

DEAR PRESIDENT GIBB,

A DOME IS AN ARCH REVOLVED ABOUT A VERTICAL AXIS, A ROOF FORMED BY A SERIES OF ROUNDED ARCHES, SUCH AS A HEMISPHERE. A VAULT IS A SEMI-CYLINDRICAL, ARCHED ROOF STRUCTURE, AN ARCH EXTENDED Laterally, SUCH AS A CYLINDER. (AN ARCH IS A CURVED STRUCTURE SPANNING AN OPENING BY RESOLVING VERTICAL PRESSURE INTO HORIZONTAL OR DIAGONAL THRUST) THERE IS CLEARLY A DIFFERENCE BETWEEN THESE TWO STRUCTURAL SYSTEMS.

WHY IS THE STADIUM HERE AT THE U.I. CALLED "THE KIBBIE DOME", WHEN IT IS IN FACT A VAULT FORM? I PROPOSE THAT WE CHANGE THE NAME TO "THE KIBBIE VAULT" SO THAT ITS NAME WILL BE CORRECTLY CORRELATED WITH ITS ARCHITECTURAL TYPE.

BECAUSE MANY PEOPLE ARE NOT FAMILIAR WITH THE TERM VAULT, THIS NAME CHANGE WILL EDUCATE THE NOW MISINFORMED PUBLIC. IS NOT AUGMENTING KNOWLEDGE OF ITS RESIDENTS THE DUTY AND PRIVILEGE OF A STATE UNIVERSITY?

MY PROPOSAL WOULD COST THE UNIVERSITY VERY LITTLE. THE PAINTING OF A FEW SIGNS AND REPRINTING OF MAPS, PAMPHLETS ETC. (WHEN THE OLD ONES RUN OUT) IS ALL THAT WOULD BE NECESSARY.

ANY QUESTIONS OR FEEDBACK MAY BE ADDRESSED TO: KIRK BOIKE, 301 SHOUP HALL, U.I., MOSCOW ID 83843

SINCERELY, KIRK BOIKE

NAME CHANGE PROPOSAL
