ANNUAL SUMMER MEETING

The annual summer meeting of the Idaho Chapter of the Wildlife Society will be held August 5th and 6th. At the present time it is planned that the meeting will be at Twin Falls at the Idaho Power Company auditorium. The specific agenda for the meeting will be sent you in a later newsletter.

It is hoped that this preliminary notice will aid you in making plans to attend. Also, the meeting will start at 1:00 p.m. on Friday, so that members within a four or five hour driving distance will be able to drive over Friday morning. On Saturday, August 6 there will be a field trip to the Cassia Division of the Sawtooth National Forest and adjacent Bureau of Land Management areas to review range-wildlife habitat management.

A dinner and speaker are tentatively being planned for the evening of the 5th at the Holiday Inn.

Elmer R. Norberg,
Secretary-Treasurer
