Senator James A. McClure
3467 N. Venice Street
Arlington, Virginia 22207

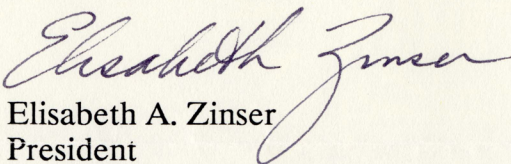

Dear Senator McClure:

Thank you for donating your speaking fees from the Northwest Mining Association's annual convention to the University of Idaho. We have received their check in the amount of \$2,000, and have applied it toward the Senator James McClure Chair.

As I travel around this beautiful state of Idaho and the nation, I am heartened always by the enthusiastic support given by graduates and friends of the university. The university community and I are thrilled to be working with you side-by-side in making the University of Idaho stronger and stronger.

You have given the University of Idaho that extra edge so important in distinguishing us as one of the finest state universities in the nation. You have made us that much better. Thanks again for your generous contribution.

Sincerely,

Elisabeth A. Zinser
President
