## METSKER COUNTY ATLASES

The Metsker County Atlases are the most complete and popular maps made of a county. They are used by over fifty lines of business in the Pacific Northwest. Come Properly indexed in book form, with flexible red imitation leather cover. Each page is a township map, drawn to a scale of two inches to the mile, showing ownerships of property, plats, roads, trails, creeks, rivers, lakes, railroads, towns, schools, camps, government lot numbers, donation land claims, sections, townships, range—everything. Just the map for a library, lawyer, real estate man, banker, loan agent, insurance agent, lumberman, county, city or state offices, etc.—to the above it is worth double its price.
