GRADUATE

From Aunt Virda - May 1942.

BOY ORATOR

He stands so straight and tall, so tense and young
That we are moved before he ever speaks.
The strong, clear words come ringing from his tongue;
His voice flames with the message that he seeks
To bring to us—to older, duller minds,
To hearts that never shall again be quite
As sure of their beliefs as Youth who finds
All answers. We shall never be as *right*
As he who knows how ignobly we failed,
How little came of our exalted plan.
We built no golden peace—its splendor paled
And vanished. Here tonight in this boy-man
Lie all our hopes. His words are not mere sound.
His courage and ideals will keep us free.
A few months more and he may not be found
With time for speeches. Help him, God, to be
As certain then, as now, that all he gives
Is not too much—whether he dies or lives!

High School Elects Heads

The U-A party made a clean sweep of the Moscow high school election yesterday, when its two candidates for the office of vice president and secretary-treasurer were chosen by the student body to hold those offices for the next school year.

Dick Westover won over Orin Smith for the vice president's position, and Lucille Thompson was named secretary-treasurer, defeating Reta Short and Joyce Taylor. Vernon Snyder was elected student body president in last Friday's elections.

H. S. Prepares Service Honor Roll for War

Moscow high school will have a service flag, and the names of all former graduates and students, who are now serving in any branch of the armed forces inscribed in some poster or plaque form, it was announced yesterday by Principal T. H. Correll. It is planned to have these ready for presentation at commencement.

Baccalaureate services will be held Sunday, May 17, the principal said, and commencement will be held the following week-end. The school board, meeting April 12, will set the definite date.

A tentative list of 76 names for the service roll has been compiled by the high school, but Principal Correll said it was impossible to verify its completeness and accuracy. He urged anyone having any additions or corrections to call at the principal's office.

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed His grace on thee,
And crown thy good with
brotherhood
From sea to shining sea.

O beautiful for heroes prov'd
In liberating strife,
Who more than self their country
loved,
And mercy more than life.
America! America!
May God thy gold refine
Till all success be nobleness,
And ev'ry gain divine.
