**Subject:** TWS fundraising

Hi everyone;

Being the chair for the annual meeting fundraiser the past 4 meetings has been very enjoyable. However, it is now time for another member to lead the charge on fundraising. I gave the box of fundraising files to Jon Beals. I also have electronic files, mostly letters to donors and auction item bidding sheets.

I will be staying home with my 2 little girls during future TWS annual meetings out of town.

Have fun and keep up the good work for the Chapter.
