IDAHO CHAPTER

PRESIDENT'S MESSAGE

1989(1):Winter

The Idaho Chapter of The Wildlife Society has survived another year. Actually, we have done much better than survive--thrive is probably a better word. We began 1988 with an excellent meeting in Boise. Both the technical and social portions were very enjoyable. From this meeting, we received a number of volunteers to serve on chapter committees. We also held a summer meeting that was lightly attended but thoroughly enjoyed. Overall interest in our chapter appears to have increased markedly over the last two to three years. Much of this is due to the efforts of past president Chuck Blair. I have recently received several inquiries from folks wanting to join the chapter and/or attend our 1989 meeting. This, coupled with the fact that we had very few problems soliciting papers for the 1989 meeting, leads me to believe that 1989 will be a very productive and rewarding year for our chapter.

The Idaho Chapter meeting will be held on February 23 and 24 at the Red Lion, Downtowner in Boise (more information is provided inside this newsletter). Many of you will notice that we are doing a few things differently. Besides a section on technical papers, we will have sessions dealing with interagency relationships and radio-telemetry. We also have something a little different planned for our social gathering. The chapter's officers will not know whether these changes are good or bad unless we hear from you. So please, sometime during or after the meeting, share your thoughts, concerns or complaints regarding these changes with one or more of the officers. Remember, it is your meeting, and we want to conduct it in a fashion that is most valuable to you.

Jack Connolly - President
 James Naderman - Vice President
 Signe Sarker-Blair - Secretary
 Paul Horta - Treasurer

The IDWS winter wildlife meeting will be held on February 21 and 22, at the Red Lion, Riverside, in Boise. A block of rooms has been reserved at the Riverside.

NEWS AND NOTES

Einarson Award

The Einarson Award Committee solicits nominations for the Arthur S. Einarson Award to be presented at the Annual Meeting of the Northwest Section of The Wildlife Society in Banff, Alberta, in April 1989. The award provides for recognition and commendation of outstanding work in the wildlife profession in the Northwest Section. Consider the accomplishments of individuals over their lifetime, not just those of recent years. Please send your nominations to:

Dr. John Beecham, Chairman
Einarson Award Committee
Idaho Department of Fish and Game
600 South Walnut Street
Boise ID 83707

Cooper Ornithological Society

The 59th Annual Meeting will take place in Moscow, Idaho, at the University of Idaho during 22-26 June 1989. The Cooper meeting will include a variety of events in addition to the scientific program, including rafting on local scenic rivers and tours of a nearby National Wildlife Refuge. Dr. J. Michael Scott (U.S. Fish and Wildlife Service, Department of Fish and Wildlife Resources, College of Forestry, Wildlife and Range Sciences, University of Idaho, Moscow, ID 83843, [208]885-6960) will be the local chairman. Anyone interested in conducting workshops or mini-symposia during the meeting should immediately contact Dr. Edward O. Garton, Department of Fish and Wildlife Resources, College of Forestry, Wildlife and Range Sciences, University of Idaho, Moscow, ID 83843, [208]885-7426).

Idaho Department of Fish and Game Winter Meeting

The IDFG winter wildlife meeting will be held on February 21 and 22, at the Red Lion, Riverside, in Boise. A block of rooms has been reserved at the Riverside

for IDFG personnel. For those of you planning on attending the Wildlife Society meeting on Thursday and Friday you may want to extend your reservation at the Riverside.

Riparian Workshop

A workshop entitled "Practical Approaches to Riparian Resource Management" will be held May 8-12, 1989 at the Billings Plaza Holiday Inn, Billings, MT. For more information, contact the Bureau of Land Management, Montana State Office, P.O. Box 36800, Billings, MT 59107.

Accommodations at the Annual Meeting

The Red Lion, Downtowner (208/344-7691) has single and double rooms available to those attending the February 23-24 Idaho Chapter of The Wildlife Society meeting in Boise. Rates for single rooms are \$42 (\$40 government rate), and rates for double rooms are \$52 (\$45 government rate). Ten single and 10 double rooms have been set aside for Wednesday and Thursday nights. Please make your reservations by February 12 if at all possible.

We'll see you heeeere!!!

FINANCIAL REPORT

The Idaho Chapter of The Wildlife Society closed out 1988 with a balance of \$5,921.30 in its non-profit premium checking account at the First Interstate Bank in Boise.

Expenses associated with the upcoming winter meeting are expected to draw this balance down by almost half. In order to help cover the cost of our meeting and other activities, the Chapter Executive Committee approved an increase in meeting registration rates for both regular and student members over last year's fees. The regular member fee will be \$20 for registration, and the student fee is \$10.

1989 BENEFIT AUCTION AND RAFFLE

The Idaho Chapter of the Wildlife Society will again hold a benefit auction and raffle as part of the activities planned for the night of February 23. The proceeds from this event go into the Chapter's budget to help cover meeting expenses, scholarships, education, and other activities.

We already have some great items gathered from generous donors, but your donation can add to the fun on Thursday evening.

If you would like to donate an item for auction or raffle, please fill out the enclosed form and return it to Paul Moroz by February 10, 1989. If certain provisions apply to your donation, please state them clearly in the "SPECIAL CONDITIONS" portion of the form. All donated items that are not specified as auction items may be offered during the raffle drawings.

If you would like to donate your help during the auction or raffle, please return the form as well.
