A nominating committee chaired by Elmer V. Norberg presented two names of each of the three officer positions. Elected by secret ballot were: President, K. E. Hungerford, University of Idaho; Vice President, Hugh Harper, Bureau of Land Management; and Secretary-Treasurer, R. H. Giles, University of Idaho.

A motion was carried that the deadline for charter membership would be June 1, 1964.

David Neider, Program Committee chairman, discussed the report of the Committee previously sent to members. The need for local or area meetings was discussed and general agreement reached that such meetings or programs of the Chapter would be desirable. The by laws were amended to provide for small meetings having executive board approval.

The desirability of a summer program meeting, probably near McCall, was discussed. Such a program is to be planned.

Dues were collected at the end of the meeting which adjourned at 9:15 A.M.
