# Announcing

## SANTA CLAUS DAY

We take this opportunity of announcing that our Christmas Tree this year will be held in connection with the Robinson Post No. 81 American Legion. Co-operating with the Legion are many of the Fraternal Organizations and Buisness men of Potlatch. Our reason for going into this with the above organization is that we feel it would be more of a community by joining forces and making it a bigger and better day for the children.

Candy will be given to children of all ages. A suitable little gift will also be given to all children from the 8th grade down. You big girls and boys will get a bag of candy but do not expect a gift as they are for the smaller ones.

Everybody come. You will enjoy it as much as they. Let's make this a big day full offun and enjoyment.
