Dear Dr. Reese:

I received a copy of your letter concerning HB 317(353). You probably are aware of the disposition of the legislation at this time. Unfortunately, it passed the House with little opposition. More fortunately, it is being held in the Senate, so there will be no further action this year. (At least, unless something really strange occurs prior to adjournment.)

Your concerns fall on very sympathetic ears, as far as I am concerned. I encourage you to continue attempting to persuade legislators, because the concept may be difficult to stop next year. I will make an effort here, also.

Sincerely,

A handwritten signature in cursive script that reads "Shirley".
