

IDAHO CHAPTER OF THE WILDLIFE SOCIETY

ANNUAL REPORT To Executive Director

Meetings and Activities:

Since the present officers started their 2-year terms in January 1968, we have held three meetings. At the first, held in Boise April 9, 1968, we decided to hold two meetings annually: a summer meeting with a field trip as the major activity and a winter meeting featuring papers, etc..

Our summer meeting was held in Challis, Idaho, July 16, 1968. The 2-day field trip covered over 200 miles by car caravan on the East Fork Salmon River, Pahsimeroi River, Morgan Creek, and Panther Creek drainages. The group heard progress reports of studies on big horn sheep, mule deer, elk, pronghorn, and mountain goat.

The Chapter held its winter meeting January 25, 1968, in Boise. A copy of the minutes is enclosed. The Chapter's first wildlife conference occupied most of the day, highlighted by an informative panel discussion of the "Impact of the Wild and Scenic Rivers Act on Idaho." Copies of the program and abstracts are enclosed.

Financial Statement:

Balance on hand December 11, 1967	\$73.11
Balance on hand January 24, 1969	\$74.90 plus 18 6-cent stamps
