Dear Kerry,

Thank you for writing to me to express your support for the Idaho Humanities Council. It is very good to hear from you and to hear of the success of their programming.

It is gratifying to hear from citizens who have enjoyed taking part in cultural and historical presentations, particularly when those programs enrich the lives of Idahoans.

Thank you again for your kind note. I hope to hear from you again if you have any questions or concerns about matters before Congress.

Very sincerely,
