

soon get the place for we do not
get much to eat, the South part
of georgia is low flat swampy land
the water is very poor, we started
from atlanta the 16 of november
& got through the 10 of December
each man carries his one tent
day tent the weather is nice & warm
Father & Mother you Most Send
Me a Sheet of paper & envelope
& a Stamp in your letter for I
have not got man we was not
allowed to carry any on this March
& I want you to send me a half
pound of ginger send it by Mail
the same time you do the letter
it is good to put in to the bag
one of water to drink for I have
the diarrhoea, write as soon as you
get this. Reverend Mother
