All,

Sorry but I jumped the gun a bit.

We have scheduled the Grove Hotel in Boise for March 6-8, 2006. This means the meeting will be at the end of a weekend. Hopefully that will be more attractive to travelers who might want to partake of Boise's and Idaho's charms over a weekend.

So erase, ignore, deleted, nuke the dates of March 8-10 from your messages and memories.

Thanks for your patience.
