

POLLUTION SOLUTION FORUM

A Public Workshop on Environmental Legislation  
Pending in the Idaho Legislature

A free day of thinking brought to you by:

Boise Branch, American Association of University Women  
Idaho Wildlife Federation  
Idaho Tuberculosis and Respiratory Disease Association  
Boise League of Women Voters

WHERE: Boise YWCA

WHEN: Feb. 6, 1971

TIME: 9:30 a.m. Coffee  
Forum 10:00 a.m.-5:30 p.m.

Start with coffee at 9:30 a.m. and stay all day, or come when you can for any part of the schedule. Four major bill topics will be considered intensively with information available on others. Each topic will be presented by its sponsors or framers. But you won't be talked at. Next, you break for small buzz groups and buzz. Come back with questions and/or statements. Discuss points and ponder solutions. That's what it's all about. Solutions through legislation that is being considered now!

HERE'S THE SCHEDULE

- 10:00 am: Opening, and film, "Vanishing Stream"  
Bills concerning stream channel protection and flood plain management considered together.  
Buzz groups and questions
- 12-1:30pm: Lunch break. Bring a sack lunch and join in informal discussion; go out to lunch, or run an errand. Between 1:00 and 1:30 there will be an informal presentation on lobbying.
- 1:30 pm: Bill (or Bills) concerning Department of Ecology.  
Buzz groups and questions.
- 3:15-3:30: Break
- 3:30-5:30: Bills concerning surface mining.  
Buzz groups and questions.

(The schedule may change as events change.)

The forum is free, and so is the nursery for small children! Remember though, children get hungry, too. Please bring a sack lunch for them.
