Dear Dr. Reese:

Thank you for contacting me about the National Endowment for Humanities. I appreciate your comments.

I'm glad to know of the positive impact of the NEH. I'm particularly pleased that its Division of State Programs and the Idaho Humanities Council has enriched the lives of Idahoans as you've indicated. I believe educational programs and wholesome entertainment provided by the NEH help citizens take advantage of the wealth of learning and knowledge that is to be had in the world, and in Idaho especially.

Thank you for writing, and please feel free to contact me again.

Sincerely,

LARRY E. CRAIG
