Our Sister,

I received your kind letter
to day & was glad to here
that you are all well &
fore my part I am well
& have done a weeks work
I got your letter to day noon
as I came in to dinner &
So I thought I would write a
few lines this evening I wrote
wone the 18. & put in it a
couple of Rings fore you Clarissa
I dont now wher they will fit
you or not, they are made out
of rather poor Shells they better
woud when we get to whare they
are. I hope you will get
my letters be fore Mr. Starts
back so you can send me

the Medison I want for I
think if can have some Med.
to take for My blud & to
work on the Limer that I will
tuf a buck. & Dr. Rowbacks
blud pure-fier & blud pills
are good thing. I can have I
think barnes folks Recemend it
as a good Medison. & the sholder
braces. if you Cant find them
in the drugstores in Albion
you will haft to let them go
& if I get My pay this next
week send it home bey express
i think but they may not pay
till the first of June. but some
Say they will pay next week
a tuesday. but Father you must
get along the best you can
& I help Me a litthe if you
if you can & as soon as I am
pade I will help you. it is

very warm & nice weather
here now we have got our Stock
ade bout done. we have not a
tackel yet by Rebs but day
befor yesterday they herd that
they was Rebs coming a stockade
that our other Squad was a
bilding about a quarter of a Mile
of go hed orders to quit work &
see to our guns but in a few
minites we found out it was
some of our one Mess coming
down the Road on horse back
that after noon the Cars did not
come along & we went to bed with
our guns be side of us but the
next Morning the Cars come &
they hed ben a bridge ~~burnt~~
to bild that hed got out of
Repare. Mother you Make
litthe bag & send Me Medicin
if you can & put in like
bides

it will come good
& cant have no better
Chance. So good by
Katie as soon as you
