DATE: December 23, 1994
SUBJECT: Summary of Activities

Lorraine

Please prepare a typed summary of your section or chapter's activity for the period January 1994-December 1994 on the enclosed form. It is important that you stay within the marginal lines. Be sure to include your name where indicated. We will compile the reports from all sections and chapters and send the final document to TWS Council, sections, and chapters. This annual report helps us all to stay in touch with one another and we appreciate your cooperation. Your summary must be received by March 1, 1995 to be included in the final report.

Thanks for your help.
