THANKS FOR THE CHANCE TO SERVE

It has been a pleasure being your officers during the past two years. We want to take this opportunity to thank you for your support.

During these two years, our Chapter has experienced a continuing growth in membership. It has also increased its service to you. We believe that the expansion of our activities to include an annual winter meeting has helped make our Chapter more viable and responsive to the needs of the membership.

Thanks again for the help you have given us. We urge your continued support in the future.
