# Sample Hosirey

By actual count and invoice over, 10,000 Pairs (no two alike). All mankind can be fitted for any occasion. A gimpse at South Show Window will gire you an idea, although hardly two per cent. of this great collection is exhibited therein. This is the big Hosiery Event of the year. Last year over 5,000 pairs were sold in three days. This season the collection is greater and the Prices on each and Every Pair One-Third Less than Actual Cost of Manufacture.
