

I do you must get
along the best you can and
write as soon as you get this
and let me no how you make
it write to me how the wheel
looks. when you shear the sheep
mark them if can.

you will haft to go to
the express office get the
money it will be there likely
as soon as you get this
letter & it may not. I
have got a present to
I will keep it un till you
get the money, if our name
is there to show on the package.
I do not think of any more to
write at present. the wether
is very warm & nice here
we are 20 miles from Chatwooge
we ma not stay here long
there is some talk of going
