging himself to be the owner in fee simple of the real property hereinafter described, has this day filed with the Clerk of the Court a petition, praying for a determination of the time of death and heirship of William D. Flomer, deceased, and that he alleges that the said William D. Flomer was a resident of Latah County, Idaho, at the time of his death, to-wit: on the 14th day of November, 1925. That said decedent left within the County of Latah, State of Idaho, a community property interest in the following described real property situated in said county and state, to-wit:

Block Twenty-one (21) of the Original Plat of Genesee. Such petition alleges that all of such interest in said real property was owned by M. E. Gehrke and Hilda M. Midford, and the community interest of said deceased became the sole and separate property of the said Hilda M. Midford.

Said petition further alleges that the estate of William D. Flomer has never been probated, and an administrator appointed within the State of Idaho, and therefore prays that the said Court do and cause to be done, that the said William D. Flomer, his heirs and degree of kinship, and the rights of said estate, be ascertained and said property, reference is hereby made to said petition on file in the above entitled Court for further particulars.

NOTICE IS FURTHER GIVEN that said petition will be heard before the Probate Court on the 10th day of April, 1946, at 9:00 o'clock A. M. of said day, in the courtroom of the Probate Court, in the courthouse at Moscow, Latah County, Idaho, at which time and place all persons interested in the above described property, may appear and show cause, if any they have, why the prayer of said petition should not be granted. Dated this 25th day of March, 1946. L. G. PETERSON, Probate Judge and Ex-Officio Clerk of the Probate Court. Mar29-Apr19

Newspaper Errors Newspaper and errors cannot exist, one without the other, which reminds the intertype company house organ publisher to recall a story of a couple of learned gentlemen reported in the "bibliophiles" instead of "bibliophiles." After publication the editor received a wrathful protest. He printed a correction, adroitly fastidious. To the editor's horror the printer again distinguished between the two. The result of the gentlemen are two fast idiots.

Want ads come in for errors too, such as: "Lost—A bunch of keys, by which the intertype company house organ publisher to recall a story of a couple of learned gentlemen reported in the "bibliophiles" instead of "bibliophiles." After publication the editor received a wrathful protest. He printed a correction, adroitly fastidious. To the editor's horror the printer again distinguished between the two. The result of the gentlemen are two fast idiots.

Don't be surprised. Someday you may read: "Mrs. So and So, was 'hopping' on Main Street in Lewiston on such and such a day, presumably being 'shopping'." One time copy came to the printer which read: "The showers last week, though copious were not sufficient for the millmen." The printer set it, "Milken."

In Smith Common School District No. 35, Latah County, Idaho. Notice is hereby given that the annual school meeting of Smith Common School District No. 35, County of Latah, State of Idaho, will be held on Friday, the 19th day of April, 1946, and the said meeting shall convene at 1:00 o'clock P. M. on said day and continue uninterrupted until the business properly coming before said meeting is disposed of, at the school house in said district; provided that the polls for the election hereinafter referred to shall remain open until 4:00 P. M. o'clock at said time and place; that at said meeting the following business will be transacted:

One trustee to serve for a term of (3) years will be elected.

That at said meeting in said District there will be determined the amount of money to be raised by special taxation, and shall determine the purpose for which the money derived therefrom shall be expended, naming in each instance the proportion of the whole amount which is to be used for the various and separate purposes.

That at said meeting general questions pertaining to school and school interests will be taken up and disposed of.

The name or names of all candidates for election of trustees, together with the term for which nominated, shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election.

That the election at said meeting will be by secret and separate ballot. Dated this 25th day of March, 1946. LEON DANIELSON, Clerk of Smith Common School District No. 35, of Latah County, Idaho.

### PHIL HERMAN SEES SPRING COMING TO LAND OF NIPPON

Phil Herman, who has been in Japan for some time, the son of Mr. and Mrs. J. P. Hermann, writes:

"Dear Pete:  
"Well I reckon it's high time I wrote you a letter, and thanked you and the American Legion for the paper, and also the Legion for the small Christmas gift. Those stamped envelopes came in mighty handy, as we have a hard time getting them, also received a lot of papers the last couple of days, I guess the mail service is getting better.

"Casey Thiesen is now in Tokyo. His outfit is guarding the ration dump in the dock area. We have a lot of our equipment from there so I see him quite often. Casey says we are going to home soon. I wonder. They seem to have a new discharge plan every other day, but most of them stop at the runner stage.

"Well, it is now what the Japs call Spring. The weather seems a good deal like Texas to me. (Heaven knows I'm glad.) It is a lot warmer, it's so hot one minute that you take your shirt off, then a northerner blows up and before you can get your shirt back on you freeze to death. The Japs seem to stand the weather and are planting gardens like everything. They do all their work by hand, and with only two or three different tools. They seem to do pretty good though, as they have nice looking gardens.

"We are pretty busy now as most of the other outfits have broken up and the 1st Cavalry has outposts all over central Honshu. You go out on a trip to an outpost somewhere, get lost a few times and the roads are only good enough to make 10 or 15 miles per hour, so we don't get too much done in a day.

"Received a letter from Sanford. It seems as though he is standing up to rigors of civilian life. I also understand Will Weber is due to get home sometime this month.

"Suppose that all the farmers are busy now. Read in the paper there was plenty of snow, so maybe things are a little late this spring.

"Souvenirs are really plentiful here, judging by the stuff the boys bring in. The GI will buy anything. Ginza streets look like a circus or a carnival. The street is lined with stalls where one can buy anything from oranges to cooking pots. They seem to sell a lot of junk and boy, do they have high prices tagged on the items. The cherry trees are now starting to bloom.

"Guess I'll have to close as somebody with a higher priority than mine wants the typewriter. Thanks again for the paper, and I hope this finds everyone well and happy.—Phil."

### GOVERNOR TO VISIT GENESEE

Governor Arnold Williams will be in Genesee next week or the week after, according to a telephone communication Monday afternoon when he was contacted by a committee representing the Genesee Civic Association. The Civic Association, at a meeting held recently, voted to send a delegation to Boise to discuss proposed changes in the North and South highway near Genesee. Nothing definite as to the date of his arrival or the time he will spend here has been stated by the governor. He will be contacted early next week, at which time he will be invited to announce his itinerary for northern Idaho, and how much time he will devote to consideration of highway problems locally. When definite information is obtained an announcement will be made.

### EASTER VICTORY

Easter will roll the stone of doubt away And bring you sunshine where there once was gloom. Will bring a faith unto your heart today, Like unto that which found the empty tomb. Easter will bring you blessings from above And peace within your heart for a few years. And may the benediction of His love Help you to know that He will dry your tears. And though you come in weakness and in pain, In full surrender from a weary past, His deathless love will raise you up again. With Easter Victory in your soul at last. —Bert Gamble.

### FARM IMPLEMENTS

THE eagle that perches so proudly on the globe represents a real bird, a regimental mascot. He survived many hard-fought battles, and afterward lived to a great age. On Case machines the eagle means the same thing —ENDURANCE. It means stamina to stand up under a lot of punishment, to have extra years of useful life. At our store the sign of the eagle means that we are in business to see that you get all the endurance and extra life built into Case tractors and machines. We use genuine factory parts and work to factory standards. See us now about your service needs.

### U. S. INVESTMENT IN PEACE MERCY FOR THE STARVING

Howard Brown, Spokane, directing field and production for the Farmers Union Grain Terminal Association, who was in Genesee Thursday, stated that 6 ounces of wheat will feed one person one day. One thousand bushels of wheat will feed 16,000 and keep them alive for 100 days. Mr. Brown is stressing the importance of wheat growers, holding grain in storage to release it to the U. S. government and receive a receipt therefor. Farm-stored grain may be delivered immediately and grain in warehouses may be sold right now. The grower should name the date he chooses to select the price, that is, he can say, "Now is the day I want my price." The farmer must notify the designated agent of the government the day he wishes to cash in his Wheat Loan Certificate. Insurance and spoilage steps when the farmer turns his wheat over to the government. The same government wheat price schedule is in effect for the Wheat Certificate as if the wheat were still on the growers farm. Whatever increase in wheat prices the government announces will increase the value of the Wheat Certificate, so long as the farmer holds the certificate. The minute the farmer sells his Wheat Certificate, he is just as thru with it as when he sells the actual wheat. The advantages are: All expenses and care of wheat stored on farms will be paid by the government. Wheat Certificate at any future date, and may deliver grain at a favorable time. If the farmer does not sell his Wheat Certificate by March 31, 1947, the government will settle with the farmer, basis March 31, 1947. The farmer will send check to the farmer, because the selling date expires on April 1, 1947. If the farmer likes to carry wheat on the farm he can refill his bins out of 1946 crop. The starving people must be fed now out of the 1946 wheat, not out of the 1946 crop. This program will clean up wheat surplus which has been down the wheat price for the past 25 years. With wheat surplus shipped out and eaten by starving people in Europe and Asia, those surpluses will not be a heavy weight on wheat prices during the period ahead.

### CHAS. DRABER DISCHARGED SERVED IN NAVY OVERSEAS

Chas. Draber F2/c was honorably discharged at Bremerton April 8 and arrived in Genesee the following day. He entered the service March 29, 1945 at Seattle, and went to Camp Perry, Va. for basic training, after which he was reported to Shoemaker, Calif. He left for overseas in November of 1945 and served aboard the USS 226, operating out of Shanghai, China, transporting troops to Sasebo, Japan, Formosa and Manchuria.

### DDT FOR PEA WEEVIL CONTROL

Monday evening, April 22, at the Farmers hall in Genesee, there will be a discussion on DDT for pea weevil control. Dr. W. E. Shull, extension entomologist of the University of Idaho, believes there is enough now information on the use of the various forms of DDT for pea weevil control, and for this reason meetings are being held in the several communities of Latah county. This should prove an interesting meeting for pea growers. In addition to the use of new DDT compounds, other problems in pea weevil control will be discussed. The meeting is being sponsored by the Genesee Farmers Union, and everyone interested in pea production is invited.

Roland G. Wuest, pastor of St. John's Lutheran church announces the following Easter services: Today, "Peace Be Unto You" story will be shown in colored slides. Adults are cordially invited to see this fine set of slides. Festival worship service at 11 a. m. The choir will sing the Easter cantata, "The Thorn-Crowned King" by Holton during the service. A short story will be submitted by the children on the crucial cross for us. The least we can do is to worship Him sincerely on the day He gave His life that we might live. All true Christians will want to honor their Saviour this day by attending divine services. Our plea is: "Go to Church on Good Friday."

### GIVE TO CANCER FUND

Cancer, as well as war, takes many lives on this world. During the month of April the Cancer Control Society is raising funds for research and control. Your support is earnestly solicited, and donations may be made to Mrs. Jess Johnson, local chairman, or they may be placed in boxes placed at several business houses in Genesee.

### EIKUM LOOKING OVER JAPAN FINDS COUNTRY INTERESTING

Gene Eikum, son of Mr. and Mrs. K. J. Eikum, wrote the following from Kobe, Japan: "Dear Pedersons: "Gosh, I guess it's time for me to drop a few lines that it seems that I never get caught up in writing. The day we left I want to thank you and the Legion for sending The News. I got the February 1 number last week and was I ever glad to see it. "I've seen some interesting things since we left Shanghai March 27. The first was Sasebo, Japan, third largest Jap naval base. It sure is in an ideal place too. Two channels lead into a very deep harbor. This harbor was filled with most of what had been the Jap fleet. About 25 subs, some destroyers, LST's and a couple carriers. There are high mountains on all sides which make the place beautiful, even if it is in Japan. The day we were escorted by the tug tugs that pulled about 18 subs out so they could be sent to Davy Jones' Locker. I suppose by now you may have seen the pictures and news reels of that event. The next day we stopped at Kogahima. There we saw a volcano which had erupted but a few days before our arrival. That is one sight I will never forget. The smoke was still rising from the hot lava on the sides of the mountain. "Our ship is now a Flag Ship and we have two admirals aboard. We are supposed to hit many and many ports, but no one knows when the orders will change. If it goes like I have been told I won't get home until sometime in September. "I suppose all the farmers are getting excited about scratching the soil by now. Summer weather should be on the way. "Well, I guess I'm running short of news, so will sign off. Will write you next time. Tell all hello.—Gene."

### SMALL POX VACCINATIONS

Dr. S. H. Sherrard, public health doctor for this district, will be at the high school in Genesee Thursday, April 25, to immunize pre-school children, students and adults against small pox. ### MEDICAL-DENTAL BUILDING HAS BACKING IN COMMUNITY

Much remains to be done before the Genesee community will be assured a building to provide offices for a doctor and dentist. The committee named by the Civic Association to plan the building has been working with success thus far, in that the community is solidly behind such a project. Since the Civic Association meeting a week ago Wednesday, a number of people have contributed \$5.00 each to the fund for a survey of the community and to meet with persons, whose assistance will be necessary in formulating a plan of action. Up to Thursday noon, the committee has met with a public accountant, Jack Hayden, and members of the committee have consulted an attorney, who is investigating formation of a non-profit organization to finance the proposed building. No doubt there has been done to solicit funds other than money for the survey and expenses incidental to organization. There are some who favor a mortgage bond issue, some favor outright donations, while some are inclined to favor a stock company. Naturally, the plan which will be submitted to that advised by legal counsel, with the privilege of acceptance of donations.

### MRS. ELLIOT, EARLY PIONEER PASSES AWAY AT AGE OF 94

Mrs. Sarah Elliott, long-time resident of Genesee, died at her home in Lewiston, Idaho, at 11:40 a. m., April 10, at the home of her son, Dr. T. A. Elliott in Lewiston. In recent years she had been in the Genesee, and part of the time with her son and his wife in Lewiston. For many years she was a resident of Genesee, and she was well known here, as she was in Lewiston.

Mrs. Sarah Ruddy Elliott, 84 at the time of death, was the first school teacher in Whitman county. The school was at Leachville, west of Colton, which has ceased to exist for years.

The deceased was born February 5, 1852, at Etna, Canada, and came west with her parents, the late Mr. and Mrs. Michael Ruddy. They made the trip to San Francisco on the second transcontinental train, and in 1871, the family was living in Lewiston. The family later settled on the North and South Highway and the Spokane-Lewiston highway. The farm near the Union Stage Station, serving travelers who made the trip to and from Lewiston over the old stage route, was the family home. Mrs. Elliott, possessing a keen memory, could recall the names of many Genesee-Union-area families. ### GENESSEE VALLEY NEWS

There are many ways to miss the meaning of Easter. One is to take it just as a holiday, a boon to the farmer, miller or forster. Many people have no other conception of Easter than that. Another way to miss the meaning of Easter is to think of it as an event in history, and nothing more. Of course it is history but if we look back we have missed its full meaning. The full meaning of Easter is the realization that Christ is alive in the hearts of men today and no power can destroy it. Let us rejoice in the happy Easteride and ask ourselves, "Is He alive in me?" "He lives, that may also live, And now His grace proclaim Him. He lives, that I may honor give To His most holy name."

April 19, Good Friday service and communion.  
April 21, Easter service, 9 a. m.

## NOTICE

ALMOST Daily we are asked to save items, such as bananas, syrup, jello, etc., when they arrive. While we do not want to turn down any orders, it is impossible to remember all requests, and it results in customers being disappointed, and others who have not placed orders feeling they are being discriminated against. We do not receive a large enough shipment of some of the scarce items to fill all orders, therefore, we have decided to adopt a new plan which we feel will be fair to all.

If anyone wishes to order any of these short items please tell us to place your name on the lists, and when shipments are received we will start at the top of the lists and fill orders as far as the items will go, then on the next shipments we will start where we left off, and do the same.

We hope that soon we can have sufficient stock so that we will have what you want when you ask for it, but until that time comes we will do all we can to see that each one receives a fair share.

We have in stock some very nice Dressed Turkeys for your EASTER DINNER

FARM IMPLEMENTS

THE eagle that perches so proudly on the globe represents a real bird, a regimental mascot. He survived many hard-fought battles, and afterward lived to a great age.

On Case machines the eagle means the same thing—ENDURANCE. It means stamina to stand up under a lot of punishment, to have extra years of useful life.

At our store the sign of the eagle means that we are in business to see that you get all the endurance and extra life built into Case tractors and machines. We use genuine factory parts and work to factory standards. See us now about your service needs.

FORMER GENESEE RESIDENT DISCUSSES TODAY'S PROBLEM

The following article prepared by Lieutenant (jg) Kenneth B. Platt, USNR, and appearing in The Scientific Monthly, January, 1946, is here reprinted. The Genesee News accepts no responsibility for the views contained herein and such views are not to be construed as official or as reflecting the views of the Navy Department or the naval service at large.

WHAT IS NATIONAL DEFENSE?

(By Lt. (jg) Kenneth B. Platt) Were the basic ideas of national defense clearly definable, doubtless it would have been so defined long ago. Since the course is uncertain and the problem urgent, thorough exploration of all views is in order.

ALBERT NAGEL REENLISTS IN ARMY FOR THREE YEARS

Albert Nagel, who put in 42 months overseas, has reenlisted in the army for three years, and his preference was the air corps. He signed up for the three-year stretch April 16, and went to Spokane Tuesday to be sworn in. He expected to return for a few days before reporting to Geiger Field.

While at Pearl Harbor Jerome met

While at Pearl Harbor Jerome met the visiting Lt. Colonel Ralph E. Bertie Wishard, and going overseas, he was surprised when a familiar voice said, "hello." It was the voice of Ralph Anderson, who had been having some difficulty with his stomach on the voyage but had recovered and was again in the service. Albert had not fully decided when he left for Spokane. On his departure he said, "Maybe my head is full of rocks, but I am going to try three more years." He has been giving some thought to service in the Army of Occupation in Germany, and hopes that he might be permitted to visit his parents' home at Linkenheim, near Karlsruhe. He came to the United States in 1927, and while in the army took out his final papers as a citizen of the United States.

BILL BUSCH NOW IN BASIC AT SHEPPARD FIELD, TEXAS

William Busch, whose address is Sq. Plt. 58, 3706 AAF, B. U. Sheppard Field, Texas, writes:

HIT WATER AT ELEVATOR SITE

Contractors making the excavation for the base and pit of the new Genesee Union Warehouse company elevator at its east-end facility, struck water in a sand formation that will make it necessary to seal off the incoming water. This is to be done by forcing concrete under pressure into the area affected. The base mat will be 24 inches thick and will be increased from 24 inches to 27 inches in depth and the outside dimensions of the mat will be increased two feet on each side, or from three to five feet.

DON JONES RETURNS TO FARM

Don Jones, son of Mr. and Mrs. Frank Jones, discharged from the army a few weeks ago, will enter a partnership with his brother, Glen, to operate the Jones ranch in Lewiston. Mr. and Mrs. Glen Jones reside on what is known as the Phoebe place, and Mr. and Mrs. Don Jones and daughter, Doris, will live on the Jones ranch.

NEW PASTIME OPERATORS

Ronald Geltz and Harry Hanson have announced a partnership to operate the Pastime. John Libery, who has operated the establishment for many years, has moved his store to the basement of the Hotel building. This building is reported purchased by Mr. Geltz and Harry Hanson, who are planning to operate the Corner Billiard Parlor when an agreement is reached with the present operators of the billiard parlor and the owners of the building.

JUNIOR BASEBALL

All boys interested in playing Legion Junior baseball are requested to see Pearl Schoeller at the office of W. W. Burr. Birth certificates are necessary before a boy may compete in the Legion program.

Get Together Club

Mrs. Florent Moser was hostess to the Get Together Club Monday evening when Mrs. George Erickson won best player in the girls' tennis tournament, and Miss Violet Heppner, consolation. Guests included Mrs. Herber Bielenberg, Mrs. Henry Kries, Mrs. Francis Uhr and Mrs. Frank Jacobs.

CIVILIAN JEROME BERSHAW REFRIGERATED BY THE NAVY

Frozen foods are rapidly coming into favor, but men in the navy who were "frozen" after they had qualified by length of service for discharge, simply don't like the refrigeration. Jerome Bershaw, now a civilian, was eligible for discharge in December, but being a storekeeper-disbursing, he was retained until March 16.

He entered the service February 25, 1944, and was at Farragut for his wife and son, Dennis. Mr. and Mrs. James Kane returned to Spokane Sunday. With Mrs. Leo Edwards, Mrs. Kate Huffman and Mrs. Joe Sprenger and families residing here, this is the first time in 27 years that so many of the family could be together at one time.

COLLECTION OF RELIEF FOOD TO BE LAUNCHED ON MAY 12

Carl Simons, who headed the Victory Clothing Collection for the war-stricken, has accepted the chairmanship of the Emergency Food Collection program to be launched May 12. In accepting the chairmanship Mr. Simons should be promised the support of everyone in the community, and each person should feel himself a committee of one to get in the food which will be sent to the war-stricken, the world over.

BASEBALL SEASON TO OPEN GENESEE MEETS UNIONTOWN

Competition in baseball between Uniontown and Genesee will again be resumed after a four- or five-year lay-off, due to the war. With actual combat again declared after the prolonged armistice, the keen rivalry existing between the two towns should be welcomed by fans. Hostilities naturally will not take on proportions of 40 years ago, but any difference of opinion will be hotly contested on the ball field.

GRAIN HEADED IN OKLAHOMA WRITES DELBERT KAMBITSCH

Del Kambitsch, soldiering at Fort Hill, Okla., writes: "Dear Pedersons: I have been receiving the paper regularly every week and enjoy reading the news. I am glad to see you posted on the happenings of the old home town. Now I have been transferred to a new address so I would appreciate it very much if you would send the paper here.

### FORMER GENESSEE RESIDENT DISCUSSES TODAY'S PROBLEM

(Continued from Page One)

animus, to wage aggressive offensive war. This is no startling new idea, but merely a reverse statement of the historic fact that no war ever has been won by defensive means.

Presumably Professor Keller's article already was in print before the atomic bomb burst upon the world, finally and irrevocably shattering the dream of adequate national defense through large standing armies and trained reserves. Actually, this dream has been only a dream, at least ever since science got into full stride. For while it is true that every war has been won by more fighting and dying in battle, it is also true, and decisive, that the means of victory increasingly have come to be the products of superior science. This fact was borne out in a recent tabulation of "lessons learned" in this war, which included as one of the major American soldier learned at Cassinara Pass that he is no better, man for man, than any other soldier with equal equipment and training. The significance of this point as it affects preparedness is that the equipment used at Cassinara Pass was the product of decades of research and development in all branches of science, whereas the G.I. training required to use that equipment to a victorious conclusion was a matter of weeks. Whatever doubt of the futility of numbers of men against superior science may have lingered until Hiroshima and Nagasaki surely has vanished since those doomsdays, as witness the statement of General MacArthur and other eminent military leaders that the day of large standing armies is past.

Despite these lessons of current experience, if the United States should now launch into a permanent program of compulsory military training for all physically fit males as they come to military age, there is a very great danger that we should in time come to regard this program as the essence of preparedness.

In an early paragraph of his article Professor Keller declares that the youth will benefit from the proposed training in that "his physical defects are going to be detected and rectified . . . his intoxicants limited, . . . his mental and moral hygiene . . . improved." The impression of the medical profession has been that the majority of physical deficiencies that render a man unfit for military service cannot be satisfactorily cured, after the individual reaches military age. It is generally agreed that preventive medicine and hygiene in childhood give the only satisfactory solution to this problem. The fact that most of these deficiencies are regarded as preventable is prima facie evidence that they should be

prevented—by such changes or improvements in our national food, social and recreational habits, sports, hygiene, medical programs, etc., as may be necessary—rather than cured after serious harm has been done.

3. Although limiting of intoxicants is a good thing while it lasts, the fallacy of this argument in connection with military training is that the associations and conditions of military life are such as to expand the drinking habit. Coming into this life at an impressionable age, many young men who never before have used intoxicants find it one of the things that Kellner assumes, by no means does it follow that they would be removed. Indeed, if one may judge by the degrees of incompetence tolerated by the inertia of the military machine in other parts of its mechanism even under war urgency, the probabilities of speedy adjustment to training schedules and personnel under a per-

manent peacetime training program seem remote.

"Intelligent discipline" is specified in Professor Keller's argument. Yet one may validly question whether there is, or can be, such a thing as well-intentioned peace efforts have failed in the past and may fail again. So great is this risk that we are compelled to consider every means

by which we may resist aggression. The secret of American's strength in battle has had as many explanations as Sampson's: Our great manpower; our individual superiority, man for man; our vast natural resources; our unrivaled industrial ad-

life as one of the priceless fundamentals of true leadership ability which gave us a decided edge over the discipline-numbed German soldier of World War I, who was helpless when his officers were put out of action. Where we must have superior discipline, so be it; but let us not fool ourselves that it is good for its own sake.

6. As for the prospects of discipline in the proposed compulsory military training program, I do not share Professor Keller's confidence that "it is not at all likely that the military establishment will impose 'a narrow type of it' as in the past, nor that 'if it should run in a lot of duds or dubs, in courses or teachers, they will be speedily shown up.'" Unfortunately in this regard, military discipline requires unquestioning obedience and universal conformity. Unfortunately, too, for the outlook of the prospective trainee, the lower one goes in the military hierarchy the more does force of rank depend upon automatic authority rather than upon leadership stature. In the final analysis the private in the ranks is left with no recourse except unprotesting subservience to the lowest bracket of officers. Assuming that the trainee will be under permanent organization personnel for the most part, I cannot but feel dubious of his benefits from these discipline contacts, for the obvious reason that men of strong leadership ability do not commonly fall into life careers as noncommissioned military officers. And should the misfit courses and Kellner assumes, by no means does it follow that they would be removed. Indeed, if one may judge by the degrees of incompetence tolerated by the inertia of the military machine in other parts of its mechanism even under war urgency, the probabilities of speedy adjustment to training schedules and personnel under a per-

manent peacetime training program seem remote.

## It Pays to see your Ford Dealer

**Battery Parking?**  
Maybe a little pale and limp around the edges? That's easy to fix. Our tester will tell the story, and there's a new Guaranteed Ford Battery for your car if you need it. A big powerful heavy-duty type battery that starts your car quicker and outlasts ordinary batteries. A new Ford battery is a good investment in trouble-free car performance.

**Brakes uneven?**  
Bad brakes and wheels that track like a snake in the snow are two of the world's worst rubber thieves. And bad brakes also are an invitation to an accident. Let us fix you up so your tires will last longer. A wheel alignment will do part of the job, but a brake checkup completes it. Come in and see us. You'll drive more safely.

**Dimples? We fix 'em**  
Yesir, we smooth out those unsightly fender dimples, touch them up where dented with matching paint . . . and send your car out sleek and perky as a gal with a new summer bonnet. Factory-treated Ford mechanics with plenty of know-how can iron out even the worst dimples as nicely as your tailor presses your best trousers.

**Genuine Ford Parts**  
We now have a good stock of Genuine Ford Parts—the kind specially built for Ford cars. And because they fit right and are made of better materials, they last longer, save money on maintenance costs. To be sure of getting Genuine Ford Parts and Ford-trained men to install them, bring your car to us. Our work is guaranteed.

NOTICE OF SPECIAL SCHOOL MEETING AND ELECTION

In Genessee Independent School District No. 2, Latah County, Idaho. NOTICE IS HEREBY GIVEN, that a special meeting and election of the qualified voters of the above named School District will be held on the 4th day of May, 1946, at 1 o'clock P. M., at the Genessee Public school house, said district, at which meeting it shall be determined by a majority vote of the qualified voters present and voting:

1. Whether the Board of Trustees of said District shall be authorized to make a levy in some amount not exceeding nine (9) mills, in addition to and above the levy which, as provided by law, the Board of Trustees may make without such election or authorization.

2. Whether the Board of Trustees of said District shall be authorized to make a levy not to exceed one (1) mill, for the purpose of purchasing, equipping and/or maintaining playgrounds and gymnasiums.

FURTHER NOTICE IS GIVEN, That:

1. The assessed valuation of said District for the preceding year was \$517,044.

2. The amount of money which the Board of Trustees has estimated to be necessary to operate the schools of the District for the ensuing fiscal year is \$39,590.

3. The levy which the Board of Trustees may make without election will raise approximately \$4,136.35.

4. State and County Apportionments for the fiscal year are estimated at \$13,000.00.

5. Miscellaneous receipts for the next fiscal year are estimated at \$13,000.00.

6. The levies for which authorization is being asked, and which will raise approximately \$4,136.35, are: For current expenses 7 mills. For playgrounds and gymnasium 1 mill.

That the qualifications of voters entitled to vote at such meeting or election are:

1. Electors of the State of Idaho. 2. Residents of the district at the time of election.

In addition thereto said voters must possess one of the two following qualifications: (a) Parents or guardians of a child or children when such child or children are under twenty-one (21) years of age, and when such child or children and parents or guardians thereof are residents of the district at the time of election; or (b) A person who pays taxes within the district, and the husband or wife of such taxpayer, in case the taxpayer is married. A payer of poll tax is not a taxpayer.

That the election will be by secret and separate ballot.

Dated this 22nd day of April, 1946. MAILON E. POLLETT, Clerk of Independent School District No. 2, of Latah County, Idaho.

(Continued from Page Two)

time injecting into these programs such additional materials as might be necessary to turn out graduates fitted for various civilian pursuits closely related to military effort—engineers, chemists, transportation experts, disaster relief, and so on. Yet in each of these elements we have been equalled or surpassed by other nations. The real secret of our strength, the catalytic agent that has activated all the separate elements into an invincible combination, is the unfettered American mind. So on. Yet in World War I we beat the German military machine, the perfection of generations of military planning, training, and preparation, by virtue of our freedom from the rigidity imposed by such a preparatory program. Because we were not bound to a reconceived pattern, we could create a more effective pattern. In World War II we beat the Axis military machine because the unfettered American mind outstripped the driven Axis mind in producing new and more effective engines of war. Our advantage in each case was merely a different facet of the same gem—greater freedom to think and act on individual initiative. And so long as the minds of men vary in capacity and resource, such freedom will remain an advantage over any conceivable regimented program.

It follows that our best defense against possible future aggressions lies in a course which will enhance this inherent advantage of democracy. Education for life will continue to be more productive of advancement than is education for death. Let us therefore hold fast to our traditions of universal liberal education. But let us broaden this education with a modernized view of social and economic relationships, from backyard to world scope. The emphasis on material production which has characterized our society in recent generations needs now to be shifted to a study of more equitable distribution of the fruits of the machine age. In a society which devotes over 90 percent of its time to its own operation and less than 10 percent of its time to producing the necessities of life, yet continues in devastating internal and international strife over allocation of these necessities, the need for more effort toward perfecting the social organization is evident. And when we recognize the industrial strikes now paralyzing America and Britain as symptoms of the same disease which produces wars, we see that there is plenty to be done here at home in strengthening ourselves against possible outside aggression. Be it not forgotten that it was internal strife, rather than lack of military defense which made France so vulnerable to the Nazi blitz.

Upon the foregoing broad background of liberal tradition, universal education, and internal solidarity the following specific suggestions for our national defense are offered:

- 1. First essential for our future national defense, of course, is a unified defense command other than that now lodged in the President, the Commander in Chief of both Army and Navy. Our presidents are not elected for their military prowess, and even if the public at large could and would choose them on that basis, the other duties of the office would preclude adequate fulfillment of the military function. So widely has this point been argued in recent months that space will not be taken to discuss it here.
- 2. The pace of science in devising new instruments and techniques of war makes it utterly impractical to keep a large segment of the population adequately up-to-date in their uses. Equally impractical because of its inadequacy and rapid obsolescence in such partial training as might be given in a year of compulsory basic military training. On the other hand an effective and not unduly costly program for providing the essential corps of thoroughly trained military personnel for defense emergencies would be to expand our West Point and Annapolis programs to several times their present size, at the same

sports, and too many participants sustain disabling injuries. College sport participation is coming to be the almost exclusive realm of professional athletes, themselves often permanently disabled by too strenuous action. From primary grades through college our physical education program is in need of drastic overhauling. A candid view of our probable future defense requirements calls for thorough hygienic education and bodily development of all persons of both sexes not incapacitated by insurmountable deficiencies. The methods for doing this are well known; all that lacks is their proper application.

5. Universal health and strength are not enough. An understanding of world forces is needed both to forestall possible wars and to defend ourselves if attacked. Science has so far outstripped the humanities that we now find ourselves with no dependable approach to the problems in class and international conflict brot on by development of unlimited capacity for production of goods and services. The great need now and for the future is to close this gap between scientific advancement and advancement in human relationships. To this end it is here suggested that our whole educational curriculum be re-directed to direct emphasis upon world problems. There need be no concern for the future of science under such a program, for science may be expected to continue or accelerate its current rate of discovery and invention for a long period to come without other encouragement than a free hand in research. The real issue is that the products of science are pointless if kept in the laboratory; whereas, once out of the laboratory, they may do far more harm than good if exploited by unscrupulous or unenlightened leaders placed in power by peoples unaware of ultimate results to be expected from current measures and policies. Was not Nazi Germany an example of this outcome? Is not our present industrial paralysis a

symptom of the same organic weakness? Ten years ago Alexis Carrel, in his Man the Unknown, suggested that soon significant advancement in our knowledge of man as an organism might require as much as 30 years of intensive preparation by the most able scholars in many related fields of science. Is it too much to suggest that in the field of human relationships, already for behind scientific developments, we could well afford to encourage and direct similar intensive preparation of some of our best minds for devotion to national and world improvement in government, economics, sociology, and religion? Certainly we should take more positive measures than we do now toward intelligent preparation of intelligent men and women for places in public life, especially of those who are to represent us abroad. If internal strength, international prestige, and international goodwill be elements of national security, then added emphasis upon study of the humanities is one of our "musts" of future national defense.

Specifically, the indigestible mixture of statistics, irrelevant chronology, and romanticized military campaigns now taught as history should be replaced with a realistic summary of man's circuitous "progress" thru the various forms of government and social structure, philosophy, religion, material culture, etc., with a deadly earnest effort to interpret the cause-and-effect relationship behind their respective ascendancies, conflicts, and collapses. Geography should be raised from travelogue scope to its rightful stature as a study of natural resources, climates, peoples, and cultures each reacting upon the other to affect the destiny of nations and the course of history, past and future. The languages of at least half a dozen leading nations besides our own should be widely taught throughout school structure, and mastery of at least one of them required of every college graduate. World-wide inter-

national student exchanges should be encouraged—subsidized if necessary to the point of assuring greatly improved mutual understanding with all nations. If such a program requires more years of education, so be it. We will afford them. Further, it is here proposed that the time has fully come when we should expand our compulsory education requirements to include high school level. Our forefathers pioneered universal education as one of the fundamentals of sound democracy. Today we are in danger of losing that democracy through the votes of those who leave school without any real understanding of our present society, now vastly more complex than in the days when the three R's were the fundamentals of our culture. Regardless of whether we increase our compulsory education requirements, we should make wide use of newly perfected aptitude screening tests to develop a channeling program for students above grade-school level to assure as far as possible that each will spend his time in a field promising to be profitable both to him and to society.

7. For investigations costly beyond the scope of private and state research institutions, such as the controlled use of atomic energy, where probable national benefit promises to justify the expenditure, federal subsidies should be provided. Much research in aeronautics, electronics, and other war-related fields also probably will require federal support for rapid progress. That such support should be given where needed is so obvious as to be given only passing mention here. Government controls over the research so supported, however, should be scrupulously limited to reasonable accounting of funds. Direction of the research itself must be left to suitable committees of leading scientific workers.

8. In event of future wars, greater care than heretofore should be given to retaining in their respective fields the largest number of scientific work-

ers and students, medical students, skilled technicians, etc. The traditional dictum of our democracy that in time of war all are subject to the battle call, regardless of station, loses its validity when a literal application threatens the ability of the nation to win that battle, or to maintain its ascendancy after the battle is won. Careful peacetime studies of the probable war necessity of every branch of science should be made by men qualified to judge. Likewise, ratings may be placed upon individual scientific workers on the basis of intelligence tests, college records, and subsequent work, with a view to determining degrees of dispensability in a war emergency. Similar records might be compiled to cover workers in other essential technical or professional fields requiring long periods of preparation. Consultation of these records in wartime placement of personnel would avoid unnecessary training programs and many costly delays in manning war activities.

# MAIN STREET

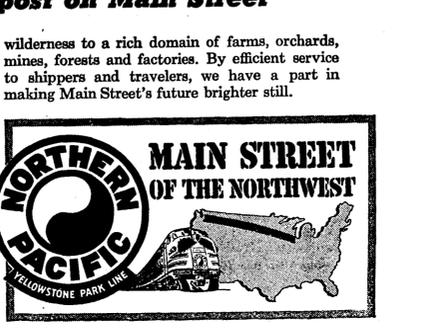

The rubber hitching post on Main Street

As compressed air in that slender hose sets the brakes, roundhouse mechanics will give this 250-ton Northern Pacific locomotive a whirlwind going-over... cleaning, greasing, adjusting or complete overhauling.

These "hitching posts," symbols of maintenance on the Main Street Of The Northwest, are part of a vast backstage world in railroad... a world of locomotive pits, roundhouses, turntables, car shops; plants fully equipped to provide everything from upholstery to driving wheels. Year after year, N. P. invests huge sums in new, ultra-modern shop facilities.

All of this is a gilt-edged investment in the community we call Main Street. In three-quarters of a century, we have seen this region grow from

**NOTICE OF SPECIAL SCHOOL MEETING AND ELECTION**

In Genesee Independent School District No. 2, Latah County, Idaho, NOTICE IS HEREBY GIVEN, that a special meeting and election of the qualified voters of the said school district will be held on the 4th day of May, 1946, at 1 o'clock P. M., at the Genesee Public school house in said district, at which meeting it shall be determined by a majority vote of the qualified voters present and voting:

1. Whether the Board of Trustees of said District shall be authorized to make a levy in some amount not exceeding nine (9) mills, in addition to and above the levy which, as provided by law, the Board of Trustees may make without such election or authorization.

2. Whether the Board of Trustees of said District shall be authorized to make a levy not to exceed one (1) mill, for the purpose of purchasing, equipping and/or maintaining playgrounds and gymnasiums.

**FURTHER NOTICE IS GIVEN,**

1. The assessed valuation of said District for the preceding year was \$517,044.

2. The amount of money which the Board of Trustees has estimated to be necessary to operate the schools of the District for the ensuing fiscal year is \$33,590.

3. The levy which the Board of Trustees may make without election will raise approximately \$4,136.35, and the levy which the Board of Trustees may make with election will raise approximately \$12,000.00.

4. Miscellaneous receipts for the next fiscal year are estimated at \$13,000.00.

5. The levies for which authorization is being asked, and which will raise approximately \$4,136.35, are: For Current Expense 7 mills; For playgrounds and gymnasium 1 mill.

That the qualifications of voters entitled to vote at such meeting or election are:

1. Electors of the State of Idaho.

2. Residents of the district at the time of election.

In addition thereto said voters must possess one of the two following qualifications: (a) Parents or guardians of a child in the district at the time of election; or (b) A person who pays taxes within the district, in the interest of K.R.L.C. taxpayer, in case the taxpayer is married. A payer of poll tax is not a taxpayer.

That the election will be by secret and separate ballot.

Dated this 22nd day of April, 1946.

OCCUPATION OF U. S. SHOULD END

Japan, Germany and Italy have armies of occupation, but they don't have anything on the good old U.S.A. Regulations are imposed for this and for that, with OPA the main offender. Today, Congress attempted to relieve the country of some OPA restrictions, and almost immediately came a deluge of telegrams and letters, requesting congress to sustain the OPA. One of the chief reasons today for that group is squared off against another. One group wants OPA restrictions continued and the fellow that he buys from while he is permitted to raise his prices.

How may an administration expect to appear fair and square in the eyes of the public in their shortsighted favoritism. With enough problems to last the administration for a lifetime, some of its leaders are now attempting to destroy the companies that made it possible to win a war. Latest proposal is that the government operate the railroads. There is outspoken sentiment that the government take over electric power. Why stop with public utilities? Why not take over farming, business, schools and the professions? Many would have it this way, but how can the United States if the government assumes control of more than it has already.

Missionary Society

The Missionary Society of the Community church met Tuesday afternoon at the home of Mrs. Walter Erickson, hostess, with Mrs. Merle Roberts as assistant hostess. Seventeen members and three visitors attended the meeting, and enjoyed a missionary topic presented by Mrs. J. D. Hoyt of Los Angeles, who is visiting in Genesee.

HOW TO BE RID OF SQUIRRELS

Peaky, destructive squirrels can be completely eliminated in no time at all. Use Cyanogas, the simple, sure-fire, low-cost method. Just put a tablespoon of it in the burrow—press! they're gone. It's the gas that gets them. They can't escape it. (Can also be applied with foot-pump or knapsack duster.)

GENESEE POPPY DAY MAY 25 CAMPFIRE GIRLS WILL SELL

On Saturday, May 25, all will be asked to wear a little red poppy on their coats or dresses. The day will be Poppy Day, when, once each year, we of America pay tribute, by wearing their memorial flowers, to America's service during World Wars I-II. As we receive our poppy from the Campfire Girls, who are assisting women of the Legion Auxiliary, we will be aiding the war's living victims by the contribution of their lives in America's service during World Wars I-II. As we receive our poppy from the Campfire Girls, who are assisting women of the Legion Auxiliary, we will be aiding the war's living victims by the contribution of their lives in America's service during World Wars I-II.

Orders then came for return to the States, and he left the Islands April 20, to arrive in San Francisco, May 7. After a days' visit with relatives at San Leandro, he left by stage for home, arriving early Sunday morning. He was met in Pendleton late last Friday night by his parents, Mr. and Mrs. E. D. Pederson; brother, Gerald, and Rev. Melford Knight. The latter made the trip hoping to contact a source of surplus army equipment which might be used by Genesee Boy Scouts.

Dan will report at Seattle June 9 for duty awaiting discharge. He is authorized to wear the American Theatre, Asiatic-Pacific, Philippines Liberation and Victory ribbons.

Guianu is located on Samar Island, the third largest island of the Philippines, and ranks first, perhaps as the poorest. Practically all the inhabitants live along the coast, and the interior is a monotonous hilly jungle that offers little temptation for human settlement. It is a hodge-podge of hills and small streams and rugged overgrowth, with no regular river systems, no fertile plains, and nothing to support life except a few mines and a few tropical hardwood lumbering camps. The main industry of the island, however, is coconuts. Samar lies in the typhoon track, and while catching more storms than any other island, it has not as many experienced elsewhere in the islands. These storms aid in the poverty of the island by periodically taking the tops off the coconut trees.

People of Guianu are straight Philippines, having no mixed blood. The Japanese and their standards of living are and have always been lower than normally enjoyed elsewhere in the islands. The people are great for bartering, and have learned "black market" procedure as readily as any place in the world. The Samar people take much as artisans in any line, and at the present time they are busily engaged in salvaging lumber and such from the naval installations with which to construct shelters. Naturally they look upon the Americans as being generous, but continued refusal to meet their demands brings down their wrath on the American. "Americans no damn good, Japs better," is a favorite saying when one from the States arouses their displeasure. People of Samar, never having enjoyed fair standards of living, did not suffer much owing to the war, and today they have no special liking for people of our armed forces.

While Manila is the principal naval station of the Islands, Guianu is said to be the largest base, there being about 50,000 sailors, and some 3,000 men assigned to the naval station there. The harbor is not good, with dangerous reefs, necessitating double handling of materials and men going in and coming out. There is but one dock built out into the ocean, and it handles only three small cargo ships. Selection of Guianu as a navy base resulted undoubtedly from its sheltered location in Leyte Gulf.

Dan had the pleasure of meeting a number of Genesee men while overseas, including Charles Herman, Bob DeMers, Billy Mervyn, and George Biago. He also met and became well acquainted with Paul Busch of San Diego, Calif., a brother of C. P. Busch of Genesee. He also met Westcott, former resident of Genesee, who was stationed in New Guinea, and now attending the University of Idaho.

Fred Nagel and niece, Miss Frieda Hermann, and R. E. Emmett visited Monday with J. P. Michaelson, who is a medical patient at St. Joseph's hospital in Lewiston.

Thirty-seven to Graduate Genesee public school is graduating 24 pupils Friday evening, and St. Joseph's school is graduating 13, for a total of 37, and one of the larger classes in recent years.

Those from the public school to receive diplomas are: Linda Archibald, Ronald Berry, Carol Borgen, Myrna Carburn, Joan Clark, Leticia Connick, Mary Curran, Rex Eikum, LaVarr Erickson, Simeon Fleischman, Lavone Fox, LaVerne Gilbertson, Billy Hanson, Virginia Harbert, Denny Jain, Jack Knops, Ann Louise Luedke, Tommy Ochs, Carl Osmundson, Donald Spence, Joe Sprenger, Earl Taylor, Colleen Uhr and Jeanette Vandenburg.

From St. Joseph's the graduates will be: Ann Sweeney, Lloyd Magee, Patricia Esser, Lavonne Kambschick, Bielenberg-Schooler Post, American Legion, is again sponsoring Junior baseball for boys of this community, and expects to school it, or as soon as the boys become eligible for play.

Every boy participating in Junior Legion baseball must furnish a birth certificate. A certified photostatic copy is available from the Department of Health, Capitol Building, Boise, or it may be obtained from the state in which the boy is born, if not in Idaho. The usual charge for the certificate is fifty cents. It is also necessary that a small snapshot or photo of each player be furnished the Legion to attach to records.

GENESEE WINS FROM ASOTIN

Genesee high school won from Asotin high school here last Friday afternoon. The baseball game was the second between the two schools this spring, and the win here gave the Bulldogs an even break with the Asotin club. Genesee won 14 to 12 in a seven-inning game. Don Johnson pitched the first five innings, pitching in the sixth frame, and Johnson went back in the seventh to hold the threatening Asotin club.

Kendrick Here Today Kendrick high school will be here this afternoon (Friday) for return games with Genesee. At Kendrick the Genesee club lost one game and tied one.

SENIORS RECEIVE DIPLOMAS AT COMMENCEMENT MONDAY

Many were present at commencement Monday evening at the high school gymnasium when seventeen seniors of the class of 46 received their diplomas. Graduates were: Levern Anderson, Betty Broemling, LaVonne Rae Denow, Joyce Doyle, Wally Eglund, Norman Flerchinger, George Follett, Beverly Heinrich, Manderford, Jack Mullaney, Clara Neufen, Anita Scharnhoff, Gladys Taufen, Margaret Vandenburg and Itha Wright.

Gladys Taufen, class valedictorian, received an honorary membership in Readers Digest for a year; a medal for scholarship and a medal for outstanding service on the student council. George Follett, class salutatorian, was presented the Bausch and Lomb award, given to the senior in the judgment of the faculty, who showed the highest aptitude and promise in the scientific field. He also received a medal for scholarship.

Anita Scharnhoff and Robert Liberg each received medals for service on the student council. Itha Wright was given a 4-H Club scholarship of \$100 to the University of Idaho for her outstanding work in that field. Music for baccalaureate and graduation was by the high school orchestra, under direction of Xena Weatherly; the girls' chorus and tria trio, under direction of Mrs. Margaret Covington, and violin solos by Jack Liberg. Mr. Weatherly accompanied the latter and Eloise Herman accompanied the girls' groups.

Rev. Roland G. Wuest was heard in the baccalaureate sermon, and Rev. Fr. J. B. Kunkel pronounced the invocation and benediction. Girls appearing in the triple trio at baccalaureate Sunday evening were Dorothy Lee, Betty Broemling, Yvonne Eikum, Pat Nelson, Gladys Taufen, Shirley Jean Grieser, Joyce Grieser, Beverly Heinrich and Beverly Bressler. They sang "O Sanctus Shore." Jack Liberg played "Ave Maria" as a violin solo.

At commencement the girls' chorus sang "Goin' Home." Jack Liberg played the violin solo, "Traumer." Thomas R. Crosson of the Lewiston State Normal School gave the address "You Are Not Fenced In." Kenneth F. Dean, superintendent of schools presented the class, and R. E. Nordby, chairman of the board of education, made the presentation of diplomas.

JUNIOR LEGION BASEBALL

Bielenberg-Schooler Post, American Legion, is again sponsoring Junior baseball for boys of this community, and expects to school it, or as soon as the boys become eligible for play. Every boy participating in Junior Legion baseball must furnish a birth certificate. A certified photostatic copy is available from the Department of Health, Capitol Building, Boise, or it may be obtained from the state in which the boy is born, if not in Idaho. The usual charge for the certificate is fifty cents. It is also necessary that a small snapshot or photo of each player be furnished the Legion to attach to records.

All boys interested in playing will sign up as soon as possible with Miss Pearl Schooler, at the office of W. W. Burr. The Legion expects to have practice regularly and desires to begin as soon as possible. Boys eligible for Junior baseball are of the 7th grade and up to the age of 17 years before January 1, 1946.

GENESEE FISHERMEN LAND BIG FISH AT POND O'REILLE

Sanpound, Idaho—Two Genesee fishermen this week succeeded in landing big Kootenay rainbow trout and have entered them in the \$1500 Lake Pend Oreille fish derby. A. C. Linehan entered a 19-pounder while Fred Baumgartner had a 15-pound fish.

Catches of rainbows running from 15 to 27 pounds have been frequent since the season opened here May 1, with anglers coming from as far as southern California in the hope of landing a Kootenay which will top the 32 pound 8 ounce world's record rainbow taken here during the 1945 season by Lawrence Hamilton of Roodan, Washington.

Many of those who try for the big rainbows are also landing good-sized Dolly Vardens and nice catches of cutthroats.

Four Big Fish Caught

The first of last week Art Linehan, Gus Fickens, John Klus and Fred Baumgartner went up to Lake Pend Oreille to take on the big Kootenay rainbow trout, with four of the rebauteas being taken on Saturday, but the weights of the larger fish vary, according to the party. Mr. Linehan was credited with a 19-pounder, but Mr. Baumgartner a 15-pounder, but the latter also hooked two other 20-pounder and 12-pounder. Mr. Fickens and Klus hooked none of the big fellows.

A friend of the four men freely expressed himself that fishermen are granted the privilege of weight exaggeration, and they should have a leeway of more than one pound. The four fishermen, however, stick to the facts that the two largest fish tipped the scales in excess of 19 pounds. Linehan said that while he was getting supper one evening, the close of the day when he landed his big one, Fickens took the fish to the official weighers. Now it may be assumed Fickens, somewhat tired after a day of fishing, might have let the big trout drag over the gravel until a pound of flesh was worn off. Most people discount this for reason that the fish when displayed, surely, showed a good supper coming up, Fickens could not have taken a few bites from the fish. Nothing remains except that the officials weighers at Lake Pend Oreille are operating scales which have not been inspected by the state for accuracy. After looking over the fine specimen displayed by Linehan, the matter of a pound should not detract from the sport of landing it, nor in eating it.

Linehan said he used a 15-lb test nylon line. The bait was a Roy Self No. 4 lure with a No. 6 hook. When he hit his strike he had out about 750 feet of line, and it took about two and a half hours to land the big fish. The Kalamao took the bait.

SENIORS ON 24-HOUR TRIP

Members of the Senior Class of '46, their advisor, Levern Chase, and Mr. and Mrs. Dan Aherin, left Genesee at 3:30 the morning of May 8, for Coeur d'Alene and Spokane. They returned at 3:00 o'clock the following morning, after a most enjoyable trip. They traveled in the large John G. Meyer bus, with Homer Schooler as the driver. The first stop was at Coeur d'Alene for breakfast at 7. The group then went aboard the Hiawatha, a large speed boat operating on Lake Coeur d'Alene, and went as far up the lake as Chatolet. They got to Chatolet for the lake trip. At noon the seniors and others were in Spokane for lunch. Rooms had been reserved at the Desert hotel for the group, their advisor and chaperones, and after an afternoon of attending shows and doing what they chose, they met at the hotel to dress for the banquet planned at the Spokane hotel.

After the banquet the group went to Cook's roller skating rink, and on 12 o'clock they decided to start on their return trip. They were away for 24 hours.

## GENESEE FISHERMEN LAND BIG FISH AT PEND OREILLE

(Continued from Page One)

with determination, then broke water, and seemed to stand on its tail before starting his battle for life. The fish broke water several times before it was worked in close to the boat. When within a few feet of the fishing boat, the Kamaloop dove straight down, taking 100 feet of line in its last desperate struggle. When the fish was again surfaced, Fickens who was in the boat with Linehan made good use of the gaff and brought the 19- or 20-pounder into the boat.

## Uncle Sam Says

Take a look at this U. S. Savings Bond, friend. You don't have to be a seventh son of a seventh son to see your future. If travel is your desire some day, or you hope to see your boy or girl in college, or you dream of owning a farm, this Bond can help to make these dreams come true. Bonds accumulate faster than you imagine when you save regularly through the payroll savings plan where you work. Every \$18.75 you put away in United States Savings Bonds grows to \$33 in ten years.

U. S. Treasury Department

The fishing party stayed at Midis Heights on the Lake, about 17 miles southeast of Sandpoint. The big Kamaloops, which were planted as fingerlings in Pend Oreille Lake in 1941, have showed that they can gain as much as 32 pounds in four years, remarkable growth for such a fine game fish. It seems that a number of years ago Pend Oreille became the habitat of numerous Blue Backs or Silversides, when waters of the neighboring state of Montana mixed with that of Pend Oreille when a dam broke. The fish which were thus introduced from Montana, multiplied rapidly and for a time commercial fishing was permitted to reduce their number. Some smoked Blue Backs have been sold in Genesee, and they are a delicious morsel. Blue Backs were thought to live on the spawn of native trout or bass, so it was decided to introduce the Kamaloops, which it was firmly believed thrived on Blue Backs. Everything seems to have proven correct, for nowhere else have Kamaloops been doing better than at Lake Pend Oreille.

The fish taken by Linehan measured 34 inches long and 25 inches around, includes the largest of the three caught by Baumgartner measured 32 inches long and 27 inches around. The fish were nicely cleaned and frozen before being brought home. The writer, no fisherman, had a liking for fish, found the Kamaloop to be tasty, much like salmon, with perhaps a somewhat sweeter taste. Perhaps the fish eaten was in very prime condition, or it may be that the Kamaloop does contain somewhat more fat than salmon or trout. Kamaloop fishing, from all reports does furnish thrills, and certainly if one or more are landed, the critical food situation may be relieved for a good many meals.

A person is reluctant to mention fish without bringing in the name of Ernest Becker, who does an excellent job of whipping the mountain streams for trout. It has been said that Becker's fish could be used for bait for Kamaloop, but whoever got such an idea was all wrong. In the first place Becker's fish are always too large and too fine for bait, and in the second place a Kamaloop cannot be taken on bait.

The Lake Pend Oreille, Idaho, Club, Sandpoint, which submitted the lead paragraphs of this story, undoubtedly can supply more information on Idaho's popular fishing spot.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules of balance, too. There are many "chores" we must do before new machines reach you.

We will be glad to know that all repair parts production schedules are far beyond normal.

## No hoarding

You may be sure that every machine will be shipped to dealers as soon as possible. We do not and will not hold machines off the market.

## At the start of the strike

We had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "float" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

## What dealers have for you

We can report to you that our current production is on TRACK. TORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on FLOWS

## Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

## Stock and display rooms of our dealers

represent not one, but ten thousand reservoirs which must be refilled. The most heroic production efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkling of parts and machines all over the country—not a downpour in any one section.

## and DISK HARROWS is reasonably good.

On COMBINES, MOWERS, HAY RAKES, ORNAMENTAL BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must be fair to say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and some other small units we are hopeful of making practically normal delivery.

## We know you will understand the reasons why your dealer cannot fill your orders overnight.

He would like to give you the kind of delivery on machines you would like to get, but his situation is a difficult one and not of his own making. He is doing the best he can.

## NOTICE OF ELECTION

To the Qualified Electors of School District No. 15, County of Latah, Idaho: Notice is hereby given, that a Special Election will be held on the 18th day of May, 1946, at the Aurora

School District No. 15 for the purpose of determining if it be to the best interests of said School District to sell the school buildings, grounds and equipment, belonging to School District No. 15, Latah County, Idaho. The polls will be opened at 1 o'clock p. m., and close at 4 o'clock p. m., on the date above designated. J. P. Anderson, Clerk of the Board of Trustees, District No. 15, County of Latah, State of Idaho. Dated this 29th day of April, 1946. Nell P. LaFollette, County Superintendent of Public Instruction. 3

# Our dealers join us in making this frank report to THE FARMERS OF AMERICA

INTERNATIONAL Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules of balance, too. There are many "chores" we must do before new machines reach you.

## Material shortages

The preliminary chores of getting ourplants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The cost situation may also prove serious—we hope not.

## Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

## ARMY SURPLUS AIRCRAFT PRICES REVISED DOWNWARD

In an effort to bring surplus airplane prices into line with their individual worth the War Assets Administration has revised the general list downward, according to J. G. Wilson, Spokane regional director. "These adjustments generally signify a continuation of the overall price range," said Mr. Wilson, "but there is a drop for the individual airplane of at least one bracket within the range."

Republicans have filed a full ticket in Latah county for the coming primary election, June 11, while the Democrats have but four candidates, and none of these are for the state legislature.

Nepere county has filed a complete Democratic ticket, while some spaces are blank on the Republican nominating ballot.

In both counties party leaders will undoubtedly write in names of candidates to make the race in November.

Wayne Hampton, Genesee, has filed on the Republican ticket for the nomination as state representative, a position his brother, Elvon had in the last regular and recent special sessions of the state legislature.

R. E. Nordby, Genesee, is a hold-over member of the board of county commissioners, serving a four-year term, and will not be up for election in November.

**CAPITAL GLEANINGS**

(By Congressman Henry Dworshak)

The confusion and delay in disposal of surplus property have resulted in congressional action. Senator Byrd (D. Va.) recently asserted the government's handling of surplus property is "a national scandal," and ordered an investigation by the joint congressional economy committee which he heads. The senator charged that effective machinery has not yet been established to permit citizens to purchase war surplus goods. Today the nation is faced with shortages in many types of goods and by the serious danger of inflation, declared the senator, adding, "At the same time we have great supplies of surplus goods which the people want and for which the government has no need." He then said there is so much red tape that it is practically impossible to find out what materials are available and how they can be purchased.

State Department Employees Furred  
Hundreds of undesirable people have been discharged by the state department in recent weeks in a purge of "leftist" elements among its personnel. This report was made by Representative Cox (D., Ga.) during a house debate on a \$10,000,000 appropriation for the state's cultural relations program. Many people will be astounded to learn that it is necessary to screen employees of the state department to determine whether it is infested with persons who seek to undermine our government. The state department has admitted that, since September, 1945, a total of 4,180 persons in the department's office of international cooperation had been discharged. The house approved, over strenuous Republican opposition, several million dollars for foreign propaganda, including motion picture production and distribution, and the state department, the following are some of the films it proposes to show in foreign countries in order to bring about better cultural relations: "Tennis Rhythm," "A Boy and His Cow," "Learning to Swim," "The Golden Grapefruit," "Willie and the Mouse," "Music for Tiny Toes," "Reproduction Among Mammals," "Chicken Little," "Tumble Bugs," "Three Bears in a Boat."

**CHEVRON GAS STATION**

**This is what's behind that CHEVRON SIGN**

Lots of folks are curious about our new Chevron Gas Station. So here are the answers to the questions you've been asking—the story of how Standard of California is helping us establish our identity as an independent.

No, when the Chevron sign went up over our gas station it didn't mean that the station had changed hands. The new name, the new paint job are just to establish it as an independent business. Lots of motorists who like the personal service they get at independent gas stations didn't know we are "home-owned." We're taking this means of making the fact plain.

You bet we will continue to handle Standard products. We want to offer our customers the finest. Our service and accessories will be just the same, too. Sure, we'll honor Standard of California's Chevron National Credit Cards. And they're mighty handy when you come in for Chevron Gasolines, RPM Motor Oil and other products and services. Just drop in any time.

**GENESEE LOSES TO PULLMAN**  
ONE BAD INNING DAMAGING

Eleven errors by Genesee cost the Legion club its game with Pullman last Sunday. Five of these errors, with three bases on balls and three hits were responsible for seven runs in the fourth inning, to give Pullman a big advantage.

John Scharnhorst, on the mound for Genesee gave up but three hits in the ball game, all in the fourth, but errors gave Pullman one run in the first inning and two runs in the second for a total of 10 runs.

Genesee scored one in the third inning, twice in the fifth, three times in the seventh and twice in the eighth, for a total of 8 runs. Pullman's pitcher, Wood, gave up six hits, one a triple by Blume.

Wood for Pullman struck out 12. Scharnhorst for Genesee struck out 16. Scharnhorst's three hits allowed Pullman to score three runs in the first inning, twice in the fifth, three times in the seventh and twice in the eighth, for a total of 8 runs. Pullman's pitcher, Wood, gave up six hits, one a triple by Blume.

Pullman's pitcher, Wood, gave up six hits, one a triple by Blume.

**Sixth Inning**  
Pullman—Thornton fouled out to the catcher. Frank was safe on an error at first and stole second and third. Uphaw and Thompson fanned. Genesee—J. Scharnhorst fanned. Broemeling fanned and Sampson did the same.

**Seventh Inning**  
Pullman—Kimball drew a base on balls. Stuart went to second on a hit. Mattson flew out to first, and Hayward grounded out to first.

Genesee—Blume flew out to the pitcher. D. Scharnhorst was safe on an error at second. Pederson taking Knights place, singled. Hampton was safe on an error at third, with Dick Scharnhorst scoring. Green singled to score Pederson. Edwards was on first on an error at first with Hampton scoring. J. Scharnhorst fanned.

**Eighth Inning**  
Pullman—Wood drew a base on balls and stole second. Thornton was whiffed. Frank flew out to second, and Uphaw fanned.

Genesee—Mervyn went into the lineup for Broemeling and fanned. Sampson was safe on an error at short. Blume connected for a triple inside the park to score Sampson. D. Scharnhorst flew out to the pitcher. Blume scored on a wild pitch. Pederson was safe on an error at third. Hampton flew out to first.

**Ninth Inning**  
Pullman—Thompson fanned. Kimball flew out to second and Stuart struck out.

Genesee—Green was safe on first when the Pullman catcher interfered with his swing on a ground ball to third. Holben, who batted for Edwards, forced Green and took first on a fielders' choice. Dresher, batting for J. Scharnhorst, forced Holben. Mervyn went out, third to first to end the game.

**DRESHER SEVERELY INJURED AT BASEBALL GAME SUNDAY**

Tommy Dresher, recently returned from duty in the European Theatre, sustained a critical eye injury Sunday at Colton. During batting practice preceding the game, Dresher had taken his turn at bat and was walking out onto the field. Another batter was swinging and a batted ball headed toward Tommy. Someone cautioned him to "look out." He turned just in time to receive the full impact of the ball which struck him in the right eye. It was a hard-hit ball, which forced the eye ball from its socket, and severely injured the eye muscles and tear ducts. He was stunned by the blow and collapsed momentarily, bleeding profusely from the nose and mouth.

Taken to the office of Dr. Burg in Uniontown by Howard Blume, the doctor was unable to stop the flow of blood, and Tommy was then rushed to St. Joseph's hospital by Bob Broemeling and Harry Hansen. Dr. Gist was at the hospital within a few minutes, but after examination, it was decided that the injured man be taken to Spokane to be treated at Sacred Heart hospital in Spokane, where Dr. DeReuth, eminent specialist in eye surgery was waiting.

Broemeling and Hansen arrived at the hospital about eight o'clock with the patient, whose suffering had been relieved by administration of a drug causing sleep. Tommy was admitted to surgery immediately, and after three hours he was taken to a hospital room. Broemeling and Hansen remained at the hospital until the operation had been completed and they remained in Spokane until Monday morning, paying Tommy a visit before returning home.

The surgeon was not hopeful of success Monday morning, but Dresher was able to recognize Broemeling and Hansen when they entered his room. Tommy suffered an injury to his left eye when two years of age. At that time his left eye was severely burned by a strong acid, accidentally, and vision was practically nil. He was, however, accepted by the army and served three years in the States and overseas.

Mrs. Minnie Dresher, mother of the injured man, and Otto Oswalt, a brother-in-law, were taken to Spokane Tuesday morning by Bill Bisson, who also visited Tommy. Dr. DeReuth gave them no assurance that the recently injured eye could be saved, but he did indicate that vision might be restored partially to the eye injured many years ago. Mr. Bisson was a patient of the world-known eye surgeon a few years ago when he was threatened by blindness. His vision has been fully restored. It is certain that Tommy is receiving the best attention possible, with the services of such an outstanding surgeon providing hope that the injured man will return with restored vision.

The accident at Colton was disheartening to Tommy's teammates, and for a time they were hesitant about going ahead with the game.

Mrs. Dresher and the two men who took her to Spokane have nothing to report except what is contained above but they did find Tommy hopeful. One reason for his optimism was that he was able to distinguish light from dark with the injured eye, and the doctor's belief that vision might be restored in the other eye, is another reason for hopefulness. Tommy will continue as a patient of the eminent specialist, Dr. DeReuth came to the United States from Vienna, Austria, just before this country entered the war, and has instructed many prominent specialists of this country who have taken graduate and post graduate work in Vienna.

Word was received from Spokane Thursday afternoon that vision in Tommy's right eye is gone.

He chose the latter, but is subject to call by the navy at any time.

Leon trained at St. Mary's, Calif., at Great Lakes and Corpus Christi.

**GENESEE DROPS CLOSE GAME TO COLTON CLUB ON SUNDAY**

Disheartening injuries to players Sunday at Colton were no incentive to continue the game, but the Genesee team went ahead to complete the nine-inning event which, for a time, appeared to be a complete rout. The score opened a barrage of four hits, and coupled with one error, a base on balls and a stolen base, the winners pushed across five runs in the opening frame. Colton accumulated ten runs in the first three innings, and in the first of the fourth inning caught bats exploded for six hits, one a double by Aherin. Two bases on balls and three Colton errors, were no comfort to Janke Colton pitcher, who was relieved by Von Ruden for Colton. Genesee pushed ten runs across the plate in the fourth. Colton came back in the same inning to score once and again take the lead, 11 to 10. Genesee scored once in the sixth and staged a rally in the first of the ninth to score four runs, one short of a tie and two less than a win. Colton scored in every frame except eighth. Tommy Genesee men were left on bases compared to seven for Colton. Hits in the game were even, 14 all, but Colton topped, the Genesee club by one score, 16 to 15. Errors were about even. John Scharnhorst, Genesee pitcher, who went the route, struck out three in the fourth. Colton fanned two, and Von Ruden for Colton got by two Genesee batters with three strikes. Colton pulled one double play when Von Ruden took Aherin grounder on a throw to the plate to catch Green on a force-out and Jess Davis, Colton catcher got his throw to first to cut off Aherin.

**First Inning**  
Genesee—Aherin fanned. Sampson was out, short to first. Hampton hit. Blume grounded out, pitcher to first. One hit, no runs.

Colton—Murray singled. J. Davis fanned. Kopf drew a base on balls. Von Ruden singled. Busch singled. Kremer was out, third to first. Meshnik was safe on an error at short. Nanson singled. Janke was out, short to first. Four hits, five runs.

**Second Inning**  
Genesee—Grieser was out on the ground to first. D. Scharnhorst was out, second to first. Green flew out to center field. No hits, no runs.

Colton—Murray was safe on an error in center field. J. Davis flew out and to left field. Nanson was safe on an error at short. Both men on base stole an extra bag and scored on a hit by Busch. Kremer was safe on an error at third, and Meshnik fanned. One hit, two runs.

**Third Inning**  
Genesee—Blume was safe on a single. J. Scharnhorst singled. Aherin struck out, and Sampson flew out to center field. One hit, no runs.

Colton—Nanson singled. Janke was safe on an error by the pitcher. Murray was out, second to first. J. Davis hit. Von Ruden was safe on a single. Kopf flew out to left field. Von Ruden went to first on an error in center, with Jess Davis scoring. Busch fanned. Two hits, three runs.

**Fourth Inning**  
Genesee—Hampton led off with a single. Blume was safe on a fielder's error. (Continued on Page Six)

**MEMORIAL DAY**

Members of the American Legion Auxiliary are requested to meet at the Knights of Pythias hall at 2:30 o'clock Wednesday afternoon, May 20, to assist in preparation of wreaths for graves of ex-servicemen. The ladies are also asked to bring flowers for the wreaths.

Legion to Decorate Graves  
Members of the American Legion will meet at the Knights of Pythias hall at 9:30 o'clock Thursday morning, May 30, and go in a body to the several cemeteries to decorate graves of all deceased veterans of all wars. This year the Legion will have a firing squad for the salute to the dead, with a bugler to sound taps.

It is suggested an desirable that all Legionnaires of World War II wear their military uniforms, and those of World War I wear their Legion caps and shirts. The Legion will leave the hall at 9:45 o'clock, and it is urgently requested that members report at 9:30.

**Colton Pioneer Picnic**

The annual Colton Pioneers' picnic will be held again this year, with the date set for Sunday, May 26. The Colton community extends a cordial invitation for everyone interested to join with the people of Colton for the day. There will be a basket dinner at noon.

In past years a number of Genesee people have attended the Pioneers' picnic at Colton and have enjoyed the day very much.

**FINE RAIN FOR THIS AREA**

Genesee farmers welcomed a light shower Wednesday and were grateful for another shower Thursday. Continued winds have sapped topsoil moisture, but the sub-soil moisture seems ample, with crops, especially those seeded last fall doing nicely. There has been no damage to spring crops but they always seem to do better after a few showers. But little more rain would be necessary to bring about a meeting of sub-soil and top-soil moisture, and thus assure real crop prospects.

**RURAL SCHOOLS FOR SALE UNNECESSARY IN THIS AGE**

Voters in Aurora School District No. 15, north of Genesee have voted that it is to the best interests of the district to sell the buildings, contents and grounds at public auction. The sale is being held Monday, June 10, starting at 1:30 p. m.

With schools in this area now in temporary consolidation with the Independent district at Genesee, there is no use to continue maintenance of the rural school district buildings unless they are serving such districts as meeting places, or are otherwise of some benefit to the people within such districts.

Sale of the buildings at the present time should witness a fair return to districts selling, owing to the scarcity of lumber, which could be salvaged. Too, some of the school buildings are in good repair and could be moved to new locations for residence buildings.

Last year the Shaffer district south of Genesee, and the Jain school, east of Genesee were sold, with Alfred Gilbertson purchasing both. It will be remembered that his home was lost in a fire, and he plans to use the buildings purchased, as salvage or to be moved and rebuilt for a residence.

Keane District No. 39, known as the Keane district, is holding an election soon to determine if the building of a new school building and such maintenance, insurance and such is believed to constitute burdensome cash outlay, and too, very few would sanction operation of rural schools after trying out and finding the consolidated method.

**Many Landmarks Disappear**

Much as one regrets disappearance of the rural schoolhouses, the modern age is causing people to do many things, and somewhat reluctantly. Soon will be gone the landmarks of over half a century in the Genesee area. Quite often an inquiring traveler is directed to his destination by directing him to a certain schoolhouse, and map out his route from there. Growth people will no longer be privileged to recall that they began their school days in a certain building, and disappearance of the buildings will cause some sorrow, although at times in their youth, a few would gladly have seen the old school burn down.

**POPPIES HERE SATURDAY SALE BY CAMPFIRE GIRLS**

Members of the Campfire Girls under direction of Mrs. Harold Lee, will sell Memorial Poppies in Genesee Saturday, May 25.

The first Poppy Day of peace, May 25, will see more than 25,000,000 Americans wearing memorial poppies in honor of the dead of both world wars.

Every poppy to be offered by the American Legion Auxiliary for wear on May 25 has been made by a disabled veteran of World War I or II. They have been made in approximately 100 veterans' hospitals and convalescent workshops located in every part of the country.

**TWO MEN ESCAPE DROWNING WHEN CAR GOES INTO LAKE**

Harry Hanson, Genesee, and Stan McMurray, Lewiston, narrowly escaped drowning last Thursday evening when the McMurray car was crowded from the highway at Wolf Point, 12 miles north of Coeur d'Alene. The two men were on their way to Wallace on business in connection with the Pastime, which is reopening soon under the partnership of Harry Hanson and Ronald Geltz.

When was driving the McMurray car when it was crowded off the road, the car dove into the water and headed toward the water. Describing the accident Hanson said the car seemed to move along on the surface for a few yards before it began to sink. It was impossible to open the car doors against the pressure of the water. The men remember the car tipped sideways as it settled to the bottom.

The right front window of the car was down, and when the pressure of the water inside the car was equal to the water outside, the car doors opened. The two men were on their way to Wallace on business in connection with the Pastime, which is reopening soon under the partnership of Harry Hanson and Ronald Geltz.

NEW DEAL LOSS LEADER

To convince U. S. citizens of the advantages of public power, one of the earliest and biggest New Deal projects was the Tennessee Valley Authority.

The Edison Electric Institute also could have added that if the three-quarter billion spent for TVA had been invested at 3 per cent annually the U. S. (and hence the taxpayers) would have taken in \$274,000,000.

Another big governmental project, one of which is better known in the Pacific Northwest, is the Bonneville project.

### THREE HOME THIS WEEK

Earl Broemeling received his honorable discharge from the navy this week. Rich Broemeling of the Marine Corps is home and Billy Weber has his honorable discharge from the army.

Earl came Monday and was met in Spokane by his brothers, Lawrence and Roger, and sister, Shirley. Rich arrived Wednesday noon to surprise relatives here, finding hitchhiking the most expedient from California. He left Thursday morning for Priest Lake where his father, Joe Broemeling, and brother, Howard, are on a weeks fishing trip with Frank Kamitsch, Martin Grieser and son, Kenneth.

Billy Weber arrived Wednesday evening, following discharge at Fort Douglas. Later in the evening he joined his senior classmates, who were enjoying a reunion at the home of Sanford Evans in Clarkston.

### MISS EVANS WEDS

Mr. and Mrs. Ervan R. Evans of Weiser, Idaho, announce the marriage of their daughter, Olwyn Mary, to Mr. Vernon Lewis Merrill, on Friday, April 12. The wedding took place at the U. S. Naval Station at Patuxent River, Maryland.

### ATTEND GRADUATION

Mr. and Mrs. Paul Dinsen and Mrs. Andy Jenner were in Spokane Saturday evening to attend the graduation exercises of 77 nurses from Sacred Heart School of Nursing, the largest class in the history of the hospital.

Among the graduates were Miss Ingrid Dinsen, daughter of Mr. and Mrs. Paul Dinsen; Miss Lucille Reinecker of Colton, sister of Mrs. Andy Jenner; Miss Ann Graham of Colville, Wash., sister of Mrs. Floyd Ochs, and Miss Carol Jain, daughter of Mr. and Mrs. Ben Jain of Lapwai.

Members of the Jain family also witnessed the graduation. Miss Dinsen returned home with her parents Sunday for an overnight visit.

### Farewell Party

Mrs. Virgil Hulbert, who is leaving soon with her family to make their home near Troy, was given a farewell party Thursday afternoon of last week by Mrs. Kate Huffman. Guests present were Mrs. Mary Wahl, Mrs. Sams, Mrs. Simon Fleishman, Mrs. Clara Trail and Mrs. Elaine Wardrobe. Handkerchiefs were given Mrs. Hulbert as farewell gifts, and Mrs. Huffman was surprised with gifts too, in honor of her birthday. Mrs. Huffman served refreshments at the close of the afternoon.

### Birthday Party

Mrs. John Kries was given a surprise birthday party Friday afternoon by 18 ladies. Cards were enjoyed during the afternoon with Mrs. Art Linehan winning high award. Mrs. Martin Hasfurth, second high. Refreshments of a birthday cake and ice cream were served at the close of play. Ladies surprising Mrs. Kries were Mrs. Matt Baumgartner, J. Tupper, Otto Kroschmer, Sophia Kamitsch, Elizabeth Linehan, Art Linehan, Henry Flerchinger, Frank Hoorman, Henry Halverson, Martin Hasfurth, Nick Bielenberg, Mary Weber, Henry Manderfeld, Gus Fickens, M. Reisenauer and Charles Grieser.

Evening guests were J. H. Broemeling, Joe Broemeling, Frank Broemeling, Mr. and Mrs. Art Hansman, Mr. and Mrs. Ron Huffman and daughter, Dawn, and Mr. and Mrs. Omer Kries and family. Cards were played with John Kries receiving the high award and J. H. Broemeling, second high, for the men and Mrs. John Kries and Mrs. Hansman received awards for the women. Refreshments were served, including a lovely birthday cake. Mrs. Kries received many useful birthday gifts.

### Get Together Club

Mrs. C. W. Sisty was hostess to the Get Together Club Tuesday evening when each one present was given a prize at cards according to scores. Mrs. Estil Carbahn was an invited guest. Refreshments were served at the close of the evening.

### GENESSEE VALLEY NEWS

We have had a week of grand weather and a good shower will be welcome. Valley residents are getting in a few picnics before hay and harvest. The primary election comes in June instead of August this year, so if you did not vote at the last election, you should register soon. Regardless of politics, one should vote and express preference for the present officers or help elect new ones more to your liking.

The Valley Sunday school teachers are making plans for their families, meeting at the Bible school beginning June 3 and lasting two weeks.

Mr. and Mrs. Allen Sather and family are leaving Sunday for an auto trip to Los Angeles and other places. They will carry their own camping equipment and have an enjoyable vacation.

Mr. and Mrs. Anderson and Alton and Mrs. John Elum had brunch with Mrs. Herman Isaksen in Clarkston Monday morning.

Mr. and Mrs. Fred Hove and DeLores visited Fred Tesh and Wm. Hoves in Lewiston and Clarkston on Sunday.

Mr. and Mrs. Pete Nelson of Spokane and Mr. and Mrs. James Nelson of Lewiston spent Saturday and Sunday at the Lande home.

Mr. and Mrs. Leon Danielson, Mr. and Mrs. Norman Flamo, Mr. and Mrs. Leonard Flamo, Mr. and Mrs. Stanley Snee and their families, Mr. and Mrs. Wayne Keates, Ted Flamo and Louis Dybvig of Clarkston combined a picnic lunch at the Clarkston park Sunday, celebrating the wedding anniversary of Mr. and Mrs. Norman Flamo and the birthday of Ted Flamo.

Mr. and Mrs. Roy Wedin, Ray and Laurence Wedin, Ray Westberg, Mr. and Mrs. Clinton Olson and daughter, Mrs. Beckvold, Junior Johnson and Yvonne Eikum spent Sunday at Lake Chatcolet.

Wednesday afternoon callers of Mrs. Don Linehan were Mrs. Marion Holben and family and Mrs. Walter Erickson and children.

Mr. and Mrs. Victor Danielson and Beverly and Mr. and Mrs. Oscar Danielson and family had a picnic dinner at Robinson Park Sunday.

Mrs. Harry Egland entertained the Genessee Valley Ladies Aid at the Parish hall Thursday afternoon. Mrs. Victor Danielson and Mrs. R. E. Norby gave the reports of the circuit convention of the Ladies Aid.

Rev. and Mrs. Masted accompanied by Rev. Masted on the guitar, sang "The Love of God" as a duet. Memorial services for four members of the Aid who passed on in the last three years was conducted by Mrs. Weidin Mrs. Chas. Ingie placed the flowers in the memory vase for Mrs. Belle Hanson, Mrs. Norby placed the flowers for Mrs. Hans Iverson, Mrs. Lilly Larson for Mrs. Scheele and Mrs. Annie Danielson for Mrs. Einar Johnson. Mrs. Masted sang, "It Is Not Death".

At the business meeting it was decided to not have Aid next week owing to Memorial Day but several ladies will meet at the Parish hall Tuesday to make robes for the Junior chorus. The hostess served lunch.

Church and Sunday school at 9 a. m. and 10 a. m. Sunday.

Mrs. Lilly Larson is putting a new composition shingle roof on her home.

Mrs. Harry Egland was hostess to the Ladies League Sunday evening. Rev. Masted had the devotions. Barbara Iverson had the topic, "Spare Time". Ann Louise Luedke sang a solo, "Springtime". LaVerne Gilbertson read a poem. The League is planning a basket social for May 31 to which everyone is invited. Lunch was served by the hostess.

The Blue Bird club met with Mrs. Nels Lande Tuesday afternoon. Clothing was brought for the Holland family adopted by the club. Mrs. Weidin reviewed the book, "Mama's Bank Account" for the program. Guests were Mrs. J. P. Anderson and Mrs. James Nelson. Refreshments were served by Mrs. Lande.

### MILLIONS STARVING SLOWLY FOOD SHIPMENTS AWAITED

The hands of millions in Europe's famine areas are outstretched for food—food that isn't there, according to a report from the League of Red Cross Societies just received in this country.

The report is based on a study made by the Emergency Economic Committee for Europe, an intergovernmental agency, the American Red Cross announced in making the gist of the report public.

In a broad area, extending roughly from the North Sea and Baltic, down through Central Europe to the Mediterranean, according to the report, a group of 100 million people are ex-

isting on less than 1,500 calories per day. Actually at the present time, laborers in some areas are expected to do a day's work on 1,000 or less calories.

Average Ration The average ration consists of four thin slices of bread, five to six spoonfuls of oatmeal, a small cube of fat (not butter), one ounce of meat or fish, five spoonfuls of turnips, two spoonfuls of sugar, one ounce of skim milk and two cups of artificial coffee.

These conditions prevail in Finland, Austria and Germany, certain parts of Czechoslovakia and in the towns and cities of Hungary, Italy and other countries. It is from these

areas photographs have come of people scooping through garbage cans in hope of supplementing their meager food ration.

Large sections in other parts of Europe are little better off. Some 40 million inhabitants of parts of Yugoslavia, Greece, Rumania, Bohemia and France, and particularly in Belgium, the Netherlands, Norway, Poland, Portugal and elsewhere are receiving an average of about 2,000 calories each day.

Some Have Less As these figures are averages, this means that for each individual receiving more than his share, another less fortunate one must take a corresponding cut. In comparison to Europe the average intake in the United States totals approximately 3,300 calories per day.

The UNRRA Food commission, the report issued by the League of Red Cross Societies points out, has recommended a diet averaging 2,650 calories, in addition to other nutritive substances, as necessary for the health and full working capacity of a normally divided population. Anything falling below this affects the ability to work, increases danger of development of disease and foments unrest. "These dangers become progressively more serious as the diet is reduced further," the report states.

# MAIN STREET

## Foresight on Main Street

Guesswork has no place in railroading. On the "Main Street of the Northwest," transportation is scientific business, demanding painstaking tests, research and planning applied to vital things, small and large alike.

In this picture, a Northern Pacific test engineer reads, with a microscope, the past, present, and probable future of a pouring of steel. From the sample, he can name the temperature at which it was forged and predict how the metal will perform under practical railroad operating conditions.

Research is helping the Northern Pacific give Main Street fine transportation service.

## KILL SQUIRRELS pronto!

No trouble at all to get rid of crop destroying squirrels when you use Cyanogas. A tablespoon of Cyanogas in each burrow is all it takes—and goosby squirrels. ### FAMINE FACTS

There are no less than 11,000,000 orphans and half orphans in Europe today.

The Polish government has ordered three meatless days a week in all restaurants and butcher shops.

Mounted police were called to disperse two food riots which broke out in Lisbon, Portugal, recently.

Wheat on hand in Italy as of early April totaled only 190,000 tons. This was barely sufficient to last three weeks.

Food within the American Occupation Zone in Germany is not sufficient to sustain life, even at starvation levels.

General Joseph T. McNarney told Herbert Hoover in Berlin. Supplies on hand plus imports on the way will only allow a daily ration of 915 calories until the next harvest, he reported.

More than 80,000 children live in Warsaw's ruins where many families subsist on nothing but potatoes.

Child health conditions throughout Poland are worse than in any other country in Europe.

All grain shipped abroad from the United States must be used for direct human consumption or for seed. No export licenses authorizing shipment are made without this qualification. A follow-up check is made by representatives of UNRRA operating in famine-stricken areas.

### Birthday Surprise

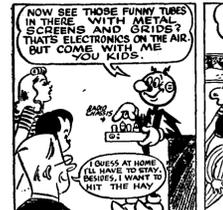

Mrs. Paul Heppner was given a birthday surprise Sunday when a birthday dinner was served in her honor by her family, and Mr. and Mrs. Hugo Gehrick and son, Alfred; Rev. and Mrs. Roland Wuest and daughter, Karen, and Mr. and Mrs. John Hoffer and daughter, Dawn.

GENESSEE HIGH SPLITS WITH KENDRICK IN GAMES HERE

Genessee high school won the first game of a doubleheader here last Friday from Kendrick, 23 to 16, but dropped a close second game 7 to 6 which went into an extra inning.

In the first game Genessee collected 16 hits to 12 for Kendrick, and put on the pressure in the second, third, fourth and fifth innings to score 2, 5, 7 and 4 runs respectively. Kendrick staged a big rally in the final inning to score 3 runs after picking up eight runs in the first six frames.

Pitching for Genessee were Johnson and Leavitt, the first going two and two-thirds innings. Kendrick had Millard and Long on the mound.

In the second game, which ended about 6:30 the two clubs were deadlocked 6-6 at the end of seven innings. Kendrick sent a runner across the plate in the first of the eighth but Genessee ran into hard luck, although getting two nice hits, and with the tying run being cut off at the plate.

Eland and Cameron did the pitching for Genessee with Medallen on the hill for Kendrick.

"Bean's Bennett, up six times in the first game, did fine, connected for two triples, one double and a single. Moser and Eiland each had three singles to their credit, and Leavitt belted one for two bases.

Bennett, Bob Liberg and Eiland hit safely twice in the second game. There were three Libergs in the Genessee infield, Bob, Ray and Jack, at one time in the second game. They batted in double play, Jack at second to Bob at short, covering second, then to Ray at first.

The team concluded the season with the following batting averages: Eiland, .440; Johnson, .425; Bennett, .407; Moser, .374; Fellet, .315; Bob Liberg, .308; Cameron, .225; Morken, .200; Leavitt, .142; Jack Liberg, .100; Springer, .083; Sackett, .072, and all others, .000. The team batting average was .203.

VETS ON-THE-JOB TRAINING
There are but few trades, if any, that cannot be learned for Veterans' On-the-Job Training. It may seem that some employment does not, in the strict meaning of the word, appear to constitute a trade, yet who is qualified to make the distinction, with fairness to all veterans? It is true perhaps, that some veterans have entered employment, heretofore not classified as a trade. These situations, however, are, in many, or most instances, worthy of review and reconsideration by the Veterans' Administration.

For instance, is becoming a trade, and has been since mechanized equipment became common on the farm. Veterans today are being qualified for On-the-Job Training in Agriculture, and rightly so. Quite a few men and women living in Latah county will find a Veterans contact man at the Post Office Building in Moscow, and if they reside in Nez Perce county, your contact officer is at the Post Office building in Lewiston. They will be glad to advise you.

Another matter of importance to the returned service man or woman is that of retaining your so-called government insurance, the insurance which you paid for while in the service. If it has lapsed you may reinstate your policy, and if you do not wish to carry the full amount, the rate may be reduced. At the present time there are no benefits except to relatives in case of death, but with earnings the National Service Insurance may someday include disability benefits.

On-the-Job Training now pays the veteran a benefit \$65 per month, and if married \$80 per month. The payment for On-the-Job for a disabled veteran, a service connected, is more than for other veterans.

Geneesee-Hampton singled, stole second, and had third taken on a close play had the Colton third baseman held the ball. He scored on an error at third. Blume went out, pitcher to first. Holben fanned. Ed Scharnhorst singled, stole second, and had third taken on a close play when the Colton catcher threw to first. Sampson went out, short to first. Two hits, no runs.

Colton-Jim Davis was out, second to first. Murray was walked. Jess Davis fanned. Kopf singled after Murray had taken third on a poor throw from the catcher. Ed Scharnhorst singled, stole second, and scored on the bad throw. Von Ruden flew out to centerfield. One hit, one run.

Geneesee-Green was safe on an error at short. Edwards singled to advance Green. J. Scharnhorst hit the third way to centerfield. Ed Scharnhorst singled and stole second, but Knight put back the engine by hitting Thyfault. Sampson had a fine day at third, hitting Ed Scharnhorst and K. E. LEWISTON EAGLES PLUCKED

Losses Feathers to Genessee
Lewiston Eagles, leading club of the Hill Division of the Lewis-Clark League and coached by Ed Scharnhorst, were plucked for third place, provided the most interesting ball game of the season Sunday when the Lewiston Eagles club defeated Genessee 8-5 loss. The Eagles' errors contributed to Genessee's scoring, but the almost air-tight ball played by the local Legion club was well worth the price of admission.

Edwards scored on the play. Sampson singled. Hampton was out, second to first. Blume hit to score Aherin and Sampson and Holben flew out to second. Two hits, four runs.

Colton-Jess Davis singled and stole second, and had third taken on a close play when the Colton catcher threw to first. Sampson went out, short to first. Two hits, no runs.

K. P. Plans Community Auction

There will be community auction sale in Genessee some time after harvest, according to an announcement by K. P. Plans, chairman of the Star Lodge, named to a committee, will assist in listing articles for sale and will act as clerks at the auction.

There has been demand for a sale for a number of years, a sale that would permit owners to dispose of personal property not actually necessary in farm operations or in other lines, but which might pass into the hands of a new owner where such articles are needed.

It has been suggested that the sale should include everything that might wish to dispose of. Bidding early will be most active on farm machinery, livestock, and household articles.

NAGEL AT MCCHORD FIELD EXPECTS TO GO OVERSEAS
Albert Nagel, who was in the army for nearly four years, and returned to the State six months ago from the Pacific theatre, and now re-enlisted, is with the air corps at McChord Field, Wash. He is expected to go overseas, but his papers and insurance records failed to follow.

Geneesee-Hampton singled, stole second, and had third taken on a close play had the Colton third baseman held the ball. He scored on an error at third. Blume went out, pitcher to first. Holben fanned. Ed Scharnhorst singled, stole second, and had third taken on a close play when the Colton catcher threw to first. Sampson went out, short to first. Two hits, no runs.

Colton-Jim Davis was out, second to first. Murray was walked. Jess Davis fanned. Kopf singled after Murray had taken third on a poor throw from the catcher. Ed Scharnhorst singled, stole second, and scored on the bad throw. Von Ruden flew out to centerfield. One hit, one run.

Geneesee-Green was safe on an error at short. Edwards singled to advance Green. J. Scharnhorst hit the third way to centerfield. Ed Scharnhorst singled and stole second, but Knight put back the engine by hitting Thyfault. Sampson had a fine day at third, hitting Ed Scharnhorst and K. E. Eiland on a nice throw to Pederson, and in the third inning caught Thyfault at attempting to steal second. Von Ruden hit the ball on Thyfault.

The Eagles put on a rally in the eighth, with Ailor being nipped by the third way to centerfield. Ed Scharnhorst grounded to Knight who had Ray grounded to Knight who had Ailor dead at the plate, but played it the third way to centerfield. Ed Scharnhorst singled and stole second, but Knight put back the engine by hitting Thyfault. Sampson had a fine day at third, hitting Ed Scharnhorst and K. E. Eiland on a nice throw to Pederson, and in the third inning caught Thyfault at attempting to steal second. Von Ruden hit the ball on Thyfault.

Geneesee-Hampton was out, short to first. Blume was safe on an error at second and went to second on a foul pitch. Holben went down, second to first. D. Scharnhorst was out on a foul fly to third. No hits, no runs.

Colton-Jess Davis singled and stole second, and had third taken on a close play when the Colton catcher threw to first. Sampson went out, short to first. Two hits, no runs.

REV. FR. KUNKEL LEAVES

Rev. Fr. J. Kunkel, who was pastor of St. Mary's church for the past year and a half, and who left Friday for an assignment at Idaho Falls, was tendered a farewell party Sunday evening, given by the parish at the K. C. Hall.

A large number attended the party and enjoyed an evening of cards. Prizes for the ladies were won by Mrs. John Kluss and Mrs. Roger Baxendale and for the men by Mrs. Esser and Ed Bielenberg. A general cruise was presented Fr. Kunkel as a farewell gift.

CLOUDBURST HITS KENDRICK
DAMAGE MOUNTS TO \$150,000
Damage resulting from a flash flood which came down Brady Gulch and struck Kendrick, may mount to \$200,000 or more, as it is impossible to estimate losses at this time, especially to crops and highways.

The storm hit American Ridge at about 10 o'clock Sunday evening. It was noticed that a heavy black cloud appeared east of Genessee, and soon thereafter rain began falling here. The rain appeared general, and it came as a surprise that such a severe downpour of rain was hitting the Kendrick area.

A fairly large ranch home belonging to Harry Langdon located in the north of the flood, was moved about 40 feet after the occupants of the residence had been warned of the approaching danger. Other buildings at Langdon ranch were moved and damaged, and the McDowell home in the northern part of Kendrick was swept away.

According to one who viewed part of the damage, but whose name was not given, the damage was extensive. The debris covered the Kendrick hill top to a depth of about two feet, and water and mud left their marks in several homes. One truck was completely destroyed and other buildings were damaged. The rest of the vehicle was a heap of twisted metal and was completely destroyed and all highways affected by the storm were impassable Monday.

CIVIC CLUB MEETING JUNE 5
DOCTORS' BUILDING SUBJECT
As many as possible are requested to attend a meeting of the Civic Association Wednesday evening, June 5, at the Knights of Pythias hall. A committee named to secure a doctor and dentist for Genessee has a report to make at the meeting. The committee desires to consult the entire Association and perhaps have one or two representatives to meet with those attending the meeting.

Building at the present time is at the site of the new building. The committee has an alternate plan to submit to the Association, if their efforts meet with success over the week end.

The army and navy are not demanding that all young doctors report for duty after completing internships, and there is a move announced to release a number of dentists from the services to be replaced by recent graduates.

The Civic Association has not announced who will prepare and serve the dinner the evening of June 5.

UNIONTOWN HERE SUNDAY
Uniontown is scheduled to meet the Genessee Legion ball club here Sunday, June 2, weather permitting. The game will be played at the Genessee ball park. It is expected that the Genessee ball park is under about an inch of water and is draining slowly. Another rain on Thursday and Sunday would make it necessary to call off the game, or play it elsewhere, with the alternate five likely to meet with opposition.

However, if weather continues favorable the game will be played as scheduled and will bring together two clubs which have a great deal at stake. Genessee could tie for second place with a win, and Pullman has a chance to tie for second place. Colton could go into undisputed second place on a win, and Pullman could tie for second place on a draw. The Sunday next, Palouse, however, with but one win and four losses will not provide much of a threat to either club in the division. Two teams will represent the Hill Division in league play-off at the end of the season.

Genessee played some good ball last Sunday, and the club's hitting has improved, and if Scharnhorst, Knight show up with their usual pitching, Uniontown does not have a cinch of winning. The alternate five likely to meet with opposition. However, if weather continues favorable the game will be played as scheduled and will bring together two clubs which have a great deal at stake. Genessee could tie for second place with a win, and Pullman has a chance to tie for second place. Colton could go into undisputed second place on a win, and Pullman could tie for second place on a draw. The Sunday next, Palouse, however, with but one win and four losses will not provide much of a threat to either club in the division. RAIN BENEFICIAL TO CROPS
GROUND TAKES MOISTURE
Northern Idaho and eastern Washington received a beneficial rain Sunday night and Monday, and with weather remaining unsettled there is a chance of more moisture, although it is not needed at this time. Rain fell freely Sunday night over a wide area, causing untold damage in the Kendrick area but giving the farmers in this territory just what they wanted. Crops were not suffering for moisture although prospects have been brightened greatly with the weeks' precipitation. Top-soil moisture had disappeared owing to continued wind, and sub-soil moisture so necessary for production of grain crops has received replenishment, sufficient to produce crops with no further rain, providing there are no hot winds and no extremes of temperature during June and July. Quite a few spring-seeded fields were showing up uneven, although some were germinating well. Fall wheat looks exceptionally good and spring wheat, barley and oats are coming along well. Farmers here have always welcomed a June rain, but the rain which came late in May has filled every expectation. There was some erosion, always noticeable, but the damage compared to benefits is nothing in the Genessee territory.

LT. LORANG DOWN AT SEA
An Associated Press dispatch from Tokyo dated May 23, which would be May 27, our time, stated that Lt. Robert Lorang was missing after a crash landing in the Philippine Sea. The United States Fifth Air Force today revealed the names of two flyers presumed drowned after their plane plunged into the sea 15 miles north of Ashiya, Kyushu, May 22. They were Robert H. Lorang, son of Henry H. Lorang of Genessee, Idaho, and Flight Officer Samuel Soto of Los Angeles, Calif. Living here, and other members of the Lorang family here have received no word to date from the Department of Defense. The telegram received May 21 which stated he was missing since May 16. Henry Lorang, a patient at Parkland Hospital, expects to be moved to the hospital at Walla Walla, Wash. Farragut facility closes this week.

Brother of Mrs. Swenson Dies
Mrs. Hannah Swenson received a telegram Thursday of last week informing her of the death of her eldest brother, John Oursland, 72, of Astoria, Ore. Besides his sister, Mrs. Swenson, the deceased is survived by another sister, Mrs. Ellen Smyth of California, and seven brothers, Ed and Martin of Spokane, Chris of San Diego, Henry of Los Angeles, Geo. of Summers, Mont., and Joe and Elias of South Dakota.

Awarded 50-Year Certificates
Fred Nagel, Genessee, and James Wright, Lewiston, were presented 50-year certificates of memberships and lapel emblems at a meeting of Unity Lodge of Masons last Thursday evening. The presentation was made by Marcus Ware of Lewiston, Masonic grand master.

Ladies of Lily Chapter, O. E. S., served a dinner preceding the lodge session. Twenty-five visitors were present.

MEMORIAL DAY
Sleep on a thousand years victorious dead
In far-fung places where you fought and fell,
By Okinawa's shore or under poppies red,
Sleep in peace you loved your country well.
You died that we might live and learn to know,
How sweet and all too dear is liberty,
Not till the tides of time shall cease to flow,
Will fade from us your hallowed memory.
The blossoms and thro snow will ever live
A blessed remembrance thro the passing years,
And generations yet unborn shall give
You homage thro a grateful nation's tears.
-Bert Gamble.

**NEW BUILDING IS FAVORED FOR DOCTOR AND DENTIST**

Members of the Civic Association attending a meeting at the Firemen's hall Wednesday evening remained in session until midnight to make a decision and formulate plans for a medical building at Genesee. With building materials difficult to obtain, and a desire to hasten provisions for a doctor's office, the committee named by the Civic group submitted a plan to purchase one of the nearby school buildings, more it to Genesee and place it on a semi-residence lot, so that the building could serve as a residence when a new medical building was possible. Lloyd Esser presented figures on probable costs of purchasing, erecting, remodeling, and plumbing. Many members were of the opinion that such a building would not be adequate, and the cost of moving and remodeling would not be justified.

**Plan New Building**

The group finally agreed that one person would be named to receive funds for a building, and if sufficient money should be raised, a building association would incorporate and proceed with construction. Carl Simons was named as treasurer, and each member was asked to cooperate in providing funds. It was provided that the building should be used for any other purpose than for a building, and should the amount raised be insufficient for the size and type of building needed locally, the money contributed will be refunded. Preliminary expenditures will be from the many subscriptions obtained at a prior Civic Association meeting, and any payments which have been made since. There have been no expenditures to date as members of the Association contribute their time and services.

**Everyone To Be Contacted**

Everyone realizes the need of suitable quarters for a doctor and dentist in this community, and there is no alternative but to build. Doctors' offices everywhere are in such a state of disrepair that it is difficult to obtain and seldom will a doctor from a nearby town answer a call to Genesee. Too, it is not unusual for a patient making a trip to a doctor located in another town, and there is the uncertainty of the quality of service. We fully realize the situation, and response to the proposal for a new building is practical and a demand that something be done here. There is considerable mention of group medical attention, which will not come until adequate offices are provided, and the community cannot be certain of maintaining satisfactory medical and dental service until quarters become available.

The Civic Association will receive orders for donations and subscriptions, the latter to be rapid as results on the building make it possible. There appears to be a sufficient number willing to provide the funds, and there are some who contemplate a fairly large building, with two or more rooms for patients. The size and materials to be used, will of course depend upon the amount of money subscribed within the next few weeks. The plans are to make the building corporation a community-wide enterprise, and it was suggested that the family have some stock issued for each \$25 subscribed. The small amount was agreed upon to permit everyone to participate in the program, but it is evident that such small subscriptions will not provide sufficient funds.

**Drive Starts Today**

Subscriptions and donations will be received by Mr. Simons starting today (Friday). He requests that anyone who can donate or subscribe will determine what the proposed building shall be. It was noted at the meetings that all residents of the community are vitally interested, and the benefits will be shared by all. The small doctor's office, with unsanitary conditions and inadequate equipment is gone. The health of the residents and the community is essential, and if an adequate building is provided, the needs, not only of those living here, but of future generations will be properly cared for.

**Committee For Air Strip**

Ed Morken, president of the Association, after hearing argument on procurement of land suitable for an air strip appointed a committee to make a survey of the state aeronautics department will be advised of local action. There is considerable sentiment for a landing field here, and it was pointed out that not many years ago some people scoffed at the suggestion of good roads for automobiles and the automobile, and vehicle travel, supporting their belief that the car and truck were not here to stay. Now all men of vision are urged to assist in the registration books close immediately. Registration books close June 8 at 9 p. m. Mrs. Alaina Hayden is the registrar for Genesee precinct.

The equipment, parked on the main street required 125 feet of space, and it was estimated by those in charge that the cost of the equipment would be approximately \$150,000.

Walt Jain of Lapwai visited last Thursday with Dan Pederson.

**MOSCOW JUNIORS HERE JUNE 9**

Renewing acquaintance again on the baseball field, the Moscow Junior Legion baseball club will meet the Genesee club here Sunday afternoon at 2 o'clock. Art Klamm who is managing the younger boys will have the services of Don Johnson and Ed Morken missing from last Sunday's lineup. This game will be the first meeting of Moscow and Genesee Legion Junior teams in eight years. Moscow fielded a team for two years, and it will be remembered that the games were very good between Genesee and Moscow. The boys in those games, however, and by very close scores, all less than a total of 5.

**LEGION JUNIORS LOSE 9 TO 6 WITH COLTON THE VICTOR**

Genesee's Junior Legion baseball program, reactivated after a four-year lay-off, saw the local boys lose a practice game to Colton Sunday morning 9 to 6.

George Follett started on the hill for Genesee, and got by four men in the first inning with one strikeout and two fly balls to second base, but a run was scored in the second inning on a base on balls and a hit. Two base on balls and two hits in the fourth gave Colton a brace of four runs, with Cameron taking over the pitching. He went along brightly until the fifth when three men were walked, two hit safely and a bad error by catcher Ed Egan. Has further and Egan had Colton scoreless in six and seventh.

Genesee went to work in the first inning with Sackett drawing right hits on balls. Moser hit for two bases to score Sackett, and Bob Lirberg hit into right field to score. Blume did Genesee score once in the third on a hit by Bob Lirberg, who advanced on Egan's single, and went in to Scharnhorst safe home.

In the fifth Egan was on by a safety, stole second and scored on hits by Tom Dresler and Dan Pederson.

The sixth frame saw Moser hit for one base and Bennett take first on a hit by Tom Dresler. Moser scored and scored on Egan's grounder through first.

**Fire Controlled at Nelson Home**

A fire alarm at 8:30 Tuesday evening sent many men to the Adrian Nelson home east of Genesee, and an oil stove failing to function properly, threatened destruction. The oil control had apparently been turned off in the morning but had not been lighted. There was an excessive amount of oil in the burner, and a spark from the burner had ignited the fuel in the evening. Several attempts were made to light the fire, with the attempt being successful. The stove was unable to handle combustion of excess fuel, and the fire leaped out lower part in the burner. A great deal of smoke was issuing from the chimney, and Mrs. George Erickson, from her home, 1100 N. Main, had been notified. Nelson home. The alarm was given, and Joe and Richard Broemeling, first in, had already on account of Nelson home. The fire was given, and Joe and Richard Broemeling, first in, had already on account of Nelson home. **Students Home**

Miss Dorothy Weber arrived home Tuesday from the University of Idaho, having completed her second year at Holy Names Academy.

Miss Edna Edwards, student at Lewiston Normal came Wednesday and plans to spend part of the summer here.

Miss LaVonne Denow arrived on Monday from Tacoma, Wash., where she attended the fifth Lutheran College for her first year.

Arriving home this week from the University of Idaho at various times were Misses Mary West, Mary Magee, Beverly Anderson, Shirley Hammond and Bonnie Kuehl, and A. Great Cathedral, based on Edna's 2:19-22.

8:00 p. m., Brotherhood meets in second story parlors. All men of vision are urged to assist in the registration books close immediately. Registration books close June 8 at 9 p. m. Mrs. Alaina Hayden is the registrar for Genesee precinct.

The Church Council will hold a meeting Monday evening at 8. This will be a very important meeting and all members are urged to be present.

The second and final week of Daily Vacation Bible school will be held Monday through Friday, June 10 to 14, from 9 to 11:45 every morning. A fine large turnout was in attendance during the past week, but any children who have not yet enrolled are invited to enroll for the final week of instruction.

Members are urged to bring along the large wrecker from Lewiston to Moscow.

The equipment, parked on the main street required 125 feet of space, and it was estimated by those in charge that the cost of the equipment would be approximately \$150,000.

**Fire Controlled at Nelson Home**

A fire alarm at 8:30 Tuesday evening sent many men to the Adrian Nelson home east of Genesee, and an oil stove failing to function properly, threatened destruction. The oil control had apparently been turned off in the morning but had not been lighted. There was an excessive amount of oil in the burner, and a spark from the burner had ignited the fuel in the evening. Several attempts were made to light the fire, with the attempt being successful. The stove was unable to handle combustion of excess fuel, and the fire leaped out lower part in the burner. A great deal of smoke was issuing from the chimney, and Mrs. George Erickson, from her home, 1100 N. Main, had been notified. Nelson home. The alarm was given, and Joe and Richard Broemeling, first in, had already on account of Nelson home. The fire was given, and Joe and Richard Broemeling, first in, had already on account of Nelson home.

**Students Home**

Miss Dorothy Weber arrived home Tuesday from the University of Idaho, having completed her second year at Holy Names Academy.

Miss Edna Edwards, student at Lewiston Normal came Wednesday and plans to spend part of the summer here.

Miss LaVonne Denow arrived on Monday from Tacoma, Wash., where she attended the fifth Lutheran College for her first year.

Arriving home this week from the University of Idaho at various times were Misses Mary West, Mary Magee, Beverly Anderson, Shirley Hammond and Bonnie Kuehl, and A. Great Cathedral, based on Edna's 2:19-22.

"KEEP IDAHO GREEN"

It's fishing time... fire time too... with a vengeance. Range and forest areas are unusually dry, RIGHT NOW, because of an early spring and little rain. This means that every fisherman, every vacationist, every picnic party that visits the forests must be extra careful with fire.

Carelessness with fire is foolish, but old habits assert themselves. Check up on your habits with matches, cigarettes and fire BEFORE you go fishing or visit the forests for an outing.

Improvements Continuing

The main business street of Genesee is undergoing a real face-lifting this spring. Carl Simons has completed the new concrete sidewalk and the frame is ready to receive the large glass windows. The front of the building above the windows and up the second floor has been covered with fibre siding, and soon the new fire department building will be high by presence of Fred Nagel.

David Kuehl has applied to a new roof to the store building which he occupies and which he recently purchased from Fred Nagel. The unsightly front of the old gym will soon undergo a change, and the broken windows in the west wall will be replaced. Mr. Eich, who now owns the building plans to remove the rear portion of the building.

On other streets the new addition to the Texaco Service Station is well under way, and an addition is being built to the garage building belonging to Art P. Jones.

Work is about complete on the remodeling of the John Liberg home, making it one of the most attractive homes in Genesee. The new Genesee Union elevator is moving ahead slowly at the present time with shafting of steel spouting holding up operations. The Shoshone Construction Company, successful bidders on the strip of highway and South highway from the Mervyn place to the Kasper place, is on the ground, preparing to start construction.

**GENESSEE VALLEY NEWS**  
Well, another holiday and weekend took its toll with nearly four hundred people who were out to have a little recreation who didn't get back to their homes. Car accidents took the most lives. We have never seen so much fast and reckless driving as we have seen the last few months. The old adage, "haste makes waste" still holds and we should wake up and say, "Better safe than sorry."  
The Horse  
Oh horse, you are a wonderful brute, No buttons to push, no horns to toot. You start by yourself, no clutches to slip.  
No spark to miss, no gears to strip, No license buying every year, With plates to screw on front and rear.  
No gas bills climbing up each day, Stalling to push, no horns to toot. No spurs to cope chugging in your rear, Yelling summons in your ear. Your inner tubes are all okay.

**Vote for "BOTT"**

**Bottolsen**  
For GOVERNOR

- The ONE man QUALIFIED by experience and training for the office.
- He left Idaho in 1944 free of debt, with a \$4,500,000 surplus and the lowest tax levy in 20 years. And he gave us the \$5.00 Auto License.

**Vote For a WINNER**  
"Bott" received 102,000 votes in the last election. Don't run the risk. Remember it's 4 years.

And bless my soul, they stay that way.  
Your spark plugs never miss and your motor never makes one miss. Your frame is good for many a mile. Your body never changes style. You want a few and easy met-You've something on the auto yet.  
Thirty-one children enrolled in the Daily Vacation Bible school at the Valley church. Mrs. Victor Danielson, superintendent of the Sunday school in charge, with Mrs. R. E. Nordby, Beverly Anderson, Donna Eglund, Marjorie Hutton and Joyce Danielson, assistants.  
Church and Sunday school Sunday and Ladies Aid June 13 at the Parish hall.  
Alfred Gehrke left Sunday for Baltimore, Md., where, on June 16, he will be married to Miss Ida Graf. They will live on the Gehrke farm.

**WEATHER AND SHORTAGES DELAY CONSTRUCTION WORK**  
 Problems confronting contractors building the new Genesee Union Warehouse company east-end elevator have been numerous and somewhat serious. First, water was struck which necessitated a much deeper and wider base, and for the past week or ten days delay in arrivals of reinforcing steel have held up construction. With nearly a full crew of men ready to start pouring concrete, the contractors have kept the men busy in preparatory work, much of which could have been passed up if steel had arrived on schedule. The builders, always uncertain of steel deliveries, dared not start pouring until all steel required was on the site. Once the building begins to rise there can be no stoppage of form movement in excess of a few hours.  
 Contractors and officials of the Warehouse company were assured that steel would be delivered early this week, and concrete work was expected to get under way Wednesday. A delay occurred, however, and now pouring of concrete is scheduled for Friday, barring unforeseen problems and providing that all steel arrives before Friday.  
**Road Builders Delayed**  
 The Shoshone company, having a contract on construction of a section of the North and South highway, from the Mervyn place to the Matt Kasper place, have been held up almost continuously by wet weather, and as delays continue costs of machinery and equipment rentals continue to mount.  
**LEGION JUNIORS TO MOSCOW**  
 The Genesee Legion Junior baseball club, twice held up by rain, will try to play at Moscow Sunday afternoon with the Moscow Juniors. The game will count in standings between clubs in the Second district.  
 Art Klemm, manager of the local Junior Legion club, has been contacted by officials of the Lewiston district championship without playing any games. Klemm was prepared to use some pretty strong language, for he, like many others, feel that the baseball program of the Legion is sponsored to develop ball players and provide recreation, while the party who called from Lewiston seems to believe that Junior baseball championships are the only things which count. There are many who do not approve of Lewiston's attitude in Junior baseball. Lewiston has always taken the pick of Lewiston and Clarkston boys, while other Legion posts stick to their own territory.  
 It is believed that local Junior baseball officials will demand that the full schedule be played, win or lose.

## GENESEE LOSES TO EAGLES. PALOUSE TAKES UNIONTOWN

Genesee Legion ball club was eliminated Sunday for a possible second-place tie, in a game with the Lewiston Eagles, played at the Normal field in Lewiston. Uniontown was assured of second place despite its loss to Palouse at Palouse 3-2, with the Eagles firmly in first place. Score in Sunday's game, 6-7 for the Eagles.

Genesee played a ten-man Eagles club Sunday, however, with Umpire Miltenberger a valuable man to the Lewiston club. Dick Scharnhorst, Genesee catcher, had the home plate well blocked in the fifth inning to tag a runner coming in. Edwards, at second, whipped the ball to Scharnhorst, and at the plate the Lewiston runner went over the receiver's shoulder. The ump explained that the runner sneaked his foot into the plate. The fact is: The runner could not have sneaked into the plate on a dark night, so well was the play blocked off.

Scharnhorst and Knight were the pitchers for Genesee, with the former being touched for but three hits in six innings, and Knights gave up one hit in three innings. Walker, for the Eagles went five innings on the mound and gave up seven hits, while his relief, Stewart, who pitched four innings, was hit three times.

Scharnhorst for Genesee was liberal on walks, with eight. Walker and Stewart for Lewiston walked six.

Stan Green, Genesee center fielder, connected for the longest hit of the game, a three-bagger, into left field.

**First Inning**  
Genesee—Sampson fanned. Hampton flew out to short. Blume singled. Pederson flew out to first.

**Eagles—**Thyfault grounded out, pitcher to first. Lovejoy was out, short to first. S. Kuykendall flew out to third.

**Second Inning**  
Genesee—Edwards walked. Dick Scharnhorst sacrificed to put Edwards on second. Green was hit by the pitcher. Broemeling walked to fill the bases. J. Scharnhorst fanned.

**Eagles—**Minette walked. Ailor was struck out. Karshen walked. J. Kuykendall hit to right field to score Minette. Darst flew out to second and Kuykendall was out before he could return to first. A double play.

**Third Inning**  
Genesee—Sampson was called out on strikes. Hampton went down, short to first. Blume singled. Pederson flew out to third. Edwards singled and D. Scharnhorst went out, short to first.

**Eagles—**Walker took first on an error by the catcher. Thyfault grounded to short for a force-out of Walker at second, and on the throw from second to first Thyfault was out on the double play. Lovejoy drew a walk, and took second on an error. S. Kuykendall singled with Lovejoy scoring. Minette went down, second to first.

**Fourth Inning**  
Genesee—Green walked. Broemeling was safe on an error at short. J. Scharnhorst flew out to short. Sampson singled to score Green. Hampton flew out to center. Blume singled to score Broemeling. Pederson walked. Edwards flew out to third.

**Eagles—**Ailor fanned. Karshen walked. J. Kuykendall flew out to center field. Darst was out, third to first.

**Fifth Inning**  
Genesee—D. Scharnhorst singled. Green hit for three bases to score Scharnhorst. Broemeling went down, second to first. J. Scharnhorst was safe on an error at second. Sampson was out, short to first. Hampton fanned.

**Eagles—**Walker fanned. Thyfault singled and took second on an error. Lovejoy was walked. S. Kuykendall grounded to second with the play being made at the plate to catch Thyfault. Minette was safe on an error. Lovejoy and S. Kuykendall scored. Ailor was out, pitcher to first and J. Kuykendall fanned.

**Sixth Inning**  
Genesee—Blume was out, short to first. Pederson walked. Edwards grounded to short to force Pederson at second. Scharnhorst singled, and Green flew out to left field.

**Eagles—**Darst walked and took second on an error at second. Stewart in for Walker, fanned. Thyfault walked. Lovejoy was out, pitcher to first. S. Kuykendall was safe at first when he collided with Hampton who dropped the ball. Darst scored on the play. Minette was out, pitcher to first.

**Seventh Inning**  
Genesee—Knight entered the batting order for Broemeling, and singled. J. Scharnhorst was out, pitcher to first with Knight going to second. Sampson singled. Hampton grounded to short, with Knight being called out at the plate. Sampson scored

## FOSTER-ROSSEBO

Lewiston Tribune—The marriage of Miss Alice Foster, daughter of Mr. and Mrs. Charles Foster, Fifteenth and Libby, Clarkston, to Levi Rossebo of Genesee, June 21, at Trinity Lutheran church at Coeur d'Alene was announced Monday.

Mrs. Rossebo was a teacher in the Palouse schools and Mr. Rossebo is a prominent farmer of Genesee, where they will make their home.

The ceremony was performed by the Rev. Edwin Ostroot. The bride wore a navy blue suit with a corsage of gardenias.

A wedding reception was held at the home of the bride's parents, with 22 guests attending. The couple left on a week's trip to Seattle and Bremerton.

## BERSHAW TAKING PRINTING AND BOOKBINDING AS A G. I.

Wayne Bershaw, who receives his mail at 5523 Brooklyn Avenue, Kansas City 4, Mo., writes the following: "Dear Pete:

"Thought I had better drop you a line. Guess it has been a long time. I really have missed The News. Am finally settled and am enclosing a couple bucks for The News, to be sent to the above address.

"After searching high and low for some kind of trade to get into, I have finally decided on one, and believe it or not, I'm going into the printing and bookbinding trade. It's a very good deal under the Vets Training program. I am eligible for four years' of school or training, and the course is a four-year apprenticeship.

"It's getting mighty hard to find a trade that doesn't already have its quota of trainees, and schools that are not filled for years to come. Even tried to enroll in the Midwest Dental College here in K. C., but they have no openings until 1949. Colleges and universities are all full for the fall term already.

"Helen and Sandra Lou are both fine. Am enclosing a snapshot to show you what a big daughter we have.

"It has been quite warm here the past two weeks. It was up to 102 a few times, but rained all day today. "Well, Pete, guess I'll close for this time. Will be looking forward to the News.—Wayne."

## DEL KAMBITSCH HOME

T/5 Delbert Kambitsch arrived home Saturday from Fort Sill, Okla., for a 15-day furlough, travel time included, to visit his parents, Mr. and Mrs. Anton Kambitsch, and brother, Loren Kambitsch, at Lewiston.

Weather has been extremely hot in Oklahoma in recent weeks, with grain harvest finished several weeks ago. Wheat growers in the immediate vicinity of Fort Sill had prospects of a good crop until infestation by a green bug caused serious crop deterioration before the grain began to ripen. Travel conditions by train remain crowded, with many people on vacation trips, or just traveling to recreation spots or to make visits with relatives and friends whom they had not seen for several years owing to war restrictions.

## COLTON HERE SUNDAY

Sunday afternoon at 2:30 Colton and Genesee, Lewis-Clark league entrants, play their final game of the regular schedule. This game will be at Genesee. Colton, in a previous engagement beat out Genesee by one score in a free-scoring game, 16 to 15. Neither team has anything at stake Sunday, as both clubs are out of the running, but Genesee would like to even up the games won and lost, by taking the visitors.

from third on a wild pitch. Blume was out, short to first.

**Eagles—**Ailor flew out to right field. Karshen was out, short to first. Rack, replacing J. Kuykendall, went out, pitcher to first.

**Eighth Inning**  
Genesee—Pederson walked. Edwards fanned. Pederson stole second. D. Scharnhorst was out, short to first. Green walked. Knight was out, third to first.

**Eagles—**Darst flew out to center field. Stewart went down, pitcher to first. Thyfault, was out, second to first.

**Ninth Inning**  
Genesee—Holben, replacing John Scharnhorst, fanned. Sampson was out, short to first. Hampton went down, second to first.

**Eagles—**Lovejoy went down, pitcher to first. S. Kuykendall singled. Candler for Minette was safe on an error behind the plate after a third strike. Ailor was safe on a fielder's choice with an error at third permitting Kuykendall to score and break a 6-6 tie.

## MISS CATHERINE LINEHAN IS BRIDE OF PHILADELPHIA MAN

Miss Catherine Linehan, daughter of Mr. and Mrs. A. C. Linehan became the bride of Mr. Jack Lavery of Philadelphia, Pa., Saturday morning, June 29, at 10 o'clock at St. Mary's Catholic church, with the Rev. Fr. B. McBride officiating at the double-ring ceremony and reading the nuptial mass. The church was beautifully decorated with spring flowers.

The bride, who was given in marriage by her father, wore a floor-length white satin dress and finger-ring veil. Her corsage was of gardenias, roses and carnations. Attending the bride was her sister, Lieutenant Bette Linehan, who was attired in a floor-length dress of red and white with matching head dress. Her corsage was of red and white roses. Mr. Lavery's attendant, was Don Linehan, brother of the bride. Joan Linehan and Ann Becker were flower girls and Raphael Linehan was usher.

Mrs. Alfred Hasfurther played for the wedding and during the nuptial mass Mrs. James Rabdau sang, "Ave Maria," "Mother of Christ" and "Panis Angelicus."

Following the ceremony a wedding dinner was served at the home of the bride's parents. A beautiful tiered wedding cake, decorated with flowers and miniature bride and groom, centered the table at which were seated Mr. and Mrs. Jack Lavery, Rev. Fr. B. McBride, Mr. and Mrs. A. C. Linehan, Mr. and Mrs. Don Linehan and daughter, Joan; Mr. and Mrs. Raphael Linehan and Mrs. Elizabeth Linehan. Seated at small tables were Mr. and Mrs. Stanton Becker, Dale and Ann Becker, Mr. and Mrs. Ernest Becker, Mr. and Mrs. Henry Halverson, Mr. and Mrs. Wm. Cunningham, Mrs. Helen Sanford, Mrs. Henry Flerching, Mrs. J. W. Bartruff, Miss Edna Driscoll and Mr. and Mrs. Harold Haymond. Misses Shirley Haymond, Phyllis Magee and Marie Hoorman assisted in serving the guests.

Mr. and Mrs. Wm. Cunningham, celebrating their second wedding anniversary Saturday were remembered at the dinner and reception with a lovely gift. Mrs. Lavery is a niece of Mr. Cunningham.

Mrs. Lavery is a graduate of Genesee high school and of the Sacred Heart School of Nursing, Spokane. She served as a member of the Army Nurse Corps three years as a first lieutenant. She was first stationed at Camp Stoneman, Calif., then Fort McDowell, Angel Island, Calif. She was one of three Linehan sisters in the Army Nurse Corps, and was separated from the service January 7, 1946. Lt. Bette Linehan is stationed at Bruns General Hospital, Santa Fe, N. M., and Major Marjorie Linehan is at Manila, P. I.

Mr. Lavery served with the army for six years and was on duty in the Pacific theatre for three years.

The newly-married couple left early Thursday morning for Philadelphia where they will make their home.

## Attend Funeral Services

Among those from out of town attending funeral services for the late Miss Esther Martinson Thursday of last week were Mr. and Mrs. Chris Holm of Deary, Mrs. Michael Larkin, Misses Mary and Katherine Larkin, Rev. Fr. Joy, Mrs. Bertha Bressler, Miss Adeline Bressler and Mrs. Jake Hopp of Spokane; Mrs. Johanna Nelson of Bear Ridge, Mr. and Mrs. W. H. Rosenau and Willard Rosenau of Winona, Dr. and Mrs. N. M. Leavitt, Miss Dollie Smith, Miss Phyllis Magee and L. G. Peterson of Moscow, Mrs. Lilly Aherin, Mr. and Mrs. Ed Erickson and Mr. and Mrs. Edgar Evans of Clarkston, Mrs. Joe Tobin, Miss Margaret Tobin and Miss Hazel Ouse of Lewiston, Mr. and Mrs. Ray Archer and Mr. and Mrs. Alfred Crumacker of Pomeroy and Mrs. Fred Childer and daughter, Honey Lu, of Coeur d'Alene.

## NEW ELEVATOR MOVING UP AT RATE OF 9 FEET A DAY

Pouring of concrete started Friday of last week for the new Genesee Union Warehouse company 300,000-bushel elevator at the east end, and by Wednesday evening this week the structure reached the 50-foot mark. Concrete poured by the shift Wednesday night should see the forms at the 54-foot level, slightly less than half the total height of 114 feet to the top of the bins level. Each shift has poured approximately four and a half feet of concrete per day, despite the inclement weather of the first few days when rains made work disagreeable. Once pouring of concrete began there could be no stoppage, except the hour lay-off between shifts when leveling was done and forms checked for plumb.

The elevator, 88 by 42 feet, will have numerous square bins, and a completely new equipment, with two dump stations, and rapid elevating belts. Undoubtedly the most modern grain storage plant in the Inland Empire, the new elevator will bring grain storage for the Genesee Union Warehouse company to over one million bushels, bulk.

Cost of the new structure will exceed that of the last unit constructed at the west end by nearly one hundred percent, but the added storage space should meet the demand for all time, provided grain and peas move regularly into trade channels. With each new storage unit stockholders have felt that sufficient storage space was provided, but in each subsequent building program, space was provided for bulk grain which was necessary by the decided trend toward bulking all grain and peas. When the Union first began operating there was a small amount of bulk grain handled, and that came from stationery outfits operating in proximity of the warehouse. As the years passed and with grain all harvested by combines few growers prefer to sack. Better roads and faster and larger trucks have made the bulking process of handling grain more desirable, and with sacking almost obsolete, the day of the sack sewer has practically disappeared. His services, however, continue to be in demand for certain varieties of peas grown on contract from some of the pea companies. His services, also, are still in demand at elevators and warehouses where often the crop is delivered in bulk and then sacked for storage awaiting processing or shipment. Sack sewing machines are also replacing the manual stitchee.

Grain sack sewing and those who were proficient at the trade, rather the art, may some day be a forgotten vocation, but it will long be remembered how much in demand were the men who could wield a sack needle. With their passing also goes a lot of back-breaking labor. Big and small men, it made no difference, handled the heavy sacks for long hours, day in and day out, through a tedious harvest season, sometimes wondering why they ever took a needle in hand, yet they were always back on hand the following harvest.

Sack sewing was not the subject of these paragraphs, but with concrete grain tanks rising, fewer and fewer bushels of grain and peas will be sacked. The present generation may witness the last of the sack sewers, and it may be that the coming generation will heed a demand for more bulk storage space here at Genesee.

A lot of hard work is going into the present concrete elevator. There are not many older men on the job. Most noticeable among the raiment of the workmen are parts of uniform worn by men of the armed forces, which suggests that the greater number of workmen have seen service. The older men are taking the work in stride, handling sacks of cement that become weighty before the end of each ten-hour shift. The finishing trowel too, may be just a bit harder to push around at the end of day, or the carpenter's hammer may weigh twice its actual weight after several hours of work. However, young men, older men, and several high school boys are wheeling the concrete buggies, turning the jack screws for the slip forms, or otherwise engaged on the building.

Construction of a large elevator by the slip-form method is fascinating. The men work smoothly after the first day or so, and when a man fails to report for work, another man always seems ready to take his place.

All men obey the whistle, reporting top-side the structure or wherever their job may be, and none seem reluctant to heed the signal to cease labor.

Men and boys placing the reinforcing steel move quietly about the deck. There is no confusion nowhere. A concrete buggy may make a rapid descent and necessitate a few repairs, but the work goes on.

With progress made up to Thursday morning the 114-foot mass of concrete should be finished in another week, say July 10 or 11. A concrete slab will then be poured to form a roof, and atop this will rise the headhouse of about 40 feet in height, making the total height approximately 150 feet.

## Contact Representative Visits

Various phases of the GI Bill and provisions of other laws affecting the veteran, administered by the Veterans Administration, will be explained by James A. Daily, contact representative of the V. A. upon his regular weekly trips to Genesee, and other points in the county. He will be at Genesee Wednesday of each week from 9 to 10 a. m. Aid will also be given veterans, their dependents or beneficiaries in applying for any of the rights and benefits to which they may be entitled.

## MISS KATE FITZPATRICK

James Rabdau received word Wednesday morning of the death of his aunt, Miss Kate Fitzpatrick, who with his mother, Mrs. Mary Rabdau had been making their home in Lewiston. Leaving Lewiston over two weeks ago for Tacoma, they were visiting relatives when Miss Fitzpatrick became ill last Saturday. She was taken to St. Joseph's hospital in Tacoma and died at 7:25 Wednesday morning.

Primary purpose of the trip to Tacoma by the two sisters was to observe the eighty-sixth birthday anniversary of Miss Fitzpatrick, which occurred June 21 and which was also the birthdate of a grand nephew.

James Rabdau left immediately for Tacoma and the family here expected that rosary services would be Friday evening with funeral services Saturday morning at 9 o'clock from St. Marys church, Genesee.

## GENESEE LEGION JUNIORS WALLOP MOSCOW JUNIORS

Genesee's newly organized Legion Junior baseball club piled up ten runs in the first inning of their game with Moscow Juniors at Moscow last Sunday afternoon, and proceeded to win 18 to 9.

Lefty Leavitt, formerly of Genesee, was liberal with his offerings of hits in the first frame when the ten runs were scored, and he retired in favor of Broenneke. Johnson handling pitching duties for Genesee went the entire game, and with the exception of the second and fifth innings when he had some trouble finding the plate, but had no difficulty with Moscow batters. He gave up but two extra base hits, a triple by Sodorff and a double by Sodorff.

Hasfurther and Bennett were the big stickers for Genesee, each clouting out homers, the former with the bases loaded. Bennett had completed the circuit and was called safe, and for some reason was later called out by the umpire. Bennett hit for three bases, and two-base hits were credited to Johnson (2), Moser, Clark and Sprenger. All of the Genesee boys were hitting the ball well after a two weeks lay-off during the recent rainy season. Art Klemm, manager of the Genesee club, had his charges decked out in their new uniforms. He said the boys showed up well in spite of no practice, and was especially pleased with their hitting.

## KRAMER DISCHARGED

Chief Warrant Officer Charles (Chuck) Kramer, who had almost 25 years of service in the U. S. Coast Guard has received an honorable discharge from the service. Mr. and Mrs. Kramer have been residing in Oakland since he returned from the Philippines and was in Genesee for a few weeks to meet his wife, who remained here during the war. They plan to spend the summer in Mexico and expect to make their permanent home in California.

CWO Kramer considered remaining in the service until retirement at 25 or 30 years, but he saw a lot of service on Atlantic convoy duty early in the war and later was assigned to duty in the Pacific. Prior to receiving his warrant he was a chief machinist's mate, and served for a number of years on west coast and Alaskan patrol.

## WEATHER WARMS UP

Skies began to clear last Saturday after 15 days of rain, and with the exception of one very light shower the weather has been ideal for growing crops. Wheat is beginning to turn and peas everywhere are promising a high yield. Many fields are still blooming while weather has not been extremely hot. Pea fields, seeded late or hit by wireworms or slugs have put out strong plants, and the diminished yield expected, may now turn out to be average or above. The pea crop in the Genesee area looks exceptionally good at this time, and with continuance of fair weather, the crop should be a bumper one.

Some wheat growers have intimated that the stand this year is not up to normal, but recent rains and favorable weather have tended to relieve some of the worries.

All of the hay which was cut before the rainy spell seems worthless and growers are removing it from fields to permit the second crop to mature.

## LEWISTON HERE SUNDAY

Lewiston's Legion Juniors will be here Sunday morning to meet the Genesee boys club, with game time set for 10 o'clock. Lewiston is playing an all-star club picked from Lewiston, Clarkston and Kendrick, following their practice of other seasons. Genesee is, however, fielding a club from Genesee, with one boy who attended school at Juliaetta last term, but who has attended school at Genesee, and resides between Genesee and Juliaetta.

Genesee will be short the regular receiver, Gene Moser, who is in Canada on vacation. In his place, Art Klemm, manager, plans to use Eikun, centerfielder, in the position behind the bat.

## Bielenberg Soon Out of Navy

Leonard Bielenberg, member of the crew of LST 857, wrote on June 26, the following: "Dear Pete—I am leaving for Bremerton the 2nd of July to be discharged, so please discontinue sending me the paper. I sure did appreciate receiving it while in the navy, and thanks a million to you and the Legion for sending it. I hope this note finds everyone well. I'll be seeing you soon.—Leonard."

## GENESEE BANK A MEMBER OF SECURITY CORPORATION

Announcement was made Monday of the sale of the First National Bank of Lewiston to the First Security Bank of Idaho National Association. Besides the institution at Lewiston the branch banks at Genesee, Grangeville and Craigmont are included in the transaction, the largest bank transaction ever completed in Idaho. The First National, with assets of approximately 19 million dollars, was under the personal supervision and direction of the late Arthur E. Clarke for many years. His widow was the principal stockholder. Stockholders of the First National Bank of Lewiston also have interests in a bank at Kendrick and Culesac, but those interests were not a part of the recent transaction, neither was the State Bank of Clarkston.

Frank Densow, manager of the Genesee Branch bank for the First National Bank of Lewiston, is retained in his position, as are managers at Craigmont and Grangeville, and personnel of all banks.

The First Security corporation operates 17 banking offices in Idaho, and a total of 30 in the states of Utah, Idaho and Wyoming. Resources of all banks are given as 300 million dollars, with approximately 50 million in loans. The system has been in operation for about 20 years. It was recalled that the first bank to be purchased in Idaho was one at Montpelier, and soon after that banks at Blackfoot, Idaho Falls and Pocatello were in the chain.

Mr. Densow said the local branch would continue to operate as before and the name would remain the same until banking forms could be obtained for the change.

The First National Bank of Lewiston was established by John P. Vollmer on June 11, 1883, and when he died in 1917, the presidency was assumed by the late Arthur E. Clarke. Mr. Clarke died April 21, 1946.

The local branch was chartered as a state bank and operated as The First Bank of Genesee for many years. It was also started by John P. Vollmer about 1892, when the Vollmer interest operated a large mercantile establishment at Genesee.

## PRIVATE LOANING AGENCIES FIRST CONTACT FOR GI LOANS

Veterans wanting to obtain GI loans should go directly to a bank, savings and loan association or other lending agency, Ross L. Rowe, contact representative for the Veterans Administration in Moscow, advises. They should not apply to the V. A. for the loan.

Mr. Rowe declared that observing the following points of advice would save the veteran a lot of time and effort in obtaining a loan, whether it is for the purpose of building a home, establishing a business or buying a farm:

1. Don't rush into any venture; have definite plans formulated.
2. Contact a lending agency, which will process the case through the V. A.; the V. A. does not make the loan, it only guarantees to the bank a certain portion of the loan.
3. Submit original discharge papers or original separation papers to the lending agency at the time of applying for a loan in order to establish eligibility for loan guarantee and to facilitate endorsement of the papers by the V. A.

At the end of May a total of 350 GI loans, valued at \$1,000,000, had been approved for veterans in the state of Idaho, Mr. Rowe said.

The Moscow contact office of the V. A. is located at the Post Office building, room 303.

## MUSIC STUDENTS ON AIR

Climaxing three weeks of intensive musical training, the high school music group camp at the University of Idaho summer school will draw to a close with the presentation of three group concerts July 5 and 6, to be broadcast over station KHQ, Spokane, reports A. A. Beecher, head of the music department.

Friday night, July 5, concerts will be presented by the camp chorus, and Saturday night, July 6, the camp band will be heard, beginning at 7 o'clock. Shirley Grieser, Genesee, is one of the 116 high school musicians attending the summer camp.

## Community Church

Sunday school at 10 o'clock. Worship service at 11 o'clock. Intermediate Christian Endeavor, 7 o'clock.

The Washington and Northern Idaho church convention will be held in Spokane from July 8 to 11, inclusive. Attending will be Mrs. Hattie Wilson, Mrs. Clarence Aherin, Miss Margaret Aherin, Miss Eula Sisty, Miss Jo Magee and Rev. Melford Knight.

### GENESEE VALLEY NEWS

Continued showers just about ruined the first crop of hay but plenty of moisture will make a good second crop. Farmers are preparing the old hay off now. Some are going fishing and some are going on picnics, but most people will stay at home and have a quiet celebration. Jane Lange won first prize on her Shetland pony at the Uniontown stock show Saturday. Quite a few from the Valley were at the stock show and rodeo on Sunday.

Mr. and Mrs. Levi Rossebo were christened Monday evening. About forty were present to wish the new-layeds a happy life. Ice cream, candy and cigars were passed around.

Mrs. Lilly Larson and Mrs. R. E. Nordby returned Tuesday evening from Minneapolis and other midwest points.

Miss Phyllis Magee spent the week end with home folks.

Mr. and Mrs. James Kane of Spokane were house guests at the Robert Berger home over the week end. Their son, Denny, returned with them after a week's visit at the Berger home. His pony won another prize at the Uniontown stock show.

Mrs. Thor Gilje called on Mrs. Vernon Peterson Tuesday afternoon.

Mr. and Mrs. Joe Anderson and sons spent last Sunday at Elk River at the Bob Gotch home.

Mr. and Mrs. Nordin and children; Oscar Nordin and Mrs. Martha Alaker visited Wednesday evening at the Larson's. The latter remained for a two days' visit.

Mr. and Mrs. Laurence Wedin and family returned home on Wednesday morning after a 17-day visit at the J. P. Wedin home. They will visit Yellowstone Park enroute to Anaheim, Calif.

Mr. and Mrs. Donald Nelson, the latter formerly Bonnie Lange, of Seattle, arrived Wednesday for a three-day visit at Sam Lange's.

Mrs. Annie Danielson and Clarence spent Sunday at Troy with Mr. and Mrs. Oscar Hosel.

Mrs. Mildred Claus of Spokane visited Sunday at the Scheele home. She just returned from the Mayo Clinic where she underwent a major operation.

Mrs. Irvin Iversen was hostess to the Valley Aid Thursday afternoon. Misses Liddy Larson and R. E. Nordby gave a convention report of the National W. M. F. and L. D. R. at Minneapolis Lunch was served by the hostess. The last meeting before harvest will be July 11, and it is a mission meeting. Mrs. Lilly Larson, hostess.

Mr. and Mrs. Wm. Borgen, Mr. and Mrs. Allen Sather and their children combined lunches for a picnic at the Clarkston Park Sunday. In the afternoon they called on Harold Klemm in the orchards.

Mr. and Mrs. Edwin Maguire of Moscow spent Sunday afternoon and for evening dinner at the R. E. Nordby home.

Week end visitors at Art Tegland's were Mr. and Mrs. George Ramsey of Seattle. Mr. and Mrs. L. Swanson of Harrington, Wash., were Sunday evening callers.

Sunday afternoon visitors at the Norman Flammoe home were Mr. and Mrs. Floyd Weber of Pullman and Mr. and Mrs. Leon Danielson and family.

Mrs. R. E. Nordby visited at the F. L. Barbee home in Pullman Saturday.

Mr. and Mrs. Laurence Wedin and Mrs. J. P. Wedin visited friends in Pullman Tuesday.

Everyone can help keep inflation down by buying only necessary articles and refusing to pay exorbitant prices, and we can get along without OPA. Let's prove that we want a better New Deal.

### Fishing

A feller isn't thinking mean—out fishin'.

A helping hand he'll always lend—out fishin'.

The brotherhood of rod and line And sky and stream is always fine, Men come real close to God's design, out fishin'.

A feller isn't plottin' schemes—out fishin'.

He's only busy with his dreams—out fishin'.

His livery is a coat of tan, His creed, to do the best he can, A feller's always mostly man—out fishin'.

### Shower for Bride

Mrs. Johanna was hostess at a shower Sunday afternoon for Mrs. Laurence Hasfurth, a recent bride. Those present were the bride's mother, Mrs. George Nuport and aunt, Mrs. W. W. Parker, both of Lewiston. Miss Ruth Alice Vanouck of Lewiston, Mrs. Kenneth Dean, Mrs. Fred Schleifer, Mrs. Cecil Nabelsiek, Mrs. E. W. Vanouck and Nancy Johann. Many lovely gifts were received by Mrs. Hasfurth from those present and others who were unable to attend the shower. Refreshments, including a wedding cake, were served by Mrs. Johann.

Mr. and Mrs. Hasfurth who were married on June 18 in Lewiston, spent their honeymoon at Priest Lake, returning to Genesee a week ago.

## WORTH KEEPING

Independence Day commemorates not only the birth of a new, self-governing nation, but also the beginning of a new, free way of life for man . . . The spirit of independence and of respect for human rights—the belief in progress for all through individual initiative—proclaimed in the Declaration of Independence have been cherished and defended for 170 years by many generations of Americans. These principles are indeed Worth Keeping.

The Washington Water Power Company, created over half a century ago through the private initiative of far-sighted pioneer citizens, has maintained a record of progressive extension and improvement of electrical service at rates among the lowest in the nation. Such service, too, is Worth Keeping!

OPA TEMPORARILY OFF

President Truman's veto of the new OPA regulations passed by congress may pave the way for recovery. At least some people will be permitted to operate their business without government interference and without inequitable restrictions. Citizens will be permitted to learn who are price gougers and profiteers, eventually to separate the sheep from the goats.

The OPA regulations are more likely to be scrapped some day, and it might as well go now. If certain industries, some professions, some professions, some business firms or some individuals are bent on gouging the public, the government will apply the brakes to the price hikers, but permit free enterprise to those who maintain reasonableness in their methods of conducting their business.

RESOLUTION OF EXPENSE AND TAX LEVY FOR CITY OF GENESSEE, STATE OF IDAHO

WHEREAS: The probable amount of money necessary for all purposes to be raised by the City of Genessee, Idaho, for its maintenance and expenses for which appropriation is made for the fiscal year 1946-1947, beginning May 1, 1946, is by funds follows:

- General Fund \$3,031.22
Street Lighting Fund 1,165.85
Maintenance 1,165.85
Fire Department 232.17
REPAIRS 232.17

Resolution was offered by Councilman W. M. Herman, was read in full by the Clerk; passed by roll-call vote of Councilmen present, recommended by the Mayor and Councilmen and Clerk, and ordered published in the Genessee News in accordance with the regular meeting of the Genessee City Council and the proceedings thereof, of July 1, 1946.

When Father Failed
Tommy looked up from his books and asked, "Father, is it true that a man is known by the company he keeps?"

"Yes, sonny," said the father. "Well, father," asked Tommy, "if a good man keeps company with a bad man, is the good man bad because he keeps company with the bad man, or is the bad man good because he keeps company with the good man?"

MUSHLITZ GIRL RECOVERS FROM INFANTILE PARALYSIS

"Over the Morning Cup, by P. W." a column in the Sunday Lewiston Tribune, contained an interesting account of a daughter of former Genessee residents, Mr. and Mrs. E. A. Muhlitz. Mr. Muhlitz was superintendent of schools at Genessee for about four years, leaving here in the spring of 1929. The story as it appeared in the Tribune follows:

Mrs. Wait W. McAllister, 1112 15th Ave., Lewiston, told us a story yesterday which sort of tugged at the heart strings, and we pass it along here because a good many people in this district know the people concerned.

The story is about Dude Muhlitz, 13-year-old daughter of Gene and Marguerite Muhlitz, and a granddaughter of Mrs. McAllister. Dude, a dark-eyed little girl with brown, silky hair, was an infantile paralysis victim—and from the time she could walk until the end of last year wore braces on her legs.

She lives on an orange orchard, eight miles east of Sacramento, Calif. The family visited here several years ago. Gene and Marguerite were married in Lewiston.

But let's get on with the story—It was pretty tough for little Dude to watch the other kids play in ways that she couldn't. The braces were always there to summer. He appeared in camouflage, expecting to quiet the disturbance, and was making some headway when the queen of the large group was slain. Mr. Fickens was afforded no assistance, with everyone apparently choosing to remain out of the argument. Finally, as the day drew to an end some order was restored, and the thousands of honey bees were captured. They swarmed on the pavement near the Corner Pool Hall about 3 o'clock, and refused to move on. Mr. Fickens consulted a fellow apiculturist, Mike Beinbauer, and when another queen was placed in a box the worker bees were quieted down and peacefully swarmed inside a box to be carried away.

ESTABLISHED 1888
GENESSEE, LATAH COUNTY, IDAHO, FRIDAY, JULY 12, 1946

MRS. LAURA DORCHESTER
W. R. Hickman and family were notified Monday of the death of Mrs. Laura Dorchester, sister of the late Mrs. W. R. Hickman. Mrs. Dorchester passed away suddenly at a hospital in Wetaskawin, Alberta, July 3. She was 67 years of age. Surviving are two brothers, John Platt of Cambridge, Idaho, and Will Platt of Pomeroy.

THOUSANDS HERE ON FOURTH QUEEN KILLED IN CONFUSION
July Fourth was safe and sane at Genessee. Facing the morning hours, to 125 feet, and a few feet during the afternoon, concentrating on a point near the Corner Pool hall, which remained closed during the day. The visitors came without warning, but created considerable confusion and during the excitement the leading lady of the group lost her life, presumably by a hit-and-run driver.

Quite a few Genessee people had deserted the home town over the holiday and were not on hand to greet the unexpected thousands. A few local citizens on the streets congregated on the steps of W. W. Burr's real estate and notorious office, reluctant to fraternize with the milling mob.

Depending on some of the braver persons to quell the outbreak, Gus Fickens was summoned. He appeared in camouflage, expecting to quiet the disturbance, and was making some headway when the queen of the large group was slain. Mr. Fickens was afforded no assistance, with everyone apparently choosing to remain out of the argument.

Finally, as the day drew to an end some order was restored, and the thousands of honey bees were captured. MISS IDA GRAF, BALTIMORE BRIDE OF ALFRED GEHRKE
Miss Ida Graf, daughter of Mrs. Julia Graf of Baltimore, Md., became the bride of Mr. Alfred Gehrke, son of Mr. and Mrs. Hugo Gehrke, on June 16. The choral wedding service was solemnized at Faith Lutheran church in Baltimore at 5 o'clock in the afternoon, with the Rev. George F. Hein officiating at the double ring ceremony. Behind the singing of the choir, John Desper sang "Because," "I Love You Truly" and "The Lord's Prayer."

The bride was given in marriage by her uncle, Herman Graf. She wore a floor-length gown of white satin, with a double finger-ring veil, and carried an old-fashioned bridal bouquet of white roses. Her sister, Miss Ruth Graf, was maid of honor, and she wore a pink floor-length dress and carried a bouquet of white and pink flowers. Mr. Gehrke's best man was his cousin, Henry Deeston, of Moscow. Ushers were Henry L. Graf, brother of the bride, and Ernest Heil, a brother-in-law.

The wedding reception at the home of the bride was given by the Sears Company. The bride and groom were accompanied by a few days' trip to a nearby mountain resort before leaving for Genessee. They arrived here July 4, and will be at home at the Gehrke ranch, northeast of Genessee, where Mr. Gehrke began operating this spring when his parents moved to Genessee to make their home.

Mr. Gehrke who was honorably discharged from the army air corps June 6, 1945, served 51 months, 31 months of which were in England, Africa and Italy. He enlisted March 6, 1941, and at time of discharge was a staff sergeant and an aircrew engineer. While overseas he was with the 61st Troop Carrier Group.

Jimmy Rabbau, Ed Morken, Ray Liberg, Jack Jackson, Homer Hasfurter and Mack Hanson will leave Saturday for Camp Waha to remain in the Scout camp until July 20. They will be accompanied by Scoutmaster Murray Myers and Scoutmaster W. G. and are to return home Saturday.

MAIN PART NEW ELEVATOR COMPLETED ON SCHEDULE
Some of the workmen employed at the new Genessee Union Warehouse company elevator at the east end, contributed to a cash pool, based on the amount of concrete pouring for the bins. The last buggy of concrete was on the top deck about 2:30 o'clock Wednesday afternoon, of 25 and a fraction shifts after the work got under way. Practically 13 days of two ten-hour shifts were required to pour the outer and bin walls of the 300,000-bushel elevator. The elevator now stands at 116 feet above the ground level, with 27 bins resting on the foundation and tunnel walls. The building is 88 by 44 feet, and the outer walls are seven and a half inches thick and walls of the larger bins are 8 inches thick, with the smaller, or seed bins, having six-inch walls. Besides the 27 storage bins there are two elevator legs.

The forms were "pinned off" Wednesday afternoon, and Thursday men were removing the jack yokes and cutting off the jack rods. The upper deck on which men worked while pouring concrete and placing steel, was the lower form for the upper bin slab or roof. The slip forms held securely by bins will remain in place until the roof and roof projection is poured. Work on the roof will begin as soon as steel arrives, which may delay operations until the last part of next week. Uncertainty attends almost every operation on construction of the building, but with receipt of steel the roof and two head houses will be completed.

Atop the bin slab will be two head houses, each 16 by 30 feet. The head house will rise 41 feet, while the east head house will be 33 feet high. The west head house will be higher to accommodate equipment for transferring grain and

### GENESEE VALLEY NEWS

The weather man has been more than generous with showers again, and the first hay crop has so much mold, which is dangerous to stock, that it is being burned in the field. Early peas and fall wheat are filling now and the cool weather has benefited those crops. Wheat on south slopes is beginning to turn, so it won't be long before harvest if the warm weather comes soon. The rain stopped highway repairs too. The women are busy canning fruit in the mornings and going to showers in the afternoon. Let's hold that line in prices and keep down inflation.

Mrs. Annie Danielson and Clarence, Mrs. John Eikum and Yvonne and Rowena, Mrs. Nels Bakken and two children drove to Spokane Sunday and visited Mr. and Mrs. Robert Hall and new baby, Gary Duane, great grandson of Mrs. Annie Danielson, and grandson of Mrs. Nels Bakken of Moscow. They also visited Tomina Danielson of Spokane.

Mrs. J. P. Wedin had Sunday dinner with her nieces, Mrs. Curly Birt and Mrs. Ted Schlosser in Pullman. Misses Margaret Brennan and Inga Dinsen, graduate nurses at Sacred Heart hospital, Spokane, called on Mrs. Lilly Larson Tuesday evening.

Mr. and Mrs. Alfred Gehrke returned home July 4 from their honeymoon trip and are now living on the Gehrke farm. Friends gave them a charivari last Friday evening. Congratulations.

ESTABLISHED 1888 LEGION JUNIORS IN LEAGUE FOUR TEAMS ARE ENTERED Moscow, St. John, Colton and Genesee have formed a Junior American Legion baseball league with games scheduled from July 21 to August 25 inclusive. After the regular season there will be a play-off. High-hatted by the Lewiston Legion Junior baseball officials, the proposed league meets with approval locally as the schedule will not only provide recreation for the boys who fall in the Legion Junior age group. Lewiston is playing boys from Clarkston and Kendrick in addition to boys from Lewiston. Such action naturally gives Lewiston an advantage, and has permitted the Lewiston club to declare itself champion of the Second District without having met all other boys' teams in the district for the prescribed number of games. Most towns favor baseball competition for boys of their own communities, so the program announced for a four-team league should meet with approval. Lewiston may claim that no Legion Posts exist at Kendrick or Clarkston, but there are other veterans' organizations in the two towns. C. F. Peterson, Moscow, and Wm. Druffel, Colton, met with Art Klamm here Sunday, and for the day following, the following letter was received from Peterson: Enclosed is a proposed schedule for a league for Genesee, Colton, St. John and Moscow Legion Juniors. It is hoped that this schedule meets with approval of all concerned. It should be permissible for individual teams to change their scheduled home town games with other teams by reversing the two individual games. Also, it will probably be necessary to cancel any games which are not played because of weather conditions or otherwise, since the play continues late into the season. If this schedule meets with approval of all teams concerned, I should appreciate hearing from you so that posters for the four teams can be prepared. It has also been suggested that a play-off be held at the end of the scheduled games. If this can be worked out, Moscow would be very glad to accommodate the teams here. It has also been suggested that a banquet be held following the play-off for team members. Your comment in regard to these two items will be appreciated. If I do not hear from you in the immediate future, I will consider the schedule satisfactory and prepare posters accordingly. Schedule July 21—Colton at Moscow, and Genesee at St. John. July 28—Moscow at St. John, and Genesee at Colton. August 4—Moscow at Genesee, and St. John at Colton. August 11—Moscow at Colton, and St. John at Genesee. August 18—St. John at Moscow, and Colton at Genesee. August 25—Genesee at Moscow, and Colton at St. John. Genesee to Play St. John Art Klamm, manager of the Genesee Legion Junior club, said Wednesday that the local boys will move to St. John Sunday by school bus, and if there are a sufficient number of others desiring to go a second bus will be chartered. Members of the club will have transportation paid, while others will pay for their rides.

FATHER OF E. B. SMITH DIES S. M. Smith, father of E. B. Smith of Genesee passed away Monday evening at the age of 79 at Colfax, Wash. He was a pioneer of the Colfax and Benawa areas. Besides the son at Genesee he is survived by his widow and four daughters. Also surviving are four brothers, George Smith, Clarkston; C. Smith, Seattle; Elmer Smith, Benawa, and Clyde Smith, Portland, and one sister, Mrs. Homer Allen of Portland. Funeral services, held Thursday at Colfax, were attended by Mr. and Mrs. E. B. Smith and daughters, Genevieve, Clarice and Maureen, and Mrs. Brown Emerson and family.

HOME FROM TRIP TO CANADA CROPS GOOD EVERYWHERE Mr. and Mrs. Art Hansman and Mr. and Mrs. Joe Johnson returned from a two weeks' trip to Canada where they visited sisters and brothers and other relatives. On their way they visited Banff Park and Lake Louise, and missed seeing Bing Crosby by a few hours, in fact the Canadians looked over the local party for distinguished guests. Crops look very promising, and a bountiful crop of strawberries was ripe and ripening. The travelers found all relatives happy and in good health, and while away saw two sports days, one at Provoost and one at Cadogan. At a lake party Mr. and Mrs. Hansman and Mr. and Mrs. Kries were honored when 40 people gathered. Ambrose Broemel, a relative, caught three large fish, sufficient to feed the multitude. Enroute home they visited at the Peter Trautman home at Camrose, which is a lovely place, with beautiful homes and flowers. They visited with the Remi Broemel family at Dayland, and the community is a rich farm land area and crops are exceptionally good. They also saw the final day of the Stampede at Calgary, and from there traveled to Glascier Park in Montana. They said it was a wonderful trip, but one of the things about a trip is the arriving home. Ten miles south of the Steve and Gerhard Broemel farms, which are in the Cadogan section, companies are now drilling for oil, and saw a few of the wells in production. Test holes have been sunk on the Steve and Gerhard Broemel farms but they had received no report when visited by Mr. and Mrs. Hansman and Mr. and Mrs. Kries.

St. John's Lutheran Church Rev. C. Wuest, pastor July 21, 1946 Fifth Sunday After Trinity This Sunday, July 21, we will hold our annual Sunday school-church picnic at Beachview Park, Clarkston. There will be no Sunday school hour. The Sunday school period will be combined with the worship service in an informal service, starting at 10:30 a. m. All members and friends of St. John's are cordially invited to attend. Coffee, a cold drink, and ice cream will be served by the Sunday school. The Luther League will hold its regular meeting Sunday evening, July 21 at 7:30. Eloise Herman and Ronald Berry will be in charge of the meeting. The Ladies Aid will meet Thursday, July 25, at 2:30 in the church parlors. Instead of the usual Bible study, the regular topic from the August copy of the "Outlook" will be discussed. All members are asked to bring their copy with them. Mrs. George Scharnhorst will be hostess.

LEGION JUNIORS WIN AGAIN FROM MOSCOW YOUNGSTERS Genesee's Legion Juniors won 13 to 7 from the Moscow Juniors Sunday at Genesee. Johnson and Bennett did the pitching for the local boys, with the former giving over to Bennett in the third. Johnson gave up but one hit but issued numerous free passes. Bennett in six and two-thirds innings gave up two hits and gave one base on balls. Pratt, for Moscow, went the entire route of nine innings, and was nicked for 12 hits, one a home run by Follett in the second frame. Moscow led off with Bond drawing a walk. Piper was walked, and a hit by Kras scored, Bond, Sodoff, pushing the second run across. The three outs in the first frame were all strike-outs by Johnson. Moscow scored two runs in the first inning on two errors and two hits, one by Moser and one by Johnson. Moscow did not score in the second but Genesee picked up five runs. Follett's homer came with none aboard, Kras singled, and hits by Sackett, Moser and Johnson gave Genesee a five-run lead. Moscow drew four free trips in the third and with one error by the locals, the visitors picked up three runs. Moscow scored once in the fifth and once in the ninth. Kras singled, and hits by Sackett, Moser and Johnson gave Genesee a three runs in the fifth on three errors, a walk and one hit, and in the sixth added another score on a hit by Clark and an error in left field and one at short. In the seventh Genesee saw Jack Lieberg single to the right field, and hits by Sackett, Moser and Gerhard Broemel gave them a three run lead. Moscow scored on an error and then scored on Moser's hit. Genesee's runs, 13. The lineup for Genesee: Johnson, pitcher and left field; Moser, catcher; Clark and Cole, first base; Jack Lieberg, second base; Sackett, third base; Bennett, shortstop and pitcher; Follett, left field and short; Eikum and Ray Lieberg, centerfield, and Hasfurther and Emerson, right field. Moscow used Bond, Simmons, Piper, Kass, Sodoff, Kabilinger, Schumaker, Berry, Barron and Pratt.

BUILDINGS PAINTED The Genesee Fire Department is constantly improving their building, being the painting of the front. The aluminum paint used, covers all of the metal work and upper portions of doors on the ground floor, with a three-foot border of red at the bottom. Window sash is also in red, significant of a fire station. This is one decided improvement to the main business district, and the firemen deserve much credit for all improvements made. The Masonic building this week underwent repainting. The two-story building, which houses lodge room, dining room and living quarters, and the garage have been painted white, and is another decided improvement. The wood work of the front of the Herman furniture store has recently been redecorated. TESTING FOR BANGS DISEASE AVAILABLE WITHOUT COST Cattle owners in Latah county will again have the opportunity of having their stock tested for Bang's disease. This testing work is to be done in the near future by veterinarians representing the Idaho State Department of Agriculture and the United States Department of Agriculture. The work is done at no cost to cattle owners. Dairy, farm and ranch herds will constitute most of the testing work done as their condition has the most direct bearing on public health. It is realized that it would be impractical to attempt to test most beef herds at this time, but it is believed that enough requests will be received from small herd owners to give a true indication of the amount of infection throughout the county. At present Latah county is an accredited Bang's free area and veterinarians state that they see no reason that the rating cannot be retained after the check test is made. All persons interested in having their cattle tested for Bang's disease should contact the office of Elbert McProud, county agent, Moscow, within the next few days.

LOCAL NEWS Mr. and Mrs. Frank Densov spent the week end in Spokane. They accompanied their guests, Dr. and Mrs. Miles Bruemmer and family, who visited last week end. The Densovs, who are enroute to California, Mr. and Mrs. Densov were accompanied home by Mary Francis Densov who visited relatives at Spirit Lake. Dale Vest, stationed with the navy at Guam, has returned home with his wife, Mrs. L. W. Vestal, that he is a hospital patient recovering from injuries sustained in a collision of two jeeps. He suffered a broken jaw and other injuries. Stout's Now Live in Santa Fe The Emmett Stout family, formerly of Genesee, has moved to Santa Fe, N. M. Mr. Stout has been a civil service prison guard for a number of years, and is now a guard at one of the strategic armed forces proving grounds. They wrote: "Please note the change of our address. We don't want to miss one issue of The News. We are all fine although we haven't seen a good rain since last September. That makes for a serious water shortage. Lawns are drying and cars and sidewalks can't be washed. No water for swimming pools. "The housing shortage is very bad here as elsewhere, but the Mexicans are building mud houses which they call 'adobies'. Some of them are quite nice and have hardwood floors. "We're glad to learn Dan is almost through serving in the navy. I know you are happy about it too. Keep the News coming."

EVANS DELIVERS FIRST GRAIN TO GENEESE FOR 1946 SEASON Tuesday, July 23 is the date of delivery of the first new crop grain to be delivered in Genese for the season of 1946. Barley from the Roy Evans ranch was received Tuesday, and samples show a splendid crop as to quality. The official yield has not been announced but the load memorandums signify about a ton to the acre. Preliminary tests showed the barley to weigh about two pounds per bushel over normal. The crop was combined by the Erickson brothers' machine, and Emma Lou Evans piloted the transportation equipment. First Barley in 1945 on July 19 Boyd Erickson delivered the first barley for 1945 on July 19. Bob Kuhn was the first to deliver peat last season on July 20. All Deliveries to West End The Genese Union Warehouse company is receiving all grain and peas at its west-end plant at the present time, or until the scales are in place at the east end. Workmen were expected to start placing the scales late this week. Some Mildew in Peas Owing to the heavy plant growth and damp weather mildew is showing up in a number of pea fields. Mildew has been common in past years and tends to retard maturity of pea pods, and at the same time makes the pods and vines pretty tough for good combining. In fields where mildew has prevailed, growers have moved the crop to hasten drying of the pods and vines. The damage to peas by mildew has never been considered serious. There were reports of aphid a few days before the extremely warm weather came last Saturday, but little damage can result with the crop well along to maturity in the Genese area. Mikkelson Ready for Peas S. U. Lough, manager of the Prairie Flour Mill company plant at Genese said Thursday noon that he expected to start receiving peas on or about August 1. The plant has undergone some remodeling for pea processing this summer, and the attention is to handle but a small amount of grain. HEAT WAVE HITS NORTHWEST Lewiston's high temperature for the summer of 1946 hit 110 Sunday. Saturday the heat in the valley tortured people when the mercury went up to 106 degrees. Genese's unofficial heat recording for Sunday was established at 92 degrees above zero, or 12 degrees cooler than Lewiston. People from this area who went to Clark's Beach on the north coast, hoping to find relief from the heat wave, experienced nothing but discomfort. There was no cooling breeze from the waters of the Snake river. The extreme heat, coming suddenly, hastened maturity of crops, but damaged any, if expected to be slight. Weather turned cooler during the middle of the week, and there was not a night during the heat wave that was not cool at Genese. Tuesday night, after an extra hot day, one was uncomfortable in a shirt sleeve. Lawns here showed the effects of heat in Genese, but most of them remain green with sprinkling. Home owners on the higher elevations in Genese have noticed the low water pressure this week, and are investigating means of installing booster pumps. Ebeys is located 150 miles from Bikini, site of the atomic bomb tests which have been made recently. At the time of the first bombing, Fred was aboard ship and 15 hours out from Ebeys. No one on the APA on which he sailed felt the force of the first aerial atomic bomb explosion, and saw nothing. Reports coming to the ship as news described results of the explosion, which were perhaps more accurate than reports read in the States leading one to believe that the atomic bomb was played up pretty much for home consumption. Morscheck has returned to work at the ranch here, and has arrived in Moscow on Saturday evening to get on with the fall harvest. He even got in a day of hauling hay, which is somewhat more tiring than navy duty.

ATTEND FUNERAL Mr. and Mrs. Walter Gehrke and son, Raymond, and Mr. and Mrs. George Gehrke attended funeral services Saturday in Spokane for Clifford Montee, a nephew of Walter and George Gehrke. The deceased, son of Mr. and Mrs. Chas. Montee, Spokane, passed away Tuesday evening of an heart attack. Mrs. John Flomcr and Mr. and Mrs. Al Flomcr of Portland came to Genese Friday evening to accompany the others to Spokane for the services.

Return from Camp O'Hara Mr. and Mrs. Patrick Myers, David Nordby, Jay Nelson, Rae Aherin, Iris Wilson, Carl Omsundson, Mary Currin, Lillie Mae Aherin, Mrs. Lloyd Wilson and Rev. Melford Knight returned last Saturday evening from a week at the Inermontie Bible camp at O'Hara. Lavone Fox who accompanied the group to the camp, was called home Thursday by the serious illness of her mother, who underwent an operation at the Gritman hospital in Moscow.

Picnic on Birthday David Erickson, son of Mr. and Mrs. Boyd Erickson, celebrated his seventh birthday Saturday with a picnic at the Fifth Street park in Lewiston. He had for his guests, Jerry and Jane Johnson and Scott Davidson, the latter of Moscow. Accompanying the children were Mrs. Boyd Erickson, Mrs. Jess Johnson and Mrs. Arthur Davidson.

War Property Dealers Named Two more Inland Empire firms have been added to the list of approved dealers as licensed machine tools sales representatives of the War Assets Administration in the buying and selling of surplus war property. The firms are the Western Equipment Co., 250 Main St., Spokane, and the Wiley Construction Co., North 1105 9th St., Walla Walla. These two firms were approved in Washington, D. C., and brings the total of such approved dealerships to 2512 in the United States. Under this program these approved dealers are paid sales commissions on the surplus war property they sell for the government. This does not mean their commission is added to the price, as this remains the same to the buyer in case of a commissioned sale or by direct purchase. It does help in the disposal of surplus property, however. Furlough Ends for Griesser Pvt. Vern Griesser, following a ten day visit with his parents, Mr. and Mrs. Chas. Griesser Jr., and other relatives, left Friday for Stockton, Calif.

The Genesee News ESTABLISHED 1888 GENEESE, LATAH COUNTY, IDAHO, FRIDAY, JULY 26, 1946 VOL. 58 NO. 4

FIRE ALARM MONDAY A truck loaded with chopped hay and parked on the highway near the L. E. Brown residence Monday afternoon, burst into flames, with the fire department answering an alarm. The truck was heavily loaded with cut hay, and in the space between the rack body and the seat of the truck, hay covered a rusted-out exhaust manifold. Heat from the exhaust ignited the hay and fire was noticed when the vehicle was parked. There was no damage and the fire was extinguished with water from a garden hose. Driver of the truck was unknown.

F. MORSHECK DISCHARGED AFTER VOYAGE TO PACIFIC Fred Morscheck surprised his wife, the former Mrs. Anna M. Busch, and his parents last Friday afternoon when he appeared at his home after being discharged at Bremerton on July 18. He was expected home, but kept his arrival secret. He was assisted by a mate in the Pacific who had written several letters to Fred before he started for the States and mailed at intervals while he was enroute home.

Morscheck entered the service on December 2, 1944, and took training at Memphis, Tenn.; Norman, Okla.; Jacksonville and Sanford, Florida, and Hutchinson, Kan. He was married at Genese November 22, 1946, and was accompanied to Florida by his bride. She also accompanied her husband to Kansas, and when he was ordered to San Diego, she came to Genese to remain with her parents, Mr. and Mrs. G. Busch, and the Fred Morscheck Sr., family. The sailor left for overseas from San Diego on April 13, 1946, and was on Guam for classification for two weeks before going to Ebeys Island in the Marshalls He left for the States June 30 and arrived on July 10.

The island of Ebeys, a coral reef, is but eight-tenths of a mile long and 320 yards wide, with its highest point 13 feet above sea level. Divers have explored underwater around the reef and found that it is undercut to a great extent and resembles a mushroom. Fred found Guam a well stocked naval supply base, with equipment and stores of every description.

LEWISTON TAKES A R T CLUB Lewiston's Athletic Round Table ball club, considered second to none by banana-belters, were pitched out of further competition for the Lewis-Clark league pennant Sunday afternoon by Uniontown, first-place winner in the Hill division, and victor over another Lewiston outfit, the Eagles, on their way to the championship. Tuschoff, port-sider for the Uniontown club, threw the ball past 15 ART batters, while his teammates were scoring seven runs to six for the Round Table. Uniontown will meet Orofino in the final game for the championship Sunday at Uniontown. ELEVATOR WORK CONTINUES HEADBOUSES GOING UP NOW George & Sons, contractors, erecting the new Genese Union Warehouse company elevator at the east end facility, completed pouring the concrete roof slab last week, and Tuesday noon started pouring concrete for the headhouse. The first headhouse under construction is the eastern one, 16 x 30 feet and 33 feet high. The western headhouse will rise to 41 feet and have the same dimensions otherwise as the eastern house. When the western headhouse is 15 feet high, the structure will stand 151 feet high. Workmen have moved the old office building to a point north of the new unit, and at that location will be the scales. The dump shed, to be of concrete, and placed along the north side of the new elevator, will be 15 feet high. It will expedite handling of grain and peas, and with fast elevating machinery, the days of long waits will cease to exist. With a Y driveway, trucks may enter the dump shed at two places, and if one truck is delayed for a few minutes, the other may be obstructed. The shed to be built of wood will be placed at the south side of the new elevator, permitting an enclosed connection between the present cribbed elevator and what remains of the present sack house. No one is willing to hazard a guess as to final completion date, but everything is being done to have storage in the new concrete elevator available before the end of harvest. Much work remains to be done, such as that mentioned, plus installation of machinery and equipment. The new elevator will provide 300,000 bushel of storage. WEEK END MOVIES AT GENEESE Patrons of the Genese Theatre have made numerous requests to the manager hows Saturdays and Sundays. Until now it has been possible to provide shows on week ends, but newly completed arrangements have been made beginning Saturday, July 27, there will be regular shows every week end. The first picture booked is the Lewiston single, "The Millionaire," starring Elizabeth Taylor, Mickey Rooney and Ann Revere. This is an outstanding picture which will satisfy everyone, and it will be followed by equally good pictures, such as "Meet Me in St. Louis" and "The Sign of the Cross." "Have Tender Grapes" and others of merit. As soon as the local theatre can catch up with current releases it is expected that pictures will be shown here soon after release. Improvements in projection equipment are also planned as soon as possible and altogether it is hoped that Genese will have as good movie entertainment as elsewhere. Road Improvement Under Way The Shoshone company, having the contract for grading and surfacing the two and a half miles of North and South highway from the Mervyn and the Knappe places, are well along with the dirt moving on the stretch being improved. There are two 23-foot cuts being made through the Shirod, Gooch and Kluss lands, with a long fill on the lands just south of the Wm. Baumgartner farm. Wet weather delayed grading operations when machinery arrived for the job, but in recent weeks dirt moving has progressed satisfactorily despite breakdowns on some of the rented equipment which has seen a lot of service during the past four or five years. Changing the highway to the lower lands of the Tom Ingie and the Schleuter lands appears to be somewhat doubtful of a firm foundation. The contractors have encountered a high water level along the low lands which has necessitated more hours of work than expected. There will be numerous culverts placed. However, that portion of the highway will be observed in the future to determine if the relocation is a matter of good judgment.

LEWISTON TAKES A R T CLUB Lewiston's Athletic Round Table ball club, considered second to none by banana-belters, were pitched out of further competition for the Lewis-Clark league pennant Sunday afternoon by Uniontown, first-place winner in the Hill division, and victor over another Lewiston outfit, the Eagles, on their way to the championship. Tuschoff, port-sider for the Uniontown club, threw the ball past 15 ART batters, while his teammates were scoring seven runs to six for the Round Table. Uniontown will meet Orofino in the final game for the championship Sunday at Uniontown. ELEVATOR WORK CONTINUES HEADBOUSES GOING UP NOW George & Sons, contractors, erecting the new Genese Union Warehouse company elevator at the east end facility, completed pouring the concrete roof slab last week, and Tuesday noon started pouring concrete for the headhouse. The first headhouse under construction is the eastern one, 16 x 30 feet and 33 feet high. The western headhouse will rise to 41 feet and have the same dimensions otherwise as the eastern house. When the western headhouse is 15 feet high, the structure will stand 151 feet high. Workmen have moved the old office building to a point north of the new unit, and at that location will be the scales. The dump shed, to be of concrete, and placed along the north side of the new elevator, will be 15 feet high. It will expedite handling of grain and peas, and with fast elevating machinery, the days of long waits will cease to exist. With a Y driveway, trucks may enter the dump shed at two places, and if one truck is delayed for a few minutes, the other may be obstructed. The shed to be built of wood will be placed at the south side of the new elevator, permitting an enclosed connection between the present cribbed elevator and what remains of the present sack house. No one is willing to hazard a guess as to final completion date, but everything is being done to have storage in the new concrete elevator available before the end of harvest. Much work remains to be done, such as that mentioned, plus installation of machinery and equipment. The new elevator will provide 300,000 bushel of storage. WEEK END MOVIES AT GENEESE Patrons of the Genese Theatre have made numerous requests to the manager hows Saturdays and Sundays. Until now it has been possible to provide shows on week ends, but newly completed arrangements have been made beginning Saturday, July 27, there will be regular shows every week end. The first picture booked is the Lewiston single, "The Millionaire," starring Elizabeth Taylor, Mickey Rooney and Ann Revere. This is an outstanding picture which will satisfy everyone, and it will be followed by equally good pictures, such as "Meet Me in St. Louis" and "The Sign of the Cross." "Have Tender Grapes" and others of merit. As soon as the local theatre can catch up with current releases it is expected that pictures will be shown here soon after release. Improvements in projection equipment are also planned as soon as possible and altogether it is hoped that Genese will have as good movie entertainment as elsewhere. ### GENESEE VALLEY NEWS

Summer finally caught up with the weather man, and we had three days above 90 degrees temperature, which ripened the grain rapidly. Farmers were beginning to think that harvest would start later and run the risk of fall rains before we completed it. Pea swathing is starting the latter part of the week. The Lather League had an ideal day for their ice cream social on the spacious lawn at the Irvin Iverson home, and they appreciate the patronage which netted them a neat sum to send some young folks to Lutheran Bible camp. There will be no Sunday school Sunday on account of the picnic at Laird Park.

Callers at James Magees Sunday afternoon were Miss Charlotte Driscoll, Lewiston; Mr. and Mrs. Wm. Kennedy, Clarkston; Mr. and Mrs. Ray Kennedy, Moscow, and Mrs. Margaret Mason.

Mrs. Bertha Nebelsieck and children spent Wednesday at the home of Mr. and Mrs. Robert Berger.

Miss Myrtle Larson of Superior, Wis., is spending her two week vacation with her mother and brother and other relatives. She is the retiring national president of the L. D. R. and is a parish worker in Wisconsin. She will go to Spokane Sunday and return to Superior Monday morning.

Donna Danielson visited Connie Denso Saturday and Sunday. Mr. and Mrs. Gus Rosenan, Stanley Rosenan and Miss Maxine Rosenan attended the Lutheran picnic at Clarkston Sunday and spent the evening at the Bettie home.

David Peterson called on Mr. and Mrs. Nels Lande and Erling Lande Thursday afternoon.

Mrs. Lawrence Claus of Spokane is visiting at the Scheele home.

Harold Hatton is in Spokane at a hospital with a mastoid infection.

Mr. and Mrs. Wayne Bailey of Lapwai spent Sunday at Mrs. Dollie Peterson's.

Mr. and Mrs. George Nelson left Friday for a business trip to San Francisco, Calif.

Dale Johnson of Greenacres is visiting his aunt, Mrs. Dollie Peterson, and his grandparents, Mr. and Mrs. August Johnson.

Mrs. Ed Morken and children went to Spokane Wednesday for a visit with relatives.

Mr. and Mrs. Bert Patton of Portland called on Mrs. Dollie Peterson and August Johnsons Sunday. Mrs. Patton was formerly Esther Pierson, and lived on the old Ford place.

Miss Myrtle Larson went to Osborn, Idaho, Tuesday for a short visit at the Martin Johnson home.

Mr. and Mrs. R. E. Nordby were in Spokane and Coeur d'Alene Tuesday. They met two cousins, Misses Vivian Nordby and Lorene Amunson, of Soldier, Iowa, who will spend their vacation with the Nordby families.

A family picnic dinner was held Sunday at Larson's honoring Miss Myrtle Larson. Guests were Mr. and Mrs. Ed Blume of Grangeville, Miss Rowena Nordby, Spokane; Mrs. Martha Akaker and family of Pocatello; Rev. Erling Jacobson of Missoula, Mont.; Mrs. Bertha Nebelsieck and children of Beresford, S. D.; Mr. and Mrs. Arwin Nordby and children and Oscar Nordby of Moscow, and Mr. and Mrs. R. E. Nordby and David Nordby.

Mr. and Mrs. Floyd Hove were the house guests of Mr. and Mrs. Rodney Tegland over the week end.

Mr. and Mrs. Martin Johnson of Osborn, Idaho, remained overnight Wednesday at Larson's.

Polly Hanson visited at the Lande home from Saturday until Tuesday. Rev. and Mrs. Masted of Moscow called on Miss Myrtle Larson Thursday afternoon and on Saturday Mrs. Leon Danielson and daughters called at Larson's.

Mrs. Wm. Borgen gave a party on Friday afternoon in honor of her daughter, Sandra's sixth birthday.

Ice cream and cake to Carol Hatton, Karen and Phyllis Danielson, Rowena Eikum, Dorothy Baumgartner, Marie Hasfurth, Carol and Marjell Grier, Polly Hanson, Maureen Lueddie, Marilyn and Kay Borgen and Rita Loring. Sandra received many nice birthday gifts to celebrate the day. Don Borgen left Tuesday for Camp Stoneman, Calif., where he will await further orders.

COWBOY TAYLOR TO RANGE OVER BIG TERRITORY IN WEST

Cowboy Glen Taylor made the news this week with an announcement that he intends to enter several of the western states to make available his services in democratic party leadership.

Taylor, who has declared his salary insufficient to maintain living standards in Washington, will be further confused financially by his trek over western areas, unless state politicians have funds to donate to a roving self-admitted thespian. Perhaps his dramatic ability will be appreciated in the many towns he has visited in former years. In a monthly publication it was recently noticed that a survey of national legislators rated Taylor as one of the weakest members of the senate.

New Higher Pay for the Army!

Help for harvest this year finds supply and demand about equal. With some farmers seeking aid, there will not be as many women or young boys assisting in the harvest, and transient help, which has been barely noticeable, is somewhat off the market. Warehouses are well supplied with manpower at the present time.

HARVEST NOW UNDER WAY YIELDS PROMISE BIG CROP

On the basis of early crop reports in the Genesee territory, an bumper crop is being harvested. Peas will be the big crop locally, with wheat much better than expected earlier in the season. Barley is turning out exceptionally well this year, and the quality is very good. There is some stain on barley and as usual a slight mixture of other grains, but the crop is highly satisfactory. The quality of wheat in the Genesee area this year is considered above normal. The kernels are plump and hard and the color is exceptionally good. Peas may show a hot weather before and during maturity, but like barley and wheat, the crop is a splendid one.

Growers will perhaps have some what higher dockage this season, owing to weed seeds. Everything grows this year, when weather became favorable. The pea crop was greatly benefited by rain during the week of the New Year, and the weather was very dry. There have been no reports as yet on weevil infestation, but naturally there will be some loss of crop because of weevils in some instances, were handicapped by rains when the weevil infestation was at its peak. During this year, found many plants dusted at the proper time for early blight, but too early for the early blight.

Frank Evans, first to deliver grain to Genesee this year, has been followed closely by W. H. Mervyn with barley; C. P. Busch, barley; Robert Kuhn, barley and peas; Ben Johnson, barley, the first delivery from north of Genesee; Zenger Bros., peas; Boyd's Peas, peas; J. J. Herman, wheat; Stanton, Becker, wheat; Howard Blume, peas; Barde Weber, wheat; Earl Parsons, peas.

My grand-dad notes the world's worn  
coats.  
And says we're going to the dogs.  
His grand-dad in his house of logs  
thought things were going to the  
dogs.  
His dad among his Flemish bogs,  
Swee things were going to the dogs.  
The cave man in his queer skin togs  
Knew things were going to the dogs.  
Yet, this is what I have to state:  
These dogs have had an awful wait.

Shield Expert, H. L. Huffman of  
Minneapolis, Minnesota, will demon-  
strate, without charge, his "Rupture  
Shield" in Moscow, Idaho, at the Ho-  
tel Moscow on Wednesday, August  
7th, and in Lewiston, Idaho, at the  
Hotel Lewis & Clark on Thursday,  
August 9th, from 10 a. m. to 3 p. m.  
Please come early. Previous evening  
by appointment. Ask for Bert Lyon,  
my personal representative.

I have been supplying my shields  
to rupture sufferers in this territory  
for ten years and longer. I have fil-  
led thousands of cases in the United  
States during this time. There are  
many of my satisfied customers right  
here in your community. Caution: If  
neglected, rupture may cause weak-  
ness, backache, nervousness, stomach  
and gas pains. People having large  
ruptures, which have returned after  
surgical operations or injection treat-  
ments, are especially invited. "If you  
want it done right, don't experiment."  
If unable to see him at this time,  
address: Hoffman's Appliance Co.,

GENESEE VALLEY NEWS

We had a heap big wind Tuesday that played ball in pea fields. Many vines were off base in the last inning. Forty-fall wheat took considerable beating as it is dead ripe now shatters easily. Other wheat is still too green to combine. Only a few machines are going in peas yet, but several others will start soon. News is rather gone with the wind too. There will be no Sunday school until September. Church services on August 18.

Mrs. R. E. Nordby and house guests, Vivian Nordby and Lorraine Amunson, spent Wednesday afternoon with Mrs. Ed Morken. Thursday Mr. and Mrs. E. Nordby took their guests to Coeur d'Alene and they also visited the Lutheran camp. The guests took the bus for the trip to their homes in Iowa.

EM Terminal Leave Appropriation President Truman has signed for an appropriation bill carrying \$2,431,708,000 for enlisted men's terminal leave pay. He has not signed the terminal pay leave bill itself, but it's on his desk for action. Thirty million dollars of the appropriation is intended for purchase of especially-fitted automobiles for veterans who have lost their legs. Twenty-six million of the appropriation is labeled for OPA extension.

Payments will be at the rate of base and longevity pay received at time of discharge, plus a minimum of 70 cents a day for subsistence. Limit on accrued furlough time is set at 120 days, at the rate of two and one-half days off per month.

THE GENESSEE NEWS Entered at the Postoffice at Genessee, Idaho, as Second-Class Mail Matter. E. D. Pederson, Publisher. SLAUGHTER OUT OF WAY Returns from the primary election held in Missouri this week disclosed that Representative Slaughter, a democrat, lost to Axtell, another democrat, by 2,302 votes. Axtell is the candidate for election this fall, who had the backing of the CIO-PAC and the Pendegast political organization of Missouri. President Truman gave his support to Axtell and condemned the unsuccessful candidate for nomination because he was not in accord with Truman and his policies. Truman's political stature has not been increased by his actions. Voters in the last presidential campaign were informed that Truman had accepted connections with the Pendegast political machine, but recent developments are to the contrary. Axtell's opponent for the general election will be Albert Reeves Jr., nominated without opposition. Both Reeves and Axtell are veterans, but the former has been a federal district judge in Missouri for some time. When the president of the United States stoops to enter state politics, and employs such assistance as he gladly did, namely the Pendegast machine and the CIO-PAC, independent democratic and republican voters should examine more closely the ulterior motives of Truman, and the candidates he favors. Truman's actions in the Missouri election are unbecoming a chief executive, repulsive in the eyes of the public, and un-American.

Federal Buildings, Not Homes Washington, D. C.—House republicans, including Idaho Representative Henry C. Dworshak, Second District, solidly opposed a \$30 million appropriation recently for construction of post offices and federal office buildings. Republicans contended such construction could not be justified at a time when veterans, industrial workers and farmers are unable to obtain building material for long needed repairs and home buildings. "What excuse are we going to give our people for the construction of federal buildings in Washington when house more federal employees when our people cannot get materials to construct homes?" one spokesman asked. Hitting at the failure of the administration to reduce bureaucracy, one congressman suggested that one million federal employees be taken off the pay roll, "and then we will not need so many federal buildings."

Despite stiff opposition, the \$30 million dollar appropriation passed the house when democrats voted for the federal construction. Idaho Representative Compton I. White, First District, did not vote.

Mutual Consideration A minister was loud in his praise of the fat and juicy bird he colored hot served for dinner, and finally asked: "Where did you get such a fine goose?" "Palson," replied his host, "when you preach a good sermon, Ah down as you wish you got it. Ah hopes you'll have the same consideration for me." The atomic bomb is not so much. BENEFIT FOR TOM DRESHER FEATURES TWO GOOD GAMES People of Uniontown, Colton and Genessee contributed funds and talent for benefit ball games at Genessee Sunday which netted Tommy Dresher \$403.82 after payment of the federal tax of \$38.93. There were many who gladly purchased tickets, and then added extra contributions. Tom, an overseas veteran who was without use of his left eye since childhood, suffered the loss of his right eye during practice before a ball game at Colton early in the season. He spent several weeks in a Spokane hospital, and will return to Spokane soon for further treatment. Dresher Thanks Everyone Monday when Tommy was advised of returns for his benefit, he was most thankful, and sincerely wishes to express his gratitude to everyone who contributed. In his misfortune, he has hopes of partial sight recovery. His burden during recovery has been relieved and he is most grateful for the money, for to date he has had no financial assistance whatever. He appreciates the interest this community has shown in his welfare, and the fine cooperation of Uniontown and Colton and their baseball clubs and the services of Bill Carbaugh, well known basketball and baseball player of the University of Idaho, and the services of Bob Scharnhorst of Ritzville, who came to Genessee to participate in the benefit adult game. There was not one cent of expense in connection with the games except payment of the federal tax. All of the players contributed their talents. The Legion provided the balls, Geo. Blume, Genessee, and Geo. Hatstrup, Uniontown, handled the officiating for the adult game. Jacobs and Pederson officiated in the Legion junior game. Bob Broening brought in his power mower to trim the outfield. There was no charges for advertising or printing. Members of the Genessee adult ball club with the assistance of Ray Johann, using fire department equipment put the ball grounds in shape and cleaned the grandstand and bleachers. Managers of the two Genessee ball clubs, Klemm and Emmett gave their assistance, the Pastime, H & L Club, Bobbie and Jimmie Bennett, Art K. McBride, and a white-rimmed ticket sales campaign. Ed Vanouck was at his long-time job of handling ticket sales at the grounds. All of the players made the trips at their own expense, and those who contributed were liberal. To everyone Tommy wishes to give his thanks.

PITCHES 15-INNING GAME Mr. and Mrs. Bob Scharnhorst and Mr. Dean, spent the week end with the former's parents, Mr. and Mrs. Dick Scharnhorst at family. Bob, a member of the Rivaville Bombers, which won the Big Bend league baseball championship August 4, pitched a full 15-inning game. He allowed but 8 hits, and his club won the game 3 to 2. It was a scoreless event for 12 innings. In going the 15-inning route Bob whiffed 12 batters, played errorless ball, issued but two walks and scored one run. Mr. and Mrs. Louis Scharnhorst witnessed the final and championship game. Bob took part in the benefit game here Sunday for Tom Dresher, and was in his usual form. He was a member of Genessee's championship Legion teams in 1937 and 1938 when the local club was in two state sectional playoffs and one state championship series. Bill Carbaugh, outstanding basketball and baseball player of the University of Idaho gave one hit in three innings. H. Jacobs, first man up in the game, drove a hard one back at Carbaugh's feet. Bob Scharnhorst, an outstanding player when a member of the Genessee Legion junior club several years ago, pitched the last six innings, and he gave up but two hits, with one on the sixth frame, which, with one of the few errors of the games, permitted Uniontown to score the lone score of the game. Dick Scharnhorst received for his brother, and Pederson was behind the bat for Carbaugh. Carbaugh, who was still kicking the game played here Sunday and would like to see the two clubs meet again, but Uniontown had disbanded for the season before last Sunday, but got their players together for the benefit game. Harold Tuschoff, who was slated to play right field for Uniontown and to pitch a few innings, suffered a blow above his left eye in his first time at bat. He took a healthy swing at Carbaugh's first curve pitch, and was moving away from the second pitch when the ball struck his bat and bounced off. A pronounced swelling developed immediately, and the Uniontown player was taken from the game. Monday noon, in a telephone communication with the Tuschoff family, Harold was said to be getting along allright. The swelling was reduced but there was a decided blackness. First inning, Uniontown—H. Jacobs singled. J. Weber fanned. Jacobs was run down between first and second when Carbaugh threw to first. Tuschoff was a runner after being hit. Busch was out, pitcher to first. Genessee—Grieser was out, second to first. Hampton was safe on an error at short. Pederson flew out. Bob Scharnhorst doubled to left field. Carbaugh out, pitcher to first. Second inning—Cecil Thill out, second to pitcher covering first. D. Weber out, second to first. B. Jacobs safe on an error at short. Dahman struck out. Genessee—Dick Scharnhorst singled. Green flew out to short. Edwards out to right field. J. Scharnhorst pitched to first. Pederson out, pitcher to first. Fourth inning, Uniontown—Cecil Thill fanned. D. Weber flew out to the pitcher. B. Jacobs drew a base on balls. D. Dahman fanned. Genessee—B. Scharnhorst was out, pitcher to first. Carbaugh safe on an error by the pitcher and took second and stole third. Carbaugh was caught off third, with some discussion taking place about a balk, which was overruled by the umpire. D. Scharnhorst out, pitcher to first. Fifth inning, Uniontown—Wayne Thill safe on an error at short. H. Jacobs safe on a fielder's choice. J. Weber out, pitcher to first. Chamberlain fanned. Busch flew out to the pitcher. Genessee—Grieser fanned. Thill pitched to first. Pederson out, pitcher to first. Sixth inning, Uniontown—Wayne Thill safe on an error at short. H. Jacobs safe on a fielder's choice, with C. Thill thrown out at the plate. D. Weber scored on an error behind the plate. Dahman fanned. Genessee—Sampson remained on base and went out to a fly to center with Dahman making a fine running catch. Hampton out, short to first. Pederson was safe on an error at third and stole second. B. Scharnhorst fanned. Seventh inning, Uniontown—Wayne Thill out, pitcher to first. Busch and J. Weber fanned. Genessee—Carbaugh singled and stole second. D. Scharnhorst was out, short to first. Green fanned and Edwards flew out to centerfield. Eighth inning, Uniontown—Chamberlain out, second to first. Busch and C. Thill out, both, short to first. Genessee—Blume batting for John Drew a walk and took second on a passed ball. Sampson fanned. Hampton was safe on a bad throw from the pitcher. Continued on Page Four

OKLAHOMA WEATHER WARM ALL THE SAME AS LEWISTON Del Kambitach, at Fort Sill, Okla., writes to give a correction of address, and also mentions that it is warm in the "Sooner" state. Oklahoma may be hot, but it had nothing on Lewiston where the mercury shot up to 110. Del's letter reads: "Dear Pedersons: "We have changed our address here at Sill, giving us a new address, and we thought I would drop you a line and let you know about it so the News will stay up with me. We are in the same building as before but have become the 17th Field Artillery Battalion. They have set up a service battery which I am part of, and they moved us to a new section of the building. We just have 17 men in our battery now with an authorized strength of 34. You can see by that that most batteries are running at about 50 per cent of normal strength. There just isn't any new men to be had. "We have been having typical 'Okie' weather here ever since I returned from furlough. It has been averaging over 100 degrees in the shade and has gone as high at 111 degrees officially. They were telling in the city paper that a thermometer laid on a sidewalk went up to 130. How do you think people up in Idaho would like to work in weather like that? The 'Okie' just goes about his business like nothing out of the ordinary is happening. I know that I suffer plenty, and so long for the cool weather of Idaho. "Nothing ever happens around an army camp to write about. The same routine day in and day out except on Wednesday afternoons when the paper comes in to break the monotony long enough so one can stand it another week. I wish to express my appreciation to you and all those concerned in making it my privilege to receive the paper.—Del." Address: T/5 Del Kambitach, Service Battery, 17th Field Artillery Bn, Fort Sill, Okla.

CHRISTENING SUNDAY Henry Michael, the seven-week-old adopted son of Mr. and Mrs. H. J. Martinson, was christened Sunday at 10 o'clock by Rev. F. B. McBride. Miss Kathryn Larkin was named godmother and J. M. Rabdau, the godfather. At 3 o'clock a buffet dinner was served by Mr. and Mrs. Martinson with the following guests present: Mrs. Michael Larkin, Miss Mary Larkin, Miss Rose Larkin, Miss Kathryn Larkin, Mrs. Francis McSherry, Mr. and Mrs. Robert Sater, Robert and Marguerite Sater, Mrs. Warren Watson and son, Chipper, all of Spokane. Evening visitors were Mr. and Mrs. W. B. Burr, Mr. and Mrs. R. E. Edwards and Mr. and Mrs. Dick Zelmants.

Borgen Leaves for Japan Op. Don Borgen, recently transferred from Camp Stoneman, Calif., to Fort Lawton, near Seattle, telephoned his parents, Mr. and Mrs. W. O. Borgen, Wednesday evening that he had been notified of orders to leave for Japan, Friday, August 16.

Picnic Sunday at Esser Home A picnic dinner Sunday, given at the home of Mr. and Mrs. Wilson Esser honored the visit here of Mrs. Marion Esser and children and Mr. and Mrs. Irvin Lawson of Camas, Wash. Mrs. Art Thomas of San Francisco, Mr. and Mrs. Albert Esser of Wallace and Mrs. Marie Crete of Willows, Calif. Those attending from Genessee were: Mr. and Mrs. Martin Grieser and family, Mr. and Mrs. Carl Grieser, Mr. and Mrs. Lloyd Esser and family, Mr. and Mrs. Gene Grieser and family, Mr. and Mrs. Gene Woodruff and family. Afternoon visitors were Mr. and Mrs. Chas. Grieser Sr., and Mr. and Mrs. John Jacksha. The visitors who arrived last Friday, left the first of the week for their homes.

THREE FIRE ALARMS Wednesday of last week the fire alarm sounded for a stubble and grain fire at the Carlie Grieser place. The fire was noticed by people traveling the highway and who helped the combine crew extinguish the fire before damage resulted. Burning grass at the Anderson home, Louis Roskammer had some difficulty when the wind came up to carry the flames to a small building. The fire department was on the job in a hurry to extinguish the fire. Tuesday an alarm came in from the Wahl ranch where a stack of hay was destroyed.

Mr. and Mrs. W. C. Coffland and daughter, Shirley, of Pasco, and Joan Coffland of Lewiston visited Tuesday in the Martin Liberg home and with other friends here. Spending Thursday in Spokane were Mr. and Mrs. Kenneth Aherin, Billy Mervyn and Mrs. Lillie Aherin of Clarkston.

UNIONTOWN TAKES GENESEE IN SUNDAY'S BENEFIT GAME Uniontown's championship baseball club, meeting the Genessee Legion club Sunday in a benefit game for Tom Dresher, won 1 to 0, in the best played game of the season, a thriller for nine innings, with but 7 hits being given up by the four pitchers. It was almost an air-tight game, and a pitchers' duel from start to finish. C. Thill, who threw for seven innings for Uniontown gave up but three hits. B. Jacobs relieved him on the eighth and allowed but one hit, with no runs being scored by Genessee. Bill Carbaugh, outstanding basketball and baseball player of the University of Idaho gave one hit in three innings. H. Jacobs, first man up in the game, drove a hard one back at Carbaugh's feet. Bob Scharnhorst, an outstanding player when a member of the Genessee Legion junior club several years ago, pitched the last six innings, and he gave up but two hits, with one on the sixth frame, which, with one of the few errors of the games, permitted Uniontown to score the lone score of the game. Dick Scharnhorst received for his brother, and Pederson was behind the bat for Carbaugh. Carbaugh, who was still kicking the game played here Sunday and would like to see the two clubs meet again, but Uniontown had disbanded for the season before last Sunday, but got their players together for the benefit game. Harold Tuschoff, who was slated to play right field for Uniontown and to pitch a few innings, suffered a blow above his left eye in his first time at bat. He took a healthy swing at Carbaugh's first curve pitch, and was moving away from the second pitch when the ball struck his bat and bounced off. A pronounced swelling developed immediately, and the Uniontown player was taken from the game. Monday noon, in a telephone communication with the Tuschoff family, Harold was said to be getting along allright. The swelling was reduced but there was a decided blackness. First inning, Uniontown—H. Jacobs singled. J. Weber fanned. Jacobs was run down between first and second when Carbaugh threw to first. Tuschoff was a runner after being hit. Busch was out, pitcher to first. Genessee—Grieser was out, second to first. Hampton was safe on an error at short. Pederson flew out. Bob Scharnhorst doubled to left field. Carbaugh out, pitcher to first. Second inning—Cecil Thill out, second to pitcher covering first. D. Weber out, second to first. B. Jacobs safe on an error at short. Dahman struck out. Genessee—Dick Scharnhorst singled. Green flew out to short. Edwards out to right field. J. Scharnhorst pitched to first. Pederson out, pitcher to first. Fourth inning, Uniontown—Cecil Thill fanned. D. Weber flew out to the pitcher. B. Jacobs drew a base on balls. D. Dahman fanned. Genessee—B. Scharnhorst was out, pitcher to first. Carbaugh safe on an error by the pitcher and took second and stole third. Carbaugh was caught off third, with some discussion taking place about a balk, which was overruled by the umpire. D. Scharnhorst out, pitcher to first. Fifth inning, Uniontown—Wayne Thill safe on an error at short. H. Jacobs safe on a fielder's choice. J. Weber out, pitcher to first. Chamberlain fanned. Busch flew out to the pitcher. Genessee—Grieser fanned. Thill pitched to first. Pederson out, pitcher to first. Sixth inning, Uniontown—Wayne Thill safe on an error at short. H. Jacobs safe on a fielder's choice, with C. Thill thrown out at the plate. D. Weber scored on an error behind the plate. Dahman fanned. Genessee—Sampson remained on base and went out to a fly to center with Dahman making a fine running catch. Hampton out, short to first. Pederson was safe on an error at third and stole second. B. Scharnhorst fanned. Seventh inning, Uniontown—Wayne Thill out, pitcher to first. Busch and J. Weber fanned. Genessee—Carbaugh singled and stole second. D. Scharnhorst was out, short to first. Green fanned and Edwards flew out to centerfield. Eighth inning, Uniontown—Chamberlain out, second to first. Busch and C. Thill out, both, short to first. Genessee—Blume batting for John Drew a walk and took second on a passed ball. Sampson fanned. Hampton was safe on a bad throw from the pitcher. Continued on Page Four

MISS JEAN MARIE SCHOOER BRIDE OF HENRY L. BANGERT Wednesday afternoon, August 14, at 4 o'clock, Miss Jean Marie Schooer, daughter of Mr. and Mrs. Harry Schooer, and Mr. Henry L. Bangert, son of Mr. and Mrs. Howard Bangert of Park Ridge, Ill., were united in marriage at St. John's Lutheran church. The Rev. Roland G. Wuest, pastor of St. John's officiated, reading the double-service before an altar decorated with baskets of pink and white gladioli and lighted candles. The bride, in a white satin and georgette gown fashioned with a fitted bodice and with a long train, was given in marriage by her father. Her bridesmaids were Miss Phyllis Magese, a Mary Queen of Scots hat. Her bouquet was sweetest roses, stephanotis and gladioli. Her only attendant was Miss Phyllis Magese, an intimate friend since childhood. Miss Magese wore a pink floor length gown with white trim and carried a white colonial bouquet. For her daughter's wedding Mrs. Schooer chose a light blue dress and her corsage was pink and white gladioli. Mrs. Bangert, the bridegroom's mother, also wore a light blue dress and a corsage of gladioli. The groom's attendant was Robert Schooer, brother of the bride, and ushers were Robert Huffman and Vern Lange. After the marriage ritual a reception was held at the home of the bride's parents. Baskets of gladioli decorated the home. The three-tiered wedding cake topped with a miniature bride and groom adorned the lace covered table. Napkins were imprinted with the names, "Jean and Hank." Mrs. W. W. Burr served the wedding cake after the bride and groom had been put into a glass jar. The eggs, after being in the jar for 6 days, continue to move, somewhat like a Mexican jumping bean. Inside the jar and white belted egg will be found a grub or larvae. It is reasonable to believe that movement of the eggs is sufficient to permit gravitation to a place convenient where the caterpillar will hatch its caterpillar. Into the glass jar were also placed two of the brown caterpillars. One of these proceeded to form a cocoon, but the other died. It was noticed that the caterpillars and eggs fell from the tree branches, and examination of a tree showed many caterpillars. Sparrows soon spotted the eggs and were not disturbed, fed on the tough, pellet-like eggs, as well as the caterpillars. Mr. Isaaksen, employed by the state highway department, and recently working between Colidene and Winchester, said he saw acres of trees near the Winchester grade that were brown, and appeared lifeless. Other people have reported trees losing their needles this summer, but the first eggs and caterpillars were seen at the Isaaksen home. It has been reported that 320 acres of trees were killed within a few days in the Palouse country, and it is estimated that approximately 70,000 acres of farm woodlands and privately-owned timber holdings have been infested with perhaps three-fourths of the trees killed. Immediate action was requested a few weeks ago to dust all of the territory affected.

GENESEE LUTHERAN CHURCH Roland G. Wuest, pastor 8:30 a. m., Sunday school. Classes for all age groups. The pastor conducts the adult Bible class. 10:30 a. m., worship service. Sermon theme, "God's Wisdom Gives Answer to the World's Wisdom," based on Acts 17:16-34. The Luther League will meet this evening at the church at 6:30 for a pick-up lunch and short business session. After the meeting the Leaguers will enjoy a skating party at the new Lewiston roller rink. All members are urged to be present for meeting, even those not planning on going skating, as final plans must be made for the district convention in Seattle over Labor day.

Leave on Vacation Rev. and Mrs. Roland G. Wuest and daughter, Karen, will leave Genessee Sunday afternoon for a three weeks' vacation on the coast. They will go first to Oregon City, Ore., where they will spend a week with Wuest's parents. From there they will go to Seattle where they will be joined by Rev. and Mrs. Neale Nelson of Moscow for a three-day trip to Vancouver, B. C. On their return trip Rev. and Mrs. Wuest will attend the Luther League convention to be held at Zion Lutheran church at Seattle on August 31 to September 2. They plan to return to Genessee Sept. 5.

SPRINGERS BACK IN HAWAII AFTER SOJOURN IN STATES T/5 and Mrs. Don Springer and daughter, Linda Kay, arrived in the States at Oakland, Calif., May 10. They reached Genessee Wednesday afternoon, and Sunday Mr. Springer will go to Fort Lewis to receive his discharge from the army. Family Together in Hawaii Don, who entered the service in March, 1945, and trained at Camp Roberts, left for Hawaii September 15, 1945, arriving there seven days later. Mrs. Springer and daughter made their home at Genessee until May of this year when, on May 10, they boarded a Matson liner for Hawaii, and they joined Mr. Springer five days later. He and another soldier, stationed on the islands, contemplating arrival of their families, secured a home at Scofield Barracks, the well-known army outpost, and everything was in readiness when the two families arrived. The ladies and children made the trip overseas together. Scofield Barracks, located about 25 miles from the City of Honolulu, is a nice place, and the experience of having lived there is one long to be remembered. The climate was exceptionally nice, but it is agreed that the United States, practically without pinneaples is most desirable. picks up now has one or more deaths by auto accidents, all of which could have been prevented if we slow up a bit. Five minutes more to get some- where makes the difference of life or death many times. Last week a car crowded a converted school bus into the bridge in front of the Wedin home, forcing the front wheels be- tween the road and railing. Only the dual tires on the back wheels kept the bus from throwing all its weight against the railing, which, had it broken, could have turned the bus bottom side up in several feet of water. Three such narrow bridges be- tween Thornecreek and Lewiston should be widened. This week we celebrated V-J Day, and still the world is far from being peaceful. Suspicion, hatred, greed and prej- udice still keep the world apart, and one wonders how long before the lid will blow off again. We think if some of the GI's who did the fighting and saw the real "McGoy" could be sent over to write up the peace terms we might get somewhere. Some of those old fossils who sat at the peace table 25 years ago are back on the job again, and it looks like they are not doing any better work than they did then. Younger blood and modern ideas should formulate the plans of the future. At home we might de- clare the war ended and get busy with peaceful pursuits.

GENESSEE VALLEY NEWS

Harvest operations are at the peak now and the end of this week will see several jobs finished. Scattering light showers Tuesday evening held up cutting for a few hours but the warehouse was closed anyway so the farmers are tightening up a few bolts and getting ready to finish the work. The weatherman finally turned on the heat this week but up until now it was one of the coolest August months on record and added much to the comfort of men working in the dust. Work on the highway is progressing and we'll soon be through with the washboard road.

Mrs. A. M. Pierson and children left Tuesday for their home at Vancouver where final preparations will be made for their departure for Germany next month to join Mr. Pierson. They spent two weeks at the Wm. Borgen and Art Hove homes. Wednesday evening supper guests at James Magee's were Mrs. Joe Alley, and Misses Norma Lee Short and Phyllis Magee, all from the Gritman hospital. Miss Short will enter Sacred Heart Nurses School in Spokane in September. No Sunday school Sunday. Miss Dwyer of Tacoma is a house guest of Mrs. George Nelson for two weeks. Mr. and Mrs. F. L. Simmons of Spokane spent Wednesday and Thursday at James Magee's.

Mrs. Wm. Borgen called on her daughter, Mrs. Howard Broemeling, at the Gritman hospital Sunday and made the acquaintance of her new granddaughter. Miss Greta Knight, daughter of Mrs. Kermit Hove, returned Monday from a two week visit at Portland. She will teach in southern Idaho the coming term. Mr. and Mrs. Moses Paul, Mr. and Mrs. Gunder Carlson of Clarkston and Mr. and Mrs. Chester Osdson of Sprague were Sunday dinner guests of Mr. and Mrs. Levi Rossebo. Mrs. A. M. Pierson and children, and Mrs. Herman Isaksen and Mary called on Mrs. Fred Hove and Mrs. Joe Anderson Monday afternoon. Sunday afternoon callers at the August Johnson home were Mr. and Mrs. L. G. Peterson, the Hillman Huntbach and Kimberling families of Moscow. Wilbur Jain had dinner Saturday at James Magee's. Mrs. Levi Rossebo and Miss Greta Knight called at Wedin's Tuesday afternoon. Gene Eikum returned home Monday afternoon from Japan after a year's service in the navy. He is the last one of the servicemen to return to the Valley. Mrs. Pierson and children and Mrs. George Nelson and Miss Dwyer visited Mrs. Nels Lande Tuesday afternoon. Mr. and Mrs. Howard Beck and children from Montana and Mrs. Chas. Odenberg of Portland are visiting at Delos Odenberg's. Mrs. Victor Danielson is chaperon this week at the new Lutheran camp on Lake Coeur d'Alene for Joyce and Shirley Danielson, Joyce and David Hewitt, Donna Egland, Marjorie Hutton, Ann Nilsson and Jean Lusk.

John Eikum went to Lewiston Saturday to attend the state Legion convention and to visit his mother, Mrs. Mary Eikum. Mr. and Mrs. Julius Nordby and sons went to the Homes Day at Coeur d'Alene Sunday and left in the evening for their home at Dubois, Idaho, after a week's visit with relatives here and in Moscow. Mrs. Paula Peterson fell at her home last Thursday and fractured her knee cap. She is at the Gritman hospital in Moscow where she underwent surgery Monday and a piece of shattered bone was removed. Mr. and Mrs. Lee Webb and daughter spent Sunday at Gus Rosenau's. Sonny Marken is convalescing at St. Joseph's hospital after pneumonia. Mrs. Lawrence Clady of Spokane is at the Scheele home and will care for her mother when she returns from the hospital. Mr. and Mrs. Oscar Danielson and Danny, Mrs. Annie Danielson, Clarence Danielson, Einar Johnson, Mrs. Wm. Borgen, Mrs. A. M. Pierson, Mrs. Art Hove, Mr. and Mrs. R. E. Nordby and Mrs. Lilly Larson attended annual Homes Day celebration at Coeur d'Alene Sunday. A speeding car with one headlight crowded J. P. Wedin into the ditch Tuesday evening and he upset his truck loaded with wheat near the Jess Johnson place. The car sped on and Mr. Wedin was unable to get out of the truck until friendly motorists from Lewiston assisted him and brought him home. The truck was not badly damaged and Mr. Wedin escaped with scratches and bruises.

Mrs. Hugo Gehrke, Mr. and Mrs. George Scharnhorst, Rev. A. F. Wolff and daughter, Mrs. Conrad Rizer, visiting here from New York; Mrs. John Yockum and Mrs. Rosine Scharnhorst of Clarkston, and Mrs. Cora Simons of Corvallis. Zenner Infant Passes Lewiston Tribune, Aug. 22: The infant daughter of Mr. and Mrs. Andrew Zenner, Genessee, passed away at St. Joseph's hospital about midnight last night, one day after birth. She is survived by her parents; grandparents, Mr. and Mrs. J. Peter Zenner, Lewiston, and Mr. and Mrs. Emil Reisenauer, Colton. The body is at the Vassar-Rawls funeral home pending arrangements. Visitors at Bennett Home Lt. Col. Clarke Bennett, stationed at Camp Lejeune, N. C., arrived Monday for a visit with his sister, Mrs. H. E. Bennett, and family. Following 31 months in the Pacific he arrived in the States July 31. His wife and son, Andrew, will be remembered by many here, as they visited the Bennett family last year for several weeks. Mrs. Bennett is also enjoying the visit of another brother, Gale, of Helena, Mont., who arrived Thursday. The two brothers had not seen each other for eight years and Mrs. Bennett had not seen her brother Clarke, for 6 years. Mrs. F. L. Bennett, mother of the three arrived Saturday from Wenatchee to visit here for several weeks. Community Church Sunday school at 10 a. m. Communion service at 11 a. m. Melford Knight, pastor.

Swing low Sweet Kilowatt!  
The price of electricity has come down like this—  
BUT the cost of living has gone up like THIS!

Nobody needs to tell you that the cost of living has been soaring toward high C.  
But maybe you DO need a reminder that the cost of electricity has been sliding deep down.  
If yours is an average household, you're getting about TWICE as much electricity for your money today as you did 15 years ago. That fact ought to be music to your ears.  
GETTING prices down and KEEPING them down is one of the electric industry's greatest achievements. There has never been a need for OPA regulations on electric costs. It took a lot of planning, perspiration and practical BUSINESS management to do this job in WARTIME. All our people played a part.

THE GENESEE NEWS

Entered at the Postoffice at Genesee, Idaho, as Second-Class Mail Matter. E. D. Pederson, Publisher

BOB HERMAN ON FURLOUGH

Bob Herman, son of Mr. and Mrs. Walter Herman, who entered the service May 27 on an 18-month enlistment arrived Monday evening from Ft. McClellan where he completed 8 weeks of basic, plus two weeks of routine duty. He is on leave enroute to Ft. Lawton, Wash., and has 15 days at home. He drew the infantry and expects that he will soon be scheduled for overseas, and to the Asiatic area.

CHECK MAGAZINE SALESMEN

A warning to Idahoans of apparent attempts by magazine or publication salesmen claiming to represent the Veterans Administration was made by Ross L. Rowe of the Idaho VA, who advised residents that such misrepresentation should be reported to authorities.

The VA has no publications for sale, nor does it represent or endorse any publication or salesman thereof. A report was made by a housewife to a VA representative in Pocatello that she had been asked by a salesman to subscribe to a publication. The salesman represented himself as an agent of the Veterans Administration in selling subscriptions.

Report of similar activities in the Boise vicinity has been heard by the VA, and residents are invited to contact local authorities or the VA representative in their area in such circumstances, Rowe advised.

Attendant at Sister's Wedding

Mrs. Howard Blume was in Moscow Sunday evening to attend the wedding of her sister, Doris Harland, to Marvin Earl Fry, Jr., of Pittsburg, Pa., which took place in the little chapel at the Presbyterian church. Mrs. Blume was matron of honor and Ray Harland of Lewiston, brother of the bride, was best man. Only immediate family members witnessed the ceremony and attended the reception which followed at the home of the bride's parents, Mr. and Mrs. R. V. Harland.

Birthday Dinner

Mrs. John Meyer Sr., was given a birthday dinner to celebrate her 76th birthday by her daughter, Mrs. Ralph Wagner. Others present were Mr. and Mrs. Glen Tabor and daughter, Evelyn, of Colfax, Mr. and Mrs. Fred Meyer, Mr. and Mrs. John G. Meyer, Mr. and Mrs. Gus Fickens, John Meyer, and Ralph Wagner. Mrs. Tabor remained to visit a week with her parents and other relatives.

MODERNIZE THE OIL FILTERING SYSTEM ON YOUR OLD TRACTOR

Keeps Engine Oil Clean Twice as Long. Protect your tractor engine with the new International Harvester "umbrella" type filter element. It lasts twice as long as the familiar old-style cloth mesh strainers which had to be cleaned daily and is more efficient than the star-shaped cellulose element. Even under adverse operating conditions the "umbrella" element affords full protection for 120 hours of use (100 hours for Diesel engine). This new element is made of special, creped cellulose, resin-impregnated and baked to form a plastic-like material that withstands hot oil without collapsing. It keeps oil free from harmful material and filters out particles so small they can be measured only in microns. For maximum protection use the new "umbrella" element and change regularly, at the recommended time interval. Take home a supply today.

SCHOOLS OPEN SEPTEMBER 9

CLASSES START NEXT DAY. The fall term of school will commence Monday, September 9 when all buses will make regular runs to pick up students for the opening session at 9 a. m. All pupils in the grades will meet with their respective teachers for the purpose of obtaining book lists and assignments. In high school the regular daily schedule will be carried out with five minute classes, so texts and assignments may be made. Buses will make the return trip at 10 a. m. Regular class work will start Tuesday.

SCHOOL ELECTION SEPT. 3

Genesee Independent School District will hold its annual election at the school building Tuesday, September 3, from 1 to 6 p. m. to elect two members of the board of trustees. Members who have completed terms of office are Mahlon Follett and J. G. Meyer. Other members of the board are R. E. Nordly, Walter Emerson, Ben Pleiman and Floyd Ochs.

TERMINAL LEAVE BLANKS AVAILABLE AT GENESEE P.O.

"Claims for Settlement—Unused Leave," blanks are now available at the Genesee postoffice for enlisted personnel, who wish to file for terminal leave pay or unused furlough time. Instructions accompanying the approved form state that it is unnecessary to employ anyone to assist you in preparing the claim. However, if assistance is needed you may consult your local community advisory or information center or your state or county veterans' service officer.

GENESEE CASH HARDWARE

In no case may a member of the armed forces be compensated for more than 120 days' unused leave. The unused leave will be settled and compensated for on the base pay plus longevity the individual was in receipt of at the time of last separation from active duty as an enlisted person. All former enlisted persons will be entitled to subsistence allowance at the rate of 70 cents per day of such leave. Former enlisted persons of the first three pay grades with dependents at the time of last separation from active duty will be entitled to an additional allowance of \$1.25 per day of such leave. Settlement will be made in the following manner: When the total sum due is less than \$50, payment will be made entirely by check. In case of former enlisted persons who were in receipt of pay for more than 180 days before January 1, 1943, the payment of the entire amount due will be made by check. When the amount due is \$50 or more, settlement will be made in United States bond to the highest multiple of \$25 and any remainder in excess of such amount will be paid by check. Claims for used leave must be postmarked not later than September 1, 1947. Bonds issued in settlement and compensation for unused leave shall be insured by the proper office. Each transferee by sale, exchange, assignment, pledge, hypothecation, or otherwise, except for payments to the Veterans Administration for prepayments in payment of the difference in the reserve in case of conversion to insured status, shall be held responsible for the death of a holder of such bonds. The date of separation at an enlisted person. The bond shall bear interest at the rate of two and one-half per cent per annum from date of bond. The bond shall mature five years from the date thereof except that in event of the death of a holder the bond may be submitted to the Secretary of the Treasury for payment at any time after death of the survivor or survivors entitled under the Act.

TWO MEN TO COACH

Mr. Hammond will handle boys' physical education, basketball and baseball, and Mr. Devlin will handle girls' physical education, grade physical education and coach football.

Half Holiday Sept. 13

On Friday, September 13 there will be only a half day of school owing to a county teachers' meeting at the courthouse in Moscow in the afternoon of that day. Buses will make the return trip at noon.

Hot Lunch to Operate

Mrs. Albert Wernecke and Mrs. Lawrence Brown will again be in charge of the school hot lunch program. It is planned to start the hot lunches on Tuesday, September 10. A full hot meal will again be served this year. Due to increased costs, meals will be ten cents, or 50 cents per week will be charged instead of 8 cents per meal. Pupils who do not eat regularly at the hot lunch are urged to pay by the month in advance. If this procedure is followed it will minimize the bookkeeping and detail work to a large extent. Those who do not eat at the hot lunch can, of course, still pay by the week each Monday.

Registration

The superintendent's office will be open from 9 a. m. to 4 p. m. Friday, September 6 at which time all students new to the high school, including the high school who, for some reason, were unable to register last spring will register on September 6, together with new students.

VA Man Here Sept. 4 and 18

A revised schedule of hospital service for the month of September has been adopted by the Moscow VA office in order to provide a more comprehensive service to Latah county veterans, according to Ross L. Rowe, representative in Moscow.

On the September schedule are visits of the VA contact men on September 4 and 18 from 8:30 a. m. to 11:30 p. m.

Veterans who are unable to meet with VA representatives on this schedule or who cannot call at the Moscow office, 209 Post Office building, are urged to submit inquiries by mail.

CVA RESOLUTION BY GRANGE

How serious the federal government may be in setting up a Columbia Valley Authority has not been clearly defined, although some politicians of the Glen Taylor type have been agitating such an authority. It has been declared of no use by army engineers, and from various parts of the Pacific Northwest some resolutions on opposition. The following resolution was passed by the Jerome Grange, Jerome, Idaho:

Whereas, Jerome Grange, being situated in the heart of south central Idaho, the most fertile and productive section of the great northwest, and will be greatly affected by the passage or defeat of the CVA, and

Whereas the subject has been discussed and acted on the floor of our grange hall for the past several years, and

Whereas, Jerome Grangers represent the great majority of the population of this area, we feel qualified to have our thoughts known and wish to have our voices heard, and

Whereas, the concentration of power, now divided among the several agencies, constituted a threat to the welfare of this area, and in one more step towards a totalitarian form of government, and

Whereas, such power would be in the hands of too few who are not required to answer for their acts to the congress, these men having the right to cancel any of our water rights if they so desire, and to declare any piece, parcel or district of land submarginal and unfit for irrigation, also the right to tell us American farmers that we must raise a certain amount of wheat, milk a certain number of cows or raise a certain number of chickens, and

Whereas, there are only a few main rivers in the United States and if authorities are established on these rivers there would be an enormous amount of power placed in the hands of a few men, and

Whereas, this district is served electrically by the Idaho Power company, whose highest rates are paid by the people, and as low as 3 mills per KWH for industry and irrigation purposes, and

Whereas, said power company, at the present time has an average rate one-third less than the national average rate, thirty per cent of which is returned to the people in the form of taxes, and

Whereas, said power company and will furnish any and all industry with the desired electricity at very low rates and has at all times aggressive, in our desire to develop and accommodate each industry as it arrives, and

Whereas, Government controlled electric power plants can and do set power rates without thought of true costs or expenses of distribution and collection, and in the end, upon appropriation for maintenance and repairs, and

Whereas, we would rather pay our bills at present rates, and rather not have another acre of Idaho soil irrigated than to have the millstone of control tied around our necks, and

Whereas, the development of the Columbia river authority and

Whereas, we in the west are pioneers and sons of pioneers, active in mind and body, sturdy, steadfast and aggressive, in our desire to develop a greater Idaho in a truly American way. Now: Let it be known, we do not seek to delay in any way the development of our great resources, but only that we do not agree with the form in which that development is proposed. The great Northwest has been and will always continue to be the greatest pioneering area of the entire United States. Private industry has developed it. Personal industry has engineered it. Never has there been an industry turned away. Now, therefore, it is resolved that, we, Jerome Grange No. 210, now in regular session ask and recommend that the Columbia river authority bill be defeated in the congress of the United States.

OVER MILLION BUSHELS NOW IN STORAGE AT THIS POINT

Grain and peas from the Palouse hills of the Genesee area, already in storage amount more than one million bushels. At the writing, now in storage there are approximately 430,000 bushels under cover. The Farmers Union Producers sack warehouse is nearing capacity. The Mikkelsen elevator and sack house lacks but little to be full. The Martinson warehouse is also full. The west end of the Genesee Union Warehouse company east end plant are practically full, for another 350,000 bushels, and by Friday it is estimated there will be about 200,000 bushels in the new elevator.

It is surprising how many fields of wheat remain to be harvested, and in all directions from Genesee. A lay-off will perhaps be necessary Saturday and Sunday, but harvesting will be continuing for ten days or two weeks. It does not appear that all grain will be accounted for. Harvest. Grain is being stored outside at most points in the wheat belt. There has been no shipments made by rail since early in August, but there was hopes of cars being on the switches at Genesee Thursday morning. The hope now for getting the big crop under cover depends on receipt of railway cars. Trucking to other points it out of the question for Genesee is undoubtedly the most favorable place now for storage. If the new elevator had not been constructed, the problem of storage would be one of real seriousness with no alternative but to pile grain on the ground.

Edward Konen of Los Angeles and his sister, Miss Norma Koenen, in training at Sacred Heart school of nursing, Spokane, spent the week at Genesee with Mr. and Mrs. L. W. Vestal and family.

LEE BUYS DRAY LINE

Two hundred thousand bushels of wheat, peas and barley will have been stored in the new Genesee Union Warehouse company elevator by today. Wednesday evening when 40 trucks were lined up waiting to unload, there was storage space available for 54,000 bushels of wheat. At the rate of delivery at the new east elevator the space would be occupied sometime Friday.

HARD TO GET ITEMS ON SALE FOR VETS ONLY SET ASIDE

Camera, binoculars, typewriters, medical and dental equipment, office furniture and office machinery—these are just a few of a long list of "hard to get" items set aside by the War Assets Administration for sale to veterans only, for their personal or business use; according to an announcement by James G. Wilcox, regional director for the War Assets Administration in Spokane.

Information regarding details of the revised set-aside list and the manner in which listed goods can be obtained by veterans may be obtained at the Veterans Division of the Spokane Regional office, on the fourth floor of the Welch building, in Spokane. The "set-aside" items are for the personal use of the veterans, or for use in his business—not for resale.

Until the recent additions, the set-aside list had been composed of motor vehicles, trailers, construction equipment, including excavating machinery, medical, surgical, dental and veterinary supplies. Typewriters also had been listed as "set-aside" for veterans.

The new list adds such items as concrete mixers, lift trucks, bench grinders, and small motors; office equipment including dictating and duplicating machinery; computing machines, desks, chairs, tables and filing cabinets; hardware and electrical equipment and refrigerated display cases; photographic equipment including cameras, projectors, binoculars and night vision devices; jewelry, new wrist watches. Sleeping bags and life rafts have been added to the section for recreational equipment.

Certain food appliances have been added for veterans in the bakery or restaurant business.

For the veteran engaged in farming, new additions to the set-aside list include walking and tractor plows, disc plows, and barbed wire. The case of barbed wire, a limit of 10 spools, of 85 rods each, has been set aside.

The new list of set-aside items may be inspected by veterans at the Spokane WAA office, on the fourth floor of the Welch building, daily except Saturdays and Sundays from 8 a. m. till 5 p. m.

TROUT IN KAMBITSCH POND

The state game commission in cooperation with the soil conservation service is experimenting with plantings of trout in a number of stock ponds built by farm owners in various parts of the state. The most recent fish planting in the Genesee area was at the Frank Kambitsch ranch last week when several cans of trout fry were liberated.

The agencies are experimenting with trout plantings. Bluegills and bass have proven satisfactory in all farm pond plantings, the bass being known to control propagation of the bluegills, and the two kinds of fish together prove beneficial in keeping down the development of the weeds. The trout may survive and develop without other fish plantings, thus the experiments being conducted at the present time.

Final Game Cancelled

The Legion Junior baseball game scheduled at Moscow last Sunday between the Moscow and Genesee boys' clubs was cancelled owing to numerous players being engaged in harvest work and the last of Sunday's game was unable to play. The game was cancelled owing to the suits worn this season for wear next season may stencil their names on the suits.

Turn In Uniforms

Art Klemm, manager of the Genesee Legion uniforms, is requesting that all Legion juniors be turned in at once for storage. Boys who desire the suits worn this season for wear next season may stencil their names on the suits.

TWO MEN DISCHARGED

NEW ELEVATOR FILLING UP

Two hundred thousand bushels of wheat, peas and barley will have been stored in the new Genesee Union Warehouse company elevator by today. Wednesday evening when 40 trucks were lined up waiting to unload, there was storage space available for 54,000 bushels of wheat. At the rate of delivery at the new east elevator the space would be occupied sometime Friday.

GRAIN HANDLING AT NEW ELEVATOR

Approximately two-thirds of the storage space in the new elevator is being handled from the one "leg" in operation. Contractors are making every effort to have the second "leg" completed Monday, and permit complete use of the new building.

The new elevator has a capacity of 300,000 bushels, with some of this space remaining open for transfer of grain and peas, but every storage facility at this delivery point will be taxed to accommodate the crop now being harvested.

GOOD WILL NOT AVAILABLE THROUGH GENEROUS GIFTS

Burley—Disillusioned by developments at the Paris peace conference, Representative Henry Dworshak said this week that he believed "peace can be preserved only if cooperation is forthcoming from other nations. Our government must not continue to make all the concessions."

"Americans are united regardless of partisanship," the Idaho congressman asserted, "and are insistent that the objectives of the recent war be recognized at the peace conference. It will be more realistic and more effective to take a firm position now than later."

Pointing to the imperative need of positive tactics in the conduct of our foreign affairs, Dworshak declared "it is generally recognized that no longer can the United States purchase good will by generous distribution of credits and supplies. Lend-lease, the export-import bank, UNRRA and other agencies were designed to build a solid foundation for post-war security and coming. However, our government has recently made little progress, and today we are being denied the good will which is so essential if hostilities are to be avoided in the future."

"There have been authentic reports of underhanded Soviet activities in Manchuria and countries occupied by the Reds in Europe," Representative Dworshak continued. "Communist occupation forces have removed industrial equipment and food supplies and shipped them to Russia. While UNRRA and U. S. agencies have been seeking to rehabilitate devastated areas, the Soviets have deliberately accentuated confusion by making the residents destitute. In the distribution of UNRRA supplies, there has been misrepresentation so that recipients have assumed the Soviets were solely responsible for such assistance."

"Recent shooting down of American army transports in Yugoslavia reflects the deceit and cunning of Red satellite states. Slave labor camps are being maintained in Russian areas, and U. S. army officials in Europe are being hampered in planning early rehabilitation and recovery in Europe."

"If the United Nations is to function effectively and peace maintained," Dworshak concluded, "leading powers must now demonstrate their capacity to cooperate in planning the peace as they did in winning the war."

FLYING FARMERS TO MEET AT FELTS FIELD IN SPOKANE

Early response from all parts of Idaho indicate that the Gen state is going to be well represented at the first annual convention of Flying Farmers to be held in the big military hangar at Felts Field, Spokane municipal airport, on September 22, 23 and 24.

Already 200 licensed pilots have indicated their desire toward perfection of the Idaho Flying Farmers association, which it is proposed will be similar to 20 such associations already functioning through the United States and affiliated with the National Flying Farmers association, Oregon and Washington farmers are also coming to the tri-state meeting to organize.

In a survey to determine the use to which Idaho farmers are putting aircraft, a variety of uses was determined depending on the locality, type of agriculture, terrain and distance from larger centers of population. In every case, however, it shows that the airplane is rapidly making itself felt in the successful operation of farms. Its speed is increasing efficiency and lowering costs of operation, particularly where expensive machinery and crews of employees are idle during time necessary to secure parts for repair.

Crop dusting by airplane was mentioned by a vast majority of persons answering the survey of all three states, when such jobs as locating broken fences, irrigation ditches, cattle counts, study of soil erosion and weed infestation were frequently mentioned.

The convention will open Sunday, September 22, with registration of visitors at Felts Field and the Spokane hotel, where at 8 p. m., the early arrival will be guests of the Inland Empire Press Club during a social hour and "hangar flying" party. On Monday registration headquarters will move to Felts Field, where farmers owning airplanes are expected to fly in. Others will come by all available means of transportation, and will register in the big military hangar. The business session of the convention will be in the afternoon, and will be held in the hangar. Monday evening a prominent national figure in aviation will be the speaker at the banquet to be held at the Davenport.

Tuesday morning the visitors will be guests of Colonel Frank D. Hackett, commanding officer, air depot, Spokane ATSC, Galena, on an inspection of the big military base.

The Flying Farmer convention of Idaho, Oregon and Washington is being sponsored by the Pacific Northwest Farm Trio, which will be host to those registered at luncheon on Tuesday in the military hangar. The convention committee has arranged transportation to and from Felts Field and the city, and for the inspection of Galena air depot.

Manufacturers of light aircraft have indicated their intentions of having displays of latest models at the convention. They have also stated that production is being stepped up, and that deliveries will be faster hereafter.

Eastern Washington College is still advertising students for the 1946 fall quarter. This information is being sent to college and high school officials in the interest of students who wish to attend college.

The college offers junior college work in arts and sciences, pre-professional, and pre-technical fields as well as a four-year curriculum to the bachelor's degree. Academic majors in art, biology, chemistry, economics and business, English, geography and geology, history, home economics, industrial education, mathematics, modern languages, music, natural sciences, physical and health education, physical sciences, social studies and speech are available in the four-year curriculum leading to the degree of bachelor of arts in education.

Students wishing to be admitted should request their colleges and high schools to send us official transcripts of their records at once. The transcripts constitute applications for admission, and as soon as they are approved the students will be sent permits to register.

NOW, MORE THAN EVER BEFORE THE ARMY HAS A GOOD JOB FOR YOU! NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen! Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance. There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

Highlights of Regular Army Enlistments 1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.) 2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age and former service men depending on length of service. 3. A recruitment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge. 4. A furlough for men who enlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers. 5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist. 6. Option to retire at half pay for life after 20 years' service - increasing to three-quarters pay after 30 years' service. All present active federal military service counts toward retirement. 7. Bill of Rights benefits assured for those who enlist on or before October 5, 1946. 8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

GENESEE VALLEY NEWS
Harvest is being considerably delayed by the long train of trucks waiting to be unloaded as the trucks and much grain is still uncut. A few are through and are now helping neighbors to save their crops. Clouds have been threatening several times but only a small shower so far to lay the work off for another day. News is scarce this week. Everyone is busy and there isn't much gadding around. Monday is Labor Day, and we salute the laboring men. They did a fine job turning out their materials. If they will be just as loyal to the best government in the world and not listen to foreign intrigue, this country could go ahead and have a long era of prosperity. If strikes continue and these increase prices, one can see the rocks ahead.

ASK OUR CUSTOMERS THEY ARE OUR BEST BOOSTERS
We give our time some moments, to pray
That wrongs may be righted the Christ-like way;
Others to labor for unanswered prayer
May be for the want of a shoulder to bear
A weaker one's burden—This is our goal;
To reach with the gospel each sick and soul;
To rebuild lives, teaching girls how to grow
Into mothers of men—strong men who know
That hatred and greed tend to drag men down
And love points the way to a golden crown.
We are the women who labor and pray
God give us strength for the task of our day.

LATAH COUNTY FAIR DATES ANNOUNCED FOR SEPT. 26-28
When another bumper crop is harvested in Latah county this year it will be time for the county fair. The dates are Thursday, Friday and Saturday, September 26, 27, 28. At the fair will be exhibited the produce and livestock which bring prosperity to all.

Subordinate granges and several schools of the county are already well started on interesting and educational displays. These exhibits not only show the excellence of local produce, but also adds much color to the entire fair. All persons active in their development receive real satisfaction from their participation. The friendly rivalry for blue ribbon awards is a most interesting feature of interest that is much to be desired.

The county 4-H club program is now probably stronger than at any time in the history of the county. Members are not only more numerous, but are carrying more projects and they are their leaders are striving hard to complete them to a point of perfection. Outstanding too, will be the demonstration, fitting and showing, judging, and style revue contests in which 4-H club members will compete.

Farmers and home-makers are being urged at this time to start preparing their best samples of the field crops and handwork for exhibit. Other exhibit material can be made ready at a later date.

The chief departments of the fair are: Dairy and beef cattle, sheep, swine, poultry, rabbits, field crops and seeds, fruits, potatoes, vegetables, clothing, food, art, flowers, hobbies, the 4-H club department which consists of home economics, livestock and garden projects, and the community and county school displays.

The 1946 Latah County fair premium list was sent to the available mailing list last week. All those not receiving a copy and desiring one should contact the Latah County agent's office.

Reports of department superintendent appointments and of special features and events will be made from time to time.

Mechanical Sewers Slave Drivers
One mechanical device which has made work harder is the sack sewing machine, such as employed by the Prairie Flour Mill or Mikkelsen house and the Farmers Union Producers company. The manual sewer after filling his sack gets a few seconds of sitting down, but the machine operator never sits down on the job. There is not such a great saving of time between the mechanical sewing and hand sewing, except that the machine is demanding, always ready for the next sack, and thus higher production. At the Mikkelsen plant and the Producers house both machine and hand sewers work to get the pea crop in storage. Sometimes a man draws a fairly good sack, but today most of the sacks have been used several times, which is no help to the sewer. The scarcity of sacks is another serious problem this season and it has been necessary to dig into the supply of bags which normally would be used only for shipment of processed peas.

Mr. and Mrs. Bangert Return

JAIN-COLLIER
Lewiston Tribune, Aug. 25: Carol Jain, daughter of Mr. and Mrs. Ben Jain, Lapwai, and Delbert Collier, son of Mr. and Mrs. Roy Collier of Clarkston, were married August 29 at 10 a. m. at St. Stanislaus church. The double ring ceremony was performed by the Rev. Father Henry Blackmore before an altar of potted plants, baskets of gladioli and white tapers in tall candelabra.

Miss Lorraine Mulrooney sang "On This Day" and Schubert's "Ave Maria." Mrs. William Cherrier, organist, accompanied Miss Mulrooney and also played the wedding march. Given in marriage by her father, the bride wore a white lace gown over tulle fitted bodice and full skirt. Her finger tip veil of net was attached to a Juliet cap outlined with white carnations. Her bouquet was white gardenias. For jewelry she wore a strand of pearls.

Miss Wilda Collier, sister of the groom, was bride's maid. Her gown was blue net with tight fitting bodice and full skirt with which she wore a white lace hat. She carried a colonial bouquet with satin streamers attached.

The best man was Walter Jain, brother of the bride. Mrs. Jain, mother of the bride, chose a light blue dress for the wedding, and Mrs. Collier, mother of the groom, wore a navy blue dress. A reception followed at the home of Mr. and Mrs. Lew Jain, 924 N. Street. Mrs. Walter Jain presided at the table, having a three-tiered wedding cake and pink carnations with pink tapers in crystal holders, as a centerpiece. After the bride and groom cut the first piece, Mrs. Guy Wicks served the cake.

Mrs. Collier is a graduate of the Sacred Heart school of nursing in Spokane. She is now employed as nurse in the office of Dr. John Carsow. Mr. Collier is a graduate of the Milton-Freewater high school and served three years in the marines in the first division. He saw action in the south Pacific. He is now associated with his father in the contracting business.

Mr. and Mrs. Collier left for a brief wedding trip to Coeur d'Alene lake. \$2,442,920 Lending to GI's
Idaho state lending institutions have paid \$2,442,920 in G.I. loans to 603 World War veterans for purchasing homes, farms or businesses, Ross L. Rowe of the Veterans Administration states.

An additional 397 G. I. loans for an estimated \$1,608,080 are now in process of being consummated by the Boise regional VA office, raising the estimated total to more than \$4,000,000, Rowe said.

In the four northwest states and Alaska officials said \$32,462,752 has been loaned to 8,211 veterans. The government committed to guarantee \$15,588,384 of the total. During July 133 Idaho Veterans were awarded \$55,971 under the G.I. loan.

G. I. loan commitments to date in other states of the Northwest are: Washington, 4,006 for \$15,487,946; Montana, 803 for \$3,439,360, and Oregon, 2,961 for \$5,292,819.

UNCLE SAM SAYS
You are still at war one year after V-J Day. That's putting it bluntly, but I know from experience that you like straight-from-the-shoulder talk. Inflation at home has yet to surrender. United States Savings Bonds are saving these extra dollars—United States Savings Bonds. By investing in Savings Bonds regularly you are building a better America and a better life for you personally.

CONSTITUTIONAL AMENDMENTS
(H. J. R. No. 3)
"Shall Section 18 of Article 4 of the Constitution of the State of Idaho be amended to read as follows: 'The Governor, Secretary of State and Attorney General shall constitute a board of examiners, with power to examine all claims against the state, except salaries or compensation of officers fixed by law, and perform such other duties as may be prescribed by law. Provided, that in the administration of moneys in cooperation with the Federal Government, no claims against the state, except salaries and compensation of officers fixed by law, shall be passed upon by the legislature without first having been considered and acted upon by said board?'

(H. J. R. No. 1)
"Shall Section 23 of Article 3 of the Constitution of the State of Idaho be amended to read as follows: 'Each member of the legislature shall receive a salary of ten cents per dollar per day from the commencement of the session; but such pay shall not exceed for each member, except the presiding officers, in the aggregate, \$600 per per diem allowances for any one session; and shall receive each cent of ten cents per mile each way by the usual traveled route.

When convened in extra session by the governor, they shall each receive ten dollars per day; but no extra session shall continue for a longer period than twenty days. They shall receive such mileage as is allowed for regular sessions. The presiding officers shall receive an additional compensation equal to one-half his per diem allowance as a member; provided, that whenever any member of the legislature shall travel on a free pass in coming to or returning from a session, he shall receive the number of miles actually traveled on such pass shall be deducted from the mileage of such member?'

### NEW ELEVATOR FILLING UP 200,000 BUSHELS IN A WEEK

Continued from Page One  
Harvest is always an interesting time of the year, and this year, with the necessary waiting in line, the men have time to visit, cause the government for lack of cars to ship their product, and to discuss other problems of the day. The younger generation, and there are about as many young as old driving trucks, pass the time away more easily. They have ample time to gang up on one truck, and it is noticed that the old drivers never lack for company. The smudge of harvest may be a bit itchy, the slacks and jacket or old sweater and jeans may show the dust and grime, the bobbed heads of the girls are sometimes covered with a bandana, often not, as a handkerchief is thrown in fun. Now and then a schoolmate or former schoolmate may have a pretty dirty hand, perhaps some grease on it, and there is a temptation to smear up the other fellow a bit, but they are all cheerfully getting the big crop under cover, and enjoying it. Of course there is the anxiety of sufficient storage for late harvesters, those with big acreages, and those who may have cut his neighbor's crop first. Weather has been ideal. Grain is harvesting the easiest in years, even the Rex variety. One grower, harvesting with two combines in using six trucks, owing to the delay. Nearby combines require extra transportation or delay in the field.

Breakfasts are early and eleven o'clock suppers are not uncommon. This is not happiness for the housewife and help in the home, but it goes with harvest. Another driver, Weighers soon learn to distinguish one driver from another without looking, but naturally they always take a look when taking a sample from the truck. One driver will take an extra lounge before setting down for weighing. Another driver will move backward and forward, somewhat in doubt as to position of the wheels on the scales. Then there is the fellow who drives on the scales at miles per hour and slams on his brakes. The fellow who slips onto the scales almost unnoticed. The fellow who thinks one wheel may be riding the scale frame seems to be a repeater. He always thinks he is half way off the scales. Then, there is the fellow who rates his motor, and the fellow who never fails to stall his motor. The weigher knows them all but that old scale beam rests on balance for everyone. The job of hauling is not all fun, and for some it is the only time of the year they drive truck. There are catching the crop in, and doing it in earnest. Soon the crop will all be in, then the rodeo or county fair, and soon it will be time to seed another crop, then winter, spring, and another harvest.

"Where Your Round Dollar Gets a Square Deal"

Wednesday, given in honor of Mrs. Konen's god-children, Mrs. Ray Hill of Portland and Mrs. Russell Martin of Los Angeles. Cards were played during the afternoon.  
Sunday dinner guests of Mr. and Mrs. S. U. Lough and family were Mr. and Mrs. E. J. Hill and son and Mrs. Coffee and daughter of Clarkston and Mr. and Mrs. Luther Linkhart of Moscow.  
Homes Sold and Rented  
Mrs. Mary Edwards sold her home in the west part of Genesee the past week to Mr. and Mrs. Carson E. Wicks of Gifford who moved here Wednesday.  
\* Mr. and Mrs. Simeon Fleishman who had been renting the Edwards place have purchased the John Roach home and moved there this week.  
Mr. and Mrs. Ron Huffman recently purchased the home belonging to Miss Edna Driscoll, better known as the Elliot place.  
The home vacated by the Huffmans, and the property of Mr. and Mrs. Jim Kane, has been rented to Mr. and Mrs. Jay Wilson, both of whom will be on the Genesee public school faculty this year.  
Mr. and Mrs. Howard Broemeling have rented the home of Mr. and Mrs. Wayne Hickman, Moscow, and a brother, Roy Evans, Genesee.  
The father of Edgar Evans farmed extensively and later established a grain business in Genesee, the location being that where the west end Union elevator now stands. Fire consumed the structure and later he built and operated a flour mill and grain warehouse which was sold to the C. E. Woods interests. The brick building now serving the Washington Water Power company as a sub-station at the present time, was the building used in early days for an engine room for the Evans mill.  
When the family lived in Genesee their home was the residence now owned by John Meyer. Sr. Later the family moved to Clarkston where the late deceased attended school. Being a rugged young man, he was invited to attend Lewiston Normal, and there was a member of the football team.  
Edgar Evans took over farming operations for his father when about 19 years of age, and in 1907 was farming for himself. He continued to operate his farm until the fall of 1944 when he and Mrs. Evans moved to Clarkston to reside. The farm was rented to Boyd Erickson for three seasons. The elder Mr. Evans divided his farm holdings here, with the late deceased and his brother, Roy, farming an adjoining ranch.  
Mr. Evans married Miss Ellen Erickson November 29, 1911 at Clarkston, and to them was born one son, Sanford.  
Edgar Evans was a member of the board of directors of the Genesee Union Warehouse and also served as a president of the company. He was a commissioner of Rimrock Highway District and for years was a member of the Ingle school district. He always took a keen interest in the welfare of his high way and school district, and was vitally interested in local and national politics. He checked a voter's franchise, and it is certain he never missed voting at any election. Perhaps political interests may seem trivial to some, but Mr. Evans, like many others of his age were serious, considerate and earnest. Before the days of cars, the radio and other present-day means of entertainment, elections offered an unusual opportunity for debate, and efforts to digest the laws of the state and nation. It was a long ways to the county seat at Lewiston or Moscow, and quite often legal questions were settled without consulting an attorney. Mr. Evans often told of his friend, Gus Beecher, deceased, and the decisions he could make from his interpretations of the Idaho code and digest. OPA NOW MIXED-UP AFFAIR PRESSURE GROUPS FAVORED

The Office of Price Administration, undoubtedly has been managed less common sense than any bureau established by our government, certainly is deserving of no gold medal for its administration. Men who were failures in some line of business or in some profession, found an open road leading to appointment to a position with the OPA. There were and are too misfits attempting to administer the program. There is favoritism, and there are plenty of opportunities for the politicians to obtain materials for a "deserving" friend. The Office of Price Administration has acted in poor faith with some, while granting extraordinary privileges to others. There is ample reason for criticism. One group is played off against another group, apparently in hopes that a divided nation cannot muster sufficient strength to cast off the burdens of a war-time bureau, and discard the all too many bungling administrators.

The farmer is offered such good prices for grain that he cannot afford to feed pork and beef. The milk producer, granted parity payments and higher ceilings on milk and cream, has the problem of obtaining feed and at a price which leaves a narrow margin. Labor has been given practically a free hand, yet prices continue to climb on most things he must purchase. Perhaps we having "controlled inflation" but most people wonder why the government assumes that everyone must be told what he can do and what he cannot do. The OPA is much like a man attempting to maintain a dike. He just about patches up one spot when he steps his foot into the dike and causes another weak spot, or leak. He is perhaps assisted by others equally qualified for the work, and his assistants muddle about too. They hesitate to keep an even front, and fall to call in men qualified for the job at hand.

Theory, theory and more theory, with too many "ifs". A recent news release from the OPA follows: "Under the Price Control Extension Act of 1946, the control of agricultural commodities is the responsibility of the secretary of agriculture. Non-agricultural products are the responsibility of the administrator of OPA. Final authority over both is vested in the three-man decontrol board, appointed by the president and confirmed by the senate. "Paul Porter, OPA administrator, in his radio address of last Saturday, called attention to some facts about which there seems to be a great deal of complaint, is the fact that price increases seem to be coming thick and fast in a wide variety of commodities. "Mr. Porter explained that congress set a thirty-day limit on OPA for making certain price adjust-

SEPTEMBER MORN I

ments. The law was passed July 25, so OPA had to move fast to get those pending adjustments out of the way. Congress gave OPA explicit instructions that when a commodity had been 75 per cent out of production during the war, full peacetime retail discounts or markups must be allowed that industry by OPA. Hence the increase in the price of new passenger cars. Since by congressional mandate no cost absorption net is effected before March 31 can be required now, price increases in many lines of reconversion goods such as electric ranges, washing machines and small electrical appliances, were necessarily granted. All of the price increases have been made in strict accordance with the requirements of the price control act.

Another reason for the avalanche of announcements of price increases is this—June 30 there were many applications for price increases which would have been announced in July had OPA been functioning. These were all announced when OPA was revived. Adding these to the ones about which OPA had no discretion but which were made mandatory by congressional action made many persons considered, a frightening number. If overcharged, the consumer still has two courses of action open. He may take his case to the price panel of his board, and if proof be adequate, the board will recommend that the seller will refund him the amount of the overcharge. If the consumer wishes to handle the case independent of the board, he can take it to court. If his proof is adequate, the court is required to order the seller to refund him the amount of the overcharge to the consumer, plus reasonable attorney's fees and court costs. "Apparently Mr. Porter's mail has been of the same tenor as ours. In his radio talk he made it clear that there was no cause for alarm. He made it clear that there is a vast difference between legal, controlled price increases and the kind that would have come if all the rules were off and uncontrolled inflation suddenly began to take over. Everyone should remember that OPA's function now is to make the transition from a controlled wartime economy to a decontrolled peacetime economy in as orderly and rapid a fashion as is consistent with stability. Sound economy with full production is the goal. "To quote Mr. Porter again, "Production, in many fields, is rapidly approaching or passing all previous peacetime records. As production rises, unit costs of producing various commodities are bound to decrease and make the job of controlling ceiling prices on these commodities that much easier. In a time of expanding peacetime production, a weaker price control bill can do the job that only a strong act could before."

GENESSEE VALLEY NEWS

Harvest is still in progress and it will take another week to do the mopping up jobs. All summer there was threatening weather but little rain, and farmers who are not finished are hoping the weather man will not make his threats good for at least another week. Some are planning to go to the round-up in Lewiston this week end to watch the other fellow work a while. Another holiday and another death toll. It is a crying shame that so many people are tied up in store or office and who can only get out doors on holidays, then so many of them have to be taken to the morgue or hospital, instead of home and work again. An automobile is only as strong as its weakest link. We have sized laws and speed cops but the desire to cooperate has to come from the individual. The prize lists for the Latah county fair are out and Genessee should have a lot of prize winners. The highway to Moscow is in fine shape and farmers are not having to plow over the thistles, china lettuce and other weed seeds blowing onto their fields because the right of way is full of them. They don't look good to tourists and farmers will have to buy the dope to kill them in the fields next year. There will be no church or Sunday school Sunday, but September 15 will be rally day for both church and Sunday school. Mrs. Paula Peterson was returned to the Gritman hospital Sunday evening with a gallstone attack. Mr. and Mrs. Irvin Foster of Clarkston spent the week end at the Levi Rossebo home. Mrs. J. P. Kleweno returned from Atlanta, Ga., Monday by plane. She was called by the illness of Mr. Kleweno. She left Atlanta at 6 a. m. and was in Spokane at 6 p. m. the same day, a trip that would have required four days by train. Mr. Kleweno is able to be up and around again. Miss Charlotte Driscoll, Mr. and Mrs. Lew Jain of Lewiston and Mr. and Mrs. Wm. Kennedy of Clarkston made home. Mr. and Mrs. Martin Johnson of Osborne, Idaho, and Mr. and Mrs. Ralph Blegin of Millwood, Wash., were Sunday dinner guests of Mrs. Lilly Larson and Pete Norlie. Cards are out announcing the forthcoming marriage of Miss Myrtle Larson, daughter of Mrs. Lilly Larson, to Rev. Erling Jacobson of Missoula, Mont. The wedding will be at Superior, Wisc., on October 16, at Concordia Lutheran church where Miss Larson has been a parish worker. We join with other friends in congratulations. House guests at the James Magee home Wednesday and Thursday were Mr. and Mrs. Delbert Collier of Lewiston. Mr. and Mrs. Art Borgen spent Monday evening at the Delos Odberg home. Mr. and Mrs. Sam Lange and David and Jane are spending the week in Spokane. Miss Maxine Rosenau left Monday for Seattle to resume teaching in the schools there. Mrs. J. P. Wedin had Sunday dinner in Moscow with her sister, Mrs. Henry Hofman, and family.

Billie spent the summer here and his sister visited relatives in Clarkston. Mr. and Mrs. Pal Clark of Salinas, Calif., enroute to the east coast for a visit were overnight guests Thursday of last week of the former's brother, Grant Clark, and wife. Mrs. Harold Raymond and daughter, Shirley, visited Friday and Saturday with Mr. and Mrs. Ed Gilroy at Kooakia. Miss Violet Heppner visited Sunday with Mr. and Mrs. James Ehrhard at Pullman. Mrs. W. S. Hampton and son, Dick, left Sunday morning for their home at Asheville, N. C., following a two-months visit with Mr. and Mrs. Raleigh Hampton and daughter, Marie, and other relatives. They made the trip west by motor with Mr. and Mrs. Ben Lydia of Asheville, son-in-law and daughter of Mrs. Hampton, visiting first at Albany, Ore., with Mr. and Mrs. Denver Hampton, and where Mr. and Mrs. Lydia remained during most of the summer, and making occasional visits to the Raleigh Hampton home here. Mr. and Mrs. Lydia came to Genessee Saturday for an overnight visit. Mrs. Hampton and son, Dick, accompanied them on the return trip to Asheville from here. Names omitted from the list attending the picnic August 25 at Spalding for Pvt. Bob Herman were Mr. and Mrs. Iven Evettes, Mr. and Mrs. Harold Jordan and family and Miss Wilma Herman. Miss Ann Sweeney who has enrolled at Holy Names Academy for her freshman year of high school, was taken to Spokane Tuesday by her parents, Mr. and Mrs. Neil Sweeney and sister, Ruth, and Mr. and Mrs. Mike Sweeney. Mrs. C. F. Tuomy, visiting here from Van Nuys, Calif., and Mrs. R. E. Edwards spent Saturday in Lewiston. Lavern Vestal had his tonsils removed at the clinic in Lewiston on Tuesday and returned home Wednesday. Mr. and Mrs. Neils Lande and Charles Scholer were Sunday dinner guests of Mrs. Belle Isaksen.

FAREWELL PARTY

Miss Ann Sweeney who left this week for Spokane where she will attend Holy Names Academy was given a farewell party Sunday evening by Mrs. Mike Sweeney. Games were played during the evening after which refreshments were served by the hostesses. Ann was given many lovely farewell gifts. Guests present were Patricia Bielenberg, Pauline Broemel, Patsy Esser, LaVonne Kambitsch, Lillian Jacob, Vernita Trautman, Ann Louise Luedke, Joan Busch, Katherine Baldus, Iris and Phyllis Wilson, Alice Jain and Bonnie Groselose, the latter of Arraw.

COAL SHORTAGE LIKELY

Fuel dealers have been advised of impending car shortages, and thus a shortage of coal at delivery-to-customer points. One coal company advises: "We are not alarmists, and hope this letter will not be so construed, but we are more concerned over the car situation than at any time for many years. We look for more serious trouble in securing car equipment commencing about September 15 to October 1 and continuing until about February 15, than the country has ever known except in time of railroad strikes. This is indicated by a careful study of the facts. Some mines have been, during the summer and are today, taking idle time for lack of cars. Fuel dealers, thus, are urging users of coal, to place orders early so that it may be taken direct from cars, and keep the rail cars moving. It is impossible to store sufficient coal for full winter supplies, and for every customer, so early orders and early deliveries are necessary. St. John's Lutheran Church Roland G. Wuest, pastor Twelfth Sunday after Trinity 9:30 a. m., Sunday school. Classes for all age groups. The pastor conducts the adult Bible class, 10:30 a. m., worship service. Sermon theme, "Why should a Christian Do Mission Work?" based on Acts 16:9-15. The Brotherhood will meet this Sunday evening at 8 o'clock in the church parlors. We urge all members to be present to discuss the possibility of attending a Brotherhood meeting at Lutherhaven on the evening of September 10. The two main speakers will be Gus Nieman of Walla Walla, and Dr. R. W. Kullberg of Astoria, Ore.

FLYING FARMERS TO FORM ORGANIZATION AT SPOKANE

Extension service representatives of the University of Idaho, Oregon State College and the State College of Washington will be on hand to help farmers from the respective states in the proposed formation of the Idaho Flying Farmers' association. Oregon Flying Farmers' association and Washington Flying Farmers' association when they convene at Felt's Field, Spokane municipal airport, September 22, 23, 24. Involvement of the flying farmer movement has been given by all three of the college presidents. President Wilson Compton of WSC has appointed E. V. Ellington as his representative. Dr. A. L. Strang, president of Oregon State, has named William L. Teutsch and President J. E. Buchanan of the University of Idaho has selected Dr. H. C. Manis, acting head of the department of entomology.

The men selected will act as temporary chairmen of the three state conventions, conducting the business until officers have been elected, said Fred Clemens, chairman of the convention committee and managing editor of the Pacific Northwest Farm Trial. In the 15 other states where associations have been formed the extension services have been of great value and for that reason they are co-sponsors for the Spokane convention.

The idea of flying farmer associations also appeals to General Carl Spaatz of Washington, D. C., chief of the army air force, who is providing a P-80 fighter for an air demonstration over Felt's Field the last day of the convention. In answer to the convention committee's request for a jet plane, General Spaatz wrote in part, "I am happy to say that we can be of service to you. It is a real pleasure to be able to contribute in some small way to the interest of such an affair as the organization of flying farmers. We appreciate the sincere interest of the farmers toward the advancement of aviation."

Those attending the convention will take something unique and never to be forgotten. It will be a pair of each delegate's badge, and very symbolic of the meeting. It is a pair of sterling miniature wings which have been ordered from an insignia concern which made military wings during the war. And for each of the three state associations a pair of specially designed wings have been prepared for the consideration of members. In the center of the wings is a special design, representative of the states of Oregon, Idaho and Washington.

One of the outstanding persons at the convention will be Opal Hicks, former WASHU, who is now instructor of about 52 "flying farmers" in the Big Bend country. Her headquarters are at Ritzville, Wash., airport. She also instructs from three other fields. During the past year she has graduated 52 students. Almost all of them either have their own planes or have ordered plans, Miss Hicks told a member of the convention committee last week, and added that one of her students is 60 years old, and he will soon solo. "Farmers in my region are delighted and appreciative of the plans being made to organize the flying farmers. They realize that some sort of an organization is needed if their problems in flying are to be solved. In many ways it is much easier for a farmer to own an airplane than for some one in the city. The farmer doesn't have to worry about flying fields, because many portions of their farms can be used for that purpose."

"Neither do they have to worry about landing fees, hangars and expensive upkeep of big airports. But they know that they will have problems as they become owners of more aircraft, and that is why they welcome a chance to organize early."

Ellsworth C. French, manager of the convention, reported that some hotel reservations are already being received for the convention. "Within ten days about 1000 farmers interested in aviation will receive copies of the tentative convention program and invitations to attend," he said. "As rapidly as we receive names of persons interested in the convention we send them copies of the convention program. Persons desiring such information should contact the Flying Farmers, Room 411, Review Bldg., Spokane."

BOW AND ARROW HUNTERS TO HUNT DEER SEPT. 15 TO 22

Twin Falls—Deer hunters who spurn the rifle and rely on their skill with bow and arrow are sharpening their broadheads in anticipation of the second annual archery hunt for deer in Minidoka national forest. Dates of the hunt, the first and game department reminded, are September 15 to September 22. Interest in the hunt is reported to be running high. Archers in various parts of the state who have been instrumental in obtaining the event, Archery permits will be sold at the Bostetter ranger station where all bow and arrow fans check in and out. The hunting area that will be when 28 people took eight deer. Two factors are believed to be contributing most to the boost in bow and arrow hunters. First, there is an increase in all hunting and fishing since the war, and more archers as well as gun hunters will be taking part in the various Idaho hunts this fall. In the second place, the special fee has been reduced to \$5.00 from \$10 charged last year. Any person, whether resident or non-resident, may take part. Before obtaining the archery permit he must have the proper hunting license and deer tag, the game department said. Archery permits will be sold at the Bostetter ranger station where all bow and arrow fans check in and out. The hunting area that will be

their exclusive domain includes all drainages of Trapper and Cottonwood creeks and the area between the two drainages on the east side of the Cassia division of Minidoka national forest south of Twin Falls. No firearms will be permitted. Regular deer tags will be attached to each deer by the archer immediately after the animal is killed. The game department emphasized that successful archers cannot take another deer in Idaho. One is the limit regardless of method or place. Unsuccessful archers, however, may take part in gun hunts during the open season throughout the state, except in Minidoka forest.

Naturally, Of Course The proofreader on a certain small southern newspaper happened to be a woman of great precision and extreme propriety. One day a reporter succeeded in getting into type an item about "Willie Brown, the boy who was burned in the West End by a live wire."

On the following day he found on his desk a frigid note from the proofreader asking: "Which is the West End of a boy?" It took him only an instant to reply: "The end the son sets on, of course."—Wall Street Journal.

**WRITE-IN CANDIDATES WIN**

Mrs. Wm. Cunningham and Ray Johann were elected members of the board of trustees for Independent School District No. 2, at the election held Tuesday afternoon. The names of both candidates were written in Mrs. Cunningham received 21 votes and Mr. Johann received 20 votes. The names of Mahlon Follett and John G. Meyer appeared on the ballot, placed there by petitions. Mr. Follett received 15 votes and Mr. Meyer received 11 votes.

The board when reorganized will have as members, R. E. Nordby, W. Emerson, Ben Pleiman, Floyd Ochs, Mrs. Wm. Cunningham and Ray Johann. At the present time Mr. Nordby is chairman, Mahlon Follett, clerk, and John G. Meyer, treasurer. The new members were elected for three-year terms.

The retiring members, Mr. Follett and Mr. Meyer, have served for many years, experiencing the problems of a depression when taxes were slow in payment; the financing of a new school building; and more recently the problems of obtaining school funds and today's problem of financing public schools is a serious one. Electors last spring voted a special levy to finance the operation of schools, a measure they were forced to take considering the increased costs.

To men and women who serve as members of school boards much credit is due, and most people appreciate the time and effort they have given.

**96,000 Veteran Contacts in Year**

Veterans equivalent to one-fifth of the population of Idaho received help or information from Veterans Administration Contact representatives during the last six months. Joe Ubergara of the Moscow VA office states:

Mr. Ubergara, who job it is to see that the veteran is properly informed of benefits available and to help him with applications for aid or service, said that more than 96,000 contacts with more than 40,000 veterans were made during the last year.

The 96,712 contacts reported represents a sum of about one-fifth the population of Idaho. Contact representatives on duty in 18 offices in Idaho made 92,562 personal interviews, wrote 12,293 letters of service to veterans, helped the veterans with 10,406 applications for benefits, and gave other service to veterans thru 11,561 telephone calls.

Many hundreds of contacts have been made during the last two months with veterans employed in Idaho mines, mills and railroad yards where veterans are given service during non hours and after shifts.

Service contacts rose during July to 15,000—a figure 10 times above the average number of contacts made during the first six months of the year.

A hundred dollar prize has been standing for 30 years for anyone who can find an English word rhyme with "orange." The poet who came closest, wrote:

"I dreamed I saw an orange bite us, And woke up with lorengritis." Small Dickie was all eyes at the fashionable church wedding.

"Did the lady change her mind?" he whispered to his mother. "Why no. What makes you think so?" "Cause she went up the aisle with one man and came back another."

**TO KEEP YOUR ENGINE HEALTHY**

Change FILTER ELEMENTS Regularly

The oil filter on your McCormick-Deering tractor is the engine's greatest wear caused by dirt. But unless the filter element is periodically replaced its purpose is defeated and no protection results. For your engine's sake . . . and the sake of your tractor investment . . . be sure to renew the filter element each time you change oil. Remember, the new-style "umbrella" element keeps oil clean and your engine protected for 120 hours of hard use (100 hours for Diesel engines). Oil from the crankcase is pumped under pressure into the filter housing where it completely envelops the element. The oil is forced through tiny pores in the element and all sludge and dirt is retained on the outer surfaces. The clean oil passes down between the two sheets and goes back to the crankcase.

**SCHOOL DAYS HERE AGAIN**

**ENROLLMENT TO BE LARGE**

School days are here again, with the public schools and St. Joseph's school starting regular classes Tuesday morning, after an hour's preliminary session Monday morning, when new students registered and class assignments were given out.

With a delay in harvesting operations some high school students are not yet back in school, although opening of school was held off one week. Supt. Kenneth Dean said Thursday morning that a complete check of enrollment has not been made. From the number of first grade pupils entering and the new names of students and pupils it may be assumed that enrollment will be large this year.

**DISCOVERY IN OLD RECORDS**

**GIFT TO COUNTY INDIGENTS**

The Daily Idahoian in a recent issue told of discovery of an interesting document, the bequest of \$2,000 to the Latah county poor farm, to be used each Christmas for presents to people living there. The \$2,000 was placed in a savings account in the First Trust and Savings Bank and then forgotten. The deposit today has an accumulated interest of \$994.44, and in accordance with the will, the money has been made available for use of county indigents.

**Money from Seivert Estate**

The old record is a file from the estate of Goswin Seivert, who came to the Genesee community in 1873. He was born in Germany in 1838 and died at Altenheim, Portland, November 16, 1922.

**John Meyer Sr., Administrator**

John Meyer Sr., Genesee, was the administrator of the estate of Mr. Seivert. Recently at the home of Mr. Meyer was found a note book which contained a list of requests made by the deceased shortly before his death when Mr. Meyer was summoned. Included in requests were amounts which should be paid for services of the clergy and the choir, the amount he desired to pay for his casket and other more intimate items. Mr. Meyer had been a resident of Genesee for a number of years before Mr. Seivert came to this community. They became intimate friends and the two were charter members of St. John's Lutheran church. The church was not forgotten in the will of the deceased. He donated the land where the Lutheran cemetery is now located and had erected a large marble cross.

**Stork Visits 38 Families**

**IN IDAHO EVERY 24 HOURS**

That tired old bird, the stork, for getting such details as a 24-hour week of the day in Idaho, visited 38 families in the state every 24 hours of the day in July, John W. Wright, director of vital statistics, for Idaho, reports.

During the month a total of 1,186 babies were born with every county represented in births recorded. Ada county topped the list with 150, Canyon was second with 114, and Benewah was third with 104.

Of the total births, 1,135 were born in hospitals. During the same period, an average of 11 persons died every day and of the 361 deaths recorded a majority were persons over 40 years of age. Thirty-five of the deaths recorded were children less than one year old.

The five leading causes of death and totals were: Heart disease, 89; accidents, 65; cancer, 50; cerebral hemorrhage, 2; prematurity, 21. Some of the other causes included tuberculosis, 5; pneumonia, 5; syphilis, 3; whooping cough, 2; appendicitis, 2; rocky mountain spotted fever, undulant fever and meningitis, 1 each.

"Accident fatalities continued to be the second highest cause of death for the third consecutive month," Wright declared, "with 10 listed as occupational; 13 in the home, including two drownings; 20 motor vehicle, and public, not motor vehicle, credited with 22, including 17 persons drowned."

Total drownings for the first seven months of 1946 totaled 45 compared with 43 reported for all of the last year.

Notifiable diseases were 23.5 per cent lower than the number reported a year ago which made July of this year the first month in two years to show a decrease from the corresponding month of the previous year.

Whooping cough was most prevalent with 73 cases reported in the state. Franklin county alone reported 28 cases.

Other births by counties are as follows: Blaine 6, Bear Lake 26, Benewah 8, Bingham 41, Blaine 13, Boise 3, Bonner 24, Bonneville 41, Boundary 12, Butte 3, Camas 1, Caribou 1, Cassia 44, Clark 2, Clearwater 7, Custer 3, Elmore 9, Franklin 21, Fremont 25, Gem 20, Gooding 29, Idaho 29, Jefferson 22, Jerome 31, Kootenai 46, Latah 28, Lemhi 17, Lewis 7, Lincoln 9, Madison 13, Minidoka 22, Nez Perce 55, Oneida 13, Owyhee 10, Payette 22, Power 8, Shoshone 34, Teton 10, Twin Falls 79, Valley 14, Washington 15.

**FRANK HOORMAN STILL IN HOSPITAL**

Frank Hoorman, manager of the Genesee Union Warehouse company, who became suddenly ill Tuesday afternoon, September 3, and was taken to St. Joseph's hospital the same evening, is reported recovering satisfactorily. Relatives said that he would be permitted to sit up Thursday afternoon, for the first time. He has been a patient at the hospital. It is believed that he will return home in a few days.

**CARBUN SELLERS GUERNSEYS TO LOS ANGELES MILK FARM**

Nineteen head of purebred Guernseys from the Estil Carburn herd, four cows, four calves and 11 heifers were shipped Tuesday evening to Los Angeles. Mr. Carburn and Adrian Nelson accompanied the shipment of cattle to California.

**DENTAL SERVICES NOW FOR SERVICE-CONNECTED CASES**

Veterans with service-connected dental conditions now may have a "free choice" of private dentists when Veterans Administration dental clinic services is not feasibly available. Joe Ubergara of the VA announces:

Under a new fee-schedule program worked out in cooperation with the American Dental association, VA will pay the bills for any authorized service given by participating dentists on a fee basis when the veterans cannot be taken care of in the VA's own dental clinic. Any dental treatment must be authorized in advance by the VA.

The new program also revises previous fee schedules, which did not reflect true present costs of dental treatment.

It is the approved policy of VA to apply on a fee basis all ethically and professionally qualified dentists who wish to render dental services to veterans." Ubergara said. "Dentists so appointed should be nominated by the state dental association and their appointments are subject to the approval of the VA's own dental division in the branch office."

Deviation from the national fee schedule are permitted at the state level when approved by VA branch representatives, if necessary to meet the fees usually charged the general public for similar services.

Each state dental society has been requested to name a dental advisory committee to approve nominations of applicants and to make recommendations for adjustment of fees at the state level. Appointments actually are made by the VA branch office through letters of appointment issued by the branch director of personnel service.

**DOCTOR'S OFFICE READY SOON**

Temporary office quarters for Dr. Jack Clark, made available at the Washington Water Power company local office, are about ready for occupancy. Lloyd Esser has had a full crew at work placing partitions for the examination room, consultation room and operating room. Dr. Clark, an ex-service man, was able to purchase some of the critical materials on a veteran's priority, which has permitted workmen to complete the remodeling without delay.

Clark expects to be in Genesee today (Friday) but may be delayed a day or two to arrange for transportation of equipment. Owing to immediate post-war restrictions on building materials as well as medical and surgical equipment, Dr. Clark has been fortunate in obtaining his equipment.

His family may remain in Spokane for a week or ten days while remodeling of the Martinson home is being completed and a new heating plant being installed.

**Rains Benefit Spuds**

Recent rains certainly benefited the potato crop in the Genesee area, most of which was seeded late. The moisture is sufficient now to permit steady potato growth, with no possibility of soil drying completely before harvest time.

**Peas Shatter Some**

Those who started combining peas Wednesday and Thursday reported some shattering. The pods were quick to burst when they dried under a warm sun and when the peas became in contact with the vines the pods opened up. Shattering was most noticeable in fields where the peas had been mowed and in windrows. There is no damage reported to wheat.

**Seventy-two at St. Joseph's**

Seventy-two pupils are enrolled at St. Joseph's school this year with Sister Mary Seraphim teaching the first, second and third grades. She has 32 pupils. Sister Mary Jerome, is teaching the fourth, fifth and sixth grades and has 22 pupils. Sister Mary Alice has the seventh and eighth grades with 18 pupils.

Thirteen beginners are enrolled at St. Joseph's. They are: Walter Mousson, Michael Rabau, Donald Kraut, Dennis Lee Fleishman, Kenneth Schlueter, Eugene Kasper, Michael Bromeling, Judy Ann Zolman, Patricia Schlueter, Marie Hasfurther, Lillian Stricker, Crystal Esser and Dorothy Baumgartner.

**Enroll at Normal**

Misses Joan Edwards and Betty Bromeling left Sunday for Lewiston to enroll the first of this week at the Lewiston Normal. Mrs. Dan Aherin, who is making her home with Mrs. Lillie Aherin in Clarksburg, also enrolled at the Normal this week.

**Attend Wedding**

M. and Mrs. Fred Bauscher attended the wedding Saturday afternoon in Moscow of Mr. Bauscher's cousin, Jack Goetz, to Miss Margaret Mackin, at St. Mary's church.

**Funeral services for Mrs. Elaine Heitfeld Wardrobe were conducted Monday morning at 10 o'clock from St. Mary's Catholic church, with the Rev. Fr. E. McBride, officiant.**

Pallbearers were R. E. Edwards, W. O. Borgen, W. W. Burr, W. H. Mervyn, Arthur Springer and John Luedke.

Elaine Heitfeld Wardrobe was born October 9, 1893 in Nez Perce county, on a homestead five miles west of Genesee, the daughter of Mr. and Mrs. Henry Heitfeld. Her father, prominent in Idaho state and county politics, was a United States senator, and during his term of office the family resided in Washington, D. C., where the late deceased attended grade school. She was a graduate of Lewiston high school with the class of 1912, and lived in Lewiston at the parental home most of the years until she married Andrew Wardrobe on February 3, 1924. Her husband died suddenly on June 4, 1945. They were the parents of one son, John Andrew, born August 18, 1935. Others surviving are three brothers, Stephen Heitfeld, Wallace; Walter Heitfeld, Spokane, and Louis Heitfeld, who has been at the Wardrobe home here much of the time in recent years; and one sister, Sister Rodriguez (Sister of Notre Dame) West Allis, Wisconsin.

After her husband's death, Mrs. Wardrobe continued to operate their farm east of Genesee. Many improvements have been made in the home and grounds, with much effort being expended.

Mrs. Wardrobe passed away suddenly Friday morning, September 6, at about 9 o'clock. She and her son, John, were moving some livestock, when she collapsed. Blaine Sams, employed at the ranch, and on arriving that morning went to the house and then saw Mrs. Wardrobe and son in the yard. She was moved into the home immediately, and Mr. Sams hurried to a telephone to summon Dr. Wilson of Moscow, Mr. and Mrs. Clarence Wilson were met on construction to receive the body and she remained with the son and his stricken mother until other friends and the doctor arrived. Mrs. Wardrobe had been ill September 1 and 2, but was in Lewiston September 4, with her son and Mr. and Mrs. William Cunningham. The cause of death was attributed to a heart attack.

Those from out of town attending funeral services were Mr. and Mrs. Stephen Heitfeld, Wallace; Mr. and Mrs. Walter Heitfeld, Spokane; Mr. and Mrs. Chris Weisberger, Lewiston; Mr. and Mrs. Nick Jacobs, Uniontown; W. B. Armstrong and Mrs. Floyd Sumner, Lewiston; Mrs. David Hickman and son, Garfield, Wash.; Mrs. E. M. Bogart, Coulee City, Wash.; Mrs. Jessie Blackburn, Bremerton, Wash, and Mr. and Mrs. Lester Gray and son, Russell, of Lapwai.

For the present John Wardrobe is staying with his aunt, Mrs. William Cunningham, and husband, and Mr. Sams will operate the ranch temporarily.

**ROBERT BURR HERE ON VISIT**

Robert Burr, son of Mr. and Mrs. D. C. Burr, Seattle, arrived Wednesday to visit in the home of his uncle and aunt, Mr. and Mrs. W. W. Burr, and to visit his many friends here. He will also spend some time at Moscow with relatives.

Bob, who was in the service for 32 months, was with the States for a month before being sent to England. He was stationed at Burtonwood and Salisbury, England, and while quite a distance from the place where Bayne Hickman was stationed, the two men were able to arrange passages as they could meet.

Bob, who was with the Consolidated Aircraft Corporation for two and a half years and employed in their engineering offices was a technical inspector in England, assigned to the Air Service Command. He returned to the States April 2 this year, and was discharged at Fort Lewis on April 19. He plans to enter Seattle College for the coming year and will continue with aeronautical engineering. He was in Genesee in June to attend the wedding of Bayne Hickman, and remained over night.

Bob's father, employed for a long time at Boeing Aircraft, recently accepted a position with the Veterans Administration in Seattle, and is in the insurance division. Mrs. Burr continues in her employment with the Imperial Candy company.

Attend Wedding

M. and Mrs. Fred Bauscher attended the wedding Saturday afternoon in Moscow of Mr. Bauscher's cousin, Jack Goetz, to Miss Margaret Mackin, at St. Mary's church.

should ask you about it will tell them the place is 6 miles east of Troy on little Bear Ridge. Good soil 25 acres in cultivation 20 acres in beans and 5 acres in alfalfa and brom grass hay the buildings or just shacks but there is some fine saw log timber and a saw mill at Troy could have logs sawed into lumber and build all the nice buildings they would need and have wood and tanneries for fence posts, more could be put in to cultivation there is 2 springs one has water all summer the other has filled up till it went dry this summer but when kept cleaned out it affords water for 3 head of cattle all summer now as for the ad. I think this is about all I want.

"For sale 40 acre farm 6 mile east of Troy good soil. Mattie Harris R4.

"I enclose 30 cents if this is not correct let me know at once insert ad one time M. H."

\$11,714,504 Savings Bonds Sold From January 1 to August 1, this year, Idahoans invested \$11,714,504 in Series E, F and G Savings Bonds. Of this, the largest was in the Series E Bonds which totaled \$7,130,699. Sales in August were the lowest of the year, \$1,249,388, with April sales the highest, \$1,725,775.

With farm income expected to hit an all-time high and employment maintaining a high level, coupled with a scarcity of consumer goods, bond sales are expected to increase.

Special Service  
The following letter was received from a Troy customer, requesting some extra service. Owing to lack of time we are printing the letter rather than adhere to her instructions: "Editor of Genesee paper: Sir, I have 40 acre farm I wish to sell and would like to insert an ad in your paper but as I have never seen a paper from Genesee I don't know your rates so I want just as short an ad as I can have and if any one

## Follow that Boxcar!

1. OFF TO NEW YORK. Never have so many NP boxcars been so widely scattered. To help speed famine relief food, they've been dashing off to such distant ports as New York and New Orleans. But because boxcars are scarce as new houses, it's awfully hard to get them back. Everybody wants 'em! In August, when we needed them most for grain, boxcars of all lines on our rails totaled only 65% of NP ownership. Now, however, more and more empties are becoming available.

2. SOS FROM WICHITA. The urgent need to move record grain crops struck earlier in the Southwest. There, equinoctial rains threatened heavy spoilage to harvested grain heaped high on the ground. NP boxcars had to answer this SOS. But soon we will be able to devote all our grain-moving facilities to the Northwest where ideal threshing weather plus streamlined combine crews have advanced the normal harvest deadline by more than a full month.

3. PITTSBURGH CALLING. There's another big harvest in America today—the canning of fruits and vegetables. But you can't can without tin plates, which must be moved in boxcars from eastern steel-producing areas. And that's another reason why fewer boxcars are available for hauling grain. But you can bet on this. Whenever a boxcar unloads in a grain-producing area—he is tin cans, builders' hardware or farm equipment—he goes back packed with grain!

4. LOST WEEKEND. But what's this? A precious NP boxcar standing idle? How come? Well, it seems most everyone (except farmers and the railroads) operates on a 5-day week. Result: hundreds of NP boxcars are stopped dead in their tracks from Friday afternoon until Monday morning waiting to load or unload. What can we do about that one? The Office of Defense Transportation, Shippers Advisory Boards and the railroads are urging all shippers to stagger the work weeks of their loading crews.

5. TIME OUT FOR REPAIRS. On V-J Day freight trains never even stopped for breath. This summer the railroads actually loaded more boxcars than during peak wartime days. Preparing for this terrific postwar drain we've built as many new cars as steel and lumber shortages permitted (7,000 boxcars since 1940). We keep boxcars rolling when they obviously need a rest; those that must be repaired we rush through our shops in record time.

6. BACK ON MAIN STREET. Nobody is happier than we are when a boxcar goes back to work on Main Street. Hauling grain has always been one of our best sources of revenue. We need that revenue today just as badly as grain shippers need our cars. No wonder we are doing all we can to speed the movement of Northwest grain in the greatest of all great crop years! Our patient patrons will soon see the results of these efforts.

**GENESSEE VALLEY NEWS**

The weather man quit his bluffing and really poured it on last week. Harvest operations were all washed up until Tuesday afternoon when clearing skies and a breeze made it possible to start combin-

ing again. For those who have finished, fall work is being greatly benefited by the rains. The old familiar school bus is going on the highways and the three R's are again wrinkling the brows of youngsters in the old days there were four R's; the rod being considered a necessary part of education. In some cases it would still be a material aid to the teachers.

**He's Gone To School**  
By Arletta C. Harvey

About this time of morning with dirty hands and face, brown eyes with roguish pleading and his smile's bewitching grace, He'd come—

His little feet were noisy; "Oh, Mommy, please, I need a cookie, an' a drink of milk; I'm hungry," he would plead, "Jes' one!"

Today the house is quiet; I've picked up every toy; My heart is over-anxious For that certain little boy. How strange! Of course, now I remember, "Be sure, dear God," I pray, "Hold tight his hand and watch his feet; He's gone—first time—today To school."

Mrs. Art Tegland and Mrs. Fred Hove were hostesses at a bridal shower at the latter's home Wednesday afternoon, honoring Miss Inger Hove, bride-elect of James Byrne of Seattle. A new game called "Inger" was played and the guest of honor won first prize, a lovely corsage. Other prizes were won by Mrs. Nels Lande, Mrs. Sam Lange, Mrs. Leon Danielson and Mrs. Chas. Hasfurth.

**Rally Day Sunday**

**AMPUTEE VETERANS SOON APPLY FOR AUTOMOBILES**

Application forms for amputee veterans to use in obtaining cars at government expense are expected to be available from Veterans Administration offices and contact representatives within two weeks, Joe P. Uberuaga of the VA, announces.

The Veterans Administration is charged with the responsibility for administering the new \$30,000,000 program set up by Public Law 663 to provide automobiles or other conveyances for disabled veterans.

World War II who are entitled to compensation for the loss, or loss of use, of one or both legs at or above the ankle.

Veterans who think they are entitled to receive cars are asked not to write for them. VA in Washington, Uberuaga said, but to wait until they can obtain the necessary forms and information from VA contact representatives. Procedure to be followed by the amputee veteran in applying for his car will be explained by a contact representative in the contact office.

Uberuaga warned veterans that the total purchase price of the car cannot exceed \$1600. This must include all special attachments necessary to operate the vehicle safely and any tax which is reflected in the purchase price. The veteran cannot buy a more expensive car and pay the difference between the purchase price and the \$1600 VA limitation. The VA can pay only the seller and cannot reimburse veterans for cars already purchased.

Uberuaga also pointed out that the men must actually be World War II veterans separated from the service, a dnhis claim must be completed by June 30, 1947.

**MARCH OF DIMES JAN. 14-31**

Ben Johnson, attorney of Preston, has been named campaign chairman for the annual March of Dimes in Idaho to be held January 14 through 31, inclusive, announces Mrs. John E. Hayes of Twin Falls, state representative for the National Foundation of Infantile Paralysis.

During the 1946 campaign, Idaho residents contributed \$50,277.05 to the March of Dimes campaign. Motion picture collections totaled \$12,936.12, while the county committees received \$37,340.93.

Although Idaho has not as yet experienced an epidemic this year the number of cases has tripled those of last year. On August 25 of last year there were three cases listed in Idaho against 10 for this year to date. Since August 25 six more cases have been reported, making this year's total 13—two of which were visitors now returned to other states.

"Once a year, in the period Jan. 14 to 31, everyone has the opportunity, by contributing to the March of Dimes, to take part in the fight against polio, the enemy of childhood."

"To carry out its program whether of aid to individuals, special assistance to epidemic areas, education or research, the National Foundation for Infantile Paralysis is dependent on the continued interest and the contributions of the American public."

**P. U. D. GAMBLE COSTS TAXPAYERS OF OKANOGAN COUNTY \$40,474.26 IN ONE YEAR**

Okanogan County Public Utility District No. 1 acquired the electric utility property of the Washington Water Power Company in that county in May, 1945. Figures prove that this move will cost the taxpayers of the county over \$40,000 in the year 1946 alone—and there has been no reduction in rates nor increase in quality of service!

**HERE ARE THE FIGURES:**

Tax levied against the taxpayers of the county by the P.U.D. in 1946	\$24,050.00
Loss of ad valorem tax which would have been paid to the county by Washington Water Power in 1946 had it continued to operate	\$25,424.26
Less estimated receipt of privilege tax from P.U.D. in 1946	9,000.00
TOTAL LOSS TO TAXPAYERS OF COUNTY IN 1946	\$40,474.26

When it comes to Electric Service figures PROVE that BUSINESS MANAGEMENT COUNTS--AND COUNTS FOR YOU! IT IS WORTH KEEPING WASHINGTON WATER POWER CO. A Self-Supporting, Tax-Paying Business Enterprise.

**WEATHER TURNS BAD AGAIN THEN FAIR WEATHER COMES**

Combines began operations again Thursday afternoon when weather permitted farmers about a half day of threshing. Fair weather at last week gave way to rains and fog, at a time when those delayed with work were about to finish harvesting for 1946. Some had but a few hours of cutting to do last Saturday evening when showers ceased and during the night rain stopped all harvesting. Light showers continued early this week, but Wednesday and Thursday saw a return of favorable weather.

With harvesting coming on rapidly this year, the extremely large deliveries of peas and grain suggested that harvest should have been completed earlier. Owing to the large acreage this year and the good yields there were quite a few growers who had grain and peas remaining to be cut at the first of September.

Strike on the harvestment. With three warehouses in Moscow tied up by a strike of warehouse workers, deliveries of peas for export and shipments into trade channels have been seriously delayed. Friday night of last week a group of riceed, delivered to the warehouse. Austrian peas, loaded a few weeks ago, but which was not permitted to pass through a strike in Washington. With a short season for Austrian pea shipments, the carload undoubtedly would be refused. Railroad men refuse to run a train through a picket line, and with no pickets on duty Friday after they had been rounded up on the harvestment. The car was moved. Anticipating another meeting with growers Saturday night, the train crew was forced. The train crew did not pick up cars which were said to be loaded during the day.

Warehouses and Union men are at odds for the latter's demands for a closed shop and other benefits. The Union does not want a large number of peas loaded from warehouses and handled by non-union workers. The three warehouses in Moscow, Northwest Western Seed Growers, Crites-Moscow, and the Moscow-Idaho, former Joe Zeb company. It is reported that the Washington firm company has entered into an agreement with the Union for a closed shop.

**DR. CLARKE OPENS OFFICE MOVING FAMILY HERE TODAY**

Experiencing many of the problems of reconstruction, the Spokane materials and help for office and home, Dr. Jack W. Clarke completed preparations for opening his practice Tuesday morning when he left for Spokane to assist in moving his family to Genesee. They had relinquished an apartment in Spokane effective September 15, hoping to be able to move to the Henry Martinson home here. The doctor is occupying a non-air of heating equipment for the home, occupancy has been delayed, but the persons who are to occupy the apartment are waiting for an extra weeks' time, are also anxious to become settled.

During the time Dr. Clarke was arranging equipment and supplies at his offices and arranging for hospitalization of patients at Moscow and Lewiston, he cared for emergency cases here.

He expects to complete moving his family to Genesee Saturday morning, after which time he will be permitted to give all his time to his practice.

Hospice all obstacles Dr. Clarke is opening one of the most complete medical and surgical offices in this part of Idaho. Added to the equipment already in his offices will be a modern X-ray which is expected by the end of this month.

**MISS INGER HOVE MARRIED MONDAY TO MR. P. J. BYRNE**

St. Anastasia church, Spokane, was the setting for the wedding, Monday, September 16, at 10 o'clock of Miss Inger Hove, daughter of John Hove, Genesee, and John P. Byrne, son of Mrs. P. J. Byrne, Kalspell, Mont. The Rev. Fr. Prange officiated.

Gene Anthony Greif, organist, played the wedding march and during the service.

The bride, given in marriage by her brother, Fred Hove, was attired in a light blue suit with navy blue accessories, and an orchid corsage. The best man and matron of honor were the groom's brother and sister-in-law, Mr. and Mrs. James Byrne, Kalspell, Mont.

Following the ceremony a wedding breakfast was served at the Desert Hotel Palm Room for immediate relatives.

Mrs. Byrne is a graduate of the University of Idaho and was recently employed in Civil Service in Seattle.

During the war she was with the Bureau of Mail Censorship, and prior to that she was a successful teacher and for several years was a member of the Genesee high school faculty.

The bridegroom is a graduate of the University of Minnesota and is now with the army engineers. Mr. and Mrs. Byrne's home is in Seattle at 2525 14th Street.

Among those attending the wedding and breakfast were Mr. and Mrs. Arthur Tegland, Mr. and Mrs. Kermit Hove, Mr. and Mrs. Fred Hove and Miss Delores Hove, Genesee; Miss Gladys Hove, Mrs. Arthur Hove, Troy; Mr. and Mrs. Wm. Mecke, Moscow; Mrs. P. J. Byrne, Mr. and Mrs. James Byrne and Miss Veronica Byrne, Kalspell, Mont.; Mr. and Mrs. Bob Roberts, Mr. and Mrs. Dick Roberts, Mr. and Mrs. Harry Johnson, Mrs. William Douville, Spokane.

Colin Wilson, Lewiston, was a business visitor here Wednesday.

**BROEMELING-COLBY**

Mrs. Dolpha Broemeling, daughter of Mr. and Mrs. James Cameron, and Mr. Robert Colby, son of Mr. and Mrs. Robert L. Colby of Pullula, Ill., were married September 12 at the Presbyterian church at Moscow. The Rev. J. D. Furnas officiated.

Attendants were Miss Naomi Cameron, sister of the bride, and Delwin Parson of Palouse.

Mr. and Mrs. Colby will reside in Pullman where the former will continue in animal husbandry, working for an animal degree. Mrs. Colby has a position in the agricultural extension service of Washington State College.

**GOVERNMENT INTERFERENCE OPPOSED BY DR. C. A. ROBINS**

Boise—Describing the proposed Columbia Valley Authority as but another indication of the socialistic tendencies of our national administration, Dr. C. A. Robins, republican candidate for governor, said here recently that the time has come for Americans to wake up to the insidious and more control over industry and our government.

"There is a distinct and undeniable tendency on the part of the federal government to encroach more and more control over industry and private business.

"If I am elected, I will oppose these tendencies with all the force at my command. I will fight against the CVA or any other federal program which would establish federal control over the water-rights of our farmers. I will fight against the further intrusion of the federal government in business and industry.

"We only need to glance at past records, and particularly during the recent war, to prove to ourselves beyond any possible doubt that government operation or control of any business is astonishingly wasteful and extravagant. I firmly believe that turning our major and important industries over to the federal government is the surest way to bankrupt not only the nation but the people as well.

"It is time now for the people of America to wake up to these tendencies of our national government and put their stamp of disapproval on them, and the certain way to do that is at the polls on November 5. Let's vote against those people who believe, either partly or completely, in socialism, regardless of what high sounding or misleading name they may have for it.

**GENESEE TO GRANGEVILLE**

Genesee high school Bulldogs will be at Grangeville this afternoon for their first football game of the season. Genesee, a B school, is stepping into the classification in meeting the Grangeville eleven, which represents an A school.

Coach Devlin now has his full squad and for practice, and during scrimmages of the past few days, the boys all appear to be in good condition. Most of them worked during the summer, and several have reported back to school after a strenuous harvest season.

**CHARLES SCHARNHORST, 75 DIES TUESDAY AT MOSCOW**

Funeral services will be conducted this afternoon, Friday, at 2:00 o'clock at St. John's Lutheran church for Charles Scharnhorst, who died at the Grifman hospital in Moscow Tuesday night.

Mr. Scharnhorst, a resident of the Genesee community for 70 years, was born at Sigourney, Iowa, and came west with his parents and family in 1874. They settled near Salem, Ore., for a few years and then came into the virgin Idaho country. The deceased, among the first to enter the territory of central Idaho, not only witnessed development of the country but had a hand in improving one of the good farms, the property of the deceased, which he farmed in recent years by Ed Jutte.

Mr. Scharnhorst married Miss Mary Bottjer, daughter of Mr. and Mrs. John Bottjer, 50 years ago. They resided on the ranch for many years and in later years lived at Genesee, Clarkston and Moscow. Mrs. Scharnhorst died in January, 1946.

Surviving are three sisters, Mrs. Dora Nebelsick and Mrs. Mary Herman, both of Genesee, and Mrs. Caroline Schlee of Clarkston, and one brother, Detrick Scharnhorst, Genesee.

Mr. Scharnhorst had been in failing health for several years, and had been ill for two years, and lived most of this time at the home of Mr. and Mrs. Chris Scharnhorst. He had been in the hospital since April.

**MISS LUCILLE REISENAUER BRIDE OF F. HARRINGTON**

A beautiful double-ring wedding ceremony was solemnized at St. Gall's church, Colton, Wash., Monday morning, September 16, at 9 o'clock when Miss Lucille Reisenauer, daughter of Mr. and Mrs. Emil Reisenauer of Colton became the bride of Mr. Francis H. Harrington, son of Mr. and Mrs. Henry Flechinger of Genesee. The Rev. Fr. Bender officiated at the ceremony.

The bride, following her attendants to the altar, was dressed in a white chiffon floor-length gown, trimmed with tulle and a delicate finger-ring veil fell from a beaded tiara and she carried a white prayer book, with a corsage of gardenias and stephanotis and a shower of delphinium blossoms on streamers.

The attendants were all dressed in white floor-length gowns and carried baskets of baby roses. The bridesmaid was Miss Marie Reisenauer, sister of the bride, who carried a basket of baby roses. The bride's matron of honor was Mrs. Ray Kalvegaard of Neuman Lake; bridesmaids were Miss Mary Ann Reisenauer, daughter of Mr. and Mrs. Reisenauer, and Miss Betty Baugher of Spokane.

The best man was Joyce Flechinger, son of Mr. and Mrs. Norman Flechinger and George Brenner. The mother of the bride wore a gown of brown crepe with a gardenia corsage.

The reception following the ceremony was held at the Emil Reisenauer home for relatives and friends, and the wedding dinner, also at the Reisenauer home, was attended by a delegation also attended from Lewiston. Speakers were Rev. Fr. Bender, Elmer Weber, and Arthur Weber, deputy. Following the meetings refreshments were served.

**READJUSTMENT ALLOWANCE AVAILABLE IF NECESSARY**

Between 1,000 and 2,000 veterans of Idaho are taking advantage of benefits under Title 5 of the G. I. Bill of Rights, and are collecting amounts up to \$20 per month under the Readjustment Allowance and Self-Employed Groups, according to the Unemployment Compensation Division, which serves the two veterans' benefit units.

According to officials of the Unemployment Compensation, no two administrative setups in this state are better equipped to serve them than this division, which handles claims for the veterans under the Readjustment Allowance and Self-Employed groups. According to the informational representative of the unemployment compensation group, the public is not informed on the fact, but the direct information is given the veteran on the exact way which he must apply for the \$20 Readjustment allowance was designed to give financial aid to veterans while they are job hunting.

Under the new status, veterans have had information thrown to them from every angle of any organization with whom they come in contact, but the direct information is given the veteran on the exact way which he must apply for the \$20 Readjustment allowance was designed to give financial aid to veterans while they are job hunting.

Many veterans have assumed because of what this office terms unfair publicity that they are entitled to \$20 a week for 52 weeks. This information which is misinformation has unfortunately received a great deal of publicity in the eastern part of the United States. In some of the states, for example, the legislature has caused the public enquirer to investigate into the 52-20 Clubs.

The veteran who is unable to find a job must contact with the public enquirer, the type of work which he desires or the type of work for which he is fitted, should contact the office of the Unemployment Compensation Service and he then is referred to the Readjustment Allowance Claim thru the Unemployment Compensation office, which usually is located in the same building as the U. S. E. S. office. The public enquirer, in making the claims examiner, then he is entitled to draw \$20 a week until such a time as he can find work in his particular field of endeavor or until he has drawn the maximum. The veteran, however, must prove himself available for work at any and all opportunities during the period which he draws the Readjustment Allowance.

Public checks are made to ascertain if the veteran is available for work. If it is found that the veteran is not available for work when work is available, his claim for Readjustment Allowance is not allowed.

This does not mean that the veteran may not, at a future date, when necessary, draw the \$20 a week until he has used up his maximum amount of \$1,042. Eligible veterans in Idaho have proven themselves to be eager and interested in obtaining immediate employment. The Unemployment Compensation Division would appreciate the interest of every Legionnaire in bringing to the attention of every G. I. the correct information on this phase of veterans' benefits.

The Division also would respond to a request by any American Legion Post in the state if the Post should ask for an informational representative to appear and answer questions or explain the benefits under the Readjustment Allowance Section of Title 5.

Address your inquiries to the Informational Representative, Unemployment Compensation Division, 1550 South 8th St., P. O. Box 620, Boise, Idaho.

**JEFF HOLM SUFFERS BURNS**

Jeff Holm, Lewiston, former resident of this community, whose farm northeast of Genesee is now being farmed by the Wedin Brothers, suffered third-degree burns about his head and neck last Tuesday afternoon, and was taken to the hospital in Lewiston by Wm. Hickman.

Mr. Holm sprayed weeds on his land Wednesday morning, using sodium chlorate. There apparently was some residue of the spray on his shoes and on the legs of his trousers. He was on his way to Lewiston and stopped at Genesee. He was sitting on the bench in front of the Pastime when he struck a match on one of his shoes to light a smoke. The weed spray chemical ignited instantly and Mr. Holm's first impulse was an attempt to brush out the fire with his other foot. Fire enveloped both feet and his shoes were burning furiously. Men who were at the Pastime immediately rushed to his assistance to remove his shoes and extinguish the fire but in the few moments he was burned severely.

READ WHAT ED KOHL'S OF OMAK SAYS

"Since the P.U.D. was voted in, in Olanogon County in 1936, we taxpayers have paid \$146,000 in taxes to support its activities and since the P.U.D. has been operating the electric system we are continually being taxed \$24,000 annually to make up a deficit. There has been no rate reduction under P.U.D. operation and interruptions to electric service have been longer and more frequent. Extensions to serve new customers have not been made as quickly under P.U.D. ownership. The plan of the P.U.D. to reduce rates and improve service has not materialized. What is the difference—well, under W.W.P. Company management the Company paid \$18,000 annually to the County—under P.U.D. we taxpayers pay \$24,000 in taxes to the P.U.D."

## FIREMEN'S DANCE TONIGHT

The Genesee Volunteer Fire Department is sponsoring a dance tonight, Friday, at their hall, with music by Harry's orchestra. They will also initiate a new sound system which they have purchased. This loud speaker equipment will also permit records to be played during intermission for those who desire to remain at the hall.

Workmen were installing plate glass for the front of the Firemen's building Thursday, which practically completes remodeling of the new fire department quarters.

Mr. and Mrs. Roy Fish visited Mrs. Dora Fish at the McKay home near Uniontown Tuesday.

## LEGION AND AUXILIARY UNIT INSTALL OFFICERS FOR YEAR

C. C. Swanbeck, Lewiston, district commander, presided at installation ceremonies Wednesday evening for Bielenberg-Schooler Post, American Legion, and Mrs. Walter Emerson, district president, was installing officer for the Auxiliary unit.

Officers installed by the Legion Post were: Wayne Hampton, commander; Floyd Heppner, first vice commander; Dick Scharnhorst, second vice commander; Virgil Post, adjutant; Pearl Schooler, finance and service officer; Roy Evans, chaplain; Don Huffman, sergeant-at-arms; H. E. Brown, secretary.

Commander Hampton in making announcement of committee chairman, stated that each chairman would select other committee members. The following chairmen were named: Dick Scharnhorst, entertainment; Floyd Heppner, membership; Fred Howe, building; Leland Emmett, athletics; John Scharnhorst, rifle club; and Harold Haymond, overseas gifts.

Officers installed for the Auxiliary were: Mrs. Iva Hove, president; Mildred Gehlke, vice president; Evelyn Brown, secretary; Sylvia Post, treasurer; Emma Shirrod, historian; Grace Hill, reporter; Marie Foy, sergeant-at-arms. One appointment to a committee was named, Dorothy Hamman, who will be membership chairman.

Membership Drive Strengthened  
District Commander Swanbeck, in remarks following installation of the department's intensive drive which is to be conducted for new and renewal members. The department has set aside several hundred dollars for prizes, and each Post is urged to conduct a drive, terminating November 11, and name one queen. Procedure in naming a queen is to divide each Post into groups. Each group will nominate a queen, green, and votes are obtained by securing new and renewal memberships. Each Post is further encouraged to arrange for festivities on November 11, at which time the queen will be announced. The queen named following installation will then enter a state competition.

Following the meetings of the Legion and Auxiliary the two organizations enjoyed a lunch at the K. K. dining hall.

## SCHOOL NEWS

The new school year has started with increased enrollment apparent in all divisions of instruction. In the high school there has been an increase of 15 per cent over last year while in most other divisions there has been a small increase, although in two grades there has been a small decrease.

Student Body Officers  
Student body and class elections were held Thursday. Student Body officers are: President, Dale Carburn; vice president, Dick Springer; secretary, Joyce Grieser; treasurer, Fred Howe; and Class Officers, and student council representatives will be announced soon.

Physical Examinations  
The public health nurse and doctor will be at the high school Thursday, Sept. 19, to give all athletes their physical examination during the morning and afternoon. Athletic rules make it compulsory that every boy and girl participating in any sport must have a physical examination and be certified as able to participate before they will be permitted to enter any sport this year.

Immunizations  
During the afternoon on the same date, immunizations will be given to pre-school children, first graders, and fifth graders against measles and diphtheria. Physical examinations will also be given to these groups at the same time.

Faculty Meetings  
All faculty members attended the county teachers' meeting at Moscow last Friday. During the morning session John R. Smith, executive secretary of the Idaho Educational association, discussed aims and purposes of the organization and urged teachers to join and help in securing better educational opportunities for the children.

Standard Tests  
Fourth, sixth and eighth graders have been busily working on Standard Tests supplied by the county for each fall and spring term school. By this method county averages can be secured and the amount of progress in each grade can be determined at the close of the school year. In the past the Genesee schools have been well above the county average and about the normal for each grade. By means of these tests weak spots in instruction and achievement can be determined and remedial work needed so that the normal achievement can be secured by each pupil.

Handkerchief Shower  
Mrs. George Earling was given a handkerchief shower as a farewell Thursday evening of last week at the home of Mrs. Roy Troutman. Others present were Mrs. Harold Lee, Mrs. Anna Harris, Mrs. Ida Stucker, Mrs. Al Mayor, Mrs. Markie Springer, Mrs. Wilford Cameron, Mrs. Carl Osmundson and Mrs. Glen Mayer. A no-hostess luncheon was served at the close of the evening.

## JOSEPH ZENNER BACK HOME AFTER SOJOURN IN PACIFIC

Joseph Zenner, son of Mr. and Mrs. J. Peter Zenner of Lewiston, former residents of this community, arrived at his parents' home September 18, 1946, and has been spending some time at Genesee, visiting his brothers here. He entered the service on September 18, 1944, and went overseas as a replacement to be assigned later to L. Co., 34th Infantry, 24th Division. He joined the 34th Infantry on September 18, 1944, and then went to Mindanao, where the division saw 76 days of combat before the Japs surrendered. He was a rifleman, and earned the Infantry Combat Badge. He also is authorized to wear the Asiatic-Pacific, Philippines I earned in the Pacific.

The 24th Division which saw a lot of action in the Pacific is the outfit which was credited with retaking Corregidor.

The 24th Division left the Philippines and landed in Japan on October 22, 1945. The landing was made at Shikoku, and during the past year has been stationed on three of the main islands. Joe was transferred to regimental headquarters after arriving in Japan, at hand of the Marine records, perhaps the most interesting record and record being the one which had his name on, which signified a trip home. He left Japan on September 7 and was in Seattle on the 17th. The trip home was made on the Marine Service ship, the U.S.S. Albatross, and he was met at the airport by his father, mother, and Mrs. E. B. Smith, Misses Maureen and Clarice Smith and John Flind of Dayton.

Pre-nuptial music was played by Mrs. Don Jain, and she accompanied Mrs. Ideon Austerlund of Potlatch, cousin of the groom, when Mrs. Austerlund sang "Because" and "O Promise Me."

The bride, escorted and given in marriage by her father, was attired in a light blue suit with black accessories and carried a corsage bouquet of roses and stephanotis. Miss Wright, Leonard Bielenberg, Don Baumgartner, Vern Lange, Ted Rosseau, Mrs. Carl Thiessen, Mrs. Helen Butcher, Miss Bonnie Kuehl, Miss Shirley Haymond, Miss Beverly Anderson, Miss Phyllis Magee, Billy Morvyn, Homer Burr, Leo Heppner, Jerry Pederson, Bert Christensen, Jay Wilson and Mr. Miller.

Miss LaVonne Denow returned to Pacific Lutheran College for her second year. Miss Dorothy Weber is at Holy Names Academy, Billy Weber is a student at Gonzaga and Misses Joan Edwards and Betty Bromsling are at the Lewiston Normal.

Hubert Reisenauer, graduate of the University of Idaho, is at North Carolina State College, where he was a student at the time of entering the service. He is attending on a fellowship.

Carol Jean Morscheck is a student at St.

CHURCH SPEAKS ON LABOR MORE DUTIES; LESS RIGHTS

It is significant that a church interests itself in present-day labor problems, and intends to carry its program to new frontiers. For that reason The News prints the following release from the United Lutheran Church of America:

"The Church Speaks on Labor," a statement of basic Christian principles, duties and rights, and what the church itself must do to insure the performance of these rights and duties in human society, was issued by the Board of Social Missions and the executive board of the United Lutheran Church in America.

Dr. Franklin Clark Fry, United Lutheran Church president, and Carl M. Distler, Social Missions board president, ask that the statement be carefully studied by "all who work and particularly labor leaders, industrialists, and all those directly responsible for the well-being, prosperity, and peace of our nation."

The statement declares that Christian principles "provide the only complete and perfect solution for human problems." "The ultimate solution of all human conflict," the statement reads, "is not in the realm of law but in the spiritual sphere of love. There is now law perfect enough, no human judgment wise enough in itself to solve the conflicts which arise in the selfish struggle for possessions. Not legalism, but the grace of God, not contracts ultimately but Christ's spirit of brotherhood and service in the hearts of men are the true source of blessed relationships in all human affairs."

The United Lutheran Church "believes and teaches that men need first of all today to discharge their duties to themselves, their fellowmen and their God; if they have much, then their possessions as stewards of the gifts of God for which they will be held proportionately accountable—if they have less, then also to use what they have as stewards of the gifts of God which He expects all men of one talent also to regard that talent as a sacred trust."

Among the Christian principles proclaimed in the statement are "that God's moral order recognizes no class system and in God's sight all men are of eternal worth. Every calling, however high or humble, which contributes to human welfare, is sacred and has God's blessing. Every able bodied person should be engaged in some useful work and society should be so constituted as to make this possible. God expects all labor to be amply rewarded. This means an honest day's work for an honest day's wage. God expects all to share the burdens of daily life. He requires the strong, the privileged and the able to help the less privileged and the weak. God desires for everyone fullness of life."

In speaking of duties and rights, the United Lutheran Church statement says that it is the duty of every man to work and provide an adequate living for himself and his family, "to acquire and preserve the fruits of his industry against present and future needs," to provide the most favorable conditions for a happy home and family life, and to develop to the maximum, through education and training, the abilities with which God has endowed him. It is his right to receive a wage commensurate with his abilities and, wherever feasible, in cooperation with his co-workers, to share in the direction and management of his labors.

Along with the duty and right to worship God according to his own conscience, the Lutheran Church statement places the duty of every man to "cooperate in the establishment and maintenance of government so that maximum civil liberties may be enjoyed by all with equal protection for all under the law without discrimination as to race, color or creed. It is his right freely to set up and to maintain, in cooperation with his fellowmen, such forms of health and accident insurance, provision for medical care, unemployment relief and insurance,

and old age pensions as will provide security against the hazards of life." "It is the right of every man to organize with his fellow workers for collective bargaining through representatives of his own free choice. It is the duty of both management and labor to accept and support conciliation and arbitration in industrial disputes."

Regarding its own responsibilities, the Church must continually emphasize Christian principles and must act in practical ways to insure the performance of duties and the observance of rights in human society. It must proclaim that God is owner and that man is God's steward of the earth's resources which are not to be exploited for selfish ends. It must champion the just cause of every man, regardless of his social

status; uphold the dignity of labor, whether of heart or hand; and must advocate that service to society be regarded as the standard of social worth.

It must insist that democracy in industry is the only foundation for economic well being and must set a good example in its own affairs, such as investments, use of labor, and remuneration for services, lest it prove subversive of the principles it proclaims.

The Lutheran leaders said that the Church should seek to develop in the church and community mutual understandings and good will between various groups. It should protest the use of force, violence, and sabotage by either labor or management in industrial disputes and should be ready and willing to arrange for

conferences of management, labor, and the public to consider principles of right conduct in human relationships, should the occasion arise. "The Church must talk more about its duties and less about rights," the Lutheran statement declares. "One of the spiritual weaknesses of our social problems progressively multiply, comes from the debilitating notion in the minds of people, which has gained almost sanctity, that they can rest back upon things called 'rights.' Men understand and do their duty, rights will follow, and problems will be solved.

"The Church must confront all men with the message Jesus Christ, which alone satisfies the deeper human needs." The statement on labor will be presented for official approval and inclusion in the minutes of the 15th biennial convention of the United Lutheran Church, to be held October 5 to 12, in Cleveland, Ohio.

### TILLAGE DEMONSTRATION ATTRACTS MANY FARMERS

Favorable weather last Friday afternoon brought many farmers to witness the soil tillage demonstration at the Myers ranch north of Genesee. The day turned cold and windy but there but few who left before the demonstration was completed.

Various pieces of equipment, most of which was demonstrated to handle the soil tillage demonstration, was an attraction to progressive farmers from a wide area.

Perhaps the most interesting piece of equipment was the stubble buster recently constructed at the Wayne Roach shop, and which has been undergoing try-outs since harvest. The majority of farmers, who soon expect to summerfallow lands after a long period of production for war foods are looking for equipment that will enable them to plow under all stubble, and those who wish to follow crop diversification and return to the soil the crop residue necessary

to maintain soil fertility, are constantly on the lookout for equipment that will fit in with their program.

A plow helper, which draws the stubble beneath the furrow as land is being plowed, is another piece of equipment meeting with favor, and which attracted much attention last Friday.

A spring-tooth harrow, made by Elmer Krank, for use on lands where stubble has been plowed under, and which was exhibited, caught the eye of farmers also.

Friday's demonstration was sponsored by the Genesee Trading company, with J. M. Rabaud and O. L. Dantat of the SCS assisting and furnishing technical advice.

### TO KEEP YOUR ENGINE HEALTHY

## Change FILTER ELEMENTS Regularly

Diagrammatic sketch showing filtering operation

The oil filter on your McCormick-Deering tractor protects the engine against wear caused by dirty oil. But unless the filter element is periodically replaced its purpose is defeated and no protection results. For your engine's sake... and the sake of your tractor investment... be sure to renew the filter element each time you change oil. Remember, the new-style "umbrella" element keeps oil clean and your engine protected for 120 hours of hard use (100 hours for Diesel engines). Take home a supply of these protective elements the next time you are in town.

### HOW THE "UMBRELLA" FILTER ELEMENT WORKS

The element is made of two large sheets of special creped, impregnated cellulose—accordion-folded to form a double-walled cylinder. Oil from the crankcase is pumped under pressure into the filter housing where it completely envelopes the element. The oil filters through tiny pores in the element and all sludge and dirt is retained on the outer surface. The clean oil passes down between the two sheets and goes back to the crankcase.

### GENESEE VALLEY NEWS

Warm fall weather makes pleasant working days for farmers and next week will about wind up most fall work. Those who had not finished harvest were able to do that also. The hunting season opens next week and plans are under way for several men to go to the hills after the meat the OPA has no control over. With the high price and shortage of meat, there will probably be two men in the field for every elk or deer. The Valley Aid started meeting again last week and next week the Blue Birds will resume their meetings after the summer vacation. Our apologies to Miss Beverly Anderson for omitting her name from the Valley roll of college students. Bud Lange registered Monday, adding one more name to the list of University students from Genesee Valley.

Mrs. Delos Odenberg spent Tuesday and Wednesday in Lewiston, visiting her mother, Mrs. Tunnell.

Mrs. Leon Danielson and daughters called on Mrs. Joe Anderson on Sunday afternoon.

Misses Rowena and Beuletta Nordby of Spokane visited over the week-end with home folks.

Mrs. J. P. Wedin called on Mr. and Mrs. Frank Hoorman and Mrs. John Dunbar Tuesday afternoon.

Mr. and Mrs. Wm. Mortenson visited Monday evening at the Delos Odenberg home.

Mr. and Mrs. John Eikum and Rowena attended church in Lewiston Sunday and spent the rest of the day with Grandma Eikum.

Mrs. R. E. Nordby visited her sister, Mrs. E. J. Platt, in Lapwai on Tuesday.

Sunday evening callers at the Delos Odenberg home were Mr. and Mrs. Mel Lundquist, Mr. and Mrs. Earl Thomsen of Moscow.

Mr. and Mrs. Howard Berger and son, Carl, drove up from Lewiston Sunday and spent the day at the Robert Berger home.

Mr. and Mrs. George Voerge of Tacoma visited their daughter and son-in-law, Mr. and Mrs. George Nelson, several days last week.

The Blue Bird club will meet with Mrs. George Nelson Wednesday, October 2. Bring fruit for Children's Home. Mrs. Sam Lange will give a book review.

Mr. and Mrs. Allen Sather spent Saturday at Ben Sather's in Moscow.

Mr. and Mrs. Chris Tweed, nee Spurbeck, the latter a former Valley resident, who lived on the Tobin place, visited Mrs. Lilly Larson Friday afternoon and evening. In the evening Mrs. Adolph Carlson and Oscar Nordby of Moscow came to the Larson home to visit them and renew acquaintances of 30 years ago.

Mr. and Mrs. Roy Bohn of Potlatch visited at Allen Sather's Saturday evening.

Capt. and Mrs. Richard Burr of Spokane spent Monday at the R. E. Nordby home. In the evening Mr.

and Mrs. Connie Luvas and B. P. Luvas of Moscow called.

Mrs. James Tatham and son, Keith of Pullman called at the Fred Hove home Sunday afternoon. Mrs. Hove and Mrs. Tatham were fellow patients at Wheeler, Ore, when they were both taking treatments.

Mr. and Mrs. Julian Lundgren were treated to an old fashioned charivari at Jim Magee's Monday evening, and a large crowd was present to wish the newlyweds much happiness. The newlyweds left Wednesday for their new home at Prineville, Ore., where the groom is employed in a lumber mill. We join with other friends in offering congratulations.

Mr. and Mrs. Vernon Peterson entertained at Sunday evening dinner honoring the second wedding anniversary of Mr. and Mrs. Thor Gilje. Mrs. Peterson and Howard Broemeling were also guests.

Mrs. Guy Wicks of Moscow spent Wednesday at the James Magee home.

Mr. and Mrs. Victor Danielson and Beverly attended the wedding of a friend in Spokane Saturday and remained until Sunday evening. They also visited Grandma Marie, Anderson and report she is well.

Mrs. Hannah Swenson spent Friday with Mrs. Nels Lande.

Mr. and Mrs. Fred Hove called on Frank Hoorman's Sunday afternoon. Ray Wedin visited Jeff Holm at St. Joseph's hospital in Lewiston Sunday afternoon. He is getting along as well as can be expected but will be in the hospital for several weeks. They are giving him penicillin to keep down infection in his feet which were so badly burned last week when sodium chlorate residue on his shoes and pants bottoms caught fire.

Mr. and Mrs. E. D. Pederson visited at Nels Lande's Sunday afternoon.

Mrs. Magnus Lundgren and Carol Ann Johnson of Potlatch spent last Wednesday with Mrs. James Magee. Mr. and Mrs. R. E. Nordby entertained teachers and officers, Pastor and Mrs. Masted of the Valley Sunday school and Our Saviors Lutheran Sunday school of Moscow at their home Friday evening.

### SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

### HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years.
2. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
3. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
4. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist. Army, who may reenlist at any age, and former service men depending on length of service.
5. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
6. Option to retire at half pay for the cost of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

### NEW, HIGHER PAY FOR ARMY MEN

Starting Pay	20 Years' Service	30 Years' Service
Master Sergeant	\$165.00	\$187.50
Technical Sergeant	135.00	151.88
Staff Sergeant	115.00	129.38
Sergeant	100.00	112.50
Private First Class	90.00	101.25

### OCTOBER 5TH IS DEADLINE FOR FREE COLLEGE COURSE

Approach of the October 5 deadline, marking the last day upon which recruits in the United States Army may take advantage of the full provisions of the G. I. Bill of Rights was brought to the attention of all prospective enlistees in this area by Col. Murray in charge of the this recruiting area.

After this deadline he emphasized the G. I. Bill of Rights provisions will apply only for the duration of the emergency and will automatically cease upon official termination of the war which may come at any time.

Specifically this means that those who enlist after October 5 will be granted these rights only in proportion to the time they have served before the official termination.

For example, if a man enlisted October 6 and hostilities were to be officially terminated November 6, he would receive only one month's education at government expense at the end of his enlistment.

The man who enlists on or before October 5, however, is guaranteed one month's government paid education in the college, trade or business school of his choice for every month served, up to forty-eight months—equivalent to over 5 ordinary school years.

Not only will the government pay for his college course, Col. Murray concluded, but, in all probability, the present over-crowded conditions in colleges will be eased by that time, assuring the student of greater individual attention under vastly pleasanter conditions than exist now.

Sunday dinner guests of Mr. and Mrs. H. B. Jones were Mrs. Tina May, Mrs. Anna Baffler, Mr. and Mrs. Art Bremer and Dick Brenner and Mrs. Betty McEachron, all of Spokane and Mr. and Mrs. Edmund Reisenauer and son of Colton.

### HENRY DWORSHAK'S RECORD IS ECONOMY IN GOVERNMENT

Washington, D. C.—Idaho Representative Henry C. Dworshak, economy-minded Second District congressman and candidate for the senate voted for a total saving to taxpayers of two billion dollars, a vote survey on 11 appropriation measures in the last session of congress disclosed this week.

On four other measures where it was difficult to compute funds involved, Dworshak solidly opposed large-scale federal spending. For example, he voted to reduce personnel for administration bureau by ten per cent.

On measures involving definite amounts, this is Dworshak's economy record:

Voted "yes" on a measure to rescind \$200 million in post-war lend-lease to Russia.

Favored trimming the expanded budget of Henry Wallace's commerce department by \$4,460,000 and opposed \$10 million for a Wallace "business census."

Favored cutting \$100 million from the administrative budget of scandal-ridden War Assets Administration.

Opposed \$100 million for a duplicating cancer program; opposed a total of \$95 million for a pork barrel scheme in Arkansas.

Taxpayers fund in these bills totaled \$2,247,314,000.

In addition, Dworshak opposed the \$4,400,000,000 British loan.

Mrs. Florent Moser left Tuesday for Colfax where she is a medical patient at the hospital there. Mrs. R. E. Dantat, of Lewiston, is staying at the Moser home here during the absence of Mrs. Florent Moser.

From where I sit... by Joe Marsh

### Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pool-pools anything but wet flies. Willie swears by a Royal Coachman. Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #IX&\*!!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

NORTHERN PACIFIC RAILWAY COMPANY  
TRAFFIC DEPARTMENT  
SYSTEM CROP REPORT NO. 8  
August 15, 1946

### GENERAL OUTLOOK

Since Aug. 1 ideal conditions have prevailed for the small grain harvest. Precipitation at night... even heavy dew at night... a few days with wind velocities too light... and only a few days with the drouth years... Not since the drouth years has there been an early cutting and combining... so favorable for the grain crop... It has also been favorable for rapidly maturing the late crop and for checking weed growth in mature but uncut grain.

As a result of such weather: (1) grain is of heavy test weight and good color; (2) it will store well, as moisture content is low; (3) it threshes well; (4) binders, as threshers produce have four over the large plant; (5) areas with annual grain combines have gotten over the large plant; (6) areas with annual grain combines have gotten over the large plant; (7) areas with annual grain combines have gotten over the large plant; (8) areas with annual grain combines have gotten over the large plant; (9) areas with annual grain combines have gotten over the large plant; (10) areas with annual grain combines have gotten over the large plant.

As these carefully chosen words were tapped out at Northern Pacific headquarters last month, it looked as if the Northwest's part in the battle to feed the world were nearly won. And the whole thrilling story has unfolded fortnight by fortnight in the close-packed pages of NP's System Crop Reports.

It was a see-saw struggle. Report No. 2 (May 15) was bad: millions of acres of flax, barley, oats and sugar beets suddenly laid low by freezing temperatures... wheat hanging between life and death. Report No. 3 (June 1) showed some recovery. Not until No. 5 (July 1) did the miracle happen: from drenching rains came a "surprising recuperation of crops." Then in No. 8 (Aug. 15): "Not since the drouth years has there been an early August so favorable for getting the grain crop out and threshed."

These swift, accurate reports on all crops that grow along "Main Street" are compiled through hundreds of local observers up and down the line. They are used not only by NP but by millers, grain brokers, canneries, produce men and makers of farm machinery to help them catch up with changing crop conditions. Thus

### Battle of the crops... blow by blow

sensible private planning by a railroad becomes a really useful public service.

If you know of a better way to run a railroad, we'd like to hear from you. We'd like to hear from you anyway.

GENESEE TIES WITH TROY 6-6 GAME ROUGH IN FIRST HALF

Troy and Genesee high schools, after a rough first half, settled down to a real football game in the second half, with both teams scoring a touchdown, but failing to convert for the extra point. Troy tried a kick from placement which was blocked and Genesee tried the same play and failed. Troy, much the heavier team, gained almost all will in the first half and seemed favored to break through to pay dirt almost any time. The Genesee Bulldogs put up stubborn goal line stands on two occasions, but could not deny the Troy Tigers a touchdown after the visitors had marched down the field on five first downs. The Troy touchdown came from a line plunge from the one-yard line. Genesee evaded the score in the fourth period, when Bennett, out of a year, took a nice pass from Sackett to score.

Troy won the toss and elected to receive. Heimgartner kicked off with Troy tumbling and Genesee recovering on the 45-yard line.

Springer on a reverse, gained 7 yards. Moser lost yard, but recovered. Troy on a play, fumbled but recovered. Genesee was offside on the play and Troy took the five yard penalty. Troy kicked to Bennett and a first down was gained on the play. A pass was incomplete. Four yards were made on a play around left end. Troy fumbled on the Genesee 50 yard line and ran up to the 50 yard line for a first down. Bennett gained a yard around right end. Sackett made a yard and Johnson picked up five yards for a first down.

Moser and Sackett got no place on two plays, losing 9 yards. Genesee fumbled with Troy recovering on its own 35 yard line.

Troy made a first down around right end. Troy tried a play around left end for no gain, with Johnson recovering the ball. Troy kicked to Bennett and a first down was gained on the play. Troy kicked to Bennett who made it back to the 25 yard line. Genesee's pass was intercepted by Troy on the 45 yard line. Troy hit the line for 9 yards. Genesee was charged with holding. In 1939, the men who had favored the differential and who were producers or resisters. The differential is affected by the differential, asked that such differential be suspended three years after it was canceled and allowed to prove a benefit to growers and other shippers, the persons affected learned that the 10 per cent lower freight rate, especially on grain, diverted shipments from the Puget Sound terminals, thus giving Portland a greater market for establishing grain prices, and being favored by a 10 per cent lower freight rate were able to underbid Puget Sound dealers in sales abroad.

FATHER OF GUS FICKENS DIES Henry Fickens of Blue Earth, Minn., father of Gus Fickens, passed away October 1, according to a telegram received at Lewiston. One of the aged man is believed to have been sudden as the Fickens family for 18 years and not heard of his illness, if any.

INFANT DIES Gene Edward Hasfurther, infant son of Mr. and Mrs. Edwin Hasfurther, died Tuesday at the Grifman Memorial hospital in Moscow. Burial took place Monday at the Genesee cemetery. His mother, Mrs. Hasfurther, and his father, Mr. Hasfurther, are in Genesee.

### GENESEE VALLEY NEWS

Fall work is rapidly being finished and we are enjoying lovely autumn weather. A frost last week got most of the weeds and the garden "cass" but it came later than in some years. The air is filled with the smell of burning straw and weeds and many tons of chaff have been scattered in the fields this fall. It is the first time it has been plentiful for several years. It seems to be the most satisfactory method of weed control that has been used so far.

Sunday is Work Communion Day and for 24 hours Christians around the world will kneel at the altars of the churches and partake of holy communion. It is time we get back to sane Christian ways with such turmoil and unrest in the world, with a divorce being granted somewhere every sixty-six seconds, with the well organized efforts of the liquor interests trying to undermine the moral life of the individual. Christ and His teachings are the only stabilizing influences in the world today, and if ever we are to have a lasting peace, we will need more prayers and less champagne at the peace tables and diplomatic conferences.

### Can You Say?

Can you say in parting with the day that's slipping fast that you loved a single person of the many you have passed? Is a single life rejoicing over what all life is mourning? Does someone whose hopes were fading now with courage look ahead? Did you waste the day or lose it? Was it well or poorly spent? Did you leave a trail of kindness Or a scar of discontent? Do you close your eyes in slumber? Do you think that God would say: "You have made the world much better For the life you've lived today."

Sunday dinner guests of Mr. and Mrs. Sam Lange were Mr. and Mrs. George Davidson and Bill of Moscow. Rev. and Mrs. Ernest P. Goulder of Moscow called at the Wedin home Friday afternoon.

### Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what it said: "Planted more melons than I can eat this year. Stop by and pick as many as you want. All free." As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."

From where I sit, if we had more "self-indulgent" people like Bert—who believe in share and share alike, live and let live, this tired world would be a whole lot better off!

## GENESEE VALLEY NEWS

The leaves are putting on their fall style show—wild ducks are flying—root on the pumpkins—a little nip in the wind—Fall! the loveliest season of the year. Trucks, pickups, loaded with horses, feed, camping equipment, started heading for the tall timber three days before the hunting season opened. Cooler weather is welcomed by the hunters so the meat will keep. Fall work is mostly completed, coal bins are being filled and folks will settle down to do their farming around the stove for the next few months—lucky people!

Mrs. Ed Morken returned from Seattle last week and is recuperating at her home.

Mrs. Lilly Larson left Thursday for Superior, Wis., to help prepare for Miss Myrtle's forthcoming wedding next month. Elmo will leave in a few days.

David Lange was the victim of a freak accident when he and his sister, Jane, were playing with a wheel tractor last week. A board flew up and ran a long sliver end through his hip which put him in the hospital for several days. He returned to his home Tuesday.

Mr. and Mrs. Bruce Wardrobe were Sunday dinner guests at the Robert Berger home.

Helmer Nyquist, half brother of J. P. Wedin, and two friends, Bud and Greg Dexter of Lake Arrowhead, Calif., came Tuesday evening to visit at the Wedin home and go with Ray Wedin on an elk hunt. Bud Dexter just returned from 18 months in Alameda and is out of the service now. Mr. Wedin and his brother have not seen each other for 25 years.

Mrs. Chas. Odenborg returned to her home in Portland after a two months visit at the Delos Odenborg home.

Mr. and Mrs. Oscar Danielson and family and Lars Johnson had Sunday dinner at Leon Danielson's.

### Are Returning Veterans "Different"?

During the war you heard a lot about how hard it was going to be for returning veterans to get adjusted to civilian life . . . how they'd be "different". Well, plenty of them have returned to our town, and a finer, steadier bunch you could not ask for. Most of them are back at the same jobs . . . going with the same nice home-town girls (getting married, some of them, and setting up families) . . . renewing the same old friendships. Even their amusements are the same. Nothing more exciting than fishing Seward's creek or pitching horseshoes . . . enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk. If they've changed at all it's in the direction of maturity and tolerance for everything except dictators, and those who would destroy our democratic principles of life and let live. And from where I sit, that's another reason to be proud of them.

### COSTS TAXPAYERS OF OKANOGAN COUNTY \$40,474.26 IN ONE YEAR

Okanogan County Public Utility District No. 1 acquired the electric utility property of the Washington Water Power Company in that county in May, 1945. Figures prove that this move will cost the taxpayers of the county over \$40,000 in the year 1946 alone—and there has been no reduction in rates nor increase in quality of service!

### HERE ARE THE FIGURES:

Tax levied against the taxpayers of the county by the P. U. D. in 1946	\$24,950.00
Loss of ad valorem tax which would have been paid to the county by Washington Water Power in 1946 had it continued to operate	\$25,424.26
Less estimated receipt of privilege tax from P. U. D. in 1946	9,000.00
TOTAL LOSS TO TAXPAYERS OF COUNTY IN 1946	\$40,474.26

### N. Johnson Returns From The Philippines

Winding up 19 months of overseas service and five months in the U. S., Norman Johnson arrived in the States September 22 and was home October 3. He will be on furlough until November 26 when he will be separated and receive his discharge from Fort Lewis. Norman is authorized to wear the Asiatic-Pacific ribbon with 2 stars, the Philippine Liberation badge with one star, the Good Conduct and Victory ribbons. He entered the service in September of 1944, and took basic training at Camp Roberts. He entered the service with Lawrence Thiessen and Joe Zenner, went to the port of embarkation with them, and all landed at Leyte together. Johnson was sent to Luzon to become a replacement for the 148th Infantry Regiment of the 37th Division and remained with that unit from March, 1945 until October. The 37th was deactivated and returned to the States in November last year, and Norman was transferred to a Field Artillery Regiment and later to an anti-aircraft unit, to be assigned to the 10th north of Manila, on Subic Bay. Norman was overseas for the Leyte and Luzon campaigns, joining his regiment, the 148th just outside the City of Manila, and being in combat north to Bague and in Kingayuan Valley. In July, 1946, he was ordered to Nichols Field, near Manila, and became a truck driver. His unit there handled Jap POW's who were employed on labor details. Norman visited Manila many times and found the beautiful city damaged almost beyond repair. The old Manila, especially in Manila. On this day the Philippines officially became independent, and the occasion was fittingly celebrated. Norman, however, doubts if the country will be capable under their own power, to establish a government and become a democracy as a democratic nation.

The world series was of special interest to Norman this year because of knowing Joe Garagiola, one of the St. Louis catchers who played on the Manila Dodgers, a service team in the Philippines and became champion of the Pacific Theatre. Kirby Higbee was another member of the Manila Dodgers.

Johnson returned aboard the Monte Clara Victory, taking 17 days from Manila to the States. The returned serviceman plans to engage in farming with his father, O. V. Johnson.

### Genesee Meets Potlatch At Potlatch Thursday

Coach Devlin, who scheduled a football game with Potlatch is at the mill town this afternoon. Thursday, for a non-conference engagement. The game was moved up from Friday to Thursday at the request of Potlatch, but the open date Friday will permit the coach and some of the Genesee players to witness the Kendrick-Lapwai game. Genesee will meet Lapwai here Nov. 1, and again here October 25.

Devlin contemplates a shifting of players for the Potlatch tilt. Cameron will start at left end as Peterson is laid up temporarily with a side injury. Zenner will be at left tackle, Carburn at left guard, Lee at center, Sackett at right guard, Emerson at right tackle, and Morken or Schweber at right end. In the backfield he will use Bennett, Moser or Hansen, Heimgartner and Sackett. Don Johnson will be unable to play at Potlatch but is expected to return to the lineup for the Astoria and Lapwai games to be played here.

### Veteran Trainees Held To Low Wage Ceilings

Regular overtime worked by on-the-job trainees and students under the G. I. Bill is included in the \$175 and \$200 wage ceilings recently established by the Veterans Administration. As an example, the VA cited the case of a trainee who regularly works a 44-hour week. He would draw no subsistence from the VA if his total monthly earnings including the four hours of overtime exceed \$175 if he is without dependents, or \$200 if he has dependents. The same rule would apply to an apprentice printer who regularly works 40 hours weekly, although the union work week is 35 hours.

On the other hand, casual overtime need not be included in the report of monthly earnings. This would be occasional overtime which the trainee is called upon to perform at irregular intervals.

The VA emphasized that all compensation must be reported, except casual overtime and pensions, or other government compensation. If a trainee has a part-time job to supplement his on-the-job earnings, this income must be reported.

### Holiday Tours Japan With Special Services

Bennett (Ben) Holliday, who returned to the States September 17, and was in Genesee two days later to meet his wife and children, will be on terminal leave until October 16, when he receives his discharge. He entered the service June 30, 1945, and after training at Camp Roberts left for overseas from Seattle on December 13, 1945. The trip to Yokohama required 26 days owing to storms. Nine days were logged as no progress. He returned to the U. S. in 11 days on the Marine Steamer. Ben landed in Japan and after three days his name was called off. He expected guard duty or some similar detail, but he was ordered to report to the Eighth Army Sixth Special Services at Tokyo. He was engaged in orchestra work for several years before entering the service and had studied music at Cheney. This training placed him as leader of a newly-formed dance band of 16 pieces which hit most of the army and marine corps stations, and appeared in numerous broadcasts. The band was named The Imperials, and played almost every night from last January through August.

### Kendrick Is Victor Over Genesee 26-24

Kendrick high school, piling up an 18-6 first-half score over the Genesee Bulldogs last Friday at Kendrick, won the game by virtue of being able to convert two points after touchdown. Both teams made four pay-dirt invasions. Genesee, depending on Moser to place kick the extra points, suffered an injury to his leg, resulting in the loss of a toe nail. The Bulldogs too, were without the services of their regular fullback, Don Johnson.

To start the game Genesee received. Unable to gain, in fact losing a few yards, the Bulldogs managed, and in the first series of downs Kendrick was able to score. Two more Kendrick touchdowns came in the first half. Genesee, with Bennett taking a 20-yard forward pass from Sackett, ran 30 yards for a touchdown. The extra point was tried for on another pass which fell incomplete.

Sackett, starting for Genesee, had the spectators on their toes in the second half when he was away for a touchdown after the kickoff, but a Kendrick man near the line and Sackett, grabbed the Bulldog's jersey and brought him down.

### Purebred Hereford Pomeroy October 23 Near Sale

One hundred twelve head of purebred Herefords will be offered for auction at the Ruchert Ranch, 8 miles west of Pomeroy on Highway 410, on Wednesday, October 23. This will be one of the outstanding Hereford sales this fall, and featured by a few Baker Donald Prince Real R 10th heifers, which have been served by the noted GHR Improver, a grandson of Compress Conqueror, Cows in the sale are sired by Baca C. ### Compton White Here On Campaign Trip

Compton I. White, candidate for congressman from the northern Idaho district, was in Genesee for a brief time Wednesday evening. A rather friendly individual, and as usual, doing a solo on his campaign, he requested window space for his card. He admitted the cards had been done by "offset" but thought a letterpress printer should afford him the favor. All was going pretty well with "Compt" until it was noticed the cards were made in New York City for distribution in Idaho.

Members were advised of the Legion convention to be held at Colton with a number signifying their intention of attending. The district Legion meeting at Winchester was announced. Post Commander Wayne Hampton named his committee to handle athletic activities for the coming basketball season.

### Intelligent Leadership Is Foundation of New Army

Enlightened and humanistic leadership is providing an important factor in attracting high calibre men to the new United States Army as a career, it was pointed out here today by Lt. Alfred M. Steele, in charge of recruiting in this area.

### Miss Donna Jean Wallace

"By the same token his broadened understanding indicates, by and large, alert responsiveness to leadership that is humanistic, enlightening. And it is upon that kind of leadership that the new army is being built."

### Miss Donna Jean Wallace

### Loren Kamibtsch Named Benawah County Agent

Loren Kamibtsch, son of Mr. and Mrs. Anton Kamibtsch, of Genesee, and a graduate of the University of Idaho in 1943, has been named Benawah county agent. He has been engaged as 4-H Club director in Nez Perce county and his advancement to Benawah Loren spent three years in the service and was in the European Theatre for 18 months. He was with the provost marshal's office and his work had much to do with the intelligence department.

### Melvin Holben Home Too Late For Football

Arriving in the States September 25 and in Lewiston October 7, Melvin Holben did not report back to Washington State College as a member of the Cougar football squad, although he had planned to be in football uniform this fall. He was a member of the WSO squad before entering the service. While overseas and in Japan he played football with the 41st Division team, runner-up for the Pacific Theatre championship. His team was defeated in the final and decisive game by the 11th Airborne team, 11-25. Melvin was in the old-time position at left tackle, and missed but 7 minutes of the games played last fall. He is at present assisting his brother, Marion, in farming near Genesee, and is in Lewiston at times to visit his mother and other members of his family. He had not seen his brother, Damon for about five years, and the family has been one long anticipated and most pleasant. Damon Holben, with a tank unit in Africa and Italy, saw a lot of combat action and was a prisoner of war for many months. Melvin also met Damon's wife, whose family was in England. Thus the family has been enjoying a happy reunion.

### Melvin Holben Home Too Late For Football

Melvin entered the service in November, 1944, and trained at Camp Roberts, taking infantry basic for 17 weeks. He was ill for several weeks and there was home on furlough before going to Fort Ord and Camp Stoneman and then overseas on August 10, 1945. He landed at Leyte and 29 days later was at Zamboanga on Mindanao to join the 162nd Infantry Regiment of the 41st Division. He was with the first troops to land at Kure and the Pacific Theatre moved into Japan on October 6, 1945, landing at Kure. The division was deactivated soon after arriving in Japan and Melvin was transferred to the 34th Infantry of the 24th Division. He covered a lot of territory while in Japan, but the most interesting place from a military standpoint was Eta Jima, an island off Kure, where the Japs maintained an elaborate system of caves, 90 in number, and from which U. S. troops removed thousands of tons of explosives. Melvin was on a detail which burned 100 tons of explosives each day for three weeks. There was not much work to moving the ammunition as the Japs had installed cranes, hoists and elevators and other fine equipment.

### Melvin Holben Home Too Late For Football

In talking with English-speaking Japs, Melvin was impressed by their complete obedience. Most of the Japs on the day of surrender had been informed up to the final moment that Japan was winning the war, and the people were constructing air raid shelters up to the last minute before the surrender was announced. Americans apparently are well liked, the Japs seem sincere in efforts to progress along western lines of civilization, and they admit being misled. Melvin wonders how the Jap nation was ever brought to a fighting mood, so complete is their surrender. He sees the average Jap man as being lazy.

### Melvin Holben Home Too Late For Football

Football practice was watched intently by Jap youngsters and within a few days after the Americans began kicking a ball around the Japs were using a sack filled with old rags for a ball. They would kick and pass, and have a wonderful time in tackling. Another event that the Japs viewed with interest was a rodeo staged at Henjia. Melvin's outfit obtained a number of native horses in the rodeo, which were real bucks, and brought in quite a few so-called oxen. Both horses and cattle, most of whom came on bareback mounts, owing to lack of stock saddles. A few riders used Jap military saddles. The Japs do have some exceptionally fine saddle horses, bred up from the finest stock in the world for military mounts, and from these the army obtained sufficient horses for races. They even trained a few horses for bulldogging. Melvin took part in the rodeo.

### Melvin Holben Home Too Late For Football

Melvin noticed the absence of dairy products in Japan. The natives raise cattle, but they are for work or meat, and not much of the latter. Beef seldom finds its way to the Jap table and when it does is from the carcasses of some animals ready to die, or too young and scrawny to become useful for work. A Jap farmer prefers a cow for work in the rice paddies, because they are slow. They also use horses but mostly for draying and hauling on the roads.

Bud and Greg Dexter left Friday for the Bungalow country on a big game hunt. Raymond and Wilbur Westbrook expected to join them this week. Omitted last week: The Bluebird Club met at the home of Mrs. Geo. Nelson for their first meeting since July. Canned Fruit was brought for the Lewiston Children's Home. Letters were read which had been received from families in Europe, telling of the safe arrival of packages sent them and they expressed joy in receiving them. Due to illness, Mrs. Lange did not give her book report. Guests were Mrs. J. P. Anderson, Mrs. James Nelson, Mrs. Art Hove and Miss Elaine Hove from Seattle. The next meeting will be held next Wednesday at the August Johnson home with Mrs. Clifford Hillman as hostess. Mrs. Nelson served delicious refreshments.

**MELVIN HOLBEN HOME LATE TO PLAY FOOTBALL**

Continued from Page One coarsely cultivated and water turned in to flood the ground. Women, cows, horses and sometimes men, trod the rice paddies, mixing up about 18 inches of mud, which receives the transplanted rice plants. These are placed in the mud at regular intervals of about six inches. Rice was heading when Melvin left Japan and harvest will be on in November. The rice will be bundled and tied with straw and placed on racks to dry before being threshed.

Noticeable when the Americans first landed in Japan was the domination of the men. Women usually walked several paces behind their men on the way to and from work. Today the women and men walk abreast. Interesting to Melvin was the Japan pre-nuptial customs. When the parents decide young people are to wed, they select the bride and groom. There is one date before marriage with the immediate families being present. The woman may refuse, but seldom does. The parents then complete all arrangements and the wedding is a big party.

Melvin returned to the States on the same ship as Jimmy Busch. When moving to the docks in Japan Melvin heard Jimmy's name read off a list and then met him soon after boarding the transport. He also met a former schoolmate of Moscow high school, Don Goetz.

**HARVEST HOME FESTIVAL ATTENDED BY MANY**

By Rev. Roland G. Wuest  
 In a strictly rural setting, well over 150 people attended the Harvest Home Festival service held last Sunday afternoon on the Sam Lange farm. It was the first such service ever held in this part of the country and was so well received by those attending that plans are being made to observe it as an annual celebration.

With favorable weather to add to the uniqueness of the occasion, members of Our Saviour's Lutheran church and First Lutheran church of Moscow, from Westdala Lutheran church of Troy, from the Valley Lutheran church and from St. John Lutheran church, Genesee, gathered in the outdoor house of worship which had as its "walls" various pieces of farm machinery. The altar was built of sacks filled with the new wheat crop and was banked with pumpkins, squash, apples and corn stalks.

The festival sermon was delivered by the Rev. Harold Masted, pastor of Our Saviour's Lutheran church of Moscow and the Valley Lutheran church. Pastor Masted spoke forcefully on the theme, "The Glory of Gratitude," using as his text, Psalm 107:8. The speaker, in explaining clearly God's goodness and His wonderful works, brought out distinctly that man is every ready to ask God for everything but slow to give thanks to God for anything.

Rev. Neale Nelson, pastor of First Lutheran church of Moscow, and Rev. Roland G. Wuest, pastor of St. John Lutheran church, served as liturgists for the service, with the Rev. Earl Bengston, pastor of Westdala Lutheran church of Troy pronouncing the benediction. The festival offering was received for the benefit and help of unfortunate people in Germany and other war-torn countries for which they might have some of the things for which the group gathered to give thanks.

**John Roach, Auctioneer In Sale Ring for 45 Years**

John Roach, now located at Condon, Oregon, where he and other men have established a public sales ring, left Genesee Tuesday to continue regularly scheduled sales. He was at Genesee for a week while the Portland Livestock Show was in progress. In the Condon area, stockmen and farmers practically desert the country to attend the Portland show.

John Roach has been an auctioneer for 45 years, getting his start in the sales ring at Bardoff, Illinois, and coming to Idaho about 25 years ago.

rather hoped that prices would not be too high, as the rich money lender was always quick to foreclose. He planned to attend the sale and obtain some household goods at a fairly low price, but he left an auctioneer and without some much needed household goods.

Roach soon was presented an opportunity to cry a sale. He had lost none of his "nerve" but he dreaded responsibility of a possible failure. The man who offered his moral support, promised Roach he would give bids on everything going "under the hammer," and to "save his neck" would purchase things that might sell to cheaply. John said his benefactor went through with the bidding but there was no occasion to "save the neck of the young auctioneer."

Mr. Roach, rounding out 69 years, has been an auctioneer for 45 years, and expects to continue. Recently he appeared at a sale at The Dalles, Ore., and was invited to auction a few items. The auctioneer having the sale, used a loudspeaker. Roach said he stepped onto the "block" and saw the "damned thing" but it was right in his way, so he held it aside while his voice boomed out over the large crowd. Modern methods may be employed by the younger auctioneers, but John Roach isn't one to be bested with a "mike." He wants the bidders to hear him.

Mr. Roach cries sales at Condon at the public ring every Thursday, and since going to the Oregon town, he has handled several public sales for individuals.

**Idaho Education Survey Be Heard at Lewiston**

Dr. John E. Bruton, director of the Idaho Education Survey, is making his report to the board of education this month, and arrangements have been completed for open meetings at which interested persons may attend.

A report will be made for this section of Idaho at Lewiston high school auditorium at 7:30 p. m., Thursday, October 24.

Much has been heard of the school system in Idaho in recent months owing to the survey and for this reason everyone is urgently requested to attend the meeting in Lewiston.

**Food Sale October 19**

A food sale will be given Saturday, October 19 at the Pollett Mercantile store by members of the Valley Ladies Aid. The sale starts at 1:30 o'clock.

**M. M. Club Entertained**

Mrs. Walter Gehrke entertained the M. M. Club Thursday afternoon of last week when the time was spent in needlework. Mrs. Gehrke served

luncheon at the close of the meeting. Invited guests were Mrs. Lee Whitcomb of Lewiston, Mrs. Jack Gehrke of Lapwai and Mrs. Harry Phillips of Spokane.

**Fire at Lester Gamet Place Destroys Woodshed Monday**

Fire completely destroyed a woodshed and burned the roof of a smokehouse at the Lester Gamet place in west Genesee Monday night. The alarm was sounded about 11 o'clock and the fire department responded immediately. The fire, however, had gained such headway that the building could not be saved. Much of the slabwood stored in the building was saved, and fire was held to a minimum. The fire is thought to have started from ashes containing some fire and which were fanned into a blaze by the wind.

**Lester Hovland Visits Here With Sister and Friends**

Lester Hovland, son of Mr. and Mrs. Arnie Hovland, the latter deceased, but former relatives of Genesee, arrived Sunday evening from Hollywood. He was employed for several years by the Lockheed Aircraft corporation, and was an outside production representative, handling contracts for Lockheed and other smaller machine companies. He is a graduate of the University of Idaho, and went to California in 1940. During the war he was located at Burbank.

Making the trip north by car he was accompanied as far as San Francisco by David Allen, a nephew of Allen Sather. The young man, now in the army, had been home on furlough.

Lester is here to visit his sister, Miss Vivian Olson, and many friends and plans to remain for Homecoming at the University of Idaho.

Gainford Hovland, a brother of Lester, is now at El Monte, Calif., and is engaged in the trucking business for himself. His father is located at Condon, Calif., and Elmer Hovland, Lester's uncle, is at South Gate. Lester's aunts live at Los Angeles.

**Progressive Club**

Mrs. W. W. Burr entertained the Progressive Club Wednesday at a 1 o'clock luncheon and social afternoon. Guests included Mrs. Fred Magee, Mrs. James Magee, Mrs. Harry Schooler, Mrs. Wm. Cunningham and Mrs. Rachel Dunbar. Mrs. John Brown of Moscow was an out-of-town member present.

We hope it's a frozen asset

This Northern Pacific snowplow may never earn back the \$98,000 we paid for it. But no matter how bad the blizzards this winter, you'll get through on the North Coast Limited.

All up and down the Northern Pacific you can find equipment units of this kind—many of them "frozen assets". No flood, storm, washout, rock slide or other foreseeable emergency will catch us unprepared. We gladly take our own profit—money to provide this unprofitable equipment because, in the end, good and dependable service means more business, more profits for us.

This kind of "selfish public service" is a good thing for all our neighbors along "Main Street". Right now (without waiting for any social blueprint) we are using every trick in the book to make this a better railroad. Last year we laid 800,000 new ties... tamped 1,400,000 yards of crushed stone into deeper, finer roadbed... went ahead with the building of a new \$9,000,000

passenger train which is going to carry you in the lap of luxury.

If you know a better way to run a railroad, we'd like to hear from you. We'd like to hear from you anyway.

**Idaho Schools Need Money... yet**

"Blue Law Initiatives Would Take Millions Away!"

Since 1939 the state of Idaho, its 44 counties and 1112 common and public schools have benefited immensely from the state-controlled sale of liquor. The income to the state general fund and to Idaho's schools amounted to:

**\$10,788,721.89**

Of This Sum Latah County Received \$200,854.94

Prohibition by counties (local option) will not drive away liquor. It will NOT stop drinking. It will drive consumption AND SALES under cover. The money which has been going to benefit all of Idaho's citizens and schools would be going to enrich bootleggers and racketeers. The experiences of National Prohibition proved that!

Government Training On Veteran Training Promises made by President Roosevelt during his campaign have not been kept. In a speech made within a few days of election time, he presented the program to be sponsored for the returning veterans. Promises already made broken, and it requires some fortitude to criticize a deceased president. Nevertheless, the veteran who was still in combat, and who faced death, firmly believed the words of the president. His description of the G. I. Bill of Rights, not only influenced voters among the veterans and those at home. At the time President Roosevelt outlined the benefits to the veteran under the G. I. Bill of Rights, his mention of the G. I. Loan was vote bait. The loan program was unworkable when the president explained it, and it is unworkable today for the average veteran.

Many people took General Bradley's part when National Commanding General of the American Legion, General Administration, General Bradley, who is still head of the Veterans Administration, was unable to withstand criticism at the recent national convention. Perhaps the average person may have the opinion that millions of veterans do not appreciate General Bradley's attitude, but it is not reasonable to ask that any one man be spared criticism when so many are affected. He is due the respect of his position, but his shortcomings as an administrator should not go unnoticed, or overlooked because he holds his position. The recent ruling by the Veterans Administration that an on-the-job trainee cannot earn more than \$175 a month, if single, and \$200 a month, if married and having dependent children, is a gross injustice to the veteran. There may be misuse of the veterans' training program, but generally, a man, if he works longer hours than the prescribed day, is entitled to more pay. We have veterans in Genesee employed in on-the-job training. If one of them had worked his specified time and a farmer or anyone else needed their assistance, the veteran job-holder most likely would be willing to accommodate although it actually means that he will lose by assisting you. Men have known engagements and work long hours on their jobs. Today if the veteran tries to be of real service and makes every effort to be of assistance and provide for his family, he will be penalized by the present law which states that any earned overtime which brings his check over \$175 or \$200 a month, will result in deductions from government pay. Promises made by politicians without authority to interpret the law differently than it was intended. If the Veterans Administration should reduce payments to men and women in colleges, attending under the G. I. Bill of Rights, those men and women would be heard from, and justly so. The people are not getting what they are entitled to. It is a fair deal.

Don Whitehead sees shift in Idaho Vote Next Month Do Whitehead, republican candidate for lieutenant governor, who was in Genesee Wednesday morning, predicted that a slight switch in Idaho voting over recent years, will elect all the republican candidates. Slightly over 2 per cent of the voters, switching from the democratic column to the republican column would cause a change in Idaho. His belief is based on surveys conducted in Idaho, and it is his firm belief too, that such a shift is becoming more evident each day. He has found few people who have switched their loy-

Want a Vacation from Marriage?

From where I sit... by Joe Marsh

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from a weak ahead of time, and she almost cries for gratitude. ("Fell the same way myself," says Al)

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to feel that she was not enjoying her vacation. It couldn't be unmissed; didn't have any appetite with nobody to cook for, she was about to

## GENESEE VALLEY NEWS

Fine fall weather continued for another week, then gentle showers began Saturday night, which were indeed welcome by farmers. Tuesday high gales from the coast brought more rain and stripped leaves from trees. There was another wreck Saturday night near the place where four were injured the week before. A pickup belonging to Mrs. Mary Wahl and driven by the Taylor boy, turned over four times and landed in Fred Hove's field. The truck was badly damaged but all three occupants of the vehicle escaped injury. A car was in the ditch Monday night near the Thornecreek road but we didn't learn the particulars. It is almost election time and it is said to credit the most candidates in this campaign than usual. It is time that candidates for office learn that men who are respectable citizens before running for office cannot fool the public by smearing a rival's name in order to get votes. The liquor interests are flooding the mails with malicious propaganda trying to defeat the initiatives on the Idaho ballot. They talk about taking our American rights and liberty away from us. In their case liberty means license to continue to sell their wares. The homes of our nation should be made secure and we should have the right to drive on the highways without risking life and limb by meeting a drinking driver who goes speeding along our highways spreading death

and brought Gladys Tauffen and Martha Spence for her house guest.

Sunday afternoon visitors at Wedin's were Mr. and Mrs. Roy Wedin and Wayne Johnson of Moscow, Mr. and Mrs. Victor Danielson and Mr. and Mrs. Inge Anderson and children visited Palmer Anderson Saturday evening in Genesee.

Mr. and Mrs. Kermit Hove and daughter and Virgil Hove spent Tuesday at the Knight home in Clarkston.

Mrs. John Eikum entertained the Valley Aid Wednesday at the Parish hall. Mrs. Sam Lange had the program. Thursday the Aid was invited to St. John Aid in Genesee and the ladies spent an enjoyable afternoon.

Mrs. J. P. Wedin attended the church school board meeting at the Methodist church in Moscow Tuesday evening. She is superintendent of the church school.

George and Oscar Tegland of Chehalis, Wash., spent last week at Art Tagliani's, Sunday afternoon. Mrs. Art Hove had a coffee party with a lovely birthday cake celebrating the 91st birthday of George Tegland. Guests were John Hove, Mr. and Mrs. Fred Hove, Mr. and Mrs. Kermit Hove and Beckey, Virgil Hove, Mr. and Mrs. Wm. Moeke of Moscow, Mr. and Mrs. Chas. Hasfurther and Douglas of Coeur d'Alene.

Mrs. Ellis Odberg, Mrs. Olo and Miss Ann Tisch of Portland called on Miss Ethel Johnson Monday evening. Mr. and Mrs. Elmer Swanson were treated to an old-time chowder by friends Sunday evening at the Swanson home where the newlyweds are now living. Congratulations.

Albert Halverson of Mabton, Wn., resident of the Valley on the Snelling place thirty years ago, has been renewing old acquaintances this week. He visited at August Johnson's, John Eikum's and Bill Scheele and other friends.

Sunday dinner guests at August Johnson's were Mr. and Mrs. Hillman and Betty Lou of Moscow, Mr. and Mrs. Harley Lyons and Douglas, and Mr. and Mrs. Clifford Hillman and family.

Lester Hovland spent the week end with Erling Lande.

Mr. and Mrs. Yarnon Peterson left for Portland Tuesday to spend a week with the latter's parents, Mr. and Mrs. Roy Triplett. Mrs. Dollie Peterson is taking care of David in their absence.

Sunday evening visitors at the Jas. Magee home were Mr. and Mrs. Wiley Wicks and family and J. H. Wicks.

The Valley Ladies Aid had a food sale in Genesee Saturday at the Follett store and all food sold quickly. They appreciate the patronage.

Lester Hovland had dinner at the Jas. Magee home Thursday.

Mr. and Mrs. Alfred Wegner and family of Twin Falls visited Monday with his sister, Mrs. Allen Sather, and family.

Mrs. Lily Larson returned home Tuesday from Superior, Wisc. Elmo stopped off in Iowa for a few days' visit with relatives.

Sunday is Navy Day so let's get out those flags and honor the boys who gave so much to help win the war. Ship Ahoy!

Mr. and Mrs. James Nelson of Lewiston are spending a few days at the George Nelson home.

## Genesee Bulldogs vs. Astoria At Genesee This Afternoon

This afternoon, Friday, Genesee is to be host to Astoria high school in a football game on the local field. The game will start at 2 o'clock. Coach Dowlin has signified his intention to start the following men: Wayne Schwene or Cameron at the right end spot; right tackle will be Emerson; right guard, Semmes; center, Lee; left guard, Carburn; left tackle, Zeener; left end, Peterson; quarterback, Sackett, who has responded well to treatment after injuries of last Thursday; Johnson, another boy who was injured, may also be in the lineup at quarter. Bennett will be at left half; Moser at right half and Heimgering at fullback. The last named man was in the line at a tackle position until the Kendrick game, and is getting the feel of the ball and is showing power on line plays. This will be the first game Astoria has played at Genesee in 18 years, and it may be the first time the Washington club has ever met the Bulldogs here.

## Public Grade School News

Norman Spence, a pupil of the 6th grade, is wearing a big smile today because his brother, Bertie, who has been two years in the Pacific Theatre, is home. Bertie Spence is a graduate of Genesee high school and has lived all his life in this community.

## Sixth Grade News

We had a class meeting Friday afternoon. We planned for our Halloween party. Those on the game committee are: Donna Danielson, Connie Densow, Alice Jain and Shirley Danielson. For refreshments we will have ice cream, cider and donuts. Alice Jain is bringing cider. Reporter—Irene Carburn.

## Third Grade News

Lynette McKinley has been ill for the past two days. We are decorating our room for Halloween and plan to give a class party Thursday, October 31. If the weather permits we will have the party outdoors, otherwise it will be in the school building.

## Birthdays

Mrs. Mary Wahl was visited Wednesday on her birthday anniversary by Mrs. Clarence Trail, Mrs. Kate Huffman and Mrs. Mattie St. Clair of Moscow. Later the four ladies came to Genesee where they enjoyed a birthday luncheon at the Checkerboard Cafe and where Mrs. Wahl opened the gifts given her by the visitors and by relatives and friends who sent gifts from away.

## Election Day Bazaar

The Ladies of the Community church are sponsoring a bazaar and dinner on Election Day, November 5, at the Firemen's hall. Plan to attend the bazaar and games during the afternoon and dinner in the evening.

## Genesee Loses to Potlatch Loggers Strong This Season

The score, Potlatch 19, Genesee 2. This read the scoreboard when Genesee Bulldogs met the Potlatch Loggers on their own grounds Thursday of last week. Since that time Moscow high school eked out a victory over Potlatch, 20 to 12, and Moscow last week won from Lewiston high school.

Last Thursday afternoon Genesee players had a difficult time trying to catch the Loggers' elusive back, running from a T-formation. The Loggers outweighed the Bulldogs, as have every other team the local boys have met this year. Genesee, too, played without the services of Don Johnson who suffered a sprained ankle in practice. In the second quarter at Potlatch Danny Sackett, Bulldog quarterback, suffered torn ligaments in his back when he was tackled hard.

Genesee drove up to the Potlatch ten-yard line three times during the game but the boys were unable to push farther. On one of these drives Moser tried a pass to Bennett in the end zone, only to see it intercepted by a Potlatch man. Bennett was there to bomb the receiver out of bounds in the end zone, and to provide the Bulldogs with a safety, good for two points. Heimgering made most of the yardage for Genesee by power plays into the line.

Potlatch scored in the first, second and fourth quarters, making the extra point on a kick after the second touchdown.

## Linger Longer Club

Mrs. Fred Magee was hostess to the Linger Longer club Tuesday evening when she entertained with a 7 o'clock dinner and bridge. The Halloween motif was carried out in decorations and menu. At cards, played during the evening Mrs. Harry Schooler won high score award. Mrs. W. M. Herman and Mrs. Forrest Durbin were invited guests.

## Harvest Not Completed

With the good weather this fall, although somewhat spotted in the late weeks by rain, one rancher will becoming a farmer and a warm sun. Virgil West, farming west of Genesee has over 60 acres of peas remaining to be harvested. A combine was operating on his place last Saturday but weather has not been favorable since. The wind Thursday and a warm Friday will help a lot to complete his harvest.

**SURE . . . NEARLY EVERYONE IS FOR SOBRIETY . . . THAT'S WHY THIS INITIATIVE HAS BEEN SO-TERMED BUT . . . ACTUALLY IT IS TRICKY and MISLEADING!**

The main objective is to prohibit advertising of alcoholic beverages in Idaho. (The forces behind it say "Tobacco next!") But it can only stop the advertising of LOCAL industries in LOCAL newspapers, radio broadcasts, billboards, etc. It cannot stop that which originates outside Idaho and enters the state via the mails or other forms of communication. It thus primarily discriminates against and is UNFAIR to Idaho industries, newspapers, radio stations, billboards, etc., without accomplishing the purpose for which the Act is intended.

—with nothing more exciting than old songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. (Besides, I like to play the fiddle—even badly!)

Mr. and Mrs. Henry Halverson and Mrs. Lily Larson and Elmo Larson, returned Friday last from a five-day trip to Montana and Canada. Leaving here Monday a week ago, they went to Coeur d'Alene, Idaho, to Kalispell and then to Glacier National Park and on to Shelby. They found the park snow covered in places but travel was permitted. Homesteaded Near Devon  
Mr. and Mrs. Halverson homesteaded in Montana near Devon in 1911, and remained there until 1919. Others from Genesee homesteading at the same time were Tom and Neils Swenson and Ingle Halverson, the latter now of Spokane. A few years after 1911 Mr. and Mrs. Walter Driscoll purchased land near the Halverson ranch, and like the Halversons, they retain this property.

**Watch Out! —or Prohibition Will Bring Back the Al Capones!**

Make no mistake about it! The "Local Option Prohibition Act" and the "Idaho Sobriety Act," are meant to bring prohibition to Idaho.

The "Local Option Act" would permit a minority group to bring prohibition to any county by petition; it eliminates the secret ballot.

**If Prohibition Comes**

- 1. Local Option Prohibition Will NOT Stop Liquor Traffic**  
People who want to procure liquor will still do so. Any community which "goes dry" simply substitutes bootlegging and untaxed selling for supervised, taxed, legal sale of alcoholic beverages.
- 2. Your Taxes Will Go Up**  
Taxes on liquor are very high. Thus those who spend money for alcoholic beverages pay a bigger share of the tax load. If the liquor traffic is driven under cover, it will become untaxed and the state, county and federal governments will have to raise other taxes to take the place of the revenue so lost.
- 3. Respect for Law Goes Down**  
Experience has shown that prohibition brings bootleggers. Bootleggers create graft and lack of respect for all laws. Thus, prohibition won't stop evil. It will only create MORE evil!

Thousands of thoughtful, sober, temperate people will vote against the Initiatives entitled "The Local Option Prohibition Act" and "The Idaho Sobriety Act" simply on the basis that they are unworkable and impractical. Think before you vote! Prohibition does NOT stamp out evil!

Mrs. Eunice (Archibald) Street, 413 E. Citrus Ave., Redlands, Calif., is sending for a subscription to The News, enclosing the following brief but welcome note:

"Enjoy The News very much but it makes me rather homesick at times. My husband and I were going to visit Genesee this fall but the Valencia crop of oranges lasted longer than we had expected, so we are afraid we might get snowed in as we were the last time we were there in November. The temperature went down to 10 degrees above and our car froze up and we were not dressed for winter weather. Brrrrr! We hope to make it another time."

MAKE YOUR PLANS FOR TOMORROW TODAY! The spectre of war, privation or poverty need never haunt you if you take just one important step. No depression will worry you... no assessments are deducted from your army pay... no seasonal or industrial layoffs... no fear of unemployment... no housing problems to beset you... no worries over medical, dental or hospital bills... excellent food and clothing all provided.

A good starting salary with almost certain regular increases. A monthly retirement income for life after 20 years' service (much greater after 30 years). All these advantages and many more are yours. IF you can qualify for enlistment in the NEW regular United States Army! You'd better hurry, as qualifications for enlistment are being steadily raised.

That's right! Enlistment in the finest army in the world is your guaranteed insurance of "freedom from worry" now, or at any time as long as you live. Here is one example of monthly Army pay--and just as a private:

Base Pay .....\$75.00 Allowance Wife and Child 58.00 (until war officially ends) Food, clothes, housing..... 43.00 Medical and dental care..... 8.00 Insurance..... 13.50 Travel, laundry and misc..... 12.00 Annuity for Retirement as M/Sgt. After 20 years (Paid by U. S.).....103.28 Total.....\$312.78 Income Tax you don't pay 30.08 Grand Total.....\$324.86

Are you doing as well now, month in and month out, year in and year out? Think it over--then act. Go in and discuss your particular problem with the U. S. Army Recruiting officer nearest you--TODAY!

Both Political Parties Check Ballots at Election Nov. 5

Election boards in Latah county precincts on November 5 will have two additional "members". For several weeks the democratic party has advertised that "A Democrat Will Check Every Vote This Year." The statement may have caused some apprehension among voters, and it has certainly been misunderstood by a few election board members. There is a difference of opinion relative to "checked" at election, but the first place secretary of the ballot is inviolate, and secondly, those persons appearing at the polls merely witness the counting. It is understood they may offer information when requested, but they are not permitted to dissent for any candidate or any party. Any person assigned to an election precinct must be sworn to secrecy and will not be permitted to leave the polls unless in the custody of the constable present at the election polls.

Legion Dist. Meeting At Winchester Nov. 7

The fall district convention of the American Legion will be held at Winchester on Thursday, November 7. Registration will begin at noon at Hathaway's Market on Main street and the Legion business meeting will be in the Grange hall, starting at 3 p. m. The Auxiliary meeting will be held in the Masonic hall.

Department officials who will be at the convention are: Commander W. F. Galloway; first vice commandant, Charles E. Johnson; Samuel E. Vance Jr.; service officer, John P. Day, and publicity director, Doug Bean. Service Officer Day would like all post service officers in the district to be present and to bring with them any problems they may have.

Each Post will be called upon in the high school gymnasium with appropriate speaking and entertainment. The convention hall will be held at Kaine's hall starting at 9 p. m., and the Winchester Post promises good music and a good time.

Each Post will be called upon for a report of activities since the spring meeting in Lewiston and written copies thereof are to be left with the district adjutant.

Lewis-Clark Post of Lewiston is planning to take its drum and bugle corps to Winchester to give some of that pep music which was heard at the department convention. Lewiston's 40 and 8 locomotive will make the trip. C. S. Swanbeck, district commander, hopes that a large number of boys will be present in the district. This is the first meeting to be held at Winchester, in fact, Winchester is one of the new Posts in the district, organized only recently.

Thursday Morning Rush For Hard-To-Get Items Rader's City Market, confronted with the present-day problem of grocery shortages, experienced complications when hard-to-get items were reserved for customers who had the money placed on lists, so Geo. Rader adopted a first-come, first-served policy. Largest shipments of groceries are delivered Wednesday night, and are ready for sale Thursday morning. The fact had not been advertised but shoppers learned of food availability through the "short list" and are always on hand. The City Market owner thought he had a rush Thursday morning of last week, but it was nothing compared to the mob which surged through the store door Thursday morning of this week. Approximately 125 customers stormed the market to be waited upon by Miss Vivian Olson, Mrs. Harold Lee, Miss Pearl Schooler, Mrs. Art Springer and the boss. At 8 o'clock the rush was on, to last but an hour. The boss closed the doors at 9 a. m. and all of the clerks able to make it across the street, had coffee at the Checkboard.

Del Kambitsch Discharged Delbert Kambitsch, son of Mr. and Mrs. Anton Kambitsch, arrived home Wednesday night. He received his discharge at Fort Sill, Okla., and made the trip home by car. He has a new automobile at Chickasha, Okla., and accompanying him to Idaho was a fellow serviceman whose home is at Twin Falls. Del remained at Twin Falls for a few days, and then surprised his parents when he sent a telegram Tuesday that he was in his home. He did not state the time of arrival.

Del entered the service May 25, 1944, and after basic at Camp Roberts, was sent to Fort Sill, where he handled ammunition for about two months, then drew an assignment as a mechanic, and more recently was a motor parts man. He received that discharge October 24, and has no immediate plans to reenlist. The army today is the ranking place one ever saw, with master sergeants and top ticks galore. A private has about as much chance of becoming a general as he always did, but that mess of sergeants today is a stiff hurdle.

Display of War Trophies Scheduled for November 11 Genesee will see an exceptional array of war trophies from all theaters of operations on Armistice Day, if all the men carry out plans to display the souvenirs they have. The group of servicemen which met at the Legion office Monday evening, agreed that items would be brought to her office Saturday before Armistice Day to be labeled and then unable to bring their "stuff" in on that day, may bring it to The News office where men will be available to prepare the trophies for display. The plan now is to display the trophies in places of business which will be closed on Armistice Day. The public may view the collections as all souvenirs will be in display windows. The various business houses are cooperating in presenting the display.

New X-ray at Dr. Clarke's Technical experts completed installation of a new and modern X-ray unit at the office of Dr. Jack Clarke Monday evening. The new piece of equipment is the last word in X-ray and is complete with fluoroscopic screens. Dr. Clarke, physician and surgeon, has brought to Genesee the most complete and modern modern equipment in his field today. At the present quarters are inadequate, but everything has its place. The community feels fortunate in having Dr. Clarke and his family locate here.

Lapwai Here This Afternoon Genesee's Final Home Game Lapwai high school will be at Genesee this afternoon, Friday, to meet the Bulldogs in their final home game of the season. The Lapwai team to Kendrick, a team that won from Genesee by a very few points, and Lapwai won from Asotin. The Bulldogs have recorded a win also from Asotin, so the dope is: "A nip-and-tuck game." Coach Devlin will have his boys out for a Lapwai battle. Genesee's chances of being on the infirmity list.

Twins One Year Old Wednesday, October 30, the twin daughters of Mr. and Mrs. Alfred Hasfurter, Dawn and Diane, were one year old. Besides the Hasfurter family, present for a birthday dinner were Mr. and Mrs. Ed Hasfurter, the aunt and family, and Mr. and Mrs. Fred Baumgartner and family.

State Senatorial Candidate Man of Wide Experience Wm. C. "Bill" Moore, farming 8 miles north of Genesee, with but a few acres of fall plowing remaining to be done, was in Genesee Tuesday afternoon. He is the republican candidate for state senator from Latah county. He is engaged in the wheat business with his father-in-law, John Randall. This is Mr. Moore's first political venture, but he has had wide experience in governmental positions. During the recent war he was with the War Relocation Authority as assistant supervisor for 11 western states. He was connected with the Authority for three years, returning to Latah county to start farming in April of 1945.

Mr. Moore was a member of the University of Idaho faculty for six years in the school of business administration, and served on several labor arbitration boards before the war. He also helped organize the student cooperatives on the Idaho campus, and at present is Latah county chairman of the Washington-Idaho Wheat Growers. He left Wednesday for Lewiston to attend the Wheat League convention.

Stanley Rosenau at Ft. Lewis Starts His Basic Training Stanley Rosenau, son of Mr. and Mrs. Gus Rosenau, Sr., who recently enlisted in the army air corps is now stationed at North Fort Lewis, and was scheduled to start basic training October 28. He was sworn into the army October 1, and spent 17 days in the processing lines. At the present time he is with an engineering training detachment. He writes that there are a number of American-born Japanese boys in his company, and further, they are good soldiers. Stanley intimated that he might be home for Christmas but made necessary allowances for army procedure.

His address is: Pvt. Stanley D. Rosenau, Co. D, 1 ETB Bn., ETC, North Fort Lewis, Wash.

Genesee Takes Asotin In Spectacular Game

Asotin and Genesee high school football teams, drowned out in their game at Genesee last Friday, met Monday afternoon in one of the most interesting tussels of the season. It was a fairly even game, with the Genesee Bulldogs picking up 12 first downs to 9 for Asotin. The field was wet and soggy, with the boys playing on a layer of sawdust placed on the lake portion of the gridiron. In spite of adverse conditions both of the teams made their best gains on spectacular plays. Asotin excelled in the forward passing department and running from a T-formation the visitors would have been a greater threat on a dry, fast field. Asotin boys handled the ball fine in the backfield. Genesee, however, stole the show on triple reverses, somewhat difficult to stifle on a wet and slippery field, but they worked for one touchdown and took Genesee to within three yards of another.

The final score, Asotin 7, Genesee 12. Coach Devlin, hoping to give a number of players a chance to get into the game was forced to keep in his regulars. Those in the starting lineup were Sackett, Moser, Johnson and Bennett in the backfield; Peterson and Schwenne, ends; Heimgartner and Carburn, tackles; Zenger and Emerson, guards, and Lee center. Substitutions were Cameron for Schwenne, Haggard for Carburn.

Asotin overtook one forward pass that traveled fifty yards in the air and Bennett in the backfield. Peterson and Schwenne, ends; Heimgartner and Carburn, tackles; Zenger and Emerson, guards, and Lee center. Substitutions were Cameron for Schwenne, Haggard for Carburn.

### Bananas Incorporated

Mr. and Mrs. Wm. Mervyn, who recently purchased a home in Lewiston have taken up their residence there. The younger Bill Mervyn will farm the ranch here but for the present is traveling to and from Lewiston.

Exodus to Banana Belt: Besides the Mervyn family Mr. and Mrs. Fred Morscheck and Mr. and Mrs. Ernest Becker plan to spend the winter in Lewiston. George Carburn, member of Bananas, Incorporated, who was in Genesee Monday, and Tom Ingle, a visitor here on the same day, have announced a new firm member, that of Bill Mervyn, and expect to soon sign up Becker and Morscheck. Present members of the firm, Bananas, Inc., Tom Ingle, Lew Jain, Joe McLaughlin, George Carburn and the working member, Colin Wilson, have agreed on the enlarged partnership. Carburn said he was worn to a frazzle sharpening pencils for Colin, a job that will fall to Mervyn. Besides bananas they are promoting the new Clearwater bridge and the Lolo Pass highway, and they may join Mitch Grostein in his much-talked about Main street underground viaduct.

America chose bureaucracy instead of inflation and now has both.

### Both Political Parties Check Ballots at Election Nov. 5

Continued from Page One  
The count. The count is secret until the polls are closed. After the polls are closed and both boards are counting, the count is then open to the public (33-1101).

Either party may designate an official checker, who shall be allowed to watch the count. The checker is sworn to secrecy in the same manner as a member of the counting board.

Counting of Ballots  
In the counting of ballots, it is the duty of the board to get the intention of the voter and to count the ballot as the voter intended.

A voter may vote in two manners:  
1. By putting an "X" opposite the name of each person he wishes to vote for.

2. By putting an "X" in the large circle under the name of the party he wishes to vote for.

If he places an "X" in the circle at the head of the ticket, he votes for every person in that column, with two exceptions:

1. He does not vote for those whom he has crossed out by drawing a line through the name.

2. He does not vote for those whose names are opposite the name of a candidate on another ticket where he has placed an individual "X" mark; the law providing:

"Provided, that if he has placed a cross in the large circle at the head of the ticket, his cross opposite the name of the candidate on any other ticket must be counted for said candidate." (Section 33-804, I.C.A.)

When an elector has placed a cross opposite the name of a candidate on the Republican ticket and another cross opposite the name of a candidate for the same office on the Democratic ticket, his intention under the "Democratic Ticket" would be a vote for George Brocke, but neither Hampton nor Mills would receive any vote, because it could not be ascertained from the ballot what intention the voter had as to voting for Hampton or Mills. In such circumstances, in order for either Hampton or Mills to receive a vote, the voter must have indicated his preference in some manner.

If a name is written into the ballot, it is to be counted whether there is a cross opposite it or not. The intent of the voter is clear.

Counting of Ballots  
In the counting of ballots, each ballot counted may be examined by two persons of opposite political faith. The judges examining the ballot and calling the names voted for must not have any pencils in their hands. One ballot should be counted at a time. Ballots should be stacked.

Each ballot should be taken from the ballot box unfolded, counted, and placed on a string or into another ballot box before another ballot is counted. The counting clerks should be so placed that they can compare their ballot only visually, so that the judges may hear the comparison.

The agreement for checkers at the polls was signed by Jack McQuade, chairman Republican Central Committee, and J. H. Neil, chairman, Democratic Central Committee.

Druffel for Commissioner  
William "Bill" Druffel, Colton, actively campaigning for county commissioner over in Whitman county, was in Genesee one afternoon recently to spend his annual vacation.

Bill had no trouble winning the nomination on the republican ticket, and he should be confident of success on November 5.

### Dewey Dresher Here on Visit

Dewey Dresher, a former Coast Guardsman, who has been living at Salinas, Kans., came Monday to visit until Wednesday with relatives. Mr. and Mrs. Dresher and 18-month-old daughter, who went to Kansas after Dewey was discharged, plan to move to Yakima, Wash. For a short time after leaving the service Dewey was employed on a housing project on the west coast, and in Kansas he was employed on a civil service job with the War Assets corporation, his

work being that of a shipping clerk. The family were near the parents weather of Kansas. He will move his family to Yakima soon.

## Friendship—Three Thousand Miles Apart

Ever play chess? It's a great game! One of the strongest friendships I know of started with a game of chess—between Dad Hoskins, in our town, and a man named Dalton Barnes, in England.

They've never seen each other, never met. But for the past eight years they've been playing chess by mail together—Dad puzzling over Dalton's latest letter, while he sends a chart of his next move to England.

Dad always thinks best with a mellow glass of beer beside his

## NOTHING REPLACES EXPERIENCE

J. H. NEIL HAS:

- 1. Served three terms in the Idaho Legislature from Benewah County.
- 2. Served one term in the Idaho State Legislature from Latah County.
- 3. Served on numerous Idaho Legislative committees.
- 4. Knows the behind-scenes legislative procedure necessary to accomplish results.

Without experience in and knowledge of the legislative procedure which takes place behind-scenes and outside of public sessions, a legislator accomplishes nothing.

## J. H. "Jim" NEIL FOR STATE SENATOR

Latah County has but One Senator. Be sure he can accomplish the most in obtaining:

- 1. Improved farm to market and secondary roads within Latah County.
- 2. Adequate appropriations and consideration for the University of Idaho.

## ABE MCGREGOR

# GOFF

For CONGRESSMAN

It's time for a CHANGE in our national government. It's time to elect new men who have the youth, the vigor and ability to restore America to its former productive capacity.

We need men like Abe Goff to bring us out of the hopeless condition the country is in today.

A vote for Abe Goff is a vote for good sound government run in a business like way—a government in which you and all other citizens can once again have faith.

### Neil on Campaign Trip

J. H. Neil, democratic candidate for state senator from Latah county, was in Genesee Tuesday afternoon and was accompanied by Mrs. Neil. They reside at Moscow and Mr. Neil is also chairman of the democratic central committee for Latah county. Reason for checkers at the polls, he explained is no reason for reflection on counting boards named for general election November 5, but it is hoped that a clear interpretation of every voter's intention will be clear.

Checkers at Latah county election polls is something new, but it is understood that they are permitted, not to influence or check how a voter may have signified preference for a candidate, but principally to check on ballots where electors, voting a party-ticket crosses over to vote for a candidate in another column. No one is permitted to know how an individual makes his choice of candidates.

### St. Joseph's School News

This is our first appearance for the school year, so we will say, "hello everybody." These six weeks of school have fairly flown by, and we are all back in the real school spirit. We have an enrollment of 72.

The faculty and all of the pupils wish to extend their heartfelt thanks to all who helped make our annual school luncheon a success. Thank you, everyone.

Thirteen little beginners made their appearance in the primary room on September 9. They don't feel like beginners any more. They have mastered the use of all their primary implements such as scissors, crayons, etc. We even heard them boast they had finished one book already, "We Look and See."

Flowers are growing in the primary room. Every pupil of the first, second and third grades owns part of a blackboard border. Every time they have a perfect lesson the flowers start petalling on their ground. Such enthusiasm for flowers and gardening has never been heard of before. Seems they are preparing space to grow pumpkins, corn, etc. for Thanksgiving.

The second and third graders are studying the poems of Robert Louis Stevenson.

The intermediate grades can boast 22 members. A mighty whirr-r is heard from that room every morning.

"Received a letter from home today and they said they had rain. Good old fall weather. The sun shines almost every day here in California. Camp McQuade is on the ocean and we do have fog. I can look out the barracks window and see the ocean.

"Pete, you know Henry Swenne. He and his brother live in Watsonville. Well, I've been going down to visit them about every week end. They are sure grand to me. A couple of weeks ago they came out to camp and got me and we went to Palo Alto to see Stanford play San Francisco. It sure was a good game and I am grateful to them. It's so nice to get off week ends and have a place to go.

"Got a letter from Bill Bush on Wednesday. He is stationed at Hamilton Field, San Francisco. I think I will go up and see him next week end.

Well, I guess I'll sign off. If you see the folks give them my best regards and the same to everyone. I hope to be home in January. Before I forget, Pete, thanks to you and the American Legion for sending me the paper. I sure don't miss a thing in it. —Vern.

# "It's PROHIBITION IF INITIATIVES PASS"

## Prohibition WON'T WORK!

It is but wishful thinking to suppose that, in these days, one area can be "dry" when adjacent areas are "wet."

## Prohibition WON'T . . .

- stop drinking!
- make people more sober!
- promote temperance!

## Prohibition WILL . . .

- bring back bootleggers!
- cause disrespect for all laws!
- increase crime and immorality!

## —says the ACF!

ALTHOUGH they originally professed otherwise, the sponsors of initiative measures on next Tuesday's ballot have come forth and publicly admitted that what they want is COMPLETE prohibition in Idaho! Here's what Rev. A. R. Fike, field director for the Allied Civic Forces, said at Orofino on October 9th:

"Prohibition will come back to Idaho if initiative measures sponsored by the Allied Civic Forces pass."

So, it is obvious that the sponsors of "Blue Law" initiatives don't want "local option" or "sobriety." Instead they want COMPLETE PROHIBITION!

## We Don't Need New Laws! All We Need Is Enforcement of Existing Laws!

Every citizen of Idaho Interested in Promoting Temperance by Practical, Workable Means Will Vote to

# REJECT "BLUE LAW" INITIATIVES

Old Man Winter is getting on the job a little early this year, bringing a snow storm Tuesday. Bird hunters started their fireworks Saturday when the season opened. Birds do not seem to be as plentiful as usual. Highway crossing have been taking off some blind corners which should help the wreck situation. If you haven't registered, you only have a short time. Next Tuesday Americans will have another chance to use their birthright and vote for a continuation of the present in or vote for a new deal without the alphabet attached. The OPA is trying to sing a lullaby again like they did two years ago. If they really mean to go out of business, why hang on to four items, just to keep going until after election when they will crack down again like they did two years ago. ### GENESSEE TAKES ASOTIN IN SPECTACULAR GAME

Continued from Page One  
Lee and Emerson handling the runner down. An end run netted Asotin 25 yards.

Asotin, on the Genesee 3 yard line, made 3 yards into the line and then went over for the touchdown. A place kick was good for the extra point.

Bennett received for Genesee on the 20 and ran back to the 40 yard line. A long pass from Sackett was intercepted by Asotin and the runner as hauled down on the Genesee 23 yard line.

Asotin was stopped by Heimgartner trying its right end Asotin was driving hard, picking up another 4 yards on the half ended.

Second Half  
Genesee received to open the second half, with Peterson taking the kickoff and coming clear back to the Genesee 45 yard line.

Genesee failed to pick up sufficient yards on two plays and Bennett punted to the Asotin 10 yard line, with Peterson down to prevent a return.

Asotin uncorked a nice play from their T-formation, ending in a forward pass but it went incomplete. Peterson threw an Asotin runner for a 7 yard loss. A left end run by Asotin gave the visitors 15 yards before Heimgartner and Peterson were in to make the stop.

Asotin tried their right end again and Peterson and Johnson nailed the ball packer for a 5 yard loss. A lateral and a forward pass was good for 7 yards, with Lee and Sackett in for

the tackle. A pass from the Asotin 30 yard line to the Genesee 20 yard line was a beauty, and good for a touchdown but Asotin was offside. A pass was intercepted by Bennett but in lateralizing to Johnson the ball was fumbled, with Asotin recovering. Asotin hit left tackle for 3 yards with Caruhn and Lee stopping. On the next play Schwenne stopped the play cold. A pass was knocked down. Asotin elected to run with the ball on fourth down but Schwenne, Lee and Heimgartner were in the way.

Genesee unloosed Bennett on a triple reverse on the Genesee 40 yard line and after the run the Bulldog ball packer was on the Asotin 35 yard line. Moser repeated on the same play and intercepted for 8 yards. Sackett bounded over the line for 3 yards and a first down.

Bennett was cut loose on another reverse and raced 15 yards for a touchdown. Moser's kick for the extra point was low.

Heimgartner kicked to the Asotin 20 yard line, with the return being up to the 30 yard line. Asotin hit the line for a scant 2 yards. A passer faded back 20 yards and was nabbed after grounding the ball. Moser went up to intercept an Asotin pass on the 30 yard line and moved forward to the Asotin 25 yard line.

Sackett hit the line for a yard. Moser dove hard and started off right tackle for 4 yards. Bennett on a reverse gained 3 yards and Moser missed a first down by a foot.

Asotin could not dent the Bulldog line but picked up 11 yards around right end with Sackett making the stop.

Asotin made no gain around right end with Heimgartner being in the way. Two line plays were good for 4 yards and then Asotin kicked to Sackett on the Genesee 35 yard line, a triple reverse. Johnson hit the line 3 times for a total of 9 yards and Moser went off left tackle for 3 yards.

Moser made 8 yards around right end and Bennett was into the Asotin line for a yard as the game ended.

### Congressional Candidate Hit By State Legion Chief

Pete Leguineche, democratic candidate for second district congressman, was assailed October 29 as "an exceptional menace in this election" by William F. Galloway, Boise, Idaho department commander, at the Fifth District American Legion convention at Twin Falls, according to news releases.

"If this young flag-waving non-veteran is elected to congress in the second Idaho district, communism will have struck a real blow in the state," Galloway charged.

### Governor Takes Exceptions

Governor Arnold Williams took exceptions to the Galloway address, declaring that the Legion, a non-partisan organization was taking sides politically. However, Galloway, is believed to be a member of the same party as Leguineche.

### Jerome Speech Hot

Jerome, Idaho, Oct. 29.—William F. Galloway, Boise, Idaho state commander of the American Legion, addressing a Fourth District meeting of the Legion here, called upon Legionnaires to defeat Democratic congressional candidate Pete Leguineche in the Nov. 5 general election. While he did not mention Leguineche by name, he left no doubt as to his identity. He described him in part as "a non-veteran who has attempted to jump on the veterans' band wagon—a candidate for the U. S. House of Representatives who is supported by a communist-controlled labor group."

Admitting his speech constituted a precedent in Legion history, the state commander declared "we deem it necessary to go to this extreme of opposing an individual who does not alter in order to carry forward our unrelenting battle against Communism."

Galloway said, incidentally, that the speech, given for the first time the night of October 26 at Meridian and now much discussed over the state, had been approved in advance of its delivery by the Legion's state Americanism commission and by the Legion's state board of publications.

The commander charged bluntly that Leguineche, a 30-year-old Boise non-veteran, was being supported in his Idaho campaign by Political Action Committee of the C. I. O.

"And I wish to remind Legionnaires in all parts of Idaho that dispatches from Moscow Radio, speaking in English, according to wire service has urged U. S. voters to cast their ballots for these P.A.C. C.I.O. candidates," declared Galloway.

"So here we have, in Idaho, a direct tieup between the Communist party and a candidate for one of the highest political offices."

"Furthermore, Stalin's commentator, Ossipov, says, 'it is not accidental that the C.I.O. Political Action Committee supports progressive candidates in the elections, whatever their party affiliations; and he goes on to say that this had started with the Madison Square Garden meeting addressed by Henry Wallace, ousted Secretary of Commerce, and he further said he believed that if the interval remaining until Nov. 5 were

utilized to the maximum progressive groups 'will undoubtedly be able substantially to influence the final outcome of the election'."

Galloway stressed: "In the face of this kind of interference in our domestic affairs, the American Legion takes the opposite stand and is ready to argue its right to do so with Stalin himself."

Continuing he said: "The question of entering into partisan politics in this election campaign has been thoroughly considered. We have arrived at the conclusion that we deem it necessary to go to this extreme to opposing the candidacy of a Communist supported candidate. It would be ridiculous to assume that we are precluded from carrying a fight of tremendous importance such as this to the furthest possible extent by a rule of political etiquette."

"The Legion opposes Communists just the same as Russia supports them. The only difference is that we confine our activity to our country and do not attempt to interfere in politics in Russia. They do interfere in our politics by the aid of their support of C.I.O.-P.A.C. candidates, and they even go to the extreme of trying to tell the Legion that we cannot try to combat them when they are meddling in our political affairs."

"This situation exists in Idaho today, and I am of the firm belief that Communism threatens to strike a real blow in this election in the contest for the U. S. House of Representatives."

In grave tones, the Legion commander continued: "The fact this C.I.O.-P.A.C. supported candidate is running on my own party's ticket does not alter my sense of duty. Eliminating this menace is far more important to America than the success of one political party or the other. I observed with my own eyes the persons whom a C.I.O.-P.A.C. employee contacted on a recent visit in Idaho; further, this young non-veteran running for congress has taken no stand on any issue which does not coincide with the stand that any P.A.C. and communist supported candidate."

Again mentioning no names but making a healthy verbal punch at Sen. Glen Taylor, Galloway charged: "This candidate is a very close pal of the leading P.A.C. supporter. The type of ball this young non-veteran plays in evidenced by the deception he practiced in advertisements, which gave people the impression everywhere that he was a veteran; it is further evidenced by his attitude of concealment toward Russia which is conclusively indicated by his refusal to explain his stand on the Henry Wallace incident after his principal pal here in Idaho attempted to defend Wallace."

"Also, we want it understood that the welfare of veterans does not depend upon the election of this youthful flag-waving non-veteran. He has never contributed any work on behalf of either servicemen or veterans, so this sudden urge simply evidences the degree of deception he practices. This also is a device used commonly by fellow-travelers."

"It is easy to see that the mere fact he is the fair-haired boy of C.I.O.-P.A.C. is not the only indication that he will help to their red, blood-stained, strife-ridden line."

"It is true that communism is not widespread in Idaho—it is just trying to get foothold. This youthful non-veteran is an exceptional menace in this election. Both the Democratic and Republican parties present fine loyal candidates. Certainly, for example, neither candidate for governor is subject to this criticism."

"This is a battle of principle and not of personalities—but when a person appears in our path such as this candidate for congress, he must be defeated quickly and surely, never to rise again. It is imperative that we act now, lest this evil become firmly

entrenched. You and I know that the some of us, and bread and water for communistic basic plan includes the rest.

# Reasons to REJECT

## the "BLUE LAW" Initiatives

They are sponsored by professional prohibitionists whose main objective is to make others conform to their own ideas of proper morals and conduct. The very titles of the initiatives are misleading—instead of providing for "local option" they cleverly attempt to bring PROHIBITION by a minority—and instead of promoting "sobriety" they MAY bring complete prohibition to Idaho and, along with it, all the racketeering and lawlessness that goes with BOOTLEGGING. Above all, these—

### LOCAL OPTION WON'T WORK!

BECAUSE—it is wishful thinking to believe that a county will remain dry when adjoining counties are wet.  
BECAUSE—it will not stop drinking.  
BECAUSE—it will create racketeering.  
BECAUSE—it breeds disrespect for law.  
BECAUSE YOU CAN'T—  
—change people by law.  
—legislate honesty.  
—legislate kindness.  
—legislate temperance.

### "Blue Law" Initiatives Are UN-American

For that reason alone the Initiative Measures deserve to be defeated. Their UN-American aspects are many but just consider these four provisions:

1. Petitions Replace Elections  
A county could be made dry by PETITION ONLY. You'd not have a chance to vote on the matter.
2. Prohibition By Minority Rule  
A county could be made dry with a petition signed by only enough persons to equal 55% of the vote cast for Secretary of State. A handful of people could dry up a county irrespective of the wishes of the rest of the residents.

### SOBRIETY ACT MISLEADING!

Intended by its proponents to "promote sobriety":  
ACTUALLY—it won't stop drinking.  
ACTUALLY—it can't stop national advertising of alcoholic beverages.  
ACTUALLY—it discriminates against local industries, newspapers, radio stations, billboard companies.  
ACTUALLY—it may bring total prohibition.  
ACTUALLY—it promotes all the evils of prohibition . . . racketeering, disrespect for law, loss of tax and other income.

### 3. Defendant Guilty Until Proven Innocent

Despite a fundamental principle, under the proposed "Blue Laws" the person filing a charge would not have to prove his charges but the one accused would have to prove he had not violated the law.

### 4. A Person Can Be Forced To Incriminate Himself

A primary American legal concept is that no person need testify if, by so doing, he incriminates himself. "Blue Law" Initiatives would force a person to testify regardless of what the consequences to himself might be.

# IDAHO is a Great State with a Great Future

## Don't Hamper It with the Stigma of Being a "Blue Law" State!

## IDAHO WILL GO BACKWARD UNLESS "BLUE LAW" INITIATIVES ARE REJECTED!

On the November ballot are three "Blue Law" initiatives sponsored by professional prohibitionists. If adopted by the voters, these initiatives would bring creeping prohibition to Idaho, and would label us a "Blue Law" state. Many tourists—as well as people and businesses looking for new locations—purposely shun states and communities with "blue laws."

### Idaho Taxes Will Increase!

Furthermore, if liquor is driven under cover, the state would lose millions of dollars in revenue which it now derives from the sale and tax of liquor. This would drive other taxes up, and be a factor in holding back new business enterprises in the state.

Otto Johnson Passes Away Lived at Genesee Years Ago

Lewiston Tribune: Otto Julius Johnson, 72, resident of central Idaho for the last 62 years, including eight years in Lewiston, died at 12:26 a. m. Saturday, Oct. 26, at his home at 310 17th Street.

The son of Mr. and Mrs. Casper Johnson, he was born at Baldwin, Wis., Jan. 5, 1874. With his parents he came to Idaho when he was four years old and located at Genesee, residing there until grown. He was engaged in farming with his father. In 1907 he moved to Grangeville and there married Miss Victoria Goss, later moving to Nespelem, Wash., because of ill health. Mr. Johnson retired and took up his home in Lewiston. He attended the University of Idaho and was a member of the old Idaho National Guard.

He is survived by his wife and five children: Mrs. Stella Inghram and Mrs. Nona Thompson, both of Lewiston; Mrs. Lenore Newell and Elmer Johnson, both of Spokane; Arthur Johnson, Bend, Ore.; and by four brothers and four sisters: Mrs. Anna Longsteig, Lewiston; Charles Johnson, and Mrs. Florence Martin, both of San Francisco; Mrs. Belle Asker, Grangeville; Ben Bekdahl and Andrew Bekdahl and Mrs. Alvina King, all of Camas, Wash., and Jack Bekdahl, Portland, also 11 grandchildren and three great grandchildren.

Funeral services were conducted Monday at Lewiston, with interment in Normal Hill cemetery.

Genesee Wins Finale Lapwai The Loser 6-2

Genesee high school Bulldogs hung up their moosekins for the season last Friday evening after defeating the Lapwai Indians 6-2 on the Genesee grounds. In this, the final game of the season, the Bulldogs, out-weighted in the end and slow to get their plays under way on the soggy field, used a bit of strategy which kept the Lapwai Indians from getting the Bulldogs throughout the season. Outwitting the Indians by sending Bennett, Genesee left end, out on a sleeper, Sackett's forward pass was caught by Bennett with the latter going 38 yards after taking the 22-yard pass to score standing up. Bennett was close to being apprehended two times and almost dislocated a hip as he swiveled east along the north side line to score the Bulldog's lone touchdown which came in the third quarter.

Lapwai scored a safety on Genesee on the second series of plays when the Indians punted. Sackett in the safety spot, however, did not then failed to run it out of the end zone. The Indians threatened to score on two other occasions during the 10 yard line and once they were down to the Genesee 4 yard line.

Penalties were stiff for both teams and the game was rather rough at times. Both teams received penalties for unnecessary roughness.

Couch Devlin was the author of substitutes for Friday's game, and although the ground was wet and soggy minor injuries to players were numerous.

Lapwai won the toss and elected to receive with Emerson breaking the west goal. Snow almost blinded the players during a part of the engagement. Heimgartner's kick went to the Lapwai 20 yard line and Heimgartner, the 40 yard line. Lapwai faked a sweep but went into the line for 7 yards. They repeated the line drive, with Schwenne and Johnson finally making the stop. Schwenne's line was the way and became a "crimson tide."

Lapwai hit the line for 6 and 3 yards and on a reverse drove 3 yards for a second first down. Heimgartner, Zenger and Semmes closed the openings.

Lapwai hit the line for 2 yards and then picked up 10 yards around right end. Carburn was in to stop both teams.

Lapwai was stopped by Heimgartner after a gain of 3 yards. A reverse lost 2 yards, with Emerson breaking the line to make the kick. The line drive was good for 2 yards but Lapwai was penalized 15 yards for roughness. The pass was intercepted and a second pass on fourth down was batted down by Bennett.

Genesee took over on downs on its 35 yard line. Moser made a yard before slipping and Sackett was unable to pick up momentum. Bennett then came around right end on a beautiful run for 23 yards.

Moser on a reverse gained 3 yards. He tried again off left tackle and made a yard. Genesee's backfield was in motion and lost five yards on the penalty. Moser made yards into the line and Sackett passed 15 yards to Bennett for a first down.

Genesee lost 3 yards on a reverse. Sackett hit the line for yards. Moser lost 4 yards and Schwenne on an end-around lost 4 yards.

Lapwai took over on its own 33 yard line as the quarter ended. The Indians picked up 16 yards on three line plays, with Emerson and Moser making the stops.

Lapwai made 7 yards into the line with Heimgartner hauling the run and Lapwai run and tossed the Indians for a 3 yard loss. Lapwai made it a first down on a 11 yard drive into the middle of the Genesee line.

Lapwai hit the line for yards. There was a bit of unnecessary roughness and Genesee drew a 15 yard penalty. Lapwai was stopped by Zenger after a 2 yard gain. Lapwai's backfield was in motion for a penalty of 5 yards. The Indians hit the line for 3 yards with Zenger again making the tackle. A pass was encountered and Genesee took over on downs.

Moser for Genesee was good for 7 yards around left end. Sackett made.

Phyllis Grieser Bride Of League Ball Player

Dr. C. A. Robins

The wedding of Miss Phyllis Grieser, daughter of Mr. and Mrs. Martin Grieser, and Mr. Elwood Curtis of Bremerton, was celebrated Tuesday morning at 9 o'clock at St. Stanislaus Catholic church in Lewiston with the Rev. Fr. John Conannon officiating at the single ring ceremony. The church was decorated with pink and white chrysanthemums and candelabra with lighted candles.

As the wedding march was played the ushers, Kenneth Grieser, brother of the bride, and George M. Johnson, were followed to the altar by the two bridesmaids, Miss Joyce Grieser, a sister of the bride, and Miss Stoddard of Lewiston; the little flower girl, Crystal Esser, cousin of the bride; the maid of honor, Miss Shirley Grieser, sister of the bride, and then the bride. The groom and his best man, Richard Broemling, awaited the bride at the altar. Carrying the mass Miss Mae Betty Pierson sang "Ave Maria." "Oh Lord I Am Not Alone" and "On This Day, O Beautiful Mother."

The bride was beautifully gowned in a blue and white tulle and net and finger ring veil. She carried a shower bouquet of pink roses and white chrysanthemums. The bride's attendants wore pink and white, yellow, and Miss Joy Goddard, blue. Each wore a matching net head-dress and carried colonial bouquets. Crystal Esser wore a white tulle dress also carried a colonial bouquet.

The bride's mother wore a navy blue and white dress trimmed with dusty rose, with navy blue and dusty rose accessories. Her corsage was white and navy blue. Following the ceremony a reception was held at the Spalding Hall in Lewiston. Normal which was attended by the bride and groom and friends. Entertainment was provided by Miss Pierson, who sang several songs. The bride was accompanied by Miss Shirley Grieser.

At 1:30 a wedding dinner was served at the Spalding Hall. The bride and groom were seated at the head of the table. The bride's mother, Mrs. Clarence Esser, Camas, Wash., and Mr. Richard Broemling, Miss Maxine Kamibitsch, Mrs. Henry Mengelkamp, Crystal Pierson, and Mr. Curtis left for a wedding trip to Canada and on their return will be at home in Lewiston.

The bride graduated with the class of 1944 from Genesee high school and is now training as a nurse at St. Joseph's hospital in Lewiston where she will graduate next year. The young people met while in the Genesee high school. The groom, Blue Jackets, professional baseball club, was training in Lewiston Tuesday evening to secure Saturday to rejoin the Bremerton club for the 1947 season.

Nez Perce Democratic One of Few in State

Nez Perce county, voting almost like the "deep south" turned in exceptionally good majorities for all democratic candidates. White received approximately 1,000 votes over Goff, his republican opponent, and several other business houses initiated Dworshak. The vote for governor was somewhat closer, with the republican receiving vote to within some 600 votes of the democrat.

Unofficial returns were: U. S. Senator—Donart 4,011, Dworshak 3,422, Congress—White 4,356, Goff 3,350, Governor—Williams 3,945, Robins 3,330, Lt. Governor—Stamm 2,951, Sullivan 3,993, head 3,154, Secretary of State—Masters 4,271, Price 2,795, State Auditor—Pierstoff 4,533, State Treasurer—Moon 4,035, Painter 2,933, Attorney General—Langley 4,044, Alishie 3,003, State Superintendent—Sullivan 3,993, Jones 2,928, Mine Inspector—Campbell 4,212, McDowell 2,789, State Senator—Wall 5,448, Malmgren 2,797, State Representatives—Hechtner 4,439, Schroeder 4,376, Durland 2,593, Diez 2,518, First District—Stamper 3,794, Bitter 3,865, Commissioner Third District—Richardson 4,622, Bartz 4,226, Auditor—Weisgerber 4,356, Barr 4,035, Sheriff—Hayes, 4,836, Mulalley 2,450, Probate Judge—Roise 4,276, Fuver 3,451, Supt. of Public Works—Kies 3,816, Bullfinch 3,628, Prosecuting Attorney—Morgan 4,952, Assessor—Parrott 5,376, Steffen 3,400, Coroner—Hansen 9,340, Malcomson 3,340, Treasurer—Pierstoff 4,533, Stacy 2,619.

None of the initiatives received a favorable vote in Nez Perce county.

Lloyd Wilson and daughter, Phyllis, were Spokane visitors last Thursday. While there Mr. Wilson attended the Hereford cattle sale.

Mr. and Mrs. C. M. Enger of Colfax visited Sunday with their daughter, Mrs. Elvon Hampton and family.

Republicans Victorious Win in State And Nation

Republicans, pretty much out of the picture since 1932, surged back into power after Tuesday's overwhelming repudiation of New Deal politics. Early election reports Tuesday showed huge gains in the New England states, and the swing to the republican party became more pronounced as returns came in from New York and Pennsylvania. With the difference in time, western states considered somewhat doubtful followed the trend in the east. It was an unhappy day for the democrats, somewhat similar to the cheerless presidential election years for the republicans since 1932. Many believe that a change naturally would result after a major war. It also may be said that most people were worn out with government regulations, a reluctance to terminate the war, refusal of the administration to become an equitable administrator and an apparent incompetency in many of the government branches. The OPA, with its constant changes and the unfair United States rationing, were other reasons for turning down the democratic candidates nationally. The somewhat bitter dissension among democratic political leaders and inability of President Truman as a leader were not conducive to a democratic victory.

Some of the big war contractors with incumbent congressmen and senators were not so sure of their own relations some present legislators have with the Political Action Committee and the United States. Some of the critical materials, plus the uneven price rises granted disturbed the business leaders. A widespread road block before every democratic candidate.

Next congress, to convene in January will be controlled by the republicans and numerous states have elected republican governors. The United States has turned out anything resembling a dictatorial government, and the majority of republicans are in control. The republicans are in control of the government, and the majority of republicans are in control of the government.

Other results were as follows: U. S. Senator—Dworshak 3,454, Donart 2,157, Congressman—Goff 3,658, White 2,126, Governor—Robins 3,945, Williams 3,330, Lt. Governor—Whitehead 3,623, Summerfield 1,955, Secretary of State—Pierstoff 4,533, State Auditor—Nielsen 3,303, Hansen 2,149, State Treasurer—Painter, 3,339, Moon 2,175, Attorney General—Alishie 3,174, Langley 2,306, Superintendent of Public Instruction—Jones 2,928, Assessor—Babcock 2,950, Mine Inspector—McDowell 3,098, Campbell 2,789, State Senator—Wall 5,448, Neal 2,622, State Representatives—Hampton 3,176, Mills 3,644, Brocke 3,981, Commissioner First District—Strong 3,427, Lindley 2,130, Commissioner Second District—Hoidal 3,338, Oregon Act failed by a vote of 215 to 59, and the Sobriety Act failed by a vote of 204 to 69.

Who Gets Off Easiest—Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Misus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows way deep down that the Misus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

### GENESEE VALLEY NEWS

November came in with a snow-storm which melted the next day and the weather has been milder since. The election is over and the best men won, we hope, and God bless them. There will probably be some much needed changes made but we must not expect the impossible. Changes will have to come gradually and be permanent improvements, so time, patience and cooperation must be practiced by all of us. The best feature of the election is the fact that the spirit of independence and justice has not died out in spite of all the regimentation we have had, and Americans still believe in the four freedoms for which our government was founded.

The Valley women are putting the finishing touches on articles for the bazaar which starts at the Parish hall this Friday evening at 7:30. A lunch will be served after the sale.

Mr. and Mrs. Bob Gotch of Elk River spent Sunday at the Joe Anderson home.

Mr. and Mrs. Leon Danielson and family were supper guests of Mr. and Mrs. Florry Harrington Wednesday evening.

Gordon Westberg, Ray Wedin and party from California returned home Monday evening from Headquarters after a 25-day hunting trip. For 20 of the 25 days it rained. They brought out five elk, 2 deer and a mountain goat. They killed two more deer but the coyotes ate them before the rain let up enough for them to go back for them.

Sam Lange and Art Tegland attended the Shorthorn sale in Spokane last Thursday.

Mr. and Mrs. Oscar Hosied had dinner at Victor Danielson's Wednesday evening.

Gregory Linehan is ill with the chicken pox.

Mrs. Marie Leonard, nurse at Sacred Heart hospital in Spokane, spent the week end with her brother, John Eikum, and family with her mother, Mrs. Marie Eikum in Lewiston.

Mr. and Mrs. Leon Danielson visited at J. P. Anderson's Sunday afternoon.

Elmo Larson returned home last Thursday evening from his trip to Wisconsin and Iowa. He stayed overnight with his sister, Myrtle at Missoula Wednesday and drove from there in one day.

Sunday dinner guests of Mr. and Mrs. James Magee were Dr. and Mrs. Leavitt, Dr. and Mrs. V. A. Cherrington of Moscow, Mrs. Lew Jain and Mrs. Phil Schooler.

Mr. and Mrs. Robert Berger and daughter spent Sunday at Howard Berger's in Lewiston.

Mr. and Mrs. Art Hillman and Betty and Mr. and Mrs. Harley Lyons and Douglas, all of Moscow, were supper guests of Mrs. Dollie Peterson Sunday evening.

What few boys have been raised in the Valley have been going to

Mrs. Brodie BALANCES the budget

"You have to be a trained seal to balance a budget these days!" complains Mrs. Brodie.

"Everything costs so much! Take clothing—when you can get it," says Mrs. Brodie, "and look at the price tags! And food—that's simply skyrocketed! Housefurnishings—if you can find a house to furnish—are way up!"

"But not electricity!" says Mrs. Brodie. "No, indeed!" says Mrs. Brodie.

"Electricity has been coming down steadily for years!"

"Electricity," says Mrs. Brodie, "is just about the easiest thing in my budget to balance!"

If you have a budget to balance—and who hasn't?—you'll appreciate that the low cost of electricity is no accident. It took plenty of practical planning and experience on the part of the folks in this company who—like Mrs. Brodie—have budgets to balance, too.

(Don't take Mrs. Brodie's word for the rise in living costs. The U. S. Department of Labor will furnish you the figures, if you're interested.)

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity . . . what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss!

### Diesel Locomotives To Haul Passenger Trains On N. P.

The Northern Pacific railway has completed the first of a series of test runs preliminary to inauguration of transcontinental streamlined passenger service early next summer when an 11-car special train returned to St. Paul after a 3800-mile round trip to Seattle.

The test train was hauled by a 450-horse power diesel locomotive, six of which are being built to power Northern Pacific streamliners.

The trial run was made to enable Northern Pacific to set up for the new train the best schedule which will combine speed with maximum passenger comfort, according to H. E. Stevens, vice president, operating department, who rode the train along with a group of N. P. and General Motors officers and technicians. The locomotives are being built by General Motors. The new train will operate on a schedule of approximately 45 hours between Chicago and the North Pacific coast.

Six of N. P.'s newly delivered lightweight streamlined coaches were operated on the test train along with

other equipment and the smooth riding qualities they displayed even when the train was traveling at high speed is a tribute to modern engineering design and construction, Mr. Stevens said. The train ran 90 miles an hour over numerous stretches, and occasionally exceeded 90. The case with which the big diesel hauled the train over mountain grades without helper service was most gratifying and the test operation as a whole was satisfactory, he said.

### Bounty Fund Exhausted Over 7,000 Coyotes Killed

Funds for payment of coyote and wildcat bounty have been exhausted, R. E. Hoffman, chief clerk of the fish and game department, reports. Bounty of \$3 each has been paid since last April. The fish and game commission set aside \$22,000 for bounty and \$18,000 for hire of predator trappers during winter months. Most of the trappers are now at work in areas where coyotes prey heavily on game.

Approximately 7,000 coyotes and 135 wildcats have been killed for bounty this year.

### Biggest Big Game Season Recorded For Idaho in 1946

Although hunters in most parts of Idaho have hung up their rifles after what is probably the most successful big game season in history of the state, deer are still in season in a couple of districts and one small area has elk on the schedule. Sportsmen who did not get in on the big push that ended November 10 and practiced a record number of hunters to Idaho were reminded by James O. Beck, director of the fish and game department, that deer hunting continues until November 30 in Panhandle counties and in a portion of the primitive area along the Middle Fork of Salmon river in central Idaho.

In Boundary, Bonner, Benewah, Kootenai, and most of Shoshone county the deer season is November 1 to November 30. Snow has fallen over much of the zone. That sort of weather is desired by most men familiar with hunting conditions. The deer are whitetails and are frequently found by tracking through snow in stands of pine.

Latah, Lewis and Nez Perce counties also have deer shooting November 1 to November 30.

In Latah county and a small portion of Clearwater county elk hunting is permitted until the end of November. Mountain goat are in season throughout November in Boundary and Bonner counties. Very few are likely to be shot, according to reports at the game department office. A few hunters who have tried it have found the going difficult.

The area of an extended season along Middle Fork of Salmon river extends for five miles on each side from Marble creek to Short creek. Each person getting to the winter game range by plane or pack string by the end of November may take one deer, providing he has not already tagged a deer this year anywhere in Idaho.

Duck hunting until Dec. 9. Duck hunting continues throughout Idaho until December 9.

Number of duck hunters in Idaho is increasing rapidly, the game department reports, on receiving a report from the U. S. Fish and Wildlife Service, that 24,500 duck stamps were sold in the state during the season of 1945-46. That total compares with 26,000 the previous year.

Although figures for the current waterfowl hunt will not be available for some time there are indications in all parts of the state that there are even more duck hunters in 1946 than there were in 1945.

Total throughout the United States last season was 1,725,000, an all-time high. No Time Limit on Game Storage. Big game, upland game birds, and fish legally taken may be kept indefinitely, James O. Beck, director of the Idaho fish and game department advised sportsmen. His statement was in response to numerous requests about storage limits. Since the end of the big game and pheasant seasons in most parts of the state, hunters who collected game have been wondering how long they may possess it in lockers or at home.

There is no time limit, the director said, on any kind of Idaho wildlife except ducks and geese which come under federal jurisdiction and may be kept 90 days after the season ends December 9.

Game animals, such as deer, elk, goat, bear, mountain sheep, and moose can be possessed as long as the hunter desires. The metal tag should be kept with the main portion of the carcass whether at home or in a commercial cold storage locker. The tag limit is one of each of the game animals. A tag backed by the proper license must be with each animal in possession. Game meat may be given away, but sale is prohibited. Sale of game birds and fish is also prohibited in Idaho.

Possession limit for pheasants is three roosters. Limit of trout is 10 pounds and one fish, but not more than 20 fish. Number of ducks that may be kept is 14, two day's big limit. Two geese may be kept. That is a reduction from four last winter.

If fish or game is shipped anywhere by common carrier a permit is required. The permit can be obtained from license vendors or the game department. Personal transfer from one person to another in which no public carrier is involved does not require a permit.

NOTICE OF ELECTION. To the Qualified Electors of Smith Common School District No. 35, Latah County, State of Idaho: Notice is hereby given, that a special election will be held on the 25th day of November, 1946, at the school house in said district for the purpose of voting on the question of whether or not we should sell the school buildings, equipment and supplies.

The polls will be opened at 1 o'clock p. m., and close at 3 o'clock p. m. of said day.

LEON DANIELSON, Clerk of the Board of Trustees of Smith Common School District No. 35, Latah County, State of Idaho.

Dated the 13th day of November, 1946. Nell P. LaFollette, County Superintendent.

### Farmers Pay Off Mortgages Reduction Of Over \$3,000,000

Idaho farmers last year continued to reduce their real estate mortgages, which they have been trimming down every year since 1940. Small increases in farm mortgages were shown in neighboring states of Oregon and Washington but Montana like Idaho, cut its debt down.

The U. S. bureau of agricultural economics estimated the Idaho farm real estate mortgage debt at \$55,224,000 in 1945, and \$52,038,000 in 1946, or a reduction of over three million dollars.

### Electricity works for peanuts!

And if you aren't up on today's expressive slang, *peanuts* means a very small amount of money. Like your electric bill. It really is *peanuts*, isn't it—compared to most other items in your family budget?

While the cost of most things climbed through the years—the price of electric service kept right on going down. Even in wartime, when practically all prices popped up, electricity actually became a few *peanuts* cheaper.

As a matter of fact, the average American family gets twice as much electricity for its money today as it did 20 years ago!

All of this goes to prove an important point. Sound business management—and experienced employees—together have given the American people dependable, low-priced electric service—the best and the most in the world! You'll enjoy that service even more in the electric years ahead.

### Institute Christian Education At U. of I. Seeking Funds

A veteran who learned the significance of Christianity in a New Guinea fox-hole has written one of the most effective endorsements for the Idaho Institute of Christian Education, now conducting its expansion fund appeal throughout the state. A student at Idaho last year who returned here now transferred to a college in the mid-west. In a recent letter to his former instructor at the Institute he said: "It is surprising to me how much I used the Christian knowledge gained in your class. I remember several points especially those ones we talked over before I made my speech (in another class). Those points explaining the social conflicts between Christianity and science were especially helpful. I have been able to use them in talking with other students and it has helped them also. Those points stuck with me well because we talked them over and I had them explained instead of just reading them in a book." This letter and other unsolicited comments from veterans who have taken courses at the Institute have given a growing interest in Christianity, as a product of war-experiences.

Half of the present enrollment at the Idaho Institute is composed of veterans who learned the effectiveness of the Christian church in far corners of the globe. These veterans have proven to be above average in interest, in purposeful study, and in their determination to use Christianity as the basis for building a better world.

In addition to meeting the needs of veterans for courses in Christianity, the institute serves other students whose religious education has not kept pace with their instructions in other fields. According to the Peabody survey, one great lack in the Idaho public schools is training in religious and cultural studies. Inspiring courses to prospective high school teachers, the Institute hopes to meet this need for a more well-rounded public school program.

### Sister Kenny Fund Drive November 18 to December 7

Idaho's share in the third annual appeal of the Sister Elizabeth Kenny Foundation for infantile paralysis is \$40,000, Ted Wegener, state chairman, has announced. The drive begins November 18 and will end December 7, Pearl Harbor Day. Of the money collected in Idaho, one half will remain in the state and the rest sent to the Sister Kenny Foundation in Minneapolis. Checks and money orders should be made payable to the Sister Elizabeth Kenny Foundation and mailed to Floyd West, state treasurer, 524 Idaho Building, Boise. Included in the state directors and community chairmen are Sib Kleffner, Walter Wagstaff, John Booth and Mrs. Ansgar Johnson, all of Boise; Don Brown, Pocatello; Russell Freeman, Idaho Falls; E. W. Roberts, Twin Falls; Edson Deal, Nampa; Ed Rettig, Lewiston; Bill Cooper, Coeur d'Alene, and Mrs. W. B. Haffner, Kellogg.

### Idaho USDA Wage Board Announces End of Program

The Agricultural Wage Stabilization program closed in Idaho pursuant to Executive Order 9801, issued by the president on November 9, according to information released by C. E. Herrington of the Idaho USDA Wage Board. No new applications for adjustments of individual wages will be accepted by the board, however, the board office in Boise will process applications and reports of violations dated previous to November 9.

The close down of operations comes at a time when the 1946 harvest has been completed. The provisions of the regulations remained in effect relative to violations committed prior to November 9.

The board is said to have reduced its administrative staff to three employees, effective November 15. It is expected full liquidation of the remaining employees together with the closing of the Boise office will be accomplished not later than Dec. 31.

### High School Journalists To Publish Monthly Paper

A meeting of the journalism class of Genesee high school was held on Wednesday, a week ago, when interested students not enrolled in the course attended for the purpose of forming a press club whose responsibility it will be to edit and publish an Idaho last year school paper which will appear monthly hereafter. An organization was formed, assignment of positions made, and plans made to produce a school paper second to none. This group is under the sponsorship of Miss Virginia Hansen, community instructor, who will supervise the mechanical aspects of publishing, and Lester Davis, English department, will help plan the contents and make-up of the paper. Since a large group responded to the call for the meeting the sponsors are hopeful of producing a paper which is a credit to the school.

### Health Information File For Public School Students

In cooperation with the Public Health Department of the state, the Genesee schools have worked up and completed a file of health information for each pupil, according to Kenneth F. Dean, superintendent. Information as to immunizations, diseases contracted, general health progress and growth, remedial health work, and information of a like nature has been compiled and has been incorporated as a part of the permanent record of each child in school. This record should be of great value to child and parent in the future.

### Sugar Substitute Sweeter By 4,000 Times Than Sugar

A new sweetening agent, said to be 4,000 times as sweet as sugar and eight times as sweet as saccharin, is a powder-like substance produced in the form of orange crystals. It is already in use as a sugar substitute in Europe where, it is said, the usual practice is to dilute it with lactose to provide a product only 500 times as sweet as sugar. It is now in production in the Netherlands and is covered by European patents. An application has been made for a U. S. patent, according to Prof. Pieter Hendrick DeBelt, University, Holland, who recently discussed the new chemical before the Chicago section of the American Chemical Society. The name of the sweet substance is 1-N-propoxy 2-amino 4-nitrobenzine, which is enough to keep it from being a serious competitor of Idaho beet sugar!

### Few Intoxicants Are Made In Idaho Report Discloses

A glance at the shelves of any Idaho state liquor store discloses few products made in the state. In some stores, particularly those in the northern part of the state, some of the "Garden of Eves" wines, made at Lewiston, are offered, and they are the only all-Idaho intoxicants to be found. "Some of the potato alcohol made at Idaho Falls was shipped to the east, made into gin, and returned here to be sold," Mark Gibson, purveyor of spirits for the Idaho state liquor stores explained. "Even Snake River brandy, formerly sold at state stores was made across the river in Oregon."

### Vocational Guidance

Miss Wilma Hughitt, assistant director of Vocational Guidance for the state of Idaho appeared at a special assembly for juniors and seniors at the high school last week and gave a brief talk on student counselling and vocational choice and planning. A good deal of interest was manifested on the part of students during the lengthy discussion period which followed. Since many of the juniors and seniors are taking the psychology course as part of their academic work in high school many of them had an excellent foundation for an understanding of this material.

When It's Thanksgiving Day By F. Henry

When it's Thanksgiving Day And I am thinking of the things For which I want to pray A prayer of thanks For family and friends And love that never ends, I thank thee, God— For eyes to see

All that is beautiful and free, Like the color in the evening sky And the light in mother's eye When I've been my very best, I thank thee, God— For ears to hear Many things that make me think of God

And feel him near, Like music sweet and clear, And happy laughter sounding in my ear, I thank thee, God— For a mind to think and help me know

Which way, and how, to go, To help me feel as others feel, To help me learn to be a friend to everyone, I thank thee, God— For a body that is strong, That can work and play the whole day long, For feet that romp and jump and run

Because I am always having fun, For hands that work and play Until the end of day, I thank thee, God— For these and everything That makes life glad I'm giving thanks today And every day again.

### First New Post-War Cars on Northern Pacific

Here are two views of Northern Pacific's new stream-lined coaches just put in service on the trans-continental North Coast Limited. The coaches are the first delivery on a large passenger equipment order for the company which includes a fleet of completely new North Coast Limiteds now under construction. The new train scheduled to be put in service early next summer.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. Hall Grounds Improvements Bold Up by Bad Weather Crawler tractors, wheel tractors and the large highway district patrol roared in Genesee Friday and Saturday when improvements of the Genesee ball grounds got under way.

Weather permitting, the work could have been completed Monday. Present plans called for leveling the field this fall preparatory to seeding it to grass next spring. Work also included taking in the land donated by John Krier and working over the east-and-west street north of the old ball park.

This parcel of land is being abandoned as a street, and with the Krier land will afford considerable more space for an athletic field.

Henry Koster, who used his tractor to pull the "mole" last Thursday, returned Friday with his crawler tractor and also a wheel tractor.

Other public spirited residents who assisted Friday and Saturday were Jess Johnson, Estil Carburn, Wilson Esser, John Luedke, Wm. Heinrich and Adrian Nelson. Some drove their own tractors and some furnished pilots. Those driving were Earl Broemeling, Dale Carburn, Charles Herman, Gene Woodruff, Don Woodley, with Ray Johann manning the patrol. Kenneth Dean was the surveyor and was ably assisted by Harry Emerson and C. W. Sisty. Carl Gustafson also assisted.

Saturday was anything but pleasant with a cold wind and at times a bit of snow and sleet, but work went on. During the afternoon the check-board furnished coffee and doughnuts to the workers.

A number of tumbles were in use Friday and Saturday, moving dirt to level the grounds. To look at the grounds in their former state, one would assume that they were fairly level but the surveying instrument showed a three-foot variation. Grading and dirt moving last week reduced the difference to about one foot, which is considered sufficient for good drainage. The grounds will slope to the creek. It was necessary to make a fill of about 18 inches to make the old grandstand, and it may be necessary, to do a bit more grading in the spring to bring the grounds to the desired level.

Athletic teams using the grounds in years to come will certainly appreciate what the surveying instrument accomplished and the improvement remaining to be completed, should furnish the community with a ball park next to none in the Palouse country.

Parents Ruse Child Coming to the United States, Mr. Kleweno gathered interesting information about his family and their decision to migrate with a number of families, who first settled at Bison, Kansas, and later moved to the Endicott area in Washington. It has also been the privilege of the writer to talk with Henry Schmick of Colfax, an intimate friend of Mr. Kleweno, whose family also lived in Russia. Both men came from the same community, and they told of the colonization of a small area along the west bank of the Volga river, not far south of Saratov. When Catherine II, better known as Catherine the Great, ruled Russia, she invited families living in Germany to take land in the area allotted. The husband of Catherine was a Prussian general of high rank, and inducement to colonization was military exemption for 200 years, dating from about the year 1780. The Russian people, however, had also had other ideas. They believed that the German people intended to colonize, being from a well developed agricultural region in the late 1700's would continue farming, and offer encouragement to Russian people in their farming practices. The Russian people along the Volga had farmed in a fashion, but their methods and practices proved inefficient and non-productive. The Russians observed the good farm work of the colonists and their influence on agriculture, but in time, during the reign of Alexander III (1881), immunity from military service was not promising, and some of the German born residents of the Volga area began looking toward the United States. Mr. Kleweno's parents also came from German Volga. Practically all of the families who migrated to the States, first to live in Kansas and later in Washington and Idaho, have remained life-long friends.

John P. Kleweno Dies Interment At Moscow Funeral services for the late John P. Kleweno will be held this afternoon (Friday) at Short's Chapel in Moscow, with interment in the Moscow cemetery. The Rev. Harold Mast, pastor of Our Savior's Lutheran church, Moscow, and the Genesee Valley Lutheran church, will officiate at the final rites.

Mr. Kleweno, a resident of the Genesee community for 23 years, died at the Gritman hospital Monday noon from a heart ailment. A patient at the hospital for a month, he was in failing health for several years, and was critically ill for years.

John P. Kleweno was born on January 30, 1874 near Saratov in the German Volga area of Russia, and came to the United States with his parents at the age of two years. The family first located at Bison, Kansas, and in 1888 moved to Endicott, Kansas. Mr. Kleweno married Mary Green at Endicott in 1897. Her parents also came from Russia. Mr. and Mrs. Kleweno farmed for two years after their marriage at Endicott and then moved to Troy where Mr. Kleweno operated a store for three years and also moved up on a homestead near Clarkia. The store operated was known as the Golden Rule store, and in 1914, after disposing of the business in Troy the family moved to Diamond, Wash. In 1923 the Kleweno family moved to Genesee, Idaho, where they farmed until now. The Don Greenwell ranch, and also purchased the present Kleweno farm in 1925.

Mr. and Mrs. Kleweno continued to operate their farm until the fall of 1945 when they leased it to Fred Magee but continued to live on their place.

Surviving besides the widow of the deceased are two sons and two daughters: Mrs. Florence Miller, Atlanta, Ga.; Walter P. Kleweno, Junco, Alaska; Arthur P. Kleweno, Latah, Wash., and Mrs. Martha Ratkov, Anacortes, Wash. A son, R. E. Kleweno, preceded his father in death during the winter of 1926. Besides the widow and children, there are ten grandchildren surviving, also four brothers and one sister: Adam Kleweno, Renton, Wash.; George Kleweno, Everett, Wash.; John Kleweno, Yakima, Wash.; Christian Kleweno, Cheney, Wash., and Mrs. Mary Green, Spokane.

Parents Ruse Child Coming to the United States, Mr. Kleweno gathered interesting information about his family and their decision to migrate with a number of families, who first settled at Bison, Kansas, and later moved to the Endicott area in Washington. It has also been the privilege of the writer to talk with Henry Schmick of Colfax, an intimate friend of Mr. Kleweno, whose family also lived in Russia. Both men came from the same community, and they told of the colonization of a small area along the west bank of the Volga river, not far south of Saratov. When Catherine II, better known as Catherine the Great, ruled Russia, she invited families living in Germany to take land in the area allotted. The husband of Catherine was a Prussian general of high rank, and inducement to colonization was military exemption for 200 years, dating from about the year 1780. The Russian people, however, had also had other ideas. They believed that the German people intended to colonize, being from a well developed agricultural region in the late 1700's would continue farming, and offer encouragement to Russian people in their farming practices. The Russian people along the Volga had farmed in a fashion, but their methods and practices proved inefficient and non-productive. The Russians observed the good farm work of the colonists and their influence on agriculture, but in time, during the reign of Alexander III (1881), immunity from military service was not promising, and some of the German born residents of the Volga area began looking toward the United States. Mr. Kleweno's parents also came from German Volga. Practically all of the families who migrated to the States, first to live in Kansas and later in Washington and Idaho, have remained life-long friends.

### Farmers In The Early Days Really Had Something To Sell

A public sale bill, printed in 1849, at Versailles, Ky., has become what one might term, a page from early American history. The following has been reprinted before by The News, but it seems that many enjoy reading it, and noting the changes which have occurred in the years:

#### Public Sale.

"Having sold my farm and am leaving for Oregon Territory" by ox team, will offer on March 1, 1849, all my personal property, to-wit: All ox teams except two teams, Buck and Ben and Tom and Jerry; two milch cows, one gray mare and colt, one pair of oxen and yoke, one baby yoke, two ox carts, one iron plow with wood mole board, 800 feet of popular weather boards, 1500 ten-foot fence rails, one 60-gallon soap kettle, white ash timber, ten gallons of maple syrup, two spinning wheels, thirty pounds of mutton tallow, one large loom made by Jerry Wilson, 300 hoop poles, 100 split hoops, 10 empty barrels, one 32-gallon barrel of Johnson-Miller whiskey, 7 years old; twenty gallons of apple brandy, one 40-gallon copper still, oak tan leather, one dozen reed hooks, two handle hooks, three scythes and cradles, one dozen wooden pitchforks, one half yard of red and blue powder horn rifle made by Ben Miller, fifty gallons of soft soap, hams, bacon and lard, forty gallons of sorghum molasses, six head of fox hounds all soft mouth except one.

"At the same time I will sell my six negro slaves—two men, 35 and 50 years old; two boys; mulatto wenches, 30 and 40 years old. Will sell all together to same party as will not separate them.

"Terms of sale, cash in hand or note to draw 4 per cent interest with Bob McConnell as security.

"My home is two miles south of Versailles, Ky., on McCoo's Ferry Pike. Sale will begin at 8 a. m. Plenty to eat and drink.

"J. L. Moss, Owner."

After one reads the above, there are several items well worth having today.

### GENESEE VALLEY NEWS

While other parts of the country are having severe storms and unusual weather, the Valley is enjoying a much needed rain. Ducks are flying in large flocks and hunters are being kept up and down the creek. If the regular reporter were on the job instead of basking in the California sunshine, we are sure she would have an appropriate editorial or verse to cover this Thanksgiving season but due to the inexperience of the substitute reporter, will say this is it, so "Thanksgiving Greeting . . . you all."

The Junior Choir of the Genesee Valley church was entertained at the Parish hall Thursday evening with Mrs. Victor Danielson, Mrs. Sam Lange, Mrs. Oscar Danielson and Mrs. Leon Danielson serving the group dinner. About 40 were present and the evening was spent playing games.

Sunday school at 9 o'clock Sunday and Luther League in the evening, at 8 with election of officers. Mrs. Stanley Sveve was given a birthday party Sunday afternoon at her home. Those present were Mr. and Mrs. Wm. Borgen and family, Mr. and Mrs. Oscar Danielson and family, Mrs. Howard Broemeling and baby; Ted Flamos, and Lars Johnson.

The annual meeting of the Genesee Valley congregation will be held Tuesday, December 3 at 10 o'clock. Both men and ladies will hold their respective meetings and a pick-up lunch will be served at noon.

Guests at the John Elkum home after the senior hall for refreshments were Mr. and Mrs. Frank Reynolds and Mr. and Mrs. Dick Reynolds of Moscow, L. Hill, Phil Herman and Art Broemeling.

Wm. Scheele returned to his home Saturday after spending several days at the Gritman hospital for a physical check-up.

Mr. and Mrs. Harvey Hagen visited at the home of the John Hagen and Wm. Scheele home.

Mrs. Art Tegland is visiting with her sister, Mrs. Wm. Maekle in Moscow.

Bud Lange spent the week end in Spokane.

Pat Magee spent the week end at home and had for her guests Martha Spence, Jean Ottenheimer and Gladys Tauten.

Sam and David Lange were hunting at Newport, Wash., over the week end.

Mr. and Mrs. W. O. Borgen and family were Sunday dinner guests at the Howard Broemeling home.

Mr. and Mrs. Vernon Peterson and David and Mrs. Dollie Peterson were dinner guests at the Nels Lande home Sunday.

The Luther League of LaCrosse, Wash., entertained the Genesee Valley Luther League Saturday evening at a banquet. Those attending from here were Gordon Iverson, Rex Elkum, Jimmy Sather and David Nordby, who rode with Mr. and Mrs. E. Nordby, and Carol Borgen, Ann Louise Luedke, Joyce and Shirley Danielson who rode with Mr. and Mrs. Oscar Danielson.

The Bluebird Club met Wednesday at the home of Mrs. James Archibald. The afternoon was spent tying a quilt and packing overseas boxes. At the close of the meeting the hostess served delicious refreshments. The next meeting will be December 4 with Mrs. Leon Danielson, Guestess of Honor, Mrs. Heinrich, Mrs. Stanton Becker and Mrs. Judd Archibald.

#### Return From Honeymoon

Mr. and Mrs. Alfred Isaksen returned home Saturday evening from their honeymoon trip which took them to Boise and Coos Bay, Ore.

Traveling by car weather was fair to Boise, but snow was encountered in the John Day country of Oregon on the way to Coos Bay. At Coos Bay they visited a sister of Mr. Isaksen and in Portland visited another sister. The trip from Portland to Walla Walla was anything but pleasant. Leaving Portland they planned to travel the Columbia highway, but when they reached The Dalles there was nine inches of snow on the road. Service stations were unable to serve customers and the highway department never expecting such a heavy fall of snow, had no snow removal equipment available.

Mr. and Mrs. Isaksen returned to Portland and crossed the river at Vancouver, and proceeded home by way of Sunnyside. Snow covered the roads along the Columbia, but once way traffic was maintained, with a group of about forty cars and trucks traveling with escort, and other traffic being held up until the trip was completed.

Mr. Isaksen said he drove for a hundred miles with tire chains.

#### Bridal Shower

Mrs. Alfred Isaksen, nee Miss Marie Thessen, whose marriage took place Saturday, November 16, was complimented with a bridal shower on November 8 at the K. C. hall when Mrs. Frank Hoorman, Mrs. Stanton Becker and Mrs. Ed Hasfurther were hostesses. The large number in attendance presented the honoree with many lovely and useful gifts.

# THANKS

As we pause at this season of the year to give thanks to God for His many blessings, we are reminded that we owe a debt of gratitude to our friends who have been so long-suffering during these trying times.

To the many who have waited patiently, overlooked our mistakes and shortcomings, and even given their places on waiting lists to more needy customers, we wish to express our sincere gratitude.

## NEW PRODUCTION

### GOING UP . . . BUT NOT FAST ENOUGH

Yes, production of switchboards, cable, and other vitally needed telephone equipment is increasing. But the increase is not keeping pace with the demand. The reasons for this are generally the same as the reasons for the demand for houses, cars, appliances, etc., cannot be met today and for many months to come. Manufacturers will not predict when orders can be filled, but we pledge our continued best efforts to provide service as soon as possible.

School Xmas Concert
Thursday, December 19

An event which many look forward to this school year is the Christmas music concert, at the high school gymnasium, Thursday evening, December 19, starting at 8 o'clock.

A. Bert Christenson, director of the Genesee school band, is an outstanding instructor and director, and his musical organizations this year are doing exceptionally well.

Stanley Rosenau Home Expects Overseas Duty
Stanley Rosenau, son of Mr. and Mrs. Gustave Rosenau, who entered the service by enlistment October 1, 1946, has completed basic training at Fort Lewis. He arrived home Thursday afternoon of last week, and was on a seven-day delay enroute, proceeding then to Fort Lawton, Wash. Stanley is at the moment, and his guess is that it will be overseas duty, possibly Alaska.

Bovill and Potlatch Victims Of Bulldogs
Valley basketball conference which opened Friday and Potlatch Tuesday evening, was not the same team which pinched out a victory over Lapwai here December 3. The Bulldogs were selected to play in all departments. The Bulldogs were working as a team and passing and shooting lead one to believe that they were the best team in the conference.

Coach Hammond used his entire squad against the Bulldogs and watched them roll up 53 points to 20 for the White Pine league players in the worst game in the history of the school girls' championship.

Genesee led Bovill 13-3 at the first quarter, made it 20-8 at the half, and led 28-10 at the end of the first half. The Bulldogs were out of the game after the first quarter.

Coach Hammond "shot the works" Tuesday evening at the Bulldogs against the Potlatch Loggers, a Class A team, and again scored a victory on the square in a free-scoring game.

Mary Jones, 4-H Club Winner Gives Account of Chicago Trip

Miss Mary Jones, daughter of Mr. and Mrs. H. B. Jones, who attended the National 4-H Club Congress in Chicago, a member of the Sewing-Six Club of Genesee, was selected to represent Latah county and north Idaho for excellence in 4-H Club work. She returned Saturday evening from Chicago after spending six full days in Chicago. She was chosen in competition with 40 other girls from 18 states. Miss Jones gives the following account of her visit to the National 4-H Club Congress:

Fifteen hundred seventy-five girls and 1000 men and women from 48 states, Hawaii, Canada, South America, China, Alaska, Nicaragua and other countries were present at the National 4-H Club Congress.

Everyone enjoyed the educational and matinee horse show. General Motors was the sponsor of the International Livestock Exposition and matinee horse show. We were fortunate to see the management. We saw the three magnificent light-horse hitchers of the International champion Clydesdales. We boarded special girls, there were 20 groups with 60 or more boys and girls. These discussions were made possible by the generosity of the Stevens Hotel, the largest hotel in Chicago. It has 36 floors, 25 elevators and 25 elevators to accommodate its guests.

Saturday afternoon we went shopping in the district called "The Loop." Many of the well-known stores are in this district, such as Marshall Field's, the largest store in Chicago, and Saks-Fifth Avenue.

Our first general assembly was held Sunday afternoon. John P. Strohm, president, American Agricultural Editors' association, was the speaker. His topic was "Meet the Youth of Other Lands." He showed colored movie-slides of the boys and girls of the fifty-seven countries he has visited.

Genesee led Bovill 13-3 at the first quarter, made it 20-8 at the half, and led 28-10 at the end of the first half. The Bulldogs were out of the game after the first quarter.

Coach Hammond "shot the works" Tuesday evening at the Bulldogs against the Potlatch Loggers, a Class A team, and again scored a victory on the square in a free-scoring game.

From where I sit... by Joe Marshall

### A Grand American Tradition

The Cuppers had a grand old family reunion last week—for the first time since the war. Big and little Cuppers came, by car and train, from as far west as Nebraska and as far east as Vermont. They crowded Deo and Jane's house, set up quarters in the barns, or stopped with neighbors—and a jollier gathering you couldn't have imagined! I was asked to their final Saturday night supper, when they sang old songs, drank beer and cider, reminisced. Dark Cuppers and blond ones—Vermont accents and Alabama draws—doctors and farmers... all with their differences of taste and politics, yet as close and harmonious in spirit as a group could be. From where I sit, it's a great American tradition—not just family reunions, but the ability to get along as one harmonious family, regardless of differences of taste, whether it's taste for politics or farming, beer or cider.

## MAIN STREET

### Who put the R. R. hauls in Mrs. Murphy's Chowder?

This product, we hasten to explain, is imaginary. But if you were Mrs. Murphy, and you wanted to make a lot of clam chowder, you might well do exactly what real-life manufacturers do . . .

You would call in Northern Pacific and talk to us about a profit-making location for your factory. You'd tell us how large a plant you have in mind . . . how many people you'd employ . . . we could advise you where to get your clams . . . where to sell your chowder . . .

From the NP industrial development man you would soon learn about likely building sites, existing plants, real estate prices, shipping costs, labor supply, power supply. The profitable result: a factory on NP trackage providing efficient railroad hauls for your raw clams and for your canned chowder, or whatever products are involved.

We don't call this kind of work "social planning". We call it good business. It's good business for you, too. By having a hand in shaping the whole industrial pattern of Main Street, Northern Pacific has helped

make more markets, more jobs, more opportunities for those who live along our line.  
If you know a better way to run a railroad, we'd like to hear from you. We'd like to hear from you anyway.

Uniontown and Genesee Legion Teams Open Season

Genesee's Legion basketball club, breaking the ice for the present season, lost to the Uniontown Legion club at Uniontown Monday evening by a score of 37 to 36. Genesee opened up with four points on a field shot and two fouls before the Washington players hit the bucket, and set the first quarter in Genesee's favor. The score was tied at the half, 16-16, and at the third period, Genesee held a two-point lead stretching it to an eight point lead mid-way of the last quarter, with the final score 37-36 for Uniontown. Genesee picked up ten points in the fourth quarter, but was unable to hold off the determined close checking and hard-driving Uniontowners.

Hark! the Herald Angels Sing

MAESTOSO 1. Hark! the herald angels sing, "Glor-y to the new-born King; 2. Hail the heav'n-born Prince of Peace! Hail the Sun of right-ous-ness!"

Peace on earth, and mer-cy mild; God and sin-ners re-c-on-ciled." Light and life to all He brings, Risen with heal-ing in His Wings.

Joy-ful, all ye na-tions rise, Join the tri-umph of the skies; Mild He lays His glo-ry by, Born that man no more may die.

Major Marjorie Linehan, Army Nurse Corps, daughter of Mr. and Mrs. A. C. Linehan, who entered the service in 1942, is completing 53 months of service with the U. S. Armed Forces, and will be separated from the service January 24 when her terminal leave expires.

Miss Linehan arrived at Fairfield, Calif., November 21, after making the trip from Manila by plane. The big plane, carrying 30 passengers and 10 crew members, was piloted by Capt. J. P. Horman, who was en route to Guam, Kwajalein, Johnston Island and Hawaii, where today, the army's main base of operations is the southwest end of the gym, and the balcony will hang principally from the large I beams and will be placed along the west wall.

Major Linehan, when entering the service in July, 1942, first went to Camp 2, where she was assigned to the 31st General Hospital, where she was hospitalized from tropical disease.

The 31st General Hospital was deactivated in December, 1945, and Miss Linehan was assigned to the 4th General Hospital at Fort McKinley, Manila, and remained there until July, 1946.

Paranque, the Replacement and Disposition camp.

She returned to the Philippines and in doing civilian attire. She plans to return to the Philippines and other relatives here and other places.

She witnessed the celebration in Manila when the Philippines were granted their freedom to become a nation, but like other Filipinos serving people, she feels there is doubt, even among the team scores at the half when the two quintets went to the dressing rooms tied up 14-14. Lewiston pulled ahead in the third quarter for a 20-17 score and in the final quarter Genesee were kept away from the basket by close checking by Lewiston.

The final score was Genesee 26 and Lewiston 32.

Genesee was stepping out of its school classification in taking on the Bengals, but played a very good game until the second period when the Bulldogs failed to break through the Lewiston defense. The Bengals were being outplayed during the last four minutes after they had attained a five-point lead.

There was not much difference in the playing of the two clubs. Genesee was as effective from the field as the larger school players, and from the foul line Genesee made good on 8 out of 12 tries while Lewiston converted on six shots out of 17.

Genesee's offense was entirely good of Heimgrater, Jack Liberg, Lee, Jenkins, Peterson, Moser, Bennett, Johnson and Peterson.

Schwene, His starting combination was Springer, Bennett, Lee, Johnson and Peterson.

Officials were McAvoy and Thiesen, who have been handling all high school games here.

Miss Linehan arrived at Fairfield, Calif., November 21, after making the trip from Manila by plane. The big plane, carrying 30 passengers and 10 crew members, was piloted by Capt. J. P. Horman, who was en route to Guam, Kwajalein, Johnston Island and Hawaii, where today, the army's main base of operations is the southwest end of the gym, and the balcony will hang principally from the large I beams and will be placed along the west wall.

Major Linehan, when entering the service in July, 1942, first went to Camp 2, where she was assigned to the 31st General Hospital, where she was hospitalized from tropical disease.

The 31st General Hospital was deactivated in December, 1945, and Miss Linehan was assigned to the 4th General Hospital at Fort McKinley, Manila, and remained there until July, 1946.

Paranque, the Replacement and Disposition camp.

She returned to the Philippines and in doing civilian attire. She plans to return to the Philippines and other relatives here and other places.

She witnessed the celebration in Manila when the Philippines were granted their freedom to become a nation, but like other Filipinos serving people, she feels there is doubt, even among the team scores at the half when the two quintets went to the dressing rooms tied up 14-14. Lewiston pulled ahead in the third quarter for a 20-17 score and in the final quarter Genesee were kept away from the basket by close checking by Lewiston.

The final score was Genesee 26 and Lewiston 32.

Genesee was stepping out of its school classification in taking on the Bengals, but played a very good game until the second period when the Bulldogs failed to break through the Lewiston defense. The Bengals were being outplayed during the last four minutes after they had attained a five-point lead.

There was not much difference in the playing of the two clubs. Genesee was as effective from the field as the larger school players, and from the foul line Genesee made good on 8 out of 12 tries while Lewiston converted on six shots out of 17.

Genesee's offense was entirely good of Heimgrater, Jack Liberg, Lee, Jenkins, Peterson, Moser, Bennett, Johnson and Peterson.

Schwene, His starting combination was Springer, Bennett, Lee, Johnson and Peterson.

Officials were McAvoy and Thiesen, who have been handling all high school games here.

More Seats Promised For High School Gym

Cooperation of the 17 school districts in temporary consolidation with the Genesee district have moved all doubt that the local high school gymnasium may have additional seating capacity when school resumes after the Christmas holidays.

A recent meeting of the trustees of all districts a sufficient sum was made available to construct a balcony along the west wall of the gym, capable of seating from 80 to 100 more fans.

The only obstacle to be hurdled today is gaining permission of the Civilian Production Administration to proceed with the work.

Supr. Dean went to Spokane Monday to confer with Whitehouse & Price, architects, to determine the structural strength of the gymnasium and advisability of making the improvement. From the blueprints the architects gave his opinion that the large I beams, the pilasters and footings possess ample strength.

John E. Thomas, Moscow, who erected the building a few years ago, was in Spokane Thursday to obtain specific information from the Civilian Production Administration to contact the Production Administration.

Supr. Dean was in Moscow Wednesday afternoon and sufficient steel was located to build the balcony. After making plans provided for a balcony 70 feet long to be placed 7 feet above the second row of the present seats. The structure will be 6 feet and 11 inches wide, permitting at least two rows of seats. The guard rails for the balcony will be two-inch galvanized iron pipe, permitting an almost unobstructed view of the playing floor. The balcony will be placed along the southwest end of the gym, and the balcony will hang principally from the large I beams and will be placed along the west wall.

The Civilian Production Administration on construction which amounts to \$1,000 or more, and the improvement contemplated is estimated to cost but a few hundred in excess of the restricted cost.

Interest has been running so high in basketball in recent years that present seating capacity of the gym is inadequate, but building restrictions have not permitted making the improvements necessary. At Lewiston-Genesee game Tuesday evening all seats were occupied and the stage almost clear the area near the baskets on more than one occasion. Fans flowed onto the stage and many stood throughout the two games.

If all materials are available and the Civilian Production Administration does not bear down heavily the work of constructing a balcony will be accomplished during the Christmas vacation.

Genesee Bees Edge Out Lewiston Bees 27 to 26

Lewiston and Genesee high school "B" wrestling basketball teams, playing the preliminary game Tuesday evening here gave a crowded group of fans all they might expect in a real game of basketball. Genesee edged Lewiston point-for-point in the first quarter which ended 8-7 for the Lewiston boys, and at the end of the second quarter the Genesee Bulldogs led 14-7. At the third quarter the two teams were 22-18 with Lewiston on the long end, but the Genesee Bulldogs stepped up their drive, tied the game twice and then put on a "stall" to protect a one-point lead late in the final period. Lewiston fouled several times in their attempts to gain possession of the ball and break up the Genesee tactics, but each time the younger Bulldogs took the ball out of bounds and on clever ball handling, held the ball until the large crowd of the klaxon sounded the end of the game.

Aspirants for future first string basketball thrilled the large crowd, time after time in their 27-26 victory over the Lewiston boys. Morson, Eikum and Semmes, Liberg and Cameron bore the brunt of battle, with Swenson and Taylor alternating in fouling and Semmes respectively. Cameron and Liberg were the ball hawks of the evening, with Morson being not from the field and foul line, to roll up 12 points as high pointer in the game. Semmes worked the keyhole good and Eikum was a lot of assistance in the other guard spot. Cameron, one of the hard working guards hit for 6 points, and Liberg from the other guard position rang up 2 points. Semmes pivoted for 4 points and Eikum dumped in 2 points.

For Lewiston, Ruddle, right guard, made 8 points, Kaufmann and Perry 6 points each, Gorsek 4 and Sanman 2 points.

Genesee took ten shots from the foul line and made fifty percent of them. Good and Lewiston hit in two out of eight times. None of the boys were in danger of taking the bench from rule infractions and all in all the game was exceptionally good, fast and exciting.

Coach Devlin may have been somewhat disappointed by the fact that his boys failed to score in the second quarter, but he did witness no let-up in the drive of his younger boys and their ability to stay in the game and win against a taller club.

**Wise Men Patron Saints of Travelers**  
The Three Kings of Cologne have become patron saints of travelers. Biblically we know very little about the Wise Men, but tradition based on the three specifically mentioned gifts, has established three Wise Men and identified them as Caspar, Melchior and Balthasar, the Kings of Tarsus, Arabia and Ethiopia, respectively.

Legend advances that on their way to Bethlehem, the Magi met at Ur and St. Matthew states that having adored the Christ Child, they departed into their own country by a different route. Whether each returned to his own country or whether all three journeyed into one country are matters for conjecture. Legend continues that they were baptized, distributed their wealth among the poor, and went about preaching the doctrine of peace and repentance; all three are said to have suffered martyrdom in India at the same time.

### Peter Henry Steltz Passes Former Resident of Genesee

Peter Henry Steltz, who died at his home in Puyallup, Wash., Tuesday, December 10, at the age of 84 years, 10 months and 13 days, was a pioneer of the Genesee community. He was born at Watouska, Wis., January 28, 1862, and as a young man went to Milbank, S. D. There he met and married Ida Emma Pinkert in 1884 who survives him. To this wedlock seven children were born, four of whom died in infancy. Three survive, Martha Hoppper of Moscow, Ella Carlson of Tacoma, Wash., and son, Louis, of Puyallup. There are five grandchildren and five great grandchildren also surviving.

From Milbank Mr. and Mrs. Steltz moved to Genesee in 1888, and lived here until 1918 when they moved to Moscow to reside for four years, and from there they moved to Puyallup where Mr. Steltz entered the poultry business. He was the last surviving member of five boys and three daughters. He was a twin brother of George Steltz who preceded him in death in 1932.

Mr. Steltz was one of the organizers of the Genesee Lutheran church and was a member of the Knights of the Wood, and the Woodmen of the World. He was marshal of Genesee for many years and was well known here as a great sportsman, hunter and fisherman.

Mr. and Mrs. Steltz celebrated their golden wedding anniversary on September 21, 1934, and on September 21, 1944 they observed their sixtieth anniversary.

The deceased had been in failing health for several years. He was laid to rest at Woodbine Cemetery at Puyallup, Wash., and was buried in the Peace Lutheran church officiated. Ben Schooner sang "Face to Face" and "In the Garden," being accompanied by Mrs. Madge Hurd. Pallbearers were John F. Hoyt, Otto Sager, Hugh Jamison, Ben Schooner, August Koch and Henry Huster.

### Birthdays Honored

The birthdays of Mrs. J. H. Broemeling, Mrs. Martin Huff and Omara Kries, all occurred during the current month were honored Sunday evening with a party at the home of Mr. and Mrs. J. H. Broemeling. Present were Mr. and Mrs. Martin Huff and Mr. and Mrs. Art Hansbrom of Moscow, Mr. and Mrs. Bob Broemeling, Mr. and Mrs. Otto Kretschmer, Mr. and Mrs. Chas. Grieser Sr., Mr. and Mrs. Bernard Grieser, Mr. and Mrs. John Kries, Mr. and Mrs. Ron Huffman, Miss Yvonne Eikum and Arthur Broemeling and Mr. and Mrs. Omer Kries. Cards were enjoyed during the evening after which luncheon was served.

Christmas holidays for schools in Genesee begin Friday noon when school buses will be ready to transport students to their homes. Vacation will last until Monday, December 30. There will be a one-day holiday on New Year's day.

### Caldwells Celebrate Golden Anniversary at Sedro Woolley

The B. B. Caldwell home on Reed Avenue was the scene of a pleasant occasion last Sunday evening when relatives and friends of Mr. and Mrs. Caldwell gathered to celebrate with them the fiftieth anniversary of their wedding.

Miss Emma Steltz and Benjamin B. Caldwell were married on November 25, 1896, at Genesee, Idaho. They lived for several years at Genesee and Troy, Idaho, then moved to Kansas and later to southern Oregon. About 15 years ago they came to Sedro Woolley to make their home.

They have known sorrow as well as joy during their long life together, having lost by death, two of their three children. Their eldest, a son, gave his life in World War I. Their only daughter died in young womanhood.

C. B. Caldwell, his wife and two daughters of Auburn came to spend the week end with Mr. Caldwell's parents and were present for this anniversary party.

A luncheon program was enjoyed and the honor guests were presented with some lovely gifts.

Guests included Mr. and Mrs. Harriet Anderson and George, Mr. and Mrs. Charles Enger, Mr. and Mrs. LeRoy Hilde, Jackie and Anita, Mrs. Pearl Hilde, Mrs. Edna Hilde, Mrs. rich, Mrs. Christine Anderson, Mrs. Alice Miller, Wilma Miller, Mr. and Mrs. J. H. Hopke, Virginia and Delbert, A. L. Matternand, Don Matternand, Ann Matternand, V. Rhoads, all of Sedro Woolley, and Mr. and Mrs. C. Caldwell, Connie and Patty Jean of Auburn, Mr. and Mrs. Carl Jespersen of Burlington and the honor guests.

Late in the evening delicious refreshments were served and the self-invited guests departed, wishing them many more years of happiness together.

### Burned by Acetylene Blast

Harry Merrick, employed by the Shoshone Construction company, contractors building the three-mile strip of highway all night during the first-degree burns on his face and hands Tuesday. He walked into the company shop at the quarry site, where he was working on a road, warning a terrific explosion removed the roof of the shack and practically blew down the sides. There was a fire in a stove in the building, but it might be presumed that the fire was contained in the stove and did not permit the acetylene explosion until the door was opened and a simple oxygen mixed with gas escaping from the stove. There is no certain reason for the explosion, it being simply one of those accidents which occur.

Mr. and Mrs. Merrick live in a trailer near the quarry site, and the latter heard the explosion. She saw her husband emerge from the remains of the building. Mr. Merrick was wearing a hat, which remained on his head, something else difficult to explain.

He was rushed to the offices of Dr. Fred Hove, in Genesee, who treated and bound the burns, and Wednesday Mr. and Mrs. Merrick left for Twin Falls to spend Christmas.

### Dick Green Leaves Lewiston

Mr. and Mrs. Dick Green have been staying in Lewiston this week, but the former stated Wednesday that it was rather adverse. If a fellow knocks a fellow off in the banana belt metropolis he gets 1 to 2 years and he is sent up for 1 to 14 years. Dick just can't figure things out in the lowlands of Nez Perce county. He knows there are a lot of Genesee people wintering in Lewiston, and of course he don't suspect any one of them, but he would certainly like to know which side of the street each one is working. From all we hear up here on the hill the Genesee people are model citizens, especially the ladies. Green just can't figure out why so many Genesee men are living in Lewiston, but he don't want anyone to believe they have formed any kind of a gang, although he did say that George Applebuck tried to influence him to sit down and rest one day while they were both "hoofing" it down town. Green thinks that Ernest Becker may be an influence for good since he moved to Lewiston, but he thinks Colin Wilson is rather mysterious. He is keeping his eye on Mervyn, Ingle, Jain, Moracheck, Joe McLaughlin and George Berry, and he thinks one should perhaps keep an eye on some of the boys over in Clarkston, especially Frank Snelling.

### A Christmas Wish

Though I cannot bring you spring-time, Apple blossoms, April rain, I can offer you a blessing At the Christmastic again.

Here's a wish for you at Christmas That will live through all the years, Through the tempest and the sunshine, Through the tempest and the sun—"May the little Christ-child, a birthday, Bring you joy and peace and love, And your Christmas prayers be answered With His blessings from above." —Bert Gamble.

### Birthday Party

Mrs. Dick Zeimantz entertained on Sunday afternoon with a birthday party for her daughter, Judy. Besides Judy's brothers, Michael and Donald, present for the party were Crystal Esser, Marie Kaye Onstott, Michael Rabdan, Dwane Roach, Dorothy Ann and Walter Mousseau.

I won't be here next week. I don't think you will miss me for you can buy sundries almost any place in town.

### Miracle Play In Modern Texas Town

LOS PASTORES, the hybrid Spanish-Indian miracle play introduced to Mexico centuries ago by Spanish monks and presented in San Antonio during the Christmas season, is enacted primarily for its spirituality.

A group of amateur actors go from house to house by invitation and because it is traditional that no one prompted by idle curiosity should witness the performance, only the initiated can find the scene of presentation.

Usually someone's back yard becomes the stage; the doorsteps serve as background for the Nacimiento. Manger scenes; various objects are set on the stairs; pieces of crockery, tinsel, pinecones, patron saints—anything the household considers especially beautiful. In the center of the lowest step, the Christ Child (a life-sized doll placed on a platter with divers gaily candied) is surrounded by plaster shepherds, donkeys, etc.

A tent opposite the Nacimiento gives evidence of representative belief; a bonfire has been built within and live devils emerge therefrom.

The play has no definite time for beginning, but finally, a girl starts to walk back and forth reciting. Overdressed shepherds drone a seemingly endless song. Ermitano, the comic relief, carrying a rosary of spoils also represents the soul of his earthly journey and is often accompanied by the white winged Archangel Gabriel.

It is a never-ending performance: seven devils, six in sequined black with animal masks and the fork-tailed Lucifer in brilliant red, are finally vanquished. Likewise, a wild Indian is overcome and kisses the Christ Child; the shepherds and all in attendance kiss the Child, solemnly and as slowly as possible.

### Faith and Peace Are Eternal...

TWENTY centuries have passed since the ann at Bethlehem was overcrowded because of Caesar Augustus and his census.

The bigwig who crowded the inn were committed to oblivion by their contemporaries and, except for the census and resultant conditions at Bethlehem, it wouldn't matter too much if Augustus completely vanished from the history books.

It is generally immaterial that, as puppet king of Judea, Herod foisted the city of Samaria, and endowed several pagan temples long since crumbled into dust. Few people know, and fewer care, that his wife and two sons were murdered at his command. This sort of Roman-ized Jew is remembered chiefly because of his hypocritical treatment of the Wise Men and because he authorized the slaughter of the Holy Innocents—and even this deed of incredible cruelty might have been forgotten if the Innocents were not associated with the Babe who was born in the manger.

ly because of his hypocritical treatment of the Wise Men and because he authorized the slaughter of the Holy Innocents—and even this deed of incredible cruelty might have been forgotten if the Innocents were not associated with the Babe who was born in the manger.

Some men question what has been accomplished during the 20 centuries since Bethlehem.

True enough, some of the records have been written with indelible ink of hatred and prejudice and splattered with much blood; but they do not confidently upon the gory records written or provoked by men who either did not know Christ or openly rejected his commands.

On the other hand, the glad tidings announced to a few shepherds at Bethlehem have inspired courage and faith and love such as no earthly decree or proclamation has ever called forth.

Faith and Peace are eternal quests—and twenty centuries are mere fleeting moments of Eternity.

Star of the East, that long ago Brought wise men on their way Where, angels singing to and fro, The Child of Bethlehem lay— Above the Syrian hill afar Thou shinest out tonight, O Star!

Star of the East, the night were drear, But for the tender grace That with thy glory comes to cheer Earth's loneliest, darkest place; For by that charity we see Where there is hope for all—and me.

Star of the East, show us the way In wisdom undefiled To seek that manger out and lay Our gifts before the Child— To bring our hearts and offer them Unto our King in Bethlehem!

Eugene Field

### Bonchevalier and Tree of Humanity

The tale of Bonchevalier and the tree of humanity, told with minor variations throughout France and Germany, is one of the most charming of all the Christmas tree legends.

Bonchevalier was traveling through a dense forest once upon a Christmas Eve. In the distance one tall evergreen stood apart from all the others; it seemed aglow with lights and, from afar, a star appeared to rest among its topmost branches.

As he drew nearer, Bonchevalier saw that the tree was covered with candles—some standing upright and others inverted. The star at the top seemed to be the vision of a child whose beautiful head was surrounded by a pale amber halo.

Word spread through the village that Bonchevalier had seen a vision, dreamed a dream, or perhaps experienced a phenomenon. The knight himself admitted that the whole thing seemed incredible; if it was a vision, he could not interpret it; but he was absolutely certain he had seen it and his story was always the same.

Learned citizens of the community questioned him and shook their heads—so did everyone else, except his mother.

The tree of humanity had been revealed to her son, she said proudly, and all the world would be blessed by his vision.

Indeed, Bonchevalier's vision symbolized the tree of humanity; the candles represented persons, the good ones standing upright; the bad ones inverted; and the child at the top was the infant Jesus who watches over all the world of humanity.

Genesee Legion Club Loses And Wins During the Week

Last Thursday evening, the Legion basketball club of Genesee, meeting the Lewiston Eagles on the local gym floor showed a first-half non-quantitative with a basket and a hit for a lone field goal. In the first quarter Genesee bounced enough shots off the basket to crystallize the metal hoop, but not a one dropped through. In the second quarter, one field goal was marked up. That made the score 11-2 at the first quarter and 22 to 5 at the half. Lewiston Eagles, smirring hot from the field and accurate from the foul line, pushed the score to 41-12 in the third period and closed the engagement with 57 points to 22 for Genesee. Wrapping up the 22 points for the local club were: Scharnhorst 2, Wisard 2, Liberg, 1, Thissen 2, Sampson 2, Edwards 3, and Emerson 1. The big shot for the Eagles was Ailor who scored 12 points. Moscow A. C. Pummel, Moscow A. C., bringing but six players, found the net very hard with the short end of a 44-32 score. Tiring in the first quarter the Moscow players had to struggle to get its second wind. In the first period Genesee was ahead but 2 points on a 6-4 score. At the end of the second Genesee was still in the ball game with a deficit of eight points on a 17-9 count. The score in the third period went to 44-12. Levern Edwards for Genesee came across with 12 points to head the column for the Legion club were: Thissen 4, Liberg, 5, T. Edwards 7, Wisard 6, Anderson 4, Emerson 6, Scharnhorst 2, Sampson 0, Springer 1, Huffman 3, and Bielenberg 0. High point man for the Moscow A. C. was Bruce with 9 points. Nelson made 6, Borklund 5 and U. Broeneke 2. The official was Paul Parks.

Hay Loader Versatile Tool Hoists Concrete in Winter

Henry Koster and Hugo Manderfeld who built a machine to load hay in the field perhaps never intended that it would become a concrete hoist during its off-days, but last week it was pressed into service for construction of a grain drill, which is being erected by Art Flomer for a machine repair shop and service station. Hoisting concrete is not hay, and while concrete is not hay, the piece of hay-making equipment did the job and with minimum effort. Henry Koster once came to the rescue of the local printer, when a broken job was held up by a broken typewriter. After viewing the broken spring he prescribed a spring taken from a grain drill, which he took all trouble, and by the way, the spring is still on the machine. One time a Moscow attorney made a University of Idaho professor with 27 points for a machine. A man would come out with a machine that would adequately handle all kinds of gyration and rotation. That for spreading on fields. Not only do people here rely to a great extent on the ingenuity of the local mechanic and inventive abilities are becoming known over a wide area. These farmers, who are not only mechanics, shop operators, also indulge in a bit of farming, some recreation, and a little fishing and hunting. As far as the law goes, the Moscow attorney may have been right, but they seem to suffice. At least we have no current charges in Moscow on Genesee bastards. There are a few vexing problems today, which perhaps should not be mentioned. What they have to do with a hay loader being used as a concrete hoist, one can't explain, but go, how we wish the property taxes were paid. The Christmas shopping was done, and the state and federal income tax papers were in the mail—outgoing.

William Napier Gibb Homesteaded in 1879

Funeral services were conducted at the Community church here Friday afternoon of last week at 2:30 for the late W. N. Gibb, who died at his home in Long Beach, December 14. The Rev. Melford Knight officiated at the services. Elton Hampton, accompanied by Mrs. Don Jain, sang "Fairest Lord Jesus" and "Jesus, Savior Pilot Me."

There were numerous family gatherings Christmas eve and Christmas day with Santa Claus being generous with practically everyone. The sale of gift merchandise naturally exceeded any of the year years. More articles available. Christmas neckties will be much in evidence during the coming week, but otherwise Christmas was an enjoyable day for all, especially the children. There was some complaint of the weather in good food, such as the organization is noted for.

Christmas Gatherings Numerous At Genesee Christmas day witnessed many festive gatherings in the Genesee community. Among those entertaining were: Mrs. and Mrs. Walter Gehlke and Mrs. Raymond, were Mr. and Mrs. Harry Phillips and daughters of Spokane, Glen and Frank Grayson of Lewiston. Mr. and Mrs. Anton Kambitsch and Mrs. Loren and Del, were the Coats. Mr. and Mrs. J. McGuire at Colfax. Julietta Town Team Loses To Genesee Legion Club

Genesee's Legion club, playing one of the games of a doubleheader at Julietta last Friday evening, came out with a 51-41 victory, despite the Julietta dead-shot, Peters, ringing up a net 29 points in his 30 minutes. Total of 41. It was the first time the two teams have met, but players were not strangers as many of them have met at high school play in former years. The Genesee club, more at home on a large floor, managed to score but 6 points in the first quarter, but held Julietta to a mere 4 points. The first score was 26 for Genesee, and at the third period the Genesee Legion club led by eight points, 36 to 28. Genesee stretched its lead to 10 points as the game came to an end, 51-41. High-point man for Genesee was Liberg, with 18. The winners included 12 points, 7, Edwards 10, Springer 0, Thissen 6, Scharnhorst 0, Sampson 4, and Emerson 1.

Bill Busch In Tokyo With Occupation Army

Bill Busch, who wound up in Tokyo, wrote the following on December 25, which was received here today: "Dear Pedersons: 'Guess the army has finally tired of me. I'm around at the station here in Tokyo for the time being. I am living in a very nice hotel. The Japanese are very clean and scrubbed and the rooms clean. I have been put to work in the motor pool as a mechanic. They sure do clean up the trucks that use gasoline. The lieutenant in charge rides one pretty hard so a fellow does get too much time to 'goof off.' 'Vern Griener and I had planned to go to the Francisco while we were close together, but luck had it that I had to ship out before we got together. I guess I'll close my eyes on the 31st. Legion Club Wins Easily From Annotone Town Team

Liberg and Scharnhorst teamed up with 21 and 11 points, respectively, to make it tough for the Annotone team. Money from the actual day evening. Thissen scored eight points, Anderson 2, D. Pederson 0, Springer 0, Edwards 2, L. Edwards 0, and G. Pederson 0, for a total of 55 points compared to 22 for the visiting Annotone team. Goals and Watkins tied for scoring leadership of the Annotone club, with 7 points each. Thissen contributed 2 points, Nelson 4, and Halfat 2. Bob Broemeling, who is handling the Legion club, has all players suited up for the game.

Mrs. Wedin In California

Mrs. J. P. Wedin, who went to California with her son, Ray, and in the meantime her check will be that her time is pretty much taken up with so many things to see and a lot of visiting to do. She is now in California and streets and stores are decorated so beautifully. They appear to expect a visit in two weeks around Los Angeles and found Anaheim, where my son, Lawrence, lives. He is the warmest place so far. The News has been coming over every week and we read it never tire looking at them. The Cowreck motor is? She is doing a good job of gathering the news. The boys have gone to Florida and I had planned to be back home for Christmas, but Martha (a daughter) hasn't had any of her family here for Christmas for seven years and since she is unable to walk for the last two years, I decided to stay with her. It will be strange to have Christmas without her, but I'm sure she will be back home for Christmas.

Medical Building Campaign Starts Today

Committees Named To Canvass Entire Community For Money

Realizing that the Genesee community lacks adequate quarters for a doctor and a dentist, a campaign begins in earnest today to raise the amount thought necessary to construct a thoroughly modern medical-dental building. Some money has been deposited, representing voluntary loans for construction of such a building, but it is now evident that personal calls are necessary to raise the required sum, \$20,000. Such an amount would provide modern and adequate quarters for a doctor and a dentist, and assure this community of their services. Modern medicine and surgery have advanced so far beyond the single-office quarters that this community cannot afford to deny itself of services which have proved to be of great value. Public spirited people have prevailed in their opinion that such a building should be a community enterprise and that with the cooperation of everyone such a building will become a reality. Most people of the community also are of the opinion that the money for construction of a building, with repayment to secure from rentals and other sources, should be loaned without interest, with those loaning foregoing the interest from the rental. The money will be loaned without interest, with those loaning foregoing the interest from the rental. The money will be loaned without interest, with those loaning foregoing the interest from the rental.

Electric Score Board Installed At H. S. Gym

Basketball fans will be pleased when they attend the next game at the high school gymnasium. An electric scoreboard, which was on order for nearly a year, arrived a few days ago and is now installed and ready for operation. The factory-made metal board is all electrically operated from the scorer's bench, with the scores of the two competing teams appearing to the right and left of 24-inch luminous clock. The clock is an automatic hour or klaxon, which signals the end of each quarter. The clock provides for 8-minute quarters, and with one minute of playing time remaining in each period, the clock is set to ring. The money was between the basket and the east wall, which permits clear vision from the gym floor.

Legion Club Wins Easily From Annotone Town Team

Liberg and Scharnhorst teamed up with 21 and 11 points, respectively, to make it tough for the Annotone team. Money from the actual day evening. Thissen scored eight points, Anderson 2, D. Pederson 0, Springer 0, Edwards 2, L. Edwards 0, and G. Pederson 0, for a total of 55 points compared to 22 for the visiting Annotone team. Goals and Watkins tied for scoring leadership of the Annotone club, with 7 points each. Thissen contributed 2 points, Nelson 4, and Halfat 2. Bob Broemeling, who is handling the Legion club, has all players suited up for the game.

Mrs. Wedin In California

Mrs. J. P. Wedin, who went to California with her son, Ray, and in the meantime her check will be that her time is pretty much taken up with so many things to see and a lot of visiting to do. She is now in California and streets and stores are decorated so beautifully. They appear to expect a visit in two weeks around Los Angeles and found Anaheim, where my son, Lawrence, lives. He is the warmest place so far. The News has been coming over every week and we read it never tire looking at them. The Cowreck motor is? She is doing a good job of gathering the news. The boys have gone to Florida and I had planned to be back home for Christmas, but Martha (a daughter) hasn't had any of her family here for Christmas for seven years and since she is unable to walk for the last two years, I decided to stay with her. It will be strange to have Christmas without her, but I'm sure she will be back home for Christmas.

James Tabor In Hospital

Mr. and Mrs. Glen Tabor of Walla Walla, visiting in the home of the latter's parents, Mr. and Mrs. John Meyer, Sr., over the Christmas holidays, were notified Thursday morning that their son, James Tabor, in the navy was knifed badly and taken to a hospital in San Francisco hospital.

Wally Eglund Visits Parents

Wally Eglund, who was in training at the Masonic hall, was on duty en route to visit his parents, Mr. and Mrs. Harry Eglund. He arrived Saturday and left Wednesday to report at Camp Stoneham, Calif., expecting to leave soon for overseas duty.

Public Card Party

Ladies of St. Mary's church are sponsoring a series of five public card parties, the first to be held this Sunday evening at the Pacific Hotel, 8 o'clock. Lunch will be served. There will be prizes for the evening and a number of grand prizes at the end of the series.

**WILLIAM NAPIER GIBB HOMESTEDED IN 1879**

Continued from Page One  
**William Napier Gibb**  
 Paul S. Dietrick, 623 1/2 Pine Ave., Long Beach, and a member of the Long Beach Men's Bible Class, which Mr. Gibb also attended as a member, wrote the following:  
 A glad, happy life has gone away; William Napier Gibb passed on, today.  
 For many years he has traveled here, To bring to our lives a little more cheer.  
 Old Scotland was the land of his birth; Totaled, ninety-four years, on this earth.  
 He came to the States a lad of eight; Later homesteaded in Idaho State. He came to Long Beach town to retire, 'Twas the climate that roused his desire.  
 The Bible Class pulled, in the "old barn" days; It was church to him in many ways. He loved the band concerts by the sea, The music was tops, he would agree.  
 "We always have much to be grateful for," Are words of his, rating a high score.  
 He liked to say nice things of others, He treated men like they were brothers.  
 He chose never to be of trouble, His own bad luck was a mere bubble. He liked others folks' troubles to hear.  
 That he might give them a word of cheer.  
 He was proud of his family clan, And interested in the Townsend Plan.  
 He's homesteading again in Glory Land, The choir there might beat the Long Beach band.  
 He's now enjoying that Wonder State, It's men like him, who make Heaven great.
