The Idaho Chapter will also hold a business meeting at 4:00 p.m., April 29, in the Forestry Building, room 331.

During the business meeting the agenda will include:

3. A discussion concerning the need to initiate a membership drive and increase membership fees.

Everyone who is planning to attend the general session is urged to attend the business meeting and assist in Chapter planning, so that we will continue to have an active organization.

See you at the business meeting.
