## ANNOUNCEMENT OF SUMMER MEETING

Program Chairman, Ed Tilzey, has planned the following agenda, in cooperation with Dick Norell who is setting up the IF&G biologists meeting.

- Monday - July 7      Most IF&G personnel travel to Boise.
- Tues. - July 8      During the day IF&G personnel meet.
- 7:00 p.m. - Idaho Chapter meeting in IF&G Conference Room.
- After the meeting - Certain refreshments and extra curricular activities.
- Wed. - July 9      Meet at Smitty's Pancake House (on Fairview Ave.) for breakfast about 7:00 a.m..
- 8:00 a.m. - Leave Boise by car caravan for tour of Boise and Payette big-game winter ranges.
- Return to Boise for supper. Chapter's summer meeting adjourned.
- Thurs. - July 10    IF&G personnel meet.
- Fri. - July 11      IF&G personnel travel home.

Last year many Federal and university-affiliated members did not attend, apparently because they felt to do so would be an encroachment on a Department function. The Department has assured us this is not the case, that non-Department personnel are indeed welcome to participate in the field trip July 9.

2.

#### NOMINATION OF OFFICERS

President Norberg will appoint a committee to nominate candidates for Chapter officers for the 1970-71 biennium. Elections will be held in December by mail.

#### WHITE CLOUDS MINE CONTROVERSY

Do we, as a Chapter, want to present a position statement on this issue. Bring your ideas for discussion at the evening meeting July 8 .

#### PUBLICATION SPONSORSHIP

Keith Bayha's proposal for Chapter sponsorship of a program for facilitating the publication of valuable information which would not otherwise be published was circulated at the last winter meeting, but not fully discussed. President Norberg, at that time, asked the membership to study the proposal and be prepared to discuss it in depth at the summer meeting.

#### NOMINATIONS FOR PARENT SOCIETY OFFICE

President Norbert will discuss criteria for nominations for President Elect and Vice President of the Wildlife Society. Please think of Chapter members you feel qualified to serve in these offices.

Keith Bayha, Secy-Treas.
