

Idaho Chapter of the Wildlife Society comments
National Wildlife Refuge System transfer

2.

and, let us protect, cherish and enhance our wildlife heritage. Let us keep the management of our wildlife refuges under the jurisdiction of that agency having the authority, expertise and demonstrated capability to so manage these refuges. And let us select a Secretary of the Interior who has the compassion to administer our Nation's Conservation Department in Stewardship, now and for the future.

Sincerely,

William R. Keiners
President
