

we are Camped about 50 Miles from
Charleston & bout 60 Miles from Savannah
were Buford. I think if we git Charleston
that the war will be over this Spring
I hope so at any Rate. the wether is
quite cold it freezes ice half a inee thick
& there is cold winds. we have our tents
up in hoods like indians huts two men
in a tente & we go to the woods & get
wood & back in & build little fires in
front of our tents it is most to
cold to write but I will do the best
I can for I do not no when I shall write
agin ^{me} not untill get to Charleston. you
must write as soon as you get this
Mother, & Clarissa. with out delay for it
will follow ~~let~~ ^{us} us go to the ends of the
earth. there is a man by the in our
Company his name is Bisby he own
