Ernest D. Ables, President
Idaho Chapter, TWS
Fish & Wildlife Department
University of Idaho
Moscow, ID 83844

Dear ^{Ernie} Ernest:

Thank you for the Idaho Chapter's contribution of \$100.00 (check #1247) to The Wildlife Society to support our student travel grant program.

Your chapter's donation will help student members attend our First Annual Conference in Albuquerque, New Mexico, this September. A quick review of the conference program reveals what a tremendous opportunity that will be for young professionals. They will hear papers on a wide range of wildlife conservation issues and have a chance to meet students, researchers, and managers from across the U.S., Canada, and beyond. I can think of no better way to increase their knowledge of current research and management needs and to broaden their perspective of the wildlife profession.

I hope many of your chapter's members attend the conference themselves -- both to take advantage of the professional development opportunities presented and to meet some of the students assisted by your donation. Thank you for your concern for our emerging professionals and commitment to strengthening their education.

Your chapter's generous support will be recognized in a future issue of *The Wildlifer*.

Sincerely,

Harry E. Hodgdon
Executive Director
