Dear Jim:

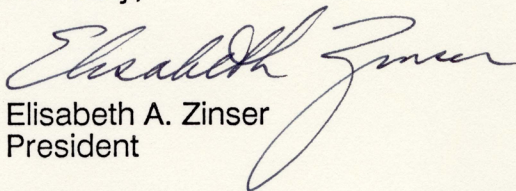

I am delighted that you have agreed to address the University of Idaho's 96th graduating class on Saturday, May 18, 1991, at 9:00 a.m. I hope you and Louise can join us for related activities: Alumni events on May 17, a luncheon at my home immediately following the commencement exercises, and perhaps one of our College's afternoon ceremonies (e.g., Law or Mines).

As a University of Idaho graduate who has contributed so much to Idaho and the University during years of dedicated public service, it will be an honor to have you return to your alma mater as our commencement speaker.

In addition to your upcoming participation at commencement, I thank you for lending your time and energy to the Vandaleer Spring Tour. The continuing active support you and Louise provide us is greatly valued, and I look forward to seeing a great deal of you both throughout early May.

Your acceptance of our invitation to enlighten our Spring 1991 graduating class and the University of Idaho community as our commencement speaker is certainly appreciated.

Sincerely,

Elisabeth A. Zinser
President
