SUBJECT: Idaho Chapter TWS meeting paper evaluations

Enclosed is a copy of the tentative agenda for the Idaho Chapter TWS meeting. By my count there are 17 professional and 10 student papers to evaluate. Options we have for evaluation are: (1) we each evaluate all 27 papers or as many as we can; (2) have only one evaluator for each paper so we each would do 4-5 papers; (3) work in groups of 2 and do 9 papers each; or work in groups of 3 and do 13-14 papers each. I would prefer to have more than one evaluator per paper to get a diversity of opinions, some consensus, and avoid individual positive or negative biases.

Call or FAX me with your ideas or preferences. I will be at the North American Wildlife Conference March 18-21, in my office 22-23, and at a Partners in Flight meeting the 24th. Lets plan on getting together either Thursday morning at 0730 before the meeting starts or at the 1000 break. I will get in touch with you as to when and where. Possibly Jerri, Steve, and I could get together the 22nd or 23rd to work on a final evaluation form and evaluation strategy.

Sincerely,
