

off we can here there guns
when we get through here we are
going to Moore to bridgeport we
will Moore in about two weeks
for a few days back I have felt
well & made as much as I ever did
but I have not been able to work
I need some pills I am bilious
for two days now I have been
sick but able to be around &
that is about all. ~~Butter & meat~~
~~gone~~ My blade is very bad it
must be the erysiples in my
blade for when I exercise any
there is a ~~heat~~ heat mess runs
through my veins as if I
stood in a hot fire. The weather
is warm here & rich when we
get hungry for beef we go out in
the country & shoot down the
first good beef we come across
Carry it in to camp. we have
