Dear Tom:

I am writing on behalf of the Idaho Chapter of The Wildlife Society to request financial support from CH2M HILL for our annual meeting. Your generous contribution of \$100 last year was very helpful and greatly appreciated. As you know, The Wildlife Society is a professional organization dedicated to sound management of natural resources through education and information exchange. Information exchange is the primary function of our annual meeting and I am requesting your support in this endeavor.

Support from CH2M HILL will be acknowledged during the program. We would also welcome your attendance at this meeting. Thank you for your consideration.

Sincerely,
