

very warm & nice weather
here now we have got our Stock
ade bout done. we have not a
tackel yet by Rebs but day
befor yesterday they herd that
they was Rebs coming a stockade
that our other Squad was a
bilding about a quarter of a Mile
of go hed orders to quit work &
see to our guns but in a few
minites we found out it was
some of our one Mess coming
down the Road on horse back
that after noon the Cars did not
come along & we went to bed with
our guns be side of us but the
next Morning the Cars come &
they hed ben a bridge ~~burnt~~
to bild that hed got out of
Repare. Mother you Make
litthe bag & send Me Medicin
if you can & put in like
