Dear Charles:

Thank you for sending me a copy of The Wildlife Society's "Wildlife Viewing Guide." It is good to hear from you.

Wildlife viewing is one of the many activities people can enjoy on our public lands. This book will help me and others discover new areas to view wildlife. It is always good to get out of the city and enjoy the outdoors, and this guide will help me to do that.

Again, thank you for contacting me. If there is anything further I can do for you, please let me know.

Sincerely,

LARRY E. CRAIG
United States Senator
