of the  
Idaho Chapter  
of the  
Wildlife Society

## Winter Meeting Set

Where: Idaho Fish and Game Department, Boise Office.

When: February 1, 1974 (1:00 p.m.) to February 2, 1974 (12 noon).

## Call for Papers

The Executive Board has been directed to (1) plan the 1974 meeting around the presentation of papers which would not otherwise be published, and (2) publish the transactions of the symposium.

President Knight appointed the following committee to search out worthy prospective papers and make sure they were written for presentation at the symposium:

Levi Mohler, Chairman  
Boise  
Telephone: Home 343-0520  
Office 384-3757

Errol Nielson  
Boise  
Telephone: Home 375-3770  
Office 384-3761

Tom Reinecker  
Idaho Falls  
Telephone: Home 522-9420  
Office 522-7783

Gene deReus  
Boise  
Telephone: Home 375-6558  
Office 384-3761

## Action Needed Now

The above committee urges any person who wishes to contribute his thoughts to this program to proceed as follows:

1. Write a note to any committee member before January 10, 1974, signifying your desire to participate.
2. Also write a paragraph describing briefly the content of the paper which you will prepare, and a title. The title need not be final. You will receive instructions later concerning final preparation of your paper, deadline dates, etc.

3. Contact the committee now. We urge your participation. This is an excellent chance for the individual to have statewide impact upon the professional worker in your chosen field. It's up to you to act.

The winter meeting had been planned for northern Idaho at a location selected by the Executive Board. It was, however, decided to change the location to southern Idaho as a result of the energy crisis and the severe driving conditions between the north and south.

---

Your Officers:

Dale Turnipseed, Vice President

Bill Snow, Secretary-Treasurer
