Diane,

I am a recently new hire to the IDFG (June), and I also joined the ID TWS chapter. I have not received any notifications, and I would like to become more involved in the chapter. Is there a newsletter? When is the statewide chapter meeting? Please let me know. I am out of town at the moment, but I will get mail at my IDFG account (jknetter@idfg.state.id.us). Thanks so much for your help!
