Dave et al.,

For the newsletter.....

The annual meeting will be March 7-10 at the Grove Hotel in downtown Boise. The PM of the 7th and AM of the 8th will be the workshops, the annual meeting will start with the plenary session the PM of the 8th and end at noon on the 10th.

Rita has arranged for a new and very exciting venue in the Grove Hotel. I think it will make an excellent place to have our meeting! Now we just need to put together a program to match it. I am excited!
