Dear Sir:

I acknowledge the receipt of your letter of Aug. 8/86, and regret that you have had any trouble in recovering the volume entitled: "Topographical Memoir of Colonel Wright's Campaign in Oregon and Washington Territory, published by myself in 1858, and had I in my possession, which I have not, a copy of this memoir I would take great pleasure in forwarding it to you; but I do the next best thing by enclosing you a letter to Gen. Tammatt requesting him to deliver the book to you.

I hope to be at Spokane Falls sometime in the month of October.

Yours very truly,
J. R. Mullan
