Wilderness and Wildlife in Idaho

A symposium sponsored by the Idaho Chapter of The Wildlife Society

January 12-13, 1979 in Boise, Idaho.

Questions to be answered at the symposium:

1. Is there a need for wilderness to benefit wildlife?
2. If so, what wildlife species need wilderness and how do they benefit?
3. What are the sociological implications of the relationship between man and wilderness wildlife?

January 12
