Dear Mr. Connelly:

This responds to your November 30, 1989, letter to Mr. John Turner, Director of the U.S. Fish and Wildlife Service (Service). Your letter requested information under the Freedom of Information Act concerning your petition to list the Rocky Mountain population of trumpeter swans as threatened.

Specifically, you requested copies of all documents, memorandums, correspondence, handwritten notes, meeting minutes and notes, staff comments written on or attached to all copies of your petition. You also included items from Helena, Montana; Boise, Idaho; Laramie, Wyoming; Field Offices of the Service; Regional Offices in Regions 1 and 6; and the Washington Office of the Service. We have reviewed the files in the above offices and documents relevant to your request are enclosed (see enclosed list). If additional documents relevant to your request are received, we will forward them to you.

The fee waiver has been granted. We hope this information will be of assistance to you. If you have any questions about the enclosed material, please contact Mr. Larry Shanks at the letterhead address, or telephone (303) 236-7398.

Sincerely,

Galen L. Buterebaugh
